Mrs. H. L. Flora Died On Monday

In ill health for over a year, Mrs. Harry L. Flora passed away at her home here early Monday morning. She was the former Miss Tressa Henderson and was born at Winchester Springs 44 years ago, a daughter of the late Mr. and Mrs. John Henderson. When a young girl, she came to Winchester with her parents, where she had resided ever since, and where she received her education. A few years after graduating from the local High School, she married Mr. Harry L. Flora, grocer and confectioner.

Deceased was stricken ill last Autumn, and during the past year had been constantly under medical care. She spent several weeks in the Ottawa Civic Hospital, returning to her home here about a month prior to her passing.

The late Mrs. Flora was a member of the United Church and took an active part in the work of the several Ladies' Organizations. She was a devoted wife and true friend, and her charming personality endeared her to all who knew her. She had many friends who will regret her passing very deeply.

For many years the late Mrs. Flora was treasurer for the United Church Women's Association, and a former member of the Mission Circle Executive. She was also a Past Grand of the Rebecca Lodge, and a member of Kemptville Golf Club. As a member of the local Women's Institute, she was particularly active in the packing of boxes for the boys overseas during the war.

Besides her husband, she leaves one brother, Mr. Fred Henderson, of Campbell's Bay, Que., and three sisters, Mrs. Fred Saunders and Mrs. M. Behan, both of Toronto, and Miss Phyllis Henderson, Reg. N., of Winchester.

The funeral was held from her late residence to the local United Church yesterday afternoon, with Rev. Norman J. Thomas officiating, assisted by Rev. John A. Waddell, of Ottawa. Interment was made at Maple Ridge Cemetery.

The sympathy of the entire community goes out to Mr. Flora and the other bereaved members of the family.

LATE MRS. WILLIAM IRVING

The funeral of Mrs. William Irving, who died on Thursday last, was held on Sunday at 2 p.m. from the family residence to the Dunbar Presbyterian Church, where the service was conducted by the pastor, Rev. H. Heustin.

She was married in 1899, and her husband died three years previous. After her marriage she lived in the vicinity of the village of Dunbar where she took an active part in the affairs of the community and in the work of the Dunbar Presbyterain Church.

Mrs. Ira Annable Observes 90th Birthday

Mrs. Ira Annable, an aged and highly respected resident of Winchester for many years, and at present residing at the home of her daughter and son-in-law, Mr. and Mrs. Arthur McInnis, Iroquois, celebrated her 90th birthday at a family dinner, given in her honour by Mr. and Mrs. McInnis, on Wednesday, December 4th.

Mrs. Annable, formerly Janet Hester Ann Christie, was born at Patterson's Corners on Dec. 4th, 1856. She married Ira Annable, of Winchester, who passed away in 1933. To this union five chlidren were born, all of whom were present on their mother's birthday—Lawrence Annable, Mrs. John Moffat and Mrs. Ernest Steele, of Winchester; Mrs. Charles Simon, Spencerville, and Mrs. Arthur McInnis, Iroquois. Also present were two granddaughters, Mrs. John Rennison and Mrs. Harold Lannin, and a grandson, Eric Steele, all of Winchester; two great grandchildren, John Moffat Rennison and Gail Lannin, and a daughter-in-law, Mrs. Lawrence Annable, of Winchester.

Other grandchildren are Gordon Hutchinson, of St. Catharines; Graham, John and Dale Simon, of Spencerville; Mrs. John Stewart, of Brockville, and Mrs. John Thomas, of Montreal.

The dinner table was prettily arranged with flowers and a birthday cake. Mrs. Annable has been confined to a wheel chair for three years, from the effects of injuries received in a fall. She was the recipient of many gifts and congratulatory messages during the day.

* * * *

TO GRANDMA, ON HER 90th BIRTHDAY

I think of you as you used to be,
So willing to help, we all could see;
No task was too great for you to do,
Your needles plied fast, the whole day through.
Loving mother, good neighbour, also kind friend,
Others needs came first, they were yours to attend.
And now you sit all day in your chair,
Unconscious of those around you who care,
And with loving hands attend to you,
Unselfishly and lovingly too.
There's nothing much that I can do
Except to go and visit you.
And when you smile and clasp my hand,
I often feel that you understand
That someone is near, whom you used to know
And visit with, short years ago.
Your family is gathered 'round you today,
To honour their mother in each, his or her own way.

RECEIVES LETTER OF APPRECIATION FROM GREECE

Over a year ago Mr. Maurice Hyndman, of Hallville, donated an overcoat during a canvass for used clothing for overseas relief. In the pocket of the coat he inserted a note with his name and address on it. A few weeks ago he received a letter from a young man in Greece, who had been fortunate enough to get the coat. The letter was written in Greek and was sent to Queen's University, Kingston, for translation. The translated version of the letter was as follows:

August 14th, 1946.

"Dear Sir:—During the recent distribution of used clothing at our municipality, clothing which came from gifts of the noble American people to the Greek people, by a happy coincidence your gift of a coat (as I gather from your address which was found in it) fell to the undersigned. I appreciate your contribution, which is noble from every point of view, and take the opportunity to address to you the heartiest congratulations for your efforts to come to the aid of the Greek people, who have suffered so much because of the war.

"Your efforts issue from the most elevated sentiments. So I thank you cordially for your gift, which I shall consider as having been sent me by you directly.

It is superfluous to mention what appreciation and respect all the Greek people feel towards the American people because of their manifold gifts.

In closing, I address to you my heartiest wishes for your well-being, and the sincerest sentiments of friendship and appreciation.

John Boulabas, Secretary of the Community of Litochoron, County of Pieria, Province of Salonike, Greece."

CHESTERVILLE TO HOLD ANOTHER NOMINATION MEETING

With but three candidates qualifying for Councillors in the Village of Chesterville, following the regular nomination meeting, a second nomination meeting has been called for today to fill the position of Reeve and one Councillor, and the election date, if necessary, set for Monday, Dec. 30.

Qualifying for seats on Council were John L. M. Turner, Glenn E. Merkley, M. A. Flynn and J. A. Morris, but the latter resigned before the 9.00 p.m. deadline on Tuesday night of last week.

None of the three nominees for Reeve qualified. They were P. S. Boyd, Wm. McCloskey and Chas. McMillan. R. J. Barrie, who was nominated for Councillor and then Reeve, was not eligible to qualify for Reeve as he did not resign from the first nomination as required by the changes in the Municipal Act, but, however, he had stated he had no intention to run for either office.

The result is that none of the present Councillors have signified their intention of standing for office, and the three who are elected by acclamation are new at the job.

Winchester Making Bid For Proposed Armouries In Dundas

According to information received last week, it is the government's intention to erect a number of Armouries throughout Canada to meet the needs of Canada's peace-time army. One of these armouries, for which estimates have already been approved, is to be located in a central spot in Dundas County, the Press learned from a reliable source.

Winchester, being a central point in the county, it is felt that this would be the ideal location for the armouries, and local organizations have taken action to impress this fact on the proper authorities.

The matter was discussed at the regular meeting of the Legion last Friday, and on Monday afternoon representatives of the Legion, Chamber of Commerce, the 100 Club and Town Council met to determine what action should be taken. As an initial step, it was decided to send a delegation to Cornwall to interview Col. Dick, O.C. of the S., D. & G. Highlanders.

If the granting of a free site was any inducement to have the Armouries erected here, it is felt that sufficient land for this purpose would be available at the Community Park.

The Committee appointed to interview Col. Dick includes Messrs. F. M. Cass, W. C. MacDonald, W. J. L. Boyd, Harold Lannin and Hart Melvin.

Holstein Breeders' Annual Meeting

"It's about time that farmers stood up in one unit and told the governments of the provinces and of the Dominion, what farmers need in milk prices to enable them to remain on the farms,"said Clarence L. Goodhue of Vaudreuil, Que., past president of the Holstein Freisian Association of Canada in an address before the members of the Dundas County Holstein Breeders' Club, at their annual meeting held at Williamsburg last Thursday evening.

"What we need in our government," said Mr. Goodhue, "are more members of Parliament who are agriculture-minded throughout their whole term of office, and not just at election time." More than 75 per cent. of farmers, whose milk was sold to cheese factories and creameries, were not getting parity prices and could not continue unless prices for many classes of fluid milk was increased.

Mr. Goodhue spoke of the rumor that an embargo might be placed on the sale of cattle to United States in order to get more milk and butter for home consumption, claiming that the real cause was price, not scarcity of cows.

He spoke of the great possibilities of foreign markets for breeders of Holsteins due to the extension work of the association. Already more than half a million dollars of foundation stock had been purchased from all parts of Canada for British stockmen.

The South American market was just opening up to Canadian breeders and it was important that only the best cows should be sent to these markets. He suggested that a commitee should be set up in each district to be sure that only the good cows should go to outside markets.

The extension work of the Holstein Freisian Association was the most important work in creating markets, but was costing a great deal and labor cost was rising. He forecast an increase in transfer fees and asked the local association to support the increase should it be necessary.

The Holstein Freisian Association was the greatest cattle organization in the world and it had grown to its present status on the work of the ordinary dirt farmers who had kept yearly records for the past 100 years or more. Mr. Goodhue was also of the opinion that calf clubs must be further developed so that boys and

THE CANADA YEAR BOOK FOR 1946

The 1946 edition of the Canada Year Book, published by authorization of the Hon. James A. MacKinnon, M.P., Minister of Trade and Commerce, is announced by the Dominion Bureau of Statistics.

The present edition continues the policy of giving such space as can be spared to feature articles of special importance. Such articles give additional meaning and substance to the purely statistical and analytical material that constitutes the basic chapter material. In a very real sense, as a perusal of the lists of Special Articles in this and former editions (pp. viii to xiii) will show, they gice to the Year Book Series an encyclopaedic value apart from its function as a statistical abstract.

Special Articles—Among the special articles appearing in the present edition are two that have reference to wartime accomplishments, data for which were not previously available. These are: "The Relation of Hydrography to Navigation and the War Record of the Hydrographic and Map Service" at pp. 14-18 and "The British Commonwealth Air Training Plan—A summary of the R.C.A.F.'s Major Role in the War of 1939-45" at pp. 1090-1099.

Other articles mainly connected with the transition to peace are: "Canadian Agriculture during the Transition Period" at pp. 200-211: "The Outlook for the Mineral Industry in Relation to the Economic Development of Canada," at pp. 302-314 and 'The Report of the Royal Commission on Co-operatives" at pp. 618-624.

All these articles are sponsored by responsible authorities of the Dominion or Provincial Government Services.

Other Features—Because of public interest in the articles published in former editions of the Canada Year Book, the policy of reprinting such articles as are of continuing value has been approved, and in future a number of these will be made available each year. Information regarding those available, together with the prices, is given in the list appearing at the opening pages of this edition.

In addition to the Special Articles, the regular chapter material has undergone thorough-going revision to reflect latest developments that have so far taken place in the post-war period.

This is particularly the case in the two chapters "Post-War Reconstruction" and the "Rehabilitation of Ex-Service Personnel." The policies drafted during the later war years are now finding practical expression through departmental administration established for that purpose by the Dominion and Provincial Governments.

A summary of Discharge Gratuities and Rehabilitation Allowances, together with a short synopsis on the Pension System, War Veterans Allowances and other post-war legislation of the Federal Government is included.

For the first time a new chapter on National Defence has been included, warranted by reason of the importance defence has assumed in view of Canada's world position.

The important part Canada is taking in the Food and Agriculture Organization of the United Nations (FAO) is dealt with in its relationship to Agriculture (Chapter VIII) Forestry (Chapter IX) and Fisheries (Chapter XI).

It has been found possible to include more than the usual number of maps and charts in this volume, due to the fact that many of the maps, designed for other reports of the Bureau, were economically printed from existing plates.

By a special concession a limited number of paper-bound copies have been set aside for ministers of religion, bona fide students and school teachers, who may obtain such copies at the nominal price of $1.00 each. Application with remittance for paper-bound copies must be forwarded to the Dominion Statistician, Dominion Bureau of Statistics, Ottawa.

CHEESE PRODUCERS' ASSOCIATION MET AT BRINSTON

The annual meeting of the Dundas County Cheese Producers' Association was held at Brinston last Tuesday afternoon, with the president, Mr. C. E. Harkness, presiding, and Mr. Harry Williams as secretary. There was a fair attendance of farmers and cheesemakers present and some interesting discussions took place.

The new marketing scheme was outlined by H. S. Marjerrison, of Apple Hill, director of the Ontario Association. He also mentioned the brief regarding prices of milk going into the making of cheese which had been presented to the Federal Cabinet.

It was the opinion of the meeting that the association should stay out of the marketing field, in so far as the actual buying and holding of cheese for export was concerned; that they should intensify their efforts in regard to obtaining higher prices for cheese, and a resolution to support these views was passed.

Although the county stood high in the quality of its product, reports indicated that there had been 38 factories in operation in Dundas County prior to 1939, and at the present time there were only 24 making cheese. This decrease in production was largely due to the higher prices which could be obtained from other plants in the county. Othere reasons for the decreased number of factories in operation were that some had been sold and a few destroyed by fire.

Congratulations to the makers for their fine showing at the Eastern Ontario Export Food Show, was voiced by C. A. Loucks, of Morrisburg, who made special mention of the work done by Bruce Shangraw, of Hallville, winner of the Grand Championship and the Singleton Trophy, which had been won five times by makers of Dundas county, during the six years it had been given for annual competition.

The J. F. Robinson Special, to the instructor having the highest percentage in his group entered in all classes, was won by George I. Martin, of Hallville, who also was the winner of the Dairy Instructor's Special.

Brief addresses were also given by J. L. MacDonald, Harrison's Corners, president of the Stormont Association; R. J. Kelso, president, Grenville county.

Officers for 1947 are: President, C. E. Harkness, of Brinston; vice president, Byron Martin, Hallville; secretary-treasurer, Harry Williams; Vancamp; directors, William Lane, Williamsburg; Shayler Heagle, Aultsville; Roy E. Fetterly, Morewood; Benson George, Winchester, Elburn McIntosh, Winchester Springs; S. Dwight Merkley, Iroquois; Arnold Gilroy, South Mountain; Cephas Smith, Iroquois.

DUNDAS HOLSTEIN BREEDERS HOLD ANNUAL MEETING

(Continued from Page 1)

girls would become good Holstein breeders.

The speaker was thanked by Mr. Cephus Smyth, of Iroquois, and Mr. W. Ray Wilson, fourth vice president of the associaiton, spoke briefly.

Holstein breeders from all four townships were well represented, and took part in the meeting, with Harold C. McMenomy, Inkerman, presiding, and H. W. Graham, Morrisburg, agricultural representative, acting as secretary.

The door prize, an artificial breeding service from W. R. McMenomy and Son's bull. Montvic Rag Apple Supreme, was won by Morris Hyndman, of Mountain township.

The president said that cattle from the county had been sold to South America, Great Britain, and that some might be shipped to Jerusalem. He said that in view of the fact that cheese milk prices did not look too good, if the breeders continued to grow good cattle and could sell a few of their herd each year, it would increase their margin of profit.

The club had held three barn meetings throughout the year. At the Black and White meeting at South Mountain, 51 head had been exhibited from 15 exhibitors.

A calf club had been supported and a donation of 19 halters to members of the club who had exhibited at Mountain Township Fair, had been made.

The treasurers' report, given by Mahlon Zeron, of Iroquois, showed that the association was in good financial standing. W. J. Fawcett, a director of the Holstein Freisian Association, addressed the meeting, and said that the eastern part of Ontario had greatly improved the breed during the past year. The Dominion association had branched out to do advertising in markets in Great Britain and South America, and had greatly increased its extension work.

The nominating committee, made up of W. J. Fawcett, Winchester; Allison Graham, Chesterville; Mahlon Zeron, Iroquois, and George Brooks, Williamsburg, brought in the following slate of officers for the ensuing year: President, Harold C. McMenomy, Inkerman; vice president, Frank J. Casselman, Chesterville; secretary, H. W. Graham, Morrisburg; treasurer, Mahlon Zeron, of Iroquois.

Directors: Angus Smith, Allison Graham and Harold Durant, all of Chesterville; Sherwood Coons, Winchester; Basil Suddaby and Gordon Mulholland, South Mountain; Ronald Carkner, Vernon; W. R. McMenomy, Inkerman; George Brooks and Claude Casselman, Williamsburg; Harry Holmes, Winchester Springs; Burrell Beckstead, Elma; Pat McGinn Dixons Corners; Cyphus Smyth and Wilfred Gibbons, Iroquois, and Orval Smail, Brinston.

EMERGENCY!

— SAVE ELECTRICITY!

A critical power shortage now exists in Southern Ontario. Savings in the use of electricity will be needed on the part of all citizens in order to avoid serious difficulties during the present winter period, and Hydro is asking all consumers to conserve electricity wherever possible in order to relieve this situation.

THE DAILY PERIOD DURING WHICH SAVINGS SHOULD BE EFFECTED IS BETWEEN 8 A.M. AND 8 P.M., AND CONDITIONS ARE PARTICULARLY ACUTE BETWEEN 4 P.M. AND 7 P.M.

Factories and industry are asked to switch from day to night operation, in whole or in part, wherever possible, and also to effect all power savings practicable. Street lighting should be reduced to the lowest level consistent with public safety.

THIS IS HOW YOU CAN HELP

- Eliminate the use of electricity for signs, billboards and store windows from 8 a.m. to 8 p.m.
- Eliminate all Christmas decorative lighting until Saturday, December 21st, and again after January 1st.
- Turn off lights when not required.
- Use the minimum number of lights in the living-room, consistent with good vision.
- Do not use electric air heaters and grates.
- Use electrically heated water sparingly and check leaking hot water taps.
- Do not use range elements on "high" when a lower heat will serve, and turn off all elements as soon as possible.
- Cook oven meals as often as possible and avoid the unnecessary use of surface elements.
- Turn the radio on only for programs desired; if not listening, turn it off.
- Operate electric toasters and other small appliances only as needed.

The electric power shortage is a general condition following six years of war and arising from the fact that it was impossible to proceed with the development of sufficient new power sites during the war because of the requirements for war production. Since the war, the critical shortage of men and materials has seriously delayed the development of new sources of power.

The Commission has been reducing loads within its direct control, wherever possible. These reductions are not enough, and it is now necessary to appeal for assistance on the part of all consumers.

Hydro appreciated the splendid voluntary assistance on the part of its consumers during the war, and believes that similar co-operation will be forthcoming at this time.

IN MEMORIAM—In fond and loving memory of my dear mother, Janet Ann Tinkess, who passed away December 15th, 1945.
What would I give to clasp her hand,

In Heaven—that happy life.

We never thought when leaving home
She no more would return,
That she in death so soon would sleep
And leave us all alone.
Her smiling way and pleasant face
Are a pleasure to recall,
She had a kindly word for each,
And died beloved by all.
She bade no one a last farewell,
She said good-bye to none,
Her loving heart had ceased to beat
Before we knew she had gone.
Our hearts still ache with sadness,
Our eyes shed many a tear,
God only knows how we miss her
At the end of this first sad year.
