Chesterville Fire Brigade Plans Big Week Fire Prevention To Be Theme October 9-15

Chesterville Volunteer Fire Brigade is planning a full week from October 9th to October 15th in recognition of Fire Prevention Week. The plans include Fire Drills in the schools, display of equipment, inspections, demonstrations and talks that will make the public more aware of the necessity of continued precautions in control of fire hazards.

At a meeting held in the Fire Hall on Tuesday evening, Fire Chief Sidney Morris outlined to his squad the plans for Fire Prevention Week, October 9th to 15th. The main objects, he pointed out, are to make the public more aware of the necessity for constant precautions against fire and to show and operate the equipment that the rate-payers have provided for their own protection. The efficiency of the squad will be demonstrated and Mr. Morris is confident that the showing will increase the confidence of the public in the work of the volunteers.

Church Parade will open Fire Prevention Week with the squad attending Holy Trinity Anglican church in a body on Sunday evening at 7.30. Assembly will be at the Fire Hall at 7.00 to make up in marching order.

The equipment owned by the village for fire-fighting will be on display in the Fire Hall each afternoon from 3.30 to 5. Firemen will be in attendnce to demonstrate and explain the tools of their trade to anyone who wishes to examine it. The public is urged to come in and see what they own in the way of proper equipment.

Fire drills will be held in all the schools under the supervision of the Chief and his men. Starting Tuesday afternoon at 2.30 the Public School will be called out on drill, and at 3.00 the Separate School students will get the signal. On Wednesday at 3.15 the bell will sound for the High School.

On Thursday afternoon starting at 4.00 o'clock, a fire run will be held with the full equipment in action. A pit has been prepared on North Main opposite Greer's Store and a gas and oil fire will be blazing there to test the efficiency of the fog nozzles and other equipment.

After the fire has been controlled by the volunteers, the public will be offered the hose to try their hand at quenching the re-lit fire.

An ambitious undertaking for Friday will see the entire squad inspecting the business premises of the town. The Fire Chief feels that his men need to become more fully acquainted with the structures where fires might have to be fought and it will be his object to show his men the layout of the various buildings with special emphasis on entrances, windows, cellars and the like. Thus, in case of fire, it is hoped that foreknowledge of a smoke-shrouded building will be of benefit in controlling a blaze.

Saturday will find the men cleaning up after the work of the week.

The program as planned by the fire brigade will mean a lot of work. The best reward for the firemen will be a good response by the public for their efforts. It is hoped that everyone who can, will give them their full support.

POTATOES AND TOMATOES GETTING BIGGER AND BETTER

We have a basket of garden products that should make a gardener proud. W. S. Feeley of Cannamore looked over his efforts and found five tomatoes that weighed nine lbs. together and added six potatoes that totaled fifteen lbs. The 24 lbs. of good eating is a record to be proud of.

LETTER FROM NORTH COUNTRY SENT BY THE CLAYTONS

We have been handed a very interesting and long letter from Dr. and Mrs. A. B. Clayton. They have reached their home, for the next couple of years, in Baffinland, and have many new experiences to describe.

Lack of space will not permit the publication of the letter this week, but it will be printed in full in next week's issue.

BAG SMALL IN OPEN SEASON FOR HUNGARIAN PARTRIDGE

The first open season for Huns has come and gone and in the two days the little brown birds proved smarter than the hunters.

The bag limit was four birds per day, but the best information here shows a high of four birds for the two days. Many blanks were drawn, singles and pairs were killed only after a great deal of walking and patient hunting. This small taste of upland field shooting proved exhilirating to the hunters, and it is hoped that the Department will have another open season next year.

October Meeting Of Council Spends Much Money For Needed Improvements

Council met Monday night in the office of the Community Hall for the October meeting. All members were present with Reeve McMillan in the chair. Many items of business were attended to, but councillors dealt with them in jig time and by 10.30 the last string was tied and council adjourned.

Fire Chief Morris waited on Council with additional information on a siren and signal system for the village. It was pointed out that a 2½ h.p. unit would not be adequate for our growing village as a shriek was needed to waken the inhabitants to danger and the little sirens in some of the neighbouring towns emitted a wail which would hardly combat a summer breeze. After discussion, clerk Hummel was instructed to order a five h.p. model immediately. When completed, the system will include the 'howler' on the roof of the Community Hall, a starter system and four weather-proof boxes throughout the village of the 'break-glass, pull' type.

R. C. Dillabough made representation on behalf of the Chesterville Chamber of Commerce regarding the production of a brochure on the village. Council listened with an interested and sympathic ear and immediatly alloted $100. for the project.

The slow burner stove in the kitchen of the Library is to be replaced immediately with a modern, new electric model. The stove is to be supplied by a merchant of the town at a reasonable price and is to be ready for use by Monday next.

Dr. H. Justus and Mr. Harold Greer had a discouraging story to tell of surface water on their premises on North Main. A catch-basin is needed badly in that section, and council assured them that one would be installed immediately if cement was available.

Sidewalks will receive little attention this year. Cement is in very short supply, but council hopes to do some patching.

CASSELMAN—MacMILLAN

At a colourful early Autumn ceremony, Mary Sheila Grace, daughter of Mr. and Mrs. D. J. MacMillan, became the bride of Richard McKenzie, son of the late Dr. H. H. and Mrs. Casselman. Rev. Father S. Lesage officiated at the marriage. The bride's brother, Ronnie MacMillan, acting as server.

St. Mary's Church was decorated with seasonal flowers and the organist was Rev. Sister Mary St. Germaine, Mr. Matthew Flynn was the soloist.

Due to the ill health of her father, the bride was given in marriage by her brother, Alex A. MacMillan, and her wedding gown was of white slipper satin and lace, fashioned with a fitted bodice, long sleeves with lily points, long full skirt with bustle and train; the floor-length veil of embroidered tulle illusion was held in place by a halo type bridal crown of white satin and tulle, and her bouquet was a semi cascade of white roses.

The winsome bride was attended by her two sisters, Misses Kathleen and Marie MacMillan as maid of honor and bridesmaid, wearing gowns of original style in slipper satin, fashioned with fitted bodices, short puffed sleeves, long full skirts with bustles, long gloves and headdresses of satin and feathers which were halo type coronets. Miss Kathleen was gowned in "new green" and Miss Marie wore "rosewood". They both carried colonial nosegays of bronze baby poms, talisman roses and adiantum.

Malcolm Casselman of Toronto, acted as best man for his brother and the ushers were the bride's brother Jack MacMillan and Douglas Carr, R.C.N.

Mrs. MacMillan, the mother of the bride, wore a floor-length gown of light navy crepe with bodice of delicate imported lace, grey accessories and her corsage was of pink carnations.

Following the ceremony a reception at which 60 guests were present was held at the bride's home. The house was beautifully decorated with gladioli, 'mums and fern, and the graciously appointed table was centred with a three-tiered wedding cake.

The newly weds left on a wedding trip, Mrs. Casselman travelling in an English wool glen check suit with copper and green accessories, fawn topcoat with mouton collar and her corsage was of talisman roses. Upon their return Mr. and Mrs. Casselman will reside in Chesterville.

GAME LAW ENFORCEMENT

Enforcement officers have been doing some good work in checking the jacklighting of deer. Conservation Officer Carman Knapp successfully prosecuted Mrs. Phyllis McDougall, Merrickville, on charges of illegally hunting deer and possessing a high power jacklight and a loaded gun. She was found in a back field one night, but apparently had no deer at the time. A fine of $120.00 was paid.

Conservation Officer W. B. McConnell of Morrisburg, successfully prosecuted two other offenders, Orval Selleck and Bert Hippin of Spencerville, on charges of illegally hunting deer using jacklights, and possesssing loaded firearms in a motor car. These men had no deer in their possession, and escaped with minimum fines of $60.00 each and costs. Heavier penalties will be demanded in future cases as the minimum has been greatly increased, and the night hunters must be shown that jacklighting does not pay.

The public is giving a great deal of whole-hearted co-operation in this matter now. The Smiths Falls Hunt Club members are particularly enthusiastic, and farmers who have animals grazing in their fields are anxious to protect them from the night marauders. The officers gratefully acknowledge the help which has been given them.

Three early duck hunters on the Rideau, Robert Meldrum, Lloyd Meldrum and Walter Billings of Osgoode, were unable to pay their fines of $25.00 for illegal hunting and $15.00 for carrying firearms without a licence so they get free board at the expense of the country, after prosecution by Conservation Officer Wayne Robinson.

Conservation Officer Percy Headlam seized 2 gill nets and some muskrat taps from Les Bedard, Wrightville, who also went to jail rather than pay his fine. Arthur Plaunt and Joseph Plaunt of Hull, each paid fines of $15.00 and costs for illegal fishing.

Departmental Officers want to have the laws obeyed rather than prosecute offenders, but everyone must realize that the laws have teeth and the teeth are getting sharper for lawbreakers.

AGRICULTURAL EXHIBIT AT C.N.E. REALLY AMAZES U.S. VISITORS

Ontario's status as an agricultural producing area advanced considerably in the past two weeks.

The reason was the Ontario Department of Agriculture's fine exhibit at the Canadian National Exhibition.

In charge of the display was George H. Reeves of the Co-operation and Markets Branch of the Department, and questions asked by thousands of United States visitors who stopped at the exhibit, were revealing, to say the least.

Although only a few miles away and in spite of the much talked of "brotherhood" that exists between the United States and Canada, many people across the border think of Canada as a land of snows where skiing, hockey and other winter sports are main features. They seldom think of Ontario as a great area of fertile farms.

"Were those large water-melons grown right here in Ontario?" was one of the most frequent questions heard from visitors who gazed spellbound at the array of products decoratively arranged in the Ontario Government Building.

"Where did you get that black Mexican corn?" was another. "What part of the United States did those sweet potatoes come from?" "Do you mean to say that that black Mexican corn is sweeter than Golden Bantam?" and a host of other queries were fired at the attendants during the two weeks of the Exhibition.

Another phase of the exhibit that attracted comment from both Americans and Canadians was the fine display of "Red Warba Potatoes." There were numerous questions as to what the "Red Spuds" tasted like.

The Red Warba potatoes came from the Holland Marsh gardens and are the result of careful cultivation during the past three or four years since the first of them were bought to Canada from Holland. They were first grown in Ontario by Dutch settlers in the Holland Marsh area.

To Ontarioians the exhibit was commonplace, but not to the visitors from across the border. Many of them wanted literature on Ontario's methods of production.

"One of the greatest eye-openers I've ever had, excellent advertising for Ontario farmers," was the way one prominent American visitor described the display.

Arrangement of the display was under direction of W. D. Tolton, well known public relations director at the Ontario Agricultural College, Guelph. He was assisted in obtaining material for the exhibit by other Ontario Department officials.

NYLON HAIR

Nylon has gone into the wig industry. For generations wig manufacturers have been looking for a make-believe hair that could be shampooed, combed and set without deterioration. Nylon, it was discovered, answers, these requirements. It will not become brittle, is not harmed by soap and water yet looks exactly like real hair. It does not mat after wetting nor falls out when combed. Nylon hair is being made in three colors—light blonde, golden blonde and brunette.

Cure for Insomnia

Hugh Herbert says, "When I can't sleep, I get up and watch my goldfish. The first thing I know one of them gapes at me. Then I yawn at him. We keep this up for a few minutes and I get so sleepy that I can hardly find my way back to the bedroom."

THE OLD TIMES

By Wallace Bruce Amsbury

WHAT'S this talk 'bout the ol' times,
An' the things the 'as used ter be—
We'en things is jus' about as bright
As fer as I kin see?
I may be a little balder—an' the furfors on my brow
May run a little deeper—
An' I stoop more—I'll allow—
But my heart's as young an' gushin'
As a sprightly yearlin' colt,
An' on the good things in this world
I have as strong a holt
As when I sparked my Tilly Ann
In the fall of fifty-three,
As we sot upon a split-rail fence—
An' she gave her heart to me.

What! Them Times better'n these times?
It's all a lot o' trash—
I can take that doctern out the bag
An' smash it all to smash.
Let the years pile on your body old—
But allus try to keep
The spring o'love a gushin'
So the sun can allus peep
Way down into your very soul
Where joy is biding there;
The thing that puts to grief,
Old age's dread despair,
Don't bow down to times 'at's gone—
Old wrinkles, an' gray hairs—
An' you'll find it smoother farin'
To the shiny Golden Stairs.

Mrs. Thomas Bogart, Elma Passed Away Sept. 26th

Mrs. Thomas Bogart of Elma, passed away at her home on Monday, September 26th, after having suffered a severe stroke three days earlier. Mrs. Bogart also suffered a stroke in May of 1947. At that time the family despaired of her life, but she recovered sufficiently to enjoy her home and family, though she was unable to fully resume her former activities.

Mrs. Bogart was formerly Laney Etta Salter, daughter of the late Thomas Salter, and his wife Anne Hanson of Maple Ridge, where Mrs. Bogart was born in 1875. She married Mr. Thomas Bogart in 1895, and has lived in the vicinity of Elma for over forty years where she was highly regarded by all who knew her. She was a member of Elma United Church. Her death is a distinct loss to the community, as well as a severe blow to her family.

Mrs. Bogart is survived by her husband, Thomas Bogart, a daughter, Mrs. John Ball of Dunbar, and two sons, Henry and Arnold, at home; one brother, Henry Salter of Whitelaw, Alberta, and one sister, Mrs. Gilbert Summers of Vancouver, BC.

The funeral service was held at Elma United Church and was conducted by the pastor, Rev. F. J. Vowles, assisted by Rev. W. A. Morrison of Dunbar, who was a former pastor, and Rev. W. E. Wright of Chesterville. By special request the choir sang "Goodnight Here, but Goodmorning over There", as an anthem, and "No Tears in the Sky" as a recessional. Mrs. Wilfred Carruthers presided at the organ.

The pallbearers were Messrs. Egerton Barkley, Hugh McMillan, Brock Barkley, Harold Pemberton, Lyle Thom and Harry Carruthers. Interment was made in the family plot at Maple Ridge Cemetery, Thursday, September 29th.

Floal tributes were received from Mr. and Mrs. W. O. Diron, Chesterville, Mrs. George C. Merkley and family, Mrs. John Bogart, Miss Abby Bogart, Mr. and Mrs. Albert Bowman, Mr. and Mrs. J. E. Ouderkirk and family, Mr. and Mrs. Ivan Barkley. A pillow of roses from the members of the family, and a basket of roses from the Woman's Association and WMS of Elma United Church.

Chesterville Women's Inst. Plans Activities

The regular meeting of the Chesterville W.I. convened in the Library on the 28th inst., when approximately 60 members and guests were present. Mrs. Shaver presided and opened the meeting in the usual way. Minutes approved as read and treasurer's report showed $100 for the Park Fund and $10 in Hospital Fund.

It was decided to hold a eucher in November and to sponsor a Marathon Bridge during the coming months, Mrs. Dixon and Mrs. Barkley to take charge.

In line with other years the Institute will again undertake the collection of Funds for the Blind.

Vacancies on the executive caused by the departure from town of Mrs. D. Campbell and Mrs. Lew Smith, were filled as follows: 1st Vice-Pres., Mrs Hubert McCloskey; 2nd Vice-Pres., Mrs. Emerson Johnson; Blue Cross Secretary, Mrs. Jack MacMillan.

The programme convened by Mrs. B. Campbell, was "Historical Research," tribute being paid to grandmothers, who each received a special souvenir of the meeting from the convener.

The topic "Wandering in Old London" was presented under the following headings: 'Londinium', Mrs. Doering; 'St. Paul's', Mrs. Hulbert Cross; 'The Tower', Mrs. H. McCloskey; 'Palaces', Mrs. Hugh Smith; "Servant Nurse', Mrs. B. Campbell; 'Coffee House', Mrs. Jamieson, and 'Westminster Abbey', Mrs. J. F. Moriarty. As was fitting on such a programme Mrs. Geo. Merkley sang "Cherry Ripe" based on London Street Calls and as a climax to the programme "There'll always be an England" both accompanied by Mrs. P. J. Gilroy.

Questions and answers of 60 years ago presented by the convener caused much hilarity.

Great-grandmothers present receiving a special mark of esteem were: Mrs. C. Doering, Mrs. Wes. Cross, Mrs. Durant, Mrs. Wallace, as did the grandmothers of twins: Mrs. Wallace, Mrs. Hughson and Mrs. Cross.

The contest was won by Mesdames E. Johnson, W. Hummel, Geo. Merkley and P. J. Gilroy.

Miss Slicter of the Department of Agriculture, Women's Institute Branch was a guest at the meeting. After the singing of the Anthem, tea was served by Mesdames H. Smith, L. Doering, S. H. Hutt, J. F Moriarty, R. Jamieson, H. McCloskey, Hulbert Cross, W. Johnson, T. J. Hamilton, B. Campbell and Miss Merkley.

IT'S STILL TRUE

It's unwise to pay too much, but it's worse to pay too little. When you pay too much, you lose a little money—that is all. When you pay too little, you sometimes lose everything, because the thing you bought was incapable of doing the thing it was bought to do. The common law of business balance prohibits paying a little and getting a lot—it can't be done. If you deal with the lowest bidder, it is well to add something for the risk you run. And if you do that, you will have enough to pay for something better.

MISS SADDLEMIRE HONOURED BY WILLIAMSBURG FRIENDS

The members of St. Peter's Lutheran Church, Williamsburg, gathered in the Sunday School Hall on Friday evening last, to honor Miss Muriel Saddlemire who left on Monday to enter Waterloo College. It was a unique occasion as Miss Saddlemire is the first young lady of the Eastern Conference of the Lutheran Synod of Canada, to enter the Diaconate.

After a pleasant social evening Rev. Innes presented Miss Saddlemire with a generous purse, the gift of the congregation and Miss Virgie Merkley presented a purse gathered by the neighbours of the recipient. Fitting response to these gifts were made by Miss Saddlemire. Miss Saddlemire expects to become a "Teaching Deaconess" for which she has many natural talents. After completing Grade XIII at the Morrisburg Collegiate she taught two years at Dunbar. Many good wishes from a host of friends follow Miss Saddlemire in her chosen work.

IN MEMORIAM

IRVING—In loving memory of our dear daughter and sister, Gwendolyne Margaret, who was accidently killed four years ago October 6, 1945.
Gone, dear sister, gone forever,
How we miss your smiling face,
But you left us to remember,
None on earth can take your place.
A happy home we once enjoyed,
How sweet the momory still,
But death has left a loneliness
The world can never fill.
—Ever remembered by Mother, Phyllis, brother Arnold, Mr. and Mrs. Gerald Moran also Mr. and Mrs. Hubert Belanger.

IN MEMORIAM

HESS—In loving memory of a dear mother, Mrs. Euretta Hess, who passed away October 8, 1948.
Many a lonely heartache,
Many a silent tear,
But always beautiful memories,
Of one we loved so dear.
—Sadly missed by sons and daughters.

IN MEMORIAM

CASSELMAN—In fond memory of a dear father and friend, Dr. H. H. Casselman, who passed away October 2, 1940.

IN MEMORIAM

MERKLEY—In loving memory of a dear wife and mother, Mrs. Enos Merkley, who passed away October 9, 1947.
Friends may thing the wound is healed,
But they little know the sorrow
That lies within our hearts.
—Husband and family.
We often sit and think of him
When we are alone,
For memory is the only friend
That grief can call its own;
Like ivy on the withered oak
When all other things decay,
Our love for him will still keep green
And never fade away.
—Ever remembered by wife, daughter Phyllis and son Arnold, Mr. and Mrs. Gerald Moran, Mr. and Mrs. Hubert Belanger and family.

THE MIXING BOWL

Hello Homemakers! Next week is Thanksgiving. In many homes there will be much anticipated family gatherings. It is a time to count one's blessings, large and small, to welcome the family home.

Although roast turkey or baked ham is traditional fare for Thanksgiving, a delicious fried chicken, served with spoon bread, sweet potatoes and Harvard beets is a main course suggestion. Carrot pudding with old English Hard sauce is a dessert fit for such a festive meal.

FRIED CHICKEN

Clean chicken and cut into pieces. Salt, place in an earthenware dish and let stand overnight in the refrigerator. Drain, roll in flour and place in a heavy aluminum or iron frying pan in which ¾ cup of shortening has been melted. Fry quickly until both sides are browned. Then add one cup of boiling water and cover with a tight lid and cook over low heat for one hour. **Cream Gravey:** Remove chicken from skillet, stir in flour (use proportions of 2 tablespoons flour to 2 tablespoons dripping.) Stir in 1 cup milk (for each 2 tbsps. flour used) and cook until thick. Season with salt, pepper and summer savoury.

SPOON BREAD

1. Mix together 1 cup sifted corn meal, 1 tsp. salt.
2. Stir in 2½ cups scalded milk.
3. Then add 2 tbsps. butter or margarine.
4. Continue stirring and add 3 beaten egg yolks.
6. Fold in 3 beaten egg whites.
7. Pour in buttered baking dish and bake about 30 minutes in preheated electric oven of 350 degrees. Serve with a spoon.

GLAZED SWEET POTATOES

2 tbsps. butter or margarine
1|3 cup brown sugar
1 tablespoon grated orange rind
2 tbsps. water
¼ teaspoon salt
4 sweet potatoes, boiled

Cook together in frying pan the water, butter, brown sugar, salt and orange rind, until a thin syrup is formed. Cut sweet potatoes in halves, add to syrup; cook slowly, spooning syrup over the potatoes until glazed.

CARROT PUDDING

1 cup chopped raw carrots
2 cups raisins, ground
½ teaspoon soda
1 cup flour
½ cup honey, syrup or molasses
or
¼ cup sugar and 2 tablespoons water
1|3 cup ground suet
Juice and rind of 1 orange or lemon

Mix all ingredients together well and fill greased cans two-thirds full. Use any empty baking powder can with holes punched in the lid. Steam for 2½ hours. Serve with a sauce, if desired. Makes six servings.

OLD ENGLISH HARD SAUCE

1|3 cup butter or margarine
1½ tbsps. milk
1 tsp. vanilla
1½ cups sifted confectioner's sugar
1½ tbsps. molasses
½ tsp. grated orange rind (optional)

Cream butter or margarine unti fluffy. Gradually add confectioner's sugar, milk and molasses. Stir in vanilla and orange rind.
