Second Class Registration No 1361

Iroquois, Ont., Wed., June 16, 1971.

Add New Twists To Lions Fair

The fair is coming to town this weekend and with a number of added features and innovations, this year's Lions Club Street Fair promises entertainment of all ages. The regular visit of the Allan Show brings rides for the youngsters, bingo for those who like that game, draws, an auction sale and a street dance, all add up to make the event worthwhile for everyone.

The fair officially opens on Wednesday evening at the shopping plaza parking lot and on Friday night about nine o'clock Mahlon Zeron will conduct an auction sale of articles donated by residents of the community and area. Those wishing to donate

good useable items are requested to take them Thursday and Friday to the empty store next to Ray Parmeter's or if you don't have transportation for the item, please feel free to call Frank Rooney or Keith Beaupre and the items will be picked up.

On Saturday night a street dance would draw the younger set to the shopping plaza and a local group has been hired to provide the music. Admission will be \$1.00 per person at the dance.

Oh yes, one further note... drop in to see the new eating booth just completed by the Lions members.

Increase Sentence

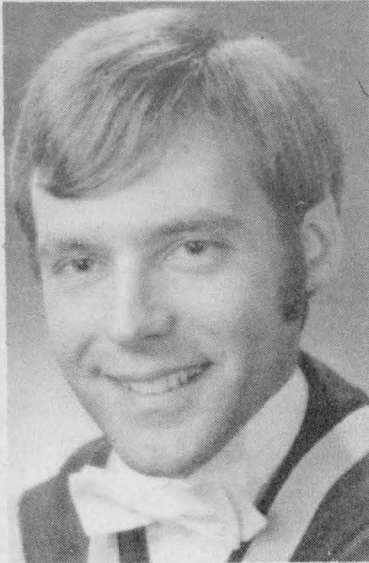

A report in the Toronto Globe and Mail this week gives notice of the results of an appeal by the Attorney-General of Ontario from a sentence to six years imprisonment on Dale D. Johnson, of Iroquois, imposed on accused by Mr. Justice Moorhouse at Cornwall, March 23, 1971, upon conviction of the accused on charge of manslaughter.

The appeal was allowed and

the sentence changed to one-to-ten years.

W. D. Baker, QC, and R. K. Arthurs acted on behalf of the respondent; W. J. Parker for the appellant.

Following the original sentencing in March of this year dozens of letters were sent to various government individuals and departments involved.

Graduates

Douglas C. Millard, son of the late Mr. and Mrs. E. Millard graduated with honours from Queen's University, Kingston, on May 22, 1971. Doug received a B. Sc. (Eng.) in Engineering Chemistry, and has accepted a temporary position as a plant chemist with the Canada Starch Company in Cardinal.

Takes Ottawa Job

Miss Pat Barkley, daughter of Mr. & Mrs. Lorne Barkley, Iroquois, a graduate of Seaway District High School, Ottawa Teachers College and Metzler Business College, Kingston, Ontario, has recently accepted a position with The Civil Service Co-Operative Credit Society Limited, Ottawa as bookkeeper-accountant.

Matilda Walkathon Well Supported

On Saturday morning, with Reeve Mahlon Zeron in the lead, a group of "walkers" left the Matilda Memorial Hall on a 20-mile walk in aid of the improved lighting system to be installed in the park in the near future.

Of the 78 walkers who took part in the walk, all but five completed the route, raising an estimated \$1200 towards this worth project. By completing his "stroll" through Matilda Township, the chairman of the Matilda Recreation Committee, Lorne Strader, raised a whopping \$151.20; other members of the committee who sponsored and organized the walk undertook to keep things running smoothly through the day.

The first girl to complete the walk was Corinne Hodgson; earlier three boys arrived together to be first over the line for the opposite sex—George Bolton, Donnie Adams, and Richard Bissonnette. Young Brian Harbers, aged 5 years, walked the first 8 miles; his place was then taken by his dog, Tippy, who completed the walk in his place.

Several organizations took charge of the checkpoints and served refreshments, rendered first aid and encouragement, and checked the "walkers" through.

These included the Matilda Women's Institute (2 checkpoints), Matilda Rebekahs, and the United Church Women's groups of Hulbert, Pleasant Valley, Brinston and Hainsville.

The Matilda Recreation Committee has an active programme in the township. Last summer well over 200 boys and girls were involved in the softball teams organized various age levels; a similar programme is about to get under way this summer as well. Ice skating is sponsored in winter; for the last two years they have held a Fastball Tournament and Barbecue each August, both of them highly successful in bringing in good teams and good fastball to the township. This year's Tournament and Barbecue will be held on Saturday, August 7th, with a good day and evening of entertainment anticipated.

The Matilda Memorial Park has been improved over the past two years with the addition of swings, a second ball diamond, and picnic tables set up under the shady trees planted many years ago when the park was established as a memorial to the fallen of the Township at the close of the First World War. The ball park was one of the first in the area to have lights; a group of interested citizens got behind this project in the 1950's and when the lights were turned on for the first time in 1954, they had been completely paid for by means of a township canvass, fund-raising projects by various organizations, and a provincial grant.

The present Matilda Recreation Committee is indeed grateful for the support it has received in the past in providing organized sports for the youth of the township and for the interest and assistance it received from all concerned on the occasion of Saturday's Walkathon.

Need More Replies

Village and area residents who are interested in family housing in the Village of Iroquois should mail their questionnaires as soon as possible to the Ontario Housing Authority. In a recent letter from the Authority it was pointed out that insufficient replies have been received so far for the village to qualify for this type of housing.

If you cannot find your questionnaire, another one may be obtained from the clerk of the Village of Iroquois, telephone 652-4422 or by writing to Box 249, Iroquois, Ontario.

At least ten people who can qualify are required to assure that Iroquois can receive this type of housing. Act now.

Caldwell's 5th Annual Golf Tournament

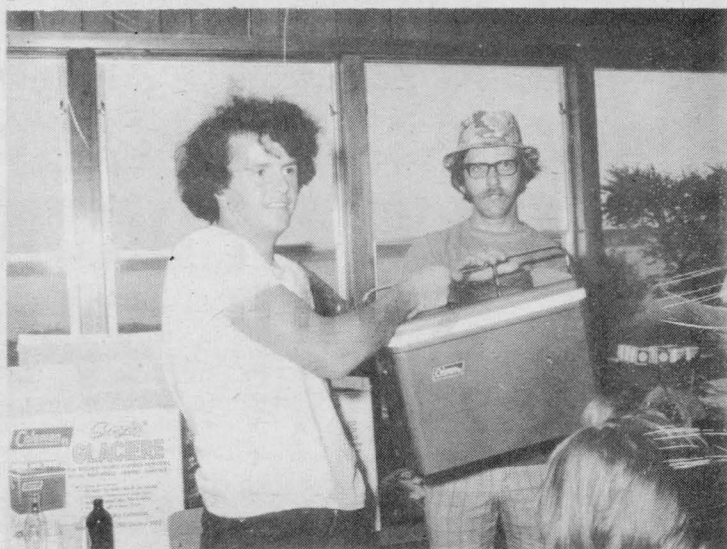

Pictured above is Tom Rusedski presenting Don Duval with his first low Gross prize.

Caldwell's 5th Annual Golf Tournament was held at the Iroquois Golf Club on Saturday, June 12th with 46 golfers participating.

Top golfers were, first low gross, Don Duval, second low gross, Gary Hall, first low net, Jim Edgar, second low net, Lloyd Hall. Most honest golfer and all around sportsman, Ted Foggo.

Our thanks to all who contributed in making the tournament a great success. Special thanks to Bev Hutt, who catered to the dinner.

Pictured above is Jim (Hair) Edgar receiving his first low net prize from Gary Hall.

Newsy Notes . . .

An Office Manager pasted this message on an adding machine: "Advancement will come with hard work." Underneath someone added: "Yes, and more hard work will come with advancement."

Keep America Beautiful Inc. says cleaning up litter in the U. S. every year costs as much as it would to build 12,500 new classrooms. Don't be a litter bug it costs you as a taxpayer too much money every year.

It is calculated that the average working Canadian will work about 14 hours, or nearly two days in a 40-hour week, just to pay his taxes.

Women are so delightfully odd by times: in the light rain of spring they'll be seen trudging along in knee-high boots and wearing no hats.

Says fellows why don't you surprise your wife and send her flowers, she must be mad at you for something.

We have sure had a lot of rain lately but I don't mind the rain, the great thing about it is you don't have to shovel it.

Security in this day and age is knowing you can pay this month's bills next month.

Ottawa's new textile policy is said to have run in to some early troubles. Snag, no doubt, this is nothing new for Textile.

Think about this one: Behind every good economist is a wife who had to manage the household budget.

Did you hear about the Eskimo who had a king-sized cold. He was going out fishing, and since he couldn't get out of it, he decided to try and keep warm. So he built a small fire in his kayak, and of course it caught fire and sank, the moral of this story is, you can't have your kayak and heat it too.

A men's apparel executive: "Like many other forces in men's fashion syndrome, we've veered off course in the midst of the confusion and cross-currents of the conflicting ideologies which beset the industry at large."

I think he must be trying to tell us that he didn't really know whether to stock coloured or white shirts, anyway he sure tried to wiggle something out of it.

An opportunist is defined as a man who, finding himself in hot water, decides to take a bath.

Some camping grounds have so many facilities they might as well be hotels. Speaking

of camping grounds, out town has a very nice place for camping at the west end of our airfield. If you have relatives or friends coming to see you while they are travelling, they might like to know about this area. The rates are very reasonable and there are very clean washrooms.

It occurs to me that if International Laytex merged with Maxwell House we could sure stretch our coffee breaks.

I know most of the people that use the canteens in work try to do their bit to keep it clean, but here are still a few people who just don't care. They leave their empty cups, dishes, cigarette boxes and milk cartons either on the tables or the floors, if they miss the garbage container they are aiming at. Now for the few odd people that are doing this, I would like to ask that you please use the containers for your garbage, they are placed right in the centre of the floor for your convenience. These canteens were put in the departments so that we could sit down and have our breaks and enjoy a snack, let all of us make an effort to leave it in good shape for the person that follows us.

Here's a little article I was handed recently. Morale must be really low.

A woman came up to the pearly gates, she looked so old and worn. St. Peter came and saw her and looked at her with scorn. "What did you do on earth" he said, "to make you come up here?" "I have worked for Caldwell Linen Mills for many and many a year." St. Peter thought it over then he smiled and rang the bell. "Come in, he said, and choose your harp, you've spent your time in hell."

We have missed the "Birthday Column" being printed in the last two issues. (Just when I had a birthday too) While we are on the subject I would like to thank all the people who were kind enough to remember me with cards, even though I wouldn't say what day it was. Mistakes are often made in printing and it can be hilarious or embarrassing, depending on whether you are the writer or reader. An unfortunate way of putting things:

1. She enjoys accompanying her husband on business trips as do several other women out our way.
2. After the cocktail party, all the guests departed the house in a dense fog.

Careful you just can't be too!

Entertainment courtesy of E. G. (Ted) Foggo.

Soft Ball

Dominion Textiles Head Office Staff, Montreal, has challenged Caldwell office Staff to a softball game on Friday, June 18th at 8:00 P.M. at the Iroquois Diamond.

This should be a very interesting game to come on out and watch softball at its worst.

IN MEMORIAM

In fond and loving memory of a dear cousin and friend Doris Jamieson who passed away June 19th 1968.

Time may heal the broken-hearted
Years may make the wound less sore,
But it cannot fill the longing,
for the loved one gone before.
Who shall say the grief is lessened,
Though the smild may hide the tears
Memories keep the wound stilopen
Despite the passing of the years.

Badly missed by

A Helping Hand

During the next few days the village of Iroquois work crews will be spraying all village property for dandelions. This will include all the park areas and other public property within the village.

The measure has been taken by your Council in an effort to cut down the nuisance of that particular weed each year and the resulting effect the seeds have on lawns within the village each Spring.

But to make the plan really effective will take the cooperation of every villager and the Council asks that all residents make an effort to kill off the dandelion on all private property so that the village can get the weed under control.

It is unfair to neighbours when individuals do not try to keep the weed under control and cut down while others make every effort to completely eradicate the dandelion.

It will also be impossible to do this completely in one year and again next year the same effort will have to be put into a program of eradication.

Iroquois is noted for its cleanliness and fine homes and lawns, as well as for its clean, well kept parks. Your assistance will only enhance our reputation and indeed make Iroquois an even better, more attractive community in which to reside, and enjoy.

Be Summer-wise

We've come to that time of year, finally, when swimming in the cool waters of the St. Lawrence is possible. The water temperature is never high enough, as far as we're concerned, for comfortable swimming, but that cold.... "fresh" water is great after a hot day on the job.

And it can be all fun if you take certain precautions. Whatever pleasure you get out of swimming can only be kept as pleasure as long as there isn't an accident. Take every care ...every time you swim.

Letter To The Editor

The Editor,
Iroquois Post,

Dear Sir: Our hospital has again been asked by the Canadian Red Cross Blood Transfusion Service to organize an area blood donor clinic, and this will be held in the Board Room of the hospital on Tuesday, June 15 from 2:30 P.M. to 4:30 P.M. and 6:30 P.M. to 9:30 P.M.

The Women's Hospital Auxiliary will again be assisting us by canvassing for donors and helping in the hospital on the day of the clinic under the direction of Mrs. Gordon Lancaster and Mrs. D. E. Smith.

We would kindly ask that, if at all possible, the above information be relayed to your subscribers, either by a notice in your paper or perhaps editorially, or any other way

which you may find convenient or appropriate.

Your help in this regard has always been one of the deciding factors in the success of our clinics, and anything you may be able to do in publicizing it will be appreciated.

During the last 12 months, 340 bottles of blood were used by this hospital in the treatment of the sick, together with many other blood products, all of which are supplied by the Canadian Red Cross free of charge. A successful clinic will help to ensure continuation of this hospital's efforts in providing the best possible patient care to the residents of our designated area.

With kind regards.

Yours truly
H.P. Stel,
Chairman, Blood Donor Clinic.

BILL SHARES SOME BIRTHDAY SECRETS

By Bill Smiley

When you are little, birthdays are great days. There are gifts in fancy wrappings, to be ripped open without even looking to see whom they are from. There is cake and candles and ice cream, and a general feeling that you, at least for a day, are Number One.

As life tumbles along, ever more rapidly, some birthdays are highlights.

A boy of thirteen is about six years older, at least in his status feeling, than a "little boy" of twelve.

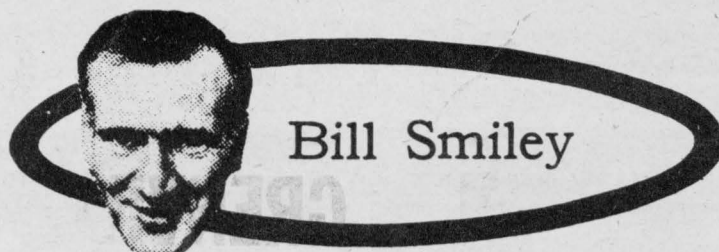

A hoydenish girl of fifteen is five years younger than a "young lady" of sixteen.

Seventeen is a special age. You are looking back with scorn on sixteen and looking forward with licking lips to eighteen.

Eighteen is a tremendous barrier to crash through. For both sexes, it means you can now get in to see dirty movies without borrowing somebody's I.D. card. In some depraved areas, such as Alberta, I believe, it means you can drink legally.

Twenty-one used to be the climax of all birthdays. It was the "I've got the key of the door, never been twenty-one before" sort of thing. It meant you could vote and DRINK. But with the sophisticated youth of today, the 21st birthday has become rather a ho-hum affair.

After that, most crucial

Bill Smiley

birthdays were less than inspiring, some of them occasions for deep soul-searching, if not tears. At least for women. Men have always taken birthdays a little more casually.

But most women look forward to their thirtieth birthday with anything but anticipation. And when their fortieth is upon them, you'd think they were stepping inso senility. Strangely enough, after a couple of days of claiming they're over the hill, they turn right back into the same women they were before the birthday.

Ah, you sly devil. You've guessed that all this is leading up to something. And you're right. Tomorrow is my #&%\$th birthday.

Don't think I'm going to admit which one. It's for women, not strong, silent men, to quibble about their ages. But I'll give you some tips.

I have lived during the lives of four British monarchs, not including Queen Victoria.

It is a rank canard that I was in World War I, though some of my students insist on asking whether I ever had any personal dog-fights with the Red Baron. In fact, my first movie was called

"Lilac Time", all about silk-scarved pilots throwing their brandy glasses into the fireplace and taking off at dawn in their Spads to battle the Hun.

I remember Jack Benny and Fred Allen and Fibber McGee and Molly on radio. Even Amos 'n Andy.

On the other hand, my first great love was Marlene Dietrich and she's still around flashing her legs and singing sexy songs. I was about twelve when I fell for her.

I grew up in the era of the ten-cent hamburger and the nickel pop. That used to make a big evening for a young fellow and his girl.

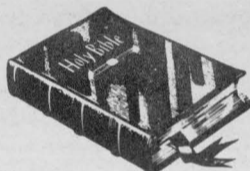

I remember adults sitting on the verandah, drinking lemonade in the dusk. And the clop-clop of horse and buggy in the quiet, tree-lined streets of small towns.

As a kid, I ate stew in the hobo "jungle" down by the railway tracks, and talked to the quietly desperate men riding the rails from coast to coast.

I remember working a whole Saturday with my big brother, on the huge grounds of the huge manse of the minister. And I remember very distinctly that he gave us a short dollar (16

See Page 15

A BOY THAT MISUNDERSTOOD

As a boy, I was always disturbed by this Biblical passage in Matthew: "For I have come to set a man against his father and a daughter against her mother . . . He who loves father and mother more than me is not worthy of me."

In those days of innocence, it seemed that my greatest love should go to Mother and Father. They gave me life, love and visible physical needs

that seemed all-important.

But what I did not understand was that this life of mine came directly from God through my parents. I had tried to separate God's love from the love of Mother and Father. It was through Him that they received the great gift of human love. And because a mother has God's love implanted in her heart, she will instinctively love me. Matthew was emphasizing the fact that God's love must come first and that human love will then follow in its proper perspective.

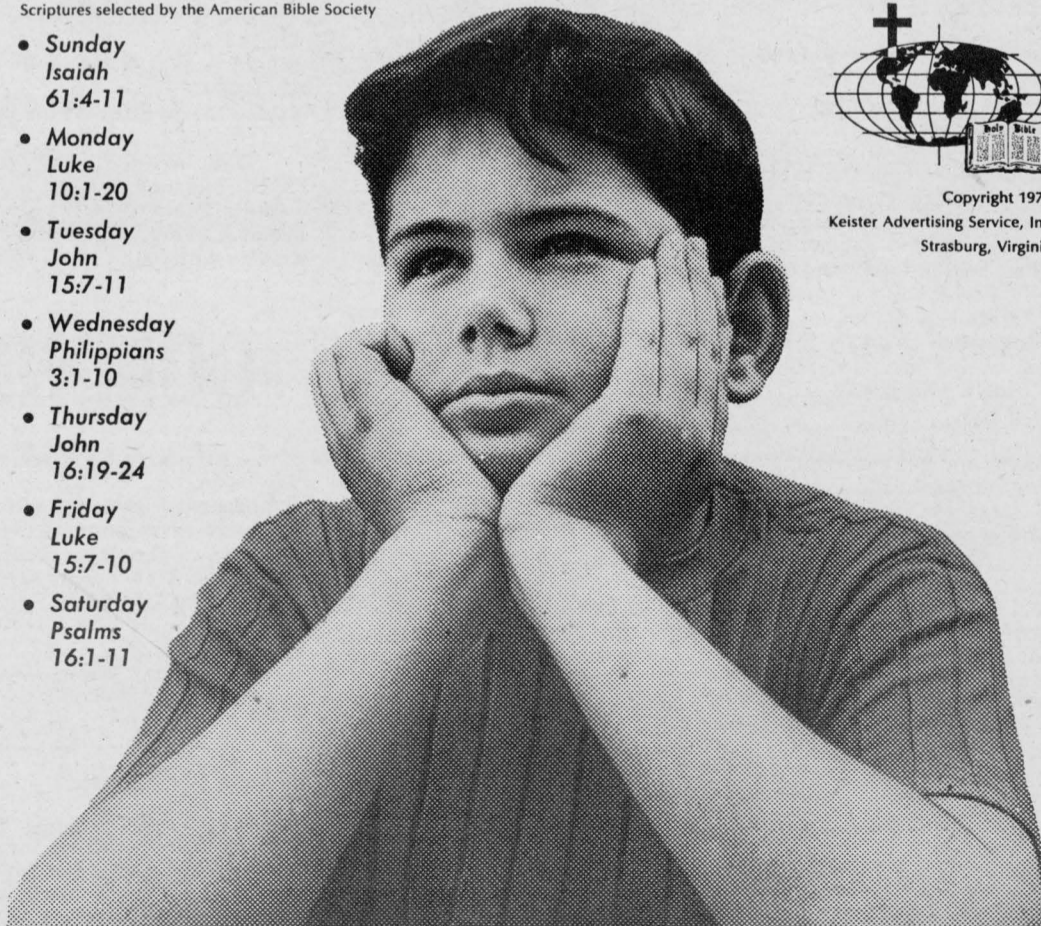

Take your child with you to church and church school so that both may gain a better understanding of God's will. One who really loves God supremely will invariably develop a deeper love for family, friends and neighbors.

Ban on Cigarette Advertising

Advertising and promotion of cigarettes will be banned from January 1st, 1972 under a Bill introduced in the House of Commons last week. Advertising on television, radio or in print or by means of coupons, premiums, or free samples will be prohibited.

The Bill also requires a health hazard warning on all packages "WARNING: DANGER TO HEALTH INCREASES WITH AMOUNT SMOKED" and "AVOID INHALING". The tar and nicotine levels of the cigarettes must be printed on each package and the Minister of National Health and Welfare can prohibit the sale of cigarettes with tar and nicotine levels above specified levels. Severe penalties including fines up to \$100,000 and imprisonment of up to five years are provided.

CIGARETTES A HEALTH HAZARD

Why do we have this drastic measure against a habit which gives pleasure to many people and which advertisements have equated with spacious and gracious living? Simply because cigarette smoking has been proven beyond dispute to be a major health hazard. Studies all over the world have shown that most lung cancer is attributable to cigarette smoking. In Canada, lung cancer has become the leading cause of death from cancer. It has also proven to be a major contributor to death and disability from heart attacks and chronic respiratory diseases. All these sombre facts were studied by the House of Commons Committee on Health, Welfare and Social Affairs which recommended the Bill now before Parliament. The World Health Organization at its general assembly in May at this year also urged all countries to curb the hazards to health due to cigarette smoking and specifically recommended the elimination of all cigarette smoking and cigarette advertising. A similar Bill is now before the British Parliament, the United States and approximately 20 other countries ban or restrict cigarette advertising.

The House Committee Report stated that an outright ban on cigarettes was unrealistic but concluded that it was "not acceptable to promote the use of a major health hazard".

WHO SMOKES WHAT

Surveys made by the Government show that cigarette smoking is not as widespread as most believe. The greatest offenders are the men - 51% smoke cigarettes. This is a sharp decline from the 58% of five years ago. The percentage of women smokers has remained constant at 34%. Among teenagers over 15, the percentage of boys smoking has remained constant at 35% but that of girls has increased from 18% to 24% in the five year period. Among men,

only 7.5% are cigar and pipe smokers. They can be comforted (even though their wives may not) by the knowledge that the health hazard here is less serious and the advertising will not be banned of these products.

ECONOMIC IMPLICATIONS

The purpose of the legislation is to reduce cigarette smoking. This will effect the livelihood of many Canadians. The House Committee Report stated that 9,500 fulltime and 40,000 seasonal workers are

employed in tobacco farming. A further 10,500 people are employed in processing and manufacturing. About 90,000 retailers in Canada sell tobacco. In 1967, almost 15 million dollars was spent on cigarette advertising in newspaper, magazines, radio, television and outdoor displays.

The tax collector will perhaps suffer most. More than 60% of the consumer dollar spent on tobacco products was represented by Federal and Provincial taxes in 1968. On cigarettes alone in that year the total revenue was 723 million dollars. There are likely to be economic consequences--including the possibility of all of us having to pay higher taxes somewhere else--but the government properly has struck the balance in favour of protecting our health.

PUBLIC OPINION
It has taken time for the high health hazard of cigarette smoking to be recognized by medical experts and the general public. The results of my recent questionnaire leave no doubt that people in general recognize the problem. In response to the question "Should cigarette advertising be banned?" , 5232 replied yes, 1900 said no and 1250 were undecided. Very extensive additional comments were made by many people and the general theme was "protect

Round The Bend

by Sheila Watt

"YOU ARE NEARER GOD'S HEART IN A GARDEN..."

"Sow grass and weed killer over everything," my husband advised, "get the kids to mow it every week, and your problem's solved."

But every May I get these spring delusions.

I see myself in the height of summer; strolling leisurely through my well-planned vegetable gardens I select Lettuce, spring onions, a stalk or two of celery, perhaps half a dozen lusciously red

tomatoes. I'll pause thoughtfully at the beets and consider whether to can or freeze them. I'll pick at random rose for the coffee table, and marvel at the riot of color blooming in that patch by the road-side.

"How much do you suppose it would cost," I persist, just to hire one of those landscape gardeners to bring a rototiller and churn up that jungle in the back? Maybe spread a little topsoil and fertiliser, and take away all those dead branches and matted stuff?"

"Too much," my husband sighed, "but ask them for estimates if you going to keep on about it."

I selected three firms from the yellow pages, and asked them to quote. May passed into June; everyone else had their gardens planted. I phoned again.

A condescending voice from Mr. Spruce's office enquired, "What was the name, dear? Wood? Wad? Oh, Mrs. Watt. You'd be the party wanting a miniature golf course in your lower two acres? Sorry we haven't fitted you in yet but... not a golf course? And could you speak to Mr. Spruce? One moment, dear."

Mr. Spruce was less than enthusiastic. Yes, he remembered now. He'd try and look in next week--if he was passing.

Mr. Evergreen was equally detached. He'd had all he could handle manicuring the lawns of the elite on the south side of town, but would look in at the weekend, if he

Knox Outdoor Service Was Well Received

J. Irving's "WagonWheel Ranch", west of Shanly, was the setting for an open-air service of worship of the congregation of Knox Presbyterian Church, Sunday, June 13th, with the weatherman providing a beautiful day, with temperature ranging in the high 70's.

Members, Church School, and friends were transported from church parking-lot to the location through the arrangements of the Transportation Committee of Miss D. MacKenzie, and Messrs. J. Ward W. Barnhardt, and W. Cully.

The Knox Junior Choir, the Minister and Miss D. MacKenzie, Elder of the Church, gave leadership in the ministry of worship, as members and friends gathered themselves along the ranch hill, sitting in folding chairs, or on blankets spread on the grass. The order of worship was contemporary in its setting, with good singing response by the congregation. The Junior Choir, under the direction of Mrs. H. B. Bradley and Mrs. Ruby Bell, led in the unaccompanied singing and offered the anthem, "Put your hand in the Hand", often giving background rhythm to the singing through a formed rhythm band.

At the conclusion of the service, the Food Committee of Mrs. M. Mearns, Mrs. Y. Tompkins, and Misses A. Yee, D. MacKenzie, prepared a picnic lunch from the fine assortment of food provided by the congregation, assisted by many "willing hands". A soft-drink and ice-cream treat was also provided by the Church School and Presbyterian Women's Auxiliary.

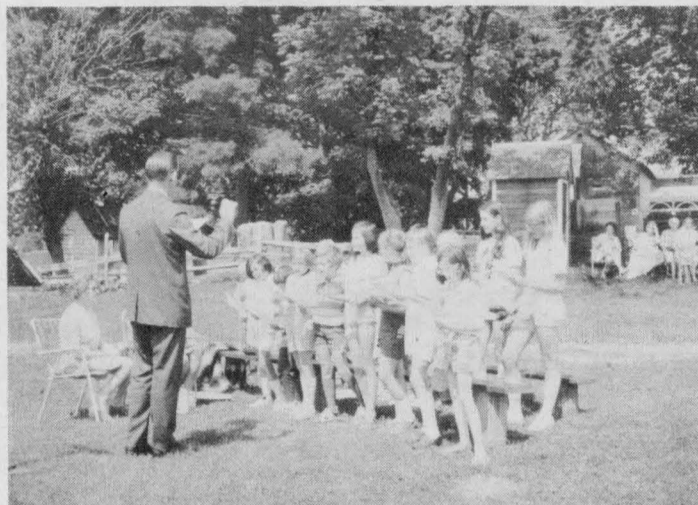

A time of relaxation in the shade of surrounding trees preceded the Church School-Adult "field day tournament" which saw three teams formed for the competition and fellowship under the leadership of Mrs. Chris Martell, Mrs. Judy Barnhardt, and Miss Ruth Thompson. Conveners for the sports events were Mr. Art Martell, Miss Ruth Thompson, and Mr. Wm. Barnhardt. The tournament included races for the pupils of the Church School, a round-robin soccer baseball series, and a sack relay race. Results of the races were: Kindergarten, Julie Waddell, Amy Hall, John Barnhardt; Primary, Tess Martell, Danny Martell, Kent Smith; Junior B, Michele Martell, Darcy Johnston, Tony Hall; Junior A, Linda Hall, Kelly Ward, Nora Barnhardt; Intermediate-Senior, Paul Martell, Jeff Ward, Nancy McCaslin; Adults, Ruth Thompson, Riger Barnhardt, Art Martell/Bill Barnhardt. Prizes were awarded the winners by the Minister, the Rev. John Hibbs.

Winner of the tournament was the team of Mrs. Judy Barnhardt, and who were awarded

wasn't going up to his cottage.

Mr. Dahlia, on the other hand, was all apologies. Of course he understood that it was past planting time--he'd be around first thing tomorrow morning was looking forward to helping me plan a lovely, lovely garden.

Next morning, there he was on the front step, pen poised on estimate pad. The garden tilled, weeded of course, nourished--he mumbled a series of numbers, relled of necessary minerals the soil obviously craved--twelve square yards of topsoil at least, remove debris, stones. He wrote rapidly, and handed me the sheet. As near as could

special prizes by Miss R. Thompson. A candy treat was given all the participants.

An excellent day of fellowship was enjoyed by all, including those who were spectators of the event, everyone "heading home" around 3 p.m. During the service of wor-

ship, Miss D. MacKenzie presented a resume of the work of the 97th General Assembly of the Presbyterian Church in Canada, having just returned from Toronto where she was a Commissioner from the Presbytery of Brockville, along with the Rev. J. J. Hibbs

Many Expected At Smorgasbord

Two identical serving tables will serve the large numbers that are expected at St. John's Smorgasbord next Monday, June 21 st at the Iroquois Civic Centre.

Mr. Eric Bandford, Convenor of the Men's Smorgasbord that is sponsored annually by the congregation of St. John's Anglican Church, reports that advanced sales of tickets are very good indeed; and he asks people to have their home cooked food at the Civic Centre in good time on Monday afternoon for the usual processing. Grace will be said before five o'clock and dinner will continue until shortly after seven p. m.

Mr. Jim Styles will be in charge of traffic control, and the congregation of St. John's Church hopes to offer again this year a smooth, satisfactory and substantial meal of interesting variety to the public. If you purchase your tickets by advanced sale, adults will pay \$1.50 for the smorgasbord, and the same meal is available for \$1.00 for those who are twelve and under. The tiny jet set will be our pleasure, free of charge. We hope that many of you will be able to come and enjoy a hearty meal with us next Monday June 21st, between the hours of five and seven p. m.

Knox Ladies' Aid

The monthly meeting of the Knox Ladies Aid was held in the church vestry last Monday at 2 p. m.

The call to worship was given by Miss N. McGowan, President, and with prayer.

Hymn was sung followed by the 23rd Psalm in unison.

The Secretary's report was given by Mrs. H. B. Bardley followed by roll call. Corre-

spondence was heard.

The treasurer's report was read by Mrs. J. B. Fenton after a successful anniversary was noted.

The next ladies aid meeting will be September 13th.

Hymn was sung which Rev. J. J. Hibbs closed the meeting with prayer.

Mrs. James Linnen Mourned in Community

A longtime resident of the village, Mrs. Elsie Gertrude Linnen, wife of James Linnen, died at her home here suddenly June 7th. Well known in the community and area, and well respected by all who came to know her, Mrs. Linnen died in her sleep. She was born September 2, 1905, a daughter of the late Natanael Sloan and Mary Jane Dailey, in the community of Indian Head, Sask.

Mrs. Linnen's early years were spent in that community and in December 5th, 1923, she was married to James Linnen. The couple resided at Hazlet, Sask. until 1937 when they moved to Ontario and since 1941 have lived in the village.

The numerous floral tributes and contributions to the Hart and Cancer Societies, as well as the many messages of condolences testified to the high esteem in which she was held. The funeral was conducted by Rev. Brian Gee, Minister of Iroquois United Church, at Fitzsimmons Funeral Home at 2 p. m. on June 10th.

Surviving in addition to her husband are daughters

Loretta (Mrs. Claud Crowder), Morrisburg; Beatrice (Mrs. Walter V. Walker) Ephrata, Penna., Patricia (Mrs. Charles Waddell), Iroquois, and sons Leslie of Ottawa and Howard of Iroquois; also two brothers, Medford Sloan, Gargary, Alta., Robert Denzil, Red Deer, Alta., one sister, Olive (Mrs. Hugh Grant) predeceased in 1966. There are 10 grandchildren, one great-grandchild, with one grandchild who died in 1956.

Pall Bearers were Ross Jamieson, Allan Fisher, Keith Beaupre, Lenard Roberts, Robert W. Hanes, and Basil Holmes.

Burial was at the Knox Presbyterian Cemetery at Iroquois Point.

Out of town mourners attended from Ottawa, Brockville, Prescott, Morrisburg, Ephrata, Penna., and from surrounding area.

- IF YOU HAVE ONE OR MORE CHILDREN

- IF YOUR PRESENT ACCOMMODATION IS INADEQUATE

- IF YOUR INCOME IS MODEST

IF YOU HAVE NOT YET RETURNED YOUR QUESTIONNAIRE, PLEASE DO SO AT ONCE. If you require another questionnaire, contact F.T. Lloyd, Clerk, Village of Iroquois, Telephone 652-4422, or write to Box 249, Iroquois.

But Do It Now!

NOTICE

The Iroquois Office of the St. Lawrence Medical Clinic will be closed as of July 1st, 1971.

Although some people may object we feel that our patients' interests would be better served by making this move now as we can provide better facilities in the central office in Morrisburg.

All records will be transferred to the Morrisburg Office where Dr. Marston and Dr. Diemert will have regular hours. We have enjoyed serving Iroquois and Community in the past and hope to continue to do so from the new location.

OFF THE CUFF

By Charles Edwards

Anyone who has driven along Highway 31 lately will know that work has begun on the new Cass Bridge. It is an improvement that has certainly been needed for a long time. It's doubtful if there is anyone in the area who himself hasn't had a close call there or who doesn't know someone who has. The original Cass Bridge while being something of a landmark in Dundas County has served its purpose and is now inadequate to carry today's volume of high speed traffic.

The new bridge, along with the repaving of much of Highway 31 done last year, goes a long way towards making the road safer and easier to negotiate. There are a few other improvements we'd like to see and no doubt the Department of Highways also has a few ideas they would like to implement when the money becomes available.

One of the main improvements might be a bypass of the Winchester business district. With cars parked on both sides of the street at peak hours, it is difficult at best for a car to negotiate the corner and next to impossible for a truck or transport. Another improvement would be the building up of the road itself or construction of a better land drainage system to speed up the Spring runoff. It is simply poor business to have one of the area's main arteries closed for over a week because of flooding. Although a detour is available, it is only a means of avoiding the problem rather than solving it.

However, solutions cost tax dollars, and while we can't have everything at once, we can be grateful that a start has been made.

The first of June has come and gone and by now we've all had a chance to "count ourselves in". This year's census was without a doubt the most lavish, detailed production that the Dominion Bureau of Statistics has ever undertaken. I'd be willing to bet that more money was spent on just press, radio and TV promotion for this census than went into the whole operation of some previous head counts.

If you were lucky enough to live in one house in three, you had the added opportunity to let loose on a variety of subjects ranging from the type of fuel you use to heat your home, to how much overtime pay you earned last year. The rest of us just had to be content to argue among ourselves over who was the head of the household or to decide if we were going to be absolutely truthful about our ages. Judging from all the uproar from the Womens Lib. it's doubtful if you'll ever again see the question about the head of the household with the implied answer "husband".

For better or worse, it's all over for another ten years and the results should prove interesting to the various departments who concern themselves with such things. With such a comprehensive census, we'd venture to guess that the boys in Ottawa could even tell you how far their refigure it, \$250, would do.

Mr. Spruce arrived in a Chrysler, together with an aroma of after-shave lotion and an unnerving aura of decision.

"Three tons of clean fill

over there to carry the eye in forward contours," he began "and a small decorative lily-pond in the front would be a graceful feature. We have marble figurines..."

I reminded him that all I wanted was a vegetable patch, a spot to grow a couple of turnips.

He made a few notes with a gold pen in a monogrammed notebook, and departed. His embossed estimate in next notebook, and departed. His embossed estimate in next day's mail was for \$375.

Mr. Evergreen arrived in his pick-up truck, and looked like a gardener. He stumped around the prospective site of my vegetable patch and said it certainly was some mess. The soil was clay, he declared, and muttered another list of nutritive numbers.

He preceded me into the kitchen, where he deposited

a goodly portion of the clay on the floor, having omitted to remove his boots. Discovering a pencil stub behind his right ear, he listed a few heiroglyphics onto the back of a dirty cigarette pack, and allowed he wouldn't want to touch the job for under \$300.

Further research produced a neighbour a fewmiles down the first line, who had been seen with a rototiller. Had he rented it? It was his. Could I rent it from him for half a day? Nope, it was an ornery critter and might prove too much for me. But he wasn't doing anything particular tomorrow night, so he'd just ride over with it and do the patch himself. I could pick up a bag of fertilising numbers if I had amind to, but so long as the truck was on the road he'd bring some horse manure.

So the vegetables are planted and I have the feeling things will grow. For the price of a case of beer, I got a lot more than a garden.

The spruce budworm, jack-pine budworm and larch sawfly were the major Canada-wide forest insect problems in 1970.

Bank of Montreal
The First Canadian Bank

Loans: How to get your money's worth.

At the Bank of Montreal, we're flexible about granting loans. Each application is judged on its individual merits.

Joe G., a TV repairman:

"I always wanted a mobile camper. My Bank of Montreal manager not only loaned me \$4,000 to buy the camper, he showed me how to dovetail the loan with a savings program. I now take my family on camp-outs, and my savings account is growing month by month. No doubt about it, I got my money's worth."

Special Olympics For Retarded

Four children from the Seaway Valley School for trainable retarded children have just returned from the Canadian Special Olympics in Toronto. Margaret and Lyn Thompson, and Arnold and Larry Keeler were the children who represented Seaway Valley.

The athletes competed in an all day track and field meet. Margaret won two gold medals for first place in the 50 and 100 yard dashes, a bronze medal for third place in the high jump, and two first place ribbons. Arnold won a silver medal for second in the 50 yard dash and two second place ribbons. Lyn won a gold medal for the 100 yard dash and two first place ribbons.

Larry injured his knee and was unable to compete.

The Iroquois people traveled with a group from Cornwall, and Alexandria by Colonial Coach to Toronto, where they stayed at the Royal York Hotel.

Every province in Canada was represented at the games, as well as a few cities in the United States. There were approximately 1600 children in attendance.

On the evening of the track meet, the children enjoyed a subway ride to Maple Leaf Gardens where they watched the championship floor hockey game be played.

The final morning of the Olympics was in the form of the clinic at the C. M. E. Stadium. The children were invited to participate in a broomball game, a bicycle rodeo, pony rides, take part in the gymnastics, practice driving, golf balls, bounce on the trampoline, or talk to "Blinkei" the talking police car.

In the afternoon the children marched to Ontario Place and took part in the closing ceremonies.

At 3:30 in the afternoon the group boarded the bus for home, tired but very happy.

OPP Offer Rules For Swimming Safety

Now that the warm weather is here and school is coming to a close, many of our young people will be going to local swimming areas. A few rules are set out below to assist you while swimming.

1. Always swim in a supervised area. Every year we hear of persons drowning while swimming in an unsupervised area. Quite frequently, these persons are just a short distance from the area in which life guards are present.

2. Never swim alone. Make sure that there are other persons with you that could come to your assistance if needed.

3. Always wait at least one hour after eating a light meal before you go in swimming.

4. Never swim when you are overly tired.

5. Always swim parallel to the shore. If you should tire while swimming, your distance to shore will be less.

6. If you have a younger child to look after when you go swimming don't let them out of your sight. A few seconds of inattention on your part

could lead to tragedy.

7. If you are not a good swimmer, do not use inflatable objects while swimming. If the object should puncture or tip over, you could be left on your own a long distance from shore.

Remember, to prevent unnecessary water accidents know and obey the water rules for safety.

Ontario Provincial Police patrolled 10, 221 miles while working 849 hours. During the period, officers laid 40 charges and issued 76 warnings under the Highway Traffic Act of Ontario.

Officers from Morrisburg investigated 5 thefts, 3 breaks and enters and 28 miscellaneous complaints. One person was charged with impaired driving while 4 others were charged under the Liquor Control Act of Ontario. One stolen car was recovered.

Area highways were quiet with officers investigating 1 minor accident.

Provincial Judge's Court

DECLARATION

Pursuant to an Announcement by Honourable Thomas L. Wells, Minister of Social Services, I hereby declare

JUNE 20-26, 1971

AS

Senior Citizens Week

IN THE VILLAGE OF IROQUOIS

It is sincerely hoped that our community will fulfill the aims of Ontario in remembering the contributions made by our senior citizens to the growth and welfare of this province, and community.

Pioneers Tie Up Several Games

Big Doug Casselman pitched his team to several victories over the weekend. On Friday in a league game, the Pioneers took a 5-1 victory over Brinston. Doug struck out 15, with Paul Beckstead adding a homer. Saturday in the 4th annual Domville tournament, the Pioneers took Ogdensburg 6-0, Kemptonville 4-2 and then down Belleville 2-0, on Sunday. Doug hurled a 1 hitter against Belleville. The Pioneers met

Domville in the final game--the winner to get \$300, \$150 to second place. Big Doug put a homer over the centre fence in the 2nd to give the Pioneers a 1-0 lead which they retained until the bottom of the 7th, when the Aces scored on a high overthrow to tie the game 1-1 and to go overtime. Bottom of the 10th Wayne Jones put a homer over left field to give Aces 2-1, \$300 and first place in the tou-

ranment. In the Saturday games Gerry Morrell and Big Doug had homered to help their teams cause. Last year's champs, Cardinal Pats, skunked Brockville Gilbarco 8-0 and then went down to a 2-0 defeat from North York.

Domville then edged North York 2-0 to enter the final game. Pioneers host Cardinal Pats Friday June 18th at 8 p. m.

Speedway Winners

Howard Shaw of Kingston, Sunday joined Vic Smith, Tony Blake and Frank Ashley as a feature race winner at Cornwall Speedway.

Shaw, one of the few drivers not involved in a series of mishaps during the hotly contested 20 lap race, took the lead midway and never looked back.

Massena's Babe Miller in his best performance of the young season, crossed the finish line seven-car lengths back.

Popular Tony Blake, another Kingston driver, survived a four-car pileup in the third lap on corner three, and finished third.

Blake's pit crew displayed speed in repairing a steering defect and getting their driver back before the restart.

One of the most disappointed racers Sunday was Kingston's Walt Pennock, who had to remain in the pits during the feature.

Pennock, who won the first semi-final and placed second in the super semi, had engine problems.

Shaw's victory lifted him into sole possession of second place with 39 points, in the driver standings. He trails Blake by four.

Feature Results--Howard Shaw, Babe Miller, Tony Blake, Car Murdock, Dave Heaslip, Ovide Doiron, Garnet Serson, George Holmes, Merv Winters, Brian Harper, Maxie Beyore, and George Herbison.

STANDINGS

Tony Blake	43
Howard Shaw	39
Carl Murdock	33
Babe Miller	23
Dave Heaslip	23
Frank Ashley	19
Walt Pennock	16
Ron White	16
Vic Smith	15

Cleary The Hero

Lynne O'Brien

Young Randy Cleary was the hero Friday night when he struck out 11 Domville Aces while his team mates, Williamburg Pioneers scored a 4-2 victory over the Aces. Cleary allowed 5 hits handing Alec Skakum his first loss of the season. Skakum struck out 13 walked 2 and gave up 3 hits.

Wayne Popkey hit a home in the first to give Aces a 1-0 lead. Earl McGrath scored in the 2nd on Gerry Houghs double to take a 2-0 lead. In the fourth, Paul Beckstead started the Pioneers off with a homer to right field. Lyle Ellis and Big Doug Casselman walked, Gerry Morrell sacrificed to drive them around the bases. With 2 out,

was quiet with officers spending 9 hours in court while registering 38 convictions.

More Midgets Needed For Lacrosse Team

Morrisburg Minor Lacrosse had its first session at the Morrisburg Arena on Saturday with many youngsters from Morrisburg and surrounding areas joining their respective groups.

There are five categories for the minor players with their group being determined according to their age on January 1, 1971.

The Atoms are under 8, the Novices under 10, the PeeWees under 12, the Bantams under 14, and the Midgets under 16.

There are sufficient players to form teams in all the categories except midget. More midget age players are necessary in order for them to be a team. In the lower categories there is a possibility

that there will be sufficient number of players in each group to have two teams per group.

It is still not too late to sign up for Minor Lacrosse. Practice time is on every Saturday at the following times:

ATOMS 9 a. m. to 10 a. m.

NOVICES 10 a. m. to 11 a. m.

PEEWEEES 11 a. m. to 12 NOON

BANTAMS 1 p. m. to 2 p. m.

MIDGETS 2 p. m. to 3 p. m.

Registration fees are \$3.00

per player with a maximum charge of \$5.00 per family.

Parents and boys from throughout the District are welcome to join the Minor Lacrosse Program.

See you at the rink!

Mets Hitting Win Column

Morrisburg Mets gained two successive wins against the Brockville Juniors to get on the winning trail last week. The Mets dropped Brockville 9-6 on June 1st before losing a squeaker to the Cornwall Celts at home on Friday night 22-17.

The game on Friday was a wide open affair with the Mets coming back to tie the game in the third period before running into some costly penalties which cost them the game. Brian McNairn led the Morrisburg squad with five goals and six assists. Gary Hess and Tom Dawley had for apiece with singles being added by John Johnson, Chuck Lawlor

Mike McGinn gained first base on an error and 1 run scored and Big Dough cross the plate on the catchers error and the Pioneers took a 3-2 lead. In the fifth, Brent McIntosh scored on Paul Becksteads sacrifice. Pioneers had a double play in the 7th inning. Aces had 3 left on base, Pioneers 2. Pioneers took Winchester 5-0 and 11-0 in their first 2 games of the season.

and Don and Stan Mabo.

Claude Disotell scored 5 Gerry Burns 4, and Ray Scott and Yvon Disotell 3 apiece to pace the Celtics.

On Saturday night the Mets travelled to Cornwall to play the St. Regis Braves and lost 13-5 after a disastrous second period. The teams were tied 4-4 going into the second, but the Braves outscored the Mets 8-1. Norm Piche led the Braves with 4 goals. Carl White, Travis Cook and Bruck Roundpoint adding two apiece.

Gary Hess scored 2 for the Mets with John Johnson, Brian McNairn and Don Mabo notching singles.

The Mets held the always explosive Mike Benedict to 2 assists.

This Friday night the Braves come to the Morrisburg Arena with game time at 8:30 p. m. The St. Regis Club is now one of the strongest teams in the league with such players as Cook, Benedict and Roundpoint, but the Mets will be looking for revenge for the 13-5 drubbing they received last weekend.

Liberals Choose Andy MacKenzie Standard Bearer

Liberals of Grenville-Dundas went over 400 strong to select

a candidate who will seek to represent this riding at the

next provincial election at the nomination meeting held Wednesday night in North Dundas District High School. It was thought to be the largest gathering of Liberals for a provincial nomination meeting in many a year and also as enthusiastic as any of the past.

Outcome of the meeting was that A. R. "Andy" MacKenzie, a veteran and current farmer, will lead the Liberals into the next provincial election. The Kemptville area man was nominated by C. F. McInnis and seconded by Gordon Cummings. Other nominated were John Carley and Walter McDonald. Mr. McDonald dropped out before the vote.

The Spencerville Legion Pipe Band assisted in rousing the audience to a fever of excitement and the bustle and bustle of workers seeking support for their candidate, added immensely to the interest of the meeting.

Following is the text of Mr. MacKenzie's address:

You know there are many thoughts that occupy a person's mind when making a decision to enter public life. Over many long hours I have asked myself "What right do I have?" Frankly in the political sense, I am rather haive.

Grenville-Dundas, in my opinion, is the very heart of history and heritage of this country. And tradition plays an important role in the evolution and development of any era...

It reminds me of a story concerning a particularly hectic provincial campaign that took place some years ago. The local Conservative candidate was delivering a rather, windy speech when a heckler continuously interrupted him from the large crowd with repeated shouts of "I am a liberal" (in those days he must have been a brave individual) Needless to say the interruption perturbed the windy Tory and he paused in his speech and leaned forward from the rostrum with a confident smile and said "May I ask the gentlemen why he is a Liberal?" The voice replied "Because sir, my grandfather was a Liberal, my father was a Liberal and I am a Liberal." Not to be outdone and undone, the Conservative candidate said, "My friend, suppose your grandfather had been a Jackass and your father had been a Jackass, what would you be? Instantly the brave heckler shot back "A conservative of course". Tradition.

But, you know, one must keep tradition in perspective with the time. You cannot forever rest on the Laurels of tradition. It seems to me, for the past half-century, the present administration at Queen's Park has had its visions of Eastern Ontario obscured by the massive development of Toronto and Southern Ontario. I am tired of this absentee landlord representation in the house. It concerns me no end to see development being allocated to other areas of the province when this very area has so much more to offer. The potential for progress. Let us declare here and now, for

fifty years we have been the forgotten fields of Ontario.

Here is another factor for consideration. Just what sort of tradition are we being offered for the future. Nothing. I am tired of being in the forgotten fields of Ontario.

As your candidate, I have no other interests than that of the economic, social development of the individual residing in Grenville-Dundas. ... As your candidate, you would have complete representation of time, talents and energies seven days a week, 365 days a year.

I would live to see Grenville-Dundas become an area of planned dynamic development.

There are many talented people in this riding. I would like to see the establishment of a Grenville-Dundas development group to assist in any future planning of our area. In this way the thoughts, aspirations and ideas of the people who are part of Grenville-Dundas can be heard.

I would like to see the continuation of the program initiated by our federal Member of Parliament, Gordon Blair, of greater dialogue and liaison between the different levels of government or promote the future development of our very own natural resources-people.

Some wise gentleman once remarked that knowledge of

human nature is the beginning and end of political education. And although, in a political sense I may be a novice, I feel my years of administrative experience have helped me to understand the wants of human nature.

To know that the people of this riding are also tired of being in the forgotten fields of Ontario.

Let us consolidate our convictions...

Let us show Liberal leadership... Let us show these fields with new fertile ideas so that in the very near future we will be able to reap the fruits of our labours...

Let our tradition be success.

Fellow Liberals and friends, may I have your support. Thank you.

Public Fishing Area Opened

ONTARIO DEPARTMENT OF LANDS AND FORESTS

Weekly Report

Mr. Challies also held the various posts of Minister of Game and Fisheries (now part of the Department of Lands and Forests), First Vice-Chairman of the Hydro-Electric Power Commission, and Chairman of the Ontario St. Lawrence Development Commission.

Mr. Challies' remarks included his gratitude at this form of recognition and his visualizing more areas such as this which provide for public rest, recreation and the spectacle of natural happenings.

The public fishing area was once a quarry situated on the property of the late Durham Wells of Williamsburg Township, Dundas County. Late in 1968, the abandoned quarry and some surrounding land were purchased by the Ontario Department of Lands and Forests, after tests indicated that the water-filled, 5-6 acre pit would support brook trout for a put-and take fishery.

The facility was developed and is now very much enjoyed by a large number of families on an area where trout fishing is scarce.

Picnic facilities have been provided on the site and evidence of the quarry operation are disappearing from view as landscaping progresses.

The returns by anglers of tags attached to stocked fish have established a stocking rate which currently stands at 5000 brook and rainbow trout

per year. Fish are planted monthly, throughout the summer.

As the ceremony neared completion, the ribbon was cut and the engraved shears were presented to Mr. Challies. Mr.

Cass and former District Forester, R. M. Christie, thereupon concluded the event by initiating the planting of 1000 brook trout provided for the occasion, much to the delight of the numerous anglers dotting the shoreline.

Inspect and Protect Your Forest Stand

By: M. E. Dillabough

We have once again reached the time of year when young larvae of some defoliating insects are starting to emerge. These young larvae have healthy appetites and can quickly defoliate smaller trees. Therefore, anyone with a plantation should commence inspections to determine whether or not there are any insects present.

Insect populations usually build up slowly with only a few trees infected the first year. At this point, it is relatively easy to control the population. However, if this light attack is ignored

these larvae will mature, breed and spread. Therefore, in a period of 2 to 3 years the population could build up to epidemic proportions.

When the larvae (worms) first emerge they are small and may be difficult to see but they grow quickly to between 3/4 and 1 inch in length. It is during this period that control measures should be carried out by spraying with malathion or methoxychlor. The spray should be applied as soon as there is evidence that insects are present. Spray only affected trees. When using chemicals of any kind, always

STRADER HILL

Congratulations to Miss Linda Fawcett of Morrisburg who was married Saturday June 12. Also to Miss Cheryl Coleman of Dundela who acted as bridesmaid.

The sympathy of our community goes out to the family of the Late Mrs. William Steele of Winchester (formerly of Toyes Hill) who passed away Thursday, her funeral was held at Winchester, Saturday.

We offer congratulations to Master Ricky James (6 yrs, old) of Dundela who was awarded the Prize (\$5.00) in the Walkathon Saturday for having the most sponsors his walk netted him close to \$90.00. He walked the full mileage.

We are sorry to report the Press Reporter for Hainesville Mrs. Maudie Fader is a patient in Brockville Hospital to those who know her we all wish her a speedy recovery.

Mrs. Mae Serviss of Ottawa who is on holidays has returned to the home of her son Mr. & Mrs. Ernie Serviss and girls after spending a few days with friends from Smith Falls at their cottage.

There was a fair turnout at the Pot Luck supper held at Dundela Thursday night. Mr. Keith Shcell showed his pictures and to anyone who has not seen these wonderful do so if the chance arises.

Miss Diane Van Morsel of Williamsburg spent Saturday with Misses Margaret and Rita Byweldts.

Congratulations to Mr. & Mrs. Gordon Fairbairn of Morrisburg on the birth of a son, also to Grandma & Grandpa Fairbairn of Brinston.

Mike McInnis Lions Speaker

BY: LION AL ROGERS

The Iroquois branch of Lions International met at the Legion Hall on Monday night, where dinner was served by the Ladies Auxiliary of Branch 370.

Speaker of the evening was Mike McInnis, formerly of the community of Iroquois and now a lawyer in Morrisburg. Mike's address was centred in the question: "What do you expect of Good Government?" and his departure from the original manuscript proved to offer us one of the best addresses of the year.

Whether at the Federal, Provincial or Municipal Level, we need carefully to study the implication and the results, before we press for specific action by the various branches of government action that may need not accomplish or satisfy our original intention.

Among other things that the speaker seemed to say to the writer was that much that used to be done at a semi-professional level and with remarkably accomplishment, good interpersonal relations and at a fraction of the cost is now several times more expensive, highly bureaucratic and coldly impersonal.

Today it is the people who are manipulated by their own inventions, as different to themselves determining their destiny. It is so easy for any powerful machine over which the people have lost control, simply because we allow ourselves the folly of another boyd taking over too great a control of our own affairs.

JUST MARRIED?

Let me help start your marriage right. I can provide a special Metropolitan policy designed for the early years when family expenses are often hardest to meet. Interested?

CLAIRE CASSELMAN
Ph. 652-4834
IROQUOIS - ONTARIO

Metropolitan Life
Ottawa, Canada

When the speaker made reference to the computer, the writer was reminded of a rather large bill that he received just before Christmas simply because a computer had given him a new address in Montreal, and his monthly billings had gone to that address over a protracted length of time, while people at both ends of the negotiation were the victims of the situation.

Lawyer Mike McInnis offered the Lions Club an instructive, informal and able address with integrity and accomplishment. We need some speakers of his calibre who recall to us our personal sense of responsibility in the affairs of good government.

Lion Al Byers reminded the Club members that this weekend the Lions Street Fair will be presented in a new location, with the Allan Show as a special feature for the children. There will be an auction on Friday night with Lion Mahlon Zeron auctioning what-have-you from the attics and garages of our community. Just get in touch with Lion

Frank Rooney or bring your article to the empty store beside Parmeter's hoos. Everyone has quite a few valuable pieces that are not in use in the household, and would be surprisingly welcome in another household. Though you may not always have cash for charities, this one of the occasions Mr. John Public may help out with donations to the Lions auction.

On Monday, June 28th the Induction of Officers will take place at the Civic Centre after the usual dinner meeting. The Iroquois Lions Club has served our community with readiness and diversity over the past year, and those who are retiring from office take with them a sense of good accomplishment. Our special thanks to to Past President Alex Banford, and Past President and Secretary Lion George Jackson for work well done. Gentlemen, the twenty-eighth day of this month is the meeting we would like all good Lions to attend; and of course there are no bad Lions, ever!

Mrs. C. McInnis Hosts UCW

The UCW of White Church held their meeting on Wednesday evening June 9th at the home of Mrs. Charles McInnis.

Mrs. Betty Baker opened the meeting with hymn 500. Mrs. Janet Barkley read the scripture John 8 1-12 followed with a reading "It is the sheep, not the lamb" by Mrs. Carol Thompson.

Mrs. Baker gave a reading "Jesus giving man a second chance" by William J. March. The Lord's prayer was repeated in unison.

For the Study Period Mrs. Baker chose two short readings and an open discussion on "The Generation Gap".

The Business period opened with the minutes of the last meeting read and approved.

Mrs. Janet Barkley gave a financial report.

Mrs. Baker gave a report on the travelling money apron. This apron will be delivered to your home. You are cordially requested to sew a donation on and pass it on to your neighbour. A thank you Card from Miss Anne Murphy was read. The UCW join in wishing Anne a speedy return home.

An invitation was received from the UCW of Heckston to attend the cup and sawcer tea on June 16.

The next meeting will be held in September when plans

will be made for a Fall Bazar and Food sale.

The meeting closed with the Mizbak Benediction.

The hostess served a dainty lunch and a social hour was enjoyed.

Organize South Dundas Day Camp For Summer

The Seaway Community Services met recently at St. Peter's Lutheran Church Hall, Williamsburg to organize the South Dundas Community Day Camp for the summer of 1971. A good representation of members was greeted by the President, Mrs. Eric Steel.

The minutes of the April Executive meeting were read. One concern of these minutes was the procuring a full-time worker for the area who would institute a year-round program to involve adults, as well as children. Father Cummings of South Mountain commented on progress toward securing such a "social animator" and the Rev. John Hobbs of Iroquois told of an encouraging interview on this matter with Mr. E. P. Thompson, head of the Social Service Department of the three united counties.

Miss Sharon Fraser, Public Health Nurse, reported for the committee regarding the noon meal for the camp, saying that the menus had already been planned.

Mr. Hibbs, who headed the committee responsible for selecting the new Camp Director, told the good response of his advertisement, and then introduced Mr. Douglas Bullock, a student of Queen's University, as our new 1971 Director. Miss Judith Boyd, a student of Carleton University was welcomed as Co-director.

The high-light of the evening was the announcement that the Seaway Community

Services has been able to add to its program of community development in disadvantaged areas by receiving a grant from "Opportunities for Youth" given by the Canadian Government to involve students in work and activities during the summer of 1971. The purpose of the grant is to create jobs to enable students to continue their education. It was stressed that this financial assistance was not being given for existing programs, such as the South Dundas Community Day Camp as it has been operating, with high school students working under a Director of university level in a six-week program in the area of Dixon's Corners and Glen Becker. Monies paid by the government must be used for a new program which will augment and expand the present schedule. Miss Boyd has been hired under "Opportunities for Youth" to assist the Director, Douglas Bullock, in the camp program and to develop group and community activities that would continue over the year to avoid a post-camp slump. It is felt that her work will be the foundation for the full-time worker. "Opportunities for Youth" also make possible the hiring of students to extend camp and group activities from the end of June to the first of September.

Community support needs to be continue since the original program still must draw its funds from local churches, school, industry, and organizations.

The next meeting will be held on September 9th to hear the reports of the summer camp. A vote of thanks was moved to the Rev. Walter Goos for the use of the Church Hall.

Everly

I've had a thousand thoughts that I have never had before, I've roamed a thousand miles and I'll roam a thousand more, Child of a slum-born life, Child of a war, Everly, Everly, won't you hear my request, Everly, Everly, I'm asking you my best.

I was a child of slum-born life, no education mine, I was to either beg or starve, perhaps at the same time, Stealing I would never do, because it was a crime, A slum-born child covered up with filth and grime. Now I am a full grown person, clean as I can be, I'm sorry of the life I had, it was not so pretty No regrets mine to regret, I am too busy, But sometimes I do think back, And feel so sadly.

Music and Words composed by Linda Mulligan Grade 7 Dixon's Corners Public School

PITTSTON

Held Over

The Presbyterian W.M.S. held their June meeting Wednesday afternoon at the home of Mrs. Presley Montgomery meeting opened with the President Mrs. John Mullwyk reading "Thought for the Week." Mrs. Leslie Elder was in charge of the Devotions. Hymn "Oh Happy Home" was sung. Scripture lesson Acts 16: 12-15 was read by Mrs. Elder who also gave the Meditation dealing with Paul's second Missionary Journey. Three verses of Hymn "Take My Life and Let it Be" was sung which closed the Devotions. Roll Call was answered with some missionary readings. Sectional 2 meeting being held June 16, in Knox Presbyterian Church, Iroquois was announced. Friendship and Service report was received. Offering was dedicated by Mrs. J. Mullwyk. Expense money received by Mrs. Presley Montgomery. The Study, "Who gets the word Around" was presented by Mrs. George Montgomery with the members taking part in the discussion. Meeting closed with prayer by the President.

A social hour followed.

The United Church Women held their June meeting Wednesday evening in the Church meeting opened with the Devotions led by Mrs. Garnet Sloan, theme being "One Unlighted Candle". Hymn 388 was sung. Scripture lesson Luke 18 was read by Mrs. Herbert Leizert followed with hymn 358. Meditation was given by Mrs. Garnet Sloan and after the singing of four verses of hymn 356 she closed the devotions with prayer. Offering was dedicated by Mrs. Fred Taylor. Business was presided over by the president, Mrs. Willis Montgomery. Minutes were read by Mrs. Herbert Leizert in the absence of Mrs. Edwin Cooper. Roll Call was answered with a Scripture verse containing the word "Sin". Correspondence was read including an invitation from the Shanly U.C.W. to a Tupperware Party June 9th also the Fair Exhibit was discussed. The Study "Openness for the Future" was in charge of Mrs. Robert Sloan and she closed with a poem.

Meeting closed with prayer by Mrs. Theo DeKoning.

Mr. and Mrs. Wm. Shaver, Coming N.Y. called on Clarence Marlatt Sunday evening last.

Rev. Keith Whitney Toronto called on Mr. and Mrs. Ralph Cooper recently.

Several from here attended the Anniversary Services in the United Church Ventnor on Sunday.

CARDS OF THANKS

I would like to thank my friends, relations, and neighbours for the cards, letters, gifts I received while I was a patient in the hospital. Special thanks to Dr. Marston, Mrs. Shirley Fisher, and the Staff of S. & F.
Ireda Huggard.

For the beautiful gifts, cards, and best wishes we received as we celebrated our 40th Wedding Anniversary on June 10th, and to our family relatives, and friends who made possible the enjoyable evening spent in the Orange Hall on Friday evening June 4th., we offer our sincere thanks.
These kind gestures will always be deeply cherished by us.
Herbie and Mabel Wallace

THANKS

James Limmen and his family wish to express heartfelt thanks to the many friends and neighbours who were so kind to them during their recent bereavement. A very special thanks to Rev. W. B. Gee whose gentle understanding brought real comfort during those difficult days. Words are not really adequate to express how much the tribute of friendship and comfort are appreciated.

SMILEY

From Page 4
hours work) and a long blessing.
And one of my favourite memories is the clang of the horseshoes when the local men gathered on summer evenings to enjoy the only sport they could enjoy, because it cost nothing.
It was the best of all possible times, and the worst of all possible times. But it was precious, as every moment of life is. Take a guess. How old am I?
