Santa to stop by Winchester after full day of village activities

by Matthew Uhrig
Press staff

WINCHESTER — Weeks of planning will be put into action this Saturday during the 15th annual North Dundas Country Christmas Parade of Lights.

The Dec. 3 event is slated to make its way north from the Township of North Dundas parking lot on St. Lawrence Street at 7 pm, traversing through the village streets before a final run down Main Street en route to its finish on Dawley Drive.

To date, an estimated 28 float entries have been registered for the parade, while more participants are expected to sign up in the days remaining before the event.

The names of this year's parade marshals have also been announced, with the ceremonial job going to Ken and Louise Arsenault, owners of The Village Bin in Winchester.

"These two are great community leaders, and they are still happily married after 39 years," said Martha Link-Horvath, parade committee member.

Parade day activities have also been planned for the Winchester Community Centre and the Old Town Hall, all of which is meant to complement the evening cavalcade.

"The one thing that is still needed, that we always need, is volunteers," said Link-Horvath. "The role will be most important at the township building when the floats start lining up that night."

A full day of activities in the church and business communities will offer plenty of attractions, all day long. The annual vendor fair is also slated to make a return, with 36 tables sold to date. Vendors are expected to be set up inside the community centre from 10 am to 3 pm on Dec. 3, while Dundas County Food Bank representatives will also be on hand accepting donations of new children's toys and non-perishable food items.

Late in the afternoon, in the final few hours leading up to the parade, public skating will be available at the Winchester Arena, while a craft session will be taking place at the Old Town Hall.

Other parade day highlights include: two sessions of pictures with Santa Claus (10 am to 1:30 pm and 2 pm to 5 pm, both at the vendor fair); a Bethlehem-themed breakfast, featuring all the traditional fixings, plus animals from Vanderlaand: The Barnyard Zoo (meal time is 8 to 11 am at the Winchester United Church); and photo boards (located at the town hall, Sweet Corner Park, and the arena).

For a list of all Sat., Dec. 3's highlights, and parade day sales from supporting businesses, see the Winchester Press' *North Dundas Country Christmas Parade of Lights supplement inside this week's edition.*

WILLIAMSBURG — By this time next month, the United Counties of Stormont, Dundas, and Glengarry (SD&G) will have a new member at the head of its council table.

A swearing-in ceremony scheduled for Fri., Dec. 9 will give way for Ian McLeod, Township of South Glengarry mayor, to succeed Steven Byvelds for the warden's chair. POLICE BLOTTER

$2,500 in drugs, weapons seized

ELMA — Two men are set to face multiple drug and weapon-related charges following a Wed., Nov. 16 police raid on Marcellus Road (Township of South Dundas).

Officials seized about 1.2 kilograms of cannabis marijuana plants, 70 grams of packaged cannabis marijuana bud, methamphetamine, and a loaded, sawed-off .22 calibre rifle with ammunition.

The street value of the seized drugs and rifle is estimated at $2,500.

Michael Parman and Paul Sabourin were both arrested and ordered to appear on Tues., Dec. 6 in Morrisburg court to face the following charges: possession of both cannabis marijuana and methamphetamine for the purpose of trafficking; possession of a prohibited firearm; possession of a firearm with no licence; careless storage of a firearm, improper storage of a firearm, and possession of a firearm with an altered serial number. Parman also faces a charge of breaching a condition following a previous offence.

Last week's drug bust in SD&G involved a host of police sub-organizations besides the counties-wide detachment, including: the Organized Crime Enforcement Bureau, Drug Enforcement Unit — Project Paradigm; OPP Emergency Response Team; Tactics and Rescue Unit; Provincial Weapons Enforcement Unit; Stormont Street Crime Unit; and a canine-speciality officer.

Teens charged

MORRISBURG — On Thurs., Nov. 24 around 11:30 pm, SD&G OPP officers pulled over a 16-year-old male driver on Highway 401, South Dundas Township.

Police seized a small amount of suspected marijuana. Both the driver and his two passengers (aged 17 and 18) were charged with drug possession. The minor's court date is Tues., Jan 10, while the 18-year-old accused is set to appear the same day in Morrisburg.

Youth charged

MORRISBURG — Police arrested a 19-year-old after they caught him hiding under some furniture in a garage he'd allegedly broken into.

On Sun., Nov. 27 around 5 am, OPP responded to a report of a suspicious person on Ravenhurst Drive, Morrisburg. Travis LaPierre was arrested, and is set to head to Cornwall court on Tues., Dec. 6 to face charges of: breaking and entering a house with the intent of committing an indictable offence, failing to comply with a sentence or disposition, and possession of cannabis resin.

Details published in the police blotter are provided by the OPP. All suspects are considered innocent in the eyes of the law unless proven otherwise in court.

Pioneer federal politician, Jean Casselman Wadds, dies Nov. 25 in Prescott

PRESCOTT — The region has lost a political legend.

One-time MP Jean Casselman Wadds died Fri., Nov. 25 in Prescott. She was 91.

She won a by-election in the former riding of Grenville-Dundas in 1958, succeeding her husband, Arza Casselman, who died in office after serving the region for 33 years.

Her father, William Earl Rowe, was also MP for Dufferin-Simcoe at the time, and the two remain the only father and daughter to ever sit in the House of Commons during the same session of Parliament.

Casselman Wadds served as the riding's MP until 1968, during which time she became the first woman in Canadian history to be appointed as a parliamentary secretary. She served in that role for the Minister of Health and Welfare from Aug. 17, 1962 to Feb. 6, 1963.

In 1961, she was the first woman appointed by the federal government as a delegate to the United Nations.

She also served on the Ontario Municipal Board from 1975 to 1979, as well as holding a position on the Royal Commission on the Economy of Canada. She was a one-time director for Air Canada, Bell Canada, Canadian Pacific, Celanese Canada, and the Royal Winnipeg Ballet.

In 1979, she was appointed as Canada's High Commissioner to the United Kingdom, serving in that capacity until 1983.

Casselman Wadds also received the Order of Canada in 1982.

A memorial service will take place at the Roselawn Chapel in Maitland on Sat., Dec. 10 at 2 pm.

Last days as warden

• continued from the front page

The Township of South Dundas' mayor presided over his last official counties council meeting on Mon., Nov. 21.

"It was a good experience," Byvelds told the *Winchester Press*. "I am amazed at how people respect the position, even if they have never participated in anything [at the counties level]."

It's been a hectic year for Byvelds, as he took the reins not long after being elected to the head of South Dundas' council table.

"I'm not sure it was a challenge in the end, but I started my term as a warden with little experience on council, and a new slate of councillors, which included five new [to the table]," he said. "In the end, it all worked out as the new group worked their way into council well, and did not try to set a new agenda."

Byvelds said counties council members also helped to play a vital role in finding a replacement for now-retired CAO Mike Waddell.

"I have watched other municipalities try to do the work of hiring a replacement on their own, and have had a trying result," he said.

The outgoing warden also said it was a learning curve when it came to working in tandem with the City of Cornwall for the proper deliverance of joint services (social services, housing, and paramedic services).

Steven Byvelds

"I needed to work with Mayor [Bob] Kilger and city councillors, along with the County Joint Liaison Committee to make sure our residents were looked after, and budgets respected," Byvelds said.

Now, with his time as counties council's head man having come to an end, Byvelds said he would reflect on the experience positively.

"All in all, it has been a good and rewarding year," he said. "I have enjoyed the political end of the job…. And yes, I would do it again."

Counties council members will also have to select a new deputy-warden in 2012, and it's expected the representative will be from the Township of North Stormont.

Hospital outlines construction plans for new centre

by Matthew Uhrig
Press staff

WINCHESTER — If all goes as planned, the aptly named Centre of Excellence for Rural Health and Education will be opened in a year's time.

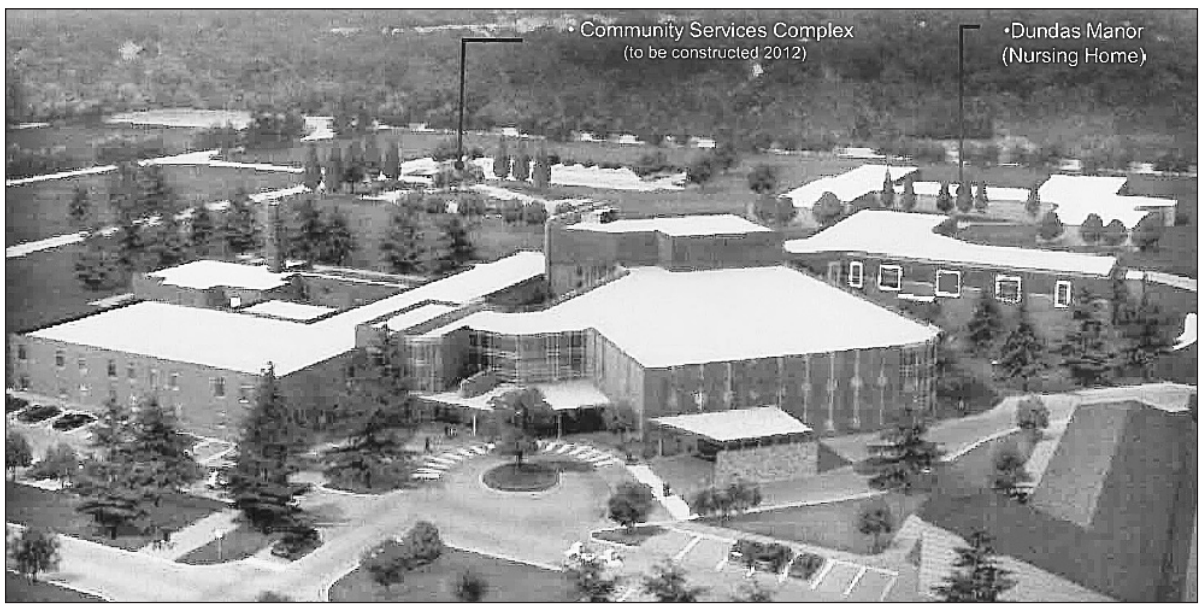
Shovels should be in the ground as early as next spring, while the four agencies renting space in the building should be in operation by November 2012.

"We're moving ahead with the project, and really, it's the direction of our future," Cholly Boland, Winchester District Memorial Hospital CEO, told a group of community ambassadors during a breakfast meeting on Thurs., Nov. 24. "This centre of excellence is huge.... It shows the hospital is moving forward."

To date, the office building project has not gone to tender, but it's expected the total price tag will be in the $1 million range.

That figure, said Michelle Blouin, WDMH's vice-president of corporate services and chief financial officer, will hopefully be paid off by a loan from Infrastructure Ontario. (At present, however, no official confirmation has been made regarding where the money will come from.)

"It would be best to get money from [that agency] because of its low interest rates," said Blouin. "Their criteria is strict, however, so we have also asked some [local] banks."



This artistic rendering shows the planned expansion for the land surrounding Winchester District Memorial Hospital unveiled to the public on Thurs., Nov. 24. To left is the to-be-constructed Centre of Excellence for Rural Health and Education, while on the right hand side, an expanded Dundas Manor site is shown.

Boland continued, saying part of the hospital's business case to the province was the provision that the new centre will not be taxpayer funded. As well, whatever money is borrowed will be paid back through the rent collected by the four agencies — the Ontario Early Years Centre, Jobzone d'emploi, the Champlain Community Care Access Centre, and the Eastern Ontario Health Unit — located in the to-be-constructed building, the CEO added.

Also in the works is WDMH's official takeover of Dundas Manor. At the moment, completion of the sale requires approval from both the Champlain Local Health Integration Network and the Ministry of Health and Long-Term Care, while the ministry also needs to allow the transfer of the manor's long-term care bed licence.

Final approval, Boland added, is expected early next year, while Dundas Manor's operating space may be expanded in the future.

WDMH staffers recognized for expertise

Joanne Leclair

WINCHESTER — Two members of the Winchester District Memorial Hospital (WDMH) team have been recognized for their expertise.

Pharmacy manager Joanne Leclair has received the Canadian Association of Pharmacy in Oncology (CAPHO) Merit Award. Leclair was recognized for her initiatives and leadership, which she has contributed to develop the future of the profession. Her dedication to safe medication practice and risk reduction has helped improve the oncology practice in the rural setting.

Lynn Hall

"Joanne is to be commended," said Lynn Hall, senior vice-president of clinical services, in her prepared remarks. "Joanne is an enthusiastic role model and is very deserving of this merit award. WDMH is proud and pleased to have Joanne as part of our leadership team."

Meanwhile, as part of Patient Safety Week in November, Hall herself was featured on the Canadian Patient Safety Institute's first virtual webcast. She fielded questions from delegates as far away as Germany and Saudi Arabia regarding WDMH's processes for ensuring that the medication each patient is taking is carefully monitored. WDMH's successful medication reconciliation process has resulted in improved safety and decreased re-admission and length of stay rates for patients, the hospital said in its release to the media.

"WDMH is pleased to share its expertise with health care colleagues provincially, nationally, and even internationally," noted Cholly Boland, CEO.

Light up the night

This year's Embrun Illuminated Christmas Parade took place on Sat., Nov. 26. Among the float entries was one from Winchester District Memorial Hospital, which included riders Justin Leclair (left), Mika Leclair, Sophie Matsoukas, and Chadrick Brisson. The same entry also took part in Russell's parade (Sun., Nov. 27), and is scheduled to be featured in both the North Dundas Country Christmas Parade of Lights in Winchester and the Morrisburg Santa Claus Parade this weekend (Sat., Dec. 3).

Funds surpass $65,000 mark for baby requiring new heart

by Matthew Uhrig
Press staff

WINCHESTER — Once again, this community has shown it has got a lot of heart.

Coincidentally, the latest response has been a significant effort to help a little baby who is currently in Toronto awaiting a new one.

More than 100 donors have stepped forward with financial contributions in an effort to help the family of Kaleigh Carruthers. The infant was born in January 2011, at which time a complex congenital heart defect was discovered. Since then, Kaleigh has spent more time in hospital than many do in a lifetime.

As well, the baby has been on a wait list for a heart transplant since early August.

"Kaleigh is doing well," Christina Carruthers, the baby's aunt, told the *Winchester Press*. "She has been progressing very well with her feeding lately, and I was lucky to spend three days with her [recently]."

Since Kaleigh's time in hospital began, her father, Trevor has been travelling back and forth between home and Toronto, while her mother, Cheryl, has been by her side virtually 24 hours a day, living full-time at Ronald MacDonald House.

While highly specialized doctors and nurses care for the baby day after day, an expansive fundraising effort has been taking place locally.

To date, Christina estimated, approximately $65,000 has been raised, and it is money that will undoubtedly help to pay for Kaleigh's future drug-related expenses, and the financial strain inflicted on the family. One of the initiative's biggest donors has been Guildcrest Homes, whose employees has helped to raise $16,000 thanks in part to workers allowing donations directly off of their paycheques, as well as hosting a series of charity barbecues and dinners, and two raffle draws.

In addition, more than 50 local farming operations donated the monetary value of one ton of corn to the Carruthers family, with cheques ranging from $200 to $250. The final windfall was roughly $12,275.

LEOs lauded at Lions Hall

WINCHESTER — It was a busy day indeed at the Winchester Lions Hall on Wed., Nov. 23. A number of awards, honours, and recognitions were presented during a meeting of the North Dundas LEOs and their local Lions Club supporters.

The LEOs — whose acronym stands for Leadership, Experience, and Opportunity — started off by making several donations. North Dundas District High School (NDDHS) received $500 from the LEOs to purchase ELMO classroom viewing systems, which are technological devices that assist teachers and students in their day-to-day presentations and related work.

Meanwhile, $250 went to the Inside Ride, an indoor cycling program that recently took place at NDDHS to raise funds for children, teens, and their families affected by cancer.

Another $250 went to the Hailey Rutters Fund, which supports a child from the Finch area who has a rare birthmark that causes medical complications with her eye.

Finally, $50 went to Lions Quest, a youth development program.

Awards

The President's 100% Award went to Hayley Trumper, last year's LEOs president. Silver level-certification indicating more than 50 hours of community service went to Brittany Cochrane, Challis Crawford, Kelsea Potts, and Trumper.

New members

Four new members were inducted into the North Dundas LEOs group: Laura Carruthers, Megan Findlay, Vianna Robinson, and Trinity Wilson. Other new members will include Rebecca Delle Palme, Christine Crawford, Rebecca Doucette, Meghan Dodds, and Haley Geertsma.

The North Dundas LEOs group started more than 10 years ago as a way to get young people involved in the Lions organization.

"I hope we can continue, and I hope we work as hard as we can," said Dwayne Holmes, long-time LEOs supervisor.

Let's have a fire-free holiday season in 2011

Everybody needs a break this holiday season – including local firefighters.

Christmas is a notoriously bad time for residential blazes. Candles, fireplaces, Christmas trees, extra electrical cords and lights, additional (and sometimes rushed) cooking, and many other factors can increase your chance of having a house fire. We hope the *Winchester Press* doesn't have to report on any fires this Christmas! Please keep your families safe this holiday season so it's a pleasant time for everyone (including firefighters, who hopefully won't be dragged away from their own yuletide celebrations to respond to an emergency).

National Home Fire Safety Week wraps up today (Wed., Nov. 30). Canada Safety Council organizes the awareness campaign in late November in anticipation of the Christmas season. Here are some of the council's tips:

• Make sure smoke alarms are working and that there is one on every level of the house, and outside all sleeping areas. (This tip should be followed all year long, of course.)

• When purchasing a real tree, check for freshness by tapping it on the ground – dropping needles indicate a dry, highly flammable tree. Needles should be hard to pull from branches and, when bent between your fingers, do not break. Place your tree away from fireplaces, floor heaters, and other heat sources. Heated rooms dry out fresh trees, so be sure to top up the water regularly.

• When purchasing an artificial tree, make sure it's "fire resistant." Although this label does not mean the tree won't catch fire, the tree will resist burning and should extinguish quickly. It should also bear the Canadian Standards Association (CSA) label.

• Never use lighted candles on or near the tree.

Cartoon – Bradford-Lea

• Dispose of a real tree within 10 to 14 days of purchase, or when the needles begin to fall off in large quantities; otherwise, it can start to dry out and pose a fire hazard.

• If you have a fireplace, ensure the chimney flue is open and clean before you light a fire.

• Remove all decorations that could be burned around the fireplace, such as stockings. Do not use metallic ornaments on the tree. If they make contact with defective wiring, they could become a shock hazard. Always use a screen in front of the fireplace to protect against flying sparks.

• Do not burn wrapping papers in the fireplace. A flash fire may result, as wrappings ignite suddenly and burn intensely.

• Never leave the fire unattended or let it smoulder.

• Do not use Christmas trees for firewood. Only use seasoned and dried wood.

• Choose decorations that are flame-resistant, non-combustible, and non-conductive.

• Use CSA-approved lights only. Place indoor and outdoor lights in their respective environments.

• New or old, check light strings for broken or cracked sockets, frayed or bare wires, or loose connections, and throw out damaged sets. Make sure you do this before putting lights up. It is much easier to replace bulbs on the ground than on the roof.

• Do not use electric light strings/sets on metallic trees. A faulty system could energize the tree and shock or electrocute anyone coming into contact.

• Turn off all lights when you go to bed or leave the house. The lights could short out and start a fire.

• Do not overload electrical outlets, and never string more than three sets of lights per single extension cord.

• Never leave burning candles unattended, and always keep candles out of the reach of children.

• Keep candles in sturdy holders on a stable surface, well away from curtains, trees, or any other potentially flammable objects.

• To eliminate the dangers associated with open candle flames, use battery-powered candles.

• Put out all candles before leaving the room or going to sleep.

• Never leave your cooking unattended. This is the leading cause of kitchen fires.

• Avoid wearing loose clothing while cooking.

• Keep flammable items away from the stove.

• Use a timer to remind you that the stove or oven is on when roasting or baking food.

• In case of a fire, never turn on the overhead fan – this could spread the fire.

• If a fire starts and can't be quickly put out, leave your home and immediately call the fire department.

Remember when...

1921

In the winter, when the tendency was to close windows and to congregate indoors, it was important that proper ventilation be installed in the interest of personal and community health, the *Winchester Press* noted this week. In recent years, respiratory diseases had become Canada's chief cause of death, thus the outcry for proper airflow.

1931

The school inspector this week tested pupils' general knowledge. He wrote on the board the Roman figure LXXX, and asked for a response. "Tell the class what that stands for," he questioned. Before anyone could reply, a little girl sprang to her feet. "I know," she said coyly. "Love and kisses, sir."

1941

Planning your holiday baking? Harry L. Flora's store in Winchester was fully stocked this week with raisins, dates, currants, cherries, molasses, mince meat, and more for all those getting ready for the many approaching Christmas suppers.

1951

This week, the Chesterville Theatre was showing *When the Redskins Rode*, a film described as portraying "a cavalcade of thrills in America's most dangerous days." The film starred James Seay as Col. George Washington, and also featured Jon Hall and Mary Castle.

1961

More than 950 long-distance calls were expected to be placed by Winchester residents on Christmas Day this year. Mrs. M.J. Chamberlain, the village's chief operator, said the shift was largely to the fact many people found it easier to call someone far away, rather than making the trip.

1971

Christmas shopping specials at Canadian Tire this week included Spirograph for just $3.33. The latest toy craze allowed children to "draw millions of beautiful designs – just let the plastic forms guide you." The kit contained 12 transparent wheels, two rings, two racks, four ballpoint pens, and a pack of paper.

1991

Increased demand was the driving force behind the North Dundas Food Bank. Throughout the summer, church leaders had noticed that a number of local families were increasingly asking for assistance, which led local clergy to agree that the area certainly needed a food bank.

2001

Anticipation was mounting this week as a number of Santa Claus parades were planned for the region, with events scheduled in Winchester, Chesterville, South Mountain, Morrisburg, and Metcalfe. The big man in the red suit was also scheduled to make a stop at the Morewood Community Centre.

LETTERS TO THE EDITOR

Winchester's spirit is 'very much alive,' says former resident

The Editor:
This is the first and only letter I have ever written to the editor of a newspaper, yet it is something that I have often considered. The latest edition of the *Winchester Press* seems to invite reader reaction and/or participation, so I decided to accept the invitation.

I lived, of course, for many years in the village. It was home. As a matter of fact, after completing Grade 12, I left to work with Ontario Hydro for about three years. I returned to high school, completed senior matriculation, and went to Mount Allison University and Queen's Theological College to study for the ministry of the United Church of Canada. I was ordained in 1961.

After several years in the pastorate and chaplaincy work at the penitentiary in Kingston, I spent many years as a member of the national parole board. I retired in 1996.

But I want to write of the village of Winchester — or, more specifically, the Winchester I remember. But it is really impossible to write about the village without remembering the wonderful people who lived in the village throughout those years. How would you write about Winchester without recalling people such as Walter MacDonald, Leroy Boyd, Ralph MacPherson, Allan MacIntosh, Harry Flora, Gerald Helmer, Hart Melvin, Fern Workman, Les Dixon, Howard Willard, Arnold Duncan, Eldon Fennell, Eric Steele, Howard Biccum, Norman Beach, Bob Woods, Erle Helmer, Earl and Frank Morgan, Hy Bessin, Gib Raistrick, "Tally" Levere, Ron Workman, Al Beardsal, and Stanley Nesbitt and his mother.

Sometimes, we forget the people who went before us. The people who contributed so much in determining the quality of life in the village.

Some will recall the "street dances" that were held periodically at the corner of Main Street and St. Lawrence Street. Others will recall Erle Helmer welcoming the servicemen returning at those gatherings at the main corner in the village. Many will look back to the years of the Inkerman Rockets hockey team and the contribution of Lloyd LaPorte.

'One of the great blessings enjoyed by people through all of these times is the* Press. *I don't just scan it; I read just about every line (even the ads).'

Many times, I have recalled the MacDonald family (Walter and Laura) and their patience and kindness.

Through the kindness of a lady in Winchester, I receive the *Press* each week. I read it from cover to cover (so to speak). I don't recognize many of the people anymore. But some I do! And that makes it all worthwhile.

It reminds me of those days growing up in the village; of the kindness and the generosity of the people; of how fortunate we were to have experienced life (especially those formative years) in such a supportive and hospitable environment. I have been back to the old town several times. It has changed; not dramatically, but certainly in a number of ways. It had to! The times demanded that the village grow and put its arms around many new people. But, thank goodness, the essential spirit of the village is still very much alive. It was so good to see so much of the past still evident and, yet, blended in with the substantial changes that have taken place.

One of the great blessings enjoyed by people through all of these times is the *Press*. I don't just scan it; I read just about every line (even the ads). And when I do, I think of the earlier years, the 40s and 50s, when life seemed simpler. I also look for names and try to recall if they were people of the era I remember so fondly and so clearly.

Whatever you are doing at the *Press*, keep on doing it. Keep reminding us about the good life in the village. It was there. It is there and will, I believe, always be there. For that, we should all be thankful.

Hunting through history

What a coincidence that Kingston resident Malcolm Stienburg wrote a letter this week, out of the blue, reflecting on both Winchester and the *Winchester Press*' history here. Vince Zandbelt — who has been heavily involved in establishing the village's Sweet Corner Park — recently provided our newsroom with a photo, courtesy of Winchester resident Marilyn Guy. The year and people pictured are unknown. The furthest building to the left occupies the space where Sweet Corner Park is now situated. At right, we can see our own newspaper offices of the day. If any of our readers can make out the faces and supply us with names, we'd be much obliged. Contact editor Amanda Smith-Millar at news@winchesterpress.on.ca or 613-774-2524 to pass along any details. You can also leave us a note at the front desk of our office (545 St. Lawrence St.).

Over 300 milk-bag mats woven

The Editor:
It is a good time to say thank you to all the people who are involved in making sleeping mats for Haiti.

To those who collect milk bags, to those who cut and coil, and to those who crochet, we are very grateful. Many hours have gone into this labour of love since spring 2010.

By the way, as of Thurs., Nov. 3, 2011, we have sent a total of 300 sleeping mats to Haiti. I am sure we have helped to make their lives a little bit easier.

MP should salute support staff

The Editor:
Kudos to Stormont, Dundas, and South Glengarry (SD&SG) MP Guy Lauzon for giving his constituents an accounting of how hard he works for us ("It's no holiday: What Constituency Week really means," Wed., Nov. 23 column). His efforts are appreciated and rewarded every time we go to the polls.

It would be nice if Mr. Lauzon would follow up with a description of the untold hours his capable and dedicated support staff provide him — at his constituency office and on Parliament Hill. These highly skilled people are the front-line workers who screen countless phone calls, faxes, mail, and email from a sometimes unfriendly and always challenging public. They triage those issues needing urgent attention, do research, and prepare briefs and speaking notes.

For every event Mr. Lauzon attends, with or without his good wife Frances by his side, his staff members work quietly behind the scenes to ensure everything runs smoothly and on schedule.

Our MP Guy Lauzon really is a modern-day Superman in all that he does and is to be commended. But let us not forget all those good people who are his staff!

'Love thy neighbour' illustrated

The Editor:
"Wow! How'd that happen?"

These were the first words from the mouth of my four-year-old daughter when she awoke one morning to find her world completely transformed with a covering of six inches of snow.

Today, I want to echo the same sentiment to the people of North Dundas and area. I have been reading the *Winchester Press* accounts (Wed., Nov. 23 edition) of two very successful fundraisers for the family of baby Kaleigh, and I think, "wow!"

I go on my Facebook local contacts, and I see pages and events with names like Loot for Luke, Silent Auction for Luke, Paint Ball for Luke, and more. (Each of those are successful fund raisers for a four-year-old with leukemia). And again, I say, "wow!"

What a privilege it is to live in a community characterized by generosity and genuine care. Though I know neither of these families, I have been personally watching one of these very closely, and I am amazed and delighted at how quickly a community can rise up to bless those who need to be blessed.

It seems to me that this might be exactly what Jesus meant when he said, "Love your neighbour as yourself."

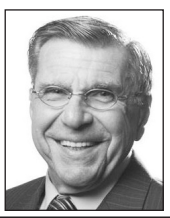
Help us shape the next budget

From Parliament Hill
by MP Guy Lauzon



OTTAWA — Finance Minister Jim Flaherty always seeks input from a vast variety of sources before drafting a budget document. He consults with economists, business men and women, union executives, industry leaders, government officials, tax experts, and, most importantly, ordinary Canadians like you and I. Minister Flaherty is a big believer in a grassroots approach to budget consultation.

Some of the best suggestions contained in past budgets came directly from MPs soliciting ideas from their constituents.

A perfect example is the Home Renovation Tax Credit Program contained in one of our previous budgets. It was hugely popular and assisted hundreds of thousands of homeowners, including yours truly, in upgrading their homes.

The budget consultation process has started in preparation for the 2012 budget, and Minister Flaherty has once again asked all MPs to consult their constituents for ideas. He has asked us to solicit answers and comments to the following questions:

1. Are there measures in the Next Phase of Canada's Economic Action Plan that should be revised to better promote job creation and economic growth?

2. Should any be extended?

3. Are there areas where funding should be shifted to meet changing priorities?

4. In what areas should we look for more efficient and effective spending?

5. How can we better respect taxpayer dollars by ensuring they are not wasted on duplication, inefficient operating expenses, or programs that have outlived their usefulness?

This is your chance to have direct input into Canada's next federal budget. Please submit your answers to the questions above, or, if you have other ideas, please forward them to me by regular mail or by email. (You can find these addresses by visiting my website, www.guylauzon.ca.)

I will be compiling all of your responses and forwarding them to Minister Flaherty. I cannot guarantee your suggestion will be in the 2012 Budget, but I can assure it will be considered by the finance minister's office.

NDDHS to host coffee house Thursday

NDDHS Notes
by Taylor Ace

MAPLE RIDGE — Less than one month until Christmas means that North Dundas District High School (NDDHS) students are midway through one of their busiest times of the year.

Students, do you have a talent that you want to share? Do you want to see the local talents from your neighbourhood? Then, the coffee house (open-mic night), this Thurs., Dec. 1 is the place to be. Come out to the Old Town Hall in Winchester to hear locals perform and support the 2012 prom fund.

The NDDHS Angel Tree is back! Students can choose from the tree whether they buy a gift for a boy or a girl. The gifts must be valued at a minimum of $20 and be provided to the school no later then Wed., Dec. 7. All gifts are to be wrapped and will be presented to families living in our community who don't have enough money to enjoy the types of gifts that some children receive. Everybody who wishes to help give a family a merrier Christmas is encouraged to come out at lunch every day to choose a gift recipient.

Scripts are finalized, acts are being practiced, and people are itching for the 2011 Christmas concert. The concert is set for Fri., Dec. 23, the last day of classes before the holidays. It has been proven and repeatedly supported as being a very wonderful production. The audience has continued to leave with sore stomachs and aching cheeks due to the non-stop laughter that comes with students and teachers poking fun at each other and themselves year after year. Everybody is welcome to come out, share the festivities, and get the celebration started for the arrival of the wonderful Christmas holidays!

Despite injury, marathoner bound for Cayman Islands

Winchester resident Joanna Helmer will be heading to the Cayman Islands this December to take part in a 21-kilometre walk/run. The trek is in support of the Canadian Diabetes Association, and in order to take part, Helmer must raise $6,100 (which she has already collected). In the weeks leading up to her journey, Helmer has been sharing her preparation and training schedule with Winchester Press *readers through a series of columns.*

Best foot forward
by Joanna Helmer

WINCHESTER — We are getting closer to the big day! I'm really getting excited. I met with some of the other Team Diabetes participants from the Ottawa area recently, and they really got me pumped up again. There were two who have done multiple Team Diabetes International events, and they had wonderful things to say about the program, and provided some tips for the first-timers.

One thing surprised me. I figured I would be the only "plus size" person there, and that I would stand out, but there were just as many people built like me as there were the stereotypical marathoner that I had envisioned. It seems that you can be a bigger person and still be physically fit... How about that?

So I leave Fri., Dec. 2, which is less than a week from the time I am writing this, and I am still on the injured list. Not ideal, but I'm working on it. I'm seeing my chiropractor, getting massage therapy, icing it, and resting as much as I can. Unfortunately, I'm running out of time.

I just want to finish. I don't know if I will, but I am going to give it my best shot. I simply can't come this far and not try. It has been too much work and too much effort, and I know I would regret it for the rest of my life if I didn't at least try. That being said, I also don't want to end up hurt or injured in a foreign county, so I guess it has to be a balancing act between sticking it out and being smart.

My race starts at 5 am on Sun., Dec. 4, and I come home on Tues., Dec. 6. I will let you know how I do, no matter how it turns out.

I do know a couple things for sure now, though: I am in much better shape than when I started, and we raised a lot of money for the Canadian Diabetes Association. Even if I don't get to finish my race, the two goals I set for myself have already been realized, and I am grateful for that.

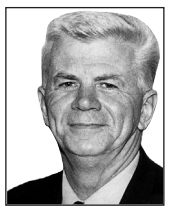
Infrastructure overhaul for city



In and around Osgoode Ward
by Councillor Doug Thompson

METCALFE — The City of Ottawa maintains approximately 5,600 kilometres of roads, including 600 kilometres that are gravel. The road system includes more than 700 bridges, 5,500 drainage culverts, and roughly 2,000 kilometres of sidewalks and pathways.

The replacement value is approximately $10 billion. In the last five years, an average of 50 kilometres of new roads have been added annually. This average growth is a combination of roads built and funded by developers as part of subdivisions, and the widening or extension of existing major roads that are funded in large part by development charges, and are integral to the overall transportation network.

With the additional funding identified in the 2012 Draft Capital Budget under "Ottawa on the Move," the city expects to invest approximately $75 million annually over the 2012 to 2014 period (subject to council's approval) for road infrastructure.

Today, the city's road infrastructure remains in safe condition for the users; however, there are increasing financial pressures to prevent the condition from deteriorating below current levels. More than 20 per cent of the existing roads have reached a level that requires resurfacing or reconstruction. Current funding levels allow less than 1.5 per cent of the road network to be addressed on an annual basis. To minimize the overall life cycle infrastructure costs, funding is focused on higher priority roads and preservation treatments to extend the life of the road surface. There are also major bridges, such as the Heron Road Bridge, that require major renewal investments to prevent them from deteriorating to the point where they require more expensive renewal treatments. The key is making the right infrastructure investments at the right time.

Green Bin collection shifts to biweekly

The City of Ottawa reminds residents that biweekly collection of the green bin is now underway, and will continue until March 2012. Please refer to the collection calendar on the city's website (www.ottawa.ca) for your neighbourhood schedule.

Leaf and yard waste collection continues throughout the year with the organics collection program. Residents can put leaves and other yard waste in the green bin, in paper yard waste bags, or in a garbage can that can be placed next to the green bin on collection day.

Residents are reminded that plastic bags — including compostable plastic bags, sanitary products, diapers, and animal feces — are not accepted in the green bin.

Christmas parades

This Saturday (Dec. 3), Osgoode will come alive during the annual Christmas in the Village event.

Meanwhile, the 15th annual Metcalfe Santa Claus Parade has been scheduled for Sun., Dec. 11 at 1:30 pm.

Then, on Sat., Dec. 17 from 1 to 3 pm, a kids' craft day is slated to take place, with those taking part creating tree decorations using candy canes.

For more information, call 613-821-4062.

Community policing

A message from Const. Nicole Gorham: "As we tend to stay indoors more during the winter months, it will be of great assistance if we all keep an eye on each other. Property crimes, such as car break-ins, increase during this time of year. Remove valuables, shopping bags, and electronic devices from view by putting them in your car's trunk. Ensure your car is locked, and park in well lit areas where possible. For additional safety tips, please visit www.ottawapolice.ca or myself at the Community Police Centre in Metcalfe."

Crafting Christmas

The annual Crafter's Christmas Sale took place at the Marvelville Community Centre on Sat., Nov. 26 and Sun., Nov. 27. The two-day event included the sale of home-baked goods and various craft items, and sparked the interest of both Rachelle Lanouve (left) and Helen Belvin.

Market madness

The Chesterville Farmers' Market vacated its usual village fairgrounds location on Sat., Nov. 26 in favour of the warmer Royal Canadian Legion Chesterville Branch 434. Taking place that day was the market's annual Christmas sale, which featured Laura Skov of Finch's Kids Cool Creations among the many vendors. Also, in the spirit of giving back, this year's event helped to raise $400 for the Dundas County Food Bank. *Press Photo — Uhrig*

Christmas creativity

Dundas Manor resident Annie Parsons was one of the many vendors who had goods for sale during last week's Christmas bazaar. The residence hosted its annual event on Fri., Nov. 25.

Walk links Tolley site and MacIntosh centre

by Matthew Uhrig

WILLIAMSBURG — It's a small addition, but one that is welcomed by residents of both Tolley Place and the J.W. MacIntosh Seniors' Support Centre.

On Fri., Nov. 25, an Ontario Trillium Foundation-funded walkway linking the two facilities was unveiled.

"This is a beneficial project to link two [facilities] that should be linked," Steven Byvelds, Township of South Dundas mayor, told a small gathering on-hand for the official opening.

In 2010, the Williamsburg Non-Profit Housing Corporation (WNPHC) made a pitch for funding from the provincial agency, and in October of that year, the foundation's board ratified a $15,000 allotment.

"This is an important development, and it's one that makes sure little organizations in the province have a place to get funding," Jim McDonell, Stormont, Dundas, and South Glengarry's newly elected MPP, said.

Not only did the money help to construct the walkway, but also it has supported the creation of a community garden, as well as the installation of two maintenance sheds: one at the support centre; the other in the parking lot of Tolley Place.

Also unveiled during the Nov. 25 ceremony were two trees planted in honour of three long-serving members of the WNPHC board — Trevor Tolley, Joan Findlay, and Barb Phifer.

As well, a sign indicating the site's official name has been erected at the entrance of Tolley Place.

Williamsburg Non-Profit Housing Corporation board members, as well as provincial and municipal government representatives were on hand on Fri., Nov. 25 for the official unveiling of a walkway linking the J.W. Seniors' Support Centre and Tolley Place. Board chair James Kooistra was one of the speakers during the ceremony. Press Photo — Uhrig

WI on track for Christmas

by Pat MacLean

WINCHESTER — The Winchester Women's Institute (WI) is gearing up for its upcoming yuletide feast. The WI Christmas Dinner is scheduled to be held on Tues., Dec. 20 at the Winchester Lions Hall. Everyone is asked to bring a friend along, as well as a non-perishable food item for the Dundas County Food Bank.

That news was discussed at the group's most recent meeting (Tues., Nov. 15). Eileen Robinson brought the meeting to order. The opening ode was sung, and the Mary Stewart Collect was said by the members. Robinson then read a poem, "Joyous Day," and dealt with the administrative duties. There were 11 members present.

Annie Jones gave a detailed report from the Eastern Area WI 97th Annual Convention, held in October in Almonte. The event was hosted by the North Lanark District WI. The theme was "celebrating our Canadian heritage."

A large poinsettia plant will be given to Dundas Manor at Christmas for the enjoyment of all residents.

The meeting was adjourned, followed by grace and the singing of "God Save the Queen."

The members joined with Muriel Merkley, the convener of the meeting, in reading the poem "In Flanders Fields." Merkley then read "Never Again," "After November 11," and "The Answer." Following that, the members shared many memories of fathers, husbands, sons, grandsons, and nephews who served in wars. Members then enjoyed refreshments prepared by Merkley and her committee.

Midget 'B' Demons on fire

Winning streak extended to eight games

WINCHESTER – Paced by the two-goal performances of captain Ryan Byers and assistant Brandon Cousineau, the North Dundas Major Midget "B" Demons tamed the visiting Kemptville Panthers 6-2.

Monday (Nov. 28) night's victory extended the Demons undefeated streak to eight games (8-0-0) and moved them into a tie for second place with the South Stormont Selects (8-2-0) in the Upper Canada Minor Hockey League East Division standings.

North Dundas has out produced the opposition 68-6 in its first eight games.

Kemptville came into Winchester sporting a 10-2-1 record and held the Demons to a 1-1 tie in the opening stanza. The visitors tied the count 2-2 in the second session. But the home team pulled away in the final frame, pounding in four goals.

Stewart McKelvie fired in a feed from Cousineau at 11:25 counting what proved to be the winning goal. Cousineau made it 4-2 finishing a scramble involving Mitchell Kirkwood and Will Fawcett at 8:43. "AP" Evan Durant tucked in a Fawcett rebound at 8:15 opening up a 5-2 lead. Byers ripped home an unassisted shot with 3:55 on the clock icing the 6-2 decision.

Byers (from "AP" Kirk Gibson and Ryan Romans at 10:36) also connected in the first frame. Cousineau's first marker was set up by a Will Fawcett blast at 14:03 of period two.

Colin Giberson registered his eighth win guarding the Demons' cage.

The Demons are competing in the Pembroke Regional Silver Stick tournament this weekend (Fri., Dec. 2 – Sun., Dec. 4).

Next home game is set for Mon., Dec. 12 when the South Grenville Rangers will be in town for an 8:30 pm encounter.

Demons 10 – Braves 1

North Dundas registered its seventh win by pounding the Brockville Junior Braves 10-1 last week (Mon., Nov. 21) on Winchester ice.

Kirkwood, Byers, Mark McRae, Josh Freake and Dylan Comeau each potted a pair of goals in the nine-goal decision over the visitors. Cousineau, and Freake each set up three scoring plays. Paul Gibson, McRae and Comeau each earned two assists. Will Fawcett picked up a single helper.

Giberson lost his bid for a fourth perfect game when Brockville counted its lone goal with 2:16 left in the game.

North Dundas led 7-0 after a period and 10-0 after two.

Demons 15 – Lions 1

Kirkwood cracked in five goals and set up another in the 15-1 victory over the South Dundas Lions in Morrisburg on Thurs., Nov. 17.

North Dundas, with just nine skaters available for duty, ripped into an 8-0 lead in the first period and carried an 11-1 advantage into the final frame.

Cousineau blistered home four goals in the first period and drew four assists for an eight-point night.

It's over

North Dundas improved its Upper Canada Minor Hockey League East Division record to 8-0-0 with Monday's (Nov. 28) victory. Byers and Cousineau each scored twice for the winners.

Lose to Vikings, edge Lions

Short-handed Hawks split decisions

WINCHESTER – It was a dogfight, but the Winchester Jr. "B" Hawks managed to outlast the Morrisburg Lions and hang on for a 6-5 win – their 18th in 22 games.

The first-place Hawks (18-3-1-0) started Friday (Nov. 25) night's St. Lawrence Division tilt short six regulars – Brodie Boulanger, Matt Sarazin, Jordan Moran, Mike Evelyn, Brandon Belding and Ross Urbankiewicz – and faced the fifth-place Lions (6-13-0-1) with nine forwards and five "D".

Before the game was over, they lost 17 goal-scorer Dylan Chessel who was knocked out of service when Lions goaltender Mikael Dion's skate accidentally struck him in the face.

Hawks assistant coach Lenard McLean reported Chessel received seven stitches and went through three root canal's on Saturday.

Both McLean and head coach Tom Kirkwood hope their sniper will be back in the line-up for this weekends games against Rideau Division opponents Westport Rideaus (Fri., Dec. 4 in Winchester at 8:15 pm) and Athens Aeros (in Athens Sun., Dec. 4 at 7:30 pm).

"He [Chessel] will probably be wearing a cage for a while," offered McLean.

Both Kirkwood and McLean know there aren't many easy games and didn't attribute Thursday's (Nov. 24) 7-5 loss to the Vikings in Casselman or their scramble to beat back Morrisburg to shortage of manpower.

"But we did miss Belding-Johnston-Evelyn. They are a big line for us," said McLean.

Thursday's 7-5 setback in Casselman was the first loss in three meetings between the Vikings (14-4-0-1) and Hawks, who won the first two 4-3 and 4-1.

"Casselman is a good team and they wanted it more," said Kirkwood. "I guess we cannot expect to win all of our games."

Hawks 6 – Lions 5

Winchester held a 1-0 lead after the opening 20 minutes of Friday's match against Morrisburg.

The Lions tied it 1-1 in the second, the Hawks went ahead 3-1 on a pair of Josh Stubbings markers, but found themselves tied 3-3 after 40 minutes.

Brock Burge (16:18) and Steven Johnston (15:19) gave the Hawks a quick 5-3 lead in the final frame only to have the Lions roar back and knot it 5-5 on a PPG by Michel Lefebvre at 13:58 and an unassisted SHG by Alex Steingruber with 5:17 left on the clock.

• continued on page 18

Winchester Jr. "B" Hawks forward Dustin Tinkler (No. 11) was setting up a scoring opportunity during Friday's (Nov. 25) St. Lawrence Division game against the visiting Morrisburg Lions. Tinkler's teammates Steven Johnston (left) and Jesse Barbier wait for the pass. Vincent Bauline-Chartrand's PPG with 54 seconds left on the clock salvaged a 6-5 victory for the Hawks.

North Dundas goaltender Andrew DeChamplain received some rough treatment from the St. Isidore forwards during Sunday (Nov. 27) afternoon's National Capital Junior Hockey League game in Chesterville. The Aigles squeaked out a 3-2 win over the Rockets. North Dundas skaters Jacob Luimes and Nicholas Straccini (No. 15) were poised to assist DeChamplain.

St. Isidore holds on to down Rockets 3-2

CHESTERVILLE – They battled the S.Isidore Aigles for 60 minutes, but the North Dundas Rockets weren't rewarded for a solid effort.

The visiting Aigles left Chesterville Sunday (Nov. 27) with a 3-2 win and their National Capital Junior Hockey League record of four wins , seven losses and one loss in OT. The Rockets fell to 2-12-2 thanks to Sunday's 3-2 setback and a 10-2 shelling administered by the Cougars (4-9-2) Saturday (Nov. 26) in Vankleek Hill.

North Dundas held a 2-1 lead on the Cougars on goals by John Cleary and Matt Denis. RJ Wallace and captain Mike Cross set up the scoring plays.

Vankleek Hill blew the game wide open with a six-goal second period. They finished it off with three more in the final frame. Karl Walcott, Chris McPeak and Sebastien Bucher each potted a pair of goals for the winners.

Andrew DeChamplain played nets for the first 20 minutes, but gave way to Shawn Hunt who surrendered the last seven goals.

Aigles 3 – Rockets 2

A win over St. Isidore on Sunday and the Rockets could have jumped one point ahead of the Aigles into sole possession seventh place.

North Dundas held an early lead on the Aigles who knotted the count 1-1 before the first frame was over. The visitors gained a 2-1 lead in the middle stanza and were leading 3-1 in the final dying minutes.

John Cleary (from Matt Denis and Tyler Jones) gave the Rockets a 1-0 lead at 17:04 of period one. Nicholas Straccini cut the final deficit to 3-2 scoring after picking up a pass from Jones and Brandon Buma with 19.5 seconds left on the clock.

"The boys battled hard," offered head coach Dale Murdoch. "But we still have trouble burying our chances."

Up next

Sunday (Dec. 4) afternoon at 2:15 pm the Rockets are hosting the fourth place Predateurs de La Peche (9-6-0).

Midget 'B'

• continued from page 15

Freake also collected eight points, counting one marker and drawing seven assists. McRae potted a pair, while Garrett Milne, "AP" Josh Hodgson and Nik Read supplied the singles. McRae, Milne, Hodgson and Gibson earned assists.

Giberson posted his sixth victory and missed the shutout when Andrew Smail scored on him with 1:35 left in period two.

Captain Ryan Byers, Ryan Romans, Dylan Comeau, Liam Morrow and Will Fawcett weren't able to suit up.

Demons 11 – Glens 0

Giberson registered his third shut out in four games blanking the visiting Alexandria Glens 11-0 in Winchester (Nov. 7).

Read (from Cousineau and McRae) counted the game-winning goal at 11:14 of period one.

Byers paced the attack with a four-goal performance. Cousineau (2), Kirkwood (2), McRae (2) and Read snapped home the other markers. Stewart McKelvie earned four assists while McRae (3), Cousineau (2), Byers, Read and Gibson also picked up assists.

Dylan and Travis Marshall were affiliated for the game.

Demons 4 – NGS 1

North Dundas broke up a scoreless game against the NGS Braves in Maxville (Nov. 5) ripping in three second-period goals.

Gibson got it started finishing a play set up by "AP" Travis Marshall and Read at 11:14. Cousineau made it 2-0 with help from Marshall and Read at 7:22 and McKelvie upped the difference to 3-0 scoring from Read and Cousineau with 2:22 left in the period.

Byers (unassisted) completed the scoring with 1:32 left in the game.

The Braves got on the scoreboard early in the final frame.

Novice House 'C2' Demons play for gold in 'A' championship game

Waiting for awards

Members of the North Dundas Novice House "C2" Demons lined up and waited to be presented their silver medals following a 2-0 loss to the Brockville Junior Braves in the championship game of the 2011 NGS Braves Tournament in Finch on Sat., Nov. 19.

FINCH – The North Dundas Novice House "C2" Demons came up one game and a couple of goals short in the "A" final of the NGS Braves tournament.

North Dundas qualified for the championship game on Sat., Nov. 19 by beating the host NGS Braves 7-2 and bombing the Cumberland "C1" Knights 8-0.

Unfortunately they ran out of goals in the title match and lost a 2-0 decision to the Brockville Junior Braves. The power in the arena went out at 4:32 in the second period with Brockville leading 2-0, but the blackout failed to throw the Braves off their game.

Cole Eikelboom blasted home four goals in the Demons' 7-2 win. Justin Williams pumped in a pair and Amanda Shay shot in a single. Alexander VanDelst was the winning goaltender.

VanDelst registered the shutout backing his mates in their 8-0 decision over Cumberland. Williams was top shooter in the win netting three goals. Jade Hannaford popped in a pair, while Spencer Billings, Eikelboom and Shay supplied the singles.

Demons roster

Members of the 2011-2012 North Dundas Novice House "C2" Demons are: Alexander VanDelst – goaltender, Andrew Weagant, Riley Jampen, James Forrester, Spencer Billings, Liam Berry-Lavailee, Justin Williams, Sebastien Matte, Jade Hannaford, Cole Eikelboom, Michael Tufts, Amanda Shay, Marc Williams - coach, Chris Eikelboom, - ass't coach, Peter Forrester - trainer, Vicky Shay - manager.

Hawks

• continued from page 15

Newcomer and Quebec City native Vincent Bauline-Charland buried a PP feed from Jesse Barbier and Aaron Dickenson in the back of the Lions cage 54 seconds before the final buzzer to give the Hawks a slim 6-5 win.

Stubbings (2), Chessel, Burge, Johnston and Bauline-Charland cracked in the Winchester goals. Assists were awarded to Stubbings (2), Bauline-Charland (2), Evan Walker (2), Chessel (2), Dickenson, Barbier, and Dustin Tinkler.

Steingruber (3), Clarke Veenstra and Lefebvre sniped the Morrisburg markers.

Winchester outshot Morrisburg 44-30 and recorded one PPG. The Lions went two for three on their PP. Alex Monk posted his 14th victory and now sports a 2.81 GAA.

Vikings 7 – Hawks 5

Sebastien Goblet's PPG with 3:56 left in the game won it for the host Vikings. Kyle Beauchamp-Leland's SHG fired into the empty Hawks net one second before the final buzzer iced the 7-5 decision.

Kirkwood felt that the tripping minor given to Steven Johnston with 4:50 to play was borderline at best, considering how late in the game it was called, but said it didn't effect the play.

Chessel had netted a feed from Walker at 13:19 of the final frame to pull the Hawks into a 5-5 tie.

A pair of Bauline-Charland tallies put the Hawks up 2-0 in the opening period.

It was a 4-4 deadlock after 40 minutes. Ramsey Wheeler and Chessel counted the Winchester markers. While Curtis Chennette (2), Thierry Henry, and Adam Wensink replied for the home team. Wensink (PPG) gave the Vikes a 5-4 lead in the first minute of the final frame, but the Hawks were able to tie it up on Chessel's goal.

The Hawks were missing Moran, Belding, Sarazin, Boulanger and Urbankiewicz.

Casselman outshot the Hawks 49-31 and went three for seven on the PP. The Hawks were one for five with the man advantage.

Metcalfe Jets earn three of four points over weekend

METCALFE – Kyle Downey's third period goal was the deciding factor in the Metcalfe Jr. "B" Jets' 5-4 victory over the Stittsville Royals.

Friday's (Nov. 25) win over the Valley Division Royals was the first of a pair of weekend games on Metcalfe ice for the fourth-place Jets (8-9-4-1) who finished up earning a point in Sunday (Nov. 27) afternoon's 3-2 OT loss to the number-two ranked Ottawa West Golden Knights (17-5-1-0).

This weekend the Jets take on two Valley Division clubs. First they will land in Shawville for a meeting with the Junior Pontiacs (6-17-0-1) on Friday (Dec. 2). Sunday (Dec. 4) afternoon they will welcome the Renfrew Timber Wolves (7-14-1-0) for a 2:15 pm tilt.

Stittsville took a 1-0 lead on a power play goal at 18:34 of the first period of Friday's game. But the Jets roared back firing in a pair of markers to gain a 2-1 lead before the session was over. Joshua Gervais (from Ryan Pike and Francis Legault) tied it at 14:19. Brett Nooyen then put his team ahead netting a Tyler MacDonald relay.

Matthew Chennette potted a pair of second-period pucks scoring unassisted at 17:29 and finishing a play created by Eric Snedden with 4:33 left in the period. Metcalfe owned a 4-2 lead with 20 minutes to play but needed Downey's marker to secure a 5-4 victory. Legault and Nooyen assisted Downey with 8:12 to play in the game.

Metcalfe outshot the Royals 46-21 but went scoreless (0-4) on the PP.

Ryan McLaughlin was the winning 'tender.

Knights 3 – Jets 2 OT

Mitchell Fournier broke up a 2-2 tie with the game-winning goal at 1:35 of OT as the Ottawa West Golden Knights nipped the Jets 3-2 on Sunday afternoon.

Matt Shaheen used a play started by Brad Argo and Matt Miller to put the Metcalfe up 1-0 with 4:31 to play in period one.

The Jets out-shot the Knights 11-7 in a scoreless second period.

Neil Clark (PPG at 12:23) and Fournier (PPG at 8:35) beat Metcalfe starter Brett Ayers in the final frame as the visitors jumped into a 2-1 lead.

Shaheen was able to get his team a point when he fired the tying goal home with one minute showing on the clock. Shawn Ennis and Nooyen earned assists on the play.

The shot clock favored Ottawa West by a 4-1 margin in OT but the home team finished up with a 29-28 edge overall.

Marshall pots pair, leads Minor Midget Demons to 4-2 win

WINCHESTER – Travis Marshall scored a pair of goals, one on an end-to-end rush late in the first period, and led the North Dundas Minor Midget "B" Demons to a 4-2 victory over the Kemptville Panthers.

Last week's (Thurs., Nov. 24) victory on Winchester ice leveled the Demons' Upper Canada Minor Hockey League East Division record to 5-5-0. The Panthers' West Division mark fell to 2-6-3 following the setback.

The Demons next home game is set for Thurs., Dec. 8 when they will host the Char-Lan Rebels at 7:30 pm. Prior to that they will tangle with the South Stormont Selects in Long Sault in back-to-back encounters (Nov. 30 and Dec. 7).

North Dundas got off to a 3-1 start in the first period against Kemptville. Nick Fleury cracked in a relay sent to him by Brett Bartholomew at 11:13 and he was followed to the Panthers cage by captain Patrick Gibson who cashed in an unassisted marker at the 8:47 mark.

Kemptville sliced a goal off of their deficit when Tyler Millson put a shot behind Demon 'tender Matthew Ledrew 1:56 before the end of the session. North Dundas responded with 12.2 seconds left on the clock. Marshall made his dash that resulted in a 3-1 lead. Fleury and Joe Fingler provided the pass.

Demons tie Braves 1-1

WINCHESTER – Brandon VanBruinessen scored the goal and goaltender Aaron Turcotte held the Brockville Junior Braves at bay as the North Dundas Pee Wee "B" Demons battled the visitors to a 1-1 draw.

VanBruinessen finished a play created by Kyle Findlay and captain Kyle DeJong with 8:36 left in the first period of last week's (Wed., Nov. 23) encounter, giving the home team a 1-0 lead.

Brockville couldn't get a puck past 'tender Turcotte until the 8:04 mark of the third period. That's when Tyler Read notched the tying tally.

The Demons weren't able to earn another point when they visited the South Grenville Rangers in Cardinal the following evening (Thurs., Nov. 24). The Rangers prevailed by a 5-1 count and improved their West Division record to 6-3-0. The loss lowered the Demons East Division mark to 3-7-1.

In Memoriam

MURPHY – In loving memory of Jim, husband and father, who passed away December 3, 2009.
We miss you in so many ways,
We miss the things you used to say,
And when old times we do recall,
It's then we miss you most of all.
If we could have one lifetime wish,
One dream that could come true,
We'd ask with all our hearts,
For yesterday and you.
– Love always, Shirley, Robbie and Ashley
38

MURPHY – In memory of Jim, who passed away December 3, 2009.
The moment that you died
Our hearts split in two,
The one side filled with memories
The other died with you.
We often lay awake at night
When the world is fast asleep,
And take a walk down memory lane
With tears upon our cheeks.
We do it every day
But missing you is a heartache
That never goes away.
We hold you tightly within our hearts
And there you will remain
Life has gone on without you
But it will never be the same.
– Mom and Family
38

HOLLIDAY – In loving memory of a dear husband, father and papa, Ray, who passed away November 30, 2004.
Gone are the days we used to share
But in our hearts you're always there.
Never more than a thought away
Loved and remembered every day.
– Forever in our hearts,
– Phyllis, Tracey and Dave, Mitchell and Brandon
38

SAUNDERS – In loving memory of Alton, who passed away November 29, 2008.
Our hearts still ache in sadness
Our silent tears still flow
For what it meant to lose you, Dad
No one will ever know.
– Deeply missed and forever loved
– Linda, Brian, Jeff and Richard

'An Oldford Goes The Extra Mile'

Meet your grads

Dundas County Hospice recently graduated the latest crop of students who took a 30-hour palliative care course for volunteers in Williamsburg. The free course is offered twice a year, and the local organization has no trouble finding willing participants every time, says thankful facilitator Jan Clapp, who points out that students are under no obligation to be hospice volunteers after graduation. The next class is scheduled for the spring. Front row: Jan Clapp (left), Mandy Laub, Terrie Barkley, Ruby Mekker, and Rosalyn Kingston. Back row: Kylie Larstone (left), Shelley Hutt, Janet Hutt, and Yvonne Jamieson. Absent: Joann Naish, Mindy Roderick, Jackie McMillan, Jackie Burke, and Amy White.

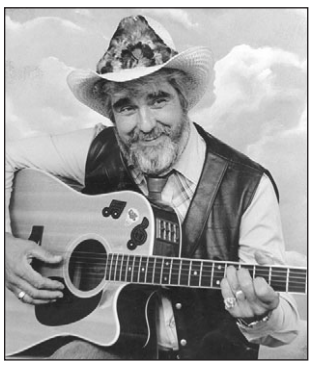
IN MEMORIAM
BROWN, FREDERICK

In loving memory of a cherished husband and father, Fred, who passed away November 28, 2006.



Oh, that I could clasp his hand,
His dear, kind face just see.
To hear his voice,
To see his smile,
That means so much to us.
His spirit fled, his suffering o'er,
In Heaven he is free.

Always in our hearts,
Love, Joyce & Alley

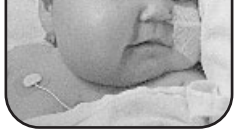
A Heartfelt Thank You



Kaleigh Carruthers and her family would like to take this opportunity to thank all the friends, family, and community members who helped make her Benefit Dance such a huge success. We could not have raised $65,000 without your generous support.

We would like to say a special thank you to the Winchester Lions, the members of Landmark, St. Albert Cheese, Parmalat, the Township of North Dundas, Andy's Foodland, Carol Ann Meehan, our auctioneers Hunter and Hugh, Scotia Bank Chesterville, the Chesterville Record, the Winchester Press, the Morrisburg Leader and Winchester Print for their generous donations that made this wonderful evening possible.

We would also like to thank the businesses and individuals that donated nearly 200 items that were auctioned off at the event. We sincerely appreciate the support of over 400 community members who attended our event and to those who gave cash donations and sincere wishes and prayers to Kaleigh.

To the companies, farmers, individuals, and volunteer groups that came together to fundraise in their own way, we sincerely appreciate your overwhelming contributions. We also appreciate those organizations, businesses, and individual people who are continuing to fundraise for Kaleigh.

When we started talking about hosting a benefit dance, we were hoping to raise a few thousand dollars. The spirit and compassion the community has shown towards this little girl is truly an incredible outpouring of generosity and kindness that inspires hope for the future. We would like to thank you from the bottom of our hearts!
