Buying Brisk At Second Holstein Sale

The second Eastern Ontario Holstein Consignment Sale held at Holmes' Livestock Exchange, Winchester, last Thursday night was a very successful sale. More than 250 people were on hand to support Irwin Holmes, sales manager, Basil Dawley, on pedigrees, and Mahlon Zeron, auctioner, in selling some 60 head of choice pure bred Holstein cattle.

High price of the sale was $530 paid by Paul E. Lobe, of Oley, Penn., to Hugh Blaine, of Mountain, for an Ottawa Dijax Dude daughter due in September. $455 was reached twice: a five-year-old consigned by W. J. Jelly and Son, of Jellyby, brought $455 from Harry Rubin and Son, of Cobbleskill, N. Y., who purchased three other animals for a total of $1460. A bred two-year-old heifer consigned by Angus Smith brought $455 on the bid of Mahlon Zeron, Iroquois. Orville A. Smail sold a 7-year-old cow to Robert J. McFarlane, Napanee, for $450.

Eight head sold for $400 and over at this sale, with 15 head going to New York and Pennsylvania States, and three to Western Ontario. W. C. MacDonald, Winchester sold a cow for $445 to Ralph Fawcett, Winchester, and a bred heifer for $370 to Sol. M. and Sol H. Gunzenhouser, Cortland, N. Y.

The mature cows averaged $363, which was $12 over the first Sale, and the bred heifers averaged $330, an increase of $9.00 over the previous sale.

Other consignors, price, and purchasers of cattle over $335.00 were as follows:

S. W. Rathwell, Navan, $400, to Don Arbuthnot, Russell; John S. Thompson, Brinston, $400, to S. M. and S. H. Gunzenhouser; Arthur E. Milne, Mountain, $375, to Harry Rubin and Son; Robt. Holmes, Winchester, $370, to Charles C. Myers, Lancaster, Penn.; Geo. S. Cooper, Brinston, $350, to Angus Smith, Chesterville.

Roy Shaver, Finch, $350, to Mahlon Zeron, Iroquois; John Thompson, Brinston, $345, to S. M. and S. H. Gunzenhouser; Albert E. Smith and Son, Chesterville, $340, to Gerard Snick, Lancaster; R. A. and R. G. Suffel, Inkerman, $335, to John R. Platt, Genoa, N. Y.

Eastern Ontario Holsteins, of Winchester sold seven head: $410 and $335, to John R. Platt; $405, to Gerard Snick; $370, to Ken. Marsden, West Sutton; $350, to Connie Pemberton, Winchester; $340, to Eldon Quaile, Ottawa, R. R. 4; $335, to S. M. and S. H. Gunzenhouser.

DISTRICT FAIRS START NEXT WEEK

Ready For School Opening

School boards, teachers, parents and students are not the only people who must make preparations for the new school term each year. Playing an increasingly important role in the lives of students is the school bus and driver looking after transportation to and from school for district students. For Winchester High School W. J. L. Boyd and Sons Ltd. look after most of the transportation needs. This year four modern busses, two of them brand new, will be ready to go with opening day on Tuesday, September 5th. The row of busses shown in above picture represents a cost in the neighbourhood of $30,000 to the Boyd firm, so it is needless to add that school transportation is big business to-day. The Boyd busses are special vehicles designed for transporting students. Modern in every respect, the four busses will accommodate 190 students, and Boyds expect to draw nearly that many this year when an all-time record number of students will attend Winchester High School. J. Edwin Boyd is shown standing in front of one of the new busses in above picture.—*Press Staff Photo.*

Record Crowds Expected At All Exhibitions

The bandwagon of District Fall Fairs gets under way next week with Chesterville and Mountain Township Agricultural Societies starting things off with two fine fairs.

At Chesterville activities get underway on Tuesday and continue through Wednesday, while at South Mountain, home of the "Friendly Fair," events are scheduled to start on Friday and wind up in a gala affair on Saturday.

Both fairs expect more entries than ever and crowds are expected to break records if the weatherman co-operates. At Chesterville one of the features will be the Black and White Day, and special emphasis this year will be given the Eastern Ontario Guernsey Club Regional Show.

All the latest in farm machinery will be on display in addition to horse races with parimutuel betting facilities available.

Chesterville Fair winds up with a big dance on Wednesday night in the Community Centre Hall.

At South Mountain the two-day fair starting next Friday looks like it will be one of the best ever sponsored by the Mountain Agricultural Society. Exhibitors are numerous and entries in the many classes will very likely be a record. Horse and cattle shows will be a feature in addition to 4-H work, educational exhibits and a special department for fruits and vegetables, etc.

Horse racing will also be a feature at South Mountain Fair and on Saturday night a dance is plannerd to wind up activities. At both Chesterville and South Mountain attractive midways, games and concessions will be in operation.

Other district fairs are Russell on September 15 and 16, and Metcalfe's three-day Fair on October 5, 6 and 7.

Raymond Smith Transferred To Renfrew

Raymond S. Smith, assistant Agricultural Representative in Dundas and Stormont Counties, has been transferred to Renfrew County. He has served in Dundas and Stormont counties for the past 2½ years.

While here Ray has been very active in the Junior Agricultural work in both counties and is well known to all 4-H Club and Junior Farmer members.

During his stay in Dundas, he has worked with young farm people in organizing Junior Farmer activities for the County, an organization which had not been active in the County for a period of 10 years.

Ray graduated from Macdonald College in 1958 and spent one year as assistant Agricultural Representative in York County before coming to Stormont and Dundas.

In Renfrew he will replace Wm. Hermans who has been transferred to Frontenac County.

Ontario P. C. Convention Set For Oct. 23-24-25

Ontario Progressive Conservatives will choose a new leader to succeed Premier Leslie M. Frost at a convention to be held in Varsity Arena, Toronto, on October 23, 24 and 25.

Date and place for the convention were unanimously selected at a special meeting of Ontario PC delegates held at the King Edward Hotel, Toronto, last Thursday. Representing Grenville-Dundas at this special meeting were: Morrisburg Reeve Gordon W. Thom, president of the Grenville-Dundas Progressive Conservative Association; G. William Gorrell, of Morrisburg; Lee McKnight, of Prescott; Stan Price, of South Gower, and Reg. Workman of Winchester, president of Grenville-Dundas Young Progressive Conservatives, who was one of the delegates from Eastern Ontario YPC's.

Expectations are that the Convention in October will be the biggest political "do" ever held in the province, and organizers expect a crowd of more than 5,000 people from across the province.

Grenville-Dundas will have at least 14 delegates at the convention, it has been announced. They will be chosen within the next two weeks, it is expected.

Although Hon. Fred M. Cass, MLA for Grenville-Dundas and Ontario Minister of Highways, has not made any official announcement, it is generally conceded that he is one of the "favourites" to succeed Mr. Frost as leader of the Ontario Progressive Conservative Party. Others mentioned for the post include Hon. R. W. Macaulay, Hon. M. B. Dymond, Hon. John Robarts, Hon. Kelso Roberts and Hon. James Allan.

Mr. Cass, at press time, had not made any official announcement but intimated that if he should officially become a candidate for the leadership an announcement would very likely be made within the next week.

Since becoming a member of the Legislative Assembly in 1955 Fred Cass had gained much popularity for his keen administrative ability. In this time he has also served for three years the important post of Ontario Minister of Highways. He is well known throughout the province and it is generally felt that the contest will go to Macaulay, Cass or Robarts.

Grenville-Dundas Young Progressive Conservatives were expected to name at least three delegates to the Ontario convention this week.

A SPECIAL REPORT

Best Grade 13 Results Morrisburg and M.D.H.S.

New equipment, modern buildings and educational frills offer an advantage but do not necessarily mean better education for students, an analysis of district Grade 13 reports shows. The analysis of Grade 13 results in the area has been made by noted Morrisburg lawyer G. William Gorrell and the publishers of The Winchester Press.

Grade 13 results published last week in all district newspapers pointed out that of 8 district schools the largest and most modern facilities of South Grenville District at Prescott had little effect on actual results. At Prescott the average number of subjects passed per student was 5.9, with nine per cent. of the subjects passed receiving first class honours. Compare this to Mountain District, smallest in the area with fewer facilities which had a record of 5.5 subjects passed per pupil and 21 per cent. first class honours in the subjects passed—12 per cent. more than the larger school at Prescott.

This does not necessarily mean that modern school accommodation is not needed. It does sustain, however, the fact that high calibre teachers, student and parent interests are the key factors in achieving good marks.

M.D.H.S. SHOWS WELL

In this district Morrisburg High School came up with the best record. The Morrisburg school had an average pass of 5.7 subjects per pupil and a high 25 per cent. first class honours in those subjects. Morrisburg also had the best attendance record in Ontario last year with a 97.6 per cent. average.

Running a close second to Morrisburg was the smaller but equally industrious school of Mountain District which had a 5.5 average for subjects passed with a better than 21 per cent. of subjects passed receiving first class honours.

Iroquois followed with 5.6 subjects passed per student and a first class honour percentage of 19. Winchester High School was in fourth place with 5.2 subjects passed per student and a 15 per cent. honour rating.

Other schools on which this analysis was based reported as follows:

South Grenville	5.9	9%
Finch	5.9	9%
Kemptville	3.8	8%
Chesterville	3.9	2%

The report does not show the percentage of failures as complete figures were not available in this department. One school had only one first class honour rating on one subject.

HIGH INDIVIDUALS

In individual standings Ann Edwards of Morrisburg led the field with nine firsts in nine subjects. The amazing Marie Hoy of Mountain District, who has achieved so much fame as a Canadian track star, chalked up seven firsts and three seconds in ten papers. She also collected a mark of 96 per cent. on the History paper.

At Iroquois Lorraine Robertson collected six firsts, one second and one third, while another Mountain District student, Gloria Blaine, received five firsts, one second, one third and two credits in nine papers.

Highest standing for a Winchester High student went to Mary Link who received five firsts, two thirds and one second in eight papers. It is understood that Mary will receive a scholarship for this achievement and although The Press has not received official word, it is reasonable to assume that both Marie Hoy and Ann Edwards will receive scholarships for their efforts.

As Mr. Gorrell points out in his report, "school boards might well bear in mind that buildings and equipment, while important in themselves, always take second place to the quality and calibre of the teaching staff. The present high standard of performance obtained at Morrisburg and Mountain District should be maintained and other schools must continue their efforts to produce even better results."

Ernest R. Steele Dies Suddenly In Hospital

A well known Winchester resident, Ernest Rupert Steele, died suddenly in Winchester District Memorial Hospital last Thursday. He was in his 71st year.

Although Mr. Steele had been in failing health for the last two years his death, nevertheless, came unexpectedly. He had entered the hospital for an operation and suffered a fatal heart seizure.

Born at Vankleek Hill, he was a son of the late William J. Steele and Agnes McKane. He came to Winchester in 1901 and for many years he operated a milk delivery route in the village, operating a dairy at his farm at the west side of Winchester. Down through the years he was also a noted dairy farmer and only last year had retired from active farming. He was a member of Winchester United Church and in earlier years he had been a member of the I.O.O.F. Lodge.

He was married to the former Ida Annable, who survives. Also surviving are a son, Eric; one grandson, Garth; three sisters, Mrs. Karl Helmer (Nettie), of Winchester; Mrs. Fred Parker (Bertha), of Toronto, and Mrs. Fred Barlow (Mame), of Morrisburg.

Final tribute was paid his memory at the funeral service conducted by Rev. D. L. Gordon at Vice and Craig Funeral Home last Saturday afternoon. Interment was made in Maple Ridge Cemetery.

The pallbearers were Charles Walker, Basil Dawley, Melvin Dawley, Fred Christie, Hugh Edgerton and Hugh Wilson.

Roads Resurfacing Gets Contract

Roads Resurfacing Company Ltd. and Queensway Tank Lines, Chesterville, were low bidders with a tender for $490,250 for grading, granular base and hot mix paving of 6.6 miles from Summerstown County Road to Lancaster on Highway 2.

Ontario Highways Minister Fred Cass also said the contract includes the Raisin River bridge.

Wins Subscription Drive Contest

In a recent "subscription drive" contest sponsored by the Ottawa Citizen, Dean Cross, son of Mr. and Mrs. Charles Cross, Winchester, was classed in the group of lucky winners, and was a guest of The Citizen on Monday at the Ottawa Exhibition. He was among sixty other district boys who were feted by the Ottawa paper.

Family Reunions

Holmes

A record 232 persons attended the 13th Annual Reunion of the Holmes' family which was held at Farran's Park. A ball game and sports were enjoyed by young and old.

A short business meeting was held with President Mrs. Laurie Summers presiding, and Secretary Treasurer Keith Holmes assisting. 11 births, 5 marriages and one death were reported for the past year by the secretary.

The oldest couple attending were Mr. and Mrs. Oscar Holmes of Inkerman, and the youngest member was Sylvia Summers, two months old daughter of Mr. and Mrs. Laurie Summers of Montreal.

The new president elected for the coming year was Woodrow Holmes of Winchester.

Shaver

The annual picnic of the descendants of the late Mr. and Mrs. Hiriam Shaver was held at Wilson's Grove on the banks of the Rideau River. Fifty-three members were present and seven families represented.

A turkey dinner was enjoyed by all, after which games and contests were enjoyed by the young at heart.

A business session conducted by the president, Dawson Levere, was held, and a new slate of officers was elected for 1962:

President, Donald Shaver; sports committee, Richard Gilmer, Oscar Levere and Rodney Gilmer. The secretary, Mrs. Gordon Cumming, was re-appointed for another year.

Dukelow-Peters

The Dukelow-Peters Reunion was held recently at the home of Mr. and Mrs. Andrew Lawrence, Spencerville, with 74 in attendance.

After luncheon, the president, Chas. Poland, of N. Brookfield, U.S.A., expressed appreciation to the host and hostess for their hospitality.

As one member, Janie Beamish, had passed away during the year, a memorial service was held. Mrs. Harry Bennett placed flowers beside an open Bible in memory of the deceased. A moment of silent prayer followed and Mr. Peters closed with prayer.

The secretary, Mrs. Arnold Casselman, read the minutes of last year's meeting at Kemptville Agricultural School. Correspondence was read from Rev. Leslie Daley, Grandview, Man., and the treasurer, Harlo Dukelow, reported.

Mrs. Roy Holmes announced the births and marriages during the year as follows: three births, Dawn Sherry Gilmer, daughter of Mr. and Mrs. Carl Gilmer, Kingston; Diana Lynn Chaffin, daughter of Mr. and Mrs. Wm. Chaffin, Detroit; David Scott Corney, son of Mr. and Mrs. Wesley Corney, New Jersey.

There were three marriages: Lois Dukelow and Luke McCabe, Ralph Dukelow and Anita Gill, Lloyd Bailey and Ann Dugdale.

It was decided to hold the 1962 gathering on the first Sunday in August. Get-well cards were signed to be sent to Mrs. Alf. Raycroft, Stanford, Conn.; Mrs. Wilda Locke, Brinston, and George Peters, Toronto.

Harold Simpson expressed gratitude for the get-well wishes sent to him while in hospital in 1960 during the previous reunion, and Rev. Lawrence Turner spoke of the privilege of attending.

The list of officers for 1962 is as follows: President, Mrs. Harold Simpson, Smiths Falls; vice president, Mrs. Bertha Lawrence, Spencerville; secretary, Mrs. Arnold Casselman, Winchester Springs; treasurer, Harlow Dukelow, Spencerville; program committee, Mr. and Mrs. Frank Bailey, Winchester, and Mr. and Mrs. Wm. Horner, Brinston.

Mrs. Andrew Lawrence made presentations to the longest married couple, Mr. and Mrs. Harry Bennett, Prescott, and to the most recently married couple, Mr. and Mrs. Lloyd Bailey, Winchester. Thanks was expressed by Mrs. Bertha Lawrence to the past president, Chas. Poland.

Harlow Dukelow played several selections on the accordian and all enjoyed a happy hour of renewing friendships.

Marshall

A family reunion of the descendants of George Marshall Sr. and his wife Susanna James, Irish pioneer settlers who came to Cumberland Township, Russell County in 1847, was held on Sunday, August 6th in Vincent Massey Park, Hog's Back, Ottawa.

The connection now comprises one hundred and fifteen families ad six hundred and twenty-five descendants, scattered over Canada and the United States.

One hundred and twenty-five people sat down to lunch and enjoyed a picnic and sports during the afternoon. Relatives were present from all parts of Ontario, and a cousin, Mrs. L. Mitchell and her daughter, Mrs. Jeffries came from Fiske, Sask. for the event.

Oldest member present was Mrs. Ella Goodfellow, eighty-

New Masonic Hall

New Masonic Hall, belonging to Henderson Lodge, No. 383, A. F. and A. M., Winchester, is now nearing completion. Actually, the exterior of the building has been finished for some time and over the past few months work on the interior has gradually progressed. Much of the interior decorating and actual finishing has been carried out by industrious members of the lodge. Of cement insul block construction, the building is a split level affair. It measures approximately 70 feet in length and about 35 feet in width. The interior of the building is divided into a spacious lodge room, ante room and lounge upstairs. Downstairs there is a sizeable auditorium, kitchen, furnace roomand wash rooms. When completed the new Masonic lodge will be one of the most attractive buildings in the village. Financing the construction has been left in the hands of a special committee, and funds are being provided by members of the lodge. Cost of the building will run more than $20,000.00.

Farm Accidents Increase

Dundas County Farm Safety Council continues to promote safety and, indeed, nothing more important to farm people could be promoted at this time of year. According to official statistics, more farm accidents happen in July and August than at any other time of the year, and most of these accidents throughout the year will be with young people, generally under 21.

There are a variety of causes for farm accidents. With more automatic machines coming into use each day the possibilities of farm accidents continue to increase rapidly —unless more care is used.

Based on recent authentic surveys, there is no doubt that farm people ought to take extra care while they go busily about their work during the summer, and particularly during the harvest time when machines and men are working overtime. And what is probably more important, they should see to it that the young people are forcefully reminded that the price of carelessness is often painfully high. The way to do this is to set a good example. Don't be careless.

It isn't just the people involved in farm accidents who suffer. Too often we hear of a farm accident that results in hardship and privation for a young widow and her younger children. And if it were not for the generosity and willingness of neighbours to pitch in and help, many is the farm that would go unattended throughout the summer because of an injury to a farmer who was just a little bit careless.

The disturbing fact, that despite safety councils and continued publication of safety rules, farm accidents are increasing, while the farm population of Canada is actually declining. All of us have a duty to see that this needless waste of manpower and time in our country's most vital industry is stopped. Farm people, first of all, must now realize that too many accidents are taking place "down on the farm" and that the cause of these accidents is related directly to the farmer, his family and his helpers.

Farm families, farm communities and farm organizations must work together continuously to make farming safer. If a move such as this does not occur more accidents and more fatalities will take place on the farm.

Hay Fever Time!

About 100,000 people in Eastern Canada will suffer from hay fever this summer. According to the Field Crops Branch, Ontario Department of Agriculture, ragweed is the culprit responsible for much of this suffering. In general, hay fever in Ontario is caused by tree pollens in April and May, grass pollens in June and July, and ragweed pollen in late summer.

Ragweed is an annual, with a much branched and slightly hairy stem, which grows from one to three feet high. The leaves are finely divided, giving a ragged appearance to the plant. The flowers are yellowish, on long, slender spikes at the ends of the branches. A single plant may produce 5,000 seeds.

Mowing is not very effective in ragweed control because seeds are produced down on the plant where they are often missed by the mower. After harvest cultivation on stubble land is effective if the cultivations are repeated at intervals until later fall. Row crops help control ragweed if preceded by thorough fall and spring cultivation.

Ragweed may be controlled in the early rapid growth stage by five ounces of 2-4-D amine acid per acre. However, new plants spring up throughout the entire season, so several applications may be necessary to prevent all plants from seeding. For further information on spraying, follow the manufacturer's directions and refer to Ontario Department of Agriculture Publication No. 75—"1961 Chemical Weed Control Guide," available from the County Agricultural Representative.

Fortunately for the many victims of hay fever, ragweed is not prevalent in most parts of northern Ontario. Hay fever sufferers would be well advised to take their holidays in this area during the ragweed season. For further information refer to "Havens From Hay Fever," published by the Canada Department of Agriculture, Ottawa.

Let's "Crack Down"

Fewer accidents, but more fatalities. That's the story of traffic accidents in Ontario thus far this year. But both accidents and highway fatalities can be reduced with the use of common sense by motorists, more consistent driver education and a general "crack down" by Ontario provincial police.

By "crack down" we do not mean sending a crew of officers out on a busy highway and setting up a radar trap. We have offered our views on this gestapo-method before. Better that the officers be given patrol cars and instructed to use them in an effort to help reduce accidents and provide better control of busy traffic.

Proof that this can be done was produced in this area on the Civic holiday weekend when provincial police were out in record numbers working round-the-clock, charging, not warning speeders, patrolling the roads, not sitting in radar cars waiting for the victim. The result on this particular week-end was that accidents in the area were almost nil and there were no fatalities. Quite a record for a busy mid-summer holiday weekend.

Attorney-General Kelso Roberts is reported as considering adding to provincial police enlistment. There is no doubt that an increase in the force with more patrolling cruisers could mean a reduction in the number of highway infractions—and the people of Ontario would certainly support such a program.

We are convinced, along with many other newspaper editors, that nothing induces better driving than the sight of an OPP black and white patrol car on the highway. In short, the more patrol cars on our roads, the better.

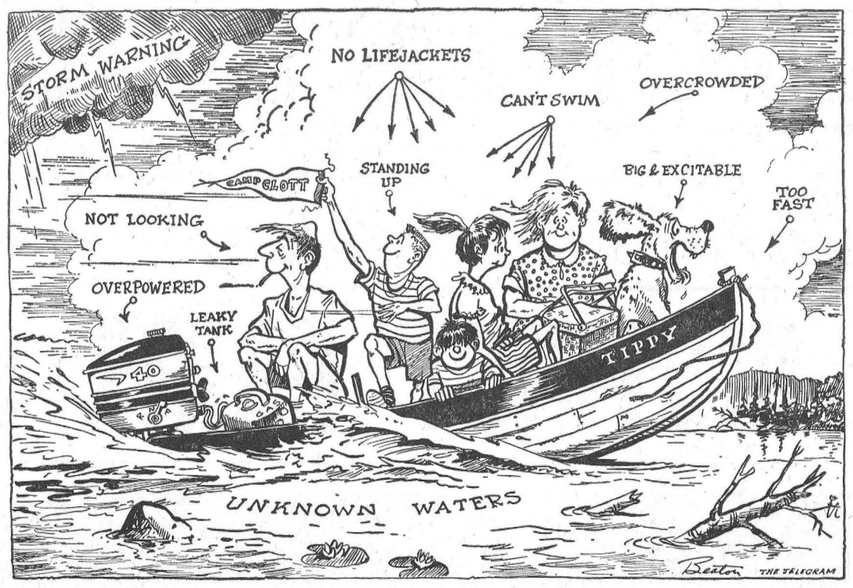
It is perhaps past the time that residents of the province tolerated the degree of carelessness and bad habits that exist among drivers—and the delinquent drivers are not all in the young category. For instance, there is no really widespread conviction that drunken driving is a sin—if there was, most of us would not sit behind the wheel of a car after a couple of drinks, but all too many of us do, taking a chance with our own life and the lives of others.

This is only one example where we can "crack down." We can also make more changes when we apply more strict qualifications for gaining a driving licence in the first place, or when we go to have it renewed; we can do more advertising of traffic rules and regulations in all media; we can introduce regulations governing the fitness of all vehicles on our roads—and enforce these laws; our provincial police can be instructed to get tougher by carrying out the law to the letter; our courts can change the pattern by seeing to it that a driver, and this applies to the younger set of car jockeys in particular, convicted of an offence be given a severe fine or even lose his license for a period on first offence; and, perhaps, in our law where court appearances of this kind are concerned it would be wise to rid the book of loopholes and technicalities which so called "smart" lawyers use to get off some young punk who should be thrown in jail to cool off.

Well, we say let's get on with the job. Let's stop saying we are going to "crack down" and prove it with more action. Lives will be saved.

Editorial Note

A note to teenagers giving some thought to the possibility of not returning to school this September. Sound advice from those who know is to "go back if it humanly possible." The job you have now or the one you may get is not worth much so far as advancement is concerned if you do not have the necessary education. For your own sake and the betterment of the community and country where you reside, return to school; further your education. It may look like a long way now but it does not take long, once you have left school too early, to regret the move. More education, skilled training is a sure-fire way to get a better job and make your future more secure.



LIVING DANGEROUSLY

Of Many Things

BY AMBROSE HILLS

I LOVE AIRLINE STEWARDESSES

Girls who get turned down when they apply for jobs with CPA or TCA as air stewardesses speak of having been given their "ugly papers." There is an idea abroad that a broad must be broad and also curvy to land these cherished jobs.

I am now an expert on the subject. I don't travel by air to often, but I have made a special point of studying the airline hostess situation. (I had an aisle seat last trip, and I recommend that location to any gent planning similar research).

I grant you there are no ugly stewardesses, but they are not raving beauties, either. I have known a few real peaches who were turned down; I have known some medium-attractive girls who were hired.

The point I am trying to get to is that I have never yet run across an airline hostess who wasn't bright, friendly, courteous, capable. It seems to me that whoever handles personnel selection for Canada's two great airlines ought to get a medal. They do a superb job. It would be interesting to know how they manage to select so many fine, even-tempered girls, who are so completely impartial in the manner in which they serve passengers.

It doesn't matter whether you are a homely old coot or an attractive young bachelor type—the girls treat you as if you were Lothario himself. Women travelling with a couple of youngsters find that the air hostesses are ministering angels. All this courtesy is provided without benefit of tips—and the fact that there is no tipping may even have a good deal to do with the consistent quality of the service.

In short, I love airline stewardesses. I don't mind them being quite good looking, but I don't think looks have much to do with their popularity. It is more a question of attitude and character and courtesy. I confess that I am a rather attractive male, in spite of thinning hair, receding chin, a rather prominent Adam's apple, and a few other minor flaws, but I get no speical treatment. Everybody gets the same deal —warmth, courtesy, attention, helpfulness.

I'd better stop now. I am starting to get really excited about this subject, and my wife always reads this column. So I think I'll just wind up by saying that my wife would certainly make a fine airline stewardess!

SUGAR and SPICE

By Bill Smiley

My, but the city has become a wild wicked place, since I lived there as a student, twenty odd years ago. In those days, it was considered a lost week end if you hadn't a few beers in the King Cole Room. Once in awhile, we had a Dionysian revel in the men's residence, when we were allawed to have girls in, on a Sunday afternoon, and give them cocoa and raisin bread, in the common room.

* * * *

But those days of innocence and virtue have vanished. Don't talk to me about the stews of Alexandria, the bordellos of the Left Bank in Paris or the French Quarter of New Orleans. Your words would fall on the indifferent ears of a man who has just emerged from a week-end of unbelievable debauchery in The City. Canadians need no longer hang their heads in shame when the talk turns to depravity.

We're loaded.

* * * *

I know I shouldn't have done it. It's going to be hard to face my wife and children. But you know how it is when you're at the dangerous age. Suddenly something just seems to snap and you're off on a crazy wingding.

* * * *

I'd stayed in The City on the week end to study for the exams coming up. My intentions were as pure as those of a divinity student. But, oh dear, it was a warm, soft summer evening and I was lonely all of a sudden, and Psychology in Education seemed a book of monstrous size and dreadful dreariness. So I had one of my famous little chats with myself: "You have to go out to eat anyway. A change is as good as a rest. You'll go queer cooped up in here. You can study later." As usual, I won the argument.

* * * *

Next thing I know, I was strolling happily up Philosopher's Walk, enjoying the sights and sounds: The lovers lying on the grass, nose to nose; the old lady bawling hell out of a black squirrel because he wouldn't come out of the tree and get his peanuts; the bum stretched out, his overcoat on, but his feet bared to the evening sun.

* * * *

I thought I'd eat at a new place, just opened. It boasted a 50 cent buffet, all you can eat. Just right for my budget. It had a Gay Nineties decor. I ordered a beer and nursed it through the entertainment — a fellow playing a honky-tonk piano and a gal belting out some old-time songs. I loaded my plate at the buffet, chuckling at the way I was beating the management. For one beer and 50 cents, I was getting the whole show. An evening on the town for maybe 85 cents.

* * * *

The waiter brought the bill. Food—50c; beer—70c. What they lose on the bananas they make up on the pineapples. The waiter was a big, robust deadringer for John L. Sullivan. I tipped him a quarter.

* * * *

Disgruntled but dignified, I walked out, ready to head back to the books and brood on the treachery of mankind. But, Monday's lunch money already shot, I was caught up in that wild, devil-may-care frame of mind familiar to the crap shooter who has lost half his pay check on the way home. Either you try to get it back, or you go home, a failure.

* * * *

Throwing family ties and moral principles out the window, I walked right around the corner and went to a bad movie, the one that had "shocked The City," according to the ads. I got the first shock when I produced my 75 cents to get in. "It's a dollar and a half," sneered the young lady. Well, you know how it is. You don't want to look like a hick. So muttering "There goes Tuesday's dinner" through clenched teeth, I paid.

* * * *

I suspected I was in a pretty avalanche-guard place the min ute I went in, because people were smoking, right and left, in their seats. And I was sure of it, when some of the characters in the film swore, right out, clear as anything. Why, they said things I wouldn't even say to my own wife.

But it wasn't until I left the movie that I was sucked into the real whirlpool of vice, sin, mope and gawkery that has turned The City into the Sodom, to say nothing of Gormorrah, of our time. The first thing I walked past, for example, was a place with people eating outside. There they were, sitting at tables right beside the sidewalk, eating away just as though they were foreigners and had no morals at all.

* * * *

Just a few doors down, caught up by who knows what mad impulse, I turned into a . . . I'm sorry. I can't go on. When I remembered that I was once president of the Young Men's Bible class of our church, I feel a wave of something going over me. Besides. I've run out of space.

* * * *

I may be able to tell all, to relate the remainder of that dreadful night. But it will have to be in next week's issue. Watch for it— the simple, but affecting story of one small-town chap's descent into the pit that is The City after hours.

LETTERS TO THE EDITOR

Morrisburg, Ont.,
August 4, 1961.

Editor, Winchester Press:

Dear Sir:

I wish to thank you for the very fine press coverage given by the Winchester Press to the Junior Education Summer Course in Morrisburg.

The items carried in your paper did much to popularize the Course and to further interest in education in this community.

L. MacCRIMMON,
Principal.

The Seventh Column

Each year at this time Highway 31 through Winchester to Ottawa becomes busier than usual. The reason, of course, is the Central Canada Exhibition which started last Friday and runs through Saturday of this week. And judging by the amount of traffic, it looks as though district residents are again flocking to the "Ex." With Ernie Ford and Anita Bryant heading the star attractions at the Grandstand Show and with more exhibits than ever before it looks as though the "Ex." may be headed towards an all time attendance mark. However, the weatherman will have something to say about this. If you haven't gone to the "Ex" yet better take an hour or three and catch this outstanding attraction at Ottawa in the next couple of days. You'll enjoy yourself. By the way, Harry Flora is again set up with his popular concession in the usual stand just outside the World of Mirth entrance east of the grandstand. It's a good place to meet your friends and, according to Harry "it's an old custom."

Well, the four representatives from the Winchester Press have returned home from the Maritimes, Halifax in particular, where they attended the annual convention of the Canadian Weekly Newspapers Association. All report a gala affair and especially lauded the hospitality of sponsors at the convention and the Eastern Canada hosts. Phoned the Chesterville Record Monday morning and fellow editor Keith Graham hadn't made it home yet—so guess he really had a good time, or something.

There is little doubt that the English language is the hardest of all to master. And after reading the poem below you will probably agree. The poem originally appeared in the Manchester Guardian on June 21, 1954. And it seems learning the language is still as great a task as ever. The poem entitled *"Hints"* follows:

I take it you already know
Of tough and bough and cough and dough?
Others may stumble, but not you
On hiccough, thorough, lough and through?

And cork and work and card and ward,
And font and front and word and sword.
Well done! And now if you wish, perhaps,
And learn of less familiar traps?

Beware of heard, a dreadful word
That looks like bread and sounds like bird.
And dead: it's said like bed, not bead—
For goodness sake don't call it "deed"!

Watch out for meat and great and threat,
(They rhyme with suite and straight and debt).
A moth is not in mother,
Nor both in bother, broth in brother.

And here is not match for there,
Nor dear and fear for bear and pear,
And then there's dose and rose and lose—
Just look them up — and goose and choose.

And do and go then thwart and cart.
Come, come, I've hardly made a start!
A dreadful language? Man alive,
I'd mastered it when I was five!

If you are thinking about the new Ontario three per cent. Sales Tax which goes into effect in another week you will undoubtedly be interested in Press advertisements this week. Special ads. telling how you can "beat the tax" before it arrives appear in this issue, so why not take advantage of what local and district merchants offer by doing some of your buying now. They say every cent counts and here's one way to save a few.

Down at The Press Office where we are slowly getting back to normal after a hectic week or two of minor but inconvenient troubles we are planning a few changes. If plans materialize we hope to change the front appearance of the office, both inside and out, allowing for a new entrance and new interior decorations to the main business office. At the same time The Press has also purchased new camera equipment this week and in the very near future it is possible that The Press will install new engraving equipment—all designed for better service to Press customers. Further announcements will be made in the near future concerning the changes down here.

School opening is less than two weeks away and, as yet, no actual construction at either school. Seems like a long way off but after the red tape has been ironed out we are confident that the job will be done. In the meantime, a bit of a sacrifice will have to be made at both schools to accommodate the overflow population expected with first day enrolment on September 5th.

For Better Health

BY J. W. HALL, D.C.

SOUND SLEEP — THE MASTER PHYSICIAN

Want to live to a ripe old age? Then make sure you get plenty of sleep. Interviews with thousands of persons from seventy to ninety years of age all stressed this one thing—that sleep is the most essential thing of all as far as living a long, happy life is concerned.

You must get your rest. It is sleep that recharges your physical battery, wipes away the cares and tensions, and prepares you for another day.

There are, however, a great many Americans who do not get the proper amount of sleep. Estimates are that one out of every two Americans suffers form insomnia caused by such things as tension worry, insecurity or a variety of emotional disturbances.

You can miss out on your sleep too when the mind is over stimulated. This occurs at the very time the body processes should be slowing down. A physical ailment also can cause insomnia.

Lack of sleep will blunt your efficiency, slow your reflexes, make you irritable and generally weaken you. Remember that even if you are lying down you are getting some physical rest. Let your mind relax. Then enjoy the physical and mental relief that comes only with sleep.

That is all well and good—however, it is easier said than done. It is possible, though, to make it as easily done as said. First, it is necessary to clear the mind of all the strife of daily living by stepping out into the quiet, cool night air and take a fifteen or twenty minute walk. This walk should be an aimless one . . . do not go out for a specific purpose or to any preconceived destination . . . just walk for twenty minutes for the sheer joy of it. Cast all thoughts from your mind and you will find that the beautiful wonders of God's green earth will set your mind to marvelling, automatically escaping the shackles that bind it to the troubles of this world.

So much for the mental factor; and on to the physical tensions that have keyed up the muscles of your body to the tautness of a reverberating violin string, powerless to submit to the tranquillity of peaceful sleep. This is centered primarily in the diaphragm, so if we can gain relaxation there the battle is almost won. This will put you to sleep—it is the final step. Lie on your back and place your hands on each side of the lower part of the rib cage just above the diaphragm, with the fingers pointing towards each other. Breathing is all carried out by the abdominal muscles—your hands are on the rib cage to ensure that it does not move. As you breathe in deeply the abdomen rises, then falls as you expire performing a massaging movement, as it were on the diaphragm, thus breaking down the physical tension. Do this for ten to fifteen minutes and if you perform this correctly you will slip into the restful land of sleep in the process.

Remember, whatever is worrying you, there is nothing you can do about it in the middle of the night. If there is something on your mind—write it down on paper and forget about it—by morning you will look at it in a different light.

Joke of the Week

"No, I don't think medicine will be necessary, Mrs. Peters. Just remind him school doesn't start unti' next week."

WHAT STIMULATED ROAD-BUILDING IN NOVA SCOTIA?

Although the first Canadian road was built by Champlain in what is now Nova Scotia in 1906, almost no further road-building was undertaken in that region for another 150 years. In 1750 there were practically no roads in the province that could be used by wheeled vehicles, and it was not until 1815 that any stagecoach service began. However, when Samuel Cunard established his transatlantic steamship service in 1840 with Halifax as the distribution point for mail, road-building received a tremendous stimulus. Soon fast coaches were able to meet the Cunard steamers and carry mail from Halifax to Truro and Amherst, and from there to destinations in New Brunswick and Lower and Upper Canada.

250 Attend 85th Anniversary S S 11 Winchester

More than 250 people attended the 85th anniversary of S. S. No. 11, Winchester township (Ninth) recently.

President of the Home and School Association, Mrs. H. Crump, read letters from the Minister of Education and the Hon. Fred M. Cass. Other letters were also read from former teachers unable to attend.

Following the luncheon hour former teachers and pupils enjoyed a fine social hour. Two of the oldest teachers able to be present were Mrs. Annie Mae Shaver Munharvey, of Lawrenceville, N. Y., and Mrs. Elva Shaver MacMillan, of Chesterville. Alex B. McConnell, of Morewood, now 93 years old, was the oldest former pupil of the school present.

Mrs. H. Crump introduced the chairman, Frank Casselman, who thanked all for coming and making the day a memorable one. There was a two-minutes silence for the boys who attended the Ninth and lost their lives in the two World Wars.

"O Canada" was sung and Mrs. Hume McConnell read a history of the school prior to 1911. Pupils of the Ninth compiled and read the full history of the old brick building; those reading it were Misses Janice Casselman, Mary Casselman, Gail Marcellus and Willie Dam.

Mrs. M. Thompson was pianist for the occasion. Miss Lorna Crump favoured the audience with a tap dance. Elaine Crump sang a solo, "Bless This House." Miss Betty Stewart offered two guitar solos which were enjoyed by all. Frank and Arthur Casselman rendered two duets, with a trio by Frank, Arthur and Earl Casselman.

The speaker of the day was Mrs. Myrtle Childs, of Ridgetown, a former pupil and teacher, who was introduced by Frank Casselman and thanked by Mrs. H. Crump. Mrs. Childs is reeve of Ridgetown. All enjoyed Mrs. Childs' very fine address and wished her every success in the future.

The National Anthem brought a very enjoyable day to a close.

Y P U Meeting

The regular meeting of Winchester Springs Presbyterian Y. P. U. was held at the home of Mrs. Dwayne Johnson.

Rev. Mr. Hawkes opened the meeting with prayer. Devotions were carried out by Betty Morrow who presented a prayer, and Glendon Hess who read the Scripture. During the study period the members discussed the question, "What is God?" and the answer given was "God is a spirit, infinite, eternal and unchangeable in his being, wisdom, power, holiness, justice, goodness and truth."

During the business session, which was directed by the president, Charles Pollock, the members decided to have a weiner roast at Crysler Beach.

The members were entertained with games under the direction of Margart Pollock and Stephen Kirkwood.

The president accepted a very kind invitation from Rev. Mr. Hawkes to have the next meeting at his home in Morrisburg on August 28th.

Morewood Resident Dies Following Lengthy Illness

A lifelong resident of Morewood, Miss Monica Farmiloe, passed away in Ottawa Civic Hospital after a lengthy illness. Born in Morewood, she was a daughter of the late Fred Farmiloe and his wife, Fannie LaSalle. Miss Farmiloe was a member of Morewood Presbyterian Church.

Left to mourn are two brothers, George of Ottawa, and Grant of Morewood; three sisters, Mrs. Milton Barkley (Gertrude), of Winchester; Mrs. Elvin LaSalle (Helen), of Chesterville, and Myrtle Farmiloe, of Montreal, Que., and several nieces and nephews.

The funeral was conducted at the W. B. Rowe Funeral Home, Chesterville, by Rev. A. D. Sutherland. Burial was in Morewood Presbyterian Cemetery. Pall-bearers were Dwight Feeley, Harold Hillis, James Cheney and Bert Weegar.

Bride-To-Be Honoured

Miss Shirley Acres, whose marriage takes place shortly, was guest of honour at the home of Isabel McDiarmid when about 25 friends of the bride-to-be were present at a miscellaneous shower. The house was tastefully decorated with bells, pink and white streamers and sweet peas.

A corsage, made by Mrs. Wilfred Porteous, aunt of the bride-to-be, was presented to Shirley by Alda Bleeks, and Miss Acres was escorted to a decorated chair to the strains of the Wedding March, played by Jean Milne. Contests were enjoyed, after which an address was read by Martha Duncan. Many beautiful and useful gifts were presented from a decorated basket by little Wendy and Sheryl McDiarmid. Shirley very graciously thanked her many friends for their gifts and good wishes.

The guests registered in a bride's book beautifully designed by Doris Porteous. Refreshments were served and a social time followed.

* * * *

Mrs. Doreen Acres was hostess at a miscellaneous shower on Friday evening for Miss Shirley Acres. A corsage of red and white carnations was presented to the bride as she entered, and she was escorted to a decorated chair to the tune of "Here Comes The Bride," played by Mrs. Audrey Stewart. When the bride was seated, confetti fell over her from a charming pink ball above her head.

Elaine and Elizabeth Savage sang a couple of duets. Joyce Acres read an address which had been written by Mrs. Duncan MacMartin. Baskets of gifts were brought in to Shirley, after which she made a very fitting reply.

The tea table, attractive with bells, pink and white streamers and centred with a silver bowl of pink sweet peas, was presided over by Mrs. Ross Saunders, sister of the bride, and Mrs. Wilfred Porteous, aunt of the bride, on behalf of the groom's mother, Mrs. Sherwood Coons, who was unable to be present.

About sixty guests registered in the bride's book which was designed by Isabel McDiarmid. Refreshments were served by friends of the bride, and a social evening was enjoyed.

Engagement

Mr. and Mrs. Alvy Larmour announce the marriage of their daughter, Ethel Pauline, to Mr. Raymond Donald Morrow, son of Mrs. William Morrow and the late Mr. Morrow, of Winchester Springs. Marriage took place on Friday, August 11th, at Ottawa.

Married At Renfrew

St. Francis Xavier Church, Renfrew, was the setting for the wedding of Miss Theresa Ryan and Mr. Bertram Moore, of Chesterville, on Saturday, August 12th.

The bride is the daughter of Mr. and Mrs. Wm. Ryan, of Renfrew, and Mr. Moore is the son of Mr. and Mrs. Edward Moore, Chesterville.

Rev. Wm. F. Ryan, S.J., and Rev. M. J. Ryan, O.M.I., brothers of the bride, officiated at the marriage ceremony and Mass.

Given in marriage by her father, the bride was attended by her sister, Miss Helen Ryan. Ronald Moore, of Ottawa, was best man, and the ushers were Philip Moore and Joseph Ryan of Ottawa. Soloist was Donald Goulet, and Miss Mamie Kelly was the organist.

The bride chose a floor-length gown of silk embroidered peau de soie fashioned with a Peter Pan collar, a full gathered skirt and lilypoint sleeves. Her short tulle illusion veil was held in place with a tiara headdress of seed pearls. She carried a bouquet made in cascade effect of red baby roses.

Her attendant wore a Nile green organza dress with matching accessories, and carried an umbrella-shaped bouquet of yellow roses.

The bride's mother chose a blue satin ensemble with matching accessories, while the groom's mother wore a green linen ensemble with white accessories.

A wedding dinner was served at Renfrew Glen, and a reception was held later at the family home.

For travelling, Mrs. Moore wore a mauve linen jacket dress, matching hat and white accessories. The happy couple left for the Laurentians, and will reside at R. R. 1, Chesterville on their return.

Guests attended from Boston, Ottawa, Cornwall, Winchester, Chesterville, Toronto, Arnprior and Dacre.

ANNIVERSARIES

Congratulations are extended to Mr. and Mrs. Gilbert Raistrick, Jr., of Winchester, who will observe their 30th Wedding Anniversary next Monday, August 28th. Mr. Raistrick, former police chief of the village, is presently the Chief Security Officer for the Ontario-St. Lawrence Development Commission.

Congratulations are extended to Mr. and Mrs. Stanley Rennick who observed their 37th Wedding Anniversary on Sunday, August 20th.

Observe Silver Wedding Anniversary

Mr. and Mrs. Harold W. Baker entertained friends at their home on Sunday at 224 Lyon Street, Ottawa, on the occasion of their Silver Wedding Anniversary. Out-of-town guests included Mr. and Mrs. Arthur E. Baker of Brockville, Mr. Wayne Baker and Miss Sheila Ramsay, Brockville; Mr. R. L. S. Baker, of Toronto, and Mr. and Mrs. J. E. Faulkner of town.

UNITED W. M. S.

The August meeting of the W. M. S. of the United Church was held in the Sunday School Hall on Thursday afternoon.

Mrs. Kenneth Carlyle conducted the meeting and Mrs. Ernest Steele was at the piano.

Seventeen members answered the roll call, and the minutes were read by Miss Ellice Smith.

In the absence of Mrs. Bower Potter, reports of 18 house and 49 hospital calls, and the sending of 31 cards were reported by Mrs. H. O. McMillan.

An article on Temperance was read by Mrs. John Barrett and on Christian Stewardship by Mrs. McMillan. Mrs. Eldon Fennell had charge of the worship service "The Unity of Christ's Church" and the scriptures were read by Mrs. W. Van Allen. Mrs. Fennell also gave the life history of the new chairman elect of the Board of Women, Mrs. J. D. H. Hutchinson of Toronto.

Mrs. Carlyle thanked the committee in charge.

FEED NEWS

Timothy Seed

Give us a call if you have Timothy Seed. We will arrange to pick it up and get the best possible price on any marketable lots—either rough or cleaned.

Some of the Timothy Seed is tough and inclined to heat. Tough seed is hard to clean and hard to sell. If it is threshed a bit tough it should be checked every day or so and if it starts to warm up the seed should be spread out and thoroughly dried.

With present crop conditions good dry seed should bring a better price than last year. All reports indicate that Climax Timothy will definitely be higher this year.

Grain Weevil

Considerable damage and loss is caused every year by grain weevils and other insects in grain storage bins. Grain that is otherwise dry and in good condition will start to heat when infested with these grain weevils. Germination is also destroyed.

It's a good idea to clean out bins before grain goes in and apply "Bin Treat."

A 20-oz. can of Bin Treat to 1 gallon of water will do 1000 square feet.

Apply with a sprayer or broom to the walls and floor of the empty bin at least 24 hours before filling with grain.

Howard Grain Guard

Grain Guard is a powder to put on grain after it is in the bin to control grain beetles and other insects.

Apply at the rate of 1 lb. per 10 bushels.

Does not affect grain for feeding or seed.

IN MEMORIAM

SWERDFEGER—In loving memory of a dear mother and grandmother, Mrs. Allen Swerdfeger, who passed away August 22, 1960.
One year has passed since that sad day
When one we loved was called away;
God took her home, it was His will,
Within our hearts she liveth still.
—Sadly missed, Son, Morgan, Iris and family. 15p

DURANT—In loving memory of a dear husband and father, Elmer Durant, who passed away August 26, 1953.
Time takes away the edge of grief,
But memory turns back every leaf.
—Wife and family 15p

CARDS OF THANKS

CARD OF THANKS—I would like to thank everyone for their prayers, cards, fruit, gifts and personal visits while I was a patient in the Memorial Hospital. Special thanks to Dr. Howard Justus, Dr. Kinnaird and the nurses, nurses aids and orderlies who were so kind to me. Thanks also to my family and neighbours for their care to my family while I was away and since coming home. Everything was deeply appreciated.
—Mrs. June Armstrong 15p

CARD OF THANKS—I wish to express my sincere thanks to my friends and neighbours for their visits, cards and flowers, while I was a patient in Winchester Hospital. Also to Dr. Byers and Dr. Rosenquist and the hospital staff for the care I received.
—Lloyd Montgomery 15p

CARD OF THANKS—A special thank you to all our kindly neighbours who willingly lent a helping hand during the fire which destroyed our barn. A special thank you to the volunteer fire brigades from Osgoode and Metcalfe stations, and other helpers through whose efforts greater loss was avoided.
—Mr. and Mrs. L. K. Meldrum 15p

CARD OF THANKS—I wish to express my sincere thanks to all the friends who so kindly remembered me while I was a patient in the Winchester Memorial Hospital. The many cards, flowers, gifts and personal visits were very much appreciated. I would also like to express my gratitude to the staff for the excellent care I received.
—Edythe Allen 15p

CARD OF THANKS—I would like to express my heartfelt thanks to everyone who called, sent cards and flowers during the bereavement of my father, Mr. Robert McEwen. Special thanks to the Vancamp neighbours for their floral tribute. It is all deeply appreciated.
—Mrs. Bill Bolton 15p

CARD OF THANKS—We wish to thank all friends and neighbours for lovely cards, letters and personal visits while our sister was a patient in the Winchester Memorial Hospital and the Ottawa Civic Hospital. Special thanks to the nurses and doctors of both hospitals.—The Farmiloe family. 15p

CARD OF THANKS—I wish to thank my many friends, relatives and neighbours who remembered me with cards, letters, flowers, visits and treats while I was a patient in the Winchester Memorial Hospital. Special thanks to Dr. F. A. Kinnaird and the nursing staff, also Rev. Keeler of Vernon and Rev. Hair of Russell.—Mrs. Wallace Campbell. 15p

That's right! A Patz Barn Cleaner definitely costs less to own. Costs less because it's BUILT STRONGER . . . HAS FEWER PARTS TO WEAR . . . IS DESIGNED FOR RUGGED DAILY USE . . . AND . . . IS EASIER TO SERVICE.

Patz Barn Cleaners are the original, pitless, endless chain type for easy tension-free 90 degree right or left-hand turns — and any degree of elevation required.

Tough Patz Barn Cleaner Chain has no troublesome pins to rust, lock, bend or shear. Flites are welded to individual links for longer problem-free life. Smooth rolling action of this single-piece "Hook-n-eye" link around gutter corners and drive sprocket reduces wear and power requirements. As a result, you get added years of dependable, more economical use. What's more — servicing is extra easy since Patz Barn Cleaner Links can be added or removed in a jiffy *without tools*. Trouble-free corner wheel installation is quick — engineered to completely eliminate removal problems.

In fact — all Patz Barn Cleaner parts — power unit, speed reducer, return corner — are made for extra-easy installation. Yes — a Patz Barn Cleaner *does cost less* per year to own. Just check any man that owns a Patz — he'll tell you the same.

It may not be the FALL of the year yet!
But any time can be 'fall' time when you're working around your farm . . . if you aren't careful!
Every year, over 2,000 Ontario farm people are hurt in falls.
If you were laid up by a fall or by some other accident or sickness—there would be medical bills to pay; the everyday expenses would go on and you might have to pay someone else to do the chores for a while until you were on your feet again.
CIA's accident and sickness insurance —
could keep a monthly cheque coming in for a while (up to 12 months for sickness; up to 36 months for accident) to help you make ends meet.

TIPS On How . . . MICRO-MIXING Pays-Off For You

Some modern feed ingredients are so powerful that a quantity no larger than a match-stick is all it takes for a whole ton of chow. This represents a production problem. If your mixing wasn't done exactly right, one bird might down the whole flock's portion in a single peck. Thanks to Purina's Micro-Mixing process, this can't happen. This amazing process blends tiny, precise amounts of ingredients into every thimbleful of Purina Chows. You can be sure that every bird and animal you feed the Purina Way will get its necessary share of each ingredient in the ration . . . helping you avoid waste, and increasing your farm's efficiency.

Micro-Mixing provides a safety factor, too. Some modern feed ingredients, which produce amazing results when fed in the right amounts, are no longer efficient when over-fed.

Feed Micro-Mixed Purina Chows and you'll be sure you're feeding your birds and animals enough of the things they need — but not too much!

Phone us, or come in, and let us help you solve your feeding problems the Purina Way. I'm sure we can help you prove to yourself that Purina Feeding costs less.

English Dairy Queen To Visit Dundas County

Duke of Bedford, film actor Richard Todd, Mrs. Todd, W. R. Trehane, chairman of the Milk Marketing Board, Mrs. Trehane and J. Ridley Rowling.

Jean Walling, 20-year-old English Dairy Queen, will visit Dundas County on September 14, it has been announced.

Winding up a three week visit to Canada, Jean attended the Canadian National Exhibition at Toronto and is now making her way back home. She will be met in Morrisburg and taken on a tour of Upper Canada Village before proceeding on her return trip home.

She was chosen English Dairy Princess from 15 finalists at the June Dairy Festival dinner and ball at the Grosvenor House, London, on July 17.

A full time assistant on her father's dairy farm, she milks 14 cows every day. In addition, she is a talented pianist and an excellent cook and topped her form at school in domestic science. More than 5,000 girls entered the competition and, from these 16 finalists, all Dairy Princesses, she was chosen. Prize for the English Dairy Queen was 100 pounds and a three weeks' tour of Canada. Judges in the finals were the

Immediately after receiving the award Miss Walling told fellow finalists of her engagement to David Wilson, a neighbouring farmer's son.

4-H Meetings

Winchester

The fourth meeting of Winchester No. 1 Homemaking Club was held at the home of Mrs. Ralph Johnston with nine members present.

Mrs. Dawson explained what each girl had to exhibit at Achievement Day—record book, reference file, five vegetables, flowers and canned tomatoes.

Discussion was based on garden records up-to-date, as well as the storage of vegetables. Vegetables that are stored must be of good quality, have good ventilation, clean containers and proper temperature and relative humidity. The club members also participated in the demonstration of canning tomatoes.

Refreshments were served by Mrs. Johnstone.

Vernon

The fifth meeting of the Vernon 4-H Club was held ot the home of Theodore McBride, on Wednesday,, August 16.

21 members attended. A class of wheat and red clover was judged. A business discussion concerning Metcalfe Fair was held. The committee in charge of exhibits at the fair was picked: John McBride, Glen Campbell, Dwayne Guy, Bob McDonald, Mary Campbell.

The next meeting will be held at Lloyd McNaughton's, on September 20th.

NOT AN EARTHQUAKE!

Gas Line Official Explains Noise

Residents of the area may have wondered where all the noise was coming from recently. It wasn't an earthquake and the explosive noises heard came from maintenance on the Trans-Canada pipe line which runs between Morrisburg and Ottawa and about a mile east of Winchester.

The maintenance work, according to a report from D. W. Brown, public relations manager of Trans Canada Pipe Lines Limited, Toronto, involved the blowing down of two valves, one near Glen Becker and the other near Winchester.

The valves are blown down to reduce pressure in the line for the safety of maintenance workers. The gas blown out of the valves dissipates harmlessly into the air but considerable noise during the blow down is often created.

Residents in the area were previously informed of the maintenance work, and this news article is published simply as an explanation of what was actually taking place.

My True Story of triumph over DEAFNESS

"My prayer answered"
—a grateful lady writes to her Beltone Hearing Aid Consultant
"Thank you from the bottom of my heart for having made all this possible for me. Hearing again is something I prayed for, but never thought I'd have.
"I enjoy my Beltone every day. My friends and family enjoy me again, too. It's so wonderful, because I don't feel left out any more. May God bless you."

Cardinals Lead Series

Cardinal's entry in the Dundas Softball League has taken a stranglehold on the best of seven final series with Williamsburg. Tuesday night in a game played at Brinston diamond, the Starch Towners downed Williamsburg 4-1 to take a three to one lead in the series. In other games played, Cardinal won 7-5 and 12-4. Williamsburg's only win was a 1-0 verdict.

Five In One Corn

Now it's corn! "Bud" Raistrick, member of the Press staff, produced some unusual ears of corn from the Raistrick garden this week. Each ear had five cobs all attached and ready for the pot on the stove. Now, the question is, who can beat these five in one ears?

Complete Course

Representing Winchester High School, Elzeon Raistrick of Winchester has completed the summer course at the Ontario Athletic Leadership Camp at Lake Couchiching, August 1 to 16.

Elzeon was sent to the camp by the North Dundas District High School Board and while there received an award in Senior Artificial Respiration.
