Rothwell-Osnabruck school addition unique use of educational facilities

INGLESIDE — April 27, 1973, brought to realism a plan which was first discussed in 1967. The official opening of the Rothwell Osnabruck School addition, Ingleside, Ontario, was held in the gymnasium last Friday evening.

The singing of O Canada to the accompaniment of Miss Carolyn Gillard at the piano, opened the program. Rev. Wallace MacKinnon gave the invocation.

Fraser Campbell, chairman of the S.D.&G. Board of Education, extended a warm welcome to those who had braved the inclement weather to be present. mr Campbell cited the many achievements of the S.D.&G. Board of which they are justly proud, the new addition at Ingleside being a prime example.

Ewin Waldroff, Reeve of Osnabruck Township, brought greetings from his council.

Superintendent of Schools Ken MacLennan introduced the guest speaker Mr John Smith, M.P.P., Hamilton Mountain, Parliamentary Assistant to the Minister of Education.

Mr Smith in his opening remarks said, "The addition of the Rothwell Public School and the joint addition of the library and guidance and counselling facilities to Rothwell Public School and Osnabruck District High School is rather a unique use of educational facilities."

The speaker related that by creating a project that involves the broad spectrum of education from Kindergarten through Honour Graduation Diploma the people of the area will be regarded throughout the province as innovators.

The M.P.P. in his closing remarks brought best wishes from the Ministry and good luck for this venture in the future.

Mr John Smith, M.P.P. Hamilton Mountain, Parliamentary Assistant to the Minister of Education, pulls the cord to unveil the plaque and mark the official opening of the Rothwell-Osnabruck School addition at Ingleside. From the left, John C. Shultz, Principal, Osnabruck District High School; Earl Jeacle, Principal, Rothwell Elementary School; Mr Smith; Fraser Campbell, chairman of S.D.&G. County Board of Education. — Staff Photo.

The addition which connects Rothwell Public School with Osnabruck District High School consists of four teaching areas, a library-resource centre, guidance rooms, changerooms, a health room, teacher's workroom, text book storage room, washrooms and janitorial and general supply rooms. The library resource centre is strategically located between the two schools to serve students from kindergarten to grade thirteen. With its media and facilities it will provide countless opportunities previously denied the students of this area.

The guidance area, which is new, is of particular importance as students often need guidance in choosing their credits at different levels.

Physical education has taken on new aspects - the athletic grounds have been improved and are available to all students. Students, at various times, have access to the two gyms, physical education personnel and equipment.

The new system, where students at all levels rub shoulders in search of answers to questions, leaves the impression that this is what living and learning is all about.

The official plaque which will be placed in a permanent setting at a later date was unveiled by Mr Smith.

The dedication was given by Rev. Wallace MacKinnon. Mr Jeacle gave an explanation of the tour of the new addition. Following the tour coffee was served in the gymnasium.

Mr John C. Shultz is principal of Osnabruck District High School which has a staff of 12; Rothwell Elementary School, with a staff of 20, is under the direction of principal Earl Jeacle. There are four members on the Joint Staff of the complex.

LOCAL MAN SERIOUSLY INJURED IN NORTH-MAIN STREET ACCIDENT

North Main Street resident, 73-year-old Thaddeus MacIntosh, a retired Nestle employee, sustained serious injuries last Thursday, April 26, about 7:30 p.m. when he was struck by a car.

The 1966 vehicle, driven by Daniel L. Wheeler, son of Gerald Wheeler, Cornwall, was proceeding south past the MacIntosh residence when the mishap occured.

Police said MacIntosh was struck by the front end of the car. It appeared as though he remained on the hood until the car came to a stop short distance down the street.

The victim was reported to have broken legs, facial lacerations and other undetermined injuries. He was rushed to Ottawa Civic Hospital by Vice and Craig ambulance.

No charges have been laid by Chesterville Police Chief Leonard Shane who is conducting the investigation.

Fin. Minister to address Can. Club

MORRISBURG — The last meeting of the Morrisburg and District Canadian Club for the 1972-73 session will be held in the Morrisburg Civic Centre on Thursday, May 10.

The guest speaker will be the Honourable John N. Turner, Minister of Finance for the Federal Government. The Honourable Minister is an outstanding Canadian, and being Minister of Finance should have an interesting message for all.

A large turnout for the meeting is anticipated.

Mainly About People

Visitors with Mr and Mrs Alf Jarvis last week were: Mr and Mrs Stephen Brabazon, Cathy, Stephen and Shaun and Mr and Mrs Dale Jarvis and Scott, all of Ottawa.

Osnabruck Minor Hockey teams grabbed off their share of the hardware this past winter as this picture indicates. Standing to the right and left of the proud trophy holders are members of the Hockey Association Executive. From the left: John Cameron, president; Mrs John Cameron, sec.-treas.; Mark Stephenson, Bantam Team Captain; Fred Ouderkirk, Atom Team Captain; Bruce Wells, Midget Team Captain; Oscar Ouderkirk, 2nd vice president; Rae Shaver, 3rd vice president; Dalton Cleary, 1st vice president, is absent. — Staff Photo.

Bits & Pieces

Adding Insult to Injury

Sunday, April 29, was a sad day around our household-Monday at midnight was the deadline to submit your income tax returns.

We issued a cheque to our accountant for filling out the confounded, complicated form, a cheque was made out to balance up with 'Pierre' and 'Bill'. The old bank account at this point was getting awfully close to being in the red.

Off to the Post Office Monday morning, all down in the lip from being in a 'pout' - the last straw was when we had to come up with 14c from the piggy bank to post the letter.

N.D.D.H.S. Band on Tour

The Senior Band from North Dundas District High School left early Tuesday morning, May 1, for their Annual Spring Tour.

The tour will see the Band performing at Cobourg, Dorchester, London, Essex, and Windsor. They will play a total of six concerts.

Larry Allen Heads Veterinary Club

The Dundas Veterinary Club held its organizational meeting on Tuesday, April 24, in the Board Room of the Agriculture Office in Winchester.

Elected as president was Larry Allen, with Nora Fawcett, vice president; Dianne Baker, press reporter. Club leaders are Dr. Brian Kennedy and Keyes Smith of Chesterville.

S. D. & G. Library Board Benefits

The S.D.&G. Library Board grabbed off a nice chunk of money when the Ontario Government announced a grant increase of 58.5 percent for 1973-74.

Three hundred and seventy-two local, county and regional library boards will share the 13.8 million. The local board will see their grant jump from a current figure of $28,915 to $69,998.

R.L.A. Conference at K.C.A.T.

"Reviving Rural Communities" will be the main theme of the Rural Learning Association Annual Meeting to be held Friday evening, may 25th to Sunday noon, May 27 at the Kemptville College of Agricultural Technology.

The R.L.A. is a lively Ontario-wide group interested in evaluating and directing change in rural communities. This is the first time for the Provincial Conference to be held in Eastern Ontario.

MILK COMMITTEE HOLDS DINNER - DANCE —

Smith Holsteins tops in Dundas County

The Holstein herd of Carl and Angus Smith, Chesterville, was named tops for that breed in Dundas County last Wednesday night.

Carl Smith accepted the plaque from Agricultural Representative Tom Clapp, on behalf of his father and himself. Don Rose, Mountain Township, was named to Ayrshire producer. The plaques will be presented annually with each winner having his name inscribed on a name-plate.

District farmers and guests were out in full force last Wednesday night for the Annual Milk Producers Smorgasbord and Dance held in North Dundas District High School.

Winchester Presbyterian Ladies served a delicious and varied smorgasbord which proves local farmers are not only adept at their own trade but are also judges of fine food.

Roy Fawcett and his talented group of Julie Fawcett, Robbie Fawcett, Karen and Diane Salter and Colleen Ennis entertained in the gymnasium from 8:15 to 9:15. The audience relaxed to the organ music of Julie Fawcett; Julie, Karen and Diane, accompanied by Glenn Cochrane, Doug Cochrane and Bill Conley provided a medley of songs; Colleen Ennis on the trombone played several selections; Robbie Fawcett, alias the clown, pulled off some hijinks as he played the organ.

Thanks was extended to the entertainers and the group who catered for the smorgasbord by committee chairman Carl Smith.

Barbara Milne, Dundas Dairy Princess and Sherry Pollock, Ontario Princess, were introduced.

Miss Pollock in a short address, gave an insight into her activities as Ontario Princess. One of the highlights of Sherry's reign, as related by her, was the 1973 white Mustang which she uses during her tenure.

Door prize winners, chosen alternately by the princesses, were: Marion Cochrane, Keith Fawcett, Mrs Ralph Fawcett, Mrs Sarsfield O'Connor, Harold Allen.

The lights were dimmed, the music good and the large crowd danced to the music of Glenn Cochrane and his band.

Dundas County Milk Producers held their annual banquet and smorgasbord last Wednesday evening. Angus and Carl Smith, with their herd of Holsteins, won a plaque for having the highest BCA in Dundas County. Carl Smith, on the left, accepts the plaque from Agricultural Representative Tom Clapp; Sherry Pollock, Ontario Princess; Barbara Milne, Dundas Dairy Princess; and Lorne Strader, Milk Committee vice chairman were interested onlookers. — Staff Photo.

'4 D's' needed to reach hockey stardom Osnabruck Twp. holds Minor hockey night

Desire, Determinatoon, Discipline and Dedication, these are the attributes needed to be a great hockey player. This was the advice Minor Hockey players received on Monday evening.

Osnabruck Township honoured their Minor Hockey players earlier this week. The annual banquet was held in the Trinity United Church Hall, Ingleside.

The evening under the chairmanship of Minor Hockey Association president John Cameron consisted of supper, the presentation of crests to all players, guest speakers and films.

Township Reeve Edwin Waldroff said he felt the money the township had invested in minor sports this past season had given a dollar return unequalled in any other endeavour they had participated in. He commended the Osnabruck Township Minor Hockey Association for doing a tremendous job.

Pat Smith, secretary-manager of the O.D.H.A., discussed the NHL when it was comprised of six teams. He related that the expansion has opened opportunities for many more players to make the "big time."

The first requisite used when picking a professional player is his ability to skate. Mr Smith advised the local players to practice and skate every opportunity they received.

Mr Cameron gave a brief resume of the hockey set-up in the township. He placed special praise on Keith MacGregor who was instrumental in getting it going over two years ago.

Jerry Brown, former member of the Detroit Red Wings, long-time coach and at present a scout for an NHL team, kept the audience on the edge of their chairs as he supplied some inside information and related humourous incidents from his close

VIEWS...

HWY. 31 - AS OUTMODED AS THE OLD CAR

Some day when the Ontario Department of Highways has a lull in it's activities we would ask it to take a look at Highway 31. The road we speak about runs from Morrisburg at No. 401 to Bank St. in Ottawa, our Nation's Capital.

Each trip over this road brings back memories (some not so fond). In our youth we made the Ottawa scene once or twice a year. Our mode of transportation was a vintage model, well worn Chevrolet. This Chevy had a front end suspension known as "knee action".

To travel this Highway 31, which was narrow and bumpy, in this car was quite an experience. The old car had the habit of bobbing and bobbing until it was almost uncontrollable. Mouth guards were in order to avoid biting your tongue and neck braces were handy to keep your head in place.

Cars in 1973 have improved drastically from the model previously described — Highway 31 has a gross similarity to the old car.

Travelling from South to North — the Glenn Becker build-up creates a nasty problem. With feeder roads, entering from right and left and a slight curve in the road, supreme caution and a reduction in speed are almost a necessity.

In Williamsburg, we find cars parked on both sides of the road not to mention trucks unloading. A speed limit hardly seems essential; anyone who can make over 5 miles an hour or doesn't have to stop, either travels early in the morning or is very lucky.

Upon entering the curve into Winchester Springs — reduce your speed, watch right and left — We're lucky! Made it without mishap again.

Crossing over Cass bridge, it's new, but only built for two lane traffic.

To drive Hwy. 31 through Winchester requires careful manipulation. To meet comfortably on the main corner is only possible with two compact cars. The by-pass under construction here will bring some welcome relief.

North from Winchester the road is narrow, hilly, and has many dangerous access roads. Through Vernon the road has been widened and resurfaced — still only two lanes but an improvement.

Vernon to Ottawa the situation continually worsens. The closer you get to the Nation's Capital the more impossible it becomes.

Strip housing has been allowed next to the city limits with each driveway a potential hazard. Trucks moving material to city construction sites retard traffic and cause real slow-downs. Kids, cars, farm equipment and bicycles all add to the confusion.

The work that has been done and is being done is a minor asset to the overall situation.

Does this stretch of highway between Morrisburg and Ottawa, not deserve and warrant a closer look and some long overdue major planning.

A four-lane from 401 to Bank St. presents all kinds of possibilities.

The potential to the Winchester, Chesterville, Morewood area is tremendous. A high-speed, four-lane thoroughfare would see this area prosper and grow as people and industry move to the rural area, providing there is a high speed access road to work and market place.

Our old Chevy is long gone and almost forgotten. Thoughts of the 30-year-old car return every time we spend too long making our way to Ottawa on Highway 31.

THE SPRAY GENERATION

If a creature from outer space looked at a typical shelf that holds household products, it might well surprise him, not only because of the complex formulas and chemicals, but also because of the kinds of containers. He might conclude that this was a generation that depends heavily on products in spray form.

From deodorants and cosmetics to paints, cleaners, polishes and sanitizers, many products are packaged in convenient and safe aerosol containers. Such containers only cause accidents when the product or its package are misused.

Check the label on household products packaged in aerosol cans. There is a warning symbol that says "caution, explosive". Why?

When an aerosol container is heated, the pressure generated by the vaporization of the liquid propellent that is used to spray the contents, builds up quickly until the container cannot hold it in any longer. So aerosols should be kept away from sources of heat such as stoves, radiators or sunlight. A real danger in dealing with aerosols exists in the disposal of the container If the can is tossed into a fire, or heated in any other way, the result may be an explosion and the violent projection of container parts. Puncturing the container can also cause problems: this releases the contents in an uncontrolled way.

Along with the explosion danger problems from inhalation are also the subject research. While present evidence has not shown any danger for a person using aerosol products according to instructions, it's better to avoid breathing in the spray and to prevent contact with eyes, nose, ears and mouth.

Remember that safe use of aerosols will avoid most dangers. Make sure that they aren't used as toys. Dispose of them carefully.

Avonmore high school as pictured in 1923

Mrw W. M. Campbell, a life-long resident of Avonmore, brought this picture into the office last week. **Mrs Campbell, who was attending Avonmore School in 1923, was able to name everyone. Front row from the left, hugh Munroe,** Chas. McIntosh, **Ewan Munroe, Donald** MacMillan, **Clarence Helmer, Wilbert Crawford,** Lloyd Thompson, **Maynard Campbell, Howard** Wert, Duncan McRae, Basil Barkley, Kenneth Campbell, Delbert Brownlee, Archie McMillan. Remember When...

10 YEARS AGO

May 2, 1963

About 65 friends and neighbours gathered at the home of Mr and Mrs Burrill Beckstead to honour them on their 25th wedding anniversary.

Mr and Mrs Walter Merkley marked their 25th wedding anniversary this week.

Mr and Mrs John Kurvink and family have returned after spending several months in Holland.

Mrs George Merkley will succeed Mrs Myles Merkley as president of Chesterville W.I..

Cpl. Bob Bolster, RCAF, spent a few weeks with Mr and Mrs Stanley Fawcett en route to his new transfer to Comox, B.C.

20 YEARS AGO

May 7, 1953

Dr. Duane Justus, son of Dr. and Mrs Howard Justus, has been awarded for post graduate study in medicine.

Sheila Morris, student at Chesterville High School, was the student chosen by Chesterville Rotary club to represent Chesterville in the Adventure in Citizenship.

Chesterville council signed a contract for a new fire truck this week. Delivery will be within 90 working days.

Miss Thelma Droppo was guest of honour at a miscellaneous shower held at the home of Mr and Mrs L. B. Shaver.

Miss Marlene Beckstead was guest of honour at a miscellaneous shower held in Elma Church Hall.

30 YEARS AGO

May 13, 1943

Beginning this week the businesses in Chesterville will close Wednesday afternoon for the summer months.

Mr W. P. Markle resigns as principal of Chesterville Public School.

Miss Lyllis McMillan attended the convocation at Queen's University on the weekend.

Mr Howard Willard of Chesterville High School has accepted the position of principal at Winchester High School.

Misses Ruby Eastman and Beulah Geddens, Brownsburg, Quebec, spent the weekend with Mr and Mrs Harold Cameron.

Chesterville talent was heard over the air from CFLC, Prescott, this week when Dick Merkley and his sisters, Mrs A. Strader of Cardinal and Miss Marguerite Merkley of town presented a program.

A large portion of the spring stock was taken when Maloney's store was burglarized this week.

40 YEARS AGO

May 4, 1933

Grantley United Church was filled to capacity on the occasion of the Golden Jubilee of the opening of the church.

Three horses and several other animals were killed when fire destroyed the farm buildings of James Kearns, south of Chesterville.

Mr and Mrs Milton Shaver were honoured at a farewell party prior to their departure for Ottawa.

Ann Landers...

Dear Ann Landers: I have been keeping company with a divorced man in his fifties. He has asked me to marry him. I made no firm commitment because I wanted to be sure.

Recently he had a heart attack. I asked him to move into my guest bedroom because he had no one to give him proper care. In those three weeks I learned more about this man than in the two previous years.

First, I am not to speak at the breakfast table. Second, I am not permitted to invite anyone to the house unless I get his approval. Third, I am not to purchase anything unless he likes it. I used to play cards on Tuesdays and Thursdays. This must stop. I have enough to do to take care of him. My only son who lives out of town is not needed around here. We don't need anyone but each other. If I get lonesome for outsiders I can go visit his daughter.

I forgot to mention - he drinks, straight out of a bottle that originally contained cough syrup. Got the picture? All widows who are contemplating a second marriage ought to invite the man to move in for a few weeks. Do you agree? — Somebody Up There Likes Me

Dear Somebody: Not really. A smart widow should be able to size up a man without subjecting herself to gossip. If it took this experience to prevent a catastrophic marriage for you, however, it was worth it.

Dear Ann Landers: We have followed with interest the controversy regarding the propriety of teen-agers entertaining each other near, around or on the bed. As coeds at the University of North Carolina we have discovered that it is difficult to attain private elsewhere, so we entertain in our rooms.

Our rooms contain a bed, a sink, a dresser, a chair and a desk. The floor space is limited. Furthermore we figure that whatever could be managed on the bed could also be managed on the floor. It is very difficult to maintain a conversation at eye level with one person on the floor and the other person on a chair. If two people want to talk, or even hold hands, they must choose between the bed and the floor. The floor is so hard it encourages people to cushion themselves against each other. So, a person is probably safer on the bed.

Now that you have the facts, Miss Landers, do we have your permission to talk on the bed? — Raleigh Coeds

Dear Coeds: I'm not sure you need my permission but the answer is no. Don't campus dorms have lounges with chairs anymore? And how about getting a second chair for the room? One of the Landers Laws for staying out of trouble is - remain vertical, with both feet on the floor and all hands on deck.

Is alcoholism ruining your life? Know the danger signals and what to do. Read the booklet, "Alcoholism — Hope and Help" by Ann Landers. Enclose 35c in coin with your request and a long stamped, self-addressed envelope to this newspaper.

Letter to the Editor

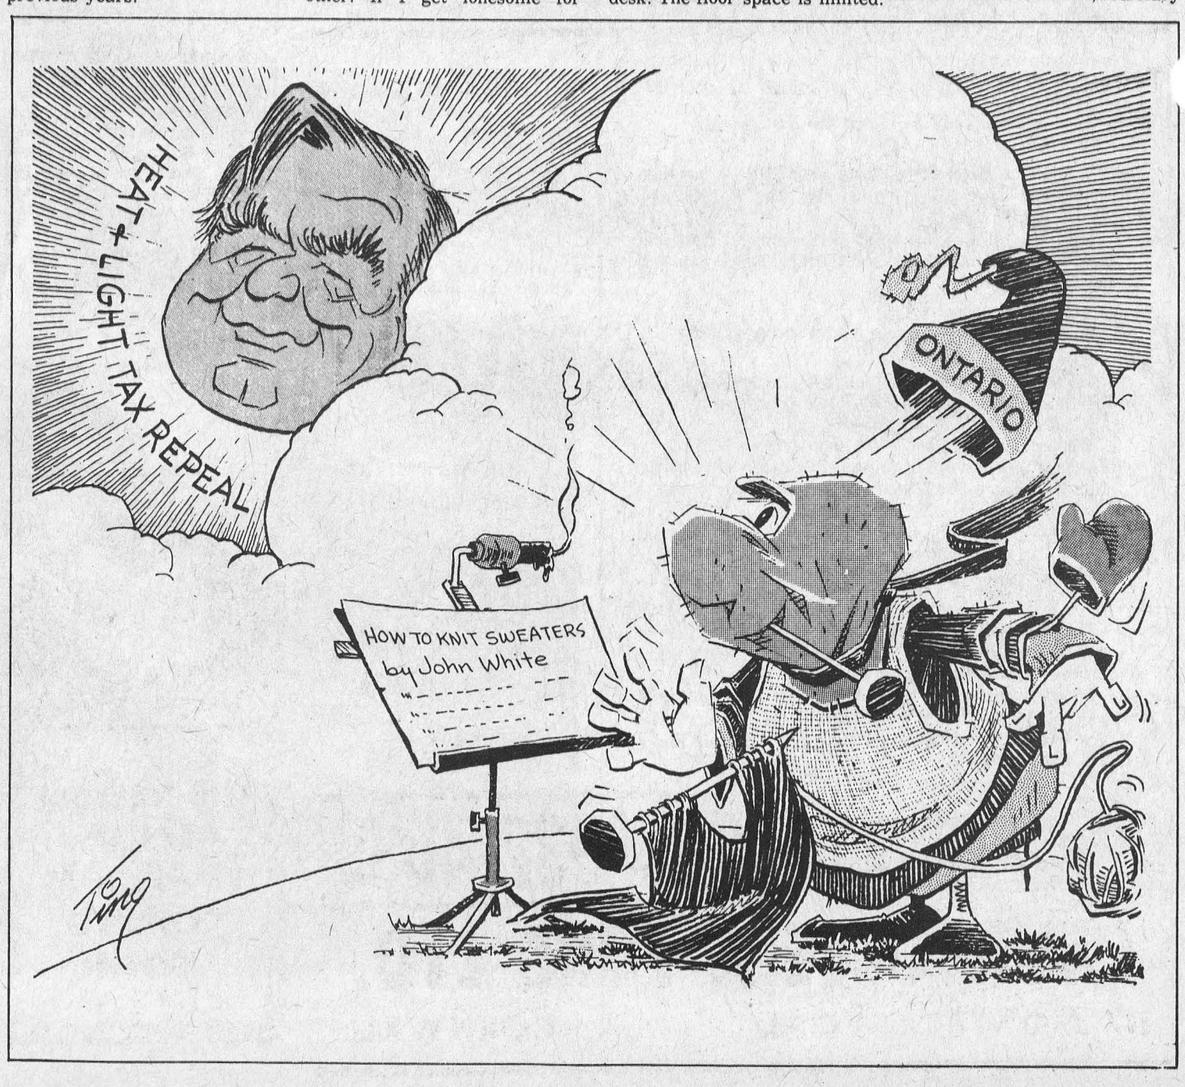
Berwick, Ontario,
April 26, 1973.

The Chesterville Record,
Chesterville, Ontario.

Dear Sirs:

On behalf of the North Stormont Bowling League I would like to thank you for publishing our news all season.

Yours truly
Jean Moran, secretary



50th Wedding Anniversary celebrated by local couple

A supper was given in Lunenburg Church Hall in honour of Mr and Mrs Arnold Crites on the occasion of their 50th Wedding Anniversary on April 9, 1973, by their family, catered to by the U.C.W. of Lunenburg.

Mr and Mrs Crites, well-known residents of Lunenburg were married at the bride's home at Aultsville, Ontario, by Rev. A. W. Stewart, April 9, 1923.

After farming for a number of years in Farran's Point, they moved to Lunenburg in 1942 where Mr Crites was a C.N.R. employee for 25 years.

They have 3 children: Mildred, (Mrs Antoine Fourney), Williamstown, Ontario; Frank Crites, Ingleside, Ontario; Ruth (Mrs Albert Shaver), Cornwall, Ontario; and twelve grandchildren and one great grandchild.

Among honours received by Mr and Mrs Crites were a plaque presented on behalf of the Government of Ontario, from the Honourable Fern Guindon, Minister of Labour.

Telegrams on behalf of the Governor-General Mr Michener and Mrs Michener, also letters of congratulations from William Davis, Premier of Ontario and the Honourable Fern Guindon and Mrs Guindon, were received.

They received gifts from the family, an oil painting and gifts from the community.

Many lovely gifts, cards, flowers and letters from friends and relatives including a message from West Germany.

Out-of-town guests attending the occasion were from Saskatchewan, Brockville, Morrisburg, Jasper, Maxville, Cornwall, Finch, Long Sault, and surrounding district.

4-H ACHIEVEMENT DAY

Spring Fashion '73

Spring Fashion '73 was the predominant theme at the Dundas East 4-H Homemaking Club Achievement Day, held on April 28 in Chesterville. Garments made by each member during the project, "The Jacket Dress," were modelled by the girls at the afternoon program. A large number of guests were present.

Morewood I and II Clubs combined to present their fashion show, "Think Spring." Judy Crump was commentator. Sharon Hutchinson commented on dresses worn by Winchester No. 2 members as they walked through a flower decorated arbor.

Four clubs presented exhibits on topics discussed during the project. Linda Holmes, Winchester No. 3, spoke on "Sewing With Man-Made Fibres." For Chesterville Club, Shauna Ferguson spoke on "From Fibre to Fabric," describing the processing of cotton. Fay Symonds, Elma Club, presented "Fibres: Natural vs. Man-Made." "Sew to Save" was the topic given by Francine Van Hoof of Williamsburg Club. These clubs also modelled their garments.

Greetings were extended to the girls and guests by Mrs Alfred Carkner, president of Dundas District Women's Institutes. Five awards were presented by Miss Lorraine Holding, Home Economist. For completion of six 4-H Homemaking Clubs, County Honours pins and certificates were presented to Laura and Linda Holmes, Beth McIntosh, and Laurie McIntosh, all of Williamsburg Club. Linda Holmes of Winchester No. 3 Club received Provincial Honours for completing twelve projects.

During the morning, the 4-H members judged a class of dresses for general appearance, workmanship and suitability of materials. They also answered quizes on the manufacturing of

(continued on page 6)

Miss Nettie Henderson

Relatives and friends throughout the area were saddened by the announcement of the sudden death of Miss Nettie Henderson who passed away in the Cornwall General Hospital last Tuesday, April 17. She was in her 78th year.

A native of Mille Roches, Miss Henderson had for some time resided with Mr and Mrs Gordon Robertson, 1125 Second Street West.

Born on July 29, 1895, Miss Henderson was a daughter of the late James Henderson and his wife Wilda Warner. She was the last surviving member of her family, having been predeceased by two brothers, David and Bert and one sister, Wilda.

Miss Henderson was for 32 years an employee of the Provincial Paper Mill at Milles Roches. Actively involved in all community activities for many years, she was a member of the Mille Roches United Church and more recently a member of Knox United Church, Cornwall.

The body rested at McArthur Bros. and MacNeil Funeral Home, Second Street East, Cornwall, where many relatives, old friends and neighbours paid their respects.

Rev. Robert Pentinga, minister of Knox United Church, conducted the funeral last Thursday.

Pall bearers were six grand nephews: David Wert, Toronto; John Conroy and Bill Henderson, Long Sault; Bruce and Bert Henderson, Avonmore; and Wayne Henderson, Richmond Hill.

Beautiful floral tributes surrounded the casket as silent tributes of the memory of the deceased.

Interment took place in the family plot in St. Lawrence Valley Union Cemetery.

Mainly About People

Mrs M. MacIntyre, Finch, returned home after spending the winter months in Southern California visiting Mr and Mrs L. R. Acreman and girls.

Mr and Mrs Wilburn York attended the 55th wedding anniversary party in honour of Mr and Mrs Harold Baker, Mariatown on Saturday, April 21.

A Bad Break for Babies

Babies who are born undersized and underweight can be off to a bad start.

A follow-up study of 17,000 British children who were born in the same week showed that newborns who were "small for date" had more educational and behavioral problems in later life compared with those of normal birth weight. At age 7, youngsters who were undersized infants had poorer social adjustments in the family and school.

Dr. Nevil Butler of the University of Bristol is now completing further followups on these 17,000 youngsters at age 11.

According to Dr. Butler, one of the major factors influencing the size of the newborn was cigarette smoking by the pregnant women. The crucial period in the pregnancy was the last five months. There was no difference in low-weight babies and stillbirths between women who did not smoke and women who smoked for the first four months. However, if women continued smoking for the last five months there was a significant difference in the number of undersized infants as well as babies born dead.

Recent experiments with pregnants rats have also shown that fetuses removed from mother rats who were exposed to cigarette smoke were not only undersized but had smaller brains. Though the human brains were not measured in the Butler research, one of the characteristics of a "small for date" baby is a head circumference of below normal size. Another characteristic of small infants is a high rate of oxygen consumption for body weight.

To find out more about the dangers of cigarette smoking during pregnancy, contact your local tuberculosis and respiratory disease association. It's a matter of life and breath.

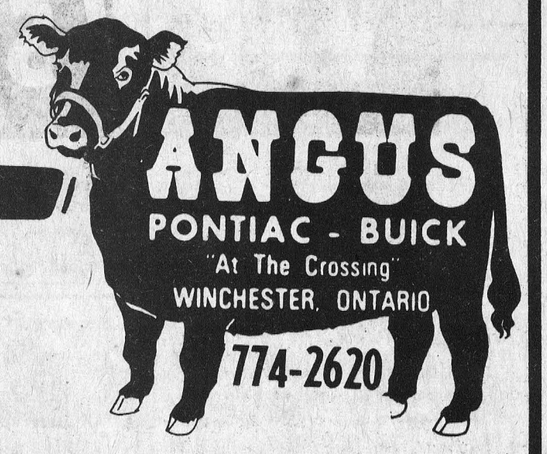
SPRING Clean-Up SALE



Sales over the past two months have exceeded our WILDEST expectations, and because of this sales volume, our reconditioning of used cars has fallen behind. So, if we haven't the time to repair them we felt that some people handy with a wrench might be interested in buying a BASICALLY SOUND CAR and repairing it themselves.

After All . . .

Doesn't everyone like to save money?

Just Look At These Bargains!

1965 Buick LeSabre, 4-door Hardtop
V-8, radio, automatic transmission, fully powered. The real buy for the man handy with tools. Stock No. 1605A.
As Is. Only $245.00

1972 Suzuki 3-Cyl. Motorbike
Only 2,000 miles. Worth much more, but since motorcycles aren't our bag, we're letting it go. Stock No. 8059-O.
Only $945.00

1968 Impala 4-Door Sedan
V-8, radio, automatic transmission, good body and Turquoise paint. We'll give you a list of the minor things required to make it 100%. Stock No. 8070B2.
As Is. Only $945.00

1966 Ford 4-Door Sedan
V-8, radio, automatic transmission. An ideal second car, good body and paint, needs only minor repairs. Copper and Black paint. Stock 8027A.
As Is. Only $295.00

1970 Austin 1800
Mark II 4-door. New block 2,000 miles ago. Rust free, good body and paint, 4-speed transmission, radio, front-wheel drive, very little work required on this one. Stock No. 8095A.
As Is. Only $795.00

1965 Ford ¾ Ton Pickup
Six cylinder, standard transmission. Won't win any beauty contest but an ideal unit for heavy work on a farm or construction site. Stock No. 9026B
As Is. Only $345.00

1966 Volks. Stationwagon
Requires a few body repairs and minor mechanical work to go several more thousand miles. Perfect for that second car for shopping or travelling. True economy in price and performance. Stock No. 9079A
As Is. Only $325.00

1968 Dodge Monaco
Two-door hardtop, V-8, radio, automatic transmission, power steering and brakes, vinyl roof. With a little work good for many more miles. Red and white in colour. Stock 1980C.
As Is. Only $695.00

1969 GMC ½ Ton
Custom cab, V-8, automatic transmission, radio. The only work required is mechanical. No body or paint work needed to make this little pickup an ideal week-end vehicle. Stock No. 8016A.
As Is. Only $1295.00

1969 Oldsmobile Toronado Two-Door Hardtop

ANGUS BUICK PONTIAC where you never get a bum steer

KITCHEN CORNER

COOKING WITH HOLLAND IMPORTED CHEESE
Try Something Different For A Change

Golden Gouda Muffins

1 cup all purpose flour
1 tsp. salt
3 tsp. baking powder
3 tbsp. sugar
1 cup cornmeal
1 cup shredded, imported gouda cheese
1 egg
1 cup milk
2 tbsp. melted butter or margarine

Preheat oven to 400 degrees F. Sift together salt, flour, baking powder and sugar. Stir in cornmeal and cheese. Beat egg slightly and combine with milk and margarine. Pour into greased muffin tins. Bake for 25 minutes. Makes 12 muffins.

Dutch cheese and Potato Supper

An inexpensive supper dish, this reheats well and is filling, tasty and nutritious. Served with green salad, it forms a complete meal, and is an ideal family dish.

2 tbsp. butter
1 med. onion, chopped
2 tbsp. flour
½ tsp. salt
⅛ tsp. pepper
1 cup milk
6 medium potatoes, peeled and grated
1 cup shredded Edam or Gouda cheese

Preheat oven to 350 degrees. Grease a 1½ or 2 quart baking dish. In saucepan melt butter. Saute onion until transparent. Blend in flour, salt and pepper. Add milk all at once. Cook, stirring constantly until mixture thickens. Mix together shredded cheese, grated potatoes and sauce. Pour into greased baking dish. Bake for 1 hour. Makes 6-8 servings.

Spring Patty Bowl

These decorative and delicious party dips are ideal with crisp vegetables pieces, or crackers and bread rounds.

1 10 oz. Baby Gouda
½ cup sour cream
½ cup chili sauce
½ lb. butter in cubes

Cut a circle from top of the baby Gouda. Scoop out cheese, leaving a ¼-inch thick shell. Combine cheese, sour cream, chili sauce and butter in blender in high speed until smooth. Refill cheese shell with the creamy mixture. Chill. To serve, surround with a garland of crisp cauliflower slices, carrot sticks and green pepper crescents on a bed of leafy green lettuce. The vegetable pieces are to be dipped.

Variation: to serve with crisp crackers or rye bread rounds Blend imported cheese from shell with

½ cup beer
1-3 lb. butter in cubes
½ tsp. hot prepared mustard
2 tsp. grated onion

Mound creamy mixture into Holland Gouda shell as above.

4-H Homemaking Clubs hold Spring Achievement Day

Chesterville 4-H Leader, Mrs Phil Westbrook, left, discusses their club display with Shawna Ferguson, while Karen Mackler and Sheila Edwards, extreme right, get some tips on weaving from club assistant leader Mrs Edwin Forward. — Staff Photo.

Morewood 4-H girls presented a fashion show at the Spring Achievement Day held in the Chesterville Community Hall last Saturday afternoon. The girls displayed their dressmaking talents by modelling their new spring outfits. Pictured above from left to right, front row, Judy Crump Connie Crump, Dauna Vivian; Second row, Cathy Shane, Cheryl Godard, Mary McLaughlin, Corrine Hodson; Back row, Jean Sirvage, Debbie Shane, Marlene McMahon, Holly Carruthers, Brenda Como, Linda Como, Gertrude Van Gurp, Carolyn Shane, Helena Tesselaar. — Staff Photo.

Home Cooking Sale Successful

AVONMORE — A very successful Home Cooking Sale, Novelty Table and Tea was held on Wednesday night in the Sunday School Room of St. Andrew's Presbyterian Church.

Mrs Morris of Metcalfe gave an interesting talk on rug making and said this art had begun many years ago. Many beautiful rugs and pictures were displayed on the walls of the Sunday School Room and some of these were made by Avonmore ladies who attended Mrs Morris's classes in Winchester and Avonmore.

She was introduced by Mrs Garnet Robertson and thanked by Mrs Calvin Grant and presented with a gift.

Guests attended from St. James United Church, Avonmore, Monkland, Moose Creek, Finch, and Northfield.

Tea, coffee and lunch was served and brought a very profitable evening to a close.

SOUTH MOUNTAIN

Spends few days visiting reletives

Mrs Neil Doyle spent a few days this week with her sister, Mary Ann Mulloy, who has been ill and her brother Lorne of Inkerman.

Mr and Mrs Laird Weagant and baby of Waterloo spent the Easter week with the former's parents, Mr and Mrs Fred Weagant before moving to their new home in Kitchener, Ontario. We all wish them well.

Mr. Keith Francis of Stoney Creek had Easter Sunday dinner with his parents Mr and Mrs Edmund Francis.

Sorry to hear that Mr Chris Forrester was taken to Kemptville District Hospital on Tuesday of last week. We all hope he will be out soon and feeling better.

Mr and Mrs Ernest Sommerville of Groveton called on Mr and Mrs Edmund Francis on Sunday afternoon.

The sympathy of this community is extended to the family, relatives and friends of the late Mrs J. Lennen of Hyndman who passed away in Kemptville District Hospital on Saturday last. Her body rested at the Armstong Weagant Funeral Home until Monday when the funeral was held at 2 p.m.

The sale held on Wednesday afternoon of Mr and Mrs John Albers was well attended. We are sorry to lose Mr and Mrs Albers and their family who are moving to Nova Scotia.

Mrs John Johnston spent Thursday in Chesterville and Kemptville and called on Mr and Mrs Boyd Fraser for a short time. Mrs Fraser is a patient in hospital and we wish her a speedy recovery.

Mainly About People

Evaleen Hehir and Bruce Rae were in Saratoga Springs, N.Y., attending the funeral of Mrs Anthony Botello. Harry allis drove them there.

Evaleen Hehir and Bruce Ra were in Morrisburg on sunday evening and also visited in Newington with Mrs Laura Ostler and Mrs McCaw.

THE STORMONT, DUNDAS AND GLENGARRY COUNTY BOARD OF EDUCATION

Registration of BEGINNERS

MONDAY, MAY 7TH

FROM 1:30 P.M. TO 4:00 P.M.

Area 3
Glengarry County and Finch and Roxborough Townships of Stormont County

BEGINNERS ELIGIBLE TO ATTEND GRADE 1, may register in the school serving their area.

To enter Grade 1 in September, 1973, a child must be six years of age on or before December 31, 1973.

REGISTRATION FOR KINDERGARTEN CHILDREN will take place at the following schools —

WILLIAMSTOWN PUBLIC SCHOOL — for students of Williamstown, Lancaster Village and Lancaster Township attendance areas.

To be eligible to attend Kindergarten in September, 1973 a child must be five years of age on or before December 31, 1973.

Parents will have an opportunity to enroll Kindergarten students in a French Immersion Programme in addition to the regular English Kindergarten programme.
The following information will be required for registration:

a) Yours child's Birth Certificate
b) Your Lot and Concession Number or Street Address
c) Proof of Public school tax support
d) Your child's immunizatin record

Should you be unable to be present on the day of registration, kindly contact the Principal of the school concerned so that we will know how many children to expect in September.

L. F. LAWSON,
Superintendent, Area 3.

PROCLAMATION

VICTORIAN ORDER OF NURSES WEEK

April 29 - May 5, 1973

WHEREAS The Victorian Order of Nurses is this year celebrating the 75th Anniversary of the establishment of it's nursing care in the homes, beginning in 1898 when ateam of four nurses made the long and arduous trip to the klondike Gold Fields to care for the injured and disease-ridden men who searched for gold, and extending their services through the years to care for patients, as well as the aged and infirm in their homes, and

WHEREAS the Cornwall and District Branch of the Victorian Order of Nurses, established in 1913, is this year celebrating it's 60th Anniversary of service in this community.

THEREFORE, we the undersigned, by virtue of the powers vested in us do hereby proclaim Victorian Order of Nurses Week from April 29 to May 5, and call upon all citizens to lend their support to this organization.

Sgd. Gerard Massie,
Warden, United Counties of Stormont, Dundas and Glengarry

Sgd. Edward C. Lumley,
Mayor, City of Cornwall

Casselman - McMillan

AVONMORE — In a pretty ceremony in St. Andrew's Presbyterian Church, Avonmore. Miss Susan Leona McMillan, daughter of Mr and Mrs Doug McMillan, Newington, became the bride of Hubert M. Casselman, son of Mr and Mrs G. W. Casselman, Berwick. Rev. W. E. Sayers, M.A. minister of St. Andrew's Church, officiated.

Given in marriage by her father, the bride was charming in a traditional long sleeved chantilly lace, V neck princess style gown with a five tiered back bouffant skirt. Her mantilla chapel veil enhanced the complete bridal picture. The bride carried a cascading arrangement of red roses and white mums. She wore a pearl ring, belonging to her great grandmother Schorlemer.

The bridal attendants were Miss Janet Hutt, Moose Creek; the groom's sisters, Misses Maureen and Muriel Casselman, and the bride's sister, Miss Dianne McMillan. The groom's niece, Miss Kimberley Casselman, was flower girl. Their matching dacron voile gowns were resplendent with spring flowers in shades of rose with touches of turquoise, gold and white. The gowns were fashioned along empire lines with scooped neckline and gathered trains. Their colonial bouquets were composed of pink and blue tinted carnations.

The flower girl was dainty in a gown of white lace with pale blue lining. She carried a tiny bouquet of white carnations and red rosebuds.

Best man was Michael Casselman, Berwick. Ushers were Philip McMillan, Arden Robertson, Berwick; Michael McMillan and Robert McMillan, Newington; Terry Bender, Monkland, as ring bearer. All wore black evening tuxedos.

Mrs Neil M. Bush presided at the organ console. Leo O'Donohue was soloist. The setting was enhanced by baskets of pink and blue carnations with decorative bows marking the pews reserved for the guests.

The bride's mother chose a floor-length gown as did the groom's mother. Mrs McMillan's gown was of pale green chiffon with long sleeves and a full skirt. She wore a corsage of pale yellow roses. Mrs Casselman wore a pale yellow crepe gown with a yellow lace overcoat and long sleeves. She wore a rust colored rosebud corsage.

A sit-down supper for 200 guests was served at the Crysler Pavilion, Crysler. John Stevens, the groom's uncle, was master of ceremonies. Rev. Sayers gave the Grace and Alfred McMillan, Toronto, the bride's uncle, proposed the toast to the bride.

Later the happy young couple left on a wedding trip to Florida and the Southern States.

On their return Mr and Mrs Casselman will be taking up residence in Berwick.

Prior to the wedding the bride-elect was honoured at a well attended miscellaneous shower in Avonmore. Hostesses were Mrs Patricia McMillan, Janet Hutt, Margaret McNaughton, Maureen and Muriel Casselman and Sherry Ouderkirk. The young couple was also honored at a mixed stag in the Berwick Community Hall.

Interment took place in the family plot in St. Andrew's United Church Cemetery, Williamstown.

Relatives and friends attended the funeral from Calgary, Collingwood, Kingston, Maitland, Osgoode and surrounding communities.

Mrs. Norman Bethune

AVONMORE — Relatives and friends throughout the district were saddened by the announcement of the death of Mrs Norman Bethune who passed away in the Cornwall General Hospital on Tuesday, April 17, in her 92nd year.

A resident of the Martintown area for the past 22 years. Mrs Bethune, the former Sarah Ellen Bethune, was born at St. Anne de Prescott, Ontario, on September 14, 1881, the youngest child of the late Donald Bethune and his wife, Annie McCuaig. Educated locally she married Mr Bethune on February 20, 1907, and for the next 25 years they continued to reside in the St. Anne de Prescott area. for four years they lived at Finch before taking up residence in Martintown.

Since her husband's death on May 10, 1970, Mrs Bethune continued to reside in Martintown with her son, Clarence, spending considerable time with her daughter, Nora, Mrs Hector MacRae, in Avonmore.

Mrs Bethune was a member of St. Andrew's United Church, Martintown, and a life member of that church's Women's Missionary Society.

Left to mourn her passing are one daughter, Nora (Mrs Hector MacRae) Avonmore; five sons, Donald and Leonard, Kingston; Neil, Collingwood; Clarence, Martintown; and Elmer of Calgary, Alberta, who with his wife attended his mother's funeral. she also leaves eight grandchildren and five great grandchildren. Mrs Bethune was the last surviving member of a family of nine.

The body rested at McArthur Bros. and MacNeil Funeral Home, Cornwall, where many relatives, neighbours and friends called to pay their respects.

Rev. Kenneth H. McDonald, minister of St. Andrew's Presbyterian Church, Martintown, conducted the funeral service last Saturday afternoon.

Pall bearers were Douglas Bethune and Kenneth Bethune, grandsons; Gordon MacMillan, R. D. MacLeod, Clifford MacDonald and Michael Seguin.

A MESSAGE FROM THE OPP

Parents, Children, Bicycles

It has been found that one of the greatest hazards to safe cycling in Dundas County is that the bicycles are not in safe operating condition.

Throughout our schools, we convey the thought of becoming an expert, or a professional while riding a bicycle. Just as a professional in any sport would not think of participating in his profession before checking his equipment, the children are taught to examine their bicycles before riding them.

Many parents mistakenly purchase a bicycle with the idea that their child will grow into the bicycle. Although this may seem like a good idea at the time, stop and think of the possible consequences. The size of the bicycle affects your child's ability to reach and use the steering, pedalling and braking controls. If the bicycle's size hinders any of these controls, the result could be an accident causing serious injury or even death. Your child should be able to reach the ground comfortabley with the ball of his foot when he is sitting upright.

The mechanical condition of most bicycles leave an awful lot to be desired. In a recent rodeo held in our area three bicycles were found to have no brakes whatsoever. The method of stopping employed by these youngsters was dragging their feet, possibly with the hope that nothing would get in their way.

The following is a check list to assist you when examining your child's bike.

Lubrication: Front hub, head bearing, coaster brake and crank bearings need good multipurpose grease. Chain and pedals need good light machine oil.

Steering: Keep handlebars straight, tight and at the right height. Keep handlebar nuts tight. Make sure that the handle grips are snug.

Wheels: Check for bent or missing spokes. Keep axle nuts tight.

Tires: Check for cuts and bruises. Keep tire pressure up. Don't drive with bald tires. You'll have poor traction, slow stopping when you apply the brakes. Tire pressure guide 1¼" tires, 50-65 lbs.; 1⅜" tires, 40-60 lbs.; 1½" tires, 35-55 lbs.; 1¾" tires, 30-50 lbs.

Brakes: Keep them properly adjusted.

Chain: should be cleaned and oiled regularly. Check for weak links. Keep proper tension about ¾" up and down movement is correct.

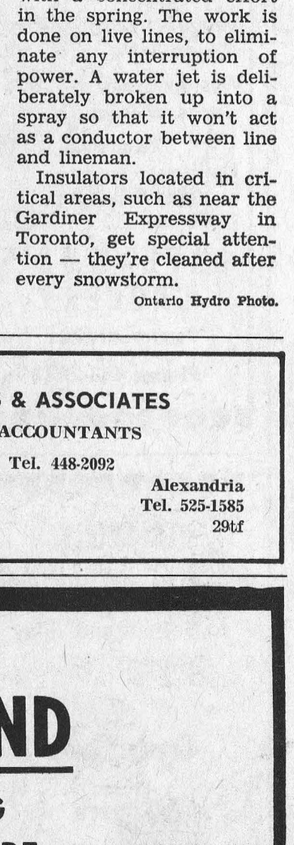
Bell: The law requires that you have a bell or horn in good working order.

Lights: If you are driving after dark, or at any time when due to insufficient light or unfavourable atmospheric conditions, persons and vehicles on the highway are not clearly discernable at a distance of 500 feet or less, you must have a white or amber light on the front of your bicycle, and a red reflector or light on the rear. You must also have red reflecting material at least 10" long, 1" wide on the back fender and white reflective material at least 10" long, 1" wide on the front forks.

It is kind of funny that people will spend a great deal of money on gadgets to enhance the look of a bike while these same people will not spend thirty-nine cents for reflective tape and a bell which are requred by law; funny but tragic.

It would be tragic to have a child lose his or her life because he or she lacked thirty-nine cents of tape on their bicycle.

As a parent you have a moral and legal obligation to ensure the safety of your child. Take time now to inspect your children's bicycles. Who knows - it may even save their life.



Spring Cleaning

Why do Ontario Hydro line crews spend hundreds of hours every year washing insulators?

Dust, road salt, and grime accumulate and can form an electrical path when dampened by fog or mist. Resulting high leakage current may start pole-top fires and black out local power supplies.

Most insulators in areas of high contamination are cleaned several times a year, with a concentrated effort in the spring. The work is done on live lines, to eliminate any interruption of power. A water jet is deliberately broken up into a spray so that it won't act as a conductor between line and lineman.

Insulators located in critical areas, such as near the Gardiner Expressway in Toronto, get special attention — they're cleaned after every snowstorm.

Back row, Bob McIntosh, coach; Kevin Osler, Kevin Wells, Peter MacIntosh, David Tait, Kevin MacIntosh, Paul Osler, coach. Kneeling at the front is stick boy Mark Guy.

CORRECTION

In a recent issue of your newspaper in an account from the April meeting of the Winchester District Memorial Hospital Women's Auxiliary, it was reported erroneously that "a group of ladies from Chesterville" turned over funds from a Women's Institute which no longer existed.

Three representatives from the former Crysler W.I. attended the meeting and contributed the sum of $121.00 to the Auxiliary Treasurer.

We are deeply indebted to the members of the former Crysler Women's Institute and we offer our apologies to both the Chesterville and Crysler Institutes.

BIRTH

DUNBAR — John A. and Christena (MacGregor), Finch happily announce the arrival of their 8 lb., 11 oz., daughter, Lorie Christene, at the Cornwall General Hospital, on Wednesday, April 25, 1973. A sister for Murray. 34-1

'4-D's' NEEDED

(continued from page 1)

affliation with hockey.

Mr Brown said he was not impressed with the 'slap shot', he felt its lack of accuracy made it only marginally effective.

The Montreal Canadians, whom the speaker feels will win the Stanley Cup, owe much of their prowess to long-time leader 'Toe' Blake, who stressed the basic fundamentals of hockey which included a good wrist shot.

The speaker stressed to the young audience the importance of getting their education first before turning to hockey. He cited the many players in the professional ranks today holding college degrees. The expansion has opened up many more possibilities today. A player can turn pro at age 22 or 23 and still become a star, he related.

The Osnabruck teams, who played out of Finch arena, were entered in the Finch-North Stormont League. Their Atoms, Bantams and Midgets all grabbed off top prizes. Team captains were presented with the appropriate trophies during the evening.

Minor Hockey in Osnabruck is under the direction of Association President John Cameron; secretary treasurer Mrs John Cameron. 1st vice Dalton Cleary; 2nd vice, Oscar Ouderkirk; and 3rd vice president Rae Shaver.

SPRING FASHION

(continued from page 3)

fabrics, sewing techniques, and care labelling symbols. Mrs Mary Hudson, Lyn, Ontario, assisted during the day as visiting Home Economist.

A sincere thank you is expressed to all leaders and assistants as well as sponsoring groups for their support of the 4-H Homemaking Club program. The fall project will be "Creative Block Printing" an interesting craft for all girls in the County. Prospective members must be 12 years old by September 1st, 1973.

THE ST. LAWRENCE PARKS COMMISSION

TENDER FOR PADDLE BOAT LIVERY

SEALED TENDERS, clearly marked on the outside as to contents, will be received at the Head Office of the Commission (P.O. Box 340, Morrisburg) until

5:00 P.M. D.S.T.

FRIDAY, 11 MAY, 1973

for the operation of a paddle boat livery at Mille Roches Park, for a three-year period commencing the 15th of June, 1973.

Interested parties may obtain further information on this subject by writing to the above address or by calling MORRISBURG 543-2951.

The highest or any tender will not necessarily be accepted. 34-1

Mainly About People

Mr and Mrs Cecil Carr spent ten days in Sherbrooke, P.Q., visiting Mr and Mrs Neil Nicoll and family.

Gordon McMillan and Beverley Gibbs of Finch and Mrs Ethel Ezard and Earl of Cornwall spent Sunday evening with Mr and Mrs Clarence Ezard of Ingleside.

Mr Dale Gibbs of Cornwall spent the weekend at his home in Finch.

Mrs Maude Ezard of Chesterville spent a few days with Mr and Mrs Victor Gibbs and family and Gordon of Finch during the loss of their daughter.

A crown fire is a fire which runs from tops of living trees or brush.

OPEN HOUSE — Mr and Mrs Stuart DeJong, near Dunbar, will welcome their neighbours and friends at their home on Sunday, May 6 from 10 o'clock in the evening as they celebrate their 25th anniversary. 34-1

IN MEMORIAM

IN MEMORIAM

In loving memory of a dear mother, Eliza Lillie who passed away January 7, 1964, and dear father Simon E. Ouderkirk, who passed April 29, 1972.
God Knew the road was getting rough
The hills were hard to climb
So He closed your weary eyelids
And whispered "Peace be thine."
Lovingly remembered by the Family 34-1

IN MEMORIAM

FERGUSON — In loving memory of a dear daughter and sister, Linda, who passed away April 24, 1971, age 17 years.
Though the tears in our eyes do not glisten,
And our faces are not always sad,
There is never a night or a morning,
But we think of the loved one we had,
Not a day do we ever forget you,
In our hearts you are always here,
For we loved you Linda and miss you
As ends the second long year.
Loved and sadly missed by Mother, Dad, Earle and Karen 34

IN MEMORIAM

In fond and loving memory of a dear wife, mother, and grandmother, Minnie G. Shaw, who passed away May 8th, 1970.
As time unfolds another year,
Memories keep you ever near
Silent thoughts of times together
Hold memories that will last forever.
Husband Dalton and family 34-1

IN MEMORIAM

McNAUGHTON — In loving memory of a dear father, Donald Patrick, who passed April 28, 1942.
Precious forever our memories of you
Today, tomorrow, and all life through
Wherever we go, whatever we do
We shall always love and remember you.
Dorothy, Alice, Margaret, Kaye and Pat 34

CARDS OF THANKS

CARD OF THANKS

I would like to thank everyone who sent me flowers, gifts, and cards while I was a patient in Winchester District Memorial Hospital. Special thanks to Dr. H. W. Justus, all of the staff on second floor and to everyone who came to see me.
Mrs Judy Hutt 34

CARD OF THANKS

I would like to thank everyone who sent flowers, gifts and cards while I was a patient on second floor of Winchester District Memorial Hospital. My thanks to Dr. H. W. Justus and the staff on second floor and to everyone who called on me.
Zeta Godard

CARD OF THANKS

We would like to express our sincere thanks to our relatives, friends and neighbours who called on us and for the flowers, gifts, cards, and messages which we received on the occasion of our fifty-fifth wedding anniversary and also a special thanks to our family.
Mr and Mrs Harold Baker 34

CARD OF THANKS

I wish to express my sincere thanks to my friends, relatives and neighbours for their cards, visits and flowers while I was a patient in Cornwall General Hospital. Thanks to Rev. C. E. Burtch, also Dr. McPhee and to the nursing staff on 2nd Floor South. Special thanks to those who supplied transportation for my wife to visit me in the hospital. Your kindness will long be remembered.
Merrit Campbell, Finch

CARD OF THANKS

We would like to express our sincere thanks to the Chesterville Fire Brigade and anyone who helped in any way to save our buildings.
Erwin and Ella Merkley

CARD OF THANKS

I wish to extend my sincere thanks to friends, relatives and neighbours for cards, gifts and visits while I was a patient in Winchester Memorial Hospital. Special thanks to Rev. Harold Giffin, Dr. Domanko, nurses and staff on 2nd floor.
Greta Burton

CARD OF THANKS

I wish to say a sincere thank you to everyone who remembered me with cards, visits and treats while I was a patient in Cornwall General Hospital. Thanks to Rev. Giffin, Dr. Morris and nurses and staff on Second Floor. Special thanks to those who provided transportation for my wife.
Earl Bowman 34-1

CARD OF THANKS

I wish to express my heartfelt thanks for many acts of kindness, cards, letters, words of sympathy, food, shelter, clothing, bedding, furniture, and such a vast amount of money; to those who moved my belongings; to Cliff Rombough, Ernie Gillard, the Newington and Ingleside Fire Departments and all who assisted them in extinguishing my fire; to Aberdeen Lodge No. 302, Ingleside, Mrs Sterling Eamer, Lunenburg Women's Institute and all who made the party for me such a memorable occasion.
Irvine Mattice 34-2

CARD OF THANKS

I would like to thank my friends and relatives for the cards and gifts sent to me while a patient in Hotel Dieu Hospital, Kingston.
Erma Moore 34-1

CARD OF THANKS

We would like to thank our friends and relatives for their cards and visits during our stay in hospital. Special thanks to Dr. Howard Justus and the nurses in Maternity ward.
Betty and Greg Thompson 34

Awards Highlight Community League Bowling Banquet

Harold Armstrong on the left, accepts the Wiseman and Thompson League Championship Trophy, presented on behalf of the company by Bill Wiseman. Next to Mr Wiseman are team members Barbara Kelly, Gail Parker, Wilda Barkley, Lyle Munro and Gordon Merkley. — Staff Photo.

Two members of the Community Bowling League copped House League Trophies presented by Monast Lanes. Harold Armstrong, on the left, won the prize for high single with his 385. Gordon McLaughlin grabbed the high triple trophy by rolling an 875 triple. Peter Monast, on behalf of the Lanes presented the trophies. — Staff Photo.

Pictured at the left, Harold Armstrong had the honour of presenting the Clement Feed Play-off Championship Trophy. From the left, team captain, Lorne Byers, Harold, Shirley Munro, Louise Droppo, Doug Durant, and Ed Munro. — Staff Photo.

Pictured at right — Individual winners in league play: front row from the left, Joyce Armstrong, High Single, 352; Shirley Munro, High Triple, 795; Edyth Cameron, High Average, 217. Back row, Tommy Parker, High Single, 338; Gordon McLaughlin, High Triple, 875; Harold Armstrong, High average, 238. — Staff Photo.

FARM NEWS

HOW TO MAKE GOOD HAYLAGE

1. When to Cut:
Alfalfa - cut at very first flower or late bud stage of maturity. It's easier to preserve, packs better and has better fermentation at this stage than does mature full-bloom alfalfa.
Grasses - cut just when the heads are starting to emerge.
2. Condition with a crusher or crimper:
It gives quicker wilting, less leaf loss, more uniform drying and there is less chance of over-drying fine leaves.
3. Moisture level for Haylage:
Wilt hay crop material in the field to a moisture range of 55 to 65 percentage. In this moisture range, fermentation of material is satisfactory for proper preservation but without excessive breakdown of protein to ammonia. If the hay crop silage is stored in a conventional silo at less than 50 percent moisture, there is some risk of overheating which could decrease the digestible protein. This causes charring of the haylage which results because it is difficult to exclude the air from the silo in this drier haylage. Field losses may also be high when the moisture level of the haylage is below 50 percent.

Moisture content of the forage put into the bottom of the silo may be lower than that put in at the top.
For sealed silos, manufacturers recommend that the forage be stored at 40 to 50 percent moisture. Chopping can start when the moisture level is 50 percent and should be finished when the moisture content is no lower than 30 percent.
4. Chop finely:
As short as possible using sharp knives on the forage harvester. Use a ¼ to ⅜ inch theoretical cut.
Most of the material should be under 1" in length.
Stems 4" to 6" long don't pack very well.
Short chopping is necessary for good packing and air exclusion.
5. Silos:
Use only tight crack free silos with well sealed doors. Horizontal silos work well where relatively large amounts of silage are being stored and used, and when the seal can be made complete.
6. Cover Wagons:
Use partially screened or covered trucks or wagons to reduce leaf loss and loss due to wind. The cover should have perforations or mesh-type openings to allow air to escape with out excessive loss of the fine material.
7. Fill Rapidly:
Moldy silage is caused by air (oxygen) being present. Fast filling drives out air and aids packing. fill some every day if possible. Delays of over one day demand provision for some top seal.
8. Distribute Material:
This is important in conventional silos. A mechanical distributor in the silo with good distribution to the edges is preferred while directing silage to the center of the silo with periodic leveling is also satisfactory. Mechanical distributors aid packing and prevent separation of the material in the silo.
9. Seal the Silage:
Use a plastic cap or a 2 or 3 foot layer of wet forage to help weigh down the silage mass and keep air out.

Feeding of Haylage

If haylage is to be fed as the sole or main forage, it is wise to have a feed analysis conducted on it. Then these results can be a guide as to the type of grain mixture that should be fed with the haylage to make a balanced ration.
Following are examples of how haylage can be fed.
Haylage No. 1: 40 percent Dry Matter
10 percent crude protein (dry basis)
4.0 percent crude protein (as-fed basis)
Suggested grain ration
17 to 18 percent crude protein
70 percent + TDN (energy)
Haylage No. 2
40 percent Dry Matter
13 percent crude protein (dry basis)
5.2 percent crude protein (as fed basis)
Suggested grain ration
14 to 15 percent crude protein
70 percent + TDN (energy)
Haylage No. 3
40 percent Dry Matter
16 percent crude protein (dry basis)
6.4 percent crude protein (as fed basis)
Suggested grain ration
11 to 13 percent crude protein
70 percent + TDN (energy)
Cows producing over 60 lbs. of milk per day should be fed extra protein supplement.

Dutch elm disease was found in Nova Scotia for the first time in 1969.

NOTICE

April 12, 1973

Dear Parents:

A crucial issue facing today's education system is the unpredictable trends of a fast and ever-changing society; the adult of tomorrow will in his lifetime, be expected to fill a multitude of social roles, probably hold many jobs, and live in many different places; in other words, live in a world entirely different from any known today.

With this thought in mind, The Stormont, Dundas and Glengarry County Board of Education is deeply interested in and committed to updating present programmes as well as implementing new programmes to adequately prepare young people to the challenge of their future role.

In keeping with this policy, the Board of Education wishes to open a new educational avenue to the youngsters whose education you have entrusted to us - the avenue to English-French bilingualism. Large metropolitan areas like Toronto, Montreal, and our national capital have, for a number of years, promoted a similar programme. Because of the proximity of this area to these centers it is most fitting and long overdue that equal opportunities be made available to those students and their parents desirous of developing mastery of French as a second language.

Educational research ffrom many renowned educators has proved that the younger the mind, the more receptive it is to the concepts of second-language learning. Research has also proved that intellectual ability and the learning of a second language are not necessarily interdependent, and that the transfer of knowledge and skills across languages contributes to the intellectual development of the young learner.

1. THE FRENCH IMMERSION PROGRAMME KINDERGARTEN LEVEL

Effective September, 1973, a French Immersion Programme at the Kindergarten level, will be offered where feasible on an optional basis. Let us assure you that, within this scheme, a resolution has been approved to the effect "that parents and educators involved recognize that a child may be withdrawn from the programme should the need arise".

May we also point out that the French Immersion Programme at the Kindergarten level will be in addition to the regular English programme presently offered, and not in place of that programme. In this way the child will be adequately prepared for the regular Grade 1 programme.
We can derive then that no teaching positions at the Kindergarten level will become redundant.
In light of the success met to date in those areas referred to above, you will undoubtedly welcome the opportunity for your child to take advantage of similar programmes. We wish to reassure you that we will not hesitate to advise you to withdraw him (her) from the course should it prove mentally and socially advisable to do so.

2. THE 80 MINUTE DAILY FRENCH PROGRAMME GRADES 1 AND 2

Second in priority to the Immersion Programme in French at the Kindergarten level, and subject to the feasibility of obtaining a sufficient number of qualified teachers. It is the wish of the Board of Education to implement as early as September, 1973, a French programme for a maximum of 80 minutes per day, at the Grade 1 & 2 levels. Though the existing 20-minute programme from Grade 3 to Grade 8 adequately prepares the students upon entering secondary school, it is not sufficient to develop a reasonable mastery of the French language in terms of a 'working language' in the business, trade and professional world.

The second level of ability in English-French bilingualism can only be achieved through a more intensive programme similar to the one we propose.

3. PILOT PROJECT - FRENCH IMMERSION PROGRAMME - GRADE 7 AND 8 LEVELS

Third in priority is the implementation of a French Immersion Programme at the Grade 7 and 8 levels as a pilot project in each of the Three United Counties under the jurisdiction of the Stormont, Dundas and Glengarry County Board of Education. This programme is indeed subject to the interest shown by students and their parents and the availability of qualified personnel.

4. ENGLISH-FRENCH BILINGUALISM

To this day, French as a subject of study on the elementary and secondary school curricula has been essentially an academic subject. Experience has proved to us that unless the students have the opportunity to speak the language amongst their peers, or at home, they regard as unlikely any practical application of their knowledge of French.

Our aim and objective is to develop two levels of functional English-French bilingualism:
Dr. Stern, of the Modern Language Centre, Ontario Institute for Studies in Education, qualifies these two levels in these terms:

a) High level of functional bilingualism
i) they can meet with ease all day-to-day needs of intercommunication
ii) they can accept professional training in either language
iii) They can accept employment without handicap, in either language
iv) they can live in either speech community and adjust to it without any special linguistic or cultural difficulty

b) Second level of bilingualism
i) the capacity to read newspapers and other informative writing
ii) the capacity to follow without difficulty programmes on radio and television
iii) the capacity to accept training or employment in the second language, or live in the other language community
iv) the capacity to participate, through the use of both the first and second languages, in interpersonal contact, and
v) the capacity to understand the thoughts and feelings of the other language community and to share a certain level of information with the other language group

As committees of parents would undoubtedly appreciate receiving additional information as to various aspects of the programmes included above, the writer together with the Area Superintendent are planning to hold a series of meetings in the various areas as indicated below:

	Place	Date & Time
Area 1	Winchester Public School	Monday, May 7, 1973 8:00 p.m.
	Morrisburg Public School	Wednesday, May 9, 1973 8:00 p.m.
	Note: At Winchester Public School for parents of Mountian and Winchester Districts.	
	At Morrisburg Public School for parents of Matida and Williamsburg Townships.

Ingleside W.I holds annual meeting

Mrs. Clarence Meyers named President

INGLESIDE — Ingleside Women's Institute held their annual meeting recently. Those to serve in an official capacity for the next year were named as follows:

Past president, Mrs Stuart Markell; president, Mrs Clarence Meyers; 1st vice president, Mrs Gregor Williamson; 2nd vice president, Mrs John Shultz; PRO and press reporter, Mrs John Shultz; District Director, Mrs Robert Trimble; Alternate, Mrs Stuart Markell.

Branch Directors, Mrs Ray Dixon, Mrs Harold Shaver, Mrs Clair Walsh; Pianist, Mrs W. A. McMillan; Tweedsmuir Curator, Mrs Frank McAndrews; Benevolent Convenor, Mrs W. A. McMillan; Auditors, Mrs Ivy Corlyon, Mrs John Schultz.

Convenors of Standing Committees - Agriculture and Canadian Industries, Mrs Roy Lette, Mrs Harold Rowden; Citizenship and World Affairs, Mrs Clair Walsh; Education and Cultural Activities, Mrs Strart Markell; Family and Consumer Affairs, Mrs Ray Dixon, Mrs Rheal Meilleur; Resolutions, Mrs Robert Trimble; Canadian Save The Children, Mrs Harold Corlyon.

Mrs Robert Trimble presided for the election.

The Nominating committee was made up of three branch directors. Roports of the officers and convenors were read.

Renewal to the following organizations was made: The Consumers' Association of Canada; the S.D.&G. Historical Society and the Associated Countrywomen.

Mrs W. A. McMillan reported on the St. Patricks Day Cheer Boxes for shut-ins and announced that the May meeting of the Senior Citizens will be held in St. Matthew's Church Hall. Mrs McMillan pointed out that new members are welcome to join the Senior Citizens group.

Mrs Harold Corlyon distributed wool to be knit into toques, mittens, scarves and sweaters for "Can Save."

The fall 4-H project will be 'Block Printing.' A letter from the Provincial president highlighted the bus trips to the Erland Lee Homestead.

Letters of appreciation will be sent to the Hon. Lucien Lamoureux and Father Kent Doe for the LIP 'Fish Project.' It is hoped that it will continue.

Awards for the year's perfect attendance were won by the president, secretary and Mrs Mary Dafoe. Mrs Ray Dixon won the lucky draw.

Lunch was convened by Mrs Clarence Meyers and Mrs Stuart Markell.

By the smile on Sherry's face she's likely talking about that new white Mustang she gets to drive. — Staff Photo.

Fertilizer News
NUTRITE

Get pollution off your chest.

Ontario is a fast-growing province—more people, more vehicles, more factories, more machines every day.

With that growth comes the threat of damage to our environment. Pollution of all kinds.

The Ministry of the Environment is Ontario's guardian of our air and land and water.

Here's who we are and what we do:

Air Pollution.

1. We monitor the air for pollution and order corrections if unacceptable levels occur.
2. We track down strange odours in the air and many things you can't smell and eliminate them if they are dangerous.
3. We investigate suspected air pollution injury to people or property.
4. We are responsible for noise pollution and are creating enforceable noise control measures.

Land Pollution.

1. We deal with all the leftovers of our affluent society—the industrial waste, processed organic wastes, and ordinary garbage. And regulate its transportation and disposal.
2. We study recycling as an aid to reducing quantities of waste and to avoid depletion of our natural resources.
3. We control the use and application of pesticides which are unacceptable for pollution reasons.

Water Pollution.

1. We protect all of Ontario's water sources from pollution.
2. We develop and control surface and ground water resources.
3. We watch all potential sources of industrial and agricultural water pollution.
4. We plan, build and finance modern sewage and waterworks facilities for Ontario municipalities.
5. We supervise all private waste disposal systems.

Ontario has some of the most comprehensive legislation in North America to protect our environment. But it will take the effort of everyone to solve our pollution problems.

Won't you help?

ENVIRONMENT ONTARIO
Ontario Ministry of the Environment.
Hon. James A. C. Auld, Minister. Everett Biggs, Deputy Minister.

If you need our help, or you'd like to get a pollution problem off your chest, here's who you call:

Plan for higher yields

— This year, program for higher yields with Nutrite premium 5 Star and 3 Star fertilizers. These formulas contain sulphur and boron in addition to NPK. Added sulphur and boron are essential to high yields in Eastern Ontario.

— Nutrite's efficient, modern blending equipment at Chesterville means faster, more convenient bulk and bag service.

— Both locations carry a complete line of Nutrite fertilizers and Liquid Nitrogen. Spreaders available. Insecticides, herbicides and spryer parts stocked.

— Call Nutrite for free advice on your fertility program. Soil testing and tissue analysis availble if needed.

Ottawa's 3,000,000 Tulips Colorful Reason For Two-week Festival

Nowhere in North America does spring make so dramatic an entrance as in Ottawa, Canada's capital.

This joyful season bursts upon the capital each mid-May with an incredible display of tulips, 3,000,000 strong, and Ottawans have fashioned two weeks of celebrations and merry-making around the annual appearance of the tulips. This year, the Canadian Tulip Festival will run from May 18 - June 2 in the Canadian capital - a festival which encompasses everything from automobile rallies to ethnic folk dancing to world-famous performers in the city's widely-acclaimed National Arts Centre.

Aided and abetted by the fact that everything belonging to Mother Nature is bursting forth in springtime profusion, the tulips move front and centre in the Ottawa area, attracting thousands and thousands of out-of-town visitors who join the 500,000 residents of the area in marvelling at the sea of color.

They are North America's largest display of tulips, and they line the city's ever-beautiful driveways, the Rideau Canal, and Dow's Lake in the heart of town. The bed at Dow's Lake is a focal point - more than 150,000 tulips of every imaginable color dazzle onlookers with their beauty. They can also be found by the thousands encircling monuments, foreign embassies and in parks and private gardens.

Naturally endowed with rivers, tall trees and waterfalls, Ottawa's charms are enhanced by man-made features like the Rideau Canal, 60 miles of scenic driveways, and lush greenbelts and rolling Gatineau Hills.

The festival is as much a tribute to the friendship of two peoples - the Dutch and Canadians - as it is to the lovely flowers. It was 20 years ago when Queen Juliana of the Netherlands, then a princess, sent 100,000 tulip bulbs to Canada in appreciation for the hospitality accorded her while she lived in Ottawa during World War Two. Each year since she has sent another 15,000, as have Dutch bulb-growers grateful to Canadian soldiers who liberated their homeland.

Canada annually buys another 250,000 bulbs from Dutch growers and this deep feeling of friendship between the two countries adds immeasurably to the appeal of the Festival.

Ottawans have a special affection for spring, symbolizing as it does a new freedom from winter's sometimes harsh bondage. The city bounces with new life and vigor, it teems with fun and frolic - and it's a time of year when this spectacularly beautiful city is at its best.

Visitors admire tulips from cars, special buses, canal boats, on foot and even from the air. Or on rented bicycles. Last year's visitors discovered that the Bikeways opened by the National Capital Commission (the federal agency responsible for the national capital area), offer a new perspective on tulip-viewing. Cycling along these specially constructed paths, one can appreciate the floral beauty at close range while getting some good outdoor exercise.

The kick-off is the crowning of the Tulip Festival Queen at a black-tie Ball in the Skyline Hotel on May 18.

The festival is much more than tulip worship; it's fireworks and pageants, music and theatre. It's a Maypole car rally, a regatta, and a harness race called the Tulip Trot.

For the camera enthusiast (and who isn't with all the color and natural beauty of the Capital) there's an amateur photography contest. Tulip Festival organizers stress "amateur", so anyone can win first prize with the subjects so close at hand!

The Canadian Tulip Festival will be a busy two weeks. The first weekend encompasses the Canadian Victoria Day long weekend and the second weekend coincides with the American Memorial Day holiday. For 16 days there is constant activity in the Canadian capital all in addition to the stately city's year round attractions - The National Library and Public Archives, Royal Mint, National Museum of Science and Technology, National Gallery, Government House, and Parliament itself to name a few.

St. James U.C.W. hold April meeting

AVONMORE — The April meeting of St. James United Church Women was held in the Chuch hall.

The meeting opened with Mrs Rutherford MacIntyre, the president, welcoming the two visiting groups from Newington and Finch.

Mrs James Begg, assisted by Mrs Henry Funge, presented a worship service based on the theme "The Lighted Candle." Meditation was centered on the text "Let your light so shine before men."

A short business period followed. Communications were read and the financial report was given.

A Spring Tea will be held in the church hall on Saturday, May 5. The presbyterial will be held May 9 at Long Sault. The theme will be "Keep on! Let's go!" Rev. Wilbur Howard, Ottawa, will be the guest speaker.

Mrs Maldwyn Watkins, Mrs Elmer Park and Mrs F. C. Eligh presented a program dealing with the work and witness in some areas of the world where the church is helping to make Christian service possible. Slides and script depicting the work in Korea, Hong Kong and India gave a comprehensive report of the work being done.

Mrs Eligh read portions of a letter received from Dr. Moses of the Christian Hospital in Indore, India.

A pleasant social hour was spent with Group 2 members serving the lunch.

Mrs M. Smith of Newington, and Mrs Lynden Hough, Finch, expressed appreciation on behalf of the visiting ladies.

OBITUARIES

James Allen MacMillan

A former Berwick resident, James Allen MacMillan, age 72 years, died in the Dryden General Hospital on Sunday, April 22, 1973, after a lengthy illness.

Mr MacMillan was born and educated at Berwick, Ontario, and served with the Canadian National Railway from 1921 to 1965 in Sioux Lookout, Berwick, Quibell and Red Lake Road. He was active in the Masonic Lodge and a member of the Sioux Lookout Lodge No. 518, the Fort William Chapter No. 140, the Ledger Preceptory of Thunder Bay and the Khartum Temple.

He is survived by his wife, Eva of Quibell, two sons, Alex (Jim) of Quibell and James (Chum) Allan Jr. of Dryden, one sister Mrs Hattie Ouderkirk of Crysler, Ontario. Five grandchildren also survive.

The body was forwarded from Moffat Funeral Home, Dryden, to the Brownlee Funeral Home, Finch.

The funeral service was conducted by Rev. L. M. Ferguson at 2 p.m. on Friday, April 27.

Interment was made in the Finch Cemetery.

John L. Belway

John L. Belway, Morrisburg, a retired blacksmith, died suddenly Sunday, April 22, 1973. The former resident of Winchester was in his 81st year.

A son of the late Mr and Mrs Joseph Belway, he is survived by one son, Hugh Donald of Sudbury.

Mr Belway was predeceased by his first wife the former Hazel Grace Smith and his second wife, Muriel O'Shaughnessy.

He was a member of Winchester Wesleyan Church and Legion Branch 108. The Legion held a special service on April 24 at 9 p.m.

The funeral was held from Vice and Craig Ltd., Winchester, to Wesleyan Church where service was conducted by the Rev. Chas. Jackson at 2 p.m. on Wednesday, April 25.

Pall bearers were : Lyle Smith, Bill Smith, Jack Smith, Jack Gibson, Garry Smith, Allan Hutchinson.

Interment followed in Maple Ridge Cemetery.

Monkland Broomball Teams Provide Stiff Opposition

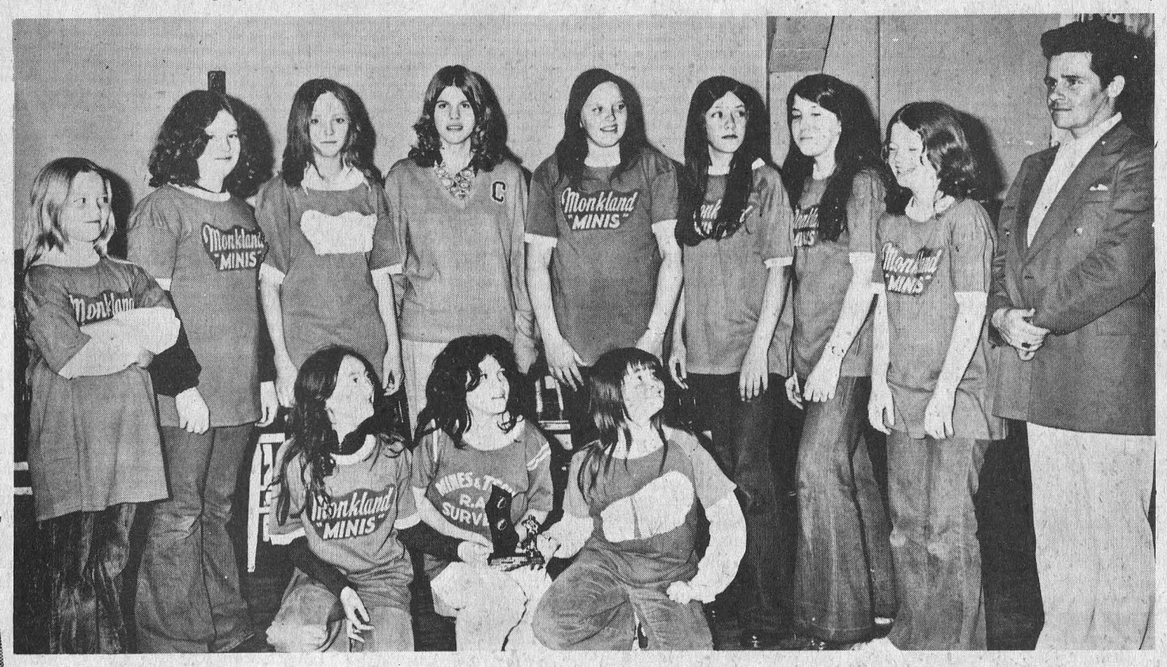
MONKLAND — During this past winter Monkland, a community of only 150, supported two broomball teams.

The showing the two teams made in their respective leagues was proof that desire plays a major roll in sports. The teams proved to be no push-overs. The Senior team lost out in semi-final play in a game that went into overtime. The trophy for best defence was won by the Monkland squad.

Home games were played in Finch arena with each opposing team being faced three times. Other teams in the league were Finch, Newington and Avonmore.

The Girls' team, aged 9-11, played in a League comprised of Berwick, Finch, and Avonmore. Home games were played in Finch.

Leaves from one mature maple could cover up to one half acre.



MONKLAND GIRLS BROOMBALL TEAM — From the left: front row, Pattie Massie, Marlene MacDonald, Dianne Heemskerk. Back row, Joan Cummings, Kathy Jackson, Carol Kinnear, Betty Kroeze, Connie Bender, Susanne Miller, Patsy Bender, Judy Jackson, Vance MacEwan, coach. Absent, Judy Rombough. — Record Staff Photo.

MONKLAND LADIES' BROOMBALL TEAM — From the left: Ethel Campbell, Mina Kroeze, Sandra Sproul, Thelma Bender, Sandra Rolland, Sharon Bender, Linden Sproul, coach Ella Bender. Alice Bender captain, Sharon Presley, Mary Giroux, Florence Heemskerk. Absent, Ina Sproul and Judy MacDonald.
