PHONE NO. 8.

Getting a Start on Morrisburg Line.

The first sod on the Morrisburg and Ottawa Electric Railway Company was turned at 3 o'clock on Friday by the president of the line, Mr. J. G. Kilt, at Iberville. A party from the city, largely composed of directors and shareholders, was present. Among them were Mr. J. G. Kilt, president of the company; Mr. J. R. Biggar, vice-president, and Messrs. R. A. Bishop and R. J. Coplan, stockholders. The work, which it is hoped will progress very favorably during the fall, is in charge of Engineer Vonsydow, late of the C.P.R. The contractor is Mr. J. Tierney.

During the autumn, until the frost comes, a gang of between 25 and 40 men will be employed. At present seven teams of horses have been hired from the neighboring farmers and to these will be added eight more as soon as accommodation can be provided.

After the ceremony the party adjourned to the Engineer's residence for lunch, and then proceeded back to the city by autos. The president expects to have twelve miles of line ready for use by July 1, 1914. This he states, will extend from the city outward, passing through Iberville.

James—Tindale.

The marriage of Miss Margaret Edna Tindale, eldest daughter of Mr. and Mrs. J. W. Tindale of Iroquois, Ontario, and Griffith Albert James of Fort George, B. C., was solemnized Saturday morning, 9th, at Wesley church, by the Rev. Dr. Eber Crummey. W. P. Martin gave away the bride, who wore her travelling gown of marine blue serge and small silk hat of the same color with cerise feather. Miss Bessie Martin, the bridesmaid, wore Alice blue broadcloth with a hat to match David James was best man. Mr. and Mrs. James have left for Fort George to live.

F. A. Reed Wins Case.

Judgment was given at Brockville yesterday morning by His Honor Judge McDonald in the case of F. A. Reed of New York, vs. Mitchell & Wilson, contractors, of Gananoque, for the sum of $800 being the full amount claimed by Mr. Reed. The costs go with the judgment.

The judgment holds that the contractors were not justified in availing themselves of error in the specifications to slur their work or perform it in such a way which would not give plaintiff a building properly constructed. It is also held that owing to Mr. Wilson, one of the contractors including the plaintiff, Mr. Reed to abstain from appointing a superintendent or clerk of works undertaking to see that he got a proper job in every way, there was thrown upon the contractors a special responsibility. The judge also holds that some of the work contracted for was not carried out at all. The defendants are allowed to retain from the damages found against the balance still unpaid of the contract price being $523, and some odd cents. Stay of proceedings for 30 days to allow defendants opportunity to appeal. Messrs. Hutcheson & Driver for the plaintiff. J. Arthur Jackson, K. C., as solicitor, and H. A. Stewart, K.C., counsel for the defendants.

Mr. Reeds cottage is located at Poole's Resort. He is the proprietor of the Park Avenue Hotel in New York.

Send News Items to Record.

C. J. Reilly Buys a Morrisburg Hotel.

C. J. Reilly, bartender at the Farmer's hotel, Ottawa, has purchased the Windsor House at Morrisburg, one of the best known hotels in Eastern Ontario. R. B. Blair the former owner, will remove to Perth.

School's Open Tuesday

The long summer vacation for children will be over in a few days and the school work will start again. Tuesday of next week is the day.

Blind Hero Appointed

Lorne W. Mulloy, B.A. of Winchester, has been appointed to lecture on English and Canadian history in the Royal Military College, Kingston. Mulloy is the blind hero of the South African war, who after losing his sight from a Boer bullet, took his arts course in Queen's University, graduating in 1908. Shortly after he was married to Miss Joan Munro, daughter of the wealthy Canadian lumberman. Mr. and Mrs. Mulloy have for some time been living in Iroquois.

Johnston—Robertson

A very quiet but pleasing event was solemnized on Wednesday, Aug. 27th, 1913, when Grace Robertson, daughter of Mr. and Mrs. Jas. Robertson of Connaught, was united in holy bonds of matrimony to Hudson Johnston, youngest son of Mr. and Mrs. J. W. Johnston of Chesterville, by the Rev. Mr. Gollan of Morewood.

The young couple left on the west bound train intending to visit various western scenes. Upon their return they will reside in Chesterville.

Their many friends unite in wishing them every future happiness.

Coyne—Barry.

The marriage took place in St Mary's church, Morrisburg, on Tuesday morning, Aug. 19th, 1913, at 6.30 o'clock of Mr. Bernard Coyne of Chesterville and Miss Gertrude Barry, second daughter of the late James J. Barry of Glen Becker. The bride, who wore a cream-tailored suit, had as bridesmaid her sister, Miss Lilian Barry, whose costume was of yellow silk. The bridegroom was attended by his brother, Mr. Vincent Coyne. Dr. Leonard Barry gave the bride away. The ceremony was conducted by Rev. Father Meehan.

Breakfast was served at the home of Mrs. Barry of Victoria street, aunt of the bride, after which Mr. and Mrs. Coyne motored to Cornwall to take the R. & O. boat for a trip down the St. Lawrence and up the Saugenay.

Among the out-of-town guests were Dr. Leonard Barry and Miss Alice Barry of Humboldt, Saskatchewan; Mr. and Mrs. Foley of Finch, Mr. and and Mrs. J.T. Barry of Prescott, Mr. and Mrs. Vincent Coyne of Chesterville.

Lennox—Case.

The home of Mr. and Mrs. Joseph Case, sr., Hickory street, Gananoque, was the scene of a pretty wedding at 8 o'clock Wednesday evening, Aug. 20th, 1913, when their daughter, Elizabeth Elsie Case, was united in marriage to William Oscar Lennox of Kemptville. The ceremony was performed before immediate relatives, by Rev. Melvin Taylor, pastor of Grace Methodist church. The bride was attended by her little niece, Miss Helen Case, as flower girl, the groom being unattended. The bride was the recipient of many handsome and useful testimonials of esteem from her many friends attesting to her popularity Mr. and Mrs. Lennox will locate in Gananoque for the present.

Italians Smuggled

Some time during Monday eight Italians were smuggled into the United States from the Canadian side, landing near the shipyard at Ogdensburg. Yesterday seven of them were found at the New York Central depot in the Maple City, where they were waiting to catch the train for Carthage.

Personal

Rev. W. H. Stevens is away for a holiday trip.

Mrs. MacQueen is visiting friends in Berwick.

Mr. Thos. Smith of Maxville, was in town yesterday.

Mrs. Mac Garrow of Ottawa, is visiting friends in town.

Miss F. Hummell is at Torohto, attending the Millinery Openings.

Mr. Roy Merkley of Montreal, spent over Sunday with his parents here.

Mrs. S. W. Boyd of Winchester, spent the past week with Mrs. C. Graham.

Mr. Allen Lapierre of Ottawa, visited his home for a few days the past week.

Mr. John McCadden of Ottawa is spending his holidays in this district.

Miss Winnie Casselman of Montreal, spent a week with friends in this district.

Mr. H. W. Moad left yesterday for Toronto, to visit his sons who reside there.

Messrs. J. Cowan and Ed. Lynch spent a few days last week at Carlsbad Springs.

Mrs. J. Craig has returned to town after spending several weeks at St. George, Ont.

Miss Gertrude Huxtable of New York, is spending her holidays at her parental home here.

Mr. and Mrs. McCart of Avonmore, were the guests of Mr. and Mrs. John Foster last week.

Miss Olive Dwyer has left for Rosedale, Alta., where she goes to teach in a public school.

D. J. Hurley of the Bogart staff, is spending his holidays at his home in Metcalfe and other places.

Mr. and Mrs. John Jordan and daughter Estelle, left Tuesday for Toronto, Buffalo and Niagara Falls.

Master John William Metcalf of Montreal, is visiting his cousin, Mrs. Chas. Lapierre of this place.

Mrs. C. F. Robinson of Fort William, arrived home last Thursday accompanied by her sister, Phylis Merkley.

Mr. and Mrs. Hugh Young of Evanston, Wyoming, have arrived here and intend living on the farm near Dunbar

Mr. and Mrs. E. Ker of Montreal, have returned home after spending a few days last week with Mr. and Mrs. F. Bolster.

Mr. Wm. Moad of Toronto, returned home on Monday after spending a few days with his father and sister of this place.

Mr. and Mrs. Hugh Kearns of Chicago, who have been spending several weeks among friends in this district, have returned home.

Mrs. C. L. Casselman entertained a few lady friends Wednesday evening, Mrs. R. H. Knox of Yorkton, Sask., being the guest of honor.

Mr. W. L. Bell, who has been managing a general store in Finch for the past year, has purchased a store and dwelling in Brinston, Ont., and intends opening a general store at once.

4 DAYS

Relyea's Sale Store, Chesterville, opens Friday, Aug. 29th; Saturday, Aug. 30th; Monday, Sept. 1st; Tuesday, Sept. 2nd. Clearing of All Lines Each Day

TRINITY METHODIST CHURCH

CHESTERVILLE

Winchester Fair.

The annual exhibition of the Winchester Agricultural Society will be held at Winchester on Tuesday and Wednesday, Sept. 2nd and 3rd next. More money has been added to the premium and speed contests, and everything looks bright for the society. For particulars see advt. in RECORD.

Another Shower Has Passed

Miss Bertha Gibbons was hostess at an enjoyable miscellaneous shower held on Wednesday evening, Aug. 21st, in honor of Mr. and Mrs. Geo. Chambers, jr. Covers were laid for twenty-five guests and an enjoyable evening was passed in games and music.

Many useful and pretty gifts were received. Miss Gibbons, having lately returned from Chicago, had some clever games to introduce.

Mrs. Chambers carried away two prizes. Mae seems very lucky lately.

The barns and outbuildings of Benjamin Percival, on the river road west of Kemptville, were burned yesterday. Lightning struck the buildings. Hay, grain, harness and machinery were lost but the horses were saved. The buildings, which were nearly new, were the best in the locality and the loss is between four and five thousand dollars with no insurance.

Born.

DALEY—Near Chesterville, Aug. 27th, 1913, to Mr. and Mrs. Wm. Daley, a daughter.

EMPEY—At Finch, Aug. 5th, 1913, to Mr. and Mrs. Earl G. Empey, a daughter.

JOHNSTON—Near Dunbar, on August 20th, 1913, to Mr. and Mrs. Robert Johnston, a son.

BELL—At Cass Bridge, on Aug. 5, 1913, to Mr. and Mrs. Howard Bell, a daughter.

Married.

COYNE—BARRY—At St. Mary's church, Morrisburg, on Aug. 19th, 1913, by Rev. Father Meehan, Lillian Barry, to Bernard Coyne of Chesterville.

JOHNSTON—ROBERTSON—On Wednesday, Aug. 27th, 1913, by Rev. Mr. Gollan of Morewoed, Grace, daughter of Mr. and Mrs. Jas. Robertson of Connaught, to Hudson, youngest son of Mr. and Mrs. J. W. Johnston of Chesterville.

DIED

BROWNSTETTER—At Winchester, on Aug. 5, 1913, Andrew Brownstetter, aged 94 years.

CAMPBELL—At Cornwall, Aug. 17, 1913, Abbie Agnes Campbell, aged 11 years and 4 days, second daughter of Mr. and Mrs. Angus K. Campbell, Avonmore.

CARMAN—At Morrisburg on Aug. 5, 1913, Hiram Carman, aged 84 years.

ROBB—At Toronto, on Aug. 14, 1913, Mrs. (Dr.) W. M. Robb, formerly of Avonmore.

HARKNESS—On Aug. 13, 1913, Helen Morrison, daughter of the late E, Morrison, of Iroquois, and wife of Dr. John Harkness of Irena, Ont.

Crop Conditions In Dundas County.

Reported August 5th, 1913.

A few showers during the last half of July have improved crop conditions in this district very much. The months of May and June were very cold and dry, taken on the whole thecrops were retarded very much in their growth. At the time conditions began to assume a rather serious aspect the light crops of hay and grain seemed inevitable however, a few refreshing showers and warm weather worked wonders, the prospects at the time of writing are for good yields of sprihg grain, and corn, two crops of great im portance to the Dundas Dairymen.

After having completed a series of drives through almost every part of the county I feel quite optimistic as to the general conditions of crops in this district and am pleased to be able to report favorably on the majority of farm crops. Taking the various crops up more in detail, I would report the following.

HAY.

Severe frosts during the months of March and April, killed practically all of the Red Clover and Alfalfa in this district which decreased the total yield of hay quite cousiderably. Old meadows cut rather light, probably one ton to the acre.

New meadows of Timothy and Alsike gave a good crop of from one and a half tons to two tons per acre. The weather was very favorably during the haying season and the crop went in the barn in excellent condition.

A plot of one third of an acre of Alfalfa, on the experimental plots at Morrisburg, which are undrained, came through the winter in good condition. The following yield has heen harvested from this plot. First cutting June 23rd 2760 pounds of cured hay or a little more than 4 ton per acre. Second cutting, July 19th 760 lbs of cured hay. A third cutting will be ready by Aug. 15th. This shows the possibilities of Alfalfa on drained land in Dundas County.

SPRING WHEAT.

Has a good length of straw and will yield well. Dry weather with plenty of sunshine has caused it to fill with an excellent quality of grain. There is not a very large acreage grown in this district.

BARLEY.

This crop headed out during the very dry weather in July and hence is short in the straw for the most part. It is well filled with plump grain but the heads are also inclined to be short. It will only give a fair yield probably about 30 bushels per acre.

OATS.

Late rains have helped this crop wonderfully and they give promise of a yield better than the average. As this is the most extensively grown cereal in the County it means a great deal to have the crop good. The yield will probably average 50 bus. per acre.

CORN

This is a crop which means a great deal to Dundas Dairymen. It is grown very extensively in this county the majority of farmers having silos from 75 to 150 ton capacity. Although the crop received a setback during the early period of its growth due to cold weather, it has made a fine growth since the warm weather has commenced, It gives promise of a good crop and the silos should be well filled with an excellent quality of silage, if fall frosts do not appear earlier than usual.

ROOTS.

Are not grown to any extent in this section. They are a good crop where grown.

POTATOES

Never was the prospect brighter for the potato crop. They have made a splendid rowth and the weather conditions have been very favourable. No blight has appeared as yet and the potato beetle was very scarce this year.

APPLES.

In orchards that have been well sprayed and pruned a good average crop of clean fruit is found. In orchards sprayed but not thoroughly, the fruit runs from 3 to 25% scab.

In unsprayed orchards the Caterpillars almost completely defoliated the trees and no fruit is on the trees.

Taken on the whole the crop is very short in this district and would not begin to supply local demands. Other fruits are only grown to a very limited extent in this county and only for home consumption.

DAIRY INDUSTRY.

Dundas is a dairy county first and foremost. Up to the present all other lines of agriculture have only been given a secondary place to it. The cheese output is larger per population than any other county of the province. It has been paying good returns to the farmers this year. Cheese has been good price and the milk flow has been good, although dropping off to a considerable extent during the dry weather of June and July. Had the farmers been prepared for this with summer silos it would not have been noticed, but as it was the returns dropped considerably.

Dundas is a county of fertile farms, prosperous farmers. This year will be considered a good average year by those engaged in the agricultural occupation.

Killed Walking Track.

Kingston, Aug. 24—While walking the track, Ambrose Rayner, aged 39, living at Tuttle's Hill, near Kingston. lost his life. His body was found early this morning by a train crew coming in. He had been into Kingston and was on his way home. It is believed that he stepped off one track to allow a train to pass and was caught by another. He leaves a widow and five children. Dr. D. E. Mundell, coroner, will likely hold an inquest.

Enough dynamite, firearms and ammunition to fill a box car and a half has been discovered by soldiers near Nanaimo.

RHEUMATISM KEPT HIM IN BED

Suffered Tortures Until "Fruit-a-tives" Cured Him

McMILLAN'S CORNER, ONT.,
SEPT. 30th. 1910

"Your remedy, "Fruit-a-tives" is a perfect panacea for Rheumatism. For years, I suffered distressing pain from Sciatica or Sciatic Rheumatism, being laid up several times a year for days at a time. I went to different doctors who told me there was no use doing anything—it would pass away. They gave me mustard plasters and other remedies that did no good. Plasters took no effect on me—except to blister me and make raw spots. I took many advertised remedies without benefit, but fortunately, about two years ago, I got "Fruit-a-tives" and they cured me.

Since then, I take "Fruit-a-tives" occasionally and keep free of pain. I am satisfied "Fruit-a-tives" cured me of Rheumatism and they will cure anyone who takes them as directed. If this letter would be of value to you, publish it" JOHN B. McDONALD.

Indeed, this letter is of value to us and to the thousands of sufferers from Rheumatism, Sciatica, Lumbago and Neuralgia. It points the way to a certain cure. 50c a box, 6 for $2.50 trial size, 25c. At dealers or from Fruit-a-tives Limited, Ottawa.

Magistrate Again Short In Return of Fines.

Sault Ste. Marie, Ont., Aug 22.—Following a resolution passed by the Steelton Town Council at its last meeting held August 16th, that if the fines collected in the Police Court by Magistrate W. Wilkes since November of 1912 were not turned over to the town Treasurer by August 20th, the case would be placed in the hands of the Attorney-General, Mayor Lyons today instructed the Town Clerk to follow up the terms of the resolution and advise the Attorney-Generals Department of the facts in the case.

The amount collected and not yet returned in to the Town Sreasurer is in the neighborhood of $200. This action was taken because of its being the second time the shortage has occurred. In November of last year Magistrate Wilkes was called upon to make good a deflict of a sum in the neighborhood of $800, which was finally settled by the Magistrate and his sons. This time the sons refused to provide the funds, and as the time limit has now gone the matter has been turned over to the Attorney-General to effect a settlement.

Catarrh Cannot be Cured

with LOCAL APPLICATIONS, as they cannot reach the seat of the disease. Catarrh is a blood or constitutional disease, and in order to cure it you must take internal remedies. Hall's Catarrh Cure is taken internally, and acts directly on the blood and mucous surfaces. Hall's Catarrh Cure is not a quack medicine. It was prescribed by one of the best physicians in this country for years and is a regular prescription. It is composed of the best tonics known, combined with the best blood purifiers, acting directly on the mucous surfaces. The perfect combination of the two ingredients is what produces such wonderfu lresults in curing Catarrh. Send for testimonials free.

Take Hall's Family Pills for constipation.

Apple Dealers in Western Canada.

The success of apple growing as an industry depends to a great extent on the securing of a good market. It is no uncommon occurrence almost every fall for great quantities of apples to lie about under the trees to rot or to be fed to hogs because no good market is accessible. While the fruit is thus going to waste there are thousands of householders more especially in the prairie provinces that are longing for fresh fruit of a sort that can be stored and drawn upon during the winter months. The difficulty of the one class is to reach buyers for the fruit and of the other to find a supply at a moderate price. To bridge the gulf that separates these two classes, and thereby do both an invaluable service; the Dairy and Cold Storage Commissioner has issued a list of the wholesale and retail apple dealers in Manitoba, Saskatchewan, Alberta and sections of New Ontario whose addresses are available. These which number about 275 dealers and firms, with few exceptions are said to be in a position to buy at least one carload of fruit. This information is given in circular No. 8 of the Dairy and Cold Storage Branch, copies of which may be secured free from the Publications Branch of the Department of Agriculture, at Ottawa.

Canada Year Book Improved.

Ottawa, Aug. 24.—The 1912 edition of the Canada Year Book has just been issued in greatly improved form. The typography has been altered so as to add to the ease of consultation, a good deal of new matter has been added. A map showing the new boundaries of Quebec, Ontario and Manitoba is included, and the general usefulness of the work has been materially improved.

I. O. F. Officers Elected.

The important position of High Vice-Chief Ranger was conferred upon Mr. J. S. Eagleson, of Ottawa, at an evening conference of the delegates of the High Court of Eastern Ontario, I. O. F., held Friday evening at the Chateau Laurier, Ottawa.

Kingston was selected as the next place of meeting.

The following is the complete list of new officers:—High chief ranger, George M. Farrington Picton; past high chief ranger, A. L. Smith, Cornwall; high vice-chief ranger, J. S. Eagleson, Ottawa; High Secretary, George L. Dickinson, Manotick (elected for the seventeenth consecutive time); high treasurer, J.S.R. McCann, Kingston; high physiciau, Dr. W. E. Crain, Crysler; high councillor, A.R. Walker, Belleville; high auditors, J. W. McElroy, Ottawa, and T. Lambert, Kingston. Appointed officers: High orator, Rev. D. L. Gordon, Russell; high journal secretary, Major J. E. deHertel, Perth; high organist, Mrs. A. Sweet, Winchester; H. S. W., J. S. Mix, Brockville; H.J.W., W. J. James, Cornwall; H.S.B., Was. A.J. Bedard. Ottawa; H.H.B., W.J. Gilders, Norwood; high marshal, R. J. Lyon, Ottawa; high conductor, W. H. Pickering, Kingston; high messenger, J. R. Balfour Morrisburg.

World's Wheat Crop, 1913 and 1912.

The following table contains the figures of the 1913 wheat crop of the 41 wheat producing countries of the world compared with the figures for 1912, as estimated for Dornbusch's Floating Cargoes List. Dornbusch has used the official figures as published by the International Agricultural Institute for Bulgaria, Denmark, Spain, Hungary, Italy, United Kingdom, Luxemburg, Russia-in-Europe India and Japan. According to Dornbusch's estimate, this year's crop will be about 100,000,000 bushels larger than last year's, and the official figures published so far seem to support this view.

	1913 bushels	1912 bushels
France	320,000,000	333,968,000
Russia-in-Europe (a)	791,200.000	624,720,000
Rusia-in-Asia (b)	192,000,000	178,000,000
Hungary, Kingdom	156,000.000	184,624,000

UNITED STATES CROP REPORT

The August Crop Report of the United States-Department of Agricultnre gives promise of a corn crop of 2,672,000'000 bushels compared with 3,124,746,000 bushels last year. The production of wheat is estimated at 744,000,000 bushels compared with 701,000,000 bushels estimated last month, and 730,267,000 bushels the final figures for 1912. The oat crop is estimated at 1,028,000,000 bushels against 1,418,337,000 last year, and barley 168,000,000 against 223,824,000 bushels.

Drs. K. & K. TAKE ALL RISKS

Cured by the New Method Treatment

NO NAMES OR PHOTOS USED WITHOUT WRITTEN CONSENT

NERVOUS DEBILITY

Thousands of young and middle-aged men are annually swept to a premature grave through **Early Indiscretions, Excesses and Blood Diseases.** If you have any of the following symptoms **consult us before it is too late.** Are you nervous and weak, despondent and gloomy, specks before the eyes, with dark circles under them, weak back, kidneys irritable, palpitation of the heart, bashful, dreams and losses, sediment in urine, pimples on the face, eyes sunken, hollow cheeks, careworn expression, poor memory, lifeless, distrustful, lack energy and strength, tired mornings, restless nights, changeable moods, weak manhood, premature decay, bone pains, hair loose, sore throat, etc.

YOU WILL BE A WRECK

Our New Method Treatment can cure you and make a man of you. Under its influence the brain becomes active, the blood purified, so that all pimples, blotches and ulcers disappear, the nerves become strong as steel, so that nervousness, bashfulness and despondency vanish, the eye becomes bright, the face full and clear, energy returns to the body and the moral, physical and sexual systems are invigorated; all drains cease—no more vital waste from the system. Don't let quacks and fakirs rob you of your hard earned dollars. **We will cure you or no pay.**

EVERYTHING PRIVATE AND CONFIDENTIAL

READER: No matter who has treated you, write for an honest opinion **Free of Charge.**

Notice To Creditors.

Re Estate of RODNEY MARCELLUS, deceased.

Pursuant to Statute I George V, Chapter 26, notice is hereby given that all Creditors and others having claims against the estate of Rodney Marcellus, deceased, late of the Township of Winchester, in the County of Dundas, who died on or about the 10th day of July A. D., 1913, in the Town of Brockville, are required, on or before the 20th day of September, A. D., 1913, to deliver to the undermentioned Executor full particulars of their claims and of the securities held by them, if any, against the Estate together with their Christian and surnames, and Post Office addresses, and that after the said last mentioned date the said Executor will distribute the assets of the said estate among those entitled thereto, having regard only to the claims of which the said Executor shall then have notice, and that the said Executor will not be liable for any other claims against the said estate.

JAMES W MARCELLUS,
Morewood P.O., Ont.
Morewood, August 16th, 1913.

The Chesterville Horse Show.

Thursday and Friday of last week were days set apart by the Driving Park Acsociation for the holding of a horse show in Chesterville. Thursday proved a very appropriate day and quite a large crowd gathered to take in the show, and everybody expressed themselves as being perfectly satisfied with the day's proceedings.

Friday, the second day of the show, was counted on as the best one, as there was a long list of events to be contested for and the program was billed to start at 10 o'clock in the forenoon. That morning people awakened with the rain falling but it cleared during the forenoon and preparations were made to go on with the show, but again the rain descended, and the directorate decided to postpone the event until Thursday, Sept. 18th. Although it rained nearly all day, the people kept coming, and quite a large crowd was in town. Although the rain marred the proceedings of the day, still it seemed to please the majority of people, and especially the farming public, as it has been dry for so long.

Although the weather was unfavorable for the last day, the directorate look forward for a good one on the 18th of Sept., and should they be favored with it, Chesterville can look forward to having a very large crowd of people.

The Chesterville Driving Park Association, a few years ago, secured about seventeen acres of land, lying in a convenient place, and decided to build a track, which they have done, and which has been pronounced by expert judges, as being one of the best half-mile tracks in Eastern Ontario. This year still more progress has been made and a new grand stand erected, also other buildings at a great expense, and the association are looking forward for favorable results on the 18th of September.

The rain in the evening marred the attendance of the concert somewhat, but in spite of it all, quite a crowd gathered to hear the Hulme family of Prescott, who acquitted themselves in first-class style, and Will J. White a comedian.

The evening's program wound up with a grand assembly, which was right-royally patronized and enjoyed.

The following is the prize list for the events of the first day of the show:

Roadsters—Single roadsters; 1, Donald Campbell; 2, Hugh Wyatt; 3, Dr. Bean.

Carriage Horses—Three-year- old single horse in harness, 15 1-2 hands and under: 1, Fred Parker; 2, Allan Summers 3, Arthur Thom.

Three-year-old Single horse in harness over 15 1-2 hands: 1, Ross Hanson; 2, Garfield Darling; 3, Amazi Froats.

Single horse, 15 1-2 hands and under: 1, James Seeley; 2, Arthur Oriderkirk; 3, Orren Strader.

Single horse, over 15 1.2 hands; 1, Ross Hanson; 2, Orren Dillabough; 3, W. A. Payne

Saddle Horses—1, T. Irving; 2, James Fetterly; 3, W. A McElroy.

Carriage team, 15 1-2 hands and under: 1 Frank Parker; 2, W. J. Sutherland.

Carriage team, over 15 1-2 hands: 1, A. C. McPhail; 2, John Latta.

Clydesdales— two-year-old entire colt: 1, Allison Stock Farm.

Two-year-old (mare or gelding): 1, Allison Stock Farm; 2, Empey Bros.

Draft team (Clydesdales)—In this section there were four entries, Allison Stock Farm, Wyatt Bros., J. C. Stewart, Robt. Simser.

The judging of this section was not completed, and it was decided that the competitors were to show again on the second day, when the prizes would be awarded. The Society then added $10 to the original prizes, making the total for the event $40, which was divided evenly among the four competitors. The class was an extra good one, the horses making a remarkably fine showing. The judge was Mr. Albert Ness, of Howick.

Best herd consisting of brood mare and three colts, two years old and under: 1, Allison Stock Farm; 2, Thomas Irving; 3, R. J. Anderson.

Mr. Irving gave a very pleasing exhibition of his herd of hackneys and won much applause by riding the pony and showing the rest of the herd to great advantage.

Specials—Mr. O. D. Casselman, for best stepping mare or gelding: 1, Ross Hanson; 2, James Seeley.

Mr. Frank McCloskey, for best pair of carriage horses: 1, A.C. McPhail; 2, Frank Parker.

Mr. Isaac Pelletier, for best driving horse in harnes: 1, James Seeley; 2, Fred Parker.

During the afternoon of the first day the public had the pleasure of witnessing some speed contests, and which proved to be rather interesting. The result:

3 Minute Class, Purse $75.00

Judges—Bert Bullfard, Delta; S. W. Ryan, Morrisburg; T. T. Shaw, Chesterville.

Starter—James Hughes, Chesterville.

Old Citizen Passed Away

(From Sherbrooke Record)

"An old resident passed away last evening at his home on Prospect st, in the person of Mr. A. D. Bostwick. The deceased had been in failing health for some time past, but the end came somewhat unexpectedly.

The late Mr. Bostwick was born in Compton on April 29th, 1840. He first entered the employ of the Grand Trunk Railway and later entered the employ of the British American Land Company, with whom he was employed for over thirty years.

On September 13th, 1870, he was married to Lydia H. Stevens. daughter of the late Mayor Stevens of Sherbrooke, and she died in January, 1880. Five children were born of the union, but only one survives, Miss Minnie Bostwick. Two died in infancy, and a son and a daughter passed away after reaching manhood and womanhood.

The late Mr. Bostwick was of a quiet disposition and highly esteemed.

The funeral will take place tomorrow (Saturday) afternoon at 3 o'clock from his late residence to the English Cemetery."

The late Mr. Bostwick was a brother-in-law of Rev W. H. Stevens.

Demand Thaw's Return At Once to Matteawan.

Ottawa, Aug. 26.—Franklin Kennedy, Deputy Attorney General of New York State, arrived in Ottawa this morning to consult with R. A. Pringle K. C., who has been retained by the New York authorities. They had a long conference together and then laid their case before the Immigration authorities and later saw Hon C. J. Doherty, Minister of Justice who is also acting Minister of Interior.

The claim of the New York State officials is that there is no doubt Thaw is insane and as such should be deported. They also claim that it is always the custom to return escaped lunatics to the institution in which they were incarcerated. That thaw is coming to Canada should have incidentally gone through Vermont, they insist should have nothing to do with the case. They ask that he be turned to the Chief American Immigration Officer Clark in Montreal for him to deal with.

Mr. Kennedy and Mr. Pringle laid their case before Blake Robertson Assistant Superintendent of Immigration and also quoted several precedents to show that their requests is following Canadian custom.

"We merely ask that the Immigration Act be carried out in regard to Thaw as it would any other escaped lunatic" said Mr. Pringle. "and we claim that he should be sent back to Matteawan asylum."

The Immigration authorities gave Mr. Pringle no definite reply, other than it was the intention to carry out the Canadian law fearlessly and rigidly.

As soon as Thaw is released from jail the immigration authorities will have a board of inquiry when Thaw's case will be considered and acted upon. Blake Robertson leaves this afternoon for Sherbrooke to take personal charge of the case for the Government.

Mr. Kennedy also leaves for Sherbrooke this afternoon to look after New York case. Mr. Kennedy lays particular emphasis on the fact that the Immigration Act says a man should be returned "from whence he came," and that because Thaw happened to pass through Vermont he should not be sent back there and made a burden on that State.

Thaw Remanded Back to Prison

Sherbrooke, Que., Aug. 27.—Judge Globensky, taking his seat at 3.10 today denounced the forenoon utbreak as the "most disgraceful scene" he had ever witnessed and threatened a jail sentence to any repetition. He made his announcement first in French then in English. Judge Globensky granted the plea for discontinuance of the habeas corpus writ and remanded Thaw to jail. This was a complete victory for the Thaw lawyers.

Every nook and corner of the court room, jury box and grand jury box, chairs benches, aisles were jammed at 2.45 o'clock. Women, most of them well dressed, made up at least a third of the throng. At the back of the room they were ranged in tiers, standing on chairs. Entrances and exits were almost impassible.

In an effort to stop trespassing on its tracks, the C. P. R. had twenty-six brickmakers at Milton fined a nominal sum for going by the tracks, as has been done for twenty years, on their way to and from work.

John McGibbon, jr., a farmer at Dalesville, Que., near Lachute. was shot and killed by his cousin, Leonard James McGsbbon as a result of a family feud of twelve years' standing.

Miss Ethel Morand, Ford City, was seized with a fatal hemorrhage of the brain immediately after a swim in Detroit River after a hearty meal.

Mr. and Mrs. Jas. Myers and baby Alice, were recent visitors at Mrs. Elsie Johnston's.

Mrs. T. St. Aubin is visiting relatives in Montreal.

Mr. Rudolph Loa of Ottawa, is the guest of Mr. Ivan Barkley.

Mr. and Mrs. M. D. Williard, sr. of Riverside, Mr. and Mrs. M. D. Williard, jr., and son Neil of Buffalo, N.Y., motored from Riverside on Saturday and spent over Sunday the guests of Mr. and Mrs. John H. Deeks.

Miss Mary Marcellus journeyed to Morrisburg on Tuesday and intend staying until after the celebration at Crysler's Farm.

Miss Eva MacMillan and Mr. Frank Weaver were the guests of Miss Hazel Dillabough on Sunday.

Mr, and Mrs. Hugh A. Young of Evanston, Wyoming, have decided to live in our district and are moving on the old homestead just south of the saw mill.

Miss Susie McMillian is visiting relatives in Mountain.

Miss Edith Barclay spent Sunday the guest of Miss Lulu Whittaker.

The ladies of the W. F. M. S. of the Presbyterian church here packed a box of clothing on Tuesday last, to be sent to the Mission School at Alberny, B.C. The value of the box was over $100.

BILL NYE.

Law will be Allowed to take its Course.

Ottawa, Aug. 25.--The Cabinet has decided that the law will be allowed to take its course in two capital cases which have been under consideration for some time. Both executions will take place on Thursday of this week. One case is that of Charles Watt of Amherst, N.S., convicted of infantcide, and the other that of Henry Wagner of Nanaimo, B.C., who slew two policemen. Another infantcide case from Winnipeg is now under advisement.

Induction Of Rev. J. B. McLeod.

Yesterday afternoon a very interesting ceremony took place in St. Paul's church of this place when the Rev. J.B. McLeod, B. A. was inducted as pastor of the congregation. The pulpit was occupied by Rev. Mr. Ferguson of Williamsburg and Winchester Springs, who preached the induction sermon, taking as his text Isaiah 32 2 and gave a very able and interesting address. During this part of the services, Miss Christie and Miss Empey each rendered a solo which was very much appreciated.

At the request of Rev. D.O. McArthur of Iroquois, Moderator of the Presbytery, Rev. Gollan of Morewood narrated the steps leading up to the calling of Rev. Mr. McLeod to St. Paul's and after the latter had answered the usual questions the announcement of his induction into this charge in the Presbytery of Brockville was made and the right hand of fellowship extended by the Moderator and members of the Presbytery. Rev. S. A. Woods of Chesterville then addressed the minister elect and Rev. K. A. Gollan the congregation. The meeting then closed with the Doxology—"Praise God from whom all blessings flow."

In the evening an informal reception was tendered their new pastor by ladies and managers of St. Paul's to allow the congregation to personally meet Mr. and Mrs. McLeod. A short programme of speeches by the clergy and vocal and instrumental music was enjoyed in the auditorium of the church after which an adjournment was made to the Sunday school rooms where light refreshments were served and a pleasant social hour was passed.—Press.

"Browns Nurseries are famous for their fine Peach, Apple, Plum and Cherry trees. They have the best nursery soil in Canada and are the largest growers of trees in the Dominion. All scions and budsticks are cut by one man, and he has been in their employ many years, so no mistakes are made by using wrong scions or buds. Send in list of the stock you need, and get their prices. Write for agency as they have some unoccupied territory in this County."

Heavy Damages.

A suit of an interesting character, from the fact that it is the first of its kind tried in Canada, has been entered in the Montreal Courts by Mrs. Wm. H. Irwin, as tutrix to her two minor children, against the C.P.R. Plaintiff states that on June 28th, last, her husband took a train at Montreal for St. Therese. Between St. Rose and St. Therese the train was held up owing to the line being blocked as the result of a collision. The conductor and brakesman walked through the train and advised the passengers to get off and walk to St. Therese. Irwin, says plaintiff, followed the conductor's instructions. He left the train, but in the darkness he mistook the direction and instead of walking towards St. Therese he set out for Montreal. Two hours later he was found dead on the track. Plaintiff sues for $15,000, claiming that if the passengers left the train by the advice of the company's servants the latter were responsible for their safety.

Ex-Chief of Thorold to be Brought Back.

Inspector Greer of the Provincial Police Department, has left for Philadelphia to bring back W. Macdonald, ex-chief of Thorold police. who was arrested in that city on a fugitive warrant charging him with embezzling $1,000 of the town's funds.

Shooting Tragedy near Lachute

Lachute, Que., August 22.—A murder took place near here yesterday when Peter McGibbon shot and killed his uncle John McGibbon, after his cousin John McGibbon jr., the son of the dead man, had shot Peter's father. The story is one of bad blood that has existed between two brothers on adjoining farms for some years, and culminated yesterday in a most bloody murder.

The McGibbons live four miles out from Dalesville, which is about six miles from Lachute. The McGibbons live side by side on adjoining farms. They are fairly prosperous farmers, and have lived there almost all their lives.

On one farm lives John McGibbon the father, John McGibbon his son, and a daughter On the other farm lives Peter McGibbon, his son Peter McGibbon, and another son.

Peter McGibbon and his two sons, following up an old dispute, came on the farm of the brother and uncle. The two parties got into a dispute.

The girl, John McGibbon's daughter, said something it is alleged at the expense of her uncle that was not complimentary.

"If you say that about my father," said young Peter, "I'll strike you."

The girl's brother, John McGibbon said, "If you strike my sister, I'll shoot you and kill you."

The threat was no idle one as both parties possessed a gun.

The girl, it is stated, repeated her insult, and young Peter, as he had threatened, struck the girl on the head and the shoulders.

Then young John, the girl's brother, and Peter's cousin, also keeping up his threat, grabbed his gun and shot at his uncle Peter, it is alleged, and wounded him in the legs. He did not, it was evident, shoot to kill.

Young Peter, seeing his father injured, grabbed his gun. He pointed it at his uncle John and, according to report, shot him deliberately. The ball entered his stomach. Apparently it was not realized how seriously the uncle John was injured, as Peter the father, in spite of his wound, grabbed his brother by the throat and tried to choke the life out of him. But this was not necessary as the man was dying, and ten minutes afterwards he expired on the field where he was shot.

Coroner Wales last night held an inquest on the case at St. Andrew's East, and a charge of manslaughter was laid for the shooting. This morning Bailiff Levine, accompanied by two provincial officers, left Lachute for the McGibbon's farm with orders to arrest the man who did the shooting. It is not known yet whether the other people in the case will be arrested also. The prisoner will be taken to St. Scholisque where the trial will be held, it being the county seat.

The nature of the injury of J. McGibbon, father of the man who did the killing, is not known, but it is not thought to be serious.

School Plots Judging.

The judging of the home plots of the pupils of seven schools in Winchester Township has been completed. This is the second year that the plot competitions have been carried on with the pupils of the Rural Schools of Winchester, and the progress made by the pupils has been most gratifying to those in charge. Many who had given their plots very little care last year, have taken an active interest this year and have splendid crops. The following gives the standing of the schools arranged according to the total average per cent. that the pupils have scored on their plots:—

1st. S. S. No. 16—75.25%
2nd. S. S. No. 8—75.16%
3rd. S. S. No. 10—74.57%
4th. S. S. No. 5—72.36%
5th. S. S. No. 6—72.25%
6th. S. S. No. 14—69.81%
7th. S. S. No. 9—68.75%

This is rather an unfair comparision owing to the fact that some schools have more pupils than others and hence a greater chance of having more disinterested pupils whose plots help to pull the percentage down, yet it is the only way to get at the general average of the school. As the percentage would indicate the gardens of the children have been of a very high order for the most part. The average percent for each school is high.

Next week a list of twenty five of the highest scoring gardens in the Township with their scores, will be given.

Bolt Tears Mattress but Spares Sleepers.

Peterboro' Aug. 21—Last night a Dummer farmer, Robt. Morrow, was keeping vigil over his barns during the thunderstorms, when lightning struck the house, and a bolt tore to shreds the mattress on which his wife and two children were sleeping, and then passed out of the house and tore large holes in the earth. The wife and children were only slightly shocked.

Barrels of Cement and Pitch at Porcupine Contain Whiskey.

South Porcupine, Ont., Aug. 22.—By the fortuuate disclosure that barrels of cement and pitch contained within them 10 gallon kegs of whiskey, the provincial police of this district claim they have put a stop to a great deal of the liquor traffic. The find came about in a peculiar manner on Monday of this week and the constables' suspicion was aroused only when too much cement and tar were shipped into the town.

As a result of the raid made three cases will be heard before Magistrate Thomas Torrance on Saturday afternoon of this week. A barber by the name of Gagnon is out on $500 bail, Joseph Hudan Losse, of the South Porcupine hotel, is out on $150 bail, while E. Jeneau is awaiting a bondsman to be allowed his freedom until the trial takes place.

On Monday afternoon Provincial Constables Smith and Jordan became suspicious of a barrel of tar weighing nearly 300 pounds being unclaimed at the station. They managed to shift the heavy barrel and heard a jolting noise inside. They immediately opened the barrel and in digging out the hard tar located the ten gallon keg of whiskey. A 500 pound barrel of cement which had been allowed to set solid was next investigated and another 10 gallons of booze fell into the hands of the police.

This was the start of an investigation which led to the arrest of three men on whose premises it is alleged other evidences were found which led the officers to suspect that they were the ones carrying on this novel means of importation.

Lucky Escape from Death in Runaway.

Smith's Falls, Aug. 23—Miss Mae Willis was painfully and almost fatally injured in a runaway accident yesterday, when the horse she was driving took fright at the motor bus and bolted. Miss Willis was getting the horse well in hand, when in crossing the swing bridge one of the wheels struck the railing, and Miss Willis shot into the air. In falling her head struck the ironwork of the bridge, and it was thought she was instantly killed. She was taken to Dr. Murphy's surgery. An examination made disclosed no broken bones, and after a night's rest Miss Willis is practically all right.

The big ice house and cold storage building at Anglers' Club, Long Island, owned by Mr. I. G. Ogden of the C.P.R., was completely consumed by fire Tuesday night. Mr. Ogden suspects incendiarism and offers a reward for the apprehension of the guilty parties.

Ten Aged Judges Slated to Retire

Ottawa, Aug. 21—The operation of the new amendment to the Judges Act will call for the retirement in a short time of ten judges of county courts. Eight of them are in Ontario. The Act as amended last session provides that a county judge on reaching 75 years of age shall retire from the bench. He will be entitled however, to full pay.

No special notification has been sent out to the judges affected, but there is reason to believe that they are fully aware of the new provisions, and in all cases are ready to abide by them. In Ontario there are now four county judgeships vacant, or twelve in all, making allowance for automatic retirements. The number of aspirants is fully equal to the number of vacancies.

The new law does not apply to supreme court judges, who may retire voluntarily after so many years service and receive full pay. If they choose to do so, Sir John Boyd and Mr. Justice Britton are now eligible to avail themselves of this provision, but it is not intimated that they have any intention yet of taking that course.

Leaped Sixty Feet from Burning Factory

Montreal, Aug. 22.—Driven by fire to the roof of the Rideau Shirt Mfg. Co.'s building in Maisonneuve this afternoon, a score of employees, including half a dozen girls, were forced to jump sixty feet into life nets. Many of those who took the leap were badly bruised, but only one, Patrick Keenan, was seriously injured. He was taken to a hospital.

All of the 200 employees either left the building safely by the stairways or were rescued by firemen from the fire escapes.

The flames started from an unknown cause, in the basement, and quickly shot up the elevator shaft, filling the building with a blinding smoke. The building was completely gutted, entailing a loss of $125,000, fully covered by insurance.

Three Children are Buried in Slide.

Peterboro', Ont., Aug. 21—In Belmont township three children of W. M. Robinson, playing in a sand pit a day or two ago, were buried by a slide. Before the accident was discovered and the bodies were recovered, all were dead.

Gordon Wales, a Mersea farmer, was stricken with heart disease while riding on a waggon, and, falling off died instantly.

Ottawa Exhibition.

The Programme of the Ottawa exhibition has just been issued with a concise summary of the leading features of the big event. It can be observed at a glance that the coming Central Canada Fair, which opens to the public on September 8th, will be an exposition which nobody in the zone of cheap railway rates should wilfully miss.

Uhe agricultural side of the enterprize is improved above other years by the free transportation of live stock, increase of prize money to $50,000, the addition of new implement exhibits, dairy demonstrations and many other advantages to the farmer. The aeroplane flights will be at 11,30 a.m. and 4 p.m., starting from the grounds, thus enabling all visitors to benefit by the demonstrations of the wonderful science which is daily suggesting stranger possibilities. For the afternoon and night vaudeville programmes, ten of the most famous acts ever offered at Ottawa will be presented. The midway menagerie and Coney Island features are worth quarter of a million dollars. The "Siege of Delhi," moving picture fireworks, and other specialties, detailed in the programme, are superior to anything of the kind attempted in past years. The programme will be sent to any address on application.

One of the innovation is an improved meal service resulting in the removal of all dining and lunch booths to permanent quarters under the grand stand. An acre of space will be occupied with tables. Meals and lunches at different prices will be sold.

A reckoning just made shows that 4,000 people will be engaged in various duties on the grounds during the Exhibition, so big has it become. About half of these are attendants in the agricultural and manufacturers' departments. Another thousand are to be sound in the dining halls, Midway shows, etc. There will be 300 in the "Siege of Delhi," 200 bandsmen, 200 officials and 100 in vaudeville or other entertainment. Entries positively close August 20th. In order to issue the live stock catalogues at the time arranged no entries can be received after the time specified. Six-for-a-dollar tickets will be mailed on application.

Concrete Lanes Much in Favor.

Thirty thousand dollars will be spent by the Board of Control this year in concrete lanes. The use of concrete over a gravel foundation, and without any other top dressing has become very popular in many eastern and American cities of late years, and it is claimed that this style of roadway for suburban steeets and lanes is the cheapest and best yet devised by the road making experts. One lane in the rear of Kingsway was done in this way by the city early this spring, and so far gives promise of being entirely satisfactory.

READ ABOUT THE GREAT INVENTION

THE ECCENTRIC SPROCKET WHEEL

Long spokes give greater tying-power. (See arrow A.)
Short spokes give swifter bundle discharge. (See arrow B.)
When you take hold of a heavy stone, exert all your strength and it refuses to budge, what do you call for? A long crowbar, of course. Why? Because greater power is obtainable with the long lever.
The great Invention—the Eccentric Sprocket Wheel (note arrow C)—is built on the principle of the lever. The long spokes (see arrow A and note how much longer than at arrow B) act as long levers—give greater leverage power.

It works out this way:

On our No. 3 Binder, when the bundle is about to be tied, the chain is pulled over the long spokes, which exert all their great leverage power—fully 16⅔ per cent. more than is obtainable with the ordinary wheel. The grain is compressed far more tightly. You get a neater, more compact bundle and save considerable TWINE. Easier to pick up, Easier to carry, easier to shock.

Immediately after our Knotter ties the bundle, the chain is pulled over the short spokes (see arrow B and note difference in length of spoke as compared with arrow A). The shorter spokes greatly increase the speed of the chain. The bundle is given a swifter discharge than with ordinary wheel, and the needle is speedily brought back, out of the way of the downcoming grain, into position for the next sheaf.

The Eccentric Sprocket does this, too—it prevents that "jar" or "jerk" always noticed on other machines when a bundle is being tied and discharged. You will not feel it on the No. 3; neither will your horses be annoyed by it, nor "the life" of the machine be shortened. Frost & Wood No. 3 runs along and does its work without even a suggestion of that "jerk."

Now, you see why every maker would put the Eccentric Sprocket Wheel on his binder if we did not control the patents for Canada. You see why it's wise to invest a post card and get our Binder Booklet so as to become thoroughly posted on the peer of them all—the Frost & Wood No. 3.

You are on the right track when you start investigating our No. 3—the binder that is built by a purely Canadian Company, who thoroughly understands Canadian conditions. We would like you to read a few of the hundreds of testimonials we have received from Canadian farmers, which back up our claims to the letter.

Just write us for catalogue

Children With Defective Sight.

A letter received by Mr. Gardiner, Principal of the Ontario School for the Blind, from the Superintendent of the American Mission School for the blind at Bombay, India, mentions that the estimated number of blind people in India is 500,000, of whom certainly not more than 50C have had any opportunity for an education or training along industrial lines. Reports from many places in the United States, as well as from several European countries, indicate that blindness is decreasing in the most highly civilized communities, largely as the result of greater knowledge, and more attention to preventative measures, on the part of physicians and nurses. While the returns of the last Dominion census on this subject have not yet been tabulated and published, there is reason to believe that a similar statement is applicable to Canada. Nevertheless, it is probable that there are now—as there always have been—many young people in Ontario who ought to be enrolled as pupils in the school at Brantford, but are not. Some parents of blind children have never heard of the school; others are sensitive about letting it be known that their children are afflicted; many, from what might be described as excessive affection, do not like to be separated from their children, even for the children's good. To get into communication with the parents of those for whose benefit the school is maintained, the principal depends largely upon the kind intervention of neighbours, teachers, ministers and municipal officers and he will be glad to get from any reader of the RECORD the name and postoffice address of any person under twenty-one years of age, who is blind or whose sight is so defective that attendance at the local public school is not practicable. By the methods in use at Brantford a good English education can be acquired by the sightless, the instruction is also given in such trades as are available to enable the blind to become self-supporting. Tnere is no charge for board, tuition or books. Address H. F. Gardiner, Principal O.S.B., Brantford.

Sad Death of Young Pembroke Woman.

Pembroke, Aug. 23.—A death occurred in the Cortage hospital here yesterday morning, when Mrs. David Wright of Perretton, passed away.

The sadness of the death is in the fact that the deceased lady was out milking the previous evening, and noticing the fence on fire made an attempt to put it out, when her clothing caught and she was terribly burned.

Immediately she was brought to the hospital here, but the best of medical service could not save her life, and she died next morning.

The late Mrs. Wright was only 26 years of age and leaves to mourn her loss a husband and two small children.

G. G. Publow, dairy inspector for eastern Ontario, states that the decline of cheese production in Ontario owing to dry weather will amount to $2,210,000.

DECLINE SUBSTITUTES

Work Of Dominion Department Of Agriculture.

The report of the Minister of Agriculture for the year ending March 31st, 1913 has been printed. It contains in concise and readable form a review of the work carried on by the Department of Agriculture through its several branches and divisions during the year. It includes also the orders in Council that were passed affecting agriculture.

The report is presented under five general heads as follows:—1 General remarks, 2-Arts and Agriculture; 3 Patents of Invention; 4 Copyrights, Trade Marks, Industrial Designs, and Timber Marks; 5-Public Health. There is also included an appendix having referencence to Public Health, Exhibition and the Seventh International Congress held at Rome against Tuberculosis.

Referring to the trade in dairy products it is pointed out that for the first time in sixty years no butter was exported to the United Kingdom, but on the other hand more than six and one half million pounds were imported into Canada during the year.

In the Seed Branch among other work almost nineteen thousand samples of farm seeds were tested for farmers and seed merchants.

The Live Stock Commissioner by means of public sales distributed upwards of 1300 breeding sheep about one third of which were pure-bred rams. In the Record of Perfomance about 1000 cows have been entered for test. These represent stock of about 150 farms.

Through the Experimental Farms system which includes the Central Farm and fifteen branch farms and Stations an enormous amount of work has been done. The report not only gives one a general knowledge of its extent but brings to view many accomplishments for agriculture. In Saskatchewan, it is pointed out that the new spring wheat "Marquis" yielded at the rate of 81 bushels per acre. The still newer 'Prelude" wheat which ripens much earlier than other good sorts was sent out for test during the year. A much larger quantity is promised for distribution during the coming winter. Many other useful points are recorded in the minister's report copies of which are available to those who apply for it to the Publications Branch of the Department of Agriculture at Ottawa.

Hamilton Township Bridges Swept away

Cobourg, Aug. 24.—Friday night's heavy rain and flood swept away over twenty bridges and a number of dams in Hamilton Townsnip. In some places large trees were torn up, and at Camborne a large cement bridge recently erected was destroyed. Considerable damage is reported also from Haldimand Township, where several mill dams were carried away. The bridges were swept out like driftwood, and roads were gullied and torn up and other damage done.

EATON'S FALL AND WINTER CATALOGUE

"350 PAGES Brimful of Splendid Buying Opportunities that mean quite a Saving."

"Bigger and Better than Ever."

This Book is yours for the asking.

Something of Everything at Popular Prices.

Death of Mrs. (Dr.) W. M. Robb.

The sad death of Mrs. (Dr.) W. M. Robb, formerly of Avonmore, which occurred on Thursday, Aug. 14th, at her home in Toronto, came as a great shock to her relatives and friends. Although being in ill health for over a month, she was not considered dangerously ill until a few days before her death, when her sister, Mrs. Watts of Kingston, was called to Toronto to be with her. All that medical skill and care could do was of no avail and God claimed her for His own. During her short stay in Toronto she made many friends and took an active part in the various departments of the Perth Avenue Methodist Church and leaves a vacancy that will not easily be filled.

The deceased was married in December 1908, to Dr. W. M. Robb, then practicing at Avonmore. Before her marriage Mrs. Robb had been a kindergarten teacher in Kingston and later in Ottawa. A year ago she and her husband moved to Toronto, where Dr. Robb continued in the practice of his profession. She is survived by her husband, her parents, two sisters, one brother, Mr. R. W. McVety, an attorney at Summerdale, Alabama.

A short service was conducted by the Rev. Mr. Dunn and Rev. Andrew McLaughlin, at her late residence, 181 Perth Avenue, on Thursday evening, before the remains were brought to Kingston, to the residence of her brother-in-law, Mr. H. W. Watts, Frontenac Street, where the funeral service was conducted on Saturday afternoon at 2,30 by Rev. John Webster, Kingston, and Rev. J. E. McVety, Ottawa. Interment was made at Cataraqui Cemetery. The pall-bearers were Messrs. H. W. Watts, W. S. Gordon, J. S. McLean, W. A. Robb, R. Robinson, H. Ainslie. Among the relatives present from a distance were Rev. J. E. and Mrs. McVety, Ottawa; Mrs. Geo. Worrell, Toronto; Mr. and Mrs. J. S. McLean, Ottawa; Mr. W. A. Robb and Miss Blanche Robb, Lunenburg. The floral tributes were as follows: Pillow from her husband; cross from her father and mother; anchor from sisters, Mrs. W. S. Gordon and Mrs. H. W. Watts, Kingston; wreath from Mr. and Mrs. W. S. Robb and family; sprays from Mr. and Mrs. J. S. McLean, Ottawa; Dr. and Mrs. Aykroyd, Mr. and Mrs. Oscar Aykroyd, Mr. and Mrs. Gordon, sr., Mrs. Godwin, Kingston; Mrs. Livingston, Mr. and Mrs. Halfner, Sada and Emma Allen, Mrs. Ireland, Mrs. and Miss Cuthbertson, Annie Thompson, Toronto; Miss Whitfield, Kingston; crescent from Mr. Wm. Mack, Kingston; wreaths from Perth Avenue Methodist Choir, Toronto; Perth Avenue Sunday School; Perth Avenue Epworth League; Yeoman's Call, W.C.T.U.; Perth Avenue Ladies' Aid; J. B. King, I. O. O. F. Lodge, Toronto; Talitha Rebekah Lodge, Avonmore; and sprays from several members of her Sunday School class.

Aull Working as a Laborer.

Cobourg, Aug. 26.—Because he needs the money, Robert Aull, who recently married a young Toronto society lady under sensational circumstances, has gone to work. He is employed as a laborer in the laying of the foundation of the new C. P.R station here at $2 a day, and he has of necessity, moved from a fashionable hotel to a modest boarding house. His telegrams to St. Louis for funds have not been fruitful, and he had to do something. He is cheerful over it all, and says he and his young wife, when she comes to him, must live happily as boarders until he becomes wealthy, as he expects to do.

Haliburton district is now clear of fires, and they have been practically quenched also around Parry Sound.

Mr. and Mrs. George Daley of Farran's Point, announce the engagement of their daughter, Agnes Beatrice, to Mr. Gerald P. Fitz gerald, of Belleville, Ont., the marriage to take place September 15th.

The curfew bell was rung at Brockville on Tuesday night for the first time since the provincial enactment of last session. All children under the age of sixteen years, unless accompanied by a parent or guardian, must be off the streets at nine o'clock or the parents are liable to a call to the police court.

At the recent law examinations held in Alberta the following from this section were successful: George Steer of Chesterville and Archibald Cameron of Morrisburg, in their first year and Robert McLaughlin of Morrisburg in his second all of them standing high. The trio of budding Blackstones are arts graduates of Queen's University and have lately been studying law in Edmonton.

Be on hand Friday morning, 8 a.m., Aug. 29th, Opening of Relyea's Great Moving Leaving Town Sale.

A very pretty wedding was solemnized in St. Mary's church, Morrisburg, on the morning of the 18th, inst., when Miss Grace M. Hutt, daughter of Mr. and Mrs. Simon Hutt of Mariatown, was united in marriage to Mr. Martin S. Flinn, son of Mr. and Mrs James Flinn of Cardinal. The bride wore white embroidered silk with a picture hat to match. They left on their wedding tour through the Thousand Islands, Toronto and Niagara Falls, and returning by Montreal will take up their residence in Cardinal.

Bi-lingual Postcards For Canada

Ottawa, Aug. 27. —Canada will now have bi-lingual postcards. The latest issue is in both French and English and it is the intention in future to have the two languages on all postcards. At present the only printed matter has been in English. This change has been made as a Departmental regulation, and as French is an official language, the authorities are quite within their rights. There will be no change in the postage stamps at present and English alone will appear. In fact the postage stamps cannot be altered without authorization of Parliament. On the new postcards appear beneath the word "Postcard" the French equivalent, "Carte postale" and the notice that "this side is reserved for the address" is also translated into French

Ottawa Considers Earl Grey's Plan.

Ottawa, Aug. 19.—The Government is considering Earl Grey's scheme for one magnificent building in London for all the offices of the Overseas Dominions.

Plans and drawings of the scheme have been received at Ottawa. There is a million dollars in the appropriation for the purpose of a Dominion building in the estimates now. No decision has yet been made as to whether Canada will fall in with Lord Grey's plan.

The Late Mrs. James A. Burton

The many friends of Mrs. James A. Burton were shocked on learning that she had passed suddenly away on Thursday, Aug. 14, 1913, at the residence of her daughter, Mrs. J. J. Murphy, Cambellford, with whom she had been spending some weeks, at the age of 69 years. While she had not been in the best of health for some months, it was not anticipated that death was so soon to overtake her, and it is needless to say that it came as a great shock to her family and many friends. The deceased, whose maiden name was Helen McMaster, was born on Nov. 7th, 1844, being a daughter of Donald McMaster and Mary Cameron of Williamstown. She was joined in marriage to Mr. James A. Burton at Williamstown, March 18th, 1863, by the Rev. P. Watson. They resided at Williamstown until 1886, when the family removed to Maxville.

The late Mrs. Burton was a woman whom it was a pleasure to know and esteem. She was at all times revered for her kindly and charitable activities. She was possessed of more than ordinary ability, being a clever writer and most entertaining conversationalist.

Besides her husband, she leaves to mourn her loss, three daughters and two sons, namely Mrs. W. M. Saucier, Chesterville; Mrs. H. A. McIntyre, Maxville. Mrs. J. J. Murphy, Campbellford; Byron Burton, Edmonton, Alta., and Arthur Burton, Burton City, B.C. She was also a sister of Donald McMaster, K.C.M.P. for Chertsey, Surrey, Eng., now with the British Parliamentarians touring in Australia.

Her remains were conveyed to her home in Maxville, from where the funeral took place to Williamstown cemetery on Sunday. A large number followed in procession as a tribute of love and respect for a noble woman and devoted mother. At her late residence service was conducted by the Rev. Thos. Johnstone while Rev. Mr. Scott of Perth, in the unavoidable absence of Rev. A. Govan, officiated at the grave.

The pallbearers were: Messrs. J. J. Wightman, Ottawa; P. H. McEwen, P. Kippen, J. A. Cameron. Dr. Morrow, and A. J. McEwen, all of Maxville.

Many handsome floral emblems testified silently but truly the high esteem in which the late Mrs. Burton was held in this life, and were expressive of the deep regret felt over her death.

Frank Cook Fell Between Cars.

Ottawa, Ont. Aug. 26.—Frank Cook, of 332 James street, a brakeman on the C. P. R. freight train that arrives at Buckingham, Que., shortly after eight o'clock every morning, was instantly killed at that place this morning when he fell between two cars while the train was in motion.

The train was travelling through the Buckingham yards at a slow rate of speed when the accident occurred, according to reports received. It is supposed that Cook was stepping from one car to another when he lost his balance and fell. His body was horribly mangled.

The train, which was in charge of Conductor Lafleur, is commonly known among trainmen as the "Buck," being a local freight on the North Shore line. Cook, who was about thirty years of age, leaves a wife and family.

Coroner Lyster, Hull, has been notiffed and an inquest will be held tonight at Buckingham Junction.

Three Fight for Lanark Choice.

Perth, Ont., Aug. 26—The South Lanark Conservatives will meet in convention on Friday to choose a candidate to represent them in the coming bye-election. Three men at least, Colonel Balderson and Dr. Hanna of Perth, and Mr. S. Gilroy of Smith's Falls, will fight for nomination. Dr. Hanna and Mr. Gilroy have signed papers agreeing to stand by convention's choice.

So far Col. Balderson has not signed so his action in case he loses Friday's convention, is uncertain.

The body of Bert Bingham a Simcoe county resident, was discovered floating in Lake Simcoe by bathers.

Cornwall General Hospital.

This institution provides skilled nursing and care at very moderate rates to those able to pay, and without charge to indigent persons from the three United Counties, other than the Municipal Grants.

It is kept up by:

1. Fees from paying patients.
2. Grants from the Government and Municipalities.
3. Donations and Subscriptions from Churches, Corporations, Societies and Individuals, the last being the largest source of revenue.

You are asked to assist in this work

The nucleus of an endowment fund has been established by a legacy recently received, and parties remembering the Hospital in their wills may stipulate that bequests made by them shall go to this fund.

If you would like a copy of the last Annual Report, drop a card to the Secretary, who will be pleased to send you one.
