Interesting Nomination Meeting Well Attended Reeve And Councillors Report Year's Work

By H. Keith Graham

Chesterville held its annual nomination meeting last Monday evening in the Community Hall. A larger crowd was in attendance than had put in an appearance for years and included a number of interested ladies. Nominations proceeded in an orderly manner until the time came for the retiring council to give an account of its stewardship. Then the proceedings deteriorated somewhat.

At the close of the nomination period the clerk, Mr. Hummel read the names of Charles McMillan and G. H. Barkley as being nominated for the position of reeve and thirteen others as placed on the list for councillors. He then asked the assembled audience to appoint a chairman and M. A. Flynn was placed in the chair for the rest of the meeting. Mr. Flynn called on Mr. McMillan, as retiring reeve to make his report to the ratepayers. Mr. McMillan gave a short description of a day at Counties Council, asked for support if he chose to stand in the coming election and sat down.

Councillor John Turner was called and gave a brief resume of the financial business of the town for the past year. Out of the mass of figures quoted, it was noted that our population had risen to 1241 and that our total worth is very close to $900,000. It was also noted that our policing costs were approximately $400 higher than budgeted for.

A fact that was not mentioned by Mr. Turner, that perhaps should be made clear, is in regard to the schools, the High School in particular. A debenture was sold for most necessary improvements to the school. That debenture is for a total of $8919.50 and is to be retired in ten years. The improvements were certainly needed, but it will of necessity raise the mill rate by about one and a quarter mills. The yearly payment will amount to $1099.65.

Councillor Carl McMillan took the floor. Without mentioning the police situation by name, Mr. McMillan stated most emphatically that he has "always stood on his own two feet." and that anything that took place during his term of office and that he expressed an opinion on, he did because he was firmly convinced that it was for the good of the community He pointedly stressed the fact that notwithstanding some "gossip" to the contrary, his decisions were not influenced.

Mr. McMillan went on to review the steps that led to insulating the Community Theatre ceiling and the calling for tenders for the operation of the theatre. He pointed out that present council had increased the revenue of the theatre from $884. to $1800. a year. The councillor closed his discourse with the hope that the incoming councillors will always have the good of the community in mind, thanked his supporters and made way for Councillor Hamilton to take the floor.

Councillor H. J. Hamilton opened his remarks in the delicate expression that "he didn't give a damn whether he was nominated for next year or not." With profanity providing the highlights for his following remarks, Mr. Hamilton made a vivid impression on his listeners, especially among the ladies present. Incidentally, Councillor Hamilton was the lone member of the outgoing council not nominated for this coming year's board. The councillor was spoiling for an argument and threw out challenges right and left for some member of the audience to question him regarding council's action in firing Constable Baker. With his challenges unanswered at the moment, Mr. Hamilton then painted a picture that will be a surprice to members of the community, in the village and from the surrounding country alike. After enlarging on the fact that he thinks Mr. Baker has not done his duty, he goes on in this manner, this is a quote: "Country people are afraid to come to town on Saturday night because they are afraid of being pinched for trivial stuff. This town is a ghost town on Saturday night." This writer asked the councillor some questions regarding when the Police Commissioners are alleged to have asked the policeman to withdraw charges made for a traffic infraction. Mr. Hamilton stated emphatically that Mr. Baker was not asked to withdraw the mentioned charges. He was only brought up to Mr. Hamilton's bedside to discuss the triviality of an offence to the Traffic Act made on the Provincial Highway.

Mr. Phillips, in his short talk thanked his supporters for his year in council. He stated that he was sure that the experience that he had gained would never be forgotten, and that he would not qualify as a candidate this year.

The nominees were called upon to state their views. Mr. G. H. Barkley as candidate for reeve took several full chested blasts at the council as headed by Reeve Chas. McMillan. His main bone of contention was that council of last year was not too much to blame because many of the members were "green" and looked to the reeve for leadership which they didn't get. Mr. Barkley was most emphatic in his disapproval of the stand that Reeve McMillan had taken on the police situation.

Reeve McMillan rose in rebuttal of Mr. Barkley. In his remarks he said that he had made some effort in the first part of the year to have a summons quashed on behalf of a young man of the community. In the end he said that legal advice had informed him that he had better not interfere with the police in carrying out their duties and he had done nothing since in the way of interference.

Rev. W. E. Wright said a few words in the interest of justice to all. He pointed out that many things had been said in the hall that night but that the most interested party, Mr. Baker, had not been able to defend himself. He asked the people to reserve judgment until the full story can be told.

In conclusion, the chairman asked some of the members of the audience who are in the township councils to say a few words.

COUNCILLORS IN BY ACCLAMATION RACE FOR REEVESHIP

At the qualification meeting last Tuesday night four members of the nominated list qualified making an election unnecessary for councillors. There will be an election on December 20th though, for reeve as two have signified their intention of contesting the seat. They are Reeve Chas. McMillan and Candidate G. H. Barkley. The councillors in by acclamation are John Turner, Haldane Durant, L. H. Doering and James Brennan.

NOMINATIONS FOR REEVE AND COUNCILLORS

The list of nominees and their movers and seconders at the nomination meeting of last Monday night is as follows:

For Reeve: George H. Barkley by Eric Casselman and Leon Marcellus; Chas. McMillan by Wm. Barker and Sydney Morris.

Hall Filled For School Commencement

Last Thursday saw a packed house in the Community Hall listening with pleasure and applauding with enthusiasm the splendid efforts of the students of the Chesterville High School as they and their teachers presented their annual commencement. The grace and precision of the exercises and dances, the excellent singing of the groups and the feeling of a well-directed performance was very marked. The students and teachers are to be congratulated for their efforts.

The principal, Mr. H. G. Gillies, B.A., B.Paed., acted as chairman. One of the highlights of the program was the presentation of proficiency awards which was made by W. J. Carr, chairman of the high school board. The Allison-Gillard Shield and Award in home economics is Grade IX went to Ada Smith. Don MacIntosh won the Dr. A. B. Clayton Shield and Award in general shop work in Grade IX. Other Shields and Awards were presented as follows: O. L. King: Mathematics, Grade X, Shirley Munro; H. G. Bigelow: General Proficiency, Grade IX, Lois Windsor; Dr. R. Dodds, General Proficiency, Grade X, Elaine MacMillan; Leon Marcellus: General Proficiency, Grade XI, Jean Feeley; MacPherson: General Proficiency, Grade XII, Joseph McMahon; H. S. McMurray: Lower School Oratory, Irene Paul; Dr. S. H. Hutt: Middle School Oratory, Leona Manley.

Award to the best all round girl was won by Margaret Gilroy.

Mrs. L. H. Doering, representing the high school board, presented the diplomas to the graduating students. Secondary School Honor Graduation Diplomas were won by: Margaret Gilroy and A. Graham Barkley.

Secondary school graduation diplomas were presented to: Hazel Byers, Joseph McMahon, Vera Merkley, Shirley Rowe, Bernadette Shaver, Jean Short.

Intermediate certificates were presented to: Edith Baker, Betty Ball, McMillan Beckstead, Shirley Byers, Robert Coughlar, Carl Crump, Marjorie David, Stewart Edgerton, Alice Farrell, Shirley Froats, Gordon Giles, Marion Klingvall, Jean LaSalle, Mildred MacIntosh, Elaine MacMillan, Loretta Masterson, George Merkley, Theresa Moran, Thomas Moran, Clara Moriarity, Marion Morris, Shirley Munro, Betty Servage, Ruth Simpson.

Vocal selections in unison and harmony by the grade IX girls were directed by Miss G. M. Burris, BA, the music teacher. The glee club, under the leadership of R. Kinchsular, BSA, BA, also entertained.

An English folk dance, "Pop Goes the Weasel," a German folk dance, "The half moon," and a Danish folk dance, "The Hatter," were presented by the girls of grades IX and X under the supervision of Miss E. E. MacDermid, BA.

The concluding number on the program was a one-act play entitled, "Buddy Buys an Orchid." The cast included: Stewart Masterson, Marion Morris, Shirley Froats, Irene Paul and Joseph McMahon. The play was directed by M. E. C. Clark, BA.

At the close of the program, the students presented gifts to the teachers who had directed the various numbers.

An hour of dancing followed for the students and their friends. Robert Thom, Audrey Young.

Awards and pennants won at the annual field day were presented by H. Keith Graham as follows: Champion senior girl, Shirley Froats; second senior girl, Ronona Boyle; champion junior girl, Shirley Munro; second junior girl, Loretta Masterson; champion senior boy, Tom Moran; second senior boy, Graham Sullivan; champion junior boy, Glendon Froats; second junior boy: Jack Julyan.

The valedictory address was given by Margaret Gilroy who is now attending Ottawa Normal School.

Several gymnastic demonstrations were well performed by the high school boys, directed by their physical training instructor, J. R. Potvin, BA.

THE LATE MRS OLIVER KEYES

Mrs. Oliver Keyes, wife of a former reeve of Winchester, and one of the prominent figures in the work of the church in that village for many years, died Friday afternoon in a Cornwall hospital.

Mrs. Keyes, whose work with children had won her many friends, was the former Emily Merkley, daughter of Mr. and Mrs. Jacob Merkley of Chesterville, where she was born 72 years ago.

For more than 50 years she had taught a boys' class in the Methodist and United Church Sunday Schools, and after her retirement last year her picture was hung in the classroom in recognition of her services. She was a past president and life member of the United WMS and had been active in the other church organizations and in the Red Cross.

Fifty-one years ago she married T. Oliver Keyes, who survives. Also surviving are, one son, Harold, of Winchester; three sisters, Mrs. A. A. Murphy, Saskatoon, Sask., Mrs. Cecil Fulton, Cape Town, South Africa and three brothers, Dr. S. A. Merkley, Winchester, Dr. H. Merkley, and Harry Merkley, both of Winnipeg, Man.

Mrs. J. Sutherland Ladies' Guild President

Mrs. John Sutherland was re-elected president of the Holy Trinity Anglican Guild at their annual meeting held at the home of Mrs. Sidney Morris, with sixteen members present.

Rev. Leon B. G. Adams opened the meeting with prayer.

The secretary read the November minutes and also gave the financial standing to date and reports showed all obligations had been met, and a substantial balance remained in the treasury. Miss Fairbrass read a letter of appreciation from the Ladies' Guild of St. Matthias church in Winchester, thanking the members for their kindness of having a fancy table at their bazaar.

A special collection was taken to donate flower vases for the Winchester hospital.

Discussions took place and completed concerning the Sunday School party to be held this month at the home of Mrs. Garland Sharkey. Mrs. A. A. Morris took the responsibilities of making the Christmas stockings for the children.

The president thanked the members for their loyal support to the guild and their willingness at all times to assist with the various duties they had been called on to share and then she asked the rector to occupy the chair for the election of the officers which resulted as follows:

President, Mrs. John Sutherland; Hon.-Pres., Mrs. Leon Adams; Vice-Pres., Mrs. A. Acheson; Secretary, Miss Gladys Faribrass; Treasurer, Mrs. Melvin Clarke; Corr. Sec., Mrs. Garland Sharkey; Sick Committee: Mrs. Harold Marnier, Mrs. A. Johnstone; Visiting Committee: Mrs. A. Hobbs, Mrs. Melvin Clarke; Conveners: Mrs. H. Yalden, Miss Dorothy Brooks.

The January meeting is to be held at the home of Mrs. Garland Sharkey.

The meeting was brought to a close by the rector with prayer and a dainty lunch was served by the hostess.

The Hockey Association meeting is postponed until Friday night and will be held in Russell.

RECENT HUNTING SEASON GAME AND FIRE PROTECTION

Reports of deer hunters from Lanark and Carleton Counties indicate that a good many hunters have been disappointed this year. Many of these men are recommending that the deer population be given more protection. Some advocate closed seasons for the next two years, others a much shorter season.

It is quite apparent that certain areas are being hunted too heavily now. Mr. Herb Paul of Lavant, stated that there were about 80 men hunting on ten square miles in his neighbourhood, and many of them were disappointed. Overseer Forrest Richardson stated that one day he checked 258 hunters coming out and they had bagged only 48 deer among them all. Hunters from Black Donald and Mount St. Patrick state that they have had poor luck. Hunters in Marlborough Township say that deer were very scarce but a number have been shot.

Mountain Township reports indicate that about 35 deer were killed there. A very extensive bush fire this fall swept across thousands of acres there, and removed the protecting cover of forest, so that any deer in the township had much less chance of escape this year. The growth of poplar, five to ten feet high had been sufficient to offer cover and to make shooting difficult. The fire left much of the area as bald as a prairie, and as it is flat land the deer had little chance in this burn. It is questionable if there are enough deer left to populate this township again to the same extent, in view of the extremely serious fire this year. From the hunter's point of view, it would be wise to protect this area from fire, and so allow deer the natural protection which woods offer. It would also be sound business to permit this land to produce a crop of trees rather than leave it as a great waste land area. It is to be noted that hunters found several carcasses of burned deer as well as a live deer suffering from burnt feet.

A circular has been sent to all municipal councils stressing the need for fire protection on private lands and urging the councils to take some action along these lines. Two councils, those of Ramsay Township and Williamsburg have expressed interest and are preparing to take action.

Thousands of acres of private land have been burned over this fall in Eastern Ontario and millions of small trees have been destroyed in the process. Fire protection of these lands, rests with the municipal councils who have the power to pass protective by-laws. The Department of Lands and Forests has not power to take action on protection but is prepared to advise municipal councils on this matter if requested to do so.

DECEMBER QUESTIONNAIRE REGARDING LIVESTOCK

During the last week of this month, farmers throughout the province will be receiving once again the annual December questionnaire regarding livestock, poultry, farm labour, and acreages of their farms.

The questionnaire is being sent out by the Agricultural Division of the Dominion Bureau of Statistics, in co-operation with the Ontario Department of Agriculture, Toronto. Answers given will provide a basis for estimating numbers of livestock, poultry etc. in Ontario at December 1, 1948 together with details of marketing and slaughter of livestock during the last six months.

Success of the survey depends on co-operation of farmers in filling out the forms. A widespread response to the plan is urgently asked from all types of farmers throughout the province. Unless the survey covers a large number of farms, it will not be worth a great deal.

Statistics obtained from the survey are used extensively during the year by governments, banks, farmers and farm organizations, railway companies and many industries in planning future operation. International groups such as the World Food and Agricultural Organization depend entirely on these figures to provide up-to-date information on the province's agricultural industry.

Such information as is derived will be distributed among school teachers and will provide a real opportunity of aiding in forming a true picture of agricultural conditions. It is therefore in his own interest for the farmer to fill in the form as quickly as possible and return it.

"What we want -is statistical in formation on the operations of farmers in Ontario," an official of the Statistical Department said. "The survey has absolutely nothing to do with taxation and the individual form is only seen by officials of the Dominion and Provincial Statistical Departments. It is a secret document as far as any individual farmer is concerned so he need have no fear about giving accurate details of his business."

The individual forms are all kept confidential in the most rigid manner, he pointed out.

BRITAIN SEEN BY CANADIAN WOMAN

Fortunate indeed are the people of Canada, living in a land of abundance, when compared with the people of Great Britain. This is the opinion expressed in a letter received at the Toronto headquarters of The United Emergency Fund for Britain from Miss Jean Bovey, of the Women's Voluntary Services, Montreal, who just returned from abroad.

"If you are a woman," writes Miss Bovey, "particularly one keeping house, give thanks that you live in Canada, truly a land of plenty. Do you realize that women in Britain, after ten years, still 'line-up' for at least one hour for meat? Did I say 'meat'?

"How would you divide meat, the equivalent of one lamb chop, to last seven dinners; one egg (if lucky) for all purposes, to last seven days; bacon, one very small slice, to last seven days; cheese, one piece smaller than the portion you may take each day in a cafeteria, to last seven days, and milk, five glasses for baking, cooking, your cereal, desserts, tea, coffee and drink, to last seven days.

"If you are fortunate", continues Miss Bovey, "once per week, unrationed meat may be procured, such as heart, kidney, tripe. Some less fortunate people have that opportunity only once in months.

"I could go on with this endlessly. Diet in the Old Country is extremely monotonous. Pity and housekeeper—pity particularly the financially poor housekeeper.

"Recently I saw on the front page of a prominent London paper, an article by an American visiting London who "was relieved and delighted to learn that the reports" (similar to above) "were unfounded and that there was an abundance of food and luxuries." No doubt you too may have read similar articles. Let me tell you that all persons who speak like that American assuredly only lived in hotels. What I have quoted is true, I have recently lived for seven weeks in houses in Britain.

"You live in Canada! Give thanks by giving," Miss Bovey concludes.

We can do more good by being good, than in any other way.—Rowland Hill.

Bake a Batch ANYTIME...

PURITY 3 in 1 COOKIES

It's a wonderful idea—means three kinds of icebox cookies from one recipe—and economical, too. You make three rolls each a different flavour. Anytime, you can slice some off—pop them in the oven and have delicious, crispy cookies ready in no time.

Make the dough like this:

½ cup shortening
½ teaspoon vanilla
2 cups brown sugar
2 eggs
½ teaspoon cream of tartar
1 teaspoon baking soda
3½ cups sifted Purity Flour

Cream the shortening, add vanilla and brown sugar. Add well beaten eggs. Mix cream of tartar, baking soda and sifted PURITY FLOUR, and add to mixture. Divide the dough into three parts for three different cookies.

Cookie 1.
Add ½ cup chopped nuts, then form into a roll.

Cookie 2.
Add 1 ounce unsweetened chocolate, melted, then form into a roll. Just before baking sprinkle each cookie with a few shreds of cocoanut.

Cookie 3.
Add ½ cup mixed red and green cherries that have been cut into eighths, then form into a roll.
Each roll should be wrapped in waxed paper and chilled in refrigerator, then, or whenever you wish, cut off thin slices from rolls and bake on greased sheet in hot oven (375°-400°F.) for 8-10 mins.

Remember, this grand recipe was created and tested in the Purity Flour kitchens,—so, for the new 3 in 1 cookies—and for all your baking—Purity Flour is best. It's the flour milled from Canada's fine hard wheat. For tender pie crust, light biscuits, wonderful rolls and feathery cakes, if you depend on Purity Flour you can depend on compliments.

Dundas School Inspector Advocates Larger School Areas

At a meeting under the auspices of the Ontario Trustees' and Ratepayers' Association held in the Assembly Hall of Winchester Public School on Wednesday evening, December 1st, W. J. Stewart, inspector of Public Schools for the county, made a strong plea for more speed in the county for the formation of township school areas in the two northern townships to administer the affairs of the elementary schools and for the establishment of either one or two High School areas to manage the High Schools of the county. He outlined the progress to date in Ontario in the matter of establishing these larger areas of administration and showed that over three-quarters of the province is now in larger High School areas, and better than sixty per cent under township area administration.

Mr. Stewart explained the situation in the Vernon area and expressed the view that it was Dundas County's move now to form a High School district to which this part of Osgoode Township might become attached if the ratepayers favoured such a move, and the Carleton County Council were ready to pass the necessary by-law. The speaker was emphatic in stating that the move to larger areas of High School administration did not mean an immediate move to erect one or more large central schools. He stated that in area after area in the province minor adjustments, and in most cases including transportation of rural pupils to the schools, was all that was contemplated for the present. Neither had township school areas in the province led to the formation of consolidated schools as was an argument raised when the first one was established in Dundas County in January, 1942. Mr. Stewart dealt at length with the inequitable situation existing at present between the student living in urban and suburban areas and the one living a few miles from a High School. He saw in the larger High School area the means of eliminating this situation.

Rev. John V. Mills, Executive Secretary of the Ontario Trustees' and Ratepayers' Association gave a most inspiring and enlightening address on Trustee-Teacher Relations, showing that the Federations not only protected the teacher, but were prepared to take disciplinary action in the case of a teacher who did not deal fairly in his or her relationships with the board.

Major J. R. H. Morgan of the High School inspection division, Toronto, was in attendance and answered many questions dealing mainly with the establishment of larger High School areas. Local members of the Winchester High School board also took part in the discussions.

At the end of the meeting the Dundas County Trustees' and Ratepayers' Association was formed with the following officers elected: Honorary President, W. J. Stewart; President, Fenton Hyndman, Mountain; Secretary-Treasurer, Remi Lalonde, Winchester; Vice-Pres., O. A. Irvine, Brinston. Members of Executive Committee: Walter Steven, Morewood; Burton Beckstead, Chesterville, and Eric Casselman, Chesterville.

Memorial Hospital Holds Regular Meeting

The regular meeting of District Memorial Hospital Auxiliary held in Town Hall, Winchester, on Thursday evening, December 2nd. Attendance was good with 86 present.

Meeting opened with the National Anthem with Mrs. Edgerton at the piano.

All outstanding tickets on sale by members on lace tablecloth, were requested to be turned in after the meeting to Mrs. David Melvin.

Treasurer's report by Miss Elliott showed $820.11 on hand.

President asked for higher membership for such a large area being canvassed.

Date for Donation Day was set for Saturday, December 11th from 2 to 5 p.m. Donations were to be taken to the south-west door of hospital, to be near the room they were to be displayed in. Each unit was to place its articles in a group A place name sign to appear over each group. Refreshments will be served by refreshment committee. Volunteers were asked to help store away food after donation day.

Several ferns and plants have been donated to the hospital and a committee was formed to collect them from their donors the day before official opening. Miss Helen Elliott and Mrs. Hugh Slater to act on committee.

A permanent buying committee for Auxiliary was formed. Mrs. Eric Casselman, Chesterville, and Mrs. Harry Carruthers, Elma, were named for this committee.

Miss Marquis reported that buffet and table had been received for the diningroom. The chairs had not yet arrived. The linen also had been purchased during the past month. She suggested a serving table could be useful in nurses' diningroom. Miss Marquis had written a letter to the Canada Starch Company at Cardinal and asked for a donation of food. She received 50 lbs. of Corn Syrup and 40 lbs. corn starch. She expressed thanks to all ladies who had gone and worked at hospital in the past few weeks.

A request was made for a donation of doilies for use on buffet in diningroom. Any nice ornaments for buffet would be of use as well.

Mrs. C. R. Robinson, the President, received two pairs of wild duck feather pillows with a letter from Mrs. Marion Servage of Edmonton, Alta., in memory of her mother and father, the late Mr. and Mrs. Duncan McKercher.

Splendid reports were given from the various units on their activities over the past month. Several having turned in money made at social functions.

Williamsburg

Friends and relatives will be grieved to learn of the sudden death of George Garnet Merkley of Napa, California, aged 47 years who succumbed to a heart attack at his home on Sunday, November 28th. The deceased was the youngest son of the late Aden Merkley and Annie A. McIntosh, born October 9th, 1901, in Matilda Township, Dundas County. He is survived by his wife Alyce of Napa, Cal., his sister, Mrs. Nina V. Casselman, Sacramento, Cal., and his brother, Ward Merkley of Burlingham, Cal.

Mr. and Mrs. Fred O'Shaughnessy and baby, Mrs. Elisabeth O'Shaughnessy, all of Madrid, NY, and Mr. and Mrs. G. E. Payne of Winchester, were Sunday afternoon callers at the home of Mrs. Lyda Empey.

Miss Moyra Ann Casselman of Macdonald College, Montreal, was a week-end guest in town with her mother, Mrs. A. J. Casselman and Ramon.

Mrs. Chas. McInnis of Iroquois, spent a few days in town a guest with her brother, Mr. Willis McIntosh and Mrs. McIntosh.

Mr. O J. Wert of town has the sympathy of numerous friends in the death of his father. Mr. John A. Wert, which occurred at Ithaca, NY.

Mrs. Nettie Barclay has returned after spending the past month at Spencerville, with her son and daughter-in-law, Mr. and Mrs. Chas. Barclay.

Mr. and Mrs. Willard Steinburg and the former's mother, Mrs. Lottie Fossitt of Morrisburg, were guests on Wednesday last at the home of Mr. and Mrs. Grant McIntosh.

The death of Mr. Peter McIntosh Barkley occurred at the General Hospital, Cornwall, on Tuesday morning where he had been confined for a month following a stroke which he suffered at his home in Williamsburg, about two months ago.

Mr. Barkley was a life long and highly esteemed resident of Williamsburg, he was in his 86th year, born at Bouck's Hill on August 16th, 1863 a son of the late Hiram Barkley and his wife Catherine McIntosh. Mr. Barkley is survived by one sister, Miss Martha Barkley of Williamsburg. His wife, the former Jane Garlough predeceased him about twenty years ago. Two neices also survive. The funeral was held on Thursday afternoon in St. Peter's Lutheran church where the pastor Rev. George Innes conducted the service.

Interment was in the family plot in Williamsburg Cemetery. The pallbearers were Chas. H. Dewland, A. A. Barkley, Elmer Dillabough, Jas. Cunningham, Lorne Hogaboam and Irwin Empey.

Church News

MOREWOOD UNITED CHURCH

The services at Morewood United Church were conducted on Sunday by the minister, Rev. W. J. Copsey, B.A. The morning sermon was based on the text, Act 16;13, "On the Sabbath day we went out of the city by a river side, where prayer was wont to be made." The Apostle Paul and his helpers, the first to bring the Gospel to Europe beginning in the old Roman colony of Philippi, began their work at the place of prayer where Lydia, a seller of purple (cloth) of the city of Thyatira, was converted to the Christian faith, the first soul won for Christ on the continent of Europe. On that Sabbath day they found their way to the place of worship. Wherever the true Christian may be on the Lord's Day he will find some place to worship God with God's people. Paul on that eventful day found a place for fellowship, for communion with God and an opportunity to witness to the saving Grace of Christ. It is a great privilege:

"To walk together to the kirk,
And all together pray,
While each to his great Father bends
Old men, and babes, and loving friends,
And youth and maidens gay!"

The Anthem was, "God is Near" by Hermon Von Berge, the duet parts being taken by Mrs. H. Popplewell, Mrs. Murray Dillabough, Sam Barrington and James Shaw. Mrs. Sam Barrington was at the organ.

Easier

A young woman, looking over an apartment, was unable to decide whether her husband would like it.

"I shouldn't let that worry you," said the agent. "Remember it's much easier to get a new husband these days than a new appartment."

Teacher: "Alfred, what is the term 'etc.' used for?"

Little Alfred: "I guess it's to make people think we know a lot more than we do."

Hasty conclusions are the mark of a fool.—Jeremy Taylor.

ON GUARD

Day and night, more dependable than ever

TODAY, telephones are four times as free from "trouble" as twenty years ago, and there are twice as many of them!

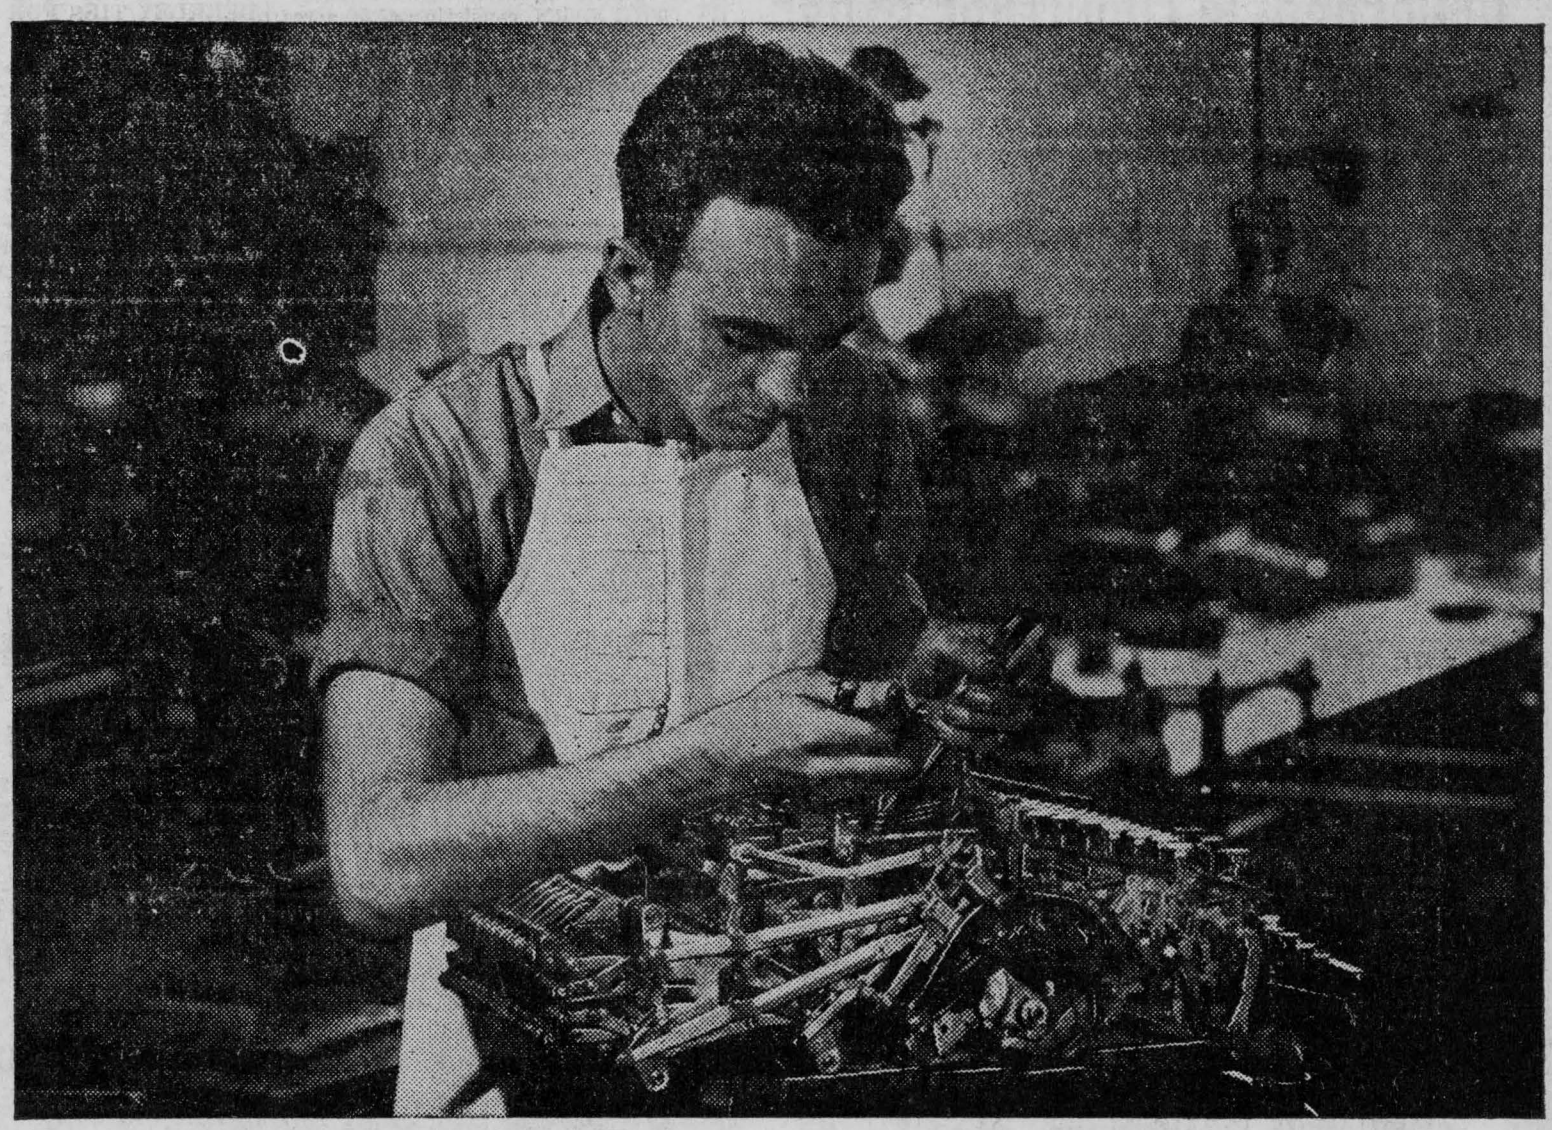

Each month 10,000 are being added so that soon all may have dependable telephone service and the security that goes with it.

This is being done in spite of rising costs, yet up to now there has been no increase in the basic telephone rates established 21 years ago.

For you, this means greater value than ever before; for us, the satisfaction of providing "the best telephone service at the lowest cost".

HANDS AT WORK... *for ONTARIO*

LEARNING MACHINE ASSEMBLY

ONTARIO'S products are desired and purchased by people all over the world and the capacity to produce such goods largely determines the economic welfare of every man, woman and child within her borders. Because the sale of every article produced in Ontario brings valuable dollars into this Province, we all are more assured of job security . . . and we and our children can have more of the better things in life. But to produce such goods in sufficient quantities, skilled labour is vital. That is why every single one of us should be glad that war veterans are constantly being trained to provide the skilled hands so needed by industry. They receive ON THE JOB training under expert instructors in our Ontario factories.

This training, provided through the co-operation of the Department of Veterans' Affairs, the Federal Department of Labour and the Ontario Department of Education, starts the veteran on the road to skilled craftsmanship. In assembling business machines, for example, veterans must have a thorough knowledge of electricity and must learn to perform intricate work on precision machines having thousands of separate parts. These Canadian-made business machines are sold in all parts of the world, creating new wealth for Canada and Ontario. Therefore every effort of these newly skilled veterans helps to make Ontario a finer place in which to live and contributes to the welfare and happiness of all her citizens.

THE BREWING INDUSTRY (ONTARIO)

MACHINE ASSEMBLY

John N. West, 25, of Toronto, a Royal Canadian Navy veteran, is shown here making an adjustment to one of the 10,000 parts in a business machine designed for a New Zealand firm.

Various types of business machines are produced in Ontario factories. Because of their intricate mechanisms it is essential that these machines be checked by expert craftsmen at every stage of their production.

An electric "shocking machine" is being used in the U.S. to apralyze fish temporarily, causing them to float on the surface for a few seconds, so they may be readily counted. The machine is operated by two men who wade the stream along opposite banks each carrying an electrode attached to a generator. The current passing between the electrodes stuns the fish briefly so they may be netted and studied by biologists.

Patience Wins

It was apparent a new era had dawned upon the Bimmelman household. Papa Bimmelman had suddenly acquirtd a pompous demeanor. Mama Bimmelman, always cheerful, had now a perpetual Mona Lisa smile. The small fry Bimmelmans were noisier than ever.

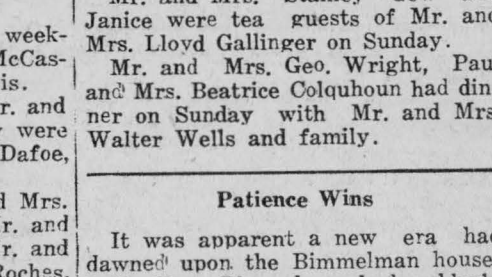

The neighbors speculated. Had Grandpa Bimmelman left them a fortune? No, it seemed to be something more important.

Wait a minute—it couldn't be—yes, you're right, the Bimmelmans had at last reached the enviable goal sought by thousands of their fellow citizens—the top of the list for a new car.

THE MIXING BOWL

By ANNE ALLAN

Hydro Home Economist

Hello Homemakers! Have you ever stopped to think what your saving of electricity means in terms of processed foods? Here is an example: If every homemaker in Southern Ontario replaced the 100-watt bulb in her kitchen with a 40-watt bulb there would be enough electricity saved in each hour of use to enable Ontario food processing plants to pack an average of 1,000,200 cans of food.

Looking over the prepared and packaged foods that line our grocery shelves we can see how fortunate we are in Ontario. These quickcooking, ready-to-use and canned products save expense and time in our modern way of housekeeping. We depend on such foods every day—from canned baby foods to ground coffee. Canned soups, fish, meats, vegetables, gravies, fruit juices, pudding powders, cereals, quick yeast foods, muffin mix, biscuit mix, cake mix, also bottled milk, packaged cheese, butter spreads, etc., and many others are within easy reach.

Read labels and advertisements to be sure of the ingredients, quantity, quality and directions for use. Easy-to-prepare dishes are available in family serving sizes—so there is literally no waste. Even the inexperienced homemaker is sure of good results when all she has to do is open, mix with a measured quantity of water or milk and cook according to the directions. Using a minimum amount of electricity for our household needs will save the maximum amount for these commercial products which many a woman proclaims "lifesavers."

SAVING HINTS

1. Canned Soup: Add a tin of milk to soup emptied into a saucepan and heat only to simmering point. Do not boil. Add crumbs of leftover crushed toast.

2. Canned Peas: Add ¼ teaspoon dry mint and heat in the OPENED can placed on same shelf as roast turkey or meat.

3. Canned Cranberry Jelly: Slice off required number of servings. Store remainder in its container covered with oilskin cap.

4. Canned Sauce: Open the tin and heat (WITHOUT THE LID) by standing it in the water over which the pudding is being reheated.

5. Gravy powder: Do not let mixture boil after powder has been thoroughly mixed in.

6. Muffin Mix: Do not add too much fruit for sweet muffins or the result will be a heavy product. Stir only enough to wet the dry ingredients as you pour in the liquid all at once. Watch the temperature and time of baking period.

7. Prepared Biscuit Mix: Divide the flour mixture into four bowls; to one portion add grated cheese, to one some cinnamon, to another some cut peel and to the other tomato paste. Measure ¼ of the liquid, stir this amount into each batch and roll out separately. However, bake on the same cookie sheet for the same length of time, 450 degrees for 12 minutes.

8. The New Cake Mix: Flavorings may be added to these mixtures without changing the texture, yet they are good, plain, and results are sure. Pour the batter for the eight inch pan into drop cake tins or layer pans. Drop cakes should be baked at 350 degrees for 20 minutes and layer cakes at 37[illegible] degrees for 35 minutes.

HOLLY RING MOLD

1 envelope gelatine
¼ cup cold water
1¼ cups hot water
2 tablespoons sugar
1 teaspoon salt
2 tablespoons prepared horseradish
2 teaspoons vinegar
½ cup diced celery
½ cup diced cooked beets
½ cup finely chopped cabbage
3 tablespoons minced onion

Soften gelatine in cold water; dissolve in hot water. Add sugar, salt, horseradish, vinegar or lemon juice. Cool. When it begins to thicken, fold in vegetables. Pour into ring mold that has been rinsed in cold water. Chill until firm. Arrange on greens with cottage cheese balls stuck with sprigs of holly. Serve with mayonnaise.

CHRISTMAS PUDDING

2½ cups sifted flour
¼ teaspoon baking soda
3 teaspoons baking powder
½ teaspoon salt
½ teaspoon nutmeg
½ teaspoon cinnamon
¾ cup finely chopped suet
1 cup molasses
1 cup seeded raisins, floured
1 cup milk
½ cup currants, floured
½ cup citron or mixed peel

Sift flour together with soda, baking powder and spices. Mix together suet, molasses and milk. Combine with dry ingredients. Add fruit. Mix together well and pour into 2-quart grease-covered pudding mold. Steam on top of range 3 hours.

WOMEN'S INSTITUTE CHRISTMAS MEETING

Mrs. G G. Merkley presided over an attendance of sixty members and five visitors at the W.I. meeting held in the library on Wednesday evening. Minutes approved as read and Mrs. B. Campbell reported $94.04 from all services as receipts for U.E.F.B. (Ten dollars of this sum received from Bethune Bush section). Two dollars was received at the meeting and the W.I. voted the balance so that 100 dollars could be sent to headquarters.

Members were asked to send Christmas Cards to Doug. Senn, in the San at Three Rivers, Que., and to Bert Sharkey, Christie St. Hospital, Toronto. The new curtains were a credit to Mesdames Barkley, Dixon and Dillabough who made them.

Mrs. O. L. King was convener of the evening. All delighted to hear Miss Perry Barker sing two songs appropriate to the season. Christmas carols were sung in unison. Mrs. Gilroy demonstrated the wrapping of Christmas gifts. The attractive results were much admired.

The highlight of the evening was the exchange of gifts which were piled around a small but festive tree.

Refreshments were served by Mrs. King and Mrs. Barkley assisted by the committee in charge.

Mrs. Gilroy was pianist for the evening.

At a meeting of the Board of Management of the Youth Recreation Plan, Mrs. Acheson agreed to act in place of Mrs. Sutherland. The other members are Mesdames L. Feeley, J. F. Moriarty, Fay Shaver, G. A. Merkley and G. Lannin.

It was decided these members should meet Rotary group after the rotary meeting next week to discuss the formation of an organized youth recreation plan.
