Matilda Carnival plunges into fun

DIXONS CORNERS — Matilda Winter Carnival organizers got some help from mother nature over the weekend — a healthy dose of cold weather.

The frosty temperatures allowed members of the Matilda Township recreation committee to go ahead with a full schedule of skating, games and contests at Brinston Memorial Park Sunday afternoon.

Many area families braved the cold to skate on the outdoor rink and compete in a variety of children's games.

A pancake brunch at the Matilda Community Hall served over 300 people Sunday morning with Matilda Carnival Queen Shelley Gibson on hand to greet those who attended.

Gibson, 17 and a Seaway District High School student, was crowned Saturday night. She vied with five other SDHS students for the honor and will take over from Connie Bosma, last year's queen.

As the reigning queen, Gibson will preside over most recreation events held throughout the year in the township, making presentations and awards when necessary.

Monday, people gathered at the Matilda Community Hall again for country style music and dancing including square dancing demonstrations and other contests.

Last night, Tuesday, local talent took to the stage for the amateur talent night contest at the hall.

Today, Wednesday afternoon features the Winter Carnival Afternoon Tea and Social Hour. Everyone is invited to listen to Art and the Drifters play during the games, quizzes and afternoon refreshments.

Tomorrow bingo takes over the hall with a $1,000 jackpot up for grabs. Friday evening at 6pm, the younger crowd can dance up a storm with MoJo's Disco playing to the pre-teens (6pm-8:30pm) and teens (9pm-12am).

On Saturday, a day-long schedule of events is planned starting at 11am with the Dr. Tom Maxwell Memorial Car and Snowmobile Rally taking place. From 2pm-6pm, Mary Perry and Grenville County Country will provide residents with lots of musical diversion during the afternoon. Supper will be served from 4pm-6pm.

The Rock-a-Billy Boys get down to business from 8pm-1am with their special brand of entertainment.

Sunday's wrap-up for the carnival features a family sleigh ride and weiner roast at the farm of Ron Smail in Brinston from 1pm-3:30pm. A hymn sing and ecumenical church service will take place at 7pm and 7:30pm respectively to close off the events.

Matilda mania

Residents flocked to the first winter carnival of the season. (Clockwise from top left): Cindy Peters gets creative with face painting; Holly Cole looks ready for a cat nap; Darren Baldwin takes a shot at the Brinston rink; a budding skater takes a tumble; Carnival Queen Shelley Gibson doles out pancakes with Lloyd Markell Sunday; youngsters join outdoor games at Brinston park; and a game of crack-the-whip takes centre ice.

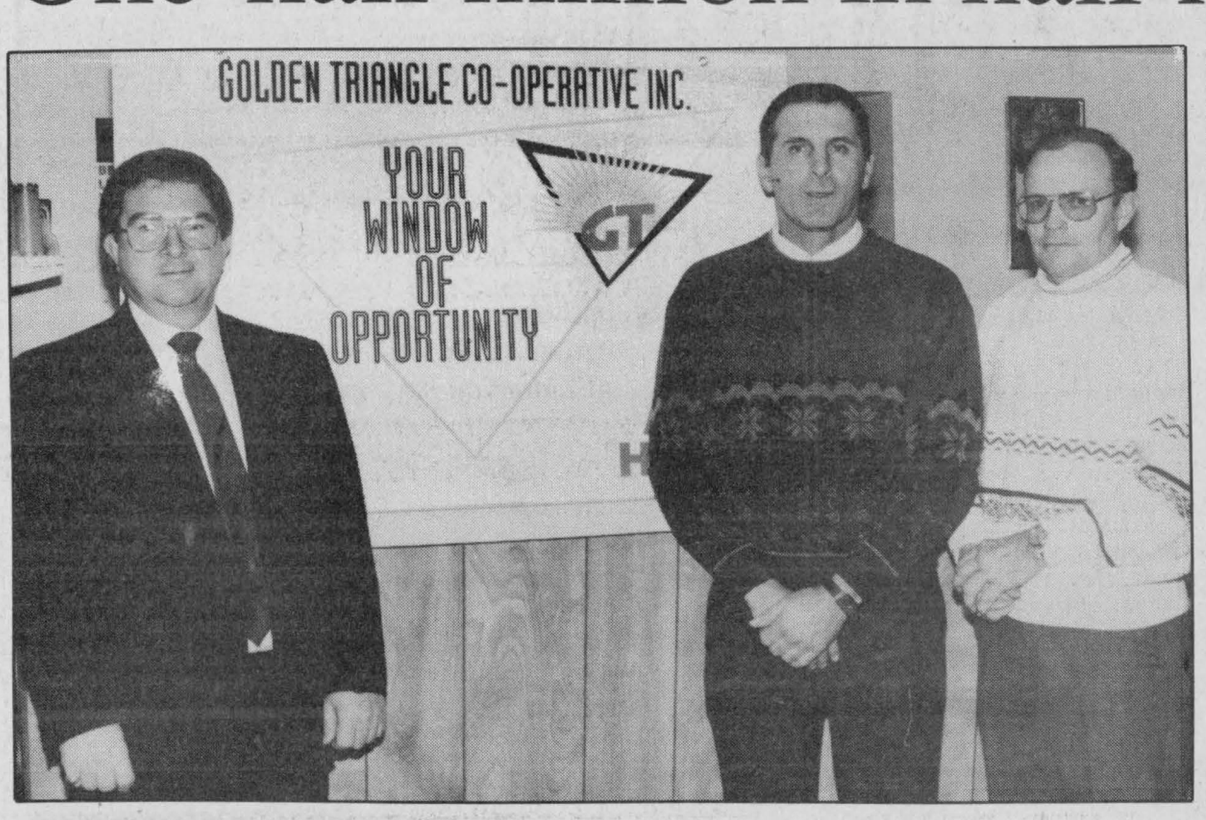
One-half million in half month: GT equity target



Forming a Triangle

Golden Triangle organizers are holding a series of information meetings across the area to outline the operations of the co-operative. FINCH — Equity is all that's needed to enable the Golden Triangle Co-operative to continue say its founders.

"The board (of directors) is comfortable with the (five-year) plan and the negotiations with UCO... money is now the major hurdle," Chesterville-area director and equity committee chairman Stan Vanden Bosch told a packed house at an information meeting here last Thursday.

A target goal of one-half million dollars to be raised by the end of January has been set. "If we don't meet that target, Golden Triangle will be finished," Vanden Bosch said.

The Golden Triangle Co-operative is offering common shares of $100 value, with members needing three common shares to become a voting member. Participants can invest as well, in six per cent cumulative and non-voting preferred shares of $100 each.

Golden Triangle has established an initial member equity target of $2 million towards acquiring the businesses of the 12 original Co-ops. The Co-ops include: Almonte, Brinston, Carp, Chesterville, Eganville, Finch, Gananoque, Kemptville, North Gower, Ottawa (Leitrim), Brockville and Perth. Golden is still negotiating with the privately owned Perth and Brockville Co-ops to include them in the organization.

"It (Golden Triangle) needs to raise sufficient equity to convince the lenders it has total member support," said general manager Richard Graham, on hand to outline the proposed operations of Golden Triangle.

THE PLAN

The co-operative, which would operate its head office out of Kemptville, would offer the same services as UCO but with some improvements and changes, Graham said. And in order to make improvements, expenses must be controlled, he added.

Some of the services offered by Golden Triangle would include: a tower blender for bulk fertilizer and a fertilizer bagging plant at Kemptville; the Kemptville feed plant for bulk and bagged feeds; a fertilizer blender at Carp; grain storage at Kemptville; custom chemical application; delivery services; custom fertilizer application; anhydrous ammonia supply and application and retail stores.

Petroleum products are still being negotiated in the deal, but are not yet included in the plan, Graham said. A proposal suggests that Golden act only as an interface between the petroleum wholesaler and the customer. It would handle orders, invoicing, etc., but would not have the expense of upkeeping its own trucks, explained Graham.

Under the five-year plan, Graham projects a $24 million sales and service revenue. He projects profits of $360,000 (after principal, interest and taxes) for nine remaining months of 1993, and $265,000 (principal, interest and taxes) for 12 months of 1994.

Although some attendees were concerned over whether the new Co-op could continue to provide the services and remain competitive, Graham assured them it was possible with the proposed changes.

Response to the plan has been very positive, so far, he added.

Vanden Bosch says the organization is very lucky to have Graham's expertise working for it and adds he is pleased Golden Triangle would bring the Co-op back to local control.

A Lindsay, native, Graham graduated from the University of Guelph and has worked in agricultural-related businesses for about 22 years.

The Finch session was one of four meetings held locally. Meetings were also slated for Chesterville, Metcalfe and Brinston.

Winter courses on line

NEPEAN — The Carleton County Ontario Ministry of Agriculture and Food office has announced its course and workshop lineup for the upcoming winter season.

A six-session computer course kicks off Feb. 1, and runs Feb. 2, 8, 9, 22 and 23. The course looks at buying a computer, farm uses for a computer, how to load programs, understanding hard disc functions and applying DOS.

The course is slated for the OMAF Boardroom in Bells Corners; runs from 9:30am-3:30pm and costs $77, GST included. There is a maximum of 15 participants. Pre-registration date is Jan. 19.

Other computer courses for the season include:

Introduction to computers—a two-day course, Feb. 24-25 costing $40; expanding your computer skills, March 8-9, $40 fee; and agricultural computer software, March 22-23, also costing $40.

Each individual will have the use of a computer for the courses which are slated for the OMAF Boardroom in Nepean from 9:30am-3:30pm. There is a maximum of 12 participants and pre-registration is two weeks prior to the course date.

An environmental workshop scheduled for the Baxter Conservation Area in Kars, Feb. 8 will discuss environmental issues for farmers as well as programs to help farmers switching to environmentally-friendly practices.

A one-day session on positive publicity and lobbying is scheduled for the OMAF office in Nepean, Feb. 12. The cost is $28 for eligible farm participants and pre-registration is required by Feb. 1.

Another one-day course will provide participants with a St.Jonn's Ambulance Certificate in basic first aid. There are two separate dates for the course — one slated for the Metcalfe Lions Den on Feb. 15, and the other at the Bells Corners United Church, March 11. The time is from 10am-3:30pm and there is a fee of $20 for eligible farm registrants. Pre-registration is required two weeks in advance.

A farm income alternative two-day course, March 3 and 10 is designed to help participants evaluate the potential of alternative sources of income and develop the marketing plans. The course will be held at the Bells Corners office at a cost of $40 for eligible participants. Pre-registration by Feb. 22.

Three Grower Pesticide Safety courses are scheduled for March at a cost of $40/person payable the day of the course. The dates are: March 2 at the Galetta Community Centre; March 20, Bells Corners United Church and March 24 at the Metcalfe Lions Den. Pre-registration is required and there is a maximum of 25 participants.

A one-day time management course is set for March 25, 10am-3:30pm at the OMAF office in Bells Corners. The course, at a cost of $25 for eligible farm participants, will help participants prepare an organized approach to managing time. Pre-registration is required by March 15.

Veggies bump goats in Farmers' Week agenda

KEMPTVILLE — Eastern Ontario Farmers' Week will feature a few changes when it kicks off next Friday at the Kemptville College of Agricultural Technology.

New to this year's event is a day devoted to vegetable production.

Vegetable Day replaces goat and sheep activities formerly held in the Parish Building, Saturday (Jan. 23) and features a morning session on pumpkin production and an afternoon session on sweet corn. Most other events keep their traditional time slots during the seven-day program which attracts participants from across Eastern Ontario.

Opening day (Jan. 22) centres around the pork industry. The morning session begins at 10am in the Purvis Hall with a talk on competitivness in the Ontario swine industry by Ken McEwan and James Reesor of the Ontario Ministry of Agriculture, and continues with the topic "feeding for lean" by Purina swine specialist Richard Smelski. A question and discussion period rounds out the morning.

Pork Day's afternoon session includes: a discussion by all speakers on other countries' methods; OMAF engineer, Frank Kains talking about building designs for survival; and Tim Blackwell and John Martin, also of OMAF discussing biosecurity.

The cost for Pork Day which includes registration, pork lunch and a copy of the proceedings is $15 per person or $25 per couple or second farm member.

Again this year, Ecological Day is slated for Saturday, (Jan. 23) at the W.B. George Centre. Cattleman Carl Cosack of the Peace Valley Ranch will discuss beef production, and Murray Manley talks about growing cash crops organically. A choice of workshops on either rotational grazing or growing organic cash crops finishes off the morning.

Following lunch, Robert Henderson will discuss marketing organic produce, and cheese and livestock specialist Daniel Lapointe of Quebec will touch on herd health. Participants will once again have the opportunity to choose one of two workshops on the afternoon topics. Registration is $10, while the meal is $6.50.

Saturday is also Vegetable Day in the Parish Building. During the morning, Jody Bodner will discuss growth and development of pumpkins, pumpkin varieties and weed control. Grower, Harry Willemse will present hints on growing giant pumpkins. As well, highlights will be presented on Waterford and Port Elgin's pumpkin festival.

The sweet corn session deals with emergence problems in supersweet varieties by Ron Brammel; managing pests of sweet corn by Paul Hagerman; new sweet corn varieties by Bill Hossie and safety and sign regulations for roadside marketers presented by W.J. Griffith. The registration fee of $15 covers admission, a copy of the proceedings and the noon meal.

An abbreviated Beef Day gets under way, Monday (Jan. 25) at 7pm in the W.B. George Centre. First vice-president of the Ontario Cattlemen's Association, Bob Kerr, will present his views on marketing and the marketing systems he uses in buying and selling cattle.

"Perception is reality" is the topic of discussion for Jim Magee, vice-chairman of the OFAC. He will discuss how to improve the message sent through advertising. Registration for Beef Evening is $2.

Again this year, Dairy Day is given a Tuesday time slot in the W.B. George Centre.

The day kicks off with dairy cattle specialist Jack Rodenburg's discussion on current concepts in free stall housing. Kempton Matte, president and CEO of the National Dairy Council and Ontario Milk Marketing Board director, Bruce Whale will talk about the future in milk marketing.

After lunch, Karen and John Velthuis will talk about their experience with TMR mixers and Dr. Alan Rathwell of the Navan Veterinary Clinic will outline herd management for optimum milk components. Admission to Dairy Day is $15 and includes a hot lunch.

Wednesday is *Accent on Living* day at the W.B. George Centre, with the morning session dealing with changes to the rural community. A panel will discuss changes facing family, education, and the local economy. As well, a representative of the Rideau Travel Agency will highlight "within-a-day getaways".

The afternoon features four concurrent sessions for participants to choose from — Your money - your future, A quilter's garden, The fast gourmet, or active living. The cost for the day is $12 and includes lunch and a program registration package.

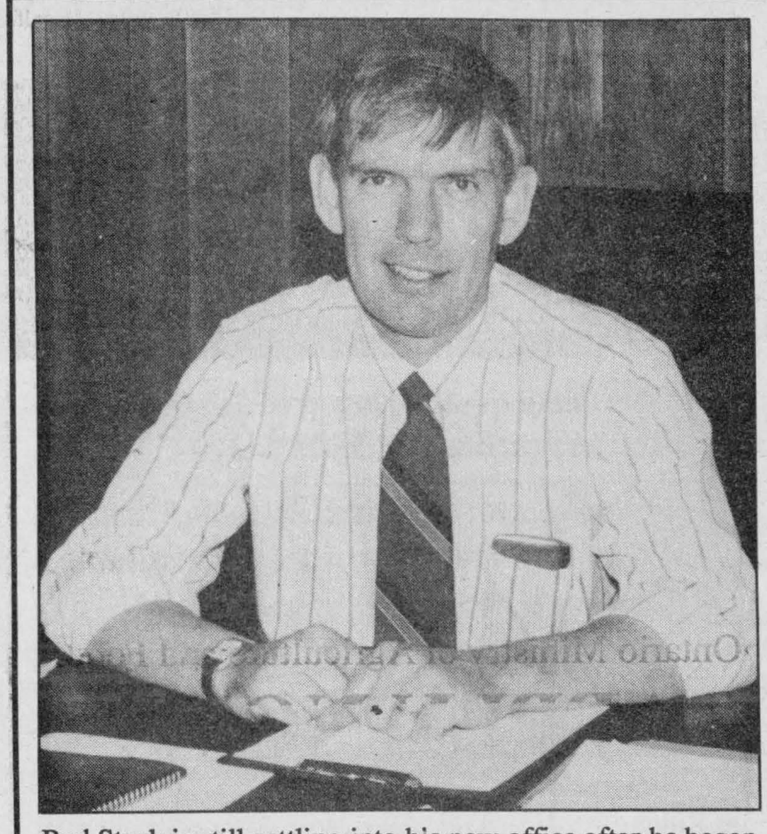
Crops Day, Thursday is also featured at the W.B. George Centre. The morning gets underway at 10am with the how to's of Spring Milling Wheat by Rick Upfold. Clarence Swanton discusses reduced cost weed control for the '90s. Also, a panel discusses band spraying and inter-row cultivation, no-till experiences and the custom operator.

Corn rootworm, liquid fertilizer, mold in soys and white beans and the Federal Green Plan are all part of the afternoon session. Registration for Crops Day is $12 and includes admission, proceedings and lunch.

Money Matters '93 is the topic for the final day of Farmers' Week — Friday (Jan. 29). The day includes an income tax update; an agricultural computing update; discussion on more milage from farm records; the crop commodity loan program and agricultural investment initiatives.

Registration for Money Matters is $15 and includes admission, proceedings and lunch.

The Farmers' Week program is designed by the individual commodity groups featured. KCAT personnel co-ordinate the event and provide the facilities.



Rod Stork is still settling into his new office after he began the job of acting director of the Kemptville College of Agricultural Technology last week.

Appointment

KEMPTVILLE — Rodney Stork, Regional manager of the Agricultural Representatives Branch of the Ontario Ministry of Agriculture and Food, has taken over as acting director of the Kemptville College of Agricultural Technology on a six-month secondment.

Stork is replacing John Curtis who retired after 18 years as the head of the college.

Stork grew up in the farming community of Eastend, Saskatchewan in the southwest corner of the province. He studied agricultural economics at the University of Saskatchewan in Saskatoon and obtained his first position with the Ontario Ministry of Agriculture and Food in 1970 in Bowmanville in the rural municipality of Durham. His next move was to the Niagara region in 1983 where he was agricultural representative for four years.

In 1987, Stork became the regional manager of the Agricultural Representatives Branch for Eastern Ontario, overseeing OMAF's 15 field offices in the eastern region.

His appointment as acting director of KCAT took effect Jan. 4.

Dundas federation to host Wilkinson

OFA and CFA vice president Jack Wilkinson will be the guest speaker at the Jan. 29 DFA banquet in South Mountain Agricultural Hall.

Wilkinson has served farmers in many capacities over the last decade — in Lambton county, with the OFA and with the Canadian Federation of Agriculture. He and his family presently live on a farm in Northern Ontario (Belle Vallee).

His special areas of interest in CFA and OFA have related to farm finance, government taxation policies and environmental issues.

Wilkinson has stated that he will be letting his name stand for nomination as CFA president at the annual meeting in Hull on March 1-3.

Wilkinson is a forceful speaker with a reputation of being blunt on certain occasions. He will be speaking about the challenges that presently face Canadian agriculture, including world trade.

Ontario Federation of Agriculture vice-president Jack Wilkinson.

A ray of sunshine in times of trouble

The young couple, at a happier time, are congratulated on their wedding day by Tammy's mother.

Garnet Quail
News Correspondent

EDWARDS — This is a story of family, of boy meets girl, of love and marriage, of joy, of heartbreak, death, devastation and rebuilding. It could have been scripted, and with no more imagination, by a team of Hollywood writers.

But this story unfolds, for the most part, in Osgoode Township.

The family background of the principals involved has roots in Osgoode and Mountain Townships before diversifying to Ottawa, the province of Quebec and points beyond and finally back to Osgoode — specifically to the Lynwood Mobile Home Park south of Edwards.

The story begins in February 1992 when Joe Anne Legge, a real estate agent at the Gale Real Estate South Urban Office in Manotick received a phone call from Donna Parsons. Parsons and her family wished to see a mobile home in the park and asked Legge to arrange the visit. The family was quite impressed with the property and virtually bought it 'on the spot' taking possession in mid-June.

During negotiations and dealings with the Parsons, Legge met Donna's parents, Russell and Alice Taylor, and the Parsons children, sons Kenny and Bruce and daughter Tammy.

Tammy was engaged to a fine young man by the name of David Martin and an April 4 wedding was planned. As the dealings and conversations went on a bond formed between real estate agent and client and Legge was invited to the wedding which took place at St. Timothy's Presbyterian Church on Alta Vista Drive in Ottawa.

Donna's parents, the Taylors, were so impressed with the rural setting of their daughter's property that before long they arranged to sell their home, a five-hour drive away, near Rock Island in Quebec, to move nearer their daughter.

SECOND HOME

Re-enter Joe Anne Legge who found a mobile unit much to their liking and on July 15, Russell and Alice Taylor moved into their new home. Russell, the family handyman, has been having a field day ever since building decks and doing renovations of all sorts.

In the meantime there had been some trouble in paradise of wedded bliss ... medical trouble.

In June David Martin, the 23-year-old groom of two months, was hospitalized suffering from a stroke. He lay in hospital for a time but, since youth was on his side, he was soon out and on the road to recovery.

There were some motor skill deficiencies, says Tammy, and regular check-ups were ordered to monitor blood pressure and to ensure that the blood didn't thin out too much.

David soon obtained employment with a security company and although the job involved shift work, usually nights, David with his amiable nature fitted in and got along well. Sometimes he was tired, very tired, but considering his recent medical history, that was quite understandable.

Sometime during all of the turmoil surrounding David's health problems, his new bride, Tammy, discovered that she was pregnant with the baby due in February or March 1993.

Dave and Tammy, tired of apartment life, decided that a place of their own, close to the rest of the family, quite appealed to them.

Another call was placed to Legge and, with a little bit of searching, the newlyweds took possession of their mobile home at the end of October.

Now there were three generations in the same park and number four was on the way.

MEDICATION CHANGE

During the second week of December, David had a check-up which found that his blood was very thin. It would be necessary to change his medication dosage.

On December 12, Tammy had an ultrasound examination to determine the progress of her pregnancy. During the examination it was discovered that the unborn baby was a healthy little girl.

When she arrived home David was asleep, preparing for his night stint at the Green's Creek sewage disposal plant. She nudged him awake to tell him the good news and he opened his eyes long enough to say, "Little Sarah".

He awoke at his regular time and left for work on a miserably foggy night. In the fog, at the work site, he approached a gate which is usually wide open. On this particular evening it was closed, a fact David didn't realize until it was too late.

He slid into the gate, shaking himself up a little and doing some damage to his car. Police were called and a full report taken. David said he felt fine and went on to work.

The night passed and as routine dictated, he took a truck at 6am and drove to one of the plant parking lots to spend the last two hours of his shift sitting in the truck and keeping an eye on activities from there.

When the day-shift employee arrived at work, David and the truck weren't at the office so he went to look for him.

He found David dead in the truck in the parking lot ... apparently having bled to death internally, likely as the result of some slight injury incurred when his car hit the gate the previous evening. A life taken at 23, leaving a 21-year-old widow and an unborn daughter.

Less than eight-and-a-half months after a joyous wedding, the families were again in St. Timothy's Presbyterian Church; this time attending the groom's funeral.

Today, Tammy, with her network of family and friends, is coping very well. Christmas and New Year's were tough but with parents, siblings and grandparents so close by, the pain was shared and eased — at least a little bit.

St. Timothy's has set up a trust fund so that Tammy and David's baby can be well taken care of and donations are still coming in.

A last view of Tammy saw her drawing strength from her supporters and saying, "At least I know that little Sarah will have a stable home and the love of a devoted and caring family. And some way, some day she will also know her father."

Choir entertains at hospital

by Carol Allan

WINCHESTER — Sunshine Circle's Christmas party was moved up to the second floor due to hospital renovations and became "close encounters" of the wonderful kind — a majority of the Osgoode Men's Choir accompanied by Julia Mills sang for over an hour.

Henk Huizinga and his daughter Mrs. Nanda Wubs twice favored us with a duet — a beautiful harmony joyfully expressed.

After the vocals a light lunch was served — organized by Evelyn Cowan, social and special events convenor of the auxiliary. Santa arrived and passed out gifts for the patients donated by the hospital and purchased by the Circle members.

Sunshine Circle's next Christmas event was a "country jamboree" with Jim Wicks on guitar and Sandra Barkley on piano. The music was cheerful and gay and full of good humor.

Ailsa Appleby, Gift Shop Buyer, reminds us all that the Gift Shop will be closed as of Jan. 20 and will not reopen until April 1 due to renovations.

Big bargains for all with many items at half price. Hours: Mon. to Fri., 10am to noon; 1-3pm and 6:30 to 8:30pm and Sat. and Sun. 1-3pm.

There will be no WDMH auxiliary meeting this week. We will meet again on Feb. 11.

Ladies Aid meets

by Norma Duncan

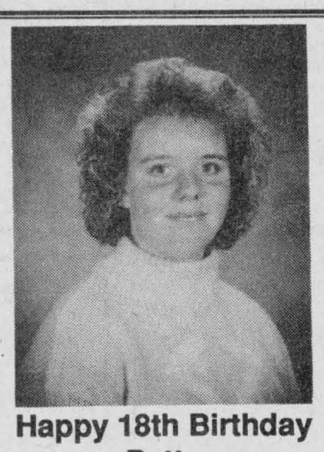
WINCHESTER — The Ladies Aid Society held their January meeting recently.

President Janet Clapp had a very inspiring devotional message. Our new pianist, Doris Cross, led the singing.

The annual reports by secretary Anne McIntosh and treasurer Betty Larmour were approved.

Plans for 1993 were presented and accepted by attending members. Lunch was served by Margaret Johnstone and Janet Clapp.

The meeting closed with "The Lord's Prayer".



Happy 18th Birthday Betty
Love, Mom

Changes to the Ontario Labour Relations Act take effect on January 1, 1993.

Amendments to the Labour Relations Act:

- permit some workers not previously covered by the act to organize;
- provide new rights and protection to workers who choose to organize;
- encourage cooperation and consultation in unionized workplaces;
- put in place new rights and responsibilities for employers, employees and unions where there is a labour dispute.

Card of Thanks

CARD OF THANKS — Thank you to all my friends for your support, visits, calls and cards. I am really lucky to have all of you in my corner.
— Sincerely, Kay Helmer
41

CARD OF THANKS — I wish to thank the Royal Bank staff for my special retirement day, Dec. 15. For the cake and coffee all day and the retirement dinner that evening. Also for the gifts, cards and flowers and all the good times over the last 26 years. To the customers who were always so nice, a heartfelt thank you, for all the good wishes, cards and gifts. I will truly miss all of you.
— Sincerely, Shirley Levere
41

CARD OF THANKS — Our sincere thanks to friends and neighbors for their many expressions of sympathy, cards and charitable donations received on behalf of our father and grandfather. Special thanks to the Winchester Junior B Hawks for their thoughtfulness.
— David, Linda, Mark and Doug Armstrong
41

CARD OF THANKS — I would like to thank the doctors, the nurses in intensive care, the nurses on first floor, and the specials who took such excellent care of me during my recent stay in Winchester District Memorial Hospital. I wish to thank my two daughters, Helen and Patricia, for their care and their love. Thank you to all my relatives and friends for the kind wishes, calls, cards and flowers. A special thanks to Rev. Will Walker and Rev. Laurie McKnight-Walker for their visits and prayers, and to the United Church Women for the Christmas treat. The kindness and consideration of all was much appreciated.
— Herb Allan

In Memoriam

MERKLEY — In loving memory of a dear wife, mother and grandmother, Leila, who passed away Jan. 15, 1989.
Wishing today, as we wished before,
That God could have spared you many years more.
Deep in our hearts your memory is kept,
To love and to cherish and never forget.
Those we love don't go away,
They walk beside us every day,
Unseen, unheard, but always near,
Still loved, still missed, and very dear.
— Lovingly remembered by Lloyd and family
41

HAMILTON — In loving memory of a dear mother, grandmother, great grandmother and great, great grandmother, Alice E. Hamilton, who passed away Jan. 13, 1992.
Though absent you are ever near,
Still missed, still loved and ever dear.
— Clelland, Ruby and family
41

YOUNG — In loving memory of three brothers, Wayne, Gary and Roger.
Time passes on, months have passed
Since death its gloomy shadow cast
Upon our home, when all was bright,
And took from us a shining light
We miss that light and ever will,
Your vacant place there's none to fill,
Down here, we mourn, but not in vain,
For up in heaven we'll meet again.
Gone from us, but leaving memories
Death can never take away,
Memories that will always linger
While upon this earth we stay.
— Sadly missed by sister Joyce and family
41

PRICE — In fond memory of a very dear friend, Graham.
O happy hours we once enjoyed,
How sweet their memory still,
But death has left a loneliness
The world can never fill,
The rolling stream of life goes on,
But still the empty chair,
Reminds us of the face, the smile
Of one who once sat there.
— Sadly missed by Joyce, Larry, Shirley and Kristen
41

YOUNG — In memory of our dear son, Roger Lee, gone on Dec. 24.
Memories are treasures no one can steal,
Death is a heartache no one can heal,
Some may forget you, now that you're gone,
We will remember you no matter how long.
We miss you so and you're sadly missed.
— Mother, Dad and brother Basil
41

RIDDELL — In loving memory of a dear father, Hubert Basil, who passed away Jan. 13, 1985; and a dear mother, Wilma Grace, who passed away Jan. 29, 1970.
To us they were special,
They were loving, kind and true,
They will never be forgotten,
For we thought the world of them.
— Sadly missed by Evah Grace and Marilyn

Public Meeting Concerning Proposed Official Plan and Zoning Bylaw Amendments

TAKE NOTICE that the Council of the Corporation of the Township of Mountain will hold a

Public Meeting
on **Monday, February 15, 1993**
at **7:30pm**

at the municipal building to consider a proposed official plan amendment and a zoning bylaw amendment under Sections 17 and 34 of the Planning Act.

The proposed official plan amendment would redesignate a parcel of land, situated in part of the East Half of Lot 3, Concession VIII, Township of Mountain, consisting of approximately 1.2 hectares (3 acres) of land (as shown below) from "Rural Land" to "Industrial", to permit the property to be utilized for such uses as set out in the plan. The present proposal is to permit the operation of a truck facility for the inside storage and repair of two vehicles utilized in septic tank pumping. Any future expansion of the operation would not exceed four vehicles. Dumping will not occur on the property but will take place at regulated facilities approved by the Ministry of the Environment and the Township. The proponent intends to build his residence in close proximity thereto on land which will remain in the Rural designation and zone.

The proposed zoning bylaw amendment implements the Official Plan Amendment and would rezone the same parcel of land (as shown below) from "Rural Zone (RU)" to "Light Industrial - Special Exception - 2 (ML-2)". The special exception zone will permit the proposed use and other light industrial uses, but shall limit the use of the property and prohibit high water users such as the operation of a canning factory, cheese factory, processing plant and accessory uses such as banks, cafeterias, offices or union halls.

ANY PERSON may attend the public meeting and/or make written or verbal representation either in support of or in opposition to the proposed official plan and/or zoning bylaw amendment(s).

ADDITIONAL INFORMATION relating to the proposed amendment(s) is available for inspection at my office during regular office hours.

Home Child Care

It's the neighbourly thing to do!

In our rural communities, the need for child care is just as important as in the city, but more difficult to find. Parents want someone they can trust who is close to home...

...like a neighbor.

Home Child Care offers you a way to earn extra income at home. You can work as much or as little as you like and you'll be helping to meet the need for safe, quality child care in your community.

We are presently seeking providers in the Winchester Springs, Winchester and surrounding areas.

Call us for more information, and remember...

THE ST. LAWRENCE PARKS COMMISSION
BOARD OF COMMISSIONERS

Applications are invited from residents of Eastern Ontario for the Board of Commissioners of The St. Lawrence Parks Commission. Established in 1955, the Commission has a mandate to develop and operate parks and recreation attractions as well as stimulate and promote tourism and related economic development in "Ontario East". The Commission reports to the Province of Ontario through the Minister of Tourism and Recreation.

The Commission's jurisdiction stretches 280 km along the St. Lawrence riverfront from the Bay of Quinte to the Quebec border. The "Parks of the St. Lawrence" encompass 4,000 hectares of public lands, enjoy an annual recorded attendance of 1.5 million visitors and contribute over $60 million to Eastern Ontario's economy. Commission attractions include Fort Henry, Upper Canada Village, 12 campgrounds, an 18-hole golf course, Crysler Park Marina, Upper Canada Migratory Bird Sanctuary, a 35 km bikeway, two scenic parkways, gift stores and food services.

The Board of Commissioners (up to 15 persons) are appointed by the Province of Ontario by Order-in-Council. Commissioners meet on a monthly basis to determine policy, approve strategic direction and evaluate operations. Candidates for appointment should have knowledge and/or experience in some or all of the following:
- tourism development, marketing, law, finance or business administration;
- heritage attractions, land use, parks, recreation, or natural resources;
- community and/or municipal service;
- committees and/or board decision making.

Applicants will also be considered based on geographic and designated group representation (aboriginal peoples, francophones, persons with disabilities, racial minorities and women).

Applications may be obtained from the General Manager, The St. Lawrence Parks Commission, R. R. #1, Morrisburg, Ontario, K0C 1X0 and sent to the Commission or mailed directly to the Director, Office of Public Appointments, 2nd Floor, Room M2-70, Macdonald Block, 900 Bay Street, Toronto, Ontario, M7A 1A1.

Notice of Public Meeting Concerning Proposed Zoning Bylaw Amendment

TAKE NOTICE that the Council of the Corporation of the Village of Winchester will hold a **PUBLIC MEETING** on the **18th day of January, 1993 at 7pm** to consider proposed Zoning Bylaw Amendment under Section 34 of the Planning Act, RSO, 1990.

The proposed Zoning Bylaw Amendment would rezone approximately 1,670m² (18,000 square feet) located on the north side of Queen Street east of Ottawa Street from "Development" (D) to "Residential Type 1" (R1).

The purpose of the proposed amendment is to satisfy a condition of severance approval which would create a residential lot measuring 120 feet by 150 feet. The lot to be created is presently occupied by an existing single detached dwelling.

ANY PERSON interested may attend the public meeting and/or make written or verbal representation either in support of, or in opposition to the proposed Zoning Bylaw Amendment.

ADDITIONAL INFORMATION relating to the proposed Zoning Bylaw Amendment is available for inspection during normal office hours at the Municipal Offices in Winchester.

Dated at the Village of Winchester this 16th day of December, 1992.

Students buckle down as first semester ends

They say that as you get older each year goes by faster and faster. As I am approaching my fifth year of exams at North Dundas, it seems that the upcoming examinations are approaching the fastest ever.

NDDHS NOTES
by Hazel Booth

Only five instructional days are left until the final day. The second semester will commence Mon., Feb. 1 with four new subjects for most students.

In between semesters, the ski club has organized a three-day ski trip for 44 students to Stowe, Vermont, the largest ski hill in Eastern North America.

The first student council school dance of 1993 was held last Friday night. Around 250 people passed through the doors.

David Brannen provided the tunes which can become a difficult task considering the different musical tastes at North Dundas.

Tuesday in homeroom students received questionnaires for matchmaker computer dating. The results will be available in time for Valentine's day for a small fee.

It will consist of the top 10 people at North Dundas that the student will like the most, the top 10 people that will like the student the most, the most compatible friend, the worst match plus other details.

In addition, they will receive personal birthday trivia, and a biorythm chart that details physical, emotional, and intellectual highs and lows for the next 30 days.

It should be interesting to see some of the results.

Mexican theme spices up Greely Carnival

Garnet Quail
News Correspondent

GREELY— The Greely Winter Carnival kicks off this year with the annual Queen Pageant on Jan.17 and then takes most of the week off before getting down to serious fun from Fri., Jan 22 through Sun., Jan 31.

All events for this year's shindig with its "Mexican Fiesta" theme will take place at the Greely Community Centre.

And, speaking of the Carnival Queen Pageant; more young ladies, age 15-19 years, are encouraged to enter the competition. Terry Kelly and Gianna Graham, the pageant co-chairpersons, are promising fine things as Pam Newton of Energy 1200 returns to emcee the event.

This popular event goes on Sun., Jan. 17 at 7:30pm. More information is available from Terry Kelly at 821-3043 or Gianna Graham at 821-1091.

On Fri., Jan. 22 when the Fiesta really gets underway in earnest, Jennie Pilkington and co-chairperson John Stacey say residents will be temporarily transported to Mexico. A multitude of brilliant colours will help to set the stage. A Good Times Family Dinner will be the opening event on Friday evening with roast beef for the adults and hamburger platters for the kids. Price tags of $5 and $2.50 respectively will apply.

Saturday morning (Jan. 23) sees the Greely Firefighters offer up a pancake breakfast from 8am-10:30am and the afternoon will feature children's sleigh rides from 1pm-2:30pm if the weatherman co-operates. Greely's Girl Guides and Pathfinders have a children's show planned for 3pm.

Saturday evening features the Blackjack Cantina at 8pm with gambling games until midnight and good times until 1am. Seconds Out, a country-rock band will provide music for the evening and tickets are $4 each or $6 per couple.

Sun., Jan. 24 opens with a Mexican flavoured Family Brunch from 11:30am to 1:30pm (adults $3 and children $1.50). Sunday afternoon has a Children's Fun Fair scheduled from 2:30pm-4:30pm for the 12 and under set.

A $2 bill will get the kids (6 to 13 year olds only, please) into the Teenybopper Dance on Mon., Jan. 25. The dance runs from 7:30pm-10pm.

Tuesday at noon is when the Greely Friendship Club serves up their Carnival Luncheon at a cost of $5. Then between 7pm-8pm you can register for the Carnival Dart Tournament. At 8pm, for $3, you can participate in a Blind Draw Doubles dart competition.

On Wed., Jan. 27 at 8pm, the Carnival Euchre party will take place at a cost of $2 and there will be a 7pm start on Thurs., Jan. 28 for the Carnival Bingo. A $200 mini jackpot will be played for that evening.

The Teen Dance and Arcade Night for 14-18 year-olds will be held on Fri., Jan. 29. For $3 the kids can have a good time from 8pm until midnight. A DJ provides the music.

Sat., Jan. 30 will start with a Carnival Breakfast from 8am-10:30am. Mixed Team Darts ($20 per team entry fee) will take centre stage from 11am until 6pm, while the kids, 13 and under, have their Winter Olympics outside; again if the weatherman co-operates.

Saturday evening sees the Carnival Dance take the 8pm-1am time slot, tickets $10. A DJ will provide the music and a late lunch of roast beef on a bun is included.

It is always advisable to obtain advance tickets for events which sell out quickly. Some of the more popular attractions include the Good Times Dinner, the Blackjack Cantina and the Carnival Dance.

Mixed Doubles Darts get underway at noon on Sun., Jan. 31 and runs until about 5pm. Then, at 7pm, the annual and ever popular Variety Show wraps up the 1993 Greely Winter Carnival.

You are reminded to pick up your carnival buttons to ensure eligibility for daily prize draws.

A broomball tournament will run throughout the carnival, as will the popular Family Scavenger Hunt with great prizes and a new one added each day.

If you're planning to make tracks for the border, then think again.

So you think you can get a deal by buying auto parts and tires in the States? Well think again.

While Canada Customs may give you a break if you have had emergency repairs carried out in the U.S., those who travel to the States just to buy cheaper tires or parts, and to escape Canadian taxes, can get a rude awakening when they re-enter the country.

Did you realize that when you take your car out of the country, in effect, you are exporting your vehicle from Canada and when you return, you are importing it back into the country? If you purchase auto parts or tires while out of the country, you are eligible for duties and taxes on these goods.

The same is true for tires. The duty on tires is 6.4 per cent if they are manufactured in Canada or the U.S. and 10.7 per cent if manufactured outside North America.

If, however, you have the parts or tires installed on your vehicle while it is outside the country, then you have enhanced the value of your car or truck and you can be charged duty and taxes **ON THE FULL BOOK VALUE OF THE VEHICLE** before you can bring it back into Canada.

And that can be **VERY** expensive. For instance, the duty on your vehicle will be 5.5% of its book value **PLUS** 7% GST. On, let's say, a car listed in the Blue Book at $15,000, you would have to pay $825.00 in duty and $1,050.00 in GST, for a total of $1,875.00. All so you could save a hundred bucks on the price of a set of tires.

Canada Customs line officers know what they're looking for. If you've bought tires in the States, you'd better not have them mounted on your vehicle while outside the country (or you'd better have a receipt stating that they were replaced on an emergency basis). Otherwise, you could be sent back to have your old tires remounted, unless of course you want to pay 13 per cent of the value of your vehicle to get it home.

And then there's this to consider: a Canadian garage will charge you about $35.00 to mount and balance four tires not purchased at that location. And then there's GST and PST and the $2 per tire disposal tax.

So when it's explained this way, doesn't it make more sense to shop in Canada?
