Tpr. Geo. Goodman Died In England

According to a letter received by the Press this week, from his wife in Manchester, England, Tpr. George Wilfred Goodman, a former resident of this district, passed away on March 10th, after a serious illness which extended over a period of five months. He was 34 years of age and received his discharge from the Canadian Army on February 20th, just four days short of spending five years on active service overseas.

Tpr. Goodman, who was of English parentage, worked on farms in the Cloverdale and Winchester districts for several years prior to his enlistment shortly after the war broke out. He was well-known in the Winchester district, where his many friends will regret to learn of his death. His wife, whom he married in England after he went overseas, survives, and is residing at 29 Bright St., Manchester 18, Jancs, England.

WILL CELEBRATE 68th WEDDING ANNIVERSARY

Those of Winchester and surrounding district who remember Mr. and Mrs. Robert Beattie will be pleased to know that they are likely to be spared to enjoy another wedding anniversary on April 16th. Notwithstanding their ages of 90 and 88 respectively, they are both healthy and acitve.

Married in Chesterville in 1878, they lived there until 1912, where Mr. Beattie operated the first Bell Telephone exchange in Chesterville and also conducted a grocery and confectionery business, while Mrs. Beattie had an up-to-date millinery shop.

From 1912 to 1927 they resided in Winchester, moving from here to Toronto and later to East Farnham, Que., where they now live, near their son, James, and his wife.

Other members of their family are Mrs. Wm. Fisher, of Toronto, and Mrs. Seymour, of Montreal.

Their friends here will join in congratulations and also in the wish that they may be spared to enjoy future anniversaries. Mr. George Beattie, of Chesterville, is a nephew.

BOX SOCIAL HELD

On Wednesday evening, April 3rd, about fifty-five people gathered at Rose Haven School to enjoy a Quiz Programme and Box Social, sponsored by the teacher, Miss Evelyn Holmes, and assisted by her sister, Miss Irene Holmes. The contest took the form of a "Share the Soap" with prizes of soap for the adults, and popcorn, peanuts and candy for the children. Mr. Donald Rose won the "Oscar" prize. The boxes were then efficiently auctioned off by Mr. Frank Decareau and a total of $21.75 was received from them. The net proceeds have been sent to the Crippled Children's Fund of the Junior Red Cross.

HELP WANTED!

Mr. Hugh Wilson Suffers Fractured Jaw

When a ladder, on which he was standing while repairing a pulley in his barn, slipped, Mr. Hugh Wilson fell to the barn floor and was severely injured about the face. The accident occurred on Monday. Dr. Howard Justus, of Chesterville, attended the injured man, and later he was taken to the Ottawa Civic Hospital, where he is under the care of Dr. J. J. McKendry.

At the hospital, an examination revealed that Mr. Wilson had suffered a fractured jaw bone on one side of his face and a splintered jaw on the other side. He will be confined to hospital for the balance of this week at least. His many friends here will wish him a speedy recovery.

40-YEAR-OLD AUTOMOBILE HAS WPTB REALLY STUMPED

(Ottawa Citizen)

She's 40 years old; guzzles oil. is fond of gasoline and she's some baby! Perhaps she has lost some of the prestige and dignity she possessed in 1906, but to Hy. Bessin, general merchant of Winchester, she's a thing of beauty!

If you haven't already guessed it, "the baby" is a 1906 Briscoe automobile, which Mr. Bessin says was in running condition a few years ago when he drove it himself. He wants to know what it would be worth now.

Obligingly, The Evening Citizen telephoned the WPTB. Frankly, they said, it was a puzzler. Unless the new car value could be ascertained, they pointed out, there wasn't much way of telling its worth today.

"If he can do algebra, tell him to take X as the unknown value, multiply by another X or something, and then—if he is lucky enough to get anyone interested in buying it—let that buyer beware!" was their advice.

According to a used car dealer, the price of the car when new might have been $1,600. The WPTB order says that when a car is a 1936 model or 10 years old, sale price is estabby taking 25 per cent. of the new car price. That would make "The Baby" worth $400. But the used car dealer doubted if anyone would be willing to pay that much for the car. "Tell him to have it weighed, and sell it to a junk dealer on the weight basis," he volunteered.

In 1939 when "The Baby" appeared on Ottawa streets a week before the King and Queen visited the city, she made quite a sensation, according to G. E. Coons, an employe of Mr. Bessin, who drove her here as a stunt. The high-built black touring car, which resembles a Model T Ford, was "harder on oil than gasoline," he said, but since making the trip nicely and since returning to Winchester has been sleeping off her "binge."

The idea has been put forth that perhaps a city having an Old Home Week might like to give "The Baby" a chance to make another, and perhaps her last, bow to society.

"A few years ago," someone said, "it would have made a perfect perambulator for the Dionne quints!"

AT THE MILL

It's time to think of house comfort. A car of Granulated Rock-Wool Pouring Insulation has just arrived, the first we have been able to obtain in nine months. Don't take our word for it. Just ask any of your neighbours who have insulated their home, how it keeps out heat in the summer and cold in the winter, and cuts down the fuel bill.

Don't forget our Feed Department. In spite of shortages of Concentrates, we carry complete stocks of balanced feeds as well as whole grains. In view of the shortage of Wheat, we, in line with other feed dealers, are asking farmers to confine the use of wheat to poultry only. As nearly as can be ascertained, this should ensure a continuous supply of wheat for poultry until the next crop. Our Feed Department is open on Saturday afternoons until 5 o'clock in spite of the closing of our other departments at 12 o'clock on those days.

Digest Of The New Liquor Act

(By Hon. Geo. H. Challies)

The new Act is designed to meet very widely varying conditions in Ontario. A solution which is satisfactory in one part of the Province is totally unsatisfactory in another. Accordingly, one of the basic principles involved is the enlargement of local option provisions which have been found to be satisfactory in the past. Where municipalities of under 50,000 population desire to make changes in the distribution and sale of liquor, the matter must be passed upon by the electors of the municipalities and a three-fifths majority is required.

The actual effect of the Act in such counties as Grenville and Dundas is restrictive in that the type of establishment in which beverage rooms can be operated is more limited.

In many cases in the province the present so-called hotels are in no sense hotels. These premises therefore will be re-classified into hotels or inns, taverns, restaurants and public houses. Greater license fees will be charged in accordance with the lesser services rendered to the public.

In the future, in Grenville and Dundas, licenses may only be granted to the highest classification, namely, hotels and inns. Before any new licenses may be issued to the classifications: taverns, restaurants or public houses, the municipality must, by a three-fifths vote, approve the issuing of such licenses. The matter, therefore, is entirely in the people's hands.

There must be no misunderstanding about the classification "restaurant." This in no sense refers to cafes and restaurants presently operating in Grenville and Dundas. The statutory definition is a dining room only with strict limitations. It is quite safe to say that there is no such dining room in Grenville-Dundas which would meet the standards required and, again, if there were such a place, no license could be issued until the municipality voiced its approval by a three-fifths vote of the electors.

As stated, conditions vary widely throughout Ontario. Therefore, a number of optoins are given to municipalities in connection with the sale of liquor. None of these, however, becomes operative in any municipality of less than 50,000 population, which of course includes all of the municipalities of Grenville and Dundas, without an affirmative vote of the people and a three-fifths vote.

Municipalities which have already passed local option by-laws will be fully respected and no licenses of any kind will be issued in the same.

The Brewery Warehouses throughout the Province which are now operated by a private concern will be taken over by the Government and operated by The Liquor Control Board.

Concerning summer resort, it is intended to issue beverage room licenses to summer hotels such as we have in Grenville-Dundas. Their only right is, as now, that a dining room license for beer and wine with meals only may be granted, but not in local option areas.

The powers of the people to pass upon licenses in their own communities is very greatly extended. One of the difficulties in the past was that the question was: "Are you in favour of the sale of beer and wine?" Some electors favoured the sale of packaged beer from Brewery Warehouses but did not favour beverage rooms. The result was that a clear decision was not possible. Under the new regulations it will be possible to vote upon any class of sale, for instance:—beverage rooms for men only, beverage rooms for men and women, the retail sale of packaged beer by government authority, etc. This will entitle the people to have the absolute direction of the sale of liquor in their own municipalities. On the other hand, if the people desire to extend the sale they may do so in a like manner but with a three-fifths vote.

The Liquor Authority Control Board is being continued with added powers. The work of this Board has convinced those of all views of the integrity of its opinions and the independence of its judgments. This authority will not be weakened but will be widened and strengthened. Therefore, in addition to the power of the people by their votes to control conditions, the Board will also have authority.

The enforcement will be very much more rigid. More inspectors will be appointed. If the municipalities will do the policing themselves they will be given a greater share of the license fees. If, however, they are not prepared to do the policing properly then the Province will step in and will do the same, in which case no share of the license fees will be paid to the municipality.

The Act itself has real teeth. All of the penalties of the previous Act are continued in force but, additionally, among other things, it will be unlawful to leave young children unattended while the parent is in a beverage room. Breweries and Distilleries and Wineries must give no inducement to further the sale of partciular brands. A further drastic provision to prevent drunkenness is introduced in that there will be a liability for the proprietor of a beverage room who allows a person to become intoxicated. If such a person loses his life, then the proprietor may be liable under the Fatal Accidents Act. If the person causes injury to himself or others, then there may be an action in damages. The particulars of this provision are clearly set out in the Act.

As stated, we have a very large Province in area with varying conditions throughout the same. In some municipalities there is an overwhelming demand for freer sale with the result that law enforcement is impossible. In others there is a demand for restriction. The matter therefore is left up to the people. The enforcement however in all cases will be on a high level.

OBITUARY

LATE JOHN FRASER RENDER

An esteemed and lifelong resident of Mountain Township, in the person of Mr. John F. Render, passed away at his home on Thursday, April 4th, after a long illness. He was the son of the late Mr. and Mrs. Josiah Render and was in his 67th year.

Left to mourn his passing are: his widow, the former Della McIntyre, whom he married 43 years ago; two sons, Wilfred, of Prescott, and Lyall, at home; three daughters, Mrs. Wilfred Robinson (Gertrude), Mountain; Mrs. Frank Berry (Olive), South Mountain; and Mrs. Karl Guy (Freda) of Winchester, and nine grandchildren.

The funeral, which was largely attended by relatives and friends. was held in the United Church, Mountain, under the auspices of the I. O. O. F. Lodge, Mountain, of which the deceased was a member. Rev. Mr. Beatty, of Hallville, Chaplain of the of the Lodge, officiated, assisted by Rev. Mr. Gervan, of Inkerman. During the service, the Male Quartette rendered a very fitting anthem "Will The Circle Be Unbroken?" The deceased was a member of the United Church.

Interment was made in the family plot in South Gower Cemetery. The pall bearers, all members of the Lodge, were: Messrs. Robt. Bryan, Ernest Smith, Harry Christie, John Cameron, Daniel Shaver and Frank Milne.

Many beautiful floral tributes were received by the family, as follows:—

Pillow—Wife.

Double Sprays—Family; Mr. D. J. McIntyre, Donald and Irene.

Baskets — Grandchildren; Neighbours.

Wreaths—I.O.O.F. Lodge 315; Alfretta Render; Doris Gordon and Jean Shaver.

Sprays—Mrs. Olive McTavish, Mrs. Dr. Bowles; Mrs. Kent Martin; Mrs. Emma Render and Edith; Mr. and Mrs. Wm. McIntyre; Earl Boucher; South Mountain Softball Club; Mr. and Mrs. Roy Graham.

Telegrams—Mr. and Mrs. Donald McIntyre.

Winchester Fire Brigade Joins E. O. Association

On Saturday evening, Fire Chief Gilbert Raistrick and a number of local firemen attended a meeting of the Eastern Ontario Firefighters Association at Prescott, and presented an application for membership, which was accepted. Fire Brigades represented at the meeting included Prescott, Cornwall, Gananoque, Iroquois, Morrisburg, Smiths Falls, Almonte, Perth, Carleton Place, Nepean, Merrickville, Lanark and Winchester. The local delegation, headed by Fire Chief Raistrick, included Firemen Art Dupuis, Herman Strader, Ralph Walker, Willis Cross and Doug. Hitsman.

The Association made plans for the Annual Firemen's Convention and Field Day, to be held at Cornwall on June 27, 28 and 29, and the local Brigade is looking forward to entering the several competitions.

On Monday evening the local fire hose was given a test and much of it was found to be defective and will have to be replaced. On the same evening a demonstration of fog and nozzle equipment was put on by Mr. Wm. Christopher, of Fyr Fyter Limited, Hamilton. Oil fires were extinguished in a matter of seconds during the demonstration. Also present for this demonstration were Mr. Jack Mahoney, of Ottawa; Chief Clark and five firemen from Morrisburg, and some members of the Chesterville Brigade.

Following the demonstration, the visitors were guests of the local Brigade at the Royal Lunch where refreshments were served.

SNOWY OWL SHOT AT WILLIAMSBURG GOES TO TORONTO ZOO

Two Williamsburg men, Walter Whitteker and Dale Beckstead, shot one of those big snow owls that migrated to this district last winter. They were about to leave the owl for dead, when they noticed it showing signs of life, so they took the big bird home with them and installed it in a stout cage. The bird soon recovered from gunshot wounds, and recently, when the Toronto council was involved in a big fight with rats, the two hunters offered their owl to Mayor Saunders. The mayor replied that the owl could not be used in the campaign, but that he had sent their letter on to the parks commissioner. Recently, the boys received a communication from that worthy and, as a result, the owl that was shot last winter at Williamsburg, is now on display in the Toronto Zoo.

Have you joined the Red Cross Society? The national campaign for membership is on.

Mountain Township Organizes For Hospital Canvass

At a meeting, held in South Mountain last Thursday night, plans were made to conduct a canvass in the Township of Mountain to raise funds for the erection of a District Memorial Hospital in Winchester. Rev. G. A. Beatty presided, with Mr. H. E. Biccum as secretary.

The township was divided into seven canvassing districts and the following were appointed as chairmen in their respective districts: Mr. W. E. Graham, South Mountain; Mr. W. R. McMenomy, Inkerman; Mr. Robert Bryan, Mountain; Mr. Hugh Blaine, Hallville; Mr. Ray Allen, Reid's Mills; Mr. Geo. Suffel, Mulloy's, and Mr. Thos. Stobo, Cloverdale. These chairmen are to appoint their own canvassing committees.

Mr. H. E. Biccum was appointed as Mountain Township Director on the Hospital Board. He and the above named canvassing chairmen are to comprise the Hospital Committee for Mountain Township. In most districts of Mountain Township, the people are very enthusiastic about the hospital plan and it is expected that the canvass will be one of real success.

Local Intermediate Hockey Team Treated To Dinner

The local Intermediate Hockey Team and members of the Hockey Club were treated to a dinner at Hotel Winchester on Friday evening last by the Directors of the Winchester Arena. During the evening, entertainment was provided by Messrs. John Burke, John Kirkwood, Keith Summers and Sheldon Robinson.

Following the supper, the Club president, Mr. Walter MacDonald, presided over a program of speeches. Those who were heard in brief addresses were: Mr. Ralph Walker, manager; Mr. Geo. Elliott, coach; Mr. Herb. Watson, sec'y.-treasurer, and several members of the team and executive.

During the discussion period, it was decided to continue to operate an Intermediate Hockey Club and to start at once to build up a team. Mr. MacDonald was re-appointed president; Mr. Watson, sec'y.-treasurer, and Mr. Walker, team manager. These three officers are to select three directors to complete the executive.

At the close of the meeting, Mr. Watson, on behalf of all present, moved a hearty vote of thanks to the Rink Committee for sponsoring the dinner, and to all others who had contributed to the enjoyment of the occasion.

ONTARIO'S NEW LIQUOR ACT

The Ontario Government's decision to introduce the sale of liquor by the glass in hotels, restaurants and clubs, and to set up "Cocktail Lounges" in cities with over 50,000 population, is meeting with strong opposition, not only from church officials and Temperance organizations, but from the more broad-minded and sensible-thinking citizens. Regardless of what Premier Drew and his government say to the contrary, the New Act will increase drinking among the youth of our province, and whether or not the law has teeth, the rules and regulations governing the New Act will be violated in the same manner as regulations regarding the Beer Licenses are violated.

It's true, and no doubt the government realizes the fact, that the average beer parlour, and especially the so-called ladies' beverage rooms, are a disgrace to the province. But, if the government thinks that the addition of "sale of hard liquor by the glass" and "cocktail lounges" are going to offset this deplorable condition, only time will prove that the New Act will add more fuel to the fire.

Of course, the government will stand to gain in the long-run, because increased sale of liquor brings more tax money to the provincial treasury. The hotel proprietors, restaurant owners and club executives will also benefit financially, for at from 50c to 75c for a thimblefull of hard liquor, the profit is enormous. And it's the people who will pay the shot, some whose money should be going towards the support of their families or for badly needed repairs to their homes.

We don't doubt for a minute that pressure on the governmnet to introduce this New Act was brought about by the hotel proprietors and distillery operators. Certainly it wasn't the non-drinker, the casual-drinker or that section of the populace that are deeply concerned with the moral welfare of the younger generation.

In announcing the New Act, government officials said it would bring the Ontario System of Liquor Control more in line with the system operating in Quebec. Any person who is acquainted with Liquor Control in Quebec province knows, that in normal times, there just isn't any control to it. It's more or less wide-open sale.

We don't profess to be prohibitionists, but we do like temperance in all things and more especially in the consumption of alcoholic beverages. For the good of everyone, for the sake of one's health and from a moral standpoint, drinking should be curtailed and the traffic controlled. The Ontario Government's policy, to us, is not designed to control liquor sales but to increase them, and that is the very thing that is going to defeat Premier Drew's New Act.

Making liquor easier to procure will tend to increase drinking; will send many a young man and woman down the path of the habitual drunkard, and will lower the moral standards of those who frequent the drinking dives. Of course, the man who makes money from the sale of liquor never stops to consider these things, and it now looks as though the Ontario Government is more interested in the amount of revenue it will receive from increased liquor sales, rather than make an honest attempt to control the sale of alcoholic beverages, which is by far the most important factor, from a moral standpoint.

TO WAR ON WEEDS

Speaking to the Ontario Good Roads Association, Hon. T. L. Kennedy, Minister of Agriculture, declared war on weeds which, according to agricultural experts, are causing a yearly loss of $25 million in Ontario. "Cutting weeds with a scythe," said Mr. Kennedy, "is too expensive these days. We must adopt more modern methods and use chemicals and spraying machines to do a really effective job of weed eradication." Mr. Kennedy pointed out that the war is over, that men will be more readily available, and that there will be greater supplies of machinery and chemicals to fight the weed menace. It would be well if townships and villages adopted similar measures to fight weeds on the concession roads and side streets. There is little incentive for individuals to keep their premises clear of weeds if they are allowed to flourish on the roadsides and vacant lots.

PROTECT THE LAWNS

This is the time of year when pedestrians and motorists should do all in their power to prevent damage to the lawns in the village. Owing to the soft condition of the soil it is very easy to make ruts and holes in the turf and it is a difficult task to repair these, requiring a lot of time and attention. Several complaints have already been heard from irate property owners of driveways and lawns being damaged by thoughtless persons and it is with a view to limiting these instances that we pen this warning.

The majority of Winchester home owners take particular pride in their lawns and home surroundings and it is but fair that the general public should give them their fullest co-operation Their thoughtfulness in this matter will be greatly appreciated.

THE LOW COST OF HEALTH

Here is a clipping from the Philadelphia Teachers' Credit Union News:

"We hear very much of the high cost of living, but we overlook the fact that many of the best things of life can be had for nothing.

"It costs nothing to stand up and walk and breathe properly.

"Fresh air in the home is free.

"No expense taking a few simple exercises each morning.

"It costs nothing to chew the food thoroughly

"It costs nothing to select the food best suited to the body.

"It costs nothing to clean the teeth twice a day.

"It costs no more to read good books than trashy literature.

"It costs nothing to have a cheerful, happy disposition, and stop having grouches.

"These things cost nothing, yet they bring contentment, and reduce the doctor's bill to nothing a year for you."

I SHALL NOT PASS THIS WAY AGAIN

The bread that bringeth strength, I want to give;
The water pure that bids the thirsty live.
I want to help the fainting, day by day,
I'm sure I shall not pass again this way.

I want to give the oil of joy for tears,
The faith to conquer crowding doubts and fears;
Beauty for ashes may I give alway,
I'm sure I shall not pass again this way.

I want to give good measure running o'er,
And into angry hearts I want to pour
The answer soft that turneth wrath away.
I'm sure I shall not pass again this way.

I want to give to others hope and faith;
I want to do all that the Master saith;
I want to do aright from day to day.
I'm sure I shall not pass again this way.

EDITORIAL NOTES

One designer of men's clothing says that buyers want few changes from present styles. The average consumer is more interested in getting a suit with quality in it than in the style it happens to affect.

The black shirts, the brown shirts and the green shirts have been washed up, but the real menace to this country is the dry shirts worn by idle people who would rather live on social security than work up a sweat.

Winchester Township, Morewood Village and Chesterville Village are making plans for civic welcomes for the boys and girls from those districts who have returned home from overseas. We know that the local Council has agreed to the same plan. Most of the boys from Winchester are back home now and arrangements for their official welcome should not be delayed much longer.

I am a little thing with a big meaning. I help everybody. I unlock doors, open hearts, dispel prejudice. I create friendship and goodwill. I inspire respect and admiration. Everybody loves me. I bore no one. Violate no law, I cost nothing. Many have praised me, none has ever ever condemned me. I am pleasing to those of high and low degree. I am useful every moment of the day . . . I am Courtesy.

With the cities, and most of the towns and villages in this district adopting Daylight Saving Time on April 28th, Winchester might just as well fall in line and save a lot of confusion. As far as the Press can learn, most local citizens favour the change. All that is needed is a word from the Council. When we were all used to the fast time during the war years, there was no need for setting the clocks back last autumn.

Writing obscene or filthy words on the windows and doors of local stores appears to have become a habit with certain young boys in Winchester. If the practice is not stopped, the police will have to apprehend the boys. Parents would do well to question their young sons about this and warn them against repeating the offence. What many youngsters of this generation need is more parental control and this is a duty that no father and mother should shrink from. Don't get the idea that your son or daughter is an angel, because he is quite timid at home. He may be one of the ring-leaders in all sorts of mischief that parents know nothing about. Don't spare the rod and spoil the child.

Other Editors' Opinions

THE LIQUOR SALES
(Pembroke Bulletin)

The value of liquor sold in Ontario last year was $102,885,847. This is a lot of money but it clearly indicates the amount of temperance sentiment there is in Ontario today.

PENALTIES TOO EASY!
(Brockville Recorder & Times)

As long as the courts persist in imposing joke-line fines for offences under W.P.T.B. and associated regulations, we will probably have more and more officers of government organizations wanting to resign and enter other pusuits.

WINE AND DIPLOMACY
(Hamilton Spectator)

Lord Elgin has been quoted as saying that the reciprocity treatment between Canada and the United States was floated on champagne. And wine and diplomacy on the surface anyway, have floated a long way together. At least until vodka came along.

SURPLUS AND SCARCITY
(Chatham News)

The most regrettable feature generally in the industrial situation is undoubtedly the presence of a surplus labor in cities and a scarcity of labor on the farms. No amount of closing, striking or bargaining will enable this country to solve industrial difficulties until this aspect of the situation is remedied; and the easiest way to solve the problem is to induce, persuade or constrain some of the superfluous labor to transfer itself from town to country.

GUNS IN THE HOUSE
(Chatham News)

Loaded guns are not necessary for protection in the home. In fact we doubt if there is a householder in the country who would deliberately shoot at an intruder at any hour of the day, or night, with the object of killing or maiming him. Probably the same thing could not be said for the intruder, if he is armed with a gun; but when householders keep loaded weapons in their homes, they are merely inviting some robber to steal them and use them for illegitimate purposes. The loaded gun should become an unknown quantity in every home of the land.

CUT OUT REFRESHMENTS
(Arnprior Chronicle)

With the sugar and butter rations cut to the bone, it is time societies, clubs, groups and individuals cut out serving refreshments. Members of organizations are usually asked to supply the refreshments, and when a woman takes her sugar ration to bake a cake or her butter ration to make sandwiches, her family is going to come short. If a few women can't get together for an afternoon or evening without a feed, then it is time they stopped getting together. If it is the feed which brings them together, they are better apart, because it shows they do not gather to enjoy each other's company.

MURDER BY STARVATION

Reminiscent of the brooding horror of an Edgar Allan Poe shocker is the true story of a Viennese socialite who methodically beat, tortured and starved her 14-year-old housemaid. CANCER

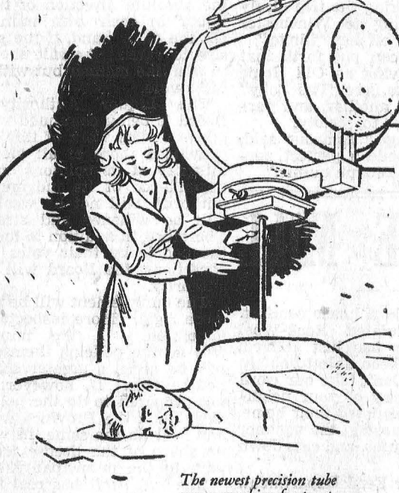
CAN BE CURED



The newest precision tube x-ray machine for treating cancer costs $100,000.

1000 Canadians die of cancer every month. Cancer specialists are convinced that the majority of these lives could be saved if proper treatment were given in the early stages of the disease.

That is the aim of the campaign against cancer now being organized in Ontario—to cut down this costly loss of life now being exacted by cancer.

It is proposed to establish cancer clinics at suitable centres throughout the province where all who suspect they may have cancer may be examined, and receive the proper treatment if necessary.

Plans are also under way to pay a portion of the cost of treatment of cancer, as well as travelling expenses, for those needing financial help.

The third objective of the campaign is an energetic program of cancer research in Ontario with the aim of discovering a specific cure for cancer, or for some means of preventing the disease.

Cancer research carried on to date has been entirely inadequate. It is estimated that less than $100,000 is being spent in the whole of Canada on cancer and related subjects.

Cancer can be conquered. If science is able to organize sufficient forces against the scourge of cancer, the solution will sooner or later be found.

Your contribution is needed—to cut down the death rate from cancer now—to carry on the search for a method of ridding the world of this dread disease.

This appeal is for an objective of $2,000,000 to provide for a three-year program of cancer research, treatment and province-wide service.

Pitt Meadows, B.C.,
May the 7th, 1945.

The Ogilvie Flour Mills Co. Ltd.,
Vancouver, B.C.,

Dear Sir:-

I am pleased to inform you that I have given your "Miracle Dairy Feed" a fair trial over three months and have found it better than any I have used before. It also surpassed my own mixture in palatability and milk production. The cows take it readily. Therefore I have all the reasons to continue to use it. I can recommend it to other Dairy-Farmers.

Yours very truly,
S.A.E.

(Original on file)

Miracle Dairy Feeds contain balanced proportions of minerals, proteins and vitamins to supply the cow with the elements necessary for increased milk production. Tests prove that by feeding Miracle Dairy Feeds, feed costs may be considerably reduced. For bigger profits ask your dealer for Miracle Dairy Feeds in the dotted bag.

Mr. and Mrs. Marshall Wallace and mother, of Brockville, motored here on Sunday and spent the day with Mr. and Mrs. David Gray.

A Welcome Home party was held last Wednesday evening in the Institute Hall in honour of Wm. S. Houston, a member of the Cameron Highlanders. The evening was spent in games, after which the Red Cross president, Mrs. Frank Dobbie, welcomed the guest of honour, and Mrs. John Gray addressed him, offering him words of love and appreciation from all his old friends. The Red Cross presented him with a leather billfold, and the Council, through Councillors Roy Henderson and Wm. J. Barrie, gave him a scroll and pen and pencil set.

GIVE US MEN

God give us men! A time like this demands
Strong minds, great hearts, true faith and ready hands,
Men whom the spoils of office cannot buy;
Men who possess opinions and a will;
Men who have honour, men who will not lie,
Men who can stand before a demagogue
And damn his treacherous flatteries without winking.
Tall men, sun crowned who live above the fog
In public duty and in private thinking.
For while the rabble, with their thumb-worn creeds,
Their large professions and their little deeds
Mingle in selfish strife, lo! Freedom weeps,
Wrong rules the land and waiting Justice sleeps—
God give us men

HALLVILLE

Mission Band Meeting

The April meeting of the Mission Band was held on Sunday morning in the Sunday School room, under the leadership of Mrs. Robert McConnell. The president, Donnie Lawrence, opened the meeting with the call to worship. The meditation was given by Mary Shaw, and Gwen Beggs led in prayer. A reading on Africa was given by Sylvia Black. Sunshine bags were given out for the month of April. A chapter from the Study Book was given by the leader. The meeting closed with prayer.

HINTS FOR THE HOME

Fruit Stain

Sprinkle some dry salt on a fruit stain and it will seldom become permanent.

A Damp Cellar

If the cellar walls are damp and mouldy apply unslacked lime with a garden spray. It will freshen them wonderfully.

Gilded Clock

The surface of a gilded clock can sometimes be very effectively cleaned by rubbing it with a rag dipped in alcohol or turpentine.

Prevent Slippage

The mixing bowl can be prevented from slipping about the table if it is placed on a cloth that has been wrung out of cold water and doubled over.

Oilcloth

When oilcloth is to be fastened to the wall above the kitchen sink, glue it to the wall. This is a much better and more permanent method than tacking it.

Roasting Pan

After taking the meat and gravy from the roasting pan, pour in hot water, then add a little ammonia. If this is done, the pan will not be difficult to clean.

Rugs

Put a little turpentine in a bucket of hot water, dip the broom in this solution and go over the rugs with gentle strokes. It will freshen the rugs and also prevent moths.

Curtain Pins.

If the curtain pins have become rusted, place them in a bowl of water to which some ammonia has been added. Let them remain for a few minutes, then rub them with a dry cloth.

Soiled Book Covers.

A hard eraser, pumic stone, or soap and water all prove effective in the cleaning of soiled book covers. A wash which also gives good results is two parts of vinegar and one part of water, applied wtih a clean cloth. Rub briskly until the dirt is removed and then place book upright to dry. This should not be used on leather.

Cockshutt Farm Machines & Service

We have our new Machine Building, at the West end of the village, ready for use, and we invite you to come in and see the machines on display. Realizing we have not given up-to-date service during war years, it is our intention to employ a Service Man to make both small and major repairs to all implements, including tractors. We have some lines of machines available at the present time. Give us your order now.

MANAGEMENT
Mr. Stuart Corry will take over management of this business. Since returning from overseas, Steve has been employed as foreman on my wood cutting contract. We feel confident that we will still have your patronage and support.

MILKING MACHINES
If it's a Milker, its Universal. Order a Milker today and take the drudgery out of farming. Hundreds of satisfied customers.

TRADE-INS
We do our best to handle all trade-ins—Horses, Cattle, Used Machines, etc.

Fair Dealing Our Motto.
Employ a Veteran.

Mr. and Mrs. Wm. A. Gamble and Mrs. Ralph Cummings visited Mrs. Robert Wright, of South Mountain, on Saturday afternoon.

W. I. Meeting

The Women's Institue met in the hall on Thursday evening with Mrs. James Campbell in the chair, assisted by Mrs. John Gray.

The District Annual will meet here in May. Two delegates, Mrs. James Campbell and Mrs. Frank Dobbie, will attend the meeting at Prescott, in reference to the T. B. Clinic at Spencerville.

Mrs. John Gray gave a paper on the slogan, and a reading was given by Mrs. Frank Dobbie.

Late John Melvin McKercher.

Ventnor was shocked to learn on Wednesday of the death of Mr. John Melvin McKercher. He had spent the winter here with Mr. and Mrs. Wm. Scott and was in his usual health until Tuesday. On Wednesday morning he started for Cardinal with Mr. Scott but died as he arived there. He had reached his 80th year a few days ago.

His remains were taken to the home of Mr. Arnold Fader, of Hainsville, where the funeral service was held on Friday afternoon in the United Church, with Rev. Mr. Hutton officiating. Burial was in the nearby cemetery with the I.O.O.F. in charge of the service.

His wife predeceased him many years ago. He leaves one son, Earl, of Cardinal.

BIBLE QUESTIONS
ANSWERED BY THE VOICE of PROPHECY
INTERNATIONAL BIBLE BROADCASTER

Question—Does the Bible really say that God is immortal?

Answer—Yes. Read 1 Timothy 1:17: "Now unto the King eternal, immortal, invisible, the only wise God, be honour and glory for ever and ever."

Q.—Are we not supposed to pray in church and not at home?

A.—In 1 Timothy 2:8 the apostle Paul writes: "I will therefore that men pray every where, lifting up holy hands, without wrath and doubting."

Q.—Don't you think some folks make too much of the Bible?

A.—In reply read Psalm 138:2: "I will worship toward Thy holy temple, and praise Thy name for Thy lovingkindness and for Thy truth: for Thou hast magnified Thy Word above all Thy name." If God so magnifies His Word, should we not give it the greatest reverence?

Q.—How can I know that my sins are forgiven?

A.—By meeting God's conditions of forgiveness. "But if we walk in the light, as He is in the light, we have fellowship one with another, and the blood of Jesus Christ His Son cleanseth us from all sin. . . . If we confess our sins, He is faithful and just to forgive us our sins, and to cleanse us from all unrighteousness." 1 John 1:7,9.

Q.—What do you think about gossiping?

A.—The Bible says that our words are an index to our character. Matthew 12:34: "Out of the abundance of the heart the mouth speaketh." And by our words we shall be condemned in the judgment. "For by thy words thou shalt be justified, and by thy words thou shalt be condemned." Verse 37. Tale-bearing or unkind gossip is forbidden. "Ye shall do no unrighteousness in judgment: thou shalt not respect the person of the poor, nor honour the person of the mighty: but in righteousness shalt thou judge thy neighbour." Leviticus 19:15. "The words of a talebearer are as wounds." Proverbs 26:22. "Where no wood is, there the fire goeth out: so where there is no talebearer, the strife ceaseth." Verse 20. All our words are known to God. "For there is not a word in my tongue, but, lo, O Lord, thou knowest it altogether." Psalm 139:4.

Good Friday Service.

The annual Good Friday Service will be held in the local Wesleyan Methodist Church at 10.30 a.m. on Friday, April 19th. This service is interdenominational, and all local clergygmen will take part.

Attended Zone Meeting.

Members of Winchester Branch 108 of the Canadian Legion, B.E.S.L., who attended the Legion Zone Meeting at Cornwall on Sunday, as representatives of the local Post, were: Comrades Frank Decareau, David Melvin, Hubert Foley, George Knox, Stanley Fawcett, F. E. Helmer, A. J. Casselman, Peter Dignard, A. M. Alexander, Nelson Dixon, Ross McConnell and Irwin Cross.

Injured In Fall.

Mrs. G. E. Earle, who spent the winter at the home of her daughter, Mrs. Chas. French, of Blanche, Que., met with an accident there on Thursday, March 21st, by falling on the ice. Fortunately, no bones were broken, but her head and spine were injured. Her other daughters, Mrs. H. Droppo and Mrs. H. Barkley, went back and spent the week-end with her and then took her to Mrs. Barkley's home near Iroquois, where she is now convalescing and expects soon to be restored to her usual health.

Pay Parade Held.

A pay parade was held here last Wednesday evening for the members of the local platoon of S., D. & G. Highlanders, when the boys received their pay up to the end of 1945. Since coming from camp last summer, the local platoon has not been very active, the interest, more or less, being concentrated in the local High School Cadet Corps, which is affiliated with the S., D. & G.'s. The inspection of the H. S. Corps will take place on May 28th, and from all accounts the school students will put on quite a show. They have been undergoing regular training and are equipped with new uniforms and rifles.

CAR AND TRUCK IN COLLISION

Reeve Walter MacDonald's car was severely damaged on Tuesday morning when it was in a collision with Louis Weiner's truck at the Four Corners, south of Winchester. Mr. MacDonald suffered a few minor bruises from the impact. On Mr. Weiner's truck, at the time, were several crates of poultry, and feathers flew in all directions. Driver of the truck was Claude Bilow. Provincial Constable R. H. Wannell happened along just as the crash took place and made an investigation.

EVENING AUXILIARY

The Easter Thank Offering meeting of the Evening Auxiliary, held in the United Church S S. Hall on Tuesday evening, April 2nd, was well attended. The theme of the devotional service, "Ye shall be my Witness—Go Tell," was aptly carried out by Miss Bertha Coons, Miss Lila Hughes, Mrs. K. Carlyle and Mrs. R. D Wylie, after which a lovely duet was rendered by Mrs. S. Lindsay and Mrs. L. Porteous, with Miss Eleanor Hitsman as accompanist at the piano.

The President, Mrs. N. J. Thomas, then introduced Mrs. Carson, of Ottawa, as guest speaker for the evening. Mrs. Carson chose as her topic, "The Crusade For Christ and His Kingdom." She brought out the difference between Christ and His Kingdom, and and told about Christ living in a man's body and still living in the spirit of His Father in Heaven. This talk greatly inspired her listeners and showed them how they too could be true Christians and help bring about more fully this Crusade for Christ and His Kingdom." This part of the meeting closed with the Mizpah Benediction, followed by the Lord's Prayer.

Mrs. Thomas then took over the business meeting. Mrs. L. Porteous and Mrs. H Link were appointed delegates for the Presbyterial meeting at Spencerville on May 10th. It was decided to accept Mrs. Albert Johnston's invitation to hold the May meeting at her home in Kemptville.

District War Brides.

Among the war brides to arrive in Canada yesterday on the Aquitania are Mrs. Elsie Montgomery, wife of F.O. V. S. Montgomery, of South Mountain, and Mrs. Mary D. Kennedy, wife of Cpl. J. H. Kennedy, of Iroquois.

Underwent Operation.

The many friends of Mrs. George Fraser, of Morrisburg, will be pleased to learn that she is progressing favourably at her home, following an operation which she recently underwent at hospital. We are also pleased to report that Mr. and Mrs. Fraser's son, Lyle, is responding to treatment at the Cornwall Sanatorium, where he has been a patient for some time.

On Magazine Cover.

The front cover design of "Pho-Topics," the official magazine of the Ontario Society of Photographers, for April, features a fine picture by Mr. G. H. Smith, Morrisburg photographer, who is a member of the Society, of the champion spaniel McLeeco Lady, owned by Leslie McCormick, of Morrisburg. The photo was taken in the Smith Studio with a combination of fluorescent and photoflood lighting. Exposure was 1-25 of a second at f. 6.3.

ST. PAUL'S L. A.

The April meeting of the Ladies' Aid Society of St. Paul's Presbyterian Church was held at the home of Mrs. Geo. Angus on Thursday afternoon last. The meeting opened with a hymn, with Mrs. Chas. Cross at the piano.

The president, Mrs. H. Cinnamon, read a passage of Scripture, and Mrs. C. R. Robinson gave a reading and a prayer. Reports were given by the secretary, corresponding secretary and treasurer concerning their work during the past month. The treasurer reported $245.65 in the bank. It was decided to make a donation of $500.00 to the Memorial Hospital Fund, if the committee decided to go ahead with the project.

Twenty members responded to the roll call. The meeting closed by repeating the Lord's Prayer in unison.

WOMEN'S INSTITUTE

The annual meeting of the Women's Institute will be held on Tuesday, April 16th, at 7.45 p.m., in the Town Hall. Roll call to be answered by paying membership fees.
