Women's Institute Annual Meeting

Mrs. J. L. Kinkaid was unanimously re-elected President of the Winchester Women's Institute at the annual meeting held Tuesday evening, for which Mrs. Neil Hutt presided. Other officers elected are: 1st vice president, Mrs. John Moffat; 2nd vice president, Mrs. W. A. Rowat; secretary-treasurer, (to be elected); assistant sec.-treas., Mrs. W. N. Lannin; district Director, Mrs. Neil Hutt; Auditors, Mrs. W. J. Stewart, Mrs. O. L. Worthen; Directors, Mesdames R. L. Suffel, Ken. Carlyle, J. E. Utman and E. Gilroy; District Representatives. Mrs. Rowat, Miss Irving and Mrs. Earle; Press Reporter, Mrs. Earle; Pianist, Mrs. W. N. Lannin; assistant Pianist, Mrs. Mabel Allison.

Mrs. Kinkaid thanked the ladies for their co-operation during the past year and asked for a continuance of the same

Miss Irving and Mrs. Rowat were appointed to interview and secure a secretary-treasurer to be elected at the next meeting.

Previous to election of officers, Mrs. Kinkaid presided for the regular business meeting and for the receiving of annual reports. An appeal for aid for the sufferers from the flood in Western Ontario was responded to by the granting of $10. Iroquois W. I. had written regarding a play their young people are putting on. It was decided to consider this later in the year. The secretary-treasurer gave a complete annual report showing that splendid programmes had been given through the year and a great amount of work done including the distribution of clothing, Christmas baskets, and other good cheer work. Much money was raised in various ways and all of it spent excepting $70.20 now in the Bank.

The chairman of Standing Committees reported as follows: Education, Mrs. W. J. Stewart; Legislation, Miss Irving; Historical Desearch and Current Events. Mrs. Earle; Community Activities and Relief, Mrs. Jack Moffat; $18.57 was spent for relief; Canadianization, Mrs. Ken. Carlyle.

The District Annual meeting will be held at Morewood on May 27th when the Provincial President, Mrs. McDowell, will be the guest speaker. On July 8th the District picnic will be held at Point Iroquois.

Mrs. Geo. Earle was appointed to represent Winchester Branch on the District Nominating Committee. It was decided to entertain the Junior Institute Girls at the June meeting for which Mrs. Rowat and Mrs. Hutt are the committee. The singing of the National Anthem brought this meeting to a close, after which refreshments were served by Miss Grace Irving and her committee, Mrs. G. E. Payne, Mrs. Ken. Carlyle, Mrs. J. F. McVey, Mrs. John Fader. Mrs. E. Merkley and Mrs. H. Potter.

A vote of thanks was given this Committee.

Mother's Day Was Fittingly Observed

The programme for Parents' Day in the Church School with Sharing as the theme was fittingly observed in the United Church on Sunday morning with a large number of parents and children in attendance.

Flags and mottoes in honor of Coronation Day, also ferns and spring flowers made an effective decoration for the front of the church. A basket of beautiful flowers was placed on the communion table by the Flora family in lovign memory of their mother. Mr. J. A. McDougall also had carnations there in loving memory of his wife. Mrs. J. A. McDougall. Mr. W. J. Stewart, Assistant Superintendent of the S. S., presided for the service.."Silver Threads Among the Gold," was sung as a duet by Mrs. Lindsay and Miss Mabel Suffel, after which Rev. W. S. Atchison performed the baptismal service for four babies, William Charles Helmer, Carol Ann Ault, Audrey Pauline Cinnamon and Keith Ernest Guy.

The Do-as-you-please-House story was well told by Pattie Cass.

The pastor gave a suitable talk on: "Ready to share with Jesus." He said we to-day pay tribute to Mothers, who shared with us to the limit. We can share with Jesus by admitting Him into our hearts and lives. Let us re-dedicate our lives to God in thankful recognition of what mothers have done for us, and go forth to share our love and possessions with others.

A suitable patriotic message was given in the evening by Rev. W. S. Atchison on "Honor the King." after which the message to all United Churches from the Moderator, Rt. Rev. Peter Bryce, D.D., was read, calling for personal dedication to God. "God Save Our King" was sung at the close of both services.

ST. PAUL'S SUNDAY SERVICES

A very impressive pre-Coronation service was conducted Sunday morning by Rev. W. D .Turner, using the form and order of Divine service as commended for use by the Presbyterian church in Canada.

The church was appropriately decorated with Union Jacks, and Coronation colors. Cut flowers were given in loving memory of their departed mothers by the Smith family, J. J. Empey family and the Gardner family, also two potted plants, a gift to the church by Mrs. Frank Elliott and Mrs. George Angus.

The choir, under the direction of Miss Clara Irving, rendered the Anthem, "Blessed is the nation whose God is the Lord." The duet was sung by Miss Lillian Bruce and Mrs. Hugh Wilson.

Mr. Turner took for the subject of his Coronation address, "Loyalty," using the text 1st Peter, 2:17, "Fear God, Honor the King." Loyalty, he said, is a right atittude towards authority. God is the Creator, the ultimate source of all power and all authority. The fear of God is, therefore. the foundation of all true loyalty whether it be loyalty to God, to state, to church, to principle or to individual. True religion is the foundation of true loyalty. Honor the King, that is, respect authority. Christianity has always taught man to do nobly, patiently and heroically his full duty to the state, to rulers and to society. Loyalty in speech or on paper will never save us from our foes, it is only loyalty in deeds. The British peoples possess a wonderful heritage. An ordered state; a people willing to be governed; religious toleration. There is no country where a man is freer to practice his religion than under the British flag. Despite all crises through which the British nation has passed throughout the years, the British monarchy stands firmer today than ever before enshrined in the very heart of the Empire.

The Coronation of our King is not a political or civil ceremony but a religious one under the direction and protection of Divine Providence. We are proud of what our fathers have done in preserving our freedom and in building

The King's Message

Yesterday, May 12th, 1937, British subjects everywhere listened with pride and respect to the magnificent service of the coronation of Their Majesties. King George VI and Queen Elizabeth at Westminister Abbey. From dawn, 400,000,000 subjects residing in the Empire listened to the description of vast crowds thronging the streets of Londn; the blaze of colour; the solemn service itself; the thunderous roars of millions of people as they lifted their voices in cheers and rejoicing as Their Majesties passed through the streets. It was a wonderful day for the Empire.

Beneath it all however, there lies a mighty principle of democracy, as His Majesty George VI was crowned King, not only of the United Kingdom, but of Canada and the other Dominions as well. The heavy responsibilities of state which rest on the shoulders of the King are such that faith, support and good will are essential in all peoples within the Empire. That His Majesty realizes fully the arduous tasks which confront him, is indicated by the words of his message broadcasted to the whole Empire yesterday afternoon. The message follows:

"It is with a very full heart I speak to you tonight. Never before has a newly-crowned king been able to talk to all his peoples in their own homes on the day of his coronation.

"Never has the ceremony itself had so wide a significance, for the dominions are now free and equal partners with this ancient kingdom. I felt this morning that the whole Empire was in very truth gathered within the walls of Westminster Abbey.

"I rejoice that I can now speak to to you all wherever you may be, greeting old friends in distant lands and, as I hope, new friends in those parts where it has not yet been my good fortune to go.

"In this personal way the Queen and I wish health and happiness to you all and we do not forget at this time of celebration those who are living under the shadow of sickness. Their example of courage and good citizenship is always before us. And to them I would send a special message of sympathy and good cheer. I cannot find words with which to thank you for your love and loyalty to the Queen and myself.

"Your good will in the streets today, your countless messages from every quarter of these islands has filled our hearts to overflowing. I will only say this, that if in the coming years I can show my gratitude in service to you that is the way above all others that I should choose.

"To many millions the Crown is a symbol of unity. By the grace of God and by the will of the free peoples of the British Commonwealth I have assumed that Crown. In me, as your King, is vested for a time the duty of maintaining its honour and integrity.

"This is indeed a grave and constant responsibility but it gave me confidence to see your representatives in the Abbey and to know that you too were enabled to join in that beautiful ceremonial.

"Its outward forms come down from distant times, but its inner meaning, and message are always new. For the highest of distinction is the service for others and to the ministry of kingship I have, with your sharing, dedicated myself with the Queen at my side in words of the deepest solemnity. We will, God help us, faithfully discharge our trust. Those of you who are children now will, I hope, retain the memories of the day of carefree happiness such as I still have the day of my grandfather's coronation. In the years yet to come some of you will travel from one part of the Commonwealth to another and moving thus within the family circle will meet many whose thoughts are colored by the same memories, whose hearts unite in devotion to our common heritage.

"You will learn, I hope, how much our free association means to us; how much our friendship with each other and all other nations on the earth can help the cause of peace and progress.

"The Queen and I will always keep in our hearts the inspiration of this day. May we ever be worthy of the good will which I am proud to think surrounds us at the outset of my reign.

"I thank you from my heart and may God bless you all."

Winchester Debaters Win Russell Contest

"Resolved that women do more good in a rural community than men," was the subject of a debate given last night at Russell in ald of their Horticultural Society. The affirmative was taken by Miss Esther Stevenson and Miss Alice Lowrie, both of Russell, and the negative by Mr. J. Webb and Mr. W. J. Stewart of Winchester Society. The judges, Mr. Boyd of Morewood.Mr. Fisher of Edwards, and Miss McKerracher of Ottawa, gave their verdict in favor of the negative.

Mrs. John D. Stewart of Winchester contributed to the programme by giving three readings "Spring," "My Mustard Plaster," and "Jean Desprez," all of which were well received. Solos and duets by Rev. Keith Daniels and Mr. Mills of Kenmore were also enjoyed, Miss Jennie Carkner being the accompanist.

The District Director of Horticultural Societies, Mr. J. D. Stewart, spoke on "How a Horticultural Society can be of benefit to a community." The chairman was Mr. C. F. McCrea of the High School Staff. Mr. Routley, school inspector for Russell and Prescott, thanked the visitors for their part in the programme.

Those attending from Winchester were Mr. and Mrs. W. J. Stewart, Mr. and Mrs. W. A. Rowat, Mr. and Mrs. J. D. Stewart, Mr. Joseph Webb and Miss Edith Webb and Mr. and Mrs. George E. Earle.

Softball Club Was Re-Organized Tuesday

At a meeting of local softball fans, held on Tuesday evening, the Winchester Softball Club was re-organized for the season. Officers elected were as follows:

Hon. President, Edward M. Shaver.
President, W. F. Workman.
Vice President. Frank Hogaboam.
Secretary-Treas., Herbert Watson.
Team Manager, Lorne Hogaboam.
Assistant Manager, Hugh Wilson.
Property Manager, Nelson Dixon.
Transportation Committee, H. Watson.
Official Umpire, Charles Cross.

The treasurer's report, which was presented at the meeting, revealed that the Club had a balance on hand of $11.00.

It was decided to enter a team in the Dundas County Softbll League, which opens at South Mountain on May 1st.

A canvass is being made of all local business men to contribute $2.00 each, to outfit the team with new sweaters. So far a good response has been made, for which the Club is grateful.

Winchester hopes to place a strong tea min the field this year and. with the loyal support of local citizens, should make a good showing.

The outlook for spring work in this section is looking up—at least for the women, who have had two houseclean-ings already this spring.

Dundas-Grenville Presbyterial Meets

A large and enthusiastic gathering of delegates and members of the Women's Missionary Society was held on Thursday, May 6th, in South Mountain United church with the Presbyterial president, Mrs. R. S. Peterson, in charge. At 9.30 a.m. the opening devotions were taken by Mrs. Geo. W Carlyle and Mrs. E. McKendry, the theme being: "Builders God's Kingdom." A gracious welcome was extended by Mrs. Gordon Cleland after which the corresponding secretary, Mrs. A. E. Nash, told the story of the year's work by departments. These reports showed that women had been at work and in prayer, and gratifying increases were noted. The supplies sent were well-received and hearts gladdened. There was a lack of warm underwear. stockings and clothes for boys of school age. Mrs. Merrill. in reporting finances, said there had been an increase over the previous year of $10. and 75 per cent. of the organizations had sent perfect reports. The closing words of the morning session were given by Rev. W. R. Johnston, the pastor of the church.

The Greetings took place at 2 p.m. and were as follows: From the Branch president, Mrs. W. H. Sutherland, read by Mrs. A. E. Nash, who also read those from Glengarry Presbyterial; from Ottawa Presbyterial by their president, Mrs. D. R. Carson, and from St. Andrew's W. M. S of South Mountain by Mrs. Collison.

The afternoon devotions were conducted by Mrs. F. F. Davidson and Mrs. B. Newman, who spoke on the Sermon on the Mount.

A beautiful 'In Memoriam' service for more than thirty members who had passed to higher service during the past year, was conducted by Mrs. (Rev.) Coburn of Prescott. While the names were being read by Mrs. A. E. Nash. Mrs. Coburn placed a flower in the basket in their memory and all stood in reverance and honor. This was followed by prayer by Mrs. Coburn and the singing of a hymn, then a very appropriate message by Mrs. Coburn and a solo, "Tis only a little further to go" by Mrs. Jenkinson of Prescott.

There was a good response of Auxiliaries, Circles and Bands to the calling of the roll by the recording secretary, Mrs. R. Crowder.

Miss Elizabeth Read was introduced by the President and gave a very interesting talk of her work in Angola, West Africa, the work among young people and training for leadership. This work is fourfold, educational, evangelistic, medical and agricultural. She showed what hope the message of Christ brings to the bereaved in Africa. The Lord hath done great things for us here in the homeland, shall we not share it with the Africans? In closing. Miss Read dressed in native African costume, and Mrs. Basil Strader, of Brinston, contributed a solo; Mrs. D. R. Carson, of Ottawa, gave some of the highlights of Miss Thomas' address at Ottawa. Mrs. A. B. Allison brought in the report of the Nominating Committee, and Mrs. J. I. Murdock presided for the election of the following officers:

Past president, Mrs. A. B. Allison, of Morewood; president, Mrs. R. S. Peterson, Brinston; 1st vice president. Mrs. Geo. W. Carlyle, Reids Mills; 2nd vice president, Mrs. E. McKendry, Heckston; 3rd vice president, Mrs. Durham Wells, Colquhoun; 4th vice president, Oscar Carson, Maynard; recording secretary, Mrs. Russell Crowder, Inkerman; Cor. secretary. Mrs. Arthur Nash, Morrisburg; Treasurer, Mrs. C. G. Johnston, Kemptville; secretaries of Department: Christian Stewardship, Mrs. W. Merrill, Morrisburg; Young People's and Circle Work, Mrs. Chas. McGuire, Spencerville; Mission Bands, Miss Violet Van-Allen, Mountain; Baby Bands, Mrs. D. Hanson, Brinston; C. G. I. T.. Mrs. W. S. Atchison, Winchester; Supply, Miss F. A Scott, Merrickville; Assistant Supply, Miss Mabel Marquette, Mountain; Associate Helpers, Mrs. E. H. Mills, of Crystal Rock; Missionary Monthly and

Some Interesting Facts Regarding Aeroplane Crash!

In a front page article by Judith Robinson, the Toronto Globe and Mail of Wednesday, May 5th, brought forth some very interesting facts in connection with the airplane crash which claimed the lives of two young men from this district near Inkerman recently. The article was as follows:

"On Saturday, May 1, a light airplane belonging to the Ottawa Flying Club crashed in a field near VanCamp, Ontario. Pilot and passenger were both killed. Witnesses of the accident report that the pilot was stunting immediately before the crash, that the engine sputtered and missed as he came out of a loop, and that the plane appeared to go out of control and recover before it finally nose-dived from sixty feet above the ground. The plane was an Avro Avian, one of the two supplied last year to the Ottawa Flying Club by the Department of Civil Aviation. The Department of Civil Aviation is conducting an inquiry into the cause of the crash.

It is generally agreed among aviation experts that four main causes make airplanes crash. The first two are inexperience and recklessness in the pilot. The second two are engine failures and faulty construction in the machine. It will be the duty of the Department of Civil Aviation, the same department that passed this particular machine and handed it over to the Ottawa Flying Club a year go, to decide which of the four causes is most responsible for the tragedy that took the lives of two boys last Saturday.

In commercial aviation it is not a custom to make the purveyor of any airplane that has crashed sole judge of the plane's airworthiness. In Ottawa it is, and there's no use objecting to that. But there might be use in recalling that the plane that crashed near VanCamp is one of eight planes that were the subject of debate in the House of Commons in Ottawa less than a year ago.

There might be use, first, because the Department of Civil Aviation acts for the people of Canada in supplying light airplanes to Canadian flying clubs, and second, because the people of Canada have to supply the sons who fly those planes.

"The quotations that follow may be found in Hansard of May 28, 1936. They are from a debate concerning a purchase of eight Avro Avians made from the Ottawa Car Company by the Dominion Government in February of last year. The planes were bought for distribution to flying clubs across Canada under the plan whereby the Dominion Government covenants to supply each club with one new plane every three years in return for its services in training each year a certain number of qualified pilots. The parties to the debate were: C. G. MacNeil, M.P., of Vancover; M. J. Wl Coldwell, M.P.. of Regina; Right Hon R. B. Bennett, and Hon. Ian Mackenzie, Minister of National Defence.

Mr. MacNeil—I think it is common knowledge that these machines have been in stock at the Ottawa Car Man'f'g. Co. since 1928 or 1929. They were condemned because of obsolescense and they are a very slow type of machine, quite out of date and certainly not acceptable in any sense to the British War Office, though they may be worthy and suitable for the purpose of elementary instruction.

Mr. Mackenzie—These planes before being placed in use were overhauled modernized and thoroughly inspected by competent inspectors. As far as I am concerned, no representations were made to me by the Ottawa Car Company. I take my advice from officials of the department.

Mr. MacNeil—Reverting to the discussion that took place before the recess with regard to the purchase of aircraft equipment, why were not tenders called for in all instances for the purchase of new equipment?

Mr. Mackenzie—As regards airplanes, tenders are necessarily governed by the type of plane required and the element of competition is not present in all cases.

Mr. MacNeil—I want to bring to the attention of the Minister the fact that the general staff of the department are apparently palming off on our flying clubs equipment that is so obsolete that if they accept it at the present time. under the regulations as I understand, for at least three years they cannot possibly secure access to modern equipment or obtain instruction in blind flying and in the latest aids to aerial navigation that are now being brought out.

Three years ago the last Mark IV Avians were washed out as obsolete by the R. C. A. F. This year the Government of Canada has bought eight of the machines for issue to civillan flying clubs, and paid $3,408 apiece for them. The Ottawa Car Manufacturing Company was the vendor. No tenders were asked. The Hon. T. P. Ahearn, who contributed substantially to the victory of Liberalism, is President of the Ottawa Car Manufacturing Company..... I have before me an advertisement which appeared in the issue of March, 1933, of Canadian Aviation, and in which these same Avro Avians were advertised at "a new low price record." The advertisement reads: "Fifteen hundred dollars cash payment and you can own a new Avro-Avian with Armstrong-Siddeley Genet-Major engine, 100-110 h. p. The balance you pay as you fly in twelve monthly instalments of $140 each." (Total, $3,180.)

The advertisement goes on to say that these planes are "completely modified."

Mr. Mackenzie—I am afraid my honorable friend has got some inadequate information with reference to this whole matter. There were some Avians purchased. I think eight planes were obtained, some Fleets, also some de Havilands.

Mr. Bennet—When were the eight bought?

Mr. Mackenzie—The eight were bought on Feb. 7, eight Avro Avians, with Genet-major engines, at a cost of $26,400.....

Mr. Bennett—The late Government refused to buy them.

Mr. Mackenzie—That may be so, but I want to tell my honorable friend (Mr. MacNeill) that these planes were absolutely asked for in every case by light airplane clubs before they were issued, and my honorable friend's information in regard to their being obsolete is incorrect.....

Mr. Coldwell—The question is why the Government of Canada bought planes built in 1928 and paid considerably more than the price for which they could have been bought three years ago by private individuals, singly and on a time-payment basis.

Mr. Mackenzie—The answer is very simple. They were not the same planes. When completed. the planes were specially reconditioned, and therefore the price was different.

That was the last word in the debate on the eight Ahearn Avians.

"The report of the Department of Civil Aviation on the crash of one of the eight may be expected shortly. It need not, however, be expected that Department experts will find the fault to have been in the machine. News reports have already made it clear that the pilot was stunting when the crash occurred.

One question the average Canadian must still clear up for himself without the help of experts. The question is whether the airplane of obsolete type that has lain eight years in factory storage before being "specially reconditioned" is the sort of craft he would choose for his own sons to learn flying in. The question is important since there are still seven Ahearn Avians at large.

Ask any flyer. He will tell you that every flyer must "stunt" to learn to fly. No man who does not know how to stunt and stunt daringly will make a first-class pilot. The Canadian Government requires Canadian flying clubs to turn out first class pilots. Obviously the least the Government can do in exchange is to provide the clubs with modern planes of a type that provides the widest possible margin of safety for inexperienced and daring boys trying their wings.

It appears to be the belief of the responsible Minister and Department that the essential margin of safety is best provided by taking Mr. Ahearn's "specially reconditioned" ten-year-old Avians off the shelf where they have lain since 1928 and issuing them to flying clubs.

It is a belief a little hard to share."

Meals and Memories on Memorial Day

There may be Paraders in your family today. There may be sad visits to last resting places. There may be cheerful, youthful salutes to the photographs of family heroes. There may be nothing more than relaxation and reflection.

But the inner man must be served. Dainties are expected on Memorial Day—especially if the usual Memorial Day guests arrive.

Strawberry Brazil Nut Charlotte

1 pint strawberries
1 cup sugar
1 tablespoon gelatin
¼ cup cold water
1 cup sliced Brazil nuts
Salt
1 cup cream
6 whole Brazil nuts

Wash and pick over strawberries and reserve half a dozen for garnishing. Hull remaining berries and crush with sugar. Set in a warm place until sugar is dissolved. Soak gelatin in cold water a few minutes and stir over hot water until dissolved. Stir into strawberry mixture, stir occasionally until mixture is cool and add sliced Brazil nuts. Add salt to cream, whip and fold into strawberry mixture. Pour into mold, chill several hours until set, turn out of mold and garnish with strawberries and whole Brazil nuts.

Pineapple Sabayon

2 egg yolks
2 tablespoons sugar
½ cup Hawaiian pineapple juice
Pinch of salt
1 teaspoon lemon juice
1 teaspoon vanilla
Few drops rum flavoring

Beat yolks of eggs until thick and creamy, add sugar and place in top of double boiler and continue to beat. Add the pineapple juice, salt and flavoring. Remove beater and stir well with a wooden spoon for 2 minutes longer.

Keep water in bottom of the double boiler below the boiling point or the mixture will curdle.

Serve hot in small sherbet glasses and with several lady fingers on the plate. This may also be used as a sauce for bread or fruit puddings. 2 average servings.

Italian Spaghetti Sauce

A tasty and delicious sauce for macaroni, spaghetti or egg noodles may be simple or elaborate, meatless or with meat, as desired.

Meatless Sauce

1 can tomatoes (strained)
1 can tomato paste
2 onions (sliced)
2 tablespoons butter
Salt and pepper

Cook above ingredients for about an hour, or till thick, stirring frequently. Boil spaghetti, macaroni or egg noodles till tender, in plenty of salted water. Drain. Pour sauce over boiled spaghetti and serve hot.

Meat Sauce

To the ingredients for the meatless sauce, add a half pound of ground fresh or left-over meat. Cook as directed.

(1) A more elaborate sauce is made by adding such flavoring elements as mushrooms, pimentos, garlic, celery, sage, thyme, bayleaves, allspice, etc.

(2) Put surplus sauce in a tight jar; keep in cool place for later use, re-heating as needed.

On Your Doorstep

On your doorstep this morning is an extra supply of milk — for your guests or perhaps for your first picnic of the season. Parade or no parade, picnic or no picnic, guests or no guests, modern methods of distributing this healthful food, insure delivery. Milk is one of the oldest foods known to man. In the Bible the story of the Promised Land visioned — not gold — but a land of "milk and honey." Milk provides almost every type of nourishment needed by the human body. Truly your milk supply is as dependable as daybreak.

MAN'S FAITHFUL FRIEND, THE DOG

This is not new or original. It was spoken several years ago by the late U. S. Senator Vest; but it seemed appropriate to start it on its rounds again.

"Gentlemen of the jury: The best friend a man has in this world may turn against him and become his enemy. His son or daughter that he has reared with loving care may prove ungrateful. Those who are nearest and dearest to us, those whom we trust with our happiness and with our good name, may become traitors to their faith. The money that a man has he may lose. It flies away from him, perhaps when he needs it most. A man's reputation may be sacrificed in a moment of ill-considered action. The people who are prone to fall on their knees to do us honor when success is with us may be the first to throw the stone of malice when failure settles its cloud upon our heads. The one absolutely unselfish friend that man can have in this selfish world, the one that never deserts him, the one that never proves ungrateful and treacherous is the dog.

"Gentlemen of the jury: a man's dog stands by him in prosperity and in poverty; in health and in sickness. He will sleep on the cold ground, where the wintry winds blow and the snow drifts fiercely, if only he may be near his master's side. He will kiss the hand that has no food to offer, he will lick the wounds and sores that come in encounter with the roughness of the world. He guards the sleep of his pauper master as if he were a prince.

"When all other friends desert he remains. When riches take wings and reputation falls to pieces he is as constant in his love as the sun in its journey through the heavens. If fortune drives the master forth an outcast in the world, friendless and homeless, the faithful dog asks no higher privilege than that of accompanying him to guard him against danger, to fight against his enemies, and when the last scene of all comes, and death takes the master in its embrace and his body is laid away in the cold ground, no matter if all other friends pursue their way, there by his graveside will the noble dog be found. his head between his paws, his eyes sad but open in alert watchfulness, faithful and true even to death."

TAX RATE UNCHANGED

Kemptville council met last week and set the tax rate for the year at 46 mills. This is the same as last year, although the rate will cover the expenditures and debentures of the new composite school, with the assistance of the board of education reserve sums.

A TOUGH ORDER

Fighting Fillip, whose friends hoped he would one day be a world-beater, was having a rough time of it. As he staggered to his corner after a punishing fourth round, and sank wearily into the chair, his chief second whispered anxiously into his best ear: "You're not following my advice! I told you to keep your eye on his right fist."

Fighting Fillip groaned up at him: "Dry up! Why. it's taking me all my time to keep my eye off his right fist!"

HAPPINESS

Be cheerful! Which will you do—smile, and make others happy, or be crabbed, and make everyone around you miserable? The amount of happiness you can produce is incalcuable if you show a smiling face and speak pleasant words. There is no joy like that which springs from a kind act or pleasant deed and you may feel it at night when you rest, and at morning when you rise, and through all the day when about your business.

ORIGIN OF TOMATO

How many people are aware of the origin of the tomato? Reliable authority states that, like the tobacco plant, the tomato is a native of the western hemisphere and although tomatoes are mentioned in North American records as early as 1571, it was not until well on in the nineteenth century that the fruit came into popular favor on the North American continent. Peru is thought to have been its original habitat and the natives of Mexico are known to have grown tomatoes since very early times. They called them "xitomates" or "zitomates," from which the present word has probably been derived. It was not until nearly 100 years after the discovery of America that Europeans became acquainted with the tomato. and then for many years it was mostly used for ornamental purposes, the food value of the fruit being little suspected. Eventually tomatoes were cultivated by the Italians for food purposes, and a number of plantations were developed on the shores of the Mediterranean. But even then many people were loath to eat the fruit because of the plant's relationship to the deadly night shade. While tomatoes are grown successfully in the open in every province of Canada, they are produced chiefly in Ontario, British Columbia and Quebec.

Province of Ontario Surplus Greater Than Anticipated

Toronto, May 11th—The balance sheet of a business in which every person in Ontario is interested, noteworthy for a substantial surplus and an equally substantial debt reduction, is brought to the attention of the Province today with the publication of the Government's financial statement for the fiscal year just closed.

Subject to widespread favorable comment when Hon. Mitchell F. Hepburn Prime Minister and Provincial Treasurer, presented his budget in the Legislature, Ontario's showing of an estimated surplus of $7,000,000 after paying a relief bill of $12,500,000, was considered remarkable inasmuch as it represented the first balanced budget in Canada since the depression. The complete picture, as revealed in the figures of the published statement shows the actual surplus to be much larger than Mr. Hepburn indicated, namely $9,313,938. and this after taking care of a relief bill, not of $12,500,000 only, but of $13,270,000.

This more than justifies the comments which have already been made, not only in regard to the successful financing of the Province's business for a year, but also with respect to the resulting effect on Ontario's position in the financial markets of the world, as well as the substantial relief it becomes possible to give to taxpayers of all classes.

Action of the Treasury Department in publishing the statement in the press is a departure in government procedure and on which is designed to give promptly all the facts of the Pay-As-You-Go policy to the persons most interested—the taxpayers.

Unprecedented Surplus

Examination of the statement now confirms the fact that the surplus is twelve times the surplus budgeted for a year ago and achieved while other provinces were striving to borrow to meet current expenditures. This is the largest surplus realized by any Canadian province since Confederation. It has also been noted that, in addition to realizing an unprecedented surplus, the funded debt of the Province has been reduced by $26,000,000 and the gross debt by $33,000,000—or three times the amount promised in the last budget address. It is the first reduction in the gross debt of the Province of Ontario that has been made in the present century.

Discussing the decrease in funded debt, experts agree that it has been accompanied by a change in carrying charges even more revolutionary than the turning over from a 1936 deficit of $13,000,000 to a staggering surplus. It is pointed out that in the fiscal year ending in 1934, 42.62 cents out of every dollar of revenue was required to meet the interest account. Now, less than 26 cents out of the revenue dollla. is necessary for this purpose, which means that instead of 57 cents remaining for the benefit of the people, there is available a sum of 74 cents.

Attention is directed to the fact that the Treasury Bill debt has been lowered by $12,000,000 and htat the average rate of interest is half that standing on the books in July, 1934.

Another fact which is stressed is that 15-year money was obtained at home at the most favorable rate received by any province in a quarter of a century. Bonds with an average maturity of 16 1-2 years, it is pointed out, were sold at a cost of about 3 1-2 per cent., the two issues reflecting the high credit enjoyed by the Province.

Social Legislation Acclaimed

Many of the budget announcements have been enthusiastically acclaimed throughout the Province by reason of the widespread benefits they represent. The highest commendation has been forthcoming from municipal councils as a result of the granting of a provincial subsidy to municipalities equal to one mill on the tax rate. At the same time, these councils have been enabled to reduce taxation as a result of the Province having relieved them from contributing to the cost of old age pensions and mothers' allowances. The government's sympathetic attitude, so far as social legislation is concerned, is also reflected in the Premier's statement endorsing the Dominion Government's decision to grant pensions to the blind at the age of 40.

Farmers Will Benefit

It is pointed out also that, in addition to abolishing the amusement tax, representing a sacrifice in revenue of $1,900,000 a year, there have been other drastic cuts in taxation which have greeted with enthusiasm on every hand. In the case of licenses for farmers' trucks and commercial vehicles, there was a reduction in cost of 25 per cent., which means a saving of over $1,000,000 a year to some 80,000 of these commercial operators, and a corresponding loss in revenue to the government.

At the same time, there has been considerable rejoicing over the additional relief to rural municipalities in the reduction from 5 to 4 per cent. in the interest rate charged under the Municipal Drainage Act and the lowering of service charges for Hydro to farmers.

Political observers recall that even during its period of careful retrenchment, the government did much to ease conditions, one of the first steps having been to abolish the tax on school children's examination papers.

Sound Public Finance

During the coming year, it was intimated, there will be capital expenditures of $31,935,000 to provide employment, $14,587,000 going into highway extensions and $2,650,000 for public buildings. At the same time, the government is budgeting for a surplus of $2,282,000 after allowing $11,000,000 for relief.

The budget has been generally acclaimed as "an honest and sound public accounting," it being pointed out that the Province could have recorded a surplus of twenty millions instead of seven if direct relief costs had been capitalized.

A year ago, it is recalled, Mr. Hepburn made the following statement: "With the saving of interest and a consequent reduction in the cost of government, we shall be able to carry the blessings of good government into the homes of the humblest man and woman in this province."And in delivering his budget address in March, he remarked: "We turn our faces, not toward the shadows, but toward the sun, and view in that direction a brighter and happier day for this great land."

TWINS PREFER BLONDES TO BE THEIR MOTHERS

Science has found that blonde mothers have twins more often than brunettes and that the mother's age at the birth of twins is likely to be between .35 and 40.

So said Dr. Margaret Wylie, of the family life department, New York State College of Home Economics at Cornell University, recently, in summarizing some of the "findings" of various researches on twins.

Dr. Wylie, a specialist in child development and parent education, said it was not surprising that the city of Jamestown, N. Y., where she is adviser to the Cornell Twin Study Club, should have 72 sets of twins. "for approximately 57 per cent. of Jamestown's population is of Swedish descent"—in other words of the Nordic type.

Of the 27 mothers of twins comprising the Twin Study Club, 20 were over 30 when their twins were born, said Dr. Wylie.

God Save The King!

"God Save the King."

"Long May He Reign."

"God Bless Our Gracious Queen. and Members of the Royal Family."

Such were the earnest prayers of millions of loyal and devoted British subjects yesterday, on the occasion of the Coronation of His Majesty, King George VI and Queen Elizabeth, at Westminster Abbey. in London.

Thousands of persons from throughout the Empire and the entire civilized world witnessed the glorious pageantry of the Coronation procession, while countless millions in the four corners of the globe listened with humble reverence and respect to the magnificent service in Westminster Abbey.

The Coronation of Their Majesties. the King and Queen, could not help but stir in the heart of every true Canadian a deep and lasting sense of devotion, loyalty and pride. Devotion to Our Sovereign, King George VI and His Gracious Consort, Queen Elizabeth; loyalty to the British Throne, which embodies those principles of Truth, Justice, Freedom and Democracy, that are held dear by the countless millions of people who reside under the British flag; and pride in the fact that Canada, a vast and prosperous nation, is an important link in that "chain of Empire" embracing one-quarter of the whole earth.

The entire ceremony of the Coronation embraces the Christian faith. which fact causes it to hold a mighty significance to British subjects. At present the world is torn with strife and social upheaval. Entire peoples are casting to the winds their belief in Almighty God and the teachings of Jesus Christ. The British Empire stands firm in upholding the tenets of Christianity, and to its various and far-flung parts, remains the task of leading a bewildered world back from the brink of chaos and paganism.

British Sovereigns have devoted their lives to fine Christian leadership. They have constantly been concerned with the happiness, prosperity and welfare of their peoples. They have earnestly striven to maintain and further the principles of peace, and their influence has had a great effect upon the entire civilized world. We have every faith that His Majesty, King George VI will be a true son of this line of fine Christian sovereigns. In the great task which lies before the King, it is essential that all his subjects lend their faith, support and prayers.

Upon this momentous occasion in the history of the Empire, it will be the earnest prayer of all His Majesty's devoted subjects that he may be blessed with the grace of Almighty God; that he may constantly incline to His will, and walk in His way; that he may be granted health. whereby he may be better able to perform the heavy tasks imposed upon him my the state; that he may find happiness and joy in the years which lie ahead; that he may long be spared to rule over us and that his reign may witness the achievement of world peace, prosperity and good-will among men.

With sincere heart, let every Canadian, upon this great and solemn occasion, give utterance to those words which yesterday, echoed and re-echoed around the world—

"God Save the King; Long May He Reign."

"The Changing of The Guard"

Indicative of the way in which the various parts of the Empire united with the Mother Country on the occasion of the Coronation of His Majesty King George VI and Queen Elizabeth, is the fact that, for the first time in history, Canadian troops mounted guard over Buckingham Palace and St. James Palace on Sunday last. The Australians performed that duty on Monday. while the troops of New Zealand and South Africa followed on Tuesday and Thursday respectively.

The Canadians were the centre of interest for Londoners who were attracted by the unusual sight of khaki-clad troops replacing the world-famous "Guards," who wore the long grey greatcoats with bearskins. Standing guard from noon until 6 p.m., the Canadian contingent won the praise and admiration of those staid residents of London to whom "the changing of the Guard" is a familiar sight.

The true significance in the event lay in the fact, however, that the full rights of the Dominions within the British Comonwealth of Nations were given full recognition. His Majesty the King, as Sovereign of Canada, was guarded by Candian troops, and the tradition of hundreds of years torn asunder. Thus it is that the links of Empire are welded more closely together as time passes.

The Governor-General's Message

The Governor-General's message to the school children of Canada on the occasion of the Coronation is well worth reproduction. It reads as follows:

"I am glad to have the opportunity of sending a message to the school children of Canada on the occasion of His Majesty's Coronation. Our Kings have always been interested in young people. Our late beloved King George V at his Jubilee sent a special message to the children of the Empire, and King George VI, who is being crowned to-day, has for many years taken a keen interest in boys' clubs, and has often gone into camp with them in the summer. He is a young man, near enough boyhood to know how boys feel.

"I need not tell you how great a thing the British Crown is. It is more important nowadays than ever, when the Dominions have become great nations on their own account, for it is their loyalty to the Crown which unites them in one Commonwealth. So to-day, when we celebrate the Coronation, I want you to think of the Throne as the enduring symbol of our union, which sums up all the long memories of our history.

"We are proud of what our fathers did in preserving our freedom and in building up our wonderful Empire. Our fathers were loyal subjects of their Kings and Queens, and I know that you will be loyal to the same Throne and cherish the same fine traditions.

"But I want you to think of King George, too, as a human being who has a warm affection for you all. Canada is a Kingdom, and he is King of Canada, your own King, just as much as he is King of England. There is not a boy or girl in the remotest part of this Dominion who has not this personal link with the King who is being crowned in Westminster Abbey. We all have our own duties to perform in this world, and our King has more than the rest of us. But we share with him the two which are most important of all—to serve God and to serve our fellow men."

A Prediction of War

Is the world heading for war? Will the forces of Communism and Fascism clash to throw the nations into armed conflict again?

Wythe Williams, famous American war correspondent, predicts war and, moreover, he believes that the outbreak will come any time after Easter. In publishing his new book, "Dusk of Empire," he says:

"Today the clearest observers in both Europe and the United States believe that the danger period will begin about Easter, 1937. From then on through the summer the spark leading to explosion may be ignited at any hour. None of these men foresee the present precarious general peace preserved beyond 1937 or at the most the middle of the following year. All Europe today is a vast powder magazine where too many powerful megalomaniacs are playing with giant firecrackers and roman candles.—Exchange.

How Quick Can You Stop?

In a recent editorial the Collingwood Enterprise-Bulletin presented a few interesting facts for motorists that should be thoroughly digested by those who have a mania for speed when at the wheel of a car. It says:

"Have you ever given thought to the query. how quick can I stop my car. Few have, hence the interest that should be found in a recent statement in the Motor Vehicle Accident Bulletin issued by the Ontario Department of Highways. It reports that of sixty-four drivers who appeared for a hearing before the Accident Recording Division of the Motor Vehicles Branch, with one exception—an automobile mechanic—all drivers failed to appreciate the important fact that brakes do not take hold until after the driver's foot applies them, and that before this takes place there is an interval—the breaking reaction time—in which the mind must make a decision which must, in turn, be carried out by the muscles, and that the distance travelled during this interval accounts for a large part of the total stopping distance. One operator, who claimed twelve years' driving experience, expressed the conviction that from speeds of 20, 30 and 50 miles an hour he could stop in 3, 7 and 30 feet respectively. By actual test it was found that he required 42 feet to stop from a speed of 20 miles an hour. The test car used was a 1937 model. equipped with four-wheel brakes and tires in good condition."

On Church Attendance

A novel editorial on church attendance appeared in the last issue of the Smiths Falls Record-News. We quote:

"With the summer season approaching, church attendance is bound to decrease. Which inspires us to make the following unusual refrence:—

This is the way the church
sometimes looks to the pastor
when he goes into the pulpit!
The pastor would just as soon
preach to a wood-pile
as to empty benches. There is

EDITORIAL NOTES

"Six Persons Meet Death in Crossing Smash"—headline. It pays to Stop, Look and Listen at all railway crossings.

Through the courtesy of one of our subscribers, Mr. H. H. Annable of New York, the editor was pleased to receive copies of the New York Times and the Daily News, containing elaborate details and pictures of the zeppelin disaster which occurred there last Thursday.

Hundreds of local citizens were up at 4 a.m. yesterday morning in order to hear the Coronation broadcast from London, England. For the first time in history the ceremony was radioed to the world, which fact was fully appreciated by the millions of British subjects throughout the Empire.

The tragic explosion which destroyed the huge German zeppelin "Hindenburg" on Thursday last. as it neared its mooring mast at New York, reminds us once again that man's conquest of the air is not yet complete. The lighter-than-air craft have met doom with exceeding regularity during recent years.

HOW BRITONS PAY

(Brantford Expositor)

British motorists and other road users paid state levies of over one hundred and sixty million dollars last year. The average cost of licenses was $10 for motorcycles, $45 for cars and $250 for taxicabs. The residents of the United Kingdom are a heavily taxed bunch in many directions and although they still use the national privilege of grumbling they also pay up in good style.

ADD TO OUR DEBTS

(Brandon Sun)

For every Canadian who is earning money there is a mortgage on his assets, wages, profits opportunity of $1,300. When we vote at election times we give our representatives power to mortgage our ownings and prospects to pay the interest upon public debts. Only those who are on relief escape direct taxation and the workers pay their share of the taxes for them. The average debt we have incurred of this $1,300 through our Dominion, provincial and municipal governments is not all. Almost $300 more is added of other organizations. mainly railroads, guaranteed by the governments. Nearly all of the interest on this $1,600 for every working Canadian must be raised in taxes.

"BLOODIEST CENTURY"

(Baltimore Sun)

People living in this supposedly civilized age, who have come to belief that mankind had gradually been moving away from the violent and brutal social relationships of earlier eras and into an age of comparative peace and order, will be surprised and no little dismayed by the findings of a group of scholars under the leadership of Prof. Pitrim A. Sorokin, of Harvard.

According to the conclusions reached by these scholars, the first quarter of the present century was "the bloodiest period in all history." Having studied 902 wars and 1,615 "internal disturbances," reaching back over 2,500 years, they find that the "war index" for the twentieth century is "eight times" greater" than in "all the preceding centuries."

"In other words," says Professor Sorokin, "the average man of the thirteenth century had 6,5000 more chances to die peacefully in bed than has his descendant in the twentieth."

The Poet's Corner

"PRAYER FOR THE KING'S REIGN"

(By John Masefield, Poet Laureate)

O God, the Ruler over earth and sea,
Grant us Thy guidance in the reign to be;
Grant that our King may make this ancient land
A realm of brothers. working mind and hand
To make the life of man a fairer thing:
God grant this living glory to the King.
Grant, to our Queen, the strength that lifts and shares
The daily burden that a monarch bears.

Grant to them both, Thy holy help to give
The hopeless, hope; the workless, means to live;
The light to see, and skill to make us see,
Where ways are bad, what better ways may be;
And grace, to give to working minds and zest
To reach excelling things beyond their best.

Grant to them peace, and Thy diviner peace.
The joy of making human wars to cease;
Make wise the councils of the men who sway
The Britain here, the Britains far away;
And grant us all, that every rightness willed
In this beginning reign may be fulfilled.

JUST ANOTHER WOMAN!

A tournament of golf was on. He thought she'd like to see—
So asked her, and quite strange to say the lady did agree.
Though lacking knowledge of the game, and deep appreciation,
She graciously accepted it, and showed no indignation.
At last the victor, in worn garb, stood on the eighteenth green,
While all around him his well dressed admirers could be seen,
She raised her brow in sheer disgust, and up went her cute nose.
Amazed, she asked: "You mean to say he won—in those old clothes?"

—L. Myers.

SOCIETY NOTE

Don't you remember sweet Alice, Ben Bolt,
Sweet Alice, whose last name was Doyle?
Her name has been changed to Alicia, you know,
Since Dad made a million in oil!

HARD LUCK

Little Bo-Peep has lost her sleep
And even uttered curses;
The reason's that her friend's spring hat
Is just the same as hers is.

"In Lighter Vein"

"My husband has invented a perpetual motion machine."

"And does it work?"

"Yes, but now he's trying to invent something to stop the thing."

Johnny Bull—We have some very large birds in England. Why, once, while I was standing in a zoological garden, I saw a man come in on an eagle. Yankee Tourist—Brother, that's nothing. Once, while standing in a ball park, I saw a player go out on a fly!

An amateur dramatic society in Australia was giving a show, an affair with Royalty in it.

"Come," said the actor who was playing the King. "let us all go into the 'ouse."

There was a titter from the boxes. "He said 'ouse," an occupant remarked.

The actor, overhearing, turned to the offender, "Yus, I said 'ouse—do you think a King would live in hapartments?"

A very stout lady, walking through a park during an extremely hot day, observed that she was being followed by a man."

Stout Lady—What do you mean by following me?

But the man, without replying, slipped away.

Then, when the stout lady resumed her walk. she spied the man following her again, and again she accosted him: She almost fainted when she got this reply:

Man—For heaven's sake, lady, don't call a cop and chase me away. You're the only shady spot in the whole park.

On one occasion the minister delivered a sermon of but 10 minutes' duration—a most unusual thing for him. Upon the conclusion of his remarks, he added: "I regret to inform you, brethren, that my dog, who appears to be particularly fond of paper, this morning ate that portion of my sermon that I have not delivered."

After the service, the clergyman was met at the door by a man who as a rule, attended service in another parish. Shaking the good man by the hand. he said: "Doctor, I should like to know whether that dog of yours has any pups If so, I want to get one to give my minister."

ST. PAUL'S SUNDAY SERVICES

(Continued from Page 1)

up our great and wonderful Empire. Whosoever weakens the foundations of our national greatness is an enemy of God, of home and of the Empire. We all have our duties to perform in life and the two most important are to serve God and our fellowmen.

Honor all men, Love the brotherhood, Fear God, Honor the King.

In the evening a special service in honor of Mother's Day was held with the Junior choir in attendance. The youthful singers entered the church in processional singing "Home Sweet Home." Three anthems were sung in this Mother's Day program, the solo part taken by Miss Lorna Workman, and the quartette by Miss Lillian Bruce, Miss Ruth Robertson. Miss Lorna Workman and Miss Jean Robertson. Rev. Mr. Turner spoke on the subject "The nations debt to our Mothers." "The foundations of a nation's greatness rest in the homes of the people," so says Lloyd George. The home is the greatest throne of power in the world."

Touch the home and you touch the state politically. Touch the home and you touch the school educationally. Touch the home and you affect humanity itself. The home is the bedrock of our civilization. It is the place where the first lessons of law are received, where the character has direction given to it. The citizen is made in the home long before he reaches his majority. Mother's love can never fail. it has an element of the Divine in it. Divine love can never fail. God is love. That love found expression in Calvary. The radiance and warmth and beauty of that love invites us all to come to Him who is the source of all true love, for God is love. This Mother's Day cannot be complete and satisfying to us until our hearts go out to our mother's God with our mother's trust, faith, and devotion. The singing of the National Anthem and the choir marching down the aisles to the S. S. rooms closed this very impressive service.

OXFORD GROUP MEETING IN OTTAWA

All Saints' Church, Ottawa, was the scene of an enthusiastic gathering on Saturday afternoon and evening last, when many from Ottawa and vicinity who are interested in the Oxford Group movement, met there for Bible Study and witnessing. More than twenty attended from Winchester.

The outstanding speaker was Rev. Geo. A. Little, D.D., of Toronto, the editor of the United Church Sunday School publications. His Bible Study talks on Colossians were especially helpful. Rev. James Paton of Fort Coulonge, Que., presided at the afternoon meeting, and Mr. Cecil Morrison of Ottawa in the evening. At each meeting many witnessed to the effective working of God's Holy Spirit in their lives, enabling them to be used by Him in winning others for Him."

"Bridge Builders" was sung at each meeting with Mr. Frank Wellington as organist.

The minister of this church, Rev. G. C. Hepburn, with his wife, kindly welcomed the visitors. Supper was served in the Parish Hall, the catering being done by the competent staff of the Morrison-Lamothe Bakery. Rev. Dr. Milne gave a brief but timely message in the evening.

DUNDAS-GRENVILLE PRESBYTERIAL

(Continued from Page 1)

World Friends, Miss Ellice Smith, of Morewood; Literature and Press, Mrs. Ingram Cross. Chesterville; Strangers', Mrs. Morley Earle, Prescott; Temperance, Mrs. Stanley Adams, Mainsville; Intercessory Prayer, Mrs. (Rev.) W. R. Johnston, South Mountain.

The closing meditation was given by Mrs. H. L. Morrison of Kemptville.

The evening session opened with devotions by Rev. W. R. Johnston, who took for his theme the ascension of Christ. The South Mountain Choir, with Mrs. Lorne Armstrong at the organ, sang an anthem, "Sing Aloud," after which Rev. E. C. Lacey of Brinston brought greetings from Presbytery. He thanked God for the women of our church and for the great work they are doing. Mrs. D. R. Carson gave an address on "Seek ye first." "Day is Dying in the West." was sung by a male quartette, Messrs. C. Wynn, J. Gilroy, E. Barkley and J. Wood.

Mrs. A. E. Nash extended an invitation to meet in Morrisburg in 1938. This was accepted. The Branch meeting is to be held in Cornwall on May 18th, 19th and 20th.

A free will offering of $30 was given for the China famine fund at the afternoon session. The presentation of the Mission Band Banner was made to Mrs. Blanchard of Morrisburg by Miss Violet VanAllen.

Thanks and appreciation for entertainment were courteously expressed by Mrs. J. W. Ault, who, with Mrs. F. F. Davidson, was on the Courtesy Committee. Splendid meals were served to the large number present by the ladies of South Mountain. Their church was decorated most beautifully with flowers, and their dining hall with coronation flags and colors.

Mrs. Morley Earle, of Prescott, was appointed Convenor of the Nominating Committee for 1938.

Miss Read gave another address. showing what a difference the acceptance of the Christian religion has made in the African homes.

A temperance play, showing the dangers arising from the serving of cocktails in the home was well put on by three South Mountain young people.

Rev. W. R. Johnston pronounced the benediction, bringing to a close a most successful convention.

Opportunity doesn't knock around with the other knockers.

CERTIFIED TRUE AND CORRECT

Provincial Auditor

In pursuance of a promise made during the Third Session of the Nineteenth Legislature of the Province of Ontario, I take this opportunity of publishing, for the information of the citizens of Ontario, the above financial report, together with this announcement as to the plans of the Government for passing on to the people certain benefits made available by reason of the surplus of $9,313,938.54, realized last year;—

MUNICIPAL DRAINAGE AID AND TILE DRAINAGE DEBENTURES

A reduction in interest on Municipal Drainage Debentures and Tile Drainage Debentures effective April 1, 1937, from 5 per centum to 4 per centum.

PASSENGER MOTOR CAR LICENSE FEES

A substantial reduction in passenger motor car license fees will be announced before October 15 next.

LICENSE FEES ON COMMERCIAL VEHICLES

Effective on November 1, 1937, when the 1938 permits will be available, there will be a reduction of 25 per cent. in the fees to be charged for the registration of all farm trucks and all other commercial motor vehicles and commercial trailers.

The approximate annual saving will be $1,000,000.00 to the operators of commercial vehicles.

PROVINCIAL SUBSIDY

The Provincial Government will pay, by way of a grant, to every city, town, village and township of the Province a sum representing the equivalent of one mill on the dollar of their respective assessments for general municipal purposes. This grant is made unconditionally but in the expectation and with the intent that the amount shall be passed on to the taxpayers of every community by a reduction of one mill in the general municipal tax rate. This subsidy will amount, in the aggregate, to the sum of approximately $3,000,000.00.

ROAD SUBSIDIES TO TOWNSHIPS

The 313 Townships which have in the past received subsidies of less than 50 per cent. will enjoy an increase to 50 per cent.

The annual benefit to the 313 Townships will be approximately—$300,000.00.

OLD AGE PENSIONS AND MOTHERS' ALLOWANCES

To further take the burden off real estate, the Provincial Government will assume the municipalities' share of Old Age Pensions and Mothers' Allowances.

This will enable the municipal councils to reduce their taxation by approximately $3,500,000.00 per annum.

PENSIONS FOR THE BLIND

The Province will assume the municipalities' share of the cost of this social legislation. It is estimated that the municipalities will therefore save approximately $100,000.00 per annum.

AMUSEMENTS TAX

Effective June 1, 1937, the Amusements Tax will be totally abolished. As over 80 per cent. of the amusements tax is collected from admissions of 25 cents or under, the benefit, largely to citizens of lesser means, will amount to $1,500,000.00 for the year 1937.

THE fishing season is here. Some of us are on our local streams or lakes at sunrise. Others are speeding along the highways to other states. But no matter where you are fishing, your mind, sooner or later, turns to lunch. Here are a few suggestions that should appeal to you:

Trout—Fried on the Spot

Clear away underbrush before making your fire. Let fire burn until you have a bed of live coals. Clean trout (or other fish), dry, sprinkle with salt and pepper, dip in bread crumbs or flour, then in egg, and again in crumbs or flour, and fry in deep fat.

Date Nut Loaf

3 cups sifted cake flour
3 teaspoons double-acting baking powder
¾ teaspoon salt
½ cup brown sugar, firmly packed
½ cup chopped walnut meats
1 cup finely cut dates
1 egg, well beaten
¾ cup milk
4 tablespoons melted butter or other shortening

Sift flour once, measure, add baking powder and salt, and sift again. Add sugar and mix well. Add nuts and dates. Combine egg, milk, and shortening; add to flour mixture and blend. Bake in greased loaf pan, 8 x 4 x 3 inches, in moderate oven (350° F.) 1 hour, or until done.

What to Drink

All cold water is not necessarily pure. Even streams near their origin may be contaminated. It is wise to take your own beverage, or to boil and cool water from untested streams. Take a few cans of unsweetened Hawaiian pineapple juice with you. As soon as you have parked your car dig a hole in the sand at the edge of the stream and bury these cans. By lunch time the juice will be ice cold and an ideal drink to serve with your nut loaf.

NOTICE TO CREDITORS

FAIR AND WARMER

Old Sol surveyed the landscape from on high
And reminisced with twinkle in his eye:
"The English climate causes me despair
'Twixt mist and vapor hanging in the air
Distraught am I to penetrate the fogs
That ruin trappings and the pretty togs;
'Tis plain to see the forecast calls for rain
With lower temperature the old refrain;
At this momentous period of time
All nations shaking hands, suave and sublime,
The damp and chilly weather I'll delay
And do my best to pave the royal way;
A path of sunshine I will spill today
For Coronation on this twelfth of May!"
Florence Gould.

Hints for the Household

HELPFUL HINTS

Q.—How can I keep the pins from falling out when fitting a dress?

A.—If small safety pins are used when fitting a dress, instead of ordinary pins, they will not fall out as the other pins are inclined to do.

Q.—How can I clean the felt in the bottom of the silverware drawer?

A.—Try placing the drawer on the floor and cleaning with the proper attachment of the vaccum cleaner.

Q.—How can I remove the brown stains on dishes that have become scorched or burnt?

A.—Let them stand for a day in a solution of borax water, then wash with soap and water, and the stains will disappear.

Q.—How can I keep paint if the lid of the can has been thrown away?

A.—Try pouring melted paraffin over the top of the left-over paint. This will preserve the paint and keep it soft until ready to use again.

Q.—How can I heat the gas oven more quickly.

A.—It will heat far more quickly if after the gas burners have been burning for about two minutes the oven door is opened just for a second to let the moist air escape.

Q.—How can I clean matting?

A.—Do not use soap for cleaning matting. Cold water and ammonia is a much better agent.

Q.—How can I make the beads slip on more easily when stringing them?

A.—When stringing beads, dip the needle in water frequently. The beads will slip on more easily and will also cling together.

Q.—How can I lessen the odor of boiled cabbage?

A.—Boil two or three stalks of celery with the cabbage. This will lessen the odor and also improve the flavour.

Q.—How can I polish tinware?

A.—By rubbing briskly with a freshly cut piece of onion.

Q.—How can I keep the hands from perspiring while sewing?

A.—When the hands perspire while sewing, keep a dish or pan of bran nearby. Rub the hands with a little bran from time to time, removing with a clean towel.

Q.—How can I make poached eggs hold together?

A.—By adding a half teaspoonful of vinegar to the water.

Q.—Should a baby be allowed to use a so-called pacifier?

A.—One authority says that a child should not use a pacifier, as it strains the muscles of the throat, causes adenoids and spoils the contour of the baby's mouth.

A Small Cork

stuck in the end of a hollow curtain rod prevents the difficulties which usually arise when a rod is run through a freshly laundered curtain.

For Ice-box Cookies

an ice cream carton makes an ideal mold. Press the mixture in firmly and put on the cover. When wanted. simply tear away the cardboard and you have a perfectly shaped cylinder ready to be sliced. By using small cartons one batch of dough can be conveniently stored for several bakings.

To Keep Biscuits Hot

during a meal, I put my casserole into the oven to heat at the same time the biscuits are baking. Then when the biscuits are done I transfer them to the hot casserole. leaving the cover slightly ajar to let the steam escape, and set the casserole on the table. The last biscuit is nearly as hot and delicious as the first, and no one has to leave the table to bring in an extra supply from the oven.

For Planting Small Seeds

I save empty talcum powder cans. The seeds of such plants as lettuce, carrots and onions shake out readily, while for others which are slightly larger, the holes in the shaker top may be easily enlarged. The seeds can be sprinkled evenly in the prepared ground without loss of time or waste of seeds.

My Felt-Covered Tables

were so worn and moth-eaten that I was really embarrassed when using them, yet, because the frames were still good. I did not feel that I could discard them. I pulled off all the felt from its foundation, painted the top with liquid glue, and smoothed on a gaily colored, damask-finished oilcloth. Using a nut pick I carefully pushed the oilcloth back into the crevices between the frames and tops, making a neat finish. Now at a trifling expenditure, I have card tables which are the admiration of my friends.

COST OF CORONATIONS

The Coronation of recent monarchs have cost the treasury:

George IV, 1821	£238,000
William IV, 1831	42,000
Victoria, 1836	69,000
Edward VIII, 1902	193.000
George V, 1911	185,000
George VI, 1937	524,000

The amount estimated includes decorations in Westminster Abbey and decorations for the processional route, floodlighting of public buildings, and a hundred and one other expenditures that arise inevitably.

ST. PAUL'S LADIES' AID

St. Paul's Ladies' Aid held their May meeting at the home of Mrs. R. M. Elliott, the president, Mrs. Edgerton, presiding. After the opening hymn, Mrs. Wm. Johnston remembered our bereaved members in prayer, after which the Secretary and treasurer gave their reports. Mrs. Agnes Smith and Mrs. Johnston reported that the work they had been doing on the curtains in the S. S. Rooms was nearing completion. It was decided, unanimously, to do as last year, to make a canvass instead of holding an Anniversry Supper, the same canvassers volunteering to do the work. A committee was appointed to purchase some furnishings for the church and Sunday School rooms. Mrs. Chester Robinson and Mrs. Angus were the Flower Committee for Coronation and Mother's Day Service. The meeting closed with the Doxology, after which dainty refreshments were served by the hostess. A hearty vote of thanks was tendered Mrs. Elliott and Helen by Mrs. Wm. Johnston for their kind hospitality.

OBITUARY

LATE MRS JOHN ROBERTSON

Impressive tribute was paid to the memory of the late Mrs. John Robertson at the funeral service which was held this afternoon at the local Baptist church, and conducted by the pastor, Rev. H. Wood. The choir was present under the direction of Mrs. Clarke McKendry and led in the singing.

Following the service, interment took place at Maple Ridge Cemetery. The pall bearers were: Messrs. Joseph Robinson, Herbert Faith, Andrew Brown and George Earle.

The late Mrs. Robertson, whose maiden name was Elzina Bilow, was born in Winchester township 76 years ago, a daughter of the late Daniel Bilow and his wife, Vennish Billingsley. Following her marriage to John Robertson nearly 50 years ago, she took up residence in Winchester, where she was held in high esteem by a large circle of friends who will regret her passing, which occurred early Wednesday morning, following a prolonged illness.

Besides her husband, she leaves two sons, Albert Robertson of Ottawa, and Robert Robertson of Winchester; two daughters, Mrs. Charles Marcell of Chesterville, and Mrs. Osborne Summers of Massena, N. Y.; one brother, Ward Bilow, of Morewood, and three sisters, Mrs. James Hanes of Ottawa, and Mrs. Angus Coons and Mrs. Mildren Baker of Winchester.

LATE MRS. PETER McPHAIL

There passed away at the Ottawa Civic Hospital on Wednesday morning, one of Ormonds most highly respected citizens in the person of Mrs. Peter McPhail. Deceased had been in poor health for some time and was a patient in the hospital for the past two months.

Mrs. McPhail, who was the former Mary McDonald, was born at Ormond 72 years ago, a daughter of the late Allan McDonald and his wife, Henrietta McLean, both pioneer settlers of the district. She was married to Peter McPhail 45 years ago.

The late Mrs. McPhail was a member of Ormond Baptist church and during her younger years took an active part in the work of the Baptist Women's Mission Circle.

Besides her husband, she leaves one sister, Mrs. C. E. Alford of Chaffey's Locks, and two brothers, Peter A. McDonald and John D. D. McDonald, both of Ormond, also her nephew, Kenneth McIntosh, who resided with her.

The funeral will be held from her late residence to Ormond Baptist church on Friday afternoon. Rev. G. I. Burns will conduct the service and interment will be made in Ormond cemetery.

WEDDINGS

MISS MARGUERITE FLORA IS BRIDE OF MR. F. THOMPSON

An attractive home wedding ceremony took place at the residence of the bride's brother and sister-in-law, Dr. and Mrs. W. S. Flora, 421 Huron avenue, Ottawa, at half past ten o'clock on Thursday morning last when Miss Marguerite Muriel Flora, Reg. N., only daughter of the late Mr. and Mrs. L. Flora of Winchester, was united in marriage to Mr. Frederick Craig Thompson, of Ottawa, son of Mr. and Mrs. Benjamin Thompson, of Cantley. Que.

Rev. John A. Waddell, minister of the Western United church, Ottawa, officiated, the bridal party standing underneath an archway formed of ferns, plum blossoms, Calla lilies and forsythia.

Miss Clare Thompson, sister of the bridegroom, presided at the piano playing the wedding music most effectively and during the ceremony a vocal solo, "Because," was contributed by Miss Evelyn Miller.

Given in marriage by her brother, Mr. Leon L. Flora, the bride was attended by her niece, Miss Ann Flora, as bridesmaid. Mr. Edwin Vowles attended the bridegroom as best man.

The bride wore a smart travelling costume of navy blue material and a navy blue felt hat with a band of the new red earth shade. A shoulder knot of gardenias was worn.

The bridesmaid was wearing a black and white ensemble with a large felt hat of Alice blue shade in bonnet style. Yellow roses and blue delphiniums in a corsage bouquet were worn.

Following the ceremony, a small reception was held and later Mr. Thompson and his bride left on a motor trip to Montreal and Quebec.

Guests from out-of-town included Dr. and Mrs. Fred Flora, and Miss Ethel Harrison of Toronto; Mr. and Mrs. Harry L. Flora, Miss Margaret King and Mrs. R. L. Suffel of Winchester; and Mr. and Mrs. Mark Thompson of Cantley, Que.
