Brannen wins with reduced majority

(Staff) - Jim Brannen turned back a strong challenge from Mac LaSalle to hang onto the reeveship of Chesterville in Monday's heavy municipal voting.

With 72.4 per cent of the village's eligible electors casting ballots, Mr. Brannen piled up his lead in each of the three polls to win 458 to 330. Mr. Brannen had his 1976 plurality, of 253 votes over Nelson LaPrade, sliced 128. Eight hundred and ten of the village's 1119 electors voted Monday in the heaviest turnout in memory in this municipality. The large number of candidates and Monday's fair weather were responsible for the record number of voters.

Even though the north poll had been split for this election to make counting the ballots easier, it was two hours after the polls closed before the first results became known and from the time the first poll reported, Mr. Brannen began building up his lead. The results of three polls were known within minutes of each other and by 10:15 the Community Hall had emptied of candidates, their supporters and the curious.

In the election for the four council seats, Chamber of Commerce president Erik Thompson made a stunning showing, topping the polls with 594 votes. Another newcomer, Carl Ward, was successful in his second bid for election, taking second place with 505 total.

The only incumbent to seek election, Bert VanKessel, was close behind with 463. Taking the fourth and final spot was the hard campaigning Al Kennedy, with 395.

There was a large gap between the four successful candidates and the fifth-place finisher, Martin Derks, who garnered 227. In sixth spot was Jim Cook, who collected 182 votes in his second unsuccessful election bid. This was nine fewer than he received in 1976.

Barney Bedard collected 165 votes to take seventh place and Peter DeRooy had 104 for an eighth-place finish. In last position was Mike Dean, who, with 98 votes, finished with 39 fewer than he had in 1976.

In making his successful re-election bid, Mr. Brannen had his strongest showing in poll three - the section of the village south of the river and west of Main St. - where he almost doubled his opponent, 173-99. It was here, in the first poll to report, that he built up his lead, although he topped the lists on both the other polls, 122-106 in poll one and 141-104 in poll two. He also had a one-vote advantage, 22-21, in the advance poll.

Poll three also provided the main strength for newly-elected councillors Thompson and Ward and for incumbent Bert VanKessel.

Mr. Thompson took the single largest number of votes, 213, in poll three. His 178 in poll two - east of Main St., and north and south of the river - was the second highest for any candidate in any one poll. Carl Ward garnered 175 votes in poll three to add to his 150 in poll one and 156 in poll two, and Bert VanKessel had 174 in poll three, 126 in poll one and 129 in two. The other new member of council, Al Kennedy, made his strongest showing in poll two, where he gathered 134 votes. He had 117 in poll one and 134 in number two.

Mr. Thompson also topped the advance poll, taking 30 of the 44 votes cast. Following true to form in their order of finish, Mr. Ward and Mr. VanKessel each had 24 and Mr. Kennedy had 22.

Mr. DeRooy had the poorest showing at the advance poll, counting four votes.

Although this is Mr. Brannen's fourth term as reeve, it marks only the second time he has been elected to the post. He was acclaimed to two terms in the late 1960s before losing to Keith Graham in 1970 and making his comeback in 1976 against Mr. LaPrade.

Monday's successful candidates in Chesterville's municipal election beam shortly after the poll results were announced. Two incumbents were successful in seeking re-election and will be joined by three new councillors. Bert VanKessel, left, won a second term as councillor placing third in the vote; Erik Thompson topped the polls in his first election campaign; Reeve Jim Brannen turned back a strong challenge from Mac LaSalle to retain the top elected post for another two years; Al Kennedy's intense campaign paid dividends as he took the fourth council seat, and Carl Ward captured the second seat in this, his second bid for election.

Waldroff shocked in Osnabruck

OSNABRUCK CENTRE (Staff) - Osnabruck Township council suffered an almost complete upset at the polls Monday evening.

The only incumbent to regain office was Councillor George Hehir, placing second in the race for three councillor positions.

The rest were soundly walloped by their opponents.

Edwin Waldroff, reeve since 1970 and council member since 1959, was defeated for the first time in almost 20 years. Losing to Stewart Hart by a margin of 112 votes Mr. Waldroff led in only two polls - Lunenburg and Newington. The former reeve polled 688 votes while Mr. Hart received 800.

Otherwise Mr. Hart, challenging Mr. Waldroff for the second consecutive time, carried every poll steadily except Ingleside. His strongest showing was in rural areas, especially in the northwest end of the township.

In Ingleside, president of the Senior Citizens' Club, John Macdonald, gained an astonishing show of support. He more than doubled Mr. Hart's votes and almost tripled Mr. Waldroff's votes. However, his support elsewhere was negligible. He totalled 464 votes.

All three council members seeking the deputy-reeveship were soudly defeated by former road superintendent Garnet Ezard, who topped the polls at 665.

Both Councillors Clayton "Oscar" Ouderkirk and Richard Waldroff tried to step up against incumbent Gordon Ross with no success.

With an early lead in Gallingertown, Mr. Ouderkirk was close behind Mr. Ezard. But results from Lunenburg later in the evening quickly established him in second place even with a show of support from Newington. His final tally was 417.

Richard Waldroff, councillor for one term, had a consistently poor record matched only by Ingleside's Ian Mavor most of whose votes came from Ingleside. Mr. Waldroff came fourth with 230 votes, only three ahead of Mr. Mavor with 227.

Halfway through the evening Mr. Ezard eased confortably ahead until the final three polls were announced when he lept to the top of the list with majorities in Lunenburg, Newington and Ingleside.

In a tight race for three council positions, incumbent George Hehir retained his seat placing second with a solid 844 votes. Until the final Ingleside poll submitted its tally he was well ahead of everyone, encluding Fraser Cross who lagged behind by over 200 votes. Most of his support came from Lunenburg, Osnabruck Centre, Newington and the north westend of the township.

Mr. Cross, however, broke the scales in Ingleside where he gained a remarkable 553 votes, bringing his total to a poll-leading 1007.

Ouderkirk dumped in Finch Township

BERWICK (Staff) - Charles E. "Charlie Ed" Johnstone used overwhelming support from the two Crysler polls Monday to gain the reeveship of Finch Township he had left for Johnson Ouderkirk when he resigned as reeve in early 1976.

Crysler voters turned out in large numbers and gave their wholehearted support to the former reeve as he upset the incumbent, 654-632.

Five hundred and eleven of the challenger's 652 votes came from the two Crysler polls and outweighed the strong support given Mr. Ouderkirk in the two southern polls, where he outgained the challenger 479-117. However, Mr. Ouderkirk could pull in only 102 votes in the north end of the township. He outpolled Mr. Johnstone 51-22 in the advance poll.

The large turnout in the two Crysler polls gave three other north-end favorite sons the push they needed to gain seats on council.

Hank Zwirek picked up 515 of his 634 votes there to unseat Deputy-Reeve Ralph MacKenzie by 16 votes. Mr. MacKenzie outpolled his opponent heavily in the more familiar surroundings of the Berwick and Finch polls, but his totals there couldn't stand up to the Crysler onslaught.

Mr. MacKenzie outpolled Mr. Zwirek 299-11 in Finch and 194-77 in Berwick, as well as taking the advance poll 45-31, but he couldn't hang on in Crysler, where he was beaten 247-24 and 268-56.

North-end support was also crucial in the re-election bid of Don Shane, the only member of the present council to gain another term.

Mr. Shane topped the polls with 745 votes, picking up 526 of these in the northern half.

Mr. Shane will be joined on council by fellow Crysler resident Armand Gibeault, who came third in the four-way council race with 687 votes, 516 of these coming in the two northern polls.

The only non-Crysler area resident to gain a seat on council was Berwick Jersey breeder Floyd Dingwall, who came second with 693 votes.

Mr. Dingwall, in his first election campaign, fared poorly in the northern half, as many voters at the Crysler polls plumped for their favorite sons. Mr. Dingwall gained only 141 votes in the north end but had a solid base of 502 in the south to cushion his standing.

Finch area farmer Bill Mesman did poorly across the township, trailing the field of four with 327 votes.

Monday's results gave a fair reflection of the character of the campaign from its outset, with Mr. Johnstone accusing the present reeve and council of neglecting the north end of Finch Township and Mr. Ouderkirk defending his record by saying all parts of the township had been treated equally.

The proposed Crysler arena also became an issue in the latter stages of the campaign, especially for Mr. Zwirek and Mr. Gibeault, both whom are members of the building committee executive.

Gerald Holmes takes 110-vote majority

MAPLR RIDGE (Staff) - Gerald Holmes emerged Monday night as the victor in the battle of the former reeves, defeating Cecil MacNabb 748-638 for the reeveship of Winchester Township.

Mr. Holmes piled up sizeable majorities in the four south and western polls and hung on the north and east to defeat Mr. MacNabb, who has now suffered two straight defeats in elections for reeve. Mr. MacNabb was ousted from office in 1976 by Bert Link, losing by an 81-vote margin, 639-558.

The last time the two faced each other was in the early 1960s and Mr. MacNabb emerged as the winner and held the reeveship for an unbroken string of 15 years before his loss in 1976.

After his defeat as reeve, Mr. Holmes stayed out of municipal affairs for several years and started his comeback from the bottom, first being elected to council and then being acclaimed as deputy-reeve, the post he vacated this year and which was filled by acclamation by councillor Jim Sullivan.

Mr. Holmes grabbed the lead when returns started coming in, vaulting into first place with a 56-vote majority when the Limerick poll was counted. He continued to lead as Winchester Springs, the Summers and Annable polls reported and he maintained his momentum with a strong showing in Ormond and the Frood poll.

Mr. MacNabb made his strongest showing in his home poll, in Morewood, tripling Mr. Holmes, 290-92.

However, he carried only a 180-vote majority out of his home poll while in 1976 he took Morewood by 220 votes.

With Mr. Holmes making his strongest showing in the south, Mr. MacNabb failed to turn back the challenge in a decisive manner in the east and north, taking Ormond by only two votes 103-101, and the Frood by 15, 80-65.

The only incumbent in the five-way council election, Albert St. Pierre retained his seat, running second to Chesterville feed mill operator Allan Clement. Morewood upholsterer Claude Cousineau, in his second election bid, was successful in holding down the third spot.

Morewood-area farmer Ken Stewart ran fourth and Harry Zeron ran a poor fifth.

Mr. Clement ran strongly across the township, topping the Limerick, Winchester Springs, Summers, Annable and Frood polls and running second in Ormond and Morewood as he piled up 912 votes.

Mr. St. Pierre's main strength was in the Annable poll, Ormond and Morewood as he gathered in a total of 737.

Mr. Cousineau used his home poll to good advantage, getting 291 of his 692 votes in Morewood. He also ran strongly in the Limerick and Frood polls.

Mr. Stewart polled strongly in Morewood, where he accounted for 190 of his 607-vote total.

Mr. Zeron's strongest showing came in the Summers poll, where he took 85 of his 289-vote total.

Chesterville remembers its war dead

Mrs. Maude Harper lays the Motherhood wreath at Sunday afternoon's Remembrance Day service at the cenotaph in Chesterville. The service was conducted by Rev. Alex Dobson, extreme right, of the Anglican parish of Central Dundas, assisted by Rev. John Appelman of St. Mary's Roman Catholic Church. About 100 persons were on hand to hear Rev. Dobson's message that in order to stop war, we must first conquer the enemy of self-centredness within ourselves.

Cruickshank low bidder

BERWICK (Staff) - Cruickshank Construction Ltd. of Morrisburg has submitted the lowest of the five tender bids received by the South Nation River Conservation Authority for channel work on a one-mile stretch of the river west of Chesterville.

Tenders were opened at the authority offices here Friday and Cruickshank's price of $317,394.50 was $89,000 lower than the next bid and less than half the amount quoted by the highest bidder. It was $132,000 less than the $449,000 engineering estimate of the channelization project.

Beaver Construction Ltd. bid $406,800; Dufresne Piling quoted $469,000; Moffatt Construction submitted a price of $498,300, and Thomas C. Fuller Construction was the highest at $699,000. All four are Ottawa companies.

Ministry of Natural Resources approval must be gained before the contract can be let but this is expected to be a formality, according to authority secretary Arnott Empey, since the province has already released $474,000 for the project.

Mr. Empey said the proposal is being prepared by M.M. Dillon and will be presented to the ministry this week.

John Kinahan, a representative of M.M. Dillon, the Ottawa firm which will act as project engineer, says the contract calls for widening of the river to a basic 80-foot bottom width; straightening out a bend at Queensway Tank Lines and dredging the bottom to a set depth.

The contractor must remove spoil from the job site, Mr. Kinahan said.

The contract must be completed by July, 1979 and to accomplish this, Mr. Kinahan says it is probable - and even preferable - that work will be carried out through the winter months, although this depends on other work the contractor had already scheduled.

Mr. Empey said the authority has waived the late penalty it was going to impose on Looby Builders (Dublin) Ltd. if work on the Chesterville dam had not been completed by Oct. 31. The company was to have been fined $300 a day for each day over the Oct. 31 deadline but this has been extended to Nov. 30.

As it stands now, work on the dam must be "substantially completed" by Nov. 30. Mr. Empey said substantially completed means the contractor must have no more than $21,000 worth of work left to be done at the end of November.

Conquering enemy within - Remembrance message

(Staff) - We must conquer the enemy within ourselves if we hope to end war, Rev. Alex Dobson said in his Remembrance Day message at the village cenotaph Sunday afternoon.

Speaking to a crowd of about 100 before the wreath-laying ceremony, Rev. Dobson of the Anglican parish of Central Dundas, said the real causes of conflict are the self-centred attitude and desire for material advancement so prevalent today.

"These are the real enemies of all that we hold sacred."

They are best expressed in the common phrases "I'll even with that so and so, and I deserve better than I'm getting" and must be identified and controlled within the individual if we are ever to prevent states from going to war, he said.

Rev. Dobson asked if this was what the thousands of Canadian men and women who gave their lives in two world wars and in Korea had set out to preserve when they made the supreme sacrifice.

"Would our fallen brothers and sisters rejoice or weep" at what they would see today?, he asked.

"They wouldn't be happy with many of the aspects of this modern world," he ventured.

The purpose of Sunday's service was to honor those "who were torn from their homes and families" and "what they did for us."

"Their self giving bought for us peace, prosperity and priceless freedom."

"If they turned their backs on the call, what would we have now? We would have dictatorship, government by fear, glorification of force and the hedonization of our children. We would be forced into the army and into industry, to listen to propaganda and to know no privacy."

"Gone would be the sacredness of home and family; trust, faith, honesty and honor would be in ruins."

In remembering their sacrifices, we must remember Him who gave us power through faith against sin and self-centredness and "Who died once that man may be saved forever," Rev. Dobson concluded.

Mrs. Maude Harper, whose husband, Willis, suffered through his late years as a result of wounds suffered in World War I, laid the wreath for Motherhood; Mac LaSalle laid the Province of Ontario wreath; Reeve Jim Brannen laid the wreath for the village of Chesterville; the Legion 434 wreath was laid by president Wendall Haper; Legion 434 Auxiliary wreath was laid by Susie Cass; Deputy-Reeve Jim Sullivan laid the wreath for Winchester Township; Erik Thompson for Chesterville Chamber of Commerce; Al Kilby, Chesterville Volunteer Fire Department; Tom Rance, Nestle (Canada) Ltd.; Allan Whetter, Garry Kelly and Danny McNairn, Cubs, Scouts and Beavers; Lorrie Buske and Sherry Jordan, Brownies; Tammy Larabie and Peggy Moffatt, Girl Guides; Ross Casselman, IOOF; Mrs. Ross Casselman, Mrs. Jim McMillan and Assembly of Ontario Warden Miss Patterson, for the Rebekah Lodge; Patricia Rance and Darlene Morrison; Maple Ridge Senior Public School; Lisa Erskine and Dean Williams, North Dundas District High School; George LaFlamme and Harold Notell, Chesterville Senior Citizens; Mrs. Barney Bedard, St. Mary's Catholic Women's League; Doris Hitsman, Trinity United Church Women; Mrs. Gordon Senn and Una Merkley, Chesterville Women's Institute.

RNAs hear president

ALEXANDRIA (Special) - A large number of registered nursing assistants (RNAs) told Chairman of Health and Human Studies Department, St. Lawrence College, Arleen Adams they would like a pharamacology course.

At a recent meeting Mrs. Adams told RNAs at Alexandria Hospital that courses may be available in early 1979.

Guest speaker Mrs. Margaret McDavid, president of the Ontario Association of Registered Nursing Assistants (OARNA), spoke on the association's history. Since this year is the association's 20th anniversary she recalled the first meeting in Hamilton in 1958.

The chapter sent two delegates, Nettie Allen and Mavis Robertson, to the fall workshop, Oct. 25-26, at the 401 Motor Inn, Kingston.

At a dinner meeting Tues., Oct. 17 at the Normandy Hotel, Hawkesbury, guest speaker Irene Clements, Smith Clinic, Hawkesbury, addressed 39 members on the subject of sex and menopause.

council candidates was the Ingleside vote. Being the largest poll with over 1000 eligible voters, it kept the crowd gathered at Osnabruck Centre Hall in suspense.

Up until then, the council race was a close one between William Rutley and Ross Walker with Frances Bird lagging not far behind. Before the final poll results were posted Mr. Walker was ahead of Mrs. Bird by approximately 125 votes as was Mr. Rutley by almost 100. In fact, Walter Telewiak was tied with Mrs. Bird for fifth place near the end.

When the Ingleside results came in Mrs. Bird jumped ahead of Mr. Walker, Mr. Rutley and Mr. Telewiak with an increase of 398. Her final tally was 684 to Mr. Walker's 597, Mr. Rutley's 523 and Mr. Telewiak's 366.

Only Leigh Flegg kept a consistently low profile, gaining most of his support from Lunenburg. He finished last with 366 votes.

Veterans recall horror of WW1

(Staff) - Sixty years after the treaty was signed and the guns fell silent to end the First World War, Donald MacKenize and Henry Nugent havent't forgotten the horror and carnage that characterized the conflict and made it what was thought to be the war to end all wars.

The two are members of the remaining handful of "Old Sweats" who survived the slaughter of the war in the trenches and on Saturday afternoon following Avonmore's Remembrance Day service, they reflected for a few moments on what they had gone through during those terrible years when the flower of European and North American manhood was shedding its blood on the fields of France and Belguim.

But like most veterans, their memories of the good times, of the comaraderie and spirit, are the ones that prevail. Memories of front-line action and of life in the trenches are too painful to be dredged up often and to this day, Mr. Nugent's voice chokes with emotion as he describes the conditions under which the combat took place and of seeing his comrades cut down around him.

Both were members of the 154th Infantry Battalion, a Highland unit raised in the United Counties, and went to England together on the Mauretaina before being separated: Mr. Nugent being transferred to the Princess Patricia Canadian Light Infantry Regiment where he served as a corporal, and Mr. MacKenize, a piper in the 154th, serving as a private in the engineers.

The PPCLI covered itself with glory in WWI - it was the first Canadian unit to see action and was the last to fire a shot in anger. From 1916 until he was wounded at Arras in August, 1918, Mr. Nugent was in the thick of it.

As a member of the engineering corps, Mr. MacKenize didn't see any front-line action but his duties moved him across the length and breadth of the front and gave him a good overview of what was happening and how the war was being carried.

This overview leaves with him nothing but harsh criticism for British generalship, which he says threw away countless thousands of lives in futile attacks.

"I'd sooner have a clever drunk and keep him drunk than have some of those dummies in charge. It took them two years to learn that 50 men marching in a line gave a pretty target for a machine gun. When they finally learned, they put one man in front and 49 behind," he said in reference to the quality of the British high command.

Mr. MacKenize was at Passchendael and watched heavy guns being dragged through the slop and mire and at Ypres, where British tanks were stuck up to their axles in the mud. "The tanks were a good thing for the munitions industry. They made a lot of money out of the war," he says.

Mr. Nugent's memories aren't so much bitter as tragic. He recalls that on one location he spent 58 days in the trenches in front of Vimy and was allowed out only once to bathe and get a change of clothing. He remembers, too, being shot in the elbow and cheek at Arras and seeing his company commander killed six feet away from him during an attack in the big Allid push following the Amiens breakthrough.

"There were lots of casualties all around me. I was just lucky, I guess," he says of the fact that although wounded, he managed to survive a year in the trenches.

Pressed for the reminiscence that stands out most clearly in their minds, Mr. MacKenize recalls seeing Anthony Eden - then an officer in the British army and later a member of Churchill's WWII cabinet and Prime Minister of Britain in the middle 1950s - during a tour of inspection of the Canadian lines at Ypres.

"He was the finest looking man I've ever seen in a uniform. He looked as if he'd just stepped out of the tailor's."

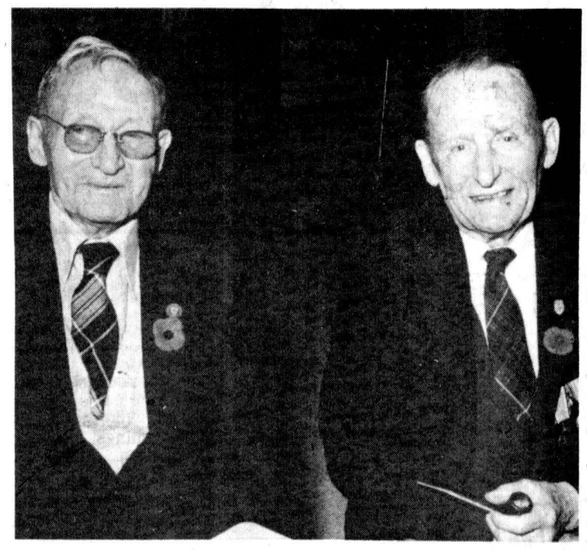
For Mr. Nugent, the memories of an attack after Amiens remains indelibly printed on his mind.

The PPCLI had been ordered to striaghten out a German-held line following the battle at Amiens in the summer of 1918 and they went in and took it without much trouble. After taking their objective they moved forward and captured a village only to come under heavy German counterattack.

Because of the poor communications - runners were used to carry commands up and down the line - the Princess Pats didn't know that their left flank had been left unprotected through the ordered withdrawl of the 42nd regiment.

The canadians were sustaining heavy casualties and "I saw my company commander killed not six feet away from me. We lot a lot of men but we finally got out," he said as his eyes filled with tears.

Asked if they thought at the time that the Great War had indeed been the war to end all others, Mr. MacKenize said as soon as he learned of the reparations ordered from a prostrate Germany following the treaty of Versailles, he bet another soldier in his outfit there would be war within 20 years. Mr. Nugent agreed and 21 years later, he enlisted again.



Donald MacKenzie, left, of Dearborn, Mich., and Henry Nugent of Berwick, reminisce after Saturday afternoon's Remembrance Day service in Berwick. Mr. MacKenize is a former Finch resident and comes home every year for Remembrance Day services. He and Mr. Nugent served together in the 154th Infantry Battalion in WWI. - staff photo -

For separate board seat

P. VanMoorsel beats Lafrance

BERWICK (Staff) - A heavy voter turnout in the anglophone areas of western Stormont and Dundas counties carried Harry VanMoorsel to victory in his bid to unseat separate school trustee Alphonse Lafrance.

Just as he did in 1976 when he defeated then-incumbent Sarsfield O'Connor of Chesterville, Mr. Lafrance polled heavily in Finch Township and in northern Winchester Township but Mr. VanMoorsel was successful in getting out the vote in the other areas of the school board zone to defeat the incumbent 986-750.

Mr. VanMoorsel, a Glen Becker area farmer, carried majorities in eight of the 11 municipalities in the zone to offset Mr. Lafrance's heavy advantage in the two Crysler polls, something Mr. O'Connor was not as successful in doing in 1976.

The incumbent heavily outpolled Mr. VanMoorsel in Finch Township, beating him 482-172, with the majority of these votes coming from the two Crysler polls.

Mr. Lafrance also outdistanced Mr. VanMoorsel in Winchester Township, carrying the municipality 141-98. Of the six ballots cast in Winchester village, Mr. Lafrance took five.

But the callenger carried the rest of the zone with heavy majorities to win the trusteeship.

He defeated the incumbent 122-47 in Chesterville; 11-2 in Finch Village; 78-4 in Iroquois; 159-5 in Morrisburg; 85-4 in Matilda; 15-2 in Mountain; 130-40 in Osnabruck, and 115-18 in Williamsburg, Mr. VanMoorsel's home municipality.

Three incumbent councillors returned

EMBRUN (Staff) - Russell Township's three councillors were greeted with little opposition from Maxwell Mayling and Adelard Millaire at the municipal polls Monday.

Incumbents Leo Marion, Baird McNeill and Leo Provost were all returned to office, joining acclaimed Reeve Gaston Patenaude and acclaimed Deputy-Reeve Albert Bourdeau.

The trio ran one-two-three all night as the polling stations reported in. When it was all over, Mr. Provost led with 976, Marion 890, McNeill 592, Mayling 255 and Millaire 235.

Of the 13 polls, Mr. Provost won eight while Mr. Marion captured three and Mr. McNeill two.

The advance poll gave an early indication of how the night's results would go with Provost, Marion and McNeill heading the way in that order.

Prior to the election, Reeve Patenaude had commented township residents sounded contented with the way things were being run and his statement was supported by the election outcome.

In the race for the trusteeship on the Prescott Russell County Board of Education, incumbent George Young turned back a challenge from Leo Walter 209-166. The incumbent represents Russell and Cambridge townships and Casselman village.

Mr. Young won eight of 10 polls.

IN MEMORIAMS

IN MEMORIAM

JOHNSTONE — In loving memory of a dear husband and father Garnet, who died suddenly on November 17, 1977.
There is a gift in life we cannot buy.
That is very rare and true,
It is the gift of a wonderful husband and father,
Like the one we had in you.
The many things you did for us,
In your kind and loving way,
You gave us years of happiness
No one can take away.
To us you were someone special,
God must have thought so too,
Nothing could be more beautiful
Than the memories we have of you
If tears could build a stairway
And memories build a lane,
We would walk all the way to heaven,
To bring you back again,
So many times we missed you,
So many times we cried.
If love could have saved you,
What we would give to clasp your hand
Your happy face to see,
To hear your voice and see your smile,
That meant so much to us.
We think of you in silence
We often speak your name
But all we have is memories
And your picture in a frame.

Sadly missed by wife Lillian and family Kim, George, Sharon, Gary.

IN MEMORIAM

MERKLEY — In loving memory of a dear husband, father and grandfather, Erwin Merkley, who passed away Nov. 21, 1977.
He had a smile, a pleasant way.
A helping hand to all he knew.
He was so kind, so generous and true.
On earth he nobly did his best.
Grant him, Jesus, heavenly rest.

Always remembered by wife Ella, Daughter Betty and Ron and Grandchildren, Tara and Brent
11

IN MEMORIAM

JOHNSTONE — In loving memory of nephews, Frank who passed away Sept. 11, 1976 and Garnet who passed away Nov. 17, 1977.
Time rolls on and I am reminded
Of a day my heart was crushed.
And we all in Gloom were thrust
In the bloom of life death claimed you
In the prime of manhood days.
But I hope some day to meet you
And be with you always.

Aunt Mary York
11

IN MEMORIAM

JOHNSTONE — In loving memory of a dear son Garnet Johnstone who passed away Nov. 17, 1977
There is a mother who misses you sadly
And finds the time long since you went.
I think of you daily and hourly
And try to be brave and content
The tears I shed in silence
And breathe a sigh of regret.
For you were mine and I loved you
Though everyone else may forget.

Sadly missed by Mother
11

IN MEMORIAM

LANG — In loving memory of a dear brother Cyrus, who passed away Nov. 6, 1977.
And while he lies in peaceful sleep
His memory we shall always keep.

Ellen and John

IN MEMORIAM

DILLABOUGH — In loving memory of a dear wife, mother and grandmother, Lucie Dillabough, who passed away November 20th, 1976.
Not just today, but every day
In silence we remember.

Sadly missed by husband Delbert and family.

IN MEMORIAM

PRESLEY - In loving memory of Eric Presley who passed away November 14, 1977.
Gone but not forgotten

Lovingly remembered by Joe and Betty

IN MEMORIAM

PRESLEY — In fond memory of a dear brother Eric who entered into rest November 14, 1977.
At early dawn when all was still.
God gave his great command.
In silent peace he passed away.
Into a better land
But we believe we'll meet again.
Where partings are no more.
And that the one we loved so well.
Has only gone before.

Always remembered Russell and Ruby
11

IN MEMORIAM

PRESLEY — In loving memory of a dear son and brother, Eric who passed away November 14, 1977.
Sadly missed along life's way.
Quietly remembered every day
No longer in our life to share.
But in our hearts you are always there.

Fondly remembered Mother and Garfield.
11

IN MEMORIAM

PRESLEY — In loving memory of a very special uncle, Eric, who suddenly passed away November 14, 1977.
Two tired eyes are sleeping
Two work-worn hands are still,
For one who offered so much
Is resting at God's will.
He never said good-bye to us
Perhaps it is just as well,
For we never could have said good-bye
To one we loved so well.

Lovingly remembered by Shirley and Bill

Morewood hospital unit holds annual

MOREWOOD (Special) - The annual meeting of the Morewood Unit of the Winchester Hospital Women's Auxiliary was held recently in the hall in Morewood. The president, Babs Koolwine, welcomed the 30 ladies in attendance after which the minutes of the 1977 meeting were read and approved.

It was noted from the treasurer's report that $394 had been forwarded to the hospital auxiliary during the past year and that paid membership from Morewood totalled 88.

The guest speaker, Mrs. Louise Sloan of Morrisburg, incoming president of the Winchester Hospital Women's Auxiliary was introduced by Gladys Broom.

Mrs. Sloan gave a complete, interesting and informative resume of all aspects of the women's auxiliary with special emphasis regarding the work done by volunteers in the various departments of the hospital. She encouraged everyone to get involved in the volunteer program.

All offices were declared vacant and Berneyce Carlyle presided for the election and installation of the new officers for the coming year as follows: president, Pat Dillabough, vice-president, Gladys Broom, secretary-treasurer, Louva Irven.

With Pat Dillabough presiding, plans were then made for the coming year and the meeting closed with everyone enjoying a cup of tea and health cookies.

Former Morewood resident dies at age 77

Mrs. Lee was a member of the United Church of Christ.

The funeral service was held at Munson-Lovetere Funeral Home and was conducted by Rev. William Wagner. Burial was in Pine Hill Cemetery, Southbury.

Along with her husband, her surviving relatives include her brother, Richard E. Marcellus, Williamsburg, her sons James R. Lee, Milwaukee, Wis., and J. Douglas Lee, Kansas City, Mo., and her daughter, Mrs. Raymond (Barbara) Bassett, Goshen, Conn.

Mrs. Henry Nugent hosts Finch WI

FINCH (Special) - The November meeting of the Finch WI was held in the home of Mrs. Henry Nugent with 12 members in attendance, Mrs. Adrien Dingemans presiding.

A wreath for Remembrance Day was ordered from the Canadian Legion.

Program comvener Mrs. Henry Nugent presented an interesting report on the Area Convention and spoke at length on the speech of the guest speaker, Pauline McGibbon, Lt. Governor of Ontario, giving a fascinating account of the daily life of this gracious lady.

As a representative of the Crown in Ontario her days are filled with a busy round of activities from attending important functions, signing documents and answering a great deal of mail.

Stewardship theme for UCW

NEWINGTON (Special) - Mrs. Melvin Waldroff, stewardship secretary had charge of the program and worship for the November meeting of Newington UCW.

Taking as her theme the Stewardship Avenue of Time, Mrs. Waldroff said, "We give the appearance of being very busy, but actually we have not learned to use time wisely and to take time for all things".

"The sweetest and most precious things of life are not on the surface and we must take time to look for them. We need to climb to the heights occasionally to receive a new perspective on life. Golden moments slip by and no value is placed upon our fleeting presence."

She introduced Rev. Delorme who carried on with Mrs. Waldroff's theme.

He said, "Christian life is a society of its own. We need never be alone in that our whole life has its rising and setting in God. Our lifestyle is different then. In general we have dominion over that which surrounds us and not the reverse".

Mrs. Elizabeth Beaudette, president, presided for the business part of the meeting. She welcomed the 22 members and visitors present to the home of Mrs. Jas. Webber. Minutes were read by Mrs. Mac Otto. It was moved that the UCW make a donation of $25 to the Resource Centre at Chesterville. Members are to still save used stamps for the leprosy mission. They are to be handed in to Mrs. Kenneth Shaver.

It was decided that members send to Observer to Rupert's Nursing Home and to Glen-Stor-Dun Lodge.

A social hour was enjoyed with Mrs. Clifton Gallinger and Mrs. Emily Werely serving refreshments.

Mrs. Kenneth Shaver moved a vote of thanks to Mrs. Webber for her home and to all who made the meeting such a success.

The next meeting will be held at the home of Mrs. Elva Nugent.

UC Women discuss missions

INGLESIDE (Special) - The November meeting of Ingleside Trinity U.C.W. began with talks on missions being carried out in various areas of Canada. Mrs. Hilda Brownell spoke of the work of the 'Flying Ministry' run by Bill Elliason and the Rev. J.C. Mellis of the British Columbia Coast Mission. Mrs. Bea Countryman spoke of the 'Grass Roots Approach to Mission and Service' and 'Project North'. Following that Mrs. Ada Gallinger spoke on the development of the United Church Hospital project in Hazelton, British Columbia.

During the business meeting Mrs. Annie Ferguson reported on the success of the bale recently packed for the Montreal Mission. President Mrs. Peggy Leete announced a Finance Committee meeting to be held on Mon., Nov. 20 at 8pm at the Church. The next general meeting will be a Christmas Pot Luck supper on Dec. 6 at 7pm.

Checking the count

Williamsburg Township Council candidates Gordon McNairn, left, and Graham Hess study the poll results as they come in. In Williamsburg Twp.

Gillard beats Cunningham

WILLIAMSBURG (Staff) - What a difference two years makes in seeking a position on a municipal council.

Dwight Crowder and Graham Hess learned all about it Monday night as they exchanged their roles of 1976 after all the polls had been tallied in Williamsburg Township.

Mr. Hess topped the polls with 842 votes this time around to regain the council seat he had lost two years ago when he finished a disappointing last in a five-way race.

He will join long-time councillor Don Kyle who placed second with 799 votes and newcomer Gordon McNairn, who bowed out on a recount last time. He finished with 738 votes as Mr. Crowder polled 502 votes after leading the polls in 1976.

Robert "Rowdy" Gillard, who gained a council seat on the recount two years ago, ousted Glen Cunningham from the deputy-reeve position, 761-548.

In the three-way battle for the trusteeship on the SD&G County Board of Education for Williamsburg Township and Morrisburg, Harry Gatward, wrestled the seat away from incumbent Bill Robson and challenger Harry Brown. Mr. Gatward finished with 874, Brown with 727 and Robson with 430.

In the race for separate board trustee for Dundas and west Stormont in Williamsburg Township, challenger Peter VanMoorsel outpolled incumbent Alphonse Lafrance 115-18.

In Williamsburg Township's battle for the deputy-reeveship, Mr. Gillard took a decided edge with the advance poll going 39-9 in his favor. It didn't change as he won eight of the township's dozen polls.

An hour-and-a-half after the polling stations closed, five polls had reported in with Gillard up 267-201. Twenty minutes later the two large Williamsburg polls called in to push Gillard into a 504-308 lead.

At that time, Mr. Cunningham could be heard mutter "that's it".

Prior to polling stations reporting, Mr. Cunningham commented, "I worked as hard as I could and I worked the whole township so if I lost I wouldn't feel sorry".

Like the deputy-reeve race, the trend was set early as results for council seats came in with Mr. Crowder slipping behind after three polls had reported.

The three successful candidates exchanged the lead several times as results were called in. With seven polls in, Mr. Hess had 535, Kyle 511, McNairn 437 and Crowder 299.

Joining the elected members on council will be acclaimed reeve Johnny Whitteker.

Voter turnout was heavy with 1,309 of a possible 2,483 voters casting ballots.

Personal

Rev. and Mrs. E. Earle Eaton were in Brockville Saturday for a Gospel Fellowship Breakfast. Mr. Eaton was at Spencerville Wednesday for a meeting of the Brockville Presbytery and at Cornwall for a Bible study seminar.

M' bg. incumbents re-elected

MORRISBURG (Staff) - Morrisburg village council will have no new members following Monday's municipal election.

The lone challenger for one of the three council seats, Cameron Martel, was turned back by the voters and finished last against incumbent members Albert Belanger, Dr. Jerry Rosenquist and Harland Veinotte.

All three incumbents were elected for their second term of office. They were to join acclaimed Reeve Bill Dillabough and acclaimed Deputy-Reeve Charleton F. McGinnis.

Mr. Belanger was the poll horse with 683 votes while Dr. Rosenquist had 669, Mr. Veinotte 656 and Mr. Martel 512.

An estimated 60 per cent of the village's 1,829 eligible voters cast ballots. That percentage is about the same as in 1976.

In the four-way race for two Hydro commission seats, incumbent John Allison topped the polls for a second straight time and Bill Barclay got the second seat.

Mr. Allison polled 593, Mr. Barclay got 469, while W.J. Steinburg had 442 and incumbent Ron Pilkington had 235.

Harry Gatward easily won the hearts and votes of Morrisburg electors in the race for trustee on the SD&G County Board of Education for Williamsburg Township and Morrisburg.

In Morrisburg, Mr. Gatward had 423 votes compared to Lorne Brown's 299 and incumbent Bill Robson's 159.

Challenger Peter VanMoorsel outpolled incumbent Alphonse Lafrance 159-5 in the race for the trusteeship on the SD&G Separate Board of Education.

Robson ousted

WILLIAMSBURG (Staff) - Harry Gatward claimed a decisive plurality in Morrisburg village to carry him to victory in the battle for the trusteeship to the SD&G County Board of Education for Williamsburg Township and Morrisburg.

Mr. Gatward outdistanced challenger Harry Brown 874-727 as incumbent trustee Bill Robson, also of Morrisburg, finished third with 430 votes.

Mr. Gatward handily claimed the vote in Morrisburg village, winning that half of the riding with 423, 299 for Brown and 159 for Robson. Mr. Gatward won all three Morrisburg polls.

In Williamsburg Township, Mr. Gatward claimed a 451-428-271 edge in votes with Mr. Brown again placing second.

Mr. Brown won six of the 12 township polls with Mr. Gatward winning five. One was tied.

Agriculture outlook brightens, deputy claims

MORRISBURG (Staff) - Despite Ontario's industrial image, agriculture currently provides most job opportunities here says Ontario Deputy Minister of Agriculture and Food Ken Lantz.

Twenty per cent of new jobs in Ontario last year were agriculturally oriented," Mr. Lantz told Canadian Club members here last Wednesday.

In 1977, Ontario produced one-third of the gross Canadian agricultural product, he said, and, of that $3-billion agricultural product, $117-million comes from Eastern Ontario, specifically SD&G, Prescott and Russell counties.

Together, these five counties, produce more than either PEI, New Brunswick or Nova Scotia.

Optimistic about the province's agricultural progress, Mr. Lantz outlined three restructuring changes in the ministry's marketing division.

First, the quality control branch of the Milk Industry and Farm Products Inspection Branch has been reduced to three departments, including an appeal tribunal from five.

Secondly, within the Provincial Farm Marketing branch, the Milk Act and Farm Produce Marketing Act have been amalgamated. The appeal function of these boards has been transferred to a special tribunal to be established this fall, he said.

Thirdly, to replace the Food Council, the ministry has formed a new Food Marketing Development branch. The Food Council Act has been repealed with the formation of this new branch though the Council's activities have not altered.

Progress and stabilization were key words in Mr. Lantz's description of Ontario agriculture over the past 20 years.

In corn, calf and milk production he pointed out how, through government programs and contributions, production objectives 20 years ago have been attained.

While he attributed technological development and a revolution in biology and chemistry to agricultural improvement, he cited provincial debenturing for drainage as one of the most important contributing factors.

From just over $1-million 17 years ago to $20-million this year, the province has increased its drainage funding substantially. This and crop insurance, he said, are means by which the government is trying to attract the young to the business.

Quoting enrollment figures at Kemptville College of Agriculture and Technology he said a larger percentage of graduates return to the farm.

Considering this a basis for optimism, he said, "If we can continue in that vein the future of farming is good in the province."

With this promise of a decent financial return and a guaranteed market, Canadian farmers will be able to export competitively, he said.

Nevertheless, he expressed concern over tariff trade practices saying trade inequities do exist. He did not elaborate.

On the same note, he expressed a need to conserve energy in the agricultural business. Agricultural energy consumption, the energy used to get food on the table, is 12 to 15 per cent of the total national consumption. Mr. Lantz encouraged conservation.

Secondary teachers reach tentative pact

CORNWALL (Staff) - SD&G secondary school teachers have reached a tentative 1978 contract agreement with the county school board.

Still subject to ratification, it will be presented to teachers next Monday for approval. Assuming teachers accept the agreement, it will be presented the following Tuesday to the board.

Teachers' chief negotiator Gordon Higgins will recommend that teachers accept the proposed agreement at a mass meeting Thursday.

Chief board negotiator Bob Whitteker informed The Record that if a settlement is reached, the Factfinder's report will not be made public. This report was to be released Nov. 9 but, at the teachers' request a five-day delay was granted by the Educational Relations Commission.

SD&G secondary school teachers have been negotiating since September with the board over a clause concerning surplus teachers. The board wants to replace the clause, which guarantees permanent staff positions with another which will protect only five permanent teaching positions in a supply pool in the event of a student enrollment decline.

A factfinder was appointed Aug. 31 and presented his report Oct. 25. If teachers and board do not settle their dispute within 15 days of receiving his report, it is usually made public.

SD&G elementary school teachers negotiated a contract for 78-79 last week, settling for a six-per-cent wage increase.

Top members in each of the county's 4-H clubs received their awards at Saturday night's Dundas 4-H awards presentation in Winchester. Top club members are, seated from left, Joanne McMillan, Lynne Smith, Eileen Rose, Suzanne Rose and Nancy Byvelds; standing, Paul Porteous, Mary Jane VanDenBroek, John Blaine, Doug Palmer, Connie Vanderlaan, Christine Cross and Terry Palmer.

Auxiliary reviews workings of memorial

WINCHESTER (Special) - Mrs. Louise Sloan, president, welcomed a large turnout of members to the November meeting of the WDMH Auxiliary, especially those who were attending for the first time. The secretary read the minutes from the previous meeting and then Mrs. Sloan asked unit directors and chairmen for their reports.

Mrs. Lillas Lancaster, Chairman of the In-Memoriam Fund gave her monthly report, then the meeting disucssed new guidelines for In-Memoriam funds, which are to be included in the amendments to the auxiliary by-laws.

The first in-memoriam chairman was Mrs. Wilma Ledgerwood, and when the fund was started in May, 1960, the original intention was to provide a chapel in the hospital. However, it is now proposed that these funds be used to provide life giving and saving equipment for the hospital.

At the present time some of the fund is invested, and in the past it has financed projects such as the lighted hospital sign purchased in 1967 at a cost of $968. During 1977 the auxiliary completed a family lounge on the first floor of the hospital at a cost of $2336.93.

The hospital district covers an area of 20 sq. miles and involved six funeral homes. Cards and receipt books are sent or taken to these funeral directors and donations may be made to them direct or to Mrs. Lancaster, who records all donations and sends out thank you cards and receipts where necessary.

Records are audited at the same time as the auxiliary books and the names of the deceased are recorded in the In-Memoriam Book located in the main lobby.

The fund has been most generously contributed to in the past, and it is hoped it will continue to receive such support in the future when funds will be used to purchase life saving equipment much needed by the hospital

Several members of the auxiliary attended the OHHA Convention in Toronto Nov. 5-8. Mrs. Davidson read a report of the sessions attended. One of the highlights, as far as the Winchester Auxiliary was concerned, was the Certification of Mrs. Rose Beeman, volunteer coordinator, by the OHHA. Mrs. Beeman is one of 32 certified volunteer directors in Ontario. The meeting joined Mrs. Davidson in offering their congratulations to Mrs. Beeman.

Next month's meeting has been changed from Dec. 14 to Dec. 7. On the 7th the Auxiliary will celebrate its 30th anniversary and this date coincides with the Gift Shop Bazaar in the hospital lobby. A workshop will be held in the hospital at 12:30pm Nov. 20 to provide some of the items for sale at the gift shop bazaar. All auxiliary members who can participate on that date are urged to come along.

College instructor captures board seat

LONG SAULT (Staff) - St. Lawrence College instructor Michael Bennett easily captured the Roxborough-Cornwall Township seat on the SD&G county board of education in Monday's voting, scoring one of the most lopsided wins in Stormont, Dundas and Glengarry.

Mr. Bennett more than quintupled his opponent's vote, defeating Vincent Refsahl-Jensen 1054-203 to take the seat vacated this year by Sesel Wert of Avonmore.

He outpolled the Domtar supervisor 564-142 in Cornwall Township and outdistanced him 478-60 in Roxborough. Mr. Bennett also took the advance vote, 12-1.

About 39 per cent of Cornwall Township's 3,965 eligible voters turned out Monday to return three council incumbents. Reeve John Cleary and Deputy-Reeve John Moss had already been acclaimed to another term.

Mike Maloney led the polls with 843; Bill Fenton took second with 775; Miles Chisholm nailed down the third spot with 709; John Cameron had 638, and John Milnes trailed the field with 468.

Chesterville Hydro bills go computerized

CHESTERVILLE (Staff) - Council would rather switch than fight computerized Hydro billing.

Because Ontario Hydro will not replace their old billing machine, council agreed Tues., Nov. 7 to compute hydro bills in Ottawa. Though not all municipalities have adopted it yet, the change is common, says clerk-treasurer Lloyd Graham.

Benefits of the computerized billing far outweigh the disadvantages, he said. Time, manpower and cost of labor are effectively reduced.

Instead of taking a week to prepare bills, for instance, it will take a computer only 48 hours. Information sent to Ottawa Friday will be back by Monday, Mr. Graham said.

Stuffing and stapling bills will be done in Ottawa, leaving the municipality with only one responsibility - licking the stamp and mailing the bill.

Once the computer has enough information, Mr. Graham added, it will produce the Standard Industrial Classification quarterly report, a comprehensive and detailed calculation of village electrical power usage currently done in the clerk's office.

Only the format of the bill is altered. Otherwise bills will be issued at the same time and due dates will not change.

Morewood WI meets

MOREWOOD (Special) - The November meeting of the Morewood WI was held at the residence of Lorraine Carr.

Mrs. H. Crump, the president gave a reading on Remembrance Day. Mary Jane Van Dougen and Julie Anne Duckworth, 4-H members gave a demonstration how to tie and wear different scarves.

Mrs. A. Crump, a delegate to WI Convention in Ottawa, gave a report on the meeting. The speaker at the banquet was Pauline McGibbon Lieutenant-Governor of Ontario, who talked about her role in that office.

The December meeting will be held in the United Church hall with Christmas Party and invited guests, potluck smorgasbord.

Hostesses for the November meeting were Mrs. H. Stewart, Mrs. S. Mattice, Mrs. C. Patenaude and Mrs. C. Wagner.

Crites returned over Cumming

MOOSE CREEK (Staff) - Monday's election results in Roxborough Township were a replay of 1972 with reeve George Crites again defeating Donald Cumming, this time by a 628-343 margin.

Mr. Crites, reeve since 1972, lost only two of the township's six polls - both in Monkland - in turning back the challenge from his long-time adversary.

Mr. Cumming defeated the incumbent 71-48 and 48-43 in the Monkland poll but failed to stay close the rest of the way as Mr. Crites swept the four polls in Avonmore and Moose Creek on the way to his convincing victory.

The results in Avonmore favored Mr. Crites 146-34 and 103-23, and in Moose Creek they were 138-76 and 139-84 in favor on the incumbent.

Mr. Crites also edged his opponent in the advance poll, taking 11 of the 18 votes cast.

In the public school board election for Roxborough and Cornwall Townships, Michael Bennett overwhelmed Vincent Refsahl-Jensen 478-60, sweeping every poll, on his way to victory.

Inside Ingleside

by jean jeacle

Grandmothers are bonus points in the game of life. Those people who are lucky enough to have one - or, better, yet, two - gain the advantage of extra portions of affection and attention which will stand them in good stead as they make their lone - and sometimes lonely - way towards their goals of security and contentment.

Grandmothers come in assorted shapes and sizes but they all share the common bonds of pride and pleasure in their grandchildren. Some have sore feet and many have weak eyes, but all have welcoming arms for the children of their children. Some grandmothers wear dresses and aprons while others wear pant suits but all wear their hearts on their sleeves for the son of their daughter or the daughter of their son.

Grandmothers do not worry at all about spoiling children with praise. Secure in the knowledge that mothers are supplying the daily discipline, they feel free to concentrate on offering uncritical admiration. They are always impressed by goals scored, honours won or feats accomplished and they never hesitate to say so.

Whether addressed as "grandma", "grannie", "nanny" or "gram", grandmothers are invariably spoken to with fondness and thought about with love.

My own grandmother (the only one I knew) would have been one hundred years old today. She died twelve years ago but she is with me yet whenever I taste a buttertart or smell a lavender sachet. She was a comfortable woman and a comforting grandma.

This week the Ingleside Women's Institute will be saluting grandmothers at a special meeting and I am very happy to be joining in the tribute. I think grandmothers are great! I am very glad I had one - and I certainly hope I will be one.

Peterman visits Wmsbg.

WILLIAMSBURG (Special) - Rev. Dr. Richard Lee Peterman, Director of Resource Development for the Lutheran Church in America, will be guest preacher at Williamsburg and Riverside Heights this Sunday. Both area pastors, Rev. Pamela McGee and Rev. John Boehmer, have invited persons of all denominations to join them for these special services.

Rev. Peterman will be at Williamsburg for the 11am service and at Riverside Heights for the 8pm service. He has had a varied experience in the business world and the church having been a journalist for 10 years before entering the ministry. His first parish was Christ Church, Tinicum, Pa., where he and James A. Michener, the famous author, teamed up to foster a community-wide campaign to raise funds for a young girl in need of special medical care. The event was later televised nationally on ABC's Crossroads.

From Buck's County he moved to the Chicago area where he became the Secretary for Stewardship of the Illinois Synod of the former United Lutheran Church in America, helping to direct that synod's total stewardship program, which involved a capital funds appeal amounting to $1.5-million. He then served the former ULCA as Associate Secretary for Stewardship as editor and writer. When the Lutheran Church in America came into being in 1963, he was elected secretary for Interpretation of the Board of World Missions.

In this position he visited many of the overseas churches related to the LCA, spoke in colleges and seminaries and wrote numerous articles for church publications. Currently he is responsible for co-ordinating all of the fund-raising activites of the Lutheran Church of America, motivating individuals, congregations, foundations, insurance companies to give funds for a variety of projects in North America and around the world. These projects relate to every facet of the church's ministry -- from preaching to teaching to healing to feeding and clothing. Dr. Peterman has appeared on NBC's nation-wide program Frontiers of Faith. He is an author, having written three books and edited two others.

Trinity United Church UCW observes Remembrance Day

(Special) - The ladies of the afternoon UCW unit of Trinity United Church Chesterville held their meeting Thurs., Nov. 2 at 2PM.

Mrs. Graham Smith welcomed members and gave a reading on Remembrance. A two-minute silence was observed in honor of those who had sacrificed their lives for us and then three verses of "O God our help in ages past" was sung and the Lord's Prayer repeated in unison.

Following was the business discussed: arranging the tables for bazaar committee - admission to bazaar $1 and 50 cents. The novelty table will have unwrapped items. Next meeting is general meeting Dec. 7 with a pot-luck supper. At this meeting bring one article to decorate the Christmas trees. It was decided to sponsor another foster child. The kitchen committee are to purchase a new coffee-maker. On Tues., Nov. 14, Church and Society met at Apple Hill to discuss child abuse.

Two birthday cards were autographed, one for Mrs. Donald Gordon and one for Mrs. Percy Gilroy.

The worship service was presented by Mrs. Cam Thompson, Mrs. Ed Shay and Mrs. Orma McElheran. Mrs. Ella York read a beautiful poem, her own composition, on "Remembrance".

Mrs. Orma McElheran introduced the guest speaker Mrs. Lee Hanes, Adult Protective Service Worker (A.P.S.W.) with retarded adults. She showed slides illustrating her work and later gave a talk on it.

The following are some of her duties - Life skills; job placement; work team services, accommodation; emotional counselling - discussing problems with parents, medical and dental service.

Dear Ann Landers:

Dear Ann Landers: I was engaged to a lovely young woman. We got along great and I was sure she'd be the perfect wife.

Belle's family is well-to-do and material things have always been important to her. I'm a guy who never had much as a boy (poor family) but I'm a hard worker and will make it big one day.

Belle wants me to borrow money from her dad so we can start out with a beautiful apartment and expensive furniture. I told her I don't like owing money - especially to a relative - and she'd have to wait for that. She was awfully disappointed.

Last week Belle told me she has been praying a lot about our marriage - asking the Lord to guide her. Well, it seems the Lord told her to break off the engagement. She returned the ring (it was my grandmother's) and now she is telling everyone she broke the engagement "for religious reasons."

I'd like your opinion.

— **Cheyenne Disappointment**

Dear Cheyenne: Belle is telling the truth. She DID break the engagement for "religous reasons." The woman worships money and you don't have enough to suit her. (P.S. Consider yourself lucky. Belle was no bargain.)

Dear Ann: Since you are of the Jewish faith, perhaps you can explain something. The Old Testament advocates "an eye for an eye, and a tooth for a tooth." Isn't this a senseless method of getting even? If everyone practised it, eventually we would have a world of blind and toothless people.

Can you explain why the wise men of those times advocated such harsh retaliation as compared with the New Testament's admonition to "turn the other cheek"?

— **Want To Know More**

Dear Want: "An eye for an eye, and a tooth for a tooth" does not mean "do to him what he did to you." It means the punishment must never be more severe than the crime.

This admonition was given to the people at a time when cruel and inhuman punishment was inflicted on many who were guilty of minor offenses - for example, if a man stole a loaf of bread, he was sometimes put to death.

So you see, the "eye for an eye" precept was actually compassionate rather than punitive.

Dear Ann Landers: My cousin, who is a widow, lives a half block from me. We were never very close but we belong to the same card club and my husband and I take her to church almost every Sunday.

The minister has been visiting my cousin three times a week since the funeral (last week it was four times.) At first I thought it was very thoughtful of him, but it's been nearly 18 months now and my cousin has had plenty of time to learn to handle her grief alone. (Also her marriage wasn't that terrific.)

There is quite a lot of gossip about the minister's car being parked out in front of her house so often and the talk isn't doing the church any good.

Should I speak to my cousin, to the minister, or to his wife? Several of us feel if the minister's wife were aware of what's going on he would behave differently.

— **Not Blind And Not Dumb Either**

Dear N.B.: If the minister has been visiting this woman three times a week for 18 months his wife probably knows about it and is handling the matter in the way that suits her best. My advice is MYOB.

What's prudish? What's O.K.? If you aren't sure, you need some help. It's available in the booklet: "Necking and Petting - What Are the Limits?" Mail your request to Ann Landers, P.O. Box 11995, Chicago, Illinois 60611, enclosing 50 cents in coin and a long, stamped, self-addressed envelope.

Chesterville Jets of the Eastern Ontario Junior C Hockey League have been at the top and are this year rebuilding to claim the coveted league and ODHA championship they have won.

Head coach Mike Lecuyer and his assistants Larry Kelly and Gary Gallinger have a tough chore ahead with six key regulars gone from last year and eight new players in the familiar gold and green uniforms this season.

The Jets tied their opening game of the regular season and have since dropped five games placing them eighth in the nine team standings. Team officials are optimistic that trend will be altered when some of the club's top snipers start rolling.

Last year, Chesterville finished the regular campaign in fourth spot with a 15-10-2 mark just eight points off first place.

They went to eliminate Avonmore and Osnabruck Township before bowing to Embrun in the league playoff finals.

Two years ago, Chesterville ranked second in the regular campaign and went on to win the league playoff crown and the John Cameron Trophy.

Three years ago, Jets were the ODHA Junior C Hockey champs and recipients of the J.G. Stewart Memorial Trophy.

This season's start has been slow but the mold is being finished with each outing for another title contender.

EOJCHL rookie crop best in recent years

(Staff) - Char-Lan Rebels and Maxville Highlanders have quickly established themselves as top contenders for the EOJCHL championship.

The Rebels and Highlanders have been running one-two for the past couple of weeks and if other teams in the circuit plan to alter that situation upsets will be of high order.

The two leaders have, in moving to the top of the pack, showed stingy defensive work with an abundance of scoring power. The two teams combine to boast seven players in the top 15 in the individual scoring race.

Of those 15 top snipers, seven are rookies and Crysler boasts the top player in Denis Raymond with 18 points on 14 goals and four assists.

In the goaltending race, Embrun's trio of Francois Gignac, Joel Brisson and Daniel Gladu lead with a 3.14 average.

Finch Township's Jim Hume and Harold McBride are second at 3.20, Char-Lan 3.28 and Maxville 3.33.

Finch Twsp. 7, Chesterville 4

Finch Township's number one trio of centre Eddie Gove and wingers Bill DeWit and Mike O'Donohue got their act in high gear here last Tuesday night, scoring 10 points in a 7-4 win over the winless Chesterville Jets.

DeWit paced the trio with a hat trick and an assist as his mates each chipped in with single marks and two assists.

Chesterville was down 3-0 after the opening frame by the time they got untracked for three straight goals in the middle period they were trailing 5-0.

Finch added two more powerplay goals 12 second apart late in the second period to lead 7-3 going to the dressing room.

Steve Plummer, Ronnie Richards, Karl McRoberts and Jeff LeClair got goals for the losers. Lyle Servage had two assists.

Scoring other goals for Finch Township were Rick McGillis and Steve Sullivan.

A total of 25 minor penalties were handed out in the game with 13 going to the 76s and 12 to Chesterville.

Char-Lan 8, Osnabruck 2

Char-Lan Rebels chalked up their fourth straight victory of the young season in fine style against the Osnabruck Township Kings last Wednesday night at Finch.

Mike Tessier and Lee Sheets paced the Rebels with two goals and two assists each in thumping the Kings 8-2.

Rebels scored four times in the opening frame and added two more in the middle stanza. Osnabruck finally hit the board with a pair of quick markers from Grant Simpson and Blake Barry early in the third period.

Char-Lan had seven minors and a 10-minute misconduct to MacDonald as the Kings received 11 minors.

Maxville 13, Avonmore 2

Two streaks were kept alive last Wednesday night when the Avonmore Aces hosted the Maxville Highlanders.

Highlanders ran their unbeaten record to five games and Avonmore's winless mark went to six in a 13-2 drubbing to Maxville.

Brian Wensink, a junior B performer with St. Isidore last year, made his second appearance in a Highlander sweater and made it impressive with two goals and five assists.

Randy Robinson led the goal-getting parade with five as Kelly Kavic and Darren Rolland each netted a pair. Singlemarkers were scored by Wayne Kippen and Sandy McIntosh.

Joe Holland netted both Avonmore goals with Ronnie Smith and Blair Henderson drawing assists on each.

Maxville led 4-1 and 5-2 at the period intervals. They ran the margin up, scoring six times in the last five and one-half minutes.

Aces had four minor penalties as Maxville received nine minors and a 10-minute misconduct to Kavic.

Char-Lan 5, Alexandria 2

Char-Lan Rebels were paced by Mike Tessier's three-point game in running their unbeaten streak to five games to maintain their slim hold on the league lead.

Tessier scored twice and set up a third goal as the Rebels led 1-0 and 2-1 in beating Alexandria 5-2 in Williamstown last Thursday night.

Mitchell MacDonald, Julien Derome and Ricky Cooper scored the other Rebel goals.

Replying for the Glens were Lyle Ross and Carter MacDonald.

Eleven minor penalties were called in the game with six to the Rebels and five to Alexandria.

Alexandria 4, Chesterville 2

A three-goal outburst in the second period carried the Alexandria Glens to their third win in six games as they doubled winless Chesterville 4-2 at home Saturday night.

Glens led 1-0 after the first frame and carried a 4-1 margin into the final period.

John McLeod teamed up with Paul Deprattor and John Milne for two goals as Dave MacDonell and Bradley Gagnon got the other markers.

Lyle Servage and Neil Kittle replied in the losing effort for the Jets.

Referees were not too busy calling only 13 minor penalties with six to the Glens and seven to Chesterville.

Maxville 9, Crysler 2

Two four goal periods lifted the high-scoring Maxville Highlanders to an easy 9-2 verdict over the Crysler Raiders Sunday afternoon. The win leaves Maxville unbeaten in six games with five victories and a tie.

Darren Rolland paced the winners with two goals and as many assists as Brian Wensink chipped in with two goals and an assist.

Randy Robinson, Ricky Besner, Allan Blaney, Kelly Kavic and Ricky Wensink each scored once.

Denis Raymond got his 14th goal of the season and Sylvain Lafleche the other goal as the Raiders trailed 4-1 and 5-2 at the period intervals.

Maxville received 11 minors and a major while the Raiders had eight minors, a major and a game misconduct.

Embrun 6, Osnabruck 1

Luc Dagenais scored a first period hat trick Sunday afternoon to pace the Embrun 72s 6-1 over the Osnabruck Township Kings. It was Osnabruck's second straight defeat.

Embrun led 4-0 after one period and the teams played a scoreless second period.

Doug Johnson got his seventh goal of the season to break the shutout in the final frame.

Luc Dagenais also picked up an assist as Guy Marion, Mario Savage and Ghislain Cousineau all counted single goals for the winners.

Marion added a pair of assists as Butch Talbot collected three helpers.

Each team received three minor penalties.

Campaign goes over halfway mark

Organizers hope the Crysler and District Arena will be standing and open for business next winter with funds just over the halfway mark. Almost $129,000 has been collected or pledged now, another $104,000 is required to hit the magic $544,200 figure. Occupancy next winter

Spring sod turning hoped for proposed Crysler arena

CRYSLER (Staff) - Certain members of this community are optimistic their Raiders of the Eastern Ontario Junior C Hockey League, minor hockey and minor broomball teams will have a new home come next winter.

Hank Zwirek, chairman of the proposed Crysler and District Arena building committee, is one of those people. When asked if the estimated $544,200 building would be ready for occupancy by next fall, he responded "I certainly hope so".

He and fellow members of the building committee hope to witness the official sod turning ceremony in the spring of 1979 with the last piece of work completed by October.

But, Mr. Zwirek has a second train of thought if the sufficient amount of funds are not secured. He would like to see the building up by next October but he says the artificial ice plant could wait another year if their is insufficient funds.

Sitting on the committee with Mr. Zwirek are secretary-treasurer Rachelle Patenaude and directors Ron Armstrong, Armand Gibeault, Jim Reeves and John Ouderkirk.

Crysler's minor teams currently play home dates at Finch and the Jr. C Raiders have their home games scheduled at Casselman.

The fund-raising campaign started over a year ago and it is currently hovering around the halfway mark with an estimated $104,600 yet to be raised.

A break-down of the cost for the 250 X 100 ft. structure has $233,100 to be raised by the community with Wintario to kick in the same amount and an Ontario Community Centres and Recreation grant to total $78,000.

Mr. Zwirek said the local fund currently stands at about $128,500 with $50,000 on hand, $47,500 additional confirmed pledges, $21,000 donated labor and $10,000 donated material.

The building will not have a hall but Mr. Zwirek said the design can accomodate expansion to include such an area above the main entrance, lobby and dressing room areas. The arena is to be built near the Nation River and to the west of the ball diamond.

There will be parking space for 172 cars and the arena will be able to seat approximately 800 persons. The area around the playing surface, said Mr. Zwirek, is similar to that of the Chesterville and District Arena with the players' benches and penalty box on one side and bleachers for fans on the other.

He noted about 50 per cent of the area has been canvassed for pledges. Recently, Larry Patenade, Raymond Landry and Yvon Rouleau were appointed to a sub-committee in charge of canvassing. Crysler village will be the focal point and mushrooming out.

Mr. Zwirek said the committee is too small with five members and as plans for the arena progress so will the need for more volunteer workers and in particular those with expertise in certain advantageous areas of construction.

Last week's meeting was, in Mr. Zwirek's mind, a chance for local groups to indicate what they will do to help raise funds for the arena.

The Crysler UCFO has pledged $600 while the local PTA will sponsor a wine and cheese party Nov. 25 with some of the proceeds going to the arena. The Crysler Knights of Columbus are planning a giant fund-raising banquet in early 1979 while the bush league and broomball teams are going to sponsor periodical disco nights.

Do you know what turns people off?

You probably think you do. They're mostly the things that turn you off, right? Well, see how right you are. Check the habits below you think will turn people off.

☐ 1. Filling up a hot tub instead of taking a shower.
☐ 2. Turning on the floodlights to light up the house all night.
☐ 3. Turning up the thermostat, then opening a window.
☐ 4. Leaving the TV on in one room while you eat dinner in another.
☐ 5. Cooking on an element too big for the pot.
☐ 6. Brightening up the house at dusk by turning on all the lights.
☐ 7. Turning the washing machine on to launder just a couple of things.
☐ 8. Filling the kettle up to make a single cup.

If you checked them all, 1 to 8, you're right. Because waste of electricity, like anything everybody really needs, is a bad habit.

That makes all the habits above turn-offs. Which is a good reason for all of us to avoid them.

Wasting electricity turns people off.

An unidentified Winchester Hawk forward and Rudy Grisel (19 white) were knocking on the door during the first period action but got no answer from Morrisburg netminder Gerald Scully. Morrisburg won the game easily, 10-0, to move back atop the ODJBHL St. Lawrence division standings. The shutout was the first of the season in the league.

Lions humble Hawks to regain first place

WINCHESTER (Staff) - Santa Claus came early as Gerald Scully recorded the season's first shutout and the Morrisburg Lions vaulted back into first place in the ODJBHL St. Lawrence division standings.

Morrisburg dropped from the top spot Friday when they bowed 8-6 to Spencerville and Winchester downed Prescott 11-5. But, the Lions were roaring Sunday afternoon as they blasted the Hawks 10-0 before over 600 persons at Winchester.

Scully did not have to be outstanding as his mates carried the play to the Hawks who repeatedly made defensive errors.

Leo Lafortune took only 19 seconds to score the first of his two goals on Hawk goalie Bruce Jones.

Jim Whelan and Mark Beaupre also chipped in with a pair of goals as they scored once in the first and five more in the second frames.

Getting single markers for the winners were Pete McIntosh, Bruce Baker, David Myers and Steve Richer.

Three of the 10 goals came on powerplay efforts.

Morrisburg received 11 minors and a major while Winchester had 14 minors, a major and a game misconduct to Doug Duncan.

Friday's game in Prescott was a different contest for the Hawks with everything possible going right.

They levelled the Saints 11-5 with Dave Sullivan, back from a three game suspension, scoring four times and assisting on a fifth goal.

Winchester led 3-2 and 9-4 at the period breaks. McLean scored twice as Duncan, McIntosh, Brad Sullivan, Jim Cochrane and Lorne Cook scored once each.

Jeff DeDekker replied twice for the Saints as Mark Campbell, Jeff Modler and Joe McFarlance got single markers.

Winchester was handed seven minors and a major as the Saints had 13 minors, a major and a game misconduct.

Morrisburg had their hands full Friday with Spencerville coming from behind to post their first win of the season.

Brian DeDekker broke a 6-6 tie on a powerplay with 1:11 left in the game. Jeff Summers notched the insurance goal in an empty net with 20 second remaining.

Spencerville led 4-2 after one period but the Lions stormed back in the middle stanza to claim a 6-5 margin.

Dale Gilmour had a hat trick for the Bruins as Greg Morris scored twice and Wayne Canham had one goal.

Mark Beaupre had a pair for Morrisburg as Barker, Richer, Whelan and Mark Payment added single goals.

Lions received 11 minors, a major and a game misconduct while the Bruins had 15 minors, a major and a game misconduct.

This coming weekend's action could prove vital in the continuing battle for first place in the division standings.

Winchester hosts third place Cardinal Friday and play in Kemptville against the surging 73s Sunday. Morrisburg entertains Athens Friday night and go to Prescott Sunday.

Duff remains unbeaten

Clement upsets Dan's

(Staff) - Duff Powerline continues to dominate in every category after five weeks of action in the Chesterville and District Men's Broomball League.

Duff blasted winless Aqua Fun Pools 4-1 Monday to run their unbeaten streak to five games while Clement Feeds upset Dan's Shoppe 2-1 in the first half of the weekly double-header.

Gerry McBain tied it up for Aqua Fun in the middle stanza but the third period was all Duff Powerline. Frank Heerkens broke the tie in the opening minute and Dale Armstrong ran the count to 3-1 on a breakaway four minutes later before Gallinger popped his second goal of the game.

Better Read This--Your Wife May Have Written It...

Dear Husband and Kids:

I can tell by your fretting and stewing that already you're thinking "I should buy Mom something different for Christmas this year. For years I've played dumb and ended up with prize packages . . . like in (1965), a new leopard skin rain coat: (1976), a new lawn mower.

In each of those years I assured you, with happy tears, that the gift was exactly what I needed. ENOUGH! This year, Mother is going to tell you what she wants early enough, and where to find the best balues she's found.

This is what Mother wants for Christmas . . . (1) the family together; (2) a picture of everyone; (3) no arguments; but if you feel it wouldn't be Christmas unless you spend some money on me, I'll tell you I want clothes this year. I've been shopping for months, and I've found that **Dan's Shoppe, Chesterville**, has everything I want.

Honey, **Dan's Shoppe** has a beautiful selection of dresses, pantsuits and loungers at all prices, you pick one out. Anything **Dan's Shoppe** has would please me.

And one more thing . . . for once in your life, listen to Mom . . . don't go shopping around like puppies at a flower show. I've tried all that, and it's exhausting. Just drive straight to **Dan's Shoppe**. They're open Tuesday to Thursday 9am to 6pm, Friday til 9pm and Saturday 9am to 5:30pm. They'll be happy to see you and can make many suggestions.

With all my love
Your wife and mother

St. Lawrence goes down 24-14

General Vanier Vikings were as successful on the ground as they were in the air Friday as they beat St. Lawrence Saints 24-14 to win their first ever SD&G Secondary School Football League crown. In the top left photo, GVSS tight and John Parisien (75) got special attention from three St. Lawrence deep backs on this play but he combined with QB Greg Venn to sting the Saints on numerous other plays. To the left, GVSS halfback Mike Collins hurdles a St. Lawrence tackler as he looks for touchdown country down the sideline. Above, St. Lawrence's Jeff Nichol sprints from a Viking defensive back for his 76 yard major called back on the second play of the game. - staff photos-

GV Vikings win first gridiron title

CORNWALL (Staff) - The Edwards Trophy, symbolic of supremacy in the SD&G Secondary School Football League, has found a new home - the trophy case at General Vanier Secondary School in Cornwall.

GV's Vikings laid claim to the title for the first time ever by dropping St. Lawrence Saints 24-14 Friday and in doing so leaving Tagwi Warriors as the only active league team never to win the coveted award.

General Vanier completed the list of active league teams to reach the final and they left little doubt they were the best in the five-school circuit this season, finishing the regular campaign with a 6-0 record.

St. Lawrence placed a distant second and had to knock off defending CCVS Golden Raiders in the final regular game to secure the championship berth.

Both teams showed tremendous offensive spark but it was the combination of quarterback Greg Venn and tight end John Parisien, both members of last year's CCVS winning team, that put the lid on St. Lawrence's plans to reclaim the title which they monopolized in the 1960s.

Both teams stuck to the ground attack for the most part but it was a pair of Parisien receptions which broke the game open for the Vikings.

General Vanier's defence held steadfast against the St. Lawrence running attack but they had their problems controlling scatback Chris Nicholl who scored both majors and had a third called back. Marc Proulx kicked two converts.

Parisien, Larry King and Mike Collins got the Viking touchdowns as Luigi Capparelli converted each and added a field goal in the late stages of the game.

St. Lawrence threatened to steal the game away on their second play from scrimmage with Nichol racing 76 yards for the score but only to have it nullified by an illegal procedure infraction.

Vikings took over and marched the ball to the St. Lawrence 21 before giving up the ball when a fake punt on third down was stopped.

St. Lawrence's luck continued to turn bad as Mark MacDonald fumbled and General Vaniers Paul Boucher recovered on the 30.

Collins quickly carried the ball to the St. Lawrence nine and four plays later went into from one yard out.

The score remained 7-0 for GVSS until the second play of the third period when Nicholl pulled in a Guy Primeau pass and went 60 yards down the sideline. Proulx kicked the convert to tie the score.

It took the Vikings only six plays to regain the lead with the pass doing the damage.

Venn hit Parisien for a 35 yard gain and a roughing penalty to St. Lawrence pushed the ball to the Saints' 14. On the next play, Venn came back to the big boy, Parisien, who outlegged the defenders deep in the endzone.

St. Lawrence got control and took their time in marching 67 yards for another touchdown to tie the score at 14-14. Nichol capped the drive with a 27 yard run on a statue of liberty play.

On the opening play of the final quarter, Parisien was the target again as he went 28 yards to the St. Lawrence 17. Gerry Banville took the ball to the four on the next play and King went over from the four two plays later.

General Vanier put the game away on their next offensive series when they marched to the St. Lawrence 14 and settled for a Capparelli field goal.

St. Lawrence had another shot at scoring with Proulx's field goal from the 32 falling short.

General Vanier took over there and Venn hit Parisien for a 38 yard gain on the last play of the game.
