Bookmobile schedule

During the month of Nov. the bookmobile will visit the communities in Dundas County on the following schedule: Thurs., Nov. 10 and 24 Grantley (9:15-9:45am), Dunbar (10-10:30am). Fri., Nov. 11 and 25 Ormond (9:30-10am), Hallville (10:30-11am), Mountain (11:15-11:45am), Hainsville (12:45-1:15pm).

OWF directors roast retiring Dawley

Little librarian

Two-year-old Mahreen Nabi of Greely peeks over a table of books Saturday during an award ceremony at the Metcalfe Public Library. Top entries in a book writing contest received books for their efforts. Press Photo—Day

OTTAWA — After serving 40 years as Cattle Superintendant of the Ottawa Winter Fair, Winchester resident Basil Dawley has decided to call it quits.

Dawley was honored by the fair's board of directors at a surprise roast last Tuesday. Representatives from several classes of livestock, the board of directors and Stormont, Dundas and Glengarry MPP Noble Villeneuve recalled some of Dawley's most memorable moments and his legendary fondness for the rules.

"I have only a few words which are difficult to say because Basil has never given me a chance," said Villeneuve. "He has always operated in a fashion to get things done and he's called Senator Dawley whenever he travels to Toronto."

ROASTED BY FRIENDS

Roy Simmons of Finch, representing the Ayrshire breed, noted Dawley had made only one mistake during his 40 years as superintendant, allowing a pedigree for a spaniel to pass in an Ayrshire show.

"Basil is in demand for judging cattle shows throughout the Ottawa Valley and he was instrumental in developing Holstein export markets in the valley and throughout Ontario," noted longtime fair participant Mac James.

Doug McKechnie, secretary-manager of the Canadian Ayrshire Association said Dawley was always recognized by his peers for treating everyone fairly and he set a good example for everyone else.

Dawley first exhibited Holsteins over 50 years ago and gladly accepted the post of cattle superintendant when first asked in 1948. Since the appointment is made on a yearly basis, the fair board of directors was pleased enough with his work to ask him back 39 more times.

He admits his unswerving dedication to the rules often led to clashes with exhibitors but as Dawley says "the rules are there, written in black and white."

"If you don't feel the regulations are suitable, you always have the right to appeal to the board," he said. "If the board agrees with you they can modify the rules for next year's fair but when you sign the entry card you agree to abide by the rules and regulations."

The problem, says Dawley, stems from competitors not reading the rules carefully before entry.

Half of the prize money is subsidized by Agriculture Canada and part of Dawley's job was to make sure only exhibitors who qualified received the money.

"If you didn't qualify and couldn't come under any interpretation to suit Agriculture Canada, you wouldn't be allowed in the ring to show for prize money," said Dawley.

His tenacity paid off in the long run, earning respect from exhibitors and fair management alike.

HIGHLIGHTS

"There were lots of highlights, but for me when exhibitors went home satisfied they had received a fair deal, when they knew they weren't beaten by an ineligible animal, it made me feel good," said Dawley.

The winter fair veteran said he made the decision to retire this year because he felt the responsibility was getting a little heavy to shoulder.

"It was getting to the point I didn't feel I could handle as much responsibility," he said. "I'll always be interested in the fair and will participate."

The winter fair has undergone many changes since Dawley first became involved. Years ago he said exhibitors took their animals to the fair to promote their farm and animals and possibly attract customers.

"Now they bring animals to the fair to compare but it doesn't carry the same weight," noted Dawley. "We don't have people in the city who relate to farms. Twenty years ago people in the city knew about farms."

Tuesday's surprise roast capped off a career filled with many wonderful moments.

"I didn't think I deserved it but it was nice," he said.

Corrie acclaimed as NDP candidate

CORNWALL — "I promise nothing but blood, sweat and tears — and victory," said Steve Corrie shortly after being acclaimed New Democrat candidate for Stormont-Dundas on Tues., Oct. 11.

But the nomination meeting gave no indication of a party poised for victory.

Only about 20 showed up in the basement of the Anchor Motel in Cornwall to lend their support. A small poster of Ed Broadbent was taped to the wall in back of the head table and several anti-free trade posters saying, "Canada — Don't trade it away," were also on the walls.

No big banners, no placards and no youth. Most of the middle-aged supporters were wearing aldermanic buttons.

"We may not number in the hundreds," said the RR2 Lunenburg resident, "but I like to think we have quality."

Corrie, 43, has experience as an NDP candidate for Cornwall in the 1983 provincial election. For the duration of this campaign he has taken a leave of absence from his job as an air traffic control instructor at the Transport Canada Training Institute in Cornwall.

As a civil servant, Corrie had to get permission before announcing his candidacy. Though a recent Supreme Court ruling paved the way for civil servants to participate in campaigns, Corrie said they still have trouble becoming candidates.

Most of Corrie's speech on Tuesday night focused on the Canada-U.S. free trade agreement.

He said a number of businesses in Cornwall would be adversely affected by the agreement. He cited the plastics and manufacturing industries, particularly Dominion Textiles, east of Long Sault.

"There's no guarantee that many of the companies enjoying a certain climate in Canada would feel obliged to move to the U.S. to compete without restrictions," he said.

He also said the trade agreement could hurt the environment. "In fierce competition, protection of the environment has secondary importance." Funds now allocated for environmental cleanup will be used for other purposes.

According to Corrie, one of the industries most threatened under the agreement is agriculture. He said the supply management system would be lost and marketing boards would be wiped out.

Corrie admitted that agricultural areas in Stormont-Dundas are traditionally conservative and lacking in support for the NDP. But he said he would campaign hard to dispel what he called "myths of the NDP".

He said too many people forget that NDP roots go back to rural Saskatchewan, working with agricultural co-ops. He used the example of NDP governments in Saskatchewan and Manitoba to prove the NDP can be fiscally responsible when in power and said an NDP government would not automatically nationalize banks. He said nationalization is a fear tactic used by the other parties.

As for language issues, Corrie said he is a proud supporter of bilingualism, adding, "he does understand why some people are so enraged by it."

He said he doesn't doubt some people have been harmed due to the government's policy of official bilingualism but said it is because the rules are poorly applied.

"People should be measured for their abilities not their language," he stated.

Corrie plans to campaign in all areas of the riding, rural and urban. He said he is looking forward to visiting high schools and talking to "young people". He would also welcome an all candidates' meeting.

Corrie said he realizes NDP chances in Stormont-Dundas appear slim. But with the free trade issue, he expects to take some votes away from the Liberals.

"The NDP are taking over the void left by this disorganized and aimless Liberal party," he exclaimed.

He said this year with a four-way split in the vote, NDP chances are better than ever.

He's the one

Steve Corrie, left, celebrates his nomination victory as the NDP candidate in Stormont-Dundas with riding president Arthur Carkner. Corrie becomes the fourth candidate to contest the riding.

Ault Foods wins Canada Export Award

TORONTO — Ault Foods Limited has won the 1988 Canada Export Award.

The award was presented by Secretary of State for External Affairs Joe Clark in Calgary on Oct. 3 in conjunction with the 45th annual meeting of the Canadian Exporters' Association.

Initiated in 1983 by External Affairs Canada, the award is presented annually to 15 Canadian companies who have successfully introduced new products abroad, opened new international markets and increased export sales.

Other judging criterion include the Canadian content of a company's product, the range of its markets, export sales as a percentage of total sales and the ability of a firm to hold its market against foreign competition.

As one of Canada's largest dairy products manufacturers, Ault Foods Limited markets milk and milk-derived products. Its export business has increased an average of 22 per cent in each of the past three years and is based largely on six products including mature cheddar cheese, demineralized whey powder, specialty cheeses, skim milk powder, whey powder and customized dairy blends.

Ault has been especially successful in international markets with its demineralized whey powder (DWP), a by-product of cheese production used in the manufacturing of infant formula, ice cream and confectionery products. Ault is the only Canadian producer of DWP and sells it to manufacturers in more than 20 countries.

DWP and the bulk of Ault's exported products, 7,500 tons in 1988, are produced at the Winchester plant, the largest dairy plant in Ontario.

As a winner of the Canada Export Award, Ault Foods received a plaque and the privilege of using the award symbol on its letterhead and promotional materials for three years. The award also identifies Ault as an "outstanding achiever" in international trade.

Kemptville Hospital opens health unit

KEMPTVILLE — A new $380,000 Leeds, Grenville and Lanark Health Unit appears to be just what the doctor ordered.

The facility, which adjoins the Kemptville District Hospital, was built to replace the crowded, insufficient location on Asa Street.

The health unit received its official opening Saturday with hundreds of people including numerous local dignitaries showing up to tour the building and listen to Ontario Minister of Health Elinor Caplan offer her congratulatory remarks, if not any funding, for the project. The entire cost was paid for from the hospital's own funds.

Working from a portion of a two-storey house for the past 10 years, the unit's public health nurses couldn't be more pleased with the move to a new location.

Carran Watson, one of five nurses working out of the health unit, recalled some of the difficulties of providing service from the Asa Street location — comprised of only 700 square feet of office space and four desks for five nurses.

"There were only two telephone lines. It was crowded," she said. "You couldn't talk to people in private. There was no place to store anything."

But with about four times the space available now in the new unit, Watson said those problems should be in the past.

"It will be difficult to adjust to all this space," she joked.

Faye Brooks, the director of public health nursing, had nothing but praise for the new site.

"The place is lovely," she said. "It is very professional. It is more productive than the previous location."

Kemptville mayor Ralph Raina described the new health unit as "marvelous." However, the mayor also suggested the new location was overdue.

"Six or seven years ago the situation was bad," said Raina, referring to the crowded facility on Asa Street. "There was grumbling even from the very outset (10 years ago)."

Michael Kotlarchuck, a member of the Kemp-

Fiery weekend crash kills Metcalfe man

METCALFE — One man is dead following a fiery car crash on the Eighth Line Road, one kilometre north of Metcalfe.

The accident occurred on Oct. 15 at approximately 1:45am. Manotick OPP Constable Ian McCurdie said the driver ran into the ditch hitting a culvert with such force the car caught fire.

The Osgoode Township Fire Department was called to the scene but was unable to save the driver. McCurdie said the OPP was unable to determine if the driver was killed upon impact.

The driver's remains were identified as Michael Chinkiwsky, 19, of RR1, Metcalfe. He was the sole occupant of the vehicle.

There is no indication why Chinkiwsky's car left the road, said McCurdie.

"Had he gone off the road in many other places he would have had injuries but not like that," said McCurdie.

News Digest

Seatbelt enforcement

WINCHESTER — Winchester OPP will be conducting a seatbelt enforcement blitz from Oct. 18 to Oct. 29 inclusive.

All major police forces in the region will participate in the program. Winchester OPP officers checked 115 vehicles during a warning blitz on Oct. 17 and issued 26 seatbelt warnings.

The fine for not wearing a seatbelt is $53.75.

Grand opening

WILLIAMSBURG — The grand opening of the Township of Williamsburg's new municipal office will be held Sat., Oct. 29 from 2 to 4pm.

Local dignitaries will be on hand to perform the ribbon cutting ceremonies. The public is invited to attend.

Meeting changed

WINCHESTER — The next regularly scheduled council meeting for the village of Winchester has been changed from Mon., Nov. 7 to Tues., Nov. 1 at 7pm. The meeting will be held in council chambers at the municipal building.

College information day

NEPEAN — The Carleton Board of Education in conjunction with other area school boards will host a college information day on Tues., Oct. 25.

Representatives from community colleges across Ontario have been invited to discuss their programs and entrance requirements.

Students, parents and the general public are invited to visit the college representatives in halls A and B of the Nepean Sportsplex, 1701 Woodroffe Ave. The information day will be held from 9am to 4pm.

Recognition

Members of the Ottawa Winter Fair Board of Directors saluted Winchester's Basil Dawley upon his retirement as cattle superintendant, a position he held for 40 years. Dawley was presented with a painting of the cattle castle. Pictured from left, Eastern Ontario Breeders representative Keith Drummond, Ottawa Winter Fair president Ron McRostie, Basil and his wife Ruby.

Osgoode farmer joins election race

OSGOODE — Terry Otto, a farmer and 15-year township resident, has joined the list of candidates running for a spot on Osgoode council.

Otto, 39, says the township needs "a responsible government that will listen to the people, and do what the people want." His platform stresses the need for a plan to accommodate rapid growth in the township and a need for a good waste management program.

According to Otto, the current council has not always paid attention to the wishes of the people.

"They tried to put low-rental housing units in Metcalfe, when the majority of people were against it," he said. "But people aren't dumb, they knew it was the wrong place.

"Council wanted to put the units beside the community centre," he added, "but there's already a seniors' home there. It's doubtful whether the septic tanks could have handled another multiple-use building.

According to Otto, council eventually had to back down on the low-rent apartments, but only after the Ontario Municipal Board quashed the attempt.

Otto, who runs a beef and horse farm north of Metcalfe with his wife Susan, says he is bothered by rising taxes, though he does concede "it's a sign of the times."

Should he be elected, Otto promises to work hard to develop a sound waste management program for the township.

"We have to be concerned with the environment and what we are doing with our garbage," he said.

"We're part of the region and we have to be aware that a recycling plant or incinerator, or even a dump site could be put here," he said. "We have to be ready to stand up and argue against them."

"Growth is eventually going to come and we have to be prepared for it. We need to put a good plan together with the region to prepare for growth," he said.

According to Otto, the township and region are "letting all kinds of people build and develop on Highway 31. We have to make sure people who live and work here can commute readily to Ottawa."

Otto is the provincial director of the Ottawa-Carleton east branch of the Ontario Federation of Agriculture and says he is well acquainted with the concerns of the farming community in the township.

Health Unit

• continued from page 1

tville District Hospital Board, is also pleased with the new facility.

"I think it's excellent. For our size and budget, we are providing an excellent service to the community."

Kotlarchuck reiterated the move was necessary simply because of a lack of space at the previous location. He added the Asa Street health unit was "able to look after the basic needs of the community."

But with the new health unit, Kotlarchuck said, some services will be upgraded. He said the addition of the health unit was only a part of an overall plan to upgrade the hospital.

Ian McLaughlin, another board member, echoed Kotlarchuck's assessment, stating the new facility is "certainly a step up for our services in the community."

Kemptville's facility is one of six sub-offices of the Leeds, Grenville and Lanark Health Unit, which has its head office in Brockville.

The health unit offers services dealing with home care, helping developmentally handicapped adults adjust to the community, school health programs such as immunization and a public health inspector who keeps an eye on such areas as the community's septic systems and wells.

A spokesperson for Kemptville's branch said the health unit's mandate is "health promotion." She said a major role of the staff is counselling.

Tolley seeks post on township council

WILLIAMSBURG — Carleton University professor Trevor Tolley has submitted his name as a candidate for Williamsburg Township council.

Tolley, who has lived in the township for the past 15 years, was defeated in his bid for a council seat in 1985.

"I always felt I would like to be on council," said Tolley of his decision to seek a council spot. "I was encouraged by the people who voted for me the last time. They want somebody like me on council."

Tolley said many residents are in the same position as him — they live in Williamsburg but work outside of the township and therefore have a different perspective and different needs.

"Someone who represents that particular situation would be helpful on council," he said.

One of the issues which is important to Tolley is the Grenville-Dundas waste management study and the recommendations of the consultants to locate a new waste management site in Dundas County.

"It is very disturbing to many to discover the situation the township has been placed in," he said. "A possible 200 acre site located somewhere in Dundas County, and over the next 40 years it would take garbage from Dundas and Brockville. It is not a popular notion with people."

Tolley said residents of Williamsburg Township might accept the idea more readily if the communities that were sending garbage into the township had economic and social ties with Williamsburg.

Trevor Tolley

"I don't see how Brockville has any ties to Williamsburg," he said. "I'm very concerned with the environment. I've chosen to live here because it is a nice environment."

Another item on Tolley's political agenda concerns the proper identification of homes for emergency purposes, like a house-numbering system.

He said he suggested the idea during the last political campaign but it was not well received.

"Numbers should be coordinated with the police, ambulance, fire or whoever is providing emergency services," he said. "More and more emergency services are coming from outside the area such as late evening police services."

Tolley said he doesn't like to see councillors win by acclamation and by submitting his name he will give voters in the township a choice.

Metcalfe challenges Cousineau

WINCHESTER — Businessman Ross Metcalfe will challenge Claude Cousineau for the top spot on Winchester Township council.

Both men will be vying for the reeve's position in the Nov. 14 municipal election.

Metcalfe, who has lived in the Melvin Settlement for the past two years, said his love for the residents and the community finally made his decision for him.

"My worries are the same everyone else has," said Metcalfe. "The contaminated Lees Avenue fill which is continuing to come to our dump worries me."

He also said he is not pleased with the way the Grenville- Dundas waste management study is proceeding. The majority of the locations for a new waste disposal site are located in Dundas County.

Metcalfe also contends the present council has mismanaged roads in the township.

Ross Metcalfe

"Council intended to change the designation of County Road 3 with the Dump Road and it wasn't until the residents had 100 per cent signatures that council decided to allow the road to remain the way it is," he said.

Metcalfe worked as president and general manager of companies in Ottawa and Cornwall. He said he was encouraged to run for the reeve's post by neighbors and residents of the township.

He doesn't believe facing incumbent deputy-reeve Cousineau will be an obstacle in his campaign.

"He feels he is stepping into office because he knows primarily what is going on and that is what worries people," said Metcalfe. "It was suggested a dark horse should be in the running and I'm a dark horse. At present I don't have any commitments or business concerns that will affect the judgements I'm going to make.

Metcalfe said so little information is imparted to constituents about township affairs and it is little things like this that mean so much to residents.

Youth charged with mischief

WINCHESTER — Winchester OPP report one accident occurred at 4am on Sat., Oct. 15 on Concession Road 12 in Winchester Township.

Ramona Eby, 23, of RR2, Crysler was eastbound on the gravel road when she hit the north shoulder, lost control of the vehicle and rolled the car.

Her 1986 Camaro was severely damaged.

A collision between a car and motorcycle in Chesterville on Oct. 14 resulted in a highway traffic act violation issued to one driver.

Lynda Guy, 24, of Chesterville was driving a 1988 Ford owned by Larry Cooke westbound on South Street at approximately 8:55pm. As she was making a left-hand turn into a private driveway she was struck in the rear by a 1982 Yamaha motorcycle driven by Tony McCadden, 20, of Chesterville.

McCadden was issued a ticket for driving too close behind Guy.

Keith Rader, 44, of Winchester was involved in an accident on St. Lawrence Street on Oct. 17 at 8:50pm.

Rader was attempting to make a left-hand turn in his 1980 Chevrolet pickup when he lost control of the vehicle and struck a hydro pole.

Two passengers, David Rader, 4, and Lynn Rader, 9, received minimal injuries. No charges were laid.

Winchester OPP have also charged a youth with mischief following several acts of vandalism in the village of Winchester during the Oct. 12 weekend. The youth, who cannot be identified, will appear in provincial court in Morrisburg on Oct. 25.

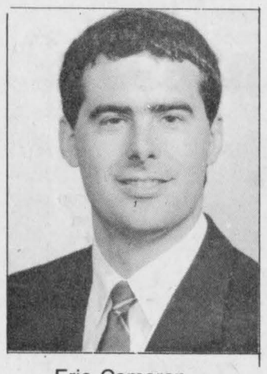
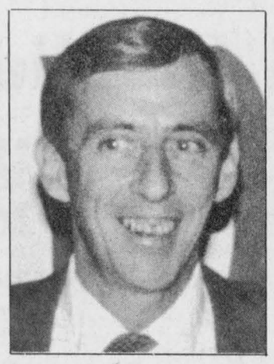
Stormont-Dundas — Election '88

Candidates' positions on free trade



Eric Cameron



Bob Noble

Steve Corrie

Bob Kilger

CORNWALL — During his campaign, Stormont-Dundas Conservative candidate Eric Cameron has had many occasions to discuss the free trade agreement with voters, an agreement he wholeheartedly supports.

"I've talked to many dairy people and their concern is that marketing boards will be eroded over time," said Cameron. "I'm convinced that is not going to happen. Free trade makes it even more probable supply management systems will continue in the future."

Cameron said the agreement reinforces article 11 of GATT (General Agreement on Trade and Tariffs) which allows supply management systems to exist.

"Americans have cheaper input prices and for this reason we can't dismantle the marketing board system," he said. "Agriculture is one of those sectors where free trade isn't really free trade. We have kept our system and what free trade will do is strengthen it."

Most people don't know that tariffs between Canada and the United States at the end of World War II were approximately 35 per cent, said Cameron. The current level is about nine per cent.

"What the free trade agreement does is bring the level from nine per cent to zero in an organized fashion over a period of years," he said. "We're just completing the process. Politics of trade are being replaced by rules of law."

CORNWALL — Bob Noble, Confederation of Regions Party candidate, said his party supports free trade but is opposed to Prime Minister Mulroney's free trade deal.

"We don't agree that the United States should be able to come in here and buy up our federal institutions and private businesses," said Noble. "We believe with the free trade deal we have now we will lose some of our social policies. In order to be competitive businesses will have to offer less benefits."

Noble said the country should be trading tangible assets, not people and benefits. If elected, he will work towards defeating the current free trade bill and recommend negotiations for a new deal.

●

WINCHESTER — Stormont-Dundas NDP candidate Steve Corrie says the free trade deal with the United States will have a disasterous effect on the agriculture industry locally and nationally.

"I do not support this agreement," he said. "On the overall question of free trade I don't think anyone is opposed to the idea but 80 per cent of our goods already belong in the free trade category and cross the border into the U.S. without duty."

Corrie said the countervailing duties which were slapped on softwood lumber, shakes and shingles and other Canadian products frightened the Canadian people who saw a protectionist attitude growing in the United States. But the final agreement negotiated with the Americans didn't achieve any of the goals the Conservative government hoped.

"America is a powerful nation and when we went to them they saw us coming," he said. "They are shrewd negotiators. The dispute settlement panel interprets American trade law, not international law. We are better off in GATT (General Agreement on Trade and Tariffs)."

Corrie said Americans believe in a laissez-faire government and would interpret Canadian marketing boards as a form of government interference.

"Supply management tries to take out the peaks and valleys and keep demand fairly constant," he said. "A large part of the dairy industry is maintained by supply management and quotas play a large part, about one-third, of the value of a dairy farm."

He said the government needs to encourage more secondary manufacturing in Canada and negotiate sectorial agreements, like the auto pact, with the United States.

●

CORNWALL — Liberal candidate Bob Kilger said the free trade deal with the United States will have a disasterous effect on Stormont-Dundas and dire consequences for Canada.

He said the proposed benefits of the deal are not worth the costs to the country. With 80 per cent of bilateral trade already tariff free or with nominal tariffs, Kilger said opening up the remaining 20 per cent is not beneficial for Canada.

He said the United States considers Canadian farm subsidies and marketing boards as unfair advantages and by using clauses in the free trade agreement, will pressure Canada to dismantle supply management systems and eliminate subsidies.

With close to 2,600 families relying on agriculture and agriculture based industries for their livelihood in Stormont-Dundas, Kilger said the flood of cheap American agriculture products into Canada will make it impossible to compete and jobs will be lost.

"It's little wonder the Canadian Federation of Agriculture, the Dundas Federation of Agriculture, the Dairy Farmers of Canada and other groups cannot support the present free trade agreement," said Kilger.

He also said the textile industry will virtually dry up under the free trade agreement and older workers and women will lose their jobs.

"The Liberal party will work towards a free trade agreement with other countries including the United States," he said.

Ault's honors 42-year employee

George and Audrey Bell pose with Yves Leroux, general manager of Ault Foods Limited in Winchester, during George's retirement party last week.

WINCHESTER — George Bell used to work for 27 cents an hour.

At that same time, he was working 10 hours a day, seven days a week, pushing a wheelbarrow and shovelling coal in his job as a "fireman" at Ault Foods Limited in Winchester.

"I didn't have to pay taxes on that," Bell joked, referring to the $18.90 he pulled in each week back in 1947.

And he recalls all this with a genuine fondness. It's a good memory now for the 71 year old who is calling it quits after more than four decades with the same company.

Starting at "the bottom of the bag," Bell said he was a young, strapping guy 42 years ago when he entered the workforce.

The tough, demanding, physical work of a "fireman" was no bother to Bell, who had been used to putting in a hard day's work farming before he got the job at the cheese plant.

"In those days, I was just off of the farm. You didn't mind (hard work) that much."

Bell worked his way up the ladder as years went by, taking on positions as foreman and supervisor at different levels. He said he will be ending the large slice of his life that he spent employed by Ault with a good pension and on the heels of a current salary "around $30,000."

Reflecting on the more pleasant times during his long tenure with the plant, Bell pointed to the travelling he was able to do.

"One of the greatest highlights was when Sam Ault talked me into taking a trip to Florida. He also talked me into taking a trip to England."

Bell has watched the plant expand drastically from his first year with the company in 1947, when the largest amount of milk produced in a day would be about 100,000 pounds, to its present daily output of about 1,250,000 pounds.

Everything at Ault is geared towards growth, said Bell, who admits to a feeling of satisfaction in having witnessed first hand such an increase in production over the years.

"It is just a pleasure when you stop to think about it."

Another pleasure for Bell came Friday night at the Lions' Hall. He and his wife, Audrey, were treated to a retirement party attended by about 150 well-wishers.

After receiving cards, congratulatory messages which included a retrospective of his career given by Sam Ault and collections from the union and salaried staff, Bell borrowed from The Great One to start off his speech and to acknowledge his mood.

Said Bell: "How sweet it is."

Helmer decides not to seek re-election

WINCHESTER — Three-year Winchester council veteran Florence Helmer has decided not to seek re-election this November.

Helmer said she decided to run in 1985 because she was always interested in municipal politics and the state of the community and village.

"I've lived in the village for many years and my husband, Gerald Helmer served on council before me," she said.

She served as council's representative to the Business Improvement Area (BIA) and cites the village improvement project as one of the highlights during her political career.

"I enjoyed seeing that come along and of course centennial was a success," she said.

Helmer also served on the recreation committee. Prior to joining council, she was a member of the recreation board since 1972.

"I've enjoyed working with the figure skating club and I think we have a good complex in Winchester," she said.

Arthur Carkner

Carkner joins township race

ORMOND — Another candidate has joined the race for a seat on Winchester Township Council.

Arthur Carkner, 35, of Ormond, announced Monday he would be running for the position of councillor in the Nov. 14 municipal election.

Carkner will be battling against incumbents Dwayne Holmes, and Jack Durant, former councillor Albert St. Pierre and newcomer Gord Johnson for the three councillor positions.

Fighting to replace the vacancy left by reeve Gerald Holmes will be deputy-reeve Claude Cousineau and former businessman Ross Metcalfe.

Former councillor Wyman Barton, principal of Maple Ridge Senior Public School, and councillor Robert St. Pierre will try for the deputy-reeve's chair, left vacant by Cousineau.

Carkner, who ran in the provincial election last year as an NDP candidate, said his main reason for running is to bring a new "cross-section" of opinion to council.

His main concerns are waste management, communications, roads and development. One thing he would press for, he said, would be better communications with the ratepayers.

The township needs to be more open about its business. Residents shouldn't hear about issues involving them on the news first, it is township council that should let them know.

He cited as an example council's approval to have soil from an Ottawa site contaminated with coal tar shipped to the township dump without first seeking approval.

Residents have been assured that the fill from the Lees Avenue site is safe, but the issue is still a sore point with residents, he said.

News from the CO-OP

M. René Caron, General Manager of Embrun Co-op Ltd., is pleased to announce the nomination of M. Roland Dubé to the position of Service Manager of the Co-op garage.

Roland come to us with 33 years experience in the automotive field. Come meet him, and his team, Monday to Friday between 8:00 a.m. and 5:30 p.m. They will gladly assist you with any service or repair to your car, truck, tractor, lawn mower, snow-blower, roto-tiller and more.

Metcalfe parents raising funds for public school play structure

METCALFE — As village children enjoy the benefits of a new play-structure at Metcalfe Public School, a local parents group is working hard to pay off a $6,000 bill for the facility.

Steve Estabrooks, chairman of the Metcalfe Home/School Play-structure committee, appeared before Osgoode Council Tuesday to ask for some township dollars for the new structure.

Estabrooks' request was referred to the township finance committee, which meets later this month, but Osgoode treasurer Don Reid said the township will like kick in some money for the project.

Meanwhile, the fundraising committee is planning an assortment of activities to raise money before the Dec. 31 deadline. According to Metcalfe Public School principal Leslie Hossack, fundraising has been under way since last year.

"The committee held a movie night at the school last year, and they've got another one planned for Oct. 21," she said. "They're also selling raffle tickets for a 'share the wealth' type of draw."

The committee is planning a community garage sale, with proceeds going to the play-structure, and sweatshirts will be sold at Metcalfe Public School to raise money as well.

Metcalfe says the play-structure has been a big hit with the children. "Not only do the school children use it at recess and lunch hour, but the village children come and use it every night after school," she said.

Last year the Metcalfe Home and School Association agreed to a 50-50 deal with the Carleton Board of Education for the play-structure. The board agreed to contribute $6,000 and the association was to raise $6,000 as well.

The play-structure was erected July 16 on the school grounds by a group of parents and staff.

D.K. Henderson dies at Tweed

Duane Kenneth Henderson of RR3 Tweed died in his home Oct. 10.

Mr. Henderson is survived by his wife, Luella Jennings, his sons Ken and Don and by his daughter-in-law Gail. He is also survived by two brothers, Fred of Chesterville, Claire of Oakville and one sister, Jean Cuff of London, Ont., and grandchildren Bobby, Trena and Chrystal.

Funeral service was held Oct. 13 at D.E. Allison Funeral Home in Port Hope, Ont.

Interment was at Welcome Church Cemetery.

Institute tea rooms popular

by Jean Boland

METCALFE — The Oct. 11 meeting of the Metcalfe W.I. was held at the home of Peggy Scharf, with president Eileen Galloway presiding.

The roll call "My most embarrassing moment" was well answered by 11 members and one visitor.

Jean Reaney and Irene Wallace volunteered to go in and help at the tea room at the Ottawa Winter Fair, Thursday from 11:30am to 3pm.

The secretary, Irene Wallace, gave a detailed account of the financial situation from the catering and tea room at Metcalfe Fair.

Again this year, we will have a room at the Talisman Hotel Oct. 18 and 19 for the convention. Five ladies will attend.

We were saddened to learn of the death of William Dow, husband of Jennie one our staunch members, who passed away suddenly Monday night.

Irene Wallace won the hostess gift. A wreath will be purchased for the Nov. 11 ceremony.

The meeting was then turned over to the convener Jean Boland, who brought along a prayer on recycling and waste management as this subject of waste and dump sites is of great concern all across Ontario.

Next meeting is Nov. 8 at the home of Bessie Quinn at 1:30pm.

Eileen Galloway thanked Peggy for her home and a delicious lunch.

George Ronald Conlin

George Ronald Conlin, a former Edwardsburgh farmer and drover, died Oct. 5 at St. Vincent de Paul Hospital in Brockville, following a lengthy illness.

Mr. Conlin was born in Toledo on July 9, 1914, son of the late William Conlin and Mary Jane Dickey.

He spent the early part of his life growing up in Jasper.

Mr. Conlin married Hilda Brooks in Hallville in 1937. He is survived by his wife.

During the first few years of their marriage, they operated restaurants in Winchester, Iroquois and Cardinal.

In 1941, Mr. Conlin bought a farm north of Cardinal at Pitston. He operated it until he retired in 1975. During these years, his name became well know in the cattle business.

After his retirement, Mr. Conlin and his wife moved to the village of Cardinal.

Mr. Conlin is survived by three sons, G. Peter and his wife Beth of Maynard, Larry and his wife Doreen of RR1 Cardinal and Steve and his wife Marjorie of RR2 Brinston; by grandchildren, Lou Anne, Mary Jane, George, David and Gregory. He is also survived by his sisters, Jennette Donovan of Smiths Falls, Myrtle Abrams of Kingston, Arela Cummings of Newburgh, N.Y. He was predeceased by his sister, Maizie.

Funeral service was held Oct. 8 at the Marsden Funeral Home in Cardinal with Rev. Bruce Ross of St. John's United Church officiating.

Pallbearers were Edwin Cooper, Robert Thompson, Gordon MacGregor, William Donovan, Jack Cameron and Fernal Brooks.

Interment was at South Gower Cemetery.

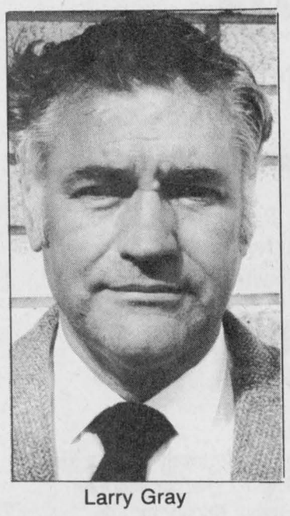
Gray unopposed as Winchester reeve



Larry Gray

WINCHESTER — Incumbent reeve Larry Gray has decided to throw his hat into the political ring once again, and this time he is unopposed.

Gray was first elected to council in 1973 and became reeve in 1977. He was drawn to politics as a result of his work on the recreation board.

"At that time the recreation complex was in the planning stage," said Gray. "It seemed to be a natural evolution for me to join council."

Gray said he considers his work on council part of his recreation. When he joined, his veterinary practice was extremely busy and working with council helped him to get away from his work for various periods.

He said most residents of Winchester are still euphoric over the village's successful centennial celebrations and as a result, not many election issues have come to the forefront.

Gray predicts issues such as water, sewage and roads will remain top priorities with the next elected council.

"It's also quite obvious the town has to do some planning for all these subdivisions to get through," said Gray. "Every one of these projects will require some expenditure."

He believes the village will continue to grow and proper planning will be needed to make the most of the remaining land within the municipality.

Gray also serves as the village's representative to the Grenville-Dundas Waste Management Committee. Next year the project consultants will make their final recommendation for a waste disposal site and the decision will be contentious says Gray.

"No one wants it in their backyard," he said. "I don't think we as a committee have done a good selling job as to what a landfill site will be in the future. Everyone envisons a big pile of garbage but some of the landfill sites I've become familiar with almost look like parkland."

He said communities like Winchester need to start recycling programs and composting to help alleviate waste problems.

While the reeve doesn't think Sunday shopping will be a big issue in Winchester the results of Sunday shopping in muncipalities like Ottawa could hurt the local business district.

"Travel seems to be easy nowadays," said Gray. "Thirty or forty miles to a shopping centre is not a bad outing. Businesses can't be open 24 hours a day, seven days a week without some detrimental effects. If business falls off in the village there will be an increased tax burden on the residential community."

Gray said the highlight of his past term on council was the two-week centennial celebrations.

"I also take pride in the fact I was around when the new municipal building was developed," he said. "And the PRIDE project helped to give us a good centennial."

In the future, Gray said he would like to obtain a new facility for the library, a project that has been discussed for the last several years. In conjunction with that, he would like to develop a museum to house artifacts depicting the area's history collected during centennial.

Deputy reeve Stewart finds apathy disappointing

WINCHESTER — Deputy reeve Bill Stewart will begin his third term as councillor this November.

The two-time deputy reeve was acclaimed to the position but said he is disappointed residents of the village didn't show more interest in running for municipal council.

"I considered not running but when there wasn't any participation I decided to let my name stand again," he said. "I was hoping there would have been more interest."

Stewart said the lack of participation by residents is discouraging but he will use his three year term to continue working on the village's roads program.

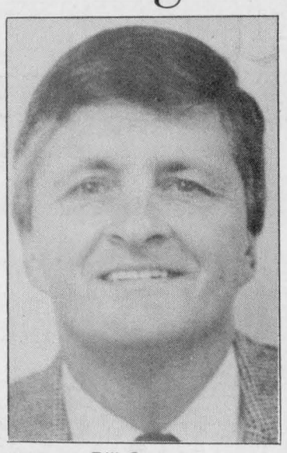
"The roads program has been an interest of mine," said Stewart. "I'd like to continue the third phase of the road program which is Mill Street south."

The first two phases of the program which involved Main Street were completed earlier this year.

"Hopefully we can continue our search for water," he added. "I would like to continue our water exploration to match our sewer needs now that we have the go ahead for letting tenders for our sewer."

Stewart said the present council is a good working council and accomplished many things for the village.

"We have a beautiful village and it would be a benefit for people to come on council," he said. "I'm glad to have been a part of council for the past eight years and I'm looking forward to the next three."



Bill Stewart

Eadie seeks re-election

WINCHESTER — Councillor Hugh Eadie has been bitten by the political bug and will seek a second term on council this November.

Eadie joined council in 1985 and served as council's representative on the hospital board and roads and works committee.

"I had the time so I thought I would run," said Eadie, referring to his decision three years ago. "I just wanted to be part of council."

He said Winchester's centennial celebration was a highlight of the past three years.

Although Eadie doesn't believe one issue will stand out in voters' minds this election year he said obtaining more water for the village and starting a recycling program are top priorities.

"Everybody should be interested in saving our environment," he said.

The three councillor positions will be contested by Eadie, councillor George Hanes, David Sloane of Main Street, Betty Cooke of York Street and Wayne Vice of St. Lawrence Street.

Hanes calls it quits

WINCHESTER — After serving two years as school board trustee and eight years as Winchester councillor, George Hanes was ready to call it quits.

Hanes retired from Ontario Hydro after 35 years and is looking forward to spending his retirement doing other things.

He is proud of the excellent road conditions in the village and the new electrical system which has been upgraded.

"I'm also proud of our tree planting program and I would like to get more done on that," he said. "Especially after our tornado it should be top priority. Getting more water is also important — it's almost at the critical stage."

Hanes said he never had a high profile on council, believing he could get more done by doing, rather than talking.

He admitted he was going to quit three years ago but decided to run rather than allow candidates to win by acclamation.

"There's no way I was going to let that happen," he said. "I wanted to give people a choice."

And the situation has remained the same this election year. Since the number of candidates running has remained low, Hanes has agreed to let his name stand.

Before joining council, Hanes served on the arena board and became council's representative on the recreation board as well as council's representative to the Winchester Fire Department.

"That's something I really enjoyed," said Hanes. "They are a good bunch of people."

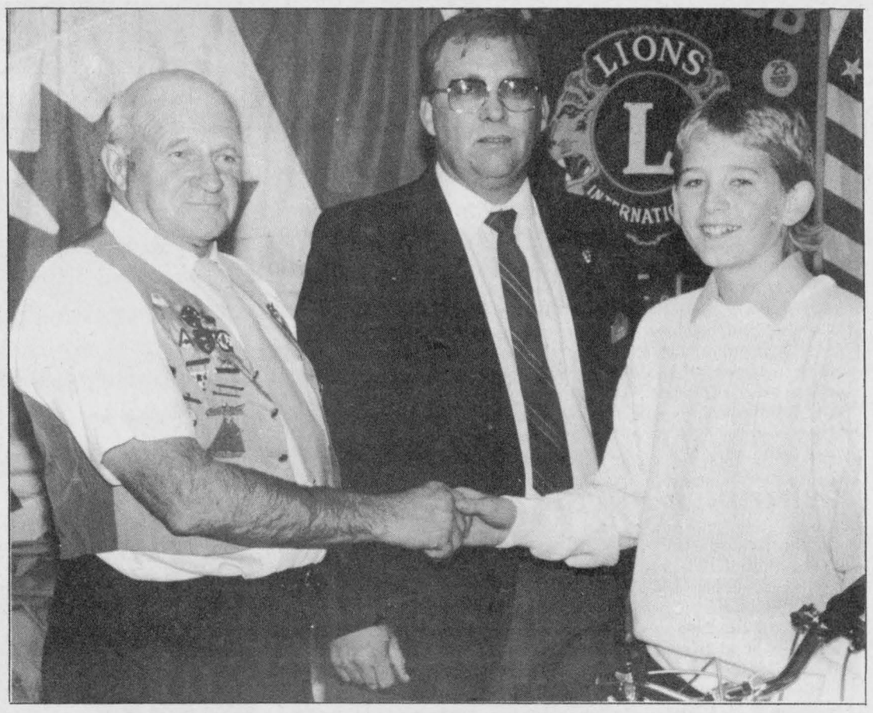
Mountain Musings

by Shirley Mills

On Oct. 23 **Hulbert-Valley United Church** will be celebrating its 114th anniversary with special services. At 11am, there will be a guest speaker, Rev. Gordon Fresque of Tara, Ontario. A special musical evening will be held at 8pm.

Then, on Tues., Oct. 25, the **anniversary supper** will be held starting at 5pm. There will be turkey and ham and other good stuff with the cost being $6.50 for adults and children, $2.50.

The Mountain Township and District Lions Club has many fundraising events and usually has a lot of fun while doing good work. Their latest project is the annual car rally, this year to be held on Oct. 29. Registration is at the Mountain Township Agricultural Hall in South Mountain from 12:30-1:30pm. Later that day there will be a dance which begins at 9pm.



New bike for Brent

Metcalfe Public School student Brent Bishop held the lucky ticket and was winner of the Metcalfe bike donated by Metcalfe and District Lions Club. In accompanying photo Metcalfe Agricultural Society president Harold Cowan (left), assisted by Lion president Earl Maahs presents Brent with his new wheels.

Edward William Armstong

Edward William Armstrong, a long-time resident of Vernon, died Oct. 5 at the Winchester District Memorial Hospital following a lengthy illness. He was 62.

Mr. Armstrong was born March 18, 1925 in Belmeade, Ont., son of the late William Armstrong and Awilda Hoy.

He worked for 18 years with the Ontario Department of Highways before working as an independent trucker at Spratt Sand and Gravel.

Mr. Armstrong married Lora Carlyle, March 16, 1946, at McPhail Memorial Baptist Church. He is survived by his wife.

He is also survived by his son, Lyman (Bert) Armstrong, and by his daughters, Norma (Mrs. Garry Sayant) and Patricia Armstrong, also by his grandchildren, Catherine Sayant, Nathan Armstrong and Travis Armstrong and by his half-sisters, Christena (Robinson) Cummings and Mary Foster.

Funeral was held at Duncan Funeral Parlor Oct. 7 with Rev. Robert Jones officiating.

Pallbearers were Robert Higgins, Wesley Lewis, Douglas Acres, Milton Robinson, John Nicholls and Rene Crate.

Interment was held at Springhill Cemetery in Metcalfe.

William Duncan Dow

William Duncan (Bill) Dow, a lifelong Metcalfe area farmer, died at his late residence Mon., Oct. 10 in his 89th year.

Born and educated in Osgoode Township, he was a son of the late Mr. and Mrs. Alex Dow.

'Bill' as he will be fondly remembered by a host of friends, was recognized throughout Ontario and Quebec as a highly competent authority in the realm of sheep judging and, until recently, his expertise was in constant demand to select winners at not only local fairs but as well at Central Canada Exhibition, Ottawa Winter Fair, and the Royal at Toronto.

The late Mr. Dow was also a staunch supporter of Vernon Presbyterian Church and Metcalfe Agricultural Society where, over the years, he served at various administrative levels.

In addition to his widow, the former Jennie Hume, he is survived by sons Russell and Ian. Also surviving are grandchildren Karen, Billy, John, Alex, David and Blair. He was predeceased by brothers Ken and Russell.

The funeral service, at Duncan Funeral Home, Metcalfe, was conducted by Rev. Leslie Smith at 2pm Oct. 13.

Pallbearers were grandsons Blair, David, Alex, John and nephews Bruce and Brian Dow.

Interment was at Springhill Cemetery, where graveside services were also conducted by Rev. Smith.

Gerald T.W. Garlough

Gerald Thomas William Garlough, a lifetime resident of RR2 Williamsburg, died Oct. 1 at the Winchester District Memorial Hospital. He was 71.

Mr. Garlough was born July 18, 1917 in Williamsburg, son of the late Clarence Meredith Garlough and Myrtle Watson.

He is survived by his sisters, Mrs. Clara Tousaw of South Mountain, Beatrice (Mrs. Jack Head) of Calgary, Sheila Scarbo of Iroquois, Grace (Mrs. Ernest Stewart) of Iroquois, and Ginger (Mrs. Ray Angel) of Tara. He is also survived by his brothers, Donald of Williamsburg, Rodney of Oshawa, Mahlon of Winchester and Lonnie of Williamsburg. He was predeceased by four sisters and four brothers.

Funeral service was held Oct. 4 at Fairbairn Funeral Home Ltd. in Morrisburg with Rev. Ross Thomson officiating.

Pallbearers were Dick Ostrander, Brock Hollister, Archie, Rickie, Jay and Marty Garlough, all nephews of Mr. Garlough.

Interment was at Maple Ridge Cemetery in Chesterville.

Mervin George Quinn

Mervin George Quinn, a lifelong Metcalfe area resident, died in hospital Sept. 22 in his 78th year. A son of the late Andrew Quinn and his wife the former Alice Monahan, he was educated at local schools.

In addition to his widow, the former Grace Howes, the late Mr. Quinn is survived by two daughters and one son: Ruth (Mrs. Emerson Reaney), Metcalfe; June (Mrs. Manford Wallace), Greely; and Ivan of Kenmore. Also surviving are 15 grandchildren; 15 great-grandchildren; one brother, Earl; and one sister, Nada; both of Metcalfe. He was predeceased by sister Margaret Findlay, son Theodore, and great-grandson Bradley Bishop.

Service was conducted at the Duncan Funeral Home by the Rev. Robert Gamble of Ivanhoe and Rev. Jerry Wallace and his wife Bonnie.

The pallbearers were grandsons Jeff and Stephen Quinn, Dean and Randy Quinn, Keith Reaney and Bryan and Rick Wallace.

Interment was at Springhill Cemetery.

Stanley Vanderheide

Stanley Vanderheide, a Williamsburg resident, died Oct. 6 at the Winchester District Memorial Hospital. He was 81.

Mr. Vanderheide was born Dec. 2, 1906 in Ureterp, Holland, son of the late Geeuwke Vanderheide and Pietje VanderWal.

Mr. Vanderheide married Florence Boersma in Holland on May 16, 1930. His wife died in 1987.

He is survived by two brothers, Wietze of Alberta, Jelle of Holland, and by one sister, Tjetje (Mrs. Johannes Jongsma) of Holland. He is also survived by two daughters, Pearl (Mrs. Clarence Haayema) of Williamsburg and Jenny (Mrs. George Struiksma) of Jordar Station. He is also survived by nine grandchildren and nine great grandchildren.

Funeral service was held at Christian Reformed Church in Williamsburg Oct. 8 with Rev. DeJong officiating.

Pallbearers were Clarence Haayema, Jerry Haayema, Steven Haayema, Lyle VanAllen, Stephen Perault, George Struiksma.

Interment was at New Union Cemetery in Williamsburg.

- member of Inkerman United Church
- Director of Dundas Soil and Crop Improvement Association
- will continue to work for improvement to township roads and rural planning

On November 14 — Please exercise your rights and VOTE.

Thank you
Keith Smith

Carleton-Gloucester — Election '88

Candidates respond to issues

Eugene Bellemare

Terese Ferri

Maureen McTeer

GLOUCESTER — Conservative Maureen McTeer, like her rivals vying to capture the Carleton-Gloucester riding in the Nov. 21 federal election, has been wearing down the soles of her shoes during some recent time-consuming canvassing for voter support.

The riding encompasses the townships of Rideau and Osgoode, rural Gloucester, Beacon Hill, Blackburn Hamlet, Orleans and Hunt Club Park.

McTeer says her long history in the parliamentary system (more than 20 years through active involvement and as wife of External Affairs Minister Joe Clark) makes her the best qualified for the job.

Liberal candidate Eugene Bellemare, a seven-term Gloucester alderman, says a number of potential voters — even those previously supportive of a party other than the Grits — have told him he will get their vote this year.

The youngest candidate, 25-year-old Robert Cottingham, is the New Democratic Party's hopeful to capture the Carleton-Gloucester riding. Cottingham says he will appeal to the grass roots level in the hopes of attracting support and breaking down traditional voting patterns.

Terese Ferri, a Greely lawyer and mother of eight, hopes to guide the new Christian Heritage Party to victory with the "authentic, moral leadership needed" in this country.

Here is what they had to say about the issues that have been making the headlines:

On Free Trade:

McTeer (PC): She said she supports the free trade deal negotiated with the United States and has been trying to convince area farmers their fears of financial disaster arising from a free trade deal are unfounded. She will make it a priority to assure that the farmers' livelihood is protected. Free trade, says McTeer, is "an important step for the future, it is one attempt to open more markets."

Bellemare (Liberal): He said he is concerned with the present free trade deal, and the negative impact it could have on Canadian marketing boards. He would like to see interprovincial barriers broken down before clearing the way for free trade with the United States. Free trade should be developed "from east to west, not north to south," said Bellemare. He said it would be a major goal of the Liberal party to receive a guarantee from the U.S. that they will abandon their protectionist laws.

Cottingham (NDP): He, like his party, is opposed to the deal. "It is something we (NDP) see as a great danger to our society. There is a tremendous feeling out there (Canadian voters), that they don't know enough about the free trade deal," he said. He believes Canada should work towards a multi-lateral agreement, a fairer agreement on a global field.

Ferri (CHP): "I support fair competition. In general, responsible free trade is good for business and consumers," she said. Ferri says it is important that farmers know there will be protection for them under a free trade deal with the U.S.

On Abortion:

McTeer (PC): "I'm not a single issue candidate, but this affects a number of people. It is a matter of personal conscience."

McTeer said it is up to the women to make the decision of whether or not to have an abortion, but added she would look towards practical solutions to end the need of abortion. McTeer says it is not right to pass laws that make women who have abortions criminals. She is an honorary director of the Canadian Abortion Rights Action League (CARAL) which lobbies to give women the right to have an abortion on demand.

Bellemare (Liberal): "I am for pro-life, pro-family" he said. Bellemare said abortion should only be performed when the woman's life is at risk.

"You must protect life. You can't have abortions on demand," he said. He suggests the government should put in supportive measures encouraging pregnant women to give birth.

Cottingham (NDP): "I am pro-choice. Women should decide in consultation with their doctor," he said.

Ferri (CHP): "A critical issue, not only because 60,000 little Canadian lives are lost each year but it is a symbol of how parties deal with issues of basic human rights," she said.

Ferri says Liberal leader John Turner has shown he is "not prepared to act" on the issue following his recent refusal to state his stand on abortion, claiming his opinion was irrelevant. She said the Conservative government has similarly advocated leadership on the abortion issue. Ferri would like to see legislation enacted that would protect the unborn.

On Bilingualism:

McTeer (PC): "It's the law of the land. I hope to continue excellence in the merit system — the best person gets the job," she said.

Bellemare (Liberal): Bellemare, a franco-Ontarian, said the government needs to encourage French immersion in school and to encourage young employees whom either desire to or need to learn a second language to do so. "We should create a national pride," he said, adding "no person should be forced to be bilingual."

Cottingham (NDP): He suggests the government must increase language training. He said the language issue has often been handled with insensitivity by those in power.

Ferri (CHP): She supports official bilingualism. Federal services should be provided in the language of choice where numbers warrant she says.

Child Care:

McTeer (PC): "Many women I meet at the door (campaigning) say they would like to be in the workplace but they can't find adequate child care. I would like to see options provided," she said. McTeer also suggests there should be tax relief for families choosing to have one parent stay at home to raise their child or children instead of entering the work force.

Bellemare (Liberal): He says child care is a necessity and a fact of life. He said his experience as a co-ordinator in adult education has left him with an appreciation for the need of child care services, particularly for teenage mothers who choose to drop out of school to care for their children. He said he would like to encourage teenage mothers to complete their education and find a good job.

Cottingham (NDP): The NDP are proposing to create 50,000 new child care spaces per year reaching 200,000 new spaces by 1992. A non-profit, flexible and accountable program modelled under the Canada Health Act is necessary says Cottingham.

Ferri (CHP): "It is a complex issue. The family is the basic unit of society. All legislation should support the family. Parents should have the choice of how their children are cared for," she said. Ferri says the government should desgin a tax reform program that would accord parents freedom in raising their children. "Give an equal choice," she said. "Now the incentive is to go out and work." She said child care services should be controlled by parents, not by the government.

On Housing:

McTeer (PC): She believes housing is best made affordable by following the federal Conservative's present economic policy, low inflation and a healthy job market.

Bellemare (Liberal): He feels the Liberal's $1 billion housing tax rebate proposal is feasible. "Tax rebates are essential," stated Bellemare.

Cottingham (NDP): He said he has noted a fair amount of dismay from the public towards the government for not using land considered suitable for prime housing, such as Lebreton Flats. Cottingham said he wants a fairer and less restrictive government policy which would result in land being made available more quickly.

Ferri (CHP): She feels giving tax credits is a good idea but adds she doesn't believe the Liberal "promises on housing will be kept. There is no fiscal reality. They are in the business of trying to buy off the voters instead of offering leadership," she said.

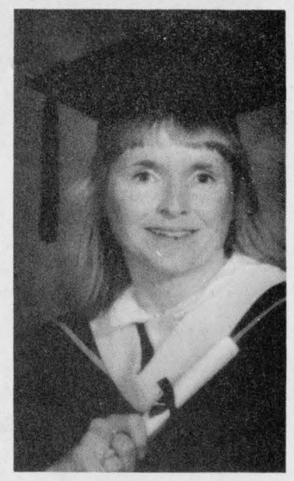
On Local Issues:

McTeer (PC): She sees the national issues of free trade, child care and the environment as very large local issues in Carleton-Gloucester. She said the farming community has expressed its concerns towards free trade.

Bellemare (Liberal): He believes the environment is a large issue in the riding. The government should be prepared to pay its share towards the pollution control plant being built in here and not leave the burden on Carleton-Gloucester taxpayers. The cost of the plant should be spread to all the users, Bellemare suggests.

Cottingham (NDP): He criticizes the National Capital Commission (NCC) for having "no land use policy." He said he would like to see the federal government offer assistance to improve municipalities infrastructures — roads and sewers, for example. He wants to see rural areas receive proper post office service. Cottingham said post offices in rural areas should be considered an essential service and should not be measured on the scale of a business trying to make a profit.

Ferri (CHP): The government must ensure that the farmers in this area are not adversely affected by free trade.



Cathy Summers

David and Doreen Summers are pleased to announce the graduation of their daughter, Cathy, from Carleton University in Ottawa on June 10, 1988.

Cathy graduated with her Bachelor of Arts degree in Law/Sociology with concentration in criminology.

Winchester Public girls claim third consecutive championship

WINCHESTER — Overtime goals by Tanya Williams and Carrie Nolan, who scored into an empty net, lifted the Winchester Public School Hawks to a two-nil win over Nationview Reds here last Thursday.

The 2-0 decision handed Winchester its third consecutive Dundas County junior girls' public school championship and its eighth title in the last 10 years.

A new entry in the annual fall competition, Iroquois' St. Cecilia's, emerged as the B Pool champion. The girls in green nipped Morrisburg one-nil in an exciting sudden-death overtime showdown.

This year's competition attracted a record number of teams as 11 sides took part.

Four teams won their first two games and qualified for the A Pool playdowns. Winchester blanked Morewood three-nil and St. Cecilia's two-nil. Dixons Corners defeated Inkerman Rockets 2-1 and St. Cecilia's 1-0. Nationview edged Morrisburg one-nil and St. Mary's one-nil. Chesterville Blues also qualified for the A Pool, defeating Morewood 2-1 and battling Elma Maroons to a scoreless draw.

Other first round scores - Inkerman nipped Iroquois one-nil, Morrisburg got by Elma 1-0 and St. Mary's held Iroquois to a 0-0 tie.

In A Pool semi-final play, Winchester doubled Dixons Corners 2-1 and Nationview slipped by Chesterville Blues one-nil in an exciting overtime decision.

Winchester then defeated Nationview two-nil on goals by Tanya Williams and Carrie Nolan to claim their school's third straight junior girls' championship.

B POOL FINAL

St. Cecilia's took the B Pool championship defeating Morrisburg one-nil in sudden-death overtime.

They drew a quarter-final round bye and then advanced to the B final by eliminating Morewood one-nil in semi-final play.

Morrisburg edged St. Mary's one-nil in its quarter-final game and ousted Elma in three periods of overtime to make the final game.

Elma advanced to the semi-final round by virtue of a one-nil decision over the Inkerman Public School Rockets.

The Chase

Winchester's Carrie Nolan and two Nationview Reds chased down the ball during last Thursday's junior girls championship game here at WPS. Nolan and teammate Tania Williams scored overtime goals as WPS won its third straight Dundas title with a two-nil decision over their South Mountain counterparts.

Press Photo—Van Bridger

Stampville collects senior soccer trophy

MORRISBURG — Stampville's A team was unbeatable here last Thursday as they ran to the 1988 Dundas County senior girls' public school soccer championship.

The red, white and black, squad won its first two matches handily, battled Morrisburg's Green Team to a 1-1 draw and qualified for the championship contest with five of a possible six points.

They confronted Nationview Reds in the championship test and squeezed out a dramatic one-nil, overtime, victory.

Nationview coach George Hollingdrake said that his team had plenty of shots and opportunites to win the game but couldn't score. He noted Stampville made good on their best chance and won the game.

The coach felt it was good for the tournament that Stampville, just reentering the event after a long absence, won the championship.

Stampville kicked off the event, blanking Maple Ridge's B team three-nil. They then posted the same 3-0 result in a game against Maple Ridge's A team. Morrisburg then held the runaway division-leaders to a 1-1 draw.

Nationview's A team also qualified for the championship match earning five of a possible six points.

Nationview fought Stampville's B team to a scoreless draw in the first match. They then tripped up their school's B team one- nil before posting another shutout. In game three Nationview remained unscored upon, whitewashing St. Cecilia's two-nil.

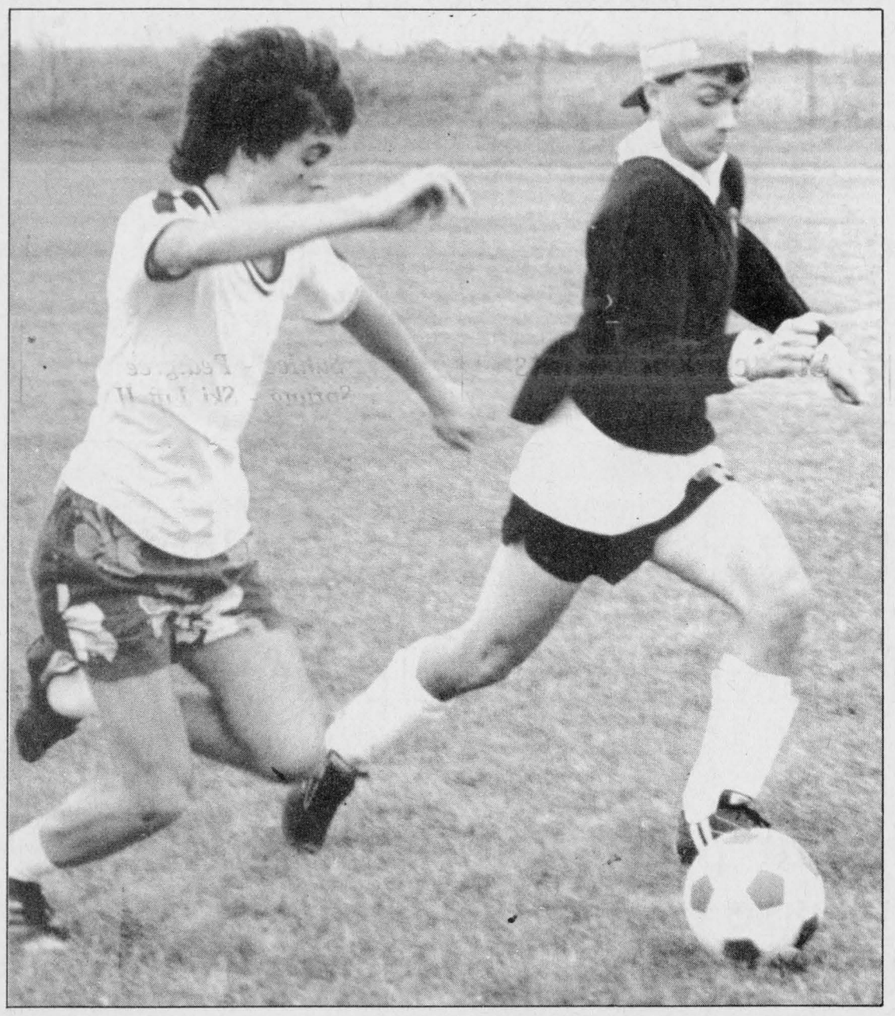
Stampville A finished first in its division with five points. Nationview A matched that total in its section. The other schools finished in the following order: Morrisburg, 3- Maple Ridge A, 3; Nationview B, 3-St. Cecilia, 3; Stampville, 2 and Maple Ridge, 1.

TOURNEY SCORES

Field No. One: Nat. B, 1 - St. Cec. 0; Stamp B, 0 - Nat. A, 0; St. Cec., 2 - Stamp. B, 0; Nat. A, 1 - Nat. B, 0; Nat. B, 0 - Stamp. B, 0;, Nat. A, 2 - St. Cec., 0.

Field No. Two: M.R. A, 1 - Morris., 0; Stamp. A, 3 - M.R. B, 0; Stamp. A, 3 - M.R. A, 0; Morris., 1 - M.R. B, 0; Morris., 1 - Stamp. A, 1; M.R. A, 0 - M.R. B, 0.

Championship match: Stampville A, 1 - Nationview A, 0 in overtime.



Last gasp

North Dundas' junior soccer team put up a solid effort here at NDDHS Monday afternoon but were eliminated by the CCVS Raiders who ran to a three-nil semi-final victory over the Devils. Devils' outside-forward Willy O'Connor and a Raider duelled for the ball on this play.

Press Photo—Van Bridger

Rebs spoil opener, Hawks gain on road

WINCHESTER — Friday night the Char-Lan Rebels waited patiently as the Winchester Hawks put on their impressive (LA Kings-style) opening ceremonies.

They watched as the new Hawks' lineup was introduced enthusiastically by MC Joel Steele. They saw the players skate on through the black lights and fog, listened as the national athem was sung and all applauded politely as reeves, Keith Fawcett, Larry Grey and Gerry Holmes joined Winchester Centennial Committee chairpersons Harry Keyes and Shirley Fawcett dropped five ceremonial pucks.

The Char-Lan Rebels then took 2-1 and 5-1 leads as they appeared headed to completely ruin the 1988-89 Hawks' home opener.

But the new-look Hawks stormed back in period three, closed the gap to a 5-4 final margin and, but for a couple of big saves by Rebel rookie Phil Poitras in the dying moments, almost successfully completed an exciting opener.

A host of missed scoring opportunites by Winchester and a goal which was orginally disallowed by the referee but then given back to Char-Lan, figured in the 5-4 decision, the Hawks' third loss in three starts.

Sunday night in Kemptville, the Hawks held 3-0, 5-3 and 6-4 leads on the host 73's and settled for their first point of the season after the contest ended in a 6-6 tie.

Hawks' coach Bill Murphy says he was pleased with the effort his players gave in both games. He noted it would've been great to win Friday's opener but the comeback effort the club came up with against a veteran team, sparked his enthusiasm.

"I'm really pleased with the effort. Friday's opening ceremonies were very impressive, a win would've finished it off nicely but I think the fans saw from their play that the players tried to pull the win out."

In both contests the coach says his team tired in the later stages and says their fast-paced attack has taken a toll on three lines. With another line on the injury list, but almost ready to return, he figures to remedy that little problem.

With four lines taking it to the opposition, the coach says the Hawks will be a handfull for their opponents.

Sunday Murphy said Kemptville couldn't contain the Hawks in the first period as Winchester built up a 3-0 first-period lead. He said the 73's then started to really rough it up and pulled to within a goal at 5-4 after 40 minutes.

"Their (Kemptville) last goal was a garbage goal. We just got tired, got hemmed in and couldn't make any changes. Our young defence committed some mistakes but the effort was there."

He continued by saying, "We are really progressing as a team. The kids are showing lots of heart and talent, it's just a matter of playing as a team."

This coming weekend the Hawks host the Rideau Division Athens Aeros here Friday night and then travel to Morrisburg on Sunday afternoon (Oct. 23, 2:30pm) to meet the Lions.

BIG THIRD PERIOD

Here Friday night the Rebels took an early first-period lead on goals by Jamie Latreille, who scored 26 seconds after the puck was dropped, and Trevor Bowles who connected at 14:23.

Rookie Dan Vajcovec, late cut of the Smiths Falls Bears, cut it to 2-1 scoring his first of two goals before the period was over. Finch native Chad Brownlee, who was with both the OHL's Cornwall Royals and Kanata Valley Lazers this fall, and Hawks' scoring leader Steve Regan set up the goal.

Rebels' Kevin Poapst, Mathieu Germain and Daryl Menard gave their club a 5-1 lead after two periods.

Winchester outscored their visitors 3-0 in period three as both their goalie, Marc Juneau and Rebs' Phillip Poitras, pulled off some amazing stops. The Hawks were outshot 16-11 in the final frame but Juneau held the fort while his mates rallied.

Chad Brownlee blasted in his fourth goal in as many games, at 14:23 to make it a 5-2 game. Vajcovec and Regan drew the asissts.

Regan then netted his third, scoring from captain Don Larocque and Brownlee at 12:23.

Vajcovec closed the final gap to 5-4, hitting from Shawn Young at 10:50.

SIX-ALL DRAW

Sunday in Kemptville the Hawks led the 73's 3-0 after a period and 5-4 after two but Kevin Tallman scored with 2:32 left and Barry Murray with 58 seconds remaining to give the home team a 6-6 tie.

Francois Villeneuve, a six foot 210 pounder, netted two Hawks' goals. Eric Gendron scored his first on one of his wicked slapshots. Derek Austin, Shawn Young and Steve Regan rounded it out with a goal each.

Chris Williams, who the coach considers the team's best backchecker, drew three assists. Shawn Young collected two helpers in a three-point effort. Don Larocque, Dan Vajcovec, newcomer Derick Deschenes (draft pick of the OHL's North Bay Centennials) and Chad Brownlee all helped out once.

Marc Juneau again played nets as Dave Monsour remained sidelined due to illness.

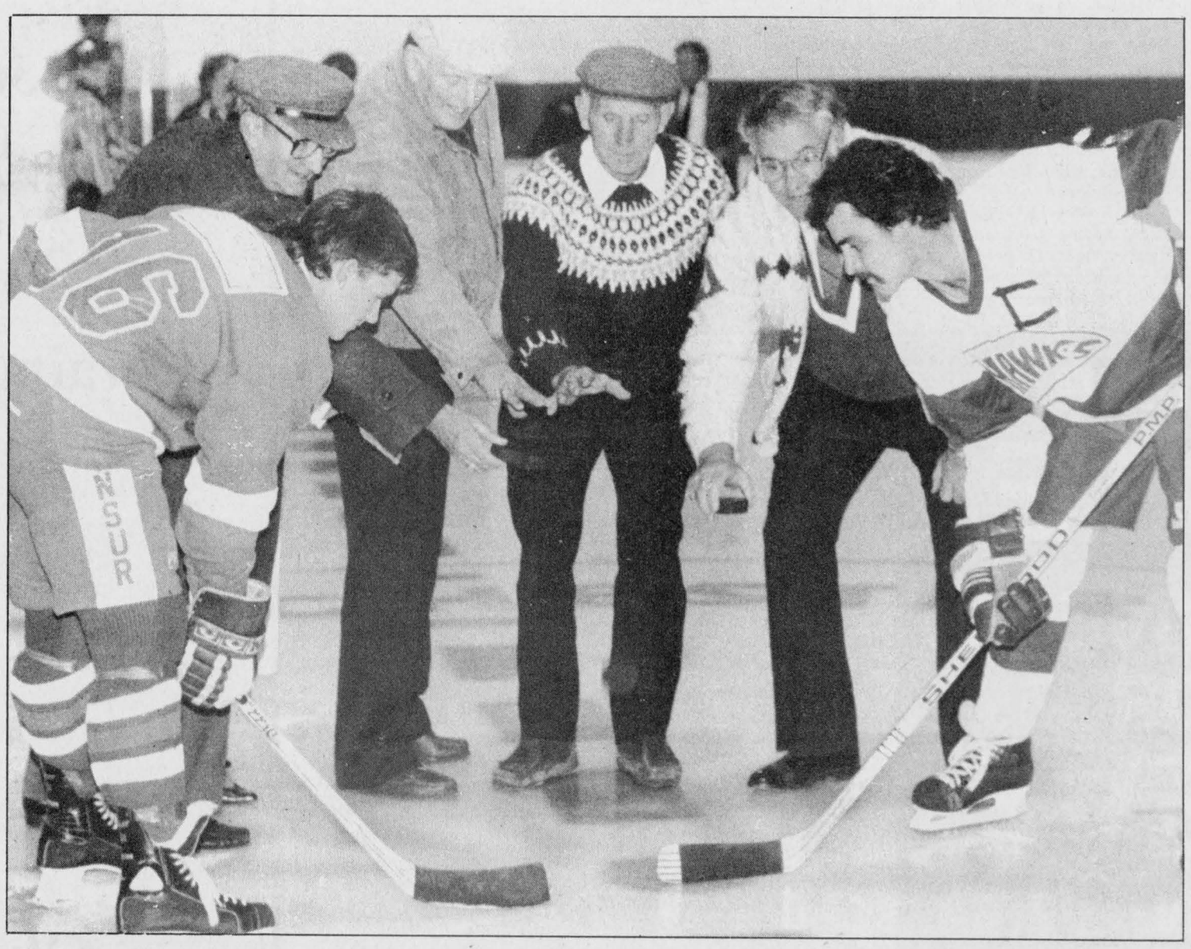
Kevin Tallman led the 73's with two goals and two assists. Barry Murray and Darren Sloboda with a pair completed the scoring. Jason Quensel picked up three assists.

HAWKS HAPPENINGS

Scott Barkley rested his injured shoulder over the weekend joining Dave Monsour, Chris Holland, Jason Doucett, Kirk Barkley, Dolton Henry and Jeff Egan on the sidelines.

Defenceman Derick Deschenes and the hard-shooting Eric Gendron, both of Cornwall, played their first two games with the Hawks over the weekend.

Steve Regan leads the Hawks in scoring with nine points in four games. Chad Brownlee is number two with four goals and as many assists. Dan Vajcovec is third with six points.



Political pucksters

With elections approaching, Winchester Hawks hockey club officials felt local politicians should perform the opening face-off Friday night. Centennial committee chairpersons Harry Keyes and Shirley Fawcett joined Mountain Township reeve Keith Fawcett, Winchester Township reeve Gerald Holmes and village reeve Larry Gray in opening the Junior B season. Rebel captain Kevin Poapst and Hawks' Don Larocque represented their teams.

CCVS Raiders eliminate host, ruin Junior Devils' best season

MAPLE RIDGE — CCVS Raiders halted North Dundas Devils' best junior season in a decade here Monday afternoon, eliminating the host team by a three-nil score in an SD&G junior boys soccer semi-final match.

Last Thursday in Ingleside the Junior Devils posted a slim one-nil victory over the Rothwell-Osnabruck Lancers to complete their season with a win-loss ratio of five to two. That record left them as the number one team in their division and in a semi- final contest against the CCVS Raiders, number two in their division.

Coach Phil Plumb described his junior team's first place finish as, "the best year in something like eight or 10 for the juniors."

The pennant-clinching 1-0 win over R-O was described by the Devils' coach as a very close game played on a very sloppy, wet field.

Trent Antille booted home the game-winning goal in his team's final victory of this season.

Here at NDDHS, Monday the Devils were held to a stand- still in the opening half, unable to get any offence generated. They surrendered a one-nil lead to CCVS when Troy Gadbois collected a Corey VanDelst rebound and booted it home just before the half. VanDelst made a nice stop on the first drive but the hard shot rebounded off his shins right back out to Gadbois who didn't miss the opportunity.

North Dundas' outside right Willy O'Connor ripped a long drive inches wide of the Raider net moments later but just missed tying the game up. Gary Streng then blasted a low shot from directly in front of the net but was thwarted on his attempt by a good save.

North Dundas dominated the second half and just missed golden scoring chances by Paul Melenhorst, Trent Antille, Scot Bell and Willy O'Connor.

CCVS closed it out, scoring twice late in the half. Gadbois hit for his second for a two-nil lead and then Tim Daird jumped on a loose ball in the goal area and made it a 3-0 final as time ran down.

Coach Plumb and his troops gave the Raiders a run for their money but just couldn't find the net.

"Well it was a good effort, we just lack some scoring expertise," the coach said.

North Dundas' Senior Devils finished the campaign with a record of one win and six losses, dropping 3-1 and 5-0 decisions to R-O and the Glengarry Gaels. The Juniors also lost on Oct. 11 in Alexandria, dropping a 2-0 decision to the Gaels.

Devils blast Saints 15-0

MAPLE RIDGE — North Dundas Devils senior boys volleyball team picked up their first win of the season here Thursday (Oct. 13) salvaging the third game of their three-game set against SD&G's traditional volleyball powers, St. Lawrence Saints, winning 15-0.

Saints took the first game of the set 15-3 and followed that up with a 15-2 romp in set two.

Teams are awarded one point for each game they win, with points totalled up over the season to determine playoff-bound teams.

Senior Devils lost all three games of their match against General Vanier Vikings, also played at North Dundas' gym Thursday. Vickings swept the contest by scores of 15-4, 15-4, and 15-5.

Senior Devils are now 1-11 on the year and were in action Tuesday (Oct. 18) at Glengarry High School as regular season competition continues.

St. Lawrence Senior Saints handled Vikings in all three games when they met up, winning by scores of 15-7, 15-10 and 15-10.

Dundas juniors didn't fare any better than the seniors did, dropping all six games they played.

General Vanier handled the little Devils 15-10, 15-2 and 15-8 while St. Lawrence Saints were also able to sweep the home side.

Junior Devils are now 0-12 on the season.

St. Lawrence compiled a perfect 6-0 record on the day by virtue of their three-game sweep over General Vanier. Saints took the Vikings 15-2, 15-9 and 15-11.

Junior C Flyers ready to take off

CHESTERVILLE — An anxious Junior C Flyers' head coach Kirk Anderson will have to wait another week before he steps behind the Chesterville bench and gets his first taste of EOJCHL regular-season action.

Flyers were grounded Sunday when their home- and season-opener against Russell Lions at the arena was cancelled because Chesterville player cards were not stamped by the league office in time.

"I wish we could have played Russell today, they're probably similar in calibre to us and it would have been a good test for the team," said Anderson Sunday, as he oversaw what had become a Flyers' intersquad practice.

Flyers will now open on the road this Friday night (Oct. 21) in Embrun and face the 72's.

"We weren't quite ready on time," said Flyers' president Tom Van Dellen. "The way things have been going the last couple of weeks, having a team one minute, not having it the next, we just didn't have time to get organized and ready to go."

Van Dellen was to deliver player cards to the league office in Embrun Monday.

"They're all signed now," continued Van Dellen. "But during the week, we didn't have enough kids to go anywhere. You've got to have at least 11 kids to go out on the ice, that's a league rule.

"We weren't in a position earlier in the week to have all the cards signed, so by the time Saturday came along, the league office was closed."

But with four lines and four defencemen showing up Sunday, Van Dellen says the club's pre-season dilemma of not having enough players to form a team appears to have been solved. "We're still signing up kids today (Sunday)", Van Dellen reported. "Some of them came home from college on the weekend, so they'll play every weekend game. It's coming along well. We're getting players from here and there, but most of them are local boys.

"There's always players dropped from other teams that we might be able to sign up, so it looks pretty good. We had a good practice today, which we needed badly because we haven't had that many practices so far this season."

Anderson, as well, liked what he saw Sunday. "The kids are skating hard, they're playing with heart. The directors have worked hard to get the team going, and we'll just have to wait and see what happens once we get on the ice."

He says the only pre-season goal he has set is for his club to earn a playoff spot, something that eluded the Flyers a year ago. "We've got Jerrold Boulanger returning as our overage player, and Kevin and Ken Byers are both playing. We should be all right. At this point I'm looking at trying to make the playoffs."

Anderson doesn't know if last year's captain John Guy will be returning to the club.

Chesterville will open at home Sunday (Oct. 23) when the North Stormont 86's pay a 1pm visit to the arena.

Flyers' season opener in Embrun Friday is an 8:30pm start.

Of the club's 19 scheduled regular season home dates, 12 are on Fridays, seven on Sundays.

All Friday night games, with the exception of Dec. 23, Dec. 30 and Feb. 3 are 9pm starts. Games on those three days get under way at 8pm.

Flyers' Sunday games are all 1pm starts.

Centennials take consolation

ATHENS — The newly-formed Winchester Centennials (30 years and over) hockey club walked away with the consolation prize here Sunday, winning two of three games in its first-ever tournament.

Bob Peddle (who joined the Centennials from the Harvex Huslers for the event) handed Winchester the consolation championship when he scored the game-winning goal in an overtime shoot-out. Winchester edged Athens 4-3 in the shoot-out after the teams had skated to a 3-3 regulation-time draw and played through two overtime periods.

Dan Lecours, Bob Peddle and Ken Quaile scored Winchester's regulation-time markers. Harvex's Kevin Baldwin tended nets for the Centennials.

Earl (Mr. Rogers) McBean was deemed B division MVP for his fine play.

Winchester lost its opening game here in Sunday's Athens' Old Brewers-sponsored event. The Athens' Red Wings nipped the Cents 7-5. Don Griffith, Earl McBean, Reg Hyndman, Ken Quaile and Dan Lecours hit for Winchester's goals.

In round two the Centennials got a strong game from Kevin Baldwin who surrendered a single goal in a 6-1 win over Brockville. Bob Peddle and Dan Lecours led the offence scoring two goals each. John KleinSwormink and Earl McBean notched single goals.

That victory set up the consolation, overtime shoot-out, victory over Athens.

Titans edge midget Royals

CARP — The Cornwall-Seaway Valley Royals launched its first ODMHA Midget AA season here Saturday night dropping an 8-6 decision to the host Ottawa Valley Titans.

Winchester's Scot Bell handed the Royals an early 1-0 lead but his team had to scramble back from 4-1 and 8-4 deficits before finally emerging on the short end of the 8-6 final.

Coach Ray Barnes was happy with the effort his team came up with in just its second game situation (one exhibtion game) and worked on defensive shortcomings the team had displayed in the loss during a Sunday practice.

Denis St. Jean led the Royals with a two-goal effort. Scot Bell had a goal and one assist while John Bellefeuille, Jason Palmer and Craig Villeneuve added single goals.

Palmer, Jason Warner, Dave Lavergne, Andrew Adams and Chris Van Bridger assisted on goals.

Five North Dundas District Minor Hockey Association players are members of the Royals — Bryan Helmer, Scot Bell, Dennis Ouellette, Chris Van Bridger and Derek Brannan.

The Royals hit high gear this week playing Gatineau, Nepean Raiders, South Ottawa Canadians and the Hull Olympics in its first full week of play.

HEALTHY LIVING

Hunters beware

As each new hunting season approaches, safety authorities start preparing for the bad news: the new toll of victims who will fall prey to their own sport. While hunters prepare with enthusiasm for a sport that challenges their skills and invigorates their senses, families of hunters, farmers, safety authorities and health specialists wait with fear and anxiety.

In their brief encounter with nature, untrained hunters do more damage to property and health than they do to prey. As they stalk the elusive reward, little is safe. Everything and anything that walks, makes a noise or merely exists is subject to being shot. That includes other hunters, domestic animals, the sides of barns, billboards — and even the hunter himself — self-inflicted.

There's nothing profound about these risks in that safety authorities have been bringing hunters' attention to them for years — without too much success.

But there are other risks not quite so obvious that should be noted strongly. And they have nothing to do with a gun. The weapon is the hunter himself. Many hunters wait all year for the opportunity to get out in the woods. Then in one weekend, they will walk, run, and strain themselves physically more than they have done all year. They will climb fences, camp out on the hard, cold ground, walk through cold water and hot sun. They will lie in awkward positions for hours, stretch and strain as they load, reload and take the brunt of recoil from their guns. They'll return home dragging more than their rifles behind them and be 'shot' physically for at least the rest of the season with bad backs... or even worse!

The doctor of chiropractic is a health specialist in the treatment of back problems and related disorders of the spine and nervous system.

Remember that most accidents are the result of personal carelessness.

The best safeguard is your own physical and visual ability. Have frequent health checkups. A chiropractic spinal examination should be included periodically to make certain there are no musculoskeletal or neurological problems.

Health and safety authorities want you to enjoy hunting and to come home safe and healthy.

These health views are published by members of the Ontario Chiropractic Association in the interest of better public health.

Fling powers Juniors to second straight win

CORNWALL — Debbie Fling dropped in seven half-points here last Thursday, helping the visiting North Dundas District High School Devils to its second straight SD&G junior girls' basketball league victory.

The Devils were coming off an exciting 21-10 victory. Debbie Fling had the winning point in that game, over CCVS and now sports a two-win, one-loss record after three matches.

The same afternoon here at La Citadelle the senior girls from NDDHS lost its third straight game, losing 49-40 to the Patriotes.

Junior Devils' coach Gerry Jean was very happy with his young squad's second victory in three starts saying, "It was great, the girls are very bright and have learned quickly, and because we've had very little practice time they've learned under game conditions."

"I told them before the game that they would have to play it smart because they (Patriotes) were an experienced team and we couldn't match them in that department. The girls listened and they won."

La Citadelle led 2-0 after a very cautious first quarter but the Devils started finding the range in the second period and pulled away by a 12-7 margin at the half.

Shealyn Summers led the first-half charge with a pair of field goals. Debbie Fling, Marilyn Wade, Brenda Koekkoek and Angelique Cardinal hit for two points each.

North Dundas enlarged its lead to 28-9 at three-quarter time and held on for a 32-20 decision.

Debbie Fling led the winners with nine points. Shealyn Summers hooped eight, Brenda Koekkoek seven, Marilyn Wade six and Angelique Cardinal two points.

Chantal Tardiff led the Patriotes with six points.

SENIORS DROP THIRD

North Dundas trailed La Citadelle by 18 and battled back to get within four points, but wound up on the short end of a nine point, 49-40, loss.

Senior Devils' coach Deanna Corbett felt her team played, "okay. We had a super fourth quarter being down by 18 and getting back to within four points, but we started to get tired and began throwing the ball away. The other team had more experience in the later stages."

Coach Corbett, who joined the NDDHS staff after teaching and coaching last year at CCVS, explained her new team almost defeated St. Lawrence and were with out top players Rose Rombough and Connie Armstrong in a big loss to CCVS.

In the latest outing she felt La Citadelle played extremely well to score 49 points and possibly wouldn't match that output again. She was without top scorer Rose Rombough for a second straight game and feels lack of game experience, in latter stages, was a factor in loss number three.

Connie Armstrong hit for a team-high 14 points. Jenny Lamb was number two Devil with nine points. Stacey Berry nailed eight, Vicki Gryspeerdt five and Megan Furuness two points.

Lysanne Bazinet topped the Patriotes' scoring parade with 11.

North Dundas will host the Glengarry Gaels in its next home game on Wed., Oct. 26.

Metcalfe's Ransome nets three

CUMBERLAND — Leslie Ransome scored three of her team's six goals and assisted on a fourth, as Metcalfe's Junior B Ringette squad evened its National Capital Region record at a win and a loss.

Metcalfe opened at home, losing a tight 2-1 decision to Gatineau and then evened things up with their 6-2 road win over Cumberland on Saturday.

Virginia McCooeye, Carrie Lauder and Casey Lawrence anchored the defence and Samantha Smyth played solidly between the pipes but Metcalfe had to settle for a 2-1 loss to Gatineau. Gatineau hit for a 1-0 lead at 4:48 of the first half and went up 2-0 at 8:09 of the second period. Daphne Belleville netted Metcalfe's lone goal, scoring from Joanne Korteweg with 4:33 left in the game.

Metcalfe came up with a solid effort for first-time goalie Virginia McCooeye in their game in Cumberland.

Leslie Ransome opened the scoring and then potted Metcalfe's final two goals as their jumped into a 6-0 lead with just 3:23 left to play in the game. Melanie Leroux fired in two and Gayle Dillabaugh scored the other goal. Cumberland finally beat McCooeye, scoring with 1:59 and 17 seconds left.

Kim MacDonald (2), Leslie Ransome, Melanie Leroux, Gayle Dillabaugh, Joanne Korteweg and Daphne Belleville all earned assists.

The Juniors will host Nepean Tween A in a game at the Metcalfe arena tonight (Wed., Oct. 19).

Three time champs

Dundas County's junior girls soccer championship trophy remained in the Winchester Public School trophy case this year. The Hawks captured the silverware for the third straight year and for the eighth time in 10 seasons last week. The 1988 champs are front, left to right, Robyn Scott, Angela Turner, Tania Williams, Carrie Nolan, Jennifer Zubatuk, Andrea Sharkey, Lisa Helmer, Kristen Casselman, Jennifer Holmes. Back, left to right, Megan Arsenault, Mindy Holmes, Tanya Wicks, Jada McNaughton, Erin Ouellette, Kelly McLennon, Wendy Stewart, Jennifer Castle.

Royals continue winning ways

CORNWALL — Sooter Photo Royals continued their winning ways in Minor Bantam "AA" weekend action giving them a 4-0 record in league play.

In Saturday's contest played at the Cornwall Civic Complex, the Royals came out on top with a 3-0 victory over Gatineau. A first period goal by Luke Murray, assisted by Todd Walker and Corey Maxom proved to be the winner.

Royals extended their lead late in the second with an unassisted goal by Greg Esdale. Todd Walker's goal midway through the third, assisted by Greg Esdale and Corey Maxom put the game out of reach.

Yves Leger picked up the shutout stopping 12 Gatineau shots, while his teammates fired 24 pucks at the Gatineau goal.

In Sunday's action against Ottawa West at the Barbara Ann Scott arena, Sooter Photo Royals emerged with a 3-2 victory in a fast, hard hitting game.

Royals opened the scoring in a first period goal by Geoff Hare, assisted by Trevor Thompson and Matt Gordon and extended their lead early in the second on a short-handed goal by North Dundas' Matt Gordon assisted by Greg Esdale.

Ottawa stormed back on power-play goals by E. Malandra and T. Mallett late in the second and early third, to tie the score at 2.

Greg Esdale scored the winner, a shorthanded effort assisted by Trevor Thompson and Corey Maxom midway in the third period.

Royals outshot their opponents 21-20 in the contest, getting a strong effort from goaltender Trevor MacMillan in earning the victory.

Royals' next home game is Sat., Oct. 22, at the Civic Complex with Ottawa Valley as the opposition.

Mondoux scores seven in 13-1 ringette match

OSGOODE — Carrie Mondoux scored seven times and drew an assist helping Metcalfe to a one-sided National Capital Region Petite A Ringette League victory over Gatineau here Saturday.

Metcalfe's Petite C squad also came up with a good effort in its first game, battling Blackburn to a 7-7 draw the same day at the Potvin Arena.

Kelly Walsh scored twice, with 16 and two seconds left in the game, to bring Blackburn back from a late 7-5 deficit for a 7-7 tie with Metcalfe.

Metcalfe led 2-1 at the half and was up 7-5 with 35 seconds left in the game when some defensive lapses cost them their win.

Paula Robertson, her sister Sarah and Melissa Ford all scored twice for Metcalfe. Kari Acres snapped in the other marker. Paula Robertson also collected three assists while Acres and Connie Benson picked up one assist each.

Carrie Mondoux scored seven times for the Petite As in its 13-1 win over Gatineau.

Stephanie Cooper and Jennifer Prescott scored two each. Becky Service and Marissa Johnson each scored singles.

Stephanie Cooper earned five assists. Erin Lachance set up four goals while Jennifer Prescott and Kim Nesbitt engineered two each. Carrie Mondoux, Becky Service, Marissa Johnson and Amanda Lauder each picked up one assist.

Crystal Wicher and Amy Nesbitt shared the goaltending duties.

The Petite As travel to Orleans and Clarence Creek for games this week. The Cs will host Orleans in Russell this Sun., Oct. 23 at 6pm.

TWO LOCAL BOYS WORTH WATCHING

It's great to have an interest in hockey and when you have two local boys playing, it adds greatly to your interest. Young Doug Armstrong is at the beginning of what should develop into an illustrious career as a goal scorer. At the tender age of 15, Doug was the first-draft choice from the Central Jr. A summer draft and was picked up by the Smiths Falls Bears. Doug had a great training camp and scored nine points in only two games, and although playing injured, he scored one of the Bear's three goals in their last game. Doug is being closely scouted by more than one big U.S. college team and at the moment, plans to combine hockey with an education and he is just the type of kid who will make it down the road. Terry Carkner, on the other hand, is starting his third year in the NHL and appears to have found a home in Philadelphia. Terry is a big boy and although only 22, he is a force to be reckoned with. The Flyers are still the only undefeated team in this new season and Terry has been a big part of their recent success with four points in only four games. Terry started his NHL career with the Rangers and although Esposito was high on Terry, he did not hit it off with Terry's agent and Terry went to Quebec, but he was not happy there and was never signed to a contract. This summer, the big defenceman was traded to Philadelphia and from the moment he arrived at the family-owned team, he was aware that he had found his team. Under the leadership of Bobby Clark, we know that the youngster will get a fair break and with lots of ice time he will develop into a good one. Sure is great to see two boys that you have watched from their first day on skates doing well and we know that both boys have a great future for us all to watch and share in the pride.

HAWKS STILL LOOKING FOR THEIR FIRST WIN

The Hawks still have six key players injured, but in spite of this setback, they had two good close encounters on the weekend. On Friday night they lost a close one to Char-Lan by only one goal and on Sunday night, they tied Kemptville on the 73's home ice. Hopefully some of the injured players will be on hand this weekend when the Hawks meet Athens here on Friday night and journey to Morrisburg to take on the Lions on Sunday. This just may be the weekend to break into the win column and, with a full team, we will win our share. Game time is 8pm on Friday. Come out and see the team in action; a good cheering section is a big help and you will see a good game.

TWO PARTIES THIS WEEKEND

Two parties are again planned for the coming weekend so there will be dancing for the dance crowd. On Friday night, the friends of Joe Roughton and Jackie Verspeek honor the young couple with dancing from 9pm till 1am. On Saturday night, Loretta McIntosh and Greg VanDellen will be the guests of honor. Both parties require age of majority on request.

The prize

Hunters from left to right, Tim Wade, Orton Robinson, Glen Wade, Gary Robinson and Harvey Armstrong brought this five-year-old moose back from their hunting trip in the Kenora District. Armstrong, who shot the moose, estimated the animals weight between 1,200 and 1,400 pounds.

Press Photo—Day

24 teams bring in curling club season at Swing n' Sweep

WINCHESTER — This year's Winchester Curling Club season started off with a new, and very popular event. The same competition also signalled the conclusion of the year at the Cedar Glen Golf Club.

Saturday's near-perfect weather enabled 24 teams, 96 people, to take part in the first annual Swing N' Sweep, an event which combined nine holes of golf and eight ends of curling. The brain child of Brad Mayhew, a member of both WCC and CGGC was termed a complete success.

Organizing committee member Helen Hyndman reported the day, which included both lunch and supper for participants, was open to top members of both clubs and attracted a full house.

"The weather Saturday was perfect. Everything went extremely well and we were all very pleased", she explained.

She added that everyone involved is hoping Swing N' Sweep will become an annual event.

The team of Mac and Stella MacGregor, John Falsetto and Cindy Summers claimed the Cedar Glen Overall Championship trophy.

Brad Mayhew, Helen Hyndman, Dan and Linda DeSerres teamed up and won the Golf championship.

The Curling champions were: Brent and Nicole Copeland, Al and Janet LaPierre.

Winchester Curling Club will host its annual Fun 'spiel this Sat., Oct.22. The day includes a six-end game and the Opening Day Party which will be held in the clubroom during the evening.

Late registration will also be taken this Saturday for those who missed the three evenings held during the first of the week.

Curling will begin with the opening draws on Oct. 26.

Royals complete tilt

CORNWALL — Cornwall-Seaway Valley Sooter Photo Royals "AA" Minor Bantams have just completed a three-game exhibition series in preparation for the upcoming season in the Ottawa District "AA" Hockey League.

The team is composed of players selected from the Alexandria, Char-Lan, Cornwall, South Stormont, Morrisburg, Winchester, and Prescott-Grenville Minor Hockey Associations in District 2 of the Ottawa Valley League.

Their first game against Cumberland played in Navan, resulted in an impressive 6-3 win for Sooter Photo Royals.

Goals scorers for Sooter were Todd Walker with a hat trick, and singles added by Trevor Thompson, Robbie Damanko, and Shawn Hummel.

Fifty-seven penalty minutes were handed out with Sooter Photo Royals receiving 33 minutes.

Game 2 of the exhibition series was played against Ottawa West, with Sooter outscoring the opposition by a loopsided 8-1 score.

Geoff Hare led the way with two goals, and singles were collected by Greg Esdale, Robbie Damanko, Patrick Compeau, Todd Walker, Matt Gordon (former Winchester and North Dundas player) and Travis Froats.

A total of 48 penalty minutes were handed out during the contest with Sooter only collecting 20 minutes.

Game 3 against the Nepean Raiders in Maxville ended in a heartbreaker with Sooter Photo Royals dropping a narrow 7-6 decision to the Raiders.

Sooter battled back from a three-goal deficit at the end of the first period to tie the score at four all in the second, with the Raiders going ahead by three goals late in the second and third period. Sooter fought back hard with two more goals in the third, but were unable to find the equalizer.

Adding singles for Sooter Photo Royals were Todd Walker, Travis Duhaime, Travis Froats, Jordan Hart, Cory Maxam, and Geoff Hare.

A total of 26 minutes in penalities were handed out during the game.

Goaltending for all three games were shared by Yves Leger and Trevor McMillan.

Hunting success

A trip to Northwestern Ontario resulted in a bull, cow and calf that were bagged Oct. 10, 11 and 12 for this group who have hunted together for 20 years. From left to right are: Doug Merkley, Roy Hansma, Dwayne Guy, Bob Dawson, Dwaine Armstrong and Robert Merkley. Absent from the photo are Glen Hess and Emerson McNaughton.

Winchester broomball winners post shutouts

WINCHESTER — Three of Sunday's four winners posted shutouts as teams in the Winchester and District Broomball League made more distinction between the circuit's A and B Pools.

Undefeated and defending champion Dunbar, ripped-up winless Newington 10-0. Morewood Vikings scuttled the Prescott Road Knights 3-0 and the Ormond Cloverdales whitewashed Winchester Raiders 5-0.

Russell's Magnum Force surrendered the lone goal of the evening defeating Toyes Hill Roadrunners 3-1.

Dunbar leads the A Pool with eight points, Morewood has six while both Russell's Magnum Force and Ormond Cloverdales have five points each.

In the B Pool it's Prescott Road with four, Toyes Hill with four, Winchester with two and Newington stuck at zero.

Dunbar Panthers opened Sunday's four-game card, pounding Newington 10-0. They led 3-0 at the half and pumped in seven in the final stanza.

Pierre LaFrance paced the Panthers with a four-goal effort. Ray Lepine was top point-getter with three goals, two assists and five points. Mike Hoogeveen scored once and set up two goals. Craig Cullen scored twice. Lyn Whitteker and Laurie Blanchard earned three assists each. Gary Gallinger and Larry Gallinger picked up a point each.

Terry Colligan registered his third shutout in four starts and has allowed just one goal in those four games.

Ed Leger was the winning goalie in Morewood Vikings' 3-0 decision over Prescott Road. The Vikes led 2-0 at the half and got the winning goal from Brian Thatcher's broom at 8:16 of the first half. Vince Cousineau and Ben Phillips set up the play.

Phillips scored unassisted with six seconds left in the half and Mario Quenville made it a 3-0 final, scoring from Cousineau with 3:34 left in the game.

Ben Melenhorst posted a 5-0 shutout, number three of the evening, as Ormond Cloverdales blanked the Winchester Raiders. Ian Linton notched the winner when he scored from Dave Hess at 22:14 of the first half.

Linton finished the game with two goals and one assist. Brent Taylor, Doug Sloan and Bill Livingston fired in the other goals. Dave Hess (2), Blair Dow (2), Brian Wiggins and Dan McDiarmid collected assists.

Toyes Hill ruined John Rystephanuk's shutout when they scored the Roadrunner's lone goal with just 1:50 left in the game. Ivan Petersen engineered the play.

Russell's Magnum Force cracked up a scoreless game with 2:14 left in the game. Paul Bols made it 1-0 scoring from Mike Bols and Steve Bekkers. Toyes Hill tied it up 1-1 with 1:50 to play but the Force drilled in two goals in the final minute-and-a-half to take the game by a 3-1 count.

Steve Bekkers won it (2-1) scoring unassisted at 1:26. Jim Pennock made it 3-1, connecting from Bekkers and Frank Bols at the 1:07 mark.

Panthers trim St. Mark's

METCALFE — Leslie Ransome poured in 12 points to lead the Osgoode Junior Panthers past St. Mark's 39-23 in Carleton High School Junior Girls Basketball League action Tuesday.

Tammy Clattenburg scored eight points in the first quarter for Osgoode while Tracy Wise and Bonnie James pitched in four.

Tanya Blais held the hot hand for St. Mark's with eight points while Cindy McKinley added seven.

In senior girls basketball action last Monday, Gloucester defeated St. Mark's 49-32.

St. Mark's was led by Michelle Schneider, who pumped in 19 points in a losing cause. Diane Van Rens scored six points while Shana Bond and Anne McGovern added one hoop each.

Shelp three, Aqua Fun Flyers two

WINCHESTER — Darrell Shelp scored all three goals as the Country Kitchen Canadiens skated to a 3-2 Winchester Town Hockey League victory over the Aqua Fun Flyers here last week.

In just two games the former Junior B Hawks' scoring ace has collected five goals and two assists and looks to be establishing himself as the scoring leader in his first season in the league. Another former Hawks player, Marty Little, stands number two with five points in just two games.

In last week's other contest, veteran goalie Dan Hogaboam registered the WTHL's first shutout as he and the CountryBoy Blazers whitewashed the Tri-County Windows' Raiders 4-0.

After two weeks of play CountryBoy and Country Kitchen share the league-lead with three points each. Raiders have two and Aqua Fun Flyers no points.

Darrell Shelp notched his first of three goals scoring on an unassisted play at 19:48 of the first period. That goal held up as the only marker in period one.

Aqua Fun Flyers took a 2-1 lead in the middle stanza. Geoff Summers tied it up 1-1 scoring from Phil Lyall at 8:52. Dave Kerr's unassisted goal with 4:43 left in the second period gave the Flyers their only lead of the game.

Shelp's second goal came on a powerplay at 12:37 of the third period and Barry Scott engineered the tying goal.

Goal number three came from Shelp's stick with just 44 seconds remaining in the game and gave the Canadiens a 3-2 victory. Country Kitchen captain John Ralko set up the deciding marker.

ZERO FOR HOGABOAM

Dan Hogaboam put together a perfect game, blanking the Tri-County Raiders 4-0. His victory included a big save on an Al McLean breakaway.

CountryBoy got its winning goal at 9:03 of the first period when Dick Christie fired a low shot into Steve Guy's cage. Marty Little drew an assist, his first of three points, on the play.

Wally Vandekemp upped the lead to 2-0 poking a loose puck into the net with 35 seconds left in the opening period. Doug Duncan and Peter Marriner collected assists on the play.

Marty Little increased his team's lead to 3-0 when he connected from Gerry Belanger and Chris Dubey on a nice three- way, goal-mouth passing play at 10:44 of period three.

Dubey then hooked up on the tail end of a Marty Little-Ken Quaile play at 9:43 as the Blazers quickly established their 4-0 margin of victory.

Savoie nets tying goal

METCALFE — Michelle Savoie scored with just 3:45 left in the game here Saturday to give Metcalfe a 4-4 tie with Gatineau.

Gatineau scored the go-ahead goal with 4:18 left in the National Capital Region Tween C Ringette League contest but couldn't hold on for the victory.

Metcalfe held the lead twice in its home opener but it was Gatineau leading 3-2 at the half-time break.

Metcalfe tied it up 3-3 with 6:56 left in the game but Gatineau went up 4-3 at the 4:18 mark forcing Michelle Savoie to come up with the tying goal at 3:54.

Krista Castle played a solid game in the Tween's net stopping all but four shots in her debut.

Savoie, Adrianne Sinclair, Amanda Fader and Leah Lampman netted Metcalfe's goals.

Sophia Craig (2), Chantale Cousineau, Michelle Savoie and Lindsay Kelly all collected assists.

This Sat., Oct. 22, the Tweens will host Orleans in a home game slated for 6pm.

Old Hawks split

WINCHESTER — Winchester Old Hawks split a pair of oldtimer hockey matches over the weekend. Here Sunday they downed Osgoode Old Pride 8-6 and Friday were beaten 8-3 in Cardinal by the Bulldogs.

Tom Kirkwood paced the Hawks to its 8-6 win over Pride, scoring three times. Dave Armstrong and Doug Coleman each netted two goals. Bryan Helmer completed the scoring with a single. Don Carkner posted the victory in Winchester's net.

Friday in Cardinal, Larry Berry, Mark Lidster and John Sloan were Winchester's only marksmen in the 8-3 loss to the Bulldogs.

Jets opener

Sun., Oct. 16 marked the opening of the Metro Division home season for Metcalfe's Jr. B Jets. Unfortunately the visiting Ottawa West Golden Knights spoiled the party, winning the game 8-4. Official face-off duties were performed by Ottawa captain Tim Swords, Jets' president Don Gamble, Osgoode Township mayor Albert Bouwers, Jets' manager Stuart Holmes, Jets' captain Darcy Provost. Press Photo—Rowan

McCooeye backs undefeated Leafs

METCALFE — Roy McCooeye was perfect here Sunday, posting a 5-0 shutout over the Bradley Computax Canadiens. The victory left the undefeated Dan Morris Equipment Leafs with a perfect Metcalfe Town Hockey League record of five wins.

In Sunday's other contest the Mike's Restaurant Hawks pounded winless Wichers' Construction Bruins 7-2.

After five weeks of action, the Leafs lead the circuit with 10 points, the Hawks have seven, Canadiens three and the Bruins none.

The Leafs skated out to a 2-0 first period lead and never looked back en route to their 4-0 victory. Dave Vanderydt's first goal of the game, set up by Wes Kinkade at 14:41 of the first period proved to be the winner. Ron Flanagan's unassisted marker at 12:02 made it a 2-0 contest.

Leo Campbell upped the difference to 3-0, connecting from Steve Wade with 7:04 left in period two.

Dave Vanderydt completed the scoring, clicking on a pass fed him by Mike Stanley and Steve Kennedy at 11:54 of the final frame.

HAWKS BY FIVE

Mike's Hawks were flying high in Sunday's other game ripping up the winless Bruins 7-2.

They led 2-1 after a period, 3-0 after two frames. A four-goal third period put the game out of reach.

Dan Rausch led the winners with a two-goal, one-assist effort. Erin Franey hit for a goal and one assist as did Tyrone Franey. John Melenhorst cashed in his first two goals of the season. Tony Hendrikx netted a single goal.

Rob Renaud drew three assists while Pete Nooyen and Mike Gebara helped out twice.

Neil Quinn scored a first-period powerplay goal for the Bruins. Willis Stevens and John Vandentillard set up the play.

Fred Zepling scored the other on a short-handed play, assisted by Kevin Downey, at 12:41 of period two.

Bill Jamieson was the winning goalie while Brian Kerfoot took the loss.

Metcalfe girls bomb Blackburn 15-1

METCALFE — Melissa Lauder ripped in nine goals here last Friday as her Novice C1 team bombed Blackburn 2 15-1 in a National Capital Region Ringette League contest.

In other Novice action the C2 team from Metcalfe handled Blackburn's 2 team 8-2, giving Metcalfe a sweep over their opposition.

In addition to Lauder's big nine-goal effort, the C1s got four goals from Sophie Nizman and two from Chelsea Miller's stick.

Heather Sabey missed the shutout by a goal.

Angela Thompson (2), Courtney Kelly, Rebecca Sproule and Melissa Heeley all collected assists in their first game of the season.

Jessica Lawrence was top gun in the Metcalfe C2's 8-1 win over the same Blackburn team, which was defeated 15-1 the night before, shooting in four goals and adding three assists.

Metcalfe led 3-1 at the break and slammed in five unanswered goals in the second frame as they cruised to the 8-1 win.

Amanda Lawrence played a strong game in the winner's nets surrendering one goal.

Danielle Norris struck for two goals and one assist while Amy Nesbitt added a goal and one assist. Sherri Brind'Amour rounded out the scoring, notching a goal.

There were no penalties called on either team.

Knights cruise to 8-4 win, ruin Metcalfe Jets debut

METCALFE — West Ottawa Golden Knights scored four times in the first period and cruised to an 8-4 win over the Metcalfe Jets in Eastern Ontario Junior 'B' Hockey League action here in Metcalfe Sunday afternoon.

The game, the Jets home opener, featured everything imaginable. After Cheryl Cooper boomed out the national anthem, the game saw excellent open ice puck work, chippy play, retaliations, fights, a player ejected for abusing a referee, a plexiglass shattering body check, hot goaltending, and yes, a spaghetti dinner for fans after the game.

Metcalfe had an early opportunity as Knight defenceman Jamie Moore was sent off for interference 32 seconds after the opening face off. However, the home team only managed one shot on goal in the power play opportunity as the West Ottawa defence held its own at the blue line.

Ottawa took a 1-0 lead at the 6:19 mark of the period and then added three power play goals, two from the stick of Tim Forbes, before the end of the period.

In the second period, the Knights took a 5-0 lead when Jeff Wiggins' slapshot was redirected past Rusty Vachon. Ron Laurin was in the box for the Jets for high sticking, giving the Knights their fourth power play tally of the game.

Dave Campbell finally got the Jets on the board when he scored from Tim Bonnar and Guy Lessard, making the score 5-1.

After West Ottawa's Greg Jessup was ejected from the game for abuse toward the referee, Forbes notched his third of the game, a shorthanded breakaway.

Metcalfe fought back and scored two more goals in the second, as Darcy Provost scored from Don Gamble and Dave Warren with 13:57 gone in the second period.

The Jets pulled within three goals minutes later when Jamie Dumelie stepped out of the penalty box, took a pass from Ron Laurin, and waltzed in untouched to make the score 6-3.

The Jets continued to apply pressure to West Ottawa, but a Knight goal with 20 seconds left in the period snuffed out comeback hopes.

After falling behind 8-3, Don Gamble scored a goal from behind the net when his centring pass deflected into the net off of a skate.

The game was delayed late in the third period when a piece of plexiglass was shattered after a body check. After a lengthy stoppage in play, the game was finally completed.

Despite the big score, a strong game was played by Jets' goalie Rusty Vachon, who was called on time and time again to keep the game within reach.

On the negative side, the Jets spent too much time in the penalty box. The Golden Knights are a rough, aggressive hockey team and many of Metcalfe's penalties were in retaliation of the rugged play.

Metcalfe will be in South Ottawa tomorrow night before returning home for games Friday night against Navan and Sunday afternoon against Renfrew.

Reeve Fawcett returns

Simms, Levere vie for deputy's seat

MOUNTAIN — Reeve Keith Fawcett appears to be the only one assured of having a job on Mountain Township council after the Nov.14 municipal elections.

Nobody will be contesting Fawcett's position as reeve, which he has held for the past eight years, but there will be a fight for the deputy-reeve spot and the three councillor seats.

Councillors Ewart Simms and Don Levere will battle for deputy-reeve, a spot made vacant when incumbent Jim Alexandar moved out of the township.

Incumbent Keith Smith will face a challenge from seven candidates vying for one of the three councillor spots.

Simms, 60, has already made his way up the municipal ladder once, starting as councillor with Mountain Township in 1961, holding the reeve seat for 10 years and grabbing the warden role, which is head of the United Counties, in 1978.

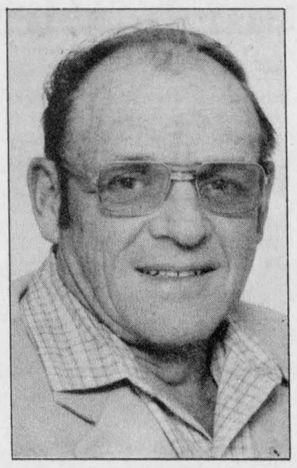
He said he is once again trying to work his way up through the municipal government, rebounding from a recent three year absence from council that he chose to take.

"It gets in your blood," Simms said, explaining why he wants to become deputy-reeve and eventually take another crack at reeve.

Simms, who works a 365-acre RR3 Mountain farm, said his numerous years of experience on council and his involvement in recreational, social, agricultural and hospital affairs makes him the most qualified candidate for deputy-reeve.

Levere, who has served for 10 years as councillor, feels it's time for him to step up. He said his interest in holding the deputy-reeve position is for the opportunity it gives to represent residents of the township.

When asked for some background on himself, Levere said only that "the people know me."



Ewart Simms

Don Levere

Smith, 52, said he had reservations about vying for a second term but decided to run again following the encouragement of numerous township residents.

"Quite a few people said I should stay," Smith said.

The unusually high number of candidates taking their first crack at politics, seeking a position as councillor, appears to be largely sparked by the waste management situation in the township.

Lifetime Mountain resident Don Johnston, a dairy farmer, said council must keep a close eye on the proposed site selections.

Johnston, 49, said he feels he can "make a worthwhile contribution" to council.

Don Guy, a lifetime resident of Inkerman, said he doesn't think the township "should have to swallow urban garbage."

Guy, 53, said the waste management issue has been dealt with very poorly, adding he would like to see what he could do to address the situation.

"I never got into political stuff before. I'm going to give it my best."

Dwayne Berry, 40-year-old owner of Berry's Egg Farm in South Mountain, said the township should work towards more recycling. He said he is against the idea of having Eastern Ontario garbage dumped at a Mountain landfill site.

A lifetime resident of South Mountain and the fifth generation to live here, Berry said his business experience would make him a good councillor.

Estella Rose, who owns a hairstyling business in Mountain, said she has been listening to the concerns of township residents for years. According to Rose, 51, the biggest current concern is the proposed landfill site.

Rose said she wants all proposed sites in Mountain Township to be eliminated.

Actively involved in the operation of her husband's dairy farm, Rose said "people need a voice. Women should get involved (in municipal government)."

"I have been told we are not ready for a woman, that geared me up even more."

Fred Baker, 38, said a number of issues have "galvanized" his interest in joining the race for one of the councillor positions.

Baker, a lifetime resident of the township, is a researcher and administrator for the federal government.

He said the referendum on the municipal ballot, which will read "Do you support English as the official language of Ontario," is incorrectly worded.

Baker added that he felt the question was a very important referendum but he hopes the outcome on the ballots don't create hard feelings amongst the residents of the township.

Earl Garlough, a councillor for seven years and defeated in the 1985 election, is taking another run at municipal politics.

An RR3 Winchester resident for 40 years, Garlough, 64, said the waste management study is the most important issue of the municipal elections.

Being a beef farmer with 300 acres, Garlough said he, like other farmers, would be affected by a decision to put a landfill site in the area.

Garlough said residents are not getting enough information about the waste management study.

He said it is important that the steering committee and the council start working together more effectively.

Allan Beckstead of Inkerman is the youngest candidate at 26. He has decided to jump into the political ring "because of all the stunts council is pulling" such as refusing to clean out drains and declining to sign petitions.

"If I got in, I'd turn it around. People trying to get their ditches cleaned out, if I get in, they'll be clean."

Beckstead also said the zoning laws need to be updated.

When you and I were young

The year was 1919. The month was October. World War I had ended when two 8-year-old Metcalfe girls bid each other a fond farewell, confident they would meet again soon. They did meet again — but not soon. Sixty-nine years would drift by before Muriel Boyd (now Mrs. John Thrasher) of Rosetown, Sask. would once again meet her childhood friend Audrey Henderson (Mrs. Lloyd Graham). Needless to say Muriel and Audrey had a lot of 'remembering' to do as they leafed through aging photo albums while turning back the pages of time. Note: The Henderson farm home is still there (on Henderson's Hill) immediately west of McVey Insurance Service. The Boyd home was on the opposite side of Regional Road 6 near the present location of the Mr. Gas depot. In accompanying photo, taken during Mrs. Thrasher's brief visit to Audrey's Metcalfe home, the two (Audrey, left) reminisce, recalling their favorite meeting place by 'the old bent tree' half way between their respective gates.

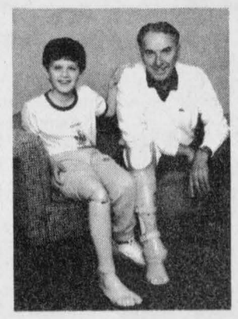
Jeske - Griffin marry Sept. 22

Peter and Jean Griffin of Metcalfe, Ontario are pleased to announce the marriage of their daughter, Judy to Rick, son of Jake and Ruby Jeske, Wabigoon, Ontario, on Sept. 22, 1988 at Trinity Lutheran Church, Dinorwic, Ontario.

The War Amputations of Canada
a tradition of amputees helping amputees



War Amps Chief Executive H. Clifford Chadderton and Champ Karl deWit have something in common — they're both amputees. The War Amps was first established in 1918 to assist amputee veterans. Now the war amputees pass their many years of experience along to the younger generation through the Child Amputee (CHAMP) Program. Champs receive artificial limbs, counselling and financial assistance.

What is our future? When there are no longer war amputees, we will become the Canadian Amputees Foundation. Graduates of our CHAMP Program will carry on The War Amps tradition of amputees helping amputees.

The War Amputations of Canada, National Headquarters, 2827 Riverside Drive, Ottawa, Ontario K1V 0C4.
The War Amputations of Canada is a registered charitable organization operated by amputees for amputees on a non-profit basis. The War Amps does not receive government funds. Christian workshop planned

MORRISBURG — Registration is under way for the Nov. 12 workshop sponsored by the South Dundas Christian Education Committee. The day-long ecumenical event will be held at Seaway District High School in Iroquois and promises to be both informative and stimulating for parents, teachers, church school leaders and for anyone who works with children.

With the title "God makes us grow - equipping the Christian family for life outside Sunday school" the workshop is aimed at helping Christian adults prepare young people for life in a world that is increasingly unsympathetic toward the Christian way of life. The workshop has been in the planning stages for several months by the education committee, an ad hoc group of clergy and lay people from the area who saw a need for such an event.

In order to make the workshop accessible to both parents in the family, a child care centre will operate at the adjacent Iroquois Public School. Youngsters of all ages will be cared for and given lunch by students in the family studies classes at SDHS, under the leadership of Sandy Decker. A musical program for the children will be presented by Gordon Webber, area youth worker for the United Church.

At the high school the adults will be invited to take part in any three of a possible five workshops. Lunch will be provided in the school cafeteria and coffee and muffins will be available during the registration period at 9:30am.

Keynote speaker for the day will be Pat Bedford, Christian Education director at All Saints Anglican Church, Westboro (Ottawa). Her comments are expected to set the tone for the day with the group then breaking into workshops for discussion and learning. The program winds up promptly at 3:30pm.

Participants will be able to select their three choices for the workshops on a pre-registration form that is now available in many areas throughout South Dundas and from most local ministers. Fees have been kept low to enable as many people as possible to attend.

Adults registration fee is $7 and the fee for children is $3.50. A maximum family rate has been set at $20.

It is essential that all registration be done in advance to permit organizers to finalize their plans both for the adult program and the children's activities. Registrar for the workshop is Nancy Mellan of RR1, Brinston. More information is available from Nancy at 989-5618, or from your minister. Deadline for registration is Fri., Nov. 5.

Here are the winners of the "Write A Book" contest. The top entries all received a book for their literary efforts.

Metcalfe 'Write-A-Book' competition attracts youthful would-be Hemingways

METCALFE — It's not uncommon for someone to let their imagination wander while at work.

For Lenora Haldenby, her mind's momentary lapses into another world led to a short story which won her first prize in a writing competion.

Addressing her age only by describing herself as an "adult participant" in the 16-and-over category in the "Write A Book" contest put on by the Metcalfe Public Library, Haldenby drew from her job of working with computers at the Department of National Defence for one of her three short stories in a book entitled Rambles.

The story, which was conjured up while she was at her job, and calls a "fantasy out of the workplace," is about a robot spacecraft and computer viruses.

Haldenby's two other selections in the book were inspired by real life experiences. She said one story was about crises and the other was about death.

Haldenby said she chose these sombre areas for two of her short stories because she "had something to say on the subject. I guess that's why anyone writes on something."

However, it took some coaxing from her nine-year-old son, David, who has competed in the writing contest the past three years, before Haldenby entered the competition.

Heather Scales, also an "adult participant," was also directed by her children to get involved in the contest.

Scales took top spot in the fiction category for those 16-and- over with her book called "Rupert Rides The Rails." The story is about a little boy who got on a train by himself and the ensuing adventures of his mother trying to retrieve him.

The story is based on a similar occurrence that actually took place with one of Scales' cousins.

There were also some young up-and-coming Hemingways on hand Oct. 15 at the Metcalfe library, to receive their awards for their early crack at writing either fiction, short stories, poetry and non-fiction or putting together a picture book.

In its eighth year, the competition is set up to encourage youngsters to read and write.

A look through some of the work on display shows some astute observations of our present lifestyles.

A poem by Cassandra Crowder, 17, who finished first in her category, captures the prevalent pace of today's society which is caught up in a wave of technology aimed at serving an impatient public.

Here it is:

Today's Pace
Everybody is moving quickly
There is no time to walk slowly
Every minute in the day is accounted for
The pace in this world is hectic

What happenned to the days when everything was slower
People had the time to stop and chat
They were never in a rush

Nowadays no one has time to stop
Families do not eat together
They don't have time to talk
About what had happened that day

What is the cause of this?
Our hectic world resulted in technology
Our means of transport is fast
So our way of life is fast.

Other winners last week in the fiction category were Kezia Scales (seven-to-nine-years-old), with Kristin Hartman finishing second; William Scales (10-to-12 years) taking first place ahead of Melanie Simmonds; Jeffrey Chesney (13-to-15 years) awarded top spot and Kelly Bowman was second to Heather Scales in the 16-and- over category.

Short story winner for the seven-to-nine-year-old category was Lucy Richardson, followed by Kelly McEwan. Laura Dykstra took the 10-to-12-year-old category.

The first and second place finishers for poetry were: Allison MacKenzie and Erika Morris (seven-to-nine years); Laura Dykstra and Ashmeed Shameer (10-to-12) and Janice Ma and Kim Smith finishing one, two respectively in the 13-to-15-year-old category.

For best picture, Robin Baldwin took top spot while Jennifer Sheldrick finished second in the seven-to-nine-year-olds.

Jennifer Gareau was first in the 10-to-12-year-old range and Kim Smith and Dana Brady took first and second place respectively in the 13-to-15-year-old category.

Kerry Smith was first in the non-fiction section for seven-to-nine-year-olds.

The judges were Patsy Royer, Joe Rowan and Jean Geymonat.

John O'Connor begins Armed Forces training

John Patrick O'Connor, 24, of Morewood flew out of Ottawa on the night of Sept. 8 for Chilliwack, British Columbia, to commence training as a naval officer with Canada's Armed Forces.

On Aug. 27 he married the former Christine Vollrath of Finch and on Aug. 31 he was sworn in at the DND Ottawa, with both his bride and father acting as witnesses. The honeymoon continued in Quebec City until it was time for Christine to bid him farewell.

John is a graduate of the local school system — St. Mary's, Chesterville, St. Bernard's, Finch and North Dundas District High School where he was an Ontario scholar. He attended Queen's University where he graduated with an honors degree in Mechanical Engineering.

At his selection interview, John was told his training would be in the field of the sophisticated technology governing the operation of the proposed nuclear powered submarines. His friends wish him luck.

WDMH auxiliary not alone trying to fill executive slate

by Rose Campbell

WINCHESTER — Gail VanNoy, president of the Winchester Hospital Auxiliary informed members that we are not alone in having problems filling executive positions. In fact, at the annual meeting in Toronto the constitution is being revised to deal with this problem.

Delegates from Winchester besides the Life Members are Norma Hill, Ruth McCullough, Gail VanNoy and Mary Fisher.

In roll call, Chesterville reported receipts of $1,300 from their money tree, plus a number of knitted articles and Anna Merkley reported the canvass for the Grantley area completed. Morrisburg brought in seven knitted sets, 60 pairs of mittens and a pullover sweater. Morrisburg's rummage sale is on Oct. 28. Winchester rummage sale made $846.

A cheque for $2,500 was received from the Gift Shoppe last month. Linda Snyder is the new treasurer for the Gift Shoppe, a person with Gift Shoppe experience in buying is still urgently needed.

Ethelwyn Carkner of the Sunshine Circle noted that several groups including Roma McMillan, Jim Wicks and Louise Shaw had been in to entertain the patients. One hundred dollars was voted to help with incidential expenses of this group.

The auxiliary added $575 to the $500 from the late John F. King estate to purchase a Gerichase for second floor. Two new plants have been purchased for the dining area on One East.

Plans were finalized for the 40th anniversary tea and bazaar, Oct. 22 from 1:30-3:30pm at North Dundas District High School. Remember there is no admission.
