Rotary Governor Ray Brunet Visits Club Congratulates Members On Good Works

The members of the Chesterville Rotary Club had the pleasure of playing host to their District Governor, Ray Brunet of Hull, last Monday evening. Governor Ray was making his official call on the club as Governor of District 250. Several guests were present to enjoy the hospitality of the club and were welcomed by President Howard Fulton.

In a short session of business, Community Chairman Chas. McMillan called attention to a new bench that had been constructed and on display in the Auditorium. The bench is a prototype of others that are being planned for placing about the village to provide a place to sit in the sun and discuss topics of the day.

The visiting Governor was introduced by President Fulton. Mr. Brunet told his listeners of some of his experiences in being an official of Rotary International. His well-known wit and humour kept a ripple of laughter going and his cheeriness was infectious.

The thanks of the club were expressed by F. M. Cass.

The Rotary meeting of November 7th was attended by members of the Chicken Club, sponsored by Rotarians. Each of the youngsters either brought or sent 2 dressed birds from their flocks for judging. Agricultural Representative Herb Graham of Morrisburg was on hand to give a short talk. He explained the reasons for the club and what it was hoped to achieve in the training that was being received by the young poultrymen.

Jack Fraser of the Poultry Department, KAS, judged some live birds and gave pointers on the procedure.

Final credits will be awarded to all the Poultry Club members. They will be rated on the supervisor's reports, the records kept by the club members, and the general care of the flocks during the testing period.

Mr. Graham was introduced by Allison Graham.

W.I. EUCHRE VERY SUCCESSFUL

The Chesterville Women's Institute is grateful to the general public which braved the deluge of rain to attend "The Parcels for Britain Euchre". Whilst indebted to all, we should especially like to thank Rev. Father S. Lesage for the courtesy he extended in lending the tables belonging to St. Mary's Parish. The Editor of the Record, in that he so generously advertised the event free of charge, Mr. Howard Kittle and Mr. Gary Smith who so kindly transported the tables to and from the Hall; Mr. J. Francis Moriarty who donated the beautiful bath towels which were so proudly taken home by Mrs. Tom Dillabough as first prize; Mrs. Harold Greer who donated 1-lb box of chocolates won as consolation prize by Mrs. Graham Smith; Mr. Maurice Beckstead who contributed to the beautiful prize won by Mrs. Campbell Thompson, Fulton Bros. whose donation made possible the purchase of the lovely tie won by Cliff Butterill. We should mention Milton Phillips who made a generous concession on the price of that same tie.

Mr. Chas. McMillan who gave a ten dollar bill to gladden the heart of the trembling convener; Mr. H. G. Bigelow, who, by donating a 2-lb box of chocolates made it possible for Reg. McCloskey to take home a "sweet" door prize.

The Institute members, who gave so freely of their time to prepare and arrange the Hall. Mrs. Sutherland, who refutes the statement, "That an Englishwoman can't make good coffee". Every member of our wonderful Women's Institute for the delicious sandwiches and delectable cakes they brought or sent and the stalwart husbands who were a tower of strength.

As a result of this united effort the sum of fifty dollars clear, for "Food Parcels For Britain." Thanks.

RUSSELL-DUNDAS JUNIORS HOLD ORGANIZATION MEETING

Last Monday Junior hockey enthusiasts met in Russell to pull together a league for the winter season. Representatives from Chesterville, Russuell, Winchester and Finch were on hand.

In the election of officers, Bill Hall was named president with W. F. Workman Hon.-President, Alf. Jarvis, vice-president and Keith Russell as secretary-treasurer.

Four teams will be in the League this year as Finch has joined the junior ranks with a team. There is a possibility that Metcalfe will swell the number to five, but that will be decided here in Chesterville next Monday night, when the Juniors will meet again to draw up a schedule.

'SHARE THE WEALTH' PROGRAM PAYS CHESTERVILLE MAN

Mr. Eugene Wouters of the Boyne was in Toronto last Saturday evening and decided to take in the 'Share The Wealth' radio show. In the course of the evening Mr. Wouters found he had one of the lucky numbers called and was able to collect a small award.

WEATHER CALLS FOR COMMENT NO SNOW YET

Unusual for this time of year around here is the fact that we have yet to see our first blanket of snow. In the ordinary run of things, we usually get a good fall shortly after the first of November that brings the cattle into the barns with a rush for the winter and ties things up for the wintry weather that always comes. There has been a fair amount of rain, and ploughing has been not too difficult. Most farmers report the fall work done, although some corn ground remains unploughed.

FYKE—CASSELMAN

In the parsonage of St. Peter's Lutheran Church at Williamsburg, Saturday afternoon, wedding vows were exchanged by Marie Pauline, daughter of Mr. and Mrs. Aden Casselman of Williamsburg, and Grenville George Fyke, son of Mr. and Mrs. Stanley Fyke of Chesterville.

Rev. J. S. Neff performed the ceremony.

The bride wore a white slipper satin gown, fashioned with a net yoke and a bouffant skirt with bustle back. Her sleeves were long and extended into points over the hands. She wore a lace headdress and carried a bouquet of red roses and white 'mums.

Miss Betty McIntosh of Winchester Springs, was maid-of-honor. William Fulton of Chesterville, was best man.

A reception was held at the White House Ranch and later the newlyweds left on a motor trip to Toronto. The bride travelled in a raspberry red wool topper over a powder blue gabardine suit. Her accessories were navy.

Out-of-town guests attended the wedding from Ottawa, Kingston, Montreal and Chesterville.

MRS. W. MONTCALM GIVEN MENTION

Friends offer congratulations to Mrs. Wilfrid Montcalm, Moose Creek, who was awarded honourable mention in the essay "Country Woman's Day" in the A.C.W.W. competition. Mrs. Montcalm formerly Miss Mary Ruddy of Berwick, a school teacher for a few years, now resides in Moose Creek and is a valued member of the Women's Institute and now holds the office of director in the local branch.

HIGH SCHOOL NEWS

The rugby season for Chesterville High School though short, was fairly successful. Three games were played. The first one was with Winchester Juniors resulting in a tie, 10 points each. The second, played at Morrisburg, was a triumph for Chesterville, the score 15 to 6. The third, played at Winchester, was a bit disastrous, 20 to 5. The alibi is that three of the best of our seven or eight players were playing under the handicap of bad injuries. Our team showed good spirit and good sportsmanship in the three games played. Captain Tom Moran and his players are to be congratulated on their performance.

The teachers and students are now busy preparing for the Commencement which is to take place on Friday, November 25. The students are entering into the spirit of these proceedings with their usual zest and a good programme should result. After the Commencement all will be settling down to study hard for the coming December examinations.

Speaking of examinations, the students will receive their October Reports this Friday, November 18.

LOCAL NIMRODS IN BUSH AS HUNTING SEASON OPENS

Monday last saw the opening of the deer hunting season. The usual large group of Chesterville hunters left on Saturday and Sunday for points north and north-west full of hope, faith and confidence.

Reports are slow coming in as to their luck, but one club reports good luck the first day out with two in the bag.

The game overseers and license sellers are reporting a huge sale of tags again this year so the 'more men than deer' condition of the past few years still holds good.

Solemn Ceremony Marks Observance Of Remembrance Day

The haunting notes of the Last Post echoed across the town to sharpen the debt we owe to our dead and living veterans of the great World Wars. Remembrance Day has passed for another year but faith has been renewed in a fitting manner.

On Friday last, members of the Chesterville Legion assembled in the Post Office Square under the leadership of Legion President W. Gould. Forming ranks, the soldiers stepped out smartly to parade to the Community Hall and line in column in front of the Broken Column. Following on their heels were members of Chesterville Volunteer Fire Brigade, the pupils of the schools and quiet citizens.

Representatives of all the organizations of the town were present to pay their respects. In the programme that followed, Mr. P. G. Hewitt at the piano led the singing of the "Recessional". Mr. M. E. Clark intoned the Remembrance Prayer and reverent hands laid wreaths at the foot of the Column in remembrance.

When the "Last Post" died away, Legion members filed past the Column, each dropping a Poppy.

As a fitting conclusion to the parade, the Legion marched up Main to John Street and lined up in front of the home of one of their ill members, Veteran Wm. "Billy" Fyke. President Gould entered and paid his respects to the sick man and then dismivssed the squad.

RECEIVE CONGRATULATIONS

Mr. and Mrs. Lennox Baker, Cannamore, who recently celebrated their Golden Wedding, received congratulations and best wishes from the Provincial Secretary, on behalf of the Provincial Government on the occasion.

Legion Plans Ambitious Season For 1949-50 Meeting Of Members Tuesday Night

Chesterville Branch of the Canadian Legion met in the Library on Tuesday night to discuss plans for the coming winter season. New President William Gould presided with Secretary Hubert McCloskey at the book.

Members to the number of 48 were listed on the rolls for the year and their interest was evident from the lively discussions that arose. The Legion is on the lookout for suitable quarters for their club rooms. Among the suggestions offered was to make use of the old Scout Hall in the rear of the Fire Station. The possibilities will be investigated.

The proprietor of Ed's Steak House, Mr. Wong approached the Legion to discuss the building of a toboggan slide on the river bank at the rear of his place of business. Further details will be assembled and dealt with at a future meeting.

The water main has proved troublesome in the past that feeds water to the Legion Rink. John Wardell was appointed to see what could be done towards keeping it in good working order.

The Poppy Campaign was most successful. The Executive and members of the Legion expressed their gratitude to the young ladies who spent so much time selling. A nice sum was realized.

Hockey and skating came in for a great deal of discussion. The final decision was definite in that a certain number of nights would be set aside for skating and hockey was not to interfere. A tentative number of open evenings would be at least three in the week.

Notice

BY RESOLUTION OF COUNCIL at the reguler meeting held on November 7th, 1949, it was decided to revert to STANDARD TIME on Saturday, November 26th, 1949, at Midnight.

A LETTER TO EVERYONE

"There will be a letter in the mail for everyone on Monday", promised Mr. Archie Dover, chairman of the local Christmas Seal Committee, announcing the opening of the campaign. "For weeks past volunteers have been working on the mailing list, and it is our hope that we have not missed a family."

"Christmas is the time for giving," he continued, "that is why we make our appeal for funds to combat tuberculosis at this season of the year. It may be that you do not know any specific person with this disease. You may be one of the lucky ones whom TB has not touched, not even through your friends or families, but if that is so, you should realize that you are specially privileged, for tuberculosis is a disease that killed more than 5,000 Canadians last year and there are approximately 50,000 ill with this disease."

"The United Counties enjoys an enviable record in respect to its health services," Mr. Dover stated. "This record has been built on a tradition of public support, for health is one thing that cannot be maintained without the co-operation of everyone. Through the Christmas Seal Sale citizens have their opportunity to help maintain a high standard in respect to tuberculosis. It is the Committee's hope that the response will be generous as it has always been in the past."

"This is your chance to fight TB," he concluded. "Buy Christmas Seals."

MISS RIGHT AND MISS WRONG

A recent BBC television venture is a fashion programme for women which is quite new in its approach to the ever green subject of clothes. Viewers have had expensive dress shows in plenty, but "Your Wardrobe" assumes that the average woman wants help with her clothes. It is fascinating, of course, for them to see the latest creation from London and Paris, which are obtainable at an astronomical price, but most women want to know what they can do to make their own garments fashionable and how they can lay out the few pounds they have to spend to the best advantage.

The new series which is being arranged and introduced by television announcer Mary Malcolm, hopes to answer these and many other questions in time. It includes talks and demonstrations on how to make clothes at home, how to mend and maintain them so that they still look good after hard wear. Where to buy clothes is also dealt with and, a point of major importance, how to wear them when bought. This is where the twins come in. Betty Spurling selects the clothes for "Your Wardrobe" and required a pair of identical twins to be televised in each programme as Miss Right and Miss Wrong, one wearing clothes correctly, the other making every sartorian mistake possible. Her search became known and twins in plenty wrote the BBC. Audition day came and thirteen pairs of twins invaded the grounds of Alexandria Palace. BBC staff thought they must be seeing double, for every time they looked at a personable young woman they saw two of her. The choice finally fell on Irene and Rita Day of Westcliffe-on-Sea, and there was a certain feeling between them, it seemed, as to which should appear as Miss Right, for what good looking young woman wants to appear before the camera always wearing wrong clothes? "Your Wardrobe" has endless possibilities and in the first programme fashion expert Eileen Ashcroft used the scissors on an old frock of Mary Malcolm's to show just how a little skillful revision could make an old faithful into an up-to-date garment. Plans for the future include editions on children's clothes, maternity clothes, and that important part of the feminine wardrobe known as "the foundation". With such expert and wise guidance brought into the home there seems no reason why Britain's women viewers should not be able to hold their own in smartness anywhere.

PENSIONS ARE RATION TICKETS

Everybody would like a pension. Eventually everyone may get one through his job or by saving or by way of the government. But with all folks getting older all the time there may come a day when there will not be enough younger people working to provide the necessities for people living at their ease. In the days of rationing, cuopons were no good if the butcher had no meat. Pensions are merely ration tickets.

People are healthier nowadays. Life expentancy has grown by leaps and bounds and in his leaping and bounding grandpa has little use for canes and crutches. At the same time, grandson is not nearly ready to join the working force of the nation. What with the desire for everone to become a doctor of philosophy, strong boys with wheels no longer apply for jobs. Everyone is retiring at sixty-five, for he no longer is considered an asset at desk or bench, and may be cluttering up the place so there's no room for a younger man.

Thus there is the phenomenon of people's starting to work later and quitting earlier. Can the relatively fewer people producing carry on their backs the relatively greater number of people not producing?

Letters to The Editor

November 6, 1949
The Editor, Chesterville Record,

Dear Sir: Please grant me space in your columns to draw attention to a disgraceful, dangerous condition in our Town. Several man hole covers are in a very dangerous condition. I refer particularly to the one on King St. North, near Munro's Garage. This cover has been partially off for two or three months, I replaced it twice, but to no avail. Either the cover is faulty or it is being deliberately dislodged. There is a grave danger of some one breaking a leg or worse. A small child could very easily fall in and be seriously injured.

Surely our Street Commissioners could devote enough energy to their elected tasks to try to protect the life and limbs of our citizens. I sometimes wonder if this apathy will last until a lawsuit for damage, or loss of life, will prod them toward doing their duty.

There must be many parents and citizens in this section of town who will agree that some action should be taken. Especially I would rather see our children happily playing than suffering from injuries received from tumbling into partially open manholes.

Yours sincerely,
Glenn E. White.

Morewood lost another of its pioneers when Mr. George Weaver passed away on Friday at the District Memorial Hospital, Winchester, after a three-weeks illness.

Mr. Weaver was born at Williamsburg, the son of the late Mr. and Mrs. Peter Weaver and was in his 90th year. Active for his years he was about his usual chores up untill three weeks ago.

Coming to Morewood as a young man, he took up farming. He married Miss Melissa Bogart who predeceased him in 1897, later he married Miss May Crump, daughter of the late Mr. and Mrs. John Crump who is left to murn along with one son, Fred, and two daughters by the former marriage, Mrs. Ford Steinburg of Morewood, and Mrs. Jay Semeyn, Grand Rapids, Michigan; five grandchildren and seven great-grandchildren.

The service was held from his late residence on Sunday afternoon at 2 p.m. with Rev. W. H. Heustin officiating. Floral tributes surrounding the casket were silent reminders of the high esteem in which the deceased was held.

Pallbearers were Harold Stewart, Dwight Feeley, Harold Hillis, Norman McLeod, Donald Runions and James Cheney.

Interment was made in Maple Ridge cemetery. Friends attended the funeral from Ottawa, Cornwall, Osgoode, Vernon and Chesterville.

HOLY TRINITY ANGLICAN GUILD HOLDS NOVEMBER MEETING

The November meeting of the Holy Trinity Anglican Guild was held last Thursday at the home of Mrs. Melvin Clarke with a very good attendance and the President being in charge of the meeting. Rev. Leon B. G. Adams opened the meeting with prayer. Mrs. Gladys Hummel read the minutes of the previous month and Mrs. C. Clarke reported on the financial report.

Mrs. John Sutherland thanked the members of the Guild for their splendid loyalty while she spent the summer months in England and Scotland.

After the business session of the meeting was over the final preparations were completed for the Tea and Bazaar to be held in December with Mrs. Nithi Kerpalanie to officially open the event.

The meeting closed with prayer after which a dainty lunch was served by the hostess.

A Bit Puzzling

On a Birmingham bus two negro women were discussing the war experiences of their respective husbands. One of the women admitted—a bit shamefully—that her man spent some time in the guardhouse because he had unwittingly insulted an officer.

"I don't just remember what officer he was," the woman said, "but I think he was some kind of rill."

"Rill?" exclaimed the other woman. "I ain't never heard of no such rank as that."

"Yes," continued the first, "I'm sure he was a rill. But right now I can't remember whether he was a corpo-rill or a ginny-rill."

November Meeting Afternoon Auxiliary Trinity United WMS

With a very splendid attendance the Afternoon Auxiliary of the Woman's Missionary Society met in the dining hall. Mrs. W. O. Dixon was acting president.

Minutes of the October meeting were read and a few items of business attended to after Mrs. Wm. Hamilton, the treasurer, informed those present that up to date our givings were $282. Mrs. L. H. Doering kindly consented to act as the third member of the nominating committee. Mrs. Wright and Mrs. L. Marcellus are to see that Christmas cards are sent to 'Shut-ins'. Mrs. P. J. Gilroy spoke to those assembled about plans for the Baby-band party on November 18th, at 3 o'clock.

Mrs. Walter Hummel and her group presented the worship service and program. During the former, Mrs. A. J. Forward gave the Scripture reading and prayer. Mrs. Stanley Shay with Mrs. Gilroy to accompany her at the piano sang a very lovely solo entitled "I'll be a hero for Christ my King."

The theme of worship was "God at work among men through the Holy Spirit."

The program was from the Study Book "Growing with the years" and was on Evangelism. Mrs. Harold Merkley, Mrs. Edwin Forward, Mrs. Geo. Johnson, Mrs. Arthur Ball, Mrs. Stanley Sullivan, Mrs. Walter Hummel and Mrs. Wm. Hamilton told sent to 'Shut-ins'. Mrs. P. Gildoy be carried on by radio, etc., and the work already accomplished in this manner.

It being so near Remembrance Day Mrs. Harold Merkley ably commemorated the day by reciting "In Flanders Field" by Col. J. McCrae.

A 'Get-Well' card signed by all present was to be sent to Mrs. W. N. Fulton who is a patient in Kingston General Hospital and who gave such willing and capable service to the society. The meeting closed with prayer.

40th Wedding Anniversary Mr. and Mrs, F. L. Wittaker

Swiss Cheese Lumber

An Illinois farmer had been having his troubles building a new house. The other day after the village lumber company truck had delivered a load of so-called knotty pine, this farmer telephoned the lumber yard. "Lemme talk with the manager," he demanded.

"He's not in," the office girl answered.

"Well, then," said the farmer, "tell him Henry called; tell him we got the load of knotholes and we will want the knots delivered this afternoon."

MOREWOOD UNITED CHURCH

The service at Morewood United Church on Sunday morning was conducted by the minister, Rev. W. J. Copsey, B.A. The theme of the sermon was "The Roots of War and Peace," based on the text Isaiah 1:20 "If ye refuse and rebel ye shall be devoured with the sword." The Hebrew prophets never made the mistake of assuming, as we sometimes do, that war comes simply because one person or one nation is evil. They saw all war as the result of an evil spirit of violence, intolerance, injustice and disobedience to the ultimate laws of God. So again and again, in one form or another, they uttered to their people the message of God, "If ye refuse and rebel, ye shall be devoured with the sword."

War has its roots in greed, injustice, pride, ignorance and fear. The roots of peace will be found in the spread of knowledge, knowledge of facts and knowledge of people, and more particularly knowledge of the principles of the teaching of Jesus Christ. By the adoption and maintenance of policies which will eliminate the evil spirits of covetousness, pride, injustice, ignorance and fear from international relationships. By the development of the means of cooperation through official and unofficial channels between different nations and different groups by the ministry of sharing. "Perfect love casts out fear." "Bear ye one another's burdens and so fulfil the law of Christ." "Love one another as I have loved you." The Christian Church has, and has had the answer to the world's need for 2,000 years; but too often it has not realized it, and more often has not acted upon it."

Mrs. Sam Barrington was at the organ as the choir rendered Hayden Holton's anthem, "How Blessed Is The Nation".

NORTHERN IRELAND STILL PRODUCES THE WORLD'S FINEST LINENS

The looms of Belfast, Northern Ireland, still produce the finest linen fabrics in the world. The fabric is still made from home-grown flax, although quantities of raw material are also imported. Hand-painted and hand-embroidered linens from the Belfast area are bought everywhere in the world by people who want the best that is obtainable. This picture shows girls hand-painting Damasc linen tablecloths and serviettes in a Northern Ireland mill. Fast colours are used, and the cloth can be washed countless times without losing the delicate tinting.

THE MIXING BOWL

By ANNE ALLAN
Hydro Home Economist

Hello Homemakers! If we had to order the ingredients for our Christmas cake direct from the source of supply we would find it rather difficult. While far away countries enjoy our Canadian maple sugar, we select their sweets and spices for festive fare. For the most part, our pineapple comes from Cuba, candied cherries from France, dates from the Iraq, currants and raisins from Australia, citrus peels from United States, spices from India, walnuts from Turkey, cashews from China, molasses from the West Indies, sugar from Cuba, while shortening, eggs and flour come from our own banner province.

Today, our grocer has fresh supplies for the fruit cake we intend to make. The recipe for our favorite cake, the one we made last year, is being published as one of the best we have ever made.

FAVORITE CHRISTMAS CAKE

2½ lbs. seeded raisins
2½ lbs. currants
1 lb. candied cherries
½ lb. dates
½ lb. candied pineapple
¼ lb. minced peel
¼ lb. citron peel
1 lb. blanched almonds
1 lb. (2 cups) butter
1 lb. (2¼ cups) sugar
10 eggs
¼ cup cherry juice
¼ cup currant jelly
3½ cups flour
½ tsp. salt
2 tbsps. allspice
¼ tsp. baking soda

Chop finely the peel, dates and pineapple. Split the blanched almonds in half. Mix ¾ cup of the flour into the fruit to dredge it. Cream the butter and sugar, add one egg. Sift remaining flour, spices, soda and salt, adding it alternately with the liquid. Now add the fruit and nuts. Have the three fruit cake pans lined with heavy paper or aluminum foil and well greased with butter or margarine. Bake in a preheated electric oven at 275 degrees. Allow 2¼ hours for the 5 by 5 inch cake, 2¾ hours for 7 by 7, and 3¼ hours for 9 by 9 inch.

When cake is done turn out of pans but do not remove paper. After the cakes are cool, place them in a covered crock or lined tin and put an apple or an orange around it.

CHOCOLATE FRUIT CAKE

1|3 cup butter or margarine
1 cup brown sugar
¼ cup cocoa
3 egg yolks
½ cup strong coffee
1¼ cup flour
3 teaspoons baking powder
1 teaspoon cinnamon
3 egg whites, beaten stiff
2|3 cup mixed candied fruits
2|3 cup seeded raisins, cut in pieces

Mix ingredients in order given. Bake in 2 pound bread pan in moderate over (350° F.) for 50 minutes.

MOCK ALMOND PASTE

1|3 cup sieved cooked sweet potatoes (dry as possible)
1 1|3 cups icing sugar
½ teaspoon almond extract

Add sugar gradually and beat all together.

DECORATIVE FROSTING

1 lb. (3½ cups) icing sugar
½ tsp. cream of tartar
3 egg whites
1 tsp. vanilla extract

Sift together sugar and cream of tartar; add egg whites and vanilla extract. Beat with rotary beater until frosting holds shape. Cover with damp cloth until ready to use. Makes 2½ cups.

ICE CREAM SAUCE

Cream together until light and fluffy ¼ cup butter and ½ cup icing sugar. Mix 2 teaspoons granulated sugar with 2 tablespoons cornstarch and ¼ teaspoon salt; add 1 cup milk and cook till mixture thickens, stirring constantly. Continue cooking until there is no taste of raw starch. Add ½ teaspoon vanilla and cool. Use an electric or dover egg beater and add this cooked mixture to the creamed butter and sugar, one teaspoon at a time. Continue beating until all the cooked mixture is added.

* * *

It is wise to make fruit cakes and plum puddings now since the mixture mellows into a more delicious flavour when stored in a cool, dry place. When the cake is loosely wrapped in waxed paper and placed in a tightly covered tin or crock you can be assured it will not dry out. Then, too, if you leave a small orange or apple in the container for a week, there will be sufficient moisture supplied but it must be removed before it moulds, else cake or puddings mould too. Do not ice the cake until a few days before Christmas.

We like to bake our Chocolate Fruit Cake in a ring mould and serve it simply—on a glass plate decorated with holly leaves and cranberries. With the crumbs from a cut fruit cake roll into a ball with a little pudding sauce and place in the centre of a dish of small cakes.

The traditional plum pudding is served piping hot with a Brandy sauce, even set aglow as brought to the table, but we think you too may enjoy chilled fruit pudding and ice cream with a sauce—our folks do. If you forget to make an ice cream sauce, heat a cup of marmalade and pour over ice cream.

The holiday festivities soon creep up. You'll be wise to make mincemeat pies two weeks in advance if you have good refrigeration or freezing space. To reheat them, allow 30 minutes in your warming oven or the oven at 250 degrees.

Finally, we again refer to the cake which, if frosted, should be done mith a hot knife. This is done by frequently dipping in a pitcher of hot water and do likewise with your cake knife when you cut servings.

IN MEMORIAM

HANES—In loving memory of a dear wife and mother, Sadie Hanes, who passed peacefully away November 23rd, 1948.

She is gone, but not forgotten
And as dawns another year,
In our lonely hours of thinking
Thoughts of her are always near.
Days of sadness will come o'er us,
Friends may think the wound has healed
But they little know the sorrow
That lies within the heart concealed.
—Ever remembered by Husband, John and son Donald.
