ISO Certification for Kraft

The Ingleside plant, Kraft Canada, became the first dairy processing plant in Ontario to achieve ISO 9000 certification last Wednesday. Ingleside's Kraft plant honored for high quality

INGLESIDE—Ingleside's Kraft plant has something to celebrate, as they were recognized for their outstanding work efforts last Wednesay afternoon here.

Kraft Canada's Ingleside cheese facility is the first dairy processing plant in Ontario to be certified by the Canada Standards Council as having achieved ISO 9000 standards, a series of internationally recognized controls for quality management and quality assurance.

The Geneva-based International Standards Organization (ISO), a worldwide federation of national standards bodies from more than 90 countries, publishes the ISO 9000 standards, ensuring a global consensus on the essential features of quality system.

The Canada Standards Council is the governing body for ISO certification within Canada. After an independent inspection, accredited auditing company KPMG Quality Registrar concluded Kraft Canada's Ingleside facility meets or exceeds ISO 9000 quality requirements.

"This achievement is another demonstration of Kraft Canada's leadership in food quality as well as our ongoing commitment to provide Canadians with safe, good-tasting food products," said Francois Marcil, vice president, manufacturing for Kraft Canada. "ISO certification is the result of our employees' daily efforts to continuously improve our quality system."

The ISO 9000 standards were originally dratted in response to growing concern that terms such as 'quality management', 'quality control', and 'quality system' had acquired different and sometimes conflicting meanings from one country to another, within the different and sometimes conflicting meanings from one country to another, within the countries and even within industries.

Given the global nature of economies and trade, an international standard was needed and the ISO 9000 series was developed.

According to Christopher Parra, KPMG's Certified Lead Assessor who directed the registration audit, "ISO 9000 certification means the quality management system that Kraft Canada has in place is as good or better than quality management systems in place at any other organization in Canada or the world."

Kraft Canada is a subsidiary of Kraft Foods, Inc. of Northfield, Illinois, and is a leading packaged food company in Canada. Kraft Canada manufactures and markets such brands as Kraft cheese, Maxwell House and Nabob coffee, Cheez Wiz cheese spread, Post cereals, Miracle Whip salad dressing, Shake 'n Bake coating mix, Jell-O packaged deserts, Minute Rice brand rice, Kool-Aid drink mix and many others.

Kraft Canada presently employs about 3,900 people from coast to coast and operates 12 manufacturing plants.

Ice schedule solved by council

MDMHA gains three hours

LAURIE DAY
Leader Staff

MORRISBURG—The Morrisburg Council members met last week to pass a resolution regarding the ice scheduling at the arena this season.

According to Barb Levere, ice scheduler for the Morrisburg and District Minor Hockey Association, the three hours of ice time which they needed have been granted, and the Morrisburg and District Figure Skating Club's hours were not juggled in any way.

"We got an hour Thursday night, an hour and a half Saturday, and an hour on Wednesday nights," stated Levere.

The MDMHA needed three hours more of ice time per week to accommodate hockey players at the peewee level.

Earlier this year, a decision by the ODMHA mandated that the peewee level skaters must have one and a half hours per game—an increase of 30 minutes.

This left the MDMHA short of time. They presented their concerns at the last council meeting (August 11). They stated they needed at least two hours or the association would be forced to cancel an entire team of 18 players.

The MDMHA had looked at other options, such as bargaining with the Morrisburg and District Figure Skating Club, but this group had already set up their ice schedule for the season.

They also called other arena managers, but the five they tried were already booked solid.

The resolution passed by council which was faxed from the Clerk's office Friday, stated: "The Morrisburg and District Minor Hockey Association and the Morrisburg Figure Skating Club shall have first choice of Morrisburg Arena ice time hours prior to 10 p.m. with the following exceptions:

1: Morrisburg Jr. B Lions Hockey Club practice time on Wednesdays 8:30 p.m. to 10 p.m. and regularly scheduled games on Friday at 8 p.m. and Sunday 3-5 p.m.

2: Morrisburg Town League Hockey on Thursday nights beginning at 9 p.m.

3: Public Skating Saturdays 6-8:30 p.m.

4: Sundays, 10 a.m. to 1 p.m.

5: Any special event authorized by the arena manager."

According to Levere, the MDMHA picked up ice time from 8:30 to 10 p.m., on Saturdays; an hour and a half on Wednesday nights from 7-8:30 p.m., and from 8-9 p.m. on Thursdays.

$650,000 pot seized from Matilda farm

GLEN STEWART—A Matilda Township area man faces several charges in relation to a drug bust at a Glen Stewart farmhouse early Friday morning around 5 a.m. which netted police officers $650,000 in marijuana as well as a prohibited weapon.

Ottawa Carleton Regional Drug Unit officers, along with OPP's Tactical Rescue Unit, had been investigating the farmhouse five kilometers west of Glen Stewart in Matilda Township for the past two weeks.

Sgt. John Sinfield, of the Ottawa-Carleton Regional Drug Unit, stated that the farm was heavily guarded "like a fortress".

There were three pitbulls on the property, and when the sleeping man was arrested, he had a loaded, double-barrelled, 12-gauge, sawed-off shotgun by his side.

Police said the 410 high quality marijuana plants were of three different types. They were also very well manicured and between four and 10 feet high, located at the rear of the farmhouse. Officers said this was their biggest marijuana bust of the year, and that it was possibly linked to organized crime.

Charged with production of a controlled substance, possession of a controlled substance for the purpose of trafficking, possession of a prohibited firearm, possession of a firearm while prohibited, and two counts of careless storage of a firearm and ammunition is John Kevin Andrews, 31.

He was also wanted on a Canada-wide warrant for being on the lam from a federal Ottawa-based halfway house since March. *—LAURIE DAY*

Fader to sign copies of her book this week

LAURIE DAY
Leader Staff

IROQUOIS—It's only open until the end of August. This week will be your last chance to catch a glimpse of the past at the Anniversary Museum in Iroquois.

Located between Beaupre's Jewelers and Biba, the Anniversary Museum has been opened to the public since the first week of July, and over 1,000 people have visited.

According to Joyce Fader, this special exhibit coincides with the 140th anniversary of the Village of Iroquois.

"It's been really busy through here," she said. "We've had a lot of people come from all over the place to view the displays, old photos, and newspapers. Some spend all day here looking through the history."

Fader enjoys her work passionately, and over the past year, she has been working on a history book of the village.

"I started compiling stories and photos of the old town last year with the idea of preserving the history," she said. "I was starting to forget a lot of it, and I felt that perhaps others were too, so I decided to compile this book."

The *Iroquois History Souvenir Book* hit the shelves this year, and there are 1,000 in print. They have been selling very well, said Fader, with the proceeds going to the Iroquois Women's Institute, and the Village of Iroquois.

The $19.95 price tag includes taxes. They can be purchased at the Anniversary Museum, or at the Clerk's office, as well as through any of the ladies belonging to the WI.

This week, on Thursday and Friday, Fader will be signing copies of her book at the Anniversary Museum from 9 a.m. to 9 p.m. both days. The museum will be closing for good on August 30, at 4 p.m..

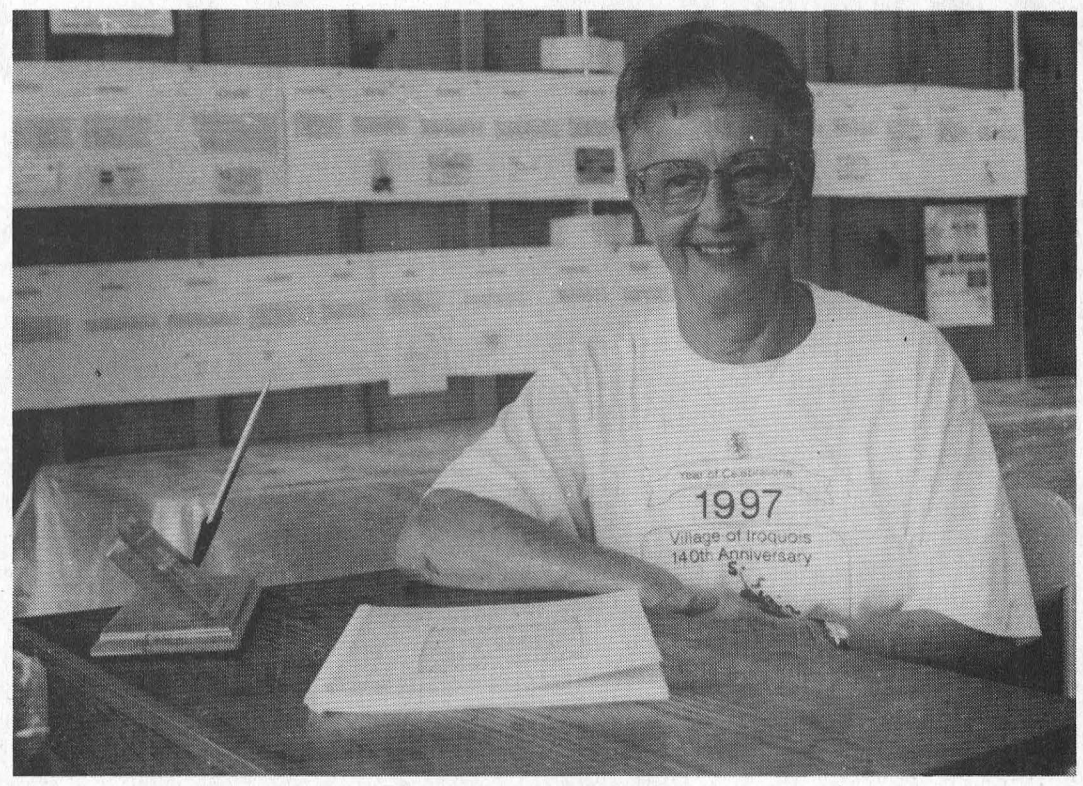
Everything will come out, and go back to its owners, noted Fader. And Bob Martin's photos will be returned to the library.

Visit the museum this week for a chance to see some movies which will be ongoing throughout Thursday and Friday.

They include the following movies: Making Way for the Waters, 1957; Mini Miss and Mr. Pageant, 1997; C/S Brooks Caldwell, 1997; Wintario in SDHS, 1982 and Reeve Frank Rooney Roast of 1989.

"Everyone is welcome to come in and visit about the old and the new town," said Fader. "And we want to take a video of everyone who comes to visit, and call it the *History Movie* which we can all enjoy later. I hope to see you all there."

Fader would like to pass on a note of thanks to Steve and Laura Lynn Casselman, owners of the building which houses the Museum. "It was donated by the Casselmans, and I'd like to thank them for helping us out."



Book signing this week
Joyce Fader of Iroquois recently put together a book about the history of Iroquois, and she will be having a book signing on Thursday and Friday this week from 9 a.m. to 9 p.m. at the site of the Anniversary Museum in the Iroquois Shopping Centre (beside Beaupre's Jewelers). The books are on sale for $19.95, tax included, and proceeds will be given to the Village of Iroquois as well as to the Iroquois Women's Institute. *—Day photo*

After 40 years, Const. Pitt to be remembered on police memorial

LAURIE DAY
Leader Staff

OTTAWA—It happened 40 years ago on August 24th.

Const. Ronald Pitt, a rookie police officer with the Morrisburg detachment, was gunned down in the line of duty by a suspected car thief.

As Const. Pitt approached a stolen vehicle in Morrisburg, he was shot by two unknown assailants. The case has never been solved, but remain open to this day.

Until recently, no record of his death appeared at the Police Memorial in Ottawa, or on the Memorial Wall at the Ontario Police College.

However, this year, Const. Ronald Pitt's name has been added to the memorial honoring police officers who were killed while on the job.

"Constable Pitt's name has been added to the memorial list and will be remembered in a ceremony at Ottawa on Sunday, September, 28th," said Sari Velichka of the Canadian Police Association in Ottawa, the organization responsible for choosing the candidates for the memorial.

Pitt's name may have been omitted from the memorial, due to the fact that it was an oversite.

The decision of whose name appears in the memorial booklet, and on the stone, is made by the Canadian Association of the Chiefs of Police (CACP) Board of Directors, in accordance with five guidelines.

•The deceased must have been a sworn member of a Canadian police service, or a federal or provincial correctional officer and death must have occurred as a result of a traumatic event influenced by an external agent.

•The deceased must have been on duty at the time of death, or, if off duty, acting in the capacity of a police or correctional officer, or the circumstances leading to death must have been brought about because of the victim's official status.

•The deceased must have acted in good faith in doing everything that could reasonably have been expected; while bearing in mind the incident, the rights of the involved persons and the safety of all concerned.

•Notwithstanding the above, the Board of Directors may, in reaching its decision, consider any set of circumstances which led to the death of the police or correctional officer.

•Finally, a standard information form, available through he CACP, must be completed for appropriate consideration.

Honoring those who gave their lives

The Canadian Police and Peace Officer Memorial service is a lasting tribute to the sacrifice of those brave men and women who were killed during the performance of duty.

As the Memorial reminds us, "They are our heroes. We shall not forget them".

The murder of rookie Ottawa Const. David Kirkwood on July 11, 1977, launched a response, that today, has become the nationally recognized ceremony honoring police and peace officers killed in the line of duty.

Following Kirkwood's senseless killing, Ottawa police officers vowed to keep not only his memory alive, but to ensure that the magnitude of his sacrifice and that of others like him would never be forgotten by Canadians.

Accordingly, on Sunday, September 24, 1978, a special service and tribute was held on Parliament Hill. The site chosen was Parliament, the place where laws are made that directly have an impact on police officer safety and indeed, the quality of life for all of us.

Following that first ceremony, a number of features have become tradition and at the same time, modifications to the event have occurred as well.

The ceremony was expanded to honor other police officers murdered in the line of duty and this criteria of inclusion was itself varied years later to include all officers killed in the line of duty.

The weekend of September 26-28 marks this year's Memorial with three days of events taking place in Ottawa.

There will be barbecues, a workshop for next-of-kin, church concerts, the memorial service as well as a reception in Centre Block hosted by Minister Andy Scott, Solicitor General of Canada.

Note: Information obtained from the Memorial Service booklet, Ottawa, September 29, 1996.

Taken from the Leader fyles

The following appeared in the September 27th, 1957, issue of The Leader.

Morrisburg and district citizens turned out in hundreds on Wednesday to honor the memory of their murdered constable, Ronald Pitt, as final rites were held at the Morrisburg United Church.

One of the most impressive funerals ever seen in Morrisburg was held from the G. Leonard Kerk Funeral Home, where the slain constable had rested, to the United Church, where the minister Rev. G. Maxwell Allan, had charge of the funeral rites.

The church was filled to capacity, and many more stood outside, as Rev. Allan eulogized the slain constable and asked for every possible assistance to track down his murderers and to make such slayings impossible in the future.

"We have money for jets and atomic bombs, but we go to bed at night in safety and often forget about the man patrolling the beat." said Mr. Allan, as he urged better coordination of provincial and municipal police systems.

More than 100 police officers, representing the OPP, the RCMP, the Canadian National Railways Police, the Municipal Police from Morrisburg, Winchester, Gananoque, Nepean, and Gloucester, Brockville, Prescott, Cornwall City and Cornwall Township, Hull, Ottawa, Aylmer and other points formed a guard of honor and vowed to bend every effort to bring justice to the killers of Const. Pitt.

He was survived by two young children, Ronald, 7, and Ian, 3, as well as by his wife Margaret, and his sister Violet Bechdolde of Eldred, Illinoise, two brothers Charles and David of England, as well as by two other sisters, Margaret and Frances of England. Const. Pitt was 34 years of age, born in Birmingham, England, and was a son of Mr. Hector Joseph Pitt, and Beatrice Hill, who also survived. He had only been in Canada for four months, but he had won the esteem of all with whom he came into contact, and his untimely death was sincerely regretted.

Better food labelling laws support locally

You can't believe everything you read—and that goes for food labels too.

A report released recently says federal regulations are so lax, Canadians are being misinformed about what they're buying and eating.

The report, calling for improved food labelling, sparked support from nutritionists across the country, including the health officials at the Eastern Ontario Health Unit.

"Accurate, complete food labelling plays an essential role in helping consumers make healthy choices," says Carmen Ubbink, of the EOHU. "Yet, some product labelling is misleading or imprecise. Consumers shouldn't have to second-guess nutritional information that's printed on the food packaging."

The American consumers group which presented the study in Ottawa this summer, also conducted a telephone survey of 855 Canadians, revealing that 86 per cent of consumers would appreciate nutrition information on food labels.

Since 1988, the Canadian packaged food industry has operated under a volunteer program of disclosure. Currently, nutritional information is required only when a manufacturer makes a nutritional claim, such as, 'High in Fibre", or "No Cholesterol". But the manufacturer is not obligated to also state that this product may also be high in salt for example.

In the United States, nutritional details are mandatory on nearly all edible products.

As an example of the discrepancy in regulations, the report shows that a can of Campbell's Chicken Gumbo soup makes no mention of the salt content on its Canadian label. The American label for the same product reveals more than 1,000 milligrams of sodium in a half-can serving.

"We're not slamming food manufacturers. Most do provide accurate, helpful labelling. But there's room for improvement, and government legislation would help even out the playing field. It's an important public health issue worth fighting for," said Dr. Robert Bourdeau, medical officer of health.

Legislation may in fact, be years away, but Dr. Bourdeau says consumers can help boost their labelling awareness now. The health unit provides free supermarket tours to help consumers understand food labels, so they can make healthy food choices.

For more information about nutrition issues or the health unit's supermarket tours, please call the Health Line at 1-800-267-0852.

Morrisburg Collegiate after the fire around 1924, 1925

This Week In Morrisburg's History

Compiled from The Leader's fyles by Laurie Day

1987

The Ministry of Environment said the Morrisburg Village's current sewer troubles were not serious if the municipality planned on correcting them in the near future. Rick Eamon of the MOE's Cornwall office said the main troubles were the current state of the pumps and the updating of the sewer plant. "The troubles will be serious if not corrected," Eamon said. "It depends on what the Village wants to do." The MOE representative said the first phase of the project, the trunk sewer should be just about completed. Council, earlier in the month, secretly passed ma motion to stop the project at phase one. The second phase was the renovation of the sewer plant. Eamon said a report regarding the plant, which must meet MOE standards, was to be completed by the end of the year.

Rohm and Haas Canada Inc. of Morrisburg was to receive a contribution of $674,275 under the federal government's Industrial and Regional Development Program, Stormont-Dundas MP Norm Warner announced. The funds were to be used towards the cost of the $2.7 million automation and expansion project which, by the third year, was expected to create 23 jobs. Warner made the announcement on behalf of Bernard Valcourt, Minister of State (Small Business and Tourism).

Cablenet, the company which had hooked the village to Cable TV a year ago, had seen 16 per cent of its subscribers in Morrisburg abandon their service over the summer. Greg Duncan of Cablenet in Kingston, didn't solely blame the high monthly fee the customers had to dish out. He said there was always a substantial drop during the summer months. There wee 460 homes with cable in Morrisburg at the time, and 291 subscribers in Iroquois. A high of 551 homes in Morrisburg had been hooked up but a total of 91 had dropped service.

1977

The September 7th issue of The Leader reported enrolment at area schools was up slightly. Seaway District High SChool showed an increase to 760 students, and Morrisburg Public School registered 290. At Iroquois Public School enrolment was up seven students to 197 and Riverside Heights had 130.

A new addition to the staff at The Leader was Neil Cameron who had been hired through the provincial government's Ontario Career Action Program, handled by St. Lawrence College. Neil was to cover all sports in and around the village and write feature articles.

Mr. and Mrs. Garnet Prunner of Williamsburg Township celebrated the 50 anniversary of their marriage, September 3.

The Morrisburg Golf Club Inc. received a Wintario grant for $28,924 toward the purchase of the land it now leased from Ontario Hydro.

Pictured on the front page of The Leader were Mr. and Mrs. Danny Rice of Morrisburg with their new arrivals Jason Daniel and Julie Lynn. The Rice twins were born at Winchester Memorial Hospital.

At Williamsburg Fred Harper was the champion of the fifth annual Cedar Glen Open with a round of 74.

1967

Pictured on the front page of the September 1st issue of The Leader were Mr. and Mrs. John Wesley Crowder of Morrisburg who were celebrating 67 years of marriage. Married in 1900 they farmed at Inkerman until retiring to Morrisburg in 1942. They were the parents of nine children.

The Morrisburg Valley League Golf team placed third in their annual competition played in Brockville.

At the Dominion, Swift Premium wieners were 53 cents a pound and nine ounce packages of Hill Top frozen french fries were seven for $1.

At Williamsburg, Mr. and Mrs. Frank Merkley celebrated their 55th wedding anniversary and on the Church Road, Mr. and Mrs. Will Dafoe were enjoying their 61st anniversary.

1957

The August 30th, 1957, issue of The Leader is not available, however from the week of September 6th, it is learned that the missing issue dealt with the shooting of Morrisburg Constable Ronald Pitt. Pitt, who was 34 years of age, had served Morrisburg for a little more than a month when he was shot down by a murder's bullets.

1947

The September 5th issue of The Leader reported the 1948 cars were featuring more comfortable interiors. Silhouettes were to be lowered by dropping the height slightly and widening the body. Mechanically the biggest change was to be the elimination of the gear shift with many companies planning to offer this feature. Engines were to be shorter to cut down on the length of the hood and bring front and back seats forward.

Henry Fonda and Linda Darnell were starring in My Darling Clementine at the Cameo Theatre and at the Picadilly in Williamsburg, Springtime in the Sierras with Roy Rogers was playing.

Letters to the Editor

Dear Editor

Our two county fairs have once again provided one of the best locales for the non-farming population to learn more about the "who and How" of food production.

In the Agricultural Tent, county farmers could locate their farms on a map, with locations colour-coded according to commodity. A new edition of the "Guide to Agriculture in Dundas County", containing farm facts, questions, recipes, quizzes and games, was handed out.

The corn box with its assortment of farm toys continued to be very popular with our younger visitors.

The "Dundas Delights" basket, containing products from the county - tasty, beautiful and useful - generously donated by their producers, local farmers and crafts people, was a free draw. This year's Mountain Township Fair winner was Koop Mulder, of Inkerman, and at the Chesterville Fair, Craig Wheeler of Morewood won the draw.

Guessing the number of beans in jar (971), was the challenge for the kids' contest. The four winners at Mountain Township Fair were Sarah Alguire, Meagan Kittle, Bryon Gobey and Melanie Weatherhead. The winners at the Chesterville Fair were James Collingbridge, Jen Leclair, Sarah Murton and Sabrina Berseth. Each winner receives a video.

Many thanks to all who were so helpful in getting everything ready to go and to those who staffed the tent.

Yours in Agriculture,
DAWN RUNNALLS

Future of seniors' room discussed at meeting

WILLIAMSBURG—On Tuesday August 19, the Williamsburg Township Seniors' group held their regular monthly meeting in the seniors room in the Municipal Building, and enjoyed a delicious noon pot luck dinner.

Seventeen members and one visitor attended. President Ed Thompson opened the meeting with O Canada, and Hilda Garlough played the piano. The report of the previous meeting was read and approved.

Thanks for cards, treats, visits and concerns received by Ralph Casselman while in hospital, were expressed. The treasurers report was given, as well as a report of funds raised, and donations made and grants received during the 10 year period (1979-1989), and some of the activities that took place.

The future of our seniors' room was discussed, with a couple of possibilities being heard with on going negotiations.

Olin Smith reported on the up-coming Harvest Festival, and Celebration of the Williamsburg Township 175th Anniversary Celebration, scheduled for September 25, 26, and 27.

Entertainment consisted of readings and jokes by members. Following adjournment, cards were enjoyed during the remainder of the afternoon.

Next month is the annual meeting and membership fees will be accepted, and new members are most welcome.

Euchre

WILLIAMSBURG—The winners at the euchre held on Wednesday, August 13 were as follows: the ladies winners were Stella Smith, Verna Beckstead, and Phyllis Scott.

The men's winners were Keith Casselman, Lorraine Tupper, and Cecil Lee, and the winners of the door prizes were Mabel Prieur, and Ed Thompson.

The draw winners were Evelyn Swerdfeger, Peggy Thompson with two, Mabel Prieur, Norma Hehir, Lottie Gill, and Rae Munro.

The next euchre will be held on Wednesday, August 27, and everyone is welcome.

Mike Casselman signs with San Jose

MORRISBURG—Mike Casselman, Morrisburg's local hockey hero has signed with the San Jose Sharks.

Casselman, who played with the Adirondack Red Wings, the Carolina Monarchs of the AHL, and the Cincinnati Cyclones of the IHL, stands his best shot yet at making the NHL. The Sharks are not a loaded team and play the style of game that Casselman can play.

"We're really proud of him," said his mother Laura Lynn Casselman, "This is his best chance yet."

The Sharks training camp starts September 7, but Casselman has left early to skate in Cincinnati to prepare for this opportunity.

Casselman played a few games in the NHL with the Florida Panthers in the playoffs two years ago but that team was stacked with solid players and he didn't have a good shot at cracking the lineup.

When Casselman was with Adirondack he couldn't make the Detroit lineup despite being in the top five scoring race a couple of times in his league, and leading the scoring race before his hand was broken.

With this new opportunity we might see Casselman with a shark on his jersey by the middle of this season. ***—Jeff Barclay***

At Weegar's Store, Windsor coarse salt was 25 cents for three pounds, and four ounces of black pepper was 23 cents.

The September 10th issue of The Leader reported that a new pipe organ was to be dedicated during Sunday morning service at the United Church in Morrisburg. The organ was purchased by the Board of Trustees, by means of a bequest from the estate of Agnes Dardis. Mrs. Dardis was a daughter of George Doran, who, when the church building was erected 57 years earlier, paid for the splendid slate roof.

Percy R. Barnard of Spencerville was the unanimous choice of Grenville-Dundas Liberals to represent them in the upcoming provincial election campaign.

Three cases of infantile paralysis were reported in Morrisburg and area and under these conditions it was not expected the schools would reopen on Monday. Citizens were wisely keeping their children from congregating on streets, in churches and places of amusement and Ministers had cancelled their Sunday School classes.

Many friends in the area were pleased to learn that Spark Dukelow of Winchester was organizing a new jazz band.

At Lloyd's Market, fresh ham of port was 21 cents a pound, and new potatoes were 69 cents for an 80-pound bag.

1927

It was reported in the September 2nd issue of The Leader that the St. Lawrence Hall, for the past three years, under the management of Fred W. Robinson had been closed to the public for a few days during which time the furniture was sold by public auction. On September 5th, the hotel was to re-open under the management of William McGannon and it was to be refurnished throughout.

Master Keith Casselman, son of Mr. and Mrs. Ernest Casselman, narrowly escaped losing his life when he fell from the wharf at the ship yard into water 15 feet deep. Friends attracted the attention of F.J. Hawken, Superintendent of the Williamsburg Canals, who arrived on the scene just in time to save the boy's life.

Relyeas' announced its reopening in the Colquhoun Block in Morrisburg with the following featured specials: 200 ladies dresses at $1,95 each, ladies' rain coats at $3.95, men's Panama hats at 25 cents each, and men's linen collars at two cents apiece.

Clearly Canadian tour by WI

This year in the 100th Anniversary of the Women's Institute, out tour was "clearly Canadian", combining both city and country.

Early Tuesday morning, 61 women and two drivers (Jeff "the Jester" Parsons and Peter "the Pilot" Kearns) set out for points west and north. Enroute to Haliburton, they had lunch and a bit of shopping at the Quinte Mall in Belleville.

The group then travelled to Port Hope and north through beautiful cottage country. By mid-afternoon, they were in Lindsay and then on to their "home away from home". They stayed at the three Star Pinestone Resort in the scenic Haliburton highlands. It was a picturesque 235 acre resort which offers many varied activities.

After a delicious turkey dinner upon arrival, the group was entertained by Adam Timoon and his son Danny. He is a singer, guitarist and stand-up comedian from Toronto. He played everything from Flamenco to the Flight of the Bumblebee. His young son also sang several songs including one from Phantom of the Opera and the Auctioneer Song. They were quite delightful.

The next morning, after a hearty breakfast, the women enjoyed a speaker who enlightened them about Alternative Therapies including Reflexology, Massage Therapy and Vitamin Therapy. It was most interesting and informative. After this, they had their annual auction for Winchester Hospital. They raised $410.00 for the hospital.

At 11:45 a.m. the group boarded the buses and set off on a countryside tour with John Teljeur (Group Activities Director) from the resort. They went to a lookout 300 feet above Haliburton and had a fantastic view, and sat down to a picnic lunch at Rotary Park in Haliburton. From there it was onto delightful Robinson's General Store in Dorset. This store was voted the best country store in Canada. They also saw many clean lakes and lots of summer camps located in this area, a stop was also made at Buttermilk Falls near Minden.

After another excellent supper, the women were once again entertained, by a singer from England named Ivor Davies, some members also enjoyed a paddle boat ride and a swim in Pinestone Lake!

Wednesday morning the ladies were able to take putting lessons on the green. There was also a gardening class led by John Teljeur. His knowledge is self taught and learned over the years. This was followed by a nature walk around Pinestone Lake. After lunch they were Toronto bound.

Driving through Muskoka country was a nice way to go to Toronto, and a stop at Kirkfield to see the lift lock and a boat in the lock, which was lifted approximately 50 feet. Soon the group was driving through the spectacular floral lined streets of Markham.

Arriving at the Travelodge in Scarborough, they checked in and had a buffet supper at the Golden Griddle, then it was on to the Toronto Truck Theatre and Agatha Christie's classic mystery "The Mousetrap". This is Canada's longest running show, now in its 20th year at this theatre.

Thursday morning the group split into two, some went to the Hummingbird Centre (formerly the O'Keefe Centre). Hummingbird software is a major corporate sponsor as is Nissan Canada. Through Nissan an elevator has made all three levels of the Centre wheelchair accessible.

Mr. Donald Poland, Operations Manager, and son-in-law of member, Grace Kolff, conducted a most informative tour. The other group had a driving tour of Toronto, to see Ontario Place, C.N.E. grounds, SkyDome, C.N. Tower, Royal York and the Bounty, a tall ship anchored in the harbour.

At 11:30 a.m. the whole group enjoyed a one hour lunch cruise on the Oriole. After this they were homeward bound, with a rest stop at the big apple at Colborne, where one member climbed the 35 foot tower.

The members wish to thank Freda and Gwen for another excellent trip. Amid rumours that this was the last tour, plans are being made for next year. See you in '98.

They also donated the same amount of money to a Brockville charity. They have donated funds to different charities over the seven years running of their event, but this is the first time they have given money to the Winchester Hospital, due to the fact that a lot of their riders come from this area. Also pictured, holding the sign, are Daryl Locke and Sherill Locke.Glassford was pleasantly surprised about the donation, and says it was very much appreciated. Bike Ride for Stroke October 5

LAURIE DAY
Leader Staff

MORRISBURG—Dundas County is ready to meet the Heart and Stroke Foundation of Ontario's new stroke research fund raising goal with the Big Bike for Stroke on October 5th here.

The bike will be rolling into the village around noon hour The route will begin and end at the tourist information booth.

Leslie Armstrong, organizer of the Morrisburg bike ride, says that so far, only the Bank of Montreal has entered a team.

"I haven't heard from anyone who participated last year, but I'm hoping to hear from them soon," she said.

This year, Morrisburg, and 110 other Ontario sites will ride together to raise money and awareness for stroke.

"Ontarians have really pulled together for the Big Bike Ride for Stroke," says Dorothy Houze, another organizer of the bike ride in Dundas County.

"Last year, the province raised $970,000 for stroke research; this year, we're hoping to hit the $1.1 million mark."

In Morrisburg and Winchester last year, the total raised exceeded $10,000. The first year, two years ago, it raised $12,000.

"The first year we held this event, it was phenomenal," said Houze. "We hope to exceed that amount this year in Dundas County.

"We are also hoping to raise the profile of stroke in our community. It is vital that we are all aware of the signs and symptoms of stroke, especially when more than 3,000 Ontarians each year die as a result of stroke."

In June last year, the Heart and Stroke Foundation of Ontario reported a 9% increase in the number of stroke deaths in Canada between 1990 and 1994. New research by the Foundation also indicated that Canadians are poorly equipped to protect themselves against th resurgence of this devastating disease.

The national poll of 1,389 Canadians found that only 39% know that weakness or paralysis, typically on one side, is a warning sign of stroke. No other warning sign of stroke was named by more than 20% (dizziness or lightheadedness, sudden or unusual loss of speech or trouble understanding speech, or blurring or loss of vision, particularly in one eye). Almost half (47%) of Canadians admitted they would not know what to do if they thought they were having a stroke.

"In addition to the enjoyable aspect of participating in the Big Bike for Stroke, we are also including important health promotion information for all participants," says Houze. "This event is the perfect opportunity to educate people who are clearly concerned with raising funds for stroke research."

For more information on how you can enter a team in the Big Bike for Stroke, call Dorothy Houze at 543-2048 or Leslie Armstrong at the Bank of Montreal, Morrisburg, 543-3757.

O'Brien returns to winner's circle

CORNWALL—After a two month absence, the 17-D of Kingston's Danny O'Brien returned to the winners circle at the Cornwall Motor Speedway. O'Brien's fifth win of the season came to be when he passed Kevin Fetterly down the backstretch on the final lap.

Fetterly, from Massena, New York, had been the lead car since lap 7 when he jumped ahead of Laurent Ladouceur on a restart.

O'Brien started 17th in the 24 car grid. The win moves O'Brien to within 11 points of his brother, points leader, Pat O'Brien who finished fifth. The 50-lap Canada Day Special on June 29, was the last time the 17-D crossed the finish line ahead of the field.

The 57-C of Fetterly began the feature in the 2nd spot and ran a strong 30 laps to finish in the same position. Dave "the Slip" Heaslip came in third with Norwood, New York's Bill Woodward placing fourth.

In other classes at Ron Morin's "action track", Prescott, Ontario's Dave Marshall won his first feature of the season in the Late Models. George Renault, who was celebrating a birthday, held on to place second, and in his first week in Cornwall this season. Daryl Steele finished third.

The top two point getters, Eric Gauvreau and Dave Bissonnette did not finish the feature because of mechanical problems. Alain Belisle was also a first time winner at Cornwall, with his Duke Stock feature victory. In the Rookie class, Lee Ladouceur won for the 9th consecutive time this season, his 13th overall.

Coming up Sunday, August 31, it's the "Jiffy Muffler 100" as part the Mr. Dirt 358 Modified Championship Series. A $25,000 purse will be given out to the Modifieds, as will two spots at Syracuse.

It's the final night for points in all classes, including Late Models, Duke Stock and Rookies. The raindate is September 1.

Soccer tournament set for this weekend

CHAR-LAN—While the number of teams entering the tournament is down this year from last there are some new teams that are participating and others that inquired about the tournament giving the organizers the encouragement that when the tournament gets back to its usual weekend (second weekend of September) the response will be back up to the 34 team level.

This year the tournament has been able to attract 24 teams. The split of the divisions is as follows: four oldtimers, nine ladies, and 11 mens.

The Ladies are split into two groups: one with five teams and one with four teams. The Men are split into three groups: two groups of four and one of three.

The groups look like this: Ladies Group 1 Kanata Lazers (returning champs), Cowtippers Lds, Brodie Bombers, Pte Claire and Glengarry Northerners. Group 2 has Char-Lan, Arsenal, Hearts of Glengarry and Willows.

The Men's group 1 has Char-Lan 1, Glengarry Stars, Brockville Blues and Kanata Funsters. Group 2 has City 1, McCrimmon, Winchester Sonics, and Pte Claire. Group 3 has Rudi's, Red Army and Cowtippers (returning champs).

The oldtimers division consists of Brockville, North Dundas, Char-Lan and Hearts of Glengarry (returning champs). The organizers wish all the participants the best of luck.

Thanks to Nick extended from the ball boys

Lyle Schell tagged me down the other day to mention a big thank you to Nick Theodosiou and Nick's Sports Bar for sponsoring his ball team in the Newboro tournament for the August 16th weekend.

Unfortunately for Lyle and the team, they were beat out Sunday...he says it may have had something to do with the Cornfest Dance in Athens on Saturday.

That dance always was a killer when I lived around there Lyle. No wonder you couldn't play ball.

Workman winds Pump to championship

Special mention to top athletes

Individual award winners this year in the men's fastball league included Dan Hogaboam of the OC Rebels who took home the MVP award for the season; Dan Pidgeon, who won the Sportsmanship trophy; and Lyle Schell, MVP for the playoffs. ***—Day photo***

RIVERSIDE HTS.—Greg Workman threw his way to a third straight win as the Williamsburg Pump claimed the South Dundas Industrial Fastball League championship with a 3-1 upset over the OC Rebels Wednesday night.

This is the fifth playoff championship for the Pump in six years.

It' been a pitcher's series in the final three games, as both Workman an his counterpart, Dan Hogaboam have been domineering in the hunt for the championship.

Wednesday's final game was no exception, as the Pump walked away with a 3-1 decision.

Workman fanned 12 in the process, gave up two hits—a second inning home run to Mark Donnelly—and walked just one.

Hogaboam countered with nine K's, but gave up five hits and walked a pair.

Williamsburg got moving in the second inning with a lead-off double by Workman. Bob Deleavey singled to climb aboard. With runners on the corners, Steve Casselman laid a bunt down the third-base line which brought Workman home.

Rob Casselman drove in the eventual game winner with an RBI single.

In their half of the second, the OC Rebels had a lead-off home run by Donnelly to close the gap, but left three stranded in the same inning.

At the top of the seventh, Al McNairn got on with a single and advanced to third on a double by Steve (Jig) Casselman. Larry Cooper's sacrifice fly to left brought home the insurance marker, as the game ended in a 3-1 championship decision for the Pump.

After the game, individual and team trophies were presented by league president David Lapier.

For individual prowess on the field throughout the year, the Rebel hurler Dan Hogaboam picked up the MVP for the season.

The Barry Charlebois Memorial Award for the Most Sportsmanlike Player went to Rebel Danny Pidgeon.

And winning the MVP for the Playoffs was Pump hurler/catcher Lyle Schell.

Just Another Day

Laurie Day

I'm mad as hell. I'm trying to pin point the time when a 'would-be' thief had the gall to try and break into our home last Wednesday night.

The part which really ticks me off is the fact that I'm 99.99% positive I know the little punk. Yeah, yeah... innocent until proven guilty. Whatever. Doesn't mean I still can't be totally annoyed!

Larry and I had been out celebrating his birthday last week, and we got home around 1:30 a.m. No sooner had we stepped onto our front deck, when our 'pal' came up behind us, scaring me to death. He was waiting, and lurking. Or perhaps he got scared in the middle of the break-in and made it look as though he was waiting for us. Who knows?

I should have realized something was up when Lacey our German shepherd was going crazy. The hair on the back of her neck stood up straight, and she was in no mood to greet us. She just wanted to kill something!

Our 'pal', drunk out of his mind, tried in vain to get Larry to go on a little tour with him, but Larry told him under no uncertain terms to get lost...He obliged.

Too easy, I figured.

We had met this punk about three weeks before at our friends' place a few miles away. Only, at the time, we didn't know that he wasn't a friend of theirs. They had never met the guy before until he showed up on their front lawn, after roaming down the side road after midnight.

He just sort of showed up from no where...like he did at our place last week.

Anyway, about 3 a.m. the next morning, I heard something downstairs. Lacey was once again, going mental. By the time I got the to bathroom, I saw a figure running across the lawn. There wasn't much I could do, aside from siccing the dog on him, so I went back to bed.

When Larry awoke a few hours later, he went into the washroom, and noticed that the screen on the window was wrecked. It looked as though someone had gone out through it from the inside.

Upon further inspection, we realized that the screen was ripped right to the top of the window, and all the stuff which sat in the window sill was outside, scattered over the lawn. A wooden structure outside the window, was also broken, as if someone had gone through it. There was even grass inside the house.

Larry was fit to be tied. Not knowing where this kid from the previous night was, we set out looking for him. Maybe that was a bad idea, but we found him, at home in bed snoring.

Must have had a rough night, the poor dear.

He didn't accuse him of breaking into our home, but he gave him a warning not to come visiting anymore.

The police told him the same thing. He swears he didn't do it. Unfortunately, our pal mentioned that he had to appear in court in September on charges of break and enter, theft, and mischief. He didn't need another charge.

Perhaps he should have used his brain a bit then.

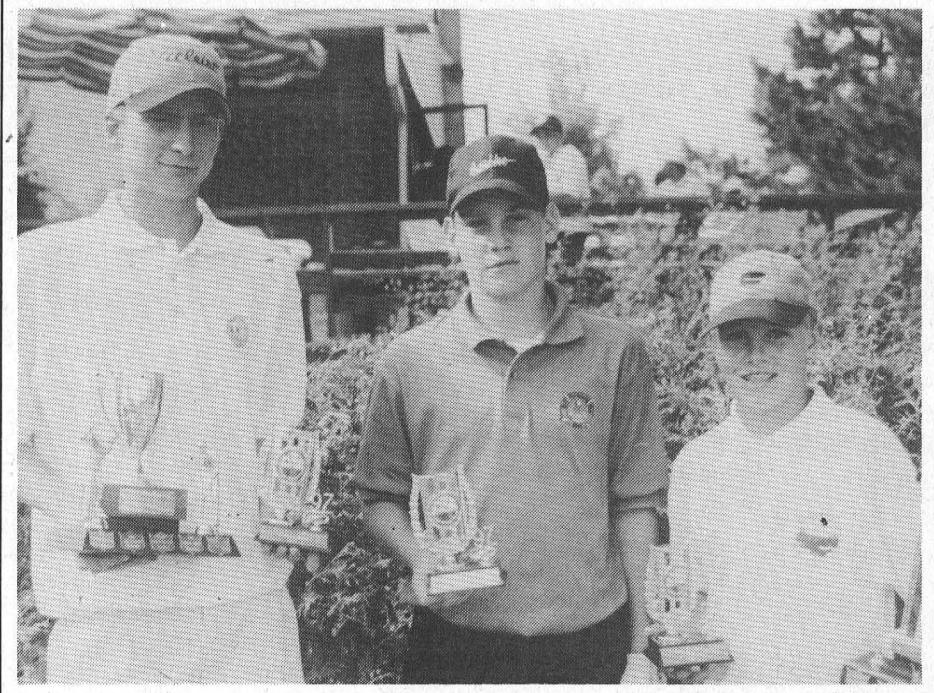
Talking with our neighbor a few days later, he told us that Lacey was making an awful racket that night just before we got home. So was his dog. He went out to check things around the house, but never thought to look behind our place.

On Saturday, we discovered that another screen in the house had been slashed. The plastic over the door was even melted.

I'm giving this 18-year-old gyp the benefit of the doubt ...this time.

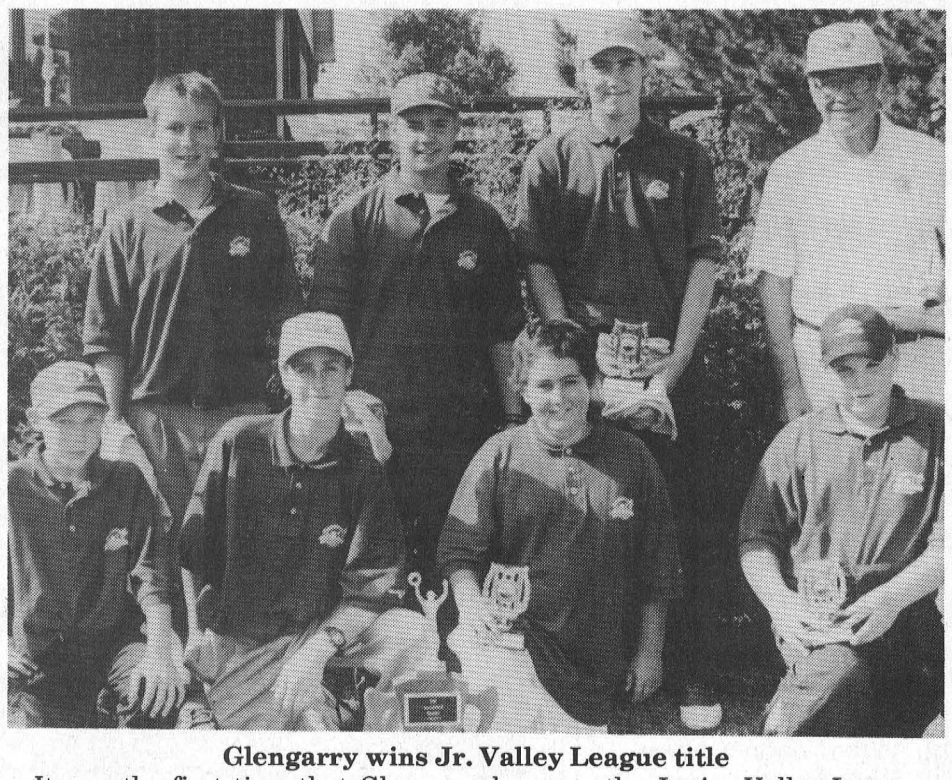
But, I think I'm going to go out and get one of those amateur detective kits, and do a little dusting...for prints.

That's not a threat.



Top shooters in Junior Valley League

Morrisburg hosted the Junior Valley League tournament last Wednesday afternoon, with the following taking home the top prizes for their divisions. They are Matt Anderson from Iroquois with the low gross of A flight, 75; Andrew Van Moorsel of Morrisburg with the low net 56 in B, and Robbie Waddell, winner of B flight low gross honors after a three-hole playoff, with a low gross score of 80. Absent was Brad Boivin who picked up A low net honors with a 67.



Glengarry wins Jr. Valley League title

It was the first time that Glengarry has won the Junior Valley League title, after turning in a team score of 548, just two strokes ahead of Summerheights. Team members are (front, l-r) Addison MacDonald, Even Koronewski, Matthew Cooney, Maurice Bellefeuille; (back, l-r) Denis Levert, Nick Prieur, Guillauma Quimet. They were coached by Walter Chopp, Junior Co-ordinator. ***—Day photos***

1st time Valley League title for Glengarry team

MORRISBURG—The Morrisburg Golf Club hosted the annual Junior Valley League tournament last Wednesday which was contested by five teams of young golfers.

Just 58 strokes separated all the teams in the competition, as Glengarry took the top honors with a score of 548.

"It's the first time we've ever won this tournament," said Walter Chopp, the Junior Coordinator for Glengarry. "The guys played really well today."

Summerheights was second in the action with a total team score of 550, followed by Morrisburg with a score of 557, Cedar Glen—last year's winner—with 563 and Iroquois with 590.

Individual awards were also presented to the golfers.

Taking the low gross of the day, was Matt Anderson of Iroquois with a round of 75.

Brad Boivin of Morrisburg shot an 80 for a low net 65 to take the low net of A flight.

A three-hole playoff decided the low gross winner of B flight.

Cedar Glen's Robbie Waddell was two strokes ahead of his Glengarry counterpart to win the playoff round with a score of 14. Waddell shot a 91 low gross.

And taking the low net in B flight, was Morrisburg's Andrew Van Moorsel with a 65.

"We had a really good day for it," said Doug McNairn, Morrisburg junior coordinator, stating that all the teams were 'right in there' and it wasn't a runaway win.

"That's pretty good golfing for the junfiors."

McNairn extends his thanks to Gary O'Neill, Vonie Veley, and the clubhouse staff for a successful tournament.

Tempers flare at annual blooperball tourney

MORRISBURG—Tempers flared at the annual Blooper Ball tournament here on Sunday. The Young Guns team and No Fear had players ejected for questionable reasons as they were asking for explanations on calls made by the umpire.

In the Young Guns' second game of the tournament an obvious infraction had been made and the umpire refused to make the call. In an attempt to get an explanation Ron Peters and Scott Diegel were both ejected from the game and the umpire proceeded to eject the entire team for reasons that are unclear.

Peters inquired on why a call had not been made on a baseline that had been broken, and the umpire refused him an explanation. Peters then lost his temper and was ejected. Diegel then stepped in to handle the negotiations and was also ejected. The crowd, agreeing with the Young Guns, started yelling and other players joined in and the whole team was tossed from the game.

In No Fear's game the same rule had been broken and the umpire again refused to make the call and tempers flared again. Bobby Deleavey spoke up and was ejected from the game, but the rest of the team was able to finish and comeback to claim the championship.

The tournament which is played with the double knockout rule, meaning each team has to lose twice before they are out of the tournament started at 9:00 a.m.

In the first game Good Sports matched up against the Firemen. The firemen had trouble getting their bats started and lost the game 16-0.

In the second game No Fear came up against Young Guns and managed a 10-2 victory. Young Guns gave up eight runs in the first inning with some ugly errors, but from the second inning on it was a well played ball game.

In game three the Firemen came away with the win as the game was called short because the Young Guns were ejected. The Firemen were ahead 11-7, although the Young Guns were coming on strong, when the game was called, and that gave Young Guns their second loss of the day.

In No Fear's second game they faced the reining tournament champions the Good Sports and lost 6-3 in extra innings. Again a questionable call decided the game.

Then playing right away, No Fear matched up against the Firemen and came away 10-7 winners. That ended the Firemen's day. No Fear, in their third straight game played the Good Sports and handed them a 6-3 loss and played again right away because the Good Sports had not lost a game yet.

After one of their key players was ejected, No Fear came away with the win and the championship.

No Fear trailed Good Sports by as much as 6-3 in the late innings of the game but then Mike Casselman stepped up to the plate to settle the score, and that he did by nailing a three run shot out of the park to tie the game at seven. Then Ernie Beckstead came across the plate to give No Fear the win.

This was No Fear's first championship season and it was a sweet victory as they had to play four consecutive games to claim the title.

Men's Monday Night league wrapping up

MORRISBURG—The Men's Monday Night League has completed its schedule but there are still a few make-up games to be played so we do not have the final results.

However, the scores after 11 weeks of a scheduled 13, the standings are Doug Taylor, Walt Mutchler and Dan Rice with 514 points; Ray Baker, Mark St. Pierre and Charlie Eamon with 487 points; Lee Beaupre, Bo Gale, and Peter Arnott with 481 points; Ralph Duvall, Terry Laurin and Bob Barclay with 463 points; Mitch Cassel, John Vincent, and Neil Williams with 413 points; and Jim Sage, Mike Barclay and John Rice with 409 points.

The Match Play for a club membership is also down to the finals with Terry Laurin to play the winner of the game between Gary Hart and Tony Cummins. The Ladies Match Play for a club membership was cancelled because there were not enough entries.

There are only three weeks of play in Men's night before the final event which will be held on Sunday, September 24. This will be 18 holes of play with lots of prizes. Non members will have had to play 10 regular Thursday nights to be eligible to play in the final and members will have had to play five regular Thursday nights.

The final ladies night will be held on September 10. The fall meeting which was scheduled for September 21, has been rescheduled for October 19. There is only one tournament scheduled for September, and that is the Lions Club on September 6.

The latest issue of Golf Canada is in, you can pick up a copy in the club house.

Finally, don't forget the Friday night Specials at the club house. Why not make up a foursome and come out for "TGIF" (Thank Goodness there's Golf and Inexpensive Food).

Senior boys' ball team in playoffs

MORRISBURG—The Morrisburg Senior Boys' Baseball season is almost to its end and Dale Lewis' team is still in, and playing strong. On August 25, Morrisburg played South Mountain in a double header and beat them in both games.

The first game saw Dee Lewis on the mound, taking his team to a 13-8 victory.

"The boys are making great plays in the field and are on their bats as well," said coach Dale Lewis.

In the second game of the series Morrisburg's bats went to work by driving 26 runs to defeat South Mountain, and move on to face Kemptville in the finals.

Morrisburg used five pitchers in the game to get ready for the final series against Kemptville. The final score was 26-13.

"The series against Kemptville will be a tough one," said Lewis. "They have really good pitching and some good hitters."

Morrisburg's first game against Kemptville will be on Wednesday night so come out and cheer on the local team to a championship.

SUPPORT YOU CAN COUNT ON

Canadian MD telethon on Rogers

For many, Labour Day weekend is symbolic of the annual Labour Day Telethon for the Muscular Dystrophy Association of Canada (MDAC). This year's only Canadian production, will be broadcast on Rogers Community TV, on Cable 22 from 9:00 p.m. on Sunday, August 31, until 6:30 p.m. on Monday, September 1. This year's production will be live from the Nepean Sportsplex.

The response from the community has been overwhelming. Eastern Ontario residents are great supporters and demonstrate wonderful gifts of generosity, helping the Association raise over $678,000 during last year's 26th production.

None of this would be possible, were it not for the enthusiasm and support of many dedicated volunteers. Thus, Canadians know the importance of research and the role it plays in fighting Muscular Dystrophy.

The show will broadcast, live on Rogers Community TV, on Cable 22. Join host Michael O'Brien, and co-hosts Karyn Standen and Gary Michaels for what promises to be a fun and entertaining weekend. The community is invited to join in the fun. Various outdoor activities such as, entertainment, face painting and a display of fire trucks will take place in the parking lot.

Furthermore, the Association is pleased to proclaim the month of September 1997, National Awareness Month. The campaigns objective is to increase public awareness about neuromuscular disorders and the various services offered by MDAC.

MDAC is a voluntary agency committed to the elimination of over 40 neuromuscular disorders and alleviating the associated distress. The Association offers hope through research, creates awareness and understanding through education and provides services through personal support programs.

On Golden Pond at UCP

MORRISBURG—Upper Canada Playhouse is pleased to be bringing Ernest Thompson's award-winning play, On Golden Pond to its stage as the final play of the 1997 summer season. On Golden Pond has been a popular play since it was first produced in 1979, and gained worldwide recognition as a major motion picture starring Henry Fonda and Katherine Hepburn.

"It's and excellent play and we're very happy to be producing it this year," says UCP Executive Producer Rachel Winkfield.

On Golden Pond is perhaps the most famous of Thompson's plays, and won best play from the Broadway Drama Guild in 1979. It is one amongst many of Thompson's pieces that have been produced for Broadway.

On Golden Pond is the story of an elderly couple, Norman and Ethel, who are spending their 44th year on Golden Pond at their summer home. They are brought closer together through various trials and tribulations, knowing full well that time is now against them. It is an often touching and uplifting piece of theatre.

Ian Downie is playing Norman for the second time this summer. He recently finished a successful run of Pond at the Theatre on the Grand. Opposite him in the role of Ethel is Pat Dawson, an accomplished actress, singer and dancer.

Jonathan Dobry, a young man from Morrisburg, is making his professional acting debut as Billy, the young boy Norman and Ethel "adopt" as the grandson they've always wanted. Rounding out the cast are Robert Clarke, who starred as Greg in UCP's production of I'll Be Back Before Midnight this summer, Catherine O'Brien, whom audiences will remember for her spirited portrayal of May in The Affections of May, and Samuel Owen, who played the romantic lead opposite O'Brien in May.

On Golden Pond opens Friday, August 29 and runs to September 14. Call 613-543-3713 for ticket information.
