Diefenbaker to open Games

The RT. Hon. John G. Diefenbaker will open the 1975 Glengarry Highland Games at Maxville, Ont., on Saturday, August 2nd. Mr. Diefenbaker was Prime Minister of Canada in 1957 when he came to Maxville to open the 10th annual Games. This will be the first time in the history of the Games that the same person has officiated. It was by popular request that Mr. Diefenbaker was invited to make his return visit.

Sammy Kaye and his Orchestra

We have word from Chesterville's Recreation Director, Doug Moses, that Sammy Kaye and his Orchestra have been booked to appear in the Chesterville arena on Saturday, August 23. The Recreation Association will be joined by the Chesterville Chamber of Commerce and the local Rotary Club in this venture. Tickets will be available from Doug Moses, Nancy LaSalle and Frank Arnold.

Thursday, October 29, 1925 . . .

Pete St. Germain, of Bernie's Furniture and Carpet centre, Chesterville, came bouncing into the office the other day, with a big smile on his face and a paper clutched in his hand. The paper had an element of interest to the Bits and Pieces writer. . . it was the first two pages of the Chesterville Record carrying the dateline Thursday, October 29, 1925. We noted a few changes from the current weekly effort, there were only five columns across the front page, the headlines were very small and ads down both sides were the accepted format. One other item worth noting, single copies sold for 5c. Pete came up with the old issue while doing some carpet work at the farm home of Chas. Smith, south and east of Chesterville.

Larry . . . We found the owner

Larry Feek, of Avonmore, walked into the office on Tuesday morning with a strange look on his face. The look on his face couldn't have been much different than the one on ours when we spotted him coming carrying a lady's purse. It took until 2:15 on Tuesday afternoon, to get the story straight. Larry was coming west on Highway 43, just south of Chesterville, when he spotted the purse lying on the roadway. He pulled the car to a halt, backed up and the next stop was the Record Office. The purse is now back in the hands of the rightful owner, Linda Waldrif. There is a very simple explanation, to the purse on the road bit. Linda lives in a house along that stretch of road. When she came out to get in the car, to come to town, she had her arms full, with the purse and some bottles which she was returning for rebate. The purse was placed on the top of the car while the bottles were placed inside. The rest is simple — the purse remained on the top of the car until Debbie put the car in drive to proceed west, at this point the purse departed its precarious perch. All's well, that ends well.

Scouter receives 'Medal of Merit'

The Reverend E. Earle Eaton received one of the major surprises of his life last Thursday evening when, following his invocation at the meeting of St. Lawrence District Scouters at the United Church Hall in Iroquois, he was called forward and heard a citation read by William Sheldrick of Morrisburg, President of the District Council, acknowledging Mr. Eaton's many years of service in the Scouting movement.

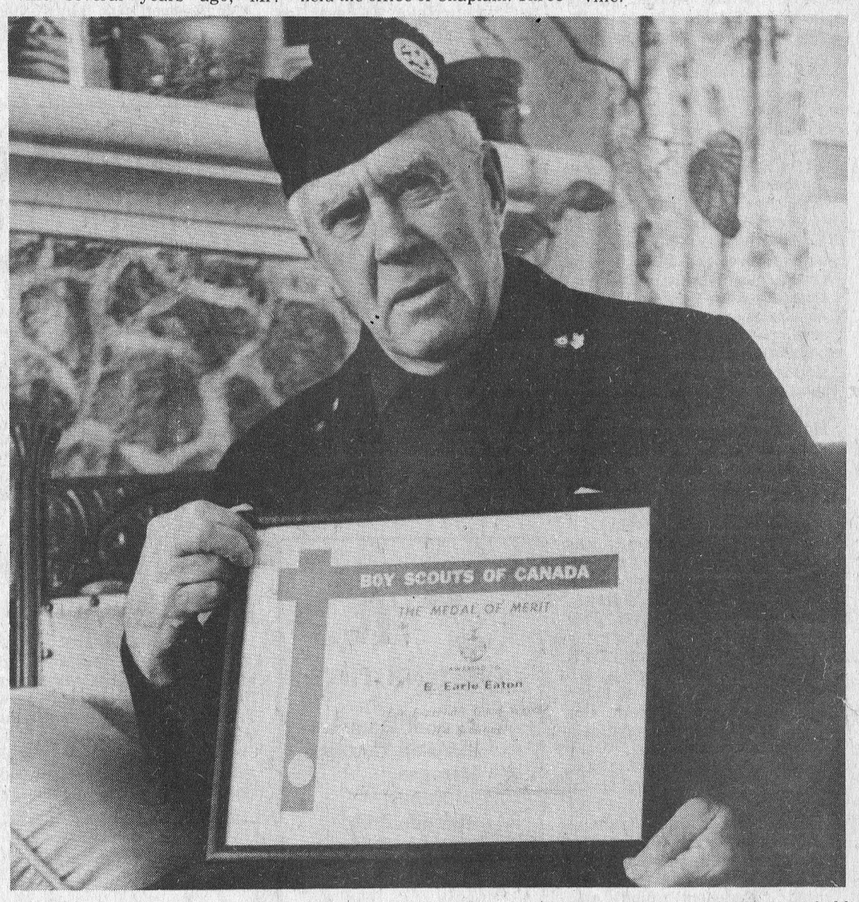
A framed "Medal of Merit", signed by the Chief Scout of Canada, was presented by Priscella Roberge of Chesterville, Secretary of Cubbing for the District; Commissioner Allan Thom then read a citation from the Lieutenant Governor, which he presented to Mr. Eaton, along with the insignia of the Medal of Merit.

Mr. Eaton, who is Public Relations representative for the District, and Chaplain of Chesterville Scouts and Cubs, in responding, said he felt quite overwhelmed by the honor, entirely unexpected. He said he felt his Scouting career had been "not that good, just that long"; that whatever he had been able to do for boys, over the years, was matched by what Scouting had done for him.

Mr. Eaton enrolled as a candidate Scout in 1916 at Aldene, N.J. The following year he became a "Tenderfoot". His first office in Scouting was that of Assistant Patrol Leader.

Over the years he has held such offices as Scoutmaster, Examiner, Committeeman, Commissioner. He worked on the Committees that established the Cubbing program and the God and Country department, now known, in Canada, as Religion in Life.

Soon after coming to Chesterville several years ago, Mr. Eaton was named on the local Scout Group Committee, and served on the Camping Committee. For the past five years he has held the office of Chaplain. Three years ago, in co-operation with the late Mrs. Eaton, he was instrumental in organizing Girl Guides and Brownies in Chesterville.



His Excellency the Governor General, in his capacity as Chief Scout for Canada, awarded the Medal of Merit to Rev. E. Earle Eaton, of Chesterville. Rev. Eaton received the award, for outstanding work and dedication to scouting, at a meeting of the St. Lawrence District Scouters held in Iroquois recently. Rev. Eaton was first associated with the Boy Scouts in 1917 and is at the present time the Public Relations Representative for St. Lawrence District. — Staff photo.

Recreation Director Moses speaks to Rotary members

Chesterville Rotary Club recorded an attendance figure of 85 per cent for their Monday, February 10th meeting. Two visiting Rotarians, Harry Van Allen and Rev. Eric Reid, Kemptville, were in attendance.

President Ian Macintosh brought back a report from the meeting he had with Chesterville Council, regarding the inadequacy of the sound system at the arena and the tree planting project the club has in the planning stage. Council explained to Mr. Macintosh that the speakers, presently used in the arena, were not designed for such use. They reported that steps are being taken to correct the sound system. About the tree planting project, Ian reported that council had shown their intention to co-operate. Further on the tree planting project it was noted that Barrie Warwick, of the Reforestration Department, will be in town at a later date to speak to the membership.

It was related at the meeting that the Chesterville Chamber of Commerce, at the time of the planning of the Nursery School, had shown some intention to help defray some of the expenses. Now the Rotary is anxious to establish just how much help, financially, the C. of C. were considering.

The guest speaker for the evening was Doug Moses, Chesterville's Recreation Director. Mr. Moses was introduced by Hugh Montgomery. Hugh and Doug had both received their secondary education at the same school in Almonte.

Doug reported that recreation in Chesterville had come a fair distance since the Rotary Club raised $12,000 to build the open-air rink in the park. The members listened with interest and were amazed by the figures, of today, put forth by the Recreation Director.

The Recreation Director revealed that the Chesterville Recreational Committee is sponsoring Sammy Kaye to appear in the arena in August of this year. With a price-tag of $5,000 for the one night stand, the Rotary members felt everyone was going to have to get out to push to make the evening a success.

Bill Giles thanked Mr. Moses for his most interesting address.

Finch Arena

Stormont Countymen play host to first annual Hockey Tournament

Finch arena last week-end was a haven for hockey fans as the Stormont Countymen presented the first edition of an Oldtimers Hockey Tournament. By all indications of fans, sponsoring team officials and participating players, the event could become an annual affair.

Play started at 8:30 a.m. on Saturday morning and continued through to Sunday evening when the 'A' Final game was played at 8 p.m.

From the 22 games played the red light was turned on a total of 186 times to produce an average goal-per-game of 8.45 goals, which indicated that many of the games were very, very close.

The work-horse of the tournament, Art Buchanan, who manages the Stormont Oldtimers team, reported that the event would not show much profit, but he was quick to add that he felt the first effort had gone so smooth he was already considering the tournament for 1976.

The tournament came up as an 'A' and 'B' affair, a win in the first round put you into the 'A' Division, the loser moved into 'B' play. From this point on, a loss in either division relegated the participating team to the roll of spectators.

The Ottawa Old Pros went through the tournament unscathed — in game number one, played at 11:30 on Saturday, the Ottawa team won handily by a score of 12 to 5 over the Beaconsfield team. It was back to the ice for the Old Pros at 3:00 p.m. on Saturday when R.C.M.P. were eliminated 6-2. The Old Pros took to the ice again at 8 p.m. on Saturday evening to take on the entry from Embrun. Embrun were eliminated by a score of 5-3.

The Stormont Countymen, under the direction of manager Art Buchanan, moved through their first three games and eventually provided the final opposition for the Ottawa Old Pros. In game one, at 2 p.m. on Saturday, the Countymen downed the Ottawa Old Stars by a score of 9-4. Stormont were back on the ice at 11 a.m. on Sunday, to tangle with their old rivals from Alexandria, the game produced a very close score of 3-2, Alexandria became spectators. Stormont continued in tournament play.

The Countymen drew Cornwall, also with a clean record, in the 5 p.m. game, Stormont won easily by a score of 4 to 1.

At this point in the tournament only two teams in the 'A' Division were sporting clean records — Stormont and Ottawa Old Pros. By 7:45 an additional influx of fans could be noticed filing in for the final game of the day which would produce the 'A' Division champ.

At 8 p.m. the puck was dropped and the Ottawa Old Pros and Stormont Countymen were locked in battle. The trend of the game was established early as the Ottawa players started to apply the pressure from the opening whistle and were quick to jump into the lead. The Ottawa goalie was not tested too frequently while the Stormont goalie was called to stop drive after drive. Final score a one-sided 6-0 for Ottawa. The 'A' Champs were presented with their trophy following the game.

The 'A' Division did not over-shadow the 'B' Division where a team coming up with a poor first game were desirous to redeem themselves and leave the loss column showing only one, which would eventually make them 'B', Champs.

Berwick, with their first loss to R.C.M.P. by the score of 9-3 took on Osnabruck, who were dropped by Maxville 8-3 in their opening game. Berwick and Osnabruck played at 5 p.m. on Saturday afternoon. Berwick were dropped by a score of 3-2.

Brinks who tied their opening game with Embrun by a score of 2-2, were relegated to 'B' play by the 'first goal scored rule' of the tournament, went on to play Beaconsfield, Quebec, in the 7 p.m. Saturday game. The Brinks team had more success in the second round and won the game 7 to 5.

Sunday's 10 a.m. game featured Wolf Island, who had been originally defeated 11 to 0 by Alexandria, and the Ottawa Old Stars. Wolf Island bowed to the Ottawa team by a score of 6-3 and the team joined the spectator roles.

A pair of first-round losers, Morrisburg who were edged 4-3 by Hawkesbury, and Murphy Short Circuits, of Ottawa, who were drubbed 7-2 by Cornwall Hubs, met head-on at 12 noon on Sunday. Morrisburg won the match 5-1.

By 2 p.m., on Saturday, only four teams remained in the running for the 'B' Championship. And the number was reduced to three when Brinks easily handled Osnabruck 7-1 in the 2 p.m. game. At 4 p.m. Morrisburg proved too much for

Morrisburg

Carnival best ever

Ann-Marie Smith, 17, was crowned queen of Morrisburg's Winter Carnival by Reeve William Dillabough on Friday evening at the Community Centre.

Master of ceremonies, Councillor Fred Hill introduced those accompanying Miss Smith who included Mrs. Sheila Cruickshank, chaperone; Mrs. Ruth Edge, gift chairman and Alex English, co-chairman of the Winter Carnival. Miss Smith was escorted by a member of the R.C.M.P. in full dress uniform. Following the crowning she was presented with a large box of gifts from Morrisburg merchants.

Prior to the ceremony, senior members of the Morrisburg Figure Skating Club presented a short program which included a dance routine and "Anchors Aweigh". Soloists Karen Disheau, Laury Bilmer and Nancy Bilmer pleased the crowd with fine displays of free skating.

Following the ceremonies the Morrisburg Old Timers met the R.C.M.P. in a hockey match which resulted in a 6-5 victory for the R.C.M.P. During intermission a comedy routine by David Gooch and Jeff Cassell was enjoyed by the crowd.

The Friday night Legion Bean Supper was well attended. Open curling bonspiels continued throughout the week at the Curling Club.

Sunday saw Morrisburg and Prescott hockey teams in Junior "B" action with Morrisburg coming out on top 5-3. Later in the day Mutual Blue Jean captured the Winter Carnival Trophy in the broomball tournament.

In an exhibition hockey match on Monday evening the Iroquois Peanuts defeated their Morrisburg counterparts 5-1 in a game attended by many parents and fans. The annual broomball match of the Morrisburg women vs the doctors resulted in a tie of 3-3. The Firemen were 4-3 victors in their game with the Lions Club.

Many attended the Shrove Tuesday Pancake supper at St. James Anglican Church hall when Rev. F. Gooch presented Carnival Queen Ann-Marie Smith with a corsage on behalf of the sponsoring group, the Men's Club. Ringette action at the arena that evening saw Beacon Hill Juniors defeat Morrisburg Junior 13-1 with Connie McKee scoring the only goal for Morrisburg. The Beacon Hill Seniors shut out Morrisburg Seniors 11-0. An all-star team of Gloucester players skated a fast exciting

Winchester Breeder honoured

A. Fawcett wins Holstein Master Breeder Shield

Allison Fawcett, Winchester, has been awarded a Master Breeder Shield by the Holstein-Friesian Association of Canada. The Shield, the highest honour bestowed upon a member, exemplifies superiority in breeding cattle. The presentation took place at the Annual Meeting of the Holstein-Friesian Association held February 12, 1975 in Toronto.

This is the second Master Breeder Shield won by the Fawcett family. The first one was won by W. J. Fawcett, a former National Director of the Holstein Association, in 1947. There have been only four Master Breeder Shields ever won in Dundas County.

Mr. Fawcett, who terminated his formal education after grade school, farmed with his father for 16 years before starting his own herd in 1955. It is to his credit that he has developed a top herd of cattle, has become a National Director of the Holstein-Friesian Association of Canada, and has developed his judging skills to the point where he is a sought-after Holstein judge for Championship shows not only in his own district, but all Ontario, Quebec and the Maritimes. He has also developed a first-rate sales agency with his brother (Fawcett Brothers Sales Service) and has helped numerous Holstein breeders to purchase foundation stock.

The present-day herd was largely built upon Mary Grahamcroft Ajax purchased as a two-year-old from Hugh A. Graham, Russell, in 1963. This cow, still in the herd and carrying an 'Excellent" classification, has been a tremendous breeding cow with four stars to her credit in the Star Brood Cow program. Her offspring includes Fawcettdale Sensation, classified "Very Good" and rated a Superior Type sire with 87 per cent of his 30 daughters classified "Good Plus" or higher; Fawcettdale Grahamcroft Anthony, classified "Excellent" and still in the herd; Fawcettdale Ambassador classified "Excellent" and now owned by Kermit Irwin, Peru, New York, where 100 per cent of his 12 classified daughters are "Good Plus" or "Very Good"; Fawcettdale Hagen classified "Very Good" and now being used as service sire in the herd of his owner, Carl Champagne, Arundel, Quebec, and in Mr. Fawcett's herd; and Fawcettdale Mary Hagen, classified "Very Good" and still in her breeder's herd.

Not only has this foundation cow been an outstanding transmitter, she has several individual credits. She was the Grand Champion cow at the 1966-1967 Dundas County Black and White show; 3rd prize aged cow at the 1967 Ottawa Winter Fair; and has an honour list record in 1967 with 22,903 lbs. milk testing an average 3.31 per cent for 768 pounds butterfat in 305 days. Her daughter, Mary Hagen, has a record at two years of 13,368 lbs. milk and 509 lbs. butterfat (3.81 per cent); and her other daughter, Grahamcroft Anthony, has a four lactation total of 71,984 lbs milk and 2,513 lbs. butterfat, or Breed Class Average production of 143 per cent for milk and 135 per cent for fat which is a full plus 39 deviation from the herd average.

Mr. Fawcett says that leading sires at Eastern Breeders Incorporated, Kemptville, have had a tremendous effect on his breeding program. "One of the bulls from Eastern Breeders Inc., that has probably contributed the most to my breeding program has been Kayen Farm Anthony, a bull who was minus 5 for milk production. His daughters showed the biggest improvement in my herd for both type and production. At present I have two "Excellent" homebred daughters of this sire in my herd (Fawcettdale Spook Anthony and Fawcettdale Grahamcroft Anthony)."

Mr. Fawcett was extremely lucky that his herd has remained intact despite a fire completely destroying the barn in 1974. The milking herd was saved although most of the young stock perished. A modern dairy unit was built during the last summer. Mr. Fawcett, along with son Hugh, who is now at home permanently with his father, is most pleased with the new arrangement.

Allison, who gives a lot of credit to his family in helping develop the herd and sales agency, has always used those programs so vitally important to any Holstein breeder. He has used Record of Performance to milk record the herd since he first started; the Holstein-Friesian classifier has always been a regular visitor; and he has shown his cattle regularly at the local Black & White show or major shows such as Central Canada Exhibition or the Ottawa Winter Fair where he has been Premier Breeder or Exhibitor on a few occasions.

Needing 150 points for his Master Breeder Shield as indicated by his 11.9 registrations per year, Mr. Fawcett has accumulated 153 points. He has bred 1 bull designated as Superior Type; one bull classified "Excellent"; 4 bulls classified "Very Good"; 4 cows classified "Excellent"; and 11 cows classified "Very Good."

North Dundas District High School NEWS

Been a long time, but here we are, back in the spot light again reporting the news from North Dundas.

The grade 13 exams are over and were all either crying, heaving sighs of relief or plotting to confiscate the teachers' mark books. The second semester has begun and everyone is trying hard to get a good fresh start with their new subjects. For some of us it's do or die so here's hoping.

On Feb. 5 our boys' basketball team fell to their knees as they were defeated by Glengarry but it won't take much for them to get back on their feet again.

The boys aren't the only people involved in sports. Both girl's junior and senior volleyball teams travelled to Seaway High for an all day tournament. The juniors lost only one match, while the seniors won one. They play in a return tournament here at North Dundas, and we wish them all good luck on the court.

Carnival time is coming up; the dates are Feb. 27 and 28, and all kinds of "going's on" are planned. The theme is 'Nostalgia, and everyone is going to dress in costumes of the thirties. Already there are displays aroung the school to get the students in the mood. If everyone participates, it should be great fun.

Hopefully everybody will be back into the swing of things soon so we will have more to report in the future.

Chesterville pupils pass music exams

Two students of Mrs. Frank Cox, Chesterville, recently tried and successfully completed Royal Conservatory of Music Theory exams. The successful students were, Janice McCadden, Chesterville, Grade 2 Theory, 84 per cent; Shari Hillis, Morewood, Grade 1 Theory, 87 per cent.

O.D.H.S. News

It's that time of year again! At this time, most of the local schools are celebrating their winter carnivals. Well, Osnabruck is no exception. On Friday, February 14, the O.D.H.S. student body voted on a Queen, Sr. Princess and a Jr. Princess. When the votes had been counted and finalized, the reigning queen of O.D.H.S.'s Winter Carnival 1975, was Maureen Acres, a grade 12 student. The Senior Princess was Marilyn Helmer, also a grade 12 student and the Junior Princess was Betty Kroose. Congratulations to all three! Osnabruck's carnival officially starts Monday, February 17, and the main event to take place on this day is the crowning of the Queen and Princesses. There are many scheduled events to take place in the latter part of the week.

Also, in this past week, Osnabruck's Girl's Volleyball teams attended a Volleyball tournament on Tuesday, February 11, at North Dundas District High School. O.D.H.S. seniors and juniors met S.L.H.S. senior and juniors of Cornwall in the playoffs. O.D.H.S. was defeated as the S.L.H.S. Seniors played a hard game and came out on top. The O.D.H.S. Juniors were happier than the seniors because after a hard fought game against S.L.H.S., they were victorious. The junior and senior winners of this tournament attended the Western Championship games in Cornwall on Friday 14. Our O.D.H.S. juniors played against Tagwai High School, but were defeated.

On the scene of boys Basketball, O.D.H.S. Midgets and Juniors played on home ground, Wednesday, February 12, against La Citadel of Cornwall. Both La Citadel teams were victorious.

Mainly About People

The Reverend E. Earle Eaton was guest preacher at Knox Presbyterian Church, Crysler and St. Luke's Presbyterian Church, Finch, last Sunday.

On Wednesday he was at Prescott for an all-day meeting of Brockville Presbytery.

Tuesday he participated in a ministers' meeting at Winchester and attended a Shrove Tuesday Pancake Supper at Morrisburg.

Garfield O. McIntosh

A Winchester resident Garfield Orval McIntosh, retired farmer, passed away in his 74th year, on February 13, 1975.

The son of the late Percy McIntosh and the former Florence Eastwood, he was married in Winchester, October 27, 1920 to the former Viola Strader. He was educated in Winchester Springs and was a member of the United Church.

Mr. McIntosh is survived by his wife, one son, Mahlon, Winchester Springs, four daughters, Mrs. Pauline Fowler, Kemptville, Mrs. Kenneth Baldwin (Helen), Iroquois, Mrs. Cecil Froats (Ola), Hulbert, Mrs. Carl Pemberton (Nina), Elma, thirteen grandchildren and eight great grandchildren. He also leaves to mourn three sisters, Mrs. Blanche Durant, Mrs. Reta Holmes, both of Winchester and Mrs. Hilda Johnston, Williamsburg.

Chesterville Cubs place 2nd in Maitland 'Mini-Klondike'

The team from First Chesterville Wolf Cub Pack, under the leadership of "Akela" Paul Elliott and Priscilla Roberge, tied with 9th Brockville Pack in scoring at the "Mini-Klondike" held at Maitland last Sunday.

Over a woodland trail course the teams pulled Klondike sleds past such checkpoints as Compass reading, Knot-tying, broomball, target skill, toboggan race.

Five hundred boys and their leaders from Brockville and St. Lawrence Districts participated in the annual event, with ideal weather conditions.

Co-ordinator Eric Rogers of Brockville was master of ceremonies, ably assisted by Assistant District Commissioner Dick Markell and Cubmaster Leslie Riehl.

The Lyle Young Trophy was won by 7th Prescott Pack, the Roy Smith Trophy by 8th Brockville A Pack. The Gord Kirkland Trophy was awarded to 1st Cardinal Pack, who also won the St. Lawrence Trophy, presented by Commissioner Allan Thom.

Other St. Lawrence officials present and participating included Co-ordinator Frank Bates, Assistant Commissioners George Lewis and Bob Bryden, representing Scouts and Cubs, respectively, in the District; Mrs. Roberge, District Secretary for Cubbing, and the Reverend E. Earle Eaton, public relations representative, who covered the event for the press.

Chesterville's team comprised Graham Fraser, John Barnard, Kelly Mitchell, Billy Levere, Kevin Roberge, Paul Smith, Brian Racine and Paul Cardinal. Local adults who accompanied the Chesterville pack included Scoutmaster Warman Barnard, and Gilles Cardinal, who transported the sled with a truck furnished by Nestle's.

Clare Tucker, St. Lawrence District Treasurer, of Iroquois, also was in attendance, participating at one of the trail check-points.

Following the events the boys and their leaders were served hot dogs and chocolate by the Ladies Auxiliary of Brockville-Maitland.

Eric Rogers was respledent in his full Indian costume and feathered head-dress as he presided. A network of walkie-talkies maintained contact between the check-points and headquarters set up on the school grounds.

Kemptville College . . .

Noted agricultural educator, Jim Purvis, retires from KCAT

A noted agricultural educator, Jim Purvis, has retired after 28 years as Head of the English and Social Science Section at Kemptville College.

During a testimonial dinner at the College, Mr. Purvis told the audience of 150 his aim through the years has been "not to reinforce failure but to exploit success".

Mr. Purvis noted that the College curriculum had become more positive. "Students are required to make more decisions and become more directly involved in practical work", he said.

Before coming to Kemptville College in 1946, Mr. Purvis served as a Major in the Canadian Infantry Corps. His most recent work involved a study of the training and placement of farm workers in the United Kingdom, where he spent 3 months on a Nuffield Foundation Scholarship. The report to the Ontario government included recommendations on how to deal with current shortages of farm labour in Eastern Ontario.

In 1973, the Ontario Maple Syrup Producers' Association recognized his contribution to maple research when he was named 'Ontario Maple Man of the Year'.

Concluding his speech in a philosophical tone, Mr. Purvis said: "These things are held on the lap of time, and project themselves to the future."

Mr. Purvis was born on a farm in Leeds County and is a graduate of Queen's University and the University of Guelph.

Former students attending the dinner dated back to the year 1948. The guest list included a number of former colleagues from across the Province as well as the faculty.

Jeannie L. Forward

A life-long resident of Chesterville, Mrs. Jeannie Louise Forward passed away on Feb. 11, 1975 at the Glen-Stor-Dun Lodge. She was in her 91st year. Mrs. Forward was the wife of the late Alfred J. Forward and the daughter of the late William John Johnston and the former Charlotte Beckstead. She is survived by four daughters, Isabel of Chesterville, Mrs. Nelson Scharf (Doris), South Mountain, Mrs. Chester Turner, (Helen), Ottawa, Mrs. Lloyd Fraser (Mary), Sydney, N.S., two sons, Edwin and William of Chesterville, twelve grandchildren and six great grandchildren.

Funeral services for the United Church member was held from the Trinity United Church, Chesterville, on February 13, with Rev. L. M. Ferguson officiating. Interment was made in Maple Ridge Cemetery.

Pallbearers were: Blake Ball, James Merkley, Harold W. Merkley, Edwin Shay, Lloyd Smith and Bertram McIntosh.

Seaway Com. Services delegates attend Anti-Poverty Conference

Seaway Community Services was represented at the Annual Ontario Anti-Poverty Coalition Conference held at St. Catharines last week-end by Mrs. Harry Peper of Morrisburg and the Reverend E. Earle Eaton of Chesterville.

More than a hundred representatives of religion, labor, government and the professions gathered for the annual event, to hear reports, listen to recommendations and plan strategy concerning recommended legislation, political action and educational campaign in behalf of the working poor and the unemployed.

Seaway Community Services is one of several such social service agencies affiliated with the Anti-Poverty Coalition, representing the areas of Morrisburg, Williamsburg and Ingleside.

Mr. Eaton is Camping Convener and Public Relations representative for Seaway.

Adaline Merkley

Mrs. Adaline Merkley of Springwater, Saskatchewan, passed away in Biggar hospital on Sunday, January 19, 1975, at the age of 95 years.

Born in Dunbar, Ontario, on September 27, 1879, she was the daughter of the late Zeman Marselis and the former Hannah Hodgson.

She married Henry Merkley and they went to the Springwater district in 1910. Surviving are son George, daughter, Catharine, daughter in law, Olive, granddaughter, Donna and two great grandchildren. Two sisters, (Jen) Mrs. Orlin McMillan, Cold Lake, Alta. and (Kate) Mrs. Orrie Bouck, Ottawa. She was predeceased by her husband Henry in 1962 and by her brother Charles.

Rev. Dick Graham officiated at the funeral service held from Springwater United Church, on Wednesday, January 22. Interment took place in Landis Cemetery with Biggar Funeral Home in care of arrangements.

Mrs. Nellie McKinnon spent last weekend in Ottawa, with Mr. and Mrs. Ernest Walsh.

Mrs. Ethel Watson, Ottawa, spent the week-end with Mr. and Mrs. Wm. Campbell.

Mr. James Tinkess spent a few days last week in Kingston with members of his family.

Mr. and Mrs. Henry Legault, Ottawa, visited with Mrs. D. McMaster last week.

Mr. and Mrs. Howard Kennedy spent the week-end with their daughter, Mrs. Peter Zadorozny, Mr. Zadorozny and son at Pembroke.

Visitors with Mrs. J. A. Cameron on Sunday were Mr. and Mrs. Daryll Cameron and family, Long Sault, and Mr. Ronnie MacIntyre, Ottawa.

Seaway Valley

Snowmobile Assoc. looks for snowfall

Some interesting points were gleaned from a recent meeting of the Seaway Valley Snowmobile Association. The top item was a discussion of snow conditions for snowmobiling. An enthusiastic report was heard that the long-range forecast calls for lower temperatures and more snow than is usual for the month of February.

An expression of thanks was given all the members of the executive that had helped to make the snow-a-rama, held recently, such a success. Thanks was also expressed to the Kiwanis Club, the Upper Canada General Radio Service Club and the Alexandria Snowmobile Club. The success of the 1975 affair almost assures that the snow-a-rama will become an annual event.

Congratulations were extended to John Lague, Morrisburg, for having over $500.00 in pledges for the Snow-a-Rama.

Several points of interest were brought forth which should be of interest to area snowmobilers — Trail Maps are now available from most dealers; there are 175 miles of Seaway Valley Trails and 125 miles of Alexandria trails at the memberships disposal.

Discussion centered around the two groomers that are on the trails daily. The second groomer was purchased for $5,800 from a firm in Pembroke. The price tag represented a saving of almost one-third of the original price. And the second machine was reported to be working adequately.

A meeting had been held, a short time ago,, between the 'Valley' Association and officials from Quebec Clubs, the discussion centred around trail use privileges. As a result of this meeting it was cleared that an agreement would have to be made between the Ontario Federation of Snowmobile Clubs and the Quebec Federation.

Music students pass examinations

Congratulations are being extended to the music pupils of Mrs. E. N. Bicks, who were successful in passing examinations in piano and Theory set by the Royal Conservatory of Music, Toronto.

The names are arranged in order of merit — Grade VIII piano — Honours, Murray Bush, Avonmore; Grade V piano — First Class Honours, Georgina Funge, Avonmore, Grade II theory — First Class Honours, Peggy MacMillan, Finch; Honours, Gwennyth McMillan, Avonmore and Mavis Hanna, Finch; Pass — JoAnn Craig, Avonmore.

District Governor, Archie Sayant, made his official visit to the Finch and District Lions Club, on Thursday, February 13. The Governor is a member of the Metcalfe Lions Club. He is a past president of that club and also served as zone chairman and Deputy Governor in A-4. Lion, Archie gave a brief talk on the work of lions in A-4. He also spoke about the work of Lionism around the world. After the Governor's speech a short business meeting was held and a lunch was served. All Lion Members were asked to take part in the second annual Lions Broomball Tournament, to be held on Saturday, March 1. Enjoy Valentine party

An enjoyable sociable time took place in the Nation Valley Memorial Centre on Saturday evening. Opening the party progressive euchre and bingo were played. Each winner received a prize.

After lunch, Keith Vreman as mailman opened a decorated mail box and delivered Valentines.

Games, music and dancing completed the evening.

In semi-final Junior action

Chesterville and Maxville deadlocked at 2-games each

Last Tuesday night, February 11, the Maxville Highlanders were in town to play the Chesterville Jets, in the third game of the semi final play-off series. It was a must game for the Jets after dropping the first two games to the high-flying Maxville team.

The Jets looked like a new team in the first period, passed well and covered their checks. They kept constant pressure on the Maxville goaltender, which resulted in three first period goals off the sticks of Dave Arnold, who was set-up nicely by his teammates. Maxville's defensive squad stood up well, as did their goaltender, under the Jets good pressure.

In the second and third periods both teams kept up the skating — passing game with good end-to-end rushes and ample body contact. Maxville's persistence payed off as they scored a goal in each of the three periods.

Gord Ziebell proved to be the key man in the third period as he added the winning goal to Arnold's first period 'hat trick'. Carman Carruthers assisted on the goal which was registered at the 4:06 spot.

Final score — Chesterville 4, Maxville 3.

Stats by periods — 1st period scores, three by Dave Arnold, the first at 5:08 from Don Crowder, the second from Gord Ziebell at 14:34 and the third at 15:18 from Carman Carruthers; for Maxville, G. Dupond from W. Sproule at 5:59. Penalties — Chesterville 3, Maxville 4.

2nd Period scoring — Maxville's G. MacIntosh, unassisted, at 11:34. Penalties — Chesterville 5, Maxville 5.

3rd Period scoring — Chesterville's Gord Ziebell from Carman Carruthers at 4:06; Maxville, G. MacIntosh from M. Mainville at 16:30. Penalties — Chesterville 4, Maxville 5.

Chesterville 4, Maxville 3

On Sunday afternoon the Chesterville Jets travelled to Maxville to play the Highlanders in the 4th of the seven-game series. With the Maxville team winning the first two games of the series, the Jets had their backs to the wall, having to win in the oppositions' home arena.

Both teams seemed to carry on from where they left off on Tuesday night, with both teams having excellent scoring chances, only to be outdone by excellent defensive plays and sharp goaltending.

The Maxville team lead 1-0 after the first period, but the Jets scored two unanswered goals in the second, to take a 2-1 lead into the third period.

Maxville tied the game early in the third but couldn't hold the Jets off, when they scored a pair of goals only one minute and 18 seconds apart.

With the two-goal lead the Jets seemed to think the game was in hand and started to lean on the stick. They soon found out that the Maxville squad do not give up until the final whistle is blown. Maxville's persistence payed off when they scored with only 53 seconds left in the game.

The Jets, with some luck, held Maxville off the scoresheet in the last 53 seconds to salvage a 4-3 win and a tie in the semi-final series at 2-games each.

1st period scoring — Maxville, G. MacIntosh from D. Coleman at 9:45. Penalties — Chesterville 2, Maxville 5.

2nd period scoring — Dave Arnold with two, the first at 12:10 from Dave Cross, the second from Gord Ziebell at 9:51. Penalties, each team with a single call.

3rd period scoring — Chesterville, Larry Kelly unassisted at 6:26, Gord Ziebell at 7:35 from Dave Cross. Maxville, G. MacIntosh from A. Blaney at 15:19 and G. MacIntosh from W. Sproule with only 58 seconds remaining in the game. Penalties — 4 calls against each team.

Final score — Chesterville 4, Maxville 3.

MORRISBURG CARNIVAL —
(continued from page 1)

exhibition game which resulted in an 8-3 score.

Over fifty Morrisburg and area senior citizens attended the skating party at the arena in the afternoon when free coffee and doughnuts were served, courtesy of the Carnival Committee.

The portrayal of a Shakespearean garden scene from Richard II highlighted the program of the Morrisburg Horicultural Society on Tuesday evening at the Civic Centre. John Corbett as "Her Docktor Wagonfuhrer" gave an amusing demonstration on the horticultural theme, Winter Carnival Queen Ann-Marie Smith entertained musically with her guitar and songs. Master of ceremonies was Don Kennedy and Gordon Thom led the sing-song with Mrs. Gertrude Harvey, pianist.

Doug Tupper was grand prize winner at the Lions Club bingo on Wednesday evening. The lobby of the Community Centre was a popular place with two auctions. Earlier in the evening Morrisburg young folk enjoyed games and contests on the ice, sponsored by the Lions Club which was followed by a hockey game between the Old Timers and Midgets resulting in a 4-4 tie.

Free skating on Thursday, sponsored by the Orange Lodge was well attended. The exhibition hockey game of Upper Canada Atoms vs. their parents resulted in a 5-5 tie after a slow start. The Friday night bean supper at the Legion catered to a large crowd. Curling club.

On Saturday winners of the PeeWee Minor Hockey Tournament were Embrun and Nepean. In the evening a capacity crowd attended the Valentine Carnival Dance at the Civic Centre featuring Nowickj's Orchestra. Ricky Barkley, Williamsburg was winner of the Carnival half and half draw.

'Safari' to Africa

Chalmers U.C.W. enjoy slides

Chalmer's U.C.W. of Finch, met in the Church Hall on Tuesday evening with 22 members present as well as 3 men guests. Devotions were conducted by Mrs. Lindsay Hutt assisted by Mrs. Dean Hough, Mrs. Flossie MacLean and Mrs. Murray Doyle. The treasurer, Miss Lillian Droppo reported that the finances were in their usual good state and thank you notes were read from those who had been remembered during their illnesses. Mrs. Gordon Ouderkirk and Mrs. Harry Funge reported on the Presbyterial meeting held at Avonmore. Mrs. Funge stated that the Annual meeting would be held at Ingleside on April 15, with Rev. Geo Clifford as guest speaker. It will take the form of a birthday party with each society being asked to contribute a birthday cake and these will be judged by Rev. H. Funge of Avonmore.

Mrs. Gordon Ouderkirk and Mrs. James MacMillan were appointed as a committee to plan for the World's Day of Prayer to be held in Chalmer's United Church on March 8. It was decided to hold the annual St. Patrick's Day tea on Saturday, March 15.

The highlight of the evening was the showing of slides by Mr. George Willis of Avonmore. Mr. Willis went on a "Safari" to Africa last August travelling from Montreal to London, England, and then to Nairobi. Here he joined a group which travelled by Mini-bus through the Game Reserves to Ethiopia. They visited the "Treetops" camp where Queen Elizabeth was staying when the news of King George's death reached her, and spent sometime at the Chalbi Desert. The 1973 drought had resulted in a sad sight, the bones of many Nasai cattle were strewn about the parkland where they had sought pasture. However, there were numerous lakes with beautiful vegetation bordering Ethiopia. Around the numerous camps at which they stopped were large watering holes and the travellers could sit on the porch at night and watch the various animals come to drink. Mr. Willis showed many beautiful slides of elephants, lions, hippos, monkeys, snakes, etc. All tourists were of course warned not to go outside the camp at night as the wild animals were just that wild.

Mr. Willis was thanked by Mrs. Dean Hough and a gift presented. Rev. Funge closed the meeting with prayer and a delicious lunch was served by the hostesses and a social hour enjoyed.

Senior Citizens Club receives $12,757 New Horizons Grant

We received word recently from Ed Lumley, MP Stormont-Dundas, that a New Horizons Grant had been approved for the Senior Citizens Club of Moose Creek. The 'Sunshine Club', at present, has a membership of 55 and hopes to build that number up to 120.

The grant of $12,757 will be used to organize a Drop-in Centre for Social, Cultural and Craft Activities in space made available in the Community Centre.

Part of the grant money will be used to share with the Municipality in the repairs and reconstruction of the basement facilities.

A portion of the grant will also be used to purchase games and workshop equipment.

This is the first time that Moose Creek has made an application for this type of grant.

United Counties geared to provide efficient service

The Counties' road crews maintain approximately 440 miles of road. Our on-the-road winter control fleet consists of 20 vehicles (12 highway equipped plow units, 4 plow equipped graders, and 8 sand-salt units), based in 4 strategically located patrols. Our radio equipped operation is geared to provide fast, efficient service consistent with County Road standards and traffic volume.

As quick clearing is our objective, certain practices by citizens located along our roads must be discouraged. The Highway Traffic Act specifically prohibits parking of vehicles where they may hinder snow removal. Also, County by-laws prohibit the pushing of snow (from driveways, etc.) onto the road. Both such actions hinder removal and create potential hazards to fellow road users. In order to aid in our efforts to provide service to one of the largest County Road Systems in the Province. we ask your co-operation and understanding.

The County plows are manned by trained and experienced men whose aim is to clear the roads as quickly and efficiently as possible. Winter control is a major factor of our roads program and accounts for one quarter of our maintenance budget.

Ottawa teams cop trophies in Finch Tournament

Following the 'B' Final game between Brinks and Morrisburg, which was won in overtime 5-4 by Brinks, the Captain of the Brinks team was called to centre ice for the trophy presentation. Art Buchanan, on the left is shown here making the presentation to Dick Ducharme. — Staff Photo.

Gord Smith, who coaches the Ottawa Old Pros, brought a team into Finch last week-end which proved to be quite a force. The Ottawa team played flawless Hockey and won the 'big apple' the 'A' Championship in tournament play. Brinks Oldtimers Hockey Team were keen competitors in tournament competition at Finch last week-end. The team lost only one game, the first encounter which put them in 'B' Competition. From that point on they were not to be 'bested' and emerged as 'B' Champions. Front row from left — Doug Sigouin, (coach), Larry Baker, Bert Morrow, John Wright, Pat Brophy, Bill McNeil and Jack Devine (manager). STORMONT COUNTYMEN —
(continued from page 1)

the Ottawa Old Stars as they won 4-1.

Now the stage was set for the 'Big Game' of the day in 'B' play — Brinks against Morrisburg.

'Geritol' had to be the key factor in the final game. Morrisburg built up a commanding 4-1 lead before they wilted in the later part of the second period and died in the third as their opposition became even stronger as the game went on. Eventually the game went into overtime and Brinks won 5-4. As a Morrisburg player explained "we simply ran out of Gas."

Following the 'B' Final game, the Brinks team captain was presented with the 'B' Championship game.

Following termination of play, tournament officials hustled to the office to work out the individual award winners. The 'official room' was a most hectic place as a couple of lads were trying to straighten up with the several referees who had worked the tournament, get the team prize money straightened out and a couple of others were working on individual stats to decide the winners in that category.

Just to prove what kind of talent was in Finch over the week-end, the Brinks entry, from Ottawa, gave a run-down of its team personnel . . . the current team has played about thirty games so far this season and won the 'B' final game on Sunday evening with only ten players on the bench. Bob Ellett was formerly with the Rochester Americans and currently keeps sharp on the game as he coaches the Embrun Panther team; Bill McNeill played for Houston in his heyday; Dick Ducharme, who scored the winning goal in overtime, hails from the small community of Eardley; another player Bert Morrow, was flown in from Toronto, it seems Bert was anxious to play against his old team-mates from Morrisburg; John Wright, the goaltender, played at one time for McGill; John Barabasch, at one time wore the colours of the Port Arthur Bruins, which won the Allan Cup in 1948; John Goodman played for the O.H.A. Hamilton Red Wings; Ray Gregoire played for his home-town team, the Embrun Panthers; Dave (Doc) Gardiner was also at one time a Panther team member; Larry Baker played in Innsbruck Austria, and with the Carleton Maroons; Pat Brophy was a former All American at Clarkson and he played for the Canadian National Team in World Competition, Morrisburg and the Carleton Maroons; Jack Devine, the General Manager, played for the Inkerman Rockets; Phil Lafontaine, who recorded a hat trick on Saturday, is a former member of the Hull Vollants; Florent Dube played in the past for the Panther team of Embrun.

The Brinks team is capably coached by Doug Sigouin who is known for his organizing abilities and has coached many successful Old Timers team in the past.

Tournament officials and team members moved to the upstairs hall in the Finch arena for the final presentations. Ottawa Old Pros, as 'A' Champs took home the top prize of $200; as runners-up in the 'A' Division the Stormont team claimed $150.00 'B' Tournament winner, Brinks, received a cheque for $100, while Morrisburg as Runners up got $75.00.

As if master of ceremonies Art Buchanan had not called out enough winners to this point he announced that there were six more prizes up for grabs, which would be presented to three members from each division. The Best Goalie in the 'A' Division was Doug Coxon of Brinks; Best Defenceman was Ron Quenneville of the Stormont Countymen and the Scoring Title went to Phil Latreille of the Ottawa Old Pros.

The 'B' Division individual stars were not forgotten — Terry McMahon and Bob Carkner, of Morrisburg, shared the Best Goalie Award; Alie Cameron, also of Morrisburg, won the Best Defenceman Award and Bill McNeill, of Brinks, the Scoring Title.

Labatt's Ontario Breweries played a major roll in the tournament as G. H. (Chuck) Charlebois of Cornwall was present to hand out individual prizes to members of the winning teams.

A bit of rivalry was evident from the tournament as representation of The Brinks team, who won the 'B' Championship, openly challenged the Old Pros, the 'A' winners, to a game.

Tournament officials related that about 900 people had been in attendance on Saturday and the Sunday crowd had increased to approximately 1200.

me and Garry Beckstead scored from McMillan.

Embrun made it 6-3 in the third on goals by Eric Clement and Greg McLaren, with only 4:55 left in the game, Don Richards added his third to narrow it to 6-4 from Laflamme and McMillan, but Daniel Piche made it 7-4 with 9 seconds left to give Embrun the Tournament Championship. The highlight of the game from a Chesterville point of view was Don Richards' three goals. With the goals, big Don became the teams' second hundred-point man, with 57 goals and 45 assists for 102 points.

The Morrisburg Tournament was a first-class affair with things running smoothly under the careful direction of Bob Howald, Jim McAllister and Ron Casselman. A tournament is as good as its officiating and the quality of officiating was of the highest order.

In upper St. Lawrence league play, Legion split two games, winning 3-1 in Brockville and losing 6-1 at home to Iroquois.

In Brockville, a listless performance by both clubs saw Legion outshot by Warriors 18-8 and outscore them 3-1. The teams traded second-period goals Richards scoring from Shay and McMillan, while Logstrup replied for Warriors. In the third, Garry Beckstead got the eventual winner, while Richards scored again from McMillan for the insurance marker.

Last Wednesday, Legion absorbed their fourth home-ice loss of the season at the hands of a hustling Iroquois gang. A lack of checking let Iroquois' big forwards roam at will and the defence was hard-pressed in facing 3-on-2 situations all night. Scoring for Iroquois were K. Brown with a pair, and singles going to K. Smith, G. McMartin, S. Kirker and K. Whitteker. McMillan replied for Legion from Laflamme and Shay.

Legion's Player-of-the-Week is Number Eighteen, Glendon Shay. "Gator", 12, is a second-year man and has been Don Servage's defence partner for five years. Needless to say that the boys each know what the other defenceman is doing. Gator plays defence with a lot of confidence and poise, and is an excellent rushing defenceman and playmaker with three goals and 17 assists to his credit. A big youngster, Glendon doesn't use his size to intimidate, preferring to play clean, skilful hockey. Gator splits the point duties on the power play with Don, and possesses a wicked slapshot. Brother Doug is a blueliner with Chesterville Jets, while younger brother Kenny is C of C Atoms' fine captain.

Five teams compete at Tagwi

On Wednesday, February 12th, 1975, a Volleyball Tournament was held at Tagwi Secondary School. Five teams competed and were from, the host school, G.D.H.S., La Citadelle, Char Lan and G.V.S.S.

The Tagwi Juniors won four games to go into the finals against G.D.H.S., the victors of last week's tournament.

In the finals, Tagwi Juniors won three games out of five. The Senior girls' final featured La Citadelle and G.D.H.S.

G.D.H.S. won three games in a row to hold onto the title they had captured the week before.

Tournament play

Legion Pee Wees win two bow to Embrun in final

Chesterville Legion Peewees led with their strong Suit — heart, and went all the way to the 'A' finals before bowing out to the Embrun powerhouse at the Morrisburg Peewee Tournament last Saturday.

The road to the finals was a difficult one and the locals, short on talent but long on determination and courage, played masterful hockey in their three games.

In their first game, Legion drew Ottawa's Nepean Indians and the two teams played a whale of a checking game. With 5:10 left in the second period, and with Nepean playing a man short, Legion's potent power play came to life as Marque Laflamme scored from Don Richards and Curt McMillan.

Both teams continued to give it all they had until there was 5:40 left in the game, at that time, Garry Beckstead took off on one of his patented wishes and made it 2-0 from Laflamme and Glen Patterson. A minute later, big Don Richards notched one more to make the final score 3-0, from McMillan and Glendon Shay. Legion was outshot 13-11, but Witteveen and Moore refused to be beaten.

Nepean Indians went on to win the 'B' championship in the Tournament.

Legion's second game saw a rematch against their friendly rivals from North Franklin N.Y. The Americans had been most impressive in their first game, in posting a 6-0 win over Athens, a club the locals always have trouble with. Fans witnessed a fine first period, with Chesterville outshooting N.F. 10-5, but Legion was unable to get the puck past Ed Smoke. In the second and third periods, persistent checking by Mike Beckstead, Dave Byers, and wingers Grisel, Patterson, Moss and VanDelst paid off as the roof fell in on North Franklin, Legion scored three times in each of the second and third to post a most impressive 6-0 win over North Franklin. Richards, Patterson, McMillan, Laflamme, and Grisel each chipped in a goal and an assist. Garry Beckstead had a goal, Mike Beckstead had pair of assists, Shay added an assist.

North Franklin was outshot 28-12 so Moore and Witteveen were not overworked in chalking up their second consecutive shutout.

With only an hour's rest, Legion met Marcel Blondin's, Embrun Club in the Tournament's Championship game. Last week, in Chesterville's tournament, goaltending was the difference as Jeff Moore and Eddie Witteveen were hot and Legion skated to a 7-3 win which was in no way indicative of the play. In Morrisburg, Embrun's Malcolm Bradley held the hot hand as Legion outshot Embrun 20-15, but ended up on the short end of a 7-4 score. It was crowd-pleasing, offensive hockey as both teams went all out for the entire game.

Embrun's fine right-winger, Jim Cochrane, opened the scoring from Daniel Piche with only 1:15 gone in the game. Not to be denied, Legion roared back 45 seconds later to make it 1-1 on a goal by Don Richards from Marque Laflamme. Five minutes into the period, Embrun scored twice within 30 seconds to take a 3-1 lead. Big Greg McLaren and Jim Cochrane provided the finepower, and a shaky Jeff Moore was replaced in goal by Eddie Witteveen. Eddie was steady, but not enough to stop Cochrane as the youngster put away his third to give his team a 4-1 first period lead.

The second period was all Chesterville as the locals narrowed the gap to 4-3. Richards scored his second from Laflam-

Humor and Healing

Stephen Leacock defined humor as "the kindly contemplation of the incongruities of life, and the artistic expression thereof." But kindliness does not seem a dominant quality of much of our humor today. Popular humor often makes fun of the other person's weaknesses and failures, even of his or her deformities of body and mind. It delights in the embarrassment and discomfort of others and in well-honed sarcasm at their expense. Much humor today is an exercise in self-aggrandizement: its practitioners seem to think that they will stand so much the taller if they can cut someone down.

The form of humor called satire can be an effective means of attacking injustices, exposing evils, puncturing pomposities. But many of today's satirists seem to be simply saying, "See how very clever we are, you stupid sods out there!"

We need more of the humor which has a dominant element of kindliness in it, the kind which helps us accept life's little ironies and idiocies and everyday incongruities, the kind which can be healing balm for the hurts of your hearts. The late Gordon W. Allport, one of the more influential psychologists of our time, studied the role of humor in mental health and came to this conclusion: "We have grounds for supposing a person's sense of humor is closely related to his degree of self-insight. — one who can laugh at himself is unlikely to feel greately superior to others — humor tells us that our total horizon of life is too wide to be compressed into our present rigidities — the neurotic who learns to laugh at himself may be on the way of self-management, perhaps to cure."

No aid for Bomb-Builders

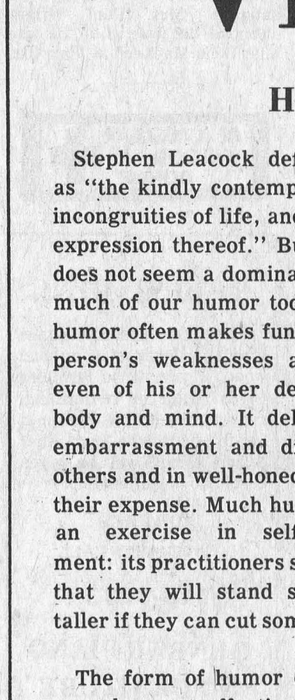
We have reached a stage when words such as mutual benefit and interdependence have begun to mean something. They are no longer just the rhetoric of politicians and diplomats. And this is why Canada takes very seriously its aid commitments — both development assistance on a bilateral basis, and multilateral aid channelled mainly through the World Bank.

Today, apart from the economic mess that has resulted from soaring oil and food prices and the resulting inflation, donor countries face a problem that can only get worse: Do they continue giving aid to bomb-builders?

West German Development Aid Minister Egon Bahr already has said his country should stop all economic aid to India if it decides to build a nuclear bomb. He put his point quite plainly. Developing countries were free to decide their own affairs without any outside interference. By the same token, industrial countries had the same right. They were therefore free to apply their own criteria to granting or stopping foreign aid.

To a hungry Indian, living at subsistence levels, this sounds cruel and arrogant. But because nuclear proliferation is one of the great dangers to the very existence of mankind, Mr. Bahr's warning should be heeded by leaders of poor lands as well as rich.

Recipients of aid like India, whose food grain harvest will be about 10 percent below the target this year, are unwise to taunt donor countries by going ahead with nuclear experiments — especially if they turn out to be nuclear military tests. What mutual benefit does Canada gain by helping India to nuclearize its defenses? Interdependence means caring for and sharing with others — sharing food and shelter and education. But not sharing the materials that lead to possible nuclear destruction. Bomb-builders should not get aid.



Ann Landers

Dear Ann Landers: My husband is mad at me because I am disgusted by his frequent attempts to unzip my slacks, unbutton my blouse and get me to make love on the sofa, partially clothed.

Never a kiss, or a word of tenderness, just a sudden attempt to disrobe me and drag me to the living room — sometimes right in the middle of doing dishes. He makes me feel like a tramp — or perhaps he imagines himself a caveman, and goes out of his head. I can't figure it out.

I freeze when he behaves like this. Then he gets very unpleasant because I am not "responsive." I believe a wife should be treated with dignity. I consider such crudeness an insult. Please help me with this problem, Ann; it's ruining our marriage. — Degraded In North Carolina.

Dear D.: The variations of sexual turn-ons are mind-boggling. And this doesn't mean a person is crazy. It simply means he is a little kinky in this particular area. (I once had a letter from a 33-year-old married woman who could get sexual satisfaction only in the back seat of a car. Her main concern was that the neighbors might see her and her husband trooping into the garage in their bathrobes.)

Your husband's turn-on is probably the caveman fantasy (it's his "motivator"), so don't consider it an insult. My advice is to go together for marital counseling. You need to understand why he behaves this way and he needs to understand why you resent it. With a competent intermediary you'll make it.

Dear Ann Landers: This is for the lady who was tired of being entertained in "basements." She said that after spending $7 on a hair-do and $5 on a sitter, she should be allowed to sit in the living room. "Basements," she said, "are for children with sticky fingers."

May I tell her what our adult friends have done to our living room? There are three cigaret burns on the coffee table, although we have ashtrays all over the place. Last week someone burned a large cigaret hole in our new beige carpeting. There are numerous stains from coffee, tea, mixed drinks, and food which has been carried in from the dining room. The upholstery is also burned and stained. Last night a $150 lamp was broken by a friend who was taling with his hands, as usual. He knocked it over, looked at the pieces and said, "The base must have been very shaky. I hardly touched it."

Our children never damaged the rugs and furniture the way our adult friends have. Take it back, Ann. — Had It From Company.

Dear Had It: Your friends should like people who shouldn't even be allowed in the basement. If you plan to continue entertaining such clods, I suggest that you buy several yards of plastic sheeting and cover everything.

Dear Ann Landers: Must one acknowledge "get well" or "sympathy" cards? Flowers and gifts I can understand — but cards?

I read that Mrs. Gerald Ford had dozens of friends over and they worked for weeks to acknowledge thousands of "get well" cards. Please give me your views. — FCF.

Dear FCF: It is my personal opinion that all messages that show concern should be acknowledged.

Parents, what should you do if your teenager is having sexual relations? Ann Landers' new booklet, "High School Sex And How To Deal With It — A Guide For Teens And Their Parents," gives no-nonsense advice on how to handle this delicate situation. For each booklet, send 50 cents in coin plus a long, stamped, self-addressed envelope to Ann Landers, P.O. Box 1400, Elgin, Illinois 60120.

Winter Pudding

½ cup ground suet
1-3 cup brown sugar
2-3 cup corn syrup
1 egg
Juice of 1 lemon
2 tbsp. milk
1 cup raisins
1 cup currants
1 cup grated raw potato (1 large)
1 cup grated raw carrot (2 medium)
½ cup flour
¾ tsp. baking soda
½ scant tsp. salt
½ tsp. cloves
½ tsp, nutmeg
½ tsp. cinnamon
1 cup fresh bread crumbs (3 slices)

In a large mixing bowl blend together suet, sugar, corn syrup and egg. Add lemon juice and milk; stir well. Add raisins, currants, raw potatoes and carrots; mix thoroughly. Sift flour, baking soda, salt, cloves, nutmeg and cinnamon over mixture. Add bread crumbs; mix thoroughly. Turn into well greased 5-cup milk, (the mold should only be 2-3 full). Cover with greased waxed paper or aluminum foil, and steam for 3 hours; Unmold.

Sauce

¼ cup flour
¼ cup butter
1 cup cold milk
1 cup corn syrup
½ tsp, vanilla

In a small saucepan, add flour to melted butter; stir-cook for 2 minutes. Add milk; stir-cook over medium heat until thickened and bubbly. Carefully drizzle in corn syrup, stirring continuously. Add vanilla, stirring. Serve over hot steamed pudding.

Long Sault W.I. holds Feb. meeting

'Look ahead to the future, it will be history in years to come' was the motto, for the February meeting of the Long Sault Women's Institute, held in the United Church Hall, Long Sault, on Thursday, evening February 13th with 14 members present.

The president, Mrs. Betty Robertson, welcomed members and guests who answered the roll call with a Valentine verse.

Minutes of the last meeting were read and approved followed by the Treasurers' Report and Business.

A humorous reading by all members was given, after which everyone enjoyed a skit by Mrs. W. Cleary and Mrs. Helen Rupert.

The meeting closed by singing "God save the Queen". Refreshments were convened by Mrs. Sarah Lawrence, Mrs. Peggy Thompson and Mrs. Minnie Snider.

The March meeting will be held on March 13, at 8 p.m. in the United Church Hall, with the motto; 'There is no luck like the luck of the Irish'.

Osnabruck W.I. meets

Thirteen members of the Osnabruck Centre W.I. met in the Township Hall on the afternoon of February the fifth.

The roll call was an outstanding citizen at home and abroad Miss Bessie Shaver gave the smile and Mrs. Dorothy Morgan responded to the motto. "There is no better exercise for the heart than reaching out to help others."

As it was International Day, Mrs. Annie Ferguson gave readings on Christmas in Ukrania, Poland, Holland, Czechoslavakia and Australia. She also read an amusing poem "A Bush Christening," written by Banjo Patterson, an Australian poet.

Much business was transacted. A new rug has been purchased for the entry in the hall. The insurance was increased for property in the hall owner by the W.I. The balance of the money was collected for Pennies for Friendship. It was moved and seconded to give one hundred dollars to Savesight and seventy-five dollars to the Medical Research Council of Canada.

The members signed the petition for curtains to give privacy to those in the Glen Stor Dun Home and also signed cards to be sent to friends in the hospital.

Mrs. Lola Lambert led a discussion on Resolutions.

Plans were made to entertain the fellow Institutes in the Township Hall, Wednesday afternoon, September the 12th.

Mrs. Annie Ferguson conducted a unique guessing contest. The prize was enclosed in a prettily wrapped box. The box was passed to the members, each one guessing at the contents. Mrs. Jennie Flegg was the winner.

Lunch consisting of a beautifully decorated valentine cake and tea was served by the hostesses, Mrs. Lyman Ault, Mrs. Cecil Beckstead and Mrs. Lola Lambert.

A vote of thanks was read by Miss Eva Baker.

Ingleside Church to host World Day of Prayer

The planning committee for the "World's Day of Prayer" met at the home of Miss Elva Baker 66 St. Lawrence St., Ingleside, on Friday February 7th, 1975. The Ecumenical Service will be held in St. Matthews Presbyterian Church Ingleside on Friday, March 7th, 1975 at 2:00 p.m., but is being planned and sponsored by the Baptist Church of Osnabruck Centre.

The Theme of the Service is "Become perfectly one". The Key Woman is Mrs. David Moke of Lunenburg, the Guest Speaker will be Mrs. E. M. Whiddon of Cornwall, the organist Mrs. Merle Wells of Ingleside, and the Soloist Mrs. R. Thompson of Long Sault.

Representatives of the Anglican, Baptist, Lutheran, Presbyterian, Roman Catholic and the United Churches will have leading roles.

A combined Choir from participating Congregations will lead the singing. Baby sitting will be provided in the Church for those needing this service. Everyone is Welcome.

Rehearsal for all participants will be held in St. Matthew's Presbyterian Church, Ingleside on Sunday March 2, 1975 at 2:00 p.m.

A special Children's Evening Service will be held on Tuesday March 4, 1975 at 7:30 p.m. the Theme being "Together in God's Family".

Ingleside couple mark anniversary

Mr. and Mrs. Charles Ault, Ingleside, Ontario, were honoured with a surprise party, held by their friends and neighbours on the occasion of their Golden Wedding Anniversary.

They received many beautiful gifts and floral arrangements. One of the gifts received was a ding-a-ling, which added much enjoyment to the party.

The following is a poem that was recited to the happy couple during the evening:

Today as you're remembering
And looking back in thought
To all the special happiness
These fifty years have brought
The hearts of those who know you
Are filled with joy and pride
To see you two together
As always side by side
And if good wishes do come true
Then surely you will find
New joys & blessings lie ahead
The very nicest kind!

A lovely decorated cake, was part of a delicious lunch which was served at the close of the evening.

As I See It

By Mike Rowden

How do you put a price on life? If one should happen to be living in an overpopulated country like India or China, then the value of life doesn't seem to be worth much, except to the individual possessing it.

In a country like ours, we like to think that the value of a human life is priceless, especially to the individual and to his or her relatives and friends. Our courts, it seems, see things in a different light. For years they have made a ridiculous compromise between the life of a policeman or armed guard and that of the ordinary person. Me, I can't see any difference.

A life, is a life, is a life, and anyone who, willfully and with cold-blooded premeditation, takes the life of another, whether that life be the life of a cop or armed guard or unarmed citizen, should receive the loss of his own life, through the due process of the law.

In the Maritime provinces, at this time, there is considerable outrage at the thought that the convicted killers of two Moncton policemen may escape the death penalty by an order of the Federal Cabinet . . . since when do the politicians have the right to commute the death sentence to that of life imprisonment.

There was a time when that was the perogative of the Queen or King, and nobody else. I suppose we have made some progress, of a sort.

There is a side issue to this whole business of the killing of the two policemen, money . . . that to me becomes even more degrading and cheap, and unworthy of Canadians as a whole. Shortly after the murder of the two policemen, a committee was set up to handle the flood of donations that poured into Moncton to try and compensate, in some small way, the widows and families of the slain policemen. I believe at the moment the fund is up to approximately $385,000, and still increasing.

The committee is in a bit of a quadary as to how to distribute the money, because the fund has become an issue in itself. There is no doubt in my mind that since the public has become aware of the size of the fund, they have done a bit of figuring and come up with the crass answer that the amount of money, split equally between the two families involved, would be a more than either family would have ever seen, if their husbands or fathers had not been killed, but had managed to survive until the day of retirement. Some people are inclined to think that it is too much money to give to the families of the two deceased policemen, and they feel they should only receive a portion thereof. The balance would go into a fund, in case the same thing should happen again, at another time.

There is talk that the whole affair may have to go to the supreme Court for final settlement. Some people, who donated, are so outraged at the whole business, they are demanding their donations back, so they can send them directly to the families involved . . . and I for one don't blame them.

Possibly the amount of money that the bereaved families might receive would be larger than if the policemen had still been alive and working, but that's not the point.

People out of kindness and sympathy, for others affected by tragedy while doing their job of protecting society, have dug deep into their pockets and come up with that one thing — "the almighty dollar", a commodity often referred to as the most important thing in a lot of our lives.

Committees, courts and what have you, should stay out of this matter. The money in all fairness was raised and directed to those two families. And to my way of thinking they should receive it without any argument or hassle.

No matter how much the fund amounts to, it's a small price to pay. And in no way can compensate for the loss the families have felt.

Upper St. Lawrence League . . .

Last two games produce 'Goose Egg' for Midget Flyers

Chesterville Flyers, currently languishing in 4th spot, had two chances last week to advance but couldn't garner even a single point, as both Iroquois, currently in 7th position and Prescott, in 6th position, deafeated the Flyers.

Recent word from the convener is that all teams will make the play-offs. With only two games remaining, Flyers could easily be over-taken by Spencerville and end up facing the powerful Morrisburg squad in the first semi-final round.

In League action on Monday evening, Flyers travelled to Cardinal to do battle with Iroquois. In a game that saw great goaltending by Iroquois' Tim McRobie, Flyers came out on the short end of the stick as Iroquois' Dale Dixon, assisted by Steve Kroone and Randy Stitt, capitalized on a defensive miscue by Flyers, with only 1:59 remaining in the game.

The unbeatable McRobie faced a total of 30 shots and hung on for Iroquois' first and well deserved victory of the season. Iroquois received their other four points when two games were forfeated by Prescott. It was a joyous evening for the Iroquois players.

On Wednesday evening, February 12th, Flyers hosted the up-and-coming Prescott Defenders. In previous games, Flyers record with Prescott stood at one win and two ties. Last Wednesday Flyers were defeated by Prescott.

The first period saw Flyers outhustled and out-scored as Prescott scored twice to take a 2-0 lead at the end of the first. Prescott's marksmen were Thompson and Campbell with Gallagher and Campbell drawing assists. Three penalties were called by referee Moore with Prescott's Campbell taking two and Flyers' Tom Droppo assessed the other.

In the second period Flyers momentarily regained their composure as hard-working Greg Casselman scored on a solo effort at 3:12 while Dave Richards was in the penalty box. Exactly five minutes later Gordie Campbell, assisted by Gardiner, widened the gap again to two goals, while Flyers Lorne Cook was in the 'sin bin'.

Any come-back hopes by the Flyers went the way of the 'Dodo' as Gardiner, assisted by Travis, scored with only 4:19 remaining. This goal rounded off the scoring a 4 for Prescott and 1 for the Flyers. Shots on goal were 23 to 21 in favour of the Flyers.

This week will complete the schedule for the Flyers as they host Spencerville tonight, Wednesday, and travel to Kemptville on Friday, February 21. Both games are crucial if Flyers are to finish in fourth place, as Spencerville is breathing down their backs in the league standings. Flyers record so far this half is 4 wins, 7 losses and 1 tie.

Rev. W. A. Adam hosts Ministerial Assoc. meeting

The Dundas County Ministerial Association had its monthly meeting at the home of the Rev. W. A. Adam, Morrisburg, on the 3rd of February. The Rev. L. M. Ferguson, Chesterville, introduced a tape subject being: "Adolescent Suicide" which was an issue at a conference in Minnesota, the tape being loaned from Mr. Craig, Winchester.

Much information was given concerning this tragic problem and resulted in a useful discussion from a number of Ministers. Dr. Norman Farborough was the leader and speaker at the Minesota Conference and he was extremely factual.

Read your Tax Guide. It's worth it.

Let's face it. Even though the Federal Government tries each year to make the tax form easier to understand, you probably believe filling it out is a difficult job.

But when you use the 1974 Income Tax Guide, which accompanies your tax form, you'll find it's not as difficult as you thought.

And for most of you, the Guide will be the only help you'll need to complete your return.

Read your Guide thoroughly. The easy-to-follow Blue Section at the front of the Guide takes you through the tax form step by step, showing you how to list your income and claim your deductions. It tells you how to go about calculating your tax, arriving at your refund or balance due.

It's as simple as that.

Following the Blue Section there is a detailed explanation of different types of income, as well as a section on allowable deductions. Be sure to read these sections carefully.

Your Tax Guide also includes an area of general information, a page or two of answers to some common questions, and solutions to problems you could encounter while working on your return.

If you decide you do need more help, you'll find District Taxation Office addresses and phone numbers listed on the back cover of the Guide. There you'll find all the assistance you'll need.

So, you see, your Tax Guide will probably be your best friend come income tax time. Read it thoroughly and follow it carefully. You'll find it will make your job a lot easier.

Tax Guide '74. How long has it been since you've read a really good book?

We're making it easier to understand.

Ann-Marie Smith opens Morrisburg Carnival

Anne-Marie Smith, daughter of Mr. and Mrs. Dalton Smith, was crowned queen of Morrisburg's Winter Carnival by Reeve William Dillabough, on Friday evening at the Community Centre. Miss Smith was escorted by a member of the R.C.M.P. in full dress uniform. Following the crowning she was presented with a large assortment of gifts. In the photo above from left to right; Mrs. Ruth Edge, gift chairman; Dane Wesley, Constable R.C.M.P. Long Sault detachment; Anne-Marie, William Dillabough, Mrs. Sheila Cruickshank.—Staff photo.

Following the crowning ceremonies, the Morrisburg Old Timers met R.C.M.P. in a hockey match which resulted in a 6-5 victory for the visitors. Dropping the puck to mark the official opening of the game was the Morrisburg Carnival Queen, Anne-Marie Smith. S.D. & G. Board lays down ground rules for use of snowmobiles on school property

At a recent meeting of the S. D. & G. County Board of Education the members listened to a report that had been prepared regarding a policy for the use of snowmobiles on school property. The committee's report was received and after considerable discussion the following policy was adopted.

Snowmobiles may be used on school property, except . . . where there is interference with classes in session; where such use will disturb a homeowner whose property abuts that of the school; where damage may occur to grounds and shrubbery. It was also established that all users of snowmobiles on school property shall be registered with the principal of the school or with his designate; the principal shall designate the area to be used.

The Board received a report from its Insurance Committee and accepted the recommendation that no changes be made in the present coverage until such time as the Committee has had an opportunity to study all alternatives open to the Board, including the benefits of installing various types of intrusion alarm systems. It was felt that the idea of shared insurance with other Boards was one possibility which should be investigated and pursued if warranted.

The Board approved several By-law changes which will in effect alter the dates of subsequent Board meetings. Effectively immediately - Second Tuesday, General Meeting (whole Borad); Fourth Tuesday, Public School Meeting (Public School Trustees).

The Board decided that a zoning change proposed by the City of Cornwall, affecting part of Lot 9, Concession 2, Cornwall Township, now in the City of Cornwall, would have no adverse affect on any operations, and moved to so advise the City.

Tenders were reviewed for the operation of the Seaway District High School Cafeteria as well as recommendations received from the Committee investigating the situation. It was decided to award the contract for the cafeteria to Camco Limited.

The Board reviewed a preliminary statement outlining the disposition of all Trust Funds administered by the Board and expects to receive a further, more detailed report at its next meeting.

It was with a great deal of pride that the Board decided to submit the nomination of ex Trustee, Mr. G. W. Shaw, for this year's Lamp of Learning Award sponsored by the Ontario Secondary School Teachers' Federation.

The Board ratified the Collective Agreement as negotiated with Local 782 and The Canadian Union of Public Employees, effective November 1, 1974, and terminating December 31, 1975.

The Board granted an educational leave of absence to Mr. Joseph Flaherty, a teacher at Glengarry District High School, for the school year 1975-6. Mr. Flaherty will be following a French Immersion Programme during that time and hopes to return to the area functionally bi-lingual.

The Board was pleased to welcome Mrs. M. Swerdfeger to the County System. She will be serving as Principal's Relief at Seaway Valley for the Trainable Retarded.

How many energy leaks are there in your home?

At one drop per second, a dripping hot water tap can waste about 175 gallons of hot water each month. The electricity required to heat that water would keep a 60-watt bulb burning continuously.

Poor insulation...a faulty heating system...inefficient use of appliances...all cause energy leaks in the home. This can increase the cost of running a home—and waste Canada's precious energy resources.

It makes good sense to use electricity and all forms of energy wisely. And that includes stopping those energy leaks.
