VOL. 96 NO. 32 | WINCHESTER, ONT. ONT., WED., NOV. 23, 1983 | 18 PAGES 35 CENTS

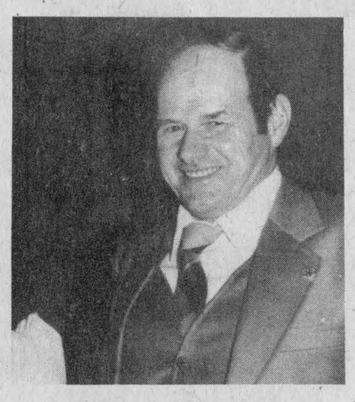
This week

The Devils' hands

Julie Lamb and her mates on the North Dundas District High School Junior Devils' basketball team will be fighting for their lives this afternoon, Wed., Nov. 23. North Dundas received a first round bye in the opening round of the SD&G Junior girls playoffs for their first-place finish but must win this afternoon if they hope to make the championship round. Game time is 3:30pm. See story page 5.

Rose star rises

For the fourth consecutive year, the Rose family of South Mountain have shown the Grand Champion Ayrshire at the Royal Agricultural Winter Fair in Toronto. This year's winner, six-year-old Rosayre Kelly's Peggy received her third consecutive rosette. It was just one of several awards the Rose herd received during the internationally recognized fair. See page B-2 for story.



Herd improvement

The Dundas Dairy Herd Improvement Association held its awards banquet in South Mountain last week. Among the trophy winners was John VanDelst of Chesterville who received the Strader trophy for the best judged management concept. The trophy is one of the association's most prestigious awards. For more see page B-3.

Heart charter

Dundas County has joined the fight against a disease that claims 90,000 lives every year. Last Friday the Dundas chapter of the Ontario Heart Foundation received its official charter. The chapter earned the charter through "a lot of hard work and dedication." See page 4 for story.

Winchester hydro rate may jump 17%

Car gutted by fire

Some days nothing goes right. Garnet Barton of Iroquois had taken his son to Winchester District Memorial Hospital on Monday to get some first aid on a burn. His son suggested during the wait that his father take his car in for a new fan belt. Travelling on Highway 43 east of Winchester, Mr. Barton smelled something burning. While he tried to open the hood, he heard the windshield crack and looked up to see smoke billowing out. A passing motorist notified the Winchester fire department. The car was completely gutted. Above, Garnet Barton looks on as firemen try to extinguish the fire.

Press Photo—Riley

WINCHESTER — Winchester residents could be paying an average of $5.90 a month more for electricity in the new year, if Ontario Hydro's recommendations are followed.

Hydro has suggested a rate increase of 17.1 per cent in the municipality to make up for an anticipated short-fall in operating funds of around $100,000, said Vince Lynch, manager of Hydro's Winchester office.

Mr. Lynch and Hydro consumer service supervisor Stan Dafoe attended a council meeting Monday night to explain their recommendation.

The proposed rate increase of 17.1 per cent, which would take effect after Feb. 1, was based on figures for the first 10 months of 1983, and an operating forecast for 1984.

The rate cannot be raised until Feb. 1 because provincial guidelines state that rates can only be raised once a year. The last rate increase, 1.8 per cent, took place Feb. 1, 1983.

Hydro recently raised rates across the province by around eight per cent in order to maintain financial stability. These rate increases are not restricted by the federal five per cent guidelines, Mr. Dafoe said, because "The guidelines are restricted to costs you can control. Hydro is tied in to charges they can't eliminate."

Mr. Dafoe said the effect of the rate increase of 17.1 per cent, if council decides to adopt it, would amount to an additional $5.95 on each customer's monthly bill. The average residential customer using 1,000 kilowatt hours a month is currently paying $39.30. Next year's monthly bill would be $45.25. General service customers would pay a 19 per cent increase.

Mr. Dafoe said this figure is still lower than average 1983 rates for other utilities in the area, including Embrun and Morrisburg.

According to Mr. Dafoe, the short-fall in operating expenses this year resulted from lower revenues due to an unusually mild winter. Either higher rates or greater energy consumption is needed to balance the budget.

"You have to get the revenue from the customer one way or another," Mr. Dafoe said.

Councillor Larry Cotton said council felt misled because of the low rate increase last year of only 1.8 per cent. "We were sort of sitting around patting ourselves on the back last time," he said. "We feel like we've been led down the garden path."

"There are other utilities in the same boat, but not to the same magnitude that you are," said Mr. Dafoe.

Mr. Lynch said the short-fall was anticipated this year, and the increase was first proposed a week ago. Even at 17.1 per cent the short-fall will only be reduced, not eliminated, he said.

Based on Hydro's new rates, the municipality is expected to buy $1,150,000-worth of power in 1984, Mr. Lynch said.

The village is not obligated to adopt the recommended rate increase, he added. "That decision is up to them."

Morewood man honorary chief

SOUTH MOUNTAIN — Walter Mattice has worked on bucket brigades, warmed up fire engines when an alarm has sounded, helped victims carry possessions from burning buildings and directed traffic.

On Friday the office of the fire marshall decided it was time the retired Morewood farmer became a member of the fire department.

In a special presentation at the 15th annual SD&G Mutual Aid Banquet in South Mountain, Walter Mattice and his wife Mary were appointed as honorary fire chiefs of the United Counties.

Mr. Mattice, 66, was presented with a gold fireman's helmet as a symbol of the position. The award, which has only been awarded twice before in the 15-year history of the SD&G mutual aid program, is presented to citizens who are not members of a fire department, but have made a valuable contribution to a community's fire fighting corps.

Ed Hiscoe, fire services advisor with the office of the fire marshall, praised Mr. and Mrs. Mattice for their selflessness and credited Mr. Mattice for spearheading the campaign that resulted in the formation of the Morewood Fire Department in 1972.

"Walter has always volunteered his time to help anyone in need," Mr. Hiscoe said. "He often arrives at the scene of a fire before the fire department and usually stays after the department has left to see if anything is needed. It is with great pleasure that I present this helmet."

Before Morewood had a fire department, Mr. Hiscoe said, Mr. Mattice would organize bucket brigades and help carry out personal belongings.

His dependibility in handling fire situations, Mr. Hiscoe added, is underlined by the fact that Mr. Mattice has had one of the Morewood Fire Department's emergency phones in his home for the last 11 years.

In the past, he said, Mrs. Mattice has taken the emergency call and relayed the message to fire fighters while her husband has gone to the fire hall to open the doors and started the trucks.

"Mr. Mattice is always there to help, directing traffic, getting coffee for the firemen and coming back to the scene.

"One recent example was when the Mesman family lost their barn to fire. Walter arrived at 5am and helped Mr. Mesman milk his cows at 7:30am.

"I thank you very much for this honor," Mr. Mattice said in accepting the gold helmet. "It may be a little bit more than I deserve."

Two of Mr. Mattice's sons are firemen with the Morewood department.

Parties spending $50,000 on byelection

WINCHESTER — The parties in the Dec. 15 SD&G byelection are preparing to spend at least $50,000 to get their candidates elected to Queen's Park.

Although none of the parties have final budgets, both the Progressive Conservatives and the Liberals have said that they are each going to spend about $25,000 to get their message across. The NDP, the underdog in the campaign, declined to release figures but said it would be a "healthy budget".

The PCs will try to hold on to the riding with an elaborate network of volunteers and organizers working from four committee rooms across the three counties.

"Our budget will be at least $25,000," said Tory candidate Noble Villeneuve. The money, he added, will come from supporters in the counties.

"The cheques are coming in already. At first I was amazed. People have come up to me asking where they could send their cheques."

Liberal candidate Johnny Whitteker said party organizers are hoping to reach a funding goal of $25,000 during the campaign. The riding party is relying totally on donations from county residents.

"You have to cut the garment to suit the cloth," Mr. Whitteker said. "Our money is coming from local people so we will work with what we get."

Liberal supporters, he said, are working from committee rooms in Williamsburg and Alexandria.

The NDP are working from a committee room in Chesterville and are using a Dodge van as a mobile headquarters, said campaign organizer Janet Solberg.

"We're looking forward to a healthy budget for this election," said NDP riding association president Trevor Tolley. He said the provincial association is donating funds and other local associations are taking up collections as well.

Because it is a byelection rather than a general election, he said, the other associations can donate money they would otherwise be using themselves.

Tax rebate program amended for 1984

AVONMORE — A proposed amendment to the province's farm tax rebate program has been amended again.

Beginning in 1984, farmers will be able to receive a 60 per cent property tax rebate on farmland, farm residences and farm buildings. The current rebate program has a ceiling of 50 per cent.

Ontario Agriculture Minister Dennis Timbrell made the announcement during an hour-long speech in Avonmore Monday night.

The new program is a radical departure from a proposal promoted by the ministry earlier this year in which farmers would be allowed to claim a 100 per cent tax rebate on farmland and buildings not considered part of the farm residence.

Under the Ontario Farm Tax Reduction Program, which was to have gone into effect in 1984, farm residents would be assessed at 50 per cent of the value of similar lots in the area.

Although the program had been designed to ease the tax base for farmers, it drew heavy criticism from several farming groups who feared it would threaten their autonomy by giving urban taxpayers a say in the production of food.

Mr. Timbrell made no mention of those

- See 'Farm Tax' page 2

Green light for firemen

SOUTH MOUNTAIN — The Ontario Fire Marshal's office is hoping the provincial government will give the green light to volunteer firemen.

Al Dupuis, chairman of fire services in Ontario, told firemen from SD&G on Friday that the office is currently working on getting a green, revolving flashing light that would be used exclusively by volunteer firemen.

A number of different lights are currently being tested, he said. The lights would be used as an identifying sign in traffic.

Ed Hiscoe, a fire services adviser with the Office of the Fire Marshal, said the tests have been conducted in co-operation with the Ministry of Transportation and Communications and that preliminary results have been "very well received."

A green light was chosen, he said, because tests showed it to be the most visible color.

No target date has been set on the availability of the lights, which will have to be approved by a number of committees and subcommittees before being adopted.

The small amber lights volunteer firemen have used in the past, Mr. Hiscoe said, have never been satisfactory. "Fifty per cent of the people think you are making a left hand turn and the other 50 per cent don't care."

A Christmas preview

These children were all eyes as Santa Claus made an early visit at the Gerry Lea Restaurant in South Mountain on Saturday. All three promised to be good for at least the next month. The children are (left to right) Kelly Casselman, 5, Jamie Roderick, 4, and six-year-old Derek Theoret.

Osgoode takes hard line on Bell Canada cable

METCALFE — Osgoode Township has temporarily resolved a dispute with Bell Canada over relocation of a telephone cable as part of the South Castor drain project, but the township has reserved the right to challenge Bell's share of the cost.

At a council meeting last Tuesday night, the township agreed to permit the company to relocate the long-distance cable in two places, for a cost of $55,520.

Based on a policy that dates back at least 10 years, Bell Canada will pay only $3,000 per cable crossing of a municipal drain, said Bell engineer Ted Rootham.

"During the province's drainage committee hearings about 10 years ago, Bell offered to write off $3,000 for cable relocation," he said. "At the time we figured it would cost $3,000 to relocate a cable, but now with inflation the difference is abominable."

Mayor Al Bouwers added that Bell's figure is also based on an average drain costing $40,000 to $80,000, while the South Castor drain is by no means average. It is estimated to cost almost $4 million.

He said Bell shouldn't penalize a few farmers for the cost of lowering a cable used by thousands of people.

"It isn't fair. Bell should look after the situation. Council would have a good chance of winning this case in a court of law on these factors," said the mayor.

Mr. Rootham said the cost of relocating a sensitive telephone cable is normally high, but the cost in this instance is escalated by the nature of the work that has to be done at the two crossings, one of earth covering and other of rock.

Alec Graham, drainage superintendent for the muncipality overseeing the South Castor drainage project, said Osgoode's challenge of Bell's $3,000 per cable crossing policy is further complicated by a conflict of jurisdiction.

"Bell operates under a federal charter, so the Drainage Act (provincial legislation) doesn't have any jurisdiction on it," Mr. Graham told council.

"The matter of Bell paying such costs has not been determined by any court of jursidiction," he added.

The $3.4 million South Castor drain project is jointly financed by the federal and provincial governments and the affected property owners. When completed, the drain is intended to reduce flooding and improve drainage in the southern part of Osgoode Township, as well as in parts of the neighboring townships of Mountain, South Gower and Winchester.

Osgoode Township signed a contract with Cruickshank Construction last month for the completion of the long overdue dredging program on the drain.

The contract signing ended seven years of delays since the project was first initiated by 25 Osgoode and Mountain Township property owners in 1976.

The drain is being lowered five feet.

Winchester auxiliary inaugurated

The Winchester unit of the Winchester District Memorial Hospital's Women's Auxiliary was officially formed on Nov. 16 with an inaugural meeting at the hospital. In the front row, left to right, are Elizabeth Vasey, secretary-treasurer; Doris McVey, president and Kathy Flucke, first vice-president. At rear from left are Pauline Strachon, Gertrude Willard, Wilma Ledgerwood and Betty Barton.

School board seeks new trustee

CORNWALL — The SD&G County Board of Education is looking for candidates to replace trustee Lorne Thompson, who died Oct. 29 after 40 years service on the board.

A three member committee has been appointed to select Mr. Thompson's replacement. Trustees Gerry Rosenquist, Roy Hastings and Art Buckland will be interviewing the prospective candidates.

The closing date for applications for the position will be Mon., Dec. 5. The committee is expected to have a recommendation ready by Dec. 13, when the board will hold its next meeting.

According to the Education Act, applicants for the position must be Canadian citizens, 18 or over, and must be residents within the board's jurisdiction.

Last week Graham Casselman, a life insurance salesman from Winchester Springs, said he intended to submit his name for the job. Mr. Casselman ran against Mr. Thompson in the November 1982 board election.

Mr. Thompson, 71, served more than 40 years on different school boards. He was a trustee on the SD&G board since its formation in 1969.

A resident of Chesterville for 25 years, Mr. Thompson eventually became the oldest serving member of the board.

Applicants for the vacant position are being asked to submit a written statement to board secretary T.R. Leger, together with background information and a statement of philosophy. The deadline for applications is 4pm, Dec. 5, 1983.

Farm tax rebate

- Continued from front page

criticisms in his announcement, saying only that the rebate program had been revised following the completion of a ministry survey on the subject.

"I went to the (Ontario Federation of Agriculture) board 11 days ago," Mr. Timbrell said, "and laid my hand down. It was a great theory a year ago and a great theory today, but we have done a survey and it doesn't work."

In addition to the new tax rebate level, the ministry will lower the production eligibility requirement in Eastern Ontario from $8,000 a year to $5,000.

"It's going to mean that even more people are going to qualify," Mr. Timbrell said. "There will be between $65 and $68 million in tax rebates this year. There will be $90 million in rebates against the municipal tax bill in 1984.

The new program, he said, is in keeping with the ministry's goal of promoting farm land use by easing the tax burden.

Jean Boland opens home for Metcalfe WI meeting

METCALFE — The November meeting of the Metcalfe WI was held at the home of Mrs. Jean Boland, with the president Mrs. Ed Scharf presiding.

The roll call, "A hint for wise shopping practice" was answered by 10 members.

Secretary Mrs. Galloway read the minutes and gave the treasurer's report.

Mrs. Ed Scharf reported on the area convention and the results of the Ottawa Winter Fair. Mrs. E. Quinn reported on the sale of pies at the Plowing Match and how the money will be divided.

We've been asked to cater to the Lions in December and in the new year to the 4-H leadership club which will be the quilting course.

All enjoyed themselves on Nov. 1 when we had dinner at Gerry's Diner and then went to see My Cousin Rachael at the Little Theatre.

We are going to hold our January meeting in the Stanley Apartments where we have a couple of members residing.

All were reminded of our Christmas party to be held at Mrs. Emerson Irven's, the second Tuesday of December.

In the absence of the convenor Mrs. Irven, who was ill, Mrs. W. Dow gave a paper on the activities of the WI in the past and also a paper on, "The doctor was not a gentleman," these were very interesting.

The hostess gift was won by Mrs. Alan Scott.

After a delicious lunch prepared by Mrs. Galloway and Mrs. Boland, Mrs. Van Berlo thanked them and the meeting closed.

ST. LAWRENCE COLLEGE SAINT-LAURENT at Cornwall invites applications for the following full-time, permanent position:

Teaching Master Computer Software

You, as a Software Engineering Specialist, would be teaching in the Computer Software Technician program and providing support for our Microcomputer Engineering Technology program. You should be familiar with programming both mainframe and mini-microcomputers in such languages as FORTRAN, C, PASCAL, and PLM80. Knowledge of systems programming and operating systems is also required.

Our computing environment includes an IBM 4341 with VM370 and OS/VSI, VAX/11 750 running VMS and UNIX, and PDP 11/34 running RSTS/E. Our campus also maintains a number of microcomputers and microcomputer development systems.

You must possess a three-year diploma in Computer Science from an accredited college, or a university degree, plus five years' industrial experience.

Salary: Commensurate with qualifications and experience.
Effective Date: As soon as possible.
Apply in writing to: Ms. Pennie Carr-Harris
College Employment Officer

Three fire departments share safety trophy

The 15th Annual Mutual Aid banquet was held in South Mountain on Nov. 18 with an attendance of over 200 people. Among those recognized were, in the front from the left, honorary fire chief Walter Mattice, Roy Evans of the Newington fire department, Walter Moak of Newington and Lyal Kehoe of Williamsburg. In the back row are Howard McEvoy of Glen Walter, fire marshall advisor Ed Hiscoe, Mark Prendergast of Newington, Garry McCutcheon of St. Andrew's, Ernie Gillard of Ingleside and county mutual aid co-ordinator Hugh O'Reilly.

Press Photo—Riley

SOUTH MOUNTAIN — "If the definition of a professional is someone who knows what he is doing and why, then I would say most of the 17,000 volunteer firemen in the province are professional," Al Dupuis told a packed audience during the 15th annual Mutual Aid banquet in South Mountain Friday night.

Mr. Dupuis, chairman of fire services in Ontario, said he was pleased with the mutual aid program in the United Counties and commended municipal and township fire departments for their dedication in finding ways of getting better equipment.

Among the award winners, fire departments from Newington and Williamsburg received the majority of trophies for safety and distinguished service.

The Lovitt Safety Trophy was won jointly by the Newington, Ingleside and Williamsburg departments.

Newington and Williamsburg fire departments shared the Labatt's Fire Prevention Trophy while Howard McEvoy of the Glen Walter department in Charlottenburg received the try for outstanding service.

Mr. McEvoy was commended for spearheading collection campaigns to raise money for a "Jaws of Life" and foam equipment. Both drives were successful. In accepting the award, Mr. McEvoy praised "community help" for the new equipment.

Garry McCutcheon, chief of the St. Andrew's fire department, was presented with the Labatt's Mug for Distinguished Service in recognition of his work in expanding the station there.

CJOH news director Max Keeping, a special guest at the banquet, called the work of volunteers vital to the workings of a community and added that volunteers last year provided services worth nearly $4 billion.

The Newington fire department received the Jack McMillan award, based on a point system covering attendance at mutual aid meetings and providing safety programs, with 258 points.

Williamsburg, with 240 points, and Ingleside with 222 received honorable mentions.

Puppet classic at Vernon

VERNON — Oriental puppets and mysterious music are all part of Rag and Bone Puppet Theatre's production of The Nightingale to be presented by the Vernon branch of the Osgoode Township Public Library in the Presbyterian Church Hall, Main Street, Vernon, Thurs., Nov. 24 at 4pm.

Adapted by the Rag and Bone Puppet Theatre from Hans Christian Andersen's classic fairy tale, The Nightingale story takes place in Ancient China which has inspired the vivid, delicate puppets and rich costumes of puppeteers Kathy MacLellan and John Nolan and the exotic mystery of the music by Brian (Chiefer) Searson.

Especially for children four years of age and up, the tale portrays the values of loyalty, duty and simplicity. It tells of the Emperor who has everything but who must choose between a mechanical clockwork nightingale, studded with precious jewels and a real nightingale whose song is so beautiful it brings tears to his eyes.

Rag and Bone Puppet Theatre has been performing puppet shows and teaching puppetry in schools, libraries and community centres since 1978. Based in Ottawa, the company was founded by the husband and wife team of John Nolan and Kathy McLellan and has performed widely on television and at puppetry festivals in Canada and the United States.

All are invited to come and enjoy the show which is being sponsored by the Vernon Branch of the Osgoode Township Public Library, Eastern Ontario Regional Library System and "Outreach Ontario", Ministry of Citizenship and Culture.

Council rejects crossing guard request

by Teresa Lopinski
Press Correspondent

METCALFE — Osgoode Township council rejected a request for an adult crossing guard for the village's two elementary schools last Tuesday night, but agreed to the placement of "no stopping" and "parallel parking only" signs on Albert Street as sufficient safety measures for the children.

Speaking on behalf of three Metcalfe citizen's groups, Carol Parker told council that elementary school children are in danger of being hit by "younger, less experienced drivers from the high school down the street."

To ensure the children's safety, she said the three associations proposed the placement of an adult crossing guard at the Albert Street crosswalk between Metcalfe Public and St. Catherine's Separate schools.

The recommendation was made on the basis of a traffic survey done by volunteer parents a couple of months ago.

On an average morning about 70 children cross Albert Street and around 140 cars pass by the two schools, said Mrs. Parker.

The Metcalfe Home and School Association, the St. Catherine's Parent Teachers Association and the Metcalfe and District Teachers Association also recommended that council share the cost of hiring an adult crossing guard with the Carleton Board of Education and the Carleton Separate School Board.

"The CBE will pay up to 50 per cent of the crossing guard's salary if the crosswalk is considered to be dangerous by the police," said Mrs. Parker, "while the CSSB doesn't have a policy on this."

Mayor Al Bouwers told the dozen residents present he didn't feel the crossing is a dangerous one.

"There are many more dangerour crossings than the Albert Street one in Metcalfe," he said. "Police records don't indicate any accidents there. Neither the Ontario Provincial Police nor the Carleton Board of Education recommend a crossing guard for Albert Street," he added.

Mayor Bouwers further explained that a regional transportation survey completed in June 1982 showed there isn't enough traffic on Albert Street to warrant a guard.

"The study showed a 10 per cent warrant for a guard there," he said.

In response to parents and teachers comments that the exam-time survey was inaccurate, the mayor said he is "more than willing to ask that a new survey be done."

Even though council rejected the parents and teachers crossing guard request, they agreed to the group's alternatives of placing "no stopping" signs for 75 feet on either side of the cross walk enabling the children to see oncoming cars before crossing the street.

Council also agreed to place a "parallel parking only" sign in front of St. Catherine's school during school hours.

The mayor said council will inform the school boards of the parents' concerns for their children's safety crossing Albert Street.

He also said the township "can make a serious request to the region on speed reduction for the school area and ask about getting white lines painted for the Albert Street cross walk.

In other business, council observed a few minutes of silence on the death last week of MP Walter Baker, "who served diligently as representative of Nepean-Carleton and previously served as Osgoode Township solicitor."

Council also adopted three bylaws and approved a tile drain loan. Two bylaws enabled the township to assume Elizabeth Street in Osgoode village as a public highway and the streets in the Shields subdivision in Greely.

Another bylaw gave the township authority to assume one-foot reserves on Plan 670 in the Ferguson subdivision in Osgoode.

The township approved a tile drain loan for $8,500 to William Armstrong for drainage work on Lot 2, Concession 8, west of Edwards.

Also in drainage business, treasurer Don Reid announced he received a call from the Ontario Ministry of Agriculture and Food informing him the township will be receiving an additional $30,000 for tile drain loans this year. The township's original 1983 allocation was around $207,000.

With the snow looking like it's here to stay for the next few months, council decided to spend $8,160 for the purchase of an extra sander. The township now has the use of three sanders.

Council also passed a resolution authorizing the mayor and clerk to sign an agreement with Gibson Patterson to snowplow and sand the unassumed streets in registered township subdivisions.

Minor accidents, Vernon theft

Compiled by Cpl. R.J. Lyon
Winchester Detachment

ACCIDENTS

On Tues., Nov. 15 at 8:40am Albain Legault, 55, Crysler, was driving his 1980 Pontiac south on County Road 7 approaching the Boyne Road. Mrs. Marilyn Cotton, 34, of Main St., Winchester, was driving her 1977 Honda east on the Boyne Road and stopped at the intersection of County Road 7. Cotton failed to see Mr. Legault and drove onto County Road 7. The left front of the Legault vehicle struck the left rear of the Cotton vehicle. Mrs. Cotton was slightly injured. Mr. Legault and his four passengers were not injured. The vehicles suffered approximately $2,000 damage. Mrs. Cotton has been charged with fail to yield to traffic on through highway.

On Wed., Nov. 16 at 7:15am William Gilles, 41, Main St., Chesterville, was driving his 1984 Oldsmobile east on Main St., Winchester, when he lost control. The vehicle skidded across the road in the slush and struck a parked '74 Datsun owned by Elaine Hay of Winchester. There were no injuries and the vehicles suffered approximately $2,000 damage. Const. Bryan Helmer is investigating.

On Fri., Nov. 18 at 7:45pm Martin VanKoppen, 29, RR4 Winchester, was driving his 1984 Datsun east on a concession road west of Inkerman. He lost control of his vehicle on an icy patch and the vehicle skidded into the south ditch where it struck and broke off a pole. There were no injuries. Damage to the vehicle and pole is estimated at $3,500. Const. Gary Imbeau is investigating.

BREAK, ENTER & THEFT

On Wed., Nov. 16 at 10:35am Carole Doornwaard, RR3 Metcalfe, reported a break-in at Lot 1, Concession 12, Winchester Township, near Vernon. Mrs. Doornwaard and her husband Henry are building a new house at that location. The break-in occurred during the night of Nov. 15-16. Entry was gained through the patio doors by one person. Stolen property consists of three drills, a skill saw, a Homelite chainsaw, brass doorknobs, telephone, black and white Sears TV and other workers tools. Approximate value of theft is $1,000. Const. John Ralko is investigating.

WFD draw winners

WINCHESTER — Four winners in the annual Grey Cup Cheer Draw were announced by the Winchester Volunteer Fire Department last Friday.

Hilton Reid of Chesterville (ticket No. 445) was the first prize winner.

Ray Kelly (No. 079) was the winnerof the second-place prize.

Al Harper (No. 541) won the third prize and Rhonda Steele (No. 020) was the winner of the fourth-place prize.

Heart Foundation charters Dundas branch

WINCHESTER — Dundas County is doing its part to help fight a disease that claims 90,000 lives every year in Canada.

The Dundas chapter of the Ontario Heart Foundation received its official charter at a public meeting in Winchester Public School Friday evening.

The volunteer organization, which raises money to aid in heart attack and stroke research, will soon be renamed the Ontario Heart and Stroke Association, said past president Ed Quinn, who was on hand for the presentation.

Heart disease research in Canada is conducted through volunteer organizations. Volunteer work "is the key to our community and the key to making this country work," Mr. Quinn said.

Mr. Quinn stressed the importance of continued heart disease research by presenting statistics to show how severe a health problem is involved. Ten per cent of Canada's population currently suffer from heart-related circulatory ailments, he said. About 50 per cent of all deaths in the country result from heart attacks or strokes.

Because 40 per cent of men who die of heart disease are aged 45 to 52, the "most productive time of life," the disease exacts "a tremendous economic toll," he said. The cost to the Canadian economy has been estimated at about $2.5 billion a year.

Mr. Quinn said only about 10 per cent of the funds his organization collects are spent to support the bureaucracy of the organization itself. Of the remaining 90 per cent, 70 per cent goes directly to support medical research.

A large amount is also spent on training people in cardio-pulmonary resuscitation (CPR), he said.

Close to 200,000 people in Ontario have now been trained to perform CPR, which has already saved many heart attack victims who would otherwise have died before they could be taken to the hospital.

"All of us have had experiences with this dreaded disease," said Carleton-Grenville MPP Norm Sterling. "We lost our former member Osie Villeneuve to heart disease."

Mr. Sterling added that the Dundas chapter has "earned this charter through a lot of hard work and dedication."

The charter was presented to Bert Stel, executive director at Winchester District Memorial Hospital, and will be hung in the hospital's main lobby.

"I hope you will look after it just as well as you look after all of your patients over there," said chapter president Betty Allen.

Take it to heart

Betty Allen, president of the Dundas County chapter of the Heart Foundation, receives the chapter's official charter from Ed Quinn, past president of the foundation. The public presentation, which gave people an opportunity to learn more about the foundation, was the first of its kind in the province. Press Photo—Must

Opening dinner

Vernon's swank new recreation hall will welcome its first guests this Saturday when Vernon Community Association will serve up a delicious roast beef dinner followed by dancing to music by the popular Crossover group. Located adjacent to the ball park there is ample parking, everyone is welcome and according to an association spokesman, there are still a limited number of tickets available. Social hour and guided tour of the complex begins at 6pm followed by dinner at 7pm.

Dundas Junior Devils win pennant, play today

MAPLE RIDGE — Today (Wed., Nov. 23) at 3:30pm North Dundas District High School will host a sudden death semi-final SD&G Junior girls basketball playoff game.

The home school Blue Devils will face either La Citadelle Patriotes or CCVS Golden Raiders in that all important contest for the right to advance to the SD&G two-game total point championship series. That '83 SD&G final will be played on Nov. 25 and Nov. 28.

Tuesday the winner of the La Citadelle - CCVS contest was declared and at the same time Tagwi Warriors battled the Saint Lawrence Saints to determine a challenger for the General Vanier Vikings.

General Vanier and North Dundas captured their respective regular season division championships to earn the first round byes.

Junior Devil coach Blake Taylor felt if La Citadelle won the qualifying game his team (who have defeated La Patriotes twice by scores of 30-19 and 35-26) will stand a very good chance of making it to the SD&G championship series. But if the powerful CCVS Golden Raiders make the trip to North Dundas today he said his Dundas squad would be in for a "Devil" of a game.

North Dundas finished off an excellent season, posting back-to-back victories over La Citadelle (35-26) and Glengarry (52-12) last week. The double wins improved their first-place standing to five wins and just one loss.

Tagwi Warriors tied North Dundas' five and one mark and split season meetings with the Devils, but had to settle for second place because North Dundas had outscored them by one point in their series.

The Devils will have to keep their shooters sharp for today's playoff showdown. Over their six-game schedule the Devils outgunned their opposition 231 to 135 for a per game clip of 39-23 and will have to maintain that edge under both boards if they hope to advance along the playoff trail.

Last Tuesday on the road the Devils handed La Citadelle a 35-26 loss by spreading their offence between seven shooters. Donna Koekkoek led with eight points. Cindy Ace, Tracey-Lee Anderson and Julie Lamb all hooped six points. Tracie McVey supplied seven while Rhonda McIntosh (two) and Norine Milne (one) rounded out the attack.

Chantal LaLonde paced La Patriotes with a dozen points.

At home last Thursday the Devils pounded Glengarry Gaels 52-15, building up quarter scores of 14-2, 23-7, 36-13 and 52-15.

Tracie McVey waited until the final regular season game to catch the team scoring leader — Donna Koekkoek — and did just that in impressive fashion, hitting for 20 points on nine field goals and two of three free throws.

Donna Koekkoek supplied 12 points for the Devils. April Van Vlaanderen, six; Rhonda McIntosh, four; Linda Hamelin, four; Tracey-Lee Anderson, two; Caroline Anderson, two and Norine Milne, two, all hit the scoresheet.

Wendy Sheperd with six points was Glengarry's top scorer.

TEAM SCORING

Tracie McVey and Donna Koekkoek tied for the team scoring title collecting 40 points in six games. Cindy Ace was third with one ahead of Julie Lamb, 31; Rhonda McIntosh, 21; Norine Milne, 20; April Van Vlaanderen, 13; Carol Droppo, 11; Linda Hamelin, 10; Tracie-Lee Anderson, eight; Carolyn Anderson, four and Franzi Herzig, two finished in that order.

Ready for seconds?

Metcalfe Mustang goalie Chris Cram watches a rebound bounce off of his pad back past team-mate Greg St. Denis, directly towards an oncoming Winchester Hawk. Fortunately for Cram, Brad Robinson wasn't able to score on this second-period opportunity. Mustangs tied the Hawks 2-2 in the Monday night UCMHL Atom B contest on Jeff Bray's goal which came with just 2:30 left to play.

Sports '83

Lions still undefeated, squash SM

SOUTH MOUNTAIN — Lions proved once again they are the class of this year's edition of the Mountain Township Floor Hockey League. Monday night the Lions roared to a 9-4 victory over the only team that can come close to them — SM Electric — improving their record to five wins and no losses.

In the evening's other matchup South Mountain WI dealt last-place MFD Smokies their fifth straight loss, defeating the department 8-3.

SM Electric's loss to Lions and WI's win over the Smokies made the race for second spot interesting. SM now holds just a two-point lead over WI. At the same time Lions moved four points up on SM to tighten their grip on first place.

League-scoring leader Scott Gregory scored three more goals for Lions, bringing his season production up to 25 goals and 25 points. He also drew an assist, his 10th of the campaign. Teammate Derrick Workman added four goals and two assists while John Hare and Scott Vandenheem connected for single goals.

Bobby Hammond scored twice for SM Electric. Gerry Hamilton and Brent Payne fired in singles and Derek Brannan picked up an assist.

Marc St. Pierre's four-goal effort lifted WI to their 8-3 victory over MFD Smokies and boosted him into the top 10 scorers. Marc now has six goals and six assists for 12 points and seventh place in the list.

Scott Sullivan added three goals and two assists to his total and now has 19 points on 15 goals and four assists. Barry Moorehouse found the range once while Harold Mellon (two) and Sean Coligan added assists.

Kelly Billings scored twice for the Smokies. Jenny Lamb scored the other goal and Lorne Derrick drew two assists.

WI took a 6-1 first-period lead and then managed just two more goals against the Smokies.

Junior Cs split pair

METCALFE — Metcalfe Junior C ringette squad split a pair of games last week, evening their Gloucester association's record to three wins and three losses.

Last Tuesday Metcalfe travelled to Almonte and were drubbed 14-5 by the powerful league leaders. Kelly Stanley and Donna Meloy each scored twice for Metcalfe while Kathy Baillon snapped in the other. Linda Vidal, Kelly-Anne Molloy and Kelly Stanley picked up assists.

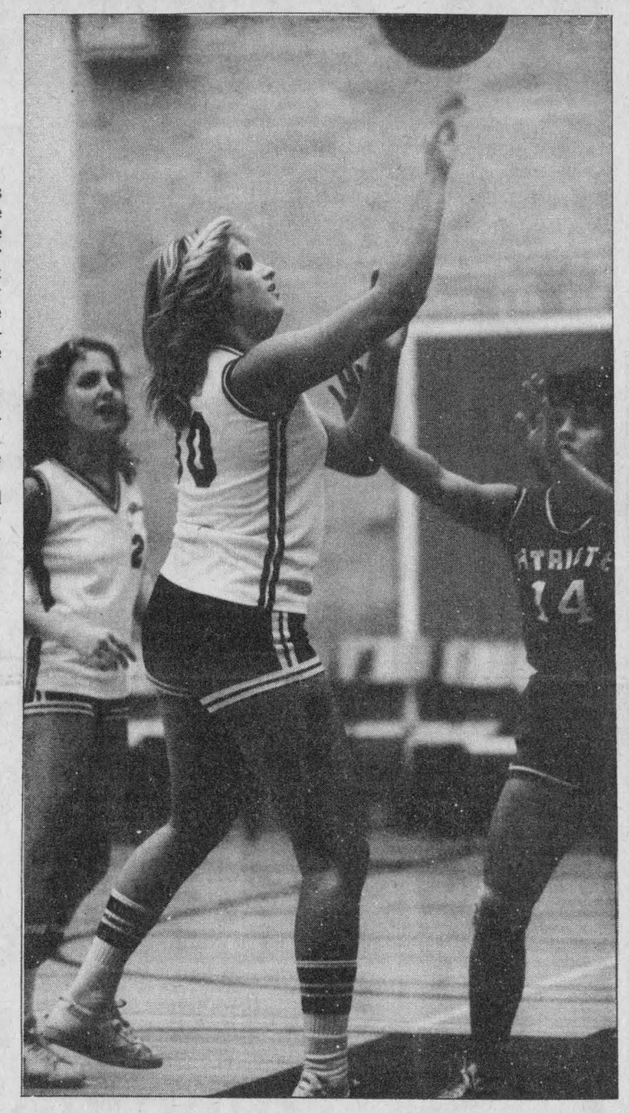
The girls rebounded with an exciting 7-6 victory in Ottawa over North Gloucester No. 2 last Thursday night. Metcalfe skated into a 5-3 first-period lead, but had to battle for the next two frames before tracking down victory.

Kelly Stanley was the scoring wizard fashioning five goals and one assist. Linda Vidal and Kelli-Anne Moonie each bagged single goals.

Kelly McMillan and Tracie McVey each picked up a pair of assists while Kathy Duncan, Kelli-Anne Moonie and Cheryl Cooper added single helpers.

Kelli-Anne Molloy played her first game in the Metcalfe nets, replacing Cheryl Acres and turned in a strong effort without any previous experience.

Metcalfe hosts Orleans No. 1 this Friday (Nov. 25) in their home game of the season. Game time is 7pm.



Deanne Saunders led North Dundas' Senior Devils basketball team, scoring 87 points in eight regular season games. Her team finished third with a record of five wins and three losses and just missed the playoffs.

Press Photo—Van Bridger

Seniors miss playoffs

MAPLE RIDGE — It came down to a total point tie-breaking formula between Tagwi Warriors and North Dundas Devils to decide who would qualify for the '83 SD&G Senior girls high school basketball quarter-final playoff game and Tagwi Warriors won.

Tagwi defeated North Dundas District High's Senior Devils in both regular season meetings and won the total point war by just three — 78-75.

With the Devils out of the way Tagwi was slated to do battle with St. Lawrence Saints in a quarter final match Monday. In the other first round encounter La Citadelle and Char-Lan were to clash. The winners of those games would go on to face General Vanier Vikings and CCVS Golden Raiders in sudden death semi-final games on Wednesday. The two finalists would then decide the 1983 SD&G Senior title in a home-and-home two-game total point championship series which will be played Nov. 25 and 28.

Last week Nancy Wilson's Blue Devils split their final two SD&G contests, concluding their season with a record of five wins and three losses. They outscored their opposition 312 to 280 (49-35) in eight games.

Last Tuesday the Devils lost 48-37 to La Citadelle Patriotes in Cornwall, but wound up their season with a home court 43-35 decision over Glengarry Gaels. North Dundas finished in a two-way tie for second with Tagwi, but missed the playoffs because of their record against the Warriors.

North Dundas led the Patriotes 18-16 at the half of last Tuesday's match in Cornwall, but allowed Jennifer Burke to pile up 14 third-quarter points and lead her mates from their half-time deficit onto a 48-37 victory.

Burke's third-quarter explosion highlighted a 22-point scoring excursion. Julie LaLonde added 14 points for La Citadelle.

Deanne Saunders paced the Devils with 14 points. Nicole Van Vlaanderen dropped in seven, Alice Koekkoek six and Patti Milne five. Danielle Gryspeerdt and Wanda Moore each supplied a field goal.

REBOUND

Last Thursday at home the Devils stayed in the hunt for a playoff berth, whipping the visiting Gaels of Glengarry 43-35.

Dundas trailed 6-2 after a quarter, but were on top to stay (17-15) at the half.

Deanne Saunders led the Devils scoring 15 points. Nicole Van Vlaanderen added 11. Wanda Moore and Patti Milne sunk six points each. Angie Ganter hit for four, but Alice Koekkoek was held to a single point.

Connie Smith scored 12 of Glengarry's points.

FINAL STATS

Deanne Saunders led North Dundas' regular season offence dropping in 87 points. Alice Koekkoek was second with 51, Patti Milne hit for 44. Wanda Moore was good for 40 points and Nicole Van Vlaanderen had 38. Danielle Gryspeerdt and Angie Ganter collected 18 apiece and Vicki Holmes added 13. Anne Porteous and Stephanie Summers were blanked.

Metcalfe Jets zoom into command of division

METCALFE — Metcalfe Jets, under severe criticism for faltering in the opening weeks of the Eastern Ontario Junior B season are zooming back into contention.

Last weekend three consecutive additions to the "win" column vaulted them back into their familiar first place in the Alex English Division standings.

Opening with a lopsided 12-1 win at Williamtown Wednesday night the boys returned home Friday night to host the powerful Navan Grads. Playing before loud and enthusiastic crowd the boys easily racked up two more points, upsetting the Grads to the tune of 9-3. As a fitting climax to their winningest weekend to date Metcalfe's high-scoring squad trounced Clarence Creek 8-1 in a Sunday night game in the Beavers' home area.

JETS' MARKSMEN SETTING HECTIC PACE

Metcalfe, as well as moving into first place, now has five players on the "top 10" list. Dwayne Cowick with 18 goals and 16 assists for 34 points is in the lead followed by Lindsay Pasch (11 - 19 - 30) and Scott Reed (12 - 13 - 25). Peter Holmes is tied for fifth position with seven goals and 14 assists while Rick Downey moves into the race with eight goals and 12 assists.

MASSACRE AT WILLIAMSTOWN

Last Wednesday night at Williamstown there were early indications that the Rebels might have found a winning system when Mike Lapensee teamed with Dwayne Spink and Kevin Renwick had beat Greg Scott in the Metcalfe net when the game was only 23 seconds old.

But the flurry was brief — it was the only time Scott encountered any trace of fire-power. The Jets roared back with five unanswered goals before the period ended; added another five in the second frame and rubbed salt into the wound with two more in the final 20 minutes.

Final score: Jets 12 and Rebels 1.

Metcalfe's two high-scoring forwards, Dwayne Cowick and Lindsay Pasch were forced to miss the Rebel game when they attended a benefit night for an injured friend, but Rick Downey took over the limelight with four goals and one assist.

Downey opened the scoring for Metcalfe with the tying marker and two minutes later Gary Poirier notched what proved to be the winner and from then on it was strickly "down hill' for the luckless Char-Lan Rebels.

In the scoring department, along with Downey's four, Scott Reed and Bryan Hynes each added two with singles by Poirier, Peter Holmes, Murray Toll and Jeff Thompson.

Picking up assist points were Holmes, three; Kempt, Poirier, Bentham, Flickel and Thompson, two each; Reed, Toll, Dumelie and Scharf, one each.

GRADS FAIL FRIDAY NIGHT

Navan Grads visited Metcalfe Friday night, but failed dismally in their efforts to hold the division lead. Although managing to hold the determined Jets to a one-all tie in the opening stanza they were completely outplayed in the second period and held scoreless in the final 20 minutes, losing 9-3 to the Jets.

Murray Toll teamed with Dwayne Cowick and Rick Downey early in the game to put Jets out front, but in the dying minutes of the first period Leo Dufort completed a play set up by Joel Lalonde and Mario Bission to knot the score.

Less than two minutes into the second period Doug Scharf put the Jets ahead and less than a minute later Lindsay Pasch made the score 3-1 and from then on the Jets were in complete command. Bob Laurin and Mike Laplante each managed to slide the puck past Stewart Patterson, who was playing his usual stellar game between the Jets' pipes, but countering those two goals were additional Metcalfe light-blinkers by Pasch, Scharf, Poirier, Cowick and Pasch again before the period ended.

In the final frame Poirier added another to make the final score 9-3.

Picking up helper points were Cowick and Downey with four each; Poirier with two; Bentham, Toll, Holmes, Pasch, Kemp and Hynes with one each.

TWO MORE POINTS AT CLARENCE CREEK

Jets completed a perfect weekend, streaking to an 8-1 win Sunday night at Clarence Creek.

The opening period was highly competitive. Scott Reed scored the only goal with only one minute left to play, when he beat Beauchemin on a pass from Jeff Flickel.

However, in the second 20 minutes, it was all Metcalfe as they outscored the hometown Beavers 4-1. Jets' goalie Greg Scott was in complete command in the final stanza while his teammates added three more goals and walked off with the easy two points.

Accounting for the second-period scoring were Jeff Thompson, Reed and Cowick with two. Marksmen in the third frame were Poirier, Pasch and Bentham.

Mario Elibani scored the only Beavers' goal.

Earning assists for the Jets were Kemp with three; Reed, two; Bentham, Pasch and Toll, one each.

ONE GAME THIS WEEKEND

Metcalfe has only one game this coming weekend when they host Char-Lan on Friday night in an 8:30pm contest.

Two out of three ain't bad

WINCHESTER — Winchester's Midget C Hawks won two out of three Upper Canada Minor Hockey League contests last week, losing 6-3 to Iroquois-Cardinal Indians in Cardinal and then defeating Kemptville 4-1 in both ends of a home-and-home series on Thursday and Saturday.

Last Monday in Cardinal the Hawks and Indians were even at a goal after a period, but Winchester trailed 4-3 after two and couldn't catch up.

Captain Tim Helmer paced Winchester, scoring two of their three goals on unassisted plays in the first and second periods. Mike Bell netted the other goal on a pass from Doug Newman.

Bob Hamilton led the Indians' attack, scoring three goals and setting up two more. Harvey Kolf, Eldon Horner and Steve Byers fired single markers for the winners.

Scott Helmer and Paul Warren shared Winchester's goaltending duties.

Hawks rebounded with two victories, winning 4-1 here on home ice last Thursday before winning by the same 4-1 back in Kemptville on Saturday.

Hawks took a 2-1 lead in the first period, bouncing back from a 1-0 deficit on back-to-back goals in the final four minutes of play.

Tim Arnott evened it at a goal when he connected from Wes Williamson. Tim Helmer fired in the winning goal with 2:36 left in the opening period, converting a play set up by Ron Coughlar and Wes Williamson into a 2-1 lead.

After a scoreless second period the Hawks hit for a pair of third-period goals, increasing their margin of victory to 4-1. Mike Bells' unassisted goal at 8:21 upped the difference to 3-1 and Wes Williamson's marker with 6:28 to go made the final 4-1. Tim Arnott and Tim Helmer combined to help Williamson out on the fourth goal.

Paul Warren got the start in goal for Winchester.

In Kemptville on Saturday Winchester posted a second consecutive 4-1 victory. Captain Tim Helmer paced the Hawks, scoring two more goals, increasing his three game total to five.

Hawks led 2-0 after a period and four zip after two. John Helliker ruined Paul Warren's shutout with a powerplay goal in the final two minutes of play.

Besides Helmer's two goals, Winchester got singles from Doug Newman and Danny Gibson. Tim Arnott and Ron Coughlar added assists for the winners.

Winchester's record after five games stands at three and two.

Lions blast Cornwall Flyers

RUSSELL — Seven different shooters fired goals here last Friday night in the Junior C Lions 7-4 victory over the visiting Cornwall Township Flyers.

Russell's home ice triumph over Cornwall improved their Eastern Ontario Junior C record to five wins and three losses as they continue to chase league leading Embrun 72's.

The Junior Lions and Flyers were even at a goal after 20 minutes of action. Russell skated off after 40 minutes with a 2-1 lead and then jumped ahead 5-1 early in the final period before breaking stride and allowing the Flyers to close the gap to 5-4. Regaining their composure the Lions scored a pair of goals in the final minute of play, taking a 7-4 margin of victory.

Richard Corlyon accounted for the winning goal and added two assists for the Lions.

Chris Laviolette also earned a goal and one assist for the winners. Mitch Houle scored his 10th goal and picked up an assist.

Single goals went to Frank Bols, Paul Cochrane, Dave Latimer and Bob Goodman. Nolan Dalman drew two assists. Latimer, Cochrane, Nathan, Waddell and Frank Bols all picked up assists.

Lions host Alexandria Glens this Friday (Nov. 25) at 8:15pm.

Frankly speaking

by Frank Morgan

JETS ZOOM TO FIRST — HAWKS DIVE TO THIRD

After a surprising and spectacular beginning, which kept them in first place for the last few weeks, Winchester Hawks have suddenly slipped to third place while the once-troubled Metcalfe Jets have mended their team problems and have zoomed to first place. They now have a slight one-point margin over second-place Navan. In a tight league this will happen from week to week with close rivals changing positions and that's interesting hockey. The thing that troubles the fans is the fact that while other teams seem to have made improvements, the Hawks, if anything, look worse and while good goaltending and some bursts of individual effort may have held the team in for a while, team play of a regular nature is just not there. What is the matter? Is there dissention on the team? A couple of players have quit. Have there been too many position changes on the lines and on defence? Well, I'm not the coach, but it does seem that Ken and John have to get to the bottom of the problem or that may be the position of the team by Christmas. It surely is not the time to panic and a couple of wins would turn the picture around, but this is the time to be aware of the problem. If the team is not happy, it's time to let the coaches know their feelings. They don't like a loss and I'm sure their ears are open to good, constructive criticism. If it's just the fact that the players are not following instructions and are not playing their positions, then it's up to the coaches to recognize the problems. If it's just a poor team play then only the players themselves can get it together, but the time for action is now, before it's too late. This weekend the team has two away games: Friday in Alexandria and Saturday in Char-Lan. The team can come up with two wins before meeting Navan here next Friday. Let's get it together boys. We are still behind you.

TWO MORE BIG PARTIES THIS WEEKEND

No hockey game this Friday night, but you can bet that there will be a big crowd at the arena. The many friends of Peter Guy and Cheryl Timmins are throwing a big party for the young couple before their upcoming marriage. Pete is well known at the arena where he has been very active over the years, as well as helping with the Chesterville Junior C's in his spare time. Cheryl is the cute little blonde who has greeted you at the CountryBoy for the last couple of years. Both kids are well known and well liked, so it will be a packed house. On Saturday night it's a 25th anniversary for Mr. and Mrs. Art Vandekemp. This one is by invitation only, but when a popular couple celebrate that is another full house, so it's two more big ones this weekend.

TOWNSHIP SKATERS PLEASE NOTE!

It is quite rare to have a mid-week Junior game but on Dec. 7, which is only two weeks away, the Hawks will play on Wednesday night and township skating will be from 7 to 8pm only. Sorry skaters, hope you understand.

Griffith nets hat for Blazers

WINCHESTER — Don Griffith scored three times, leading first-place CountryBoy Blazers to an 8-2 victory over D's Raiders in one of two Winchester Town Hockey League contests.

In the evening's other match-up Country Kitchen Kings moved past Aqua Fun into sole possession of second place, nipping the Flyers 3-2 on a pair of Glen Taylor goals.

After five weeks of action just three points separate the top three teams. Country Boy has eight points thanks to their four wins and one loss. Country Kitchen is one back at seven and two up on Aqua Fun Flyers' total of five. D's Raiders are still looking for their initial point.

Raiders were within a goal after both the first and second periods of their match with the powerful CountryBoy Blazers, but a disasterous third period stretched the Blazers' lead from 3-2 to the 8-2 final.

Don Griffith put Blazers on the board when he netted the first of his three goals at 10:44. Bruce Angus and Dave Cross assisted on the game's first goal. Vince Lynch upped it to 2-0, connecting on a powerplay established by Greg Chamberlain at 4:10.

Tom Kirkwood sliced the difference to 2-1 when he connected on an unassisted rush with 31 seconds left in the period.

Richard Gilmer boosted the Blazers into a 3-2 lead after Raiders' Dave Kerr tied it at a goal. Rich Cowell and Ken Summers set up the tying marker at 15:12. Gilmer broke the tie at 7:56 when he finished off a play started by Bill Hogaboam and Vince Lynch.

Period three was all Country-Boy as they ripped apart Raiders' defence for five goals, blowing the 3-2 score into an 8-2 run away.

Griffith made it 4-2 from Phil Lyall at 17:12. Dave Cross and Bruce Angus combined to set up Larry Moore at 15:28 as he increased it to 5-2.

Griffith finished off the hat trick, scoring a powerplay goal from Dave Cross at 5:07.

With each team playing a man short in the final three minutes the Blazers were able to add two more goals. Angus scored from Hogaboam and Moore with 2:24 to go and then Hogaboam hit from Pete Filion at the 1:32 mark.

KINGS BY A GOAL

Country Kitchen Kings emerged with a 3-2 win over Aqua Fun Flyers in a showdown for second spot in last Tuesday's other matchup.

Kings improved their mark to three, one and one with the slim 3-2 decision and moved two points up on the Flyers.

Defenceman Glen Taylor put the Kings up 1-0, scoring the game's first goal from Doug Duncan at 5:53 of the opening stanza.

Owen Shortt tied the tight, defencive struggle at a goal when he notched the first of two goals at 17:25 of the second period. Al McLean drew the assist.

Kings went up 2-1 when Al Duncan beat Pete MacLeod on a one-on-one break at 13:58 at the same stanza.

Shortt connected for his second goal of the night, tying the game for Aqua Fun on powerplay engineered by Gary Hoy and Larry Berry at 15:16 of the third period.

Glen Taylor decided the match in the Kings' favor when he rifled in his second goal of the game at 12:57. Jim Shaw and Ron Belmmore earned the assists on the winning goal.

Steve Johnston picked up the win in the cage for the Kings while Pete MacLeod, subbing for Lyle Shrigley took the loss.

Sarault's scoring sinks Mustangs

WINCHESTER — Dan Sarault netted both goals leading Winchester Bantam B Hawks to a 2-1 Upper Canada Minor Hockey League Division II victory over the Metcalfe and District Mustangs here Monday night.

Sarault opened the game with a goal at 10:34 when he tipped in defenceman Tyler Middleton's drive.

Mustangs tied it up on a play started by Pete Ladoucer and Mike Stachon who combined to set up Kendall Killen for a powerplay goal at 7:04. Metcalfe caught the Hawks with J.D. VanNoy off serving a cross-checking penalty on the play.

Sarault's second goal of the game decided the issue at the 10:37 mark of the final period. The right winger beat Mustang goalie Steve Demers for the second time in the contest when he converted a play engineered by linemates Rod Casselman and J.D. VanNoy.

Ben Henry posted the victory in the Hawks' net.

Henry was beaten just once in the Hawks' 3-1 victory over the defenders in Prescott last Friday night and has helped his team establish a three win, one loss and one tie record in their first five starts.

Winchester needed all three goals in the third period to dump the Prescott Defenders. Tyler Middleton started it rolling when he scored from Dean Armstrong with 11:13 left in the game.

Jason Broad rang up the winning goal with help from Dean Armstrong at 4:34. Rod Casselman made it 3-1 with 2:02 left when he scored with assistance from J.D. VanNoy.

On winning streak

WINCHESTER — Coach Richard Lortie has his Winchester No. 1 Hawks on a roll. Following their latest outings last week the Hawks are ranked number one in the Upper Canada Minor Hockey League's Bantam C Eastern Division with an impressive record of seven wins and no losses.

Here last Thursday the Hawks downed Kemptville Number Ones 3-1 and then travelled to Kemptville on Saturday and blanked town's Number Two Bantam squad 4-0.

Coach Lortie points to the strong goaltending of Mike Swerdfeger, who has been outstanding in the club's nets and to the play of forward Al Cayer, who has been scoring with super regularity for his team's fast start.

Last Thursday here at home Cayer scored once and set up another goal in the Hawks' 3-1 victory.

Saturday in Kemptville Cayer scored all four goals while Swerdfeger posted the shutout in the 4-0 verdict.

Scoring in the 3-1 win were Al Cayer, Chris Rodney and Stephane Drouin. Chris Rodney, Cayer, Chuck Droppo and Kevin Ball picked up assists.

Helping Cayer out on his four goals in Kemptville were Greg Coons with a pair of assists, as well as Dave Hobson, Drouin, Chris Rodney and Rick Rodney who collected single helpers.

EVERYONE THOUGHT YAMAHA HAD DONE IT ALL LAST YEAR. EXCEPT YAMAHA.
Last year we outdid everything on snow. This year we even outdid ourselves. Not only did we come up with our usual breakthroughs, innovations and advancements, we created two entirely new snowmobiles. So for '84 we can say the best isn't yet to come, the best is here right now.
THE PZ480 PHAZER. DESIGNED TO LET YOU MEET WINTER HEAD ON.
Uniquely styled. Uniquely crafted. Unlike any snowmobile you've ever seen before. The only thing better than its looks is the way it performs.
IT TOOK YAMAHA TO BUILD A BETTER YAMAHA—THE BR250 TRANSPORTER.
You'll find everything you liked about our original Bravo 250 is on our new Bravo Transporter. Plus a little more. We've just made it tougher in all the right places so you get more muscle for the money.
YAMAHA
The way it should be.

Hockey teams suit up

Winchester and District Minor Hockey Association recently received a generous donation of four sets of new sweaters for this season's action. Representing this year's donors, left to right, are Wayne Barkley, Edgerton-Baker Fuels; Bryan Helmer, the OPP; Paul Theos, the Country Kitchen Restaurant and Earl Casselman, president of the WDMHA, Ault Foods Ltd. Sweaters over the past two years have been purchased by Lions Club, Winchester Cheese, Seaway Valley Pharmacy, Aults, Winchester Automotive, OPP, Weagants, Sports Unlimited, Country Kitchen as well as John Ellis Ltd.

Goalies solid behind Lions

MORRISBURG — Morrisburg Lions outscored their opposition 29-7 in a pair of Rideau - St. Lawrence Junior B Hockey League games over the weekend and have established themselves as the team to beat in their division.

Riding the solid goaltending of Dave Black and Greg VanDellen the Lions have rolled up 10 wins and a tie and suffered just one defeat in their first 12 games. They now lead the division in scoring with 111 goals to their credit and trail first-place Kemptville by just a single point heading into their 13th game. The Lions and 73's showdown this Fri., Nov. 25 in Morrisburg.

Friday night here on home ice the hapless Spencerville Bruins were lathered 16-2 by the Lions and Sunday night in Prescott the hometown Falcons were battered 13-5 as the mighty Lions extended their overwhelming domination of their opponents.

Friday night at home the Lions chased starting Bruins' goalie Rob Huttinga and then pelted reliever Rob Baldwin in the 16-2 slaughter.

Gary Beckstead netted three goals and two assists while Kevin Casselman and Lance Wells each scored three times and set up another goal each. Andy Brown also found the target three times. Tom Hodgson added a pair while Todd Prieur and Steve Carter scored once.

John Severson fired both Spencerville goals.

Sunday night in Prescott Morrisburg shooters continued their reign of terror, belting the Falcons 13-5.

Tom Hodgson paced the Lions with a three-goal effort. Andy Brown added two while Gary Beckstead, Sean Baker, Al McNairn, Gilles Parisien, Steve Carter, Todd Prieur, Don Black and Kevin Casselman all fired single goals and drew assists.

Hydro zaps Flames 6-0

CHESTERVILLE — It has taken the defending Winchester and District Industrial Hockey League champs six weeks, but Hydro has finally won their first game.

Hydro's initial victory came here Monday night as they whipped Ault Foods Flames 6-0. Ault's loss and Nestle North Stars' 2-1 victory over Winchester Cheese Packers created a two-way tie for first place.

Ault Flames and Nestle North Starts now share the top rung with eight points on identical four win, two loss records. WC Packers are next with five points and the Hydro is closing in with three points.

Pete MacLeod posted the shutout for Hydro, working a flawless game against the high-scoring Ault crew. He received plenty of offensive support from Al Duncan, Keith McRoberts, Rudy Grisel and Alex Garden, who put the Hydro up 1-0 after a period and 4-0 after two frames.

Rudy Grisel lead the charge, scoring twice and setting up two more. Alex Garden netted two and assisted on another while Keith McRoberts beat Steve Johnston twice. Al Duncan recorded a goal and one assist.

NORTH STARS BY ONE

Monday's other WDIHL contest was a defensive duel waged between Nestle North Stars and WC Packers.

Pete MacLeod, seeing double duty, surrendered just two goals to the Nestle crew, unfortunately for the big doctor, they were enough to put him in the loss column.

North Stars took a 1-0 first-period lead when Pat Kelly beat MacLeod on a setup from John Elliott and Dave Arnold.

Steve Plummer tied it up for the Cheese when he connected on a pass from Dave Appleby and Tom Kirkwood with 57 seconds left in the period.

Dave Cross notched what would prove to be the winning goal at 5:54 of the middle frame after Pat Kelly and John Elliott combined to set up the goal.

North Star netminder Dan MacMartin posted his fourth win in the Nestle net.

Sloan scores double hat

Cloverdales over Newington, Panthers leapfrog Morewood

WINCHESTER — Doug Sloan gained instantaneous top ten scoring status here Sunday ing as he scored six goals, leading Ormond to a 10-0 romp over winless Newington in one of four Winchester and District Broomball League action.

Sloan, who had scored five goals and added one assist in his first seven games with the league leaders jumped into fourth place in the WDBBL scoring race with his six goals. He scored once in the first period, four times in the second stanza and rounded out the double hat trick with a third-period marker.

Ormond's 10-0 pounding of winless Newington kept them even with the red hot Finch crew who trimmed Morewood 6-1 in Sunday's fourth game.

Toyes Hill moved into sole possession of top spot in Pool B (fifth overall) doubling Osnabruck Bush Bandits 2-1 in the opening game of the four-game card.

Dunbar Panthers leap frogged over Morewood into third sport by blasting Crysler 5-2 in the other contest.

Ormond and Finch are even with 13 points after eight games. Morewood had a dozen points and Morewood 11.

In the Pool B rankings it's Toyes Hill Roadrunners on top with six points, Crysler with five and Osnabruck with four. Newington has yet to earn a point in eight starts.

SLOAN SINKS SIX

Doug Sloan's six-goal performance in Ormond's 10-0 bashing of Newington highlighted Sunday's four-game card. He opened the barrage scoring from Keith Young at 15:14 of the first period, added four in period two and another in the final stanza.

Jim McDiarmid added four assists, Keith Young supplied a goal and four helpers while both Paul Petersen and Dan McDiarid fired in a goal and set up another. Bill Robinson added a single goal for the winners. Tony Vanderlaan supplied the shutout goaltending.

ROADRUNNERS BY ONE

Toyes Hill Roadrunners won their third game in eight tries, doubling Osnabruck Bush Bandits 2-1 in the evening's first game.

B. Heagle ruined Wayne Hunter's shutout when he scored his sixth goal of the season with 38 seconds left in the second period. His goal, a short-handed effort tied the game up at a goal.

Roadrunners had taken a 1-0 lead when Glen Petersen beat G. Hillis with a pass from Richard Suffell at 17:46 of period one.

Heagle tied it for the Bandits and Dean Hansma's powerplay goal with 5:11 left to play won it for Toyes Hill.

PANTHERS GROWL AGAIN

Dunbar Panthers improved their record to five wins, one loss and two ties, chalking up a 5-2 victory over Crysler.

The defending WDBBL champs ripped in five first-period goals, weathered a four penalty third period and held for the 5-2 decision.

Panthers led 5-1 after 20 minutes and 5-2 after two frames.

Larry Gallinger netted his sixth and seventh goals, leading Dunbar's attack. John Templeton had a goal and two assists. Lynn Whitteker and Danny Roy each fired single goals. Gary Gallinger, Laurie Blanchard and Denny Roy each earned assists.

Tom MacGregor set up a first-period marker by Theo Herfkens and then scored Crysler's second goal on a powerplay set up by Bill Pynenburg with 4:38 to go in the second stanza. Wayne Pitt was the winning goalie. Dan St. Pierre was the losing goaltender.

FINCH KEEPS PACE

Finch kept pace with Ormond winning their sixth decision in a 6-1 triumph over Morewood. It was just the second setback for the 'Wood who dropped to fourth place.

It was 2-1 Finch after a period. The winners upped it to 5-1 after 40 minutes and cruised to the 6-1 win.

Frank Michels spoiled Noel Lalonde's shutout, scoring the tying goal at 13:24 of period one.

Finch got single goals from Shawn Patrick, Dave Petersen, Heine Bruining, Tim Vantfoort, Rene Dumoulin and Henry Pyneburg enroute to their victory. Patrick, Harry Vantfoort, Petersen and Jack Hoogeveen all added single assists.

Pee Wees strong at Smiths Falls

WINCHESTER — After a shaky start to their season Winchester's Ault Foods Pee Wee Hawks seem to be getting into the groove.

Prior to Monday night's Upper Canada Minor Hockey League's Division II 6-1 triumph over Metcalfe and District the Hawks were below the .500 mark with a win and two losses to their credit. Monday's win put them at the .500 mark and was sparked by a successful tournament in Smiths Falls last Saturday.

Competing against double A, A and B class teams, the Hawks classified C in the ODHA (due to population) finished the day-long event as runners-up in the A division.

Hawks surprised Nepean Pee Wee Raiders 2-1 in their opening game Saturday morning. Craig Lyon had a shutout going until late in the third period when Nepean closed the gap to 2-1.

Doug Armstrong put Winchester up 1-0 at 8:07 of the first period, scoring from Denis Ouellette. Cory Coons netted the winning goal at 10:04 of the third period, knocking a Jayme O'Reilley rebound.

Hawks stayed alive in the semi-final round, knocking off the Eganville Eagles 4-1.

Once again goalie Craig Lyon was strong between the pipes, allowing only a second-period goal.

Doug Armstrong paced Winchester with three goals, one a short-handed effort at 9:55 of the third period. Chad Benoit fired in the other marker. Benoit, Chris Williams, as well as the Holmes twins, Tony and Chris, earned assists.

Kemptville doubled Winchester 4-2 in the A final, scoring twice in the final 11:28 of the game, snapping a 2-2 tie.

Kemptville led 2-1 after a period, but the Hawks tied it up with Bryan Helmer's second-period marker. Doug Armstrong scored from Helmer in the first period and then Helmer made it 2-2, connecting from Cory Coons in the second.

6-1 OVER MUSTANGS

Here in UCMHL action against Metcalfe the Hawks fell behind 1-0 when Ken Stanley scored from Chris Wynn at 7:15 of the first period, but rebounded for a 6-1 win.

Doug Armstrong tied it up from Chris Williams at 1:47 of the first and went on to record three goals and two assists for the Hawks.

Bryan Helmer fired in two picture-perfect goals on neat passing plays set up by Armstrong. Chad Benoit added the other Winchester goal.

Chris Williams picked up three assists while the Holmes twins, Chris and Tony, each earned singles.

C's tie pair

WINCHESTER — Goalie Mike Fawcett back-stopped Winchester's Number Two Hawks team to a pair of Upper Canada Bantam C League ties, surrendering just three goals in the two outings.

Fawcett allowed a single goal in a 1-1 deadlock on Nov. 11 in Spencerville against Edwardsburg and was strong in a 2-2 shootout here last Friday against Kemptville Number Two.

Marc Sarault's second-period goal set up by Craig Robinson and Randy Holmes gave the Hawks their 1-1 tie in Spencerville.

Here at home last Friday night Winchester led 1-0 after a period, but trailed Kemptville 2-1 heading into the final frame.

Gerry Cayer's third-period goal with just 4:43 left to play enabled the Hawks to skate off with a 2-2 tie against Kemptville. Craig Robinson set up the winning goal for Cayer.

Randy Holmes put Winchester ahead 1-0 when he clicked on a pass from Danny McIntosh at the 14:28 mark.

Kemptville took over in period two, going ahead 2-0 on goals by Chris Green and Aubrey Boyer.

A kind and generous $2,460 donation to the Autistic Home will make a dream come true. Don Dalton, speaking for the centre, told Junior Farmer officials the money will be used to purchase a much needed computer for the children with perhaps enough left to help with swimming pool repairs. Mr. Dalton and Cheryl Bryce, left, are shown accepting the welcome contribution from Junior Farmers President Paul Mussell and Provincial Junior Farmers Director Nancy Kelly.

Press Photo—Rowan

Junior Farmers assist autistic

METCALFE — East Carleton Junior Farmers made a valuable contribution to the Autistic Home, located three miles north of Metcalfe last Saturday afternoon.

The busy group of area young people had promoted an exciting car rally and dance in October when they agreed that, should the venture prove successful, then 75 per cent of the net proceeds would be donated to help the Autistic Home.

Club representatives visited the home Saturday, bringing along a cheque in the amount of $2,460.

Junior Farmers President Paul Mussell said much credit for the overwhelming success of the venture should be directed to area business firms for generous donations and also to Greely Branch 627 of The Royal Canadian Legion for providing their spacious hall, not only for rally headquarters, but also for the evening dance.

The young president added his busy group of young people have many other community endeavors under consideration.

"We hope," he added, "to be able to make a worthwhile contribution to the proposed Township of Osgoode Care Centre during the coming year."

NDDHS notebook

by Laura Hunter and Irene Jansen

NORTH DUNDAS — It was on a very solemn note that the students of NDDHS started their weekend attending the school's Remembrance Day Service.

Many thanks are extended to Mr. Shane, the band and the participating students for an impressive program thanks also to Kim Murdock, Tim O'Connor and Greg Davidson for their fine playing at various services in the local area.

The Reach for the Top season also draws to a close quite early as the team, having won their first game against Thousand Islands Secondary School with a score of 270-260, unfortunately lost their second and final game to Carleton Place High School. The score, however, was a close 290-275.

The team has gained valuable experience, this being the first year of competition for all players.

Misfortune hit not only the Reach for the Top team but also the band. Their first concert of the year, originally scheduled for Wednesday, had to be postponed until Monday. Best of luck, weather-wise, is wished to Mr. St. Louis and the band.

While the band was practising for their performance, rehearsing of other types were occurring at the same time. The drama club's presentation of "Up The Down Staircase" is beginning to take shape. In addition, the finer voices of the school, in keeping with the upcoming season, are rehearsing a Christmas musical under the direction of Rev. Bert de Bruijn.

With hope, other voices of the school won't hit higher notes as a direct result of belonging to the ski club which started this week. After landing face-first in the snow,one positive means of identification for the unfortunate skier would be his or her school jacket, the sale of which also started this week.

The senior girls basketball hung up their sneakers on Thursday, ending their season on a positive note with a victory over Glengarry High School (43-35). This win gives our team a second place finish in the league. Congratulations to Ms. Wilson and the entire team on a fine season.

Although the material rewards for their year's hard work seem a long way off, those of last year's come on Wednesday during the Student Achievement Program, a presentation ceremony designed to recognize students who have put extra effort into some of the many aspects of school life, including sports, academics, art, drama and community services.

District Deputy Grand Master Clarence Mussell, right, who presented a nostalgic review of the long and productive history of the Osgoode Lodge, paid special tribute to founding members, including Roy Saunders, centre. Ontario Grand Master Orville Christie, left, also saluted the memory of the Lodge pioneers while admiring the photo taken nearly 70 years ago. Mr. Saunders is in the picture along with S.W. Ferguson, Art Mussell, J.H. Allan, R.R. Carter and J. McConnell.

Press Photos—Rowan

70th anniversary

Osgoode Oddfellows celebrate

OSGOODE — Seventy years ago on Nov. 27, 1913, several members of Kemptville Branch of the Independent Order of Oddfellows visited Osgoode village and invited 27 interested area men to join the organization.

To mark the anniversary of that historic occasion more than 120 members and friends assembled at the Royal Canadian Legion Hall last Thursday evening where a bountiful meal was prepared and served by Legion Auxiliary ladies.

Guest speaker for the special celebration was Orville Christie of Oshawa, Ontario IOOF grand master. Mr. Christie outlined the valuable efforts of the order, stressing the importance of member participation.

"Simply having your name on the membership roll," he said, "is definitely not enough."

The grand master paid tribute to the two oldest members, Syd Lindsay and John Robb, congratulating both for having received Meritorious Badges of Honor.

Special presentations included the Past Deputy District Grand Master's Jewel to Howard Wilson and a Certificate of Merit to the Osgoode Lodge which was accepted by Noble Grand Don Shaver.

Head table guests included Mr. and Mrs. Earl Hoy, Mr. and Mrs. Don Murdock, Mr. and Mrs. Ed Forward, Mr. and Mrs. Denzil Sparks, Mr. and Mrs. Clarence Musell, the guest speaker and his wife.

INTERESTING REVIEW

Deputy District Grand Master Clarence Mussell reviewed the illustrious history of the local branch, noting that his father and two uncles had been actively involved in the formative years.

"My father," he reminisced, "served as noble grand, deputy district grand master and as past noble grand when the Rebekah Lodge was formed in 1956."

Mr. Musell reminded his audience of the hardships endured by dedicated members in the days when transportation was not so easy and members braved winter roads with faithful horses to honor their commitments to the organization.

Paying tribute to some of those early members he also praised the efforts of such outstanding members in more recent years including Grand Chaplain Rev. McMorine, Grand Marshall Bruce Fulson and Past Grand Master of Ontario Don Murdock.

Mr. Mussell, in closing, reminded fellow members of the valuable role played by their wives.

"My efforts to serve," he smiled, "have been greatly enhanced by the continuing support and encouragement of my good wife Anna."

Featured on the program was the highly enjoyable contributions by Mr. and Mrs. Dwayne Acres and their family — better know throughout the district as the "Musical Farmers".

Following the program all enjoyed an evening of dancing.

Osgoode Branch Noble Grand Don Shaver, right, proudly accepts, on behalf of fellow members an attractively inscribed Certificate of Merit honoring the group for 70 years of valuable service. Ontario Grand Master Orville Christie of Oshawa makes the official presentation.

Golden Years Society meets

WINCHESTER — There was good attendance as the Winchester Golden Years Society met on Thurs., Nov. 17.

The meeting opened with the singing of "O Canada" and a scripture reading from Psalm 19. The president welcomed members and visitors and six birthdays and three anniversaires were recognized.

The minutes of the previous meeting were read and approved. The correspondence contained three thank you cards from Rose Beeman, Mary Dixon and Alma Acres who had been in hospital.

The treasurer's report was given by Willis Robinson in the absence of the treasurer.

Because Dec. 15 is Election Day in SD&G, the December Golden Years meeting has been changed to Dec. 8 at 11am.

It was decided at the meeting to hold a New Year's party on Thurs., Dec. 29 at 8pm. The Steeles, Docksteaders and Irvens have formed the committee to look after the program.

The Christmas dinner committee was given authority to use their own judgement regarding draws for the evening.

On a motion by Isabel Baker, the society agreed to donate money to the Carnival Queen contest.

After a delicious lunch a program convened by Lillian Simms was enjoyed.

Debating politics

As a movie, the SD&G byelection would fit comfortably in the mainstream of Hollywood celluloid production. Heavy on special effects, light on script.

With the campaign just three weeks old, the three counties have become a 95-mile wide convention hall for party leaders, cabinet ministers and members of the parties' higher echelons.

And with the exception of a few, most have only stopped long enough to stand with the candidates, drink coffee and shake hands. It is visual impact, a political offshoot of the Toronto Argonauts' run and shoot offence tailored to media coverage.

While it may be politically advantageous to be seen with this minister or that leader, it does little for the voter who is trying to measure the candidates on the basis of issues and their response to them.

What is missing in this byelection is debate and dialogue, a sense that something is at stake that gives real value to each and every note.

All the candidates have stated their platforms and are quite willing to say where they stand. There does not, however, seem to be the kind of debate that explains why one position is better than another.

The low key mood in this byelection is apparent when the Progressive Conservatives can go unchallenged after stating several times that their opposition might as well forget making any promises since they don't control the province's purse strings.

That may be political reality, but it was also the kind of arrogant statement that should spark cries of "fat cat" and "power politics".

Instead there has been nothing.

With hope, the situation will improve when the candidates get together for what may be the only all-candidates meeting of the byelection on Nov. 28 at the Glengarry Sports Palace.

If voters can get to the meeting, they should do so. The byelection will decide the ridings' representation and that is something that is important enough to warrant debate.

W.R.

Shocking Hydro customers

Winchester village council is justified in feeling they have been led down the garden path by Ontario Hydro.

Last February the provincial utility company told council, which buys the power from Hydro and in turn sells it to customers, that it could maintain its rates and still make a profit. To be on the safe side, Ontario Hydro said, charge an additional 1.8 per cent.

Now council is being told the rates are far too low and that village residents should pay out an additional 17.1 per cent starting this February.

Someone in Ontario Hydro did not do his homework. The mild year did cause a drop in sales, but that doesn't account for a shortfall in operating funds that requires that sudden increase.

Council was understandably shocked. They were told less than a year ago that they were in great shape. Now they are being told they have fallen far behind their neighboring municipalities in what they charge for Hydro.

Ontario Hydro is supposed to guide council on hydro matters. The job was not done.

W.R.

This week in

1943

Winchester High School News: Inspector Miss Cameron and Mr. Gordon inspected the Grade IX Home Economics and Manual Training classes and Miss Cameron brought to the attention of parents the need for proper nutrition for school pupils especially in providing adequate noon lunches.

A former student, Sgt. Air Gunner Earl Empey, has arrived overseas.

L.A.C. Frank Kellogg, also a last year student, is now visiting his home here. Frank is stationed at Calgary taking a W.A.G. course.

Shopping Tips: For Christmas shopping the T.O. Keyes Store, Winchester, offers such bargains as: Christmas cards, box of 21, 29c; smart hand bags (leather in black and brown), $1.98; women's slips, beautifully fashioned, shadow-proof, double seams, perfection in fit, $1.29; men's neckties, (excellent quality, small and neat design), $1.00; men's No. 1 wool mitts, 75c a pair. Note: Dolls are scarce.

1953

Osgoode WI Public Speaking Contest: The Annual Public Speaking Contest, sponsored by Osgoode WI was held in the public school last Friday night. The contest drew several contestants from Osgoode Township schools with Arthur Laronde winning top honors. Beverley Black was tied for second. The two students are from S.S. No. 22, Osgoode. Stuart Holmes of Winchester is their teacher and this marks the third consecutive year that Mr. Holmes' pupils have captured the WI Shield.

Inkerman Rockets Quit Ontario-New York League: Coach Lloyd LaPorte and his Inkerman Rockets are out of business and have withdrawn their entry in the New York - Ontario Sr. B League. Announcement to this effect was made Saturday night after the Rockets had dropped a 7-3 decision to the Clinton Comets in the U.S. town. It was the Rockets' sixth loss in eight starts in the young season. They had tied one and won a single game. Coach LaPorte has no immediate plans in the way of hockey this year, and for the moment it looks as if the Inkerman Rocket era of hockey has temporarily come to an end.

Shooting Match: A shooting match for turkeys, ducks and roosters will be held at the farm of Gerald Cross, Maple Ridge on Saturday. Only .22 calibre rifles with open sites may be used.

1963

Canada's Best Honey Made In Vernon: Ian Crerar of Vernon has the best honey in the country. This is the confirmed opinion of the judges at the Ottawa Exhibition, Ottawa Winter Fair, Toronto Exhibition, Royal Winter Fair, Western Fair at London and, of course, Metcalfe Fair.

Bill Luxton Headlines TV Guests At 100 Club Ladies' Night: Bill Luxton, program organizer and producer of CJOH Channels 13-8 in Ottawa was the guest speaker at Winchester 100 Club Ladies' Night Banquet in the Masonic Hall last Thursday evening. Centurian Ed Boyd introduced Mr. Luxton and Centurian Roy Fawcett expressed the thanks of the large audience to the speaker.

Rash Of Robberies Hit Winchester Businesses: Lights and thieves were out at the same time in Winchester last weekend. Doing double duty while in the darkness, the intruders smashed their way into two Winchester business establishments. MacDonald Motors Ltd. on Main Street West and the Hylo Egg Grading Station, owned by Lawrence Kapeller on Main Street, were the targets for the marauders Sunday night.

1973

Irvine Officially Opens Maple Ridge Complex: Grenville-Dundas MPP Donald Irvine officially opened the new Maple Ridge Public School last Friday night in an impressive ceremony. The auditorium was filled for the very special occasion and trustee Lorne Thompson welcomed parents and ratepayers.

Honor Chief Phair: Russell Phair, former Russell fire chief and also area co-ordinator, was honored last Saturday at a very special evening designed to pay tribute to Mr. Phair's conscientious contribution to fire prevention until the time of his recent retirement.

Williamsburg Man Re-Elected Horticultural Society President: At the annual meeting of Morrisburg and District Horticultural Society on Tues., Nov. 20, Graham Wells was re-elected president for the forthcoming year. After a resume by the secretary of the past year's activities, Mr. Wells thanked all who had assisted and expressed the hope that, with a membership of 259 at the end of 1973, there would be still wider participation in 1974.

Why I became a teacher

by Bill Smiley

Friends of mine in all walks of life can't understand how I can stand teaching as a vocation. With striking originality, they ask "How can you stand it?"

So, with another few months of my chosen way of life under way, I thought I'd look at it, and try to give them an answer.

Perhaps we could start with elimination. It would take an act of God, or a change of sex, or something equally dramatic, to make me an engineer. I have just completed the job of trying to change a typewriter ribbon. It took me 39 minutes. I wound up with ink all over my fingers, my face, and a clean shirt. And guess what came out when I began typing? Red words. It was one of those half-red, half-black ribbons, and I'd got it upside bassackwards. The only reason you are reading this in black is that it is being reproduced by someone else.

My lack of engineering skills precludes my making a fat living where the real money is these days: as a repair man. If you have a son or daughter pondering a career, for the dear goodness' sake, steer it into fixing things — plumbing, electricity, TV, cars. Took my lawnmower to a repairman the other day. It wouldn't start. Picked it up three days later. The bill was $41.16 — one dollar and 16 cents more than half what I had paid for the new machine a few years ago. The bill for labor was $27. You could have a baby for that not so terribly long ago.

I've never wanted to be a scientist. Can't see spending my life in a lab trying to find a new additive that will make clothes whiter than white or a new chemical that will make deodorant dryer than ever.

Medicine, since I have never had a secret desire to be God, held little appeal for me. It's a noble profession, and you can make a pile of money by peering into people's apertures, probing their flab, making their blood spurt, and writing prescriptions among other things. None of those things turn me on, though.

Dentistry, ditto. I can see no particular charm in standing at an angle most acrobats couldn't maintain for 10 seconds, gawking at gums and crumbling renovations. One look into my own mouth would give me nightmares for a week. To heck with the $50,000 a year.

Then there's the law, of course. There's a great deal of poppycock about the majesty and the integrity of the law. All of it stems from lawyers and judges. But I wouldn't care to be associated in a profession where there is, despite all disclaimers, one law for the rich and another for the poor. Shakespeare said it nicely: "Let them hang all the lawyers."

Another field that brings in a mighty good buck is accounting. But where's the future in that for a fellow who can't even account to his own wife for the way he behaved at the party on Saturday night?

Quite a good career these days is "working for the government." Certainly you'll never be fired, unless you turn up drunk four days in a row and rape four different secretaries. Even then, you'd probably just be "transferred to a less sensitive area," or put out to pasture on a pension.

When I was a student, we used to say scornfully that if you couldn't do anything else, you went into the ministry. This was a base canard, of course, but the delights of the parsonage never really got me excited. I wouldn't have minded pounding the old pulpit a bit, but I couldn't have stood the old biddies and the back-stabbers and the constant mendicanting.

What I thought I might be was a professor of English. Sit around in a book-filled study, dispense wisdom to awed students, and give the occasional brilliant lecture. Well I've since met some of my old friends who chose that path. They're more boring than the guy who comes to fix my furnace.

What I really and truly wanted to do when I was young and romantic was to become a foreign correspondent. Influenced by movies, I wanted the works: trench coat, snap brim felt hat, bylines from Hong Kong and Nairobi.

Nearest I got to that was editing the country correspondence from contributors to a small-town weekly. That wasn't a bad vocation, except that you worked 60-odd hours a week and never made any money.

I guess my secret desire for years was to be a writer. Preferably a pipe-smoking, enormously popular, immensely wealthy one, several times divorced, a world traveller, a lecturer in great demand, yet with a depth, a plus quality in my novels that would put me up there with Hardy, Conrad, Hemingway. With three or four of my novels turned into smash hits on Broadway and in Hollywood. And all my own hair and teeth.

Only trouble with that wish was that I was too lazy. Oh, the talent was there. No question about that, as we novel-writers manque can assure anyone. So instead of becoming a Hemingway, I became Bill Smiley, a chronicler of the tribulations and the trivia of the mid-20th century. And not a whit bitter or disillusioned about it.

That wasn't quite enough to keep a body alive, so I became a teacher. Not only because most other professions fill me with nausea or loathing. But because I like young people, words, ideas, and two months holidays.

Letters

Hail to Hazel

The Editor:
On behalf of the Winchester branch of the Canadian Cancer Society, I wish to thank Mrs. Hazel Merkley for her many years of volunteer work with the society.

She has retired from the position of patient services chairperson after more than 25 years of loyal and untiring service and we extend our sincere appreciation for her many efforts.

Mrs. Rose Derry has taken over for Mrs. Merkley and may be contacted at 774-3440.

For further information on help available through the Canadian Cancer Society, please call either Mrs. Derry or myself at 774-2400.

Thank you
(Mrs.) Linda Snyder
Winchester Branch, Canadian Cancer Society

Showing your colors

The Editor:
Page 1 of the Nov. 16 issue devotes approximately 29 column inches (and the lead spot) to the Tories, 26 to the Liberals and 11 to the NDP. Page 2 gives 50, 22½ and 9½ respectively. All in all your first two pages give approximately 79 inches to the Conservatives, 48.5 to the Liberals and 20.5 to the NDP.

Included here are four pictures of Tories that relate to the upcoming election, two of Liberals and none of the NDP. I think that pictures have even greater impact than copy.

Thus, it's not difficult to see where your political preference lie. But you don't present this preference as editorial comment, but as news.

For help in preventing your political partisanship from coloring your news, I suggest you see the "Chieftain" of the same week.

Shame on your shabby journalism!

Respectfully
Dan Wade

Is the price right?

The Editor:
No one can question the motivation behind the erection of a care centre for the aged chronically ill. However, I would like everyone connected with the project to pause and reflect upon what I am about to say.

If a life-threatening emergency arises requiring the immediate evacuation of the 47-bed facility, where is the manpower for such an evacuation going to come from. The facility is to be built in a remote area two miles west of Metcalfe on Regional Road 6, two-and-a-half miles from the volunteer fire hall. Several hundred yards from its nearest neighbor.

It would indeed be difficult to find more than a handful of helpers on short notice. We all know that fires, etc., have a tendency to give little or no notice.

From the safety aspect alone I am most greviously concerned that at some future date we will face a catastrophe, merely because our politicians chose such a remote site — because the price of the land "was right".

Respectfully
Barry Dawson

A great man — Walter Baker

The Editor:
I would like to express my deepest sympathy to Lois Baker and the members of the family on the recent death of a dear husband and father, Walter Baker.

I have always had great respect for Mr. Baker as a member of parliament, but during the past weeks I have met the gentleman under totally different circumstances, that of a fellow cancer patient.

My respect for this man has only doubled since that time. His love of life and the love for his family would have touched even the hardest of hearts.

He fought his most courageous fight, that for his own life, with the same determination and valor that he fought for his fellow man. He has earned an honored place in parliament and in the history of our government, but his highest honor is that of a place in heaven with only the best.

If I had but one wish it would be to meet the same challenge of cancer with just somewhat of this man's courage.

Brenda Reid

The Editor:
The picture of Walter Baker's smiling face in your paper always gave the page a happy air which brightened the day for us; made us say to ourselves "this is a man."

HAIL AND FAREWELL, WALTER...

Bon voyage and bouquets, Mr. Baker —
In every rating you deserve A Plus:
Our tireless champion, just mediator,
In public cause or private matter always
A man that we could count on, Walter Baker,
To do the job without fanfare or fuss.
Untimely is your leaving
Your people numb and grieving:
For, Walter Baker, you are one of us.

Yours sincerely
Ruth E. Scharfe

Seventh Column

by Joe Rowan

Well, it's finally happened. The general public has become aware of our deteriorating physical condition and diagnosed the cause as malnutrition resulting from the Old Girl's sad lack of culinary skills. Not only have friends expressed sympathy but, in addition, prescribed 'sure-cure' treatment in the form of extensive 'eating-out' exercises. Guess fellow Lion member Roy Porteous over at Vernon M/M was first to detect the sunken eyes, sallow cheeks, faltering steps, and the fact the battered belt had been shortened two more notches. Roy's 'medicine' sounds appealing --- not one, but two free tickets to the fabulous 'Fund Raising Dinner and Dance' at the swank new Vernon Recreation Hall this Saturday evening, Nov. 26. Roy has even encouraged us to arrive early (say around 6pm) for a few whiffs of 'Dr. Archie's body-building elixir' which we've been assured also acts as an appetizer. Frankly we don't usually need an appetizer when anticipating one of those sumptuous roast beef dinners, but guess it's all part of the 'prescription' providing stamina for an evening of dancing. Roy's help is deeply appreciated, but we're also indebted to a fair young lassie who has apparently also noticed our failing condition. So, in preparation for Saturday night's shindig, we'll be nourishing a delicious serving and sharing a delightful evening with East Carleton 4-H Horse Club members on Friday. Thanks Dianna (Fitzsimmons), and it's mighty good of you and Roy to include tickets for our full-time cook in the hope she may pick up a few valuable cooking hints.

Our legislators down Queen's Park way are concerned and, if we are to believe what we read (newspapers), hear (radio) and see (television) then stringent new legislation is being drafted. So, what else is new? Only last week Russell's famed historian Keith Boyd loaned us a battered, weather-beaten copy of The Russell Leader, dated March 19, 1903 and the editorial might well have been written yesterday --- **"Regulating the Automobile"** was the headline. And what were those editorial comments? Well, hear this (condensed): **"There are five bills before the Ontario Legislature having for their object the regulation of automobile traffic on country roads. This shows that the members of the legislature are alive to the great need for effective legislation** (sound familiar?)**. Of the five bills, two provide for keeping automobiles off the roads on certain days of the week and certain hours of the day, the third compels machines to stop when a funeral is approaching or turn down a side line; the fourth impounds machines that are driven too fast, and the fifth imprisons instead of fining a 'chaffeur' guilty of breaking the speed limit, or otherwise contravening the regulations. The first two are hardly workable. To define certain days on which no motoring would be allowed would work unnecessary hardship upon the motorist, and at the same time would not give the farmer who uses the roads more or less every day of the week the protection he requires. In the opinion of some it would be better to define certain roads through the country on which motoring would be allowed. The farmer, with horses trained to automobiling, could travel on these prescribed roads whenever he wished."** Concerning speed, the editorial submitted by 'Canadian Dairymen' offered this: **"Such a bill would have a salutary effect in keeping in check the fellow who deliberately and in mere bravado puts all rules and regulations at defiance and races with breakneck speed through the country without any regard for life or property. He is the one who is doing the harm and bringing automobiling into disrepute in rural sections. Thirty or sixty days in 'durance vile' would dampen his ardor somewhat and give him time for a little sober thinking upon the rights of others. The roads of this country were built largely for the people in the rural sections and are maintained mainly by their efforts. They have, therefore, the first claim upon them. This the motorist must recognize thus ensuring to the farmer, without endangering his life and property, the full use of country roads when and where he wishes."** The editorial doesn't define 'breakneck speed', but we wouldn't be at all surprised if some of your great grandfathers were barrelling down those dusty roads at nearly 20 miles an hour --- thoughtless 'cowboys' one might say.

Sorry you missed it Bill (Stewart), but on Friday evening, March 20, 1908 (according to that same 'Leader') a kilted piper was entertaining (entertaining?) at the Town Hall, Russell. And the price was right up your alley lad --- 25¢. Or better still 35¢ for a reserved seat.

Front office gals have another problem. Last week the boss left a stack of circulars he wanted sent out immediately. They still haven't been mailed. The girls can't find any round envelopes.

Farm update

Eileen and Don Rose, centre, stand with Grand Champion Rosayre Kelly's Peggy at the Royal Agricultural Winter Fair in Toronto. The six-year-old Ayrshire won her third consecutive rosette while the Rose family extended their Grand Champion streak at the fair to four years. Standing with the Roses are Nova Scotia judge Sterling Whitton, dairy princess representing Wisconsin, Ont. and the Ayshire Association, and Monty Stallard, Great Britain.

Ouderkirk Holstein tops EBI Fall Sale

WINCHESTER — At the EBI Fall Special Holstein Sale, held at Fawcett's Sale Arena, Nov. 7, 81 animals sold for a total of $145,100, an overall average of $1,791.

Included in this offering were eight baby heifer calves ranging in age from five weeks to one day old.

The top selling animal at $5,200 was Creekville Mavis, a daughter of Marlin with a completed three-year-old record to 170 per cent - 196 per cent BCA, 4.29 per cent test.

Mavis was consigned by Dalton Ouderkirk, Lunenburg, and was purchased by an agent for Earl Floyd of Norton, N.B.

Mr. Floyd also purchased a fresh three-year-old daughter of Marlin for $2,600, consigned by Locus Lane Farm, Brockville.

The second highest price of the sale, $4,600, was paid by Adamdale Holsteins and Merle Graham of Brinston for Murtonia Senator Lucille — ET, consigned by Ronald Murton, Harrowsmith. This animal was sired by Senator, has a completed two-year-old record of 177 per cent - 164 per cent BCA and her dam is Thornapple Lucy (VG One Star), a former Canadian Champion for production with an eight-year-old record of 318 per cent - 314 per cent BCA.

Other high prices: $3,700 paid by William Patterson, Battersea, to Sunrest Farms of Joyceville, for a fresh Kemp daughter of Sunrest Faith (VG), who has been Grand Champion and Best Udder at Frontenac B&W Show for the last three years.

Allan Fawcett, Winchester, paid $3,400 to Springlorme Farm, Wendover, for a fresh daughter of Mattador with a completed three-year-old record of 168 per cent - 229 per cent BCA, 5.0 per cent test.

Eleven head went to the Maritimes, and one animal was purchased for New York State.

Rosayre Peggy reigns over Royal

SOUTH MOUNTAIN — Rosayre Kelly's Peggy may soon need a publicity agent.

The six-year-old Ayshire, owned by Don Rose of South Mountain, received her third consecutive Grand Champion rosette at the Royal Agricultural Winter Fair last week in Toronto and assured herself of a spot in the next issue of breeding magazines around the world.

The Royal Agricultural Winter Fair, after all, is no ordinary fair. Internationally acclaimed as one of the world's top livestock exhibits, it annually attracts exhibitors and spectators from across North America and Europe.

Rosayre Kelly's Peggy's continuing reign has not been declared a record, but it has established the animal as one of the world's finest Ayrshires. It also establishes Don Rose, who has shown the Grand Champion Female for the last four years, as one of the world's premier breeders.

"If somebody had told me five years ago that I would have done this well in Toronto, I would have said it wasn't possible," Don Rose said from the family farm owned by Rose descendents since 1813. "There's no question about it, there's a greal deal of pride."

Along with the grand champion rosette, Rosayre Kelly's Peggy was the first-place aged cow.

Rosayre Carlotta placed first in the four-year-old class and Rosayre Jessamine G topped the five-year-olds.

Mr. Rose also had the top breeder's herd and the first and second-place animals in the Best Uddered class.

The Rose family took the maximum allotment of 10 animals to the fair.

"This kind of thing increases the value of your herd," said Mr. Rose. "It's costly taking your animals down, but if you do well the herd becomes well known and that helps in the sale of breeding stock."

The $125 first-place prize money, he said, doesn't come close to covering travelling costs.

Mr. Rose admitted that this year's rosette was the last thing on his mind when Rosayre Kelly's Peggy developed an allergy just three days before the event. Antihistimines got her back in shape on the day of the show.

"I'll tell," Mr. Rose said, "the dust in the place sure didn't help her any."

$78,000 added to tile funds

AVONMORE — Five townships in SD&G have received tile drainage allocation increases totalling $78,000.

Ontario Agriculture Minister Dennis Timbrell made the announcement during an hour-long speech at the Avonmore Community Centre Monday night.

The money is part of a $209,500 allocation increase that has been distributed to 12 Eastern Ontario townships. The 12 townships, Mr. Timbrell said, were the only ones to have so far applied to the ministry for an increase in their drainage money.

"We agree very much that the tile drainage program is very important," he told the audience. "It played a large part in making Ontario self-sufficient in grains."

Mr. Timbrell said he was aware the province's $30-million tile drainage program was "one of those problems where there is never enough money", but added it was the side-effect of the priority of tax dollars in health and social programs.

"It's always a juggling act," he said, "spreading money as far as you can spend it."

The tile drainage program, he said, has also been hampered by townships "spreading the money too much" by offering subsidies as high as 75 per cent. The current subsidy level is 60 per cent.

Williamsburg Township received an additional $5,400 to increase its total allocation for the year to $115,400.

Mountain Township received the biggest increase in SD&G, $25,200, to increase its total allocation to $284,200.

Osnabruck Township's previous allocation of $61,300 was increased to $83,300.

Over 100 people were in the South Mountain Agricultural Hall last Friday for the annual awards banquet of the Dundas Dairy Herd Improvement Association. Marten Verburg, front row, left, and William Klein-Swormink received special trophies for exceeding the provincial BCA average by five points for the first time. Other winners were, in the back from the left, Abram DeJong, Carl Sears, John DeJong and John Havekes.

VanDelst wins prestigious DHI award

SOUTH MOUNTAIN — John VanDelst of Chesterville received the Strader Trophy for the best total management concept in Dundas County at the Dundas Dairy Herd Improvement Association (DHIA) annual awards banquet in South Mountain Friday night.

The trophy, the association's most prestigious award, is presented annually to the producer who scores the highest marks on a variety of tests judged by an area supervisor. Mr. VanDelst scored 90 out of 100 possible points.

Over 100 people attended the awards banquet, streamlined this year as organizers discontinued the practice of splitting the county into East and West regions.

Bill Harbers of RR1 Brinston won the award for highest composite BCA on a supervised herd with a BCA of 163 on 65 records. His herd was also the second most improved supervised herd in the county with a +9 BCA.

The herd of Marten Verburg, RR2 Iroquois, was judged to have the second highest composite BCA, also 163, but on 43 records.

Mr. Verburg also received the Highest BCA Milk Trophy and the Highest BCA Fat Trophy for Sandy Creek Felicia with a milk BCA of 210 and a fat BCA of 227.

Carl Sears of RR1 South Mountain had the most improved supervised herd in the county with an animal improvement of +15.

Abram DeJong received an ODHIC certificate for the best breeding efficiency with a calving interval of 11.8 months.

A new award, for high plus production cow, was presented to John DeJong of RR1 Williamsburg for Culmany Barbra Dairy King with a plus BCA of 45.5.

The Dundas DHIA presented special trophies to John Havekes of RR3 Mountain and William Klein-Swormink of Vernon for composite BCAs five points above the provincial average for the first time. The Havekes herd had a BCA of 134 while Mr. Klein-Swormink's herd averaged 131.

Dundas DHI Shields, recognizing association members with herd averages at least five points over the provincial average were presented to Bill Harbers, 163; John DeJong, 160; Wilmer Porteous, 152; Charles Farlinger, 149; Mac Graham, 148; Carl and David Bryan, 147; John VanDelst, 146; Francis Lynch, 145; and Tibben Farms, 144.

Also receiving shields were Durk Bylsma, 143; Carl Sears, 141; William and Kornelis DeJong, 141; William Meerakker, 140; Chestcreek Farms, 140; Croy VanDelst, 137; Bertram Moore, 137; Coons Brothers, 134 and David Jorgensen.

John VanDelst of Chesterville accepts the Strader Trophy from Dundas Dairy Princess Suzanne Rose during the Dundas Dairy Herd Improvement Association annual banquet in South Mountain on Friday. The Strader Trophy, the association's most prestigious award, is presented to the best judged management concept.

KCAT arena has go-ahead

AVONMORE — A $1.5-million display arena will be built this spring at Kemptville College of Agricultural Technology to replace temporary quarters for livestock shows and instruction, Ontario Agriculture Minister Dennis Timbrell announced here Monday.

Mr. Timbrell, meeting with the riding's Progressive Conservative Association, gave the official go ahead to a project he promised over a year ago.

The new structure, a 46 by 60 metre arena, will be funded by a government BILD grant. The arena will feature a show ring of about 30 by 40 metres and bleaching seating for 620. The arena will also have the potential for an additional 620 seats.

In addition to livestock classes at the college, the arena will be used for livestock and poultry breed sales and shows, the annual College Royal open house, seed and forage shows, machinery shows and for farmers to hold horse shows, Angus sales and pony clubs.

"The farmers in this area will particularly appreciate this facility since they have been holding these activities out in the open on the college grounds," Mr. Timbrell said.

The new arena will provide three times the space of the college's temporary facilities in the farm machinery building.

Ag office moving

AVONMORE — The Ontario Ministry of Agriculture and Food office in Stormont has been scheduled for relocation from Cornwall to Avonmore.

OMAF Minister Dennis Timbrell made the announcement to a cheering crowd at the Avonmore Community Centre on Monday night.

Calling Avonmore "the heart of Stormont County," the agriculture minister said the move would be made "at the earliest opportunity."

Stormont County agricultural representative Dale Miller, he said, "played no small part" in the decision.

NDP task force reaps data in Finch

FINCH — The plight of farmers in Eastern Ontario was the topic of a public meeting held here last Wednesday evening by members of the provincial NDP task force on agriculture.

Often with bitter humor, representatives of local farm groups described their problems to task force members Mel Swart, Welland-Thorold MLA, NDP caucus chairman Donald MacDonald, and Cornwall MPP George Samis. Also present was Rudi Derstroff, NDP candidate in the SD&G byelection.

Mr. Swart said the NDP caucus decided in early September that "problems in the farm community were such that a task force should see them first hand." Since then the task force has visited farm organizations in the Wingham, Temiskaming, Durham, Rainy River and Niagara districts. The group plans to visit Chatham next week.

The task force will make a report and present its findings to the Ontario government between Dec. 1 and 15, Mr. Swart said. They hope to pressure the government to take remedial steps, he said.

After meeting with "all possible commodity groups," Mr. Swart said, the task force has found the situation of Ontario's pork and beef producers to be the most serious, because of a lack of marketing boards and supply management.

In Huron County, the centre of beef and hog production in the province, Mr. Swart said he could "feel a quiet desperation" when talking to local producers.

Not all beef and hog producers are suffering to the same extent, he said, but within the group there are individuals in "a serious situation."

At Wednesday's meeting, attend by 30 to 40 people, local representatives made presentations on topics including the Tile Drainage Act, supply management for beef, hog, and chicken producers, dairy quota policy, stabilization of grain prices, and the effect of forced metric conversion on farmers.

Farm groups represented at the meeting included the Glengarry County Pork Producers, and The Women for the Survival of Agriculture. Individual sheep, chicken and cow-calf producers also expressed their views.

Dorothy Middleton, a representative of the Women for the Survival of Agriculture, told the task force that farm income has sunk below the 1971 level. "Unless we can get everybody looking at the farmer and his trouble, we won't get anything done," she said.

Mr. Swart said the task force agrees that a viable agricultural community is the best generator of economic recovery. "Farmers are only four per cent of the population now," he said, "but they produce the food we want to eat three or four times a day."

On the subject of drainage, Mr. Swart said his party "is going to pursue this with the government," and may introduce a private bill to initiate changes to the Tile Drainage Act. He said he will propose that studies be done to determine the impact of new drainage projects on the environment, particularly in terms of soil erosion.

At the conclusion of the meeting, Cornwall MPP George Samis reminded those present that agricultural issues at the federal level will be addressed at a meeting in Berwick Nov. 24, when NDP federal agriculture critic Vic Althouse will meet with local farmers.

Mr. Samis, who described himself as "an asphalt farmer from Cornwall," thanked the farmers who attended the meeting for giving the task force members "a good idea of what's going on in the three counties."

Quebec students tour Dundas

MOREWOOD — A group of agricultural students from Quebec visiting Frank Casselman's dairy farm near here were pleased to find that men and women can share equally in the heavy work on a farm.

One of the students, who had to communicate through an interpreter, asked Mr. Casselman what functions he and his wife Kay Demmer perform in running the farm.

Mr. Casselman told them that while he does all the livestock feeding, Ms. Demmer does a lot of the field and tractor work. They share the daily chore of milking.

"We usually find that accounting is done by the woman while the man does all the heavy work," said teacher Hilaire St.-Arnaud, acting as interpreter. "We are glad to find that this is not the case everywhere."

The group of 40 students, from an agricultural college in Lapocatiere, Quebec, 80 miles east of Quebec City, were on a one-day excursion to Eastern Ontario. Their visit to Mr. Casselman's farm was organized by Lumir Drevjany, PhD, a professor of animal nutrition at Kemptville College of Agricultural Technology.

The students, who are specializing in animal science, also visited KCAT, where they learned about calf management problems, and about dairy and beef cattle.

After graduation, the students will be working as agricultural technologists, said Mr. St.-Arnaud, head of the school's department of animal science.

Mr. Casselman gave the students a tour of his barn, which houses 40 mature cows, all Holsteins, and about 30 replacement calves and heifers.

OFA calls for more tax reform

TORONTO — Because it believes farmers are paying an unfair proportion of property taxes, the Ontario Federation of Agriculture (OFA) has called for a continued study of tax reform by the Ontario government.

The province announced a program to reduce farm taxes by rebating 60 per cent of property taxes to eligible farmers. This revised program would also offer broader eligibility requirements than the present program, which offers a 50 per cent rebate.

At a board of directors meeting held in Toronto, Nov. 10, the OFA decided to ask for further tax reform.

Local OFA member Gordon Garlough of Williamsburg said tax changes will be high on the priority list at the annual OFA convention to be held from Nov. 28 to 30 in Toronto.

One proposed change, Mr. Garlough said, would be the abolition of education tax levied on farm land and buildings. "We'd be happy just to pay the tax on our place of residence," he said.

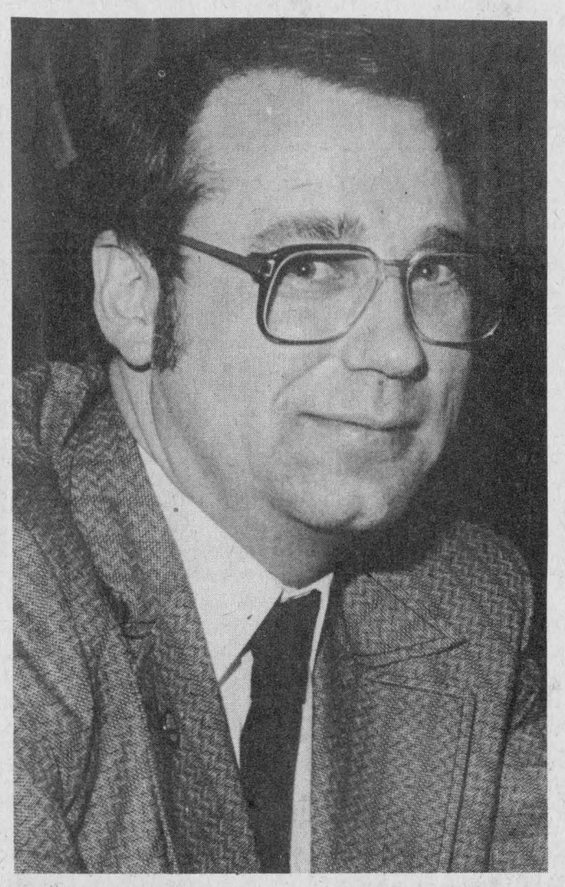
NDP candidate wants stable farm prices



Rudi Derstroff

CHESTERVILLE — NDP candidate Rudi Derstroff says the major issue in the byelection campaign is the declining incomes of farmers and working people in SD&G.

"The problem is in part with high interest rates," he said. "A lot of farmers' income is going to pay these extra service costs."

In addition, the extreme fluctuation in prices paid to farmers makes it almost impossible for them to make long-term plans, Mr. Derstroff said.

The NDP wants to bring greater stability to the market. For example, Mr. Derstroff said, a marketing board could be set up for cash crops. The farmer would sell his crop to a central pool and then receive the balance of the price when the crop is sold.

Under the present system, the farmer is forced to sell his crop to a dealer when the price is low. The dealer waits until the price goes up, then sells the crop.

A central pool would ensure farmers received a fair price for their produce, Mr. Derstroff said.

Mr. Derstroff, 35, was elected as NDP candidate at a nomination meeting in Finch, Nov. 13.

He has lived in Chesterville for six years and is currently serving his first term as a village councillor.

Born in Germany, but brought up in Ottawa, Mr. Derstroff has worked there as an OC Transpo driver for 11 years. He and his wife Lorraine have two children, both boys.

Aside from his role as a village councillor, Mr. Derstroff is active in the community as organizer of the local Neighborhood Watch program and is a Scout leader.

The NDP has a set budget for the campaign, but Mr. Derstroff said he was not prepared to give it out. Some money is being raised by donations, and he said, "The provincial party has generously allocated some funds."

To offset the lack of a large advertising budget, the NDP plans to canvass door-to-door in certain polling districts where the most votes were collected in the last election.

The goals of the campaign, said party worker Janet Solberg, are to raise the profile of the party in this area, to go out and talk to farmers and small businesses.

"We've been the party of the people; people with us come first," Mr. Derstroff said. "We stress personal contact."

The party will be using a Winnebago donated by a supporter to help conduct a "blitz canvass" of some areas in the riding. Although the weather this time of year is a disadvantage, "the voters are going to be approached and visited in a way they never have before," Janet Solberg said.

Mr. Derstroff said at this point the party is awaiting the arrival of campaign literature, and has no definite plans until a schedule is finalized.

"What I'm doing with my personal schedule is just hanging loose," he said.

Outstanding Metcalfe member

One of the highlights at last week's Metcalfe and Vernon 4-H Awards Night was presentation of awards for outstanding achievements during the year. Janet Carss was named top member of the Metcalfe unit and in accompanying photo is shown accepting the J.L. Cameron Equipment Trophy. Winston Bellinger, president of the Vernon firm makes the presentation and congratulates the happy recipient.

Press Photo—Rowan

4H'ers complete project

WINCHESTER — The Winchester No. 1 4-H Homemaking Club, The Country Cuties, have completed their meetings for the project Looking Great — Feeling Great.

Through the past meetings the girls have discussed the rights and responsibilities of each of them as a consumer. The most important right is to be heard and so they learned about what to do when they are dissatisfied with a product. They learned where and how to complain effectively by telephone and mail.

How to care for feet was also discussed. Proper fitting shoes, the foot massage, and how to soak your feet was talked about. Everyone is also supposed to do a manicure at home.

An exhibit is being planned for Achievement Day on Dec. 7 at Maple Ridge Public School. Maureen Guy is to give a talk about hair care.

Now that the club is over special thanks go to our leaders, Pat and Peggy Holmes, for their guidance and concern throughout the project. Their patience has been appreciated by all.

CONSEIL D'EDUCATION DES COMTES DE Stormont, Dundas & Glengarry COUNTY BOARD OF EDUCATION

TRUSTEE

The Stormont, Dundas and Glengarry County Board of Education at its regular meeting of November 9, 1983 noted with sadness the passing of Trustee W.L. Thompson. Mr. Thompson was a trustee elected by public school supporters in the Township of Winchester, Village of Winchester and Village of Chesterville.

The Board of Education is desirous of securing a replacement for Mr. Thompson and will proceed with the appointment of such replacement to the Board of Education at its regular meeting of December 13, 1983.

The requisite qualifications for any prospective candidate are contained in The Education Act:

196.-(1) A person is qualified to be elected as a member of the board if he is,
(a) a Canadian citizen;
(b) of the full age of eighteen years;
(c) a resident within the area of jurisdiction of the board; and
(d) in the case of,
(iii) a member of a board of education to be elected by public school electors, a public school elector.

Consequently, any individual qualified to be elected as a member of the Stormont, Dundas and Glengarry County Board of Education by public school electors, Township of Winchester, Village of Winchester or Village of Chesterville, and interested in completing the term of Mr. Thompson is asked to signify this intent in writing and to forward this intent along with pertinent background information and statement of philosophy to the undersigned.

A committee has been appointed to review all applications received. This committee will recommend on the name of a successor for the board's consideration.

Letters of intent with appropriate documentation will be received up to 4:00pm, Monday, December 5, 1983 and should be addressed as follows:

Mr. T.R. Leger,
Secretary of the Board,
Stormont, Dundas and Glengarry County Board of Education,
902 Second Street West,
Cornwall, Ontario K6H 5S6

Sarsfield O'Connor
Chairman of the Board.

T.R. Leger
Director of Education

Cards of Thanks

CARD OF THANKS — I would like to say a special thank you to Dr. D. Justus, Dr. Dawes and 1st floor staff for their great care. Also to thank Rev. A. Tysick and all relatives and friends for flowers, cards, treats and visits while in hospital and at home.
—Jim Fulton 32

CARD OF THANKS — We would like to extend a sincere thank you to all our friends, neighbors and relatives who made our 25th anniversary such a memorable event with best wishes, cards, gifts, money, dinner and surprise party. Also a special thanks to those who got up the party. Your thoughtfulness was deeply appreciated.
—Mac and Bertha Davidson 32

CARD OF THANKS — We wish to thank our friends for their kindnesses and expressions of sympathy extended us at the time of the death of our mother, grandmother and great grandmother. The floral arrangement and donation to the Bible Society by "friends and neighbors of Winchester Springs" were greatly appreciated. We are grateful to all who helped cheer and comfort our mother, friends who visited her, the staff of Dundas Manor and the staff of Winchester Hospital, Rev. E. Royle and to Dr. Argue for his concern and care.
—The family of Mary A. Casselman 32

CARD OF THANKS — We wish to say thank you to all our friends and neighbors for their many acts of kindness, words of comfort, messages of sympathy, flowers and mass offerings and donations to the Heart and Cancer Funds, after the sudden death of John. A special thanks to the priests and choir for the beautiful mass service, Brownlee of Finch, the CWL, for their care of the luncheon, and all the neighbors who stood by with help, sympathy and gifts of food. It means so much to us.
—Mary Luykx and Family 32

CARD OF THANKS — I wish to thank all nurses on second floor and ICU while a patient at Winch ter Iospital. Special thanks to r. L awes, Dr. Argue, neighbo. and friends, for cards, gifts and visits and phone calls received since returning home. My sincere thanks and appreciation to all.
—Eugene Scott 32

CARD OF THANKS — We wish to thank our relatives and friends for their expressions of sympathy and contributions to the Canadian Cancer Society received in memory of Murray Allan Ball. Special thanks to the doctors and staff of St. Lawrence Medical Clinic and nursing staff of Winchester District Memorial Hospital for the care he received. Your thoughtfulness will always be remembered.
—Nancy Ball and Family 32

CARD OF THANKS — We wish to thank Dr. Howard Justus and all the nurses on the second floor for their kindness and loving care given to my mother, Mrs. Evelyn Crump. Special thanks to Rev. L. Ferguson and the chaplains of the hospital for their messages of love and kindness. I want to thank the people who sent flowers and cards of sympathy and the people who brought food to our home. Many thanks to you all.
—Mr. and Mrs. Stanton Helmer and Family 32

Cards of Thanks

CARD OF THANKS — I wish to thank all my family and friends for their visits and cards while I was a patient in Winchester Hospital. Special thanks to Dr. Jacque for his calls at the hospital and at the house. The nurses on second floor and ministers that dropped in to see me, a special thank you.
—Ethel Crites 32

CARD OF THANKS — We wish to thank our friends and neighbors for gifts, cards, and their attendance at our home to celebrate our 50th anniversary.
—Olive and Irwin Casselman 32

In Memoriams

LEE — In loving memory of James Lee, who passed away Nov. 25, 1978.
'Till memory fades and life departs,
You live forever in our hearts.
—Eva, John and Beatrice 32

RODNEY — In loving memory of a dear husband, Preston Rodney, who passed away Nov. 21, 1978.
There is a link death cannot sever.
Love and remembrance last forever.
—Wife Rebecca 32

SHELDRICK — In loving memory of a dear husband, father and grandfather, Hartley Sheldrick, who passed away Nov. 25, 1971.
Deep in the heart lies a picture,
Of a loved one laid to rest,
In memory's frame we shall keep it,
Because he was one of the best.
—Always remembered by Jean and Family 32

CONSEIL D'EDUCATION DES COMTES DE Stormont, Dundas & Glengarry COUNTY BOARD OF EDUCATION

NOTICE

Re: Criteria For Closure Of Schools

For the information of the general public, the decision-making process, time line and criteria for identification and consideration of schools for closure follows.

A. Decision-Making Process And Time Line

No.	Action	Date
1	Superintendent resource tentatively identifies schools for study.	Oct. 15
2	Superintendent resource meets with Principals of identified schools to review information required for study.	Oct. 30
3	**School Facilities Report and Education Statistics** are completed.	Nov. 30
4	School Facilities committee reviews **School Facilities Guidelines** and recommends revisions to Board, if required.	Dec. 15
5	**School Facilities Guidelines, School Facilities Report,** and **Education Statistics** are distributed to Principals and School Committee Chairmen for information.	Jan. 1
6	School Facilities Committee reviews **School Facilities Report** and **Education Statistics.**	Jan. 15
7	School Facilities Committee makes interim report to board.	Jan. 30
8	School Facilities Committee meets as required with affected School Committee or school communities to outline alternatives being considered.	Feb. 15
9	School Committees present briefs to Board.	Feb. 27
10	School Facilities Committee considers School Committee briefs, **School Facilities Report** and **Education Statistics** and formulates recommendations for presentation to Board.	March 10
11	Board approves, rejects or modifies recommendation of School Facilities Committee.	March 20

B. Criteria For Closure Of Schools

When the enrolment of a school can be accommodated in one or more schools, students are within one (1) hour's transporation of that school and the school has comparable or better facilities, then such school shall be identified as eligible for consideration for closure.

In determining the order of priority for closure of schools, the following criteria shall be considered:

a. time travelled on school bus;
b. degree to which multiple grades are present;
c. extent of facilities;
d. cost of operation;
e. extent of community base;
f. degree of choice of programs to be offered;
g. future growth potential.

A minimum period of three (3) years from time of identification of school for consideration as to closure, to actual closure, shall be observed.

S. O'Connor Chairman — **T.R. Leger** Director
