Scotiabank Brings Spartacat to School

As part of their ongoing food drive the Morrisburg Scotiabank arranged to have Ottawa Senators mascot Spartacat visit Morrisburg Public School last Thursday morning. Mrs. Anne Barkley's Kindergarten B class was in awe of Sparty who brought Sens in School educational materials, stickers and postcards with him for the class. By the end of Sparty's visit, the students were getting a little more brave with the mascot who was signing autographs. South Dundas settles well debt for Williamsburg

WILLIAMSBURG – Wishing that wells would help bring new homes to a Williamsburg subdivision, council's wishes did not come to fruition, so over 10 years later, South Dundas council has come up with the coin to settle an agreement on behalf of the former municipality.

South Dundas council voted in favour of settling the agreement on behalf of the former Williamsburg township concerning the installation of wells at the vacant Schell Street subdivision. The settlement will cost the township $77,500 over five years.

In 1994, the former township of Williamsburg entered into an agreement with a company, Instant Water Wells, to install wells in the Schell Street subdivision. According to South Dundas clerk Brenda Brunt's November 15, report to council, at the time of the agreement, provisions were made that the township would pay for the wells as the lots sold.

Since then, the owner of the well drilling company died, and his estate needs to see the issue resolved.

As a result the township, by way of a bylaw passed at their November 15, council meeting, has agreed to pay a total of $75,000, over the next five years, plus legal fees in the amount of $2,500.

South Dundas mayor Lyle Van Allen said, "We have to push to get rid of these lots," and he suggested that the

Knight's Inn Fire

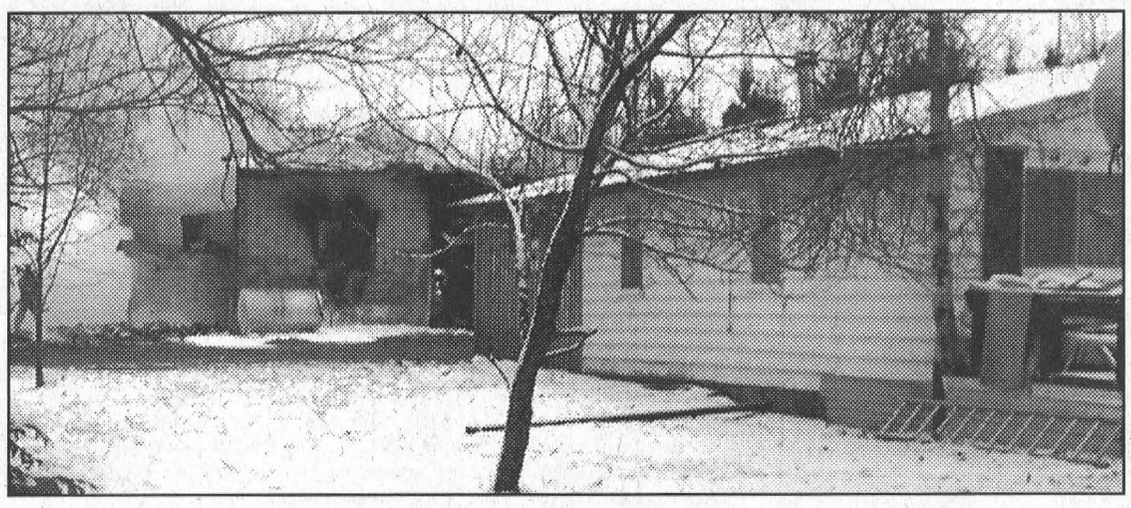
One room damaged

MORRISBURG – The Morrisburg Fire Department was called to the Knight's Inn located at the corner of County Roads 2 and 31 in Morrisburg, for a second floor fire, Sunday afternoon.

According to Morrisburg Fire Chief Robert Hamilton, one room was on fire as a result of a bed being too close to an electric wall heater. He said that the fire damage was contained to the one room, however, there was some smoke and water damage to the adjoining hallway.

The room was vacant at the time of the fire.

Called to the fire around noon Sunday, Morrisburg firefighters attended the scene for about two hours.



Fire Contained to Garage/Sawmill

Last Thursday Iroquois firefighters managed to keep a garage fire from spreading to the nearby home.

Iroquois firefighters battle garage fire at Hanesville

HANESVILLE – When the Iroquois Fire Department arrived at the scene of a Hanesville Road garage fire last Thusday afternoon it was completely engulfed in flames.

The fire destroyed the garage, and adjoining sawmill, of longtime Hanesville resident Horace Roskell.

Iroquois Fire Chief Phillip Thompson said that the garage/sawmill building was beyond saving, so they concentrated their efforts on containing the fire. They managed to keep it from spreading to the nearby home and machine shed.

According to Thompson, while being started, a motorcycle caught fire inside the garage, and the homeowner was unable to get it out of the building before the fire spread. He suffered minor burns trying to get the motorcycle out of the garage.

The Iroquois Fire Department attended the scene of the fire from 2:50 until 8:50 p.m., and the Williamsburg Fire Department was called in to assist.

Thomspon said that this garage fire is one of the largest fires that the Iroquois Fire Department has been called to recently.

Fire destroys Mariatown barn and contents

MARIATOWN – Just one week after a Deeks Road barn fire, the Morrisburg Fire Department fighting another barn fire. This time at Mariatown.

Called to the scene of a barn fire at the property of Jim Jordan, November 21, at 8:17 p.m., the Morrisburg Fire Department required the assistance of the Williamsburg Fire Department to put out the fire and keep it from spreading to the adjacent outbuildings.

"There were two barns within 50 feet of the fire," said Morrisburg Fire Chief Robert Hamilton. "We needed a lot of water to keep it from spreading." All of the outbuildings were saved.

The fire department was on the scene from 8:17 p.m. until 12:28 a.m. Some firefighters were called back to the scene November 22, to tend to hot spots and flare ups, and spent three hours doing so.

Hamilton said that they have no idea what caused the Mariatown barn fire, but the cause is under investigation. The cause of the Deeks Road barn fire the week before is also being reexamined.

The barn, which Hamilton estimates to have been about 90 feet long, contained some hay, but was mostly used to store tractors, farm implements and recreational equipment.

Hamilton explained that those contents were the reason that the fire was such a big fire. "It was exceptionally big because of what was burning - plastic, fibre glass, propane tanks."

Last Tuesday Morrisburg Firefighters returned to the scene of this Mariatown barn fire to control flare-ups

Anne, a holiday must see

By W.A.Gibb

MORRISBURG – "I was watching Anne, just waiting for the special things to happen. And they did! This was the best of the best," said the speaker, who was leaving the Friday evening performance of Upper Canada Playhouse's last 2005 production, *Anne*, by Paul Ledoux. Like me, the lady is probably one of the generation of Canadians raised reading the "Anne" books by Lucy Maude Montgomery. She had high expectations for a play based on the story of the enchanting redhead from Avonlea, expectations any theatre company might find challenging to meet.

The lady was not disappointed by the delightful production currently being staged at the Playhouse by Artistic Director Donnie Bowes. Neither was I.

It isn't necessary to have read any of the Montgomery books to completely enjoy the magic of this production.

Whether you have ever heard of Anne, Matthew or Marilla, or any of the wonderful characters who inhabit the small P.E.I. community of Avonlea doesn't matter; *Anne* quickly wins you over in Ledoux's adaptation of the classic story.

Opening with Anne's return to Green Gables after winning the Avery Scholarship to Queen's, the play is told as a series of flashbacks.

We meet the people who have become important in Anne's life, especially Matthew, the gentle, understanding old bachelor, and Marilla, his starchy sister, who is determined to give Anne some "common sense". Seamlessly, the play slips between the events of Anne's early years, and the adult Anne's hopes for a future at university.

The capacity crowd at the Playhouse Friday evening was enchanted by Anne's misadventures with Rachel Lynde, the ultimate busy body. They sympathized during Anne's confrontations with school "heartthrob", Gilbert Blythe, and bossy Josie Pye. The incidents involving hair dye and raspberry "cordial" left the audience laughing and spontaneously applauding.

Anne teaches Gilbert Blythe the foolishness of calling her "Carrots"

Anne strikes a strong chord in anyone who has ever tried desperately to fit in, to find a place, and people, to love.

Director Bowes has put together an outstanding cast for *Anne*. Kate Egan Veinotte is an energetic, instantly likable Anne. She succeeds in capturing both the determination and the imagination of the young girl. Seldom off-stage for long, Egan Veinotte brings real passion to the very demanding central character.

Patti Kazmer is delightful as Marilla. It was truly wonderful to watch her prickly old maid rediscover a sense of humour and love of life as Anne (spelled with an E!) changes her predictable world.

In this production, it was impossible NOT to love Matthew! Doug Tangney portrays a Matthew who is instantly enchanted by Anne and finds a new focus for his quiet, retiring life. The last scenes of the play become particularly touching because the audience cares a great deal about these characters.

The other cast members of *Anne* are equally impressive. Carole Zorro (with that wonderful voice!) is the ultimate town busy body who possesses a heart of gold. Ruby Gillis, performed by Thea Nikolic, is blonde, wide-eyed and endlessly, if tearfully, romantic. Sweeney MacArthur's Gilbert is stalwart, and goodhearted, particularly during the "rescue" scene. Josie Pye, portrayed by Erin MacKinnon, is the Avonlea equivalent of the "school yard bully", bossy and a little underhanded. Mackinnon is a fine foil for Anne. Diana Barry, as played by Loretta Walsh, is sweet, beaming, and quite ready to be swept up in Anne's schemes and passions. Her willingness to see the world in a positive light makes Walsh's Diana the perfect "kindred spirit" for Anne

To perform a play that is emotionally and (often) physically demanding, Bowes has cast a talented and able group of actors.

I was greatly impressed with the cleverness of Jonathan Peters' set design for *Anne* . The play requires that events occur in a number of very different locations. These scene changes must be made extremely quickly without breaking the flow of the on-stage action.

Peters has solved these demands by creating the Green Gables kitchen as a fixed focus, and used a revolving wall to create all the other Avonlea locations. The stage crew is able to change the set dressing with incredible speed and skill.

The lightning design for *Anne* is also versatile and effective. Alec Harmer's lighting keeps attention focussed on the key action even when part of the set is revolving. There is a beautiful little lighting moment when Anne throws open her window on her first morning at Green Gables, greeting the sunshine and the sound of birds.

Alex Amini deserves a special mention for the costumes and wigs used in this production. The wigs designed for the actresses are particularly wonderful, ranging from elaborate school girl ringlets to the upswept Gibson Girl look of the young women.

There was a real feel of authenticity in the costumes for this show. I was frankly amazed at the speed and skill the actresses employed in making several lightning costume changes.

Upper Canada Playhouse in Morrisburg has earned a well-deserved reputation in Ontario for outstanding theatre.

This production of Paul Ledoux's *Anne*, with its talented cast, crew and director, continues to reflect that reputation. Like the lady heading out after Friday's Playhouse performance, I, too, had been hoping for the special magic of this story to be captured on stage. It was.

Election timing is a non-issue

The axe has finally fallen, with the momentous occasion which has been looming over parliament for what seems like an eternity.

Monday evening the federal members of parliament from the non-liberal parties banded together for the non-confidence vote, thus forcing the prime minister to call an election.

What I personally consider to be one of the biggest non-issues of the upcoming election is timing.

So far it looks like the federal election will take place in late January.

I may be in the minority, but the least of my concerns is when the election will take place.

Sure, the politicians will be out campaigning over the busy holiday season, however, I trust that the local politicians who will be campaigning for the federal seat will use their best judgment and discretion throughout the process.

The candidates for this local riding of Stormont, Dundas, and South Glengarry, incumbent Conservative Member of Parliament Guy Lauzon, Liberal candidate Tom Manley, and NDP candidate Elaine MacDonald have all had a significant amount of experience with elections and campaigning for votes.

With that experience I hope they have all gained a significant amount of knowledge about the people of this riding, and that they will know how to appropriately handle an election campaign over the holiday season.

In spite of the timing of the election, I don't believe that paying attention to the news and weighing the election issues enough to form an opinion enough to vote for my candidate of choice, will interfere at all with my enjoyment of the holiday season.

The hardest part will be braving the cold in late January to cast my ballot. But being Canadian, this is not the only time I will have to brave the cold this winter. I will don my toque and snow boots and head to the polling station.

The Leader Blast from the Past

Compiled from The Leader's files

1995

The November 29 issue reported Ken Davies, a certified Novell Engineer, was setting up a new business "Mor-Net in Morrisburg which offered businesses and individuals connections to the Internet.

Bell Mobility was installing a tower on Highway 2 between Iroquois and Morrisburg to improve the clarity of cellular communication.

In the second storm in two weeks, the area received 10-15 cm of snow and another 10 cm of ice pellets and freezing rain. According to Marie Barkley, who kept record for the Atmospheric Environment Service of Environment Canada, 34.4 cm of snow had fallen in November compared to 11.8 cm a year earlier. In the Ottawa region 50 cm of snow was a new record.

1985

The November 27 issue reported members of the Knox Presbyterian Church Women's Missionary Society celebrated the 100th anniversary of their organization. Bessie Beckstead, the local society's oldest active member at 85 years who joined the society when she was 16-years-old, cut the anniversary cake. The first Presbyterian Mission Society was formed in Prescott, and Morrisburg followed close behind in 1885.

Pictured in the issue was John Ross, president of Ross Video Ltd. in Iroquois, who had been named a Fellow of the Society of Motion Picture and Television Engineers in Los Angeles. Fellowships were awarded to a member of the Society who had attained an outstanding rank among engineers or executives in the motion picture or television industry. Ross had been granted numerous patents in TV switching and video processings.

Doug Casselman was pictured in the issue as he presented the Trevor Crowder Memorial Trophy to Dalton Barkley of RR1 Morrisburg. Barkley won the 1985 Big Buck Contest with a five point buck weighing 212 pounds.

Twenty teams participated in the annual Williamsburg Oldtimers Hockey Tournament

The Morrisburg and Iroquois-Cardinal minor hockey associations had amalgamated their midget teams.

1975

The November 28 issue reported that almost 50 years to the day from its charter meeting, the Morrisburg and District Canadian Club celebrated its 50th anniversary. On September 21, 1925, a group of interested men met to discuss the possibility of a Canadian Club in Morrisburg. It was decided at that time, a club should indeed be formed with the first organizational executive meeting being held on October 19, 1925. The first regular meeting took place November 23, 1925. In that initial year, 30 members joined the new organization for an annual fee of $3. The organization grew to over 320 members in the mid-1940s when attendance at some gatherings was about 250.

The Junior B Lions were in Metcalfe where they nabbed the Jets for a 7-1 victory. Kevin Wells and Chuck Lawlor scored two goals each and Mark Wells, Bob McNairn and Kevin Duvall had singles. Morrisburg and Cardinal were tied for first place.

1965

The December issue reported this year marked the 139th anniversary of the organization of the local Lutheran congregation and the 100th anniversary of the dedication of St. Peter's Evangelical Lutheran Church, Williamsburg. It was in 1826, as the result of earnest labour of pioneer Pastor Hayunga, that St. Peter's Lutheran Church was organized at Williamsburg. Prior to this many Lutherans traveled on foot to worship at the Mother Church in Riverside, a distance of 10 miles. After the 1826 organization, a union church, sponsored by the Lutherans and Presbyterians was erected on the site now occupied by the cemetery. Seventeen years later in 1841, plans for a new Lutheran Church were begun. The purchase of a parsonage proper in 1860, decided the general location of the church, and in 1864, the site of the building was purchased from James George and John Cook for $489. The cornerstone was laid in 1865, and the church was dedicated in December of that year. The blue stone, of which the main gothic style structure was built, was from the stone quarry on the farm of John Whitteker in the sixth concession. The church was surmounted by a tower in which hung a 1,200 pound bell.

1955

The December 2 issue reported Morrisburg Voters would vote on two bylaws in the upcoming Municipal election. The first was a bylaw to authorize the distribution of natural gas by Lakeland Natural Gas Company in Morrisburg, and the second asked "if you are in favour of the Village assuming and paying for one half the cost of a sewer on Meikle St. to service the new housing development of Reunion Properties which has purchased a substantial tract of land in the west end to build 28 homes.

1945

Pictured on the front page of the November 30 issue was Captain Parker A. Locke who was aboard the troopship, Queen Elizabeth when it docked at Halifax on Monday, November 26. Captain Locke, son of Mrs. M.W. Locke, a member of the Royal Hamilton Infantry had spent three years in military service, one year overseas where he saw service in Germany and Holland.

The property owners of Morrisburg were to vote on a bylaw to raise the sum of $40,000 for the purpose of erecting a Community Memorial Hall, to be used by various societies and organizations of the town, and also to contain the various municipal offices, fire hall, etc. For many years there had been a crying need of such a building. According to the article every other village of the same size and importance had, had one for years. The article also said it was a disgrace to the community which had hampered chances for development.

Easter Seals Recognizes Work of Jean MacDougall and Girls on Snow

Part of the local Girls on Snow fundraiser since its inception, Jean MacDougall (pictured above) travelled to Toronto over the weekend to receive a distinguished service award from the Easter Seal Society of Ontario.

Jean MacDougall and Girls on Snow recognized for Distinguished Service

MORRISBURG – "I certainly never expected anything like this," says Jean MacDougall of the award she received for her work with the Girls on Snow fundraiser for Easter Seals.

The Easter Seal Society of Ontario hosted a dinner over the weekend, where they handed out 30 awards in recognition of great contributions made by volunteers and supporters.

MacDougall says that there were Easter Seal children, and various charity groups and volunteers who received the awards and she was among them.

"It's quite an honour to represent Girls on Snow and I am in awe that I was chosen to do it," says MacDougall.

She travelled to Toronto to receive the Distinguished Service Award, and was especially pleased that her family was able to be there with her while she accepted the award.

Girls on Snow got started approximately five years ago, when the Rotary Club no longer wished to organize a Snowarama event, so Jean MacDougall, Debbie Strader and Heather Erwin, stepped up and started the Girls on Snow, Snowarama event.

MacDougall says that they did it, not for the recognition, but because, "We wanted to do it. We like helping the Easter Seal kids."

Girls on Snow is an annual girls-only snowmobile ride, which benefits the Easter Seal Society.

"It's fun getting out with the girls and having a great time," says MacDougall. "I love the run."

The local Easter Seals child ambassador is invited to the event, which kicks off with a pancake breakfast, and often the ambassador gets the opportunity to ride a snowmobile.

"We do this every year because of the kids, not for any recognition," says MacDougall. "It's amazing to listen to those kids and how they achieve their goals, by putting their best foot forward. I think there is a lot we could learn from them."

This year's Girls on Snow event is scheduled for February 4.

***3,982** Number of children 6 years and under in Eastern Ontario who, in a single year, visited an Emergency Department as a result of a fall.

Fall-proof *Your Home*

Fact: Kids can't fly. When they fall, they get injured. Sometimes, they die.

In 2002 alone, more than half of all children hospitalized as a result of a fall had fallen from one level to another, for instance down stairs or out of a window. A few had even fallen into a hole.

Every year, thousands of children are injured because they fall from furniture, stairs, baby walkers, playground equipment, even high chairs and shopping carts. These incidents have one thing in common: **they are all preventable injuries.**

As a parent or caregiver, there is plenty you can do to keep kids safe.

More importantly, supervise children at all times. Constant supervision is key to helping your children grow up safe and healthy.

Fall-proof your home:

- Keep furniture away from windows.
- Put safety guards on windows.
- Install safety gates at the top and bottom of stairs.
- Install a non-slip mat or application in the tub, or on the floor.
- Set up playground equipment on a flexible surface to reduce the risk of injury in the event of a fall.

Doreen Florence Stone

Doreen Florence Stone passed away at the Lindsay General Hospital on Saturday, November 25, 2005. Doreen Stone (nee Robinson) of Bobcaygeon was in her 83rd year. She will be sadly missed by her three daughters Cyndi, Debbie, and Tammy, and her grandchildren Jennifer, Ian, Shanna, and Evan. She is survived by two sisters Ruth (Jack) Adlington of Morrisburg and Daena (Lindow) Huddart of Oakville and her many nieces and nephews. She was predeceased by brothers Wallace, Tom, Lorne, Hugh, Hollis, Harold, Jack, Donald, and sisters Velma Robinson, Evalyn Sutherland, and Lois Robinson.

Doreen was born into a large family and lived in the rural Morrisburg area where she attended high school. She was always an athlete and maintained a lifelong love of hockey, softball, baseball, and golf. Her husband was a golf pro at the Hunt Club in Toronto for many years, and after helping him in his shop she enjoyed slipping out to play golf whenever possible. She encouraged her children to be active and in later years she enjoyed watching her grandchildren take part in minor sports. Above everything else she loved her family.

A Memorial service will be held in Toronto on December 4th and a private family service will be held at Fairview Cemetery in Morrisburg at a later date. Donations to the South Dundas Christmas Exchange would be gratefully acknowledged by the family. Arrangements have been entrusted to the Marsden & McLaughlin Funeral Home, Williamsburg.

Lorne Mellan

Lorne Mellan, formerly of South Mountain, resident of the Hartford Retirement Centre, passed away at Winchester District Memorial Hospital on November 28. He was 85.

Born October 4, 1920, in Matilda Township, Lorne was the son of the late Christopher and Edith (Beggs) Mellan. Predeceased in 1990 by his wife, Edith Rathwell, whom he married in Moosejaw, Saskatchewan October 20, 1951, he was a long-time resident of this area.

While he worked as a dairy farmer and an insurance agent, Lorne was a very active member of his community. He served as a School Board Trustee. He was a former Deputy Reeve, and Reeve of Matilda Township. Lorne was a member of the Masonic Order, and the I.O.O.F. He was also active in the Hulbert Valley United Church.

Lorne was a loving father to his children, Christine (Grant), John (Nancy) and Archie (Denise). He was the dear grandfather of Jennifer (Mike), Lindsay, Christopher, Glen and Andrew. He was the cherished brother-in-law of Freda Mellan, Ruth Phillips, Patricia Rathwell, and Wes (Diana) Rathwell.

The funeral for Lorne Mellan took place on November 30, 2005, at the Byers Funeral Home Chapel at 11 a.m.

Pallbearers were Jennifer and Mike Wilson, Lindsay and Christopher Mellan, and Glen and Andrew Mellan. The honourary Pallbearers were Lyle Sullivan and Dwight Gilmer.

Reverend Yvonne Willis officiated. Internment was in the Sprucehaven Cemetery.

Ride Program started

ORILLIA–The holiday season is almost upon us, and the Ontario Provincial Police are reminding the motoring public of the danger of mixing alcohol with driving.

From November 25, 2005 to January 2, 2006, the OPP will team with police service across the province for the annual Festive RIDE (Reduce Impaired Driving Everywhere) campaign.

Impaired driving remains the leading criminal cause of death in Canada. OPP officers will be out in your neighbourhood in an effort to remove the threat of the impaired driver, and reduce the death toll on Ontario roads.

Last year, during the five-week OPP Festive RIDE Initiative, officers stopped 450,582 vehicles at roadside checkpoints. A total of 294 persons were with criminal code alcohol-related offences and a total of 664, 12-hour licence suspensions were issued. Officers also issued 315 of the 90-day Administrative Drivers Licence Suspensions.

For every 470 vehicles checked at the RIDE locations, one driver was either charged with an impaired driving related charge or was issued a 12-hour licence suspension, statistics that are not acceptable.

Unfortunately, during the Festive RIDE campaign last year, officers investigated 37 fatal collisions in which 41 people lost their lives. Three of these fatal collisions were alcohol related.

OPP officers will be doing their part to remove impaired drivers from our roadways, and they ask that everyone does their's, by not drinking and driving.

Councillor Charles Barkley pointed out that the municipality had listed the properties. He said that the key is to get even just one home on the property. "Once you get a house on it, and get it started, it will feed itself."

The Schell subdivision includes about 30 fully serviced residential lots and is located near J.C. Whitteker Park in Williamsburg.

LETTERS TO THE EDITOR

Response from "the infant son"

To the Editor,

My father, George Tindal, wrote to you recently to identify himself as the author of the poem Prayer for an Infant Son, published in your newspaper. He went on to comment on the career of that infant son, with typical fatherly pride.

In response, it seems only right and proper that I acknowledge the role that my father played in any success that I have enjoyed.

If it is true that "the apple doesn't fall far from the tree", my long career in the local government field should not be surprising. My father spent most of his life in the public service.

He was, among other things, the clerk-treasurer of the Village of Morrisburg in the early 1950s, the first secretary-treasurer of the St. Lawrence Parks Commission in the 1960s, and the Superintendent of Business for the Leeds and Grenville Board of Education in the 1970s.

From observing him, I learned the importance of professionalism and ethical behaviour – qualities not always in the forefront in government activities in recent years.

Now in his 89th year, my father continues to take a very active interest in public affairs, often emailing me with questions or concerns about government decisions. No visit with him is complete until he hauls out the latest pile of clippings that he has been saving for me to read.

To my father (and mother), I just want to say thanks and keep up the good work.

Dick Tindal
(aka infant son)

In need of full service gas station

To the Editor,

By now most of us know that winter has arrived. This season creates extra problems for senior citizens such as myself. As I live in the rural area, I must maintain a car to drive.

Many of the necessities I need can be purchased in my local town, Morrisburg. However, no longer can I buy my gasoline in Morrisburg.

Earlier this fall, I was pleased to read that our local Ultra Mar station was to reopen with someone willing to pump gasoline. Soon after the opening, I made my first trip into the station. It was a most pleasant experience. How nice it was to see a familiar, friendly smiling attendant serving the public! How nice it was to hear "Welcome back Joan. Thanks for coming!"

But, alas this was not to last. No longer am I greeted with a friendly smile. Instead I must pump my own gasoline or go elsewhere. Now what do you think this old senior citizen is going to do?

I would like to see the Morrisburg Business Association encourage someone to open a "service" station with "full service".

I wish the owners of our local Ultra Mar the very best. I am quite disappointed. Do other people feel the same?

Sincerely,
P. Joan Dennison.

My Best Friend

It's not the things I own in life
That makes me valuable.
It's Jesus Christ, who paid my debt.
It is to him "I owe."
No greater love hath mortal man,
Than for a friend to die.
I made him Savior of my soul,
And Lord of all my life.

Everything's gonna be alright,
I know everything is gonna be alright.
Jesus is alive, I know.
Everything's gonna be alright.

I will bless his name forever,
His praise continually be
Within my mouth, I'll shout it,
Throughout eternity.
He filled me with his Spirit,
His peace, it fills my soul.
His joy, it runneth over
From my head down to my toes.

Perspectives

Everything's gonna be alright,
I know everything is gonna be alright.
Jesus is alive, I know.
Everything's gonna be alright.

He tells me he will never leave
Nor yet forsake me here.
His eyes are always on me,
To guide me through the years.
He leads me in my quiet place
Where him and I do talk.
He whispers, "All is well, my child.
Everything is going to be alright."

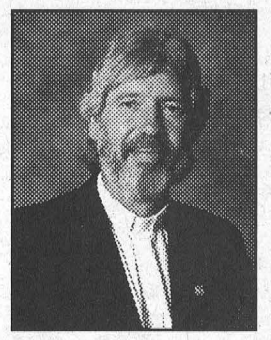
Everything's gonna be alright,
I know everything is gonna be alright.
Jesus is alive, I know.
Everything's gonna be alright.

— Words and Music: Linda Casselman

(Mom & Dad) God, is the answer, to all our questions! (given to me) April-2-05

A few weeks ago, on her way out the door, following worship at St. John's Lutheran Church in Riverside Heights, Linda told me how God was blessing her daily, and filling her heart with songs of praise and thanksgiving. God's musical gifts were coming to her complete with words and melody. I asked if she would share them with me, and the next week she handed me a small stack of handwritten lyrics. When asked, she happily agreed that I could release them to the public.

Linda's joy is contagious, which, you can readily see from the song, which has its source in the greatest friendship any of us can ever know. "Jesus is alive," she sings, and in that blessed assurance she knows that "Everything is going to be alright."



Rev. Jo Barkley-Probst

Friendships are tested in hard times; in sunshine, but especially in the rain. Linda's large extended family endured the loss of both parents earlier this year. Their mother died on March 20 and their father followed her home to the Lord on September 1. Through every moment, the very present power and
comforting presence of the risen Saviour proved his abiding friendship and loving consolation.

Bill and Columbia Roderick had a little plaque on the wall of their humble home which read: "God, is the answer to all our questions!" He gave a grieving daughter his answers in the gift of music. Then she gave God's gift to the preacher looking for a song, who, in turn, passes on God's gift to a community well acquainted with the loss of loved ones.

What a friend we have in Jesus.
Nothing will ever separate us from his love.
He whispers, "All is well, my child.
Everything is going to be alright."

Upper Canada's Alight at Night

All Aboard call for toy train

MORRISBURG – Ever since its inception in 2001, Upper Canada Village's "Alight at Night Festival" has brought something new each season for the thousands of visitors who come out to enjoy the lights, and this year is no exception.

Upper Canada Village is keeping "right on track" in its addition of yet another exciting new component to what has already become a favourite holiday tradition in Eastern Ontario.

The newest component to the Alight at Night Festival will take visitors outside of the Village itself, for a special experience that is certain to be of appeal to families, especially those with young children.

Everyone has seen the nostalgic image of a toy train circling around the base of a Christmas tree, ready to bring delight to the children who discover it on Christmas morning. With the help of Scotiabank as a major program sponsor, Upper Canada Village has been able to bring this image of a toy train to life, so now kids of all ages can actually hop on board a real "Toy Train" for a magical tour.

The Toy Train is a miniature train that seats up to 60 people at time. It will be illuminated by a multitude of lights, and will take visitors for a round trip through Crysler Park to see delightful new light displays all along the way.

The Toy Train will run every night (weather permitting) throughout the Village's Alight at Night festival. Visitors are encouraged to book their tickets early as space on the train is limited. Tickets for a train ride will sell at $3.50 for adults, $2.50 for children ages 5-12, and $1 for children ages 2-4.

However, thanks to the generosity of numerous companies in the local region, rides for children 12 and under will be free on designated evenings, through the companies' nightly sponsorships of the Toy Train. Please note: children 12 and under must be accompanied by an adult on the train.

The following companies have sponsored free rides for kids 12 and under on the Toy Train on the following nights:

Parks Commission receives $400,000 for business analysis

MORRISBURG – The St. Lawrence Parks Commission (SLPC) has secured provincial funding to conduct an analysis of how best to increase future tourism business, including a review of the Crysler Park asset, SLPC Chair George Assaly announced last week.

The business analysis will identify development opportunities, along with financial projections, including return on investment.

When completed, the study will provide a foundation for the development of potential initiatives including new heritage products, accommodation, recreation and retail expansion and related infrastructure requirements.

The Ontario Ministry of Tourism is providing the SLPC with $400,000 for the business analysis.

"The Commission looks forward to working with the Ministry of Tourism on this important initiative in building tourism in Eastern Ontario" said Assaly.

Ontario Tourism Minister Jim Bradley said, "The St. Lawrence Parks Commission plays a key role in supporting tourism in Eastern Ontario. It is important to provide support to the Commission to ensure long-term sustainability of its assets, including potential for development as a catalyst for Eastern Ontario tourism. The economic and business analysis will ensure due diligence necessary to acquire information for decision-making purposes."

Seaway midgets win basketball title

GLENGARRY – On Tuesday, November 22, the Seaway District High School midget girls basketball team staged one of the most exciting games, that coach Kevin Kennedy has ever seen played by a Seaway team, to win the SD&G championship.

Down three points with 30 seconds left in the game, the Spartans made every second count to pull from behind and land a 23-22 championship win.

The Spartans produced a regular season 4-1 record in two round robin tournaments which earned them their entry into the championship tournament last Tuesday.

In their first game in the tournament they defeated Tagwi 23-6 to advance to the semi-final against a heavily favoured St. Joe's who produced a 5-0 regular in the regular season round robin play.

A 16-13 win over St. Joe's put them in the final against L' Héritage, whom they had met and defeated 25-24 in regular season play.

The championship final started slow, with both team playing defensive ball. However, L' Héritage slowly built a lead and had Seaway 14-4 at the half.

"Then it got better," says coach Kennedy. "In the second half we made a couple of changes on defense and we focussed on chipping away at their lead."

"We started coming back, we forced some turnovers, and we got it to where we were down by three with 30 seconds left in the game."

With 30 seconds left in the game, Taylor Mattice fouled but the L' Héritage player failed to count. Seaway took possession of the ball and the resulting basket brought the score to 22-21.

"Now we were down one with seven seconds left in the game. We forced L' Héritage to turn the ball over and we took a time out to plan a play that would give us that one good shot."

Brittany Elliott inloaded the ball to Marcie Jamieson who nailed the shot from just inside the key.

"Now we were up by one with four seconds left on the clock," says Kennedy.

At this point L' Héritage called a time out, Seaway regrouped and when they put the ball back into play Hilary Prowse tipped their inbound pass and time ran out.

"Seaway then went berserk," says Kennedy. "You can't imagine a more exciting finish in a championship game."

Lions Days this Saturday

MORRISBURG – The South Dundas Minor Hockey Association's showcase "Lion's Day" will hit the ice at the Morrisburg Arena this Saturday at 8 a.m. when the Initiation group presents the first of 10 games running throughout the day-long event.

The fourth annual Lions day gives the teams in the South Dundas organization the opportunity to showcase their talents and to play teams that they don't meet in league play.

In addition, an auction table and various draws are run as fundraisers for the association. A big draw item this year is a Pittsburgh Penquin sweater with Sydney Crosby's number donated by Billy Morrow of Sports Fix here in Morrisburg.

Highlighting this year's event will be the shaving of veteran ice man Chris "Crusty" Wouters' beard which will take place in the arena lobby at 8 p.m.

Those lucky enough to take a slice out of Crusty's beard will be selected through a draw and all those who make a donation of a non-perishable food item for the Dundas County Food Bank in Morrisburg, will be entered into this draw.

According to Minor Hockey president, Gary Hart, the day will be visited by "Leo the Lion" and there will be face painting for the youngsters. Gerry Barkley of Williamsburg has donated his service, to provide music during the stoppage of play in the games.

Hart is hoping people in the South Dundas area will stop in at the arena during the day to cheer the local youth to victory. Several of the youngsters will also ride on the association's float in the Morrisburg Santa parade which starts at 11 a.m. on Saturday morning.

Following is the start times for the various games: Novice C House at 9 a.m.; Midget Bs at 10 a.m.; Midget House at 11:30 a.m.; Bantam B House (league game) at 1 p.m.; Atom Bs at 2:30 p.m.; Atom C House (league game) at 3:30 p.m.; Peewee C House at 4:30 p.m.; Atom C House (league game) at 7 p.m.; Bantam Bs at 8 p.m.

Lions steady in second place

MORRISBURG – The Morrisburg Junior B Lions provided plenty of scoring action for their hometown fans Friday night, as they went to work on an 11-7 win over the Char-Lan Rebels.

The game was a topsy-turvy affair, with first one team taking charge of the play then the other.

The Lions went quickly to work in the first period building a 5-0 lead which appeared to put them well on the path to their 14th win of the season.

But then came the second period, five minor penalties, and three power-play goals for the Rebels, and the Lions' lead was cut to 5-3.

The Lions scored only once in the second, and the Rebels again in the final minute for a 6-4 Lions' advantage heading into the third period where the Rebels would again rely on their power play for another three counters.

Steve Jarvo started it off less than a minute into the third narrowing the Lions lead to 6-5, but then Brad Gager answered for the Lions at 2:47 to recapture the two goal advantage.

The back and forth affair continued with a Chad Carter goal for the Rebels at 7:37 and Lions' goal from Cory Gove at 9:06.

At 10:06 Pat Turcotte cut the Lions lead to 8-7.

The 8-7 score held until the last five minutes of the third period when the Lions struck for three in a row from Justin Elliott, Brad Gager, and Kent Nugent for the 11-7 win.

The Lions sat out 18 minor penalties and two misconducts, and the Rebels scored six of their seven goals while on their power play.

The Rebels were assessed 14 minor penalties, one misconduct and one game misconduct.

Cory Gove led the Lions scoring with a three goal performance and added his help or two goals. Dylan Graveley and Brad Gager scored two goals each and Justin Elliott, James Kirkwood, Tyler Lafortune and Kent Nugent scored singles. Peter Barnett supplied four assists.

J.J. Gargour was in net for the Lions, and Chris Pakatar handled the Rebels loss.

Saturday night, the Akwesasne Wolves gave the Lions all they could handle, the Lions scoring with just 1:07 left in the game to break a 6-6 tie and claim the win.

The game was a Justin Elliott/Brad Gager affair, with the two figuring in on each of the seven Lions' goals. Elliott led the scoring with four of the goals and three assists, and Gager counted three of the goals and added four assists.

Tyler Lafortune provided his help on four of the goals and Steve Cain picked up one assist.

The Lions went up 3-2 in the first period, Gager scoring the first goal and Elliott the next two.

At 8:06 of the second frame, the Wolves' Joey Thompson tied the game 3-3, and that held until 15:57 when Gager counted his second goal to push the Lions ahead 4-3.

At 8:06 of the third the Lions went up 5-3 on Elliott's third goal.

The Wolves charged back putting two past goaltender JJ Gargour for a 5-5 tie. Natan Mondoux counted the final Wolves goal with 2:45 left in the game and suddenly the Wolves were in the lead 6-5.

The Lions weren't long in correcting the situation, Elliott connecting for his fourth goal (to tie the game 6-6) just 14 seconds later, and Gager connecting for the winner with 1:07 remaining on the clock.

The Lions were assessed seven minor penalties while the Wolves sat out two minors, a five minute major for checking from behind and the corresponding automatic game misconduct.

The weekend action leaves the Lions tied for second place with the Kemptville 73s at 30 points. The two are now breathing heavily on the first place Alexandria Glens who are out front by just one point.

Coming up this Friday night, the Lions host the Winchester Hawks in an 8:15 p.m. match and Sunday, December 4 they are on the road to Kemptville for a 2:15 p.m game.

Timothy Christian News

WILLIAMSBURG – We are checking in the "finished" column a number of objectives in our school's Strategic Plan. We talk a lot in the school about our SP, which is short for Strategic Plan, but as our SP Coordinator pointed out, also can stand for So Pray - Isaiah 40:31 - "those who wait upon the Lord shall renew their strength; tey shall mount up with wings as eagles; they shall run, and not be weary."

At last check, our debt elimination drive had raised about $70,000!

Our grade 8 class travelled to Bowmanville to participate in a huge volleyball tournament. They all had a great time, arrived there and back safely and the boys came home with a second place in their division.

An Options Program is being planned for the older students in January and February. If you have interests/skills in an area and would like to pass along this hobby to the students of TCS, please call us. In previous Options sessions, kids have learned about quilting, tole painting, cooking, woodworking and jiu jitsu, among others.

Our annual chocolate bar sale is going very well, with about $1700 of our total of $6800 being sold. If you bought a chocolate bar from a TCS student, thanks.

The students have been involved in two Christmas gift related projects. The younger students collected boxes of items that were given to Samaritan's Purse as part of Operation Christmas Child. The students in grades 7+8 are currently contributing to a program administered by World Vision that we call Rabbits & Roosters. The point of both programs is help our kids realize how God has richly blessed them and that lots of kids around the world can benefit from our gifts to them, whether that be a toothbrush or a chicken.

In June, 2006 we graduate 17 students, 9 of whom are the last TCS children in the family. That's a lot of families to leave all at once. Obviously we could see this coming and we have a structure in place that sees the school growing again if we gain six new families a year and retain all of our current families. Over the last ten years, we have averaged 6.8 new families per year, so we're quite confident that we can do so again, with the Lord's blessings.

On January 20 (7:30 PM) and January 21 (9:30 AM), we will be having our annual "Discover TCS" sessions for any parents that are interested in Christian Education.

MORRISBURG – Monday, November 21, at St. Mary's Meeting Room in Morrisburg the members of the Catholic Women's League enjoyed two diverse but equally interesting presentations from Education Convenor Marg Zambon and Christian Family Life Convenor Gerry McSheffrey. Marg's topic was "Christmas and Stress" and Gerry's was "Euthanasia."

Marg began by acknowledging that while Christmas - the celebration of the birth of our Redeemer - is one of the most wonderful times of the year, it has become one of the most stressful times of the year as well. The true meaning, she said, becomes "buried in excesses...of gifts, food and social activities, not at all in keeping with our beliefs and values." Marg said it was time "to stop and ask ourselves, 'Whose party is it anyway?'"

By keeping the focus on Christ and what he taught, Christmas would have less stress and more joy, according to Marg and she talked about how to ensure this, particularly with young children: Teach your child to ask for just one gift so that there would be enough left over for the other children in the world. Consider making a family gift of money to support a child or family overseas where the gift would be used throughout the year. Make it a family tradition to help out on Christmas or Boxing Day at a food kitchen serving meals to the homeless. In the case of grandparents who often purchase elaborate gifts, why not make a contribution to an education fund or pay for lessons in the child's field of interest?

When family and friends get together, have everyone bring their favourite food so the work is shared by all. And remember to make time to spend with those family and friends even if it means forgoing one or two Christmas events elsewhere. "After all," Marg concluded, "memories are mostly built around people and time shared together."

On the premise that "Life is a gift from God, and the timing and circumstances of death are not ours to choose," Gerry McSheffrey challenged the ladies with many questions about Euthanasia, the act of causing death in order to alleviate pain. She presented the Church's position - "Whatever its motives and means, direct euthanasia consists in putting an end to the lives of handicapped, sick or dying persons. It is morally unacceptable.... (it) constitutes a murder gravely contrary to the dignity of the human person and to the respect due to the living God, the Creator."- and asked the ladies how they would defend this position if they had to and what arguments they would use.

Following the two presentations, Cathy Lortie, in her last meeting as President, informed the ladies that the nominating committee for the new executive was Gerry McSheffrey (chairperson), Joan Saver and Lucille Berriault. The new executive will officially be installed in January, 2006.

Other business included a $200 donation to the South Dundas Gift Exchange, the Candlelight Mass arrangements for Nov. 26, and commendations for those who helped in any way with the CWL Regional Meeting. Special notice of 55 year member, Rita Bray, was made as she has been awarded a 50 year pin from the Ontario Hospital Auxiliary Association for her tireless work at the Winchester Hospital.

In the new year, beginning January 18th, the CWL will host euchre card parties in St. Cecilia's Hall on Wednesday evenings. Also in 2006, expect a recipe booklet to be available with "heavenly recipes from inspired cooks."

The ladies ended the meeting by congratulating Father Chisholm on his celebration of 28 years in the priesthood this year. Father, in turn, thanked the ladies and gave each a religious calendar.

Kindergarten Class Meets Spartacat and Donates to Local Food Bank

Mrs. Anne Barkley's kindergarten class was visited last Thursday morning by Ottawa Senators mascot Spartacat. The visit was arranged by Morrisburg Scotiabank staff. Pictured above are the students with the 100 food items they donated. Standing behind the donation (l-r) are Scotiabank customer support representative Kim McNeil, Sparty, Scotiabank personal banking officer Peggy Kaddie and Mrs. Barkley. *Comfort Photo*

Scotiabank food drive brings Spartacat to MPS

MORRISBURG – There were no team rivialries last week when Ottawa Senators mascot Spartacat visited the Kindergarten class at Morrisburg Public School, everyone was a fan of Sparty.

The visit by Spartacat was arranged by staff at the Morrisburg Scotiabank, as part of their ongoing food drive encouraging the community to support their food bank and their team by donating money or nonperishable food items at the branch.

When Spartacat walked into the Kindergarten class room everyone was enthralled with, and in awe of, the mascot.

He brought with him, a book, which Scotiabank representative Kim McNeil read to the class, workbooks for the students, and stickers and postcards, which he autographed for each studnet.

In prepartation for the visit, the students made Senators flags which they waved to welcome Spartacat to their class.

Since Spartacat's visit was the result of Scotiabank's food drive, students brought in food donations, which amounted to nearly 100 food items.

The Scotiabank food drive started in late October and runs until December 9. For a food or money donation, donors receive a ballot to enter a draw for Senators hockey tickets. The grand prize is two tickets to the Ottawa-Toronto game (Dec. 17) and two tickets to the Ottawa-Pittsburgh game Feb. 6). Second prize is two tickets to the Ottawa-Toronto game (Dec. 17) and third prize is two tickets to the Ottawa-Pittsburgh game (Feb. 6).

Food donors are encouraged when they drop of donations at the bank to add them to the pile of the team, which they support - Ottawa or Toronto.

Personal banking officer at Scotiabank Morrisburg, Peggy Kaddie said that their food drive is going very well, and added that both the business community and the community in general have been very supportive.

Seaway Valley Singers present *Joy to the World*

WILLIAMSBURG – Choir director, Robert Jones has selected a program which includes both sacred and secular music, guaranteed to please audience members of all ages, for the Seaway Valley Singers' 12th annual Christmas Concert coming up at the Christian Reformed Church in Williamsburg on Friday, December 9.

The 32-voice choir, as its name indicates, is made up of singers from throughout the Seaway Valley: Avonmore, Chesterville, Iroquois, Monkland, Morrisburg, Williamsburg and Winchester.

This year, the choir is presenting "Joy to the World".

By popular demand, the Winchester United Church Junior Handbell Choir, also directed by Jones, will perform in the concert. They will accompany the choir in two selections, and ring a solo piece.

Various selections will be accompanied by pianist Valerie Kilpatrick, and other instrumentalists will also be involved.

Kilpatrick attended Manchester University and the Royal Manchester College of Music. After moving to Canada, she received a Master's degree in Music Therapy from New York University.

This is the second season Robert Jones has directed the Seaway Valley Singers. Jones organist and choir director of St. Luke's Anglican Church in Ottawa, organist for the Saturday mass at St. Basil's RC Church in Ottawa, and is director of the Bytown Voice.

A Chesterville resident, Jones is a graduate of the University of Windsor and the University of Western Ontario. He studied at the Royal School of Church Music in Croydon, England.

Tickets for "Joy to the World" are now available through all choir members or at the door, on Friday December 9. Tickets are $10 per adult and $8 for seniors and students. The show begins at 7:30 p.m. The Christian Reformed Church is located on County Road 18 in east-end Williamsburg.

Seaway Singers conductor Robert Jones has selected a program to suit all ages for the choir's 12th annual Christmas Show at the Christian Reformed Church on Dec. 9.

The Week In Curling

MORRISBURG–Two Little Rock teams traveled to Manotick last weekend for the first of many bonspiels they will enter this year. Cameron McIntosh, Anna Woodmass, Christina Robichaud and Logan Patterson won their first, but dropped close second and third-games. Bobby Robichaud, Luke Whitteker, Travis McMillan and Connor Woodmass had better luck, winning all three games, one by a wide margin, to win the overall title on the day. Well done!

MORRISBURG CURLING CLUB
LESSONS & LEAGUES FOR ALL AGES
NON-MEMBERS WELCOME

We look forward to hearing of your future competitions, and hopefully playing in the Big Four and the Little Big Four matches match later on.

On Wednesday the Morrisburg Curling Club played host to the Women's Invitational Bonspiel again. Unfortunately, they were short one team, and organizer Alice Thompson had to enter a foursome in the competition. Betty Locke, Alice Thompson, Susan McIntosh and Dorothy Culkin won their first match against Prescott, but after a delicious home cooked meal, dropped their second to a strong Cornwall foursome. Ann Chick's Brockville team finished tied for first and after a tie-breaker, claimed the A.C.Casselman Trophy. In the second draw, Russell's Sharon Carrigan won the trophy with two decisive wins. One of their players had taken ill, and local curler Cheryl Thompson filled in and helped them to victory. As always, the volunteers made the day, and the coordinator of the event was appreciative of their efforts.

Our local club hosted the Parnell Cup competition last Friday. Sid Morrell, Don O'Brien, Neil Williams and Raymond Benoit carried Morrisburg's colours, defeating a Cornwall team and a Lancaster foursome. A Prescott quartet won both of their games as well, and took the trophy home because of a better points total. Sid thanked his volunteers, who looked after everything required to run their successful bonspiel.

Saturday saw the Morrisburg Curling Club host the men's Founders Bonspiel. Again this year, Dave Cassel's Strader Motor Sales sponsored the event. Rinks from Vankleek Hill, Brockville, and of course, the usual strong contingent from Prescott competed. As well, President Joe McCooeye had to field a local team to complete the draw. Helping him in his mission were Bobby Jack Hart, Wally Baker and Josh Laurin. The team curled well, but dropped their matches to Brockville's Warner Bischof and John Thompson, who both finished in the top five on the day. Dave Cassell's foursome finished up a strong second to the overall winner, Prescott's Garry Wright. His team's names will be inscribed on the venerable Founders Trophy this year. Bonspiel Co-ordinator Joe McCooeye offered thanks to Donna Dillabough and her kitchen crew for the fine roast beef dinner, and to the other volunteers who helped ensure the day's success.

The Club will be busy again this week In addition to regular league curling, the Daytime Mixed League hosts three Russell teams today, Wednesday. Also, the Branch Junior competition is being held here on Saturday and Sunday. This will be the biggest event the club hosts this year, and more volunteers are still needed for the event. A sign-up sheet is available in the lounge. Good curling to all!

Novice Bs evenly matched

BROCKVILLE – In Brockville to face the Braves, the Novice B Lions played a very evenly matched, exciting game, which ended in a 3-3 draw.

Off the opening face-off, Evan Mullin had two quick scoring chances but was unable to capitalize. On his second shift of the game, he was able to put one past the Braves goal tender with a beautiful pass from Andrew Jarvis for the first goal of the game.

Shane Woolsey scored the second goal of the game on a great effort, fending off his attackers, to give the Lions a 2-0 lead.

The second period was scoreless one, but in the third period, the Braves were able to tie the game up, and go ahead by a goal.

The Lions battled back and Woolsey scored his second goal of the game with a wrist shot that found its way at the back of the net.

With the clock winding down, the Lions had some great scoring chances but the game ended in a 3-3 draw.

Andrew Jarvis had a strong game defensively and Cole Beckstead's great fore checking didn't go unnoticed.

The Lions are on the ice December 3, in Athens, and at home December 4, against the South Grenville Rangers.

Two weekend wins for Peewee C Girls

CHESTERVILLE – The South Dundas Peewee C girls hockey team won by a narrow 2-1 margin over Akwesasne last Friday night.

The game held at the Chesterville arena was scoreless until late in the third period when Breanna Peters scored for South Dundas. Goalie Jessica Whitteker earned an assist on the goal.

Peters scored her second goal of the game on a breakaway with 23 seconds remaining. Morgan Spencer assisted.

Akwesasne scored to spoil Whitteker's shutout with only eight seconds left in the game.

It was the fourth meeting of the season between the two teams. South Dundas has three wins and one tie against Akwesasne.

On Saturday, the Peewee girls swept past Brockville 7 - 1.

Breanna Peters played another strong game with 5 points, one goal and four assists. Lily Streit and Danyelle Tessier each scored twice. Single goals went to Michaela Morrow and Kristina Swank. Amy Veltkamp had two assists, while Randi Melenhorst assisted on one goal.

Safe Travel

The weather outside is frightful

TORONTO–As the holiday season approaches and we look forward to spending time with family and friends, the weather and winter travel will be on many of our minds. Winter travel calls for extra care even under normal weather conditions.

High wind chills, heavy snowfall, freezing rain, blizzards and extremely cold temperatures are all part of the hazards of winter storms. Snow and ice on roadways can reduce tire traction, while vehicle exhaust and ice fog can reduce visibility.

The best safety precaution to take during severe winter weather conditions is to avoid traveling at all. However, if you must drive, be aware and be prepared.

Listen to Environment Canada's weather forecasts and the various watch and warning bulletins before you decide whether it is safe to travel. Also, make sure to check the forecast to see what is happening–both en route and at your planned destination when you are scheduled to arrive.

•Winter Storm Watch–Winter Storm Watches are issued when conditions are favourable for the development of severe winter weather such as: a blizzard, heavy snowfall, a winter storm, freezing rain, or possible future weather warning.

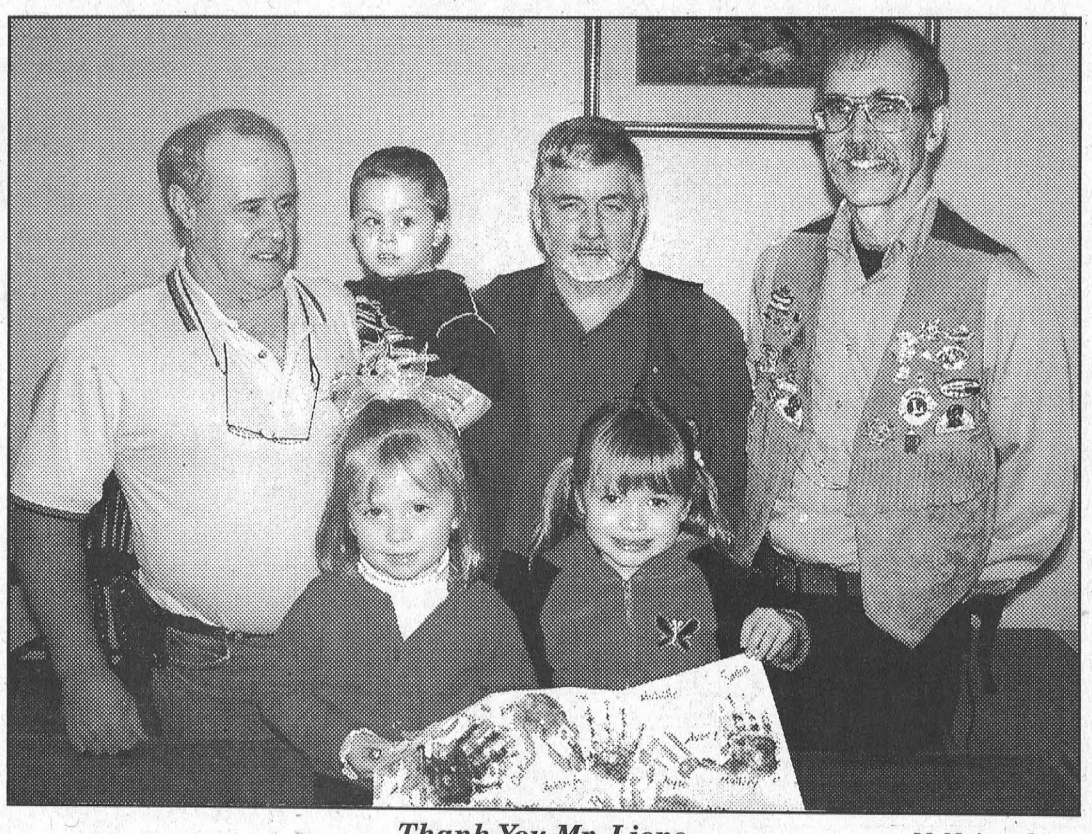
•Winter Storm Warning–Winter Storm Warnings are issued where there is a combination of weather elements that produce the weather-related hazard.

•Snow Squall Warning–Snow Squall Warnings are issued when there is a combination of heavy snowfalls, strong winds and reduced visibility to the lee of the Great Lakes or other large lakes.

•Blizzard Warning–Blizzard warnings are issued when certain combinations of cold temperatures, strong winds and reduced visibility occur simultaneously for a specified length of time.

•Wind Chill Warning–Wind Chill Warnings are issued when wind combined with very cold temperatures create outdoor conditions hazardous to human activity.

For weather bulletins visit www.weatheroffice.ec.gc.ca



Thank You Mr. Lions ***McNairn photo***

The Morrisburg and District Lions Club was paid a very special visit at the club's regular monthly meeting last Thursday night, when representatives of the Morrisburg and District Preschool showed up to say thank you for a recent donation. Speaking on behalf of the Preschool, Tanya Domanko thanked the club for the donation which will be used in the school's operational costs. The school is attended by 24 youngsters, and Domanko explained that it is a co-operative effort that keeps the enrolment cost relatively low to provide the opportunity to as many children as possible. As a result the parents come on board to help out by fundraising. "We are here to say a heartfelt thank you for the money you donated to us," Domanko told the Lions. The special thank you card was made by the preschool students and presented by Ty Shaver (top), Erika Jordan (bottom left) and Dana Domanko. Accepting the thank you on behalf of the Lions, l-r, are 1st vice-president Carl Robinson, Lion Bruce McIntosh, and president Paul Gunther.

IROQUOIS LEGION NEWSLETTER

Royal Canadian Legion

Branch #370

IROQUOIS – The fourth annual Joe McDonald Memorial Cribbage Tournament was held on Saturday, November 26, with a total of 22 in attendance. Finishing first with six wins and 335 points was Andre Gravel. Finishing in second with six wins and 334 points was Karl Kirkwood, while Willis Douglas claimed the third spot with six wins and 318 points. It's interesting to note that Andre Gravel never misses a Saturday play of crib. On Saturday he had three close losses in the whole day, and they happened to be with three women. For this special event, a different format of play took place. Regular crib will resume on Saturday.

Tuesday evening of November 22, 11 tables of Euchre were in play. Claiming the first prize was Edith Baker, while second prize was picked up by Keitha McConnell. Maureen Welsh captured the door prize. Taking the low scores of the evening were Brooke Leightizer and Elaine Jamieson.

The Pot of Gold winner was Jacques McNicoll who was not signed in.

The Friday Luncheon will be Stuffed Steak with mashed potatoes and gravy and cabbage salad. Dessert will be pumpkin pie.

Time is running out for our "Early Bird" membership drive. If you haven't paid your dues yet, why not drop in and pay? From now until November 30, you have a chance of getting your money back as your name goes into the draw. But these special offers end on November 30. On December first, the dues will increase in price!

The Christmas parties have already started. Our Ladies Legion Branch 370 Auxiliary will be much busier. By the way, our Ladies are wonderful. We are in the process of getting a new roof on our Legion. Along came our Ladies Auxiliary with a chque for $8,000 to help with the expenses! They certainly are great partners with our Legion: we are fortunate to have them.

Saturday December 3 the Iroquois Mixed Dart League will be hosting a special mixed Tournament (two ladies and two men). Cost is $40 per team with Registration taking place from 12 p.m. until 12:45 p.m. Play resumes at 1:15 p.m. There will try outs the first, second and third. The Ladies Auxiliary will have the Canteen available.

Before closing, I'd like to say special thanks to Jim Logie and Jane Riewe for keeping an eye on things while I had the chance to visit the "Big Apple." (Ground Zero is just unbelievable to see, and I found it to be very emotional also.)

Until next week, take care!
