Four answer BRAND RFP

WILLIAMSBURG – There are a few companies out there interested in the South Dundas fibre/wireless high speed network.

As a result of a feasibility study by Lanark Network Associates, South Dundas council opted, April 12, to issue a new Request for Proposal (RFP) for a vendor for the BRAND project.

Council intends to transfer the assets of the existing fibre network to the owner operator of the expanded network, as part of their exit strategy.

The original RFP deadline was May 5, a date which was pushed ahead to May 12, to allow vendors time to adequately prepare their proposals.

Monday, township CAO Andy Brown said four proposals have been received. He said some of the vendors are from the immediate area, and others are from farther away.

Now that the RFPs have been submitted, they must be evaluated based on a scoring system, ranked accordingly and interviewed by the BRAND committee.

The new committee will be the governance structure for the BRAND expansion program.

According to the resolution passed by council, the committee is required to be representative of the community and comply with BRAND requirements.

Although the committee will play a role in the process, the members have yet not been officially appointed by council.

"There have been names recommended for the appointment," says Brown, indicating the committee will probably be named at the next council meeting.

"The committee put forward will evaluate the proposals, interview the firms and make a recommendation to council."

Brown says the municipality is still working towards meeting the June 1, Industry Canada deadline to accept the $1.7 million BRAND funding.

Families and Friends Unite Against Cancer at Seaway District High School *Boone Photo*

Hundreds of participants and supporters joined the fight against Cancer at Seaway District High School Friday night and in total the 38 participating Relay for Life teams raised an amazing $40,327. For many the effort was made in memory of a cherished loved one who lost their battle with the disease and for others it was a tribute to those who are fighting the battle. Seaway was one of 28 schools selected to host the event, and thanks to a dedicated group of student, teacher and community volunteers it turned out to be a touching success. Above members of one of the 38 teams join forces as they walk around the Seaway track. For pictures see page 9.

Relay for Life at Seaway District High School

Cancer hits close to home

IROQUOIS-Seaway District High School was one of 25 schools in Ontario participating in Relay for Life when Seaway hosted its first ever relay on Friday, May 14.

Amy Jansen, the Student's Council Social Convenor and co-organizer of the event said that the Cornwall branch of the Cancer Society talked to Student's Council in November, and the Student's Council was very excited about the idea.

A rally was held on April 1, and after that, claims Jansen, it was simply a matter of "waiting for the teams to come in." Jansen says that recruiting teams "wasn't hard at all," and that "everyone at Seaway was very enthused about it."

Sarah Tuttle is not a Student's Council member, but still offered up her spare time to be a co-organizer of the event with Jansen.

Don Lewis, a Staff member on the Relay for Life Organizing Committee claimed that Tuttle did "a tremendous amount of work." She even managed to be the leader for a team of 12. Tuttle wanted to help to support "friends and family members who have been afflicted with cancer."

President of Student's Council, Sara Stime says, "It gives students a chance to help out in their community. There aren't alot of opportunities to show that teens are concerned about people. There is a huge percent of students that are participating."

Vice-Principal Brad O'Neill, said, "this is a great event. Cancer has touched the lives of everybody."

At 5 p.m, participants began filling out their paperwork at the registration table and pitching their tents for the long night ahead.

Before the opening ceremonies at 6:40 p.m, Seaway staff and students hosted a survivor's reception in the newly renovated guidance office.

When it was time for the opening ceremonies at 7 p.m, large groups had gathered around the makeshift outdoors stage to listen to the speakers

Wrapping up water meter installations

WILLIAMSBURG – Although the deadline for the installation of residential water meters was May 18, the township is being a little flexible with that date, as long as progress is being made.

Township council passed a motion at the April 20, council meeting announcing that water meter installations would be funded by the township through water reserves and water reserve funds.

In order to qualify for the township funding homeowners are required to have the meters installed by GC Toshack by the deadline. This deadline is now slightly flexible as long as individuals who have not yet had a meter installed have been in contact and are working with the municipality to have their installation done.

When the township announced the intention to fund the water meters the refusal list had between 50 and 60 names on it, and according to CAO Andy Brown, that list is getting shorter.

Township council now has a draft of the water meter bylaw for review and comment. The purpose of the bylaw is to enact a complete list of rules and regulations for the installation, repair, maintenance and access to water meters, including penalties for offences.

Ladies Auxiliary Zone Convention comes to Morrisburg

On Saturday, May 15th, the Ladies Auxiliary of Branch 48 in Morrisburg hosted the annual Zone Convention.A different branch hosts the event every year inviting the other nine branches to their home legion. The Ladies Auxiliary held a Colour Party as a special opening for the elections that occurred during the Zone Convention. The ladies and some male Legion members paraded to the Cenotaph beside the St. Lawrence in Morrisburg. *Boone Photos*

Removal clause reinstated in conflict of interest application

CORNWALL – In court for the fourth time last Friday, was the conflict of interest application filed by South Dundas resident Andrew Bowers against South Dundas councillor Ron Delegarde.

With pretrial and trial dates already set, the purpose of the Friday court date was for Bowers to file two motions, one to reinstate a clause asking that Delegarde be required to vacate his seat on council should he be found in contravention of the act, and the other to obtain documents from the Township of South Dundas.

"What is expected here today is difficult to ascertain," said Justice Sedgwick, who presided over the hearing in the absence of Justice Cosgrove, who is facing an inquiry into his conduct in a 1999 murder trial.

In explaining that Cosgrove said a motion would be necessary to reinstate the penalty of the council seat being declared vacant should Delegarde be found in contravention of the Municipal Conflict of Interest Act, Sedgwick replied, "That's an issue for trial isn't it?"

"The applicant decides somewhat the penalty," said Bowers, who had the clause in the application originally, then removed it on consent because he did not wish to involve the township. Bowers asked Friday that it be reinstated.

Delegarde's lawyer, Leo Courville said, "The act envisages the possibility of it being a remedy at the discretion of the court." He also commented, "Mr. Bowers would like to have his cake and eat it."

Sedgwick decided to allow the clause to be returned to the process to make the full range of remedies available to the court.

Bowers was also seeking a motion, "to obtain documents in the possession of council."

"There is no affidavit explaining why this information is needed," said Justice Sedgwick. As a result, "there is no evidence the court can consider." With no evidence, Justice Sedgwick could not grant the order requested.

Eldon Horner, the lawyer representing the Township of South Dundas spoke to the issue of Bowers obtaining those documents. He said it was difficult to respond to the request, because of the lack of an affidavit.

Horner pointed out that because Bowers is seeking

Upper Canada Village

Take a trip back in time

MORRISBURG–The May long weekend is fast approaching, and with it the start of another tourist season as many area attractions first open their gates for visitors.

At Upper Canada Village (UCV), the holiday weekend marks more than its opening day on May 22. On Sunday and Monday, May 23 and 24, the Village is encouraging the public to take a trip back in time and join in its Queen Victoria's Birthday Celebrations 1860s-style.

The Queen's Birthday was already widely recognized as an important national holiday by the 1860s. On May 23 and 24 of this year, as soon as visitors enter the gates of UCV, signs of a 19th century celebration will be evident with flags and colourful bunting adorning many of the heritage buildings on site.

A number of historical activities scheduled for Sunday and Monday will bring to life the same community excitement that would have been felt in Upper Canada in the year 1866.

"The people of the time would have been preparing to mark not only the occasion of Her Majesty's birthday, but also to express their optimism towards the future, and the proposed confederation of the colonies of British North America", says Bruce Henbest, Supervisor of Special Programs at Upper Canada Village. "The true tribute to the Queen will be at 1:15 p.m. each day, as villagers and visitors to the site will join in singing God Save the Queen, hear patriotic speeches and recitations, and offer three cheers to Her Majesty".

On Sunday, a Feu-de-Joie (the successive firing of rifles) by the Brockville Infantry Company will complete the patriotic ceremony.

As part of the festivities, Village musicians will gather to rehearse and celebrate at Cook's Tavern at 12:15 p.m. and 12:45 p.m. both Sunday and Monday.

Children and adults alike will be thrilled during the Fire Engine Trials scheduled for both afternoons at 1:30 p.m. The "Queen", a shiny new state-of-the-art engine of the day, will be hand-pulled by the Fire Company and a stream of water shot through the air.

On Sunday, special guests, the Brockville Infantry Co. will be encamped in front of UCV. Throughout the day, they will perform patrols, drills and maneuvers with military precision.

Non-uniformed village men will be recruited and drilled as part of a sedentary militia muster each afternoon just before 1 p.m. It is rumoured that even visiting children and their parents may be sought to join in the militia drills, where they will be invited to dress in a red coat, and have their skills tested (2:45 p.m. each afternoon).

Always a popular part of any 1860s celebration, and sure to be a hit for modern-day guests at Upper Canada Village, are a number of athletic games such as tug-of-war, relay races and sack races, to be held on Sunday afternoon at 2 p.m. After the games, children and their families will be invited to have a piece of birthday cake and a drink of lemonade.

A highlight at the same time on Monday afternoon will be a friendly game of baseball that takes advantage of the arrival of spring, where villagers and visitors alike will gather in the fairgrounds to play, adhering to the old-fashioned Massachusetts rules.

"Queen Victoria's Birthday Celebrations" is the first in a series of events in May, including "Spring on the Farm" (May 22 to 30), and "Heirloom Plant Sale and Garden Weekend" (May 29 and 30).

Williamsburg W. I. focus is on Boucks Hill history

WILLIAMSBURG – Boucks Hill was the theme of the May meeting of the Williamsburg Women's Institute which got started with the roll call "Tell Something About Boucks Hill."

The older members had memories of the old store–mostly about buying ice-cream cones, and the "Indenture" for the Exhibition ground for the year 1803 was on display showing that the Williamsburg Agricultural Society had leased the property from Jacob S. Marselus.

After the business portion of the meeting, Bettie Locke introduced guest speaker, Anthony Bouchard who had much to tell about the demolition of the old brick building on the corner in Boucks Hill and the artifacts that have been found.

As the project is carried out, many people have come in to share memories of the activities in the building which once had a doctor's office, a store, a stagecoach stop and a post office, in addition to being a machine dealership which we can remember.

The building was built in two parts, and the north side was built first. The walls were made with three layers of brick of different consistencies, and the foundation shows chisel-marks indicting hand-cutting of the stone.

Anthony showed pictures taken and samples of boxes found in the ruins. Following his interesting talk, he was thanked and presented with a Williamsburg Tweedsmuir History Book.

Lynn Gilmer spoke of the summer trip to the Golden Horseshoe of Ontario from July 21-22. As usual, Freda has an exciting trip planned, and members and friends should contact Lynn as soon as possible to secure a bus seat.

The meeting closed with a social hour and lunch was served by Peggy Thompson and Bettie Locke.

Riverside W.I.

Hold minute of silence

RIVERSIDE HEIGHTS – The May 11 meeting of the Riverside Heights Women's Institute began with a minute of silence in memory of member Lurinda Beckstead who passed away recently.

Roll call was then answered by eight members and four guests, and on the lighter side Florence McManus entertained with a few jokes.

Correspondence included a request from the Dundas County Council of the Easter Seal Society for an item to be given as a door prize at their golf tournament in July. Jean Paquette will donate a lawn chair on behalf of the W.I.

Cathy Groves reported on the District Annual meeting she attended with Louise Doyle and Florence McManus. Two branches, Morrisburg and Matilda, have folded leaving the District with five branches.

The Dundas W.I. bus trip this year will be to the Golden Horseshoe from July 21-23. It promises to be an interesting trip, and anyone interested in participating is asked to contact Florence McManus.

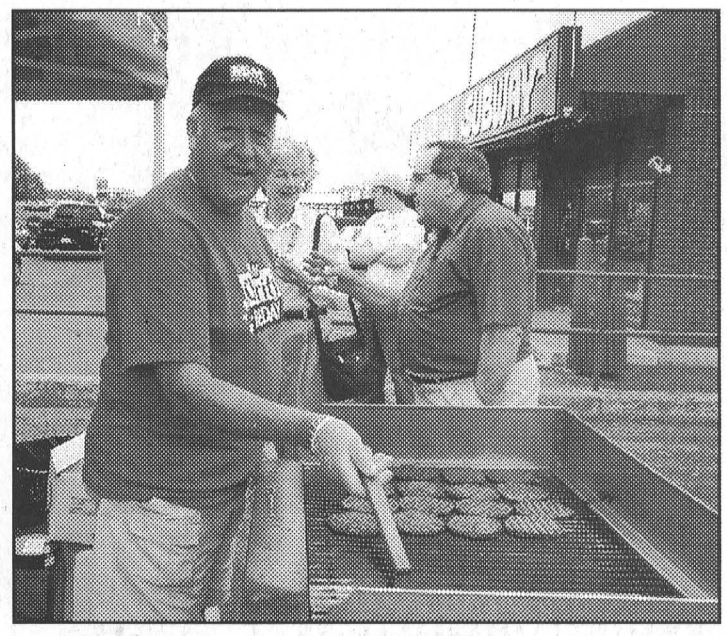
The book of War Stories will be ready in November and will include Joan Smirle's story she submitted of coming to Canada as a war bride.

The May 22 plant and craft sale will be held at the clock tower in Morrisburg from 8 a.m. to noon and half the proceeds will be donated to M.S.

The quilt top, started by our members, was show, and the next quilting day was set for May 18 at 10 a.m. in the hall. Anyone who would like to help is most welcome.

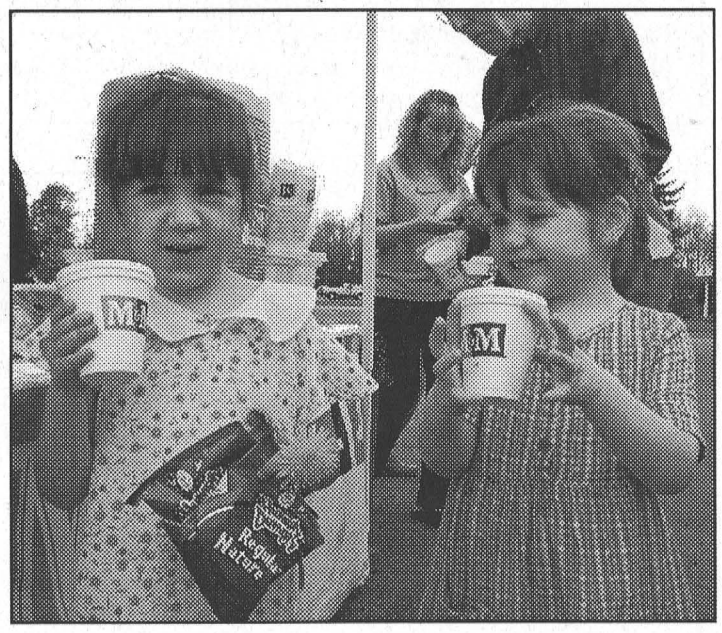
The May meeting ended with a fun auction conducted by Florence, followed by a nice lunch.

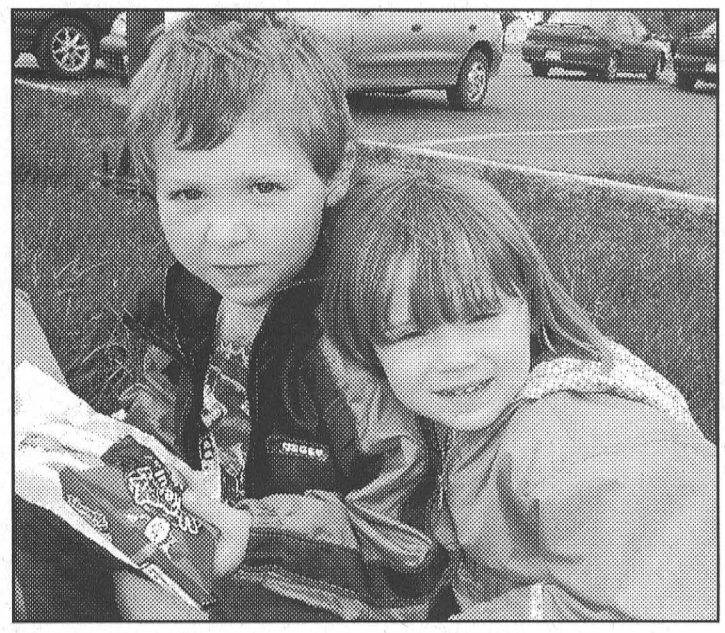
The next meeting is at 1 p.m. at the George Jowett Hall in Riverside Heights.



M & M Meatshop in Morrisburg raises money for Crohn's and Colitis Foundation

On Saturday, May 15, M & M Meatshops across Canada held barbecues from 10 a.m to 4 p.m, to raise money for the Crohn's and Colitis Foundation. There is no known cause or cure for Crohn's disease and ulcerative colitis, also known as inflammatory bowel disease (IBD). It can strike anyone, regardless of age, race, or gender. More than 150,000 Canadians suffer from IBD and the number is growing. The foundation has over 75,000 supporters across Canada. The mission of the Crohn's and Colitis Foundation of Canada (CCFC) is to find a cure for IBD. The CCFC has invested over $32 million in innovative research initiatives, most recently creating the Canadian IBD Network's Tissue Bank and the CCFC IBD Research Institute. M & M is the largest sponsor of this foundation and has already funded close to $8 million for IBD research. At left above is the M & M Charity BBQ Team: Julie Disheau, Pam Miller, Claire Delage and Orval Delage. At right above is Orval Delage showing off the juicy burgers he whipped up. Below at left are Dana and Caitlyn Albert. The sisters are five and four respectively. Below at right, Caitlyn McInnis, two, leans on big brother Travis, four. ***Boone Photos***





Cancer hits close

— continued from page 1

who encompassed a large group of people. Unfortunately, special guest, Max Keeping of CJOH could not attend because he was in the hospital.

The Mayor of South Dundas Lyle VanAllen, cancer survivor and Seaway teacher, Bonnie Adair, School Trustee Greg Pietersma, Barbara Bilodeau from Seaway's Parent's Council, Eugene Cardinal from the Cancer Society and Diane King, a Director on the Board of Northern Magic Fund for International Development had messages for the crowd.

Pietersma said that it "took great courage to fight something as insidious as cancer," making mention of those from Seaway who have been hit by cancer including Chris Salmon and presently teachers Hugh Porter and Bonnie Adair.

Pietersman stated that there is a need for a "zero-tolerance approach to carcinogins."

Cardinal spoke about the first Relay for Life held in Ottawa in 1999, which raised 45,000 and since then, $16.5 million has been raised in the fight against cancer.

Cardinal says that Relay for Life, "is more than an event to raise money. It's an event that brings together a community for one goal-to beat cancer."

King was a special speaker. She was a personal friend of Diane Stuemer, a woman, who upon discovering that she had skin cancer in 1994, decided with her husband to take their three young boys on a four year trip around the world by boat.

The Stuemers' trip was chronicled by The Ottawa Citizen every Saturday.

The Stuemers met so many people who needed and deserved help on their travels that they established the Northern Magic Fund for International Development when they arrived home in 2001. Tragically, Diane Stuemer succumbed to her cancer in March 2003.

King articulated that one of Diane Stuemer's messages that she wished for Relay for Life participants to take to heart is, "None of us knows how much time we will be given on this earth. We've got to make the most of each day."

Following the speeches, a cheque for $40,327 raised by the 38 participating teams was presented to Eugene Cardinal of the Cancer Society. Flowers were also presented to each cancer survivor before they hit the track for the Survivor's Victory Lap at 7 p.m, and this lap officially began the event.

A special luminary ceremony was held at 8 p.m, where family and friends were invited to light a special candle for a loved one who fought cancer or is fighting cancer.

Following the lumiary ceremony were numerous events to keep the participants entertained including live bands, games and movies in the cafeteria and volleyball in the gym.

Former Seaway student Carolyn Pepers, who was a member of the "Pretty in Pink" team, and who had luminaries for Tom Pepers, Oma Bongers, and Madeline Curran, said that the event was, "a great idea to honour relatives and friends who have died from cancer, and to support the survivors."

At 7 a.m the next morning a surprisingly hyper Amy Jansen encouraged participants as they made their final lap around the track, thus ending Relay for Life 2004.

Village offers a season of special events

MORRISBURG – The 2004 summer tourism season is almost here and the gates of Upper Canada Village will open this Saturday, May 22.

The Upper Canada Village season runs from the long weekend in May until Sunday, October 10 with daily hours from 9:30 a.m. until 5 p.m.

Once again the village is offering the public a whole season of theme events and activities beginning with the Spring on the Farm theme and Queen Victoria Birthday Celebrations.

Spring on the Farm is a special time of year as the Village awakens with new life. Visitors can take part in the many agricultural activities of an 1860s community, including planting, rail-fence building and discussions on agriculture and horticulture.

Children will love to see a number of adorable newborn farm animals that appear each year with the arrival of spring. Spring on the Farm runs from Saturday, May 22 until Sunday, May 30.

This Sunday and Monday, May 23 and 24, the Village will celebrate Queen Victoria's Birthday.

Visitors can join in the 1860s styles celebration; sing "God Save the Queen",; her historical patriotic speeches; see grand military manoeuvres; lace up for the 1860s athletic games; and witness the Village's "Queen" (a hand-pumped fire engine) perform in a fire engine trial.

Celebrations continue on Monday with music, speeches and more games.

The annual Heirloom Plants and Gardens Weekend is set for Saturday May 29 and Sunday, May 30.

Heirloom varieties of perennials and annuals grown within Upper Canada Village and in the Queen Elizabeth Gardens will be for sale and related gardening books and merchandise will be available.

The 7th Book of Remembrance

The Peace Tower in the nation's capital is home to Canada's six Books of Remembrance. These treasures are testaments to Canada's past, for by their very title they remind us to never forget the foundations of courage on which Canada is built. The Books commemorate those who have lost their lives in the First and Second World Wars, the Korean War, the 1885 Nile Expedition and the South African War as well as the Merchant Navy and the Newfoundland and Labrador Forces.

Veterans Affairs Canada is asking Canadians to help create the Seventh Book of Remembrance. Entitled *In the Service of Canada–The Seventh Book of Remembrance*, it will recognize members of the Canadian Forces who died in service to their country since 1947, and whose death is attributable to their military service, exclusive of those commemorated in the Book of Remembrance–The Korean War.

Veterans Affairs Canada is working with the National Archives of Canada in researching and identifying the names of those who will be commemorated in the book. To ensure the complete accuracy and integrity of this book, the Department is also asking Canadians to come forward with any information they may have on members of the Canadian Forces who have died since 1947, as a result of their service. The type of information required includes the rank, name, post nominals, service number, Bran, Unit, Higher Headquarters and date of death. Canadians who have information are asked to e-mail it to commemoration@vac-acc.gc.ca or mail it to Veterans Affairs Canada, Canada Remembers, Seventh Book of Remembrance Project, 66 Slater-12th Floor, Ottawa, Ontario K1A 0P4.

This endeavour will help ensure we continue to keep alive the achievements and sacrifices by those who served Canada.

Seen 'n Heard

Around the Town

Here we are, heading into the first long weekend of the season, but where those long weekends a little farther into the summer are times for R&R, for many people this particular one is a time for work...yard work that is. Growing up we were always told we shouldn't put the garden or flowers in before the 24th of May, because it wasn't until then we would be safe from frost. So, it seems, the tradition continues and the 24th of May continues to be the time to do our spring planting.

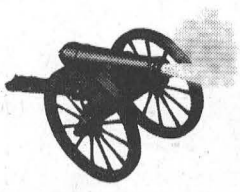
In addition to all that yard work everyone has planned for this weekend, a reminder to everyone to set a bit of time aside to attend the Giant Yard and Sidewalk Sale here in Morrisburg. Household Yard Sales are running from 8 a.m. to 2 p.m. Saturday, May 22 and one only need check the Classified Ads in this week's issue of The Leader to discover that there are going to be a lot of treasures out there to be purchased.

In addition, local businesses will be offering up some special purchases at their sidewalk sales in the Plaza and a number of local groups have come on board to support the event. The Riverside Heights Women's Institute is having a plant and craft sale at the Plaza Clock Tower, and Lakeshore Drive United Church is serving a light breakfast in addition to their plant bake and yard sale at the church. The Catholic Women's League is having their sale in the church parking lot and the Eastern Star is having an indoor year sale at the Masonic Hall. The girls guides are having a bake table in front of Thom Realty and other sales will be held near the tourist information booth.

Being held in conjunction with the Giant Yard and Sidewalk Sale is the first community Food and Clothing Drive from 11 a.m. to 2 p.m. in the plaza. Food items and clean reusable clothing items can be dropped off here for the benefit of local charities. This is a perfect opportunity to clean out those closets of clothes that no longer, whoops, fit...yeah, yeah...we know they are too big.

•••

At any rate, whatever your plans are for this holiday weekend, have a safe one.



The Leader Blast from the Past

Compiled from The Leader's files

1994

The May 18 issue reported that Williamsburg Township Council would remain neutral on the proposed recreation facility in South Dundas and would be guided by the directions expressed by township ratepayers. So far, the South Dundas Economic Development Commission and the Morrisburg and District Lions Club had shown support for the project. Morrisburg council, however was pushing for a serious downsizing of the proposed facility.

Randy Mullin had stepped down from his position behind the Morrisburg Jr. B Lions bench and replacing him was well-known community figure Jim Notman who was looking forward to joining John Morrow. Notman had impressive credentials. He played minor hockey in the area and at the age of 13 moved to the Metro Jr. A team in Montreal where he played until he was 16. He then played with the Niagara Falls Flyers for three years, and saw time on the ice with Marcel Dion, Brad Park, Guy LaPoint, Pete Mahovlich and Denis Sevard He turned semipro and played in the Eastern Hockey League in the U.S. with stints in Nashville and Greensboro.

1984

The May 16 issue reported the Morrisburg and District Lions Club had hit $15,304 in their "Help Your Health" campaign. The Lions had a $20,000 target in their fundraiser for the laboratory expansion project at Winchester and District Memorial Hospital.

The fate of one of the village's oldest buildings may have been intimated when village council said it would have to look seriously at continuing to operate the old high school at an annual deficit of $30,000.

Seaway District High School put together it largest team ever to compete at EOSSA with some great results at the SD&G. Seaway had fielded a team of 52 athletes and of the 52, 15 had qualified in 20 events. Highlighting the Seaway team's performance was Robin Robertson who set a new SD&G record in senior girls high jump at 1.60 meters. Also expected to have strong finishes at EOSSA were Jeff Whitteker, Anne Noakes, Ruthanne Corman, Steve Parisien and Tracey Markell.

Bill Duvall, 41, worked a night shift, ran about two miles, worked out at the gym for 20 minutes and drove to Ottawa in time to run a 26 mile marathon. He then completed the National Capital Marathon in three hours and 46 minutes. He had run the marathon at the request of a friend.

1974

The May 17 issue reported that Dr. Graham House was elected president of the Morrisburg and District Canadian club.

White and yellow mums decorated the altar of St. Mary's Church in Morrisburg on Saturday, May 11 for the marriage of Anne Marie Locke to Gary Alfred Lunn. Rev. F.M. O'Connor performed the ceremony.

Again, music lovers in Morrisburg and area were given a treat when the Seaway Singers recently presented their concert entitled "Anchors Aweigh". The stage was suitably arranged to represent a ship which was called the "S.S. Wreck".

The Dundas County Fastball League was to get underway May 14. Teams this year included Bob's Tavern of Ogdensburg, Domville Aces, Kemptville Squires, Cardinal Pats, Williamsburg-Brinston Pioneers and the Brockville Commercial Stars.

The Iroquois Golf Course was now open and memberships could be purchased for: $81 for man and wife; $54 for a single man; and $43 for a single lady.

At Heinz' Food Market, strawberries were 39 cents a pint, and a 32 ounce jar of Kraft Miracle Whip was 99 cents.

1964

Headlines in the May 15, 1964 issue of The Leader read High Winds Cause Heavy Damage here Saturday. Winds approaching hurricane proportion wreaked havoc with trees, and television antennae and hydro and telephone wires were torn down.

Gerry Fleury, goaltender for the Morrisburg Combines, received the MVP award at the club's annual banquet at the Loyalist Hotel. The presentation was made by Leo Boivin of Prescott, one of the outstanding players in the NHL.

Morrisburg Branch 48 of the Royal Canadian Legion was planning a special D-day service in memory of the 20th anniversary of the day no veteran of World War II would ever forget.

The Morrisburg Mets lost their opening game of the season to the Cornwall Mustangs 5-2. Bob Barclay scored both Mets goals.

1944

The May 14 issue reported the death of Fred R. Chalmers, one of the most widely known residents of the community. Born in Morrisburg, Mr. Chalmers was 78 years old. He had held the office of municipal clerk for nearly half a century and was very interested in sports. He was a member of Morrisburg's first hockey team.

Lieut. Gladys M. Meyer, daughter of Mr. and Mrs. Arnold Meyer of Morrisburg, cabled her parents that she was safe and well in England.

Known wherever horses were raced, 87-year-old Daniel Driscoll of Matilda township died at his home. Driscoll, raised, trained and drove horses across the finish line to victory many times, racing again the leading horsemen of his day.

1934

Printed on the front page of The Leader were the highlights of the Ontario government election manifesto. The government was ready to cooperate with the Dominion in providing unemployment insurance and favored a minimum wage for men.

Fred W. Wells, Morrisburg was selling the new Chevrolet Standard Six for $710.

What was believed to be the largest fleet of gun-bearing craft ever to pass through the local canal was seen when nine U.S. coast guard patrol boats locked through en route to nine Great Lakes locations. The ships constituted a contravention of the Rush-Bagot Treaty, but because of the friendly relationship between the U.S. and Canada, the Canadian government had given permission to the 200 ton crafts to pass up the Canadian canals.

LETTER TO THE EDITOR

Relay for Life surpasses goal

To the editor,

On behalf of the SD&G and Prescott-Russell Unit of the Canadian Cancer Society, I would like to take this opportunity to thank you for making Seaway District High School's Relay for Life an outstanding success.

Thanks to the efforts of volunteers like the youth organizing committee, more than $40,000 was raised for the Canadian Cancer Society.

The staff advisor, Mr. Don Lewis and these young volunteers worked tirelessly to make it all happen. We owe them such a big thanks for being part of this volunteer team. You surpassed our goal by more than we could ever imagine and this just couldn't have happened without you.

Relay for Life High School has revitalized communities, volunteers and participants alike all across Ontario.

Relay for Life High School has wonderful potential not only in raising funds for research, information and services, but also in increasing awareness and celebrating and remembering those touched by cancer.

Proceeds from Relay for Life High School help the Canadian Cancer Society lead the way in the fight against cancer.

The Canadian Cancer Society;

- funds research on all types of cancer,
- is the most important comprehensive source of credible information on cancer, treatment and risk reduction,
- provides support to people living with cancer, family members and friends.

Thanks to all the donors from the Seaway area for your commitment to Relay for Life High School; we hope you'll consider having another event next year.

Please know that anytime you need information, or someone you know needs help because they are touched by cancer, your local Canadian Cancer Society is only a phone call or mouse click away (1-800-669-4181, www.cancer.ca). Together. Strong. Let's make cancer history.

Sincerely,
Janie Grimes
Unit Manager - SD&G and P-R Canadian Cancer Society

Letter to the Editor

Utilizing the Morrisburg Waterfront

To the Editor:

The Morrisburg Lions Club have a great idea in their quest to establish a concession stand near the dock area. We must show our support by assisting them, convince council this venture would be beneficial to all.

If we create an atmosphere that would attract visitors to our town, then everyone would benefit. It was only a short time ago that we made way for Canadian Tire, Giant Tiger and Tim Hortons. It now appears, McDonalds is coming to town.

These companies cause a much greater impact to existing business than any concession stand. I don't think a few hot dogs or ice cream will cause anyone to close their doors.

If someone or some group wants to create a better environment for all of us, with no cost to the community, we would be crazy to turn down such an offer. Please show your support for this endeavour by contacting:
Township of South Dundas,
4296 County Rd. 31,
P.O. Box 160,
Williamsburg, Ontario
K0C 2H0
Telephone: 535-2673
Mayor: Lyle Van Allen
Councillors: Sandra Bailey, Charles Barkley, Ron Delegarde, J.C. Whitteker.
Your's truly,
Mahlon Locke

The Sky Is The Limit
Reflections of the Eve of Ascension Day

Perspectives

It seems to me that in his Ascension Jesus is telling us that the sky is the limit. He is about to be raised up to heaven, and he leaves us with good advice. Dream big! Strive for excellence! Believe in your ability to accomplish miracles! Believe in God! Believe also in me! Let the Holy Spirit dwell in you and be thankful.

The Ascension celebrates God's infinite affirmation of his people. As Jesus leaves this earth in bodily form, he entrusts his followers with his mission, and promised the gift of God's Holy Spirit to make it happen. The call to that mission comes to all of us. In our own fashion, each of us is born to a destiny that can take us as far as we are willing to venture. With God's Spirit each one of us has what it takes to live a life of excellence.

What most often prevents us from achieving excellence is not a lack of opportunity, but a lack of support and affirmation. Affirmation is powerful motivation, but many of us have trouble with it. Perhaps from our early life we have been disaffirmed and taught that we are bad or shameful. Perhaps we have been told that our dreams and ambitions are unrealistic, that our talents and abilities are unexceptional.

As a result, we may have stopped dreaming. We may have difficulty accepting compliments, and we may downplay our achievements and seem embarrassed by applause because we have internalized a misguided belief that we are not deserving.

In Ephesians 1:18-19, Paul prays, "...that you may know what is the hope to which God has called you, what are the riches of his glorious inheritance in the saints, and what is the immeasurable greatness of his power in us who believe..." What an affirmation! Paul is praying for us!

Just before he departs from his disciples, Jesus blesses them and reminds them of their great mission to be his witnesses, when he says, "I am sending you what my Father promised; so stay here in the city until you have been clothed with power from on high." (Luke 24:49) If you are a disciple of Jesus you have received that promise and you have been clothed with God's power. You are destined to perform great things in his name.

Surprisingly, most Christians simply do not believe that they are worthy of such power, or that they could ever do anything of significance to make the mission of Jesus real in their homes and communities. What a shame! We need affirmation and we need encouragement!

We should never discount our dreams or downplay our accomplishments. Jesus begs us not to hide our light under a bushel basket. In our work, in our relationships, in our ministries through our churches, in our spiritual development, "the sky is the limit."

The good news is that great things await each of us in life, so don't give up on your dreams. Never put yourself down and don't let others put you down either. Say "thank you" when someone compliments you, and learn to affirm yourself more. Pat yourself on the back when you have achieved a goal you set for yourself. Take pride in your achievements.

God does not make mistakes. God only makes "somebodies" and you are a "somebody," born for stardom... Remember, the sky is the limit! You've got what it takes... so soar high in the Spirit.

New service at WDMH

Patient e-mail

WINCHESTER – Friends and family members of patients at Winchester District Memorial Hospital now have another way to keep in touch with a loved one while in hospital.

The community relations office has set up a patient e-mail service on line on the hospital website.

"We know how important it can be to keep in touch with friends and family during a hospital stay," says Community Relations Coordinator Lynne Wilson. "We always look for ways to help people keep in touch with love ones, especially since many families are scattered about the country. Our patient e-mail service is a convenient way to send a word of encouragement or a get well wish to a patient in a timely manner."

Access to the patient e-mail service is available through the Hospital's website at www.wdmh.on.ca. Well-wishers log on to the site and select the Contact Us button. From this point, they can select "Contact a Patient" and follow the directions.

The message will be delivered to the patient within one business day. There is no mechanism for patients to reply and senders should treat their messages as if they were mailing a postcard.

The Hospital reminds everyone that their e-mail server blocks all e-mails from Hotmail accounts.

Popular past fire chief mourned by community

Les Bilmer passes at home

Following a courageous battle after a fall, three and one half years ago, that caused devastating injury, Leslie David Bilmer died peacefully at home with his family by his side on Friday, May 7. He was 65 years old.

Born on May 18, 1938 in Cornwall, Les was the son of the late John Duncan and Kathleen Harris, and he and his seven sisters and four brothers grew up in Avonmore.

Les worked at Caldwell Linen Mill and later at Bruce Casselman's Supertest in Morrisburg.

On September 7, 1957 he married Inez (nee Casselman), who survives, at the Lutheran parsonage in Morrisburg. Les and Inez made their home in Morrisburg and together raised three daughters and two sons.

From his father-in-law he purchased his well-known Bilmer's Garage which he operated for 36 years.

In addition to operating his busy garage, Les gave himself to the community as a tireless volunteer, and was a 26-year member of Morrisburg Branch 48 of the Royal Canadian Legion.

He was most widely known for his commitment and dedication as a volunteer fireman, giving 33 years of service to the village of Morrisburg, and serving 23 of them as Morrisburg's Fire Chief until he retired from the department in 1992. He was affiliated with the Ontario Association of Fire Chiefs and was a member of the Ontario Association of Retired Chiefs.

Les was an avid outdoorsmen and spent many pleasurable hours hunting and fishing with family and friends. He was an avid sports enthusiast and loved all kinds of sports especially hockey.

Leslie David Bilmer

Three and one half years ago he took on a new challenge when he was severely injured in a fall. After a lengthy hospital stay, he returned to his Morrisburg home where he was loved and cared for by his family, his many friends and his community as a whole.

Les is survived by his loving wife of 46 years, Inez and by his five children: Debbi (Gord) Black of North Augusta, Nancy (John) Chamberlain of Waddington, NY; David, Michael (Cheryl) and Laury Pilon, all of Morrisburg.

Also surviving are nine much beloved grandchildren who adored their "Papa"–Lezley, John, Jamie, Mike, Lyndsey, Amber, Les, Charles and Tayler.

Les will be sadly missed by sisters and brothers: Iris (Jim) Richman of London; Larry (Rosemary) Bilmer of Lunenburg; Betty (David) Northey of Stratford; Danny (Nancy) Bilmer of Lunenburg; Hans (Tillie) Kingma of Roosendaal, The Netherlands; Barbara (Len) Cooper of Mount Brydges; Judy (Morgan) Mason of Ingleside; Joyce (Reg) Alguire of Ingleside; Charley (Elaine) Bilmer of Westneath; Diana Bilmer of Perth and Darlene Kinnear of Ingleside. He will also be sadly missed by numerous nieces and nephews.

Les was predeceased by infant brothers, Brian and Robert; by an infant sister Jacqueline; and by beloved family members Bruce and Ethel Casselman.

Arrangements were entrusted to the Parker Funeral Home, Morrisburg, and visitation was in the James Fraser Hall at the Royal Canadian Legion in Morrisburg on Sunday, May 9 and Monday, May 10 from 2-4 and 7-9 p.m. A Legion service was held in Les' honour on Sunday, May 9 and a celebration of Les' life was held on Tuesday, May 11, at 11 a.m. with Pastor Joachim Barkley-Probst officiating.

Les' family was honoured to witness the outpouring of respect by over 200 local and community firefighters on Monday, May 20, and as a final tribute, they watched as their much loved husband, dad, papa and brother was carried away by the firetruck to his final resting place at Mount Pleasant Cemetery, Morrisburg.

Pallbearers were Les' grandsons: Jamie and Michael Black, John McIntosh, Sean McCann, and Les and Charles Bilmer. They were joined by Les' friend, Tim Carkner.

Honourary pallbearers included several of Les' dearest friends: Bill Jarvis, Dick Testerink, Art Carkner, Reg Alguire, Allan Casselman, Ben Chudy, Stan Mabo, Vic Brooks, Ted Jarvis, Kevin Pilon, Lance Valcour and Don Stinson.

Memorial donations to the Morrisburg Fire Department will be gratefully acknowledged by the family and condolences and donations may be made through the Parker Funeral home at parkerfh@personainternet.com or 543-2271.

Russell "Russ" Morrow

A lifetime resident of the Williamsburg area, Russell "Russ" Morrow passed away at Winchester District Memorial Hospital on May 6, following a lengthy illness. He was 68 years old.

Born April 19, 1936, in Winchester Township, Russ was the son of the late John and Jean (nee Casselman) Morrow.

On March 4, 1955, at St. Peter's Lutheran Church Manse in Williamsburg, he married Doreen (nee Kenney).

A member of the forestry crew, Russ worked for 38 years with Ontario Hydro before retiring. He was a member of the Williamsburg Fire Department and the Kenmore Hunt Club, and, in his earlier years, he was an avid fisherman and hunter.

He was also involved with hockey and baseball teams in the area, both as a coach and a loyal supporter.

Russ and Doreen lived in Williamsburg until one year ago when they moved to Morrisburg.

He is survived by his loving wife Doreen, and two sons, Rick of Vernon, and David (Johanne) of Guelph. He was predeceased by his son Steven.

Russ will be fondly remembered by his grandchildren Caroline, Katherine, Jessica and Liam, and he was dear brother-in-law to Jean (Lloyd) Greenough of South Mountain, Barbara Fortin of Ottawa, Gail (Doug) Casselman of Williamsburg and Bob (Barbara) Kenney of Amherstview. He will be sadly missed by his nieces and nephews.

Friends called at the Marsden and McLaughlin Funeral Home in Williamsburg on Friday, May 7 from 2-4 and 7-9 p.m., and a private family graveside service was conducted by Rev. Doug Carnegie at Maple Ridge Cemetery, Chesterville on Monday, May 10 at 11 a.m.

Pallbearers were Doug Casselman, Barry Casselman, Rob Casselman, Bob Kenney, Lloyd Greenough and Peter McIntosh.

Donations to Winchester District Memorial Hospital would be gratefully appreciated by the family.

It amends the customers lease wear and tear responsibilities (as stated on the RCL contract) by waiving up to $3500 of excess wear and tear charges at lease-end (subject to certain exclusions). WearCare pricing (customer selling price) is up to $600 on 24-36 month RCLs and up to $700 on 48 month term. Security deposit is payable upon the refusal of WearCare. ††Five year 100,000 km (whichever occurs first), Powertrain Warranty is available on all 2004 model year Freestar. All offers exclude freight ($1,085/1,085/$960), licence, insurance, administration fees and all applicable taxes. ‡The 2004 Ford Freestar has earned Five Stars, the highest front impact rating for both the driver and front passenger in U.S. Government National Highway Traffic Safety Administration Testing (www.NHTSA.com) Some conditions may apply to the Graduate Recognition program. Limited time offers. Offers may be cancelled at any time without notice. Unless specifically stated, all offers are mutually exclusive and cannot be combined. See Dealer for details. Dealer may lease for less. †NO PURCHASE NECESSARY. ONE ENTRY PER PERSON. Visit a participating Ford of Canada dealership during the Contest Period and choose any new and unused in-stock 2003, 2004 or 2005 model year Ford or Lincoln brand vehicle to lease or purchase for delivery on or before June 30, 2004. Complete entry form and all other required information and receive from the dealership representative a vehicle identification number. Then with the dealer representative place a phone call to the Ford Contest Hotline Monday through Saturday, 7:30 a.m. EST to Midnight EST starting April 30, 2004, for all Canadian residents excluding residents of Quebec. For residents of Quebec the dealer representative will place a call to the Ford Contest Hotline Monday through Friday, 7:30 a.m. EST to Midnight EST. The Contest Hotline will be closed for all Canadian residents including residents of Quebec on May 24, 2004 and for Quebec residents only on June 24, 2004. The Contest is open only to residents of Canada, and excludes all employees (current and retired) of Ford Motor Company of Canada, Limited, its advertising and promotional agencies, contest judging organization, prize suppliers, and their parent, subsidiaries and affiliates, representatives, dealers and agents ("Contest Sponsors") and their immediate families and those with whom they are domiciled. Immediate family includes the husband, wife, son, daughter, brother, sister, mother, father or grandparent of an individual. Fleet sales are not eligible. Contestants under the age of majority are eligible to win the prize(s) described herein, provided the winning contestant's parent or legal guardian accepts the prize on his or her behalf. All contestants must possess a valid Canadian driver's license in the province in which they reside. The contestant will have a chance to win 1 of 100 Grand Prizes equal to the outright ownership of the selected vehicle (inclusive of all applicable taxes) (the "Grand Prize(s)"). The approximate value of the Grand Prize(s) will depend on the vehicle purchased and the options selected. Or win 100 prizes, each consisting of a Redemption Award in the amount of $10,000 (CDN); 100 prizes each consisting of a Redemption Award in the amount of $5,000 (CDN); 100 prizes each consisting of a Redemption Award in the amount of $2,500 (CDN); 100 prizes each consisting of a Redemption Award in the amount of $1,000 (CDN) (collectively the "Redemption Awards"). All Grand Prizes and Redemption Awards (collectively the "Prizes") are inclusive of an amount on account of GST and other applicable taxes and can only be applied towards the purchase or lease of their selected new and unused in-stock 2003, 2004 or 2005 Ford or Lincoln brand vehicle delivered on or before June 30, 2004. The Prizes will be distributed regionally 17 of each of the Prizes through the Central Region; 20 of each of the Prizes through the Eastern Region; 8 of each of the Prizes through the Atlantic Region; 8 of each of the Prizes through the Mid-West Region; 16 of each of the Prizes through the West Region; 11 of each of the Prizes through the Pacific Region; 20 of each of the Prizes through the Great Lakes Region. Not redeemable for cash. Any costs or expenses incurred by the contestants in claiming or using their Prizes (including, without limitation, license, certain environmental and other taxes, insurance, registration and PPSA/movable property registry fees) will be the responsibility of the winners. The Contest is open to Canadian residents with a valid Canadian driver's license in the province in which they reside. Total value, number of prizes awarded and chances of winning are dependent on the total number of eligible entries received. In order to win, the selected contestants must have correctly answered, unaided, a skill-testing question set out on the entry form. The Contest will run Monday through Saturday in all provinces and territories (except for Quebec) April 29 – June 30, 2004; the Contest will run Monday through Friday in Quebec April 29 – June 30, 2004 (the "Contest Period"). See participating dealer for complete Contest rules. Ontario FDA, P.O. Box 2000, Oakville, Ontario L6J 5E4

Leadership Conference visits Park Lane seniors

Members of a group involved with the Governor General's Canadian Leadership Conference 2004, visit Audrey Casselman at the Park Lane Senior Support Centre, Monday. The group was very interested in the services provided at Park Lane.

WILLIAMSBURG–The Parklane Seniors' Support Centre was one of many stops Monday, for a group of Canadians participating in the 2004 Governor General's Canadian Leadership Conference from May 7-21.

The group of 225 started in Winnipeg, on May 7, and after three days there, they broke into 15 study groups which began to tour Canada in order to examine a range of issues and situations across the country.

The leader for the group that stopped at Park Lane was Natasha Hopkins who is the Development Officer in the Office of External Relations at Dalhousie University in Halifax.

Hopkins explained each group was representative of individuals from all across Canada with one third working in labour, one third in corporate Canada and one third in government or nonprofit positions.

During their travels, stops are designed to give them a diversified look at Canada and they have done the gambit visiting huge corporations like IBM, the Nuclear Power Facility at Darlington, served meals at a soup kitchen, met with labour unions, visited seniors homes, stopped at an organic farm, visited small and large businesses, spoke to government officials, met with the disabled and the list goes on and on.

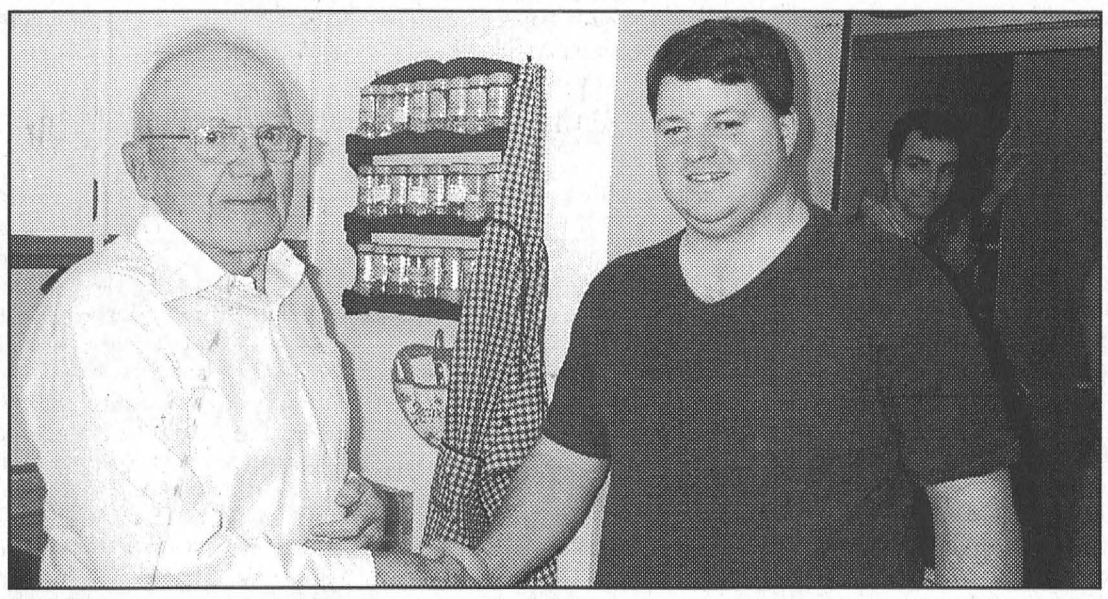
"Ultimately, each of the groups will put together a 15 minute presentation," explained Hopkins.

She said during Monday's visit to Park Lane she was, "seeing the importance of compassion in leadership. I am seeing we aren't reaching the bottom end, and realizing that every single organization has its role."

Speaking to the group on behalf of Park Lane was Janet Levere, Director of Outreach Service, Barbara Dalrymple, Project Manager and Trevor Tolley, Chair of the Board.

Following breakfast the group toured the facility and were graciously greeted and invited into their homes by residents: Audrey Casselman, Carmen and Fern McIntosh and Ken and Betty Beckstead.

The group was extremely impressed with the facility, and Hopkins presented a plaque recognizing the Park Lane contribution to the tour.



Carmen McIntosh is thanked by a member of the Governor General's Leadership Conference which was touring this area Monday. Carmen and his wife Fern, invited the group to tour their home at the Park Lane Seniors' Centre where the group was gathering information for an eventual presentation. These future Canadian Leaders are examining a range of issues and situations across Canada, and the group at Park Lane Monday, had started in Ottawa, travelled by bus to Toronto and was now working their way back to Ottawa.

One of 14 groups involved in the 2004 Governor General's Canadian Leadership Conference stopped at the Park Lane Seniors' Support Centre in Williamsburg, Monday, where they enjoyed breakfast and a tour of the facility run by the Williamsburg Non-profit Housing Corporation. Above, l-r, Barbara Dalrymple (the Centre's Program manager), Janet Levere (Director of Outreach Services) and Trevor Tolley (Board Chair) accept an appreciation plaque from group leader Natasha Hopkins.

Calls for service

DUNDAS COUNTY – During the past week, OPP officers in Dundas County responded to 123 calls for service. Of those calls 57 were in South Dundas, 59 in North Dundas and 7 were along Highway 401.

Traffic notables

DUNDAS COUNTY – Police were called to investigate 10 motor vehicle collisions in the county this week, two of which involved deer.

Other investigations resulted in the issuance of two 12-hour driver's licence suspensions, five charges under the Liquor Licence Act and the apprehension of two suspended drivers.

Of note, were two speeding violations along Highway 401. In South Dundas township, one driver was clocked at 151 km/h in a 100 km/h zone. A similar charge was laid in South Stormont, with a driver traveling 150 km/h along the 100 km/h highway.

Volunteer to clean up, Adopt-a-Road

WILLIAMSBURG – After travelling the roads of the three United Counties on the SD&G annual road trip, South Dundas Mayor Lyle Van Allen noticed some townships have far less garbage along the roads, than here in South Dundas.

"Our roads are terrible," he said at the May 4, council meeting. "North Glengarry has what they call pride day," explained Van Allen. On pride day, volunteers pick up garbage along the roads through the Counties Adopt-a-Road program.

Established in 1999, the SD&G Adopt-a-Road program is a public service where volunteers can work together for the beautification of their municipality, by picking up litter along Counties roadways.

According to their website, "It is a way for environmentally conscious citizens, community and service organizations, private businesses, and industry to contribute to a more beautiful county road system."

Under the program, volunteers agree to adopt a section of a county roadway, and go out twice a year and pick up litter along that section of road. It is administered by the counties and volunteers are supplied with safety vests and garbage bags. When the work is complete, Counties crews remove and dispose of the filled trash bags.

A sign is erected at the limits of the adopted section of roadways to acknowledge the volunteers responsible for the contribution to their community and environment.

Councillor Charles Barkley said that he often notices the signs, and it would be nice to see some of them is this area. "I'm sure there are groups here who could instigate adopting-a-highway."

Van Allen agreed that it would be nice to see something like that happen here in South Dundas.

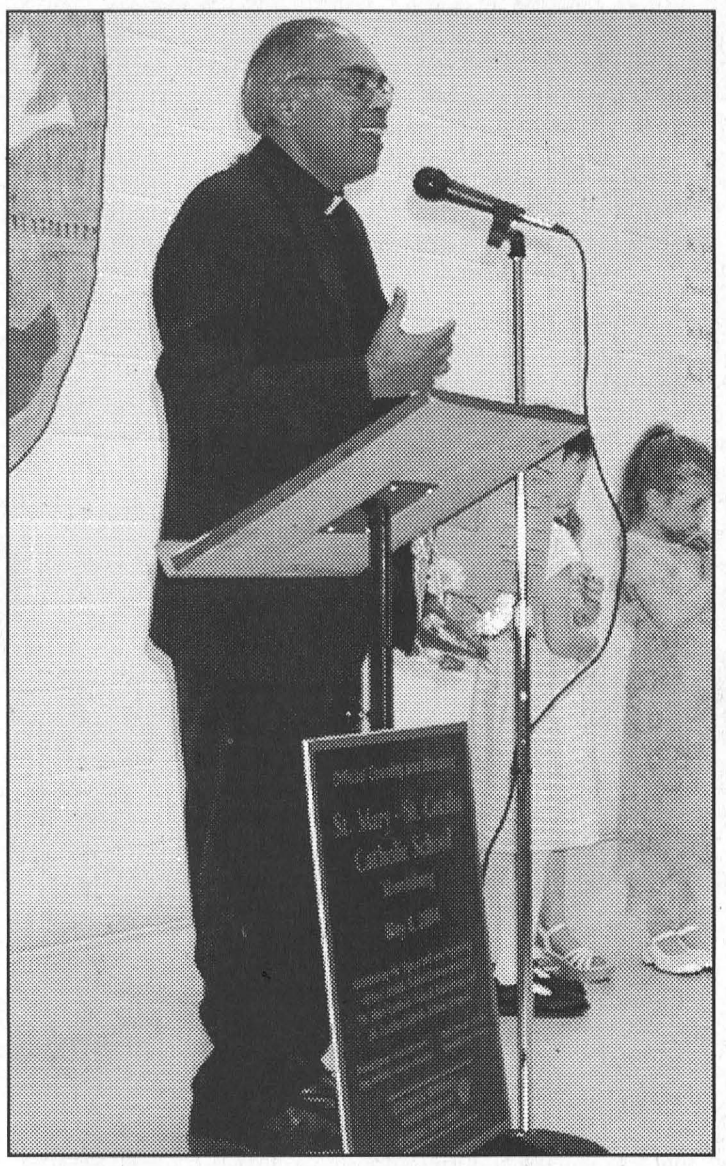
Parish says loving good bye

MORRISBURG–With little fanfare, which is just the way he wanted it, the congregation of the St.Mary-St. Cecilia Parish have said a heartfelt good bye to Father Sebastian Arikat who has been with them for the last three years.

Father Arikat came from Kottayam, India, a very lush and beautiful area on the southwest coast, to Canada on an exchange program.

He arrived in a country completely foreign to him, and although his English was good there were still challenges. Coming from a culture where the men are not expected to cook, he would have to learn to do so. He would have to learn to drive a car, and he would have to experience Canadian winters.



Father Sebastian Arikat photographed at the opening of St. Mary-St. Cecilia School on May 6, as he thanks the school community for the support he has received during his three years in the local parish.

He did this, but much more says parish council member Elise Weagant in a letter written to members of the St. Mary-St. Cecilia congregation.

"Father has brought to our Parish the warmth and caring of a man who walks with God. He has visited our schools to bring our children closer to their faith and encouraged their involvement and sense of belonging in the ritual of the Mass, both in school weekday Masses and on Sunday."

Weagant explains that Father Arikat requested no farewell gifts be given to him and that no special events be planned.

While the congregation did agree to his wishes they also found a way of recognizing his contribution to the local parish through his association with New Life Centre in Kottayam.

"It would be a gift, not for him, but in honour of him," writes Weagant in her message to the congregation.

The New Live Centre was founded in 1981 as a proactive charity that provides food clothing and shelter to over 200 mentally challenged people. It also runs a one-meal-a-day program for 1,800 poor people and offers a new building complex for the use of bedridden elderly.

The Centre is currently attempting to raise funds to buy an ambulance that will not only be used by the Centre, but by the local community as well. The cost is approximately $16,000.

As a result the St. Mary's/St. Cecilia's Parish Pastoral Council felt a contribution on Father Arikat's behalf towards the purchase of an ambulance for the New Life Centre would be the best farewell gift he could be given by his Parish family.

An appeal was made to the 400 families in the local parish and in just a few short weeks, they put together, not just some money to be put towards the purchase of an ambulance, but more than enough money to actually purchase the vehicle.

"This is just wonderful," says Weagant. "It's a remarkable feat for this small parish."

Father Sebastian Arikat leaves for India today, Wednesday, and will be missed by members of the St. Mary/St. Cecilia Parish.

In a farewell note to his parishioners, he wrote, "I thank God for giving me a chance to serve you at this parish. The time I spent was full of surprises and experiences for me. You really loved and supported me. From the bottom of my heart, I would like to thank you. I will always cherish my memories and positive experiences in Canada. You and your beloved ones will be in my prayers."

Removal clause

— continued from page 1

information from a municipality, not a person, information can easily be obtained through the Freedom of Information Act.

According to Horner, some of the documents that Bowers is seeking, "aren't actual documents."

"Some of the documents would have to be created for him."

Horner also suggested that Bowers should seek legal counsel, to better make use of court time. "He is putting others through unnecessary time and expense," and suggested an order to pay costs, should the municipality become a party to the application. Horner argued that other ratepayers ought not to incur the costs of Mr. Bowers.

Sedgwick said he was prepared to adjourn the motion to a near date to give Bowers the opportunity to file the necessary affidavit, but would not consider the motion today.

Justice Sedgwick asked Bowers if he would like an adjournment? "I will follow your direction," said Bowers.

"It's your decision," answered Sedgwick. "I'm not here to give you legal advice."

He adjourned the motion to May 28, to give Bowers the opportunity to file a supporting affidavit. The costs of the motion are at the discretion of the court hearing the application.

Both Horner and Courville expressed their desire to have the documents served in a reasonable time frame and Justice Sedgwick obliged, requiring Bowers to serve the affidavits by May 21.

Theft

MORRISBURG – Police began an investigation into a theft May 15, at a Prospect Road property. Overnight a green Lawnboy lawn mower, a red Craftsman snow blower and two metal frame trailers, measuring 8'x9' and 8'x16' were removed from the property. Const. S. Way is investigating.

Kilger's BRAND support

CORNWALL – Stormont - Dundas - Charlottenburgh M.P. Bob Kilger is expressing his continued support for BRAND funding in South Dundas.

Kilger has expressed optimism that the community of South Dundas will successfully conclude its negotiations with Industry Canada to access the $1.6 million funding under the BRAND program.

"It is important to note the actions to date by South Dundas council have revolved around the issue of ownership, while at the same time enacting resolutions to still access the Industry Canada funding," said Kilger.

Resolutions have been passed to ensure that the investment in the fibre/wireless is protected, including its customers. Also that the township pursues the BRAND funding and that council establishes a new governance structure for the BRAND program that will be representative of the community and comply with BRAND requirements.

Council passed these resolutions on April 20, 2004.

"The Township of South Dundas has issued a new Request for Proposals and is in the process of determining the successful applicant to ensure they can meet Industry Canada deadlines, for all of these reasons, I feel confident that residents of South Dundas will still be able to capitalize on the BRAND funding announced last October," concluded Kilger.

TOWNSHIP OF SOUTH DUNDAS

TOWNSHIP OF SOUTH DUNDAS

NOTICE TO RESIDENTS AND PROPERTY OWNERS REGARDING NOXIOUS WEEDS

Under the Weed Control Act, R.S.O. 1990, Chapter W.5, Sections 3, 13, 16 and 23, you are requested to destroy all noxious weeds on your property.

The main purpose of the Weed Control Act, is to reduce the impact of noxious weeds on the industries of agriculture and horticulture. Primarily this act applies to agricultural and horticultural lands that generate income or other benefits to agriculture; this excludes lawns, gardens and private areas for personal enjoyment and leisure.

In Urban Areas – Sections 3, 13, 16 and 18 do not apply to noxious weed seeds that are far enough away from any land used for agricultural or horticultural purposes, as they do not interfere with that use.

All properties within the Township of South Dundas are hereby requested to be in compliance with the Weed Control Act by the 30th day of June, 2004 and throughout the season.

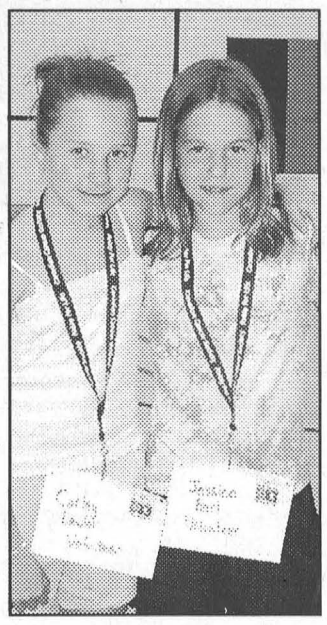
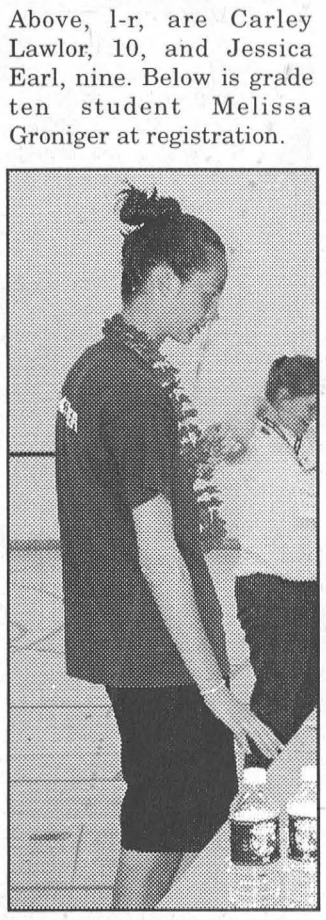
Over $40,000 raised for cancer

Hundreds support Relay for Life

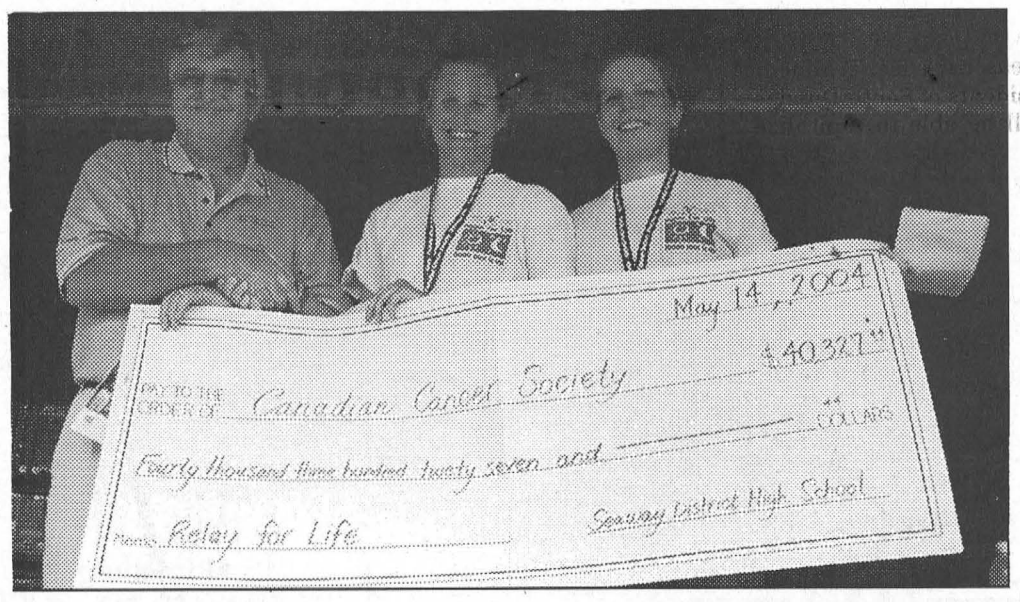


Above, l-r, are Carley Lawlor, 10, and Jessica Earl, nine. Below is grade ten student Melissa Groniger at registration.



Lighting candles in honour of loved ones

Above, former Seaway District High School student Sam Vandermeer, sheilds Leanne Bing's luminary from the wind. Bing had prepared luminaries for her grandparents, Welhelm Kraus and Elizabeth Krause. ***Boone Photos***

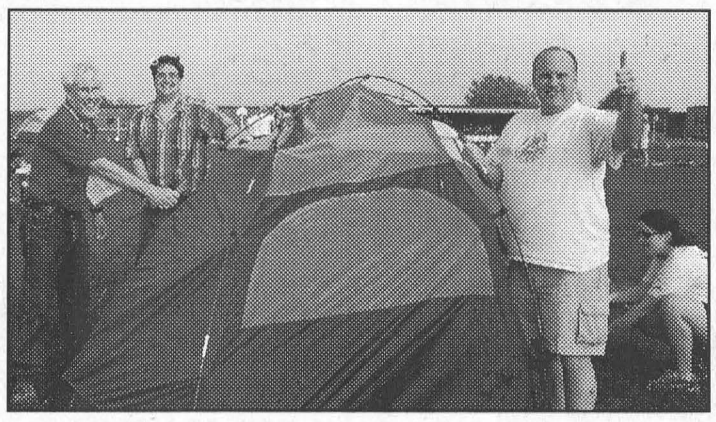


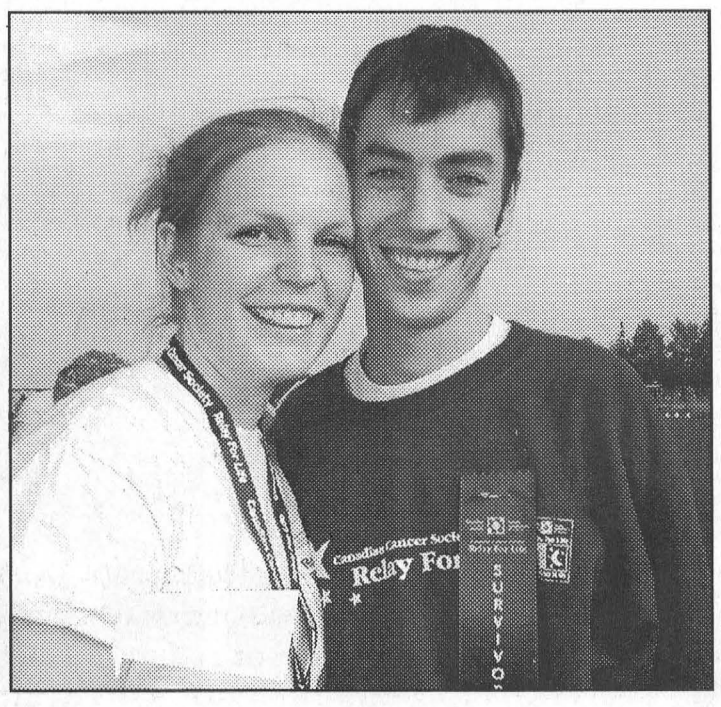
At right, from l-r, are Eugene Cardinal from the Cancer Society and Amy Jansen and Sarah Tuttle, the head organizers of Relay for Life who were presenting Cardinal with a cheque for $40,327 raised by the 38 participating teams. At left is Cancer survivor Hugh Porter with his sister, Stephanie Porter. Hugh Porter is one of two current Seaway District High School teachers who participated in the event and who is battling cancer. The second teacher is Bonnie Adair.

At right are, l-r, the two main organizers of Relay for Life, Amy Jansen and Sarah Tuttle. These two young ladies had lots of help from the Relay for Life Organizing Committee, which included teachers Don and Mary Lewis, Wendy Gibb, and Lilace McIntyre as well as the entire Student's Council, and staff and student volunteers. Below, are members of the teacher's "Mad Hatters" team, l-r, Kim Lalonde and Wendy Gibb. Top photo in the middle highlight a few members of the band, "Offhand Beliefs," who were part of the live entertainment. Below the band picture are more teachers who wanted to participate. L-r, Jim Millard, Jeff Crooke, and Mike Toshack set up their tent for the night ahead.

Below are the award winning "Pretty in Pink" Team. This team made up of sisters and friends won the prize on Saturday morning for "Most Spirited." The team consists of in front, l-r, Alison Bennett, Patricia Pepers (Team Leader), Carolyn Pepers, and Sarah Robichaud. In back, l-r, are Joanne Pepers, Stephanie Toonders, Leanne Bing, and Rebecca Robichaud. Absent from photo is Erynn Henry. This team joined Relay For Life to honour friends and family members–Tom Pepers, Oma Bongers, and Madeline Curran to

To the far right is one of the main organizers, Sarah Tuttle and her long-term boyfriend, Doug Dewar who is a cancer survivor. Tuttle was the leader on a team that consisted of members of both the Tuttle and Dewar families as well as a couple of family friends.





Heart & Stroke Golf Tournament

WILLIAMSBURG – Everyone is invited to "Catch the Spirit," for the Dundas County Heart and Stroke Foundation, Sunday, June 6, 2004.

The local Heart and Stroke Foundation will be hosting a golf tournament at the Cedar Glen Golf Course in Williamsburg.

The theme of the day is "Catch the Spirit," and the four player scramble features 18 holes of golf, dinner, and a chance for prizes, and fun for $60.

If the players wish, they may seek sponsors, and forms are available at area golf clubs. A minimum of $70 in sponsors covers golf and dinner, and tax receipts are issued for anyone sponsoring $10 or more.

To spend a pleasant Sunday on the course at Cedar Glen, while helping out a good cause at the same time call and book a tee off time (535-2323 or 1-888-861-0660). Tee off times are from 11 a.m. to 1 p.m., and participants are asked to book a time before May 28.

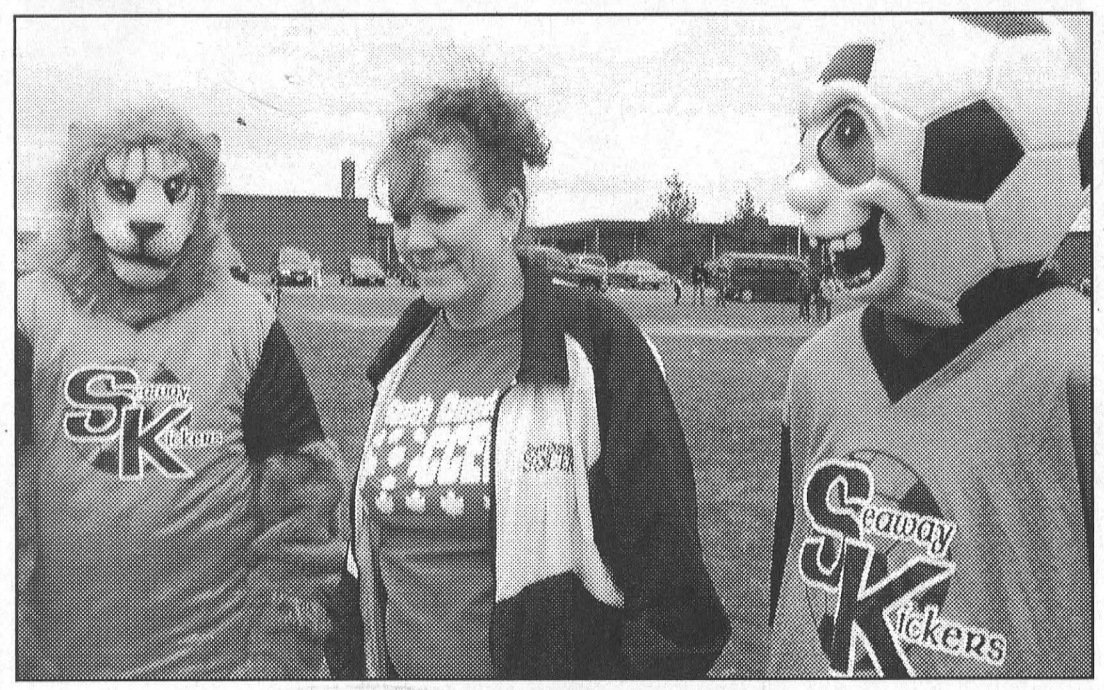
Puck Drops on Senior Combines Fund-raiser

The Morrisburg and District Lions Club have launched a benefit raffle which has the proceeds earmarked for the Morrisburg Senior Combines, to assist the hockey club with expenses related to their upcoming trip to Whitehorse, Yukon in September of this year. The Combines, who are the Ontario Provincial Champs, have been invited to participate in the Canada Senior Games representing both the province and the local hockey community. The benefit raffle is offering four big prizes including the above Roger Neilson limited edition print donated for the draw by McGillis Home Hardware in Morrisburg. (Proceeds from the sales of these prints, available at Home Hardware, are for Roger's House, which is planned to be built on the grounds at CHEO.) The remaining three prizes in the Lions Club Benefit Raffle include an autographed Phoenix NHL Jersey, a kitchen set and a Jacuzzi Suite Package at the McIntosh Inn in Morrisburg. Tickets are $5 each, and the draw will be made August 14, at Cedar Glen Golf Course. Tickets are available from members of the Senior Combines team and at Home Hardware in Morrisburg. Pictured, above left, is Combines team member Len Bellamy and on the right is Home Hardware owner, Ian McGillis.



Hanging Out With the Soccer Gang

South Dundas Minor Soccer Association president Candace Menges joins a couple of soccer players during the pre-season soccer camp wrap-up on Saturday, May 8. According to Menges, Leo the Lion who came to the South Dundas Community last fall, is looking forward to honing his soccer skills this season. He and "Kicker", the soccer association's mascot, (right), have struck up a solid friendship, and hope from time to time to be able to join the 550 kids registered with the Association this season.

South Dundas Soccer Association

Big kickoff this weekend

IROQUOIS–The South Dundas Soccer Association kicks off this Saturday morning, May 22 and what a kick off it's going to be.

The Association, which runs out of Iroquois, and includes youngsters from throughout South Dundas has this year grown to an amazing 550 players.

"We have 42 teams this year," says Association president, Candace Menges who is very pleased to also report that the association has gone from two travelling teams last year to six for this season.

The ability to be able to field six travelling teams, in addition to the overall growth, are both indicators of the fabulous success of the program. The six travelling teams are under the Seaway Kickers handle.

Two U-16 girls' and two U-16 boys' teams will play competitively along with one U-13 girls squad and one U-13 boys. Each team is fielding 13 to 15 players for an approximate 80 kids travelling.

The Kickers will play a local league comprised of teams from North Dundas and North and South Stormont.

Menges explains, "We are basically building a localized league." She says the South Dundas Association is more established than programs in the other areas and is able to field more teams, but she is optimistic that all will work out in the coming years and will benefit the kids.

That the South Dundas Association is able to field six travelling teams this year is, simply amazing even though it does create a bit more work for the association.

The Kickers boys teams will play their league games on Monday nights both home and away, and the girls will see their action on Tuesday nights.

And action is the key word for the programs as all youngsters will be accommodated in their various coed age groups on four fields in Iroquois every Saturday morning from 8 a.m. to 12:30 p.m.

To make it more enjoyable for all of the players, Menges says some smaller portable nets have been purchased which enables the Association to split fields in half. "This means we have been able to go to smaller teams with seven or eight players on a field, which will provide more ball contact for everyone."

On Saturday, May 8 the South Dundas Association's pre-season, (free) two-week spring training camp concluded, and Menges says it went very well. Adding his expertise to the camp was Martin Noe, a cofounder of the Coerver Canada East Coaching Program.

The South Dundas Soccer Association program will run for 10 weeks and will wrap up in July with the annual World Cup Tournament done in South Dundas style.

Liam Johnston practises a few skills

This Week at MGC

MORRISBURG–Good weather, brought on a good turnout for ladies night last week which was sponsored by Aikman Trailer Sales here in Morrisburg.

The low score of the night came out of B flight with Carolyn Weegar bringing home a 44. Monique Patenaude won A flight with a 45 and Patty Boucher posted a 47 in C. The D flight winner was Wendy Hoogeveen with a 57.

Net winners were Lori Barclay in A flight, Charlene Baker in B, Laurie Dillabough in C and Barb Allard in D. It required a draw to break the 15-putt tie for the least putts, and winning the category was Pauline Brewster.

Coming up tonight (Wednesday) the ladies evening is being sponsored by Giant Tiger. All ladies desiring food service on ladies nights are reminded they must sign in advance.

Men's night, last Thursday was sponsored by Chevron Construction and the low gross of the evening was shot by John Vincent with a 37. Garry Beckstead won B flight with a 40, and Jack Newsom led C with a 42. Net winners were Charlie Moore in A flight, Mitch Cassell in B and Peter Ozinga in C. Closest to the pin winners were Orval Delage and Andy Patenaude.

This week's Men's Night is sponsored by Eldon Horner.

Coming up Friday night on the club calendar is the Brewers annual fun night of golf with teeoffs beginning at 4 p.m.

Seaway District High School's Senior Girls Soccer Team ***Boone Photo***

According to coach Jeff Crooke, the Senior Girls Soccer team has enjoyed "day to day improvement," and Crooke enthuses, that "We are all having fun." The girls played Monday, May 17 in Cornwall against Tagwi and L'Heritage. This Friday, May 21, they will be playing in the AA Playoffs. Crooke says, "We're looking for big things from the playoffs." Pictured above back row, l-r, are Melanie Weatherhead, Katelyn Merkley, Stacey Henry, Johanna Ebeling, Leah Summers, and coach Jeff Crooke. Front row, l-r, are Courtney Garlough, Tiffany Biemond, Ellen Fader and team captain Sara Stime. Absent team members include: Emma Stime, Jessica Toonders, Callie Dickson, Jenn Devries, Alyssa Whitteker, Peggy Welsh, Kady Macsimovic, Natalie Potvin, Tracey Jones and Ashley O'Callaghan.

Seaway District High School Athletes excited about EOSSA

On Monday, May 17, the SDHS Track and Field team held its final practice before the EOSSA Championships on Tuesday, May 18 and Wednesday, May 19 at the Terry Fox Athletic Facility in Ottawa. Pictured above are, seated, l-r, Amy Jansen and Katie McElheran. Behind are, l-r, Coach Trevor Thompson, Tasha Cameron, Leanne Bing, and Kyle Edwards. Absent from photo are: Katherine Choi, Brittany Markell, Sarah Myers, Craig Douma, Henri Devries and Chris Van de Kamp. ***Boone Photo***

Eleven Seaway athletes at EOSSA

IROQUOIS– "Bailey Lewis." This is the name that has been in the papers every week. This North Dundas District High School Senior has been on the mind of many because of her skills and talents as a runner.

In fact, Lewis has been so often the subject of discussion that many people forget about another young runner in the area, a girl who time and time again is mere seconds behind Lewis on the track-Seaway District High School student Amy Jansen.

Jansen is one of 11 students from Seaway District High School who showed off their skills at the SD&G Championships held on May 11 at St. Lawrence Intermediate School in Cornwall, and who qualified to EOSSA held last night, Tuesday May 18, at the Terry Fox Athletic Facility in Ottawa, and will continue to do so today (Wednesday).

Jansen is also one of five athletes from this group who qualified in more than one event at S D & G.

Jansen placed third in the 200m with a time of 29:50, she scored a second place finish in the 400m with 1:05:90 as her time, and another silver for the 400m hurdles with a time of 1:17:42.3.

Two other SDHS female athletes to watch out for are Midget Katherine Choi and Midget Brittany Markell who each qualified in four events.

Choi finished second in the 80m hurdles with a time of 16:28, her team was second in the 4x100 relay with an overall time of 1:01:70 and as well she was fourth in triple jump with a length of 8.08m and fourth in high jump with a height of 1.15m.

Markell ran the 100m with a time of 14:30, that handed her a fourth place finish, she was second in the 200m with 31:66, as her time and was second as well in the 4x100m relay with 1:01:70 on the clock when the final teammember crossed the finish line and Markell took home the bronze with her 3.66 m long jump.

Midget Sarah Myers had a time of 2:58:00 for her bronze 800 m race, and she grabbed the gold in the 300m hurdles with a time of 1:02:45, nearly five seconds quicker than the silver competitor. She also took home a second place prize as one fourth of the 4x100m relay team that had a time of 1:01:70.

Junior Craig Douma is testing his strong arm in shot put, a competition where he placed fourth with a throw of 11.89m, in javelin he moved up s step to third with a throw of 35.38m, and for his discus throw he decided silver wasn't an option when he threw to a 38.85m first place ranking.

Other SDHS athletes at EOSSA include Midget Kyle Edwards who was third at SD &G for Javelin with a throw of 34.38 m.

Midget Tasha Cameron who with her 4x100m relay teammates, Sarah Myers, Katherine Choi and Brittany Markell took home silver with a time of 1:01.70. just .70 of a second behind the first place team North Dundas District High School.

Junior Henri Devries ran to a much deserved first place finish in the 800m with a time of 2:35.00. Katie McElheran placed third in Senior Girls Javelin with a throw of 19.74m. Junior Leanne Bing had a time of 1:22.70 for her fourth place finish in the 400m, and Chris Van de Kamp placed third in Senior Boys high jump with a height of 1.55m.

Domestic

SOUTH DUNDAS – An investigation into a domestic related incident during the early evening hours of May 16, resulted in charges of assault with a weapon (knife) and mischief under $5,000 against a 48-year-old Cardinal woman, who will appear in Morrisburg court June 21.

Among the Cedars

WILLIAMSBURG–Cheryl Lowe, Craig Villeneuve, Malcolm Moulson and Grant McMillan collected the first big wins of the Cedar Glen Golf season at the Opening Day Tournament here on the weekend.

Lowe led the ladies with a 90, and Villeneuve shot a 72 for the top score in the men's field. Moulson won the juvenile category with a 133, and McMillan led the junior shooters with a 78.

In other ladies play, Sheila Crowder won B low gross with a 101, Joan Findlay took C low gross with a 112 and Gail Gillis won D flight with a 103. Net winners were Edith Lamoureux in A flight, Nancy Warner in B, Janet Levere in C and Debbie Strader in D. Muriel Whitteker won closest to the hole.

Bunny Warner's 80 topped the men's B flight field, and Goaler Whitteker won C with a 90. The win in D flight went to Darren Dugan with a 76. Net winners were Shawn Zeran in A, Mike Shaw in B, Dave McIntosh in C and Rob Moulson in D. Kenny Konink and Dave McIntosh picked up prizes for closest to the pins.

The Member an d Guest Opening Day event saw prizes go to guests Lynne Vanasse with a 97 for first low gross and Donna Dillabough with a 98 for second low gross. Elaine McIntosh won for low net.

Al McNairn was the low shooter among the men's guests with a 76, and John Gove was next with an 89. Mark Vanasse had the low net.

In last Wednesday's ladies night play, Muriel Whitteker claimed the low gross in A flight with a 47, and Sheila Crowder shot a 50 to win B flight. A 54 gave Debbie Strader the win in C flight, and Edythe Cameron won D with a 65. Net winners were Barb Phifer in B and Elaine Whitteker in C. Lynn Shaw and Jeanne Perry won for closest to the pin.

In men's night action Craig Villeneuve and Rick Barkley tied for low score of the night with 36s and, Ron Ferguson won B flight with a 40. Peter Schoenfield won C class with a 46, and Bud Craik led D with a 52. Net winners were: Dean McIntosh in A, George Bloom in B, James Sullivan in C and Don Findlay in D. Closest to the pin winners were Don Findlay and Mike McAllister, and Kevin Whitteker produced the longest drive.

The ladies are featuring a Member/Guest event tonight (Wednesday, May 19) for their weekly get-together, and the first Junior Night is Monday, May 31.

–Bo 19-20c

THE GOSPEL OF GRACE
Scripture Reference: Ephesians 2:8-9
The gospel is explained in I Corinthians 15:1-4. A key part of this explanation of the gospel is that we must believe. This has always been the case throughout the ages. "But without faith it is impossible to please Him: for he that cometh to God must believe that He is, and that He is a rewarder of them that diligently seek Him" (Hebrews 11:6). "He that believeth on Him is not condemned: but he that believeth not, is condemned already because he hath not believed in the name of the only begotten Son of God" (John 3:18). "He that believeth on the Son hath everlasting life: and he that believeth not the Son shall not see life; but the wrath of God abideth on him" (John 3:36). We must believe the gospel; appropriate the finished work of Christ as our own. We must put our trust in Him, for He alone is trustworthy. Where does this faith come from? "So then faith cometh by hearing, and hearing by the Word of God" (Romans 11:17). We are to accept what God tells us in His Word and believe it.
To believe is to be persuaded, to rely upon, and to trust in someone. God alone is trustworthy. "If we believe not, yet He abideth faithful (trustworthy): He cannot deny Himself" (II Timothy 2:13). We can depend on God when He states He will save us upon believing. 18-21p

Cornwall Speedway

Planck wins modified opener

CORNWALL – Cornwall race fans found out first hand why they call Dale Planck, "The Natural" on Sunday night. Planck, a new Sunday night regular at the fast quarter mile oval, ripped through the field in the early going and then coasted to an easy win in the 30 lap Modified season opener at Cornwall Motor Speedway.

The Courtland, NY driver was consistently turning laps in the 13.3 and 13.4 range throughout the race. He grabbed the lead on lap six with a blistering circuit of 13.210 seconds taking over the top spot from Kyle Jacobs.

Dave Heaslip finished second followed by Jacobs, John Lazore and Mark Hitchcock, who put in an impressive run after qualifying through the consi.

Marc Therrien made the race day double worth the effort. Therrien competed in a Super DIRT Series event in the afternoon at Rolling Wheels Raceway near Syracuse and then hauled the car to Cornwall in time to get in some hot laps.

Despite starting at the back of the field, Therrien won the 20 lap event. The win came at the expense of Stephane Lebrun who lost a drive shaft while leading with five laps remaining. Mitchell Jock was second followed by Michel Dupuis and Jacques Hebert.

A great finish in the Semi Pro main event with Joe Woods and Dave Renaud swapping the lead throughout the race and then swapping paint in the sprint to the checkered.

Woods came out on top, Renaud was second in front of Kevin Fetterly Jr., Chad Vallance and Kevin McRae.

Stuart Mullin captured the 12 lap Rookie main event holding off Brian Rochon, Donald Leduc, Nico LeBlanc and Dan Lortie.

Cornwall Motor Speedway returns to action with go kart racing on Tuesday night at 7pm.

The next regular auto racing event goes on Sunday night at 7pm with the traditional helping of Twin 20 features for the Modifieds to celebrate the Victoria Day weekend.

Final Results

Modifieds:
1. Dale Planck 2. Dave Heaslip 3. Kyle Jacobs 4. John Lazore 5. Mark Hitchcock 6. Brian MacDonald 7. Steve Poirier 8. Lee Ladouceur 9. Chico Dingwall 10. Laurent Ladouceur

Pro Stocks:
1. Marc Therrien 2. Mitchell Jock 3. Michel Dupuis 4. Daniel Leduc 5. Jacques Hebert

Semi Pro:
1. Joe Woods 2. Dave Renaud 3. Kevin Fetterly Jr. 4. Chad Vallance 5. Kevin McRae

Rookie:
1. Stuart Mullin 2. Brian Rochon 3. Donald Leduc 4. Nico Leblanc 5. Dan Lortie

Men's Roller Hockey

Big offense starts season

WINCHESTER-Some powerful offense kicked off the 2004 Dundas Men's Roller Hockey League action here Thursday night and when it was all over, it was Orange Crush and White Lightning picking up the first wins of the new season.

Lightning did not have an easy time of it against Black Attack, and it was Mike Thompson's second goal of the night that broke a 6-6 tie for the 7-6 win with just one minute left in the game.

In the other action, Orange Crush won each of the three periods against Blue Thunder by a single goal which led them to their 11-8 victory.

Justin Elliott had a big opening night for Orange Crush posting five goals and backing them with three assists.

Robert Thurler added three, Chad Galipeau counted twice and Liam Tyrell supplied a single.

Answering for Blue Thunders were Billy Henderson, Brian Shaver, and Mike Dawson all with two goals, and Dan Pidgeon and Kelly Beckstead scored once.

Blue Thunder started strong going up 2-0 in the early minutes of the first period, but Orange Crush came right back to tie it. The first period ended in favour of Crush 4-3 and Crush took the second period by a 3-2 count for a 7-5 lead heading into the third.

In other action, it was White Lightning over Black Attack 7-6 in what was a close battle right to the end of the game.

Dave Summers led Lightning's scoring with three goals and Chris Thompson and Mike Thompson had two each.

For Black Attack Robbie Darling and Steve Beehler scored two each and Russ Brown, Justin Heuff and Scott MacKinnon provided singles.

Steve Beehler quickly opened the Black Attack scoring, but the Lightning came back with three to carry a 3-1 lead into the second period.

Attack goaltender Cory Velleneuve held Lightning from the scoreboard in the second period while his offense went to work for two goals against Colin Baker-Stephens to end the period tied 3-3.

The lead see-sawed back and forth throughout the third period, and it was Mike Thompson's counter with just 1:00 left on the clock that was the deciding factor in the 7-6 Lightning win.

Poirier and Dingwall dominate feature races

BROCKVILLE – The green flag waved at the Brockville Ontario Speedway for the season opening dirt races Friday night, and leading the pack all the way to the checkers in the modified feature was Steve Poirier, and Kyle Dingwall did the same in the Sportsman main event.

Poirier, a Quebec driver who started the Big Block Modified feature on the outside pole, took the lead on the first lap and led all the way in the 50 lap season opener. Poirier's next closest competitor was Steve Paine who finished second. Pat O'Brien, Danny O'Brien and Mike Adderley rounded out the top five.

Local driver, Kyle Dingwall started the Sportsman feature on the pole and led all 20 laps, fending off Tim Van Brocklin who took second place by holding off a late charge from third place finisher Kees Van Winden. Tim Alton and Ben Tucker rounded out the top five.

The first time was the charm for Dana Aikins who charged through the field early in the race to win the Novice event. Robin Perrin finished second, Shane Ray took third, Bill Code and Pete Stapper finished fourth and fifth respectively.

In the Rookie event, Bob Ray led early but had a mechanical problem, and Billy Woodward Jr. took the win, followed by Dave Blue, Joseph Banks Stuart Mullin and Don Hall.

Go-karts will take to the newly constructed track in the infield of the Brockville Ontario Speedway, for the first time tonight (Wednesday, May 19). Go-kart racing will be featured every Wednesday night. Regular racing action continues Friday night, featuring a full race program.
