Local Track Team Was Second Best

Winchester High School track team captured second place at the Annual Meikle Cup Track and Field Meet, held last Wednesday afternoon at St. Lawrence High School, Cornwall.

The highly rated team from Cornwall Collegiate and Vocational School swept the event with a high total of 30 points. W. H. S. followed with twelve points, with Morrisburg Collegiate, last year's winner, placing third. Other competitive teams included Finch High School, Alexandria, Chesterville and St. Lawrence High School.

Considering the amount of time spent in training for the big day, the local track team did well, and the taste of glory will undoubtedly give then added incentive to go after the cup when next October rolls around.

The win circle for W. H. S. was headed by D. Folkard and J. Steele who won the Running Broad Jump and Running High Jump respectively. Bert Duncan took third place in the 120-yard hurdles to make up Winchester's twelve points.

In the open events, which did not count on the Meikle Cup total, Allan McRoberts of W. H. S. ran his way to second place in the Junior 100-yd. dash, and the W. H. S. relay team won the 440-yard relay race. In the girls' events, the W. H. S. entry placed third in the 220-yard relay race.

The Meikle Cup Day is an annual event and keen interest is shown by all competing schools. Over 2000 persons attended last Wednesday, with approximately two hundred students from W. H. S. journeying to Cornwall via the school busses and autos to support the local track team.

Following the afternoon events, a mammoth luncheon was held in the gleaming cafeteria of the new St. Lawrence High School. Many guests were present including the staff of W. H. S., the track stars, and Mr. W. J. Stewart, Inspector of Public Schools in Dundas County. At the luncheon the Meikle Cup was presented to the winning team, as well as individual awards to the event winners. It is interesting to note that three of the dignitaries at the banquet were all former teachers in Winchester High School. They are: Mr. Remi Lalonde, Principal of St. Lawrence High School; Mr. Robert Robinson, vice principal of the same school, and Mr. Ralph Froats, vice principal of C. C. V. S.

"HOOT" OWL CAUGHT IN LOCAL UNITED CHURCH

A young, and not so wise "Hoot" Owl was caught and destroyed in Winchester United Church last Saturday morning. Caretaker Herbert Robinson, who was preparing the auditorium for the special anniversary services, discovered the "Hoot" flying around in the organ loft. He immediately summoned Messrs. Eldon Fennell and Gordon Coons and together they outwitted the owl, caught and destroyed it before any harm was done.

How the bird sneaked into the church is not known. Luckily, it's presence was made known before the morning service, else an unexpected solo might have been heard by the large congregation.

LOCAL UNITED CHURCH HOLDS ANNIVERSARY SERVICES

A large congregation took advantage of a bright, crisp autumn morning last Sunday to attend the Anniversary Services at Winchester United Church.

On the invitation of the church board, the newly inducted minister of the church, Rev. Thomas N. Mitchell, presided at both morning and evening services.

Taking for his subject, "A Living Church," he preached in the morning from Matthew 16:19: "And the gates of hell shall not prevail against it." Mr. Mitchell said those directly opposed to the Church were not its greatest enemy. "History has proved that the church had withstood persecutions and had arisen triumphant. Indifferent and apathetic Christians were the church's worst enemy. Neither is the church a retreat from the evils of the world nor an insurance policy for entrance into heaven," the speaker said. "The church was an organization for service, based on the teachings of Christ."

Special music at the morning service included a solo by Mr. Ronald Freeland, "The Penitent," (St. Luke 15:19), and an anthem by the choir, "Love Divine."

At the evening service, Miss Phyllis Walker sang: "Oh Love, That Will Not Let Me Go" (Harker), with the choir singing: "Make This Praise Glorious," by Simper. Mrs. Howard Fetterly, the church organist, directed the choir at both services.

For the anniversary services, the choir loft and chancel were beautifully decorated with yellow and bronze mums and Virginia Creeper. Mrs. Oscar Wallace was convener of the decoration committee.

The main topic will concern the Water and Sewerage question and the proposed survey to be taken of Winchester. Discussion will be led by Dr. A. E. Berry, of the Provincial Dept. of Health, Toronto, who will also be the guest speaker.

Your interest in the Chamber of Commerce and Winchester will be evident by your presence at this important meeting.

"MID-CENTURY CRUSADE"

Evangelist Billy Graham's official, technicolor, sound film, "Mid-Century Crusade" has been termed by many as the picture of the year. It features the First Vice President of Youth for Christ International, Dr. Billy Graham, in actual compaign programs—his dynamic messages—also the ministry of such outstanding Gospel musicians as Beverly Shea, formerly of Ottawa; Cliff Barrows, famous Youth for Christ song leader; Tedd Smith, former pianist of Toronto Youth for Christ, and many others.

The great audiences in the Portland campaign are shown along with many interesting events that took place during that campaign. The film is ideal for showing what can be done when churches get together to plan and pray for a spiritual effort that will create a city-wide impact.

The picture will have its showing in the United Church, Winchester, on Tuesday evening, October 30th, at 8 o'clock., under the auspices of the Christian Business Men's Committee of Mountain and Winchester. There will be no admission fee, but a free-will offering will be received for the ministry of Billy Graham. The public is cordially invtied.

Triple Robbery Staged Early Sunday Morning

A group of small-time, dog-in-the-manger thieves, not content with one break-in in an evening, staged a triple robbery in three separate places in Winchester and Williamsburg early last Sunday morning.

Starting in Winchester, the culprits broke into the Supertest Warehouse at the local C. P. R. freight yards and stole a small amount of cash. From there they continued to a C. P. R. tool shed, west of the Station, and escaped with several valuable tools. Deciding there was nothing more to offer in Winchester, the thieves journeyed to Williamsburg where the garage of Rae Steinburg was their next target.

Breaking into the garage, the robbers tore open the doors of the safe with the use of the stolen tools, and after ransacking its contents, took twenty dollars in cash and a quantity of cigarettes.

The C. P. R. tools were left lying at the open door of the safe. The total loot from all three jobs amounted to some cigarettes and a small amount of cash.

In their haste the thieves, by tampering with the combination, locked the door of the safe which, according to Mr. Steinburg, had been left unlocked. To open it, they had to smash it with the use of the stolen C. P. R. tools.

Royal Canadian Mounted Police, Provincial and Municipal Police are working together on the case and, although substantial clues have been uncovered, no arrests have been made.

WARDEN H. DURANT HONOURED BY COUNCILLORS

The annual luncheon and presentation to the warden by members of the United Counties' Council took place on Tuesday noon of last week at the King George Hotel, Cornwall.

The presentation was made by T. Scott Fraser, reeve of Lancaster Township and chairman of the finance committee, who acted as chairman.

J. H. Maginnis, reeve of Osnabruck township and chairman of the roads and bridges committee, read the address: "You have filled the office of warden in a manner which is a source of pride to every member of this council," said Mr. Maginnis. "You have maintained the dignity, decorum and the high traditions built up over the years, and every member of council refers to you as their warden with a feeling of pride. We will always recall with a feeling of pride and satisfaction the year we served these United Counties under your guidance and leadership."

Mr. Durant replied briefly, expressing his appreciation for the beautiful gift and good wishes.

Grace was said by Frank Darling, reeve of Williamsburg township.

Immediately after the luncheon, council members left on a tour of inspection of the new Glen-Stor-Dun Lodge and St. Lawrence Sanatorium.

Council opened its October session Monday morning of last week in traditional style, and immediately adjourned into committees.

One of the main questions scheduled for discussion was the issue of debentures for $500,000 as the United Counties' share of the new Glen-Stor-Dun Lodge.

100 Club Holds Ladies' Night

The local town hall was the scene of an interesting gathering last Friday evening when members of the Winchester 100 Club entertained their wives and lady friends, and a number of guests, to a Turkey Dinner and entertainment.

Presiding during the evening was the president, Centurian Chester Robinson, who welcomed the ladies on behalf of the Club.

Prior to the luncheon, Grace was sung and the 100 Club Creed recited by Centurian Ralph Walker. Between courses, a spirited sing-song was led by Centurian W. A. Rowat, with Centurian Clare Morgan presiding at the piano.

Following the toast to The King, a toast to the ladies was proposed by Centurian Wm. Servage and very graciously responded to by Mrs. F. M. Cass.

Winners of the Ladies' Prize Boost, conducted by Centurian Nelson Dixon, were Mrs. W. A. Rowat and Mrs. Ed. Boyd. Prizes for the boost were donated by the Jo-Anne Shoppe, which is an annual custom of Centurian and Mrs. Dukelow, the owners. The numbers were drawn by Mrs. C. R. Robinson.

Artists who took part in the program were introduced by Centurian Mel. Scott, Chairman of the Program Committee. They included Mr. and Mrs. Jack Twiname, of Russell, who delighted the audience with several vocal selections, including "Mother Macree," "Poor Little Girl," and "I Love A Lassie," and Mr. Bud Mercier, Manager of the Royal Bank at Vars, and president of Russell Lions Club, whose "sleight-of-hand" tricks and magician acts were greatly enjoyed by all, except Centurian F. Erle Helmer, who had his brand new necktie all cut up with the magician's scissors. Much to the surprise of the audience, the tie appeared in its original form at the conclusion of the act. Mr. Mercier was accompanied by his wife.

The Club's thanks to the entertainers was expressed by Centurian George Elliott, after which all joined in singing "O Canada."

There were about 75 members and ladies in attendance. and catering was done to the satisfaction of all by the Golden Pheasant staff.

LIBERAL CANDIDATE CHOSEN

The Liberal Candidate to contest the riding of Grenville-Dundas in the Provincial Election to be held on November 22nd is Mr. Graham Wells, of Williamsburg. He was named at a convention held a few weeks ago. The Conservatives have not yet selected their candidate, but indications point strongly to the present member, Hon. George H. Challies, again being the choice for that party. So far there has been no word of a C.C.F. candidate being named.

GOVERNMENT SEED REPORTS

Ottawa, Oct. 16th, 1951.

Red Clover Seed

Red Clover Seed production in 1951 is expected to amount to nine million pounds of clean seed. This is nearly two and one-half times the 1950 crop. Most of the increase is in Ontario and Quebec where production is confined almost entirely to the double-cut type. The crop in Ontario is of near record proportions and in fact may reach or exceed the record crop of 1948, provided favourable harvesting weather is experienced. Reported yields have ranged widely from 60 pounds to 250 or more pounds per acre. This fact has made accurate forecasting quite difficult.

Production of red clover seed in the United States has been placed at 87,324,000 pounds of clean seed as against 128,514,000 pounds in 1950. However, there was a record carry-over of 46,227,000 pounds and total supply is only five per cent. less than that of a year ago."

Alfalfa Seed Production

"The first estimate of Alfalfa Seed production has placed the crop at 7,445,000 pounds of clean seed, compared with 12,535,000 pounds last year. This is about 40% less than the 1950 crop and the smallest since 1943. Only in Manitoba is the crop expected to be appreciably larger than in 1950. The greatest reduction is expected in Alberta where in 1950 seventy-five per cent of the crop originated. While production is not expected to amount to much more than one-third that of last year, Alberta will probably account for nearly one-half of the total crop. Growth in the main seed producing areas in Western Canada, except in Manitoba, was too heavy due to excessive moisture for good seed setting."

If you see a pile of leaves along the road or street in the vicinity of where children are playing, do not run over it—a youngster may be under the leaves. We know it is a dangerous practice to cover a child with leaves along the street, but children do not realize this and it is up to motorists to exercise a little precaution in this respect. In the meantime, parents would be wise to caution their children about the dangers involved and ask them to confine this type of play to lawns and yards, and not along the roadway.

Air Pilot's Prayer

I thank Thee, God, that I have learned to fly;
Akin to Thee are we who drift through air.
There's not a single boundary in the sky,
And bright stars glow; it's clean and pure up there.
One sees so plainly all the land below
He questions why men kill, Thy realms deface,
Transforming sun-lit vales to pools of woe
And blood, instead of garden bowers of grace.
I thank Thee, God, that I'm alive and young,
And yet may be an instrument toward peace,
For I believe that though all hearts are wrung
With grief, it's not in vain; just grant increase
Of faith; though slaves of hate, we'll yet be free,
While men soar starlit skies and speak with Thee!

Letters to the Editor

TAXPAYER CHARGES DISCRIMINATION

Winchester, Ont.,
October 15th, 1951.

Dear Editor:—

I believe you to be broadminded enough to look into and bring to the attention of the public the grievance of a ratepayer, after you have checked the complaint with him and find it to be just. My grievance is—discrimination against ratepayers used by those in the driver's seat.

I have farmed in this township since 1914, and repeatedly I have appealed my assessment, securing witnesses to testify for me at the Court of Revision. Their word is taken for granted anywhere except at the Court of Revision, and, although sworn in, their evidence is tossed out the window by the Board who listens very carefully to those in the driver's seat wielding the big stick. Why must ratepayers accept a pig in the bag?

Before me I have a copy of several ratepayers' appraisal sheets, a few of the copies belonging to properties of those in the driver's seat. One is located in Winchester Springs—his house with town conveniences, is rated the lowest of any rural ratepayer of the seven appraisal sheets we have examined, at a rate of $3.62 per sq. ft. The remaining six houses in rural areas are rated from $3.92 to $4.12 per sq. ft. What a sense of justice!

Horse and buggy days are gone, so why not give the ratepayer a break by letting him know how the different soils are classified and the assessment on each? Why is it not stated on the assessment notice (which is large enough to wrap a loaf of bread) the number of acres classed as surface, rock, stone, sand, gravel, clay, muck, clay loam, gravel loam, with the assessed price of each class? Also, the assessed price on buildings per sq. ft. should be given of different classes, namely: poor, fair, good; also wood lots, slash, swamp and marsh land; also rates on furnaces in houses of six to nine rooms, and rates on silos of different sizes and material to construct same.

In five years assessment on my buildings was raised $1250.00. The appraisal sheet of one of the boys in the driver's seat was not raised one nickel. There were no improvements made on my buildings to cause this increase. Why a house of 600 sq. ft., that cost less than $1000 to construct in 1905, assessed for $2382.00, and forty-six years later is still assessed $2382.00, is beyond all reason. Who says we are not assessed for full value?

Five per cent. was added to our assessment for Hydro, and the line ran across our land in 1949. I called at the clerk's office and secured a copy of the appraisal sheet. After examining it I measured my buildings and learned that I had been over-measured by hundreds of feet. Two of my neighbours assisted in measuring the buildings. At the Court of Revision in 1950 they testified to this. After a tug-of-war between parties, the Board exempted me of those extra feet. For twenty years we paid on this over-measurement. Are we not within our rights to expect the Township to make good our loss?

In 1949 it was decided by the Board, after trying my appeal, to have land examined for surface rock by those in the driver's seat. I begged the Board that I should receive advance notice of their coming so that I could have witnesses, who testified for me at the Court of Revision, take part in this inspection. We do not use a shovel to plough and cultivate our land, so I demanded that this test be made with a plough in the fields I was complaining about. During the last of May, when crops were coming good, they arrived to take soil depths, with a shovel instead of a mallet and a small steel rod. They had overrun half of my property before I knew they had arrived. I showed them bare rock a few acres from where I was working. At the Court of Revision in 1950 the boys who took the soil depths claimed they had dug six holes in each field, depth of holes to their knees, without touching rock. As we have separate lots, there are fourteen fields, and six holes to a field represent 84 test holes dug in a growing crop. The party arrived at 10.30 a.m., measured two sets of buildings, climbed over 28 fences, dug 84 test holes, inspected acres of wood lot, and accomplished all this in only one hour and forty minutes.

Thanking you in advance, and wishing your neighbourly paper every success.

VERNON W. I. MEETING

The October meeting of the Vernon Women's Institute was held at the home of Mrs. H. Robinson with an attendance of twelve. The meeting opened with the Ode. followed by the Institute Creed. Reports were given of the Convention held recently in Ottawa.

Donations for the Wnichester District Memorial Hospital are to be left this week at W. J. Porteous Store, in Vernon, or at Clinton Lewis' store at Dalmeny. Plans were made for a Baking Sale to be held in the Orange Hall on Nov. 10th.

Mr. Carmen Coutts, Superintendent of Penitentiaries of Canada, gave an interesting and educational talk regarding Prison Farms.

The hostess, Mrs. Robinson, served dainty refreshments, and a social time was enjoyed.

Plowing Matches Well Attended

Large crowds, clear and sombre skies and some neat plowing were on display at the farm of Mr. Irwin Holmes, one mile east of Winchester Springs, last Thursday and Friday when Dundas County and Eastern Counties' Plowing Matches were held.

Dundas County

A prelude to the final Eastern Ontario Show, which was held Friday, the Dundas County Plowing Match saw 38 entries in the running for plow honours. There were only eight horse entries compared to the 30 tractor entries.

Ten-year-old Ronald Brinston, of Brinston, won the award for the youngest plowman at the match, while Mr. George Hill, of Williamsburg, once again took the honours for the oldest plowman. Malcolm Allison, of Winchester, was crowned the best plowman for the open class under sixteen years of age. A Spencerville man, Mr. John Bruce, carried off the title for the best performance team and also the open competition for the walking plow class.

Other prize winners were as follows:

Walking plow, single furrow, plain or jointer in sod, open to all—John Bruce, Spencerville.

Walking plow, single furrow, plain or jointer in sod, open to residents of Dundas only—Louis Moriarity, Chesterville.

Tractor plow, two furrow in sod, open to all—Douglas Manley, Berwick.

Tractor plow, two furrow, in sod, open to Dundas only—Bert Casselman, Williamsburg.

Tractor plow, open to boys and girls from Dundas; ages 16 to 20 years—Robert Dawson, Winchester.

Tractor plow, three furrow, in sod, open to boys and girls in Dundas only, who have not reached their 16th birthday—Malcolm Allison, of Winchester.

Eastern Counties' Match

In contrast to the clear skies and warm weather that opened the previous day's proceedings, the championship event held on Friday was plagued for part of the day with overcast skies and a cool rain. Despite the bad weather, the match was run off at the farm of Irwin Holmes, where approximately 25 acres of land were well plowed. Forty-six entries, 12 horse and 34 tractors, were on hand to take part in the competition.

Turned up collars and heavy jackets were the order of the day. A sudden rain about twelve o'clock halted the match during the noon hour.

After having sandwiches and hot coffee at the temporary canteen, the plowmen returned to the fields and by four o'clock the last neat furrow had been turned in the field. Judges Alex McKinney, of Brampton and George Hay of Marvelville checked the work of the plowmen as their sections were finished.

Each man was scored on the straightness of his furrows, the firmness, evenness of his furrows and the finish and general appearance of his land.

Entries at the match were on hand from Dundas, East Carleton, Frontenac, Glengarry, Grenville, Leeds, Prescott, Russell and Stormont Counties.

Climaxing the two-day ploughing extravaganza was a mammoth goodwill banquet in the Winchester Orange Hall, held last Friday. Ladies of the Springs and district catered to the luncheon and a special thanks was extended to them for the fine job they had carried out.

Speakers at the banquet included Mr. Frank Darling, reeve of Williamsburg Township; H. E. Durant, warden of the United Counties and reeve of Winchester Township; Judges A. McKinney and George Hay, and Mr. Harry Williams, president of the Eastern Counties' Plowmen's Association.

Prizes for the two matches were awarded to the winners by Mr. Maurice Beckstead, secretary of the Dundas County Plowmen's Association. and Mr. Tace Wade, secretary of the Eastern Counties' Plowmen's Association. Following are the awards presented by Mr. Wade for the Eastern Counties' Match:

Plain plow, narrow bottom, horses—Napoleon Carrier, Hammond.

Jointer plow—Alger Wallace, North Gower.

Plain plows, horses—James Sullivan, Russell.

The Ottawa Farm Journal prize and the Robert McKay trophy for the team of two plowboys from each county who have not reached their 20th birthday at the time of the match—Douglas Manley, of Berwick and Philip Beehler of Crysler, representing Stormont County.

Open to boys who have not reached their 21st birthday by Oct. 31st—Joseph Beehler, Crysler.

Tractors, open to those 21 years and over—Bernard Morin, Berwick.

Imperiol Oil class. Esso winners and reserve winners at branch matches—Raymond Beehler, Crysler.

Tractor, three furrow, 12 inch bottoms—Earl Armstrong, Oxford Mills.

Tractor, utility class—Bernard Beehler, Crysler.

Prize for plow team and equipment—Albert Smith, Chesterville.

The T. Eaton prize for the best plowed land, with a walking plow—Alger Wallace, North Gower.

The Robert Simpson prize for the best plowed land with a tractor—Douglas Manley, Berwick.

WOMEN'S INSTITUTE MEETING

Thirty-five members and guests of Winchester Women's Institute heard an interesting address by Miss Mary Little, Home Economist, of Cornwall, at the monthly meeting held Monday evening in the Town Hall.

The meeting opened with the Ode and the Mary Stewart Collect. In answering the roll call each member named her favourite vegetable. The president, Mrs. Floyd Armstrong, presided, and in the absence of Mrs. B. Potter, the secretary, Miss Ida Knowland carried out the duties. The treasurer's report indicated a balance of $71.61. A motion was carried to send a food parcel to Great Britain, valued at $10.65. A very informative report of the Annual Convention, held at the Chateau Laurier, Ottawa, was given by Mrs. Gordon Coons.

In addressing the club, the guest speaker, Miss Little, told members of the fine accomplishments that were being made for the young people by the Girls' Club formed in conjunction with the Women's Institutes. Miss Little was appropriately thanked by Mrs. W. McKercher.

A feature of the evening was a piano solo, "Nola," by Donald Woods, which was highly enjoyed by everyone.

Concluding the evening, a dainty lunch was served by the committee, Mrs. W. McKercher, Mrs. E. Payne, Miss Eva Justus, Miss E. Gardner and Mrs. Faith.

A vote of thanks was extended the committee by Mrs. F. Erle Helmer.

Obituary

LATE MRS. EDSON ROBINSON

The funeral service of Mrs. Edson Robinson, of Morrisburg, was held Monday afternoon at Knox Presbyterian Church, Morrisburg, with the pastor, Rev. John Hardwick, officiating, assisted by Rev. G. Oliver Davies.

The service was attended by a large number of friends from the district, where her life had been spent and where she was highly esteemed. Members of the Canadian Legion and Women's Auxiliary marched to the church and during the service Mrs. T. Connor sang "The Old Rugged Cross."

Born at Ventnor in 1895, she was a daughter of the late George Mason and his wife, Mary McNeil. She was married at Spencerville in 1919 to Edson Robinson, who survives. They moved to Morrisburg in 1930, where her husband has been on the Williamsburg Canal staff at Lock 24.

Survivors other than her husband are two sons and two daughters—Harry Robinson, of Kingsville, and George Robinson, of Toronto; Mrs. Irwin Harris (Viola), of Toronto, and Mrs. George Donnelly (Madeline), of Morrisburg, and one granddaughter.

Following the service, interment was made in the Union Cemetery at South Mountain. The pall bearers were Messrs. Earl Crober, T. R. Parker, R. Lewis, Herbert Casselman, James Mallen and Bruce Hart.

BOWLING NEWS

(By Uncle Ezra)

Flora's Bowling Lanes were really busy last week, with nearly all leagues playing. Here are some of the scores since opening.

The South Mountain League has been playing for three weeks and has had some good scores. In the first section, Stan. Berry has been top man with scores of 647-254, 611-242, 638-240. Other scores included, Mick Berry 643-240, Chas. Hyndman 605-240. Freda Berry took the ladies' honours with 545-220. In the second section, Marjorie Black has been top lady with scores of 603-246, 604-207, and 537-277. Jean Beamish had 587-244. The men's high scores have been, Ed. Clifford, 587-250; Keith Beamish, 581-204; Orval Morton, 572-238, and Art Milne, 572-246.

In the Fennell Group on Monday, Miss Kay Morgatroyd took the ladies' high cross with 461, with Miss Evelyn Fennell having the best single, 190. Eldon Fennell took the men's honours with 417-180.

Mrs. Marion Dawley was top lady in the Craig Group with a cross of 672, made up of games of 206, 233 and 233. Mrs. Evelyn Craig's single of 286 was best. Stirl. Dawley took the men's cross with 581 and Dudley Craig the men's single with 227.

The Community League got away to a good start on Tuesday with twelve teams playing. Mrs. Marion Ault took the ladies' honours with 525-209. Rolly Barrigar rolled games of 223, 197 and 262 to take the men's cross, 682. Mel. Scott rolled the men's high single, a game of 286, crossing 643. Other scores included: Arn. Riley, 258, 262, 162—682; Gordie Windsor, 633-245; Gordie MacDonald, 616-232; Lorne Byers, 613-262; Frank Dunlop, 613-219; Dalt Kenney, 602-225.

A new all-girls' league started on Thursday evening with four teams. It looks as if they are going to have a lot of fun and for the time being are calling themselves "The Glamour Girls." This may be changed if they can think of a better name. Marjorie Crummy rolled strings of 225, 216 and 176 to take the high cross with 617. Marilyn Patterson took the high single honours with a game of 262.

The Finch League have been playing since the first of the month and have had some very good scores. They have four mixed and four men's teams and all play on Friday nights, starting at 8.30. In the mixed group last Friday, Muriel Binda rolled games of 286, 187 and 172 to cross 645 and take both the ladies' honours. Chas. Binda was top man with a cross of 680, made up of games of 303, 190 and 187. Ellery Ouderkirk had 642-260. Ellery McMonagle topped the men's group with games of 168, 212 and 291 to cross 671. Earl Zeabrath also crossed 671 with a single of 252. Other scores were: Chas. Binda, 654-277; Andy Eagan, 634-222, Glendon Smith, 602-213.

Chas. Binda, the hard-working secretary-treasurer of the Finch League, has possibly been the most consistent bowler at the alleys since they opened this Fall, and holds the men's record scores to date this season, rolling games of 322, 226 and 292 to cross 840, on Oct. 4th.

The Country Gentlemen got started this week with eight teams instead of four. They will be playing on Thursdays at ten and Fridays at seven. Mike Thompson recorded the best cross, rolling strings of 234, 282 and 219 to cross 735. Bob Bronson took the high single honours with a game of 285. Other scores included: Cliff. Berry, 657-248; Dave Melvin, 646-235; Harry Flora, 642-247; Roland Barrigar, 624-262; Chas. Hyndman, 612-221; Norm. Utman, 607-207, Ray Berry, 604-249.

NEWLYWEDS HONOURED

Friends and neighbours met recently at the Orange Hall, Vernonton (nee Grace Holmes) who were to honour Mr. and Mrs. Richard Linmarried recently. Upon the arrival of the bride and groom, a corsage was pinned on the bride's dress by Miss Isabel Park. Community singing was led by Mrs. Duff Crerar, with Mrs. Howard Porteous at the piano. About 10.30 p.m. the couple were called to the floor and an address was read by Mr. John Campbell, while the presentation of a pair of blankets was made by Mr. Bill Porteous on behalf of the Vernon ball team.

Mr. Linton made a very fitting reply, on behalf of himself and his bride, thanking all for the lovely gifts and inviting everyone to visit them in the future. Refreshments were then served and the remainder of the evening was spent in dancing.

On Tuesday evening, October 2nd, Mr. and Mrs. Linton were honoured by the B. Y. P. U. at the home of Mr. and Mrs. Maynard McDiarmid. After a short programme, the couple were called to the floor, where a corsage was presented to Grace by Miss Jessie Carkner, and a boutonniere to Dick by John McMartin. An address was read by Miss Elaine Crowder, while the presentation of an end table was made by James Robinson. Dick replied on behalf of his bride and himself. Lunch was served by the ladies, after which Miss Lorna Carkner thanked Mr. and Mrs. McDiarmid for their kindness.

W. H. S. NEWS NOTES

School Yells

During the past two or three weeks the Literary Society sponsored a contest for students to compose new cheer songs and yells for the school. In an effort to liven up the cheering section and to get rid of the old, worn-out yells, several students sent in some really lively rhymes. Prizes went to Shirley Summers, Joan Thoms and Janet Patterson, and lastly, yours truly.

Alumni 30, W. H. S. 25.

They call it the rugby classic of the year, and perhaps it is in one or two respects. Last Friday afternoon a group of "has beens" (Alumni) tore out on the field and after picking themselves up were ready to clash with the fresh W. H. S. squad. Decked out in everything from Harry Keyes' old pair of "gab's' to Doc. Dawley's "cow clothes," the bedraggled bunch of former W. H. S. stars literally ripped their way through the local team. At game's end the Alumni were once again victors by a 30-25 score.

According to reports, this will be the last Alumni game, due to certain inconveniences suffered by its members. The Alumnae team consisted of Doc. Dawley, Harry Keyes, Glen "Coach" Carkner, Reg. Workman, "Huge" Stewart, Bill Porteous and Harvey McIntosh.

Meikle Cup

Supported by some 200 students who journeyed to Cornwall last Wednesday, the track team of W. H. S. placed second in the Annual Meikle Cup Day. A condensed report of the activities will be found on another page in this issue of the Press.

NUMBER EIGHT: TB

From being the major cause of death in Canada, tuberculosis has now dropped to eighth place. This great improvement may be attributed to developments in modern medical science. But even this knowledge of prevention and cure cannot entirely eliminate the disease without the co-operation of every citizen. The best test for the discovery of TB is the chest X-ray which enables the patient to be treated while the disease is still in its early and most curable stage. Chest X-rays are available free in most parts of Canada and it is the duty of every individual to see that he and his family are given this protective test.

After graduating from McMaster University, she attended the Ontario College of Education, Toronto, and the Technical Training School, Hamilton. She taught at the H. B. FORMER WINCHESTER TWP. MAN RECEIVES LETTER FROM PRINCESS

A former Winchester Township man, who resided in the Chesterville area from 1882 until 1908, now possesses two personal remembrances of the Royal Family. He is Mr. John Lyons, 78-year-old retired City of Ottawa employee, at present residing in Aylmer, Que.

Both are messages from the Royal Train sent in reply to letters he sent the King and Queen during the Royal Tour in 1939 and recently to Princess Elizabeth and the Duke of Edinburgh.

The letter from the Princess bears the Canadian Government Centennial 4-cent stamp showing an old-time train and a stage coach, and a Royal postal mark.

The typewritten message reads: "Dear Mr. Lyons, I am desired by the Princess Elizabeth to express to you Her Royal Highness' most sincere thanks for your letter of 10th October. Her Royal Highness so much appreciated your kind thought in writing. (Signed) Martin Charteris, private secretary."

Mrs. John Milne, delegate to the School for Leaders at L'Orignal, in her report touched on the social life of the school, the challenge of the Bible study and Home Mission study and programme planning.

A skit was presented by the Mountain Auxiliary, and the C. G. I. T. of South Mountain entertained the gathering with a solo and two duets, with Mrs. E. Boyd at the organ.
