# Kick-off Meeting For Cancer Campaign Next Tuesday

Dr. A.J. Phillips, Director of Public Education for the Canadian Cancer Society which is affiliated with the National Cancer Institute of Canada will officially kick off the local campaign at Country Kitchen next Tuesday night.

Dr. Phillips will be Guest Speaker at the Anual Banquet and tickets are available at the Jo-Anne Shoppe or from members of the Winchester branch.

Dr. Phillips has been associated with health programs since 1945 when he was appointed Research Director of a national school health research programme in Canada. He has served as Statistician in the National Cancer Institute of Canada; as Assistant Executive Director of the National Cancer Institute of Canada; and as Chairman, Committee on Cancer Detection and Registries, International Union Institute of Canada.

Objective of Dundas County Unit this year is $10,000.00 and Winchester Branch anticipates surpassing the $3,000.00 mark reached in last year's campaign.

Some indication of how public money is used can be found in the Canadian Cancer Society pamphlet entitled 'FACTS 70'. Here are a few examples:

To build new buildings such as the research centres at the University of Saskatchewan, Alberta, British Columbia and Western Ontario.

To pay the salaries of full time scientists, laboratory technicians, assistants, and caretakers.

To buy materials and equipment. For instance:

Laboratory mice cost $1 to $5 apiece and rats from $2 to $9. Rabbits cost $7 each and guinea pigs $3.25. Maintenance for 1,000 mice is $15. a day and a large laboratory will have about 25,000 mice at any one time.

A light microscope costs about $1,500, an electron microscope from $45,000 to $68,000. An ultra-centrifuge with rotars cost $18,000, cell counters are $6,500, a multi-channel analyzer $5,000 and a fraction collector $1,200.

Test tubes and petrie dishes cost the Ontario Cancer Institute about $33,000 a year, a radio active material $35,000.

Ontario's objective for 1970 is $3,660,000 with the total objective for all Canada set at $6,392,500.

Officers of Winchester unit include President, Arnold Dukelow; Campaign Chairman, Mrs. C. Beedie; Vice Chairman, Mrs. Al Bond; Service to Patients, Mrs. E. Merkley; Education, Mrs. Ralph MacPherson; Secretary, Mrs. Harold Clark.

Mrs. Beedie is County Campaign Chairman and has released names of sub chairmen for various branches as follows:
Finch and Berwick, Mrs. Irene Casselman, Iroquois, Mrs. Henry Malon; Morrisburg, B.L. Borovskis; Chesterville, Frank Cooke; Russell, Morgan Warner.

Winchester branch sub-chairmen are: Hallville, Mrs. Lanson Hyndman; South Mountain, Arthur Farrell; Mountain, Mrs. T. Maxwell; Vernon, Mrs. Roy Porteous; Winchester Springs, Mrs. Ralph Allison; Inkerman, Mrs. Dwight Hutt.

Winchester branch plays an important part both in the fight against the dreaded disease and in treatment of patients. The need is great and campaigners anticipate a friendly welcome and generous response.

# WINCHESTER PRESS

VOL. 82 NO. 47 | WINCHESTER, ONTARIO, THURSDAY, MARCH 26th, 1970 | PRICE 10 CENTS

## Finch Bank Robbed

Finch Branch of the Bank of Montreal was the scene of a daring robbery on Tuesday morning when two men entered the building a few minutes after opening time and escaped with between six and eight thousand dollars.

J. R. Gannon, Manager of the Bank told the Press only two customers were in the offices at the time. One, an elderly gentleman, about to cash a cheque and the other discussing business in the manager's office.

The manager said he was suddenly made aware of the robbery when his door opened and a hooded man stood in the doorway with a gun.

All members of the staff were herded into the washroom and told to remain quiet. The door was not locked. Mr. Gannon said he felt the men were experienced as they operated with speed, efficiency and without harsh commands or any show of excitement.

The two men scooped up all the cash at both teller wickets and escaped in a late model car - a 1967 or 68 Dodge 2 Door Hardtop. The car, identified as a stolen vehicle was found abandoned in the Berwick area an hour later.

A few Berwick residents reported seeing a strange late model black Oldsmobile in the area and it is believed the men transferred to this vehicle and made their escape. At press time two Montreal men had been apprehended near Hawkesbury and were awaiting questioning.

Mr. Gannon stressed the fact that the two men were very 'considerate' and rather than ask the elderly man to stay in the washroom they simply suggested he sit on the floor till they left.

The bank manager said he was very proud of his staff members who showed no signs of panic when faced with armed bandits.

## Long Time Williamsburg Man Dies

One of the district's best known residents and a long time, prominent citizen of Williamsburg, William Ernest Trickey died Tuesday in Winchester District Memorial Hospital. He was 74 years old.

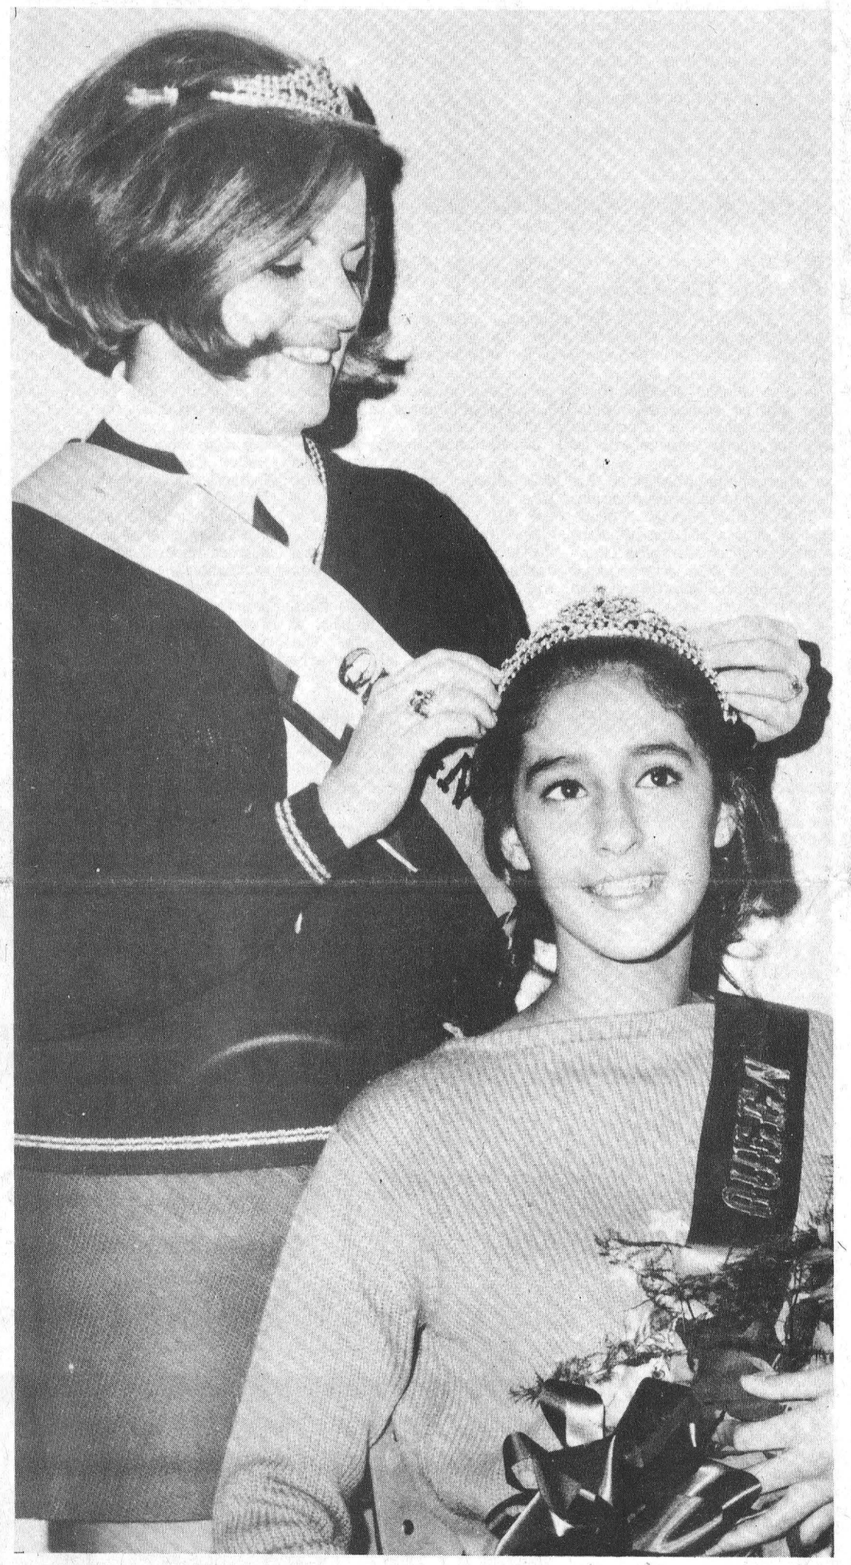
A retired cheesemaker and former manager of the Borden plant at Boucks Hill, Ernest Trickey had been an active community man throughout his life. He was a trustee of Williamsburg village, a member of the Masonic Lodge and a member of St. Peter's Lutheran Church. Politically he was a Conservative and been an able worker for the organization for many years. Possessing a genuine personality he gained a host of friends over the years and his position in the community was held in respect. In earlier life he had been a valued member of the sales staff of Melvin Motors of Winchester.

Born in Metcalfe, a son of the late Melvin Trickey and Jennie Henderson, he move to Williamsburg where he was to reside until his death. He was married to the former Florence Merkley, who survivies.

Also surviving are four daughters, Cora Trickey and Mrs. Glen Ferguson, Eileen, of Athens; Mrs. Delbert Resmer, Joan, of Rochester, Pa.; Mrs. Lyndon Barkley, Vera, Morrisburg, and one son, Arden, of Williamsburg. There are also seven grandchildren and two great grandchildren.

Funeral service will be conducted by Rev. W.J. Goos, at St. Peter's Lutheran Church, Williamsburg, on Friday afternoon at two o'clock.

Interment in Williamsburg cemetery.



Press Staff Photo.

## April Boyd Is Queen Of Queens

April Boyd, a demure Grade 10 student at Osgoode Township High School, was crowned 'Queen of Queens' at the Anual Lions' sponsored Carnival at Metcalfe last Friday night.

The lovely lass who resides with her parents, Mr. and Mrs. S. Boyd, at Greely, was a popular choice and being crowned 'Queen of Queens' climaxed a season of 'Queenly' activity for the pretty young girl.

Earlier in the season she had been selected Snow Queen at O.T.H.S. Winter Carnival Week; two weeks ago she was crowned 'Queen' at East Osgoode Memorial Community Centre Carnival; and Friday night judges awarded her the coveted title of 'Queen of Queens' over seven other lovely contestants.

April is a very gifted student whose special hobbies include ballet and stepdancing. Other interests she admits are art, music, reading, swimming, singing and baking.

Contest judges were Miss Pamella Whiting, Miss Ottawa Rough Rider; Miss Debbie Pawaluik, Miss Campus Club, and Dave Watts of Radio Station CFRA. Another well-known CFRA personality John Cavill was Master of Ceremonies.

Judges reported only a very few points separated all contestants but the two Princesses chosen were Marie Fawcett and Bonnie Brownlee.

Marie is a daughter of Mr. and Mrs. Gordon E. Fawcett of Inkerman and won the Carnival Queen Award at South Mountain Carnival. She is a Grade 9 student at Mountain District High School. Bonnie, a daughter of Mr. and Mrs. Eldon Brownlee attends Grade 10 classes at South Carleton High School. Bonnie was Carnival Queen at Osgoode.

Bonnie's sister, Beth, was also a contestant. She had been crowned Queen at the Kars Carnival.

see 'QUEEN' Page 3

*WORK TO BEGIN SOON*

# Municipal Board Gives Nod To Sewer System

Winchester's $784,000.00 sewer completion project has been approved and work could get under way this coming summer.

The application to the OMB had been made on behalf of the village by the Ontario Water Resources Commission and final approval was dated at Toronto on March 17th.

According to town engineers, J.L. Richards Associates Ltd., the design plan should be made available soon, calling of tenders would follow almost immediately and actual work could then get started.

Winchester already has a trunk line serving the hospital, part of St. Lawrence Street and other sections of the village and when this new addition is completed all residents will have such facilities.

'Winchester is a small but progressive municipality', said an OMB spokesman, 'It has a good commercial core and is itself the centre of a prosperous farming area. It is economically sound at the present time. In my opinion, this system is desirable for its proper growth and development in the future'.

Taken into consideration in giving final approval were the hazardous conditions existing in certain areas of the town where septic tanks cannot properly function.

Rates previously explained in this newspaper, will probably apply. Ratepayers will recall frontage charge will be 40 cents per foot per year, which may be commuted by a single payment of $4.90 per foot frontage; connection charge of $18.47 per year, which may be commuted by a single payment of $230.00; surcharge of 273 percent, on annual water bill; properties not connected to system will be liable to payment of first two rates only. 'This', says OMB officials, 'is not unreasonable because of the increased market value resulting'. It should be noted a significant reduction in the maximum annual rate for dwellings may be anticipated in view of the announced policy of provincial assistance to maintain an average annual rate of approximately $120.00 per year.

OMB officials in their careful evaluation of community needs took into consideration the extra tax burdens involved and the possible hardships such a program might create.

'There is no doubt', the report said, 'that the introduction of a new sewage system or new waterworks in the small municipalities imposes additional strain on the incomes of elderly retired persons and other pensioners but it must be recognized that the future does not belong to our generation. It would be wrong to prejudice the future of a municipality by making the effect on a small minority the sole criterion, and particularly so if other methods exist or can be found to relieve or offset inability to pay.'

'In my opinion', the OMB spokesman goes on, 'the proposed works are desirable and necessary for the welfare of the inhabitants and for the orderly development of the municipality. The costs are reasonable and the rates will not be an undue burden on the ratepayers in general'.

Estimated cost for completing the project is $784,473.00.

## Township Withdraws C.C. Grant

Winchester Township council, at last week's meeting, passed a motion rescinding the resolution passed by Council in 1969, whereby a contribution of $20,000 would be made to the Winchester Community Centre.

The vote was not a recorded vote, but Clerk Treasurer, Glen MacGregor reports the rescinding motion was not approved unanimously.

In other business the by-law to provide for road expenditure in 1970 was passed in the amount of $105,000. This amount was allocated in the following manner: $43,000 for construction; $62,000 for maintenance.

The construction estimates include $23,500 for road widening, and gravel resurfacing; $8,000 for culverts; $3,000 for completion of garage addition and $3,000 for completion of roads needs study. Largest items in the maintenance estimate will be $23,000 on gravel; $9,000 for grading and $8,500 for snow removal.

Approval for a further expenditure of $35,000 will be requested from the Department of Highways in a supplementary by-law, says the clerk-treasurer.

## Will Attend E.O.D.C. Meeting

Winchester Council members agreed at last week's meeting that all would attend the E.O.D.C. meeting at Summerstown, on April 6th. Council felt attendance at this meeting would be beneficial to future planning and it is expected Clerk Treasurer Raymond Annable, will accompany coucil members.

The meeting was held on Teusday, instead of Monday, creating some misunderstanding, since one councillor claimed he had not been notified of the change.

Council learned E.O.D.C. Data Sheets are being prepared and should be in circulation within a months time.

A request from Mountain Township Agricultural Society for a grant of $150.00 was held over for future consideration.

The clerk read a letter from Ontario Department of Highways. This letter was in answer to a request forwarded to the Department by Winchester council. In a letter sent to the Toronto office, attention was drawn to the fact that Winchester had not been using their full road allowances for the past two years, because of proposed sewer installation.

It was suggested to the Highways Department that possibly some of the money not used, might be added to future allowances when sewers are completed. A favourable reply was received and council was assured their suggestion would be given serious consideration.

## THE NEWS in Brief

### Lions Plan April Walkathon

Winchester Lions Walk Committee Chairman, Glen Vasey has released the date of the Annual 'Walkathon'. Saturday April 25th has been selected and Mr. Vasey reports a new route is already being considered.

All proceeds this year will be channelled into the General Welfare and District Benefit fund which means local Lions, in the true spirit of Lionism, will use the money to help the community.

Again this year, Chuck Collins will be in town with the Rothman Caravan that proved so beneficial at last year's walk.

It will be recalled approximately 500 walkers raised nearly $9,000.00 last year and even better returns are expected this spring.

Although speed is not taken into consideration it is interesting to note Eric Thompson covered the 25 miles last year in 4 hours and twenty-five minutes. Oldest walker a year ago was Joe Marquette who raised $6.00 for each mile and this was the second successive year Mr. Marquette had made the long trek.

The walk committee anticipates the complete cooperation of town and district citizens once again. Included on Mr. Vasey's committee are Reg Fetterly, Lyal Simpson, Doug Menzies and Mel Vice.

### COC Suggests Joint Meeting

Winchester Chamber of Commerce members have issued a request to the Fund Raising Committee to arrange a joing meeting with members of Community Centre Board, and Chamber of Commerce with an invitation to council to attend and observe the discussion.

Members of the local chamber are hopeful that such a meeting might help find a solution to some of the problems facing the Community Centre board at the present time.

The decision was reached at an executive meeting Tuesday morning with the following members present: Basil Dawley, W. MacDonald, G. Sutton, G. Davidson, H. Summers and E. Creaser.

### $500 Needed For Easter Seal Goal

The Anual Easter Seal Campaign sponsored by Metcalfe and District Lions Club is still $500.00 short of its objective. Campaign officials point out they are pleased with the response and returns are just slightly over the thousand dollar mark.

Objective was set at $1,450.00 and hopefully this figure may still be reached, said campaign chairman, Jim Rowan.

### Claims First Robin

1970s first robin was sighted at Edwards, Thursday, March 12th, according to a note from Mrs. Fred Quail. Mrs. Quail lives three miles west of Edwards, near Poplar Grove Golf Club.

When robins appear, it is almost a sure sign golfers will not be far behind.

### Ottawa Valley Farm Show April 7-10

Fifty thousand feet of exhibit space will be jammed full of equipment, supplies, feed, seed, etc. at Ottawa's beautiful Civic Centre in two weeks time.

April 7th, 8th, 9th and 10th are the big dates and officials anticipate record crowds.

A special event each day will be an attendance draw for a portable black and white television set. Hereford Breeders are having their Anual Classic Sale Friday, April 10th in the Coliseum and Thursday, April 9th is a special day for Corn Growers in the area.

Those present on Thursday will also have an opportunity to hear and see the C.B.C. Farm Broadcast live.

A Square Dance Competition will feature the Wednesday night show and Tuesday has been designated as Ladies Day.

The show commences at 12 noon, Tuesday and continues till 4:40 p.m. on Friday.

### Flood Time Approaching

Promise of continued mild weather increases the danger of serious flooding conditions in the district and residents of the Nation Valley area are preparing for the high water.

Rivers are beginning to break up and a few days of warm sunshine would undoubtedly create water hazards in all low-lying areas. Municipal officials are also concerned regarding condition of most country roads. Frost is thawing out and high snow banks prevent escape of water, resulting in serious road damage.

There's a bright side though. Two weeks from now the fish could be biting and some green might even appear on the first 'nine'.

## Upper Canada Golf Facilities Now Second To None

Golfers will soon be once more heading for the velvet greens and scenic beauty of Upper Canada Golf Course, where modern grandeur of a spacious Club House contrasts with the historic pageantry of Upper Canada Village.

The atmosphere is relaxed by the peaceful St. Lawrence and lovers of tranquil fairways and treacherous sand traps will welcome the addition this season of the ever-popular '19th Hole'.

The facilities and services planned for the Club House will be an important new factor both in helping to lengthen this aspect of the tourist season in this area and in providing first-class accommodation for thousands of golfers each year.

In addition to golf cart and club rentals, sales, and men's and ladies' change rooms and showers, provision is being made for a modern dining-lounge including bar service.

The number of players has increased dramatically in recent years and in total have become a significant economic entity in the total tourist package.

With the availability of these new services, the spending potential of 15,000 to 20,000 golfers each year, including many from Quebec and the United States, will be realized more quickly in this area.

At the First Canadian Travel Trade Congress held in Ottawa on February 11th and 12th this year, the Committee on 'Attractions and Events' made this observation:

'...Canada is not short of travel resources or potential attractions. The problem is how to develop them to the point where they are marketable to other countries. Related to this is the problem of tailoring our attractions to the specific needs

See 'UC GOLF' Page 3

# Of Interest to Women

## Married At Chesterville

Mr. and Mrs. Thomas Nixon were married at Holy Trinity Church, Chesterville, on March 7. The bride, the former Linda Styles, is the daughter of Mr. and Mrs. Gerald Styles, Williamsburg, and the groom is the son of Mrs. Thomas Nixon, Edmonton, Alberta.

Photo by LaSalle.

## BIRTHS

Following is a list of recent births at the Winchester District Memorial Hospital.

Tuesday, March 17, 1970, Mr. and Mrs. Francis Barkley, Chesterville, Ontario, a son.

Tuesday, March 17, 1970, Mr. and Mrs. Nick Gruick, Winchester, Ontario, a daughter (stillborn).

Tuesday, March 17, 1970, Mr. and Mrs. Keith Hamilton, Winchester Springs, Ontario, a son.

Wednesday, March 18, 1970, Mr. and Mrs. Rheal Allaire, Osgoode, R.R. 4, a son.

Thursday, March 19, 1970, Mr. and Mrs. John Kroone, Brinston, R.R. 2, a son.

Thursday, March 19, 1970, Mr. and Mrs. Jack Durant, Chesterville, R.R. 3, a daughter.

Friday, March 20, 1970, Mr. and Mrs. Percy Salmon, Morrisburg, Ontario, a son.

Friday, March 20, 1970, Mr. and Mrs. Claude Desrosiers, Williamsburg, R.R. 3, a daughter.

Friday, March 20, 1970, Mr. and Mrs. Eppie Bosma, Brinston, R.R. 2, a son (stillborn).

Monday, March 23, 1970, Mr. and Mrs. Paul Beaudin, Winchester, Ontario, a daughter.

## Birth

On March 19, 1970, at McKellar Hospital, Thunder Bay to Bob and Donna Sawyer, a daughter; a sister for Robbie and Tim.

## Final Tribute Paid I. F. Watson

Isabelle Frances Watson died in Vancouver, B.C., recently, following a lengthy illness. Born in Winchester in 1909, the late Mrs. Watson was the former Isabelle Frances Gemeroy R.N., a daughter of the late Jos. Gemeroy and Isabelle Fraser.

In 1937 she married John V. Keyes who predeceased her in 1953. In 1962 she married George W. Watson, Vancouver, who survives in addition to three brothers Herbert and Harold, of Calgary, and Dr. G.F. Gemeroy, Courtenay, B.C. and two sisters, Mrs. Wilbert Prosser (Mary) Kemptville and Mrs. Sally Cougler, Morrisburg; six brothers and one sister predeceased her.

Burial will be in Maple Ridge Cemetery in the spring.

## Burton-Smith Wedding

Sage Chapel, Cornell University, Ithaca, New York was the setting recently for the marriage of Miss Sarah Jane Smith of New York City to John Heslop Burton, of Guelph, Ontario.

The bride is the daughter of Professor Ora Smith and Mrs. Smith of 1707 Slaterville Road, Ithaca. The grooms' parents are Mr. and Mrs. W.E. Burton of Russell, Ontario.

The single ring ceremony was performed by the Rev. Richard S. Gilbert, Minister of the First Unitarian Church.

Given in marriage by her father, the bride wore a gown of silk taffeta, made with Venice lace on the bodice and top of the full bishop sleeves, and a chapel train. She had a matching bonnet of silk illusion and carried a bouquet of red roses with holly and pine.

The maid of honor was Miss Barbara Burton of Russell, a sister of the bridegroom. The bridesmaids were Miss Beverly Wierzel and Miss Sarah Wang both of New York City.

They were dressed alike in Empire gowns of Alpine green worsted wool with high neckline and cuffed sleeves. They had separate clusters of holly and narcissus blossoms in their hair and their bouquets were of holly, pine, white narcissus and red roses.

Terence Clifford of London, Ontario was best man. The ushers were Dr. James Stanley Smith the brother of the bride and Ian MacGregor, brother-in-law of the bridegroom.

A reception was held in the west lounge of Statler Inn.

After a wedding trip to Guadeloupe, the couple are residing at 16 University Avenue East, Guelph, Ontario.

The bride graduated from Ithaca High School in 1961 and from Butler University, Indianapolis, Indiana, in 1965 with a B.A. in Dance. She was with a ballet company in 1965, 1966 and 1967, and since then has been a dancer actress on Broadway and in other theatres in New York City.

Mr. Burton received the B.S. degree from the University of Toronto in 1962. Also his M.S. and Ph.D. degrees in Animal Nutrition from Cornell University in 1967 and 1969 respectively. He is at present, a research associate at the University of Guelph.

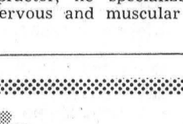
## Engagement

Mr. and Mrs. Cecil Johnston, Winchester, Ontario announce the engagement of their daughter, Suzanne, to Robert George, son of Mr. and Mrs. Leo Paul St. Pierre, Winchester, R.R. 2.

Wedding to take place April 25, 1970 in St. Mary's Church Chesterville, Ontario at 3:00 p.m.

## Nerves Just Nerves

BY J. A. LAQUERRE
Doctor of Chiropractic



Q—Every time I sit, or get up from a chair, I feel pain and a weakness in the low back. What is causing it, and can anything be done for it. My famly physician has had X-rays taken, but he said there is nothing wrong.

— Mrs. P. G.

A—First let me distinguish the difference between your physician's way of looking at the X-rays of your spine and Chiropractic analysis.

When your physician says there is nothing wrong, he means that there is no bone disease in your pelvis or your spine. The Chiropractic doctor goes one step further and analyzes the function and the mechanical structure of your pelvis and spine. This enables him to find and correct the cause of your pain, which is probably due to nerve irritation in your low back. You probably have developed a gradual muscular weakness, and how weak the muscles are depends upon the length of time you have had the nerve irritation. Don't forget your nerves are the centers controlling the functioning of your muscles. So the longer you wait, the greater the weakness and the pain, in many cases. When you have a nerve or spinal pain, call your Chiropractor, he specializes in the nervous and muscular system.

## From Queen's Park
### Fred Cass Reports

Following the new procedures of the House, the debate on the Speech from the Throne concluded on the last day of the Session before the Easter recess. This clears the way for introduction of the 1970 Ontario Budget when the House reconvenes on the last day of March. Actually, apart from the introduction of some score of Government Bills and the first organization meetings of the Standing Committees of the House, the first four weeks of this Session of the Legislature have been occupied exclusively with speeches in the Throne Speech debate. Upon its conclusion the usual N.D.P. and Liberal motions of no confidence were put to the House and, of course, defeated by the Government Members' vote. The salient points debated by all Members were naturally the Federal Government's White Paper on Taxation and its possible effects on the people of Ontario, the ever present problem of inflation with its attendant evils of rising costs, and reduction in buying power of our dollar and increasing unemployment. And, of course, for none of these pressing problems is there a self evident or accepted solution.

Apparently undeterred by the results both good and bad arising from new regional municipalities recently created, the Minister of Municipal Affairs and the Treasurer and Minister of Economics released two more regional studies of areas in south western Ontario. However, so far there is small indication of any studies or other action in this direction for our part of Ontario.

Controversy still rages both in the House and in the Press over allegations and statements of the 'crusading' N.D.P. Member for High Park concerning conditions in our Provincial Institutions. Although many of these matters appear to be rather clever though sinister political moves, one is always inclined to wonder if indeed there may not be some fire amidst so much smoke. It is possible that the whole subject will be referred by the Government to an appropriate Committee for further and factual investigation.

The ending of the Throne Speech debate and its attendant votes of no-confidence on Thursday, March 19th, prevented Prime Minister Robarts and your Member from being present at the official opening that day of the new Prescott Plant of Rehau Plastiks of Canada Ltd. This was a very great disappointment for your Member as he had had the privilege of turning the first sod for the new factory and was anxious to see the final result. This newest addition to the economy of our area is most certainly another 'shot in the arm' for our workers and businessmen.

## Dies Of Burns

James Myron Harper, of Chesterville, who was severely burned in an accident at Cardinal last week died in a Toronto hospital last Saturday. Mr. Harper was in his 25th year.

Born in Scotland, he was a son of Mr. and Mrs. Wendell Harper and received his education at Dunbar Public, Chesterville High School and Kemptville Agricultural College.

Mr. Harper was a member of Dunbar Presbyterian Church, where funeral service was conducted by Rev. Eaton at 2:00 p.m. Wednesday, March 25th.

Pall bearers were Richard Wagner, Peter Monast, Stephen Johnston, Richard Shaver, Gordon Holmes and Thomas Owers.

Interment was at Maple Ridge Cemetery.

## Winchester Citizen Ida K. Hutt Dies Following Lengthy Illness

Ida K. Hutt died in Winchester District Memorial Hospital following a lengthy illness on March 19th, 1970, in her 86th year. A daughter of the late Cornelius Bickford and Mary Fitzsimmons, she married Arnold J.T. Hutt, at Inkerman in 1905. Mr. Hutt predeceased her in June, 1969.

The late Mr. and Mrs. Hutt had been active in farming in Mountain Township for many years, prior to retirement, when they moved to the Village of Winchester. Following the death of her husband, Mrs. Hutt resided with her daughter, Margaret (Mrs. Ralph Johnstone) and family.

Left to mourn her loss are four sons, Kenneth, Dwight, Ralph and Herman; two daughters, Mrs. Madeline Steele and Mrs. Ralph Johnstone (Margaret) all of Winchester, as well as twenty grandchildren and five great grandchildren. Two sisters, Mrs. Nellie Farmer, Brockville and Mrs. Robert Kirkwood (Fanny) of Morrisburg, also survive.

Funeral service was conducted at the Vice and Craig Limited Funeral Home, Winchester, on Saturday afternoon at two o'clock by her pastor, Rev. A.J. MacDonald of Winchester United Church. During the service Mr. and Mrs. Sheldon Robinson sang 'Beyond the Sunset'.

Pallbearers were Ewen Gannon, Jack Gannon, Lloyd Francis, Allison Fawcett, Earl Barkley and Roy Pollock. Interment was made at Maple Ridge Cemetery.

## List Bookmobile Visitation Dates

On Thursday, April 2, the bookmobile will be at the following places:

| | |
|---|---|
| Williamsburg | 11:30 - 12:00 |
| South Mountain | 2:35 - 3:00 |
| Mountain | 3:15 - 4:00 |

## The Right Of Privacy
### Gordon Blair Reports

Do we realize how our privacy is threatened? Modern devices make the tapping of our telephones possible without either ourselves or the telephone company being aware of the fact. Computers have stored away information about most of us - what protection have we got against it falling into the wrong hands? What used to be called 'wire tapping' is now described as 'electronic eavesdropping' and no person is now properly protected against it.

JUSTICE COMMITTEE REPORT

The Justice and Legal Affairs Committee studied this grave problem for several months. Four bills to protect privacy have been proposed by private members. The Committee heard evidence from police and other experts. We also inspected some of the terrifyingly sophisticated devices which can be used for surreptitious eavesdropping. Faced with a spectre of the world depicted in George Orwell's famous book, '1984' the Committee recommended strong measures to protect our privacy in a report filed with the House of Commons last week.

PROHIBITIONS AGAINST ELECTRONIC SNOOPING

The Committee recommended it should be a criminal office

1. To engage in electronic eavesdropping.
2. To use any unauthorized information obtained by such eavesdropping.
3. To engage in industrial espionage - i.e. spying on business competitors.
4. To take or use any unauthorized information from a computer system.
5. To manufacture, import, sell, use or possess devices primarily designed for such eavesdropping.

EXCEPTIONS

The Committee recognized that police forces - to keep abreast of sophisticated criminal activities - must sometimes engage in electronic eavesdropping. At present, our police forces can do this on their own initiative without outside control. The Committee recommended that two steps must be taken by police authorities. First, the action must be authorized by the Attorney General of Canada or one of the provinces depending on the category of the crime. Second, the action must be approved by a Judge of a Superior Court. In this way specific responsibility for the act will be imposed on our governments and the citizen will be protected further by the law enforcement authorities having to persuade a high court judge that the action is necessary.

MODERN PROTECTION ASSURED

The government will intorduce a bill to give effect to these recommendations at an early date. This should give to us in Canada the best and most modern protection of our privacy of any country in the world. I would be glad to send copies of this most important Committee report to anyone interested.

## Grenville-Dundas Ayrshire Club Barn Meeting

A highly successful Ayrshire Barn Meeting was held March 18th at the farm of Mr. and Mrs. George Barclay, Winchester.

The Barclay herd was exceptionally well presented and appreciation was extended to them for offering their farm for the meeting.

An extremely interesting and informative talk was given by Dr. George Fisher of the Regional Veterinary Laboratory, Kemptville, on the cause and cure of common ailments found in cattle.

Cattle judging was well attended with the top five prizes won by Jeff Nurse, K.C.A.T., Douglas MacIntyre, Finch; Gerald Kittle, Chesterville; Meldrum Wadkins, Finch and John Seguin of Oxford Mills.

# Russell Airport Scene Of Hovercraft Demonstration

Russell Airport was a hive of activity last Saturday and Sunday when the newly formed 3D Enterprises of St. Onge demonstrated the versatility of Hovercraft.

Several machines were on display offering free rides while officials of the company explained the possibilities of the newest in sporting craft.

This new business venture is under the directorship of three local men, Peter Latremouille Don Campbell and Pat O'Byrne.

Mr. Latremouille explained the firm hopes to modify the sleek machines and hopefully reduce both noise and vibration.

'Right now', he said, 'we're giving them a rough time and any defects in construction will be remedied'.

Hundreds of people were on hand and many not only enjoyed skimming over the snow-covered airport on the air-cushioned hovercraft but also took advantage of an opportunity to see the landscape from the air.

All enjoyed free coffee and doughnuts.

Press Staff Photo

# Mrs. Ian Dow Hosts 22 Members Vernon W.M.S.

Twenty-two ladies were present at the home of Mrs. Ian Dow for the March meeting of the Vernon W.M.S. The president, Mr. W.D. Dow opened the meeting by welcoming all members and visitors, and gave a reading 'The March Wind'. The hymn 'When I Survey the Wonderous Cross' was sung.

Mrs. Harold Cowan chose the Easter theme for devotions.

Announcements were that the World Day of Prayer would be held March 6th, in the Vernon Baptist Church, and Miss Louise Gamble, missionary from Taiwain, will be speaking at the Vernon Presbyterian church, the evening of May 14th.

'He's got the whole world in His hand' was the selection Grant Duncan played on his guitar.

A film entitled 'He Is Risen' was shown by Mr. Ian Dow.

The president closed the meeting with prayer.

A meeting of the Ladies Aid followed. Mrs. Harold Cowan, president, opened with a reading 'The Tomb'. A brief business session followed. Mrs. Ray Longstreet thanked Mrs. Harold Cowan and Mrs. John K. Campbell for serving a delicious lunch and the hostess Mrs. Ian Dow, for opening her home for the meetings.

The next meeting will be held at the home of Mrs. Stewart Fisher, April 2.

## Pleasant Valley

Mr. and Mrs. Samuel Cowan and family of Prescott, were Friday over night and Saturday visitors of Mrs. Mary Gilmer, Mr. and Mrs. Hilliard Gilmer.

Mr. and Mrs. Earl Gilmer were callers at the Memorial Hospital at Winchester on Wednesday.

Mr. and Mrs. John McGowan, of Brinston spent Wednesday evening at Mr. and Mrs. David Gilmer.

Congratulations and best wishes are extended to Mr. and Mrs. Lee Kennedy who celebrated their 59th Wedding Anniversary on Sunday, March 22. Also to Mr. and Mrs. Gordon Gilmer of Shanly, who celebrated their 40th Wedding Anniversary on March 22.

Mrs. Ken Hunter, Miss Doris Hunter, of Ottawa, were callers on Saturday on Mr. James Gilmer at the home of Mr. and Mrs. Percy Gilmer. Glad to report Mr. James Gilmer is on the gain after having pneumonia.

Mr. and Mrs. Rae Merkley of Winchester, Mr. and Mrs. Gordon Gilmer of Shanly were Monday evening visitors at the home of Mr. and Mrs. David Gilmer.

Sunday visitors of Mr. and Mrs. David Gilmer were Mr. and Mrs. Gerald Renkema, Brian, Richard of Brockville, Mr. and Mrs. Wilfred Seeley, Dean, of Merrickville.

Mr. and Mrs. William Somerville were callers on his brother Mr. and Mrs. George Cowie, of Kemptville on Friday.

Sunday visitors of Mr. and Mrs. David Gilmer were Mr. and Mrs. ross F. Gilmer, Mr. Basil D. Gilmer, of Ottawa.

Sympathy is entended to Mrs. Thomas Shaver and son, William, of South Mountain in the passing of dear husband and father, the late Thomas Shaver and to the other close friends.

Mr. and Mrs. Dwaine Kennedy of Oil Springs are spending their Easter holidays with their parents Mr. and Mrs. Lee Kennedy, Mr. and Mrs. Black of Prescott.

## "GOLF" Continued from Page 1

of our visitors....'.

The travel industry in the Seaway Valley, as elsewhere, is competitive and diversified. Increased dollar benefits will not just automatically happen. Research and sound planning offer great promise for the future and 'tailoring our attractions to the specific needs of our visitors' is a must.

The importance of tourism in Eastern Ontario's economy is greater than perhaps most people realize. In 1967, the latest year for which statistics are available, 4,491,633 tourists spent $101,011,610 in the Seaway Valley which represents 36 percent of the total area spending. These figures compared to 1965 when 2,154,407 tourists spent $83,088.140 are very encouraging and reflect well on the total touist establishment. Projected tourist expenditures for 1969 exceed $300,000,000.

Present and future planning by the Parks Commission, as part of the Seaway Valley Tourist complex, will be progressively apparent in the upgrading and expansion of facilities and services to meet the challenge of the 70's.

Winter is no longer the 'off season'. The potential and opportunity which winter recreation offers will be recognized in future Commission planning.

Since 1961 over 21,000,000 visitors have been recorded at Commission sites. The present complex includes two major historic sites, Upper Canada Village and Old Fort Henry, 7,000 acres of parklands, 2400 campsites, day use areas, airstrip, marina, riding corral, maple sugar bush, golf course, nature trails and the wildfowl sanctuary.

All of these components were developed to meet, at least to some extent, very diverse preferences of visitors to 'our Valley'. However, the demands of the tourist industry are no different than those of other industries and therefore change as the years go by. The jumbo-jet age is just around the corner and it seems obvious that more and better services for visitors will be required in the Seaway Valley, as elsewhere, if it is to capture an increased share of tomorrow's tourist dollar.

The provision of an up-to-date modern Golf Club House with accommodation and services which reflect the expectations of the 70's, is in keeping with Commission plans to provide attractions which will play a part in maintaining a healthy tourist industry in the Seaway Valley.

## C. A. Fobare Dies Following Auto Crash

Charles J. Fobare, 74, husband of the former Ethel M. Lamoureaux, of Winchester, died as a result of a car-ambulance collision early in March. Mr. Fobare had suffered a stroke some time ago and was being treated at Hepburn Hospital and at his own request was being taken home by ambulance for a party being given in his honour.

The impact of the collision resulted in Mr. Fobare being hurled from the ambulance. He suffered from shock, fractured ribs and terminal pneumonia and died two days later in hospital.

Mr. Fobare was a dairy farmer all his life and operated a 1700 acre farm. For 17 years he was employed at the pulp dock in Waddington, in conjunction with farming.

Besides his wife he is survived by three daughters and three sons. Also, one brother and two sisters.

## East Carleton W.I. Directors Plan Annual

Directors of Carleton East W.I. met at Gloucester Township Hall with Mrs. E. W. Innes presiding. Plans were completed for the Annual Meeting at Leitrim Arena, May 14. Nominations were received to fill positions which will become vacant this year.

Mrs. L. A. Cleland, Fed. Rep. will attend the Guelph Conference, April 28, 29 and 30th. The National Convention will be held in Winnipeg, August 20th to 28th, 1970. A.C.W.W. Triennial Conference will be held in Oslo, Norway, August 10 to 20, 1971. Tours of neighboring countries are being planned following the Conference.

Greely - Manotick will hold a meeting March 24th on Drugs and their use. This is a timely topic and an invitation is extended to attend and take part in this discussion.

Gloucester Glen will host a meeting at St. Leonard's School, Manotick on April 15th when Mr. John Turner will speak on the 'White Paper'.

A Food Forum 'Calorie Countdown' will be held at Stittsville United Church Hall, April 22nd at 7:30 p.m.

## Ernest Hamilton Chosen For B.C. Exchange Visit

Junior Farmers at their Anual Provincial Conference in Toronto last week selected members for exchange visits to other provinces this year.

Ernest Hamilton, of Russell was chosen to exchange with a British Columbia Junior Farmer sometime in the summer.

The Conference has held at 'The Inn On The Park' with approximately 400 delegates present from all parts of Ontario, as well as, visitors from Quebec and the United States.

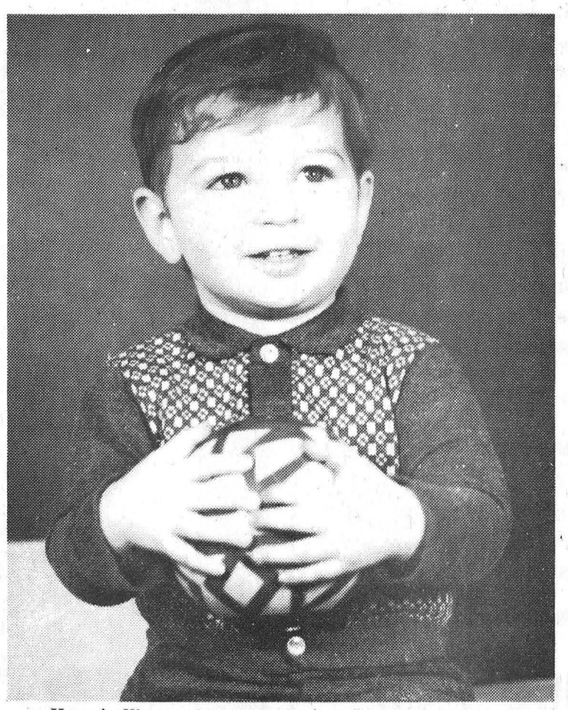
A conducted tour of the Ontario Science Centre was enjoyed as was a 'get acquainted' party on the first evening.

A new Provincial Executive was elected and all attended a Worship Service before returning home.

## TODAY'S CHILD

BY HELEN ALLEN

Toronto Telegram Syndicate



Here is Wayne, just turned two. He's a handsome child with beautiful big hazel eyes, brown hair and medium complexion with rosy cheeks. Wayne is a sturdy boy, in excellent health and always active. He really enjoys his toys — look how possessively he's holding that ball.

He is alert and interested in everything going on and he loves attention from people he knows, though he's a bit shy of strangers.

Wayne has a big vocabulary of single words but his conversation is mainly in his own special language. This little fellow has been accustomed to a lot of affection so he needs parents who will give him a warm, loving home.

To inquire about adopting Wayne please write to Today's Child, Department of Social and Family Services, Parliament Buildings, Toronto 182. For general adoption information ask your Children's Aid Society.

## "QUEENS" Continued from Page 1

All contestants received valuable prizes and rounds of applause from the near-capacity crowd.

Feature of the Carnival was the barrel-jumping antics of George Coallier of Montreal, who thrilled both young and old with his hair-raising feats. He was ably assisted by two 'blundering' clowns.

Another event that won wholehearted approval of the large audience was the presentations of North Dundas District High School Band. So popular were the young musicians that Lions Club members spoke hopefully of having the band back for an outdoor concert later in the spring.

Mosquito and Pee Wee hockey players proved very entertaining and gave some indication of the fine hockey program being conducted by the Lions Club.

Two Lion members, Maurice Ladoucer and Len Moriarity set (so they say) an all-time log-sawing record when they tore off a block in ten seconds flat and won the trophy which had been held by Ron Isaac and Gord Morrow.

Throughout the evening children were over joyed by the antics and skating ability of the two clowns whose identity was not known. (There were reports that Don McIntosh and Gord Reaney were seen leaving the rink with paint plainly visible on their faces).

President, Roy Porteous welcomed the huge crowd and thanked fellow members who had spent many hours planning the event. He also thanked the many area businessmen who had generously contributed including firms in Winchester, Embrun, Vernon, Gloucester, Manotick, Greely, Ottawa and Metcalfe.

# N.D.D.H.S. NEWS NOTES

Staff and students are enjoying the winter holiday this week. The break for schools in Ontario during the last full week of March was established by the Department of Education four years ago to replace the week's holiday which formerly came after Easter. It was felt that when Easter was late in April the term between Christmas and Easter was too long while the term from Easter until the end of the school year was too short. The holiday as it is now divides the time from January until June approximately in half.

The Easter holiday, under this arrangement consists only of Good Friday and Easter Monday. This year since Good Friday comes during the winter holiday there will be no school on March 30 and no further holidays until Victoria Day, May 18th.

The final term for the year should prove both interesting and busy. Mr. Lalor's Theatre Arts classes are preparing a 3-Act comedy 'U.T.B.U.' to be presented two evenings during the last week of April. One presentation will be for students, the other for the public.

The Junior and Senior Bands will be competing in the Ottawa Music Festival on April 25th, and in May the annual Navy and White Revue will again take place in the Auditorium.

Over $500. was added to the Band's travel fund at the Musical Varieties programme on Wednesday night. An enthusiastic crowd attended to hear the Junior and Senior Bands under the direction of Mr. F. Blair and Mr. N. St. Louis present an excellent concert.

Don Leger of C.F.R.A. Ottawa was Master of Ceremonies. Two modern blues numbers were done by Steven Durant and Raymond Dawes of Osgoode Township High School. Raymond played the organ while Steven played the piano and sang.

Comedy was provided by Mr. M. Helston of the N.D.D.H.S. staff who, as the traditional Irishman, sang, played the piano and told Irish jokes.

Members of the Senior Band and the instruments they play are as follows: -

OBOE - Robert Price
FLUTE & PICCOLO - Donna Shay
FLUTES - Mary Mussell, Mary Moffat, Darlene Holmes, Beatrice Block.
CLARINETS - Elizabeth Barton, Wayne Anderson, Brenda Cronin, Joan Shepherd, Marilyn Smith, Beverly Stewart, Mike Chambers, Marjorie Moffat, Steve Brannen, Marie Chambers, Sue Craik, Judy Erratt.
BASS CLARINET - Robert McGregor.
BASSOON - Dave Ennis.
SAXOPHONE - Sharon Fyke, Betty Lou Casselman, Eileen Moriarity.
FRENCH HORNS - Andy Forward, Sheila Coyne, Janice Casselman, Kevin Darling, Brian Cinnamon.

TRUMPETS - Steve Durant, Jim Irven, Leona Streng, Martin Barkley, Barry Holmes, Jim Gamble, Jim Lapp.

TROMBONES - Peter Robinson, Robert Ferguson, Steve Holmes, Jeff Boyd, Colleen Ennis.

EUPHONIUMS - John LaRose, Freda Johnston.

BASSES - Norm McLeod, Robert Carscadden.

STRING BASS - Janice Docksteader.

PERCUSSION - Steve Kenney, John Carkner, Ray Cinnamon.

# Medical Health Officer Addresses Mountain WI

Dr. Peters, Medical Health Officer for St. Lawrence Valley Board of Health, was Guest Speaker at the regular meeting of Mountain Womens' Institute last week. The meeting was held at the home of Mrs. Ella Hoy.

Dr. Peters gave an interesting address on the history and development of Boards of Health in Ontario. He said the outbreak of cholera in 1845 had led to the formation of the first board and that by 1895 it had become compulsory for all municipalities to set one up. At that time, he explained, their chief purpose was to control epidemics but later they worked to reduce the infant mortality rate which was then 100 per 1000 births. (Today the rate is 20 per 1000 births).

The Health Officer told the ladies that at the present time 43 equalized health units have been set up across the province and their activities include Accident control, pre-school immunization clinics, school health check-ups, mental health care, sanitary surveys, and inspection of nursing homes.

The business portion of the meeting included completion of arrangements for the Tweedsmuir Tea to be held in the United Church Hall, April 11th.

## IN MEMORIAMS

HENDERSON—In loving memory of a dear husband, father and grandfather, William Henderson, who passed away April 2nd, 1964.

Calm and peaceful he is sleeping,
Sweetest rest that follows pain;
We who loved him sadly miss him,
But trust in God to meet again.

—Sadly missed by Wife, Daughter and Grandchildren. 47p

COUGHLAR—In loving memory of our dear daughter, Karen Lynn Coughlar, who passed away so suddenly March 28th, 1967.

Three years ago we had to part
With one we loved with all our heart;
With the dearest daughter this world could hold,
Who meant more to us than wealth untold.
We miss you, Karen, more than anyone knows,
Each day that passes the emptiness grows,
The tears we shed can be wiped away,
But the ache in our hearts will always stay.

—Sadly missed by Daddy and Mommy. 47p

SMITH—In loving memory of a dear mother, Mrs. Harvey Smith, who passed away March 30th 1969.

We who loved you, sadly miss you,
As it dawns another year;
In our lonely hours of thinking
Thoughts of you are ever near.

47c —Walton and Jean

SMITH—In loving memory of a dear wife and mother Maude Smith, who passed away March 30th, ,1969.

Peacefully sleeping, resting at last,
The world's weary troubles and trials are past;
In silence she suffered, in patience she bore,
Till God called her home to suffer no more.

47p —Harvey and family

THOMS—In loving memory of a dear husband and father George Henry Thom, who passed away March 25th, 1968.

God took him home, it was His will,
But in our hearts he liveth still.

—Loving wife, Lottie, and family. 47p

# O.F.A. Must Take Stand On Benson's White Paper

The Ontario Federation of Agriculture firmly believes that a stand must be taken to protect the individual farmer from the hysterical outbursts being made in public both for and against the Benson White Paper on Tax Reform.

The O.F.A. stresses that farmers must make efforts to bring about constructive changes in our tax system. The Federation will hold a provincial workship conference on March 30, in Toronto, to explain the proposals of the White Paper and how the farmer is affected.

It is suggested that this meeting, to be attended by representatives from across Ontario, could lead to similar workshops and information meetings at county and township levels.

The O.F.A. supports the announced intent of the reforms to bring about an equitable tax system. But the Federation stresses that there are numerous areas which need change before the White Paper will be acceptable to farmers.

The Federation points out that a much needed change, the integration of the federal tax system with the provincial and municipal tax systems, is not achieved in Mr. Benson's paper.

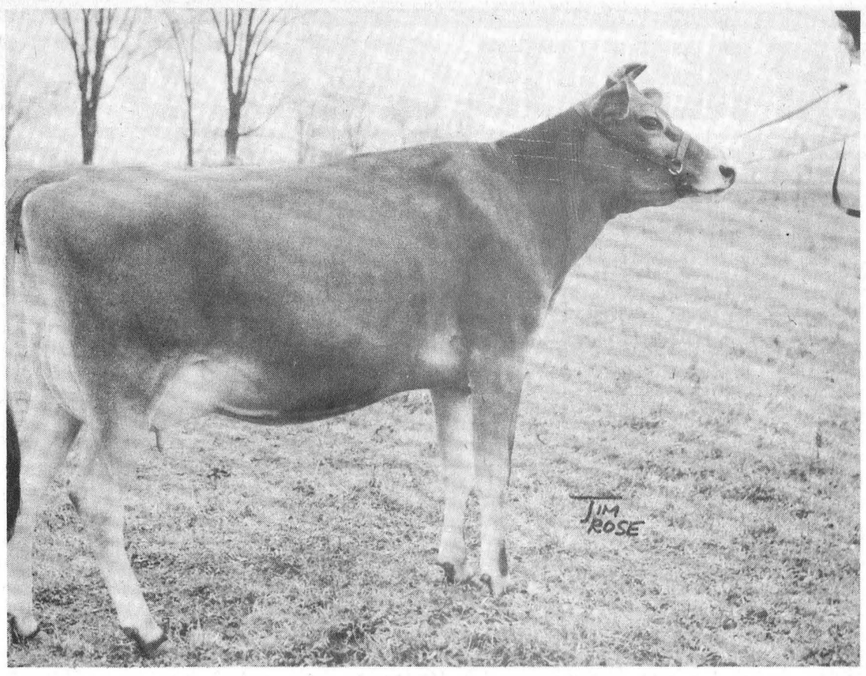
O.F.A. President, Gordon L. Hill explains that this integration is a necessity.

Concerning capital gains taxes on inflation, the O.F.A. is convinced that justice demands the introduction of an inflation index, based on the shelter component of the cost-of-living index.

In the O.F.A.'s proposals to change the Benson paper it is stated that 'if government is unable to control inflation, there is no reason why the taxpayer should be penalized.

## Mountain 4-H Holds Meeting

Mountain 'Neat Niks' members held their third meeting on March 16th at the home of Mountain No. 3 4-H Leader, Mrs. Dwight Hutt. The meeting opened with the 4-H Pledge. Following the reading of minutes and roll call, a lively discussion was enjoyed on the topic 'Making Leisure a Pleasure, and Keeping Fit Physically'.



## All Canadian Jersey

Grove Springs Major Claim, V.G., shown above has been recognized at the 1969 Reserve All-Canadian Jersey Senior Yearling heifer.

Owned by Emerson Kinkaid, of Russell, she won the Reserve Grand Championship, at Central Canada Exhibition and was judged Junior Champion at the St. Lawrence Parish Show, staged at Russell Exhibition, last fall.

MEDICAL ASPECTS IN QUESTION

# DOT To Sponsor Safe Driving Seminar

A special seminar to discuss the relationship between medical and psychiatric impairment and the safe operation of a motor vehicle will be held in Toronto on May 1 and 2 under the sponsorship of the Ontario Department of Transport.

Transport Minister Irwin Haskett said: 'This is one aspect of safe driving that deserves more intense study, discussion and consideration so that any areas of action that could achieve greater safety for all road-users can be more clearly defined.'

Physicians, surgeons, psychiatrists, judges, lawyers, motor vehicle and safety administrators, and other individuals concerned with the medical aspects of safe driving will be attending the two-day conference at the Westbury Hotel.

Delegates will discuss defective vision, medical impairment, psychiatric disorders, alcoholism and drug dependence as they relate to driving ability.

The objectives of the seminar are to review existing procedures and standards....to develop recommendations aimed at identifying drivers with physical and mental deficinecies....and to establish levels of medical fitness related to driving competence in line with today's medical opinion.

The seminar should also develop proposals for solving problems involved in detecting and evaluating physical and mental deficiencies and reporting them to licensing authorities.

In addition, delegates will be asked to review the role of medical advisory boards as related to driver licensing authorities, and develop a consensus on the most urgent line of research into the medical aspects of driver capability.

# Four New Members Join East Carleton Junior Farmers

Four new members were welcomed at the March meeting of East Carleton Junior Farmers, held in Club 31, Vernon.

During the business meeting, Jean Shields gave a brief report on the County Meeting and mentioned the activities planned for the following months. Linda and Ruth Waddell gave an interesting account of the Toronto Conference which they attended. At the conference, films were shown and discussions were led on world and teenage problems and the aims of Junior Farmers.

President, Mike Shields announced that Isabelle Johnson and Linda Waddell were the 1969 winners of the Alvin Cowan Memorial Scholarship.

A New Members Committee was formed including Linda and Ruth Waddell, Terry Murdock, Ed Robinson, Janet Alexander and Janet Cummings.

The meeting was followed by interesting contests conducted by Helen Stoodley and John McDonald. A social hour concluded the meeting.

AT VERNON W.I.

# White Elephant Sale Is Feature

The highlight of the March Meeting, of the Vernon Womens' Institute, was a White Elephant sale, which added a goodly sum to the treasury. Mrs. Archie Sayant reported on the District Directors' Meeting, held recently at Gloucester Township Hall.

Coming events, brought to the attention of members, included the Guelph Conference in late April, when one of the Vernon members will attend.

Greely - Manotick W.I. are entertaining on March 24, when Drugs will be discussed.

In mid April, Justice Minister, John Turner, will speak on the White Paper on Taxation, in Manotick.

At Stittsville United Church Hall a food Forum, entitled Calorie Countdown will be held on April 15. At all of these events members of Vernon W.I. are welcome.

Branch Directors will act as Nominating Committee for the Annual Meeting in April. A pot luck supper at 7 p.m. will precede the meeting, where the Roll Call will be 'The W.I. meeting I enjoyed most in the past year'.

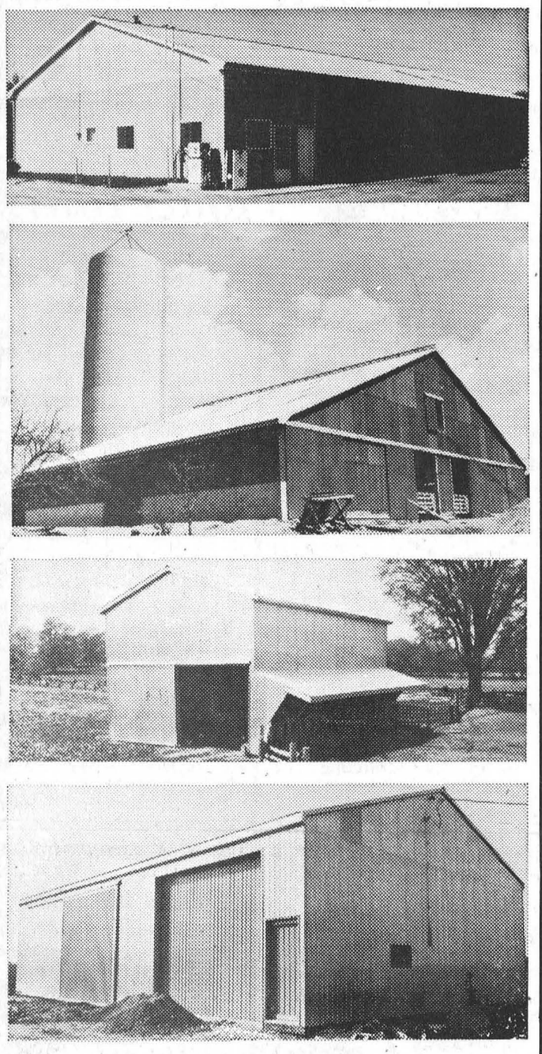
# Should Ban Phosphate Detergents

Liberal Pollution Critic Pat Reid said today, 'All detergents containing phosphates should be banned in Ontario since there is now a phosphate-free detergent on the market.'

Mr. Reid said, 'The new phosphate-free detergent being sold by Mac's Milk Stores throughout the province is cheaper than the leading phosphate detergents.'

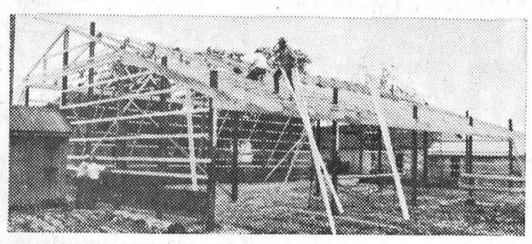
The Liberal MPP for Rainy River said, 'An official of Mac's Milk has advised me that the phosphate in the old detergent has been replaced by another ingredient which acts both as a catalyst and water softener and has been tested by an outside lab and found to have no harmful effects.' He added, 'You must use slightly more of the new detergent than the old kind, but it's not a very big price to pay for phosphate-free water.'

BEAVER ENGINEERED BUILDINGS



For Now And The Future

A Beaver Engineered Farm Building is not "just" another building. It is an integral part of your farm . . . designed to take care of your needs today and allow for the future. So whatever your job . . . big building or small, one building or a complete set-up . . . Beaver buildings are based on the experience and findings of more than 30 field service "Farm Reps" who are constantly in touch with all types of farming in farm lands throughout Ontario That's why we guarantee long lasting satisfaction and service from any Beaver Farm Building in our Catalogue. Visit your nearest Beaver Lumber Store for your free copy today.



BEFORE THE SPRING RUSH

Plan The Buildings To Do The Job

The Beaver Farm Rep is as near as your phone and he's at your service to help plan and design the building or buildings to suit your farm program. Why wait till spring and rush the job . . . phone today and get all the answers.

Phone the Beaver Farm "Rep" direct or contact your nearby Beaver Store

New! Lasso 4 for corn and soybeans

The most remarkable herbicide ever developed.

- Needs no incorporation.
- Lasso 4 will not damage your crops or ruin your rotation plans. After it has done its job it breaks down harmlessly in the soil.
- Lasso 4 by itself kills a wide variety of grasses in corn and soybeans.
- Lasso 4 mixed with Atrazine 80W controls both broadleaf weeds and grasses in corn.
- Lasso 4 gives excellent results with as little as 3/10-inch of rain, yet won't leach out with heavy rain.
- Lasso 4 works consistently in heavy and light soils and performs well regardless of organic matter.

Available from your local Co-op Farm Centre or your local Aero Fertilizer Blender.

For free descriptive literature on Lasso 4 and its use, write Monsanto Canada Limited, 425 St. Patrick St., LaSalle, P.Q.

"I think crop insurance has proven its worth."

Ross A. Dulmage, South Mountain.

Crop insurance protects you against the hazards of a bad year — the weather, plant disease and insects.

Farming is a risky business. Crop production costs increase steadily, year by year. In contrast, crop yields vary — depending largely on unpredictable natural hazards which you can't control. But now you can protect your investment in seed, fertilizer, sprays, etc. — with crop insurance. Crop insurance guarantees your production — so you can cover your costs.

Rates are low — Federal and Provincial Government participation means you buy this comprehensive coverage for less than half the cost.

'No-claim discounts' — can reduce premiums by as much as 25%.

Premiums are deductible — At tax time, your crop insurance premiums can be listed as deductible expenses.

For peace of mind — find out how crop insurance can benefit you. Talk to your local agent — he's listed below.

APPLICATION DEADLINE MAY 1st (SOYBEANS AND WHITE BEANS JUNE 1st)

Crop Insurance details and application forms available from:
Lorne Mellan
R.R. 1, BRINSTON TELEPHONE 989-5480

# Boys Outnumber Females As Ontario School Enrolment Grows

Ontario's school enrolment increased by more than 55,000 last year but students are being taught in fewer schools.

Latest Department of Education statistics show that on September 1, 1969 school enrolment totalled 1,986,796, an increase of 55,399 over September 1968.

Secondary schools experienced the greatest increase with total enrolment reaching 530,679, an increased of 29,872 over 1968.

There are 1,456,117 students in public and Roman Catholic separate elementary schools. Enrolment in the public elementary system totals 1,042,561, an increase of 20,885 while enrolment in the Roman Catholic separate elementary schools increased by 4,642 for a total of 413,556.

Continued consolidation of facilities at the elementary school level resulted in the number of schools decreasing to 4,923 last September, 132 less than in 1968. There are 3,013 public elementary schools in Ontario, 1,343 Roman Catholic separate elementary schools and 567 secondary schools.

Boys continue to out number girls in the school system. There are 1,028,683 male students compared to 958,113 female students.

In 1969 the number of teachers increased by 5,139 for a total of 89,929. Grade 1 has the highest enrolment in the elementary school system with a total of 169,697 students.

## Tops In Tournament

Manotick Public School basketball team, coached by Physical Education Instructor Lyle Alexander won the top award in a recent Elementary School Basketball Tournament at Osgoode Township High School. The tournament was organized by O.T.H.S. Athletic Director, Jim Kerruish with eight area public and separate schools participating. Manotick scored their first victory over St. Mary's by a 28 to 18 score. Their semi-final game was against St. Leonard's another Manotick entry, and this ended in a convincing 29 to 10 win and earned the boys a berth in finals.

Their final victory was a thrilling 17 to 16 win over a strong aggregation from Uplands.

At the conclusion of the tournament Mr. Kerruish, presented the beautiful trophy to winners and each member of the team received a crest.

Mr. Alexander is shown above with his winning team. Members of the team are Jim Watson, Bryan Rooke, Larry Chambers, Garry Simser, Mark Rogers, Cliff Harvison, Chris Bradley, Robert Gamble and David Scott.

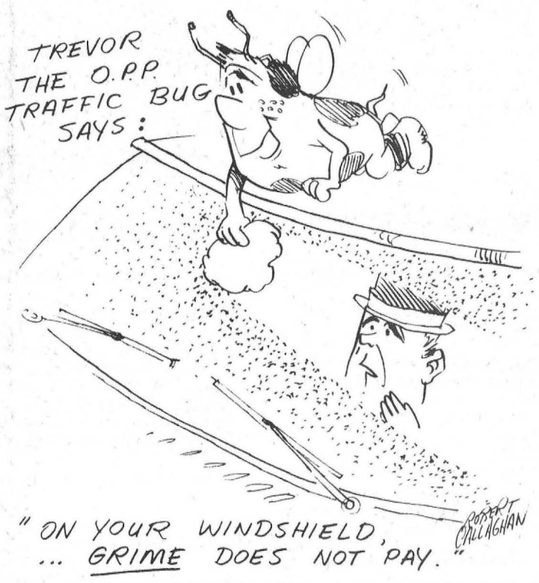
Press Staff Photo

THE DEFENSIVE DRIVER

# Will Drive Again To-Morrow

Most motor vehicle trips are uneventful and routine when drivers are fortunate. Once a car trip becomes eventful, it can be terrifying.

The automobile's horsepower and thousands of separate parts are controlled by a person of varying moods, uneven skills, incomplete knowledge, unprecise judgment and affected by a mass of dreams and worries.



At high speed, in heavy traffic, the potential for mishap is great. Collisions would be even more numerous if drivers were not protected by driving habits developed through experience.

The defensive driver is always on the alert for possible road hazards. He keeps his mind alert and is ready for the unexpected to happen. He drives according to road conditions showing courtesy to other motorists. He is a person who through his driving habits today will drive again tomorrow.

Ontario Provincial Police in Dundas County patrolled 11,719 miles while working 955 hours. During this time, officers laid 52 charges and issued 59 warnings. Officers from Morrisburg and Winchester Detachments investigated 2 thefts, 2 disturbances and 22 miscellaneous complaints. Seven persons were charged under the Liquor Control Act of Ontario.

Area highways were quiet with officers investigating 4 property damage accidents and 1 personal injury accident which resulted in 3 persons receiving minor injuries.

Provincial Court was quiet with officers spending 5 hours in court while registering 33 convictions.

EDGE SOUTH GRENVILLE IN SECOND OVERTIME

# Cochrane Hero As Osgoode Wins First Hockey Tourney

Osgoode Township High School's, Geoff Cochrane, was the hero of the day when he slammed home the winning goal at the 6-minute mark of a second overtime period late Saturday evening.

The final game of the all-day nockey tournament brought together a strong South Grenville High School team and the home team, O.T.H.S.

Eight teams entered the competition which got under way at eight in the morning and continued throughout the day. Schools represented included Gloucester High; Pius X; South Carleton; Mountain; Maxville; North Dundas, South Grenville and Osgoode.

In the first round Osgoode downed Gloucester 4 to 3; Pius X eliminated Mountain 4 to 1; South Carleton doubled the score on North Dundas, 6 to 3; and South Grenville edged Maxville 3 to 2.

South Grenville trimmed South Carleton by a score of 6 to 2 in one half of the semi-final round while Osgoode, with a goal in the last minute of play defeated Pius X.

This set the stage for the thrill-packed final and it appeared at the beginning, the home team might be outclassed by the big yellow and black contingent from the St. Lawrence front.

South Grenville took an early lead at the 2-minute mark of the first period on a goal by Rick Farmer, but seven minutes later, Rupert McDonald evened the score on a pass from Klaus Schwartz.

South Grenville moved ahead again early in the second period when Jeff Davy beat 'Butch' Wilson in the Osgoode net. McDonald came through with his second goal at the half way mark, on a pass from Ken Kelly and Dean Holmes, but minutes later Rick Farmer, with his second goal of the game put South Grenville one up again.

Osgoode fought desperately through the third period and it was not until the 18-minute mark that Dean Holmes knotted the score once more and forced the game into overtime.

Neither teams were able to break it up in the first ten minutes but at the 6-minute mark of the second overtime period Geoff Cochrane ended the endurance contest when he fired one home from close in.

Jim Kerruish, Osgoode Township High School Sports Director, presented the McVey Insurance Service Trophy to the winners. Unfortunately, the local insurance firm was unable to have a representative present.

There was no award for the outstanding player of the tournament, but if there had been most agreed, if would have gone to Osgoode's star net minder, Glen 'Butch' Wilson. Butch's agility between the posts had to be a key factor in the team's victory.

A large orderly crowd enjoyed the day's activities and the event is expected to be staged annually.

the story of milk

Yes-Vitamin D is now being added to all our milk.

Canada's Food Guide recommends a total daily intake of 400 International units of Vitamin D (from all sources) for all growing persons (infants, children, teenagers). There are very few natural sources of Vitamin D and therefore milk with added "D" provides a source of this vitamin.

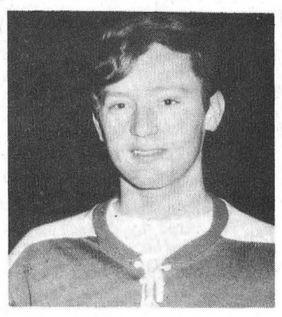
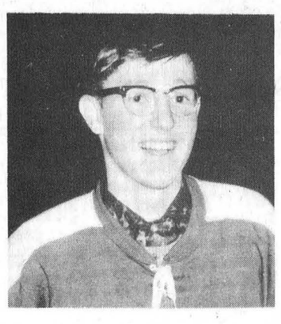
John Kelly



Larry Robinson



Al Duncan

# Join Rangers' Ranks

Ottawa's M & W Rangers are now on their way to Eastern Canada on the first step of the Memorial Cup trail. Interest in this area is exceptionally keen because the three players shown above are expected to play an important role. All three formerly played with Metcalfe 'Jets' but they have since moved to Junior 'A; ranks. Larry Robinson and Al Duncan have been with Brockville Braves for the past two seasons and John Kelly moved to the 'A' class last fall. Winning the league championship entitled the 'Rangers' to pick up three extra players from the league and Coach, Lorne Woods, immediately selected Larry and Al. Still another reason for special interest in the series is the fact Coach Woods is also an area boy. Lorne was born at Metcalfe and is a son of Mr. and Mrs. Cecil Woods. Photos were taken when the boys were team mates at Metcalfe.

## Mountain U.C.W. Pledges University Student Assistance

Mountain U.C.W. members agreed at their last meeting to support financially a Brock University student going to Tunisia to offer assistance. A letter from Fred Baker explained the government program for students willing to help in the country suffering from devastating floods.

Eighteen members answered the Roll Call at Mountain United Church and the President opened the meeting with a poen 'Tis Midnight', followed by Easter Meditation. April Roll Call will be answered with a Bazaar parcel.

Three hospital and nine home visits were reported.

Mrs. H. Boyce reported on the Project Book and it was decided to support one of three projects, the first choice being the Children's Home at Lachine.

A highlight of the evening was the presentation of a Life Membership and Pin to Mrs. A. Norton, in recognition of her many years of service to the Mountain Church groups.

The Bible study on 'Reconciliation' was conducted by Mrs. C. Bryan.

Mr. C. Simms and Mrs. C. VanAllen were in charge of the program on the topic 'From Clannishness to Open Community'. A question and answer period and discussion brought an interesting program to a close.

A social time was enjoyed by all.

# Centurians Plan Special Musical Program

Capital City Chorus, a 45-voice singing group from Ottawa, will be presenting a concert at North Dundas District School Auditorium, Saturday, May 16th.

Promoting such a program had been previously discussed by members of Winchester 100 Club and a final decision was reached at last week's regular meeting.

Rev. MacDonald outlined the project and following some discussion it was agreed on a motion by Stuart Harris, that proceeds from this venture would be placed in the club's funds, rather than given to the Community Centre fund raising committee, as had been previously proposed.

In an effort to attract a capacity crowd, to hear this interesting presentation, Centurians will conduct a door-to-door blits on May 6th selling advance tickets. Those purchasing tickets in advance, will be offered good seats, at a reduced rate.

The meeting at Henderson Hall was well attended with 26 members and one guest. Creed was recited by Bob Ledgerwood and blessing asked by Rev. MacDonald.

Tommy Douglas introduced the club's newest member, Keith Guy, who was officially welcomed and presented with a pin and membership card. Sgt. at Arms, Archie Rice, collected $3.25 in fines and also boosted Biccum and MacIntosh, whose prize was won by guest speaker, Maurice Helston.

Mr. Helston, a teacher at North Dundas District High School, was introduced by Denzil Crowder and thanked by Frank Morgan.

Al Inglis, briefly outlined plans for the club tour of the Montreal and Canadian Stock Exchange, on May 13th.

Basil Dawley drew attent? to the fact sewers had be approved for the village and expressed the opinion that action could now be taken towards obtaining debenture financing for the Community Centre. Mr. Dawley said, since there are no formal objections, a public hearing may not be necessary.

Frank Morgan entertained with a wide selection of Irish songs.

## Hockey Tonight At Morrisburg

Due to the appeal by Kemptville Royals that they were eliminated from Intermediate 'A' playoffs by a Senior 'A' club, Syracuse, the O.D.H.A. ruled the U.S. based team ineligible for further branch competition and reinstated the Royals.

As a result of this ruling the Morrisburg - Syracuse series proved to be only an exhibition one which Syracuse won handily.

Kemptville is now engaged in a semi-final series with Shawville and Shawville has already won the first game by a 3 to 2 score. Winner of this series will meet Morrisburg with first game at Morrisburg on Thursday March, 26th (TO-NIGHT). Since tomorrow is a holiday, Combines' management urges all area hockey fans to make a special effort to attend.

## Easter In A Hurry-Up World

To-morrow is Good Friday, the day when Christians throughout the world pause and remember a pathetic figure nailed to a huge wooden cross on a lonely hill 2,000 years ago.

Early Christians observed the day in silence, fasting and prayer, commemorating the Saviour of the world. To-day it appears most Christians have lost sight of the climax of a life that Fulton Ousler described as "The Greatest Life Ever Lived." A bearded man, wearing a crown of thorns and garbed in a long scarlet robe would find little room on the highways of the twentieth century. He would most likely be branded as a "hippie" and arrested for obstructing traffic. It is doubtful if there would be any to offer assistance and one has to wonder what would be the reaction of our society if he claimed to be the Son of God.

Two thousand years ago, we are taught, there were definite signs that the victim on the cross was indeed no ordinary man. It appears as though society is once again in dire need of a convincing "sign."

## Keep Your Car Clean . . . It Pays!

A recent study carried out by the Public Service Division of British Leyland Motors Canada Limited has uncovered some interesting aspects of police psychology which may help the car drivers in their relations with the law.

And it may surprise drivers to learn that making sure a car is frequently showered and shined can help ward off unnecessary police pursual, even help stop loss of valuable traffic points. It is true.

A senior Metro Toronto police officer put it this way: "Trained officers are automatically and immediately suspicious of a very dirty car — particularly when conditions are dry and most cars are clean.

"Long experience has shown us that in many cases the driver behind the wheel of a grimy car may be up to no good — or has recently been up to no good."

Investigating this attitude with a cross section of traffic police reveals that there is actually a separate psychology for soiled car - citizens - dirty vehicle syndrome - a group of signs and symptoms that occur together and characterize a particular abnormality.

One traffic patrolman with 17 years experience said: "I watch cars and drivers eight hours a day officially and for many more hours during the week unofficially. If I see an old car — a car of an age that might make me wonder about its roadworthiness, I make up my mind whether or not to pull the driver over for questioning on the car's cleanliness alone.

"If the car is gleaming, chrome polished and windows bright — I let it go. This driver obviously cares about his car and I will bet it is in first class condition. And chances are this driver's record is just as unclouded as his car. I would even bet that this particular car overall will be in as good or better condition than a dirty, late model vehicle. I wouldn't want my Sergeant to know this, but with a well-cared-for car like this I will at times overlook a petty infraction.

"On the other hand, if I see an expensive, late model car in mud or salt-splattered condition with dim window visibility, I will be on guard. I will watch this car like a hawk. If I notice the slightest driving confusion or uncertainty, over it comes and I will make a thorough check-out of the driver."

The moral, of course, is to keep your car nice and clean — especially if you're going to rob a bank.

BENSON'S EASTER BONNET

## Sugar and Spice

### SPRING NEEDS SOME ZING

*by Bill Smiley*

Haven't tried a bit of doggerel for quite a while, so I hope you'll forgive me if I succumb to that rare and insane urge to write non-poetry.

**Ode to Spring**

*Spring!*
*You are simply not doing your thing.*
*Most seasons enter with a certain*
*Equanimity.*
*You have been coming in with utter*
*Asininity.*

*You're behavior's absurd*
*And only a bird*
*Would be dumb enough to take wing*
*This spring.*

*Let's see a little zing,*
*Spring!*
*I don't mind the slush*
*And the snow and below*
*But it's not exactly the thing.*
*Spring.*

And I don't know about you, but that's all I can stomach of that particular poem.

It promises to be an interesting spring. In Ontario, the teachers in Metro Toronto asked for a sturdy increase. The Board refused. The teachers' federation "pink-listed" the Board. This means that any member of the federation will be frowned on from a great height if he or she takes a job with that Board.

The Trustees' Council of the province has retaliated by baring its claws and exposing its yellow fangs. It has pink-listed all the school boards in the province. The result should be a barrack-room lawyer's delight, and an educational schmozzle.

At least (though I doubt it) this might put an end to the annual cattle sale, a demeaning aspect of a fairly fine profession where teachers are lured with booze, bigger salaries and other benefits, into teaching at Great Slave Lake secondary school. And at which school boards become panders.

Along this line, don't get too excited by the government's expressed determination to "hold the line" and "take a firm stand" against inflation. The government is merely trying to trim a little fat off the cat, trying to conceal the fact that she is pregnant and nobody wants the kittens.

The rich will continue to be rich, and the poor will continue to be poor. And the middle-class will howl bloody murder, as they always have.

I couldn't care less. I'll pay my income tax, and support an entire family on welfare. Maybe they need it. I've lived on bread and water for three weeks, and I know what it's like.

But there are two things I object to in the White Paper on tax reform. I don't like to be taxed on taxes. That is, if I'm paying $500 in real estate tax, and I have to pay income tax on that $500, I object.

Strenuously. And I object just as violently to the fantastic capital gains of land speculators. This field is full of downright crooks working with other people's money and producing nothing except fat profits for themselves. Sock it to them, Mr. Benson.

This has nothing to do with tax reform, but Kim Smiley is alive and well and living in Limbo. That's the favorite residence of a lot of young people these days. It's a sort of crossroads between Utopia and the salt mines.

Limbo is not a bad place to live, actually. No taxes, no demanding job. I wouldn't mind the odd holiday there. But I wouldn't like it as a permanent residence. I'd miss the old toil and struggle and sweat of real life. It's cool in Limbo, but who wants to be cool all the time?

I'll take the arena of life, where you have to face the bull (and you can take that any way you wish) and either not flinch from the horns, or run like hell for the barricadoes. At least there's a choice.

There's never a shortage of baby sitters for minding other people's business.

## Just The Beginning

## The Seventh Column

Some concern is being expressed regarding the long delay on proposed Community Centre plans. Blame naturally is being shifted from one segment to another and none are ready to admit being at fault. Necessarily there was a delay pending sewer approval but this is now in the past and should no longer be a factor. As might be expected, a delay always slows up momentum, and in this instance the slowdown seems to have reached a standstill. What is needed now is a regeneration of that limitless energy exhibited in the beginning. At that time everyone was brimming over with enthusiasm and now it appears many have armed themselves with "wet blankets." In the past Winchester has been known to stop many an "irresistable" force and push aside numerous "immovable" objects. Let's get up off the floor and do it again.

*The arrival of spring heralds the end of another curling season and reports from local and neighbouring clubs indicate this has been one of the most successful in many years. Interest here at Winchester was never greater and rinks daring to venture into the field of competitive curling made favourable impressions. There are those who suggest competitive curling, as it is known to-day, is killing the fellowship and goodwill that prevailed over the years. We think this is a rather selfish viewpoint and feel the great winter sport can accommodate both. We fail to understand why four good curlers who like to play as a team, who have the time at their disposal and the necessary financial resources should not be encouraged to participate in the big events. The choice should be theirs and clubs should be proud to have them as members. Those who love to tell of those good old days when curling was only a game and fellowship the only prize, should bear in mind it can still be that way for those who want it that way. Personally we prefer the competitive curling but three things prevent us from participating — time, money and ability.*

Friendly rivalry between our two Service Clubs should prove beneficial to the entire community. Rivalry creates new interest which in turn can only lead to greater membership and greater community effort. Snow is still banked high over at the ball park but already "Lion Line," that informative little bi-monthly publication issued by Winchester Lions, has issued a challenge to 100 Club members. Since the challenge is to a softball game it appears the young Lions Club has plenty of courage. Possibly some Lion members are not aware of 100 Club softball talent. We don't want to get involved by mentioning names but definitely feel someone should tell them about Dalton Kenney, Harvey MacIntosh, Frank Morgan and Ron Workman, not to mention about six other "greats" who are also Centurians.

*Hockey fans are a strange lot and dedication to a team or an individual is sometimes short-lived. For this reason watching play-off games between Brockville and M. and W. Rangers can leave one with a strange mixed-up feeling. Fans who once idolized little Johnny Kelly when he starred with Metcalfe Jets last year have suddenly turned against him and exhort his demolition at the hands of rugged Brockville Braves. On the other hand, fans who "loved" Robinson and Duncan in 1968 (when they too were with Metcalfe) now call them names that even Webster never heard of. Being small and very humble we discreetly kept quiet Sunday night and simply admired the skill and ruggedness that had earned for John Kelly, Larry Robinson and Ed Duncan what might prove to be a bright future in the world of hockey.*

"Finis" cannot be written on the local hockey scene without some mention of coaches and managers who gave up much of their leisure time in the interests of young players. Here in Winchester, with no rink facilities available, Joel Steele directed activities that necessitated ice rentals, travel problems and long hours of training. Such sacrifices by the young teacher resulted in a winter of good clean sport for many area boys who otherwise would have been deprived of the opportunity to participate. The team didn't win too many games but both players and coach won the admiration of hockey fans throughout the entire league. Another school teacher who lives at Russell and is employed at Morrisburg did a remarkable job with young hockey aspirants. Bill Linegar coached the Metcalfe team with able assistance from Manager Lorne Honey, also of Russell. Coaching, at this level, is a job that pays nothing, but YOUR son and MY son benefit because someone thought it worthwhile. We think we speak for everyone when we say "thanks, fellows."

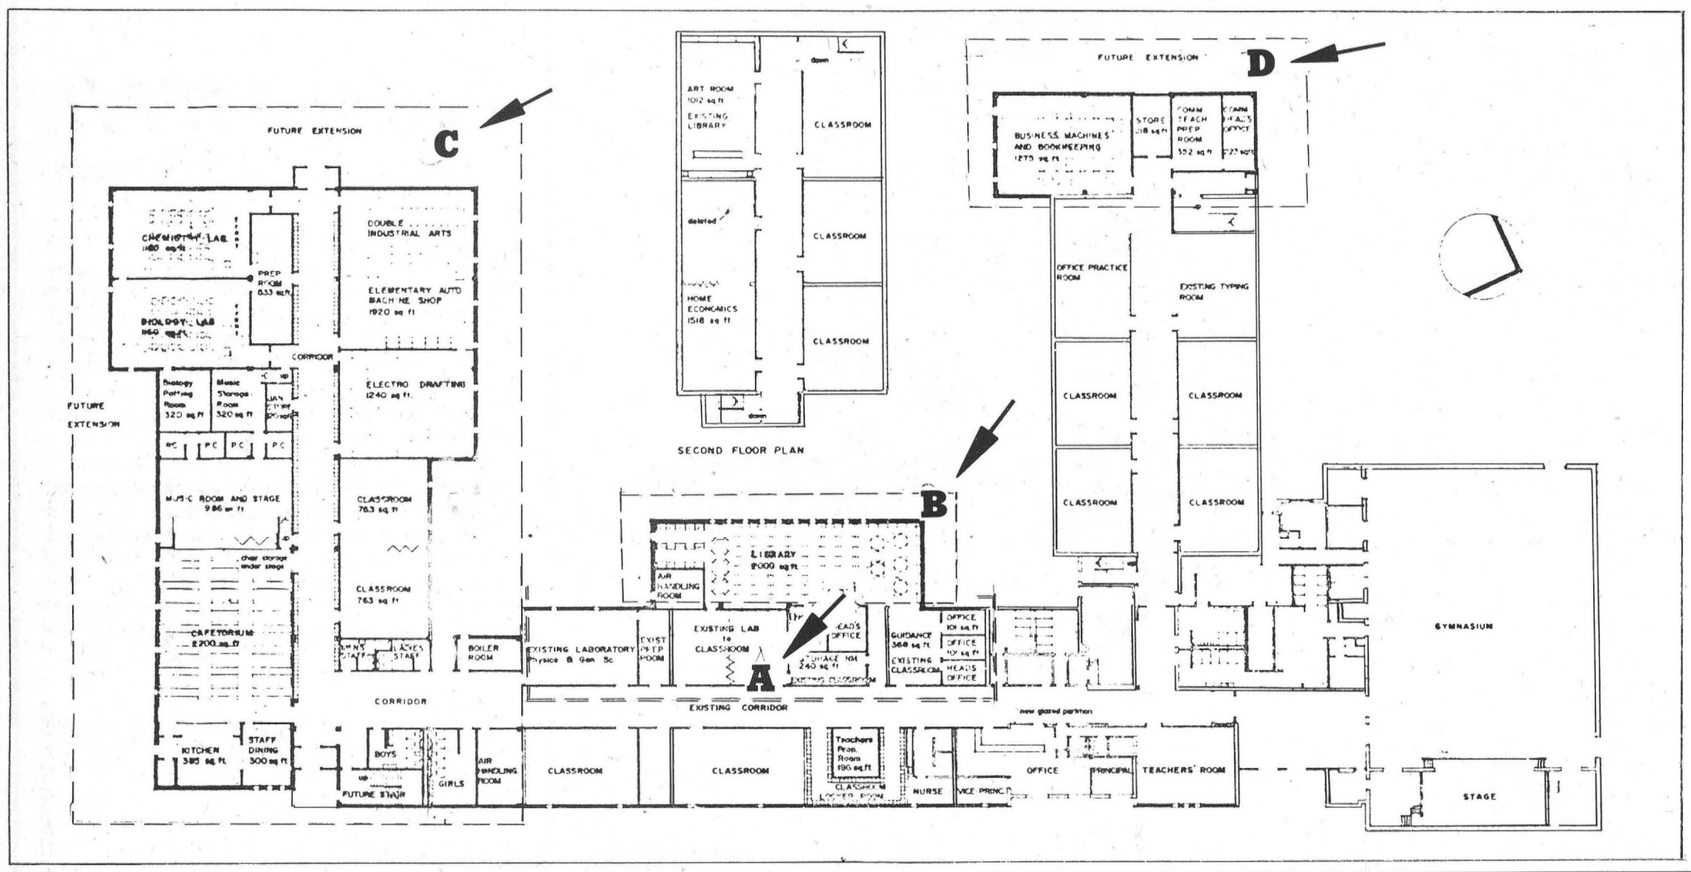
# 16 Years Of Progress At Osgoode Township High School

Extensive renovations to existing building and three major additions at a total cost of nearly a million dollars, marks another giant step forward in sixteen years of progress at Osgoode Township High School.

In reality, the history of the school dates back even earlier, for it was in 1949 that Reeve Dr. W.A. Taylor took a long, hard look at the newly formed Carleton County School Area and considered it would not be practical to have Osgoode Township students educated at Richmond.

As a result, Osgoode Township was detached from the area and established its own High School District.

On January 17th, 1950, the inaugural meeting of Osgoode Township High School's first Board was held, in the Township Hall. The late C.O. Dow, was Chairman of the board and other members were Robert McRuer, Arnold Nixon, Wilbert Duncan and Al. Herbert. R.A.F. Blair, Township Clerk, was Secretary.



The outlook was gloomy for this new administrative body and with Metcalfe Continuation School closed, township students were attending schools at Kenmore, South Carleton, Hallville, Winchester, Morewood and Ottawa.

Urged by irate ratepayers, the Board decided to take drastic action and in January, 1952 applied to the Ontario Department of Education for permission to build a school.

Reeve John E. Boland accompanied board members to Toronto on January 14th, 1953 and such permission was obtained.

School board members earned the everlasting gratitude of ratepayers for their tireless efforts in the months that followed. The first school, a six-room building, costing $91,390.00, to accommodate 200 students became a reality and in March, 1954 Ross Babion, was hired as Principal of the new complex, with Phil Kelly, as his Vice Principal.

This, however, proved to be only the beginning. In 1956 two more rooms were added at a cost of $27,990.00; in 1961, four more at a cost of $74,990.00; in 1963, two more at a cost of $34,800.00.

From its humble beginning, the school had the good fortune of being able to use the facilities at East Osgoode Memorial Community Centre in lieu of a gymnasium. Continued expansion, however, soon made it obvious such and inconvenient arrangement could not properly serve the newest educational demands.

In 1965, Ontario Deapartment of Education approved a major extension to the existing complex.

This newest expansion program included a second story addition housing classrooms, a library, and home economics room and also the erection of a double gymnasium. Total cost of these additions was $327,000.00.

Total cost of original school together with the several additions has been slightly under the $600,000.00 mark. Since this year's renovation and new construction has been estimated at $900,000.00 the schoold will no doubt be one of the finest smaller educational centres in Ontario.

The sketch plans shown give some indication of the magnitude of the project. The area marked (A) shows the portion of the present building that will undergo extensive renovations; (B), (C) and (D) indicate new sections.

**WHEN YOU NEED A NEW HEARING AID . . . .**

We'll pay you the consultants commission to come to us.

It is no longer necessary to pay high prices, to get the best in hearing aids, and we would like a chance to prove it to you.

Because we have no salesman's commission to pay we can save you $100.00 on Name Brand hearing aids.

Why pay more? Phone 774-2606 for an appointment.

**SUMMERS HEARING AID CENTRE**
Winchester, Ontario

# TAX TIPS

## TYPICAL QUESTIONS AND ANSWERS

Q. I retired last year on a company pension, and also receive the Old Age Pension and some investment income. Since my pension is less than my exemptions no tax is deducted from it, but when my other income is added in I will have tax to pay. Is there some way I can pay my taxes so I won't be faced with having to pay them all at once when I file my return?

A. If tax deductions are not being made on at least three-quarters of your income you are required to estimate the tax that will be payable for the year and pay it in advance by quarterly instalments on the last day of March, June, September and December. Your District Taxation Office will provide you with the forms and information on how to estimate and pay your income tax in this way.

Q. I propose to set up a saving account in the names of my ten and eleven year old daughters. Will the interest earned on these accounts be taxable as income?

A. The interest earned on this account will be taxable as part of your income each year until your daughters are 19 years old.

Q. I have a bank savings account and I have received the T5 slips so that I know what income I have to report for tax purposes. However, everytime I write a cheque on this bank account the bank charges me for this. Can I deduct the bank's service charges from the investment income?

A. No. The cost of writing cheques on your savings account is a personal expense which has no connection with the amount of savings interest you receive.

Q. I have an adopted son, aged three. Can I claim him as a dependant for income tax purposes?

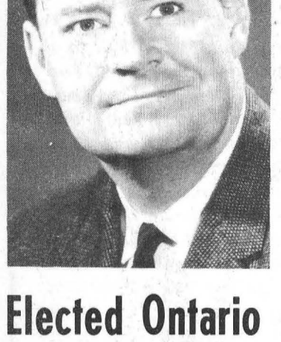
A. Yes. Generally speaking, you can claim any child under 21 years of age as a dependant provided that he is dependent on you for support, you actually support him, no one else claims him as a dependant and he does not have an income of over $950. A child over 21 may also be claimed as a dependant if the same conditions exist and he is attending school or university or he is physically or mentally infirm.

Q. My mother, age 65, has an income of under $950 and I contribute to her support. On the tax form I see I must state whether she is infirm. My mother is very well but could not possibly take a job. What exactly constitutes infirmity?

A. 'Infirmity' is not defined for purposes of the Income Tax Act but is construed to mean a degree of physical or mental infirmity which prevents a person from being gainfully employed. Your mother would be accepted as having this degree of infirmity solely because of her age.

Q. When filling in my income tax return, do I take off the 20% of my dividends from stock before entering the income? These are of course dividends from taxable Canadian corporations.

A. The Dividend Tax Credit is not a deduction from income. You will find instructions for deducting the Dividend Tax Credit under Item C of the Detailed Tax Calculation section of your Income Tax Return.



## Elected Ontario Real Estate Vice President

John Boyd, F.R.I., of Smiths Falls was elected vice president of the 15,000 member Ontario Association of Real Estate Boards at the election held March 16th. The election was in conjunction with the 48th Annual O.A.R.E.B. meeting in the Chateau Laurier.

Mr. Boyd entered the real estate and insurance business in 1954 in Smiths Falls. He is a past President of the Central St. Lawrence Board and has served on numerous Association committee's including the Education Committee. Mr. Boyd was born and educated in Ottawa and is in great demand as an after dinner speaker. He was named a Fellow of the Canadian Institute of Realtors (F.R.I.) in 1969 and is an Associate of the Insurance Institute of Canada (A.I.I.C.). Married to a Smiths Falls girl Joan, the Boyd's have three daughters. He is a past President of the Smiths Falls Lions and past Zone Chairman of Region 13 District of Lions International. He is Vice-Chairman of the Board of Governors of the Smiths Falls Hospital.

Recent visitors of Mrs. T.J. Keyes were Rev. and Mrs. Ivor Powell, Rev. and Mrs. G. Cawfield of Winchester, Mr. and Mrs. Stephen Barclay and Leslie Ann of Williamsburg, and Mr. and Mrs. George Watson of Dixons Corners.

Mr. and Mrs. K. Leyenaar entertained Rev. and Mrs. Ivor Powell to dinner on Thursday.

Mr. and Mrs. Irwin Holmes spent last weekend in Toronto.

## Strader's Hill

Mrs. Mae Serviss attended the Dennison - Fawcett wedding at Russell, Saturday afternoon.

Mrs. Bertha Hanson returned home Saturday from the hospital.

Mrs. Ethel Bolten, Edna Swerdfeger of Mountain and Mrs. Lloyd Beckstead spent Wednesday in Cornwall.

Mr. Marten Kettaars and son of Hulbert spent Tuesday with Mr. Bill Byveldt.

The sympathy of our community goes out to the brothers and sisters of the late Charlie Barkley of Spencerville. He was the son of Mr. and Mrs. Melvin Barkley of Winchester Springs. His sister passed away only one year ago.

Mrs. Mae Serviss of Ottawa spent the weekend with Mr. and Mrs. Ernie Serviss and girls.

Mr. and Mrs. Lloyd Beckstead spent Friday evening with Mr. and Mrs. Jerry Belanger of Brinston.

Little Roxanne Beckstead and brother Dougie of Williamsburg spent Thursday with their grandparents, Mr. and Mrs. Lloyd Beckstead.

Messers Arnold and Carl Beckstead spent the weekend with their parents Mr. and Mrs. Johnny Beckstead and family.

Mr. and Mrs. Ernie Serviss and girls and Mrs. Mae Serviss visited Mr. and Mrs. Alton Riddell Saturday afternoon.

## List Winners At Springs' Euchre Party

The Community Centre at Winchester Springs was 'over-flowing on Friday night with enthusiastic card players, - (24 tables).

Convenors for the evening were Mrs. Ray Casselman, Mrs. John Bolton, Mrs. Hubert Hess and Mrs. Basil Casselman.

Prizes went to the following: Miss Nina Casselman and Doris Baker of Williamsburg, Mrs. Stanley Black of Winchester, Keith Scott, Winchester Springs, Floyd Young, Elma, Percy McQuaig, Morrisburg, Mrs. Leila Helmer, Winchester and Percy Casselman of Winchester Springs.

# Stormont Women's Group Hold Summary Day On Quilting

The training school project on quilts offered to Women's Groups in Stormont County in November, 1969 held their Summary Day on quilting in Newington United Church Hall, Wednesday, March 18, with an attendance of over 150 ladies.

The program was opened by Home Economist for the County, Mrs. Heather Butt. Mrs. Basil Crawford, Finch, was chairman for the afternoon program and welcomed all present and read a poem 'Ode to Quilt Making'. She introduced Miss Eleanor Flint, Craft Supervisor, Home Economics Branch, Ontario Department of Agriculture and Food, Toronto.

The leaders and assistants are: Avonmore - Mrs. Glen McIntyre - Mrs. Calvin Grant, Cornwall Centre - Mrs. Robert Young - Mrs. David Decaire, Dixon - Mrs. Arthur Shaver - Mrs. Howard Loynachan, Finch - Mrs. Basil Crawford - Mrs. Carl Waldroff, Ingleside - Mrs. Gregor Williamson - Mrs. Ray Dixon, Knox U.C.W., Cornwall - Mrs. George Revell - Mrs. J. Reid, Moose Creek - Mrs. C. G. Walton - Miss Bertha Beauchamp, Osnabruck Centre - Mrs. M. Countryman - Mrs. Annie Ferguson, Sandringham Social Club - Mrs. Elmer McDermid - Mrs. D. MacGregor, St. Bernard's C.W.L. - Mrs. Peter Manly - Mrs. Gerald Rady.

There was a wonderful display of quilts, cushions, place mats, pot holders, shopping bags, etc.

Miss Flint discussed their reports and articles regarding the quilting, stitches, color, scheme and materials.

Slide presentation on different patterns for quilt designs were shown, with commentary by Miss Flint.

Mrs. Crawford thanked everyone for their efforts to have such a wonderful display and a successful Summary Day.

Refreshments were served and social hour enjoyed.

SUPER-LASTIC
BELT O' GLASS
...it's just got to be the greatest!
CANADIAN TIRE
NOW BONDED!
A new one free within 4 years if–
it punctures, cuts, wears out or, for any reason you can think of, you want a new one . . .
A promise like that can only be made by a madman . . . or one who knows he's got something better than ever before! That's Canadian Tire — and that sums up our confidence in our Polyester Glass Belted Tires — the tires that outlast, out-manoeuver, out-perform any previous tire. If the price throws you (and the best always has to cost more), take a look at the good deal below on the so-called 'blemished' tires!

| 78 SERIES SIZE | OUR PRICE EACH | 70 SERIES SIZE | OUR PRICE EACH |
|---|---|---|---|
| B78/14 | 38.45 | ——— | ——— |
| C78/14 | 40.60 | D70/14 | 46.40 |
| E78/14 | 43.15 | E70/14 | 47.85 |
| F78/14 | 46.50 | F70/14 | 51.50 |
| G78/14 | 52.15 | G70/14 | 57.80 |
| H78/14 | 56.80 | H70/14 | 63.00 |
| F78/15 | 46.50 | F70/15 | 51.50 |
| G78/15 | 52.15 | G70/15 | 57.80 |
| H78/15 | 56.60 | H70/15 | 64.65 |
| J78/15 | 60.05 | ——— | ——— |
| L78/15 | 62.25 | ——— | ——— |

20 DAY BLEMISH OFFER!
1ST BELT O'GLASS MANUFACTURER'S LIST PRICE 46.50
2ND BELT O'GLASS 9.50
PAIR PRICE 56.00 F78/14 or F78/15

Almost half the Bonded Tire price!
These are the same tires we rave about at the top of this page — with the same manufacturer's performance guarantee and the same Road Hazard Insurance as the Bonded price above.
The very slight difference: tiny blemishes — visible only to the eyes of an expert, and in no way affecting tread or traction.
Yet, because of these insignificant imperfections, we offer them to you for practically, half price!
Supply is limited — but check your local Canadian Tire Associate Dealer. If he hasn't your size, leave a deposit and chances are you'll have your tires in a few days.
FREE Installation; FREE Tire Valve— with $1.00 Static Wheel Balance

| 78 and 70 SERIES SIZE | 1st TIRE SAME PRICE AS ABOVE | GET NEXT TIRE FOR | BOTH TIRES FOR |
