Bits & Pieces

Junior math contest

The results are in . . . the North Dundas Junior Math Team placed sixth in the results from Zone 66. Zone 66 takes in 28 schools in the surrounding area. On the North Dundas team were Bernd Jakel, Megan Justus, Gerald Jansen, Beverley Cherry and Rob Gray. Bernd Jakel deserves honourable mention as his final total placed him third in Zone 66 and he was named to the Honour Roll. Congratulations are extended to all the students and their coaches Mr Sherwood and Mr J. Brown.

Nation River Gold

Each year as the snow disappears, the flood waters subside and the weather turns warm local people take to the banks of the nation river in hopes of landing a long string of their favourite mudpout. On Sunday the weather was particularly nice and the banks of the river east of Chesterville were lined. We counted 19 cars parked between the old iron bridge and the new bridge along the Berwick Road. Most reports note that the fishing is good, although one local resident, who took his two small sons fishing for a spell, said they had little trouble dragging home the catch. He was not so sure there was a lack of fish — it seems the two lads were so enthusiastic that they could not wait long enough for the fish to bite — they constantly were hauling in on the line. Like many other things . . . the lads fishing ability will improve with age.

A close call for Al

When it comes to "close shaves" there are not many people who can lay claim to a closer shave than that which occured to Al Dube, the president of the new Canadiana Pottery plant at Ingleside. Recently while going to his home on Island 17 he was driving along in his new Buick Station Wagon when his reveries were interrupted by a terrific crash and the pungent smell of lightning. At the time there was a severe storm in the area and Al assumed something close by had taken the brunt of the lightning strike. When he arrived home he noticed the luggage rack on the roof of the vehicle didn't look just right. He investigated further and found, to his amazement, what the lightning had struck. The rack was burned and the charge had gone down through the back of the car burning a strip through the upholstery of the rear seat directly behind where he was sitting. Now Al only has one small problem, he has to get the insurance company to believe the story to get the car repaired. That's a little too close for comfort.

Our most precious resource

At this time of year local residents must re-atune their ears to new sounds and their eyes to new sights. The motorized snow vehicles gives way to the automobile and bicycle. And the sounds change from a screaming two-stroke to a thudding four-cycle. A new crop of drivers appear sporting new wheels and the whole affair starts all over again. At this time we have a gross concern for the well-being of our young children as drivers shake off the winter caution and burn a little rubber. Child Safety Week, which is sponsored by the Canada Safety Council, comes up from May 1 to May 7, in 1974. A little caution used at the right time may keep you from causing statistics to be recorded — we solicit the earnest support of one and all to preserve the lives and limbs of our most precious reserve . . . our children.

Open House

Open House is being held all this week at Rothwell Public School at Ingleside. They have exhibits up in the Bank of Montreal and the school. If you as a parent did not visit the school from 10 a.m. to noon on Tuesday you still have a chance this Friday from 1 to 2.30 p.m. If you have an interest in education a visit to Rothwell will prove most enlightening.

Council meets for second half of April session agenda — hockey, sewage, and dogs as openers

Chesterville Village Council, who were faced this month with a particularly heavy agenda, held the second part of the April meeting on Monday, April 15.

New Recreation Director Doug Moses and members of Chesterville Recreation Committe e waited on Council to discuss the possibility of bringing Junior 'B' Hockey to Chesterville. Mr B. Lee, of Metcalfe, the prime mover of the venture along with Recreation members discussed at length the pros and cons of the team playing out of Chesterville. Council members finally set a fee at $75.00 per week for the franchise and-or 40 percent of the gate whichever the greater figure would be for five-and-a-half hours ice time at the local arena. No decision was made by Mr Lee at the meeting and members have not heard anything further regarding the proposal.

Almost from the very beginning of use of the sewage system in Chesterville, Village Council members have felt that they were being charged for too high a gallonage flow. Over the years the clerk has been instructed to pay what was felt was a proper fee, to the Government. A hold back has been made when the flow figures appeared too high. Over the months the unpaid balance has continually climbed until now it has been decided that something must be done to balance the account. A meeting has been set up to be held in Toronto. Local MLA Donald R. Irvine has arranged the meeting with the Minister of the Environment to be held on May 7th. Reeve Graham urged as many members as possible to accompany him to Toronto to meet with the Minister and Mr Irvine.

Some weeks ago a presentation had been made to members regarding a sick benefit program for village employees. Following lengthy discussion a scheme was worked out whereby the employees will now get ten days sick leave per year. The benefit is non cumulative and if an employee has a full working record he will get five days pay in leiu of the leave.

Peter Van Kessel waited on council with a proposal for a new subdivision to be situated behind the houses on the south side of South Street. Members showed their approval of the subdivision by advising Mr Van Kessel that they would carry the application forward.

House numbering, which came to Chesterville last summer, has come in for some criticism. Council have taken over the numbering and will make some revisions if they feel their is justification.

Dogs, large, small and in between, over the past few weeks have taken things for granted and council members decided it was about time to show them who was running the show. The Dog Catcher and Constable Shane were authorized to put the dogs back on leashes or pick them up. Since the meeting seven dogs have been removed from the village. The village catcher uses two kinds of guns when rounding up the strays — a tranquillizer dart gun or a 12 gauge shotgun. He is licensed, by law, to use either weapon.

If your dog is caught on the loose, and is wearing a tag when picked up, you will immediately be notified and you can have "Fido" back after paying a nominal fee. Untagged dogs are kept in the pound for three days and if the owner does not claim the dog, Fido is sent to the "happy hunting ground."

An amendment was passed to a by-law controlling trailers in the park — the time of stay was reduced to one week at any one time.

The clerk was instructed to write to the organizers of the Junior Farmer Dance which was held in the Community Hall, recently. With the note was a bill for $75 to cover the costs of repairs needed at the hall following the dance. Council members agreed that anyone who rents the hall should be responsible for crowd control and damage.

It was noted at the April session that a meeting had been held recently with the Ministry of Transportation and Communication, at which time the Village had asked for apporoval of a supplementary by-law seeking additional funds to rebuild Albert Street. It is estimated the costs of reconstruction will run from $40,000 to $50,000. Engineering on the street is to start this week.

The Nestle (Canada) Ltd. Chesterville plant was visited last Thursday by Company President Mr. Donald McCarthy and a past Nestle (Canada) Ltd. President Mr. Stafford Campbell. Mr McCarthy took over as President from Mr. Campbell in September of 1969 when Mr. Campbell was transferred to the United States as Vice President of Nestle U.S. He is still a Director of Nestle (Canada) Ltd. Seen in the photograph during a visit to the warehouse are from left to right Mr. McCarthy, Mr. Moonie, Plant Manager and Mr. Campbell.

Some guys seem to get into the centre of everything. Lorne Strader, Brinston, Chairman of Dundas Milk Committee was no exception last Saturday evening at the annual Milk Producers Smorgasbord and Dance held at N.D.D.H.S. The ladies congratulating Lorne for a job well done are left, Nora Fawcett, Dundas Dairy Princess and right, Heather Innes, Woodstock, Ontario, Ontario Dairy Princess. — Staff Photo.

Milk Committee holds dinner and dance Smith Holsteins tops in Dundas County

The Holstein herd of Carl Smith Chesterville, was named tops for that breed in Dundas County last Saturday night.

Carl Smith accepted the plaque from agricultural representative Tom Clapp. Don Rose, Mountain Township, was named top Ayrshire producer. The plaques are presented annually with each winner having his name inscribed on a name plate. Carl and Don have won the awards for the second year in a row.

District farmers and guests were out in full force last Saturday night for the annual Milk Producers Smorgasbord and Dance held in North Dundas District High School.

Nora Fawcett, Dundas Dairy Princess and Heather Innes, Ontario Princess were introduced. Miss Innes in a short address, gave an insight into her activities as Ontario Princess. One of the highlights of Heather's reign, as related by her, was a tour of Dundas County farms.

"One of the more pleasant tasks I have been asked to perform in my life is the one, that I have been asked to do this evening. It is one that I step into with trepidation, for I have neither the words or the time with which to do it justice," related chairman Lorne Strader, Brinston, Ont.

"As I look over the crowd gathered here this evening, I recognize several old faces, and yet there are many which are new. I wonder if they remember or have heard the history of our industry, the struggles, the aches and pains, and the achievements.

The man whom, we would like to give thanks to this evening, for his untiring commitment on our behalf, is a man who could write several chapters in that history text on the milk industry. I recall, that not that many years ago, our industry was a collection of several boards, committees, and marketing systems. I remember the problems the headaches and the frustrations. Then in 1965, the Minister of Agriculture and Food, brought forward the Milk Act, which led to the Milk Commission, and the Ontario Milk Marketing Board. He then named twelve men to represent all the various regions, which represented the milk producers of Ontario.

The man chosen to represent the region, compiling the counties of Frontenac, Leeds, Grenville, and Dundas, was the former President of the concentrated Milk Producers Association. The position was a two year term, after which the producers were asked to elect their own representatives. This man has been our representative since 1966 and we truly hope, that he will continue to be. He was the first vice-chairman, of the board from 1966 through until 1972. He has served all the milk producers of this region faithfully, not only as a board member and representative, but also as a committee member on many sub-committees of the board. He has always been aware of the problems in our district and in the last two years we all know that there has been a few. He has always been quick to respond and keep the board aware of the situation. I believe, that I can say of this man, that with his ability to analyse the situation, and project the future responses and actions, is truly a strong man on the board.

It is one thing to be a strong member in one light, but there is also the fact, that this man has, and is a strong member of his community, and the local scene. He is a father, a grandfather and a hard-working farmer. Yes, he and his family own and operate a successful dairy farm operation outside the village of Winchester," said Lorne.

"What this man has done, and is continuing to do, is no easy feat, for any man. It takes a special type of person to handle what has been this man's burden for many years. Yet, I do not want to forget some other people, who have helped make this all possible, his family. I would like to point out that they have to have been, and are of a special breed, to carry the extra load, and bear up under the stress that must accompany this man into his home, at times," continued the chairman.

"I doubt, that there are very many people in this auditorium this evening, who do not know of whom I am speaking. We all have reaped benefits from this man's efforts, and achievements. He is a man of whom we can justly say, has not only contributed greatly to the milk industry but the agricultural industry as a whole in Eastern Ontario. It is often the habit that we never appreciate the efforts of a strong work horse until we hang the harness up for the final time. Yet we felt that it was time we appreciated the man in the harness. I would ask that all of you join me in showing our appreciation, as I call upon

Finch and District Lions . . .

Easter Seal campaign nets $1,300 to date

Mr A. B. Graham, chairman of the Easter Seal Campaign for the Society for Crippled Children is well pleased with the success to date of the society's annual appeal for funds. In a report prepared for the sponsoring club, Finch and District Lions, the chairman said that 1,530 letters had been sent out and the percentage of returns according to districts were: Finch, 40.2 percent; Berwick, 30.1; Avonmore, 21.6; Newington, 20; Crysler, 10.4; Moose Creek, 9.4.

A total of $1,300 has been received to date, an increase of approximately 30 percent over 1973. Last year the Ontario objective was $1,675,000 but costs have increased in every field of the work so the need is greater again this year.

Help make your district a 100 percent club! If you haven't yet sent in your check pick up your pen and BACK A FIGHTER with a cash donation. Your dollars build the facilities, buy the equipment, hire the nurses and therapists who teach the crippled children to make it on their own. Every year your donations help more than 13,000 crippled youngsters in Ontario hand in there.

Two taken to 'Civic' following Sunday crash

Car crashes into bank several injured in mishap

Several people were taken to the hospital, a 1969 Dodge was classed as a write-off and damage was extensive at the Bank of Nova Scotia, Chesterville, when a car slammed into the building at 8.20 p.m. on Sunday evening, April 21.

A 1969 Dodge Station Wagon owned and driven by Danny R. Labrecque, Chesterville, failed to make the corner, proceeded onto the bank parking lot and tore through the outer wall at the entrance.

At the time of the accident several young people were either sitting or standing near the bank entrance. When the vehicle tore the bricks loose the young people scattered but suffered injuries from what was termed as flying debris.

Steven Bailey and Maureen MacMillan, of Chesterville, were taken to Winchester Hospital and later released. June Heuff, of Morewood was injured and was taken to Winchester. Holly Carruthers, Morewood, was the most seriously injured of the ones on the steps. She was taken to Winchester and transferred to Ottawa Civic Hospital.

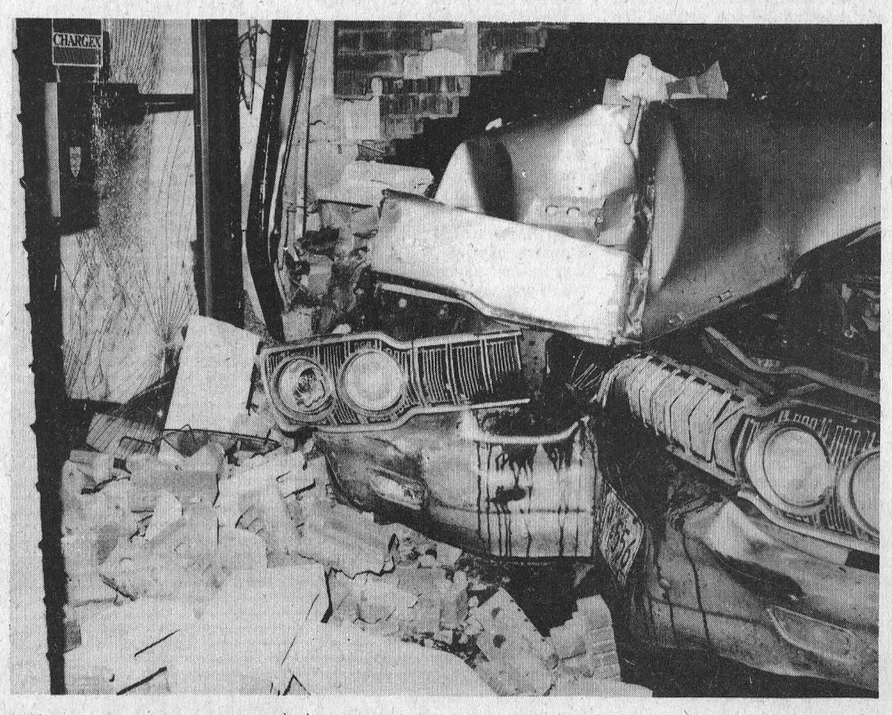
Mr Labrecque was not seriously injured and suffered only bumps and bruises. The two passengers in the vehicle, Melody Lynn Labrecque, wife of the driver, suffered facial cuts and was taken to Winchester Hospital. The other passenger, Robert Hess of Queen Street, Chesterville, suffered considerable injury, was taken to Winchester and later transferred to Ottawa Civic Hospital.

No estimate of the damage at the bank has been established.

The accident was investigated by Chesterville Police Chief Leonard Shane, Constable Burke of the Long Sault Detachment and Constable Doug White of the Winchester Detachment of the OPP.

All those injured in the crash were transferred to hospital by Vice and Craig ambulance.

As the station wagon struck the wall the brick and block section broke free spreading debris ahead of the vehicle. Cost of repairs to the bank has not been established as they await prices for reconstruction and glass work in the front entrance. — Staff Photo.



The right front section of the 1969 Dodge Wagon took the blunt of the crash when this vehicle piled into the bank. The picture shows the damage to the car and the bank. Several windows in the front entrance of the bank were shattered and the frame work around the doors was bent. — Staff Photo.

VIEWS...

National child safety week

The Canada Safety Council reports that 1,794 Canadian children under the age of 15 died by accidental causes in 1972. Although this is a marked improvement over 1971 when 1,979 children died similarly, it is still an appalling statistic and one which should be of great concern to all adults on whose shoulders, to a large degree, the responsibility must be borne.

Year after year the statistics tell the same sad story and many people begin to question whether a reduction in accidental deaths actually can be realized. The answer is — YES; by proper training in the formative years!!! Learning is a continuing process throughout life but at no time is the mind more open to knowledge than in the early years.

Children must receive some degree of training on every facet of life. Safety should be an integral part of this training and not considered an extra time-consuming chore. There is an element of risk in nearly everything we do. As part of training, hazards should be pointed out, the risks described and the proper procedure explained. This will instill in the young a safety consciousness which they will carry throughout their adult lives.

Where the very young are involved, training is not possible and the onus rests on the adult to furnish protection or to eliminate or remove the hazards.

If the adult is safety minded, one way or another, there will be an improvement in the accident rates all around.

Enjoy your children and don't bet their lives!!!

The rule in business

The best public relations for any firm or institution is to be of service to people. Being of service far excels the distribution of gimmicks in winning people's friendship and custom and respect.

There was a saying in business circles at one time that the conditions necessary to success are a hard heart and a sound digestion, but woe betide the person who tries to carry on his business on that maxim today.

It was noted recently that "We are fast reaching the point where the social and political climate almost everywhere in the world will make it increasingly necessary for businesses to justify their existence on grounds other than purely economic success as expressed in terms of profit to shareholders."

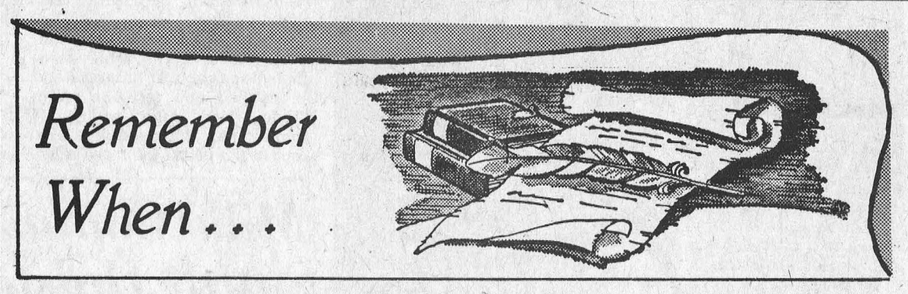
People expect more than that of business today, and among their expectations are many social factors.

It remains true in the business field as well as in the personal field that egoism — the mastery of keeping alive — must be accompanied by altruism — the rendering of service. Business needs service standards to which it lives up to.

Here is an example. In May 1680 the Governor and Committee of the Hudson's Bay Company wrote to the head of their Canadian operation: "You are to send us home by every return of our ships all such goods as are either defective or not acceptable to the Natives, and to inform us wherein they are deficient. And also to direct us exactly as you can what form, quality conditions, every sort of goods which is demanded there ought to be for the best satisfaction of the Indians. And we will do our utmost that you shall be supplied with every species of Commodity in perfection."

The merchant who cannot picture himself as the person on the other side of the counter, and give the customer the service he would like to receive, is unlikely to be a successful business man.

Mr and Mrs Ed Moore, who live South of Chesterville, recently sold their house and lot. The Moore's, who farmed for many years on the Limerick Road, like everyone else have gathered a fair amount of items over the years. The sorting process started some weeks ago and they have come up with some gems. This picture is self-explanatory as the names were printed in the box. No doubt the picture will bring back memories to many.



10 YEARS AGO

April 23, 1964

Dalton E. McKay appointed bank manager at Finch. He succeeds Henry J. Anderson.

An anniversary dinner was held at the Pioneer Hotel in honour of Mr and Mrs Malcolm F. Smith on the occasion of their 50th wedding anniversary.

Prior to her marriage, Miss Clara Mae Paul, Carleton Place, formerly of Grantley, was honoured at a miscellaneous shower in Grantley School.

Wreckers from Ottawa have been busy demolishing the old wooden water tank at Nestle. The tank was originally constructed in 1925.

Mrs Stella Warner of Northfield Station was the lucky winner of $140 at the Legion Bingo while visiting her son and his wife in Aurora.

40 YEARS AGO

April 26, 1934

C. L. Hamlen chosen new president of local lawn bowling club.

Miss Dorothy Casselman of Montreal spent the weekend with her parents Mr and Mrs John Casselman.

Miss Helen Racine of Saranac Lake, N.Y., spent a few days with her sister Mrs Omer Provost.

Mr and Mrs Melvin Durant are visiting their daughter Mrs Andrew Morrison of Wilmington, Delaware.

Mr Francis McCloskey, Montreal, visited his mother, Mrs F. McCloskey over the weekend. Mr McCloskey just completed 1,000,000 miles of cruising with the Canadian Pacific Steamships during the winter's Mediterranean trip.

You become a driver . . .

When you become a bicycle owner

For the past few weeks, the Ontario Provincial Police have advised parents with regards to children and their bicycles concerning when and what type of bicycle to buy. Today's report will deal with certain laws under H.T.A. governing equipment required for bicycles while being driven.

Sec. 37(14) — When on a highway at any time from one half hour after sunset to one half hour before sunrise and at any other time when, due to insufficient light or unfavourable atmospheric conditions, persons and vehicles on the highway are not clearly discernible at a distance of 500 feet or less, every bicycle or tricycle shall carry on the front thereof a lighted lamp displaying a white or amber light and on the rear thereof a lighted lamp displaying a red light or a reflector approved by the Department, and in addition, there shall be placed on the front forks thereof white reflective material and on the rear thereof red reflective material covering a surface of not less than ten inches in length and one inch in width.

Sec. 49(4) — Every motor vehicle, bicycle and tricycle shall be equipped with an alarm bell, gong or horn, which shall be kept in good working order and sounded whenever it is reasonably necessary to notify pedestrians or others of its approach.

Make sure that your child's bicycle is in good working condition before you allow your child to operate it.

Remember, children are not careless — just carefree.

Ont. Hydro reports shortages stall deliveries

Ontario Hydro has appealed to developers and industrial customers to provide the electric utility with earlier notification of planned new developments requiring transformers and other electrical equipment.

Hydro's Winchester Area Manager George Danan explained that a world shortage of critical materials, particularly steel, is causing severe delays in deliveries of electrical equipment. As a result, Hydro and municipal utilities have been hard-pressed to provide service when it is requested and expansion projects — such as new housing developments — are being delayed.

LIBRARY NEWS

Cauliflower Crown — This book recounts the life story of Klass deJong, a Dutch immigrant who came to Canada in 1893 and became a famous market gardener, the Cauliflower King of North America.

His story begins with a loving account of his childhood in the Dutch province of Friesland, and a childhood dream of going to America.

Klass settled in Winnipeg. Here he reached the climax of his career. The account of Klaas deJong's life is given with vigor, frankness and a great deal of sympathy.

He also noted that farmers, particularly those who need extra electrical service and equipment during harvest time, should let Hydro know their requirements as soon as possible. Even then service connection delays with resultatnt inconvenience may be experienced.

Where once manufacturers were able to supply transformers within a few days of receiving an order, deliveries today may take as long as 40 weeks, said the Hydro official.

"Unless customers can give us substantially more lead time," he said, "we can't provide them with the electrical equipment they need on time."

Manufacture of transformers is being held up both by a steel shortage and a scarcity of the special oil they use. In addition, the oil shortage has reduced the supply of plastics used for electrical insulation with the result that cvable and wore can take up to six months ot deliver.

Wood poles are also in critically short supply. In some areas, rotten poles are being replaced by putting the stubs of the good end in the ground and lashing shorter poles to them.

To meet the shortage in transformer oils, Ontario Hydro is investigating ways of reconditioning oils salvaged from old transformers so that it can be reused in new transformers.

Hydro is also making a concentrated effort to reclaim or rehabilitate worn-out equipment instead of simply selling or scrapping it.

Various reasons are given for the material shortages — among them environmental demands that diverted some production to cleanup devices, inflation which created additional stimulus to demand and the excess capacity of 1970 and 1971 that discouraged the expansion that might have met today's shortfall.

No accurate predictions can be made on when the steel shortage will ease, but is expected it will continue through 1974.

GIVE CANADIAN CANCER SOCIETY

Ann Landers...

Dear Ann Landers: There's an awful lot of advice around for wives telling us how to hang on to our husbands. (Actually, hanging is too good for some of them.) I'm a married woman who has been having an affair for nearly two years. I sat down this afternoon and examined my behaviour. Why am I doing this? I wrote something and I hope you will print it as a hint to husbands who may be taking their wives for granted.

"Why I'm Having a Marvelous Time with Another Man"

He always smells good.

He acts like he is interested in what I have to say.

Whenever he sees me, his first words are something nice, like, "You look beautiful," or, "I've been counting the minutes."

He has a warm sense of humor and makes me laugh.

He never yells at me, even when I deserve it.

He takes my arm when we cross a street.

He never seems to notice other women when he's with me.

He often telephones just to say, "I'm thinking about you dear."

He always checks the car door and locks it so I won't fall out.

He never lies to me even though he could probably get away with it.

He lets me know I am an important part of his life. — No Name, No City, No State Because There's One Of Me Everywhere.

Dear Everywhere: Here's your letter which contains some real nuggets. I can't say I approve of what you're doing, but I can certainly understand why you're doing it. Thanks for writing.

Dear Ann Landers: I'm addressing this letter to "All Parents Everywhere" because I think it's about time somebody spoke up.

On weekends I work at an amusement park. When I see the way some parents treat their small children, it makes me sick. They scream at them for being tired and irritable. (After dragging them around all day, what do they expect from the little ones?) I've seen mothers slap three-year-olds for not obeying a command instantly.

During the week, I go to school and am taking a special course in child care. I'm currently spending some time in a local hospital, working in pediatrics. Most of the children I see have serious heart defects or terminal cancer.

I've been close to tears after visiting these beautiful little children who lie quietly in bed with all the energy drained out of them. Their parents can do nothing but watch them die, one day at a time. They struggle to be cheerful and try to hide their anxiety from the youngsters, pretending the child will be well again. It's the most difficult acting job in the world.

I wish every parent who loses patience with his child could visit a hospital and see what goes on in those pediatric wards. They'd go home and get down on their knees and thank God for their healthy, active, mischievous children. — I Care

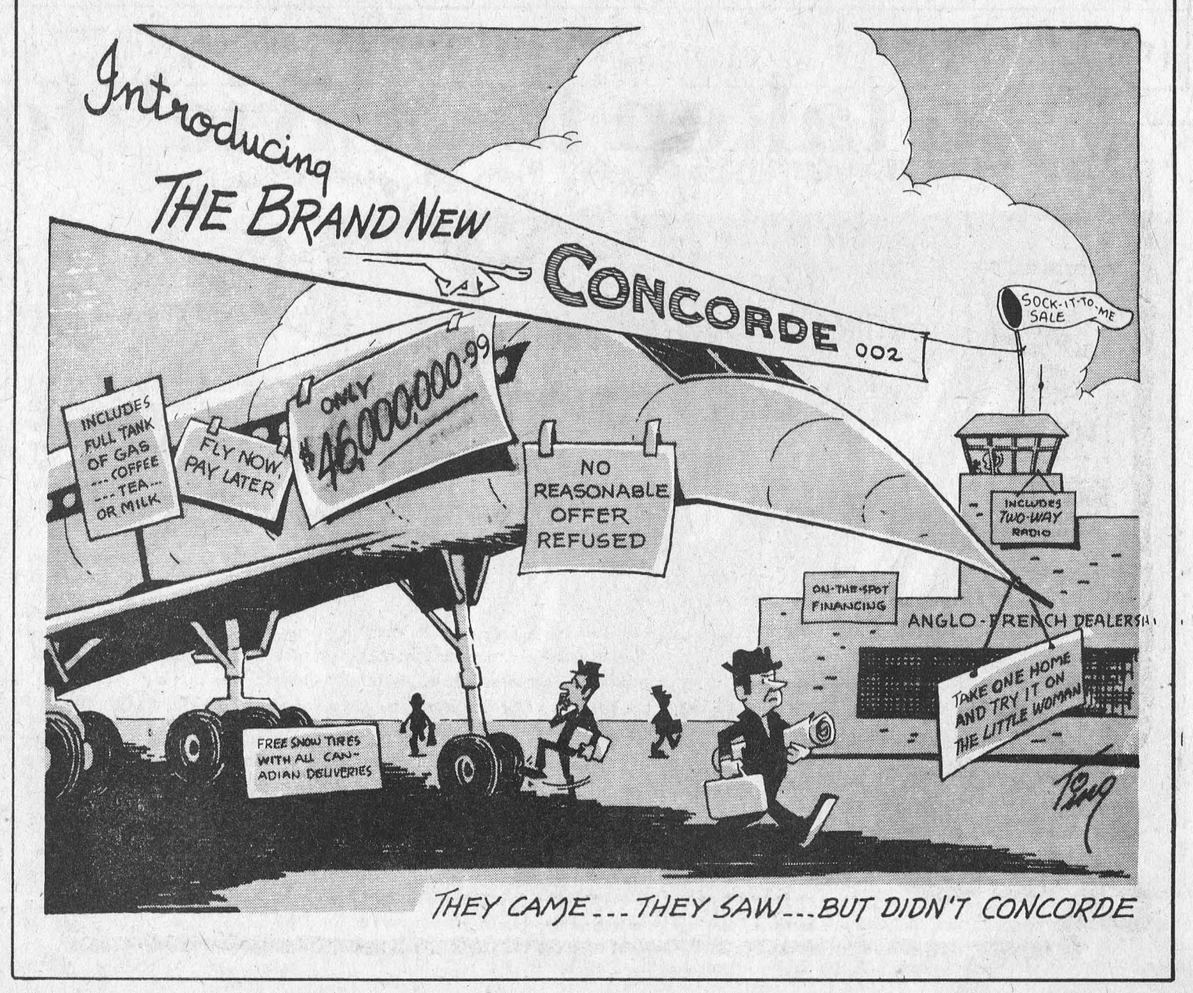
Dear Friend: You've given millions of parents something to think about today. Thank you on behalf of every impatient, unthinking mother and father in my reading audience.

Confidential to Knowledge I Didn't Get In College: I hope you realize that knowledge is being aware that fire can burn. Wisdom is remembering the blister.

Is pot a drug? Can L.S.D. and pills open new worlds for you? Stop guessing. Get the facts in Ann Landers' new booklet, "Straight Dope on Drugs." For each booklet ordered, send a dollar bill, plus a long, self-addressed, stamped envelope (20c postage) to Ann Landers, P.O. Box 3346, Chicago, Illinois, 60654.

GIVE THE UNITED WAY

HELP US HELP



Monast Bowling Lanes, Chesterville, has been a beehive of activity ever since the first ball was rolled last fall. Weekly League teams competed seriously to see who would be number one. Many tournaments have been featured over the season at the local lanes. The most recent tournament, which wound up Sunday night, featured mixed teams vieing for the Chesterville Chamber of Commerce Trophy. Chesterville Community League are keen competitors and on this occasion they edged the six other competitors and will now have their name etched on the trophy. Front row from left, Mrs Wilda Barkley, Mrs Dwight Droppo; back row from left, Martin Barkley. Lorne Byers, Russell Servage and Doug Durant. The pinfall results are as follwos — Community 3590, Avonmore 3568, Williamsburg 3554, Finch 3549, St. Albert 3458, Copain 3421, Defenders 3380. — Staff Photo.

As I See It

By Mike Rowden

So you couldn't find my column last week, well it's no wonder, I didn't write one. Why? Well, the "in thing" these days is to go on strike and so I wanted to be with it, so I went on strike. Going to get twice as much as I got before so I guess it was worth it . . . Baloney! I didn't have any fun writing the column that was left out, was unable to get any gripes off my chest and disappointed a lot of readers. Come to think of it, I didn't gain a damn thing. Which is often the way it turns out for a lot of people who go out on strike for one reason or another.

Years ago I was a Union Steward and saw how unions and management worked and in most cases it was strictly a case of the immovable force against the irresistable object. Only when a judicious amount of common sense was mixed with the negotiations did a realistic settlement occur.

I have often heard the argument that unions are unnecessary and strikes help very little. I for one believe that. If and when a working principle or an employee is not getting fair treatment, which could be one particular case, then a union and a strike can be the only answer, but we have gone far beyond that today. In most cases the strikes are usually for more money . . . a lost cause if there ever was one. No matter how much you may gain, you can't make up what you you have lost.

Another word has been added to the striker's vocabulary — parity. You know, the same pay as another person gets for doing what it's thought to be the same job.

I know, at one time I worked in a plant where I was paid a decent wage for looking after a certain peice of special equipment, which produced about 5 tons of product per shift. We had a title for the job and then someone heard about our counterpart in the States, who did the same job. He got more money than we did and he worked for the same company.

Well this fellow claimed that we should get the same pay as the fellow below the border doing the same job — but what he didn't say was that our American counterpart was looking after six times as many pieces of the same equipment and of a much larger size than we were operating. And his daily output was in the neighbourhood of 100 tons. Would we have been justified in demanding parity? I don't think so.

Another "bugbear" is job security . . . what a laugh, if a man is in business and an employee turns out to be no good, why should he be kept on. You won't stay in business very long using too much sentiment and hanging on to a pile of deadwood.

Take the post office for instance — the big beef there seems to be a question of job security because of automation. Seems to me the figure of the number of people affected across the country is some 2,500 employees and if we can believe what we have been told — they are not going to be fired or laid off, but rather transferred to other jobs because of automation.

Who knows, automation might speed things up to a point where one can depend on the delivery of a letter from twenty miles distant in as little time as a week.

Probably the truth of the matter is that over the years there are several postal employees who have, through some wrangling, got themselves into pretty soft and easy jobs from which they don't want to be moved. In fact they might even have to go back to work . . . heaven forbid. And so the whole repulsive idea is reason enough for a strike.

Job security — my uncle was a postman over thirty years ago, hard working, respected and figured because he was in a job which was paid for by the taxpayers, he felt he had an obligation to them to do the job well and not make a lot of outlandish demands. Short of punching his boss in the nose or coming in on the job drunk, job security was the last thing he worried about . . . in fact at times he figured it was too secure — it was endless.

SUPPORT YOUR LOCAL RED CROSS

Chalmer's UCW holds Easter Thankoffering

The Easter Thankoffering meeting of Chalmer's U.C.W., Finch was held in the Sunday School hall recently.

The worship service centred on the Easter theme was presented by Mrs Henry Nugent assisted by Mrs Basil Crawford and Mrs Lois Montgomery. Mrs Nugent gave a very interesting dissertation on the part played by each of the disciples in the Upper Room and the subsequent Crucifixion.

The guest speaker for the evening was Mrs Duart MacLean who has been recently appointed as Supervisor of the Dundas County Unit of the Red Cross Homemakers. Her talk was primarily on the work of the Homemaker and how and why these services are available. She also drew a parallel between the advantages of the Eastern and Western world. We have so much and they so little. In the small town of Finch, (pop. 835) we have 28 varied services, religious and secular, social and business for the education and well being of child and adult alike. Mrs MacLean was thanked by Mrs Gordon Ouderkirk and a small gift presented.

Mrs H. Nugent presided for the business meeting assisted by the secretary, Mrs Lynden Hough. The treasurer, Miss L. Droppo showed that the finances of the group were in a healthy state. It was decided to make a contribution to the Crippled Children's Society. The new hymn books had been suitably enscribed by Miss Eileen Runions and would be dedicated to the memory of various members of Chalmer's United Church on Easter Sunday morning. The new Psalm books had been received and were on display. Luncheon was served by the hostesses and a social hour enjoyed.

The basis of planting trees and shrubs

If you're planning to try your hand at gardening this year, there are a few basic rules to follow when planting that new shade tree or foundation evergreen, says Burke McNeill, horticulturist with the Ontario Ministry of Agriculture and Food.

In good soil, dig a hole large enough to spread the roots out to their extremity; for most trees and shrubs, 18 inches either way is sufficient, but as a general rule, the larger the roots the bigger the hole required. If some of the roots are very long, they can be cut back slightly without damaging the plant.

Set the plant in the hole at the same depth as in the nursery. Replace the soil carefully, gently shaking the plant to get the soil around the roots. As you fill the hole, use your heel to firm the earth around the plant. Finally give the newly planted shrub a thorough soaking.

Many of our trees and shrubs are extremely rugged and will survive in almost any soil. But if they are to flourish, McNeill suggests that poor soil be replaced with good, rich earth. if the soil is to be replaced.

Good soil should not need fertilizer at planting. If it is The hole should be dug larger than that necessary for planting necessary in your location never lace it in the hole near the roots. Spread it in a band around the plant after transplanting, and water in.

District W.I.s hold monthly meetings

Dixon W.I.

The Annual Meeting of the Dixon Women's Institute was held at the home of Mrs Leda Raymond preceded by a pot luck dinner. Fourteen members answered the roll call by paying their joining fees. The meeting was presided over by Mrs P. Prieur, president and assisted by Mrs Vera Armstrong as secretary treasurer. The members were reminded of the 4-H Achievement day in April.

A Food Forum will be conducted in May at Roxmore Public School, and Mrs Percy Prieur was appointed delegate to attend the Women's Institute Conference in Waterloo in April and May, with Mrs Forest Fisher as alternate.

A Tweedsmuir History Workshop will be held in Berwick.

All conveners, as well as auditors, submitted their annual reports. Mrs Leda Raymond as sunshine girl read two very witty readings.

Mrs Helen Rupert was appointed Chairman for the Election of Officers which resulted as follows:

Honorary President, Mrs Ross Alguire; President, Mrs Percy Prieur; 1st Vice President, Mrs Forest Fisher; 2nd Vice President, Mrs Howard Loynachan; Secretary-Treasurer, Mrs Louis Dame; District Director, Mrs Helen Rupert; Alternate Director, Mrs Leo Leblanc; Branch Directors, Mrs Percy Prieur, Mrs Leda Raymond, Mrs Janey Poapst; Pianists, Mrs Howard Loynachan, Mrs J. W. Hume; Curator, Mrs Janey Poapst, Mrs Howard Loynachan; Standing Committee Conveners, Family and Consumer Affairs, Mrs Forest Fisher; Citizenship and World Affairs, Mrs Gregor Poapst; Education and Cultural Activities, Mrs Helen Rupert; Agriculture and Canadian Industries, Mrs Leo Leblanc; Public Relations Officer and Press Reporter, Mrs Thorold Shaver; Fruit and Flower Fund Convener, Mrs Neil Loynachan; Resolutions Convener, Mrs Thorold Shaver; Buying Committee, Mrs Percy Prieur, Mrs Howard Loynachan, Mrs Forest Fisher; Nominating Committee, Mrs Leo Leblanc, Mrs Thorold Shaver; Auditors, Mrs James Eamer, Mrs Neil Loynachan.

Tickets are being sold on a lovely handmade quilt to be drawn for at a later date.

Euchres are bing enjoyed by a good crowd and the May meeting will be held at Mrs Vera Armstrong's home with a special grandmothers program. Mrs Ross Alguire will be convener.

Osna. Centre W.I.

The annual meeting of the Osnabruck Centre WI was held in the Township Hall, April 4th. Twenty-one members were present.

Business was discussed and all bills were paid. Plans for a bus trip to Stony Creek in June were discussed; also for catering to a hockey banquet in April and a euchre for the Cancer Society. A Food Forum will be held in Avonmore Public School in May.

During the past year much time had been spent at meetings discussing euchres, unexpected banquets, etc. A special committee to look after such matters was formed consisting of Mrs Hall, Mrs Lambert, Mrs Ferguson and Mrs Daye.

The minutes of last year's annual meeting were read and approved. Mrs Bush gave the financial report for 1973 and Mrs Grandaw gave the report of Pleasant Valley Cemetery. The report of the Fruit and Flower Fund, prepared by Mrs Cryderman was given in her absence.

Mrs Hall, President, and Mrs Bush, Secretary, thanked the members for their help in the past two years and Mrs Collins read an "Ode to a Retiring President" to Mrs Hall who has successfully completed her two year's term.

Mrs Ferguson took the chair for the installation of officers, as follows:

Past President, Mrs Gordon Hall; President, Mrs Lloyd Gallinger; 1st Vice President, Mrs George Day; 2nd Vice President, Mrs Lola Lambert; Secretary Treasurer, Mrs Charles Bush; District Director, Mrs Leola Grandaw; Alternate, Miss Eva Baker; Branch Directors, Mrs Annie Ferguson, Mrs Clifford Collins, Mrs Lola Lambert; Fruit and Flower Fund Treasurer, Mrs Morley Warner; Assistants, Mrs Lyman Ault, Mrs Lloyd Gallinger, Mrs Annie Ferguson; Pianist, Mrs Jennie Flegg; Press Reporter, Mrs Dorothy Morgan; Auditors, Mrs John Grandaw, Mrs Jennie Flegg; Conveners of Standing Committees, Agriculture and Canadian Industries, Mrs Max Arthur; Citizenship and World Affairs, Mrs Jennie Flegg; Education and Cultural Activities, Mrs George Daye; Family and Consumer Affairs, Mrs Gordon Hall; Public Relations Officer, Mrs Dorothy Morgan; Resolutions, Mrs Lola Lambert.

A fruit and flowers contest conducted by Mrs Stirling Warner was won by Mrs Muriel Stewart. Mrs Ferguson and Mrs Warner served a delicious lunch.

The next meeting will be held in May.

Stor. District W.I.

The Stormont District Board of Directors met in the Newington Library to plan the District Annual Meeting. This will be held in Blessed Sacrament Parish Hall and will be hosted by the Cornwall Centre Women's Institute in May. Distinguished guests from the district and area will participate along with the ten Stormont Branches. Elections will be held to fill several offices and convenerships which will be vacant. Miss Lorraine Holding, Home Economist, will be one of the guest speakers.

A feature of the program will be the presentation by branches of Pennies For Friendship to the Associated Countrywomen of the World. This fund helps to support projects for women students and children in India, Ceylon, Uganda and Colombia and includes literacy, nutrition, hygien e, cookery, crafts, skills, child care and sight saving.

Many years ago, children learned a nursery rhyme. It goes like this:

"For want of a nail a shoe was lost,
For want of a shoe the horse was lost,
For want of the horse the rider was lost
For want of the rider the battle was lost,
For want of the battle the kingdom was lost,
And all for the want of a nail."

This was a moral tale and is no longer fashionable. But battles still go on and women have to fight their battles in a different way. So ACWW, the only international organization of countrywomen and homemakers in the world, fights with Pennies. And hundreds of projects have been carried out successfully with the help of pennies given by Institute members at their monthly meetings.

Berwick W.I.

The annual meeting of the Berwick Women's Institute was held in the Berwick Community Centre on Tuesday, April 9, in the form of a pot luck dinner. Ten members and four visitors attended. The president, Mrs Clem Rushford said the Institute Grace and everyone enjoyed a delicious dinner.

The meeting opened with the Ode and Mary Stewart Collect. A poem was read by Mrs Clem Rushford titled "Talents".

The motto was "Let every member feel responsible for the success of the Institute."

A minute's silence was observed in memory of two area doctors for over fifty years, Dr. J. G. MacLeod of Finch and Dr. J. Pollock of Avonmore.

Mrs Adam Anderson read the minute's of the last meeting and gave the treasurer's report. Several thank you's were also read and donations from past members and friends.

A Food Forum will be held at Roxmore Public School and a Tweedsmuir Workshop will be held in Berwick Community Center.

Mrs Clair Robertson reported on the purchase of the new frig for the kitchen in the Center. Everyone was asked to save their Canada Packers labels to purchase equipment for the kitchen.

Reports of officers and standing committee converners were given. Mrs Johnson Ouderkirk, Public Relations Officer, gave an outstanding report on the work our Women's Institute has done.

Sick and Flower Committee — Mrs Lillian Bogart reported sending 77 cards as well as flowers and gifts; Curator and Tweedsmuir History — Mrs Alex Rutley reported some work has been done on the history; Agriculture and Canadian Industries — Report given by Mrs John Vanturnhout and Mrs Tony Sanders; Citizenship and World Affairs — By Mrs Marcel Glaude and Mrs Johnson Ouderkirk; Education and Cultural Activities — Mrs Glendon Casselman and Mrs Chris VanTurnhout; Family and Consumer Affairs — Mrs Jessie Ouderkirk; Resolutions — Mrs Lila Foster. The auditors report was given by Mrs Glendon Casselman. A thank you letter was read for the used postage stamps to establish the first Christian Leprosy Hospital and Clinics.

The minutes of last year's annual meeting were read and approved.

The president thanked each and everyone who helped to make the year so pleasant and successful as a society is only as good as the members make it.

The slate of officers for 1974-75 were given by Mrs Clair Robertson. The chairman read the installation of the officers.

Mrs Clair Robertson thanked Mrs Clem Rushford and Mrs Adam Anderson for their years of work.

A discussion and several plans were made for the coming year.

The May meeting will be an evening meeting and will be held at Mrs Clair Robertson's. Everyone was asked to bring an article of their own handicraft.

Bell Canada proposes new Ontario-wide TV network

An Ontario-wide network to bring high-quality television reception to most communities of 1,000 households or more has been proposed by Bell Canada.

The network would carry four television channels into more than 100 communities, including many in the north where reception is poor, or the choice of channels is limited.

The signals would be retransmitted to residences in each community by local cable-TV companies.

Bell has discussed the proposal with representatives of the Canadian Radio and Television Commission, and with the federal and provincial ministries responsible for communications.

Approval for the establishment of such a network would come from government authorities. Bell would act only as provider of the transmission facilities.

J.C. Thackray, executive vice-president for Bell's operations in Ontario, estimated the cost to each household at about 50 cents a month, with a province-wide network including all major centres.

He estimated the network could be completed within about two years of approval being given.

"This network could bring a dramatic improvement in television reception in many communities that new receive only poor-quality signals or a limited choice of channels," said Mr Thackray.

"At least half of the communities are outside the high population belt that runs from Ottawa to Windsor, and many are north of the Great Lakes, where TV reception has never been satisfactory."

Mr Thackray said that Bell Canada is in a unique position to provide such a service at a reasonable cost, since it already has a widespread microwave transmission system throughout the province. The proposed television transmission network would be carried on the microwave system, supplemented by new extensions into some communities.

All proposed communities are either on the present microwave system, or no more than one hop away. (Microwave systems transmit communications by beaming signals between towers normally located about 30 miles apart.)

smart people are want-ad minded!

ONTARIO HYDRO
Properties for Sale
Village of Ingleside

Ontario Hydro is offering for sale the following unserviced residential building lots. located in the Ingleside Townsite. Lots 236-251 inclusive and Lots 257-266 inclusive, Registered Plan 230. Each lot has approximately a 75 foot frontage on Spruce Avenue, with the exception of Lots 236 and 237, which have a 75 foot frontage on Farran Drive.

CDMHA executive holds wrap up meeting make preliminary plans for1974-75 season

The Chesterville and District Minor Hockey Association executive held its final meeting of the season to tie up loose ends from last season and to start preliminary plans for the 1974-75 season.

The major item on the agenda was the election of the new executive officers for next season. Hubert Casselman, this year's president, will replace Frank Cook as past president. Mr Cook, however, will retain his position as Atom Division convener.

Mr Casselman turned over the reigns of office to the new president, Larry Stevens. Rounding out the executive are Neil Kelly, replacing Bernie Harper as secretary-treasurer; Bob Larose, replacing Larry Stevens as Bantam and Midget convener; Jack Dubois, replacing Bert Beckstead as Pee Wee convener; and Harry Craig retaining his post as Novice convener.

A close look at last year's registration figures indicated that CDMHA will have the same number of teams next season — 3 Novice, 3 Atoms, 3 Pee Wee, 2 Bantam and 2 Midget teams.

The executive discussed the fact that six teams will be without coaches next season. Interested parents or district citizens are asked to get in touch with the respective conveners of Novice, Atom, Pee Wee and Midget Divisions, if they would like to coach.

Ice times for next season have been finalized and will be presented for discussion to Recreation Director Doug Moses and the Recreation Association at the May meeting.

Registration for next season will be held on Saturday, September 7th. A change for next season — there will be only one registration. Anyone not registering on or before September 7th will have to await an opening in his division. The reason for this is not to let registration drag on and on.

An application has been made to the Upper St Lawrence Minor Hockey League to enter the Atom, Pee Wee, Bantam and Midget 'A' teams in that league against Kemptville, Morrisburg, Cardinal, Iroquois, Prescott, Spencerville, Brockville and Athens.

If accepted 'B' teams will line up in the Carleton-Dundas Minor Hockey League while 'C' teams will compete in the Upper Canada Minor Hockey League.

HERTA BARLEY — From registered seed last year. Recleaned, ready to sow. Cash only. Excellent seed. — Howard MacMillan, R.R.2, Finch, 346-2018. 34

IN MEMORIAM

GIBBS — In loving memory of my dear grand daughter, Dawn Beverley Gibbs, who passed away April 15, 1973.
The loss I feel I cannot explain,
The ache in my heart will always remain,
I loved her in life I lover yet and always,
She is mine to remember while others forget.
Grandmother, Mrs Maude Ezard
33-1

IN MEMORIAM

LaPIERRE — In memory of a dear father, Charles LaPierre, who passed away April 21st, 1946.
On earth you toiled,
In heaven you rest,
God bless you, Dad,
You were the best.
Ever remembered by Fleming, Margaret, Germaine, and Threase

IN MEMORIAM

FERGUSON — In loving memory of a dear daughter and sister, Linda, who passed away April 24th, 1971, age 17 years.
In memory you walk with us,
No matter where we go,
In dreams you come and stay with us,
Oh, Linda, we miss you so.
Although you're only here with us,
In spirit and in mind,
We'll always hold you in our hearts,
From now 'til the end of time.
Loved and sadly missed by Mother, Dad, Earle and Karen

CARD OF THANKS

I would like to take this opportunity to thank my neighbours, friends and relatives for their cards, visits and gifts while I was a patient in Winchester District Memorial Hospital and since returning home. Special thanks to Dr. Diemert, Dr. Barton and nursing staff on the second floor. Your kindness and concern will always be treasured.
Pat Raistrick
33

GIVE BLOOD GIVE LIFE

Trinity U.C.W. hold spring Thankoffering

On Thursday, April 11, Trinity United Church Women, Chesterville, held their Spring Thankoffering with visitors from Morewood, St. Andrews and Holy Trinity churches.

Guest speaker was the Rev. Harry Funge of Avonmore. Mr Funge visited last fall, along with three other United Church ministers and a small group from United States, the churches and people of West Berlin, East Berlin, East Germany and West Germany. The colorful slides and interesting commentary depicted the contrasts in life styles. Mrs Funge assisted her husband, acting as projectionist. The speaker was introduced by Mrs Tom Rance and thanked by Mrs Allison Graham who also presented him with a gift.

"A Modern Day Crucifixion" was told by Mrs Rance, Mrs Graham and Mrs H. W. Merkley. Appropriate hymns and a solo "All in the April Evening" were rendered by Mrs F. M. Cass.

The president Mrs Harry Allison assisted by Mrs Edwin Forward conducted a short business period. Some future events were noted: Camp Sunday at Rideau Hall in June; Seaway Valley Presbyterial at Kemptville in April; Food Sale and Tea in May at Trinity Dining Hall; Rummage Sale in May; catering to a banquet in June and a wedding, also in June.

Following benediction by the Rev. L. M. Ferguson, a social hour was much enjoyed. The meeting was planned by the conveners, Mrs Rance and Mrs Graham, assisted by their committee, Mrs F. M. Cass, Mrs Cam Thompson, Mrs Don Durant, Mrs Jack Durant, Mrs George Johnston, Mrs Edwin Shay, Mrs D. M. McElheran, Mrs Sadie Droppo and Mrs Harold W. Merkley.

N.D.D.E.A. holds spring meeting

On Monday, April 8, the North Dundas District Education Association held there spring meeting in the Chesterville Public School. The business part of the meeting was the election of the executives for next year. The executive is as follows:

No president at this time; 1st Vice President, Mrs D. Fox; 2nd Vice President, Mr W. Berton; Secretary, Mr K. Lash; Treasurer, Mrs Watson; Publicity, Mrs P. Westbrook; Finance, Mrs M. Milne; Membership, Mrs B. Graham; Program, Mr H. Mussel.

Mrs B. Graham introduced the guest speaker Dr. Evalene Thom. The topic was "Failure in reading in the early years", one topic in which everyone should be interested. Dr. Thom discussed the main causes of reading problems in children, some of which are emotional problems, poor attendance, low intelligence, physical health which includes poor hearing and maturity. Dr. Thom then explained that reading should be taught by using the senses. The most important being hearing, vision, language and touch. In other words, a child must hear the word, see the work, speak the word and write the word. Dr. Thom explained how these senses are used in teaching students to read. She stated that reading should be taught with spelling and writing. Dr. Thom brought a film called Dyslexia, meaning trouble with words. A most interesting film showing how the spelling, reading and writing method is being used in some of our schools today and how well the children are adapting to this method.

The film was followed by a very active question and answer period directed by Dr. Thom.

This meeting was most interesting, very informative and well attended by people who care about the future of their children. The president thanked Dr. Thom for her interesting speech which was enjoyed by all present. The meeting was closed by the President and then coffee was served.

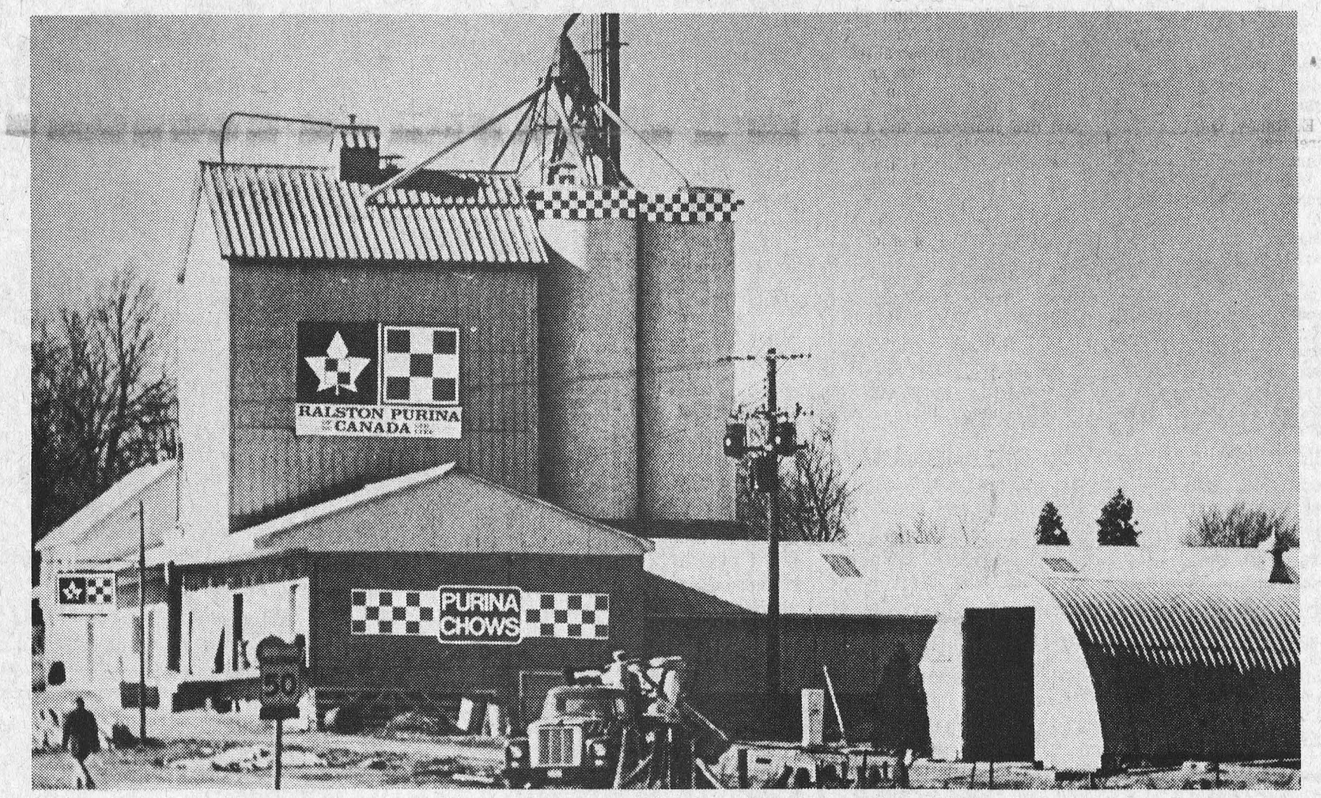
The only things we couldn't improve on were the people.



When Purina purchased the manufacturing facilities of Dixie and Egan Limited at Addison, there were quite a number of things we brought with us to improve the products and services–as only a large, world-wide organization can.

We brought the newest modern day expertise in feed technology. We provided the scope and know-how of a national organization to meet the more sophisticated needs of livestock and poultry producers of this area.

We brought in new product lines, developed and backed up by our world-wide research facilities.

Here at Addison, we manufacture and supply a complete line of bulk and bagged feeds. If we don't supply it, chances are your stock doesn't need it. We can take all the guesswork out of stock feeding, too, because we'll design an exact kind of feeding programme for your stock, taking into consideration all your problems and profit expectations. That's the kind of thing we could improve on at the Addison mill.

Your local Purina dealer is now able to serve you even better under the famous Purina checkerboard.

Feeding programs by Purina.
The best thing that can happen to your stock.

DOCTRINA ARTE CONIUNCTA
NORTH DUNDAS DISTRICT HIGH SCHOOL

NEWS

Spring is here! North Dundas students welcomed the chance to stroll around in the warm spring air and enjoy the change in weather.

Enthusiastic track athletes were working hard this week in preparation for the Invitational Relay Meet to be held in Seaway on Thursday, April 25. The meet sponsors relays only and they are several different types. North Dundas has always done well in relays as last year, the Midget boys and Junior girls, 4 and 110 yds relay went to the All-Ontario meet for placing first in Eastern Ontario.

A badminton rage has hit North Dundas this last week. The badminton club, organized by Mr Solc held every Friday night, boasts many members. Last week select members of this club participated in a tournament in Cornwall. Now, girls house league is sponsoring badminton competition for singles and doubles. This sport is fast becoming enjoyable by all.

The music department at North Dundas is going full blast in preparation for the Music Festival coming up. Our woodwind quintet's final date is April 23rd. The Junior Band, April 24th and the Senior Band, April 27. The Senior Band then leaves for its annual tour on May 1st. This year the tour includes the Niagara Falls area. All involved are really looking forward to this trip.

Some of the Senior students at North Dundas were involved in SIN tests. No! It's not what you think. In reality, SIN stands for Sir Isaac Newton and are Physics tests of extremely high calibre. The highest mark is around 20 percent and any percent over zero is considered very well done.

Senior students are taking a trip into the National Arts Centre to hear Ravi Shaker in concert. This trip was made possible by the English Department.

On Thursday, April 18, Mr Khordoc's French class had an authentic french cuisine dinner. The chef was Steve Wicker and hostess Sandy Gray. This was a French project to help demonstrate the true french culture.

The distribution of report cards helped bring in an eventful week.

Elma

Mrs Harold Cassel, St. Catherines; Mrs Cecil McGillivray and Mrs D. McCurdy, Cornwall, were guests of Miss Jean Armstrong Wednesday.

At the Communion Service in the United Church here Sunday morning, six young people joined the membership by profession of faith.

Mr and Mrs Morley Beckstead, Oshawa, called on Mr and Mrs Graham McPherson Friday.

The U.C.W. met on Tuesday evening at the home of Miss Jean Armstrong. On Thursday evening several local members attended the Thankoffering meeting at Colquhoun.

Mr and Mrs John Casselman and Charles, Toronto, visited Mr and Mrs Graham McPherson on Saturday.

Weekend guests of Mr and Mrs Egerton Barkley and Brian included Mr and Mrs Robert Barkley, Kim and Kathy, Winchester Springs, Mr and Mrs Gerald Barkley, Waterloo, Mr and Mrs Norman Mowat, Manotick.

FOR SALE — 14-ft. Glenelle Travel Trailer, excellent condition, sleeps six, 3 burner propane stove with bottle, ice box, gas and electric lights, sink with pressure water tank, awning and add-a-room with poles and spare tire, jacks, storage compartment on back, $1,400.00. — 774-2636. 34-2

FOR SALE — 2 3-speed English racers, plus cycle caddie in A-1 condition; 9 ft. by 18 ft. tent with canopy, 2 rooms fully rubberized floor with divider curtains and end curtains; propane camp stove with three burners, table and cylinder, 10 lbs. full; heater with cylinder, 7 lbs. full; light with cylinder, 5 lbs. full; electric charbque and stand, like new; camel sport jacket, new, size 42; set of black and white ironstone dishes for 8. — 448-2520, Chesterville. 34-2

CARD OF THANKS

I wish to express my sincere thanks for the flowers, cards and visits while I was in Winchester Memorial Hospital. Specia l thanks to Dr. H. Justus and Rev. L. M. Ferguson and the nurses on 2nd floor.

MILK COMMITTEE —
(continued from page 1)

our neighbours, our freinds, Mr and Mrs Orville Guy. Orville, would you please come forward.

Lorne then presented Mr and Mrs Guy with a certificate of merit on behalf of the committee and its' members.

The lights were dimmed, the music good and the large crowd of over 500 danced to the music of the Ottawa Valley Melodiers.

Chesterville couple honoured on 50th anniversary

Mr and Mrs Patrick Kelly were honoured at the home of their daughter and son-in-law, Jean and Lyle Wade of Metcalfe on the occasion of their 50th anniversary.

The bride of fifty years ago, the former Rose Lefebvre, daughter of the late Eli Lefebvre and Patrick Kelly, son of the late Mr and Mrs Richard Kelly, were married on April 22, 1924 by the late Father Staley at St. Mary's Church, Chesterville.

They resided on a farm north of Chesterville until 1945 when they moved to their present home on Albert Street. Mr Kelly later joined Nestle (Canada) Ltd. where he was employed until he retired in 1966.

The happy couple received many cards, and gifts from relatives, friends and neighbours. Later everyone enjoyed a dainty lunch served from 2 to 5 p.m.

Eighty guests signed the book, including their nine children, forty-nine grandchildren and four great grandchildren. Guests attended from Ottawa, Brockville, Russell, Finch, Winchester Chesterville and Metcalfe.

Mr and Mrs Patrick Kelly extended their thanks and appreciation to all who helped to make the anniversary a success.

DEATHS

Charles Russell

Funeral services for Charles Russell, 78, of 38½ George Street, were held at 2 p.m., Sunday at the Donaldson Funeral Home with Rev. Charlton Opdyke, pastor of the emmanuel Congregational Church, officiating. The body was placed in the Pine Grove Cemetery vault with burial in the Louisville Cemetery this spring.

He died on Friday, March 22, 1974, in the Massena Memorial Hospital.

The deceased was born in Chesterville, Ontario, April 25, 1895, the son of James and Elizabeth Shaw Russell. Mr Russell came to the United States in 1923 and became a naturalized citizen in August, 1936. He married Bessie Todd who predeceased him in 1956.

Russell was a retired millwright at Alcoa, Massena Operations, and was a member of the Alcoa 25 Year Service Club.

The family requested that funds be donated to the Heart Fund, in the deceased member's memory.

Surviving relatives include, two sons, Clinton Russell of Fairport and Dalton E. of Zephyer Hills, Fla.; five grandchildren and two great grandchildren; one brother, Arthur Russell of Ingleside; one sister, Mrs Hattie Murphy, Keene, New Hampshire. He was predeceased by one brother, Thomas Russell of Morrisburg and a sister, Mrs Grace McMahon of Chesterville.

Alma M. Rupert

Alma Mae Rupert of Lunenburg, died in Ottawa Civic Hospital on Tuesday, April 9, 1974. She was aged 62 at the time of her passing.

Born in Matilda Township, she was the daughter of the late Edward Payne, Brinston, and the wife of Earl I. Rupert.

Surviving relatives include, sisters, Hazel of Prescott, Lulu, Emma and Edith of New York; brothers, Edward of Iroquois and William of London, Ontario. She was predeceased by one brother, Milton.

Having received her education in Brinston Schools, she was a member of the United Church at Lunenburg.

Funeral services were conducted at the Brownlee Funeral Home, Finch, at 2 p.m. on Thursday, April 11, by Rev. A. Loree. Interment was made in Memorial Hill Cemetery, Lunenburg.

Pallbearers were Aenea s Moke, Arnold Rupert, Douglas Rupert, D'Arcy Bush, Elias Bush and Clifford Warner.

CARDS OF THANKS

CARD OF THANKS

I would like to take this opportunity to thank all those who sent cards and gifts and visited me while I was a patient in Cornwall General Hospital. Thanks also to the nurses and staff on 2nd Floor South, Dr. Fraser and Dr. Miller. Special thanks to my student nurse.

Nina Waldroff
33-1

CARD OF THANKS

I would like to thank all my friends, neighbours, relatives for the visits, treats and cards while I was a patient in the Winchester Memorial Hospital. Specia l thanks to Dr. Howard Justus, nursing staff and orderlies, also the visits of Rev. Gordon, Rev. Bruce, Rev Edgeley. A sincere thank you.

Dwight Barkley
33

CARD OF THANKS

I wish to express my sincere gratitude to my neighbours, friends and relatives for cards, messages of condolence, food brought to my home during the illness and death of my dear wife Mae. A special thanks to Drs. Domanko, McKendry, Grant, nurses and aides of Winchester and Ottawa Civic hospitals and to our minister, Rev. A. E. Loree.

Carl I. Rupert

Cancer can be beaten.

Spring feeding for green lawns

The arrival of spring means it's time to get out your fertilizer spreader.

"Lawns usually benefit from about four applications of a 'complete' fertilizer each year," says John Hughes, horticulturist with the Ontario Ministry of Agriculture and Food. "The first application should be given in early spring, just before active growth begins."

Most garden supply centers stock special turf fertilizers such as 7-7-7, 12-6-6 or 10-6-4, all suitable for lawns and turf generally. Usually a rate of 15 to 20 pounds of 7-7-7 per 1,000 square feet (or proportionate amount of a different grade of fertilizer) will take care of the early season requirements of your lawn.

Using a spreader, apply the fertilizer evenly, being careful not to leave strips or overlap. Pulverize any lumps that might burn your lawn. To achieve a uniform application, it is often a good practice to apply half the fertilizer going in one direction and the other half at right angles to it.

Remember that you lawn requires fertilize more than once each year. You should be prepared for a second application in May, a third in early June to maintain fertility, and a fourth to be given in late summer or early fall to supply the plant food necessary for fall growth.

Hughes points out that gardeners should expect to pay a higher price for lawn fertilizers this season, since phosphate fertilizers are less available than in other years.

KITCHEN CORNER

THE MEAT FOR ALL SEASONS
TODAY'S PORK

Pork is perfect for tasty meals in the spring and makes good eating all through the year. It is the meat for al seasons; for all budgets. A delight for the lover of food.

Enjoy pork any month and at any meal. How about these appetite-pleasers? Savory sausages, crispy bacon and golden pancakes drenched with maple syrup for breakfast; spiced and sparkling jellied pork for lunch; bountiful whole ham warmed to its heart and gleaming with a maple-orange glaze for dinner.

Not only is pork good-tasting, it is prized for its versatility. Because of the almost guaranteed tenderness, fresh or cured pork can be cooked by any method using dry or moist heat. Pork is liked by all ages — from tiny tots to senior citizens. How fortunate since it's a wholesome source of important nutrient needed by the body to grow and to glow.

Ham and Pork Roll

1 lb. cooked ham
1 lb. ground lean pork
1 clove garlic, minced
1 small onion, chopped
2 tsp. salt
1 tsp. pepper
1½ tsp. curry powder
1 tsp. sage
1 egg white
¼ cup dry white wine
¼ cup evaporated milk
6-8 slices bacon
2 qts. boiling water
¼ cup vinegar
cheesecloth or all-purpose cloth

Mix meats, garlic, onion, 1 tsp. salt, pepper, curry powder, sage, egg white, wine and evaporated milk. Shape into a loaf 9 inches long. Rinse all-purpose cloth or cheese cloth in cold water. Lay bacon strips side by side on dampened cloth. Place meat loaf on bacon. Lay bacon strips over and around loaf. Roll up in cloth, Tie ends. Put on trivet in large kettle. Add boiling water, remaining salt and vinegar. Cover; simmer 2½ hours. Remove liquid; let stand 10 to 15 minutes on paper towelling. Unwrap. To serve, cut in thin slices. Delicious hot or cold.

Maple-Glazed Canadian Bacon

3 lbs back bacon (unsliced)
½ cup maple syrup
2 tsp. dry mustard
1 tbsp. flour
1 tbsp. lemon juice

Heat oven to 325 degrees. Cut bacon into ½ inch slices and reassemble into original form by tying slices together with cord. Place bacon on rack in roasting pan; bake 1½ hours. Pour ½ cup boiling water into pan to prevent drying. Combine remaining ingredients in small saucepan. Heat to boiling. To glaze bacon, turn oven to 400 degrees; brush maple syrup over bacon and between slices; return to oven for 20 minutes. Baste occasionally with glaze. To serve place on platter; carefully remove string.

Finch TOPS Club (Take Off Pounds Sensibly) organized three years ago, now boast a membership of 22. Leader of the club this year is Phyllis Morrow, secretary Mrs Margaret Holland and treasurer June Campbell. Members pride themselves in being able to take off extra weight and also keep it off. Each year awards are given out to those who take off the most weight and also to the members who have managed to keep the weight off they lost during the last year. Pictured above, front row, left to right, Mrs Marion Hart, Chesterville, second runner-up (loss 16¼ lbs.); Mrs Phyllis Morrow, Winchester (loss 28 lbs); Mrs Linda MacLatchie, Winchester, first runner-up (loss 16¾ lbs.). Back row, KOPS (Keep Off Pounds Sensibly) Mrs Margaret Holland, Finch; Mrs Betty Johnston, Monkland. Total pounds lost during the past year by the membership was 81¼ lbs. — Staff Photo.

KEEP BLADES SHARP AND THE WATER FLOWING

TALKING GARDENING with

'DOC' HARTNOLL

In some parts of the country lawns will already be showing the benefits of your early fertilizing and weed prevention activities. In other areas you'll still be waiting for the lawn to assume its best appearance. But to keep it that way you have to remember two rules. One is to keep your lawn well watered during dry weather. The other is that the lawn should not be cut as short as when growth is more vigorous.

Your lawn mower blades must be sharp. If not, the ends of your grass will have a brown cast because the blades are tearing rather than cutting. To keep the machine in good operating condition, don't forget to oil it as the manufacturer recommends and to occasionally wipe the blades with a good grade of machine oil to avoid rust.

The secret in mowing is to mow often but not too closely. The grass blades should be long enough to prevent the roots from being starved and short enough to be attractive. If you do this, neighbours, excess leaf-growth is prevented, fertilizer loss will be limited, and problems such as weeds, insects and coarse grasses are reduced. And best of all, grass assumes a dwarf habit and the production of extra shoots is stimulated. So make grass cutting a "ritual" and your lawn will love you for it.

Catcher in the grass

One other suggestion. Buy a grass catcher to fit your lawn mower. This will not only catch the cut ends but it will also prevent weed seeds, if there are any weeds growing, from being scattered throughout the lawn.

By the way, you can empty the grass catcher bag on the compost pile to use in the garden when it's broken down. In this way you'll do two jobs with one effort and your lawn and garden will both benefit.

If weeds are actively growing, I like to apply by hand some Vigoro Weed and Feed on the broadleaved weeds, or the new Vigoro Dandelion Killer if you're plagued with the blow-over seeds from a lazy neighbour's garden.

Plant clean up

Iris beds and iris plants in flower beds and borders should be cleaned up as soon as possible. Remove debris and dead leaves which have accumulated over the winter period. At this time a dressing such as Pink Vigoro, a complete, spring balanced fertilizer, should be given.

Iris plants will attain a great deal of their growth in the next six to eight weeks and therefore will benefit from plant food applied now. Give them about 2 pounds per 100 square feet of area and hoe or till it into the surface of the soil.

Rock gardens and baskets

Rock gardens should also be cleaned up during the early spring. This is important because the accumulation of dead leaves and other debris may smother small plants. Plants that have been heaved by frost should be carefully pushed back into the soil. The whole area will benefit from a top-dressing of loam, leaf mold, and sand. Attention should be given to the specific requirements of different species. Primulas, for instance, will benefit from an application of well-rotted manure. Peat may be added to the top-dressing for acid loving plants, and agricultural limestone will be beneficial for plants preferring an alkaline soil. DO NOT add more than ½ inch of top dressing on the area. This is considered sufficient and will not smother the young, growing plants.

Many of my readers will remember the hanging baskets on the porch that Grandma had. For some reason the hanging basket went out of style for a few years but it is coming back and coming on strong. I think the main reason is that apartment dwellers have such limited space to grow plants. But there is always some place to let a basket hang. It could be hung from an unused camera tripod or a bracket fixed to the wall of a divider.

When you visit the nursery to buy plant materials, you'll also be able to get the basket, the sphaghnum long fibre moss, a small bag of soil, and the plant material you'll want to use. I like the cascading begonias, the new cascading petunias and geraniums, and some Dusty Miller or alyssum. I like them colourful and there are lots of plants with good colour available. Even the dwarf marigold makes a good hanging basket plant. The Picotee cascading begonias are a delight and you'll enjoy the beautiful bicolour. I have even seen leaf lettuce growing in a hanging basket as well as Sweet Basil and carrots!

A gift to last

The florist's hydrangeas are very popular gift plants for Mother's Day. A few growing tips will help you keep this plant for a good long time. Place the plant in a well-lighted location but shade the blooms from the hot sun. Hydrangeas thrive in a temperature of 60°F, but they will tolerate higher temperatures. If the room is very warm, the plant may require watering twice a day, but they should not be kept saturated.

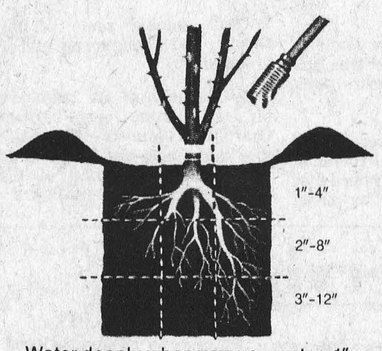
To carry the plant over for next year, cut it back halfway after blooming. Keep it in the light and continue to water it. After the danger of frost is over, plunge the pot to it's rim outdoors in acid soil or peat in partial shade.

Do not allow the plant to dry out. During the summer months feed it with a complete fertilizer every two weeks and with iron sulphate (1 ounce to 2 gallons of water) on alternate weeks. In early July the new growth may have to be pinched off if the plants are tall and "leggy". The plants should be moved to full light in early August to promote bud setting. Stop feeding by September 1, and move them to a cool, dark storage area before the frost. Although they require little water in storage at 45°F, they should be kept moist. The foliage will drop off while in storage and should be moved to prevent mildew.

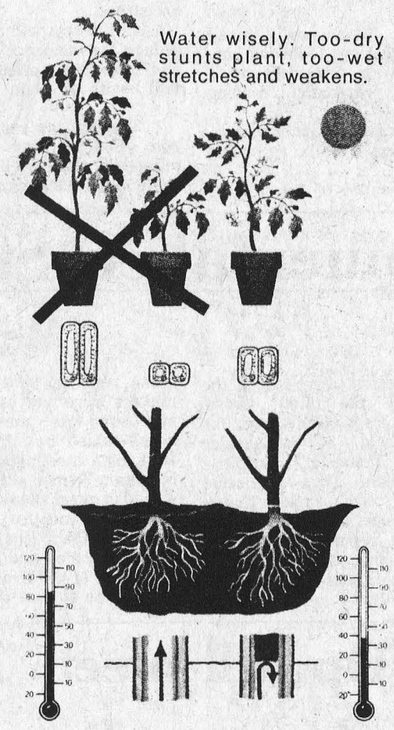
For Easter bloom, the hydrangea should be taken out of storage soon after Christmas and placed in a temperature of 60°F. When new shoots have developed, commence feeding as mentioned above. For Mother's Day flowering, bring the plants out of storage about January 15.

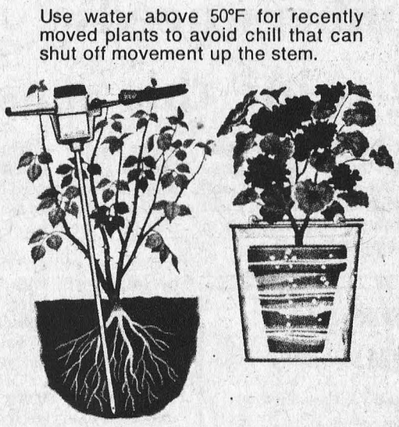
If you have any lawn or garden questions, write to me at the Garden Information Centre, 165 University Avenue, Toronto, Ontario, M5H 3B8 enclosing a stamped and self-addressed envelope.

WATERING

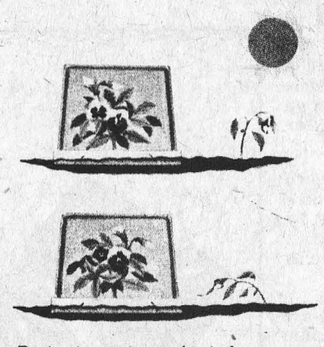


Water deeply whenever you water. 1" of water wets only top 4" of most soils! Using wand prevents wash-out.





Use water above 50°F for recently moved plants to avoid chill that can shut off movement up the stem.



Protect new transplants from sun and wind that would dry them out before they can root into moist soil below.

Keep foliage dry to avoid spreading leaf diseases: use a "root feeder". Plunge pot plant until bubbles stop.

Avonmore

At the Easter Sunday Morning Service in St. Andrews Presbyterian Church, Kelly June Feek, daughter of Mr and Mrs Larry Feek was baptized, by the Minister, Rev. W. E. Sayers.

Following the Baptismal Service the following attended a dinner at the home of the parents: Miss Doris Cameron, Ottawa; Mr Ronnie Bender, Ottawa; Mr and Mrs Sinclair Feek, Avonmore; Mr and Mrs Harold Bender, Dwayne, Connie and Carolyn Bender of Monkland.

Mr and Mrs Brian Robilliard of Sarnia spent a few days with the former's parents, Mr and Mrs Dan Robilliard.

Mr and Mrs Donald Bethune of Kingston were recent visitors with Mr and Mrs Hector MacRae.

Mrs Elgin Finlayson spent the Easter holidays with her daughter, Mrs Melvin Ferguson, Mr Ferguson and family at Brockville.

A number of friends from here attended the funeral service held in Prescott on Monday for Mrs Edith Sutton.

Visitors with Mr and Mrs Ford Warner were Mr and Mrs Cecil Warner and family of Toronto, Miss Beverley Warner and Miss Joan Bowie, Ottawa.

Miss Alice Bush of Ottawa and Doug Bush of Whitby, spent the holidays with their parents, Mr and Mrs Neil Bush.

Mrs John Ferguson spent Easter with Mr and Mrs Bob Urquhart and family at Metcalfe.

Mr and Mrs Ray London, Montreal, spent the weekend with relatives.

Miss Katie MacRae of Ottawa visited her mother, Mrs M. F. MacRae over the Easter holidays.

Mr and Mrs Ronald Arbuthnot and sons Mark and Sean of Toronto visited with Mr and Mrs Norman Abuthnot and Allan Arbuthnot, during the Easter holidays.

Mr Bob MacGregor of Port Hope spent the weekend with his parents, Mr and Mrs John R. MacGregor.

Garry MacRae of Bramalea, Ontario, spent a few days with Mr and Mrs Oran Flanagan and family and other relatives.

Mr and Mrs John Amsing returned home after an enjoyable holiday visiting Mr Amsing's brother, Mr and Mrs Ben Amsing and family at Texel Island, Holland. While there they visited other relatives.

Visitors over the weekend with Mrs Lottie MacMillan were John MacMillan, Mr and Mrs Bernard Corkun and family and Miss Cheryl McHugh, all of Toronto, and Mr and Mrs Neil MacMillan and family of Kemptville.

Mr and Mrs Billie Kennedy and children of Ottawa and Mr and Mrs Peter Zadorozny of Pembroke were Easter visitors with Mr and Mrs Howard Kennedy.

Mrs Nellie MacKinnon spent Easter with Mr and Mrs J. A. MacLennan and family at Dalkeith.

Mrs Fraser MacRae spent Sunday in Cornwall with Mr and Mrs Clifford MacRae and daughters.

Friday visitors with Mr and Mrs Norman Arbuthnot were Mr and Mrs Dean Watson, Montreal and Mrs Ella Watson and Miss Cassie Arbuthnot of Cornwall.

Dr. W. M. Stevenson and Mrs Stevenson returned home after spending the winter months in Florida.

Finch

Easter guests of Mr and Mrs Lindsay Hutt were Mrs Jean Kenny, Cornwall, Mr and Mrs Charlie MacNeil of Toronto, Mr Kenneth Hutt and Miss Diane Hawthorne of Ottawa.

Mr and Mrs Emerson Doney, Mr and Mrs Milton McGhee and family of Bancroft, Mr and Mrs Dale Stewart of Long Sault and Mr and Mrs Clinton Hutt of Belleville were Easter guests of Mr and Mrs Burns Hutt.

Mr and Mrs J. R. Nugent and family of Toronto, Mr and Mrs Clare Nugent and family of Riverside Heights, Mrs Hedy Denis of Oakville, Mrs Gladys Bowles and Miss Retta Nephew of Ingleside were recent guests of Mr and Mrs Henry Nugent.

The sympathy of the community is extended to the family of the late J. D. Shaver whose death occurred at the Winchester Memorial Hospital on Monday.

Mr and Mrs Alex Johnson and family of Burlington spent a few days recently with Mrs Johnson's parents, Mr and Mrs A. B. Graham. Also visiting with the Grahams and Mrs Ethel Crowder were Mr and Mrs Hector Crowder of Deep River.

IN MEMORIAM

GIBBS — In loving memory of a dear daughter and sister, Dawn Beverley Gibbs who passed away April 15, 1973.

She is gone but not forgotten,
And as another year dawns,
In our lonely hours of thinking,
Thoughts of her are always near.
Days of sadness still come over us,
Many think the wound is healed
But they little know the sorrow,
That lies in our hearts concealed.

Mr and Mrs Gibbs, sisters and brothers and Gorden

Dairy Improvement Team announced

In an ongoing effort to assist dairy farmers to improve their feeding, breeding and management programs, the Hon. Wm. A. Stewart, Minister of Agriculture and Food, today announced the formation of a Dairy Improvement Team. The team will include representatives from all branches of the Ministry involved in dairying, along with the Ontario Milk Marketing Board, local producer groups and the Eastern Breeders' Inc., Kemptville.

During the announcement Mr. Stewart said: "Fluctuating butter fat and protein levels have adversely affected the income of certain industrial milk producers. We hope to determine those factors which have contributed to this reduction and then provide the farmers with practical solutions."

The Ontario-wide study will first select a group of farmers in the counties of Grenville, Dundas, Stormont, Glengarry, Prescott and Russell. Consultation, direction and technical assistance will be made available to participating producers.

The Dairy Improvement Team will use the following methods to improve the butterfat and protein levels:

1. The producers selected will be producing a minimum of 150,000 pounds of milk per year and be willing to cooperate in a program aimed to improve production and composition.

2. Resource personnel will encourge milk producers to level out their production more evenly over the year. If this can be accomplished, it will assist in overcoming some of the variation present in the composition of milk.

3. The team will make recommendations following consultation with producers on a balanced year-round feeding program.

4. Producers will be encouraged to go on a milk recording program.

5. Greater use of A.I. will be encourged.

6. An attempt will be made to reduce the incidence of mastitis and have these producers on a herd health program.

7. Through the cooperation of both Federal and Provincial manpower offices, it is hoped that some assistance can be given towards solving some of the short- and long-term labor problems.

Co-Chairman of the team are Mr J. C. Palmer, Dairy Program Coordinator, Ministry of Agriculture and Food, and Mr George McLaughlin, Chairman of the Ontario Milk Marketing Board.

Homemakers Service

Members hear report

At a recent meeting of the board of the Red Cross Homemakers Service for Dundas County held at Winchester District Memorial Hospita l Board Room, Mrs Catherine MacLean, Red Cross Homemaker Supervisor, gave an interesting report of her work and the services performed by Red Cross Homemakers for the month of March.

She reported that six homemakers were now on staff. Mrs MacLean was guest speaker, accompanied by Mrs Lorraine Hutt, at a meeting of the South Mountain Women's Institute. She was also guest speaker at Finch earlier this month.

Mrs Jan Clapp, chairman of the borad, presided and reported on the duties of the Branch Service Committee so that all might be familiar with the duties and purpose of the board.

Ralph Van Allen gave a resume of the recent Red Cross meeting held in Morrisburg at which time representatives from the Red Cross Headquarters in Toronto were present.

A report of the services by the Canadian Cancer Society was given by Miss Vi Milligan. She said that a homemaker may be placed in the home of a cancer patient for a maximum of 30 days if required.

Mrs Olive Cass reported on the recent anniversary tea held in Cornwall celebrating the Meals On Wheels service. The next board meeting will be held in June.

Co-Op will meet members needs for twine this season

UCO has overcome world-wide fibre shortages and price uncertainties affecting baler and binder twine in order to meet co-op members' requirements in tiwine this season.

Our unique — from Brazil to Ontario hay fields — twine program is expected to deliver up to 25 percent more twine this year than ever before.

One boat will arrive in Toronto by mid-April with two more boatloads scheduled to dock by mid-May, thus providing as much of the "2549 line" baler twine as was delivered last year.

A further 50,000 bales are expected to arrive from Brazil in June. This increase should prove to our members that co-ops are always tops.

Once the boats are docked, truck deliveries will be scheduled to co-op retail outlets across the province and co-op patrons will be able to pick up their orders almost immediately.

The "2549 line" made in Brizil, is full weight, 40 lbs. gross per bale, full length and strength. We have not reduced the quality that has provided dependable field performance in the past, and careful comparison with competitive twine — don't just read the label, check the gross and net wieght and calculate the price per pound, the number of feet per pound and see that the tensile strength will provide strong and secure bales — will prove to you that our program offers the best value on the market.

We would like to emphasize that prices this year are up substantially from last year mainly because of higher prices for raw material.

Dundas milk committee

Holds annual Dinner and Dance

Dundas County Milk Producers held their annual banquet last Saturday evening. Carl Smith with his herd of Holsteins, won the plaque for having the highest BCA in Dundas County. Mr and Mrs Orville Guy of Winchester were also honoured during a brief ceremony. Pictured above left to right, Nora Fawcett, Dundas Dairy Princess; Lee MacIntosh, vice-chairman of the Committee; Carl Smith, Tom Clapp, Ag. Rep. for Dundas County; Mrs Guy, Orville Guy, Board member for Eastern Ontario; Lorne Strader, chairman of Dundas Milk Committee; Heather Innes, Ontario Dairy Princess. — Staff Photo.

VILLAGE OF CHESTERVILLE
HYDRO SYSTEM
