Christmas isn't about gifts

Christmas isn't about gifts or Santa.
Here, I'll tell you what it is about.
Remember a long time ago,
In Bethlehem baby Jesus was born,
So we should respect that,
This year when you are opening your gifts just remember,
Many people around the world forget about the real meaning of Christmas.
Always remember others at this time.
So I hope everyone has a merry Christmas.

Happy Holidays

In the rush of events, we tend to overlook the important friendships that are the true basis of business relationships. One of the great pleasures of the Holiday Season is the opportunity to exchange greetings with those whose friendship and goodwill are valued so highly.

In this spirit it is a pleasure to say "Thank you" and extend sincere appreciation for the very pleasant association enjoyed with you.

A Christmas poem

Christmas Eve, oh what a beautiful night,
All children are filled with fright,
Will they get coal or will they get toys,
These are the thoughts of young girls and boys,
He comes in the night on his bright red sleigh,
With 8 tiny reindeer leading the way,
Dropping down chimneys to lay all the toys,
For millions of children, both girls and boys.

Jordan Dale Hill
Grade 8, Maple Ridge

Christmas time is almost here

Christmas time is almost here,
Everyone is close and near.
All fighting ends - there is now a cease,
Since arguments have changed to peace.
Christmas time has begun,
Lots of fun for everyone.
Where laughter and joy are found,
Christmas cheer will abound.

Amanda Whitteker
Grade 8, Maple Ridge

Christmas poem

Christmas, Christmas time is here,
Oh what a jolly time of year.
Mom has seemed rather frustrated
Maybe from cooking and all that was decorated.
Dad has not had much fun,
Between work and shopping, he has been on the run.
Christmas, Christmas time is here,
Oh what a jolly time of year.
When Santa starts to go, "Ho Ho Ho",
Then parents seem to think, "Oh no! Oh no!"
This could only mean one thing,
That soon you will hear sleigh bells ring.
Christmas, Christmas time is here,
Oh what a jolly time of year.

St. Nicolaas

When you look at the title you probably wonder who is St. Nicolaas. Well we will tell you, St. Nicolaas is a very popular man simular to Santa. But instead of Elves he has Black Peters to help him. St. Nicolaas rides a white horse and his Black Peters walk. During the day they walk around, throwing candy. And at night they bring presents. St. Nicolaas is a special holiday in Holland, and because my dad is from the Netherlands, we celebrate it on the fifth, which is St. Nicolaas Eve.

I like St. Nicolaas Eve because of the candy. Tanta Tiny, my aunt who lives in Holland, sends us a parcel every year. Dad makes oliebollen which is something like a big donut filled with raisins, currants and apples. We eat them hot rolled in icing sugar - now doesn't that make you want to visit our house on December 5th! Yum, yum...

What Christmas means to me

Sitting around the Christmas tree, glaring at the colourful Christmas lights.
Eating Christmas cookies, taking little bites.
Looking out the window at the snow.
Saying to my sister, "Come on let's go!"
Making snow angels and snowmen.
Coming inside and putting my sister's dolls in their play-pen.
And that's what Christmas means to me!

The Very Funny Santa Claus

There once was a Santa Claus and he was oh! so very funny! He came in September instead of December. He even wore yellow and orange instead of red and white. He came in the day but he was sopose to come at night. He knocked at the door with a bag full of candy. Then went home in a car. Then next year it was back to normal and we had a normal Christmas.

A Visit to Santa Claus

One Christmas Eve I wanted to visit Santa Claus to tell him my secret wish. I wrote him a letter asking if I could go to the North Pole to see if my wish was there. Mrs. Claus read the letter to Santa Claus. Santa came to Finch to pick me up. The whole town of Finch was there to see Santa Claus. When I came back everyone was waiting for me, I came home with a present in my hand.

Santa's reindeer came to town on a bright and early morning. I asked him why he had a pie on a early morning. He told me why he had a pie on that early morning. Christmas is a holiday

Christmas is a holiday, a
Holy day when baby Jesus was born.
'Rapping presents is what we do.
If you're good you will get many. If you're bad you will only get a few.
Sometimes people don't get any.
Try to give presents on White Gift Sunday.
More and more presents
Are given to the poor. But it isn't enough. I feel
Sorry for all the people who are
Poor in this world. So please try more to give than
Receive. The food you
Eat is like lots of cake and cookies.
Sometimes poor people
Eat nothing, even on Christmas.
No poor people get to go on
Trips or go anywhere
So try to give money too.

Rudolph and His Nose

It all started way up north on Christmas day when Santa was getting the reindeer ready for the big fly to deliver presents to the girls and boys.

He went to each of the reindeer stalls and brushed them. When he got to Rudolph's stall he was shocked. Rudolph's light bulb nose wasn't shinning. He ran into the house yelling. "Rudolph's nose, Rudolph's nose!"

"What ever is the matter with Rudolph's nose?" asked Mrs. Claus.

Santa told her about Rudolph's nose.

"Oh no, you will just have to find a way to get it to shine." said Mrs. Claus.

Santa went into the workshop and got some red paint and a paint brush. He went to Rudolph's stall and started to paint his nose red, but it still didn't shine. So he washed it off.

He got another good idea. He went to the wrapping centre and got some wrapping paper. He went outside and wrapped Rudolph's nose but it still didn't shine. Santa took off the wrapping paper and Rudolph's nose wiggled.

Santa took a close look at Rudolph's nose and noticed it wasn't screwed on tight. He tightened Rudolph's nose and it shined very brightly.

The Enormous Christmas Present

On Christmas day in a nice snug house in Califomia this girl named Amanda got an enormous Christmas present. When she opened it she found out it was a dog . Amanda wasn' t allowed to keep pets because she was only four. So when her parents weren't looking she hid the dog in her closet . Amanda's parents asked Amanda what was in her Christmas present. Amanda didn' t want to lie but she did because she didn' t want to loose her pet. She said she got a game. Amanda wondered why she could not keep her pet just because she was only four. If Amanda's parents found out Amanda would get in trouble. Amanda told her parents that she had lied. Her parents said she could not keep the dog but that night a coyote came and the dog scared it away. So her parents finally let her keep it. Amanda felt terrific that she could keep her pet.

Wrap up myself

I wrapped up myself for Christmas. My mom was worried. Then it was time for presents. My mom opened her presents. I said "Surprise!" My mom jumped and my brothers and I laughed. My mom said "Don't ever do that again." Then we had some cookies and tea. The next Christmas my brother was my mom's present.

The Six Days of Christmas

On the first day of Christmas my true love gave to me Santa Claus in a pear tree.
On the second day of Christmas my true love gave to me two bright elves...
On the third day of Christmas my true love gave to me three green frogs...
On the fourth day of Christmas my true love gave to me four great gifts...
On the fifth day of Christmas my true love gave to me five pieces of gum...
On the sixth day of Christmas my true love gave to me six baby toads...
