PRELUDE TO ELECTION DAY

Two Nomination Dates Announced

Two nomination days confront Winchester voters this year. And despite the outcome there will be an election as the village goes to the polls for the first time on an eight question liquor vote.

Nomination Day for all municipal officers will be held on Thursday evening, November 21st, between the hours of seven and eight o'clock, Standard time. Nominations will be accepted at this meeting for the positions of Reeve and four Councillors. Following the official nominating period it is expected that members of council will report to the ratepayers and indicate whether or not they will seek office for another two year period.

On Monday evening, November 18, a special nomination meeting will be held in North Dundas District High School for the purpose of appointing candidates for the office of regional school board trustee. Under the new regionalization of school systems in the province Winchester will be a part of the United Counties - Cornwall region. One representative will be elected to represent Winchester, Chesterville and Winchester Township. The nomination meeting will be open to all ratepayers in the area.

It is understood that members of this new board will be paid $1800 per year. Because of the enormous work load ahead, however, few qualified people have indicated their willingness to run for this important office.

Election day for all offices and the liquor vote will be Monday, December 2nd. Voters should pay particular note to the times the polls will be open for each election. C. R. Robinson is Chief Returning Officer in Winchester. For the Regional School Board vote the returning officer is Township Clerk Glenn MacGregor.

Snowed Under With Corn . . . Corn . . . Corn!

Berry's anticipated the possibility of working a few hours overtime when they opened the elevators at Winchester Station this fall, but it is doubtful if, in their most optimistic dreams they foresaw such an influx of corn as continually arrives in the village.

Long lines of trucks, some huge tandem vehicles, are constantly lined up waiting their turn to unload, and some do not reach the unloading ramp until long past midnight.

The plant is spanking new and breakdowns in the intricate machinery might be expected. Fortunately, to date, very little time has been lost although there have been some minor hold-ups.

A few of the great loads of corn are shown waiting in the lovely autumn sunshine as thousands of bushels of the yellow grain pour into the elevators.—Press Staff Photo.

Church Overflows For Anniversary

Dr. A. B. Moore, a renowned Canadian recognized as a leading educator, writer and preacher of the gospel, was guest speaker at both morning and evening services at Winchester United Church on Sunday.

The occasion was the celebration of the 85th Anniversary of the church, and excellent crowds attended both services. "A Day Of Expectancy" was the topic chosen by Dr. Moore at the morning service, and the Senior Choir under the direction of Mrs. Fred Cass supplied the musical portion of the devotion.

In the evening Dr. Moore spoke of "Our Common Faith," and music by the Intermediate Choir was under the direction of Mrs. Raymond Earl. Organist for both services was Mrs. Howard Fetterly.

Dr. Moore, who is President of Victoria University, Toronto, is also author of the New Curriculum book, "Jesus Christ and the Christian Life."

The Smorgasbord Anniversary Dinner on Monday night was well attended and enjoyed by all.

New Minister

Latest member of the Winchester Ministerial Association is Rev. R. L. LeRoy, new Wesleyan Church Miniister.

Rev. Mr. LeRoy comes to Winchester from Toronto. He has bees a member since 1927 of what is now known as the Central Canada District or Conference of the Wesleyan Church. He began his ministry as a student supplying at Berwick, Ontario, during the summer months by appointment of the late Rev. A. J. Shea, father of George Beverly Shea, who was then president of the Wesleyan Conference.

Rev. Mr. LeRoy became president of the Conference in 1948 and served that position and others until 1964. He has previously served as pastor at Inkerman and Winchester Springs, Waltham, Que., North Bay, Ottawa and Brockville. For the past three years he has been a general evangelist and has travelled extensively in Canada and the United States.

Rev. and Mrs. LeRoy have taken up residence at the Wesleyan Church manse. They have three sons and two daughters. The youngest son, David Wesley, is a student at North Dundas District High School.

Rev. Mr. LeRoy was inducted at a special service held in early September.

Remembrance Service November 10

Autumn, with dying leaves fluttering along the ground, and cold bare branches silhouetted against a gray sky, is always a time for memories.

Ironically, World War I ended at just such a bleak time of year and fittingly such a time has been set aside to honour the memory of brave men and women who fought for freedom, not only in World War 1 but in all wars where freedom was at stake.

POPPY DAY

Saturday, November 2nd, is Poppy Day, and these tiny red flowers, made by war veterans, will be on sale throughout the land. Here in Winchester, Cubs and Scouts will canvass the town. Buy a poppy, wear it proudly and for a few moments contemplate the significance of the colourful emblem. Let it remind you of bloody battlefields, of dead men, and above all be mindful of the countless thousands who still suffer, almost forgotten, in military hospitals and private homes.

REMEMBRANCE DAY

Winchester will honour the war dead this year on Sunday, November 10th, one day before the entire nation bows its head in tribute. The public service will be conducted at St. Paul's Presbyterian Church. Veterans will meet at the Legion Hall at 10.30 and proceed from there to the church. Following the service all will parade to the Cenotaph, with special music provided by Cameron Highlanders Pipe Band of Ottawa.

Those wishing to purchase wreaths should contact Archie Rice as soon as possible.

Building Fund Committee Meets

Optimism was the keynote at the third meeting of Winchester Community Centre Fund Raising Committee last Monday night. High on the program of proposed fund raising projects is the Sportsman's Dinner and the committee in charge brought forward favourable reports on activities to date.

Many other interesting and ambitious suggestions were considered and a "Pen Selling" Committee was formed. This committee will explore the feasibility of conducting a gigantic "Pen Sale." This has proven very profitable in many fund drives throughout the district.

Realizing the very important part the news media can play in a venture of this magnitude, a Press Committee was set up. This committee will, at a later date, become part of a large Public Relations Committee. Selected for this important assignment were Gordon LaRose, Jack McIntosh, Betty Cooke and Gary Collins.

Although pleased with the enthusiasm shown by those now working with the Community Centre Board, the Fund Raising Committee will be approaching other interested citizens to lend assistance and add to the ever growing list of potential money making projects.

The committee will meet again on November 11th.

Strawberries

Strawberries in October. Apparently the exceptionally good weather of the early Fall has helped along a second crop. Mrs. Harold Algire last week picked a basket of strawberries and duplicated the effort on Monday of this week. Mrs. Algire says the strawberries are in full bloom and that there are lots of big berries almost ready to be picked.

Big Halloween Pumpkin

By now everyone is aware seeds planted in Winchester area produce record crops, and a recent visitor to the Press Office brought more proof of the same.

Carl Pemberton, of nearby Elma, just happened to have one of his home-grown pumpkins in the trunk of his car, and anyone looking for something a bit out of the ordinary for Halloween should pay a visit to the Pemberton home. This one weighed in at 50 pounds.

Winter Fair Ready For '68 Edition

When the gates swing open Monday, Ottawa Winter Fair will be celebrating its 65th anniversary with a completely new look. A look that is attracting more attention than at any time in its history.

OFFICIAL OPENING

His Excellency the Governor General, escorted by outriders from the Royal Canadian Mounted Police, will open the Fair at 8.30 p.m., Monday, October 28th. A Guard of Honour, under the command of Major Guy Simser, C.D., will be provided by the Cameron Highlanders of Ottawa accompanied by their Pipes and Drums. This will be a colourful ceremony with all the pomp and tradition which the occasion demands.

OTHER MAJOR ATTRACTIONS

Other major attractions include the "School Special" on Monday when 9,000 children from Ottawa's Public and Separate Schools will be taking part in a special educational program.

Then, too, there's the Championship Dairy Show. The impressive list of entries shows 22 Guernseys on Monday, 215 Holstein on Tuesday; 63 Ayrshires and 97 Jerseys on Wednesday; and on Thursday the Baby Beef. Look also for Calf Club Championship, Horse Show, and Sheep and Swine.

LADIES' DEPARTMENTS

Ladies' Committee has again arranged for participation by many local Women's Institutes. Colourful booths will be operating to raise funds for a variety of worthwhile causes.

CAR DRAW

One dollar buys a ticket that might win for the holder a 1969 Valiant Big Six.

AND DON MESSER

Evening performances will feature the Don Messer Jubilee Show every night during the Horse Show. Both these attractions will be presented in the Civic Centre with its 9,500 seating capacity.

Fair officials suggest getting tickets early.

DAYLIGHT SAVINGS TIME ENDS

OCT. 27th

Remember that hour you lost last Spring? This week-end you get it back. At the stroke of midnight, Saturday, all clocks move back one hour as the nation reverts to Standard Time.

By the end of the day on Sunday, watches and clocks across the nation have all picked up that "lost" hour, and the only noticeable aspect will be the early approach of darkness on Sunday evening.

THE NEWS in Brief

Scout Harvest Dance Saturday

This Saturday is the date. Winchester Public School Auditorium is the place. The event is the "Harvest Dance," sponsored by Winchester Scout Group Committee.

The scout movement in Winchester is an exceptionally well organized group; it is of great value; but like all other worthwhile things, money is always needed to continue the efforts.

This is a fine opportunity to have an enoyable evening and at the same time assist those who devote so much of their time to help young boys in the community.

Those who have not yet ordered their tickets should do so today. Dress is semi-formal.

Hydro Manager Addresses 100 Club

George Davidson, Ontario Hydro Area Manager, spoke to Winchester 100 Club at the October meeting in Henderson Hall last Thursday evening.

Mr. Davidson gave the members an interesting word picture of the many uses being made of Hydro in this age of automation.

The club welcomed three new members: Thomas Douglas, Ed. Creaser and Edgar Craig. Winchester 100 Club, like all service clubs, is always pleased to find citizens who are interested in assisting the many welfare programs that make the organizations so challenging and worthwhile.

Dundas Dairy Princess Lois Stoodley and her parents, Mr. and Mrs. Aaron Stoodley, were special guests at the meeting, and Miss Stoodley told the Centurians of the great strides being taken in Dundas County Dairy Farming.

Programme committee for the meeting included Centurians Howard Biccum, Basil Dawley and Howard Willard.

Metcalfe Artificial Ice Hearing

Officials from Ontario Municipal Board will be in Metcalfe next Wednesday morning to hear an appeal against the installation of an artificial ice plant in East Osgoode Memorial Community Centre at Metcalfe.

Earlier in the year a petition was circulated throughout the east half of the township and well over 50 per cent. of the ratepayers voted in favour of the installation of such a plant in the popular centre.

Township Clerk Fred Wilson reports that five ratepayers registered appeals against such a move and for this reason the Ontario Municipal Board has demed it necessary to send officials from Toronto to hear the appeals of the five dissatisfied ratepayers.

The meeting is scheduled for 10.00 a.m. Wednesday, October 30th, and it is expected many of those favouring the modernization of the Community Centre will be on hand to assure government officials that the fast-growing community does, indeed, need such facilities. This year if possible.

Nixon In Riding November 6

It has been announced that Robert Nixon, M.P.P., Leader of the Liberal Party in Ontario, has accepted the invitation of the Grenville-Dundas Liberal Association to address a dinner meeting at the United Church Hall, Cardinal, on November 6.

Tickets for this special event are now available from the executive or directors of the Liberal Association.

Win Hunt Club Invitational

An interested spectator might have suspected some type of conspiracy with Winchester and Chesterville athletes combining their skill to humble their Morrisburg rivals.

This, however, was not the case. The event was the Annual Invitational Golf-Curling Competion at Ottawa Hunt and Golf Club. Luck of the draw found Morrisburg pitted against Winchester and it was sheer coincidence that Skip Ran Wylie selected Chesterville No. 1 curler, Blake Feeley as his vice skip and Chesterville's No. 2 curler, Wayne Laprade to play first stone. He then rounded out his foursome with Winchester's No. 1 second, Harvey MacIntosh.

The ultimate result was as Skip Ran had anticipated. Morrisburg's game little group skipped by Bob Woods, with Marv Lemon, Harry Ing and Alton Bolton, were completely subdued and when the statistician had computed the final results, Winchester - Chesterville Combines had captured top honours on the day's play.

Another Winchester four had an entry in the competition but failed to cop any prizes. Personnel of this rink was Dalt Kenney, Charles Ault, Ray Larsen and Al Scott.

The Padre Is A Hunter

Rev. L. Frappier, Parish Priest at Metcalfe, looks forward each year to his annual foray into the wilds of Northern Quebec in search of moose. His victim this fall was a huge 1500 pounder, and a smiling Father Frappier displays the antlers back home at his church.

On their arrival Mrs. Bevis Graham pinned a corsage on her mother, and Miss Sharon Black pinned a boutonniere on her father.

The evening was spent in dancing and playing cards, and the couple were presented with some lovely gifts. Stanley thanked all present for the gifts and good wishes.

Miss Sharon Black arranged the party, assisted by Mrs. Bevis Graham and Mrs. Charles Holmes.

Mr. & Mrs. W. Robinson Mark 25th

Mr. and Mrs. Willis Robinson, R. R. 2, Winchester, were entertained to an enjoyable drive along St. Lawrence Parkways on Sunday afternoon, October 13th, then to a dinner at the Flamingo Restaurant, Cornwall, in observance of their 25th Wedding Anniversary.

On returning home they found their home a scene of activity. The house was suitably decorated with bells and streamers and a three-tier wedding cake centred a table with silver candles aglow. Over ninety relatives were present for the occasion.

Mr. Delbert Robinson, of Niagara Falls, who was best man 25 years ago at his brother's wedding, phoned to extend best wishes.

Mr. and Mrs. Robinson were married on October 20th, 1943 by Rev. P. D. Augustine. Their five children and son-in-law were home and responsible for the event: Bryan, Civil Engineering, Queen's University Kingston; Mr. and Mrs. Carl Robinson, London, Ont. (Carl B.Sc. and Agr., on the teaching staff at Midway High School, and Mrs. Robinson (Jan), Reg Nurse at St Joseph's Hospital, London); Dwayne, of Brockville Chemicals; Lynn, University of Guelph, and Peter at home.

Willis and Christena thanked all those responsible for the evening and for their thoughtful and useful gifts. A dainty lunch was served.

O'Brien—Crowder Vows Exchanged

Eva Elaine Crowder, daughter of Mr. and Mrs. Dwight Crowder, of Williamsburg, and Ralph Willian James O'Brien, son of Mr. and Mrs. Ralph A. O'Brien, Ottawa, exchanged wedding vows in St. Mary's Catholic Church, Morrisburg on Saturday afternoon, October 12th, at a ceremony held at two o'clock in the afternoon, solemnized by Rev. M. J. O'Brien, uncle of the groom.

Mrs. Maefred Merkley, organist, accompanied the guest soloist, Mr. Gerald Adams. Ushers were Dale Crowder, brother of the bride, Brian Foss, brother-in-law of the bride, and John Cardinal, cousin of the groom. Michael O'Brien assisted his brother as best man.

The bridal attendants were Mrs. Joan Foss, sister of the bride, as matron of honour; June Crowder, sister-in-law of the bride; Karen O'Brien, sister of the groom, and Sheila Lapier, cousin of the bride.

Mr. Crowder gave his daughter in marriage. For her wedding day, the bride was attired in a full-length chantilly lace bridal gown with portrait neckline, empire styled waistline and lilypoint sleeves. Highlight of the gown was the flowing circular chapel train of self material. She carried a cascade of coral tinted white mums.

The attendants wore identical floor length gowns of coral chiffon with coat effect overlay, and they carried hand bouquets of shastas to match their headbands.

The mother of the bride wore a mint green brocade sheath dress, brown accessories, a mink stole and a corsage of yellow mums; the groom's mother chose a two piece beige wool suit, taupe accessories and a corsage of bronze mums.

Wedding guests from Port Arthur, Oshawa, Cornwall, Massey, Hull, Ottawa, New York, Chesterville, Morrisburg and Williamsburg attended the reception held in St. Peter's Lutheran Church Hall, Williamsburg, following the ceremony.

For her honeymoon, the bride travelled in a two piece rose wool suit, dark accessories, with miniature carnations en corsage.

Mr. and Mrs. O'Brien are now residing in Morrisburg.

Churches Join Forces Against Taxation

Anglican, Roman Catholic and United Churches in Ontario are to hear a pastoral letter this Sunday, October 27th, in regard to the proposal by the Select Committee of the Ontario Legislature on Taxation that churches and synagogues be taxed.

The letter is signed by Rt. Rev. Philip F. Pocock, co-adjutor Archibishop of the Archdiocese of Toronto (Roman Catholic); Rev. George B. Snell, Bishop for the Anglican Church of the Diocese of Toronto, and Rev. Ernest E. Long Secretary, the General Council of the United Church of Canada.

Parishoners of the three churches are asked to write, wire or telephone Premier John Robarts or their member of the Provincial Legislature, expressing opposition to the proposed tax.

Copies of a petition to be mailed by church members will be distributed on Sunday to all church-goers of the three denominations. Wording of the petition is: "In this province, built as it is on spiritual values fostered by religion, I declare that I am emphatically opposed to any change in tax regulations regarding places of worship."

"The only funds available from which the churches could pay taxes," says the pastoral letter signed by the three clergymen, "are the charitable donations of the people who come to worship God. It is evident that such taxation would place an inequitable burden upon the poor. As a matter of fact, to tax places of worship is to tax the worship of God itself. This, we are convinced, is incompatible with the free Christian-Judaeo tradition upon which our nation is founded."

They were dressed alike in floor-length gowns of mint green chiffon topped with bodices of moss green, and carried hand bouquets of single bronze chrysanthemums with matching velvet ribbon.

Wayne Jordan acted as best man, and the ushers were Bill Cross and Brian Brownlee.

The reception was held in the dining hall of the church. For receiving the guests the bride's mother chose an all wool tricosa-knit dress ensemble of royal blue with matching hat and accessories. The groom's mother chose an all wool crimpelene dress ensemble in green with beige accessories, and her corsage was bronze chrysanthemums.

For going away, the bride wore a light beige all wool crepe suit with brown accessories and a bronze and green feathered hat. Her corsage was yellow garnet sweetheart roses, compliments of Durant's Flowers.

Following the reception the happy couple flew via Air Canada to Fort Lauderdale where they will spend their honeymoon. On their return they will take up residence in South Gloucester.

Prior to her marriage, the bride was entertained at a miscellaneous shower at the home of Miss Sandra Kearns, Ottawa; and at a similar showed by her friends of Chesterville, held in the dining hall of Trinity United Church. The bride and groom were also entertained by their Chesterville friends at a mixed stag party held in Ottawa, and again by the bride's fellow employees of Air Canada.

New Form Of Worship Planned At Iroquois Presbyterian Sunday Evening

This Sunday evening, October 27th, the congregation of Knox Presbyterian Church, Iroquois, will be host to a group of men and women who have devoted themselves to the production of biblical messages in dramatic setting. The group is known as The Britannia Chancel Players of Ottawa.

There are 14 in the cast and they will be presenting "The Frodigal Son."

With increasing interest in the churches toward drama-in-worship forms, the Britannia Chancel Players bring the opportunity for such participation by local congregations of the Seaway Valley in this dramatic medium of worship.

Most of the players in the group are from Britannia United Church and Knox Presbyterian Church, Ottawa. Jack Livelsley, vice principal of Lisgar Collegiate in Ottawa and head of Audio-Visual and Educational TV Departments for the Ottawa Collegiate Institute Board, is producer and co-director.

The congregation of Knox Church, Iroquois, sincerely invites and encourages all to come and share in this new form of worship in dramatic setting.

Metcalfe's First Scout Pack

Following months of training five Metcalfe boys completed their tenderfoot requirements and were invested as full-fledged scouts last week.

The scout movement in Metcalfe became a reality early last spring when three local clergymen, Rev. C. Dawes, United Church; Father MacGregor, Anglican, and Father Frappier, Catholic, spearheaded the venture. Two brothers, Edgar and Robert Leger, both experienced in scouting, offered assistance and last week's investiture climaxed many weeks of hard work. Twelve other boys are also enrolled and are taking basic scout training.

The investiture took place at St. Catherine's School with all parents present for the impressive ceremony.

Shown following the investiture are, back row, left to right, Edgar Leger, Scout Leader; Leo Campbell, Billy Flay and Robert Leger, (Scout Leader); front row, Will Kineer, Michael Miller and Glen Vaillencourt.

IN MEMORIAMS

PATTERSON—In memory of our parents, Teresa M. Patterson and J. Homer Patterson and our brother Pte. Eldon K. Patterson, who were called away, October 26, 1964, February 17, 1965, August 26, 1967.
There is a family who misses you sadly.
In our homes where you used to be.
A family whe wanted to keep you.
But God willed it not to be.
You left us beautiful memories.
And sorrow too great to be told.
But to we who loved and lost you,
Your memory will never grow old.

Lucky Draw Winner

Henry Vogel attended Metcalfe Fair and presented the ticket given to him (and all public school pupils in Osgoode Township) at the gate and rushed to the midway. Needless to say he knew he had a chance to win a bicycle since Metcalfe and District Lions Club give one away each year. At 3:00 p.m. it happened, his name was selected from the hundreds in the barrel and he was declared the winner. Henry is shown accepting his new bike from Lions President Gordon Morrow.

Winchester Curlers Set Up Committees

Winchester curlers met at the club last week and various committees were set up for the coming winter activities. Complete list of the working groups follows:

Ice Committee: Bill Lloyd, Fred Christie and Ray VanNoy.

Men's Games: Blake Feeley, Bill Johnston, George Davidson, Glenn MacGregor and Frank Morgan.

Mixed Games: Doug Keys, Cathy Keys, Ray Larsen, Howard Manchester and Phyllis Workman.

Men's Bonspiel: Glen Vasey, Ed. Boyd and Jim VanBridger.

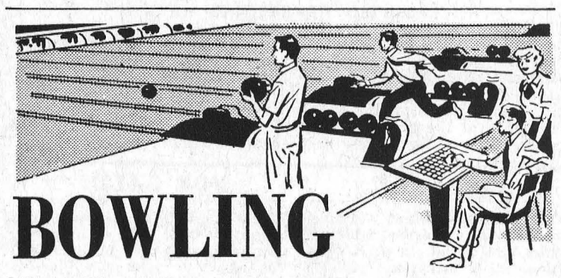
Mixed Bonspiel: Gerry Holmes, Gary Collins, Bill Collins and John Gray.

Music: Harvey MacIntosh and Dr. G. Barton.

Bar: Ran Wyle and Dalton Kenney.

Turkey Draw: Howard Summers, Harry Hutchinson, Harry McNeill, Fay Shaver and Bryson Patterson.

It was agreed that club crests would be available to all curlers this year at a suggested price of $2.00 each.



BOWLING

Five different leagues are back in action at the Corner Lanes and early reports indicate records will topple this year. Since there are so many competitors, the Press will again this year follow the pattern established near the end of last season. "550" will again be the goal to reach to insure having your name published in the weekly report. Possibly as the season progresses and scores soar higher and higher, a new "mark" will have to be set.

COMMUNITY LEAGUE

Arn Stobo rolled the high cross combining scores of 223, 219 and 225 for a 667 total. Janet Holmes had the best single, 272-648. Bob Levere had a cross of 618.

FIRESIDE

High cross of 721 was scored by Bill Hogaboam with singles of 241, 254 and 226. L. Kenney rolled the best single, 269-665. L. Guy had 651, L. LaPorte 586, Maynard Cinnamon 576.

GAY TWENTIES

Norman Robinson led the field in this league scoring a high single of 243 and combining other singles of 183 and 185 for the high cross of 611. Other scores were: Don Mattice 593, Harold Dillabough 580, Milton Robinson 574, and Larry Sayant 563.

HAPPY GANG

High cross winner here was Elsie Thompson playing strings of 226, 137 and 197 for 560. Marg. Dalgleish scored the best single, 249-552, and Doris Kennedy barely topped the "mark" with 556.

LADIES' LEAGUE

Alma Douglas combining singles of 233, 164 and 194 rolled the high cross of 591. Cathy Prices 234-535 was best single and Janet Holmes scored an even 550.

Bowler of the week: Clifford Warren, playing in Community League, rolled singles of 243, 219 and 253 for a total of 715.

Community League

High cross and high single both to Clifford Warren. Arn. Stobo had 644, Leroy Empey 576, Grace Stobo 563.

Fireside

Lloyd Kenney with singles of 216, 183 and 238 scored the high cross of 637. Best single was rolled by Wayne LaPorte, 239-566. Jack Plummer had 591 and Irvine Skuce 581.

Gay Twenties

This league apparently found the lanes a bit long and only two made the "printed page." Milton Robinson with the high cross of 599, with singles of 182, 187 and 230, and Larry Sayant with the high single 239-572.

Happy Gang

Not too much "happiness" here either. No bowler was able to get over the bowler's "hog line" of 550. Doris Kennedy was closest with 528.

Ladies' Bowling League

Cathy Price and Janet Holmes tied far high cross honours in this league, both with identical scores of 574. Janet's 230 proved the best single. No others over the 550.

Final Tribute Paid Memory Clement Burch

Funeral services were held on October 12th at McArthur and MacNeil Funeral Home, Cornwall, for the late Clement Burch, who passed away after a long illness. Mr. Burch had resided in Mountain Township at the home of Mr. and Mrs. Walter Spong for the past 10 years, only having moved to Cornwall last April.

He was in his 87th year. Two sisters and a brother survive, residing in England and South Africa respectively.

The funeral service was conducted by Rev. Archdeacon Bradley of Trinity Anglican Church, Cornwall. Interment was in Woodlawn Cemetery, at Cornwall.

Halloween For UNICEF

One week from tonight the youngsters will be out in abundance appearing in a variety of costumes, knocking on doors and asking trick or treat. For the wee ones it will be mostly treat. For some of the older types it is often "trick", and so long as the tricks are clean and not intentional toward life or property nobody really minds.

This year in Winchester and, indeed, in other communities where this newspaper is read, it is hoped that many of the youngsters will at least be organized to collect in a few dollars for the United Nations Children's Fund. By suggesting this there is no need to lessen the fun of the young ones. Simply, besides picking up a treat they may also be rewarded with a donation, courtesy of the adults. The donations, of course, go towards UNICEF.

UNICEF is designed to help millions of children who are ill-fed, poorly clothed and unschooled in underprivileged sections of the world. They are really "faceless" children, but countries like Canada may help. UNICEF, participated in by 120 countries with 477 projects, is a co-operative effort to improve the lot of these children. For each UNICEF dollar from the UNICEF fund governments provide the equivalent of $2.50 on approved projects.

Perhaps the question will be asked, what can a dime dropped in an orange and black UNICEF box on Halloween night accomplish in the face of such a mind-shattering daily tragedy? The children holding the collection boxes will correctly tell you that one dime will provide sixty glasses of milk anywhere in the world where they are needed. In Biafra to-day for instance 60 glasses of milk in one community would be a near miracle.

Winchester and district youngsters can help. And a word here to the older types who are generally looking for something to do, and particularly on nights like Halloween. Instead of fighting the establishment this year, why not switch? Switch from a night of nothing in particular to a night of satisfaction by collecting a few dollars for a lot of kids around the world who would give their eye teeth to be in your position.

Finally, a sobering thought. Every day 30,000 children on this planet die of hunger and disease. Every day 30,000 children lose the most fundamental rights a human being can have. And every day, relatively speaking, the world loses —in children — the entire population of a medium size Canadian city. That's every day of every week of every month of the year . . . because they couldn't get enough to eat. UNICEF can help if we help UNICEF!

A Nightmare Shaping Up

Few people have given it more than passing thought. And perhaps this is one of the chief problems in the formation of a new regional school board to administer the affairs of all the schools in the United Counties and Cornwall.

As a result, a large size nightmare is shaping up in psychedelic proportions with the real start beginning on election day, December 2nd. Just off hand the average John and Mary Doe who have a vote in this election know little if anything about regionalization of schools. One of the reasons they know little is because communications between the authorities who may know, the Department of Education and the people, have been almost nil. How in the world can people vote for something of which they know little or nothing.

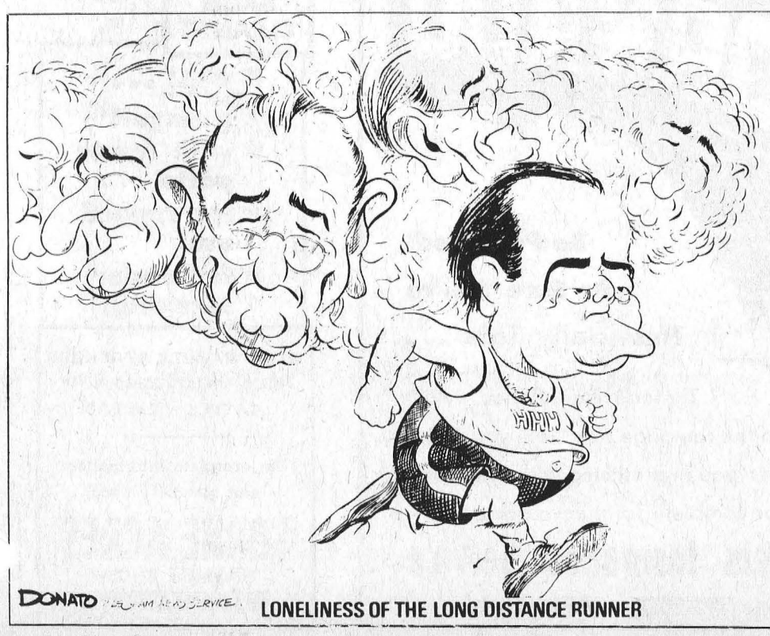
In the Winchester area there will be "one" member only on the school board and he or she will represent all of the villages of Chesterville and Winchester and the township of Winchester. This, opposed to the present system whereby there are school boards in each municipality. What a difference, and all, practically, over night.

Too much too soon this newspaper believes without trying to throw cold water on what, otherwise, could be a real step ahead in the administration of education. And administration is the key word in this new phase. For instance, one of the very first steps which, perhaps, should have been taken by the temporary board is to have secured the services of a competent administrator. This man must have proven qualifications, a former teacher, principal and administrator. And he must be paid a most attractive salary.

On January 1, 1969, a new school board takes on the almost overwhelming task of running all of the schools in the United Counties. The problems will be astronomical, and so will the complaints. The costs will certainly shoot skyward if right decisions are not immediately reached and if the right personnel are not hired soon.

There is also the crucial department of conscientious and fair representation from every section of the region. This is why the most competent people should seek the office and why the most competent persons should be elected. With all due respect to the people who may decide to run for office there is a good chance that the best representative will not be elected. Indeed, he will not be nominated, for the men who are best qualified to fill this position also happen to be the most successful in their business and profession. They simply do not have the time, and the honorarium suggested falls far short of being sufficient. Unless men of this calibre are prepared to sacrifice the time there is a good chance the first and perhaps most important kind of school regionalization will be sadly lacking in quality.

Much thought should be given this matter now by every person who pays taxes towards the upkeep of the education system in this area. There are hurdles to overcome and frustrations to be conquered. The actual system of education hangs in the balance.



DONATO — LONELINESS OF THE LONG DISTANCE RUNNER

Sugar and Spice

by Bill Smiley

An Apology From Smiley

Every so often I get myself into such a bind that a razor blade and a tub of hot water seem the only honorable way out. The sole reason I am still with you is that either my wife has just ruined my last blade shaving her legs, or everybody in the house has just had a bath and there's no hot water left.

I'm in one of these now. Bind, that is, not bath. First of all, the Slovaks are after me. In a recent column about the Czechs, I used, not inadvertently, the phrase "those lousy Slovaks."

Six of my 12 Slovakian readers took exception, reading it out of context, as people always do when they want to take exception.

No less a person than Louis Gorek, secretary of the Slovak Benefit Society, read my article "by chance." By chance my foot. It was obviously sent to him by some lousy Czech. He wrote a letter to the editor, which ends with the intriguing expression, "Whoever is going to seed a hate will find himself in a hatred."

Another letter to the editor, signed by six Slovak veterans, suggested that I was not only IGNORANT, but a member of some Nazis (sic) organization. Well, I'd rather be lousy than both ignorant and a Nazi. (I am ignorant, was lousy when I was a P.O.W. and have not been, nor ever expect to be a Nazi.) Curiously, this letter too contains the expression "If you are going to seed a HATE, you will find yourself in a hatred." Collusion, what?

Well, good Slovaks, and your ladies I apologize. If our educational system was any good, you'd have known what I meant. The original said, "Here you are, a good, honest Bohemian (Czech). After World War I you are thrown in with those lousy Slovaks and told you are now a Czecho-Slovakian.

Let's change that. Make it read, "Here you are, a good, honest Slovak. After World War I, you are thrown in with those lousy Bohemians and told you are now a Czecho-Slovakian."

And that's about what they think of each other. Divide and conquer, I always say. But now I'll have the Czechs after me. The next Balkan war may be fought right here in Canada, with yours truly slap in the middle. The only way out that I can see is to buy two tickets to the next ball sponsored by the Slovak Benefit Society.

But even the vision of slavering Slovaks and choking Czechs seeking my blood doesn't bother me nearly as much as the next ordeal in my current bind. I'd rather face 100 of them, bare-handed, than go through with it.

I have to make a speech to the Women's Institute. I would rather walk barefoot over a glowing bed of red-hot go-go girls than make the speech. However, it's my own fault.

Their secretary wrote me last June, asking me to speak. I ignored the letter, hoping it would go away, or that I'd die. Then came the mail strike. Thought I was safe. Not so. Early September she wrote again, sharply reminding me.

Still I stalled, but no use. It wasn't my sense of honor that made me accept. It was the fact that the secretary's daughter was in my home form. Every day she sat and looked at me with huge, reproachful eyes. Finally, I broke, and blurted, "All right, Marsha, all right! Tell your Mom I'll do it." She beamed. Her teach hadn't let her down.

What in the holy old red-eyed world does one say to a group of first-class women who have already heard a speaker on every possible topic?

Well, I have my opening paragraph ready. It goes like this: "The Women's Institute should be wiped out, with fire and sword, if necessary. Speaking as a man, I would like to see every branch smashed, all records put to the flames, and any executive members who might be caught sent to Canada's tundra to spend the rest of their lives making motions and resolutions and phoney Eskimo carvings and not asking people to speak to them."

On second thought, maybe I'd better take on the entire Czecho-Slovak population of Canada, and get it over with quickly.

The Column Seventh

We do not think that rules are made to be broken. "Revised" is a better word. It seems, though, that every time we turn around to-day someone is screaming bloody murder about the rules. It would be a sad place if we did not have a set of rules to follow-to-day...the kids would be running the schools, the hippies would be taking over the government, the protesters would eliminate the laws of the land and the dogs would be taken out of Lansdowne Park. And a case in point is the canine question at Ottawa Rough Rider home games. Seems a few people have taken exception to the "police state" laws which allow security officers to lead muzzled dogs on a leash. The idea is not really to use the dogs unless an absolute emergency arises. The dogs are to remind everyone that the aim of the Football Club is to control crowds so that everyone can enjoy an afternoon at the park. And there are times when crowds must be controlled. The great majority of fans go to the games for one reason...to see the game. There are others in attendance, legitimately or otherwise, who have designs on cutting up at just about every opportunity. Large crowds carried away by super charged emotions are not easy to control. There have been many instances, not necessarily in Canada, where people have been seriously injured, even killed in human stampedes at sports events. Ottawa Football Club does not want this to happen. So they bring out a few beasts each week which would scare you to look at them. And that's about it. If there was some guarantee that all of the people would follow all of the rules all of the time there would be no necessity for the dogs or any other security for that matter. But the football club knows better. They know that in an age of pot and booze as we live in to-day emotions run high, sometimes at the least little thing not to mention a cliff hanger of a football game where maybe the refs have blown a call, or the other team won on a foul play. The dogs are there chiefly as a "behave yourself" reminder. Most of us who attend games regularly never even see them. Some day they may have to use the dogs, maybe even to protect the innocent from being injured, possibly killed. Wonder who will yell "police state" then?

BIAFRA . . . *A Special Report By Gordon Blair*

The Nigerian civil war and the plight of Biafra has become one of the outstanding controversial matters in Parliament this session. Ordinarily, the Opposition in particular have been concerned about questioning the Government on domestic matters. This is one of the few occasions where the Government has been severely challenged on an external matter. This parliamentary discussion reflects the widespread publicity recently given by the press.

To a new Member of Parliament this episode gives rise to a number of questions. What are the issues involved; what are the merits and the demerits; what is the real extent of Canadian involvement; what are the duties and responsibilities of an individual Member of Parliament?

We are witnessing a terrible civil war in a federal state. One racial group in the state, the "Ibo tribe," wishes to establish its independence and secede. All observers agree that the war has been conducted with almost unbelievable savagery on both sides. We now see one of the most terrifying weapons and consequences of war — the hardship and the starvation inflicted on a civil population. It is this suffering which has excited the consciences of Canadians and gives rise to the serious determination that we should do something to alleviate it.

What can Canada do? By ourselves we cannot stop the war. There has been no suggestion ever that we should intervene with our Armed Forces to restore order in Nigeria. The type of intervention which has been suggested is that we should take all possible steps in the United Nations, and otherwise, to bring an end to the conflict. Insofar as Nigeria is concerned, this is "intervention" in a civil war in that country. Equally, it is regarded by the Organization for African Unity, i.e., the States of Africa, as intervention in African affairs. This is resisted by Africans on grounds of national principle and also because they resent the suggestion that "white" nations should arrogate to themselves the right to intervene in African affairs. What is notable in this episode is that not only have the great countries of the world abstained, but all the new countries as well. The Secretary General of the United Nations, U Thant, who in many respects is a spokesman for new and emerging nations, has refrained from suggesting any international action of any kind to stop the conflict. The fact that Canada, by itself or in concert with other nations, has not "interveed" in this civil war is not in any sense a recognition of the "niceties" of diplomacy, but rather a basic fact of the present age.

If, as regrettably seems the case at the present time, there is no international action possible to bring about the end of this civil war, Canada has directed its attention to the provision of humanitarian relief. For a number of months various voluntary agencies—the Red Cross, churches, and other international charitable groups, have been endeavouring to get relief supplies into Biafra. Despite the conflicting statements made by many people, the obvious truth is that there has been, until very recently, no established procedure to do this and no general concurrence with the Nigerian government clearing the way for flights to Biafra. It is Canada's action at the United Nations and elsewhere which has made the necessary arrangements with the Nigerian government providing for unrestricted, round the clock flights of aircraft into Biafra carrying relief supplies. The Canadian government has made three Hercules aircraft available, together with a large supporting force of more than 80 men, to service an airlift of supplies into afflicted areas in both Nigeria and Biafra. It has also donated supplies and money to the extent of one million dollars for the provision of relief by the International Red Cross. Now that the means of transportation have been established, the way is open for the Canadian public and voluntary organizations to provide additional funds and additional relief.

The discussion of Biafra gives rise to the second series of questions. What has been the effect of all the public tumult and discussion? For example, the Sunday night television programme a week or so ago dramatically portrayed the suffering of the Biafran people. It urged Canadian listeners to get in touch with their Members of Parliament and urge action. In the few days following that broadcast I received four phone calls and three letters. I suppose, over the whole time when Biafra has been in the news, I have received not more than half a dozen other telephone or written communications urging relief for suffering in Biafra. One of the Grenville-Carleton constituency papers last week printed a form letter, specifically addressed to me, urging me to take action with the Canadian Government. Within a six-day period following the publication of this issue, I received five such coupons filled out by constituents. What interpretation should we give to this very small response to the dramatic and continuous discussion of this problem? Does it mean that people generally are not interested? Does it mean that people feel that the Government has done all that it can reasonably do? Does it mean (I hate to think so) that many people feel there is no point in them as ordinary citizens registering their views on this or any other important issue facing the country?

This gives rise to consideration of what a Member of Parliament should regard as his duties and responsibilities. Should a Member sit back and finely balance public response to this or any issue? I don't believe so. I also do not believe that any responsible government should carry on its obligations merely by endeavouring to respond to polls or other immediate evidences of public opion on any issue. Some matters call for action and decision —popular or not. Holding this view, I feel that the Government of Canada has done what it is possible to do; it has opened the way to the provision of relief for Biafra; it has set an example to Canadians in general which fully they may follow by contributing generally to various forms of voluntary relief for the Biafran and Nigerian populations.

The final results from Biafra are not in. One hates to contemplate how much longer the civil war may continue and the suffering which it will exact from the innocent civilian populations. What Biafra has shown is that the conscience of a considerable number of Canadians can be challenged by events in a far-off country, and this is to the good. Whether we as Canadians like it or not, it has also shown the limitations of what Canada can do in the international arena. We have achieved what might be called a typical Canadian solution. We are making a major contribution to the provision of the relief for starving people. We have already encountered intense criticism abroad for interference in African affairs; we are, of course, criticized at home for not interfering enough.

out of your own grain as feed for cattle and hogs?

Your own grain, even though it may be of top quality, does not by itself provide a balanced ration for your livestock. So when you are getting your grain ground at the mill increase its value by adding concentrate or mill feeds, mineral and perhaps molasses. You'll find it will pay you with improved results.

If you have a special problem with your livestock and require a special mixture, just provide us with the formula and we will mix it for you. Or, if you prefer, we will be glad to help you make up a formula. We have a good amount of information available and try to keep a supply of special minerals and vitamin mixes on hand at all times.

"Reaching" For The Top

Television viewers from this area were pleased on a Tuesday night when four N.D.D.H.S. students, by a marrow margin, defeated South Grenville (Kemptville) contestants.

The program was the ever-popular "Reach For The Top," and the local team will now stand by awaiting another winner in the long elimination process.

Members of the winning combination, shown digging for more and more knowledge, are, left to right, Arthur Carkner, Kristi Vilmansen, Chris Brown and Norman MacLeod.

Carleton Separate Schools Preparing For Board Changeover

Separate School Boards in Carleton County plan to hand over to the new County Board a workable schedule when it takes office on January 1.

Early in the summer the Interim Separate School Organization Committee for Carleton County was formed and has been meeting regularly since then. This interim committee is made up of one board member from each of the present boards from the townships of Fitzroy, Torbolton, Huntley, Goulbourn, March, Marlborough, Osgoode, North Gower, Nepean, Gloucester, and also including the township of Cumberland. (Ottawa, Eastview and Rockcliffe are excluded from this area).

Questionnaires given to each board have been carefully completed and the results tabulated. Armed with this information, Interim Committee Chairman C. B. MacDonald set up committees at the last meeting for further breakdown and tabulation of the reams of data pertinent to the many schools.

Chairmen of the various committees comprise a Management sub-committee. All committees have already held separate meetings and will co-ordinate their findings at a management meeting this week.

Public Relations committee is made up of Joe Rowan, St. Catherines, Metcalfe; Michael Kelly, St. Leonards, Manotick, and Herb Moloughney, St. Philips, Richmond. This committee has been entrusted with the task of keeping the public informed on the transition from the multi-board system to the new system of school administration.

Robert Slack, Principal, St. Leonard's School, Manotick, has been appointed Chairman, Teachers Committee, to work with the I.S.S.O.C. committee.

When the new board, which will be known as Carleton Roman Catholic Separate School Board, takes office on January 1st, 1969, it will consist of 14 members. The new Board will be elected in the same manner as Municipal councillors. Area representation will be based on population. Consequently, Nepean will have 6 members; Gloucester 4, Osgoode 1, Cumberland 1, Fitzroy, Tarbolton, Huntley and March, 1; Goulbourn, Richmond, Stittsville, North Gower and Marlborough 1.

It is anticipated present boards will be asked to act in an advisory capacity until such time as the new board becomes familiar with the difficult duties.

OPP WEEKLY REPORT

Halloween & The Law

Ontario Provincial Police in Dundas County last week patrolled 14,770 miles while working 1,020 hours. During this time officers laid 103 charges under the Highway Traffic Act and also issued 47 warnings. There were four thefts and two break and enters, investigated by officers in Morrisburg and Winchester Detachments, along with three disturbances and 15 miscellaneous complaints. Ontario Provincial Police officers also investigated seven property damage accidents on area highways.

Magistrate's Court was fairly quiet during the past week with officers spending a total of 13 hours in court and registering 40 convictions.

During the past two weeks, there have been two sections of the Criminal Code of Canada quoted, in relation to the approach of Halloween. It might be a good time now to remind all of our drivers in Dundas County that on that special night, so many of our young children will be going out dressed in all sorts of costumes, and with all the excitement of going from house to house, they might not remember all the traffic safety rules which they have learned. Therefore, it is up to all of us, when we are driving on that night, to drive with the utmost care and caution.

From The Code

With the approaching of the witches and goblins, now would be a good time to bring the following section of the Criminal Code to the attention of all the people in Dundas County:

Section 162 of the Criminal Code states: "Every one who, without lawful excuse, the proof of which lies upon him, loiters or prowls at night upon the property of another person near a dwelling house situated on that property is guilty of an offence punishable on summary conviction."

UCW Group Meetings

Vancamp

The U.C.W. of Vancamp United Church held its meeting at the home of Mrs. Lyal Levere at Manotick on Thursday evening. Mrs. Dawson Levere conducted the worship meditation, while Mrs. Dawson Levere Jr. had the study book.

Business was discussed by the president, Mrs. Nelson Bellinger, and all were in favour of a pot luck supper at a later date. Lunch was served by the hostess and ladies in charge.

Mountain

The U.C.W. of Mountain held their October meeting at the home of Rev. and Mrs. Black with a good attendance.

Mrs. Wm. Gibson, president, opened the meeting with a Thanksgiving poem and prayer. Business was conducted as usual and plans made for an Anniversary Supper on October 28.

The programme committee, Mrs. Lyle Coughler and Mrs. Gordon Robinson, took charge. Mrs. Coughler gave a splendid talk on a chapter of the study book on China, and Mrs. Robinson conducted the worship service the theme being Thanksgiving. Mrs. Carl Simms sang a solo with Mrs. Ewart Simms at the piano.

The meeting closed with prayer and the menu committee served lunch. Mrs. Gibson thanked Mrs. Black for her kind hospitality.

Pleasant Valley

The October meeting of Pleasant Valley U.C.W. was held at the home of Mrs. Kenneth Hunter with nine members present.

Topic for the evening was Thanksgiving, and all readings were based on this theme. Mrs. Herbert Wallace led in prayer and Mrs. David Gilmer prepared devotions. The president thanked Mrs. Hunter and Mrs. Gilmer for the home and program.

A temperance reading was given. The president announced a Rally to be held at South Mountain on October 22nd, with both afternoon and evening sessions.

The collection was taken and Mrs. W. J. Gilmer visited the Birthday Box. It was decided that a pot luck supper would be held on November 16th in the LO.L. Hall. At this gathering the Dime cards are to be handed in. Mrs. Jas. Neilson is to prepare the program and each member is asked to provide lunch. The travelling basket is to be sent around in November.

Plans were made to entertain the Junior Choir from the White Church at the Anniversary evening service.

The meeting closed with the Mizpah Bendiction and the East group served lunch.

Since 1922 Canadian Tire has, time and time again, been the first to bring to Canadian motorists, at realistically low price, the very newest in material and tire design.

Even now we introduce glass-belted, 2D Polyester Cord Tires. The most revolutionary ever conceived by automobile and tire . . . manufacturers. So good a tire, it will eventually replace all others.

Hence, looking into the future, we're concerned about a rather large tire inventory and manufacturer commitment of all Nylon and Polyester (non-glass belted) tires. So here they are offered at low, low prices for quick disposal . . . first come, first served.
