TOCC kicks off $500,000 fundraising drive

by Matthew Uhrig
Press staff

METCALFE – Local residents rallied to build the Township of Osgoode Care Centre (TOCC) in the late '80s, and now, almost a quarter of a century later, the community is being called upon once again.

Administrative staff at the long-term care home, along with board members, have launched a $500,000 fundraising drive, hoping to generate finances in order to cover some necessary capital expenses.

"It was hard work, commitment, and compassion that got this facility built," Wendy Hill, TOCC's director of community relations, said. "It is a community here."

The campaign, being dubbed "Pride in our Past, Planning our Future," got underway during this year's Metcalfe Fair, generating $650 during a free raffle draw, with donations being accepted.

New roof, generator on priority needs list

Meanwhile, various initiatives are in the works, including a Giving Tree fundraiser, as well as other to-be-announced events.

A priority needs list has also been generated, in order to give potential donors an idea of just what is required at TOCC.

Flu clinics to begin soon

WINCHESTER – The Eastern Ontario Health Unit (EOHU) will soon begin hosting free seasonal flu immunization clinics throughout the five eastern counties. The first local clinic is set for Tues., Oct. 23, 2 to 8 pm, at the Russell Arena.

"You need to get the flu shot every year to be protected because the viruses that cause the flu do change frequently," Dr. Paul Roumeliotis, medical officer of health, said. "The flu can cause serious illness and even death for some people. The best protection against the flu is the vaccine. It's free, safe and available for everyone aged six months and older."

Of course, certain groups of people are at higher risk of complications from the flu, and are strongly encouraged to get the flu shot. These include: children six months to less than five years of age; people aged 65 and older; people with chronic medical conditions; people who are obese; and Aboriginal people.

Remaining clinics

Other flu shot clinics scheduled for the region include: Wed., Oct. 24, from 2 to 8 pm, at the Royal Canadian Legion Morrisburg Branch 48; Mon., Nov. 5, from 4 to 8 pm, at the Russell Arena; Wed., Nov. 7, from 4 to 8 pm, at Winchester Public School; Sat., Nov. 10, from 9 am to 3 pm, at École secondaire catholique Embrun; and Wed., Nov. 14, from 4 to 8 pm, at the Avonmore Community Centre.

Metcalfe cenotaph refurbishment garners bonus of federal funding

by Matthew Uhrig
Press staff

METCALFE – Two long-standing war memorials, located in front of the former Metcalfe Town Hall, will soon be undergoing expansive restoration efforts.

As well, aside from upgrades, the names of at least four veterans, who for reasons unknown were initially left off the cenotaphs, are to be added.

"It is wonderful to see the dream coming true," Coreen Atkins-Sheldrick, a hobby historian, said. "I'll be euphoric once I actually see the names added."

Atkins-Sheldrick, along with Rob Brewster, director of the Osgoode Village Association, undertook the endeavour earlier this year, receiving help from Nepean-Carleton MP Pierre Poilievre.

Most recently, the project received federal funding of $3,000, provided through the Ministry of Veterans Affairs' Cenotaph/Monument Restoration Program.

New base can accept more names

A local fundraising effort was launched in June, and in the time since, more than $7,000 has been generated, with those funds to be combined with the government investment.

"[This area] has a proud history of military service," Poilievre said during a ceremony on Wed., Oct. 3. "Through research, we learned that at least four names were omitted from the First World War cenotaph, and it is time they be properly remembered."

The names to be added include Priv. Ernest Lytton Bonsall, Priv. William Edward Murphy, Priv. E. Thomas Henry Poole, and Gunner Arthur Workman. All were residents, at one time, of the former Osgoode Township.

Atkins-Sheldrick first became aware of the missing names during a Remembrance Day ceremony in 2000, when she spent time discussing the wars with local veterans. Through subsequent research, she found that several names were left off the memorials. In the future, it is possible 10 more names will be added, but Atkins-Sheldrick must first corroborate her findings with federal archives.

Dundas Manor sees expansion on table

RUSSELL – While nothing is imminent, Dundas Manor, as it exists now, is slated to become much more within the next decade.

Hospital CEO Cholly Boland discussed the facility changes during WDMH's Community Ambassador's Breakfast on Fri., Oct. 5. The latest gathering was held at the Russell Curling Club.

The long-term care home, at the moment, is a single storey facility, with a capacity of 98 beds.

"The building is due for refurbishment… It is quite aged," Boland said.

Dundas Manor is also under new ownership, having been taken over by Rural Health Care Innovations. The collective, a separate entity of WDMH, yet sharing the same CEO, was created earlier this year.

Boland continued, saying the facility is likely to expand within the next two to five years, becoming part of the hospital's blossoming campus.

Aside from the increased medical building space, the area also features the Harvey S. Dillabough Building, as well as the to-be-completed Community Care Building on Fred Street.

TOCC

• continued from previous page

First on the list is a new roof, which comes with a roughly $100,000 price tag.

"There is some urgency with [some of] these items," Lori Dudley, TOCC's executive director, said. "The [current] roof is leaking."

As well, the long-term care home requires a significant back-up generator, in order to ensure TOCC stays online during a prolonged power outage. The cost, not covered by the province, is approximately $130,000 for the equipment, and is a mandate of the Ontario Ministry of Health and Long-Term Care.

Other projects include the replacement of windows and doors ($18,000), the painting of halls and rooms ($15,000), and the replacement of floors in residents' rooms ($2,300 per double room, $1,500 per single room), among other items.

"It is a priority," Dudley said.

There are also more intimate items required, such as sets of dishes for residents, or updates to the furniture provided in residents' rooms.

"Everybody deserves the dignity," Hill said. "And the emphasis truly is on the future… The goal is an ongoing one, and we're not stopping until we reach it."

Residents, meanwhile, will ultimately benefit from whatever improvements are made.

"I do like it here," Dorothy Wingate said. "I just like the closeness of it all… I don't get that isolated feeling."

Eleanor Norris, a fellow resident, agreed. "I have not one complaint," she said. "There are just special people here. They just come in and chat [with me], and we do have a good time together."

Meanwhile, aside from the current fundraising target, Dudley said more thorough long-term planning is taking place.

"Ultimately, [we hope] to expand the facility," she said. "The vision of health care is building community assisted living, and I think that is the way health care needs to go… It makes really good sense."

Township of Osgoode Care Centre residents, including Eleanor Norris (above), are expected to benefit from the ongoing $500,000 fundraising drive being undertaken by the long-term care home's administrative staff and board members. The funds are needed to cover substantial capital expenses. *Press Photo – Uhrig*

Cenotaph

• continued from previous page

Also in attendance during the Oct. 3 ceremony was MP Steven Blaney, minister of veterans affairs.

"This initiative is an important project for the community," he said. "It's time we duly recognize the individuals for what they did."

As for the restorative work, the First World War cenotaph will be receiving a new sub-base to accommodate the additional names, while an existing name, currently misspelled, will be corrected. The Second World War memorial's flagpole base, located in the centre of the two monuments, is to be repaired.

Each monument will also receive a thorough cleaning.

"I'm really proud that we were able to do this," Brewster said. "Everybody jumped on the bandwagon, and it made the fundraising so much easier."

Clarification

In the Wed., Oct. 3 edition of the *Winchester Press*, it was reported that Cathy Burns had been selected as the 2012 recipient of the Mountain Township Agricultural Society's Volunteer of the Year Award. While it is true, the award does recognize the year's top volunteer, the actual name of the commendation is the D.L. Berry Award.

Council notes from
South Dundas

Work to begin soon at MCI

WILLIAMSBURG – If all goes well, work will soon begin on the Morrisburg Collegiate Institute rehabilitation project.

Having given the project the green light last month, the Township of South Dundas also, at that time, granted staff permission to enter into negotiations with the lowest submitted bidder, Robert J. Bourgon and Associates.

When complete, the building will house the municipal offices, as well as the St. Lawrence Medical Clinic and the Morrisburg branch of the Stormont, Dundas, and Glengarry Library.

At the municipality's Tues., Oct. 2 council meeting, CAO Stephen McDonald updated council on the cost-saving changes to the original plan and negotiations taking place between staff and Bourgon.

Currently, he said, township staff is waiting to hear from Bourgon on the new final tally for the project, and, in addition, staff is working to secure the proper insurance coverage.

"Everything is moving well," said McDonald. "We're hoping to have contractors on site in the next few weeks."

Hall rebuild progressing

During the unfinished business portion of last week's council meeting, Deputy-Mayor Jim Locke asked manager of planning and enforcement, Don Lewis, about the status of the Dunbar Recreation Centre rebuild.

According to Lewis, he received a draft drawing from the architectural firm late last month, and has met with the hamlet's recreation committee to show them the options. The committee was to have a decision made imminently.

Lewis said he is hoping to have final drawings in place in two weeks, allowing advertising for tenders to begin in three weeks time.

Honouring local firefighters

A crowd of grateful residents congregated at the Morrisburg Fire Station on Sat., Oct. 6 to pay tribute to firefighters past and present who devoted their time and energy, and who risked their lives in service to the community. The families of Les Bilmer and John Lortie came together to donate the necessary funds to refurbish the original plaque, which honours those individuals who volunteered under the former Morrisburg Fire Department, and to create a second plaque, which honours those firefighters who now serve on the South Dundas Fire and Emergency Services team. The plaques are mounted on the north wall of the station. *Press Photo – Casselman*

Morrisburg tennis courts granted stay of execution

by Sandy Casselman
Press staff

WILLIAMSBURG – The Township of South Dundas' council recently discovered that, contrary to earlier reports, the Morrisburg tennis courts are seeing much more use than originally surmised.

At the Tues., Oct. 2 council meeting, concerned citizen Martin Streit addressed council in an attempt to save the run-down, fenced-in recreational space. He told council that aside from local youth using the courts for ball hockey, students from Morrisburg Public School (MPS) are also using them for gym class, as well as for recess. In fact, MPS has a tennis club with approximately 40 members.

"I went down there the other day and there was a crowd of kids using it," agreed Councillor Jim Graham.

Streit asked that council delay the order to dismantle the courts. "We understand the township's direction right now is to remove the courts," said Streit. "We'd like to see them reconsider."

He also requested the municipality's assistance in dealing with some of the major issues blocking the courts' survival. At the top of this list is the need to gain permission, and a long-term lease, from Chartwell Seniors Housing.

The municipality's tennis courts, as extraordinary as they may seem, are not built on township property, but rather on land owned partially by Chartwell, and partially by the Upper Canada District School Board (UCDSB).

Streit told council that while he has been able to converse with school board officials, he has, as of yet, been unable to get a response from the retirement company. He requested council's assistance on that front.

If permission is granted for the use of the land, Streit told council the next hurdle will be to repair the courts, which are currently in poor condition with cracks and weeds growing throughout the playing surface.

He also pointed out that the gate to the courts is most often locked and to get a key, interested users, as things stand now, are directed to the township's office in Williamsburg during the inconvenient weekday hours of 7:30 am to 3:30 pm.

"Obviously that doesn't work," said Streit.

He suggested that keys could be kept at local businesses to accommodate those people who can't get to Williamsburg, and for those who wish to use the courts at night or on weekends.

Council, later in the meeting, decided to put the decision on hold until the spring. Without a long-term lease from Chartwell and the UCDSB, however, the township will not vote in favour of saving the courts when the time comes, according to Mayor Steven Byvelds.

Council to explore school crossing options

by Sandy Casselman
Press staff

WILLIAMSBURG – The Township of South Dundas' council has been receiving a lot of feedback from parents of students attending Morrisburg Public School (MPS) concerning recent crosswalk changes.

The safety issue caused by the closing of Clinic Road was discussed at the municipality's Tues., Oct. 2 meeting. It seems students who previously crossed Ottawa Street to Clinic Road to get to school have now been rerouted down the street.

Students now cross Ottawa Street to the south side of Second Street, closest to the arena, and are expected to walk to the corner of Second and St. Lawrence Street, where they are then able to use the designated crosswalk.

Unfortunately, many students are attempting to either cross Second Street earlier, without a crosswalk, or walking along Second Street's north side where there is no sidewalk.

Councillor Jim Graham reported hearing from an MPS employee who told him that several parents had expressed concern over the change, and, as justification for their concern, pointed to the fact that some "kids were almost hit crossing Second Street."

While the main issue for rerouting the children's path to school is safety from the imminent construction zone (when work begins on the rehabilitation of the Morrisburg Collegiate Institute), the fact remains, said clerk Brenda Brunt, that Clinic Road is no longer a road, and there are no plans to reinstate the previous crosswalk once work is completed.

As for crossing at the same place and entering directly onto school property via the gate in the schoolyard bordering Ottawa Street, the Upper Canada District School Board (UCDSB), according to a council document, would then require a sidewalk to be installed along the fence line. This, they informed the township, is not going to happen on their accord.

Currently, there is a crossing guard escorting children across Ottawa Street to Second Street, but none farther along the path or at the corner of Second and St. Lawrence Street. Hiring an additional crossing guard was discussed, but the consequence of doing so would be the added cost of paying an additional employee.

Mayor Steven Byvelds reported that UCDSB board chairman, Greg Pietersma, had contacted him over the issue.

"He wants to come up with a better solution," said Byvelds. "The possibility of children trying to dart across that street is an issue in his mind, and he considers safety paramount."

In the end, Byvelds said, "we'll come up with something."

Crossing guard Diane Chater guides students from Morrisburg Public School across Ottawa Street. *Press Photo – Casselman*

Fire Prevention Week

October 7 to 13, 2012

PREVENTION CAN SAVE LIVES

Have two ways out!

Planning how to get out of the house quickly is an important step in getting your family prepared for the possibility of a fire. During Fire Prevention Week, October 7-13, make sure that your family knows how to get out of a burning house.

Visit each room in your home with every family member to make sure they are aware of two ways out. In most rooms, that means making sure that in addition to the door, there is at least one window in good working order that a person can use to get outside. Make sure that exit windows are not painted shut and that bug screens are removable. Show children how to open the window. If the window is high up the wall, draw a child's attention to a piece of furniture they can move and stand on to reach the window ledge. Talk to your local fire department about the suitability of a rope ladder for upper level windows.

Here are some additional fire safety steps to review or refresh often with the whole family:

- Draw a map of your home. Show all doors and windows. Invite children to contribute to the drawing. Post it somewhere central in the home so it can be reviewed often.
- Make sure your home has smoke alarms. Push the test button to make sure each alarm is working.
- Talk about your plan with everyone in your home.
- Pick a meeting place outside. It should be in front of your home. Everyone will meet at the meeting place.
- Make sure your house or building number can be seen from the street.
- Learn the emergency phone number for your fire department.
- Practice your home fire escape drill!

Planting community spirit

Crysler Home Hardware and Crysler Community Centre staff welcomed students from the local school, residents of the community, as well as members of the Township of North Stormont to the soon-to-be officially named John Crysler Memorial Park for the second annual National Tree Day on Fri., Oct. 5. In partnership with Tree Canada, staff from the local hardware store planted 20 new trees in the park, detailing and explaining the process to local school children as they went along. In addition to new trees, the park will also see the completion of an extension to the boat-launch area, steps from the river to the park, a full-sized soccer field, two volleyball courts, a walking trail, a gazebo, and, eventually, a monument honouring John Crysler. SD&G libraries: new hire, new position

CORNWALL – The Stormont, Dundas, and Glengarry (SD&G) County Library board has announced the hiring of a new communications and marketing librarian.

Erika Heesen took over the role on Mon., Sept. 24, and joins the United Counties system after a stint with the Leeds and the Thousand Islands Public Library, where she served most recently as interim CEO. Heesen has also been the archivist for that library system. She holds a masters degree in library science from the University of Toronto.

Erika Heesen

"I'm very excited to be working in this new role," she said. "Library service is all about partnerships, learning, and community engagement, and I'm looking forward to hearing what the community wants from its library".

The communications and marketing librarian is a newly created position within the SD&G County Library.

"We are confident that this position will help connect the SD&G County Library with all residents of the United Counties, and we are very happy that [Heesen] has come to take on a pivotal role in building stronger and more vibrant community-based library services here," Karen Franklin, library services manager, said.

SD&SG named 'most patriotic' riding

OTTAWA – Guy Lauzon, MP for Stormont, Dundas, and South Glengarry (SD&SG) was presented with the Proud to Be Canadian Award during the Conservative government's most recent caucus meeting on Wed., Oct. 3.

The award is presented annually to the riding that displays the most Canadian flags on Canada Day.

"It is an honour to accept this award on behalf of the constituents of SD&SG," Lauzon said. "I am proud that for the third time in four years SD&SG has won the Proud to be Canadian Campaign… It was a tough competition as 40 of my colleagues participated in the campaign and the final numbers were close."

The campaign is an opportunity for Conservative MPs to participate in a competition to encourage constituents to display a Canadian flag on Canada's birthday. The riding displaying the most Canadian flags is declared the winner.

Lauzon was slated to make the announcement on Fri., Oct. 5.

Time to rediscover local food

With Thanksgiving weekend now behind us, and a bountiful harvest having been offered by local producers, the question remains — Where did your food items come from?

Throughout the region, the All Things Food Network has initiated the Stormont, Dundas, and Glengarry Regional Food Assessment.

The aim is simple: discover local, sustainable food producers and options, and get the word out to the public that these growers do exist. Meanwhile, organizers will also be dissecting linkages between supply and demand, while conducting critical analyses of barriers, gaps, and opportunities related to local food.

From the outset, according to both Dana Kittle and Julia Stevens, co-ordinators of the project, the biggest hurdle has been making residents throughout the United Counties more aware of the many local food options.

Sure, it is easy to drop by a grocery store and purchase what you need, but what about first thinking of where your products came from? Sure Guatemala-grown will do, but wouldn't Canadian-made be great?

The ongoing assessment also has a health perspective, as the region, specifically Dundas County, holds court with high obesity numbers, and many living generally unhealthy lifestyles.

Maybe it is time for more community gardens, allowing those who have the will, to plant and maintain the fruits and vegetables they would like to eat. The hardest sell, each co-ordinator concluded, is making more farmers buy into the system. Profit margins are watched with laser-eyed focus, and if you're in it to make a living, the strategy with the biggest return is what is needed most.

Yet, what if the number of those interested in securing local food sources continued to grow? Maybe then local food banks would have greater access to locally grown food, instead of today's stock of canned goods. And, perhaps, then the North Dundas Green Food Bag Program could operate on a 100-per-cent local food basis.

Outside the box thinking is warranted, and this region, with its abundant farmland, is suited to withstand a sea change when it comes to enjoying those food items related to a healthy living.

If we start with one, and grow to many, everybody wins.

Remember when...

Cameron MacGregor is seen here, in 2002, showing a mature cow from Winchester's Breeze Hill Holsteins. The entry took the prize for grand champion Holstein at that year's Metcalfe Fair.

1932

A trade agreement was reached this week between Canada and the United Kingdom, and Prime Minister R.B. Bennett believed that Canada would benefit greatly by trading their agricultural products. Hog farms were expected to increase production substantially, provided farmers found the confidence to do so, and provided the packaging industry could keep up with the increased production.

1942

This week in 1942, Winchester was still focused on the salvage campaign. A town hall meeting was held to encourage everyone to collect as much scrap metal as possible for the war effort. Organizers were also looking to salvage as much rubber as possible.

1952

Front-page news announcements, for this week in 1952, centered on the upcoming Thanksgiving holiday. Housewives were reminded that Mon., Oct. 13 was an official holiday throughout Canada, and that local stores and businesses would be closed. They were, therefore, encouraged to do extra shopping on Friday or Saturday, ensuring they had enough supplies for their families.

1962

This week in 1962, the focus was centered on an extraordinary accident with a miraculous ending. On Oct. 6, Garry E. Garlough (driving a 1961 Pontiac owned by Winchester's Douglas Baker) hit a telephone pole and found himself, along with his passenger, Allan Cinnamon, in a car flipped upside down on the main Toronto-Montreal CPR railway line. The car was then hit by not one, but two oncoming trains. Both men survived with minor injuries, including bruises, cuts, shock, a broken leg for Garlough, and a fractured arm for Cinnamon.

1972

This week in 1972, Prime Minister Pierre Trudeau was aggressively promoting bilingualism, having been quoted suggesting that unilingual public servants who took issue with bilingualism could simply quit their jobs. He said he had no patience for people who paid "lip service" to the idea, but then worked to slow its progress. Local Tory candidate Walter Baker took issue with Trudeau's attitude, accusing him of arrogantly disrespecting unilingual public servants.

1982

The *Winchester Press* reported this week that Claude Cousineau had entered the race for deputy-reeveship in the upcoming Nov. 8 election, joining reeve Gerald Holmes. Holmes, already reeve, had decided to run again for another term in office.

1992

This week in 1992, Winchester's business sector attended the Mon., Oct. 5 council meeting to protest the recent hikes to the fees for the rental of the arena and community centre. The merchants felt their contributions to the community should exempt them from the increase in fees. Reeve Bruce Kerr, however, disagreed. Instead he sided with the recreation committee's decision to raise the rental fees.

2002

The House of Lazarus, at this time in 2002, was worried about its future. The local charity had recently received a tax assessment (and bill) from the Municipal Property Assessment Corporation (MPAC) totalling approximately $16,000. According to the assessment, the building, which was previously valued at $168,000, was now worth $261,000, and the taxes would be affected accordingly, with the addition of back charges based on the new assessment.

Canada

Can they not agree on anything?

From the Other Side
by Jeff Morris

I had this dream.

It was 20 minutes into the future.

I looked at my calendar, and it was that special day of the year. It was the day that all of my old friends would gather for our annual NHL hockey fantasy draft. However, the draft would hit a road bump as our lives have been disrupted by the interruption in NHL hockey.

With no end in sight to the stand-off between the players and owners, I had no choice. I had to do what I had to do.

With cameras flashing and bright lights from TV cameras on my face, I stood on a podium and addressed the local media.

"At this juncture," I began, "I would like to announce that the Prescott Fighting Amish fantasy hockey team will be locking its players out of the Pinnacle Fantasy Hockey League until a collective bargaining agreement between the players and owners of the league can be reached."

While the news of locking my fantasy hockey team out for the beginning of the season was expected, it still came as a shock to the Fighting Amish fan base.

As expected, the questions were fired quickly as the reporters had their digital recorders and microphones in my face. Don Brennan from the *Ottawa Sun* jumped in first to ask about revenue sharing.

"In fantasy hockey," I explained, "revenue sharing cannot be addressed until some other factors come into play."

I was trying to be vague and non-responsive, but he kept at me on the subject until I cracked.

"With revenue sharing, there is also expenditure sharing," I said. "Every year when we have our fantasy hockey draft, somebody has to order the beer and soft drinks and get the pizza and wings. There is gas money for the guys who have to drive in for a considerable distance. There is also the entry fee for the league. These are fantasy hockey related expenditures, and as of right now, the fantasy hockey team owners and the players can't agree on what constitutes fantasy hockey related expenditures."

Ian Mendes from SportsNet jumped in with a follow up question as his camera man was rolling film for SportsNet Connected that evening.

"Is there a common ground from which you can negotiate from?"

I didn't have a good answer for him so I just went on the fly.

"We have given the fantasy hockey players' leadership and negotiating group sentences and sentences, and even paragraphs of the rules and regulations of our fantasy hockey league and what constitutes the economics of it," I said. "I know they had months to digest the information we have given them, but there was just so much material for them to get a full grasp of – I just don't see how they can reasonably come up with a definition of economics in our fantasy hockey league in such a tight time frame."

Steve Lloyd from Team 1200 jumped in with the next question.

"How far apart are you in your negotiations and are talks amicable?"

"I wouldn't say we are talking openly and honestly," I said. "In reality, there are very few owners of fantasy hockey teams that ever get a chance to even meet the players on their teams, let alone sit down and negotiate with them."

I thought for a moment.

"But the players are well compensated for participating in fantasy hockey. Leagues that are publicly run with registration fees pay a royalty to the NHLPA and that money is dispersed in the form of royalty cheques to the hockey players. There are costs on the owners' ends. As I said before, the beer and pizza and wings and the expenses that go into a draft.

The NHL players are benefiting financially from being members of the Prescott Fighting Amish and other fantasy hockey leagues, but are they willing to contribute 57 per cent of the costs to cover our beer and pizza expenses and registration fees? As they review the paragraphs and paragraphs, and even both pages of the extensive documents they have provided for them, hopefully we can make some progress on defining and agreeing upon exactly what fantasy hockey related expenditures actually are."

NHL.com writer Erin Nicks jumped in with the next question.

"How has this lockout affected the Fighting Amish business model?"

"It has affected us in a huge way," I explained. "As the only hockey team that wears cloaks instead of hockey sweaters, our special licensing deal with Reebok has been put on hold. Reebok's team of engineers have come up with a new lightweight material for a cloak that is more aerodynamic. I expect as the trend for Fighting Amish merchandise grows, kids will see the street cred value for wearing these cloaks. Nike and Bauer have been working with our staff to develop specific Fighting Amish equipment.

"The new brimmed helmet and the I-Tech beard shield are two of the innovations that were to be unveiled this year. Imagine the revenue lost as players from throughout hockey grow playoff beards and then want beard protection? And let's not forget about the relationship with the Amish people in the Wal-Mart parking lot in Ogdensburg. They are handcrafting beautiful benches and even a penalty box for us – Chris Neil is on our team."

At that point, I woke up in a cold sweat. The NHL lockout was still on. And because the Diva works at Scotiabank Place, the tentacles of the lockout were hitting us at home. Any way you dissect it, it's pointless and unnecessary.

And as far as our fantasy draft goes, well, does anyone know where I can get stats and rosters from that Russian league?

Letter to the Editor

Funding system change will hurt families

The Editor:

I am writing this letter to inform your readers of an important issue regarding a population of individuals who are in crisis. Parents of special needs children have been able to apply for relief and developmental programming under a funding program called Special Services at Home (SSAH). This funding comes from the Ministry of Community and Social Services. Approval for this funding program required that the child meet the criteria, and an amount was given based on the level of need.

Once the funding was approved, the parents had to send in invoices with the signatures from the workers who provided the relief or implemented the developmental program. SSAH gave funding to children and adults with special needs. Parents use this funding to have before and after school support, to take their other children to their extracurricular activities, to have a date night, to have therapy done at home with their child, to visit their aging parents, to go to work, and much more. This funding also allows the child/adult with special needs to go to community events without Mom and Dad. This teaches independence, and is a normal phase of life to do activities without their parents.

As of April 1, 2013 the Ministry of Community and Social Services is cutting this funding program once a child reaches 18-years-old. The SSAH program will only be given to families with children under that age. What does this mean to the families with a child over 18? For some families there will not be the care before and after school. One parent will have to quit their job. It will mean that any extra therapy done at home will not occur, and the child will regress. It will mean that there will not be supports so Mom or Dad can attend their other children's activities, or visit or take their aging parents to appointments. It will mean these parents who have devoted their entire life to their child with special needs will not go on a date, participate in community events together, and even dream of a few days away alone. There will also not be outings in the community for their adult child, and the hope of their children gaining independence will become impossible.

Parents with a child with special needs age just like everyone else. They will face medical challenges, just like you will as you age. They also support their other children through post secondary education, in finding a job, getting married, and more. Without the SSAH funding, parents with a child with special needs will not be able to be a "normal" parent to their other immediate family members.

As a parent of a 25-year-old child with special needs, I am proud of the job we have done caring for our daughter in our home. Having her in our lives is a blessing and a true joy. I am also grateful I have been able to volunteer, support my two other children as they have grown up, had the privilege of travelling seven hours to be present at the birth of my grandson, and be an active member in my mother's life. Our holidays consist of a few nights away each year. There is no hope of a seven-day vacation and a spontaneous evening out. This is okay. We have accepted our lives as we age together caring for our daughter at home, *but* we cannot do this with the minimal funding we get. The maximum SSAH gives is $10,000 per year. This means eight hours a week of help. The average SSAH amount given to families is $4,000. This means three-and-a-half hours per week of help.

Imagine you were told you would have an aging family member come to live with you next week. This family member requires 24-hour care. He/she cannot be left alone at all. Your reaction is that you love your family member, but you are not able to care for her/him because you work, you have activities at night, you volunteer, you help care for your grandchildren, or aging Mom and Dad. The response to you from the ministry is "we do not care." Try to imagine caring for an aging loved one for 30 to 60 years. This is what parent's of a special needs child does, and they are so proud of this special task.

The Ministry of Community and Social Services has decided that now there will not be relief funding for a parent with a special needs child turning 18-years-old. As a result, some will lose their jobs, some will not be able to cope, many will no longer be able to attend functions as a couple, some will get depressed, and so much more. I also have to add there is no new funding being provided by the Ontario government for adults with a developmental disability. The waiting lists are growing, and growing. It is up to 30 years to receive a residential placement, and this may not be the choice for everyone. The entire system to assist those with a developmental disability is in crisis.

We need to come together to share, listen, and state loudly that in Ontario we need to take care of our most vulnerable population, and their families.

Celebrating SD&SG's seniors

OTTAWA – We can all think of a senior who made a difference in our lives. They are mentors, teachers, parents, grandparents, loved ones, and even neighbours. Every day, right here in Stormont, Dundas, and South Glengarry (SD&SG), our seniors make a huge difference in our communities. Mon., Oct. 1 was our second Seniors Day here in Canada.

National Seniors Day is a way for Canada to publicly acknowledge, and thank all seniors for their many and varied contributions to their families and to their communities. Having a special day to celebrate our seniors' many contributions to Canadian society is most appropriate. Can you imagine where we would be as a country without the contributions and sacrifices of our seniors? Canada was built on the backs of these "giants."

Seniors continue to "punch above their weight," even today. If we were to count up the thousands of hours volunteers contribute to our various hospitals, schools, service clubs, community groups, and more here in SD&SG, it would be mind boggling. I can't help but wonder what our communities would do without our seniors. Their wisdom, integrity, and work ethic sets out such a great example for the rest of us.

I had the happy occasion to welcome 30 seniors from the Township of North Dundas to Parliament Hill on Seniors Day. After a tour of Parliament, we gathered in the sixth floor Parliamentary Restaurant for a nice lunch. What an honour for me to show off the wonderful seniors of SD&SG to my colleagues and the staff on Parliament Hill. If you didn't get the chance to thank a senior for their great contribution to Canada, it is not too late. Happy belated Seniors Day to all!

NDDHS Notes

by Sara Ives

NDDHS food drive ongoing

WINCHESTER – Community is a powerful word that was used a lot this past week at North Dundas District High School (NDDHS).

Our school participated in Farm Credit Canada's annual Drive Away Hunger Food Drive, a benefit for local food banks.

The campaign began Wed., Oct. 3, and is to continue until the final collection day on Mon., Oct. 15. Food items being collected are non-perishable, and include such things as canned goods, pastas, and flour.

Parents, please send your son or daughter to school with non-perishable food items to help this wonderful cause.

On another community note, NDDHS students were able to raise $3,049 in support of the Terry Fox Foundation, following its run late last month. The event was a great success, and made a lasting impression on many students.

In other news, students received their school photos on Thurs., Oct. 4. For those who did not like their photos, retakes will be held on Wed., Oct. 24.

On a closing note, I hope everyone had a safe and enjoyable Thanksgiving weekend.

Positive perseverance

Nationview Public School (NPS) held its first Character Always Award assembly late last month, with a handful of students being recognized for demonstrating the character trait of perseverance, and completing work to the best of their ability. The school is continuing this focus for the month of October. The first group of students recognized included: Preston Racine (front, left), Addison Wright, Caden Leathem, Amelia Firlotte, and Daimon Reid-Simard. Middle: Holly Douglas (left), Aaron Coughlan, Michael Droogh, Madison Coughlan, Frannie Richardson, and Ava McRoberts-Rae. Back: Zach Jacques (left), Michael Dejong, Dylan Cowan-Kennedy, Nathan Derick, Ethan Bonnell, Jaede Marriner, and Shelby Wardle.

POLICE BLOTTER

MOREWOOD – On Fri., Oct. 5, at approximately 4:30 pm, Stormont, Dundas, and Glengarry OPP officers responded to a report of an assault. The investigation revealed that two boys were involved in a verbal altercation when one assaulted the other. A 15-year-old youth was arrested and faces a charge of assault

He is scheduled to appear Thurs., Oct. 18 in Cornwall court.

Details published in the police blotter are provided by the OPP. All suspects are considered innocent in the eyes of the law unless proven otherwise in court.

Summer break's over for Mountain Seniors

by Huguette Shaver

MOUNTAIN – After a summer hiatus, president Audrey Gibson opened the Mountain Seniors' Wed., Sept. 26 meeting with 14 members present and two guests in attendance.

The collective then sang "O Canada," and recited the "Lord's Prayer."

Due to their schedule, the event's guests, Nancy Christie and Pauline Pratt from the House of Lazarus, requested that they do their informative session first. Christie reported on Linking Hands, an initiative focused on rural poverty in this area with support from all levels of government. The group meets once a month to discuss strategies, such as transportation, housing, and nutrition among other subjects.

The seniors' regular meeting then resumed with the reading of the May meeting minutes by Huguette Shaver, and they were approved as read. Shaver commented on the invitation to the Hartford Retirement Centre in Morrisburg in June, where participants enjoyed lunch, entertainment, and a strawberry social.

Dave Scharf updated the group on its financial status, and Mavis Graham reported on the kitchen.

Muriel Milne had nothing to inform about the hall. However, she indicated that the USCO Convention went well in Burlington in mid-August, with a new executive, and she has remained secretary. Debra-Ann McBride mentioned that there will be a Zone 35 informative session at the Nav Centre in Cornwall on Fri., Oct. 19.

As well, a total of $13,000 was raised for the province-wide walk-a-thons.

On Wed., Oct. 24, there will be an executive meeting at the Winchester Lions Hall. Shirley Levere gave us a detailed report from the USCO Rally held in May.

There were three birthdays and one wedding anniversary celebrated from June to September. Meanwhile, just a reminder that annual dues are to be paid during the Wed., Oct. 31 meeting. The cost remains at $5.

Also at the October meeting, hostesses will be Dorothy Scott and Verna Simzer, and they warn that those who do not dress up for Halloween will pay a $1 fine.

Gibson then announced that she will not run as president for the next term, meaning the seniors will need both a new president and secretary, while Scharf indicated he will remain as treasurer.

The group's Christmas dinner has been scheduled for Wed., Dec. 12 at the Kemptville Family Restaurant.

Euchre events were discussed, but talk has been remanded until the November meeting.

"Grace" was said by Anita Leslie, and this was followed by a lunch buffet. Thanks go to Leslie and Shirley Sheldrick for the wonderful set-up of flowers on each table.

Turkey time for NDDHS cross-country runners

KEMPTVILLE – It's called the St. Michael Catholic High School Turkey Trot. But the reference certainly isn't to the gait 507 runners used covering ground in the 5th annual event competition.

Athletes didn't trot; they ran (galloped) at full speed in last week's (Thurs., Oct. 4) cross-country meet. Competitors from intermediate and high schools from as far away as Kingston, Pembroke and points in between took part in the chase for a Thanksgiving turkey, the prize for the event's top performers.

North Dundas District High School (NDDHS) sent 14 boys and 10 girls to Kemptville where they were joined by eight girls and four boys from North Dundas Intermediate School (NDIS) and the joint squad will run together again Friday (Oct. 12) in Russell.

North Dundas District High School senior Patrick Beuley (left) crossed the finish line in 20th place in a time of 27:16.02.

Shania Vandemheen (below), running for North Dundas Intermediate School, finished third in the girls (Gr. 7/8) 3 km run.

Wheeler, Olivier lead Hawks to defeat Wolves

Good addition

Winchester Hawks head coach Tom Kirkwood says former Nepean Raider forward Jamie Olivier has been a solid addition to the team because of his work ethic and great attitude. Olivier has six (4-2-6) points in his first three games in the Eastern Ontario Junior Hockey League.

D'Urso solid in nets for 4-1 victory

CORNWALL ISLAND – Ramsey Wheeler and Jamie Olivier split the scoring as the Winchester Jr. "B" Hawks silenced the host Akwesasne Wolves 4-1 in St. Lawrence Division action.

Saturday's (Oct. 6) victory on the island gave the Hawks (3-4-0-1) third place in the divisional standings. The decision also gave them a split in their weekend schedule following Friday's (Oct. 5) 7-5 loss to the sixth-place Alexandria Glens at the Joel Steele Community Center. The Char-Lan Rebels (7-1-0-0) top the rankings with 14 points. The Casselman Vikings (4-2-0-1) are second with nine, two better than Winchester's seven. The Hawks are being followed closely by three teams: Akwesasne (3-4-0-0), Morrisburg (3-4-0-0) and Alexandria (3-5-0-0), who all have collected six points.

Busy week

The Hawks begin their week tonight (Wed., Oct. 10) in Brockville where they will face the Rideau Division's Tikis (3-3-0-2). The road trip continues with a visit to Arnprior and the 2012 Eastern Ontario Junior Hockey League's Fall Classic Tournament where Winchester will tangle with the Metro Division's Ottawa West Golden Knights (4-4-0-0) on Friday (Oct. 12) at 8:30 pm. On Saturday (Oct. 13), the Metro's top squad, the Gatineau Mustangs (9-2-0-0), will challenge the Hawks.

Hawks 4 - Wolves 1

Anthony D'Urso got the start against Akwesasne and blocked 29 of 30 shots he faced and improved his record to 2-2-0, lowered his GGA to 2.28, and improved his save percentage to .936 in the 4-1 decision.

Jamie Olivier (Josh Stubbings at 12:43) gave Winchester a 1-0 lead in period one. Ramsey Wheeler (Olivier and Cole Rowden at 18:09) made it 2-0 in period two. Dominick Cole put the Wolves on the board with 9:23 left in the session and Olivier (Brandon Bourgeois and Wheeler) netted his fourth goal in three games for a 3-1 advantage 25 seconds before the period ended. Wheeler (Connor Crain and Adam Beveridge at 10:27) made it 4-1, recording his fourth tally in seven games in the final frame.

Winchester out shot their hosts 40-30.

Rockets split games

CHESTERVILLE – Ryan Byers cracked home the winning shot, after taking a pass from Ryan Romans, in overtime as the North Dundas Rockets knocked off the visiting Rockland Nationals 6-5.

Saturday's (Oct. 6) home ice victory leveled the Rockets National Capital Junior Hockey League record at 2-2-0 and gave them a split in their weekend encounters. Friday in Embrun the defending NCJHL Panthers shot down the Rockets 4-1.

North Dundas holds down third place in the Southern Division with four points. The undefeated St-Isidore Aigles (3-0-0) have six, Embrun (2-0-1 OTL) has five points and the Vankleek Hill Cougars (0-4-0) are winless.

This Saturday (Oct. 13), the first-place Aigles will land in Chesterville for an 8 pm meeting. Friday (Oct. 12) the Rockets will be in La Peche to challenge the Predateurs (2-1-0) in a North vs. South Division game.

Dylan Fawcett used a feed from Brandon Buma and Josh DeRouchie to ruin Philip Eberley's shutout in Friday's loss in Embrun.

Charles-Antoine Labonte scored twice for the Panthers netting a SHG and the GWG. Taylor Armstrong and Shane McPhee were the other marksmen who beat Rockets 'tender Andrew DeChamplain.

Rockets 6 - Nationals 5

DeRouchie potted a pair of goals, while Kyle Adams, Michael Thurler and Buma sniped singles in regulation time setting the stage for Byers to fire in the GWG in OT in the 6-5 win over Rockland.

Buma also drew two assists and leads the league in points with (4-4-8) eight. DeRouchie has three goals and five points and shares fourth place in the scoring race.

Ryan Romans earned three assists, Pete Klein-Swormink two while Brian Van Moorsel, Will Fawcett and Dylan Fawcett each collected one.

Riley Bond tended the Rockets cage and posted his second win.

Andy's Reds open season blanking Country Girls 2-0

WINCHESTER – Dominique Cavill posted the first shutout of the 2012-2013 Winchester and District Ladies Hockey League season, backing Andy's Foodland Reds in a 2-0 victory over the Country Girls.

Sunday's (Oct. 7) triple bill opened with the Reds win. Game two finished in a 2-2 draw between Annable's Jewellery Blues and the Cooper Physio Pinks. The third encounter saw Kristie Wade and KC's Lawn Maintenance crew whitewash Stewart Trucking 2-0.

Susan Marsden recorded the first goal of the new campaign when she gave the Reds their GWG after taking a feed from Veronique Daviault and Eleanor Robinson with 7:53 left in the first half. Daviault then insured the win scoring from Robinson and Marsden with 8:00 left on the clock.

Blues 2 - Pinks 2

Stephanie Borden converted a play created by Julie Drouin and Heather McDiarmid into the tying goal with 5:20 left in the game as the Cooper Pinks tied the Blues 2-2.

Kaila Beckstead gave the Blues a 1-0 lead scoring on a pass from Amy Fraser and Emma Fraser with 7:47 left in the half. The Pinks tied it 1-1 at 14:04 of the second session on a goal by Amber Theiner. Drouin and McDiarmid engineered the play.

Beckstead's second marker, assisted by Amy Fraser at the 12:52 mark of the second half, opened up a brief 2-1 lead for the Blues and set the stage for Borden to knot it 2-2.

Carrie McCadden (Blues) and Karina Damato were the opposing goalies.

KC's 2 - Truckers 0

Wade was given the GWG at 13:42 when Courtney Barkley buried a pass sent to her by Holly Klein-Swormink and Amanda Rylaarsdam at 13:42 of the first half. Chantal Thurler made it a 2-0 final finishing a play started by Barkley and Kaitlyn Hay at 16:06 of the second half.

Hawks

• continued from previous page

Hawks head coach Tom Kirkwood noted that his team's mediocre start was due, in part, to a rookie-laden roster.

"We have 13 new skaters and one new goaltender. We will improve," he said.

Glens 7 - Hawks 5

Alexandria skated into a 2-1 first period lead in Friday's contest on goals by Connor MacLeod (PPG) and Jarren Burke. Connor Crain (unassisted) sliced the Hawks deficit to 2-1 scoring 2:17 before the period ended.

Leo McLean's tally gave the Glens a 3-1 lead at 18:56 of the second stanza and ignited a three-goal rally by Winchester, as Wheeler (Rowden at 11:52), Josh Renaud (Rowden at 10:52) and Josh Stubbings (Wade Kropp at 5:49) all put pucks in Antoine Marchand's cage.

Winchester's 4-3 lead disappeared early in period three when Jonathan Cyr beat Alex Monk-Cray at 18:40 tying it 4-4. A flurry of late goals resulted in the Glens leaving town with a 7-5 win. MacLeod (2:20) put the visitors up 5-4. Olivier (Chris Rossi) knotted the count 5-5 with 1:31 on the clock, but the Hawks coughed up the GWG by Burke 1:01 before the final buzzer and an empty netter by Cyr with 15 seconds on the clock.

WINCHESTER – It was an explosive start to the 2012-2013 Winchester Town Hockey League season as Byvelds Bush Leaguers ripped up the Green Berets 13-8.

Sadler's Suds messed up the defending Melvin Cup champion Chesterville Maulers 7-2 in the other half of last week's (Tues., Oct. 2) twin bill.

Bush Leaguer captain Dean Byvelds led the offensive charge, cracking in four goals and drawing five assists as his squad built up a 9-4 lead by half time. It turned out that Byveld's second goal, set up by Dean Moore and Travis Froats 0:35 before the intermission, was the winning shot fired in the shootout.

Dana Schofield also produced nine points on three goals and six assists. Travis Froats (2-2-4) had four, Moore (2-1-3), Jamie Wyatt (1-1-2) and Danny Pelkey (0-1-1) rounded out the scoring. Chris Currie posted the win.

Mark Mitchell had the hat trick for the Berets. Jon Nadobny scored a pair and drew three assists. Derek Vingerhoeds, Trent McBain, Mitch Shay and Cody Carruthers also picked up points.

Suds 7 - Maulers 2

Suds' captain Robyn Sadler gave his team a 1-0 lead at 26:36 of the first half, but Ryan Hay evened the score finishing a play set up by Cory Wilson at 16:45. Tyler Jones put the Suds ahead 2-1 scoring from Sadler and Aron Sherrer with 14:43 left in the half.

Jets lose 3-2 to Clarence Creek

CLARENCE CREEK – A power play goal by Jeremie Maisonneuve 1:18 before the final buzzer lifted the host Clarence Beavers to a 3-2 Metro Division victory over the Metcalfe Jr. "B" Jets.

It was just the second game of the 2012-2013 Eastern Ontario Junior Hockey League (EOJHL) season for Metcalfe, now winless in two starts. The Gatineau Mustangs (9-2-0-0) top the standings with 18 points. Clarence (4-2-0), the Ottawa Canadians (4-2-0-0) and Ottawa West (4-2-0-0) all have eight points.

This weekend, the Jets will take part in the 2012 EOJHL's Fall Classic Tournament in Arnprior where they will take on the Rideau Division's Brockville Tikis on Sat., Oct. 13 at 3:30 pm and the St. Lawrence Division's Casselman Vikings on Sun., Oct. 14 at 3:30 pm.

The Jets will play their home opener at the Larry Robinson Arena on Fri., Oct. 19 with the Clarence Beavers providing the opposition at 8:15 pm. On Sun., Oct. 21, the Gatineau Mustangs will be in Metcalfe for a 2:15 pm matinee.

Beavers by one

Metcalfe captain Glenden Bakker put his team up 1-0 when he beat Beaver netminder Nicholas Newport with 6:05 left in the opening 20 minutes. Dawson Fisher and Patrick Martin picked the assists on the play.

Clarence evened the score at 7:57 of period two on a goal by Nick Draper.

Karl Lariviere handed the Beavers a 2-1 lead on an unassisted play at 16:58 of the final frame. Metcalfe responded at the 6:16 mark when Martin tied it 2-2 after taking a relay from Dave Kilrea and Ryan Pike. That play led to the Beavers PPG, GWG 1:18 before the final buzzer.

Metcalfe outshot Clarence 36-31. Ryan McLaughlin suffered the one-goal setback.

Novices cage Panthers 7-2

CHESTERVILLE – Joshua Dagenais was a goaltender last season. This year, he is skating as a forward for the North Dundas Novice House "C2" Demons and in his first game at that position he registered a hat trick.

Dagenais and the Demons defeated the visiting Kemptville "C2" Panthers 7-2 in their 2012-2013 Upper Canada Minor Hockey League home opener last week (Thurs., Oct. 4).

Many on the team are playing their first novice games since their graduation from the North Dundas Minor Hockey Association's Initiation program.

Dagenais' first goal, set up by Michael Tufts and Maddux England with 1:18 left in the first period, tied the game 1-1 after Kemptville had scored at the 2:29 mark.

Kemptville took a 2-1 lead at 9:12 of period two, but North Dundas cracked in the next six markers and held on to a 7-2 lead through a scoreless third period.

Jordan Heuff (unassisted) tied it 2-2 scoring at 7:52. Goals by Alex Sylvestre (Heuff and Cameron Lynch at 6:04), Dagenais (England and Tufts at 5:39), Dagenais (Tufts and Tayte Bouchard at 4:48), Heuff (Sylvestre and Wyatt Watson at 4:36) and Andrew Weagant (unassisted at 0:59) rounded out the North Dundas scoring.

Demons roster

The 2012-2013 North Dundas Novice "C2" Demons are: goaltenders – Paige Hannaford, Cooper Jepp; Alex Sylvestre, Joshua Dagenais, Maddux England, Tayte Bouchard, Michael Tufts, Cameron Lynch, Andrew Weagant, Wyatt Watson, Jordan Heuff, Nolan Henry, coach – Chris Sylvestre, ass't – Scott Weagant, trainer – Doug Tufts, manager – Ingrid Sylvestre.

Caden Holmes leads Novice 'C1' Demons to win over Braves

WINCHESTER – Caden Holmes scored four times leading the North Dundas Novice House "C1" Demons to a win in their first game of the 2012-2013 Upper Canada Minor Hockey League season.

Holmes (6:12) and Nolan Foley netted unassisted markers in the first period of last week's (Wed., Oct. 3) home-ice victory on Winchester ice. Brockville's Tyler Merkley sliced the Brockville Jr. "C2" Braves deficit to 2-1 in the second stanza.

A third period hat trick by Holmes who scored unassisted at 8:24, 6:52 and 3:45 iced the 5-1 decision.

Tonight (Wed., Oct. 10), the Demons are hosting the Kemptville "C3" Panthers at 6 pm.

Rallying ATV's in South Mountain

Avid all-terrain vehicle riders were out in force at the Nation Valley ATV Club's fall rally on Sat., Oct. 6. Club president, Dave Baker, estimated that approximately 150 people were in attendance at the South Mountain departure point, 50 per cent of which he suggested were visitors from outside the club, and outside the area. For those interested, there was a warm dinner ready at the end of the day, prepared by the Winchester District Memorial Hospital Foundation's Hospital Heelers. Part of the proceeds from the club's all-day rally will go to the local charity.
