## The End of A Busy Season on The Seaway

The St. Lawrence Seaway has officially closed for the season with the last vessel clearing Iroquois Locks on Sunday morning.

The lower end of the system closed officially on Thursday, but crews stayed on duty for several last ships.

In this picture the Ottercliff Hall heads through a heavy mist on the St. Lawrence as she makes her way toward the entrance to Iroquois Locks to claim the distinction of being the last ship to pass through the waterway before freeze-up. The vessel headed west from Iroquois shortly after 11 a.m. on Sunday, close behind theJ.W. McGiffin. The McGiffin was delayed for a short time by mechanical problems caused to the gates at the lower end of the canal by extremely cold weather.

With the shipping season over, the canal will soon be drained and preparations made for 1976.

## Santa Claus -Warm Welcome on a A Cold Day

Almost everyone enjoys a visit with Santa Claus, but this little child can't decide if the bag of candy he has is worth getting that close for.

Post Staff Photo

Last Saturday's Santa Claus Parade in Iroquois was bigger, better and colder than ever. The temperature was hovering near minus 15 degrees Celsius and this, combined with a strong east wind and blowing snow caused the parade to become a survival exercise for some of the participants.

The parade route was shortened somewhat but the cold weather didn't dampen the enthusiasm of the youngsters involved A crowd of children and parents turned up at the Iroquois Legion Hall after the parade to greet Santa and to tell him what they were hoping for on Christmas morning. Bags of candy and treats were handed out to all the children who were present.

The parade featured more entrants than in previous years and Ed Hitchinson Secretary of Branch 370 of the Royal Canadian Legion, and one of the organizers has expressed his satisfaction with the response from the merchants and organizations in the area. Floats were entered by several local and area merchants, with one coming from Winchester. Numerous organizations were represented as well, including several new entries that were welcome additions to the parade.

The parade pulled out from the Legion Hall shortly after 1:30 with a number of youngsters aboard several of the floats. By the halfway point in the route, however, they had been forced to take shelter in the various cars and trucks. Santa Claus himself was one of the few who braved the elements from start to finish. The old gentleman then moved to warmer quarters inside the Legion Hall where he talked to several hundred children before heading back to the North Pole. His next major trip will be his biggest of the year when he sets out Wednesday night to visit homes around the world to deliver Christmas toys and gifts.

Santa's visit to Iroquois was sponsored by the Royal Canadian Legion, Branch 370 Iroquois, the Ladies Auxiliary to the Legion, Local 478 at Caldwell Linen Mills and the Iroquois Lions Club. Unfortunately the name of the Iroquois Lions Club was omitted from a story concerning the parade in last week's Post.

The organizers wish to express their appreciation to all those who helped with the parade and who took the time to participate.

## Cold Week-End for Village Crew

It never rains but it pours and Iroquois village works crews found out over the weekend that there's a good deal of truth in that old expression. On Friday a water main break in front of St. Cecilia's Separate School caused a good deal of frostbite to all concerned and resulted in two homes being without water for about 24 hours. Repairs were completed on Saturday morning and service was restored.

On Sunday night crews turned their attention from water to hydro service as two separate problems plunged a number of village homes into darkness for several hours A fire in the fireplace was the best bet for some families as the below zero temperatures quickly cooled off their homes.

The first problem occurred in the east end of the village when a transformer located behind homes on Ellis Drive, burned out disrupting service to 40 homes. Works superintendent Ray Delegarde located the problem and was able to re-route power to restore service to half of the affected houses within a half hour. A new transformer was then hoisted into place and service was restored to all homes by 11 p.m. A short while later another problem in the west end of the village brought crews out again into the sub-zero temperatures This time a tap had burned off a switch behind a home on Elizabeth Drive disrupting service to nearly 20 homes in that area. Repairs were completed by 2 a.m. and power was restored to all the affected houses. The quick action of Iroquois Hydro crews in both cases ensured that no serious harm was caused by the power failures.

## Lions Battle to Maintain First Place

The Lions were hard pressed this past weekend to maintain their victory record, salvaging a 5-5 tie with the cellar team from Metcalfe, and defeating Winchester Hawks 4-1 after a slow start in the rough game held in Winchester.

Lions led the Jets 2-1 after the first period and 4-2 after 40 minutes of play. Doug McNairn led the attack with a pair of goals singles by Hugh Gillard, Kevin Duvall and Chuck Lawlor. Scoring for Metcalfe were: Jeff Holmes, Brad Sullivan, Mike Rochon, Gary Isenor and Chris Erler.

Referee Don Grant gave the Lions 4 minors and assessed the Jets with 9 minors, a major and a game misconduct to Larry Kennedy.

Stewart Casselman at the Post Office won $55 with ticket no 560959 at the 1/2 and 1/2 draw.

Sunday night the referees left much to be desired as the Lions led 1-0 after Kevin Wells scored late in the first period on a power play. He made it 2-0 at 6.09 of the 2nd, but the Hawks Len McLean cut the lead at 2-1 47 seconds later. With 5 minutes left in the period Doug McNairn scored unassisted while the team was playing shorthanded. At 12.55 of the 3rd period Bob McNairn scored to finish the scoring.

Referee B. Yake was kept busy in the rough contest, giving 15 minors to the Lions plus a 10 minute misconduct and a game misconduct to Hugh Gillard. The Hawks received 10 minors, 1 major, and a 10 minute misconduct to

The following poem was printed on Sunday night brought it to mind:

I think that I shall never see
A satisfactory referee,
About whose head a halo shines,
Whose merits rate reporters lines,
One who calls them as they are
Not as the fans might wish by far,
A gent who leans not either way
But lets the boys decide the play.
A guy who'll sting the coach who yaps
From Vancouver Isle to Halifax.
Poems are made by fools like me
But only God could referee.

Don McNairn is leading the whole league as the best goal tender, with a 3.09 average. The closest to him is Lawrence Crooke of Brockville with 3.54.

Randy Drew Hawks coach Dave Armstrong was ejected from the game at 13.21 of the 3rd period and ordered to the dressing room.

The Lions will be playing at the Junior 'B' Hockey Tournament held at Hawkesbury on December 27th. They meet Carleton Place Kings of the North West Division at 10 a.m. Cardinal Broncos meet Ottawa 67's at 2:30 p.m. There will be 7 games, featuring the top 2 teams from each of the 4 divisions Other teams entered are: Buckingham Hawkesbury, Brockville and Gananoque. See the Lions executive for advance tickets.

Mark Dec. 28th and Jan. 4th on your calendar - the Lions will be hosting Prescott and Alexandria. some years back the refereeing

## Complete First Aid Course

On Wednesday evening, 3rd of December, the Dundas County Red Cross Homemakers met at the home of the supervisor, Mrs. Catharine M. MacLean. for a seasonal pot luck supper and evening of social fellowship.

The evening was a pleasant conclusion to a most enjoyable 8 week first aid course held weekly each Wednesday evening during October and November at the Winchester & District Memorial Hospital. Mr. Douglas Phelan of Morrisburg was the instructor for the St. John Ambulance Course and we are pleased to announce that all who tried the final examination in this course were successful.

## End of Season Highlights for Foster Parents Assn.

The October meeting of S.D. & G. Foster Parents Association was held at the home of Cathleen & Kenneth Barber, Brinston with a house full to overflowing. The group were entertained by members of the Barber family as follows: Aruthur on drums and mouth organ; Kenny and Kevan Duval sang and Kenneth Eccelshall gave the reading of a poem about mothers

Mr. Lyle McNab, Chairman welcomed Rev. and Mrs. Kenneth Cowan from Ottawa. Rev. Cowan is currently director of "The Family Life Series" sponsored by the Anglican Ottawa Diocese. He shared the leadership of the evening with his wife, Dorothy. Part of the discussion topic centred on "Preparation for Marriage" and among other things, they shared with us how they've recently spent their 33rd wedding anniversary on a cruise ship on the Mediterranean.

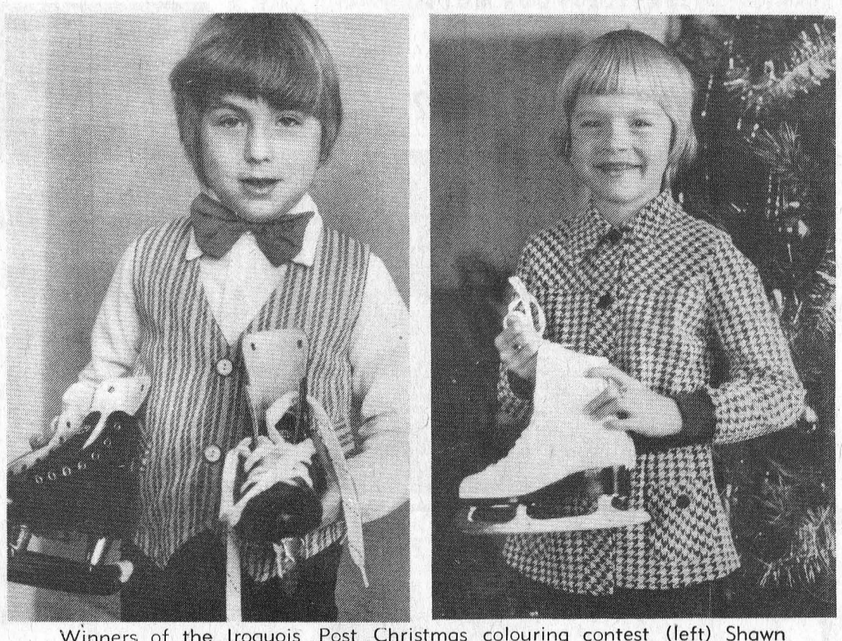
Delicious refreshments, served by the hostess, brought a pleasant evening to a close.

Monday 17th November found the F.P.A. gathered into a study format at the Ingleside District High School, under the leadership of St. Lawrence College Extension School instructor, Mr. Wayne Gosselin. This is the first in a series of study meetings and Mr. Gosselin dealt with the adolescent age of 14 up to 17 stating these young folk are people with very different needs. He stated that statistically it costs less to be kept in school than on welfare and that the peer group is more important to kids in this age group than are their parents.

On Sunday evening, 30th November, the Foster Parents were the honoured guests of the Board and staff of the Children's Aid Society to a sumptuous Christmas supper held at Beach Hall St. Paul's United Church, Cornwall. An excellent programme followed with Mr. Cam Copeland, staff social worker, acting as M.C.

Silver salvers and certificates were presented to foster parents with 25, 20, 15 and 10 years of service. Miss Heather Tenger rendered several beautiful solos, accompanied by her father, Mr. Derry Tenger, staff social worker. Highlight of the evening was the musical presentation by the 9 to 20 Youth Choral Group from St. Francis de Sales Church, with conductor Mr. McAleer. Another feature on the programme was Mr. Copeland's ventriloqist teen-aged friend, Patricia. Obviously, these two have been through a lot together! Misses Laura Hope, Anita Rivette and Lynn Hurtubise favoured us with musical selections, both instrumental and song. The evening came to a fitting conclusion when Miss Heather Tenger sang "I know That My Redeemer Liveth" from the words of Job, Chapter 19 and verse 25.

## Post Colouring Contest Winners



Winners of the Iroquois Post Christmas colouring contest (left) Shawn Markell and Katherine Shaw—proudly display the new skates they received for their efforts.

Post Staff Photos

The Iroquois Post Christmas Colouring contest has ended and winners were selected last Thursday by Judges Frank Rooney and George Cooper. The winner in the girls category was Katherine Shaw seven-year-old daughter of Mr and Mrs. Jim Shaw of Church Street in Iroquois. Boys winner was five-year-old Shawn Markell, son of Mr. and Mrs Lloyd Markell of R.R.#1 Iroquois. Both winners have visited Charlie's Sport Shop in Morrisburg to be fitted with a new pair of skates on behalf of the Iroquois Post.

Both judges expressed their surprise at seeing so many excellent entries and had a difficult time in selecting a winner in both cases. Entries were judged on the basis of neatness, colour choice, intensity and originality. An overwhelming number of entries was received from both Iroquois and Matilda and also from many other areas of Dundas County and eastern Ontario.

All entries along with the winning ones are on display in the window of our office in the Iroquois Shopping Plaza The Post thanks all those who made an effort to enter the contest and expresses congratulations to the winners. Happy skating!

## Christmas — a challenge and celebration

Christmas, 1975, comes to a world that wants "peace on earth, good will to men." But the desires of much of the world, including our own strife-torn and uncertain Canada, stem more from weariness than from love. This world expects more from the flights of Henry Kissinger and the manoeuvres of Pierre Trudeau than from the flights and singing of angels.

What then are we to make of Christmas this year?

To many it is but a pleasant legend that takes us for a day or two from the daily drudgery to make ends meet — a chance to forget how powerless many of us have become. To others, who treasure the celebration of human experience, Christmas is a bonus — an extra occasion, even an extra reason for celebration.

But Christmas, as Christians understand it, is neither an idle legend nor a happy plus. It is a challenge to our human existence. It is an uplifting of our human existence. It calls for celebration, not because we need a party but because Christmas in reality upsets the life we have designed and changes the reason for celebrating.

Unlike most of the mystic religions that are flowering today in the midst of our disillusion, Christmas faith proves that God does act in human history in unexpected ways and calls on a community to join his action.

As realists we know that the home of a friend or relative is bricks and mortar, wood and nails, it is a functional place, ornamented and often filled with comfort, but still a functional place that has no real feeling. But all that is changed and takes on meaning when we realize that a loved one or an old friend lives there. The silent walls speak a language of love.

Something like that happens to human history when we remember that Jesus Christ lived here. The cosmos consists of matter and energy, as always. People and communities continue to act with mixed motives. Possibly peace among nations is a little more likely because of Christ, but we cannot be certain of that. Yet when we remember that Christ lived here, the walls and ramparts of the world speak a different language.

We can say and believe then that we are about to enter "the year of our Lord 1976".

## Bill Smiley

### Things are too golden

By BILL SMILEY

THERE is something terribly wrong around our house this year, as Christmas looms. I have a disturbing feeling that a catastrophy is in the offing.

What bothers me is that everything is going too well. Two weeks in advance, the turkey was ordered, special, fresh-killed, not one of those frozen, eviscerated, straw-tasting, morgue-like, pallid blobs we usually pick up at the last minute.

Christmas cards were dispatched on time (after those rotten posties ended their strike just a little too soon).

Christmas gifts were actually bought and wrapped almost a week in advance, instead of that mad lurch through the stores on Christmas Eve, snatching up broken toys, soiled sweaters and other junk a drunken lumberjack wouldn't buy, and bundling it into last second wrappings that were too skimpy.

We even knew two weeks in advance who was going to be here for Christmas. Many a time and oft, our kids have come popping in from hundreds of miles away as late as Christmas morning, without warning.

This year, it's just Pokey and his mom and dad, the old Battle Axe, and yours truly. Grandad is going to sit this one out at home, alone. Son Hugh won't be here. He'll be dining on roast llama in the highlands of Paraguay, if he's not in jail.

We even have a plum pudding all ready. You see what I mean? It is not only all wrong for the Smileys. It is virtually frightening. It has never happened before. It's got to be the calm before the storm. Something eerie is going to happen. Even my wife is becoming convinced we're going to get it in the groin, or some other vulnerable spot.

What has convinced me that the roof is going to fall in, the final piece of evidence, is the Christmas tree.

Not only was it purchased two weeks in advance, but it's a beauty, a blue Spruce about 10 feet high, that even looks like a Christmas tree. You know, it has branches all around, instead of just one side.

This is ridiculous on all counts. My usual tree is bought the day before Christmas. It is one of the last four trees on a lot that held 300. It is covered with snow and ice. It is either eight feet tall and one foot wide, or it is hump-backed, or it is one half of a pair of Christmas tree Siamese twins, totally devoid of anything on the side you're not looking at.

I have had trees as bandy-legged as a cowboy. I have had huge White Pines, so vast I had to cut a couple of saw-logs off the bottom to get them into the house. One year I had a tree with so few branches on it that I had to drill holes in the trunk, and insert branches from another tree to make it look less skeletal.

I have had trees so crooked that when they were finally raised after much sweat and many maledictions, it was like standing in the presence of a man with two wall eyes, one pointing west, the other east.

My wife used to leave the house when I was putting up the tree. It was better that way.

This time, she came home after two hours ready to help me deocrate our handsome Spruce. She gave a shriek the moment she entered the house. She thought it was on fire. Clouds of blue smoke were pouring out of the living room. She heard the sound of weeping. Her heart almost stopped.

She rushed in, fighting her way through the blue air. In the corner, the fine, bushy Spruce was lying on its side. There was no sign of me.

She started to get sore. "Has he actually had the gall to get into the Christmas spirits already?"

Then she heard the choked sobs, mingled with moans of pain and rage. She looked at the tree at one end.

And there I was. Under it. Face scratched and bleeding. One thumb mashed flat by the hammer. A chunk torn off the knuckles when the screwdriver slipped. An expression of utter despair on the tattered countenance.

That was the year nobody was coming for the holidays until after Christmas. I finally got off the floor, stood the beast up in the corner, and took a hockey stick to it.

That was the year the tree never was "put up." Never decorated. When my daughter and family arrived a couple of days after Christmas, it was still leaning there in the corner.

"What happened to the tree, Dad?" she queried in horrified disbelief.

"Ah ..., it was too dry; needles were falling off. Decided to take it down, throw it out." Brusquely.

"Needles? It hasn't even any branches left!"

Oh well, this year it's going to be different. Usually we have two trees, one small and one big. This year, just one, because of Pokey. I figure that if we mount a 24-hour guard, in shifts, we just might be able to prevent him from trying to climb it.

And my son-in-law claims to be an artist. So the tree is ready, and your faithful correspondent is going to sit in a big chair, reading the *Lives of the Saints*, while the artist not only erects the tree, but decorates it.

All is golden, for once. And yet ... and yet, I have this sense of unease. Things are *too* golden. A lump of lead is going to come out of somewhere and get me right between the eyes.

And may you, too, all of you, have a Merry, rather than a hairy, Christmas.

## Former Banker Dies

Charles Hodgert a former resident of Iroquois passed away at his London, Ontario home on Sunday. Mr. Hodgert lived in Iroquois while he was manager of the bank of Montreal here in the early 1960's. He is survived by his wife Florence and children Brian and Karel. The family's address is 595 Chiddington Place, London, Ont.

IT ALWAYS HAPPENS IN DECEMBER . . . Christmas Trees . . Decorations . . . Gift Wrapping . . They all add up to greater home fire danger This is the time to take the utmost care to make sure that holiday fun will not turn into family tragedy. Watch small children more carefully at this season than at any other time . . and never never leave them unattended.

## Public Hearings

### International Joint Commission

### United States and Canada

**In the matter of the application of the St. Lawrence Seaway Authority to effect partial closure of a section of the St. Lawrence River between Toussaint Island and Presqu'ile near Iroquois, Ontario**

The International Joint Commission, a joint United States and Canada body established under the Boundary Waters Treaty of 1909, will hold public hearings on the above application at:

**2:00 p.m. - 6 January, 1976**
St. Lawrence Room, Holiday Inn,
Cornwall, Ontario

**2:00 p.m. - 7 January, 1976**
Ramada Inn,
Intersection of Highway 3
and Interstate 81,
Watertown, New York

The Applicant advises that an increasing number of accidents to downbound vessels entering Iroquois Locks has occurred during the last five yearas. Vessels involved in those accidents were affected by the cross currents from the Canadian Channel located between Toussaint Island and Presqu'ile. The Applicant further states that the requested partial closure will have no measurable effect on the level of water above Toussaint Island and that this closure of the Canadian Channel will increase velocities in the remaining cross-section of the River by not more than five percent.

Anyone wishing to present views on the Application or to provide advice as to conditions that might be attached to an Order of Approval, either on his own behalf or as a representative of others, will be given an opportunity to do so. Statements may be given orally or in writing. Allocation of time may be required for oral statements; therefore, witnesses should be prepared to summarize written statements. Written statements may be of any length. If written statements are submitted, it is requested that, if possible, thirty (30) copies be provided for the Commission's use. Additional copies may be deposited with the Secretaries at the hearings for the use of the news media and others present. Also, where possible, the Commission would appreciate receiving advance notice of persons or parties wishing to make a statement.

Copies of the Application are available on request from the Secretaries of the Commission and from the office of D. Witherspoon, Great Lakes - St. Lawrence Study Office, Environment Canada, Room 318, Federal Building, 45 Second St. East, Cornwall, Ontario.

D. G. Chance,
Secretary, Canadian Section,
International Joint Commission,
Suite 850, 151 Slater Street,
Ottawa, Ontario. K1P 5H3

W. A. Bullard,
Secretary, United States Section,
International Joint Commission,

## PLEASANT VALLEY

Mr and Mrs. Herbert Wallace spent Saturday in Brockville.

Hilliard Gilmer was a Saturday supper guest of Mr. and Mrs. Joseph Meaugher.

Mr. and Mrs. Percy Gilmer, Mr. and Mrs. Harry Gilmer and Hilliard Gilmer visited Earl Gilmer in Ottawa on Sunday.

Mrs. Lizzie Wallace and Mansel visited Mrs. Earl Gilmer on Saturday.

## PITTSTON

Congratulations go to James Cooper, Pittston in winning the Canada Starch Trophy as the highest scoring member of the Grenville Field Crops Club held at the Grenville County 4-H awards banquet at Merrickville, he also won the Ottawa Citizen Award.

Many attended the 50th Anniversary at open house Saturday, of Mr. and Mrs. Stanley Wallace, Shanly.

Mrs. Clarence Marlatt visited Mr. and Mrs Roy Holmes Friday also Mrs. Newman Mrs. Loucks.

Mr. and Mrs. Robert Sloan visited Mr. and Mrs. Donald Sloan and sons on Friday.

Mrs. Willis Montgomery, Carol and Heather called on Mrs Larry Sloan and infant Kelly Mary recently.

Deepest sympathy to the family of the late Mrs. Floyd Riddell who passed away on Wednesday.

Mr. Fred Patterson called on Mr. and Mrs. Clarence Marlatt Wednesday afternoon.

## BRINSTON

Mrs. Beatrice Riddell of Brinston has returned home after spending the past 3 weeks at the home of her brother Mr. and Mrs. Jimmy Casselman of Brockville while Mr. and Mrs. Casselman were on a 3 week holiday in Hawaii.

# Hospital Auxiliary Plans Busy Winter

The December meeting of the Hospital Auxiliary convened with a small attendance. Mrs. E. Macartney presided, assisted by Mrs. Chas. Wallace as Secretary in the absence of Mrs. N. Hill.

Mrs. F.M. Cass reported on progress of the Christmas party for 1st Dec. 18. The hospitals was decorated for the festive season. The Statistical report was given by Mr. Stel, he also reported on - completion of the incinerator project - selecting of a new Superintendent of Nursing to be known early in January explained the false fire alarm and spoke about the restraint in hospital administration as announced by Provincial Gov't.

The knitting convenor Mrs. A. Butcher asked for more knitted articles for the show case. She provides the wool.

Mrs Rose Beaman had the Volunteer Book for distribution and asked for old beads for crafts in First East.

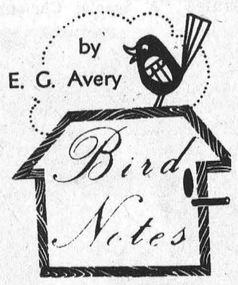
The purchasing committee brought in a report, suggesting purchasing of some special surgical equipment. This was accepted by the Auxiliary.

In reporting the recent Dessert and Games party, a lack of advertising was mentioned.

Future activities include a public auction at the February meeting and the Annual Dessert and Games party in March.

Representatives from South Mountain were especially welcomed.

The meeting closed with the singing of a Christmas Carol. Several ladies visited the lounge in First East to see the Oil Painting placed by the Board, in the memory of Miss Legris.



The biggest Bluejay in the whole world came to the feeder on Sunday. He flew in with a flourish and surveyed the situation, head to one side eyes sparkling reminding one of a king inspecting his realm. The Sparrows moved away, and sat perfectly still while his majesty dined. He tossed off the seeds like so many pills then selecting several sunflower seeds, he swept away to the comfort of an evergreen tree, to enjoy his dessert still giving the appearance of royal bearing, as he spread the beautiful tail like a court train even to the "ermine" trim.

Many people who are not usually home in the day-time will be able to watch the birds at their feeders during the holidays. Now that the really cold weather has come the suet feeders are especially popular with the Chickadees. It is easy to make your own suet (or other fat) ball using the mesh onion bags as holders - one of these will make two containers

The Solitaire reported in last week's column is still being seen in Toronto and birders from all over the province are suddenly finding urgent business in that city, with a glimpse of the Solitaire as an "ulterior" motive. Coming home on the evening bus from a visit to Cornwall was like a trip through fairy-land with the display of Christmas lights along the way. Perhaps we are just a teeny bit prejudiced, but surely Iroquois is the most colourful place of all complete with its Community tree; the village is living up to its slogan even in the winter: it's the best-lighted little town by a dam-site.

Best wishes to all, and may a Bluejay visit your Maple tree on Christmas morning!

## ENGAGEMENT

Mr. and Mrs. Albert Dewit are pleased to announce the engagement of their daughter Margaret to Tony Patey, son of Mr and Mrs. M. Kenneth Patey of Toronto. 27 lp

## Births

December 10/75 Mr. and Mrs. Arie Hooganboom, South Mountain Ontario. A Daughter.

December 10/75 Mr. and Mrs. John Declare, Mountain, Ontario. A Daughter.

## CARDS OF THANKS

Thanks to Mr. Delegarde and town crew for the hard and fast work to restore our water service last Friday and Saturday.

The work was done under very severe cold and we appreciate the good service

Merry Christmas!

The Falshaws. 27-1p

A thank you to everyone who remembered me while I was a patient in Winchester Hospital and since my return home. These acts of kindness will long be remembered.

Ted Marsters 27 1p

I would like to express many thanks to my family and friends for visits, cards and letters, also to the nursing staff on 1st floor and Dr. Marston for their wonderful care, while I was a patient at Winchester District Memorial Hospital.

Elsie M. Seeley

The Iroquois Care Units sincerely extend Seasons Greetings to all who volunteered their time as a visitor or driver for the Meals on Wheels Program during this past year.

## S.D.&G. Monthly Meeting

# School Board Approves Health Guidelines

The Inaugural Meeting and Regular Meeting of the Board will be held Tuesday, January 13, 1976.

The Board reviewed the Stormont Dundas & Glengarry Health Guidelines which are a revision of the former Human Growth and Development guidelines approved by the Board for implementation in September, 1972.

These guidelines elaborate in greater detail Health programmes set out in Ministry guidelines P1, J1 Physical and Health Education Intermediate Division 1973 and Physical and Health Education. Senior Division, 1975.

The Board recommended that the S.D. & G. Health Guidelines (K-12) be approved for use in The Stormont Dundas and Glengarry County Board of Education schools.

The Community Education Committee met on November 13 1975 and up-dated the Board on matters considered at this meeting.

A grant has been received for the L.I.P. Project "Community Resource Manual" Mr. Iain Millar Community Education Co-Ordinator is in the process of hiring staff for the start of this project in January 1976, and it is hoped that the exact format of the Resource Manual will be available for the January Meeting of the Board.

The Committee also reviewed the present Board policy on School Lets in some detail. In keeping with an avowed interest in expanding community education it seemed that this might be an appropriate time to think of revising this policy and expanding it to include if at all possible more groups. The Committee has suggestions in this regard and these are to be related to the Board of Education's Policy and By-Laws Committee for their consideration.

Two years ago this Board entered into a Co-Operative venture with St Lawrence College of Applied Arts and Technology for the provision of Continuing Education programmes throughout Stormont Dundas and Glengarry.

In order to formalize the co-operation among the participating institutions - St. Lawrence College, the Separate School Board, and the Board of Education - we have agreed to the formation of a Continuing and Community Education Council. This would be an advisory group which would also function as a clearing house for identification of community needs and available services. Each participant will be operating within the guidelines of his own Board.

The purposes of this Council are as follows:

1. To analyze the needs expressed by the various community groups, business and industry, and interested individuals,
2. To make an inventory of available resources,
3. a. physical facilities (buildings, equipment etc)
   b. human expertise (specialists craftsmen, community people)
   c. financial resources available with various ministries and programmes,
3. To determine who is best suited, equipped, or prepared to provide the service. This will help to avoid duplication and competition in any one area,
4. To keep each institution and the community well informed of the various activities and possibilities.

The Board ratified the Collective Agreement between The Stormont Dundas and Glengarry County Board of Education and The Elementary School Teachers in Stormont, Dundas and Glengarry effective Jan. 1, 1976.

As concerns monetary issues, categories D.C. & B. formerly ranging from a minimum of $6,800 to a maximum of $14,000 have been revised to a minimum of $8 700 and a maximum of $15,200.

Categories A1 to A4 have not had a monetary figure assigned as yet, as they will be established upon settlement of the contract with the Secondary Teachers Federation restoring to the Elementary Teachers in this category parity with their secondary counterparts.

The Board feels that the settlement is a fair and equitable one in the light of current economic circumstances; however all monetary issues are subject to review by the Anit-Inflation Board, and such presentation will be supported by the Teacher's Economic Policy Committee as well as the Board.

## In Memoriam

WYATT - In loving memory of a dear husband, father, and grandfather Connell Wyatt who died accidently December 27, 1955.
The Golden Gates were opened,
Twenty years ago today,
With good-byes left unspoken,
You gently passed away
You couldn't say good-bye to us.
Perhaps its just as well
We never could have said good-bye
To one we loved so well.
Always remembered and sadly missed by your wife, children and grandchildren. 27-1p

## Seaway Drama Group Entertains at Iroquois Public

The Seaway High School Drama Group visited Iroquois Public School last week to perform a production for the Christmas season.

The group made up of theatre arts students under the direction of Miss Gibb, presented a play they had written themselves entitled "A Special Christmas Story."

The youngsters were held spellbound by the performance and took an active part in the story by singing, applauding and by giving Santa some clues on where to find Rudolph who was kidnapped and held for ransome by the evil Wolfgang an elf from the Society for the Prevention of Christmas.

Post Staff Photo

## TV RADIO NEWS

by Ross Mutton

The only weekly newsmagazine program in the States 60 Minutes, has returned to CBS, this year in prime time on Sundays at 7 p.m. This excellent program has been an inspiration for CTV's W5 and CBC's Fifth Estate.

Dan Rather has joined Morley Safer and Mike Wallace this year, giving the program three of CBS's foremost reporters. In past years, Ch. 7 has carried this program. However thus far this year they have not picked it up. I have searched the schedule to see if they are offering it at another time but so far I have not found a trace. Instead, they run local news from 7:00 to 7:30 and then offer a 90 minute movie They have dropped Cher which is on at 8 p.m. I assume this is due to the fact that it's simulcast by CTV (Ch. 13) and thus Ch. 7 is blacked out on cablevision in Ottawa. By offering a local movie in this time slot Ch 7 is not blacked out and also can sell their own commercials. The result -- we are not able to see one of the best newsmagazine programs on television.

WHAT'S COMING

On Global at 9 p.m., Tuesday there's a documentary, "Say Goodbye" pointing out the difference between the natural predator, the animals and the wanton destoyer, man.

Also at 9:00, Tuesday the Calgary Philharmonic and Chorus perform Christmas music That's on Ch. 13

If you missed Fitzwilly on Ch. 7 last Thursday it's on again Tuesday night at 11:50 on Ch 4.

On Wednesday night at 7:30 Global runs a special Images of Christmas, filmed in the Laurentians. Performers include Catherine McKinnon, The Stampeders, and Pierre Lalonde and Dan Hill. It's repeated on Christmas night at 6:30

CBC presents several specials for Christmas Day. At 2 p.m., the Queen's Christmas Message is followed by a program of carols by the choristers of Chapel Royal at Hampton Court. At 3:00 there's a new version of A Christmas Carol. This one uses 250 watercolour paintings for the visuals At 5 p.m, Real Thing on Ice presents Canada's top figure skaters in an hour long program. Skaters include Toller Cranston Lynn Nightingale and Ron Shaver. That's all on Ch. 4

At 6 p.m. Ch. 11 presents the Dofasco Festival of Carols in which the Dofasco Chorus takes a look at Christmas in the early part of the century. Continuing with Christmas Music, St George's Choir is on at 7:00 and the Salvation Army Chorus is on at 7:30. That's also on Channel 11.

At 8 p.m., CBC runs the movie Heidi, while over on CTV you can see Alice Through the Looking Glass And at 10 p.m. Malcolm Muggeridge traces the life and work of the great Russian novelist, Feodor Dostoevsky. That's on Ch. 4. And on the late show scene, Ch 13 runs the '48 version of "The Three Muskateers," Ch. 7 offers "Great Expectations" and Ch 4 runs "Exodus". Whew!

If you missed Skate Canada last October, Ch 13 carries a one hour program of the highlights on Friday at 4 p.m. Canadian magician Doug Henning is featured in an hour long program of magic, "World of Magic." That's on Ch. 7 at 8 p.m.

On Saturday at 6:30 Ch. 13 has a news special on the Legers. It includes footage of their western tour to Saskatoon and Calgary.

On Sunday at 5:30, Ch 13 presents British Columbia in Transition. The program looks at the drug problem and its relation to crime, and the radicalization of British Columbia Indians Chinese and Japanese communities.

At 7:30 the first of the Russian-NHL hockey games is telecast on Ch. 4. In this game the Central Red Army team takes on the New York Rangers. And at 10 p.m. on Ch. 13, CTV presents its annual chat with the Prime Minister.

On Monday at 10 p.m. CBC presents a one hour special on the news events of the past year. Lloyd Robertson hosts Reflections '75 on Ch. 4.

And finally may I take this opportunity to wish all of you a Merry Christmas.
