It only takes a second... ...to see the need for disability insurance.

Accident Scene

Accidents and illnesses are facts of life.

They can happen to anyone at anytime. And in a second, they can change your life forever.

Your chance of becoming disabled for 90 days or longer at least once prior to age 65 is 1 in 3*.

It's like your future is hidden behind one of three doors. Two of them lead to good health.

The other leads to disability. Go through the wrong one and you lose.

Are you willing to play the odds? Can you afford to let that happen?

Juli can help you establish a disability insurance plan best suited to meet your individual needs.

# *Dear Valued Customers,*

To say it's been a long winter is an **understatement**. Hopefully, Spring is just around the corner. Spring is always an exciting time in the fashion industry. Our buyers were hard at work **eight months ago** to ensure that we would have the latest in **styles and colors** available for our customers for Easter 2001.

Rhonda and Jen have made sure that **The CountryGirl** has the latest in fashions from **Ingenuity, Tribal, Tabi,** and many others. The new colors in Ingenuity suiting are smashing, along with the new tops and bottoms to co-ordinate with your existing wardrobe. **Capri Pants** are a hot item again this year, featuring lots of bright colors and varied lengths. Whether you need a formal dress, co-ordinate, or ladies' sportswear, you will find our **Spring Fashions** both affordable and fun.

Dan has made sure that our Men's selection of casual pants from **Haggar** and **Pantofino** is superb, and are all wrinkle free, in varied styles and colors. As always, our selection of sport and polo shirts from **Cotton Reel, Columbia, Arrow** and **I. Miller**, are great with new styles and shades. Be sure to check out our Canadian made suits, starting at just $325.

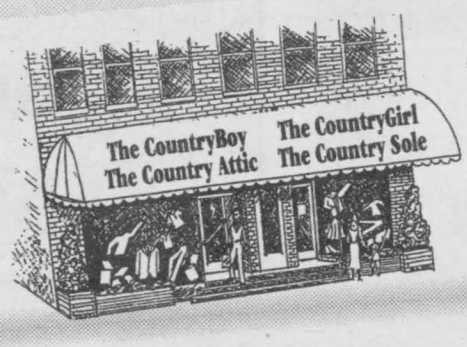

Thanks to Lisa, our **Country Attic** is stocked with all the great fashions for the **young and the young at heart**. Lisa's spring wear features the latest in **Columbia, Point Zero, Ikeda, French Dressing, Silver, Mavi, TXT, Buffalo,** and many independent labels. It will be another great spring at The Attic!

The **Country Sole** has always been proud of its sandal selection for all ages, for both men and women. Many of our ladies' sandals feature a removable insole. Brand names including **Columbia, Deer Stags, Volks Walkers** and **Viking** guarantee you great quality at fair prices.

Take time out and visit one of the largest selections of quality men's, ladies' and teens' fashions and shoes in the Ottawa Valley!

## Cut faster... condition better

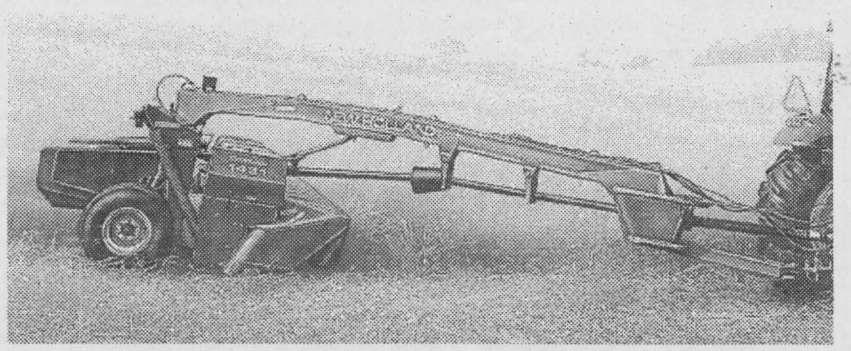

For greater maneuverability and higher efficiency, nothing beats the Model 1431 Discbine® disc mower-conditioner from New Holland. It features a 13' cutting width, and operates at high ground speeds in wet, heavy grass without plugging. Fire anthills and gopher mounds won't stop the new Model 1431 either.

Outstanding features include:

- A center pivot-tongue design
- Independent modular cutterbar with ten small-diameter cutting discs
- 102" wide conditioning rolls
- A full range of vertical and lateral flotation
- A torsion-bar roll-pressure system
- A cutterbar driven from both ends

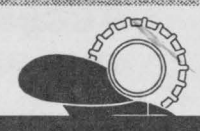

For maximum harvesting efficiency, check out the Model 1431 Discbine. It's the best in the field.
