Mrs. Milton Durant, of town, received the sad news on Thursday last that her son, Pte. Dwight Franklin Durant, had been killed in action while fighting with the Canadian Forces in Italy. Severely wounded, he died a few hours later. At the time of his death, Pte. Durant was attached to the Princess Pats Light Infantry. He went overseas in July, 1943, and was transferred to Italy last January.

Born in Winchester Township on November 25th, 1922, he was in his 22nd year. Prior to enlistment, he had always resided in this district.

Besides his mother, he is survived by four brothers, Pte. Lyle Durant, on active service in France; Milford Durant, who resides in Saskatchewan, and Warren and Mason, of Winchester; five sisters, Mrs. Lyle Utman, of Mountain; Mrs. Ronald Cornell, of Morrisburg; Mrs. Kenneth Casselman, of Chesterville; Mrs. Cecil McCooeye, of Ottawa, and Audrey, at home.

ONTARIO LIQUOR RATION INCREASED ON MONDAY

Announcement was made on Monday by the Ontario Liquor Control Board of doubling of the ration to 26 ounces.

The Board's announcement of the decision to raise the ration from 26 ounces for two months to the same quantity for a single month, is being made in a series of newspaper advertisements, one of which appears in this issue of the Press.

The new ration becomes effective for October, and stocks in the Board's warehouses have accumulated to a volume which will adequately cover the heavy Christmas and New Year demands.

Rifle Wanted In Murder Case Found In Chesterville

The .303 caliber service rifle sought in connection with the slaying of Mrs. Austin Smith at Ipperwash, near London, Ont., two weeks ago, has been found at Chesterville, it was stated on Monday at provincial police headquarters, Toronto.

Squads of provincial police have been searching various parts of the province for the rifle which was located by Inspectaor George McKay and Inspector Ward Kennedy of the criminal investigation department.

Pte. William Stata, of Toronto and Chesterville, charged with murder in the death of Mrs. Smith, now is in custody at Toronto and will appear at Sarnia Thursday for preliminary hearing.

The .303 rifle was taken from a military camp where Stata was in training and is believed to have been the weapon used in the murder.

NOTICE TO MEMBERS OF THE CANADIAN LEGION

For the purpose of attending and taking part in a Memorial Service, to be held at Chesterville at 2.30 o'clock on Sunday afernoon, all members of the local branch of the Canadian Legion, War Veterans and Service men, are asked to assemble at the Legion Hall,, Winchester, at 1.30 p.m. on Sunday.

Members of Winchester Legion are also urged to attend an important business meeting in the Club Rooms tomorrow (Friday) evening, at 8 o'clock.

Municipal Council Met On Monday

The regular meeting of the Municipal Council was held in the Council Chambers on Monday evening, with Reeve Albert Turner presiding and the following members present: Councillors John Fader, F. Erle Helmer, Walter C. MacDonald and Chester Robinson, and the clerk-treasurer, Mr. E. M. Shaver.

In addition to passing several municipal and Hydro accounts for payment, the meeting was devoted mostly to discussion on some important questions.

Regarding the hospital matter, Reeve Turner reported that he had interviewed Hon, Geo. H. Challies, local M.L.A., to ascertain what could be expected in the way of a grant if the hospital was established. Mr. Challies was unable to give him the necessary information until he had conferred with the Minister of Health, who will be absent from his office for a few days. One thing he did learn, however, was that any building, whether a new one or one that was to be transformed into a hospital, would have to be inspected and passed by the Department of Health. When the necessary information has been obtained, a public meeting of citizens will be called to discuss the matter.

As the local branch of the Canadian Legion is contemplating the building of a Legion Memorial Hall, Council was asked for permission to erect the building on the old Play Grounds on Caleb Street. Councillors Fader and Helmer were appointed to interview Mr. Oland Beach of Ottawa, and see if it was possible for the municipality to get the deed of this property. If this can be arranged, the Legion will be granted permission to proceed with their hall and transform the grounds into a park.

The clerk was instructed to have an advt. inserted in the Press, requesting local citizens not to place garden refuse, such as corn stalks, shrubbery, etc., out for the garbage collector.

Reeve Turner announced that at the next meeting Council would decide on what Winchester would do on "D-Day," the day the war ends. Tentative plans call for the closing of all business places and the holding of a church service for the purpose of thanksgiving.

L.A.C. Harold Harper Feted By Friends

In honour of L.A.C. Harold Harper, who has been on furlough here, prior to departing for overseas service, Mr. and Mrs. Peter MacGregor entertained a number of relatives and friends at their home on Church Street, last Wednesday evening. Those present were: Mr. and Mrs. Don. Harper and son, Reggie; Mr. and Mrs. Myles Harper, Mr. and Mrs. F. Hutt, Mrs. Wm. Lennex, Mr. and Mrs. Norman Harper, Eileen and Erma; Miss Iris Summers, Miss Annalea MacGregor, Mrs. J. Annable, and Messrs. John Hare and Charlie Coulthart.

The evening was spent in social intercourse, after which refreshments were served. At an appropriate time, the guest of honour was presented with a purse by Mrs. Donald Harper, while Miss Annalea MacGregor read the following address:

Winchester, Ont.,
September 29, 1944.

Dear Harold:—

We, a few friends and relatives, have gathered here to-night to bid you 'au revoir' before leaving us for a foreign land where chaos and destruction reigns. Although we realize it is a great honour to fight for one's country, especially when it is a democratic one, yet it requires a great deal of courage to leave our loved ones and go abroad into a field of battle. When we think of those who have paid the supreme sacrifice and others who have been wounded, to give us freedom, sometimes it is hard to face this thing with our chins up, but nevertheless we must put our trust in God and carry on.

If ever you are lonely or discouraged, just remember we are always thinking of you and waiting for that glorious day, in the not too distant future, when you return again to our midst.

As a slight token of the high esteem in which we hold you, we ask you to accept this gift, and also our anticipation for all good luck and fortune to a bright and happy future.

L.A.C. Harper, who was taken by surprise, thanked those present for their kindness on the eve of his departure for parts unknown.

Honoured By Friends On Monday.

On Monday evening, a number of Harold's friends assembled at the home of Mr. and Mrs. Wilfred Brown, Cass Bridge, to tender him a farewell party. During the evening a money belt and purse of money was presented to him on behalf of those present by Mr. Brown, while the following address was read by Randall Wylie:

Dear Harold:—

Having learned of your intended departure from this fair country of ours to some tropical land, we, a few of your many friends, have gathered here this evening to extend to you best wishes for a safe journey, progress in your work, and an early return to your home and loved ones.

Although we regret that you will be absent from among us for some time, yet we are proud that you have seen fit to serve your country in a most worthy cause.

We have found you to be a true friend, always ready and willing to do your share and lend a helping hand wherever needed.

On behalf of this gathering, we ask you to accept this gift as a slight token of remembrance of the good times we have had, and may it serve as a reminder of true friends "back home."

Harold replied to the address and thanked his friend for their kind remembrance.

The evening was spent in games, music and social intercourse, at the close of which dainty refreshments were served.

Illustrated Lecture Enjoyed.

On Friday afternoon last, the staff and students of the W. H. S. had the pleasure of listening to an illustrated lecture, given by Dr. Wm. R. Quinn, a returned Medical Missionary. His talk was both interesting and instructive and the school appreciated it very much.

War Savings Stamps

War Savings Stamps sales at the school this week amounted to $18.25. When we look back at some of last year's weekly totals for the W. H. S., when teachers and students were purchasing over $40.00 worth of stamps each week, the present sales appear to be slumping. Come on students, we can do better than this—yes, much better—the war is still on, you know.

Rugby Team Defeats Kemptville

Last Friday afternoon the W. H. S. rugby team journeyed to Kemptville to play an inter-school game there. The locals were in fine fettle and emerged with a 6-0 victory.. Students who make up the local team are: Jas. Carlyle, Captain; Duane Justus, Lloyd Allison, Keith Fawcett, Dean McEwen, Reg. Workman, Harry Keyes, Stuart Holmes and Bill Crummy.

The first games to be played on the local gridiron will take place on Friday, October 13th, when both Kemptville's Seniors and Juniors will play teams from the W. H. S.

Manpower is winning this war, and the wise politician is the man who will remember that during the first post-war election.

Garbage Notice

Local householders are asked **not** to put out for collection any refuse, such as corn stalks, shrubbery, potato stalks, or other dead garden material. This kind of refuse can be left to dry and then burned on your own premises. The garbage collector is not obliged to collect the refuse stated above. If this practice is continued, the cost of collecting garbage would be away out of proportion to the service rendered to the general public. Please do not expect the collector to remove any material that can be destroyed by burning on your premises.

PARENTS, WHERE ARE YOUR LITTLE CHILDREN?

Records compiled by the Dominion Fire Commissioner show that 35 small children met their death by fire in 1943 in Canada when left alone in their homes. Eight others died as the result of playing with matches. Altogether, 149 children perished by fire last year in Canada.

These tragedies are reported day after day in our daily papers, but beyond those immediately effected they do not seem to make much impression on the general public. Parents still insist on going out of their homes and leaving helpless little infants to fall prey to flames from overheated stoves and pipes. Others will leave children of two or three years of age alone, with matches within easy reach of their inquisitive hands. Many parents say they would never get out to a movie or for other relaxation if they had to depend on getting someone in to look after their children these days. Wartime conditions have made this safeguard a very difficult one, they contend. What a price many have had to pay for a few hours of borrowed pleasure! Hearts that will remain saddened for a lifetime because of their neglect! Parents, if you truly love your children and if you assume your full responsibility in regard to their welfare, you will not leave your small helpless children alone in your homes to become the victims of the fire demon. Always make sure that there is some responsible and competent person left in charge of them or take them with you. Educate your children in the dangers of playing with matches or bonfires. Keep matches well out of their reach. Children can be taught fire prevention principles with very little effort. Therefore, lose no opportunity to safeguard your children against the ravages of fire.

Next week, October 8-14, is being observed throughout Canada as Fire Prevention Week, and anything that can be suggested to reduce the cause of fires should be done without reservations.

ROBOT BOMBS TAKE HEAVY TOLL

The toll in casualties and property damage caused by the Flying or Robot Bomb, first launched against the British Isles in June of this year, has been tremendous, according to a report sent out by the British Information Services. From the beginning of the robot bomb attacks up to the end of August, 21,000 persons were killed and over 100,000 injured. About 92 per cent. of the casualties occured in the London area. During the same period, 149 schools, 111 churches and 98 hospitals were damaged, many completely destroyed. Over 1,000,000 homes were damaged or destroyed. Among the well-known buildings damaged were: Hampton Court Palace, Royal Naval College, Greenwich; Royal Lodge, Windsor; Guards' Chapel, London; Shoreditch Church; Tyburn Convert; Lincoln's Inn, Patent Office, Australia House, Moorefield Eye Hospital, Royal Free Hospital, St. Thomas Hospital, Dulwich Art Gallery and Dulwich College.

The cost of clearing up or greatly reducing the flying bomb menace, since last August, has been heavy. Over 100,000 tons of bombs were dropped over launching sites and experimental stations along the European coast. On these operations Britain and U. S. Air Forces together lost nearly 450 aircraft and approximately 2,900 pilots and aircrew.

The above facts and figures may be startling, but just think of what would have been the result if Germany had been able to use these robot bombs at the start of the war.

THE WAR IN ITS SIXTH YEAR

After five frightful years, brutal, bloody, terror-filled years, the war in Europe—we all sincerely hope—is drawing to a close. We have been warned, however, not to be too optimistic or to display too much over-confidence, by Prime Minister Churchill, who has intimated that it may take several months in 1945 before Germany is defeated. Then we must turn the full might of our armed services towards Japan before the world will again be at peace. To whip Japan, military experts tell us that the task will require, at the very least, 18 months after Germany is defeated. We should, therefore, prepare ourselves for at least two more years of war, and that's not a pleasant thought.

We are now entering the sixth year of war, and in case you have forgotten the dates of some of the important events which took place during that time, and previous to the outbreak of war, we enumerate the following:

EDITORIAL NOTES

Next Monday, October 9th, is National Thanksgiving Day. Let us observe it with much thankfulness, for we, as Canadians, have indeed much to thank a kind Providence for.

Don't forget that the deadline for mailing Christmas boxes to the boys overseas is fast approaching. If you haven't sent yours yet, don't delay—the boys at the fighting fronts will certainly appreciate your thoughtfulness.

An army captain wounded in Italy and saved by blood serum declares that the blood given by patriotic Canadians is saving thousands of lives. Of that there is increasing evidence from day to day. The blood donor is playing an important, inconspicuous but nevertheless vital part in the war.

German prisoners of war in Canada prefer to stay here after the war rather than return to Germany. Canada has no room for this class of citizen at the present time and besides they are needed in Europe to repair the damage they have caused their neighbours.

Other Editors' Opinions

EDUCATION COMES FIRST
(Wolfville (N.S.) Arcadian)

It is necessary to restrain in both parents and children the impulse to forego the child's schooling for the temporary well-paid job. Wages cannot be considered good if the young person should damage his health and future prospects.

QUEBEC WON'T LIKE IT!
(Carleton Place Canadian)

A new national flag for Canada has been designed by a Toronto business executive. It is composed of a Union Jack with nine red maple leaves (one for each province) in the upper left corner against a white background. What, no Fleur-de-lis?

HITLER MISSED BUS
(Chicago News)

Poor old Chamberlain's crack that "Hitler missed the bus" (in the Norwegian campaign) cost him his political life, but if he was wrong on the event, he seems to have been right on the man, for Hitler has had more near-misses than almost any would-be conqueror in history. Almost over Britain, almost at Moscow, almost on the Volga, and almost on the Nile—what a record!

ON THE SLY
(Almonte Gazette)

It would be silly to sermonize on the impossibility of enforcing such a law as prohibition when a majority of the people are not in favor of it. Even the drys recognize that fact although they won't admit it. Nor will they admit that many of the poor fellows who were bullied into voting against a liquor store and beer warehouse enjoy a drink themselves—strictly on the sly.

FURTHER CLARIFICATION NEEDED
(Renfrew Mercury)

In these days of speedy divorces, the announcement made at the eleventh General Council of the United Church of Canada that it has been agreed that any minister may secure from the Civil Courts a legal annulment of his marriage without affecting his status as a Minister of the United Church seems to indicate a modernistic trend that calls for a little further clarification.

TRUE ENOUGH
(Smiths Falls Record-News)

There has been a hint that the Federal Government contemplates reducing the hours of civil service to 6 1-2 hours per day, due to the terrific "war" strain on the personnel. The alleged strain may be fact, but Canadians, in general, desire NOT a decrease in working hours, but a reduction in civil service personnel presently employed at Ottawa. It will help relieve the "strain" of the taxpayers.

PRESS SUPPORT!
(Brockville Recorder & Times)

A recent survey lists 617 daily newspapers in the United States favoring Dewey in the presidential election as against only 220 supporting Roosevelt. That circumstance, however, may have as little bearing on the result of the voting as did the somewhat similar set-up at the time of the 1940 contest when Willkie enjoyed much stronger daily press support than that accorded Roosevelt but nevertheless fell far short of securing election,

A SOFT PEACE?
(Christian Science Monitor)

It was noted at the close of World War One that 70 per cent. of all U. S. Army casualties, numbering almost 250,000, occurred in the weeks after the High Command had advised the Kaiser the Germans could not win. While the Kaiser clutched at straws, Allied losses unnecessarily mounted.

The German General Staff, which operates on the same slide rule today as it did 25 years ago, has long since made its readings. Hitler compels the war to continue while he prates of secret weapons.

There is not much in this situation to cause the Allies to feel that the German people, so docilely doing their master's bidding, are better than their leaders. It should not encourage German expectations for a soft peace.

Our Column

Synonyms—wiped out, liquidated, mapped up, annihilated, accounted for, taken care of—bumped off.

In the long run a man's truest friends may prove to be people who had warned him against his friends.

Whenever we feel too optimistic, we review the various post-war plans. Our optimism soon vanishes.

It is nearing the time of year when if you listen to your neighbour next door putting them on you will understand why they call them storm windows.

We noted a press report describing the Siegfried line as full of traps—what else could be expected with so many Nazi rats about.

A philosopher says we are not what we think we are; we are what we think. Well, then, if we are what we think we are, we are, are we not, or are we?

Toronto Star headline says Nazis are "closing up" in Italy. And it wouldn't surprise us to see the Siegfried line soon have a sign "going out of business."

If a feller has a good wife, a good | can have about all the happiness digestion and a clear conscience he | there is in this world.

FARMERS! WILL YOU HELP THIS WINTER?

If you are not required on the farm this winter you should take other work.

Extra winter workers are needed for woods operations—logging and pulpwood and fuel cutting — base metal mines, coal mines, meat packing and cold storage, grain handling, railway track maintenance, iron foundries and other high priority occupations, varying with the area.

Please offer your services to:

The nearest Employment and Selective Service Office; or

The nearest Provincial Agricultural Representative; or

Your Local Farm Production Committee.

A good response to this appeal is important to Canada's welfare — please act immediately.

Postponement of Military Training continues while in approved essential work off the farm.

Mr. Burchell expressed thanks for he and his bride, and all joined in singing "For They Are Jolly Good Fellows."

A nonsensical questionaire was put on by blind folding the school board who questioned the bride and groom. The pupils then formed in line and as they passed their teacher they shook hands and he presented them to Mrs. Burchell.

At the close of a very pleasant evening lunch was served by the older pupils of Ventnor School.

Late Mrs. Edward Whalen

The funeral of the late Mrs. Edward Whalen was held on Thursday morning from McEvoy's Funeral Parlors in Ottawa to the Roman Catholic Church on the River Road for service at 9.30. Mrs. Whalen's death, following a long illness, occurred at the home of her sister, Miss Molly Kerwin, Ottawa.

Mrs. Whalen was born at South March, a daughter of the late Mr. and Mrs. Edwin Kerwin. After her marriage to Mr. Whalen, they moved to a farm at Kars and became highly respected citizens of that community. Besides her husband, she is survived by three sons, Cpl. Desmond, of Newfoundland; W.O. Wilfred, overseas, and William, at home; also three daughters, Mrs. Bernadette Kavanaugh, of Toronto; A.W. Monica, of the R.C.A.F., Aylmer, Ont., and Doreen, at home; two daughters-in-law, Mrs. Ambrose Whalen, Montreal, and Mrs. W. Whalen, Ottawa, and one sister, Miss M. Kerwin, Ottawa. Another son, Flt. Sgt. Ambrose Whalen, was killed overseas in 1943.

Burial took place in the cemetery adjoining the church.

JUNIOR FEDERATION OF AGRICULTURE

The Matilda Section of the Junior Dundas County Federation of Agriculture held a very successful Rally in the Community Hall, Brinstons, recently, when over 65 farm young people met to become better acquainted and to enjoy an interesting talk by Rev. Mr. Beattie, of Hallville. Gordon Wragg, of Chesterville High School, provided a very interesting hour of recreation. Landon McInnis, Pesident, outlined the purpose of the organization.

A group of young people from Grenville County attended for the purpose of learning the aims of the organization with the intention of starting a similar one in their county.

Next Rally will be held in Chesterville on October 5th when Mr. Chas. McInnis, of Iroquois, will be the guest speaker.

Canada is indeed fortunate in possessing a weekly press which is capable of rendering great patriotic service at such a time.

Announcement of change in Spirits Ration

EFFECTIVE OCTOBER 2nd, 1944

COMMENCING October 2nd, 1944, and until further notice, every individual permit holder will be permitted to purchase monthly one bottle of spirits (25 or 26 ounces) or two half bottles as available.

As a result of the restrictions imposed by the Dominion Government under the Wartime Alcoholic Beverages Order P.C.11374, it was necessary to reduce the monthly ration of spirits to 13 ounces to assure adequate supplies of spirits until the end of the year. In increasing the ration it should be explained to the public that unless the restrictions imposed by the Dominion Government are removed a similar restriction will be necessary again next year, although the Board, except for the Dominion Restriction, would be able to make available for distribution stocks of spirits in excess of the present ration.

In any event, however, the ration becoming effective on October 2nd can be maintained throughout the winter months, so it is hoped that the public will co-operate by not buying in excess of actual requirements.

THE MIXING BOWL

By ANNE ALLAN
Hydro Home Economist

Hello Homemakers! Skip Thanksgiving? Surely not now, when it takes on new significance as a symbol of all we are fighting to preserve. Make it a festive occasion; but celebrate it, too, as a patriotic rite preserving the ideals of freedom and democracy.

Invite a boy or girl in uniform so they may carry away cherished memories of a happy Thanksgiving at your home.

Roast Turkey

Use covered roast pan. Add no water. Put butter wrapping paper over the breast of the fowl. Use a preheated electric oven at 300 deg. Allow 30 minutes per pound for 8 to 10 pound turkey. Allow 20 minutes per pound for 10 to 15 pound one; 18 minutes per pound for 15 to 18 pounds.

Special Fowl Stuffing

4 cups diced celery, 2 cups water, 1-2 cup diced onion, 1-2 cup butter, 1-4 cup baking fat, 4 qts. of soft bread crumbs, 6 tsp. sage leaves, 1 tbsp. salt, 1 tsp. pepper, 1-2 cup of chopped peanuts.

Simmer celery in water until tender. Cook onion in fat. Mix ingredients together, along with celery liquid.

Golden Pumpkin Pie

1 (9") unbaked pie shell,' 1 1-2 cups cooked pumpkin, 1-2 cup of granulated sugar, 2 tbsps. flour, 1 tsp. cinnamon, 1-4 tsp. nutmeg, 1-4 tsp. ginger, 1-2 tsp. salt, 1-4 cup corn syrup, 1 1-2 cups milk, 2 eggs, beaten.

Heat strained pumpkin in a saucepan over medium heat for 10 minutes, stirring frequently. Meanwhile, combine sugar, flour, spices, and salt. Stir in heated pumpkin and remaining ingredients; then beat with egg beater until smooth. Pour into pie shell, and bake in electric oven of 425 deg. for 40 minutes or until a knife inserted comes out clean.

Note 1: Three pounds raw pumpkin yields about three cups cooked, mashed pumpkin.

Note 2: You may substitute 1 1-2 tsp. mixed cake spice for cinnamon, nutmeg and ginger in this recipe. Or 1 1-4 tsp. allspice may be substituted for cinnamon and nutmeg.

VARIATIONS:

Orange Pumpkin Pie

Substitute 1-2 cup orange juice for 1-2 cup of the milk in the Golden Pumpkin Pie. Add 1 tbsp. of grated orange rind.

Apple sauce Pumpkin Pie

Make Golden Pumpkin Pie. Just before serving, spread with 1-2 cup of warm applesauce.

Squash Pie

Make Golden Pumpkin Pie, substituting cooked squash for pumpkin.

Potato Puff

3 cups mashed potatoes, 2 tbsps. of butter, 1-4 tsp. salt, few grains cayenne, 1 tsp. parsley, 1 tsp. onion, chopped, 3 eggs.

Mix potatoes with butter, parsley, salt, cayenne and onion. Add beaten egg yolks. Fold in stiffly beaten egg whites. Pour into greased baking dish and heat in electric oven at 350 deg. for 20 minutes.

Egg Plant

Pare egg plant, cut in thin slices, sprinkle with salt and let stand under a weight for 1 1-2 hours to extract juice. Drain off liquid and sprinkle with flour, dip in beaten egg, diluted with 2 tbsps. water, and season with 1-2 sp. salt and 1-4 tsp. pepper. Cover with fine bread crumbs and fry in baking fat, browning on both sides.

Tip Top Ginger Cake

3-4 cup butter or shortening, 1-2 cup molasses, 1-4 tsp. salt, 1-2 cup of white sugar, 2 eggs, 1 1-2 cups pastry flour, 1 tsp. ginger, 1-2 cup of cold water, 1 tsp. soda, 1 tsp. cinnamon.

Cream butter or shortening, and sugar; add beaten eggs. Combine soda and molasses and add to egg mixture. Sift flour with ginger, cinnamon and salt, and add alternately, with water to egg mixture. Place a layer of peaches in a greased baking dish and sprinkle 2 tbsps. of brown sugar over them. Pour batter on top. Bake in electric oven at 350 deg. for 35 minutes. Serve upside down with cream.

THE QUESTION BOX

Mrs. J. N. C.. asks: Why does some kinds of pumpkin filling look very pale and others rich brown?

Answer: Pie pumpkins and spices make the golden brown colour. Field pumpkin and eggs make the light yellow coloured fillings.

Mrs. B. T. asks: Recipe for Pickled Red Cabbage.

Answer: 1 firm red cabbage, salt, 4 cups vinegar, 1 tbsp. whole black pepper, 1-2 tbsp. all spice.

Wash cabbage; remove outer leaves and cut into quarters, removing the heart; then shred finely. Place in dish, sprinkle with salt and let stand overnight; then drain through coiander and place in crock. Boil vinegar with pepper and allspice, tied in cheesecloth bag, for 5 minutes. Pour over cabbage. Seal in sterilized jars.

Mrs. C. D. asks: Is it necessary to peel pears and crabapples before making pickled fruit?

Answer: No, stems may even be left on. Careful preparation of thorough washing is necessary.

IS PRACTICAL PATRIOTISM

How many ways can you save ....to LEND TO CANADA?

In the homes, all over Canada, loyal, patriotic women are discovering new ways to economize . . . new ways to save money to lend to their country. A little saved here and a little saved there provides money to lend to Canada to help pay for the war. Small sums from millions of Canadians mount to billions when totalled up.

The amount that you may lend to your country may seem a small sum to you, but pennies make dimes and dimes make dollars, and Canada needs every single dollar that every Canadian can save and lend. Canada's need for borrowing is greater now than ever before. Every Canadian must lend, and lend more than before. Money you save and invest in Victory Bonds will benefit you in a personal way, too. You will have cash, when the war is over, to buy things you want for your home . . . things you are doing without now . . . cash to pay on a new home . . . to pay on a new car.

Mr. FARMER . . .

If your livestock could talk—they'd be asking you for *fresh feed!* They don't relish stale feed any more than you do. So why give it to them? Make absolutely *sure* the feed you give them is fresh by getting it from your nearby SHUR-GAIN FEED SERVICE MILL.

Why are SHUR-GAIN feeds fresh?

They are manufactured at frequent intervals—only as needed. There is no storage, resulting in stale feeds. And this fact is very important because feeds lose feeding value when they become stale through storage.

Does it cost more for this freshness?

Definitely not! SHUR-GAIN feeds are manufactured locally and for that reason they cost *less*. Extra transportation charges and middlemen's profits are eliminated and this shows up in the price of the feed.

Feed the SHUR-GAIN way!

Since SHUR-GAIN feeds are always fresh—since they are so handy to your farm—and since they cost less—surely they are logical feeds for all your livestock. Depend upon them to help you produce better stock that will be worth more money to you.

The many friends of Mr. A. G. Suffel wil be sorry to learn that he is confined to his home through illness at the present time. Mr. Suffel was stricken ill while eating breakfast last Friday morning. All will hope for his speedy and complete recovery.

Wounded Second Time.

Lieut. Wilmer Armstrong, son of Rev. R. W. Armstrong and Mrs. Armstrong, of Merrickville, formerly of Morewood, was on September 10th wounded for a second time while on active service in France. He was first wounded on August 4th. A graduate of the University of Toronto and of O. T. C., Brockville, he went overseas last January.

Williamsburg Pastor Busy.

Rev. Wm. Nolting, Williamsburg, is to have pastoral charge of the four Lutheran churches of Dundas county until the appointment of a successor to Rev. A. F. Buelhlow, at Morrisburg. Sunday morning Mr.. Nolting officiated in St. Paul's Church, Morrisburg; later in the day he was at St. John's Church, Riverside; also at St. Peter's, Williamsburg, and St. Luke's, Dunbar. The first service was at 9.45 a.m.

Entertains At Metcalfe.

On Monday evening, Mr. John Burke, Winchester's musical maestro, and his troupe, consisting of Messrs. Keith Summers, Sheldon Robinson, Charles Rattray and Joe MacRillo, provided a musical program for an entertainment, sponsored by the Anglican Church at Metcalfe, and were highly complimented on their efforts. Mr. MacRillo is a new member of the group and is an accomplished Spanish guitar player.

Shoot Large Bear.

A black bear weighing 305 pounds was shot a few days ago by Howard Perkins, of North Gower, and Milton Ross, of Marlborough township, a short distance from the Burritt's Rapids-Kemptville road. The two hunters were in search of a bear which was known to be in the vicinity, and finally saw the animal emerge from a woods. One shot was fired and as it turned back, three more brought it down. The animal measured seven feet in length.

Bull Jointly Owned.

Montvic Rag Apple Supreme, who was recently mentioned in our columns as having been named Senior and Grand Champion Bull at the Dundas County Black and White Show held at South Mountain, is actually owned jointly by W. R. McMenomy & Sons, of Inkerman, and W. J. Fawcett, Winchester, not by Mr. Fawcett alone as was reported at the time. This error was due to an incorrect entry in the official catalogue of this show.

Attended S. S. Convention.

Mr. and Mrs. H. S. Carkner accompanied by Mr. and Mrs. Oscar Wallace, attended the Regional Sunday School Convention, held in Knox Presbyterian Church in Ottawa on Sept. 27th. This is a national mission for Christian leaders. The theme throughout the day was evangelism, which is the concern of the Church and Sunday School in teaching the Word of God and following this up with an effort to get boys and girls as well as adults to a definite acceptance of Jesus Christ as Saviour and to serve Him as Lord and Master, then to become active church members participating in the work of the church and thus bearing some of the responsibility of carrying on the work of Christ's Kingdom. Those who attended and heard the different speakers were impressed with the fact that this is the greatest need of the hour.

Birthday Greetings.

Heartiest Birthday Greetings are extended to Mrs. Mary Flannigan, of Inkerman, who is celebrating her 90th birthday today, Thursday, October 5th. Mrs. Flannigan, in spite of her advanced age, is still hale and hearty, and enjoying fair health.

Evangelistic Campaign.

Beginning Sunday, October 15th, the local Baptist Church is planning a two weeks' evangelistic campaign under the leadership of Rev. John Lucas, with Madam Jones (colored) as soloist. The other churches are cordially invited to join in and pray for this special effort.

Foundation Completed.

The foundation for the new Bessin Egg-Grading Station, to be located on the lot west of the "Big Store," has been completed and is ready for the construction of the building which will be of granite-surfaced blocks. The foundation walls are about four feet in depth and the floor is of concrete. When completed, this building should add to the appearance of Main Street.

Infant Dies Suddenly.

Madelaine, the three-months-old daughter of Mr. and Mrs. Robert Wicks, of town, died suddenly on Thursday morning last. Stricken ill while nursing from a bottle, the child had succumbed before medical aid could be summoned. Dr. H. S. Gross and Dr. Hamilton, of Brinston, Coroner for Dundas County, after investigating the circumstances of the child's death, decided that it had died from a disease peculiar to infants.

Grows Large Potato.

Mr. Wm. A. Loney, prominent farmer of the Kenmore district, believes he has grown what may be a record-sized potato. In a note to the Press, he says the measurements of one of the potatoes he recently dug from his garden were 15 inches in circumference one way and 12 inches the other way. The weight of the spud was 2 1-2 lbs. Whether this potato is of record size or not, it will take a lot of beating—even by Andy Clarke in his "Neighbourly News" broadcasts on Sunday mornings.

Among the repatriates who returned to Canada last week, was Cpl. W. L. E. Harrison, who, prior to enlistment, resided at Ormond. "Bill," as he is known to his many friends in this district, was severely wounded and was one of several stretcher cases in the group.
