Question of Enlarged High School Areas Shelved by Counties' Education Commiftee

The contentious question of discarding the present high school set-up in the United Counties for three or four large high school areas was shelved until the January session by the Education Committee of Counties' Council, Tuesday, when reports were received on the project and it was stated several delegations, including representatives from The Chesterville Chamber of Commerce, Morewood High School and North Mountain Consolidated School wished to interview the committee.

Chairman Jas. McArthur, Reeve of Lancaster Village, stated no one on the committee was capable of receiving such a delegation and the proposal was put forth that each high school board in the Counties be invited to send a representative to the January meeting when it was felt complete details would be available for discussion. It is hoped a representative from the Department of Education will be available to explain the act.

High School Trustees

The committee's report, which was adopted Wednesday morning, included appointment of the following high school trustees for one year—Eric MacMillan to Chesterville High School; W. J. Cass to Winchester High School, Kenneth Barton to Williamstown High School; Clarence McMillan to Alexandria High School, N. J. Moore to Cornwall Collegiate and Vocational School, Peter A. Munro to Maxville High School.

Appointments for a three-year term included Miss Marion Coligan to Morrisburg Collegiate Institute, F. W. Fowler to Iroquois High School, Walter Carlyle to Morewood High School, Joseph Canham to Avonmore High School, and Willard Rutley to Finch High School.

IN CORNWALL HOSPITAL

Mrs. Gordon Senn was rushed to the Cornwall General Hospital in Dixon and Rowe's ambulance Sunday afternoon suffering from a serious heart condition.

HOME FROM HOSPITAL

Sydney Garrett returned last Thursday from the Cornwall General Hospital, where he was a patient, having undergone an appendectomy.

TO UNDERGO OPERATION

Mrs. Hugh Smith entered the Brockville General Hospital yesterday where it is expected she will undergo an operation Friday morning.

DIED

GREENWOOD—In London, England, on September 23rd, Mrs. Greenwood, sister of Mrs. A. Bowles of Smiths Falls.

DONATION FROM EDMONTON FOR LEGION RINK FUND

A money order for $5.00 has been received for the Legion Memorial Rink fund from Flt. Lt. Myles B. MacMillan who is stationed with the RCAF at Edmonton, Alta.

Rotary Club is Visiting Malone, N.Y., Tonight

Meeting for "business only" Monday evening, the Rotary Club of Chesterville completed plans for the international inter-club visit to Malone this Thursday night, at which Dr. S. H. Hutt will be the speaker and O. L. King will lead the sing song.

Dr. W. H. Lloyd reported on two cases of serious eye trouble among young girls of the district for which the club has arranged examination and treatment with Ottawa and Montreal specialists. Geo. H. Barkley, chairman of the Community Service Committee, reported on plans for the Hallowe'en Frolic being arranged for the children in the Community Hall and theatre. The playgrounds will be closed with the coming of cold weather and short daylight hours after school is out in the afternoon.

WILLIAMSBURG TWP. COUNCIL PASSES ELECTION BYLAW

The Municipal Council of Williamsburg Township met on October 5th to pass the by-law in connection with the change in the Election Act whereby nominations must precede the election date by 14 days. Accounts passed totalled $931.61. Council will meet again in Locke's Clinic on November 15th at 1.00 p.m.

PERCY HALL RUSHED TO HOSPITAL MONDAY

Percy Hall of town was rushed to Brockville General hospital Monday in a serious condition by Dixon and Rowe's ambulance suffering from a serious attack of gall bladder trouble. He is reported to be resting nicely today, but it is expected he will undergo an operation.

DELEGATES TO WOS. INST. SALAD MAKING CLASS

Mrs. George G. Merkley and Mrs. A. B. Clayton attended the salad-making classes at Morrisburg sponsored by the Dundas Women's Institutes on Wednesday as delegates from the Chesterville Branch.

More Than 5,000 Calves Vaccinated Dundas Fed. of Agriculture Reports

In the campaign for the vaccination of all calves in the county of Dundas carried on by the Federation of Agriculture more than five thousand have been treated of which there is record. No doubt many more were treated of which no record was kept. Winchester township showed the greatest response with 2050, Matilda with 1300, Williamsburg with 900 and Mountain township with 850. Those who have not availed themselves of this opportunity or do not, will find their stock barred from the American market by many states.

Dundas Calf Clubs Complete Successful Year's Operations

The season's work for the Chesterville and Mountain Boys' and Girls' Calf Club has been completed. This work was sponsored by the Ontario Department of Agriculture under the supervision of the Agricultural Representative. Valuable assistance was given by both the Chesterville and District Agricultural Society and the Mountain Agricultural Society. Part of the year's work was conducted at the two societies' fairs which were held on September 4th and 6th. At these fairs the calves were appraised and the boys and girls were marked on their abilities to show their calves. The remainder of the projects, judging and questions, were recently held at the home of Mr. and Mrs. Howard Kitlte and Mr. and Mrs. W. J. Fawcett.

The standing of the members are as follows:

Chesterville Calf Club

1st Arnold Kittle, 2nd Hubert Merkley, 3rd Leo Racine, 4th Elmer Merkley, 5th Burton Beckstead, 6th Malcolm F. Byers, 7th Ralph McPherson, 8th Thomas Moran, 9th Garry Smith, 10th Garnet Barclay, 11th Raymond Dawley, 12th Douglas C. Hunter, 13th Jack Smith, 14th Tommy McCadden, 15th Leo McCadden.

Mountain Calf Club

1st Keith Fawcett, 2nd Gordon McVey, 3rd Gordon Fawcett, 4th Roy Fawcett, 5th Malcolm D. Graham, 6th Carl Gilroy, 7th Raymond Smaile, 8th Gerald Fawcett, 9th Allan Baker, 10th Douglas Mulholland, 11th Barbara Farrell, 12th Franklin Milne, 13th Robert Milne, 14th Marion Mulholland, 15th Ronald Timmins, 16th Ronald Brontmire, 17th Allan McIntosh, 18th Arthur Milne, 19th Donald Mulholland.

The Club Leaders, Harold McMenemy and Gerald Kittle, gave very valuable assistance throughout the season.

Eight boys and their Holstein calves were chosen to represent their clubs at the Junior Agricultural Fair which was held at Kemptville on October 4th and 5th.

Out of 56 calves shown in their class three calves from the Mountain Calf Club were first, second and fourth place. They were shown by Keith Fawcett, Roy Fawcett and Gordon McVey. This trio afterwards went on to win the group class out of 28 groups shown from clubs from all over Eastern Ontario and part of Quebec. Keith Fawcett was also winner of his class in showmanship and then went in to win the Grand Champion Showmanship award over all contestants from all breeds. With this win he won the Barnard Perpetual Trophy.

In the Ayrshires, four boys with their calves represented the Chesterville Club. Calves shown by Arnold Kittle and Leo McCadden stood fourth and fifth in their class. Along with the above calves another one shown by Elmer Merkley made up a trio to stand eighth out of 14 groups shown.

The Chesterville Girls' Garden Club was represented at the Junior Fair by Misses Marion Bell, Hazel Byers, Marjorie Merkley and Vera Merkley. They took part in displays and judging and in keen competition did remarkably well.

RETURNED SERVICEMEN RECEIVE RING GIFTS

Five returned boys were honoured by the North Valley and Bush Glen Red Cross at a crokinole party held at the home of Mrs. Mina Brownell with the presentation of signet rings. Frank Shaver of Aultsville gave a splendid address and Mrs. Jake Grandaw made the presentation. Those honoured were Glen Eligh, Lyle Rutley, Winston Rurley, E. Dube and Clifford Middleton.

MARRIED AT SPENCERVILLE

Saturday afternoon at St. Andrew's Presbyterian church, Spencerville, Madeline Eleanor Henderson became the bride of James Knox of Bowmanville. Rev. M. W. Heslip of Prescott officiated.

BORN

YALDEN—At Chesterville, Monday, October 14th, 1946, to Mr. and Mrs. Hubert Yalden (nee Charlotte Sharkey) of Prescott, a son.

WORK ABOUT COMPLETED ON WATER INTAKE

Work has been about completed on the new intake system on the Nation River for the big pumps of Nestle's Milk Products (Can.) Ltd., which will assist greatly in the screening out of foreign matter. A large concrete "well" has been constructed with its open side toward the river. In this a gate of heavy wood construction will be placed to screen weeds, branches and, possibly, fish from the water before it enters the large suction pipes.

Escapes With Cracked Ribs From Fall of 16 Feet

Jim Munro of Nation Valley, had a close call from serious injury this morning when he fell from a scaffold as he was preparing to do shingling on the barn. The scaffold had been in place for a month but unused in that time and it is assumed that cattle rubbing against it had displaced one of the boards, which on being stepped upon let Mr. Munro fall about sixteen feet, sustaining a couple of cracked ribs.

BARKLEY-WHITTAKER

The home of Mr. and Mrs. Frank L. Whittaker, at Beckstead, was the scene of a pretty wedding ceremony on Thursday when their youngest daughter, Marjorie Grace, was married to Emmerson Dalton Barkley, eldest son of Mr. and Mrs. Stanley Barkley of Elma. Rev. George Innes, pastor of the Williamsburg Lutheran Church, officiated. The wedding march was played by Miss Marion Droppo, of Chesterville.

The bride was gowned in white sheer crepe with full long sleeves, sweetheart neckline and embroidered bodice. Her finger-tip veil was held in place with a coronet of white flowers. She wore silver slippers and carried an arm bouquet of American Beauty roses. Her only ornament was a string of pearls, the gift of the bridegroom.

Mrs. Ivan Whittaker, sister of the bride, attended as bridesmaid. Douglas McIntosh was the best man.

Following the ceremony dinner was served to the immediate friends and relatives. The bride's table was decorated with pink and white streamers and was centred with a three-tiered wedding cake.

Following the dinner the couple left on a wedding trip to Niagara Falls and the United States. For travelling the bride wore a blue crepe dress, a blue top coat and black accessories, and a corsage of yellow roses.

On their return they will reside at Elma.

Mrs. Gertrude Alford and Mr. Lyle E. Alford are spending a week in Hamilton visiting with her daughter, Mrs. George Crowder and Mr. Crowder.

Remembrance Day Observance Planned By Legion Branch

A very enthusiastic meeting was held by Chesterville Branch 434 of the Canadian Legion, Monday evening, when plans were made for the Legion Memorial Rink, skating and hockey for the coming season, the Memorial Service for Remembrance Day, Poppy Day, and November 11 Dance.

Mrs. L. H. Doering is chairman of a committee of Veterans' wives in charge of Poppy Day sales and plans are well in hand for the sale, profits of which go to the Relief Fund of the local branch to assist veterans, whether members of the Legion or not.

A committee will prepare the programme for the Community Memorial Service planned to be held in the Community Hall on Sunday, November 10th. A "Broken Column" will be erected on the Community Hall lawn, where at the conclusion of the indoor service, the wreaths will be deposited and veterans will lay their poppies. It is hoped attendance will be as great at this year's service as in 1945 when the Community Hall was jammed. Chas. Hart will construct the "Broken Column" to be used in the service.

Carl Merkley is chairman of a committee to prepare plans for the Remembrance Day dance. Members of the committee are Keith McConnell, Jack Fulton, Freeman Beckstead and Chas. Hart.

Reports were given on the progress at the rink, showing that steady progress is being made in reconstructing the demolished west end, and cash received in the drive for funds totalled slightly over $2800. Several canvassers are still to be heard from.

Cheese Factory Building Rejuvenated for New Industry

Construction is going ahead rapidly on the building at the corner of Mill and George streets, next to St. Andrew's Presbyterian church, which will house a blacksmith and woodworking shop to be operated by Jas. Henry Merkley of this district.

The building, of frame construction, is 50 by 24 feet, of one storey, with a loft for storing lumber. Material for the building came from the disused Nation Valley cheese factory, which was torn down board by board to be re-erected in its new shape in town.

Mr. Merkley says he hopes to be ready for business in another four weeks if the weather holds out. To add to his stock of woodworking equipment — lathe, planer, power saws, etc., he purchased the equipment of the late Cephrenus Hummel. This will be installed in the new building as soon as possible.

HONOUR PLAQUE FOUND

A circular bronze plaque, 4¾ inches in diameter bearing the name of E. A. Brown was brought into The Record Office last Thursday afternoon after it had been found on the street by some children. The plaque bears the figure of Britannia and a lion, and the motto about the edge "He Died For Freedom and Honour".

Beware of Counterfeit Five-Spots Reported as Almost Perfect Imitations

A further police warning has been issued to citizens and merchants to beware of counterfeit $5 bills which have been circulated in various parts of the province.

The bills are said to be almost perfect, but a few distinguishing marks are discernible. Each of the bogus bills has a serial number that begins with L over C 381 and the ink is slightly more crimson than that on the genuine five-spots.

There is also a darkening under the left eye of the King and the serial number on the right side is out of line.

On the reverse side of the bill there appears a figure holding a staff. On the genuine bill there is a space between the staff and body, but on the phonies there is no such division.

The Legion Needs $7,500 to repair the rink. When the canvasser calls give generously!

THURSDAY, OCTOBER 24TH, 1946

53RD YEAR OF SERVICE

A good deal has happened in the past two weeks while the editorial pen was silent in The Record—a silence enforced by the battle for bread and butter, when one of our largest advertising runs crowded this column out and forced curtailing of news stories to the minimum.

One of the events took place last week, and went by unnoticed as usual. The Record celebrated its 53rd birthday and marked the event by coming out in the ordered manner.

We are happy to have served this district throughout the years, and the fact that subscribers lose no time running in to see what the matter can be if they miss a copy of The Record, makes us feel that our efforts are worth while after all.

RINK CANVASS NEEDS A BOOST

As this is written, cash received for the Legion Memorial Rink Fund totals slightly over $2800—a long way from the advertised target of the Chesterville Branch, $7500. Several canvassers have yet to complete their beats and some country districts have not been touched. However, when all reports are in it is hoped to have sufficient funds to finance repairs to the rink this fall and ensure skating and hockey for the coming season.

Where the cash will come from to fulfill the plans for next year's renovations is a problem for the Legion members. But since the Branch has taken on the big job of restoring the rink the members are deserving of support from the citizens of the village and district who will reap the benefits. If you haven't already donated to the fund, why not come across now?

In spite of material shortages and labour difficulties, the local Legion Branch are determined the rink will be ready for use this fall. The Legion deserves your help—give generously.

We censure the UN for squabbling, but why expect nations to get along when neighbours will squabble over trifles and stay bad friends for months or years?

"How do you spell 'graphic'?" asked the young woman. "With one 'f' or two?"

The old man sighed. "Well", he said at last, "if you are going to use any, you may as well go the limit."

Help Wanted — Domestic — New version of an old nursery rhyme goes like this:

The King was in the laundry
Washing out his shirt;
The Queen was in the kitchen
Sweeping up the dirt;
The maid was in the parlour
Eating bread and honey;
Along came a neighbour,
And offered her more money.

These beautiful fall days in between the rain and snow are lifesavers to the fuel bin. Long may they last!

My Visit to Ocean Grove

AMELIA MacMILLAN LAMBKIN

EARLY this Summer I was privileged in spending two delightful weeks just across the bridge from this most interesting and historic little summering place on the Jersey Coast, and because of its many unusual features, I felt that my friends back home might like to hear about Ocean Grove. So I am asking my old friend "The Record" to pass my letter on to you.

There are the twin resorts — Ashbury Park and Ocean Grove, with but a bridge between, since strangely enough although both are on the ocean front, yet a large fresh-water lake lies between, hence the bridge, but rather as a continuation of the mile-long board-walk which skirts the Ashbury Park side. Here you enter a large pavillion, which leads you gradually into Ocean Grove. There are the same amusements in both places, and but for the sign telling you you are entering Ocean Grove, you might think you were still in Ashbury Park. But that would be on week-days. The stranger-guest would never make this mistake should he visit the twin resorts on a Sunday, because—the moment you cross the bridge you find yourself transported into another world.

Leaving Ashbury Park with its merry-go-rounds, ferris wheels, side-shows, barkers and what-have-you—its thousands of merry-makers crowding the Midway—its maddening noises all in full swing with blast and blare—you cross the bridge and—Presto! you are in another world—a realm of restful beauty, where a robin's song welcomes you to come and worship in the great Auditorium. The Sabbath calm is particularly restful after the pandemonium you have just passed through, and you follow the throngs of men, women and children, who are wending their way to church.

This wonderful Auditorium seats comfortably ten thousand people and has the largest pipe-organ in the world. It is built on the site of what is the oldest Camp-Ground in America. Upwards of a hundred years ago, zealous pioneers, set up this Camp-Ground and it gradually became a tented city for religious meetings which were carried on throughout the entire summers. Thousands thronged here from the various States of the Union, to pitch their tents and remain to worship—they still do.

This sanctuary has never sacrificed religious purposes to commercialism, and, as time went on, the need for a large church became so great that the Auditorium was built, and cottage homes replaced in some measure the tented ones, and yet to-day there are still entire streets of the original tented homes, among the trees, where the third and fourth generations are still carrying on, as did their forbears. These lend a picturesque atmosphere, as many are immediately in the shadow of the great Auditorium.

On entering the building, your attention is arrested by the fine scriptural mottoes, whose lettering are all done in colored electric lights. These are above and at the sides of the altar, over which, a huge American flag is also illuminated in the same way. It is very striking and beautiful.

On the Sabbath I attended service, I was particularly impressed by two things—No, not the discourse of the clergyman, although he was eloquent and sincere. But I am sure my old friends will have already guessed what would first reach my interest—Yes. It was the pealing forth of that magnificent, organ under the touch of masterly hands. I needed no other sermon—it was glorious.

Later, when the collection was to be taken up, I was amazed to see (and count) an even hundred men march up two by two to the front of the building, where they were given baskets, and in an orderly, and I must admit, spectacular sort of drill arrangement they were soon lost in the long aisles, where they made their way noislessly and rather quickly among the many thousands who made up the congregation that day. Since the season had not formally opened, the galleries of the building were closed so just the body of the church was filled. It was a thrilling sight.

One more thing about Ocean Grove. It has its gates. These are closed each Saturday night at twelve o'clock, shutting out all cars or vehicles of any kind over the Sabbath. With the exception for cars of practicing physicians, no one is allowed to enter, leave or move about within the city limits until after midnight Sunday.

So—there you have Ocean Grove, with a standing population of three thousand which is swelled to fifty thousand during vacation months and Camp-Meetings proper.

Surely the Management of such a resort, in this day and age merits a special word of commendation. Their courage in the presenting and carrying out of such laws, in the midst of a neighborhood, to whom the Sabbath is—just another day, deserves—publicity.

ALONE IN LONDON

A rather pathetic little story showing how lonely life can be in such a great city as London came to light recently. One of the girl telephone operators at Broadcasting House, the BBC's headquarters in London, came to work one day, sat down at her switchboard to take an incoming call and found that she could not speak. Her voice had completely gone. When she was asked why she had come to work in such a state and had not sent a message to say she had temporarily lost her voice, it was revealed that until the girl tried to speak at the switchboard she had no idea that there was anything the matter with her voice. She lives alone, had made her breakfast and left her flat for work, put her fare into the automatic machine on the Underground Railway and taken a ticket, taken her seat in the train, walked from the station to Broadcasting House, taken her place at her switchboard—and all without speaking a single word.

HYDRO-EQUIPPED FARM HOMES EMPTY

Drive along the Ridgetown Road between Ridgetown and Blenheim in Lambton County, Ontario, and you will find seventy empty houses, five of them with hydro. This fact was stated at a farm meeting in Toronto by R. M. Morrison, second vice-president of the Ontario Federation of Agriculture. "Some of us feel that immigration is the only answer," said Mr. Morrison.

In an economy in which people are paid for idleness because farm work or house work is "unsuitable" to them, and many urban workers get twice as much pay, for half as much work, as farmers, immigration is the only answer. Immigration, plus a recovery of economic sanity, of course.

Changes in Municipal Nominations

Several changes in procedure of municipal nominations and elections are included in the record number of amendments to the Ontario Municipal Act passed this year.

As stated in our news columns a week ago, nominations must be held fourteen days previous to the election date, and in Chesterville this will set nominations on Monday, December 16.

A person may resign from one or more of the municipal offices for which he has been nominated,

But in default he is deemed to be nominated for the office for which he was first nominated.

Returning officers are urged to pay particular attention to this provision and should number or otherwise designate nominations as they are received.

New section 69 requires that immediately following the nomination meeting the returning officer is to post up in the clerk's office the name, residence and occupation of every person nominated for the respective offices.

New section 70 provides that before 9 p.m. of the day following the nomination meeting every candidate in every municipality is required to file in the clerk's office the following:

Declaration of qualification,

Oath of allegiance,

Certificate of the treasurer or collector that no unpaid taxes are outstanding at the time of his nomination.

Where a candidate is unable, on account of illness or absence from the municipality, and it appears to the clerk that he is qualified to be elected, any elector may make a declaration in lieu of the declaration by the candidate and file it within the prescribed time.

Any person who has filed the necessary papers for qualification or for whom a declaration has been filed in lieu thereof may resign in writing signed by him and attested by a witness, if the resignation is delivered to the clerk within the time limit for qualifying.

"Advance For Christ" Theme of Address To 15th Presbyterian Sectional Meeting

The 15th Annual Sectional Meeting of the Eastern Division of the Brockville Presbyterial was held in the Dunbar Presbyterian Church on Wednesday, October 9th with over 60 ladies in attendance. The president, Miss Helen Jamieson of the Chesterville W.M.S., presided, and Mrs. D. A. Dillabough of Dunbar acted as secretary pro tem.

The devotional period was conducted by Mrs. Colin MacGregor and Miss Lillie Feeley of Morewood, and the guests were welcomed by Mrs. Miles Marcellus, president of the Dunbar W. M. S.

Reports were presented by members of Societies from Chesterville, Dunbar, Morewood, Morrisburg, Winchester and Winchester Springs; also from the Young Women's Auxiliaries of Morrisburg and Winchester, Girls' Groups from Winchester and the newly reorganized MacKay-Douglas Group of St. Andrew's, Chesterville; and three Mission Bands—Chesterville, Morrisburg and Winchester. Mrs. Colin MacGregor conducted the Question Box period.

Flowers decorated the church and included a basket of gladioli from Mrs. D. A. Dillabough in memory of her mother, the late Mrs. Allan Durant, who passed away in April 1946 and who was the last charter member of the Dunbar W. M. S. Candles were lit by one member from each W.M.S. in the section in memory of the members who had died during the year.

Rev. W. H. Heustin gave an address on the Presbyterian Advance for Christ pointing out that the movement originated to cultivate the spiritual life of the church and that it had three aims, a rededication of ministers and people to Christ; an awakening to responsibility, and a great peace thank-offering. The speaker quoted II Chronicles 7:14, "If my people which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land", and made a plea for preparation for advance by prayer, co-operation with God, and with others in seeking Him, particularly in family worships, and consecration by a turning from evil ways unto the ways of the Lord and truth.

The officers re-elected for one year included Mrs. Miles Marcellus as Vice-President and Mrs. I. P. MacIntosh of Winchester Springs as secretary. Supper was served by the ladies of the Dunbar congregation.

Six District Young People Miraculously Ecsape Injury

Six young district people had a miraculous escape from injury when a car driven by George Servage, son of Mr. and Mrs. Wm. Servage, Chesterville, turned over on a hill near Massena when a tire blew out. The car was badly dented but came home under its own power.

The tire that caused the accident was a recap which had been placed on for the first time Saturday night.

The Plymouth sedan's top was badly dented on both sides, and someone broke the handle of the trunk door trying to force it open when the car was unattended but strangely enough none of the doors were sprung or otherwise damaged.

NEWEST WALTZ SWEEPING ENGLAND ENDS WITH A KISS

British ballroom dancers withstood the trans-Atlantic lure of dancing cheek-to-cheek. They even resisted the native "boomps-a-daisy" — and "knees up Mother Brown" never quite made the grade at the local dance hall.

Now there's a new conspiracy afoot against suburban inhibition. Up and down the country dancers are gyrating to the strains of the "Cruising Waltz", climax of which is a discreet peck on both cheeks by gentleman to lady, or a more generous salutation on the lips—providing the lady is willing.

The "Cruising Waltz" was designed by two London dancing teachers to the tune of "Cruising Down The River", prize-winning waltz song written by two previously unknown composers—Miss Eily Beadell of Balham and Miss Nellie Tollerton of Clapham.

No one was more surprised than these ladies, when, at Hammersmith Palais de Danse, the song they had written for amusement was voted the winner by excited young jitterbugs adjudictating on an amateur song writing contest.

Since then "Cruising Down the River" has taken the country by storm.

A Sure Way

Alice, who was 5 years old, was often asked to run errands for her mother. She went willingly if she could pronounce the name of the article wanted, but dreaded the laughter which greeted her attempts to pronounce certain words.

"Vinegar" was one of the hardest for her. She never would go for it if she could help it, but one morning her mother found it absolutely necessary to send her.

Entering the store she handed the jug to the clerk and said: "Smell the jug and give me a quart."

United W.M.S. Sectional Conference Is Held at Historic "White Church"

Favoured with beautiful weather, members of the Eastern Section of the Women's Missionary Society of the United Church in the Dundas-Grenville Presbyterial met in the White Church on October 16, for their Sectional Rally.

Mrs. Riddell of Morrisburg, conducted the sessions, having as her secretary, Mrs. Fennell of Winchester. The theme of the meeting was "Building the Kingdom". In the morning session, the Elma Auxiliary had charge of the devotions and Mrs. H. McMillan gave a very inspirational talk on "An Adequate Foundation", proving that children were the foundation and our Heavenly Father the architect.

Mrs. McInnes of the White Church welcomed the delegates with the response by Mrs. Robert Colquhoun of Colquhoun. Miss Ellice Smith of Morewood had charge of the "Book Stall" and brought before the meeting up-to-date data on missionary reading material.

Highlights from the School for Leaders held at Edgehill September 9-14, were given in reports by Mrs. Martineau of Morewood and Mrs. B. Potter of Winchester. From these speakers a very fine, detailed picture was gained. Mrs. Potter had taken some very fine pictures while there and these were distributed. One of particular interest was that of Pearl Ramcharan, W. M. S. Scholarship student from Trinidad.

Mrs. R. S. Peterson of Toyes Hill delivered a challenging address on "Temperance and Christian Education". She urged these be carried on at all meetings and especially in the homes. She deplored the lack of interest shown by the meagre attendance at temperance conventions and hoped for a large attendance at the temperance convention at Winchester on November 29th.

Mrs. P. Cummings, who spoke on Intercessory Prayer, brought clearly to her audience that a great difference is made in people's lives if they get together with their Heavenly Father, through prayer. As the ladies listened they realized that they who really pray, and truly blest.

Mrs. Wright, president of the Dundas-Presbyterial, introduced the guest speaker, Mrs. DeWitt Scott of Montreal

The meeting was adjourned for lunch until 1.30.

Morewood Auxiliary conducted the afternoon devotions, carrying on the theme "Partners in Building". Miss Smith stressed the use of the Blue Book, wherein is given such a good insight into the thought and feeling of our Missionaries—who are truly builders of the kingdom.

Mrs. Merrill conducted an extremely interesting "Wake-Up Quizz", entitled "What Would You Do?"

A beautiful solo was expressively rendered by Mrs. Mullin of Morrisburg.

An illuminating address was given by Mrs. DeWitt Scott, president of the Montreal - Ottawa Conference Branch, who carried her hearers with her as she told in her interesting and charming manner of the work carried on at Namur, Lachine House, St. Columba House, Church of All Nations, etc. She created a lively interest in the Blue Book reports of these places and their respective workers.

Mrs. Lyle Marcellus, as convenor of the courtesy committee, brought in their report.

Winchester Springs Auxiliary extended an invitation for the 1947 Sectional meeting.

Mrs. Wright, in her Period of Meditation remarked that "builders must build victory over self, and stated that the essentials for religious building are prayer and the scriptures. In prayer, we speak to God but in reading the scriptures He speaks to us." She urged that we must back up what we say, with what we do. The poem, "Are You a Builder", plus prayer, made a very fitting close to this period of meditation.

Rev. Wm. Wright pronounced the benediction.

Radio Farm Forums Off on New Season This Monday Night

Monday night, October 28th, Farm Radio Forums across Canada start their fall meetings. The topic under discussion on the first broadcast is, "Are Farm Living Standards High?" This topic should provide a very good discussion and it is unfortunate that more farmers do not meet in Forums so that, if they consider their living standards low—no electricity, no plumbing—they can raise their voice so that all Canada can hear it.

'Bill' Nickelson of Port Elgin, Bruce County, a Director of the United Farmers' Co-Operative was in our County last Monday, endeavoring to interest more farmers in Forum work. Bill feels satisfied that at least three new Forums will meet but there should be a Forum in every school section.

Any person desiring to start a Forum should get in touch with any member of the County Federation executive or, if you live in Winchester Township, contact Angus Smith, who is the Federation Director in charge of Farm Forums.

S. S. No. 10 Forum will meet at the home of Eric Casselman. All old members are expected to be present and all other interested persons will be very welcome. Remember—the broadcast starts at 8.30.

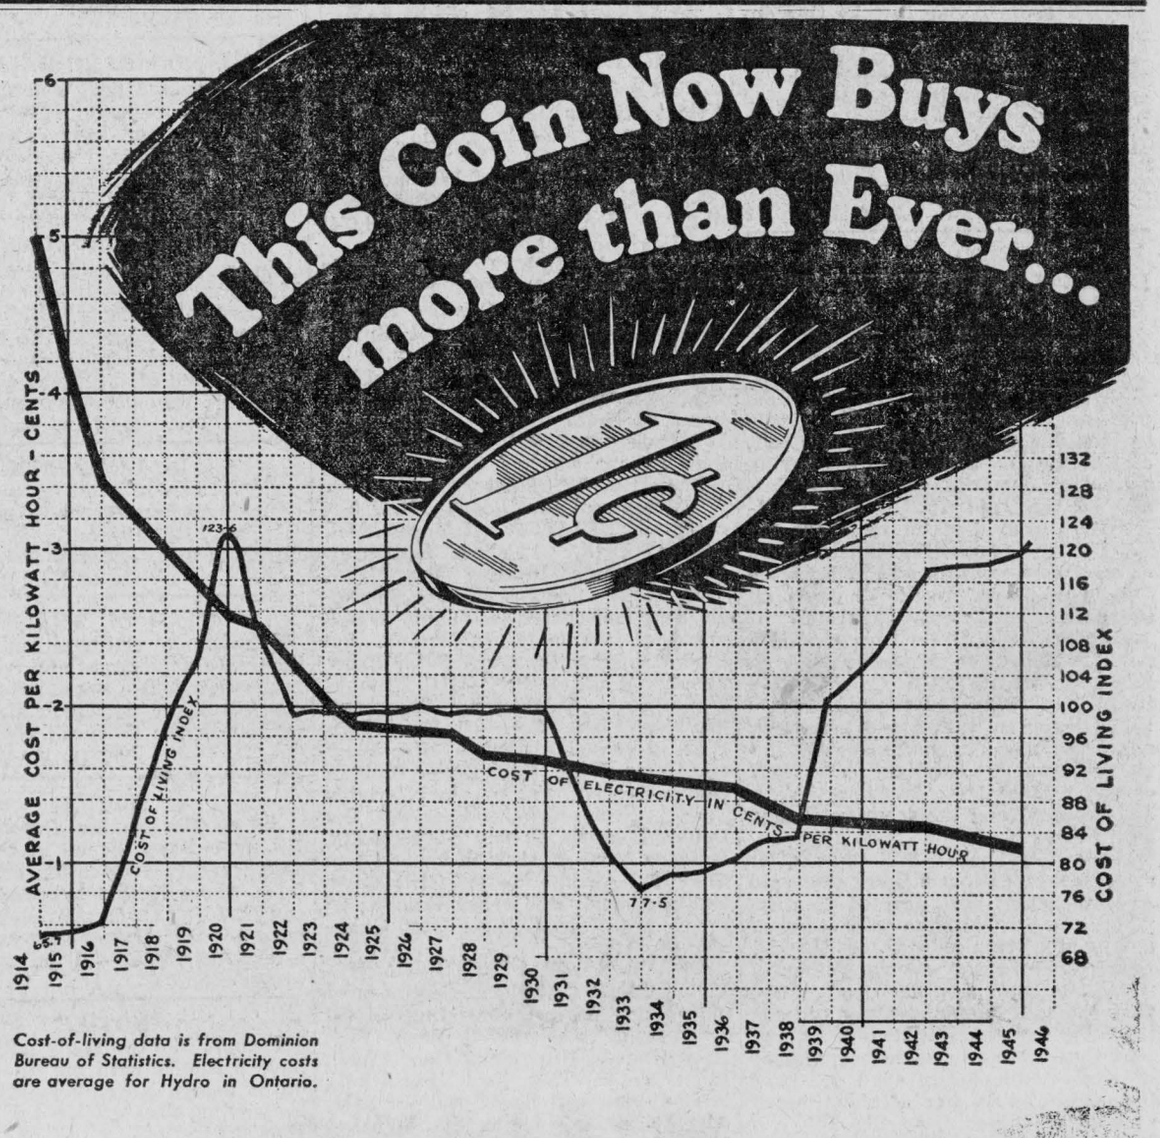
"It's Good" Picobac PIPE TOBACCO



Cost-of-living data is from Dominion Bureau of Statistics. Electricity costs are average for Hydro in Ontario.

Prices! Have they got you worried? Well, here is one price to feel good about. You can buy more Hydro energy for one cent today than at any time in history!

Compared with the dips and peaks of general living costs, the cost of Hydro service to Ontario consumers has come down constantly since 1914 . . . even dropping during war years. Today one cent buys about twice as much as in 1923 . . . almost five times as much as in 1914.

Think of the work that one cent's worth of electricity can do today, in an average Ontario home. It will give electric refrigeration for 24 hours . . . cook a full meal for two people on an electric range . . . operate a washing machine for two hours, an electric ironer for half an hour, a hand iron for an hour . . . light a 100-watt lamp for 10 hours, or run an average radio all day.

Few people in the world have electricity available to them at such low cost as prevails in Ontario and as a result, electricity is extensively used. Present demands tax supply facilities to capacity since Hydro construction and expansion were restricted by wartime necessity. Present shortage of materials and equipment makes it impossible to rapidly carry out expansion already planned. Until these conditions are relieved, use this economical servant wisely.

THE MIXING BOWL

By ANNE ALLAN

Hydro Home Economist

Hello Homemakers! During this fruit season the apple is inestimable. It was not enough to realize the lack of apples last winter and spring, but every day the song—"an apple pandowdy' tantalized us. Now we can use apples in Pandowdy and many other ways. Let us process some in jars too.

CANNED APPLESAUCE

Wash and cut unpeeled apples. Put in large kettle with half as much water as apples. Boil with cover on 15 mins. Push through sieve, and to each quart (4 cups) strained apple pulp add ¾ cup sugar. Bring to boiling point and boil 3 mins. Fill hot sterilized jars to within ½ inch of top and seal at once.

N.B. If desired, pack the sweetened applesauce into clean jars filling the jras to within 1 inch from top. Adjust cover and partially seal. Process in oven or hot water bath for 18 mins. Then complete seal, if necessary.

APPLE AND PEANUT BUTTER CRUMBLE

Peel and slice 6 or 8 medium apples and place in a long shallow baking dish. Add ½ cup water, and if they need additional tartness add about 2 tbsps. lemon juice. Season with 1 tsp. cinnamon. Then mix ¾ cup flour, ¾ cup brown sugar, ¼ cup butter and 1/3 cup peanut butter. A pastry blender is good for this. Sprinkle the crumbly mixture over apples and bake in an electric oven, 375 degs. for about 20 mins. Reduce heat to 350 degs. and bake until apples are tender. Serve warm or cold with or without whipped cream Serves 8.

SENATE APPLE PIE

Pastry

2 cups flour, ¼ cup shortening, 1 tsp. salt, ¼ cup cold water.

Filling

3 lbs. green apples (7-8 medium size), 1 cup sugar, 1 tsp. cinnamon, ½ tsp. nutmeg, 1 tbsp. butter.

Roll dough out on cold bread board. Line 9 inch pie pan with crust. Peel, core and cut apples into very thin pieces. Mix sugar and spice and sift into apples. Place in pie shell and dot with butter. If apples lack flavour, sprinkle with 1 tbsp. lemon juice. Put top crust on pie, prick and brush with 1 egg beaten in ¼ cup water. Bake in electric oven 425 degs. for 50 mins.

FRUIT ROLY POLY

1 cup flour, 2 tbsps. shortening, 1/3 cup milk, ¼ cup salt, 2 tsps. baking powder, sliced apples.

Sift dry ingredients, work in shortening with the finger tips, stir in milk, knead and roll out as biscuit dough keeping in rectangular shape. Spread with the sliced apples and roll as jelly roll. Wrap in piece of cheesecloth. Steam for 45 mins.

GINGER ALE FRUIT SALAD

2 tbsps. gelatine, ¼ cup cold water, ½ cup boiling water, ¼ cup lemon juice, 2 tbsps. sugar, ½ cup grapes (Malaga), 1 banana, 2 apples, 1 orange, 1 cup ginger ale, ¼ cup chopped nuts.

Soak gelatine in cold water 5 mins. and dissolve in boiling water. Add lemon juice, sugar and ginger ale. Cut grapes in halves and remove seeds. Slice banana. Peel and chop apples. Separate orange into sections and remove membrane. When ginger ale mixture begins to thicken, fold in fruit and nuts. Turn into moulds and chill in electric refrigerator.

SUGGESTION BOX

Mrs. C. M. says: Cut meat in julienne style (that means in long, thin strips) and dice the whites of hard-cooked eggs. Combine with celery cut in strips, capers, sprig of chicory and minced parsley. Toss together with thick french dressing. French dressing is thickened by beating in yolk of raw egg.

Mrs. A. W. says: Try a fish spaghetti dish for a change. In a casserole put alternate layers of 2 cups cooked spaghetti minced with ¼ cup chopped parsley, 1 cup leftover fish and 2 cups white sauce. Add ½ cup chili sauce; heat in oven until hot; sprinkle with cheese and let it melt.

Mrs. J. B. says: Tomato sherbet is delicious on a salad. Scoop out pulp of tomato and crush through sieve; add dash of curry powder and salt. Put in freezing tray of refrigerator and freeze to mush. Take out and fill tomato shells to serve on lettuce with potato salad.

Jack Miner's Simplicity

The last thirteen years of the late Jack Miner's life he was rated by several newspaper agencies as "Canada's best known Canadian in private life." While Eddie Guest, the Detroit poet, always referred to him as the best loved Christian in America.

The big thing that won the late Jack Miner's heart to his fellowmen was his simplicity. When Henry Ford visited him it was always "Henry." When Sir William Mulock paid his annual visit he was always addressed as "William".

He even carried this plainness in his bird banding activities. In 1909 when he started his bird banding he stamped WRITE JACK MINER on his bands. Everybody knows what the word WRITE means. In 1921 some twelve years later he was largely responsible in pursuading the U. S. Government in banding birds to learn what percentage are shot in each state and province but they put on their bands "Notify Bio. Sur. Wash." which was the abbreviation of Biological Survey Washington. This proved very confusing because the Indians and Eskimos and several shooters didn't know what the word "notify" meant but they all knew what the word "write" which Jack Miner used meant. The result was a goodly number would write Jack Miner about these Bio. Sur. Wash. bands because they didn't know what the word "notify" meant. Thus the U.S. bird banding was so confusing with such abbreviations.

The latest report is carried in the September issue of the Readers Digest, page 74, which reports an Alberta farmer who shot a crow with one of those bands which read "Wash Bio. Sur." The farmer wrote: "Dear Sirs—I shot one of your pet crows the other day and followed instructions attached to it. I washed (Wash) it and biled (Bio) it and served (Sur) it. It was turrible."

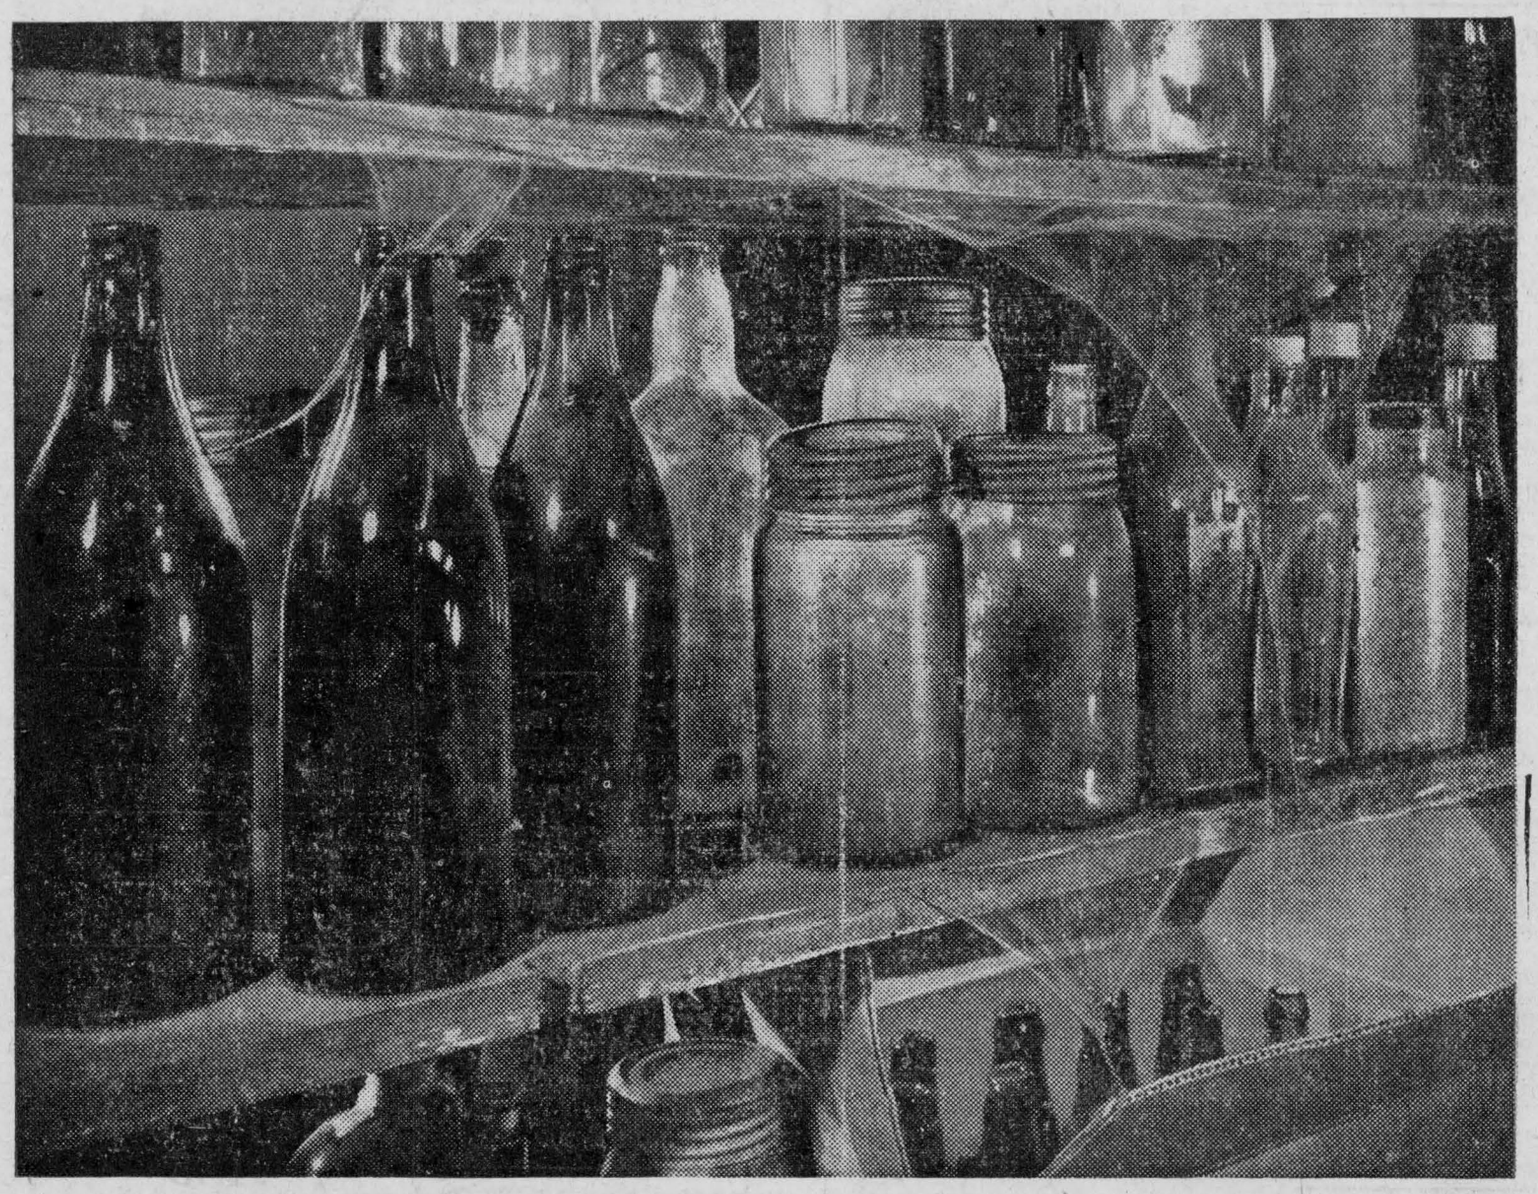
Just Got in His Way

An old bachelor lived alone for years. Finally he took a bride, but after a few months she left him. The O.B. took it philosophically.

"Anyhow", he consoled himself, "She was always getting in the way while I was cooking."



MISSING....

Bottles, jars, all sorts of glass containers are MISSING! The warehouse shelf, the wholesaler's storeroom, your retailer's shop . . . they're all feeling the bottle shortage. The shelves that used to be packed with full bottles, jars and containers are now empty—very empty. Your manufacturer and dealer are depending on you to return these empty bottles so that he can refill them again. You depend on him to deliver the goods you need. Doesn't it seem reasonable for you to help each other out? Remember, no bottle means no refill. Please gather up and return to the dealer ALL your empty bottles today.

Published by THE BREWING INDUSTRY (ONTARIO)

WHY A BOTTLE SHORTAGE?

Canadian glass factories normally produce MILLIONS of bottles *every month.* The vital ingredient in bottle making is soda ash. The only big Canadian soda ash factory was strike-bound for months. Stocks of soda ash have been used up . . . *bottle factories are closed down . . . bottles are not being made today.* Beverage bottlers and all producers of bottled liquids *must have your bottles back* to keep going. Bottling plants will close down too . . . if your empties are not returned.

DURANT-CARRUTHERS

The marriage of Audrey Muriel, daughter of Mr. and Mrs. Frank Carruthers, to Douglas Ball Durant, son of Mr. and Mrs. Harold Durant, Chesterville, took place in Knox Presbyterian Church, Crysler, at two o'clock on October 12th, Rev. R. Miller officiating.

The wedding music was played by Mrs. Alex McColl, Cornwall, and a solo was rendered by Miss Shirley Ouderkirk, both cousins of the bride.

Banks of ferns, gladioli, marigolds and plants decorated the altar.

The bride, given in marriage by her father, wore a floor-length gown of white corded silk, long tight-fitted bodice, with round neckline, short puff sleeves, and buttoned down the back. The skirt was in full bouffant style, hoop effect hip line, falling into a train at the back. Her long veil extended beyond the dress train, and was caught with seed pearls. She carried a bouquet of red roses tied with brocaded white satin ribbon.

Miss Bethel Nugent, Ottawa, cousin of the bride, was bridesmaid, wearing a floor-length gown. Her skirt was white net over taffeta, with tight-fitting jacket of wine chiffon velvet, with buttons down the front closing, and short puff sleeves. With her gown she wore a white shoulder-length veil and carried a bouquet of pink roses with pink ribbons.

Delburn Carruthers, brother of the bride, was best man and the ushers were Russell Marcellus of Chesterville and Douglas Smith of Guelph.

Following the ceremony a reception was held at the home of Mr. and Mrs. William Ouderkirk, the latter being an aunt of the bride.

The rooms were decorated with pink and white streamers and white wedding bells, ferns and gladioli. A buffet lunch was served to about 70 guests.

The toast to the bride was proposed by Rev. R. Millar and responded to by the groom. Those serving were Misses Audrey and Wanda Begg, Misses Eva, Jane and Eunice Ouderkirk and Mrs. Archie York. Mrs. Durant, the groom's mother, and Mrs. Bernice Ouderkirk, aunt of the bride, poured tea.

The bride's bouquet was caught by Miss Audrey Begg.

Mr. and Mrs. Durant left on a wedding trip to Western Ontario, the bride travelling in a fuchsia crepe dress with black accessories and a winter white top coat. She wore a corsage of red roses. They will reside at the groom's home near Chesterville.

Guests from a distance were, Mr. and Mrs. John McDiarmid of Winchester, Mr. and Mrs. Alex McColl of Cornwall, Mr. and Mrs. Ralph Ouderkirk of Montreal, Mr. W. A. Durant, Dwight Swerdfeger and Miss Audrey Begg of Ottawa; Mrs. James and Daryl Graham of Hulbert, Mr. and Mrs. John Carruthers of Smiths Falls, and Mr. Douglas Smith of Guelph.

The groom's gift to the bride was a double string of pearls, to the best man a cigarette lighter, and to the ushers bill folds.

The bride's gift to the groom was a gold collar pin; to the bridesmaid and soloist, cosmetic sets and to the organist gold ear rings.

A telegram of congratulations was received by the bride and groom from Mr. and Mrs. Lorne Carruthers, Hargrave, Man., the former being an uncle of the bride.

Miss Carruthers was a graduate of the Cornwall General hospital class of 1945 and was a member of the staff prior to her marriage.
