Internet service provided

WILLIAMSBURG – Users of the South Dundas high speed fibre/wireless network, will be able to stay connected to the system which will have a new internet service provider.

Township and W3 Connex officials both confirmed the news this week.

Acting CAO and South Dundas clerk Brenda Brunt said Friday with certainty, "W3 Connex is definitely going to be an ISP on the South Dundas network."

W3 Connex is the company that has been selected to complete the BRAND expansion of the network, the company that has been maintaining the system, and the company that will take over ownership of the existing network.

This experience and familiarity with the system "is why we have been able to move so quickly," said Jean Gauthier, manager of customer care for W3 Connex on Monday.

He said that W3 is already

Local Legions and Community Businesses Help Jason Pedal *Lozo Photo*

Wednesday, August 10, members of the Iroquois, Cardinal and Morrisburg Legions and members of community businesses presented Jason Eden with a freedom concept bicycle at the Iroquois Legion. Pictured above is eight-year-old Jason Eden (on bike) accepting a cheque from Morrisburg Legion Branch 48 President, Victor Brooks while his family, Legion members and business owners look on. The "Help Jason Pedal" group has raised just over $9,000 from fundraisers and donations.

Prize Fish at Bassmasters Tournament

The Quebec Bassmasters made their annual trek to the St. Lawrence River Saturday via the Morrisburg Dock, where the community was invited to view the weigh ins at the end of the day. Most of the fishermen were proud to show off their catches to those gathered in the area. Pictured above team is team Cousineau, one of the 31 teams who participated in the tournament.

Planning to build a new golf clubhouse

WILLIAMSBURG – The Iroquois Golf Course, will become a course without a clubhouse if they, and the township, don't move quickly, so members of the golf club's executive attended a council meeting August 9, to try and put a plan into action.

With the sale of the historic home, which acted as a clubhouse for the Iroquois Golf Course, comes the need for the golf club to build a new clubhouse.

The group has plans for a 66 x 40 building, consisting of a main floor and basement, drafted and they asked South Dundas council to approve the plans and the location of the building.

"We have to be ready to continue our business on April 1," said Iroquois Golf Course board member Ted Styles.

The group explained that in order to achieve that goal, the shovels must be in the ground October 1.

On behalf of the board, Maurice Kolff explained that they plan to spend about $200,000 on the building alone, and have contractors and volunteers, most of whom belong to the golf club, ready to do the work.

The group asked the township to look after putting in a driveway and parking lot for the clubhouse and servicing the building.

Public works manager Hugh Garlough estimated that the parking lot and service could cost as much as $100,000.

That number surprised councillor Charles Barkley, and Brooke Leightizer who was acting as spokesperson for the group.

In addition to the plans, the

Volley for Cancer set for Saturday

MORRISBURG – Volley for Cancer is back for its 11th annual tournament. The event that is held at the waterfront park in Morrisburg will take place on Saturday, August 20.

There are 60 teams registered for the tournament, which raised a total of $44,000 last year.

All the profits raised will be donated to the Ottawa Regional Cancer Centre.

For the past 10 years the profits were donated to the Cancer Society but this year the Ottawa Regional Cancer Centre is in the middle of a one million dollar expansion and organizers decided to help them out.

"We are just making a little change (in the donations) and helping them out with their campaign," said Event Organizer, Marilyn Spencer.

This year's event will see a few changes with more attractions added for the whole family to enjoy.

"We are really trying to make it a fun day for the whole family," said Spencer.

There will be fun rides, face painting and balloons for the kids. Brea Shay, Leo & Friends, Easy Pickens, OC Central, Ransom and Rogue will all be playing live throughout the day.

A live auction will be held throughout the day. There will be a show and shine auto show. Whitteker Bus Lines Ltd. will be offering a shuttle service for local areas from 6 p.m. till midnight.

A breakfast & all-day barbecue is being sponsored by Williamsburg IOOF. The Morrisburg Fire Department will be running a "beef on the bun" canteen. Pizza Pizza will have a canteen set up. There will be refreshments available for everyone along with cotton candy and popcorn.

The organizers are bringing back the balloon release for this year's event to commemorate cancer victims and survivors.

The top three teams that receive the most donations will be given their choice of a recliner chair courtesy of Upper Canada Pharmacy, limo transportation package courtesy of Byers Limousine Service, or a $500 gift certificate courtesy of The Morrisburg Building Centre.

"We try and grow each year and be able to donate more money," said Spencer.

The tournament starts at 8 a.m. and runs throughout the day.

Planning to build a new Iroquois Golf Clubhouse

– Continued from Page 1

delegation presented council with a list of five possible locations for the construction of the new golf club house for their approval.

The five potential locations include, the northwest corner, across from the end of Church Avenue, the northeast corner near Island Park Drive, the #1 tee / driving range area of the course, a north central location near the end of Charles Street and a southwest location which is near the beach.

All were examined according to the criteria of utilities, access/parking, modifications to the golf course, impact on residents' view, and other construction issues.

"Our first concern is cost," said Leightizer "If there was not a cost concern we would build it at the #1 tee."

But, since cost is an issue, the executive is asked council to approve construction of the building at the northwest corner of the golf course, across from Church Street.

According to the group, the location is not directly in front of anyone's house, and is south of the existing soccer fields.

"We would like to have your approval to go ahead with this," said Leightizer.

"We are asking council to make the decision as soon as possible. The other possibility is that the township take responsibility for putting up their own building."

Councillor Sandra Bailey asked a number of questions regarding the cost of the building and suggested the option of putting a temporary building in place while the club did some fundraising for the building.

Leightizer explained that the group presented council with what they believe to be the most cost effective solution, and that any fundraising done by the club could maybe only bring in about $10,000.

The financial aspect of the project was discussed, although nothing was finalized.

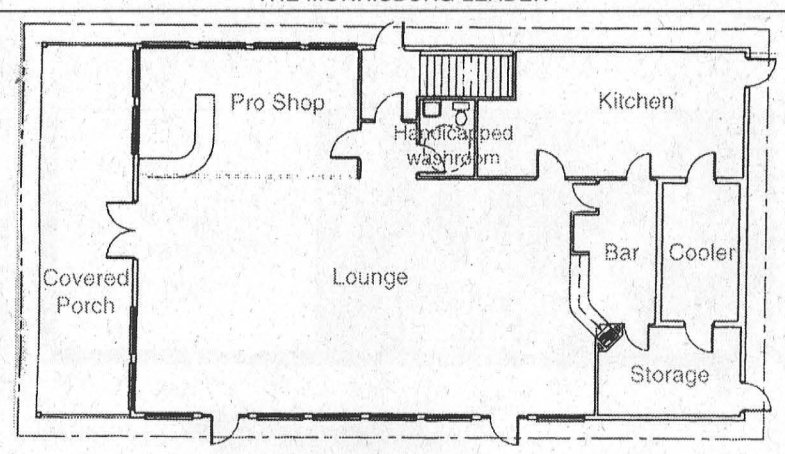
Councillor Bill Ewing said that the golf club executive would be overseeing the project, and that the township would be paying the invoices.

"We should look at the golf course in Iroquois the same way as we look at the rink in Morrisburg," said Ewing.

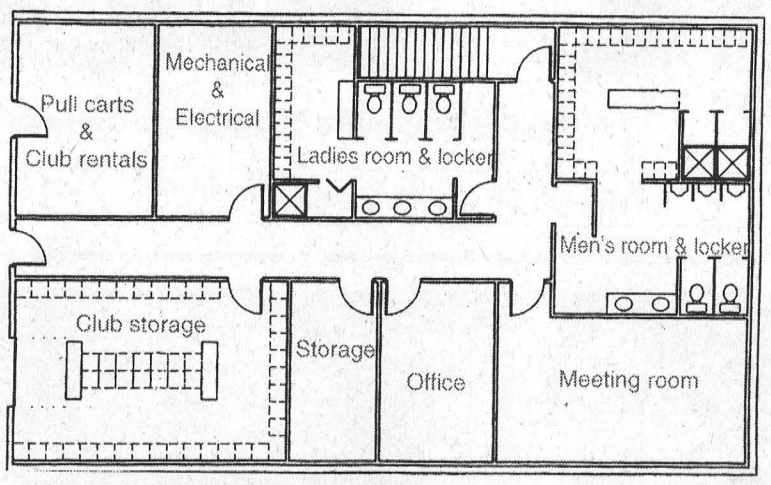
After the delegation left the meeting, council closed the meeting to the public.

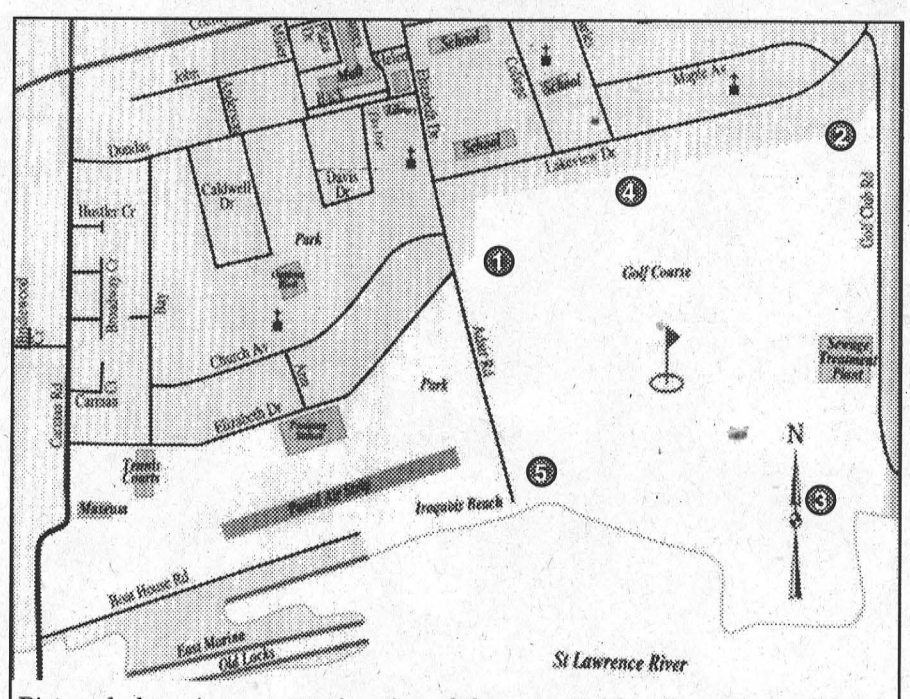
Acting CAO and South Dundas clerk Brenda Brunt later confirmed that council gave the golf course executive the okay to go-ahead with blueprints for the building.

She said that council did not finalize a location, and that decision will likely be made at the final meeting in August or the first meeting in September. Regarding the financing of the project, Brunt said that they are working with their lawyers and auditors to come up with a plan.



Preliminary Draft of Floor Plans for the New Iroquois Golf Clubhouse to be Constructed on the Northwest Corner of the Golf Course Property





Pictured above is an approximation of the potential locations for a new clubhouse examined by the Iroquois Golf Course board of directors. The group considers site 1 the best, most cost-effective location to contruct a new clubhouse.

IROQUOIS LEGION NEWSLETTER

Royal Canadian Legion

Branch #370

IROQUOIS – Cribbage league will be resuming play after the Labour Day weekend. For those who want to join the league, play is every Saturday at 1 p.m. in the lounge and you do not have to be a Legion member to play.

Tuesday evening, August 20, 11 tables of euchre were being played. Claiming first prize was Andy Acelvari, while Jake Easter picked up second prize. Doug Gow ended up with the door prize and Sharon Easter had low score for the evening. Skunks were handed out to Gord Hunt, Tina DeWitt, Jean Whitford and Goldie Sypes.

Duplicate bridge was cancelled for the evening.

The Pot of Gold winner was Ken Palmer who was signed in.

Tuesday, August 9, there were12 tables of euchre. Taking first prize was Richard Sanderson, while Louise Crites picked up second. Jean Whitford ended up with the door prize and low score for the evening was shared between Inez Farmer and Alice Robertson.

The Friday luncheon winner of a free meal was Ron Henny. The meal for this coming Friday is lasagna with garlic toast and salad with strawberry shortcake for dessert.

The Pot of Gold winner was Victor Belleville who unfortunately was not signed in.

Registration for mixed league darts will be held September 9 and 16 at the Branch at 7 p.m. The cost is $5. All are welcome to attend, and remember you do not have to be a Legion member to join.

Before closing, our sincere sympathy in extended to the family of our late Comrade Coral Guerkink who passed away on the weekend. Although Coral had some health problems, she always volunteered her time to help the Ladies Auxiliary when able. She will certainly be missed by all.

Until next week–take care.

an ISP with over 100 customers in the Prince Edward County and Blue Sky North Bay area. "We provide high speed connectivity to school boards, businesses and health care agencies."

W3 will start as the ISP for the township system this week. "We put the circuits in last week and it will be activated this week so that we can sort out any bugs or glitches in the service," he said.

When asked if the users would see a change in rates, Gauthier answered, "Yes, probably some lowering of the rates."

He did mention however, that customers will likely have to change their e-mail addresses.

W3 is contacting users of the system, and met with a number of them yesterday.

"We look forward to transferring as many customers as possible, and look forward to working with them," said Gauthier.

"We look forward to meeting the customers and making sure that things run as smoothly as possible for them," he said.

"Customers may even notice an improvement in service," added Gauthier.

In order to stay connected to the South Dundas fibre/wireless network, users will have to switch their service to W3 Connex, which after August 31, will be the only ISP making use of the township system.

APT Prophet Technologies has been the only independent ISP renting space on the township system, but announced that they will cease its ISP operations effective August 31, 2005.

Community helps Jason pedal

IROQUOIS – Every child remembers their first bike, and the difficult but rewarding task of learning to ride, and now, thanks to the Iroquois, Morrisburg and Cardinal Legions and local community businesses, eight-year-old Jason Eden will share those memories.

Jason, the son of Darin and Katrina Eden was born mentally challenged with severe hypotonia. This means he has difficulty using his muscles in ways that are expected. He suffers from poor coordination of upper and lower extremities, which affects his mobility. He can walk independently but his balance and endurance are decreased considerably.

Iroquois Legion member, Julie Waddell contacted the Eden family after reading an article in the newspaper about Jason.

Together with the help of the Morrisburg and Cardinal Legion and businesses in the community they held a dance, silent auction and a golf tournament organized by Maurice Kolff to raise money to purchase a Freedom Concept Tricycle for Jason.

The Freedom Concept Tricycle can be used as an excellent therapeutic device for Jason.

"The bike allows him to build his muscle tone," said Darin Eden.

The Freedom Concept Tricycle, which was fabricated in California, cost $3,600. The "Help Jason Pedal" fundraiser group has exceeded their expectations and raised just a little over $9,000.

"Support was tremendous from the community, it was absolutely phenomenal," said Legion member, Julie Waddell.

The "Help Jason Pedal" fundraiser group consists of The Eden Family; Julie Waddell; Wendy Leslie; Darlene Riddell; Gladys Parks; Maurice Kolff; Lil Roberts; Joyce Murphy; Earl Nesbitt; Victor Brooks; Paul McLaughlin; John Wilson; Maddy McDonald; Bruce Mullin; Sally Francis; and Jack Coulter.

Twenty-one CAO applicants

WILLIAMSBURG – Interest in the chief administrative officer position in South Dundas is high, with the township receiving 21 applications for the position by last week's deadline.

From those applications, a selection committee consisting of mayor Lyle Van Allen, and councillors Sandra Bailey and Bill Ewing, and a Howard Allen Group consultant will narrow the field to a few for interview.

Acting CAO and South Dundas clerk Brenda Brunt estimates that between three and five candidates will be selected to interview for the position.

The candidates will interview with all members of council and a Howard Allen Group consultant, all of whom will ultimately be responsible for deciding who will become the next township CAO.

Brunt expects the interviews to take place by the end of this month, which means that the successful applicant will start work in South Dundas in October.

Brunt has been acting CAO since Andy Brown left the township in May.

Service needed, service provided

Having just attended a meeting between the users of the South Dundas fibre/wireless system, the format of the meeting was to avoid political debate on the whole issue, and once looking past the politics of the issue, the whole issue seems less complicated.

Because the township system is one of the few options for high speed service for some of its users, who are mainly small business owners, the loss of an internet service provider for the township system, would have meant a loss of high speed service to those customers.

The lack of a comparable alternative would have left those business owners out in the cold, with very few options.

To them the service is useful and essential, and without it some may have had to look at moving their business somewhere that could better accommodate their needs.

The loss of any business can have detrimental effects on any community this size.

Now, W3 Connex has been scrambled into action and thankfully will be providing internet service on the township system, and keeping the options open for township system users.

They are the same group who have been responsible for the maintenance of the system for the last six months, and the same group who will soon take over ownership of the existing system.

The good news is that users of the township system, by contacting W3 Connex, will be able to stay connected to the system, and although the service will not be exactly the same as what they have had in the past, the bottom line is that they will still have high speed service.

W3 people are saying that in many cases the cost will be lower than what users have been paying. Technically speaking they are saying that for now downloading speeds will be a little faster and uploading speeds will be a little slower but they are looking at options to make things better in the future.

W3 Connex told the system users at the meeting that they are here to stay, and that they are in it for the long run.

Earl Baker Park in Morrisburg will be the scene of some great volleyball and great fundraising action this weekend. The 11th annual Volley for Cancer tournament takes place this Saturday. This year, along with the volleyball, there will be a great deal of fun geared towards the kids. The organizing committee invites everyone to stop by and enjoy the festivities of a family event, that hopes to make a significant donation to the Ottawa Regional Cancer Centre.

•••

Also happening this weekend is the South Mountain Fair. Along with all the regular amusements for the family and the agricultural exhibits, the show the once again features some great musical entertainment such as April Wine and the Wilkinsons. The very popular demolition derby takes place on Friday night.

•••

Next weekend, the Morrisburg and District Lions Club will be wrapping up their summer of music. The organization set up a temporary bandstand for the summer and weekend, after weekend featured the music of local groups. With the summer coming to an end, so to is the entertainment. They will be holding their first annual Riverfront Jamboree, Sunday, August 28, from 1 to 8 p.m. at the Waterfront Park in Morrisburg. The jamboree will feature the bluegrass music of Northwind and classic country music by Shotgun. Admission is $5 per person and all proceeds will go towards waterfront development. Spectators are asked to bring their own lawn chairs.

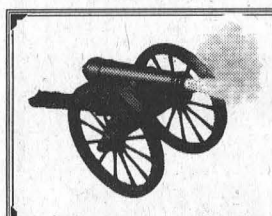
The Morrisburg Branch of the Winchester District Memorial Hospital's Ladies Auxiliary is now selling tickets for a house tour on September 11, from 1 to 4 p.m. Tickets are $15 and available at Pier 31 in Morrisburg and Mustard's in Iroquois.



The Leader Blast from the Past

Compiled from The Leader's files

1955

The headlines in the August 19 issue reads: Ex-Mountie named new police chief. C.D. Howard of Stanley's Corners was appointed police chief of Morrisburg at a special meeting of council. Mr. Howard had six years service in the RCMP and served overseas with the Canadian Army during World War II.

At a meeting of the Morrisburg and Williamsburg Planning Board, chairmen of committees and Hydro officials, agreement was reached in the location of three important areas of the new Morrisburg. These were industrial, residential and commercial areas and public buildings. Industrial was to be located at the east end and would house all present industries with some land remaining for new ones. A new residential area was to be located to the west of this with a buffer zone of about 150 feet wide containing a fine stand of trees which would be preserved. The area would comprise 48 acres and embrace 50 lots. North of this and south of the new No. 2 Highway would be a strip for motels, service stations etc. The commercial area, west of Highway 31 and south of the new No 2 was decided upon. Civic buildings were to be in or near this area. It was decided new homes would be located in the new area and older homes would be relocated to the older parts of town. It was decided not to put the residential area in the west end of the village to avoid damage to a well-established apple orchard. The new shopping centre and the civic area would take the McKenzie Park and part of the school grounds, but it was planned to extend the area west. It was also stated that much of the marginal area under study could be saved which included some property south of the present No. 2 Highway and west of Highway 31. The properties south of Henry Street were expected to be taken and it was planned to extend this street east to Church St. Questions were asked concerning the golf course but it was pointed out it was not a matter for the planners to deal with. It was hoped the route of the Scenic Highway along the present No 2 Highway would run east and southeast through the new subdivision leaving town at Nash Creek as opposed to ending at Highway 31 and heading north there.

1985

The August 14 issue reported that, after years of discussing the issue, council had finally approved a bylaw designating a farmers' market area near the tourist information booth.

Matilda Township's Lakeshore Drive park was being transformed from an overgrown, weedy mess to a real park with mowed grass and picnic tables.

Five years earlier, the Apostles of Infinite Love moved onto a Matilda Township party on the Broken Second which sparked considerable controversy from local residents demanding council kick the group out. After the initial hullabaloo about the nuns begging in Iroquois and Morrisburg, the sect went almost unnoticed and now had listed its property for sale.

Organizers of the Morrisburg flag football league were preparing to kick off their season.

Junior golfer, Sean Baker was the lone bright spot on the Morrisburg Golf Club's Border League team. While the team finished in last place, Baker had the low individual score for the team and tied for top junior golfer at the tournament.

Plans for the Morrisburg Minor Hockey Association to amalgamate with the Iroquois-Cardinal Association came to an abrupt end when Cardinal council refused to go along with the idea.

1945

The August 17 issue reported the death of Benjamin L. Carr at the age of 63 years. Mr. Carr came to Morrisburg in 1927, and establish a successful tourist business at the old Flagg home at Flagg's Creek west of town. In 1932, he purchased the former J. Wesley Allison home and later the Merkley Farm where he carried on the tourist business on a larger scale.

Although the war had ended, it was expected to be at least one year before new cars would be produced. New refrigerators, electric ranges and radios were expected to be on sale within the next few months.

1965

Pictured on the front page of the August 13 issue were Mr. and Mrs. Douglas Miltimore of Chesterville following their marriage at St. Peter's Lutheran Church in Williamsburg on July 31. The bride was the daughter of Mr. and Mrs. Harold McIntosh of RR#2 Chesterville.

Despite rumours to the contrary, the Morrisburg Combines of the St. Lawrence St. Hockey League would definitely be playing their home games at the Morrisburg arena. The team had been purchased from Bill Dillabough by some area residents. The newly elected president was Arnie Payment, while Carl Casselman was elected vice-president. The directors included Parker Locke, Les Cruickshank, G. William Gorrell, Arthur Edgerton, Ronald Brown, Hosea Droppo, Murray Ball and Oswald Dalzell.

The Morrisburg Mets were trounced three straight games by the St. Regis Mohawks which ended their playoff participation.

1935

The headline in the August 16 issue reported that Howard O. Hessell, who for six years had practised law in Morrisburg and Iroquois, had disposed of his business to Irwin Hilliard, K.C. and had opened an office in Cornwall.

The well worn badge of the Salt Lake City police department would once more become city property when Capt. Riley M. Beckstead, chief of detectives retired after close to 24 years of service. Captain Riley was a former Reeve of the Township of Williamsburg and a brother to M.S. Beckstead who was the current township clerk.

The issue reported that two noted Americans, Will Rogers and Wiley Post, were killed in an aeroplane crash. The two were on vacation and flying over Alaska when they became lost in dense fog.

Prime Minister Bennett announced the next Federal election would be on Monday, October 14.

LETTER TO THE EDITOR

Hospital redevelopment update

To the Editor,

A recent newspaper headline indicated that the hospital redevelopment cost in now estimated at $47 million dollars.

While information about our hospital redevelopment has been presented at a number of municipal and service club events, I want to take this opportunity to bring all readers up to date.

Since the Minister of Health announced the $4 million planning and design grant for our hospital expansion in March 2004, hospital board and management have been working closely with the Capital Branch of the Ministry of Health and Long Term Care to meet all the steps in the planning process so that we can be ready to tender this project estimated for January 2006.

In order to meet this timeline, we have worked on a very aggressive time schedule. As we have met each milestone, the Ministry's capital planning branch has rewarded us with positive feedback and much praise for our efforts. We are an example to other hospitals on how to do it right.

At our first meeting with the Ministry, we presented the updated costing for the initial plan (1999) as well as the costing for a new hospital for comparison purposes.

At the end of this meeting, we were asked to work up a third option that we refer to as a Phased–in Greenfield.

This option is based on the assumption that we invest more dollars in new construction, including a new acute care inpatient wing, and less on renovating a 1948 building.

In other words, it is somewhere between major renovations and a totally new hospital.

This option was accepted by the Ministry and was publicly unveiled at the Hospital's annual Gala in June.

The hospital and the ministry agreed that the Phased–in Greenfield option was superior in design to our original plan, but that it would add to the overall project cost. In working up the new costing figures, our board had capped our funding capability at $20.5 million.

I do want to point out that from the outset, the Ministry has been a partner in our redevelopment process. This hospital has been one of the first to use the new planning guidelines for capital development and we have found the process to be logical and fair.

Capital branch representatives, have been instrumental in encouraging us to explore all possible options for our community hospital because in the long run, choosing the right option makes the smartest investment decision for all concerned.

To date the Vision campaign has raised $15 million, due to the tremendous generosity of our community and the support of our municipal partners.

As has been pointed out to us, "We are the most generous community in Canada. This fundraising campaign is one of the most successful capital campaign of its kind ever."

We are not going back to the community for more funds for bricks and mortar. For us, that part of the fundraising campaign is complete.

As planned, we will be launching a fundraising appeal in the latter part of the fall to raise money for non-ministry funded equipment and technology for the new facility, estimated at $3 million. The hospital will finance the additional $2.5 million and adhere to the cap of $20.5 million for this project.

This leaves a funding gap of approximately $5 million that we continue to discuss with the Ministry of Health and Long Term Care.

This past spring, I spent several evenings out in the community talking about the changes to the redevelopment project, specifically that we are now going to invest more funds into new construction and less on renovation; that this investment is building the best possible facility for our community and that this investment makes the best use of your donated dollars.

I will continue with these meetings in the fall. We continue to move forward with our planning and design agenda and we are on track to go to tender in January of 2006, with a targeted construction start of spring 2006, assuming all approvals are complete.

This community has done an outstanding job on fundraising. Your donations and your trust in your hospital board are well placed and we are committed to getting the right facility for this community.

Sincerely,
Trudy Reid, CEO
Winchester District Memorial Hospital

High-energy comedy offers nonstop laughs

MORRISBURG – Between all the locked doors, ringing phones and heavy breathing is a hilariously amusing comedy, *Caught in the Net*, by Ray Cooney.

The play opened at the Upper Canada Playhouse over the weekend, and audience response to this sequel to *Run for Your Wife*, was just as enthusiastic as it was for the original.

Fans of the original, will not be disappointed by the sequel.

"A cup of tea - that's how it all starts," says ordinary British taxi driver John Smith who has managed to keep his two wives, their children apart for 18 years.

His secret is in danger of being revealed when his children, his and Barbara's son Gavin and his and Mary's daughter Vicki, meet over the internet. They are determined to meet despite the efforts of their father and his lodger Stanley Gardner aimed to keep them apart.

Stanley is a great friend to John and the two weave a tangled web of little white lies and stories that drive the fast-paced comedy action.

Richard Bauer returns as Stanley Gardner. "Not just a lodger," Stanley is the driving force of the show. "You've got to keep you wits about you Stanley," proves to be quite a task, but Bauer pulls off the antics of the unforgettable character with ease.

Jamie Williams plays John Smith "who's got enough energy for two people," and his high-energy performance of this high-energy character, in a very physical role, keeps the audience entertained.

Also back in their roles as wives are Anita La Selva who plays Barbara and Jill Harland who plays Mary.

With the two apartments both on stage at the same time, the two must remain oblivious to each other despite their presence. Both are up to the task, and never miss a beat.

Stanley's father, is played by the director of the show, Walter Learning, and in addition to is directing abilities, as an actor he added an even funnier dimension to an already hilarious show.

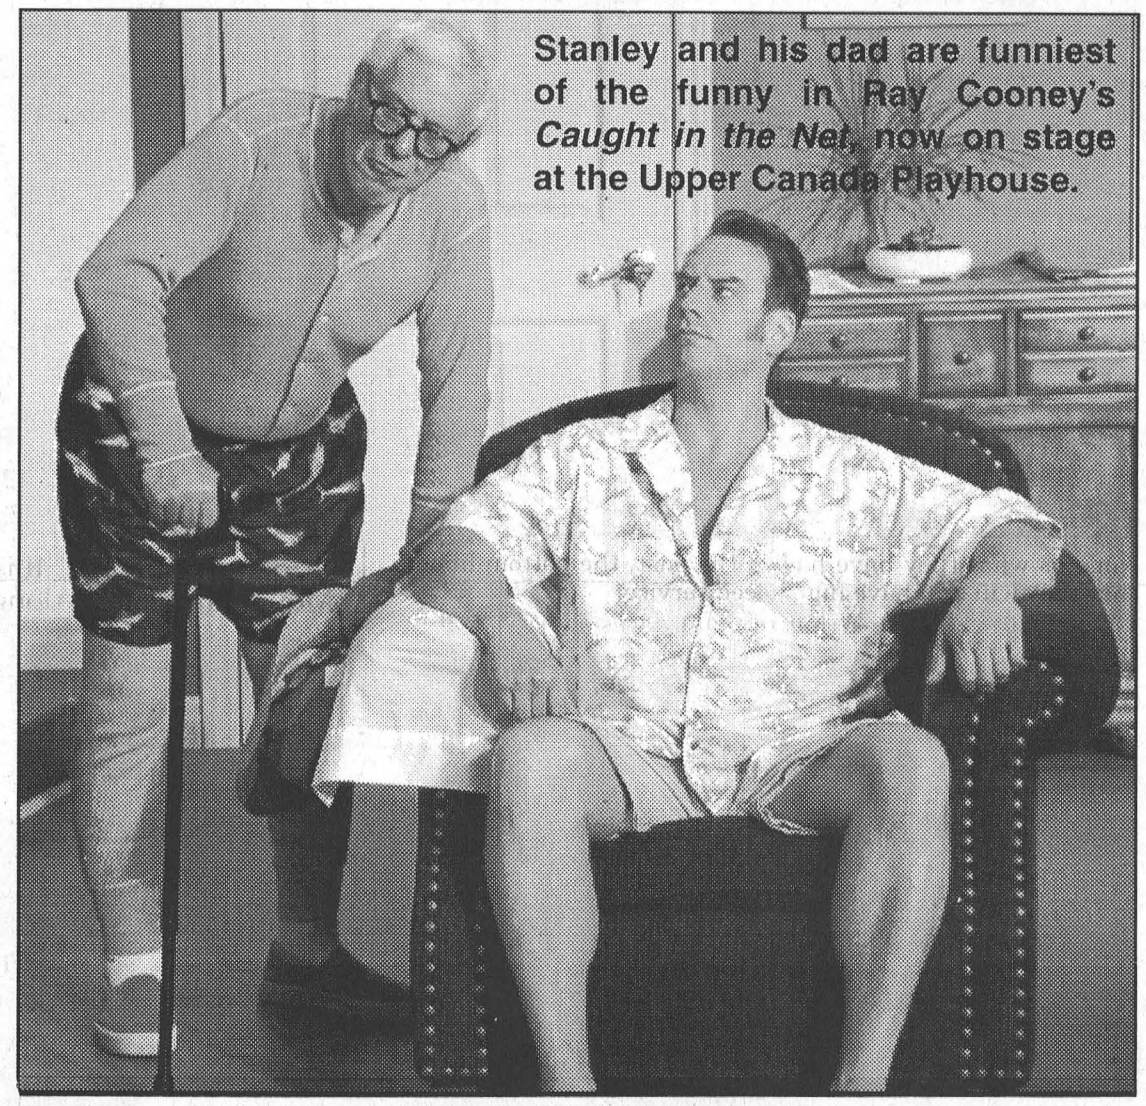
The two more serious roles of the show belong to the children, Gavin and Vicki.

Art James plays son Gavin, who is a helpful and considerate young man who is much like his father. Just trying to make sense of what Stanley is telling him, he manages to keep it all straight, including keeping a straight-face which is an impressive feat considering the ridiculous happenings around him.

His counterpart Loretta Walsh equals that feat. Walsh plays daughter Vicki who is a very determined young woman. She, against all obstacles, her father and her Uncle Stanley, will meet Gavin.

The show is a must see, whether enjoying it as a stand-alone show or seeing it as a sequel.

The action and the laughs are nonstop.



Stanley and his dad are funniest of the funny in Ray Cooney's *Caught in the Net*, now on stage at the Upper Canada Playhouse.

Obituaries

Dirk Ostrander

A life long resident of Williamsburg, Dirk Ostrander, passed away suddenly at his home on August 9, 2005. He was 46 years old.

Born in Winchester on January 13, 1959, Dirk was predeceased by his parents Frank and Marie (nee Garlough).

During high school, Dirk worked at the Red and White Grocery Stores in Iroquois and Williamsburg.

While attending the University of Waterloo in the math and computer science co-op programs, Dirk worked at several locations including the Bailey and Rose Consulting Firm in Ottawa.

Following graduation, he returned to Williamsburg to help his father and uncles on the family farm.

After his father passed in 1999, Dirk worked at Brown's Foundry in Morrisburg until the time of his death.

Dirk will be remembered by sisters Martha (Labib) El-Bouchi of Ottawa, Brenda of Ottawa, and Sandra (Dean Turner) of Williamsburg.

He was the dear uncle of Todd Turner, Brandon Turner, Alaina El-Bouchi, Justyn El-Bouchi and Cylina El-Bouchi. He is also survived by many aunts, uncles and cousins.

Dirk was a very intelligent man who will be dearly missed by his family and friends. He was always willing to lend a helping hand and for those who knew him, he could always bring a smile to their faces.

In his spare time Dirk enjoyed working on computers, playing video games and fishing.

Friends called at the Marsden and McLaughlin Funeral home in Williamsburg on Thursday, August 11, from 7-9 p.m. Funeral services were at the Funeral Home on Friday, August 12, with Reverend Norine Gullons officiating.

Interment was at New Union Cemetery in Williamsburg.

Pallbearers were Dean Turner, Todd Turner, Brandon Turner, Labib El–Bouchi, Gordon Garlough, Hugh Garlough and Bruce Garlough.

Donations to the Winchester Hospital or St. Peters Lutheran Church would be appreciated by the family.

Opening up the world of music to children as young as three

Comfort Photo

Jo-Anne Minsh and Friends Ready to Teach Music for Young Children

GLEN BECKER – "I had no idea that you could teach a three-year-old piano, and have them get it," says Jo-Anne Minish, who is prepared to do just that.

Minish has completed Music for Young Children training and is now offering the program, from her home in Glen Becker, to children between the ages of three and eight years.

Normally children cannot start taking piano lessons until about age seven because they need to master a number of concepts that are usually difficult for younger children.

Music for Young Children, breaks down those conceptual barriers with a delightful approach to beginning music lessons for children by using specially developed music materials involving puppets, visual aids, games and songs.

In the early levels, the children become closely acquainted with a family of critters including a dancing dinosaur and an anteater flying on an airplane. Turtles and rabbits help develop rhythm, and well-illustrated books introduce children to the musical world of theory and ear training.

"It's an amazing program," says Minish.

"The kids love it, and they never get bored."

Minish is building a studio, with six keyboards, to offer the program in her home, where she can accommodate up to six children at once.

With this program, parents stay with their children to learn together with a small group of children in a weekly hour long lesson.

Minish will be starting her first 35 week program this September.

Students may continue in the program until they complete the Royal Conservatory or Conservatory Canada Grade 1 level in practical piano and level 1 in music theory.

To get started, Minish says all that is needed is a small 49-key keyboard, on which the children can practice at home.

They will be using 61-key keyboards for the lessons at Minish's home.

Children will get the chance to participate in two recitals per year to demonstrate the skills they have acquired.

Anyone interested in reserving a spot for their child, learning more about the program, viewing the learning materials, or in pricing can call Jo-Anne (543-4000).

Minish is the only person offering the Music for Young Children program in this area.

Seaway Kickers wrap up season
Northside U16 males win gold

IROQUOIS – The South Dundas Soccer Association's travelling teams, the Seaway Kickers wrapped up Dundas County Soccer League division play with some success this season.

The U16 Northside Seaway Kickers won gold in the male division.

The Northside Seaway Kickers finished first in regular season action, with 19 points, ahead of North Dundas 2 (13 points), North Dundas 1 (10 points) and the Southside Seaway Kickers.

Through playoff action they were able to continue their winning ways, to end up in the A division final against North Dundas 2. The Northsiders won the final by a 5-2 score to take the championship.

The U16 Northsiders were not the only Seaway Kickers team to win their way to the A division finals.

The U13 Northside Seaway Kickers, finished third in the U13 males division, but successfully played their way into the finals against the top team in regular season play, North Stormont.

However, they lost to them in the A final by a score of 4-1, giving them a second place finish for the season.

The other kickers team to make the A finals and finish second in their division was the U13 female Seaway Kickers.

The U13 Kickers finished second to North Stormont in division play, and that too was how the playoffs ended, with the Kickers finishing second.

In the A division finals North Stormont outscored the Kickers 4-0.

In the U16 female division, the Seaway Kickers finished last in regular season play, but managed to better their standings in the playoffs.

The girls narrowly missed making the A division finals. They were relegated to the B division as a result of a shoot-out.

The girls won the B division final against North Dundas 2, 6-1, to finish third on the season.

In the U16 male division, the Southside Kickers did not fare as well as their champion-winning counterparts.

The Southsiders finished fourth in regular season play, and equalled that record in the playoffs to finish fourth on the season. They played North Dundas 1 in the B division finals and lost 6-0.

The Southside Kickers in the U13 male division finished fifth in their division, and in semifinal action were unable to make their way into the playoffs.

U16 Northside Seaway Kickers Win Division Championship

Championship team members include, back left to right, Jason Smellink, Nick Ault, Derrek Thompson, Coach Donald Merkley, Jordan Hawn and Alex Bouwman. CARD OF THANKS

CASSELL–We, the family of the late Junior Cassell, who passed away at the Winchester District Memorial Hospital on July 22, express our sincere thanks to relatives, friends, neighbours, doctors, nurses and case workers, Parker Funeral Home and Rev. Pat Martin for your expression of sympathy, love and support at this difficult time meant so much to our family. The beautiful flowers and memorial donations that were sent in memory of dad provided a sense of comfort to the family as a visible symbol that others share our loss. A special thank you to Ginny Butler for her beautiful eulogy, also the ladies of the Anglican Church for providing the refreshments for the reception.
–Judy, Jim, Kris, and Jamie. 33c

IN MEMORIAM

CASSELMAN–In loving memory of a dear husband, father, grandfather and great grandfather, Orval, who passed away August 22, 1992.
No wealth could buy the pleasure,
That we felt just from your smile.
No glory could be greater,
Than to be with you a while.
Of all that life has given us,
And all that is left to do.
We'll never have a greater gift,
Than the days we spent with you.
–Forever in our hearts, Audrey and family. 33p

LAPIERRE–In memory of a wonderful husband, father and grandfather, George, who passed away August 15, 2004.
The moment that you died,
Our hearts split in two,
The one side filled with memories,
The other died with you.
We often lay awake at night,
When the world is fast asleep,
And take a walk down memory lane,
With tears upon our cheeks.
Remembering you is easy,
We do it every day,
But missing you is a heartache,
That never goes away.
We hold you tightly within our hearts,
And there you will remain,
Life has gone on without you,
But it will never be the same.
For those who still have their loved one,
Treat him with tender care,
You will never know the emptiness,
As when you turn and he is not there.
–Always remembered by wife Dorothy, daughter Diane (Lenny), son Carl (Sarah) and grandchildren Brandon, Jessica, Kristin and Travis. 33p

Youngest Bassmasters net top fish

MORRISBURG – A day on the St. Lawrence River netted some great catches for the Quebec Bassmasters.

The day-long bass fishing tournament took place Saturday, when at 6 a.m. contestants loaded their boats into the water for eight hours of nonstop fishing.

The youngest team in the tournament, Team Gendron netted the highest tally of the day weighing in five fish with a total weight of 18 pounds. Top prize was $1,700.

Second place prize money of $800 went to the Landry and Pilon team. The pair caught five fished which weighed in for a total of 17 pounds 6.5 ounces.

The Lalonde Horvath Team brought in 16 pounds 4.5 ounces of bass to claim third place winnings of $500.

The prize money for catching the biggest fish of the day, called the lunker, was $620. The Sim and Barnette team took home that prize with a four pound seven ounce fish.

Thirty-one teams participated in the one-day tournament which has been coming to Morrisburg for about five years.

The fishermen said that they enjoy fishing the St. Lawrence in this area, especially along the shores in the vicinity of the Morrisburg boat dock. "There are a lot of good quality fish in this good quality water."

President of the Quebec Bassmasters, Jack Vogel had a hard day on the water, and said, "it was a make or break day."

"There were lots of fish, but the big ones weren't biting," they said.

A Good Haul Nets Team Gendron Top Prize

The youngest team in the Bassmasters tournament took the early lead, and managed to hang on to catch the top prize of $1,700. Weighing in five fish, team Gendron reeled in 18 pounds of large mouth bass.

1975 Riverside Rascals 30 Years Later *Comfort Photo*

Pictured at their 30 year reunion held Saturday, the Riverside Heights Rascals from 1975. Front left to right are Chris Roberts, Gerry Lalonde, Murray Michelika and Scott Robinson. Back left to right are Bobby Jack Hart, coach Keith Robinson, Gary Hart, trainer Raymond Rabideau, Bert Marcellus, David Keeler, Jay Garlough and Guy Hart.

Reunion

Riverside Rascals turn back the clock 30 years

RIVERSIDE HEIGHTS – It was 30 years ago that the first organized ball team played under the Riverside Heights banner, and that team was reunited Saturday.

The idea of a reunion was the brainchild of team member Scott Robinson, and along with the South Williamsburg Recreation Association, brought back most of the 1975 Rascals, to play a game against Matilda.

"Thirty years ago there were no teams in Riverside," explained Robinson "We were the first team to play under that name."

"Since Riverside Heights is a small community, it made sense to come back, and take the time to thank everyone for what they did here," he said.

"It's like we turned the clock back 30 years."

With the Rascals came the formation of a recreation organization that has long been one of the most successful in the area.

They invited their mayor from 1975, Johnny Whitteker, to say a few words before the game. Whitteker spoke of the formation and success of the recreation association and said, "Thanks to all the volunteers who made this recreation facility the hub of the community."

"There are a lot of recreation committees, but none better than Riverside Heights."

Team Matilda's 1975 Team 30 Years Later

At a 30th anniversary of a baseball team, the Riverside Rascals needed a game, so they invited the 1975 Matilda team to be their opponents Saturday afternoon. Picture in front, left to right, are Kevin Ault, Bruce Froats, Mike Veltkamp, Jimmy Cooper, Andy Lee, Kevin Whitteker and Jeff Veltkamp. Standing left to right are coach Casey Veltkamp, Willy Prunner and David Lapier.
