LIFE'S JOURNEY

"We shall pass through this world but once. If, therefore, there is any good deed or act of kindness we can do for a fellow man, let us do it now; let us not defer nor neglect it, for we shall not pass this way again."

WINCHESTER PRESS

Applicant—"Well, you see, the work is harder when you don't know much about it."

VOL. SIXTY-TWO — WINCHESTER, ONT., THURSDAY, MAY 26th, 1949. — NO. 2

Coming Events

DATES TO REMEMBER

NOTICE

The Annual Recital of the Piano pupils of Miss Annie Walker will be held in the Town Hall, Monday, May 30th, at 7.30 p.m. 2p

BAPTIST DISTRICT CONFERENCE

The Annual Baptist District Conference will be held in the Winchester Baptist Church on Sunday, June 5th, 1949, with morning, afternoon and evening sessions. The guest speaker will be Dr. R. F. Aldwinkle, of McMaster University, Hamilton. Six churches will be represented at the Conference. The president is Rev. Chas. Waddell, and the secretary, Miss Mary L. Cumming, of Vernon

"I AM WITH YOU"

The epic victory of a brave man's faith. A new film—something very much out of the ordinary. Also a children's film. In the Winchester United Church this Saturday night, May 28th, at 8.15. Everybody welcome. 2p

SUNDAY SCHOOL CONVENTION TO BE HELD AT VERNON

Plans have been completed for the annual Sunday School Convention of the Russell County Branch of the Ontario Religious Education Council.

The convention will be held in the Presbyterian Church at Vernon on June 1st, and will be made up of two sessions, afternoon and evening.

The theme of the convention will be "Teaching," and the speaker is to be Rev. N. T. Holmes, O.R.E.C. representative.

The program will include discussions on teaching methods and on the purposes of religious education and a demonstration lesson taught by Mrs. R. W. Gamble, of Russell. Others responsible for part of the program are: Rev. Wesley Bee, Rev. Glynn Firth and Rev. E. G. Warren.

Mrs. Wallace Carkner, of Kenmore, will be in charge of music.

MOVING PICTURES AT TOWN HALL THIS SATURDAY

The feature film to be shown at the Moving Picture Show in the local Town Hall this Saturday Evening will be Hopalong Cassidy in "Bar 20 Rides Again," with William Boyd, Jimmy Ellison, George Hayes. Also Selected Short Subjects. Show starts at 8.30 o'clock. Popular Admission Prices.

ommunity Theatre

Chesterville, Ont.

hurs., Fri., Sat., May 26-27-28

"YELLOW SKY"

There is a great picture coming our way, teeming with suspense, its great drama that blazes its trail of thrills through a thousand miles of badlands charged with romance and excitement. With Gregory Peck, Anne Baxter, Richard Widmark and Henry Morgan.

Mon., Tues., Wed., May 30-31, June 1

" THE SNAKE PIT"

One of the finest motion pictures you will see. It writes a new and unforgettable chapter in motion picture history, the most challenging theme ever filmed, the story of a woman who fought to rip aside the darkness of her mind. With Olivia DeHavilland, Mark Stevens and Celeste Holm.

Local Pianists Win Top Honours At Music Festival

For the second year in succession, the piano team of Dorothy Servage and Catherine Moffat placed first in the eighteen-year-old piano duet class at the Russell Music Festival, held May 18th, 19th and 20th. Playing "Qui Vive," by Ganz, the young ladies scored 92, the highest mark of the Festival, and were highly complimented by Adjudicator Carman Milligan, Mus. Bac.

Playing "Country Gardens," by Grainger, in the sixteen and under, solo class, and "Impromptu," by Schubert, in the open solo piano class, Dorothy Servage won first place in both with a score of 88 in each.

The contralto solo class was won by Miss Marjorie Twiname with a score of 86

Other contestants taking part were Jean McRoberts, Mary MacPherson and Winnie Deeks in the piano solo and duet classes, and Murla Holmes, who competed in the Soprano solo class, 18 years and under.

Miss Moffat, whose time is perfect, according to the Adjudicator, is a pupil of Miss Clara Irving, Winchester, while Miss Servage is a former pupil of the same teacher.

UNITED CHURCH AT HECKSTON RE-DEDICATED

At the re-dedication of St. Andrew's United Church at Heckston, over 400 attended a special service on Sunday. Improvements to the church building, just completed at an estimated cost of $7,000, include the erection of a new Sunday School Hall in the basement, new pulpit and chancel arrangements, heating and plumbing equipment, and renewal of the interior walls with Ten-Test with complete re-decorations. To accommodate the overflow attendance, a loud speaker system was installed in the basement. Guest preacher for the morning service was Rev. H. M. Servage, of Queen Street United Church, Kingston, a former pastor of the Heckston charge. The Winchester Male Quartette, comprising Messrs. Wm. Rowat, Tom Reed, Fred Gibbons and Hugh Wilson, assisted the choir with three vocal selections. The Rev. Allan Simmons, the local pastor, presided, and conducted a baptismal ceremony for nine infants, assisted by Rev. Mr. Servage.

At the evening service Rev. C. R. Matcheson, of Lyn, Ont., another former pastor of the Heckston Church, was the speaker, and special music was provided by the Iroquois United Church choir.

Both guest preachers congratulated the parishioners of Heckston on the fine results of their effortts in improving the church building, and for their vision and courage in attempting such an undertaking.

Many former residents of the Heckston district were present for the occasion from district points, including Winchester, North Gower, Sterling and Gananoque.

H. S. CADET INSPECTION THIS AFTERNOON

The Annual Inspection Ceremonies of the Winchester High School Cadet Corps will be held this afternoon at 2.00 o'clock. The public are invited to attend.

SOFTBALL GAME HERE THIS EVENING

The first local game of the Dundas Softball League will be played at the 100 Club Community Park this evening. South Mountain vs. Winchester.

MORE VOTERS IN GRENVILLE-DUNDAS

A comparison of the population of the various municipalities in Grenville-Dundas in 1949 on completion of the enumeration with that of 1945, is as follows:

Winchester Twp.	1485	1543
Chesterville	739	735
Winchester	830	715
Williamsburg Twp.	1822	1801
Morrisburg	1184	1031
Iroquois	684	681
Matilda Twp.	1816	1866
Mountain Twp.	1589	1602
Oxford Twp.	1337	1254
South Gower Twp.	397	395
Kemptville	990	937
Edwardsburg Twp.	1774	1808
Cardinal	1067	1031
Prescott	2222	2231
Augusta Twp.	1865	1796
Wolford Twp.	689	668
Merrickville	591	544
Total	21,081	20,641

67.4% of those eligible to vote cast a ballot in the 1945 elections.

LOCAL GIRLS AMONG BROCKVILLE GRADUATES

Among those who graduated from the Brockville General Hospital Training School for Nurses, at the Commencement Exercises, held in the Brockvile Collegiate Auditorium on Monday evening, were the following girls from this district: Miss Helen Grace Campbell, daughter of Mrs. Dan Campbell and the late Mr. Campbell, of Ormond. Miss Campbell was awarded the prize for the highest standing in Obstetrics, and Medical Bedside Nursing. Miss Eva Lou Cumming, daughter of Mr. and Mrs. Percy Cumming, of Mountain, was awarded the prize for Professional Adjustment and Leadership, and gave the Valedictory Address on Monday evening.

Miss Laura Porteous, daughter of Mr. and Mrs. Norman Porteous, Winchester. Highest awards in Theoretical Standing and Paediatrics were captured by Miss Porteous.

CONSERVATIVE CONVENTION HELD AT SPENCERVILLE

The Grenville-Dundas Progressive Conservative Association held a Convention at Spencerville last evening to select a candidate to contest the riding in the Federal Election on June 27th. Col A. C. Casselman, who has represented the riding for several years was re-nominated.

Saturday Is Navy League Tag Day

Navy League taggers are hoping for a generous response on Saturday, May 28th, to help finance the work that the League is doing on behalf of Naval ratings and merchant seamen on the coasts and in support of its nation-wide, youth training program.

The Navy League is the civilian organization sponsoring The Royal Canadian Sea Cadets whose members receive special training that is considered "essentially good whether for civilian employment or a career at sea." Its ultimate objective is the development of character and good citizenship.

"Prince Robert" House, in Victoria, B C., caters to young Canadians serving in the Navy and stationed at Esquimalt. It provides club facilities in wholesome, home-like surroundings, where they may spend their leisure time and enjoy games and other forms of recreation. A similar club in Halifax is now under consideration.

In Saint John, N. B., Halifax, Sydney and Louisburg, N. S., the Navy League operates clubs and hostels for the men who man the ships carrying Canadian farm and factory products to world markets. Meals and beds at reasonable prices, the opportunity to meet old friends and make new ones and to receive Sick Bay care when needed, are important factors in the lives of seamen coming to Canada from British and foreign lands The welfare of these men has an important bearing upon the export trade on which the country's prosperity largely depends.

Through its Women's Auxiliary, Navy League is in constant touch with navy and merchant navy personnel who are still in hospitals. Not only at Christmas but throughout the entire year these patients are visited regularly and provided with extra comforts which they might not otherwise receive.

Another phase of Navy League work is that of conducting educational campaigns on matters pertaining to Canada's naval and maritime interests such as the recent essay contest on the subject "Our Navy and Seaborne Trade in our Daily Life.."

Under present-day world conditions, the motto "Keep Watch" has special significance In the two world wars the Navy League was able to render servcies that were considered essential to ultimate victory. It stands ready, today, to meet its responsibilities should an emergency arise again

Navy League Tag Day in Winchester is being supervised by Mr. J. H. Willard, B.A., Principal of the local High School. The date, Saturday, May 28th

If you have any trouble deciding what the other driver is going to do on a slippery pavement, just console yourself with the thought that he probably doesn't know himself.

Severe Wind Storm Does Much Damage

Damage in the severe wind and hail storms, which swept over this district last Wednsday afternoon, continues to mount. The storm came in two sections, the first breaking about 230 in the afternoon This storm was accompanied by hail-stones, some as big as walnuts The hail fell heaviest in the Melvin settlement district, where windows were shattered in many homes and outbuildings.

On the farm of Fife Brothers, 16 panes of glass were broken at the house and as many more in barn windows. In the second storm, which swept over the district in the early evening, and which was accompanied by severe wind, lightning and thunder, the silo on this farm was demolished and considerable damage done to the machine shed. Fife Bros. estimate their loss at over $1000.00.

At the farm of Willis Robinson, 25 panes of glass were smashed by hail, while windows were also broken at the homes of Herbert Gibson and Stanley Gibson.

On the Cayer farm, north of Winchester, a new barn, which was under construction was blown down and considerable damage done to the old structure.

A cow standing in the barn at the farm of Stanley Gibson, Melvin Settlement, was struck by lightning and killed.

Silos on the farms of Lloyd Wilson and Hugh Wilson, in Winchester, were blown down, while each storm demolished a silo on the farm of Peter Dignard, near Harmony

Lightning struck the barn on the farm of Dwight Dawley, west of Winchester, splintering beams and stunning the cattle. Fire broke out on the roof but was quickly extinguished

Both Hydro and telephone lines suffered much damage in Wnichester, due to trees being uprooted and huge branches falling across the lines.

At Tech Summers' Woodcraft Shop on Centre Street, a large pole fell across the Hydro lead-in wires, and the strain on the wires caused them to break loose from the building, tearing a large hole in the north end of the structure. At Piety Hill two large branches blocked the roadway until workmen had them sawed up and removed.

Three transformers were put out of commission in the village during the storms, and Hydro crews worked all night to have them replaced and the damaged lines repaired so that service could be restored with the least possible delay. Likewise, telephone crews were hard-pressed to get their telephone service back to normal.

Probably the heaviest hit resident of the miniature cyclone was Mr. Albert E. Smith, who resides on a farm just west of Chesterville. He places the damages done to his property at $4500.00. A carriage shed, containing much farm machinery, a new Chrysler Sedan, a farm truck and a roadster, took the full force of the wind. In spite of the fact that it was one of the strongest buildings on the place, the whole 60-foot length of it was picked up and dumped on the front lawn. Falling timbers and broken woodwork made a junk heap of much of the machinery. The cars and truck are sorry-looking objects, with the steel tops badly battered and broken. A piece of iron went sailing through a window on the west side of the house and landed with a thud on the sofa. Several silos were demolished in this district, trees uprooted and a number of Hydro poles blown down.

While the damage from hail, wind and lightning was severe, the torrential rains that fell were badly needed.

A continuous rain on Sunday and Monday has soaked the ground in this district, and has accelerated the growth of grass, grain, etc.

BAPTISMAL SERVICE AT SOUTH MOUNTAIN

At the eleven o'clock service at St. St. Peter's Church, South Mountain, this past Sunday morning, The Rev. Leon B. G. Adams officiated at the bapitsm of three infants.

Beverley Jean VanBridger, daughter of Mr. and Mrs. E. M. VanBridger, of South Mountain. Godparents were Mr. and Mrs. George M. Gibbons, of Winchester.

Stephen Gertis Montgomery, son of Mr. and Mrs. G. C. Montgomery, of Smiths Falls. Godparents were Mr. Clarence Marriner, of South Mountain; Mr. George T. Merkley, of Chesterville, and Mrs. Jean Yates, of Montreal

Randall Montgomery Marriner, son of Mr. and Mrs. Clarence F. Marriner, of South Mountain Godparents were Mr. K. D. Beamish, of South Mountain; Mr. Walter Marriner, of South Mountain, and Henrietta A. Kingston, of Lachine, Quebec.

Mrs. Gertis Montgomery provided the organ accompaniment for the choir and congregational singing during both the Sacrament of Holy Baptism and the Sung Eucharist.

Tulips, lilacs, apple blossoms and tall lighted candles adorned the altar for this occasion.

MASONIC CHURCH PARADE

Chesterville Masonic Lodge will attend Divine Service in Morewood United Church on Sunday, May 29th, at 2.30 p.m. All brethren are cordially invited to be present.

H. R. Faulkner, W. M.
A. Jarvis, Secretary.

WINCHESTER THEATRE NEARING COMPLETION

The new, modern "Winchester" motion picture theatre, being erected on St. Lawrence St., South, by Messrs. W C. MacDonald and H. T. Meldrum, is nearing completion and it is expected the seats and operating equipment will be installed next week. With the erection of a large neon sign, the finish coating on the outside of the building, and the laying of concrete between the building and sidewalk will complete the exterior work.

Official opening date of the theatre has been announced for Thursday, June 9th. Watch next week's Press for final details.

Vernon Couple Honoured By Friends

Neighbours and friends of Mr. and Mrs. Wilbert Duncan, of Vernon, surprised them on Friday evening of last week, to honour them on the occasion of their 20th Wedding Anniversary. The house was tastefully decorated with bells and streamers, and a profusion of Spring blooms adorned the rooms.

During the evening ,a corsage and buttonnaire were pinned on the guests of honour by ttheir daughter, Joan, following which a humorous address was read by Mrs. Dan Hill, and a community gift of a China dinner set was presented by Mrs. Elmer Campbell. Both bride and groom voiced sincere appreciation, being especially grateful to those who had arranged the event, and extended a warm welcome to all.

Cards and dancing were enjoyed and dainty refreshments were served. The dining room table was centred with a wedding cake made by Mrs. Elmer Campbell. Mrs. Harold Levere and Mrs. Leonard Giles poured tea.

The guests, numbering well over a hundred, conveyed felicitations to Mr. and Mrs. Duncan, and all shared a very happy event.

A. Y. P. A. MAY BALL A GREAT SUCCESS

Under the auspices of the Anglican Young People's Association of St. Peter's Church, South Mountain, a May Ball was held at the I.O.O.F. Hall in South Mountain on Monday evening, May 23rd, with a large number in attendance. Music was provided by Russ Hay and his orchestra.

The highlight of the evening was the choosing of a May Queen and two attendants by three male judges. Mrs. Francis Shaver, of South Mountain, was chosen as the Queen and her two attendants were Mrs. David Berry, of South Mountain, and Miss Lorraine Murdock, of Smiths Falls. Rev. Leon B. G. Adams enthroned and crowned the Queen, presenting her with her royal scepter and a beautiful bouquet of sweet peas. In the dance following, the "court" paid homage to the Queen by bowing and curtsying before her.

The decoration of the hall and the making of the royal regalia was in charge of Mr. George Black, of Mountain. In charge of refreshments were Mrs. M. Black, Mrs. F. Hyndman, Mrs. G. Montgomery, Mrs. A. Marriner, Mrs. W. Marriner, Mrs. Ray Grant and Mrs. Cecil Canning.

Proceeds of the Ball are to go towards an electric organ for St. Peter's Church which, it is hoped, will be installed as a memorial to Bishop Jacob Mountain on the 200th Anniversary of his birth this year. The President, Mr. Walter Marriner, and his fellow-officers are to be congratulated on providing a very enjoyable evening.

Rink Closes Year With Small Surplus

According to the financial statement, presented at the Annual Meeting of the Winchester Rink Company Limited last Wednesday, the directors were able to show a small surplus on the season's operations. Balance from 1948 was $3375.02, with receipts for the 1948-49 season totalling $2179.95, making a grand total of $5554.98. Actual operating expenses and money spent for general repairs amounted to $1793.44. Cost of the Public Address System was $600.00, while $1483.54 was spent on the erection of a balcony at the north end of the rink and for repairs to the south-end balcony and fence These amounts added to the operating costs totalled $3876.98, leaving a balance in the treasury as at April 30th, 1949, of $1678.00. In addition to cash on hand, the Rink has $1000.00 invested in Government Bonds.

Owing to the late opening of the rink last winter, due to mild weather, receipts for skating, season's tickets and hockey were all down from the previous year. Season ticket sales amounted to $81.50; skating, $507.40, and hockey, $1219.50. Caretaking for the year cost $409.00, while $410.96 was expended for fire, wind and liability insurance.

Directors, all of whom will carry on for another term, are: J. L. Dixon, President; Hart Melvin, Vice President; H. E. Fennell, Secretary; H. L. Flora, Treasurer; Gerald Helmer, W. F. Workman, Dr. D. L. MacLean, J. K. Ault and Harold Lannin.

100 Club Holds Interesting Meeting

The May meeting of the Winchester 100 Club was held at the Golden Pheasant Steak House on Friday evening, with a good attendance.

The President, Centurian Robert Woods, was in the chair, and during the business session resolutions were passed authorizing the purchase of a power-mower for the Club park, and a committee was appointed to investigate prices for a piano for the luncheon hall. A discussion on the possibilities of obtaining a Government Grant for the park from the Department of Agriculture, followed, and a committee was appointed to investigate and report. A vote in favour of introducing the pari-mutuel betting system at the next races was passed, after a lengthy debate.

Centurian Harold Helmer, reporting for the Race Committee, stated that August 1st, the date of the proposed race meet, conflicted with several other races to be held, and that few entries had been received. In view of the fact that Embrun and Gananoque were holding races on that date, it was decided to change the day of the Winchester races, the date to be decided on later.

Centurian Walter MacDonald reported several cases for the attention of the Social Welfare Committee, and authority was granted to extend assistance to three needy children requiring medical care.

The boost, sponsored by Centurians Gerald Helmer and Water MacDonald, was conducted by Centurian Nelson Dixon, with Centurian Eldon Davidson speaking on behalf of the sponsors. Winners of the prizes were Centurians Jack Wray and Randall Wylie.

The president requested all members unable to attend future luncheons to notify the secretary.

The guest speaker for the evening was Mr. George Jowett, President of the International World Youth Movement for Physical Fitness. At the present time he resides at Morrisburg, but was formerly a popular resident of the Inkerman district, where he operated a blacksmith shop.

Winner of the World's Arm Wrestling Trophy for five years in succession, and author and publisher of many works on Physical Youth Training, the speaker traced the growth of the movement since it started in the village of Inkerman 30 years ago. Employed as a blacksmith in that village, now famous as a hockey centre, Mr. Jowett developed the idea of youth body-building and devoted his life to the movement until it became international in scope and has now spread to 23 nations. The speaker related his experiences while travelling—a world traveller—citing comparisons of the physical training of youth in dictatorial countries, and our democracies. He gave startling figures showing the percentage of rejections for military service in democratic nations, as compared with Germany and Russia, where physical fitness of the youth was regarded as a machine, and highly developed as such. The speaker believed in "Theocratic Demoeracy" where youth is developed mentally and spiritually, and not as an animal or a machine as was the case in Russia and Germany. Acclaimed by the press and leaders of many nations, Mr. Jowett said his greatest thrill was derived through a leading American Journal referring to the "Youth Movement having its origin in the small village of Inkerman where it was conceived by a humble blacksmith." Mr. Jowett will leave shortly for Guatemala and points in South America where he will introduce a physical fitness programme at the request of Government officials.

In closing, the speaker said: "The greatest reward for service to mankind comes from gratitude from those you have helped."

Centurian W. J. Cass introduced Mr. Jowett, and he was thanked by Centurian W. J. Stewart.

PASS EXAMS AT MACDONALD COLLEGE

District students who were successful in passing their exams in the faculty of Agriculture and Household Science at Macdonald's College, St. Annes, Que., included: L. G. Crobar, A. J. Fraser and I. C. Fraser, of Morrisburg; G. M. McPherson and M. A. Casselman, of Williamsburg; R. H. Mulvey, Metcalfe; E. G. Harkness and M E. Tanney, of Iroquois, and S. E Rowe, of Chesterville.

To The Housewife

Let your Kitchen work for you by having a properly planned Teck's Woodcraft Kitchen installed in your home. You will be amazed to see how quickly your kitchen can be transformed into a space and work-saving thing of beauty.

All Cabinets are built in my shop and may be supplied with the New, Acid, Stain and Heat Resisting Arborite Plastic Tops.

Just call 258J and without any obligation I will show how you too can have a labor-saving kitchen you will be proud to own.

"A personal interest taken in every installation."

FOREST MEMORIALS

There's a question I would like to ask you—it's been buzzing in my mind for some time, writes R. J. Deachman, a columnist, from Ottawa. What do you think of the national monuments we have erected, here and there, throughout the Dominion? They mark some great events, they tell a story of courage and self-sacrifice but time weathers them—they lose their value—future generations may wonder what they mean.

Would it not be better to establish living memorials in honor of those who have contributed to the building of the nation? This could be done by planting forests here and there throughout the country on land suited for this purpose, not of particular economic value for other purposes. Each forest would have memorial gates and a plaque telling the story of those we desired to honor. Time would enhance the beauty of living memorials. With reasonable care they would never die.

There are no monuments in this country to our pioneers. They were the real heroes of that day, the builders of the nation. With crude tools, with little compensation, in their early years of work, they built homes and changed the wilderness into a smiling happy land. What better monument could they have than the establishment of memorial forests in different areas of the province. They deserve a living monument, at least in every county, perhaps in every township. All honor to them, they were the builders of the nation, soldiers in the army of the Common Good.

NO KICK ON THIS FEE

There have been few complaints over the extra 50 cents which has been tacked on to drivers' licenses in Ontario this year, once the motorists understand what the money is to go for, says the Bowmanville Canadian Statesman.

The levy is used to create the Unsatisfied Judgments Fund, whereby the government itself meets the unsatisfied judgments arising out of traffic accidents. If you are injured by Joe Blow's car, and Joe Blow has no liability insurance and no money, as is often the case, you find it useless to sue, because you can't collect. But now you can sue, get judgment, and the government pays you out of this fund.

Joe Blow does not escape just because the province has paid his debt. He is forbidden to drive a car again unless he reimburses the government for what it spent on his behalf, and gives proof that in the future he will be able to meet his own obligations.

That's cheap insurance protection for 50 cents.

FACTOR FOR CONTENTMENT

Retiring after 60 years of service, an Ontario postmaster sighs and says, "Now I'll be able to grow some roses." In this simple expression of a man's ambition lies the suggestion of tragedy—for thousands of workers die in harness having applied their faculties absorbingly to the job, and often to the exclusion of their cherished personal hopes. Our postmaster friend, probably frustrated from the years of his youth until the day of his retirement, finally realized his one desire—leisure time "to grow some roses." Many are less fortunate. Life, for them, is "one long, unsuccessful effort to keep the money coming in and the teeth and hair from coming out."

A job which provides a comfortable living yet affords leisure to indulge in one's favorite pastime, is the happy compromise—for the chances of a peaceful retirement are uncertain. A career of this kind is the answer to bitterness in many lives; and all reasoned measures for sane working hours and security among wage-earners, are very wisely founded.

EDITORIAL NOTES

Take a tip from our truck drivers. You'll never see our truck drivers pass on a curve or hill, stop or turn without a signal, or refuse to dim their lights. They don't weave in and out of traffic, hog the road, cut in front of you, or pass until they are sure they have plenty of time to pull around, says the editor of "The Mill Tattler," a breezy little news bulletin published in the interests of the H. S. Lannin Limited Staff. And we may add, the truck drivers never forget where they park their trucks.

It is said there are now twenty cocktail bars on Yonge Street, Toronto, where a year ago there were only seven. A half dozen more are expected to open soon; then there will be one bar for approximately every 850 feet along the street. And the people of the city cannot do anything about it, the cocktail bars having been introduced without a vote of the citizens. If Toronto wants to curtail the opening of further liquor outlets, the Council of that city should take the same action as the Ottawa City Council did recently, in requesting the Liquor Control Board to issue no further permits for cocktail bars, etc., without the approval of Council.

For Parents Only

(By Nancy Cleaver)

PICTURE BOOKS

The child who loves picture books has a magic doorway through which he can pass to other hands and other times. If he learns to enjoy picture books he has a source of pleasure which will last him all his life. Pictures stimulate the imagination and help the child pretend that he is in different and novel situations.

Likes The Pictures

Mothers discover that a child can point with glee to the pictures he likes in a book or magazine when he is still quite young. The gay colours attract his attention and most children show a decided preference for certain shades such as red. A little boy or girl enjoys pointing to pictures of familiar objects and naming them—'baby," "dog," "house," etc.

There are a number of attractive picture books for little children. Some are made of durable linen or linette cloth. But it is easy to construct a simple cloth book for a very small child with factory cotton and a sewing machine. Paste in it pretty cutouts of simple, colored pictures which will interest a small youngster.

An older child will derive a lot of satisfaction from his very own picture book made by pasting colored pictures into a large paged scrap book. With just a little guidance and help from parents, a picture scrap book can fill many empty moments. On rainy days when a child is confined indoors or if he is convalescing and must be quiet part of the day, a scrap book hobby has great value.

Add To Its Charm

The illustrations in a book add so much to its charm. There are some cheap children's books which are too cheap for good taste in pictures. But there are many medium priced books and ones costing a little more with very beautiful pictures by artists who know children and who know good art. The librarian in the children's section of any public library will be glad to point out some of these excellent picture books. They include such books as Beatrix Botter's "The Tale of Peter Rabbit"; Lois Lenski's "The Little Auto," "The Little Airplane," "The Little Sail Boat"; Marjorie Flack's "Angus and the Ducks"; Walter Craine's "Fairy Tale Picture Book"; Brunhoff's "The Story of Barbar."

Recently a small leaflet, "Pictures and Stories—to Read, Tell and Show to Little Children" has been published by Boys and Girls House, Toronto Public Libraries. This can be obtained on request and is an excellent guide to a parent in the choice of books for her child. The nine divisions of different kinds of picture books are interesting. They also suggest that even a little child should have variety in his "reading"! The classifications are as follows: Mother Goose Rhymes and Verses, Bible Picture Books, Picture Books of Far Places, Magic Adventure Picture Books, Droll Animals, Picture Stories of Animal Life, Adventture With Sails, Wheels and Wings, and Songs We Sing.

Other Editors' Opinions

SHOE ON OTHER FOOT

(Almonte Gazette)

When a number of Ontario millionaires' estates were forced to pay succession duties which the Hepburn Government claimed should have been collected by its predecessor in office, The Toronto Star loudly applauded this action, claiming that the inheritance tax was one of the fairest ways of gaining public revenue from fortunes left by wealthy men to heirs who never earned them. Now that the present Ontario Government is going after the late Publisher Atkinson's multi-millions, the shoe is on the other foot and The Star is howling that it is being discriminated against by its political enemies.

WHO CAN AFFORD HOSPITAL RATES?

(Pembroke Standard-Observer)

We are told that a hospital just started in a large-sized village, with no industries, but in a good agricultural district, is charging $9.00 per day for private wards.

This may not be five cents higher than will be needed to provide a sufficient revenue for the hospital in this district, but it is absolutely too high for the average person in that village or district to pay.

What then? Without any more shirking, if the Provincial and Federal Governments pull every spare dollar out of the pockets of the citizens of this province by way of taxes, they will have to assume more of the expenses of hospitals, no matter whether they are in the cities, towns, or the Red Cross hospitals in the villages.

The average citizen in Ontario is not wealthy, nor is he a tramp, but he cannot afford $9.00 per day for hospital accommodation.

NO FUN IN THAT!

(Sault Ste. Marie Star)

It's hard to see this movement for a return to the Gaelic language becoming popular in the new Republic of Ireland. How can an Irishman be happy if he knows the English can't understand what he's saying about them?

HOGS IN RETREAT

(Oshawa Times-Gazette)

When Canada, which exported 700 million pounds of bacon to Britain in one year during the war, now finds it difficult to export 160 million pounds in 1949, it is apparent that there is something radically wrong somewhere. Evidently it is now more profitable to market grain as such, rather than feed it to hogs.

Don't Miss The Months That Really Pay!

Speed The Day Your Pullets Lay . . .

With "MIRACLE" Growing Mash

Many a farmer nurses his chicks carefully through the first critical weeks . . . then lets them fend for themselves. The result is slow growth and a poorly developed flock. Instead of starting to lay in the fall when the price of eggs is high, they start months later when eggs are cheap. They also tend to be poorer layers than earlier-maturing pullets.

Feeding your pullets "Miracle" Growing Mash is like sowing good seed in good soil. It always pays off... in a better crop... in higher profits.

"Miracle" Growing Mash gives pullets the vital food elements that build growth. It ensures sturdy, large-framed birds with the internal development and stamina needed to withstand heavy laying. Get *your* flock ready for early production by feeding them "Miracle" Growing Mash now.

Don't Buy Feeds . . . Buy Results!

"MIRACLE" LAYING MASH

Once your pullets begin to lay, feed them "Miracle" Laying Mash liberally. "Miracle" Laying Mash, like all "Miracle" Feeds, is a scientific blend of balanced ingredients, and contains elements to stimulate high egg production.

All "Miracle" Poultry Feeds are available in both regular and pellet form.

Mr. and Mrs. George McIntosh and Barry, and Mr. Elton Miller, of Elma, were supper guests of Mr. and Mrs. Cecil McIntosh on Monday.

The funeral of the late Mathias Bailey was held from the home of his niece, Mrs. T. G. Cunningham, to the Presbyterian Church on Monday, May 9th, with Rev. Iver MacIver conducting the service. Mrs. MacIver sang a solo. He leaves to mourn his loss five children, namely, Mrs. Holister (Orpha), Mrs. Turner (Destie), and Mrs. Gamble (Nina), Messrs. Archie and Berinca Bailey; also 13 grandchildren and a number of great grandchildren. Mr. Bailey was the last of a family of 15 and was in his 84th year. Many floral offerings testified to the esteem in which he was held. Pall-bearers were Messrs. Roy McIntosh, Harve Smith, Clarence Thompson, Jack Bolton, Harold Hess and Tom Holmes. Interment was made in Maple Ridge Cemetery.

MODERN ETIQUETTE

Q. Is it true that any kind of invitation may be extended over the telephone?

A. Yes, with one exception, and that is the formal invitation.

Q. Is it necessary to introduce a newly arrived guest to another guest who is taking leave?

A. No, this is not neecssary. Nor should one ever interrupt a conversation between two persons in order to introduce a third.

Q. How are invitations to a bridal shower issued?

A. By note, card, telephone, or they may be given orally.

Q. Is it correct to eat French fried potatoes with the fingers?

A. No, only with the fork.

Q. When the person who is making an introduction does not speak a name clearly, and it is very important that the name be known, of whom should one ask that the name be repeated?

A. Ask the person introduced, not the one who has made the introduction.

Is it ever possible to take food into the mouth from the point of the spoon?

A. Never; food should always be taken from the side of the spoon.

Q. What is the minimum number of courses one should serve at a luncheon?

A. Three courses.

Q. When giving a gift of silverware to a bride, should the initials of the bride's maiden name or those of her husband's name be engraved upon it?

A. The initials should be those of the bride's maiden name

CANADA'S health

IMMERSED MICROBES

Many diseases are spread through the use of improper drinking fountains. In the "bubbler type fountain," water from the user's lips falls back onto the fountain, to be brought into contact with subsequent users. In the "angle jet" type of fountain the water falls free of the jet and harmful bacteria are washed down the drain. Be on your guard against water-borne diseases.

OUT OF REACH

May dangerous substances including alcohol and iodine may be necessary components of the family medicine chest, but these substances as well as powerful chemicals such as lye and other cleaners, should be kept well out of the reach of small children. Every year children are injured by consuming or handling dangerous household chemicals. Make sure your children are protected.

NOW IS THE TIME

Tuberculosis can be cured. But it can be cured more quickly and easily if it is detected early—before ordinary symptoms are visible. Chest X-ray are science's way of discovering early TB. Mobile X-ray clinics and other X-ray apparatus are available in most parts of Canada for free chest examinations. Have one today and protect yourself against TB.

CURING MENTAL ILLS

No one expects a man to cure his own cancer or a child to treat itself for diphtheria. But many people expect a person suffering from just as real and often more severe a "mental" illness to "snap out of it" unassisted and unguided. Mental illness can, in many cases, be prevented, in others cured, but in any case, a mentally ill person needs sympathetic treatment by a competent psychiatrist.

LEARNING TRAFFIC SAFETY

Each year in Canada some 15,000 children die in traffic accidents, many of which could have been avoided. Traffic experts believe that this terrible toll of life will continue until both motorists and pedestrians have been educated in the basic principles of traffic safety. Common sense safety habits can save our children's lives.

THOSE ITCHY FEET

A troublesome fungous infection of the feet that makes itself known by itching, swelling, redness, cracks in the skin and small blisters, is a serious problem in many sports and industries. Known as "athletes foot," the disease may often be controlled by regular disinfection of floors, provision of special footwear for use in shower rooms, and the use of foot bath disinfectants or foot-powders.

STUDENT VETERANS

(Winnipeg Tribune)

A survey made a few months ago showed that practically all student veterans attending the University of Manitoba had spent all their gratuities on living expenses and a great many of them are running heavily into debt to carry on. They have discovered they cannot take part-time work and keep up with their studies. In the summertime they cannot earn and save sufficient to tide them over the rest of the year.

A stitch in time saves embarrassing exposure.

OBITUARY

LATE C. ARCHIBALD LOUCKS

The death occurred of a very highly esteemed resident of Williamsburg Township in the person of Christian Archibald Loucks, at the Civic Hospital, Ottawa, on Sunday evening, May 8th, after being a patient there for a few weeks. Mrs. Loucks had been in failing health for some time but was in a more serious condition during the few weeks preceding his death. Mr. Loucks was well known throughout this district where he was employed as a cheesemaker in the Williamsburg factory for a number of years. Later, he held a position as clerk in the general stores at Winchester Springs, where, by his many kind acts he won for himself a host of friends who learned with regret of his passing.

He was in his 81st year, born in Williamsburg Township on January 18th, 1868, a son of the late Mr. and Mrs. John Loucks, pioneers of this district. For the past eight years Mr. Loucks had resided at the farm home of his son, Herbert Loucks.

The funeral was held on Tuesday at 1.30 p.m. at the home where the service was conducted by the Rev. Henry Kielty, of Winchester ,assisted by Rev. Jas. A. Bain, of Newington. The message was from Numbers 23:10 "Let me die the death of the righteous, and let my last end be like his." During the service Mrs. Sheldon Robinson very effectively sang: "We'll Never Understand," and "The Last Mile of the Way."

Mr. Loucks is survived by his wife, the former Susannah Jackson, of Nation Valley, whom he married in 1887; one son, Herbert, with whom he resided; one daughter, Mrs. Stanley Thomas, of Ottawa; five grandchildren, two great-grandchildren; three sisters, Miss Eva Loucks, of Morrisburg; Mrs. Audrey Jackson, of Iroquois, and Mrs. Jas. E. Summers, of Speers, Sask.; and one brother, George Loucks, of Mriatown.

Interment was made in Maple Ridge Cemetery. The pall bearers were Messrs. Lyle Thom, Harry Carruthers, Wilfred Carruthers, Harold Pamberton, James Herriman and Cecil Casselman. The many beautiful floral tributes testified to the high esteem in which the deceased was held.

Friends from a distance attending the funeral were: Mr. and Mrs. H. Jackson, Archie Jackson, Mr. and Mrs. Winston Gordon, all of Rochester, N. Y.; Mr. and Mrs. Stanley Thomas, Mr. and Mrs. Alfred Adams, Mr. and Mrs. John McDonald, Mr. and Mrs. Arthur Thomas, and Mrs. Coleman Thomas, all of Ottawa; Mr. and Mrs. Elwood Thomas, of Kingston, and Mr. and Mrs. Ben Johnston, of South Mountain.

VERNON WOMEN'S INSTITUTE

Mr. Steele, of the Forestry Dept., of Kemptville, addressed the May meeting of the Vernon Women's Institute, using slides to show the different ways of protecting and replacing our forests. He appealed to planting of trees on waste land, and the Institute members to encourage to interest children in the work.

During the short business meeting a donation was made toward the cost of the water-softener for the Winchester District Memorial Hospital.

The Co-operative program was discussed and the following delegates were appointed to attend the District Annual at Bowesville on June 9th—Mrs. G. D. Crerar, Mrs. Alex Campbell, Mrs. John Campbell and Mrs. H. Robinson.

A short paper entitled: "Big Oaks From Little Acorns Grow," and a roll call, "A Canadian Tree and its Use," and some singing completed the program.

HOLSTEIN GRADER VISITS WINCHESTER

Mr. George Van Patter, of Aylmer, Ont., grader for the Holstein Breeders Association, who is visiting the Winchester area, finds the quality of Eastern Ontario herds does not measure up to those in the western part of the province. Mr. Van Patter is covering Dundas County herds, classifying cattle. Classification is for the ultimate purpose of improving the quality of cattle, certificates being issued for each animal, which are then registered, and only top grades being used for breeding purposes. Mr. Van Patter, who has been in the Winchester area for the past week, has graded over 200 animals. He states depletion of herds by American buyers who take the "pick of the crop" is a detriment to herd improvement, but this did not apply in the case of the more successful breeders, who are wise enough to protect themselves, and do their own culling. Mr. Van Patter, who is employed by the Association, grades an average of 50 cattle per day.

PROVIDE MORE AND BETTER TELEPHONE SERVICE

TO-DAY, WE HAVE, twice as many employees as five years ago because more people want more service than ever before. Eager, capable, courteous — our operators, installers, the girls in our business offices — all bring to their jobs the same friendly spirit that means better telephone service for you, makes it of greater *value* than most other things you buy.

In the past five years, our payroll has gone up from 20 million to over 50 million dollars. Yet, up to now, despite higher costs on all sides, there has been no increase in the basic telephone rates established 22 years ago.

To-day's expansion program is breaking all records, but there are still orders we haven't been able to fill. We will keep right on working and building to make your telephone service a bigger bargain than ever — to continue to provide more and better service at the lowest possible cost.

DO YOU KNOW about TRAVEL RATION REGULATIONS?

It saves time and trouble when you familiarize yourself with the regulations regarding travel to the United States before you set out on your trip. Here are the facts:

1. The allowance for pleasure travel during the current ration period of November 16th, 1948, to November 15th, 1949, is $150 U.S. per person ($100 in the case of children under 11 years old).
2. A Form H permit, obtainable at any bank, is required to take out of Canada amounts exceeding $10 U.S. or $25 U.S. and Canadian funds.
3. Special allowances are granted for strictly business travel where your application is certified by your employer.
4. Applications for larger amounts of U.S. funds for travel for health or educational purposes may be made on special forms obtainable at your bank.

HUGH McMASTER

PHONE 431 WINCHESTER, ONT.

Hello Homemakers! Rhubarb pudding was my grandmother's favorite dessert. Few words ever pleased her more than her family's praise of Rhubarb Betty. As a good cook her advice was: If you can cook well, do it in various ways, frequently!"

Now here are several recipes you can use frequently during the next four or five weeks.

COCOA SHORTCAKE PUDDING

4 cups of 1-2 inch rhubarb, 1-2 cup granulated sugar.

Grease a large casserole and put in rhubarb and sugar. Sprinkle over a few drops of red coloring. Add the following cake mixture:

Blend in 6 tbsps. shortening and 1-2 cup brown sugar. Beat in 1 egg and then 1-2 cup milk with 1-2 tsp. vanilla.

Mix in another bowl, 1 1-4 cups sifted cake flour, 2 tsps. baking powder, 4 tsps. cocoa and 1-4 tsp. salt.

Combine shortening mixture into dry ingredients gradually. Drop batter by spoonfuls over rhubarb. Bake in a preheated electric oven at 350 degrees about 50 minutes. Yield: 8 servings.

SCALLOPED RHUBARB

2 cups soft crumbs, 3 cups of diced rhubarb, 2-3 cup granulated sugar, 2 tbsps. butter, 1-2 cup seedless raisins, 2 tbsps. water.

Mix crumbs with melted butter and place 1-3 in the bottom of a casserole. Cover with 1-2 of the rhubarb, sugar, water and raisins. Sprinkle with more crumbs, then the remaining fruit, etc. Top with remaining crumbs. Cover. Bake in an electric oven at 375 degrees for 30 minutes. Uncover and bake until rhubarb is tender and crumbs are brown. Serve with cream or hard sauce. Yield: 5 servings.

RHUBARB TAPIOCA

1-3 cup quick cooking tapioca, 3 cups rhubarb, 1 1-4 cups boiling watter, 1 1-3 cups sugar, 2-3 tsp. salt.

Put tapioca in double boiler, add boiling water and salt; cook until tapioca has absorbed water. Peel rhubarb, cut in 3-4 inch pieces and sprinkle with sugar. Add to tapioca; cook until tapioca is transparent and rhubarb is soft. Serve with sugar and thin cream. Serves 6 to 8.

ORANGE BISCUIT RHUBARB

2 cups bread flour, 1 tsp. salt, 1 or 1 1-4 cups milk, 4 tsps. baking powder, 2 tbsps. shortening, 3 cups diced rhubarb.

Mix dry ingredients and sift twice, Cut in the fat with pastry blender. Add liquid gradually, mixing with a knife. Put the diced rhubarb in greased casserole and sprinkle with 1-2 cup sugar, 3 tbsps. water and a few drops red coloring. Then drop the batter by spoonfuls over rhubarb. Bake in electric oven at 375 degrees for 30 minutes.

Variations:

1. To the dry ingredients add 1 tsp. pastry spice.
2. To the dry ingredients add 1-3 cup finely minced peel.
3. To the liquid add 1-2 tsp. pineapple extract.

RHUBARB JUICE

To 3 cups rhubarb add 1-2 cup of sugar and 3 cups water. Cook 10 minutes at boiling point. Let stand until cool. Strain, then chill. Serve in place of orange juice or tomato juice. (May add a dash of red coloring or strawberry extract.)

RHUBARB-PINEAPPLE JAM

1 large pineapple, 4 cups diced rhubarb, juice of 1 lemon, 7 cups sugar, 2 oranges, grated rind; 2 oranges, diced pulp; 1-2 cup raisins, 1-2 cup walnuts.

Cut the edible portion from pineapple and chop finely. Add diced rhubarb, lemon juice, orange rind and pulp, and sugar to pineapple. Let stand overnight. In the morning add raisins and cook slowly until thick. Stir frequently and add chopped walnuts to be cooked for 5 minutes. Pour in hot sterilized jars. When cool cover with melted wax.

HINTS FOR THE HOME

White Enamel

A flannel cloth dipped in garden mud will remove yellow spots from white enamel.

Sandwich Filling

A delicious and different sandwich filling can be made by breaking crisp bacon into peanut butter.

Dry Mop

Be sure to use only enough oil on the dry mop to catch the dust. If the mop is too oily, it will cause the floor to attract dust.

White Linen Shades

Clean white linen shades by using equal parts of flour and borax. The shade should be laid out flat and the dry mixture rubbed on with a clean cloth.

Feather Pillows

When refilling a pillow, crush a small block of camphor and mix with feathers. This will keep the feathers "fresh," and will help to preserve them.

Repairing Windows

If the window pane has been cracked and a new one is not immediately available, give it a coat of clear shellac. This will make it waterproof until a new pane can be procured.

Mud Stains

Let the mud stains dry on the clothing, then break the crust and rub lightly to prevent driving the dirt into the material. If there are any remaining marks, rub with a little alcohol.

Varnished Paper

Varnished wall paper can be cleaned by using a melted bar of yellow soap poured into a pan of warm water. Apply with a soft whitewash brush. Do not have the brush too wet.

Hot Biscuits

If members of your family like hot biscuits and muffins for breakfast, it is a good idea to mix them the night before and let them stand in the refrigerator over night. Then they may be placed in their pans in the morning and no time will be lost.

Smooth Legs

Women who are determined to remove the hair from their legs should use the finenst grade of sandpaper instead of a safety razor, and they will get better results.

Skinny men, women gain 5, 10, 15 lbs.

Get New Pep, Vim, Vigor

What a thrill! Bony limbs fill out; ugly hollows fill up; neck no longer scrawny; body loses half-starved, sickly "bean-pole" look. Thousands of girls, women, men, who never could gain before, are now proud of shapely, healthy-looking bodies. They thank the special vigor-building, flesh-building tonic, Ostrex. Its tonics, stimulants, invigorators, iron, vitamin B1, calcium, enrich blood, improve appetite and digestion so food gives you more strength and nourishment; put flesh on bare bones. Don't fear getting *too* fat. Stop when you've gained the 5, 10, 15 or 20 lbs. you need for normal weight. Costs little. New "get acquainted" size *only* 60c. Try famous Ostrex Tonic Tablets for new vigor and added pounds, this very day. At all druggists.

SHUR-GAIN FEEDS DON'T COST! THEY SAVE YOU MONEY!

SHUR-GAIN FEED SERVICE

Balanced feeding saves you money! The grain and time saved by balanced feeding pays for the concentrate used and the savings go into your pocket.

Compare the value of 450 pounds of grain with the SHUR-GAIN Hog Concentrate required to balance the hog's ration during the feeding period. The difference is more profit to you. The savings from higher grades and fewer losses adds more and more in favour of balanced feeding.

Can you afford to let another day go by without investigating the SHUR-GAIN feeding program?

More Shur-Gain is fed in Canada than any other Brand.

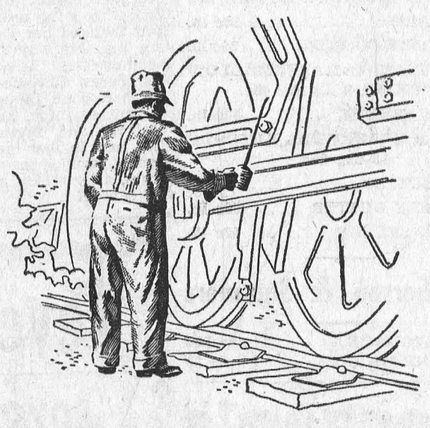
Oil in the



driving gears

BANK CREDIT oils the driving gears of production, industry and commerce. It helps to produce the goods and provide the services and jobs which mark the Canadian way of life.

"Money in the bank" is the foundation of credit. You and some seven million other depositors have nearly *seven billion dollars* in the chartered banks.

To pay for work done, goods produced, bought and sold, Canadians issue — every month — upwards of six billion dollars in cheques.

Cashing these cheques, making loans, discounting notes — in many different ways your bank keeps money and credit moving through all the channels of trade and opportunity . . . like oil in the machinery.

This whole vast, private, *competitive, efficient* process is made possible by your "money in the bank" — and by the experience and skill and integrity of the men and women on Canadian bank staffs.

LOCAL AND GENERAL

Mrs. J. Imrie and Carole are spending this week in Belleville, the guests of Mr. and Mrs. Gerald Wright.

* * * *

Going To Baffinland.

Dr. Amos Clayton and Mrs. Clayton, formerly of, Chesterville, are leaving soon for an outpost station in Baffinland, to be the resident doctor for the area. The section is inhabited by Eskimos.

Graduates From McGill.

Among those who will graduate from McGill University, Montreal, at convocation on May 30th is George Edsol Robert Thompson, of Iroquois. He will graduate with his Bachelor of Science degree.

Awarded Scholarship.

Miss Joan Watson, a student at Queen's University for the past year, has been notified of her success in winning a W. W. Near Scholarship in French. Joan has received all A's on her subjects but one, which was a B.

Smokestack Vanishing.

The 110 feet square smoestack visible for many miles at the Nestle's Milk Products plant at Chesterville is soon to vanish. A familiar landmark since 1916, the old chimney was rendered obsolete when the boilers were removed this spring.

Patient In Hospital.

Mr. Geo. Beattie, of Chesterville, is critically ill in the Cornwall General Hospital. He entered the hospital on Tuesday of last week after suffering a heart attack while staying with his daughter, Mrs. Donald McIntosh, in Cornwall. Mr. Beattie is a brother of Mrs. Geo. E. Earle, and a former member of Winchester Township Council.

Honoured Before Leaving.

Before leaving Winchester recently, Miss Dorothy Marquis, Reg. N., who resigned as Superintendent of the District Memorial Hospital, was presented with a pen and pencil set at a farwell gathering, held at the residence of Rev. and Mrs. Iver D. MacIver. The presentation was accompanied by an appropriate address. Miss Marquis will visit relatives in Brockville and Ottawa before resuming her nursing profession.

LOCAL AND GENERAL

Exhibition Ball Game.

In an exhiibtion softball game, played at the 100 Club Community Park on Friday evening last, Winchester Royals defeated Morrisburg 8-7.

News Items Held Over.

As the Press staff observed the holiday on Tuesday, May 24th, the size of this issue of the Press had to be curtailed to meet the publishing dead-line. As a result, several items of news were held over. These will appear in our next issue.

Convalescing At Home.

Mr. Simon Garlough, who underwent an operation at the District Memorial Hospital, recently, is now convalescing at his home. As much as he enjoys a visit from his friends, doctors' orders are that he is to have no visitors for the next three weeks.

Will Observe Golden Wedding.

Mr. and Mrs. Leonard Brown, of Mountain, will be "at home" to their neighbours and friends on Tuesday, May 31st, from 2 to 4 o'clock in the afternoon, and from 8 to 10 o'clock in the evening, in observance of their Golden Wedding Anniversary.

Engagement Announced.

Mr. and Mrs. Alex McLaren, of Williamsburg, wish to announce the engagement of their daughter, Dorene Pearl, to Mr. Rex Eugene Whitteker, son of Mr. and Mrs. John Whitteker, of Iroquois. Marriage to take place in Morrisburg United Church on June 18th, 1949.

Want Period Reduced.

The Kemptville Board of Education is asking the village council there to have daylight saving end on September 25th, instead of November 26, as now provided, in the belief that the added two months will be a hardship to rural pupils who have to get up early in the morning.

BRIDE-TO-BE HONOURED

At Brockville, on May 18th, at the home of Mr. and Mrs. Lyle Christie, a very nicely arranged shower was held in honour of Miss Grace Byrd, a bride-to-be. A bridal arch and chair were tastefully decorated in pink and white, with tiny white umbrellas adorning the front. The arch was beautiful with clusters along the front and sides, while lilacs added to its beauty and fragrance. The gifts were presented in a nicely decorated basket by Mrs. Neilson. After the gifts were opened, Miss Byrd thanked her many friends in a very pleasing way for all the work the hostesses, Mrs. Lyle Christie, Mrs. Forest Christie and Mrs. Neilson, had done in preparing such a pleasant surprise, and for the gifts received, and invited them all to visit her in her new home. The evening was spent in contests and games, after which a delicious lunch was served.

Sunday In The Churches

From June 5th to 12th, a Parish Mission will be held at the Church of the Holy Trinity, Chesterville. Three services daily. The Missioner will be the Rev. G. W. W. Smith, B.A., Rector of St. Matthias' Church, Toronto. Friends in Winchester and South Mountain will be most welcome.

A MONOPOLY?

(Sault Ste. Marie Star)

As a saboteur, the baggageman has quite a reputation. But at least he can't run the train over our luggage. The looks of the garbage can's top lead us to believe the garage man and his truck have this advantage.

HINTS FOR THE HOME

Aluminum

Duller black aluminum kettles can be cleaned with a cloth dipped in lemon juice and then rinsed with warm water.

Starch

Starch will give stiffer results if one teaspoonful of epsom salts is added to the starch and dissolved in the usual manner by boiling.

Rugs

If the rug begins to show wear at the seams and becomes faded looking, use soft crayons or paints, the same shades of the rest of the rug and touch up the worn spots. That worn look will quickly disappear.

Deodorizer

A very good deodorizer for the sick room can be made by boiling one pint of vinegar with one quart of myrrh.

Shoes

When storing shoes for any length of time brush them thoroughly, and rub vaseline jelly into the leather. Then stuff paper into each shoe, wrap, and put away.

Perspiration Stains

Perspiration stains should always be removed from a garment as soon as possible, as the longer they are allowed to remain the harder they are to remove.
