Municipal Council Met Last Friday

The regular meeting of the Municipal Council was held in the Council Chambers on Friday evening last, with Reeve Walter Moffat presiding and the following council members present: Councillors Howard Fetterly, Hugh Wilson, Harold Lannin and Arthur Summers; the clerk-treasurer, Mr. C. R. Robinson, and the town foreman, Mr. Gilbert Raistrick.

Municipal orders, totalling $559.61 and Hydro orders to the sum of $1893.64 were passed and ordered to be paid.

Two tenders were received for the local Garbage Collection contract. After giving careful consideration to both, the contract was awarded to Mr. Frank Bilow at $75.00 per month. The legal firm of Cass & Cass was authorized to draw up the agreement and the work is to be done under the supervision of the Town Foreman.

In response to the invitation extended by Council for applications for the office of Assessor for the year 1949, there were several replies. After due consideration, the appointment was given to Mr. J. E. Singleton at a salary of $200.00. He will be instructed on the new system of assessing property by Mr. Lorne McIntosh, district representative of the Counties' Assessment Board.

A requisition for $3,000 from Winchester High School Board to defray regular expenses was granted by the council.

In an effort to settle some misunderstandings regarding the assessments and tax adjustments on local properties, the Reeve and Councillor Lannin were appointed a committee to interview the Municipal Board at Toronto at an early date.

The delegation will also discuss with the provincial authorities the proposed enlargement of the present town hall, which has been requested by the Winchester Post of the Canadia Legion, who are willing to donate $5,000 toward the cost of the project.

A building permit was issued to Mr. G. H. Reynolds for making alterations and improvements to his property on St. Lawrennce Street.

It was decided to install 22 new street lights, similar to ones at Morrisburg, on all poles on Main and St. Lawrence Streets that now have double lights, and extended as far south as the hospital. Mr. T. O. VanBridger was authorized to purchase the new brackets, and supervize their installation.

The reeve and Chester R. Robinson, treasurer, were authorized to reinvest the sum of $7,000, being the amount of maturing bonds of the Winchester Hydro Commission's sinking fund in other Goverment securities.

Fire Chief Gilbert Raistrick and Fireman Harold Keyes waited on the Board with a request that new fire hose be purchased and a modern fire siren be installed at the fire hall. After discussing the matter, council decided to purchase an additional 100 feet of fire hose and to make enquiries regarding the type and cost of a fire siren.

Mr. Walter MacDonald visited the Council Chambers during the meeting and informed the Board that he and his partner, Mr. Meldrum, were ready to proceed with the construction of their theatre at a cost of $35,000.00. Any consideration the Council could give them regarding taxes, etc., would be greatly appreciated, said Mr. MacDonald.

The reeve and Councillor Hugh Wilson were appointed as municipal representatives on the Board of Directors of the District Memorial Hospital.

Mr. O'Connor, operator of the Saturday evening Moving Picture Show, was granted a reduction of hall rent during the winter months, as has been the usual custom.

A report on the condition of fire wells, roads and bridges, etc., was given to council by the Town Foreman, Mr. Raistrick. In answer to a query by Councillor Lannin regarding fire protection for property south of the C. P. R. tracks, the fire chief informed him that there was a small tunnel under the tracks for the purpose of laying fire hose.

Following the meeting, the members were entertained to lunch by Mr. Harry Flora at his newly renovated lunch counter.

District Farmer Suffers Heavy Loss In Sunday Fire

A large barn and carriage shed, together with four cows, four heifers, three horses, five pigs, a number of hens and all hay and feed, were consumed by flames in a fire that broke out on the farm of Mr. Orval Coughler, about five miles south-east of Winchester, on Sunday evening.

The fire was discovered by Mr. Coughler about 10.15 p.m., when he noticed the reflection of the blaze through a window at his house. He rushed out and succeeded in releasing six of his cows from the burning barn, before he was driven out by the flames. He suffered severe burns about the hands and face as he struggled to rescue the cattle.

Neighbours hurried to Mr. Coughler's aid, forming a bucket brigade from the well. Chemical equipment from the Winchester Fire Department, under Chief Gilbert Raistrick, was brought out, and the firefighters were able to save an adjacent henhouse, containing 100 fowl, but the 40-foot square barn was burned to the ground. Damage was estimated at $5,000.

Mr. Coughler does not know what started the fire. He had not been to the barn since he finished milking at 6.30 p.m., and everything was in order at that time.

Hospital Auxiliary Held Interesting Meeting

The February meeting of the Winchester District Memorial Hospital Auxiliary with members from the following units—Russell, Inkerman, Vancamp, Melvins, Cass Bridge, Summers and Winchester was held in the Town Hall on Thursday, Feb. 3rd, at 8 o'clock. The president, Mrs. C. R. Robinson, presided. The meeting was opened by the singing of the National Anthem, with Mrs. Thomas Edgerton at the piano.

The secretary, Mrs. George Elliott, was then called upon to read the minutes of the last meeting. The minutes were very interesting and were approved.

Miss Nora Elliott, the treasurer, gave a very comprehensive report of the finances of the Auxiliary.

She reported that the dining room was now completely furnished and all the Auxiliary's obligations had been met and there was a balance on hand of $782.89. She also reported that the Auxiliary had a membership of 723.

Special gratitude is due the Russell unit of the Auxiliary for their wonderful offer to pay for the installing of a loud-speaker system in the Memorial Hospital.

The President suggested that each unit of the Auxiliary report to its key woman the number of visits members had paid to those of their own community who were patients in the Memorial Hospital. Mrs. Robinson also suggested that our Auxiliary place a Bible in each room in the Hospital.

One of the members reported that she had heard that the Gideon Society was going to furnish Bibles for the Memorial Hospital. The president instructed the secretary to write to the Gideon Society to find out if that was their intention.

The president, Mrs. Robinson, reported that the gifts on Donation Day at the Memorial Hospital had amounted to $1442.56.

Miss Marquis, the Superintendent of the Winchester District Memorial Hospital, said she would be very grateful to anyone who could spare the following dishes and silver for the Hospital—Cake plates, relish dishes, small platters, vegetable dishes, serving spoons, sugar spoons and a butter knife.

The Vancamp unit of our Auxiliary is having a party on Feb. 24th at Mountain Station. At this party the lucky ticket will be drawn to see who is the winner of the very beautiful crocheted apron now on display in the Elliott, Store, Winchester.

On the evening of March 1st, the Winchester District Memorial Hospital Board is holding its Annual Meeting in the Town Hall. The Auxiliary President, Mrs. C. R. Robinson, stressed the point that she would like every member of the Auxiliary to be present at this very important meeting.

The meeting then adjourned.

SUFFERED INJURED HAND

Mr. Earl Bowman, an employee at the plant of H. S. Lannin Limited, met with a painful accident on Monday afternoon, when his left hand came in contact with the knives on a jointing machine he was operating. The index finger was served at the first knuckle and two other fingers were badly lacerated. He was taken to the District Memorial Hospital, where his injuries were attended to by Dr. W. H. Byers. A few years ago Mr. Bowman suffered the loss of an index finger on his right hand, while making a point on a stake with an axe. He was an employee of the Fennnell Feed Co. at that time.

A Front Page Editorial

Last Autumn, hockey fans from Winchester and district strongly advocated that a Junior Hockey Club be organized in Winchester and that a team, made up of local and district players, be entered in a Junior League to play organized hockey. As was claimed, there was plenty of material to form a team, and the boys should be given a chance to play and develop their hockey ability. With the assurance that the team would be given plenty of financial and moral support, a number of young men proceeded to organize a Junior Hockey Club. A team was selected from Inkerman, Winchester and district players, with Mr. George Elliott appointed as coach. It was entered in the Russell-Dundas Junior League, with very little practice, due to lack of ice at the local arena. The team has made a good showing, in spite of the limited practice sessions. Losing only one game during the regular schedule, it ended up in first place in the league standing. The team is now engaged in the league Semi-Finals with Metcalfe.

That, in brief, is a history of the Winchester and District Junior Hockey Team, but giving that information is not he main reason for this front-page editorial.

In the first game of the semi-finals, on Monday night, only a handful of fans turnned out to watch the boys play, and most of them were from the Metcalfe district. During the regular scheduled games, the attendance was also scanty, and what we would like to know is, why there is not more support being given to the local team?

We know for a fact that there are hockey fans from Winchester who habitually attend hockey games in Ottawa, Chesterville and Kemptville every week, but who have never entered the local arena to see a game this winter. Why? There are other fans, right from this village, who only attend the Inkerman Rocket too are deserving of local patronage games—and that is fine, the Rockets—but why don't these "loyal" hockey fans come out and back the home team. The local juniors are deserving of your patronage at their games—they need it to give them encouragement—and its your duty, if you want to see the team succeed and hockey players developed in this district, to attend their games. It's true that many citizens responded to a canvass for funds to get the team started last Fall, but that is not sufficient to keep it functioninng efficiently. Small attendance at games means small gate receipts and it leaves the boys with the impression that their efforts are not being appreciated.

While the local Junior Hockey team is registered under the name of Winchester, it is just as representative of the district as it is of the village. On the line-up are six bright young players from Inkerman, six from Winchester and the balance from Vernon district. These boys are playing purely for the sport of the game. They are not paid players, as is the case with many of the other teams in the district. They go out on the ice and put their whole heart into the game. If they win, they have their reward for their best efforts. If they lose, they are satisfied that they have done their best against tougher opposition. That is the "true spirit" of good clean sport, and that has been gradually dwindling from hockey in recent years, because, rather than develop hockey players at home, team managers have, and still are, paying fabulous sums for imported players.

The Press firmly believes that the teams using the local arena as their home ice should be given first consideration by local hockey fans as far as attendance at games are concerned. Both the Inkerman Rockets and the Winchester Juniors come under this category.

The last game in the Winchester-Metcalfe series will be played on Friday evening and we would like to see a good representation of fans from Winchester, Inkerman and the surrounding district present to encourage the boys along. These teams may not play the best brand of Junior Hockey, but we'll guarantee that competition will be just as keen and the contest just as exciting as any big league game.

The main thing to keep in mind, however, is that the Winchester Juniors are now engaged in a play-off series and need your moral support. If you are a good citizen, a lover of good clean sport and a person who takes pride in the work and accomplishments of our own local boys, attend these junior games from now on. Let's pack the rink on Friday night!

Annual Night of Fun To Be Held At Arena Latter Part of Month

At a meeting of the executive of the 100 Club, held a few days ago, plans were made to hold the annual "Night of Fun" at the Arena the latter part of February. Arrangements are being made to have the Minto Skaters of Ottawa contribute to the program, and until the committee knows definitely when they can come, the exact date cannot be set, but it will be the latter part of this month. The local High School teachers are lending their co-operation and have accepted the responsibility for the presentation of all events, other than the Minto numbers.

In conjunction with the "Night of Fun," there will be a drawing for six grand prizes as follows: 1—Wm. A. Rogers Silver Tea Service; 2—Northern Electric Mantle Radio; 3—Steel Bridge Set (Table and 4 chairs); 4—Ayers Woollen Blanket; 5—Presto Pressurd Cooker; 6—Ladies' Traveling Bag. Tickets for the draw are now being sold at 25c each or 5 for $1.00.

For fuller details of this big event, watch for further announcements in the Press and posters.

CHESTERVILLE TO GET REFORESTATION PLOT

The United Counties of Dundas, Stormont and Glengarry at its recent session voted to return to the Village of Chesterville the Dundas reforestation plot located in South Chesterville.

The plot, situated adjacent to provincial highway No. 43, was a project undertaken in 1936 by the Dundas Reforestation Committee of the United Counties and contains many specimeas of evergreens.

Return of the plot to Chesterville Village, for the ultimate creation of a municipal park, was urged some months ago by the Chesterville Chamber of Commerce, which also sent a deputation to Cornwall to support Reeve Charles McMillan in his request for transfer of the property.

UNITED COUNTIES TO STUDY LARGER SCHOOL AREA

Accepting the report of the education committee, Counties' Council at its January session appointed a special committee to study all matters pertaining to formation of larger high school areas in the counties.

Named to head the committee was Major A. A. Macdonald, reeve of Alexandria. Other members are Warden McArthur, E. B. MacMillan, Winchester township deputy-reeve, and H. H. Ouderkirk, Finch village reeve.

WEDDINGS

POOLE—LOGAN

Yellow daffodils decorated St. Luke's Anglican Church, Ottawa, on Saturday afternoon last, for the wedding ceremony at which Margaret Eleanor (Peggy) Logan, daughter of Mrs. Kenneth Logan and the late Mr. Logan, became the bride of Kenneth Harold Poole, son of Mr. and Mrs. H. Poole, of Winchester. Rev. Serson Clarke officiated.

Wedding music was played by Mr. Leonard Foss, and Mr. Irwin Horsey was the soloist.

Given in marriage by her grandfather, Mr. Robert Dagg, of Kemptville, the bride was attended by Miss Eleanor Lacey, as bridesmaid.

Mr. Robert K. Poole, of Winchester, was best man for his brother, and the ushers were Messrs. John Dagg and Walter Ireland.

For her marriage, the bride wore a grey blue crepe dress, fashioned with cap sleeves, full skirt with unpressed pleats in the back

Following the ceremony, a reception was held at the home of Mrs. Leonard Cameron, Vernon. Leaving on her wedding trip, the bride wore a green wool gabardine suit with black accessories. Mr. and Mrs. Poole will reside at Renfrew.

BORN

At the District Memorial Hospital, Winchester, on Sunday, February 6th, 1949, to Mr. and Mrs. Fred Link, of Winchester Springs, a daughter—Betty Carol.

Local Juniors Lead Metcalfe In First Game of Semi-Finals

Winchester Juniors took a seven-goal lead in the first game of the Russell-Dundas Hockey Semi-Finals, when they defeated Metcalfe 9-2 at the local arena on Monday evening. In the other half of the semi-final series, Russell defeated Chesterville 2-1 in a close contest at Russell, to lead the two-game, total-goal series by one goal.

Although the score in the Winchester-Metcalfe game was a little one-sided, it did not indicate the play. The locals had to work hard for every counter, as the Metcalfe boys provided plenty of stiff opposition. The second game of this series will be played at the local arena on Friday night and an exciting contest can be assured.

The winners of this series will play off with the winners of the Russell-Chesterville series for the league championship next week.

The line-ups and referees were the same as used on Friday night.

FEED NEWS

NEW CLEANING PLANT

We have just completed our new Seed Cleaning Plant which is now fully equipped with the latest type cleaning machinery.

The main machine is a three-screen **Clipper Super Cleaner,** made by A. T. Ferrell & Co., Saginaw, Michigan. It has Adjustable Pitch Screens, new type Variable Air Regulator and Dual Air Separation by combined blast and suction. With 28 different screens this machine will handle practically any kind and size of seed from Timothy seed to Beans. All operations of the machine are under complete control and it will make the closest separations without loss of good seed.

Before reaching the Cleaner, the grain passes through a **Forano Scourer.** This machine removes small weed seeds such as mustard before the grain enters the main Cleaner. It takes the tails off Oats and the awns off Barley. It also scours and polishes the grain.

Then there is the **Carter Disc Barley Separator** for separating Oats from Barley or Barley from Oats.

Also a **Carter Disc Wheat Separator** which separates Wheat from Oats or Barley and also removes small or broken kernels from Wheat, Oats or Barley.

Cleaning Plants are licensed by the Ontario Department of Agriculture and inspected regularly. They are rated according to the type of building, the equipment and the condition in which they are kept. Our plant is set up to be well within the highest rating.

During the fall and early winter the Cleaner is busy on Timothy and Clover Seed. From now on, most of the cleaning will be Grain. With a fair amount of local grain there will probably be considerable cleaning to come in this spring. We can give a lot better service if grain is brought in early before the rush.

The regular rate for cleaning grain is 20c per 100 lbs. In order to encourage early cleaning we are making a special rate of 15 cents a hundred on lots of 1 ton or more. Clean seed to be picked up as soon as it is done. This special rate will apply for the next couple of weeks.

Everyone agrees that it pays to use clean seed. We have done our best to provide a plant that will do a good job, and with a careful and experienced operator in charge, we can offer first class cleaning service.

We will be pleased to take care of regular cleaning of grain or small seeds or to discuss any special problems of cleaning or separating.

WHY USE INFERIOR QUALITY SEED GRAIN?

Good stock breeders invariably pay particular attention to their breeding animals, and will use only the best they can afford. Is it not reasonable then that seed grain, the breeding stock from which the crop is raised, should be chosen with care and attention, says Bruce MacLaren, Dominion Experimental Station, Charlottetown, P. E. I.

Seed drill surveys to determine the actual quality of the seed grain used were conducted in P. E. Island several years ago. The results of the survey showed that a high percentage of the samples would be rejected under the Seeds Act and few were good enough to qualify for the top commercial grade. It is likely that this situation has improved in recent years, but all too many farmers still sow grain heavily infested with weed seeds, unknown as to variety, and possibly infected with smut and other seed-borne diseases. Such a practice can only result in reduced yields and inferior quality in the crop produced.

It may be argued that high grade seed of recommended varieties costs too much. Let us suppose that the difference in price is 50 cents per bushel in the case of oats. The increased cost of seed per acre would be $1.50, using a three bushel per acre seeding rate. If, by the use of high quality seed of a suitable variety, the yield per acre is increased by five bushels, this extra yield is produced at a cost of only 30 cents per bushel. In addition, the quality of the threshed grain will be much better.

Surely, then, it will prove not only good farm practice but sound economy as well to purchase the best seed available or, if home grown seed is used, to clean it carefully so that all weed seeds and small, weak kernels are removed. Regardless of whether seed is purchased or grown at home it should be treated to control smut and other seed borne diseases.

Grain crops have always held an important place in our agricultural program and will continue to do so. Inferior quality seed can never improve production and it will be in the interests of all farmers to discourage the use of such seed.

WHAT'S IN A NAME?

Often have we heard the expression "What's in a name?" Maybe it does not make a great deal of difference what name has been given to us to bear through life, but the important factor is how good we keep that name, and how clean others help us to preserve it.

Far too often has a good name been dragged through the mire, when envy, which is the malicious foe of virtue, has crept into the hearts and minds of some people.

Altogether too often rumors have been accepted as facts, without the slightest consideration of their truth, and biased opinions formed.

Perhaps there is nothing worse than a gossiping tongue spreading its venom throughout the community, caring not for the misery and suffering it may cause.

Far too often do we all stray from the Golden Rule when we might the little more readily consider the old adage:

"There is so much bad in the best of us,
And so much good in the worst of us,
That it does not behoove any of us
To talk about the rest of us."

EDITORIAL NOTES

We read of an exhibition of pocket picking (or pickpocketing) put on at a children's entertainment. Just a little light-hearted (and light-fingered) fun to keep the children off the streets? comments an exchange.

In a troubled world, Vermont agricultural officials have come up with the announcement that a housewife can save nine hours, and two and one-half miles per year per bed, if she will make up one side at a time, says the Lachute Watchman. And think of the sole-leather that would save.

Even if we do run short of wood, why should we worry about our future supply of newsprint? A chemical company in Cleveland declares it can now be made from straw at $65 a ton against the $100 charged by the newsprint mills, comments the Brockville Recorder & Times. Well, what are we waiting for, let's cash in on the saving now!

It is a known fact that liquor and gasoline are dangerous to mix if you're driving a car. Liquor and diplomacy do not mix either, and quite often over-indulgence in spirituous liquors causes the public to lose confidence in the imbiber, especially if such person is making a public appearance after partaking of a few so-called "social" drinks.

THE MIXING BOWL

BY Anne Allan HYDRO HOME ECONOMIST

Hello Homemakers! When such occasions as Valentine's Day fall on a weekday you have to consider how much time there'll be to prepare a lunch for a party after school or office hours. We suggest a buffet supper as the easiest, simplest and most informal way to entertain upon such occasions, especially when the house is small. Besides, everybody likes helping themselves from a buffet table and then wandering around until they find a place at a bridge table with a partner of their own choosing.

The food too is simple—just one hot dish, preferably something in a casserole that's easy to serve, or you may have a platter of cold cuts and then have scalloped or creamed potatoes as the hot dish. Include a bowl of crisp salad, a tray of hot rolls or biscuits, tarts and coffee for a menu that can be prepared well in advance and one which takes little time to clean up afterwards.

To keep the heart-shape theme you may make red raspberry ice cream or cake decorated with red arrows or heart-shaped cookies to serve as dessert.

For the casserole dish, it may be creamed chicken, Spanish rice with tomatoes, Eggs Thermidor or Supper Meat Pie. Choose the dish you know you can prepare best.

Cold cuts can be made up during the week-end. Jellied tongue or chopped veal with tomatoes, or baked salmon loaf.

Make the salad greens of finely shredded cabbage, grated carrot, chopped nuts and drained crushed pineapple tossed together in a bowl and place a dish of dressing and bottle of French dressing on the table.

Arrange the food on one long table with stacked plates, rows of silver and napkins in convenient order so that guests can serve themselves without confusion. Then if you have card tables or sections of your nest of tables set around the room all they have to do is meander over and sit down. Coffee can be served from the kitchen or the cups and saucers arranged at one end of the buffet table. It is a matter of convenience and service.

SPANISH RICE WITH TOMATOES

3-4 cup rice, 4 tbsps chopped onion, 2 cups canned tomatoes, 1 tsp. salt, grated (sharp) cheese, 3 tbsps. margarine, 4 tbsps. green pepper or chopped celery, 1 cup water, 1-2 cup large peanuts.

Wash rice thoroughly. Melt margarine in pan; add onion and celery; cook until tender. Add remaining ingredients, except cheese, cover and simmer about 40 minutes on "low" electric element. Serve with grated cheese. Serves 8.

EGG THERMIDOR

Hard cooked eggs, sliced bread, Thermidor sauce.

Bring a small amount of water and 1 tablespoon salt to a boil. Add eggs (1 per person) and cover. Cook on covered electric element on "off" position 12 minutes. Cool quickly. Slice bread about 1 inch thick, as many slices as eggs. Using a doughnut cutter, press into rings. Arrange these on a broad, shallow pan. Into each ring, nest a peeled egg, large end down. Pour thermidor sauce over all. Heat in electric oven at 350 degrees for 15 minutes.

Thermidor Sauce

2 small onions (chopped), 2 green peppers (or 1 cup celery, chopped); 1-2 cup margarine or butter, 1 cup of chili sauce, 1 cup catsup and 1 pint cream. Saute onion and celery in fat, add remaining ingredients. Cook 5 minutes.

SUPPER MEAT PIE

4 tbsps. chopped onion, 1 lb. ground beef, 1-2 tsp. salt, 1 tbsp. bacon dripping, 1 can tomato soup, 1-8 tsp. of pepper, pastry dough.

Cook onion in butter until soft. Add beef and cook until brown. Blend in soup, add salt and pepper, mix well. Line a nine-inch pie plate with pastry, moistening edges with cold water. Fill with meat mixture, cover with top crust, press crust together in fluted design. Bake in moderate hot electric oven of 375 degrees for 1 hour—along with scalloped potatoes. Serves about 8.

VALENTINE CAKE

1 cup sifted cake flour, 3 eggs, 1-2 tsp. salt, 1 tsp. baking powder, 1-4 cup hot strong coffee, 1 cup sugar, 3 tbsps. shortening.

Combine sifted flour with baking powder and salt and sift three times. Combine beaten eggs, sugar and beat until light and fluffy. Add shortening to hot coffee. When melted, stir mixture into beaten eggs and sugar. Fold in flour gradually. Bake in shallow greased pan for 45 minutes in preheated electric oven of 350 degrees. Invert on cake cooler and when cool remove from pan and decorate with frosting and heart-shaped candies.

BODYGUARDS NEEDED

(Port Arthur News-Chronicle)

In Windsor a cab driver was held up and robbed by two passengers. It may come to a stage where each taxi will have to go out under armed guard.

HANDY FOR GNASHING!

(Sault Ste. Marie Star)

A notable extraction was performed by thieves who made off with 25 cartons of false teeth from a Vancouver dentist's office. The teeth must have come in handy for gnashing when the nature of their haul was discovered.

EARLY PROBLEM

(Calgary Herald)

Discipline begins at home. The child who defies authority successfully at home will defy it at school, though with less success. The "problem" child was a problem long before he began to plague his teachers' lives.

NOT LIKELY!

(Brockville Recorder & Times)

Patrons of beverage rooms, we are told, may be allowed to eat while they drink. There is, however, small chance of the crackers and cheese being served without charge as they once were in the old barroom days.

"MIDDLING THROUGH"

(Woodstock Sentinel-Review)

"Canada in Middle of Road on North Atlantic Pact"—headline. It's quite a rut we're wearing in the middle of that road. It seems we're getting to be quite a middling sort of a nation—middling power, middle of the road, middling through.

HOCKEY AS IT WAS

(Stratford Beacon-Herald)

We oldsters, who can go back in memory to the earliest days of organized hockey, know its thrilling appeal, the jealous pride of teams, the loyalty of the fans—and the crowds' contempt for "roughhouse" tactics." We can recall when skilled young players worked like Trojans to "make the team," when "hockey heroes" were fashioned out of the community's brawniest and most brainiest lads.

ON BATHTUBS

(Calgary Herald)

By material standards, Russia is one of the poorest countries in the world and one of the most backward. There's no shame in that, none at all. A poor Russian, who never bathes, may be closer to the Kingdom of Heaven than a rich American who spends half his life in the tub. The shame comes when people who should, and probably do, know better, say that it is the Americans who have no tubs, and the Russians who luxuriate in them. The shame is not in the truth, but in the lie.

DEADLY GAS

(Cornwall Standard-Freeholder)

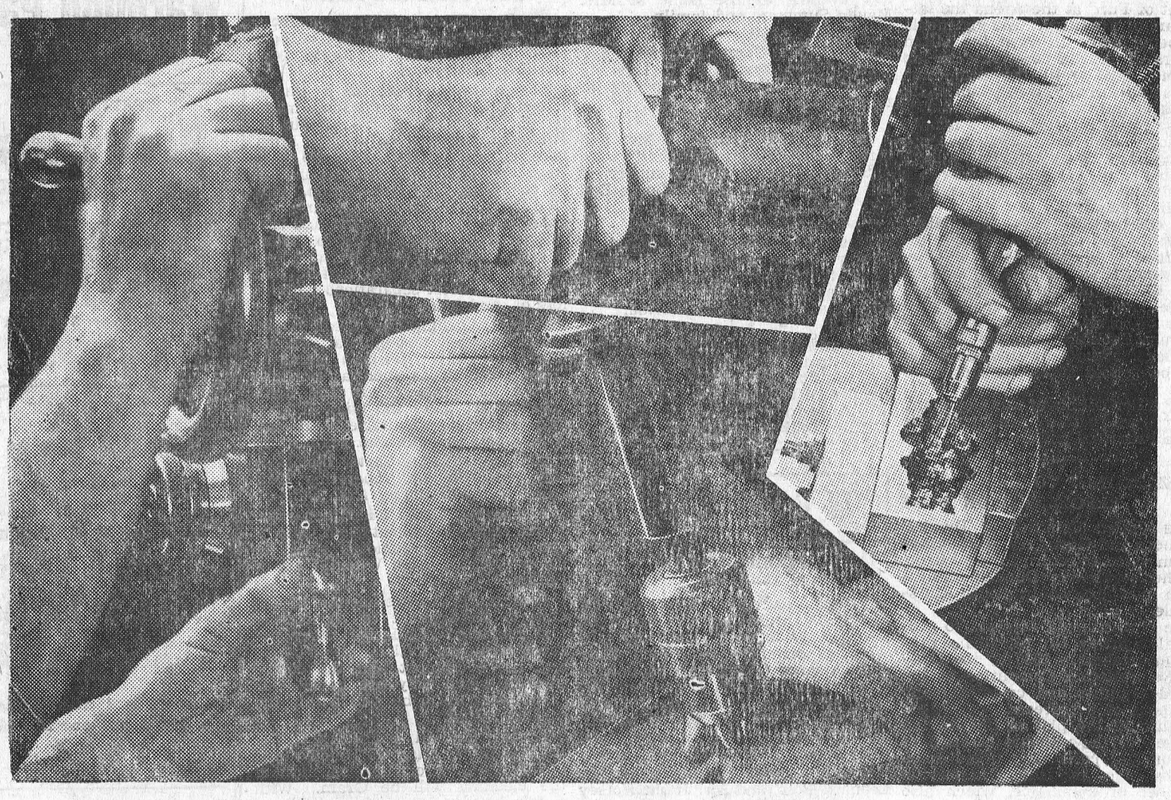
Wherever coal is used to heat dwellings there is always the danger of coal gas escaping. Faulty furnaces, stoves, pipes, etc., usually are responsible for escape of the deadly gas. In other instances the human element enters the picture. In many cases carelessness is the cause. But whatever the reason, all incidents involving the escape of coal gas could be avoided if proper care were taken. If heating equipment were inspected regularly and kept in first class working order, many of these fatal and near-fatal accidents could be prevented.

RITA AND ALY

(Cornwall Standard-Freeholder)

The morals of this generation leave a good deal to be desired, but it is some comfort to see that a great many people can be shocked by the squalid association between Rita Hayworth, of movie fame, and Aly Khan, of the Mohammedan Khans. To grace this affair with the name fact that the pair have announced of romance is unwarranted, and the their intention of marriage doesn't alter cases much.

HANDS IN TRAINING...FOR ONTARIO



Learning to Make Plastics

IN Ontario the wheels of industry turn for the benefit of every single one of us. Our lathes, dynamos, drill presses, farm combines, tractors, business machines, etc. are producing goods and services which earn dollars. These dollars provide food, clothing, medical care and other necessities which contribute to our security and high standard of living. Every single one of us, therefore, has a very personal interest in the flow of a steady supply of trained workers to industrial plants. These workers will operate machines which are important to our way of life.

We should appreciate, then, the co-operative efforts of government, industry and labour in the field of employee training. In schools and in factories our workers, young and old, are given the opportunity to develop new and specific skills in every field of business and industrial activity. For instance, as in the pictures shown here, every effort of Ontario's newly-skilled plastics workers will mean better plastic products—will help to make Ontario a finer place in which to live and work.

THE BREWING INDUSTRY (ONTARIO)

Our Way of Life Rewards Trained Hands

Ontario workers know they can earn more, have executive responsibility and enjoy a higher standard of living in direct ratio to the skills they acquire and the way they make use of them. That's always true in a free economy—that's why our competitive system will continue to make Canada great and a great place in which to live.

Farm Forum Column

FIFTH LINE FARM FORUM

The January 31st meeting of the Fifth Line Farm Forum took place at the home of Mr. and Mrs. Alex Campbell with seventeen members present. The discussion on "This Little Pig Went To Market," was based on different forms of marketing. The feeling of the forum was that the answer to marketing our produce was to have it done through our Co-Operatives.

Games and contests were held, and lunch served.

WINCHESTER WEST FARM FORUM

The first February meeting was held at the home of Mr. and Mrs. David Bruce. The topic, "Food Sales in Clothing," was discussed by 21 members. The next meeting will be held at the home of Mr. and Mrs. Roy Empey. The topic to be discussed will be: "Food Takes a Ride." After the discussion, it being Valentine's Day, there will be a hard-times play, then a pot-luck lunch will be served.

FIFTH LINE FARM FORUM

The Forum met at the home of Mr. and Mrs. Wilbert Duncan on Feb. 7th, with eighteen members present. The members divided into groups and the subject was discussed with much interest. Games and contests were conducted by the hostess and lunch served. The next meeting will be held at the home of Mr. and Mrs. Robin Campbell.

GOLDEN VALLEY FARM FORUM

Twenty members were present at the Golden Valley Farm Forum which met at the home of Mr. John Hughes to discuss "Food in Sales Clothing." This Forum believes it pays both the producer and the consumer to advertise, but the middle man receives too much for his part in it, and therefore he should do the bulk of the merchandising and advertising.

"Food Takes A Ride," will be discussed at the home of Mr. James MacAndrew on February 14th. Cards were enjoyed by all and refreshments served.

BORN

At the District Memorial Hospital, Winchester, on Thursday, February 3rd, 1949, to Mr. and Mrs. Louis Weiner (nee Sylvia Rubin), a son—Saul Auby.

CARD OF THANKS—Mr. Zerney Harper and family wish to thank the many friends and neighbours for their acts of kindness, floral tributes and messages of sympathy tendered them during their recent bereavement in the death of a beloved wife and mother. 39p

CARD OF THANKS—I would like to express my sincere thanks to all who so kindly thought of me during my illness. The cards, letters, flowers and treats were all deeply appreciated and helped so much during the three weeks I was ill at my home.—Mrs. Ralph MacPherson. 39p

CARD OF THANKS—We desire to express our sincerest thanks and appreciation for the many acts of kindness, messages of sympathy and beautiful floral offerings received in our recent sad bereavement in the loss of our beloved husband and father, Mr. James S. Park. We especially wish to thank Rev. C. Younger-Lewis, Rev. T. McNaught, Dr. J. C. Byers and R. M. Warner, Funeral Director.—The Family. 39p

IN MEMORIAM—In fond memory of a dear mother and grandmother, Mrs. Ezra Bryan, who passed away February 15th, 1948.

It is a wonderful thing, a Mother;
Other folks can love you, but only your mother understands;
She works for you, looks after you,
Loves you, forgives you anything you may do,
The only sadness she ever brings to you is when she leaves you.

—Mr. and Mrs. Harold Link and Family. 39p

IN MEMORIAM—In loving memory of Mr. James Froats, who passed away February 14th, 1947.

We cannot bring the old days back,
Your hands we cannot touch,
But we treasure happy memories
Of the one we loved so much.
We often sit and think of you
When thinking of the past,
And picture you in memory
Just as we saw you last.
There's still an ache in our hearts to-day,
That countless years won't take away,
A place in our hearts nothing can fill,
We miss you, dear Dad, and always will.

—Daughter, Annice, and Family. 39p.

IN MEMORIAM—In sad but ever loving memory of our dear sister, Emily (Mrs. Henry Whittaker), who died in February, 1947.

She is gone, but not forgotten,
And as dawns another year,
In our lonely hours of thinking
Thoughts of her are always dear.
Days of sadness still come o'er us,
Friends may think the wound is healed,
But they little know the sorrow
That lies within our hearts concealed.

—Sadly missed by sisters and brother, Bertha, Mary, Clarissa and Willie. 39p

INKERMAN ROCKETS CONTINUE WINNING STREAK

During the past week the Inkerman Rockets have played four exhibition games of hockey with district Intermediate and All-Star teams, winning all of them.

Playing the Gananoque Senior B team at the local arena last Wednesday night, the Rockets scored a 12-5 victory. Leading the scoring parade were Allan Kelly, Denzil Crodwer, Bob Lunny and Billy Lynn with two goals apiece. Gordon Hudson, Roger Hunter, Percy Armstrong and Chuck Loveless accounted for the other Rocket goals. Dorey, Fair, Campeau, Keyes and Woods counted for Gananoque.

Opposing an All-Star team from the St. Lawrence League at Morrisburg last Thursday night, the Rockets had little difficulty in chalking up a -13-3 score in their favour. Bob Lunny led Inkerman with three goals, Percy Armstrong and Marshall collected two apiece. Other snipers were Billy Lynn, McDonald, Kelly, Loveless and Crowder. Dillabough, Lynch and Patterson were All-Star marksmen.

At Chesterville on Saturday evening, the Rockets took on the Intermediate team from that village and outscored them by a score of 13-3. This game saw Lynn and Lunny rap in four and three goals, respectively. Crowder and Armstrong had two apiece and MacDonald and Marshall slapped in one apiece for the Rockets. Grenville Fyke blinked the light twice for Chesterville and Reg. Hamilton accounted for the other tally.

In an exhibition game, played at Clinton, N. Y., on Sunday afternoon, the Rockets defeated an Intermediate American team 16-2. The team made the 200-mile trip via Colonial Coach leaving Winchester at 7 a.m. Carman Marshall led the Rocket scorers in this contest with five goals.

JUNIOR PLAY-DOWN DATES SET ON SATURDAY

At a meeting of the executive and league representatives of the Ottawa District Amateur Hockey Association, held in Ottawa on Saturday, dates were set for senior, intermediate and junior playdowns.

A feature of the meeting was the setting up of a new junior series, to be known as the Memorial Cup series and taking in such clubs deemed by the Associatoin to be of Junior "A" calibre. For this year, Inkerman Rocets and the Ottawa Junior City League winners will compete in this series.

Team Too Strong

The Rockets, who have been playing in the St. Lawrence Valley Junior League, were considered too strong for their opposition and will move right into a best-of-seven series against the Ottawa league winners, starting on March 5th. The remaining teams in the St. Lawrence League will play off to determine a representative team to go on in junior playdowns for the Citizen Shield.

Inkerman, if beaten by the Ottawa city league champions, will have the right to challenge for the Shield.

As a result of this change, the junior playdowns will be longer this year and the series have been raised to best-of-five, and in some cases, best-of-seven.

Junior Play-Downs.

On February 21-23-24 the winners of the Russell-Dundas League vs. the winner of the Cornwall City League. Best of three series. First game on ice of Russell-Dundas league winners.

On February 26-28, March 1-3-4, the winners of the above series will take on the St. Lawrence League Champions, which will probably be Morrisburg, as Cornwall Bulldogs were disqualified because birth certificates of the players were not turned in on the deadline date. This will be a best of five series with the first game on St. Lawrence League ice.

OBITUARY

THE LATE MRS. ZERNEY HARPER

Stricken ill with pneumonia, while visiting at the home of her daughter, Mrs. Robert Cregmile, and Mr. Cregmile, at Cardinal, Mrs. Zerney Harper, a highly respected resident of the Winchester Springs district, passed away on Saturday, January 29th. She was in her 72nd year and was the former Miss Maude Leona Howard, daughter of the late William Howard and his wife, Margaret Morrell. She was born near Chesterville, and married Mr. Zerney Harper about 55 years ago.

The funeral was held on Monday, January 31st, from the family residence at Toyes Hill to the Wesleyan Methodist Church, Winchester, where an impressive service was conducted by the pastor, Rev. H. Kielty, assisted by Rev. E. R. James, of Cardinal, and Rev. D. Ippalato, of Glen Stewart. Congregational hymns, all favorites of the deceased, were as follows: "What a Friend We Have In Jesus," and "Rock of Ages," while Mrs. Sheldon Robinson rendered a sacred solo.

Following the service, interment was made at Maple Ridge Cemetery. The pall-bearers were: Messrs. John Wylie, Dalton Coons, Earl Johnston, Cecil Pollock, Joseph Hunter and Chas. Kirkwood.

Besides her husband, the late Mrs. Harper is sunvived by nine sons, Illion, Delbert, Arnold and Herbert, of Ogdensburg; Bert and Gerald, of Brinston; Freddie, of Ottawa; Dwain, at home, and Howard, at Toyes Hill; two daughters, Mrs. Neil McKee (Della) and Mrs. Robert Cregmile (Alva), both of Cardinal. There are also several grandchildren.

Testifying to the high esteem in which the late Mrs. Harper was held were the following floral tributes:

Pillow, Husband; Gates-Ajar, the Family; Wreaths and Sprays, the Grandchildren; Mr. and Mrs. Robert Harper, Mr. and Mrs. Ernest Harper, W. M. S. of Pentecostal Church, Mr. and Mrs. Fred Emmons, Mr. and Mrs. Jas. Barkley, Mr. and Mrs. Stacey Box, Mr. and Mrs. Wm. Box, Mrs. S. Box and Thelma, Mr. and Mrs. Abe Margolise, Toyes Hill L.O.L., Mr. and Mrs. Harvey Smith and family, Mr. and Mrs. I. N. Harper and family.

THE LATE JAS. S. PARK

Mr. James Stewart Park, highly respected resident of the Vernon district, passed away on Friday last in his 67th year. He had been in ill-health for several years. About a week prior to his death, he suffered a severe stroke from which he never recovered.

He was born at Kenmore, a son of the late John Park and his wife, Elizabeth McRostie. In 1916 he married Miss Edith McIntosh, and resided on a farm at Kenmore until two years ago, when he moved to Vernon.

The funeral service, which was largely attended, was held in the Presbyterian Church, Vernon, on Sunday afternoon, with the pastor, Rev. C. Younger Lewis, officiating, assisted by Rev. Thos. McNaught, pastor of Russell United Church. The congregational hymns were: "Nearer My God To Thee," "Peace, Perfect Peace," and "The Sands of Time Are Sinking." A solo, "Near To The Heart of God," was rendered by Mrs. Younger Lewis.

The remains were placed in the vault at Springhill Cemetery to await burial in the Spring.

The pall bearers were Messrs. Mac Bowen, George Acres, Wm. Armstrong, Elwin Hill, Wallace McCormick and Russell McNabb.

Besides his wife, the late Mr. Park leaves four sons and four daughters: Russell of Ottawa; Arnold and Stanley of Marvelville, and Earl, at home; Mrs. Fred Morrison, of City View; Misses Elsie, Inez and Isabel, of Vernon; also three brothers, Samuel and Ernest Park, of Kenmore, and Fred, of Russell, and four sisters, Mrs. Hardinge, of Madoc; Mrs. John Stearns, of Russell; Mrs. Russel Boland, of Metcalfe, and Mrs. Wm. Cooke, of Brooklyn, N. Y.

Floral offerings, which testified to the high esteem in which the deceased was held, were as follows:

Pillows—The Family; Brothers and Sisters; Sprays—Mrs. G. Anderson and family, Mr. and Mrs. Borden Preston and family, Mrs. H. McDiarmid and Mrs. J. P. Carson, Mr. and Mrs. Lorne Meldrum and family, Mr. and Mrs. Wilfred McIntosh and Mr. and Mrs. Kenneth Francis and Ronald; Cut Flowers—Mrs. John Park and family.

INKERMAN W. A.

The February meeting of the Inkerman W. A. was held at the home of Mrs. Wallace Crowder on Tuesday evening, Feb. 1st, with a good attendance, despite the condition of the roads. The president, Mrs. R. S. Brown, took charge of the devotional period in the absence of the leader, Mrs. Stanley Rennick.

After devotions, aprons were displayed, which were donated for the Bazaar. During the business period work was planned for this month. The meetings will be held in the afternoon until further notice. A social half hour was spent, after a very successful meeting.

ST. MATTHIAS' LADIES' GUILD

On Wednesday, February 2nd, the members of St. Matthias' Ladies' Guild met at the home of Mrs. Dwight Lannin with the president, Mrs. Dan Blair, presiding.

Final plans were made for the annual Tea and Bazaar, which is to be held February 24th at the town hall. Mrs. Henry Greer read a report re the play held Jan. 27th. Net proceeds amounted to $39.65.

At the close of the meeting a dainty lunch was served by the hostess, for which Mrs. L. Adams moved a vote of thanks.

SOUTH MOUNTAIN PUBLIC LIBRARY ANNUAL

The annual meeting of South Mountain Public Library was held in the Library room on Tuesday evening, February 1st, at 7.30 o'clock. The president, Mrs. Roy Graham, presided. The minutes of the previous meeting were read and approved.

Miss P. Gilroy read a detailed report of monies collected and spent during 1948. Over 80 books had been put on the shelves during the past year, while over 218 books had been discarded, where, it was advised by Toronto Library Board to hand them to Hanlan's Park where efforts are being made to organize a library there free of charge except for transportation fees.

The slate of officers for 1949 is as follows: President, Mrs. R. Graham; secretary, Miss Edna Hunter; treasurer, Miss P. Gilroy; directors, Mrs. J. Morrow, Mrs. R. Berry, Mrs. M. Murdock, Mrs. Marston Shaver, Mrs. G. Montgomery, Miss Maud Barry, Mr. Wm. Cameron and Mrs. C. Reed; Librarian, Edna Hunter.

A list of new books just put on the library shelves are:

"Peony," by P. Buck.
"Shannon's Way," by Cronin.
"No Trumpet Before Him," by N. G. White.
"The Heart of the Matter," by Greene.
"Storm and Echo," by F. Prokosch.
"Bishop's Mantle," by A. S. Turnbull.
"Tomorrow Will Be Better," by Betty Smith.
"Lucinda Brayford," by M. Boyd.
"Toward the Morning," by Hervey Allen.
"Ride With Me," with Costain.
"Behind the Curtain," with Philip Gibbs.
"Music at the Close," by E. McCourt.

Several others by G. L. Hills, F. Baldwin, etc.

. . . is a wonderful dessert

You'll make it again and again and, of course with Purity Flour. So scrumptious, such a tangy sweetness atop a feathery cake . . . and per serving so economical.

PURITY "Apple Queen" CAKE

3 tablespoons butter
¾ cup brown sugar
3 or 4 medium sized apples
5 red or green cherries
½ cup shortening
½ teaspoon vanilla extract
¾ cup granulated sugar
1 egg
½ teaspoon salt
4 teaspoons baking powder
2 cups sifted Purity Flour
1 cup milk

First—Melt butter in 7 or 8 inch square baking dish, add brown sugar and spread the mixture evenly over the bottom of the dish. Pare and core apples and cut each one in sections lengthwise. Set in rows in the butter-sugar mixture. Place a cherry in each corner and one in the middle.

Now—Cream shortening, add vanilla. Gradually add sugar and blend well together. Add well-beaten egg. Mix Purity Flour, baking powder and salt and sift together 3 or 4 times, then add alternately with the milk. Pour this batter over the apples in baking dish and bake in a moderate oven (350°F.) for 40-45 minutes. Invert to serve. Remove from the dish as soon as baked. Serve hot as is or with a sweet sauce, or serve cold with whipped cream.

Best for all your baking . . . that's Purity Flour. Women who bake and bake depend on Purity for uniform results. It's the flour that's milled from Canada's fine hard wheat and sold everywhere. 849-F-B

Chrysler-Method Remanufactured Engines are New and Different

HERE'S WHY

They're precision built to Chrysler Factory Standards. Remanufacturing plants were designed and laid out by Chrysler factory engineers and employ factory-trained mechanics.

All parts which fail to meet Chrysler engineering specifications are replaced with NEW factory-engineered parts.

All engines have NEW crankshafts—there is no regrinding. Very different from the usual "re-built" engine.

Special Chrysler production-type gauges check tolerances of new and used parts as closely as one ten-thousandth of an inch.

All engines, when remanufactured, are dynamometer-tested to the same standards as those applied to NEW Chrysler-built engines.

W. R. McMENOMY IS NAMED MASTER BREEDER BY THE HOLSTEIN ASSOCIATION

W. R. McMenomy, of Inkerman, is a fine example of what can be done through perseverance and hard work. His father died when he was nine years old and he was left to make his own start in the world. How successful he has been in his chosen field of breeding good livestock is indicated by the fact that he has just been awarded a Master Breeder Shield, the highest honor that can be bestowed by the Holstein-Friesian Association of Canada. The Shield was presented by W. P. Watson, Ontario Livestock Commissioner at the Annual Meeting of the Association held February 2nd in Toronto. Since the first such Shield was presented in 1930, only 37 Holstein herds in Canada have qualified for this coveted award. Sharing the honors with his father was Harold McMenomy, who has been an active collaborator with his father in the management and development of the herd. The prefix name for the herd is Harwil, a combination of the names of the son Harold and the father, William.

To qualify for the Master Breeder Shield, the following animals have been bred in the Harwil herd: 12 XX bulls, 13 Very Good and 26 Good Plus cows. These females all have production records at least 20 per cent. above the amount required to qualify in the Record of Performance. In addition, 2 Very Good and 17 Good Plus cows have been bred at Harwil that have not yet fulfilled the exacting Master Breeder production requirements.

With three exceptions the present herd of 35 cows are all descended from three pure bred calves purchased in 1927 from Edward Burleigh, Inkerman. The McMenomys have been fortunate in that they have had a high percentage of heifer calves. The three exceptions are a daughter of Emperor of Mount Victoria purchased at the Mount Victoria Sale, a daughter of Montvic Pathfinder 24th secured from W. J. Fraser, Streetsville, Ontario, in 1942, and a daughter of the latter by the McMenomy herdsire Montvic Rag Apple Supreme. The cow purchased from W. J. Fraseer was Illehee Montvic Peg, who was Grand Champion at the 1946 Kemptville Championship Show and received Honorable Mention as All-Canadian four-year-old.

Mr. McMenomy has consistently followed the practice of buying the best bull that he could afford and has taken advantage of all improvements in herd management methods. The herd was accredited in 1929, Record of Performance testing was started Disease was secured in 1940, Calfhood vaccination was started in 1942, in 1938, a Free Listing for Bang's and the herd has been continuously graded since 1943. The present farm consists of 300 acres, all of it under cultivation. The only other livestock is a flock of 400 white Leghorn hens.

Some of the prominent bulls used in the herd include a son of Brookholm Inka 13th, All-American Yearling Bull in 1927, a grandson of Montvic Pathfinder secured from Hopkins Bros., Ottawa, and Montvic Rap Apple Supreme, purchased from Mount Victoria Farms, Hudson Heights, Que. The latter bull has done an exceptionally good job in the McMenomy herd and is still in service there. He is a son of the noted Raymondale Ideal Successor and is from a maternal sister of the famous $21,000 Montvic Bonheur Pietje B. Supreme sired the 1st prize Senior Get at Ottawa Winter Fair in 1948, 1st Open Get at the Kemptville Championship Show in 1946 and 1st Junior Get at the Kemptville Championship Show, 1945 and Ottawa Championship Show, 1947. He is the sire of Willola Daisy Supreme who was All-Canadian Heifer Calf in 1945 and All-Canadian Junior Yearling in 1946 for W. J. Fawcett, Winchester. The daughters of Supreme are being mated to Cedar Dale Pietje Carl who is by Montvic Hiemke Pietje Posch, a son of Montvic Bonheur Pietje B. and out of Cedar Dale Man-O-War Carol who was All-Canadian and Reserve All-American three-year-old in 1942 and has been classified as Excellent in Selective Registration. Other bulls also in use are a son of the three times All-Canadian Spring Farm Lochinvar from a maternal sister of the three times All-Canadian and current All-Canadian and All-American two-year-old bull Spring Farm Sovereign Supreme, and a son of Glenafton Rag Apple Alert from one of the best daughters of Supreme.

The best producer to date in the Harwil herd is Beck Teake Hengerveld who has been on test since the start of R.O.P. work in the herd. She has a lifetime total of over 100,000 lbs. of milk and as a six-year-old made 721 lbs. fat from 20,631 lbs. milk on twice-a-day milking.

W. R. McMenomy is the President of the Mountain Township Agricultural Society and is Mountain Township representative on the Nation River Conservation Authority while son Harold is a past president of the Dundas County Holstein Club.

UNITED CHURCH W. A.

A well attended meeting of the local United Church Woman's Association was held in the S. S. Hall on February 1st at 2.30 p.m. The meeting was presided over by the president, Mrs. W. Rowat, assisted by the recording secretary, Mrs. J. K. Ault, with Mrs. E. R. Steele at the piano. The meeting opened with the theme song and Scripture reading. The theme for the devotional was "The Home and Religion," a place of love and worship. This was followed by a prayer and the Lord's Prayer in unison. A hymn, "O Happy Home," was sung.

The minutes of the last meeting were read and approved and several items of business were discussed. It was moved and seconded that there would be no canvas for any other money when the contest is over. Also that special care be taken at the meetings of the new hymn books donated by the Y. P. U. of the church. The organist of the church sent a word of appreciation to the Association for their donation. The auditor announced the books had been examined. Those present expressed their appreciation to the committee in charge of having the rest room completed and in working order. Some painting has to be done yet.

The meeting closed with the Mizpah Benediction. Social conveners for next month are Mrs. G. A. McIntosh, Mrs. E. Fennell and Mrs. C. Helmer. A vote of thanks was expressed by Mrs. C. Rice to Mrs. Wm. Lannin and Mrs. A. Christie for their entertaining and delicious lunch served.

TELEPHONE TIPS

"We all want to use the telephone after supper some nights. There is a wild scramble to gobble up dessert, and Bill and Helen make to dash to get possession of it. Sometimes their Dad has a business call he has to see to and he is annoyed when he has to wait. Grandma is lonely in the evening and she often tries, quite unsuccessfully, to speak to me. She just can't understand how a family of four can use the telephone quite as often as we do!"

In a home where there are teen age boys or girls who are going to school or starting to work, is this not a typical scene? Once "dating" age arrives communication is bound to be much in use. When a child has reached adolescence it is a bit late to try to change his "telephone habits."

A Family Council

The different members of the family should have a Family Council and come to a reasonable agreement on the length of a telephone conversation, the number of out-going calls during the "rush-hour," and taking turns in the use of the phone. Here is one place where democracy can be at work in the home in incorporating consideration and efficiency in the use of one piece of equipment which is importannt to each person in the family.

A mother of a small child should give some thought to her own example from day to day in her phone conversations. Her own courtesy will have a far greater influence on the manners of her direct teaching on "good manners."

If small Jean hears Mommy talking in a pleasant, low but distinct voice, and overhears her using "Thank you" and "Please," Jean comes to the conclusion that that is the right way to talk. But if Jean's mother is very garulous or very abrupt, almost rude in answering the phone, then again her daughter is listening and is likely to copy the way her mother is acting.

Mothers are sometimes surprised and hurt when they discover their child telling a lie. They often forget that "the little white lie" a boy or girl has heard his mother tell over the phone puts the stamp of approval of getting out of an unpleasant invitation by this means.

Tommy Smith hears mother saying, "I'm so sorry Mrs. Jones, but I just can't get to your party to-night. I have a fearful headache! If I tried to go out it would lay me up for a couple of days!" Tommy looks worried and in a little while he asks his mother, "Is your headache better, Mummy?"

Mrs. Smith gives a little laugh and says, "My head is fine, Tommy. I just can't stand that Mrs. Jones. Her parties bore me stiff."

Insincerity

It does not seem to occur to Mrs. Smith that Tommy is learning insincerity—and the use of "convenient lying" as he listens to her phone conversations.

Time is wasted and patience exhausted by the adult who gets a childish delight from ringing a friend and asking:

"Do you know who is speaking?" Then if the friend is puzzled, she adds to her discomfort by continuing to "tease." Every small child should learn to begin a phone conversation by announcing his name, "This is Bobby Green speaking."

Children should not be allowed to make themselves a nuisance by answering the phone or insisting on talking to a stranger who is in a hurry and wants to speak to the parent.

The request for new phones far outrun the supply and many families must be content with a party line who would prefer a private one. Do teach children to be polite and use the "Golden Rule" in the use of a line shared with another home.

However, a fond grandmother or aunt living in the same place can help a child become accustomed to the phone, and also to speak clearly by talking to him when the phone is not in demand by others.

Mother should show a child how to hold the phone and see that the mouth piece is the right distance—about an inch—from the lips. Children as they grow older should also have a purpose for a phone call not just "putting in time." The telephone is a responsibility, a privelege, and also an opportunity for business and social conversation.

What is your child learning from you about telephone etiquette?

How does your boy or girl "rate" in his or her "telephone manners"?

ANNOUNCEMENT

Mr. Wm. Hill, Optometrist, wishes to announce the necessity of relinquishing his Winchester practice, owing to continued ill-health.

This decision is made in the best interests of his many patients and friends in the district, who have patronized him during the past ten years of practice here. To them he highly recommends, as his successor, Mr. H. Winston Algate, Optometrist, who has been carrying on the practice for the past 8 months during Mr. Hill's absence.

Mr. Algate is a graduate of The College of Optometry of Ontario, 1940. He has all Prescription and Examination Records of patients of Mr. Hill, in order to facilitate attending to your visual requirements. He will be in attendance at A. W. Davidson's, Jeweller, as was Mr. Hill, every second and fourth Thursday of the month. 38-39c.

HALLVILLE

Mr. and Mrs. Wm. Allen spent a few days last week visiting with Mr. and Mrs. Byron Martin.

The Church St. and Kerr's Ridge Farm Forum held their meeting this week at the home of Mr. and Mrs. Maurice Hyndman.

Mr. and Mrs. Bob Mullin, of Kemptville, visited on Sunday at the home of Mr. and Mrs. Bob McConnell and Mr. and Mrs. S. Cummings.

Mr. and Mrs. Maurice Hyndman were callers at the home of Mr. and Mrs. S. Cummings on Sunday.

We are glad to report that little Dawn Blaine, who is in the Oxford Nursing Home suffering from bronchial pneumonia, is doing nicely. We hope for a quick recovery.

The February meeting of the Young Adult Group was held Friday evening, February 4th, at the home of Mrs. Stanley Coleman. Seventeen members of the group were present. Mrs. Ralph Shaw is Missions convener for the year and gave a touching description on the conditions in China. After the regular business period, Mrs. Bert Hyndman gave a fine demonstration on rug making. Lunch was served later by Mrs. Coleman.

W. M. S. Meeting

The regular meeting of the Women's Missionary Society of St. Andrew's Church, Hallville, was held in the church hall on February 3rd. The president, Mrs. Percy Cumming, presided for the devotional period and brought a short message. She also gave a few notes on the executive meeting held in Winchester on Friday.

Mrs. Holmes gave a short illustrated talk on Temperance, showing the evils depicted in the colorful advertising of beer and wine.

The treasurer reported the allocation for 1948 had been reached. Plans for a Day of Prayer were made and the date of the March meeting advanced to March 10th.

Mrs. J. A. Hyndman then took charge of the meeting, reading Mrs. Lovely's Message on Home Missions. The chapter of the Study Book was very ably presented by Mrs. Wm. Coleman and Mrs. H. B. Campbell in dialogue form and proved most interesting. Sentence prayers were offered by different members and the Mizpah Benediction brought the meeting to a close.

PLEASANT VALLEY

Mr. and Mrs. John Bailey and Miss Kathleen were guests of Mrs. Mary Gilmer and Mr. and Mrs. Hilliard Gilmer and family over the week-end.

Mrs. Kenneth Hunter spent one day this week at the home of Mr. and Mrs. Jas. Gilmer and Mr. and Mrs. Percy Gilmer.

The Y. P. S. enjoyed a crokinole party in the hall on Friday evening. Prizes were won by Mrs. Earl Gilmer, Gordon Corker, Clara McShane, Ruby Hunter and Lloyd Grant. Lunch was served by the committee.

Miss Muriel Cowan, of Prescott, spent the week-end at her home.

Mr. and Mrs. John Bailey and Miss Kathleen Bailey were Thursday evening visitors of Mr. and Mrs. David F. Gilmer and family.

Mrs. Mary Gilmer is spending some time with Mr. and Mrs. Jas. Beach, of Prescott.

Mr. and Mrs. Ivan Crowder were into Ottawa this week. Mrs. Crowder has been taking X-rays and we are glad to report she is feeling better.

Miss Nellie McShane, of Ottawa, spent the week-end at her home.

The Y. P. S. are hold a Valentine party in the Hall on Friday evening.

Mrs. David F. Gilmer spent Thursday with her mother, Mrs. Hannah K. Jeffery and Ross, South Mountain.

Mr. Ronald Gilmer and pilot, of Ottawa Airport, called on the former's father, Mr. Thos. Gilmer. This is several times Ronald has come home by plane.

Mr. and Mrs. John Bailey and Miss Kathleen and Mr. and Mrs. David C. Gilmer were Wednesday evening guests of Mr. and Mrs. Isaac McShane and family.

LOCAL AND GENERAL

Birthday Party.

Mrs. Stafford Price entertained a number of playmates on Monday afternoon at a birthday party in honour of her daughter, Judith Ann, who was observing her third birthday on that day.

Returning Officers Listed.

The annual list of returning officers published by the Chief Electoral Officer at Ottawa gives the following officials for Federal ridings in this district: Grenville-Dundas, Daniel Joseph Laughway, Prescott; Lanark, Robert Lewis Sommerville, Lanark; Leeds, Clarence W. Earle, Brockville.

Kenmore Resident Dies.

Miss Jessie Helen Campbell, of Kenmore, passed away at Brockville on Friday in her 74th year, after being in ill health for the past year. She was a daughter of the late Mr. and Mrs. Archibald Campbell, of Osgoode. The remains were conveyed to Russell, where the funeral was held on Monday afternoon.

Opens New Drug Store.

According to a news story in the Port Arthur News-Chronicle, Mr. Alex MacDonald, son of Mr. and Mrs. Peter A. MacDonald, of town, has opened up a new Drug Business in a modern building he had erected recently in Port Arthur. The building, of cement block construction, is one storey and measures 24x50 feet. The new store will have a staff of three including Mr. MacDonald's brother, Gordon, who will handle all dispensary.

Cards From Florida.

Within the past few days The Press has received cards from local residents visiting in sunny Florida. One from Mr. Gordon Baldwin reminds us to be sure and forward his Press to him, while in another card, Les. Dixon asks how the rink is coming on. Mrs. Jennie Akins (formerly Mrs. Boyce) reminds us that Gord. Baldwin bought his oranges too soon. She says she can buy them now at 75c per bushel. The temperature on Jan. 27th was 82 degrees and Mrs. Akins says she just loves it there. We also had word from Mr. W. R. McMenomy, who is very much interested in the Florida Gladioli.

Sunday In The Churches

By Rev. N. J. Thomas, B. Th., Church Editor

SUNDAY, FEBRUARY 13th, 1949.

Instead of asking yourself whether you believe or not, ask yourself whether you have this day done one thing because He said, DO IT, or once abstained because He said, DO NOT DO IT. It is simply absurd to say you believe, or even want to believe, in Him, if you do not do anything He tells you.

ST. PAUL'S LADIES' AID SOCIETY

The February meeting of the Society was held at the home of Mrs. Alex Summers on Thursday afternoon last. Mrs. Stewart Anderson presided for the worship service. Minutes of previous meeting were read by Miss M. Knowland. Miss M. Empey, cor. sec'y., gave her report on Hymn Books. It was moved by Mrs. Moffat, seconded by Miss Empey, that new books be purchased for the choir from Mr. Duncan. The treasurer's report was given by Miss Emma Gardner.

Mrs. Anderson and Mrs. Summers were appoinnted a visiting committee for this month. Roll was called, with twenty-two members responding. The Society is pleased to welcome some new members. The offering was then taken.

The press reporter was asked to write a Thank You letter to Mr. Workman thanking him for his kindness in reporting the meetings.

It was decided to have the regular Fall Bazaar this year and committees were appointed for same. The meeting closed with all repeating the Mizpah Benediction, after which delicious candy was served by Mrs. Summers.
