Cold Weather Brings Variety in Headgear

The Celsius system saved us by the skin of our chattering teeth from setting a record low temperature Sunday night, according to the weather office. Rounded off to the nearest degree the -29 degree temperature overnight was the same as the record established in 1971. Winter is the season for warm headgear, and village children are parading about these days with toques and scarves of all shapes and colours. — Staff Photos.

Recaps 1975, plans for 1976 . . .

Fair Board holds Annual Meeting

The dining hall of Trinity United Church, Chesterville, was filled to overflowing last Saturday for the Annual meeting of Chesterville and District Agricultural Society. In fact the room was so full that additional chairs had to be placed at the ends of the tables to accommodate the late-comers.

The meal that is served by the ladies of the church just may play some major part in the success of the annual exhibition. The executive, honorary members, directors, junior directors and associate directors are stuffed with delicious food and then they are quite contented to sit well into the afternoon to hear reports and work on plans for the upcoming year.

Two persons at the meeting were singled out for special honour . . . Betty Vanden Bosch, President of the Ladies' Division, was presented with the Angus Smith Memorial Award by Carl Smith, on behalf of his family. The Smith Award, given in 1976 for the first time, was given to Mrs. Vanden Bosch in recognition of outstanding interest in Chesterville and District Agricultural Society in the past year.

The plaque is designed in such a way that it can be presented for many years. And it was the Smith Family's wish that after three presentations, representing three years, that the winners of the award form a committee to elect the recipient. This committee will carry on from year to year, with the three current winners choosing the next winner.

Jerry Brugmans, who some weeks ago was named farmer of the year in Dundas County, came up for special honour. Ag. Rep. Tom Clapp, presented him with the Eric Casselman Award on behalf of the Dundas Federation of Agriculture.

Mr. Brugmans in accepting the award pointed out that the honour should have been bestowed on his whole family. And he said "the old man doesn't deserve all the credit". Jerry went on to relate how he had reached such a plateau in the farming community. He chalked much of his success in being able to look over the fences to see what the other farmers were doing to improve their crops and farming practices. In closing he thanked the people of the area for being such good farmers and allowing him to make it go in the Chesterville area.

Following the meal Vice-president Doug Durant introduced the head table guests and at the same time thanked the church ladies for the excellent meal.

Fair President Stan Vanden Bosch, in his remarks, gave much of the credit for the growth of the fair to the directors and associate directors for their untireless effort.

He pointed out that the Agri-facts show held earlier in the year had been a most successful show but had not attracted good crowds; the Hell Drivers had shown a good profit, on the Friday of the Fair entries were down in the Junior Fair, the pony show had been successful, the Mini-tractor pull had potential, the weather on the Saturday of the fair had cut into the crowds but was still rated as very good. The president termed the fair dance a "tremendous success", the Sunday tractor pull and show in the arena put on by the ladies division had attracted good crowds. And he reported the ecumenical church service on Sunday evening as well attended.

While the president was on his feet he listed some of the things coming up in 1976 — a Horse Drawing contest and dance in May and a camp-out in August.

Mr. Vanden Bosch paid tribute to the family of Garnet McLean who had contributed to the horse racing in conjunction with Chesterville Fair. He paid tribute to the late Gerald Kittle who had spent considerable time over the years working with the Society. And in closing Stan thanked everyone who had helped over the year to keep things rolling.

Society secretary Mrs. Doreen McMillan read the minutes of the last annual meeting and presented correspondence to the gathering. When Mrs. McMillan was seated Mr. Vanden Bosch asked all to show their appreciation to the secretary for a job well done.

Next came a report from Betty Vanden Bosch, President of the Ladies' Division. Like her husband she gave a recap of what the ladies had accomplished in the past year — operated a canteen in conjunction with Agri-facts Days, operated two canteens when the Hell Drivers were in town, worked with the Decoration Committee to make new curtains for the arena. She reported that there were 350 at the Saturday Fashion Show and said the Talent Program had been a real success, the baby contest had attracted 31 entries and the ladies' division had held a pot luck dinner in November.

In closing Mrs. VandenBosch thanked all those that had helped over the year.

Various committee reports were given showing a trend, that on the average, entries had been up in 1975.

Brian Kennedy put forth a suggestion that the buildings on the Fair Grounds should now be named, following considerable discussion it was agreed that all members of the Fair Board would work on the idea and present suggestions at a later meeting.

In both the ladies' and men's division the nominating committees presented a slate of officers which was approved by the membership.

Men's Division — President, Stan VandenBosch; 1st Vice President, Doug Durant; 2nd Vic-President, George Countryman; Past President Keyes Smith and Secretary Treasurer, Doreen McMillan. As well as members to the Past Presidents' Club; Honorary Directors; Directors; Associate Directors; Junior Directors and persons to the various committees.

Ladies' Division — President, Betty VandenBosch; 1st Vice-President, Muriel Smith; Secretary, Lucille Munroe; as well as a full slate of Directors and Committee Members.

The secretary led the group through a summary of the Financial Statement which revealed —

Expenses — prize money 9,898.20, misc. expenses for grant 1,171.58, misc. expenses 242.39, attractions 8,612.47, races 425.00, trophies and ribbons 745.37, maintenance and operating 8,161.52, capital expenditure 6,397.20, for total expenditures of 35,653.73.

Receipts — grants 8,745.66, membership 138.00, entry fees 384.00, admissions 18,589.58, midway and concessions 1,185.00, rentals 1,147.75, sales and materials 247.00, refunds and interest 113.82, bank loan 1,700.00,

Fun days ahead . . .

Chesterville's '76 Winter Carnival this week-end

This is the week-end when Chesterville people forget about the diet, keep a little more out of that paycheck and stick right at home . . . Chesterville's Winter Carnival starts on Friday night and the fun and games continue right through to Sunday evening.

The biggest problem this week-end will be to keep the personal time table straight and catch as much of the action as possible.

The affair gets underway with a Ham and Bean Supper in the Legion Hall at 5:30 p.m. This is followed by the Carnival Queen Contest, the start of the Broomball Marathon, Skating Races, a Euchre in the Legion Hall and the Pub Night in the Community Hall as a finale to the evening.

As in other years the members of the Chesterville Rotary Club will be the first out of bed on Saturday morning, as they stoke up the fire for the now famous Pancake Breakfasts. Saturday's action will include Minor Hockey, Best Costume Contests, Bowling, a Log Sawing Contest, Bingo, Broomball, a Hay Ride, Tug-of-War, Hockey in the afternoon, a Carnival Supper in the Community Hall and two Social Evenings to wind up the evening. 'The Drifters' will be in the Legion Hall and Glen Cochrane will play in the Community Hall.

The Rotary Club will again present the Pancake Breakfast on Sunday morning and the balance of the day will include — Broomball, a Pet Contest, Flap-Jack Races, Tug-of-War, Hockey in the afternoon, a Smorgasbord Supper. And a Martial Arts Spectacular, sponsored by the Booster Club will be featured in the Community Hall at 8:15 on Sunday evening.

Lots of luck in catching all the action . . . a complete list of the activities can be found on page 4.

Award of Merit . . .

T. W. Clapp, selected by Dundas Association for contribution as Ag. Rep. for Dundas County

The Eastern Ontario Soil and Crop Improvement Association is pleased to announce the recipients of the Award of Merit. This is the first year that the award has been given. The award is to be presented annually to individuals who have shown a genuine concern for and who have made a contribution to the general welfare of agriculture within their community.

The following individuals have been selected by county association as worthy recipients of the Award of Merit.

A. M. Barr, honoured by Grenville County for his contribution as Agricultural Representative of the county and his leadership as principal of the Kemptville Agricultural School. Now retired, Mr. Barr resides in Kemptville but maintains a keen interest in agriculture in Grenville county.

Gordon Bennett, a dairy farmer from Elginburg has been selected by Frontenac county for his leadership in farm organizations and community affairs. He was most recently honored as the Frontenac county "Farmer of the Year".

W. D. Black, Agricultural Representative of Carleton County and honored by that association for his practical outlook to agriculture and his dedication to the betterment of rural living. He takes a very active role in farm organizations and is a strong supporter of the Ottawa Winter Fair.

Lorne Briscoe, chosen by the Renfrew association because of his keen interest in soil and crop improvement projects and community activities. He now farms in partnership with his son in a dairy operation and devotes some acreage to growing seed.

T. W. Clapp, selected by the Dundas association for his contributions as Agricultural Representative of Dundas county. He maintains an active interest in the Junior Farmers.

Basil and Beryl Crawford, a couple honoured by the Stormont association for their dedication and service to the agricultural community. After retiring from farming Basil became the county weed inspector and later took on the duties as fieldman for the county agricultural office.

J. Y. Humphries, honored by the Glengarry association for his many years of devoted service as Agricultural Representative of the county. He is very practical in his outlook and is noted for his sound advice.

J. M. McIlquham, a dairy farmer from Lanark County has been chosen by the Lanark association. He has been a leader of several county organizations and has been in the forefront in adopting new ideas for agriculture.

D. L. Parks and Mr. J. A. Dalrymple have been selected by the E.O.S.C.I.A. for their outstanding contributions to agriculture in Eastern Ontario. Both men have had outstanding careers in agriculture. The E.O.S.C.I.A. wishes to recognize their contributions in the early years of the association, promoting the Annual Conferences and Grassland Days and their unselfish effort to improve agriculture in Eastern Ontario.

The Award of Merit presentations will be made at the Crops Day program, Nepean Sportsplex, Ottawa on Tuesday, January 20, 1976 at 1:15 p.m.

CONSTRUCTION OF THEATRE STARTS

Cornwall — Construction of the 700 seat theatre which is to be part of the new $4.5 million extension at St. Lawrence College started Monday, when the contractor began erecting the roof trusses.

"The theatre is being built to serve the needs of both the College and the community" said the principal of the Cornwall campus, Louis Tremblay. He hopes that the college's new theatre will help promote cultural activities in the three United Counties. The principal of the Cornwall campus also stated that the new theatre would prove to be an asset for the city and area.

The main features of the new theatre include a 40 foot proscenium width stage with a 45 foot open fly space. A 1,200 square foot rehearsal hall, two 900 square foot dressing rooms and two additional star dressing rooms workshop have also been included. Ready access to the back-stage will be possible with the wide loading ramp.

A full size orchestra pit is also part of this fully airconditioned theatre. A stereophonic sound system will give it superior acoustical reproduction.

Finally, the audience of 700 will find ample accommodation during intermissions in the stylish two storey foyer.

The Ontario Government has announced plans to make the wearing of seatbelts mandatory and to reduce speed limits on all highways throughout the province. On February 1st, all motorists and passengers in 1968 or newer cars equipped with seatbelts will risk fines of $20 to $100 for failure to wear the safety equipment. Above Constable Roy Guse, of Morrisburg O.P.P. Detachment shows this is nothing new to the Morrisburg unit, as everyone there has been using the device for quite some time. He advises, the safest thing to do after February 1st is to 'Buckle Up' saving Lives and Money. — Staff Photo.

Directors meet

Following the adjournment of the Annual meeting the president asked the directors to stay for a short business session to deal with the business at hand.

A study had been made of the agreement between the Village and the Fair Board on the use of the arena. It was related that agreement was only drawn for ten years and at the end of this time either party can terminate. It was agreed that the document should be reviewed at this time to see if the length of the contract could be extended. A committee comprised of Wilburn Robinson, Keyes Smith, Brian Kennedy, Carl Smith and James Sullivan was named to approach council about the agreement and some other matters.

Harvey and Sheppard were named to again act as auditors for the Fair Board.

Each year the Chesterville and District Agricultural Society runs some of the events in conjunction with the Winter Carnival. Arrangements were made to have some logs at the arena for the log sawing contest and it was decided to invite the Mini Pullers Association to take on the Fair Board in a Tug-O-War on Sunday afternoon.

1976 was to be the year when office facilities were to be improved in the exhibition hall, washrooms were to be improved and hopefully a canteen added to the building. It was suggested that the work could proceed in the near future, perhaps next month, when many who volunteer their services would have more spare time than in the summer months. The Grounds Committee was asked to review the present positioning of the show rings with some chance that they would be moved to the side of the cattle barn.

Correspondence revealed that there was some interest building in bringing a sheep show to the annual fair. Further meetings will be held to try and work out an agreement and possibly the sheep people will be on the scene in 1976.

Apparently over the years the beef show has been steadily on the decline and the reason given is that on the day of the Chesterville presentation several larger fairs were running a similar show, some of the beef breeders had been talking to local fair directors and had suggested moving the show to Sunday, when many more breeders would make entries. Further investigation will be given to accommodating the beef breeders.

The topic moved back onto the subject of naming the buildings on the fair grounds, many suggestions were offered but no firm decision was arrived at.

Avonmore

Visitors with Mr. and Mrs. Dan Robilliard were Gerald Robillard, Mr. and Mrs. Brian Robillard of Sarnia and Mr. and Mrs. Douglas Robillard, Maxville.

Mrs. Orland Kyle, Mrs. Clifford McElheran, Mrs. Hugh Morrison, Mrs. John Ferguson and Mrs. Fraser MacRae, members of W.M.S., attended the Annual Presbyterial held in St. John's Presbyterian Church, Cornwall.

Visitors with Mrs. Allie Bethune over the holidays were Mr. and Mrs. Larry Sanquin of Toronto, Mr. and Mrs. Robert Aikman and family, Morrisburg, Arnold Bethune and family, Long Sault, Irwin Bethune and daughters, Cornwall.

Mr. and Mrs. Barry Carther and daughter left for their home in Medicine Hat after spending the holidays with Mr. and Mrs. Harold Runions.

The Angus Smith Memorial Award was presented for the first time last Saturday afternoon at the Fair Board Annual meeting. Betty VandenBosch, Ladies' Division President, who had worked faithfully over the past year for the fair, was the first person to have their name inscribed on the beautiful plaque. The presentation was made by Carl Smith on behalf of the family. — Staff Photo.

First Senior Citizens' Housing project approved

Mr. Ed Lumley, Member of Parliament for Stormont-Dundas, announced today that Central Mortgage and Housing Corporation approved a loan in the amount of $638,269 to the Ontario Housing Corporation to assist in the financing of the first senior citizens' housing project in Winchester, which is located approximately 25 miles southeast of Ottawa.

The loan will assist in the construction of a two-storey walk-up apartment building containing 36 one-bedroom units. The project will be built by Maurice H. Rollins Construction Limited and will be located within close proximity of all community facilities.

Rents will be geared to the incomes of the tenants and operating subsidies will be shared equally by Central Mortgage and Housing Corporation on behalf of the federal government and by the Ontario Housing Corporation on behalf of the province. The annual operating subsidy is estimated at $98,000.

Approved under the public housing provisions of the National Housing Act, the loan is for a term of 50 years and represents 90 per cent of estimated costs. The remaining 10 per cent will be provided by the province.

Former Morewood resident . . .

Recalls early childhood in farm kitchen in winter

The following story, which appeared in the Brockville Recorder and Times, a recollection of his childhood home in winter, was written by R. C. Swerdfeger, of Brockville, a retired math teacher at B.C.I. Mr. Swerdfeger was born at Morewood, Ontario, in Dundas County. His father, who worked hard all his life, died at age 96. All but two of the Swerdfeger family of 10 children are still living. The eldest brother will be 89 in April, and Mr. Swerdfeger, who came to Brockville to teach in 1942, is now in his 77th year.

by Rowat C. Swerdfeger

As I look back over the years to the winters of my early childhood some lasting images remain etched on my memory.

The big kitchen was our winter home for most of the time. The huge range with warming oven above and hot water reservoir at one end, and the long family table which accommodated all twelve of us dominated the room. In one corner near the stove was a kitchen sink with a cistern pump. A high sideboard sat against the wall of a large walk-in pantry in an opposite corner. Above an old-fashioned lounge ticked an eight-day clock — which after 90 years of faithful service is still keeping accurate time.

The plastered walls were beige in color while a wainscoting of deep green hid the smears made by little hands. The floor was of wide pine boards, which although painted regularly, showed the effect of the heavy traffic. This was most noticeable in front of the stove and about the kitchen table where the plain boards were worn down, but the tough knots stood out like little warts on an otherwise unblemished skin.

On occasions when the parlor stove was fired, I often went into the room in the dark and sat against the wall behind the stove. While sitting there toasting my shins as the house cracked with the frost, or shook in the wintry blasts, the stove often became red hot. At such times a surge of contentment would come over me and fill me with a sense of security as the crimson glow pushed the darkness back into the corners of the room behind the sofa and the old organ.

But my most vivid memories are of the kitchen, our family room. In the daytime when everything was in full swing and the stove was covered with boiling kettles and pots and pans, the air was filled with moisture. Whenever anyone came in from outside great clouds of steam would greet the frosty air and billow back into the room completely enveloping the intruder for a few seconds.

I can also picture my father on frosty evenings as he came in from the bush where he had been cutting firewood. He often had icicles two inches long dangling from each handlebar of his rather scraggly moustache. My younger sister and I were always apprehensive as we watched him pull off the silvery adornments a few minutes later as soon as the heat of the room began to thaw them; we were afraid he would pull out the long hairs at the same time.

Looking back to those cold winter days I well recall the kitchen windows covered with lacy frost patterns an eighth of an inch thick. As the cold wind swirled the snow into the corners of the window sills outside I would scrape small patches of frost from the panes. Sometimes, on the rare occasions when I happened to have a big penny, I would warm it by clutching it in my hand, and use it to melt little round peep holes. Then I could look out from my warm comfortable nest upon the harsh world where the wind piled the snow higher and higher, and I used to wonder when the storm would let up so I could go out and tunnel through the packed snowdrifts or slide down their banks.

Perhaps the most lasting picture I have of the winter nights in our kitchen home was of my mother as she made shavings for starting the fire in the big stove the next morning. Although the hardwood lasted well into the night usually nothing was left but a soft bed of gray-white ash, and the fire had to be rekindled in the morning.

With the skill of an artist, using a big butcher knife mother carved thin curls of shavings on the straightgrained cedar which was always available. The first ones were almost the full length of the stick, but not quite for they were still attached at the bottom, and they circled the whole piece of wood, forming a rosette. Each successive ring above was smaller, and when finished the result resembled a dainty corsage or a piece of sculpture much more meaningful than the monstrosities turned out by some of our modern artists today.

It seemed a pity that this artistic creation had to undergo a sacrificial burning in the morning. But then I knew that when I came downstairs a fire would be blazing in the stove, and the house would be snug and warm again. Besides, I knew that I could watch mother carve another one the next night.

As I See It

By Mike Rowden

No matter how much I try to stay away from writing on the subject of bilingualism, I can't — the subject is always cropping up in the news of the day in some shape or form, usually to our detriment. Nothing directly concerning the topic is the talk on Parliament Hill, other than the fact it isn't working out the way it was intended.

Nothing but major problems in the Civil Service, the Armed Forces, the Post Office, and on and on. Its application in many cases is unfair and is nothing short of outright discrimination. Because of bilingualism, morale in our Armed Forces is lowered, coupled with the fact the Forces are short of up-to-date equipment, personnel and supplies.

Bilingualism is reported to be costing the country in excess of some $700,000,000.00 a year to implement. Quite a chunk for something that most of Canada doesn't want, but which we must have at any cost to placate the Province of Quebec and 3 or 4 million people.

If ever a tail was wagging a dog, this is a good case in point. When are the rest of the Canadians going to wake up to the fact that they are being led down the garden path. Of course, it will take quite a while for such a thing to happen as most of us rarely feel the effects of the whole business, but we will in time. The affects are insidious and are growing more with each passing day, and the cost is mounting.

Recently, Mr. Richardson, the Minister for National Defence, spending wherever he could. Shortly after, General Destraze, the head of the Armed Forces, let it be known that we are purchasing 17 American Lockheed plans to replace the sagging Argus, all at a cost of close to a million dollars. That's more than I used to make in a week, including my overtime.

In short, it's about the same as it will cost this year for bilingualism, to say nothing of the fact we may yet have to pay Quebec a hefty chunk of money to bail Drapeau out of the Olympics fiasco. A project, which both Drapeau and Quebec was advised Canada was not in a position to afford, and which went right ahead irregardless.

Where I feel these issues hit personally is through the effect this type of government spending is having on our Armed Forces. Nobody wants to glorify war for war's sake, but if and when it is thrust upon us, then the best we can do is to acquit ourselves, as a country, honourably until its final conclusion. If we, as a nation do this, then it inevitably follows that Canada gains world-wide respect. Such has been the case in Three Wars, counting Korea. In between, the Armed Services are allowed to deteroriate, equipment is allowed to become obsolete and morale becomes almost nonexistent.

Having seen at first hand evidence of what up-to-date equipment can do for the Armed Services, both in efficiency and morale, it doesn't give me much of a feeling of confidence with the present situation. And all the time our mealy-mouthed politicians are shouting about protecting Canada's far-flung shores, her fishing rights and sovereignty. It's enough to make any Canadian, who thinks this is the best of countries, sick to the stomach.

At present Canada is almost the only country that has religiously kept up her small NATO commitments, Canada is the only one that fervently believes in peace-keeping forces. On the other hand, we are referred to as a paper tiger, with little or no bite.

Why we should be sold down the river in this fashion completely escapes me, especially in a country that tries to be so generous to other countries not so fortunate as we are. Canada has probably one of the world's largest open-door policies to immigrants looking for a better place to live.

Being a conservative, hard-working race of people, we have a tendency to be complacent and apathetic about some of the happenings in our own country. We don't bother writing to our respective M.P.'s, we register no protest to our governments on the way they are running the country. What scares me is the fact that such a situation as we have here, can simmer almost unnoticed for years until finally discontent builds up into a violent backlash. Don't think it can only happen elsewhere in the world, but not here. It can and may and I hope I'm not around to see it happen, unless I'm in a better position to do something about it.

RECREATION IN CHESTERVILLE

by Doug Moses

A Regional Recreation Meeting was held in the Manotick arena on January 14th, 1976. Approval was given to a $10.00 membership fee to help out with the expenses. It was also approved that the members of the committee would inform each other of coming events in each town so that there is no over-lapping.

Alexandria is building a $1.2 million dollar arena and the plans for the arena were shown to the committee. Several suggestions for the plans were made. Mike Depratto will take these suggestions back to the Board in Alexandria.

A questionnaire concerning canteen profits, deficit and loss; minor hockey proceeds, etc. was handed out to members for comparison.

The January 14th meeting was rated both interesting and worthwhile.

The Booster Club reports that they currently have $300. in their bank account. Because of the Winter Carnival the Booster Club will not be having a dance this month, but there will be one on February 28th featuring Glen Cochrane.

Thanks to the Chesterville Fair Board we will have 48 tickets to the Montreal Forum for February 20th at 8 p.m., to see Montreal host the New York Rangers, under their new coach John Ferguson. This will be the first time John has been in Montreal, his home town, since taking over the Rangers. It should be a good game. Tickets are available from Don Henderson or Doug Moses.

The Winter Carnival is this week-end. The Carnival is made up of people who participate either by volunteering work or by getting involved in the activities. That's the reason for it . . . to stop you from watching TV, or reading a book or sitting at home. Get out and enjoy The Winter Carnival. Get involved!

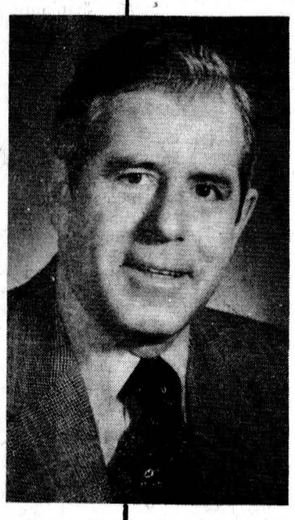
Queen's Park Report

by The Honourable Donald R. Irvine



In my last column, I outlined some of the measures taken by the Ontario Government to combat inflation. This week, I wish to discuss the Provincial anti-inflation program in more detail.

The Provincial program involves three separate initiatives.

First, there are the direct actions which the Provincial Government can take to reduce the rate of inflation in Ontario while at the same time supporting the Federal anti-inflation program.

These direct actions include restricting the growth of provincial spending to 10 per cent in the coming fiscal year; freezing the salaries of top-echelon civil servants; (putting the lid on the growth of the public service) limiting our assistance to local governments; and reducing Ontario Hydro's planned level of borrowing for 1976-77.

I think it is obvious that some of these measures will be felt here in Eastern Ontario, but as Premier William Davis said in a recent speech, the times demand such tough action.

"We are doing (these things) to preserve what we have," the Premier said, "and to spring ourselves loose as best we can from the suffocating web of inflation that now enmeshes most of the industrialized world."

The second phase of the Provincial anti-inflation program involves telling municipalities, school boards, business interests and organized labour exactly what they can expect from the Ontario Government in 1976 and attempting to persuade them to join the fight.

I have been travelling the Province this month with other Ministers, explaining the Government program to these groups. As part of a delegation headed by Treasurer Darcy McKeough and Education Minister Tom Wells, I have been to Thunder Bay, Windsor and Hamilton, while other Ministers have visited Kitchener, Barrie, Sudbury, Timmins, Wingham and Metro Toronto.

On Friday, January 23, I will be in Kingston with the Treasurer and Education Minister, talking to local council members and school trustees. The following Tuesday, we will be meeting with similar groups in Ottawa.

The third part of the anti-inflation program is perhaps the most important, because it involved all of us. We must all be prepared not only to support the initiatives of the Provincial, Federal and local governments, but also to exercise restraint in our daily lives.

As Premier Davis said in closing the speech I quoted from earlier: "The year ahead is going to provide challenges and demand certain sacrifices throughout every sector of our society. It doesn't loom as being an easy year, but by the same token it doesn't need to be an intolerable year."

If there is a topic you would like discussed in future Reports from Queen's Park, or if you have a problem with which I may assist, please write to me at Room 180, Legislative Building, Queen's Park, Toronto, M7A 1A2.

If you wish, call my home in Prescott, at 925-2451. From Monday to Friday, a telephone answering device will record your message and relay it to my Toronto office. Your call will then be returned as quickly as possible.

And, of course, you may also call my Queen's Park office at (416) 965-0190.

My primary concern at Queen's Park is representing all my constituents. I look forward to hearing from you.

S. D. & G. County Board of Education meets . . .

S. W. Libbey acclaimed Chairman, Rev. Fr. R. Villeneuve, Vice-chairman

The Inaugural Meeting of the Stormont, Dundas and Glengarry County Board of Education was held prior to the regular meeting of January 16, 1976. Mr. S. W. Libbey and Rev. Fr. R. Villeneuve were acclaimed as chairman and vice-chairman respectively, and will be serving a second one year term.

Director's Report

Director Leger pointed out that the Hon. T. Wells had presented his report for the fiscal year 1974-75 to the Legislative Assembly recently, and that there was mention made of the Stormont, Dundas and Glengarry Curriculum model therein: "Regional Office professional staff are available to help board personnel develop expertise in the areas of curriculum development and assessment, school organization and management, and school business and finance. Curriculum staff act as resource people on board curriculum committees. The Stormont, Dundas and Glengarry County Board of Education has developed an overall plan for developing and evaluating curriculum from kindergarten to grade 13. The plan, which involves six task forces, who review the major areas of study, is designed to provide a mechanism for responding to provincial goals and policies and jurisdictional responsibilities. Each of the task forces includes a member of the professional staff of the Ottawa Valley Regional Office."

French Language Advisory Committee

As a result of a meeting held on December 10, 1975, the French Language Advisory Committee gave a report and invited one of the trustees to join its sub-committee, now considering the question of health services in Ontario available in the French Language and to assist in the preparation of a brief for the Ministerial Committee investigating this very germane question.

Revised Legislative Grant gramme

The Hon. T. Wells met on December 18, 1975, with all Chairmen of School Board and Directors of Education in the Province of Ontario to outline the financial position of the Ministry of Education for the year 1976. While it is impossible at this time to determine the exact impact this revised legislative grant programme will have, since some pertinent factors are still missing. The Board was able to review the general intent of the Minister's speech and relate the implications to S. D. and G. It appears at the present time that the indicated increase on the grant in ordinary expenditures will be offset to some extent by the revision attached to extraordinary expenditures. Unless there is a sufficient growth in assessment to offset any increased cost in 1976, it seems that there will be a resultant increase in mill rates for all local taxpayers.

Mathematic Core Continuum Project

A pilot project using forty teacher volunteers in twelve schools and special resource persons, has been organized to develop a mathematic core continuum.

The Mathematics Core Continuum is not a new programme in mathematics, neither does it lay down method of teaching mathematics. The continuum arranges in order of complexity from kindergarten to grade 10, those concepts which underlie the basic skill in the fundamental operations; addition, subtraction, multiplication, division and fractional numbers, and provide a series of tests at key points along that continuum, which will reveal pupil mastery, pupil progress and pupil problems related to essential objectives.

In using the continuum, which covers approximately 50 percent of the programme in the classroom, the teacher will be able to apply a diagnostic-remedial approach to the teaching of the basic skills.

The information supplied through the use of the continuum and the accompanying placement survey, will allow the teacher to identify pupil problems and it will also allow the teacher to show the pupil, his parents and his next teacher, the level of mastery obtained in each of the operations.

This special project in the field of mathematics is one part of a general approach to essential objectives in all skill development areas, which forms one of the bases of the approach to curriculum, development and evaluation adopted by the Stormont, Dundas and Glengarry Board of Education.

French Intensive Summer Programme

Dr. R. Gardner, of the University of Western Ontario, who was commissioned by the Secretary of State to evaluate the summer Intensive French Programme at Kemptville, was present at the meeting to deliver his findings. It was reported that there was a marked increase in fluency among all groups tested. This being one of the main goals of this innovative programme it can be said that its achievements were satisfactory. A very interesting discussion followed which involved investigation of items of common concern such as the amount of French taught daily and the proper age at which to introduce French instruction.

South Dundas Planning Area

A committee of Trustees composed of Mrs. Findlay, Mr. Mellan and Lorne Thompson, has been appointed by the chairman of the Board to study the plans submitted for the South Dundas Planning Area and they have been requested to make their recommendations known to the Ministry of Housing.

Board Meeting, January 27, 1976

All trustees have been invited to meet with the Hon. T. Wells, Minister of Education, January 27, 1976 in Ottawa to discuss the government restraint programme, as well as the Ministry of Education's priorties for 1976. Due to the late hour of this meeting, it was decided to cancel the Regular meeting of January 27, 1976.

At VanTurnhout home . . .

Berwick W.I. holds January meeting

The January meeting of the Berwick Women's Institute was held recently at the home of Mrs. John VanTurnhout, with nine members present.

Mrs. Clem Rushford, the president, opened the meeting with the Opening Ode and Mary Stewart Collect.

One minutes silence was held in memory of Mrs. Velma Pollock, a member of the Berwick Women's Institute.

The motto was "Inflation is like getting stuck in a traffic jam — you find you are part of the problem, but you can't figure out what to do about it."

The roll call was answered by "What are you doing to try and control inflation?" In the absence of the secretary Mrs. Clair Robertson, the minutes and treasurer's report was given by Mrs. Ellen Anderson.

The correspondence included thank you notes and Christmas cards with several donations.

The Institute will be sponsoring a 4-H project entitled "A Touch of Stitchery" with Mrs. John Luyx and Mrs. Jerry Deschamps as leaders.

Mrs. Clem Rushford agreed to look after the plaque which is to be put on the wheel chair that was donated to the Institute by the Smirl family.

Mrs. Lillian Bogart reported on the Christmas flowers that had been placed in Winchester Memorial Hospital and also those given to two shut-in Institute members.

Mrs. Alex Rutley asked that any member who had saved postage stamps to give them to her in the near future, as she would like to send them away.

The members voted that the $10.00 they give each year to some organization, be donated to the Heart Fund in memory of Mrs. Velma Pollock. 'The Surprise' by Mrs. Nellie Anderson was a door prize which was won by Mrs. Lillian Bogart.

The program 'Agriculture and Canadian Industries' was handled by the convener Mrs. Linda VanTurnhout, who gave two readings — 'Process Converts Cellulose to Feed' and 'Will Inflation be Beaten?'

Mrs. Mabel Rushford read a short paper on 'Women's Institute Farm Wives Like Country Living, to Cultural Dessert".

Mrs. Rushford closed the meeting and thanked the hostess after which a delicious lunch was served. The February meeting will be held at the home of Mrs. Chris VanTurnhout at 1:30 p.m.

Legion Peewees battling for first place win exhibition contest in Ogdensburg

On Friday, January 16th, Chesterville Legion Peewees travelled to Spencerville to play the Edwardsburg Township team.

The first period produced only one goal as D. Thorpe connected for Edwardsburg, with R. McGuire assisting.

By the time the second period had rolled around the Chesterville team had found their skating legs and were rewarded with two unanswered goals. Marque Laflamme counted initially, then Scott Richards skated in on a breakway, made a smart move, and put Chesterville one up.

R. Pitt opened the scoring for Edwardsburg as they tied the game early in the third period. Chesterville answered moments later as Scott Richards recorded his second goal with the assist going to Gary Beckstead. The final goal was scored by Gary Beckstead, giving Chesterville a hard-fought 4-2 victory.

On Saturday, January 17th, Chesterville Legion Peewees hosted Athens Flyers at the local arena, in an important contest since both clubs are fighting for first position in league standings.

The visitors came out really skating in the first period, while the Chesterville Club decided to assume a spectator role and watch the Athen's Club do their thing. Before the period had ended G. Lashan had two goals and T. Dancy one marker, with no reply from Chesterville.

The second period was practically a duplicate of the first, with Athens counting the only goal, that by R. Shaver with the assist going to M. Moulton.

Duff Mitchell put some life in the Chesterville attack early in the third frame, when he scored with assists going to Scott Richards and Mike Beckstead. Athens did not take long to reply with T. Dancy scoring, unassisted. Terry Barkley notched the final goal of the game with Marque Laflamme assisting.

It would not be an understatement to say that Chesterville Legion Peewees were more than courteous hosts on this particular occasion.

On Sunday, January 18th, Chesterville Legion Peewees travelled to Ogdensburg to play an exhibition contest.

The performance of the Chesterville team was a marked contrast to the hockey they had exhibited against Athens on Saturday. The game featured good hockey from start to finish.

From the opening face off both teams applied unrelentless pressure as they fought to score the initial goal. Scott Richards finally broke the scoreless deadlock as he connected with assists going to Mike Beckstead and Duff Mitchell.

Marque Laflamme put Chesterville two-up with a picture goal early in the second period with assists going to Terry Barkley and Kenny Shay. Fredericks put Ogdensburg on the scoresheet as he notched a goal on a relay from Middlemiss

The third period had both teams having excellent chances to capitalize but only one goal was scored, that by Mike Beckstead, who had played an excellent two-way game. A big plus for Chesterville in the contest was the strong goaltending they received throughout the game.

The 'Player of the Week' honour goes to Tony Fraser for his great defensive work on the Chesterville blueline. His important contribution to the Peewee team is a main factor in the success that the team has achieved since the beginning of the season.

Scouters meet at Iroquois

Leaders of Boy Scout troops, Wolf Cub packs and members of St. Lawrence Council, Boy Scouts of Canada met at the United Church Hall in Iroquois Wednesday evening.

Council President William Sheldrick of Morrisburg chaired the meeting, which was opened with prayer offered by the Reverend E. Earle Eaton of Chesterville, District Chaplain and Public Relations representative. Assistant Commisioners George Lewis of Morrisburg and Bob Bryden of Spencerville chaired Scout and Cub sections, respectively.

District Scoutmaster Ron McLean of Morrisburg also met with the Scout section. The resignation of Mrs. Marlin Wade as secretary was regretfully accepted.

Items for discussion included leadership training, winter sports days, "Klondike" and "Mini-Klondike" derbys for Scouts and Cubs, respectively. Valerie Doyle reviewed questionnaires dealing with an evaluation of district meetings, and cited Cubbing's sixtieth anniversary, occurring this year. Refreshments were served by the Iroquois auxiliary.

Communities represented included Iroquois, Morrisburg, Cardinal, Prescott, Spencerville, Winchester, Chesterville, Roebuck, Johnstown and New Wexford. Treasurer Clair Tucker of Iroquois gave the financial report. President Sheldrick spoke of the "Trees for Canada" project and the Canadian Jamboree coming in 1977.

Chesterville was represented by Committee Chairman Robert E. Gilroy and Chaplain Eaton. Chesterville Cubs were assigned the "Flap-jack Flip" for their Mini-Klondike event.

HIGH SCHOOL NEWS

The countdown is on — the exams are really going to come to North Dundas. Although the formal exams are scheduled to begin next Thursday, exams in French, Commercial and Technology subjects have already begun. Many hours are spent studying so many activities have slowed down.

Although the snow covers the track, track athletes were busy recently at a Track Meet in Ottawa. Rose Marie Hauch and Kathy Workman received First Place Standards in their events. Julie Holmes and Steve Thatcher achieved Second Place Standards and Third Place Standard was achieved by Brian Paul.

The Curling Team is having a successful season, having defeated Seaway the team will proceed onward in the E.O.S.S.A. Playdowns.

On Thursday in Activity Period, the Sr. Boys' Basketball team challenged the Senior Girls to a match. Despite obvious disadvantages, the girls displayed many of their fine talents. The final score was 20-8 for the Sr. Boys.

On Friday the Sr. Boys' Basketball Team was to be more evenly matched against Osnabruck. Due to poor weather conditions, the game was cancelled.

The Level Three Home Economics girls invited their mothers to a tea during Activity Period on Thursday. A lovely time was reported.

On Friday, the Jr. and Sr. Girls' Volleyball Teams played their first tournament at St. Lawrence in Cornwall. Stiff Competition persisted and the North Dundas Teams came home without a victory.

Although exams persist, plans for the Carnival are still being made. The theme this year is "The Wild West."

The Ski Club is busy planning for a one-day trip to Mont St. Marie, scheduled for after the exams. A four-day trip to Vermont has been arranged for the March Break.

There is much to look forward to after the exams and everyone is anxiously awaiting the second semester.

Chesterville's First Patrol

The first patrol for Chesterville Boy Scout troop in 1976 was registered Thursday evening at Holy Trinity Anglican Church Hall. Robert E. Gilroy, Committee Chairman and Scoutmaster, and the Reverend E. Earle Eaton, Chaplain, were on hand for the registration.

The eight boys comprising Chesterville's First Patrol for 1976 include Mark and John Thompson, Allan McNab, Chris Paquette, Duff Mitchell, Jeff Servage, Gordon Wheeler and John Barnard.

A regulation patrol is eight boys, but may be expanded to twelve. Four additional boys may qualify for membership in Patrol I if they register at this week's meeting. If more than four register a second patrol will be formed.

First Chesterville Troop meets Thursday evenings at 6:45 at Holy Trinity Anglican Church Hall.

Morewood

The Senior Fellowship Club opened their new Club on Friday with a pot luck dinner, the weather wasn't in their favour, but over sixty members turned out and enjoyed themselves.

Mr. and Mrs. J. R. Presley, Newington, visited Mr. and Mrs. Walter Mattice on Saturday.

Mr. and Mrs. Owen Lavin, of Kingston, called on Mrs. Lavin's grandmother, Mrs. Olive Dillabough.

Feeley — Hall

Trinity United Church, Chesterville, was the scene of a pretty wedding on Saturday, January 10, 1976, when Marilyn Jean Hall, daughter of Mr. and Mrs. Ray Hall, Chesterville, became the bride of Thomas William Feeley, son of Mr. Douglas Feeley, Morewood.

The bride wore a floor-length gown with train, of white satin and short nylon net veil with crown headpiece. She carried a cascade bouquet of red roses and baby's breath.

The maid of honour, Sandy Young, a friend of the bride, wore a floral dress of orange, yellow, black and green shades with short black velvet jacket.

The two bridemaids, Kathy Allan a friend of the bride and Bonnie Feeley a sister of the the groom, wore floral dresses similar to that of the maid of honour.

The maid of honour and bridesmaids carried crescent bouquets of yellow sweetheart roses with baby's breath and wore a spray of yellow sweetheart roses in their hair.

The best man was Barry Young, a cousin of the bride. The ushers were Delphin Hall, a brother of the bride, and Ricky Mattice, a friend of the groom. The men in the bridal party all wore black tuxedos. The groom wore a red rose to match the bride's bouquet and the best man and ushers wore yellow roses to match the ladies' bouquets. The fathers of the young couple wore a white carnation in their lapels.

The bride's mother wore a floor-length gown of green and pink floral shades and carried a corsage of yellow roses. Mrs. Isobel Baker, aunt of the groom, wore a knee-length dress of green and white floral shades and had a corsage of pink carnations.

Out of town guests attended from Ottawa, Morewood, Prescott, Cornwall, Berwick, Elma and Morrisburg.

NOTICE

RATEPAYERS OF WILLIAMSBURG TOWNSHIP
RE: BUILDING PERMITS AND LAND SEVERANCES

Effective January 15, 1976, before any construction of a residential, commercial, industrial and agricultural building is started (and this includes the required foundation) a building permit shall be obtained from the building inspector. (An agricultural building shall mean a barn, an implement shed, a silo or any other building or structure to be used for agricultural purposes.) The cost of all residential, commercial or industrial building permits shall be .01½c per square foot of the ground floor of the building. The cost of all agricultural building permits with the exception of a farm residence or a car garage shall be $2.00 per each permit.

Further be advised that all land severances shall bear a cost for recreational purposes of 5 percent of the sale price of the said land with the minimum fee of $100.00 for each severed parcel. And further be advised that an impost fee of $100.00 shall be charged on the issue of a building permit for any residence to be built upon agricultural land that has been severed from the residence formerly contained in the said farm.

IN MEMORIAMS

IN MEMORIAM

STEEN — In loving memory of a dear father, Robert J. Steen, who passed away January 20, 1968.
In the book of life there are memories,
Of happy days we knew,
And recorded in love are the blessings
Of a wonderful father like you.
Sadly missed and fondly remembered by Helen, Kathleen and Gill.
20

IN MEMORIAM

In fond and loving memory of a dear husband, David Ferguson, who passed away January 23, 1975.
A million times I miss you,
A million times I cry
If my love could have saved you
You never would have died.
It broke my heart to lose you
But you did not go alone
For part of me went with you
The day God took you home.
Always remembered by wife, Jean.
20-1

IN MEMORIAM

BELCHER — In loving memory of a dear husband, father and grandfather, Gus, who passed away January 21, 1973.
A loving husband, true and kind,
No friend on earth, like him we'll find,
For all of us, he did his best,
And God gave him, eternal rest.
In our hearts his memory lingers,
Sweetly, tender and true,
There is not a day dear Gus,
That we do not think of you.
Always remembered by Germaine, Bill, Sandra and families.
20-1

IN MEMORIAM

In loving memory of a dear father, David Ferguson, who passed away January 23, 1975.
Loving and kind in all his ways,
Upright and just to the end of his days,
Sincere and kind in heart and mind,
What a beautiful memory he left behind.
Ever remembered by daughter Ila, Blaine and family

Campaign nears end

Only days left in the Christmas Seal Campaign which ends January 31st 1976.

Eastern Counties Lung Association (Christmas Seal) is pleased at the response from the community to their Campaign which started late this year because of the mail strike.

Christmas Seal funds are used all year round to fight the lung cripplers Emphysema, Asthma, TB, Chronic Bronchitis, and Air Pollution. Resources are also used in the field of research and education.

Chesterville Jets bow to Rebels

The Charlottenburg Rebels were the Jets opposition last Tuesday evening. It was a game that left a lot to be desired as entertainment. The Jets skated around the rink as disorganized as they could get and the Rebels on the other hand got a little disorganized themselves watching the Jets. But after the first period they started to lay back and wait for the Jets to give them the puck. And the Jets did, time after time, clearing the puck on to a Rebel's stick in the slot in front of their own net. Excellent goaltending in the Jets' net kept the score at 0-0 at the end of the first period.

The second period started off on a different wave length with the Jets going to the attack from the drop of the puck and it paid off. Kevin Smith steered in a shot from Greg Beckstead and Wayne Dillabough to put the Jets ahead. At this point it looked as if the Jets were going to make a game of it, but it was not to be.

After the goal the locals immediately fell back into their disorganized shell and gave the puck away on clearing and passing plays, consistently. They stayed out of the penalty box pretty well, but they didn't hit anybody in their own end either, which left the opposition players standing around the net.

The Rebels scored three goals before Dave Arnold scored the Jets second goal on a long lead pass from Doug Shay, with 18 seconds left in the second period.

The third period was a carbon copy of the first two. The Rebels showed more spark, with better skating and passing in the third period. But the Jets couldn't get untracked, leaving the opposing wing men unchecked and chasing the puck needlessly. They left the Rebel point-men uncovered all night, giving them some excellent point shots, testing Rick Sproule in the Jets' net.

The Rebels scored in the first half of the period and put the icing on the cake with an insurance goal at 18:51, making the score 5-2 in their favour.

The Jets will have to pull up their garter belts and show more of the talent they possess, in the remainder of their games, if they intend to finish near the top of the league.

1st period scoring — none.

2nd period scoring — Rebels, C. Bourke from C. Ward, G. MacDonnell from B. Julien and C. Bourke from B. Fillion; Jets, Kevin Smith from Greg Beckstead and Wayne Dillabough and Dave Arnold from Doug Shay.

3rd period scoring — Rebels, B. Julien unassisted and B. Julien from G. MacDonnell.

Penalties — Chesterville 6, Rebels 5.

Final score — Rebels 5, Chesterville 2.

For third successive year . . .

Bantam Colts 'B' Finalists at North Franklin

Chesterville Bantam Colts came out of their slump long enough last week to bring home some hardware from the North Franklin International Invitational Hockey Tournament, held at the Salmon River Central School complex near Fort Covington, N.Y.

For the third successive year, the Chesterville representatives were treated royally by their American hosts, and Tournament Director John Dotte. And for the third consecutive year, Chesterville proved to be bridesmaids, advancing to the 'B' series final, and dropping the 'big one'.

Colts players Don Servage, Glendon Shay, Don Richards, Curtis McMillan and Eddie Witteveen participated for the third time in the Tournament, competing twice with Legion Peewees and this year with the Colts.

Colts, deeply mired in a slump which saw them win only once in seven previous outings, met Lake Placid, N.Y., in their first game. Lake Placid was reputed to be a powerhouse, featuring good passing and strong skating. Ability-wise, however, Lake Placid is no more than one or two goals better than the Colts. In fact, Colts closed the first period carrying a 2-1 lead. Rudy Grisel scored from Don Richards and Glen Mackler and Rob Wood also notched one.

Colts then fell apart, stopped checking, and watched as Lake Placid tallied seven second period goals and added two in the third to humiliate Colts to the tune of 10-2. It was Colts worst defeat of the season. Colts goaltending was less than adequate, as Lake Placid scored ten times on 26 shots.

In response to their poor play, the coaching staff put the players through a tough one-hour practice Saturday morning, only a few hours before their second tournament game. Colts were also rewarded for their poor performance by being withdrawn from the upcoming Morrisburg Bantam Tournament.

Anxious to prove themselves and regain some confidence, Colts took to the North Franklin ice to face Montreal's Verdun Bantam Maple Leafs. Colts dominated first and second period play but couldn't get past Verdun's version of the Six Million Dollar Man, goalie Andy Elson. Verdun led 2-0 as the teams began the third period.

With 6:29 left in the third, Jeff LeClair narrowed the gap to 2-1 from Ron Richards and Curtis McMillan. Only six seconds later, Verdun made it 3-1. With 5:03 left in the game, Curt McMillan made it 3-2 putting away a Pat Kelly rebound. Then, with 4:45 left, LeClair added his second marker from McMillan to tie it up. Neither team was able to score in the remaining time.

Overtime

Colts, after successfully killing off a Ron Richard's penalty, threw their power play line-up into the game and the move paid off as Pat Kelly scored from McMillan and Rob Wood to give Colts a 4-3 overtime win.

The 'B' Series championship featured Colts and a fine team from St. Alban's, Vermont. It proved to be an exciting contest, with the basic difference being goaltending. Colts' goaltenders each fell victim to one soft goal, while Colts really had to earn their goals, thanks to a brilliant goaltending display by David Kaye.

Reliable Pat Kelly was robbed point-blank four times, while Jeff LeClair hit a pair of goalposts. St. Alban's led 1-0 after one, and Rudy Grisel made it 1-1 on a beautiful play from Glendon Shay. St. Alban's went ahead 2-1. Only to have Jeff LeClair make it 2-2 from Grisel and McMillan.

St. Alban's jumped into a 4-2 third period lead. With 3:31 left, Gerry Witteveen made it 4-3 from Pat Kelly and Rob Wood. Colts completely dominated St. Alban's for the rest of the game. Witteveen was pulled for a Sixth attacker, but to no avail. Final score — St. Alban's 4, Colts 3.

Team Captain Pat Kelly accepted the 'B' series finalist trophy from Tournament organizer Doug Holbert, and Colts came home confident that they were coming back from their slump...

The slump was so bad that last Wednesday, the winless Kemptville team gave Colts all they could handle in a St. Lawrence League contest. Colts had handled Kemptville 9-1 and 8-0, but had to come back from a 2-1 deficit going into the third period to win 4-2. Jeff LeClair had a great game, getting a hat trick, while linemate Pat Kelly added a goal and two assists. Assists also went to Ron Richards, Curt McMillan and Glendon Shay.

Icing the Story

Two Colts deserve Player-ofthe Week honours. Pat Kelly, 14, is Colts team captain. Only 5 feet tall and 106 pounds. Pat makes up for size with heart and desire. Let's face it — could you play hockey a month after breaking your foot? Pat missed a dozen games and still has 29 goals and 16 assists for third in the scoring. He's an expert penalty killer, plays on the power play and takes a regular shift with linemates McMillan and LeClair. Well done, Patrick . . .

Two years ago, Robert Wood was a utility forward on the Legion Peewee team. Rob has improved to the point that he is one of the St. Lawrence League's premier defencemen. At 5 feet, 8 inches and 130 lbs., Rob demands respect from attacking forwards — and gets it! Rob is Colts point man on the power play, and is a threat every time he's on the ice. Player-of-the-Week Rob Wood set up Pat Kelly's overtime marker in North Franklin.

Some people say that there are no worse minor hockey nuts than Colts' two coaches and manager and Bert Beckstead. Would you believe that North Franklin's minor hockey director, John Dotte, phoned Colts' coach on August 26, 1975, at 7 a.m., to make sure that Colts would participate in the Invitational? A biology teacher at Salmon River Central, John's tireless efforts in Minor Hockey have forged a lasting friendship between CDMHA and North Franklin. Well done, John . . .

Colts have two games this week and will take a week off. North Dundas exams are important too.

Ladies' Broomball Team downs Spencerville 4-0

The Chesterville Ladies Broomball Team played host to Cardinal on Thursday, January 8, and defeated the opposition by a score of 2-0.

Jean Ward opened the scoring on a pass from Bev. Giles. Helen Macintosh scored the second goal with the assist going to Beth Reaney.

The local ladies travelled to Cardinal on Monday, January 12, to play Iroquois and came away with a 3 to 0 win.

Marilyn Williams scored a hat trick for Chesterville. Donna Mesman assisted on goal number one, the second goal was scored unassisted and on Marilyn's third goal Helen Macintosh picked up the assist.

At the local arena on Thursday, January 15, Chesterville defeated Spencerville 4-0 in a very rough game. Helen Macintosh gave Chesterville a 1-0 lead on a pass from Marilyn Cross. Bev Giles scored the second goal on a pass from Edie Cameron. Rita Krisjanis blasted the third goal from the point and Thelma Hall gave the locals a 4-0 lead on a pass from Helen Macintosh.

Chesterville ladies are in first place in the league and on Thursday, January 22, Prescott will be the visitors, which will be a four-point game.

Second half of schedule . . .

Midget Flyers off to good start

Chesterville Midget Flyers started the second half of their schedule in the Carleton-Dundas Hockey League on January 7th, with the Jets of Metcalfe providing the opposition.

Hard skating Bob McLaughlin opened the scoring as he tucked in a pass from Dan Clement. Metcalfe came back to even things up when Paul Newen caught Bob Walker, the Flyer's goalie, sleeping, with a hard slap shot from the point.

Neither team were able to score in the second period, which featured end-to-end rushes and saw brilliant saves by both netminders.

Late in the third period star centreman Kevin Blair broke through the Metcalfe defence and beat the Jets' goalie with a hard wrist shot. Metcalfe failed to give up and with just two minutes remaining in the match Jeff Crerar went behind the Flyers' net and slipped the puck into an opening left by a surprised Bob Walker, making the final score Flyers 2, Jets 2. There were 10 penalties assessed with Chesterville taking 6 to Metcalfe's 4.

Flyers 1, Greely 0

The following Wednesday, the 14th of January, the improved Greely Eagles were in town to play the Flyers. This game featured close checking and good defensive work by both teams. And a pair of sharp netminders in the opposing goals kept the game close.

Both the first and second periods were scoreless with neither team being able to score.

With only seven minutes remaining in the game Kevin Blair scored a power-play goal, with the hard working Dan Clement getting the assist. Greely tried desperately to even the score, but good defensive play by the Flyers foiled their attempts and Chesterville recorded a win of 1-0.

Flyers travelled to Metcalfe the following night to play the Jets and were beaten 3-1, however, the Carleton-Dundas League has a rule that states that any Midget player who plays more than 4 games at a higher level, be it Juvenile or Junior, after Dec. 10, 1975, must continue to play at that level for the remainder of the season.

After studying the players from Metcalfe listed on the gamesheet it was discovered they were using two ineligible players who had been playing in the St. Lawrence Junior 'B' League. Immediately following the game the Flyers posted a protest and by Sunday, January 15th, the league had met and had awarded Chesterville two points in upholding the protest.

The Flyers have a busy week coming up — they play Morrisburg on Wednesday night at 9 p.m. and on Saturday, the 24th of January, they will host 1st place Winchester Mustangs in a 5 p.m. encounter. On Sunday they travel to Morrisburg for a 5 p.m. game.

If Chesterville can come up with some big wins they hope to take over second place from Morrisburg and close in on Winchester, who currently hold down first place.

CP Rail Stresses Snowmobile Safety

Cp Rail's 1976 safety program shows concern with the dangerous practices of snowmobile enthusiasts who often neglect caution and suffer serious consequences.

Statistics for 1974-75 indicated six people were killed and three injured in mishaps between snowmobiles and CP Rail trains.

To help spread better understanding of safety and the railways, CP investigation personnel will visit snowmobile and sports clubs upon request. Constables also plan to continue visiting schools throughout the Hull and Ottawa Valley areas to show and give demonstrations of proper safety procedures.

Throughout the winter, investigation personnel conduct regular patrols along rail lines to prevent potentially dangerous trespassing by snowmobile operators.

Section 359 of the Railways Act provides for a maximum $20 fine to trespassers on railway property. The Act also provides a maximum $100 fine to operators of any vehicle on railway property without the railway's permission.

The most common explanation for snowmobile-train accidents is that noise from a snowmobile's engine drowns out the sound of an approaching train. Also, winter usually means reduced visibility, and a snowmobiler moving at high speeds is often unable to preceive the actual speed of an oncoming train.

Aside from the greatest personal danger to snowmobilers, operating the machines along the tracks creates serious hazards for the railway and its passengers. Travelling in groups, the drivers often illegally cross the rails and pack down snow which makes snow bridges. Ice forming as a result can cause derailments.

Another dangerous practice often cited by railway officials is snowmobiles following the railbed who accidentally slice wires that control switches or trigger automatic signalling systems therby causing train delays.

According to Statistics Canada, approximately 20 per cent of all snowmobile accidents occur on private property. The largest portion of those killed are between 16 and 19 years of age.

As A Citizen

If what you want to do has reference to the government or management of the country you need to test your purpose in this way: does my purpose concern what people would like to have, or what people can manage to get, or what the State thinks it can safely allow them, or what people must have in order to function effectively and freely as citizens? Being a citizen implies the possession of an ideal, as sense of values, and a theory of what life in Canada may become.

This is a land where every man and every woman can find a place in society suited to his or her inclinations and capabilities. It is a country where the ordinary citizen has a chance to better his life. But he must accept the significance of our institutions. It is upon observance of the spirit of the laws and customs by which we live that the worthiness of our citizenship and the virtue of the causes we sponsor are judged.

We have assembled in Canada the adventurous spirits of numerous races in surroundings favourable to the creation of a great citizenship. They have brought with them vivid ideas and principles a thousand years old. No commonwealth ever wished for more ideal conditions than are provided by the contribution all these people can make toward the good life.

At heart, most Canadians share the same values. They live under a constitution that is the eighth oldest written constitution in the world, the second oldest of a federal nature, and the oldest which combines federalism with the principles of responsibile government.

But Canadaian life is flexible, and there is room for those who wish to show their initiative in protecting its values and extending its well-being. Through its membership in the United Nations — it shared in drawing up the charter in 1945 — this country has taken an important and sometimes distinguished part in United Nations deliberations and purposes., thus opening the way for citizens who wish to participate in world-wide humanitarian activities.

Many Canadains believe passionately that Canada has a great contribution to make to the welfare of mankind. We are still turning pages in our history, and every new page offers opportunities to people who wish to do something of significance. We have not yet reached our fullest development in art, religion, education, and intellectual growth. There are opportunities for constructive thought and action for everyone who chooses to use them.

There are things that can be improved, such as law enforcement, the relationship of capital and labour, the propagation of health, and advancement of our native people. These can be done within the framework of democracy by people who care enough to do something about them.

Ann Landers

Dear Ann Landers: This is for the mother of the 17-year-old who is on drugs and refuses to go to school, work or accept treatment. I could write a book on what it's like to be the mother of a drug addict.

We are a middle-class family with all the usual hopes and dreams for our children. More than anything we want a son we can love, trust and be proud of. In the sixth grade he became involved with drugs. We have gone from one hell to the next for the past six years. But we have learned a few things that might be useful to others who are fighting the same battle.

1. A young drug addict seldom believes he needs professional help but his parents need help in order to cope with him and bear up under the anguish and frustrations they will face. A psychiatrist, psychologist or social worker can help them explore their feelings and free themselves from guilt and self-condemnation.

2. As a parent, you have an furnish shelter for your child, but be told what to say when I meet you have no obligation to give him spending money. If you shell out cash you will only encourage his manipulation.

3. You have the right and the responsibility to know where your child is going at night and with whom. He may resent your "nosiness" but the longer you wait to lay down rules the worse things will get.

Our son now knows it is a privilege to live in our home. If he abuses that privilege he must leave. If he chooses to leave he should be aware that it is only a matter of time before he gets into trouble with the law and will lose all his freedom. He must realize that without our caring and supervision he will eventually become victimized by the habit he can't control.

We are more than willing to work with him but we will not tolerate the use of drugs while he lives in our home. He must understand that his freedom to use drugs not only damages him but denies the rest of the family the right to live in peace.

I took us six years to get tough with our son. How I wish we had done it in the beginning! We are finally at peace, realizing what we can do and what he must do on his own. We can't handle the problem for him, but by our setting limits he is learning to handle the problem himself.

My heart goes out to the woman who wrote. I know first-hand of her anguish. Perhaps it will help her to know thousands of mothers share her problem. — Lincoln, Nebraska.

Dear Mother: Your letter was three times as long as the ones I usually select for column use, but it was too good to cut. I heartily endorse your approach. It is the most sensible and realistic way to deal with a child on drugs. Thank you for helping a great many people today.

Dear Ann Landers: I have a friend (a college graduate yet) who has a habit that drives me up the wall. When he introduces someone he says, "Say hello to Mr. Zilch." I really don't need to be told what to say when I meeti someone. Comment, please. — Irked In Illinois.

Dear Irk: This is a problem? You're lucky. Your friend's introduction is uncouth, perhaps, but nothing to go up a wall over. Don't sweat the small stuff, honey, life is too short.

Discover how to be date bait without falling hook, line and sinker. Ann Landers's booklet, "Dating Do's and Don'ts," will help you be more poised and sure of yourself on dates. The Secret of Tender and Flaky Pastry

The types of flour and fat you use in making your own pastry are important factors in determining its tenderness and flakiness.

All-purpose flour decreases the tenderness but increases the flakiness of a pastry. When margarine or butter are substituted for lard or shortening, the pastry is less tender. Oil produces a tender pastry but greatly reduces flakiness.

This tested recipe will yield a pastry which is both tender and flaky if prepared just as the method outlines.

Spend a little extra time making a good pastry.

Pastry

2 cups all-purpose flour
1 tsp. salt
2-3 cup lard
4-5 tbsp. cold water

Sift together flour and salt. With a pastry blender, cut in lard until mixture resembles coarse meal. Sprinkle water evenly over mixture, 1 tablespoon at a time, tossing gently with a fork after each addition of water. When all the flour is moistened and dough almost cleans side of bowl, gather dough into a ball. Divide in half. Roll one crust and fit into a 9-inch pie plate. Set aside remaining dough. Spoon your choice filling into pie plate. Roll out top crust, fold into quarters; cut slits so that steam can escape. Place over filling and unfold. Trim and flute pastry. Bake according to your recipe.

Vinegar Pastry

Into Mixing bowl sift together:
3 cups all-purpose flour
1 tbsp. sugar
¾ tsp. salt
½ tsp. baking powder
Cut in:
1¼ cups shortening till mixture resembles small peas.
Combine:
1 beaten egg
5 tbsp. water
1 tbsp. vinegar

Sprinkle 4 tbsp. of the mixture over flour mixture and mix lightly with a fork. Add 4 more tbsp. egg mixture, continue mixing until pastry just holds together. Gather dough together with hands and press into a ball. Wrap in waxed paper or clear plastic wrap; chill 15 minutes. Divide dough in half; roll out each half between two pieces of clear plastic wrap.

Hot Water Pastry

2-3 cup shortening
½ cup boiling water
1 tsp. salt
2 cups all-purpose flour
1 tsp. baking powder

Place shortening in bowl; add water and beat with rotary beater until cooled and creamy. Stir flour, salt, and baking powder together; add all-at-once to shortening and stir until well mixed. Work dough lightly to shape into a round disc, then proceed as for standard pastry. Makes two 8" or 9" shells or one 9" double crust pie.

Nagai — Docksteader

Trinity United Church, Chesterville, was the scene of a pretty candlelight wedding on Saturday, December 27, 1975, at four o'clock, when Janice Elaine Docksteader, daughter of Dr. and Mrs. Dalton Docksteader and Gordon Raymond Nagai, son of Mr. and Mrs. Teruro Nagai of Toronto, were united in marriage.

The Reverend Dale Allison, Niagara Falls, cousin of the bride, and Reverend Leonard Ferguson of Trinity, officiated at the double ring ceremony. The soloist, Robert Anderson of London, was accompanied by Mrs. Bert M. Loucks at the organ. Candle-lighters, cousins of Janice, were Paul and Blair Allison of Niagara Falls.

Entering the church to the congregational singing of "Ode To Joy" the bride was given in marriage by her father. She chose a traditional peau de soie floor length gown, featuring a chantilly lace yoke and sleeves, with a cathedral train. Her Cathedral length silk illusion veil edged with matching chantilly lace pearlized sequins cascaded from a juliet cap. She carried a bouquet of white roses, stephanotis and baby's breath.

Janice was attended by her sister-in-law, Mrs. Brian Docksteader, as matron of honour; Miss Eleanor Nagai, sister of the groom, Miss Jane Allison, Miss Paige Allison and Miss Stacey Allison, cousins of the bride as bridesmaids, and the little Misses Jennifer and Kelly Allison, also cousins of the bride, as flower girls. The senior attendants were gowned in floor length burgundy velvet dresses with elbow length hooded capes lined with pink peau de soie. They carried bouquets of pink sweetheart roses, carnations, baby's breath and fresh pine. The flower girls wore pink silk floor length gowns with full length burgundy velvet capes and carried fireside baskets of flowers similiar to the bridesmaids.

Gordon was assisted by his friend, Geoffrey Butler of Toronto, as his groomsman, and the ushers were Dr. Brian Docksteader, brother of the bride of Kingston, Mark Reno of Windsor and Harvey Nagai, brother of the groom, of Toronto.

The bride's mother chose a wedgewood blue polyester ensemble, consisting of a sleeveless floor length gown with matching cape. She wore a cattelaya orchid.

The groom's mother chose a peach floor length gown and wore a shoulder knot of white roses.

Following the ceremony, a wedding reception dinner and dance was held in the Commonwealth Ballroom of Holiday Inn, Ottawa Centre. Guests attending were from Windsor, London, Toronto, Niagara Falls, Belleville, Kingston, Massena, Ottawa and the local area.

Prior to her marriage, the bride was honoured at a tea in Toronto and by a miscellaneous shower by friends in Chesterville.

The newly-weds will reside in London, where both are enrolled at the University of Western Ontario, Gordon in the Faculty of Medicine and Janice in the Faculty of Music.

Afternoon unit U.C.W. holds Jan. meeting

The Afternoon Unit of the U.C.W. held their meeting in the dining hall of Trinity United Church on Thursday, January 8, 1976.

The meeting was opened with Mrs. Dalton Docksteader and Mrs. Eric Casselman in charge Mrs. Docksteader, the president, welcomed the ladies and read a very appropriate poem for the first meeting of the new year. The roll call was answered by the payment of membership fees.

Among the items of business, get-well cards were signed for Miss Isobel Forward, Mrs. Howard Kittle and Mr. Irwin Merkley. A letter, from the Foster Child in China, was read by Mrs. Edwin Forward.

The programme was convened by Mrs. Graham Smith, who had as her theme "Time". Mrs. Ella York read one of her own poems, "A New Year's Message." Those taking part in the devotions were Mrs. Graham Smith, Mrs. Ella York, Mrs. Kenneth Merkley and Mrs. Lloyd Merkley.

Rev. Ferguson gave an address entitled "How to Make the Best of Our Time". His suggestions were — not to dwell on the past, not to worry about the future but to give our present duties and problems our devoted attention. The message was very interesting and one to be exercised.

Mrs. Dudley Craig, the pianist, entertained with delightful musical selections, after which the meeting was closed with the Mizpah Benediction.

A tasty lunch was served by the committee in charge.

Mrs. G. D. MacIntyre

The sudden death of Mary Helen Rutherford, wife of the late Dr. George D. MacIntyre of Vankleek Hill occurred at Maxville Manor on December 21, 1975. She had been a resident of the Manor for nearly a year.

Born at Hawkesbury, Ontario on January 31, 1888 she was the daughter of the late Douglas Rutherford and his wife Catherine Fraser. She was the last surviving member of a family of seven.

She was educated at Green Lane Public School and Hawkesbury High School and graduated from Queens University with her B.A. degree. She taught High School in Avonmore, Napanee, Mitchell, Kamsack Sask., Navan, and finally Vankleek Hill where she remained till her retirement. She held the position of Principal at Vankleek Hill for a number of years. She always maintained a strong interest in her "ex" pupils and, they, in return, held her in very high regard.

She was a member of Trinity United Church, Vankleek Hill and a life member of both the Women's Missionary Society and the United Church Women. For many years she was actively involved with the Vankleek Hill Public Library.

On Sept 8, 1955 she married Dr. George MacIntyre of Vankleek Hill. He predeceased her in 1970. She is survived by several nieces and nephews.

The funeral service, which was held at Hillcrest Funeral Home Vankleek Hill, was conducted by the Rev. Fred Tees who spoke very fittingly of the influence Mrs. MacIntyre's life had on the community.

The pallbearers were Hollis Rutherford, Clifford Clare, Russell Anderson, Stewart Curran, Ernest Theoret and James MacIntyre. Interment was in Paul's Hill Cemetery, Avonmore.

Glengarry Presbyterial . . .

W.M.S. names '76 officers

The Glengarry Presbyterial of the Women's Missionary Society of the Presbyterian Church in Canada held their annual meeting in St. John's Presbyterian Church, in Cornwall, on Saturday, January 10, 1976. The meeting was opened at 10 a.m. with the President, Miss Olive Ferguson, presiding.

The morning devotions were led by the Finch Society. The president welcomed the large gathering, and especially the new ministers' wives, who have recently moved into the Presbyterial.

Highlights of the last Annual Meeting were read by the recording secretary and a roll call of societies attending, showed a good turnout. Due to an accident, the Honourary President, Mrs. G. S. Lloyd, was not able to be present. And wishes for her speedy recovery were extended by all.

The treasurer's report was read by Miss Isabel McGaughney and discussed. The president announced that the Annual Synodical meeting will be held in St. John's Presbyterian Church, in Cornwall, on April 6 and 7.

Reports from Departmental Secretaries were read and showed a very active year. Miss Margaret Boyd, Ottawa, Resource Consultant, spoke on the duties of the new officers, their purpose and structure, and said secretaries should contact the groups and show initiative.

The morning session was closed with prayer led by Mrs. Alpin MacGregor of Williamstown.

A hot dinner was served by the St. John's Afternoon Unit and was very much enjoyed by all.

The afternoon session was opened by the president leading in prayer. Mrs. Alpin MacGregor introduced the president of the Synodical of Quebec and Eastern Ontario, Mrs. Varmen Brown of Cardinal, who brought greetings and spoke of her trip to Japan.

Rev. Wallace McKinnon, of Ingleside, Moderator of Quebec and Eastern Ontario Synod, brought good wishes. Two films were shown one being "How the Gospel is Being Communicated in Canada" and also one on Canada.

The new officers for 1976 were installed by Mrs. Carmen Brown and are as follows — Honorary Presidents, Mrs. W. M. Boyd, Mrs. G. S. Lloys and Mrs. E. L. Blair; Past President, Miss Olive Ferguson of Dunvegan; President, Mrs. Alpin MacGregor of Martintown; First Vice-President, Mrs. William Ewing of Vankleek Hill; Second Vice-President, Mrs. W. R. MacEwan of Maxville; Recording Secretary, Mrs. Stuart Blackadder of Martintown and Treasurer, Miss Isobel McGaughey of Cornwall.

Departmental Secretaries

Adult Work, Mrs. Harvey McMillan of Martintown; Girls Organizations and Childrens Work, Miss Lois Gemmell of Cornwall; Associate Members, Mrs. William Fraser of R. R. 1, Dalkeith; Glad Tidings, Mrs. Ernest Naidow of Finch; Life Membership, Mrs. Hugh Morrison of Avonmore; Friendship and Service, Mrs. Harold Shaver of Ingleside; Supply, Mrs. D. J. Hartrick of Dunvegan; Press, Mrs. M. H. Shaver of Cornwall; Literature and Library, Mrs. Ian Kennedy and Mrs. Wm. Johnston of Martintown; Historian, Mrs. A. J. Wilkes of Maxville; Without Portfolio, Mrs. Frank Stewart of Ingleside and Mrs. John Fourney of Lancaster.

The new president, Mrs. Alpin MacGregor, thanked everyone and the meeting was closed by Rev. Fred Rennie, who gave the benediction.

Dundas County

Mental Retardation topic at Homemakers meeting

The Dundas County Red Cross Homemakers held their January meeting at the Conference Room, Winchester and District Memorial Hospital on Wednesday evening, January 7.

Several items of business, pertinent to the homemakers programme, were discussed, including tickets to the Red Cross Homemakers Annual Dinner meeting to be held at Inkerman United Church, on Monday, January 26. Rev. Peter Barkway of Alcohol and Drug Foundation, Cornwall, is to be the guest speaker at this meeting. The homemakers will also receive their St. John Ambulance 1st Aid Course Certificates at this time.

Special speaker for the meeting was Mrs. Megan Ouderkirk of Finch, who spoke in detail on the subject of Mental Retardation, dealing particularly with the mongoloid child. Mrs. Ouderkirk has a special and personal interest in this field and held the attention of all present.

Mrs. Ouderkirk pointed out that "As Dale Evans Rogers, Mrs. Rose Kennedy and author, Pearl Buck, created public awareness by writing about their personal experiences, we in Canada must give special thanks to our own crusader, Jean Vanier, who has effectively translated this concern into special schools and homes for what he prefers to call "our mentally injured" or "God's special children".

Lillian McNab of Chesterville thanked the speaker.

LAW

These questions and answers, based on Ontario law, are intended to inform and not to advise. No one should try to apply or interpret the law without the aid or advice of a trained expert who knows the facts, since the facts of each case may change the application of the law.

Q. My boyfriend let me drive his car the other night. We had only gone about a block when a car went through a red light and smashed into us. It was the other car's fault, but since I was driving without a licence would I be considered automatically at fault? What will happen to me now?

A. Just because you were driving without a licence does not mean that you'll be blamed for an accident that was obviously someone else's fault.

You will, however, be charged under the Highway Traffic Act for driving without a licence. This will probably entail the imposition of a fine.

Q. A department store sent me a credit card in the mail several months ago. I had not asked for the card and did not want it, so I threw it away. Now the store is sending me bills claiming I have charged some purchases on the card. Maybe someone found the card and used it. Do I have to pay the bill?

A. No. By section 46 of the Consumer Protection Act, a person must request or accept a credit card in writing or use it himself before any action can be brought against him for money owing on the credit card. A person receiving a credit card which he hasn't asked for has no obligation regarding its use or disposal.

Avonmore W.I. meets

The December meeting of Women's Institute, Avonmore, was held recently in the Fire Hall.

Mrs. Orland Kyle, president, opened the meeting with Words of Welcome and a Christmas Poem.

The motto for the meeting was "Real love is remembering someone and not expecting anything in return."

Members answered the roll call by talking about one special Christmas they could not forget.

Each member brought a Christmas card to be sent to shut-ins and former members.

Members enjoyed exchanging Christmas gifts.

Mrs. James Tinkess, secretary, read the minutes of the last meeting.

A motion was made that Mrs. E. L. Filion would be P.R.O. for the balance of the year.

Mrs. John Warrall and Mrs. Sue Chipman were appointed for leaders of the 4-H Club, A Touch of Stitching.

At the close of the meeting lunch was served, and a social hour enjoyed.

The next meeting will be held near the middle of January with Mrs. John Warrall, Convener, Mrs. Emery Dingwall and Mrs. Ernest Poapst, hostesses.

Chesterville Rotary . . .

Club meets, elects new officers

The regular meeting of the Rotary Club of Chesterville was held on January 12, with 75 percent attendance.

Following a meal at Milano's Restaurant the business meeting was held in the United Church Hall with Harry Allison, president, in charge.

Literature on the annual Breakfast during the Village Carnival Week-end.

Adventure-in-citizenship program, sponsored by the Ottawa Rotary Club, was received. Rotarian Allison is responsible for the selection of a worthy high school student to participate in this yearly project.

The Pancake Committee consisting of Hugh Montgomery, Carl Ward and Nelson LaPrade report that everything is under control for the Rotary Pancake

It was noted that the Chamber of Commerce officials are looking for assistance at the dance of Friday night in the Community Hall.

Nelson LaPrade reported that the town council is considering a general renovation of the Community Hall. Two members were appointed as a committee to be of assistance if opportunity is offered.

Board of Directors for the 1976-77 rotary year are Ken Vice, Hugh Montgomery, Allison Graham, Carl Ward and Bill Gilles. This board will appoint one of the members to act as vice-president of the club. Dudley Craig will act as treasurer and Doug Moses as Sergeant-at-arms.

Considerable discussion centred around the unsatisfactory meeting accommodations. Members felt that the club had sufficient influence in the community that it would be unfortunate if it were to fold. The fellowship of the sing-songs and the lack of accommodation for Rotary Regalia are missed by all.

Mrs. Maldwyn Watkins hosts Avonmore U.C.W.

The January meeting of St. James U.C.W. Avonmore was held at the home of the new president Mrs. Maldwyn Watkins.

A combined program and worship service on the theme "Faith and Creation" was ably presented by Mrs. H. A. Funge, Mrs. Clair Markell, Mrs. Oran Flanagan, Mrs. Wes Meldrum and Mrs. Fred Barkley. The theme had a threefold purpose to think about the mystery and grandeur of creation; to consider what a leap of faith it is to say "God is the Creator"; and to think about things that might be of value to our group in the coming year.

scriptures pertaining to the theme, were offered for thoughts for group discussion, and each group reported on its findings.

Hymns "Unto the Hills" and "Man is now a race of travellers" were sung and all repeated the Lords Prayer in unison to close this part of the meeting.

Grateful appreciation was voiced from recipients of Christmas baskets.

The treasurers report showed a successful year in 1975 with a good bank balance. It was decided to once again sponsor an "Imaginary Tea" in February and May 1st was the date chosen for the annual spring Tea.

The proposed budget for 1976 was presented and adopted. It was agreed to sponsor 2 children for summer camp.

Members were reminded of the church's annual meeting on January 18th to be preceded by a pot luck supper at 7 p.m.

Cards were signed for sick and shut-ins, and for Dr. and Mrs. W. Stevenson on the occasion of their 50th Wedding Anniversary.

The President closed with prayer and a social hour followed.

Mainly About People

The Reverend E. Earle Eaton participated in a meeting of the Congregational Life Committee of Brockville Presbytery at Prescott on Tuesday. Mr. Eaton, who is Director of Youth Work for the Presbytery, gave the report for the Youth Work Committee, of which he also is convener. Thursday he attended a W.C.T.U. meeting at Winchester, and Saturday a C.B.M.C. Prayer Breakfast at Winchester. Saturday and Sunday evenings he attended worship services in Winchester. He was a Tuesday luncheon guest of the Reverend and Mrs. Howard D. Smith at the Winchester Presbyterian manse.

Robert McLean, Assistant Secretary of Ontario Secondary Teachers' Federation and Michael Crawford, Member of Provincial Executive visited teachers of Stormont, Dundas and Glengarry last week. The two representatives were assisting Jim Forster, O.S.S.T.F. President, who was unable to attend because of prior commitments. The visits to the 584 schools throughout the province will be to discuss the local and provincial problems facing teachers. Atom B's in slump tie-games 'bug' team

It seems that all the Atom B's can do lately is tie the opposition. In the team's last two outings they have been forced to go home with ties.

In the first encounter Morrisburg provided the opposition. The local lads, after leading 3-2 at the end of the middle frame, on goals by Mark Smith and Shawn O'Connor, the team fell behind 5-3. Assisting on Mark's goal was Shawn O'Connor, and assisting on Shawn's goal were Mike Ganter and Mark Smith. The Morrisburg marksmen were P. Mason, M. Cummings and M. Phillips (with two) and B. Sloan with a single.

Chesterville seemed to be in trouble until Mark Smith popped in two goals to tie the game. Assists went to Shawn O'Connor on the first goal and Mike Ganter and Rene Boulanger on the second.

Final score — Chesterville 5, Morrisburg 5.

Again on January 17th the Chesterville team skated off the ice with a tie. Iroquois provided the opposition and the final score was 4-4.

Scoring for Chesterville were — Robby Hewitt from Mike VanDelst and Paul VanDelst, Ron Stewart from Mike VanDelst, Mark Smith from Shawn O'Connor and Smith with another from Mike Ganter.

The Chesterville team played much better in this game, but just couldn't score when they had good chances.

From the Bench

Shawn O'Connor and Mark Smith were the big scorers in the Morrisburg game. Shawn had four points and Mark Smith recorded a similar number. These two lads were put together on one line and seem to work together very well.

The defence was weak in the Morrisburg game allowing the opposing players to skate in and take shots at the net. This is very uncommon for Chesterville as they are usually very strong.

In the Iroquois game the team played much better, but couldn't hit the net from in close. It is hoped the Chesterville squad can put the whole game together, each player seems more intent on scoring than assisting and it hurts overall team play.

In a game on Saturday afternoon Chesterville trimmed Iroquois by a score of 2-1.

The next game will be this Saturday.
