WINCHESTER THEATRE NEWS

The sale of The Winchester became an accomplished fact on Monday when National Theatre Services Limited took over ownership and control. The majority of patrons would not notice any difference in the direction of affairs. Mr. Clarence Chamberlain became manager, in the stead of Mr. H. T. Meldrum, but the other members of the staff remained at their posts. Mr. Chamberlain was formerly assistant manager of the Centre at Kingston, and previously at the Centre in Peterboro.

An intense, thrilling, spy mystery is the basis for this week-end's feature, with Howard Duff and Marta Toren heading the cast. It is the story of an American caught in a maelstrom of intrigue and danger in Europe in the latter days of the last war. Two black, man-killing panthers, used as media for the transmission of secret information, add to the thrills. The second part of the double bill for the show, is an adventure of Allan "Rocky" Lane's "Bandit King ofTexas."

For the first of next week, there is a mystery, comedy picture, which has made a great hit in its showing since its release six months ago. "Mr. 880". Edmond Gwenn is an innocent, harmless old citizen, who counterfeits a few dollar bills whenever he runs short of cash for his benefactions to his neighbors and friends. His operations are so inconsequential and so evidently purposeless, that the authorities find great difficulty in probing the mystery. The story of how it is finally done leads to the portrayal of scenes of comedy and pathos which build up a most appealing picture.

The final picture of the three show period sees John Wayne in the role of an ex-soldier turned cowboy in "Tall in the Saddle", a story of hard-riding, hard-shooting action.

Jo-Anne Shoppe Fashion Show Was Well Attended

Over 600 Winchester and district ladies attended the annual Spring previews at the Jo-Anne Fashion Show, held in the local Town Hall last Thursday and Friday. Three shows were held, on Thursday evening, Friday afternoon and evening, with large crowds at all previews, especially on Friday evening when many persons had to be turned away.

The hall was appropriately decorated with baskets of flowers and special lighting, adding much to the already colourful gowns, suits and other ladies' apparel worn by the five models.

Modelling the clothes were Mrs. Floyd Armstrong, Mrs. Ralph Kirkwood, Mrs. Stirling Dawley and Miss Winnie McKercher, of Winchester, and Miss Myrtle Stephens, of Angora Garments, Montreal.

All ladies did excellent work in modelling and they were introduced by Mrs. Howard Willard who acted as commentator for the three shows. The guests were welcomed at each preview by Mrs. Arnold Dukelow.

The event this year was not only a success for the Jo-Anne Shoppe but for the Winchester Hospital Auxiliary, who netted $500.00 from the sale of 1500 tickets and the admission of those who attended. The grand prize from the draw was won by Miss Wilma Casselman. Second place was taken by Mrs. Thos. Johnston, of Cass Bridge, and third prize was won by Mrs. W. J. Saunders, of Carleton Place. All prizes were credit cards at the Jo-Anne Shoppe amounting to fifty, thirty and twenty dollars respectively, with the first prize being donated by Mr. and Mrs. Dukelow. The draw for the tickets was made by Miss C. Wilson, the hospital superintendent.

The serving of refreshments at the conclusion of all shows was done by ladies of the Hospital Auxiliary under the convenership of Mrs. R. D. Ledgerwood, Mrs. C. R. Robinson, Mrs. Melvin Scott and Mrs. Geo. McConnell.

The Fashion Show, which is presented annually by Mr. and Mrs. Arnold Dukelow, owners of the Jo-Anne Shoppe, portrayed the latest in Spring Fashions, featuring advanced stylings in ladies' dresses, coats, hats, sports wear, etc., all of which is regularly carried in stock at the Jo-Anne Shoppe.

The lovely hair styles at the show were created by Miss Florence Wyatt, of Winchester, while Miss Leslie Ann Atkins, of Tiffany Cosmetics, was in charge of make-up. The latter was present through the courtesy of the local Rexall Drug Store.

The various door prizes were made possible through the co-operation of Duval Handbags, National Hosiery and Angora Garments.

Stage furniture was provided through the courtesy of Vice & Craig furniture dealers.

Pianist for the three presentations was Miss Catherine Moffat.

Local Junior Hockey Club Faced With Huge Deficit

The hockey season may be over for members of the local Junior Hockey Team, that is from a playing standpoint, but the season is far from being concluded for members of the Club executive, which is faced with a financial problem. During the season, seven league games were played and, due to poor patronage, only $98.10 was realized from receipts. Expenses of running the team included the following items: 18 pair of hockey stockings, $25.50; sticks, tape and pucks, $169.23; referees, $77.00; entry fee, first aid supplies, etc., $17.33; hospital account, $8.75; dentist's account, mending sweaters and advertising account, $35.75; making a total of $343.56. That leaves a deficit of $245.48. This money has to be raised some way to clear up the club's activities with a clean sheet.

During the season, all transportation was provided free by local car-owners, and lunches and treats for the players after the games were also donated.

The executive are considering a canvass of the business men and other prominent citizens to help solve their financial problem. If you are one of those citizens who didn't attend any of the games or give the team any other kind of backing, it is hoped you will give a liberal donation when the canvasser calls on you. If the canvasser misses you, you may leave your donation at the Press Office.

Rocket-Porcupine Series All Tied Up

In the opening game of the Memorial Cup Playdowns, played at the McIntyre Arena, Schumacher, on Monday night, the Inkerman Rockets, O.D.H.A. Junior Champions, defeated the Porcupine Combines, Northern Ontario Champs, 3-2. On Tuesday night the Combines turned the tables on the Rockets, trouncing them 9-1. This left the best-of-five series all tied up at one win each. The teams will now move back to the Ottawa Auditorium to complete the series, the next two games scheduled for Friday evening and Saturday afternoon.

In both games, played at Schumacher, the star performer was Ron. Diguer, the Rocket goalie. According to the northern sports writers, he has been sensational. In the first game the Rockets were outshot 27-15, but managed to win the game by a narrow margin. On Tuesday night the margin of shots was 62-20 in favour of the Combines, and Diguer stopped 53 of them, which is a good night's work for any goal-tender. The balance of the series promises to be exciting, and whichever team wins, they're going to have to play heads-up hockey all the way.

WOLF CUB HIGHLIGHTS

For fine efforts displayed, two more Cubs were successful in completing Badge work. They were Garry Willard (Senior sixer) and Lorne Windsor winning the Athlete's and Collector's Badge respectfully.

James Churchill and Lorne Windsor both finished their knots—a first star test. Mat work was enjoyed by all.

Sixteen Cubs answered the roll call under the direction of Akela and Baloo.

WILL OBSERVE GOLDEN WEDDING

Mr. and Mrs. James A. Stanley, of Metcalfe, will be at home to their friends on the occasion of their 50th Wedding Anniversary on Tuesday, March 20th, 1951, from 3 to 5 and 7 to 9 p.m.

Mr. and Mrs. Stanley have two daughters, Mrs. Alfred Carson and Mrs. Alfred Sheldrick, both of Metcalfe, and two grandchildren, Freda and Willis Carson. They were married on March 20th, 1901, at the home of the bride's parents, the late Mr. and Mrs. John Lee, on the Prescott Road, Osgoode Township. The Press joins in extending congratulations.

BISHOP OF OTTAWA SENDS MESSAGE TO ST. MATTHIAS' ANGLICAN CHURCH

In reply to a letter sent to him regarding the holding of services in St. Matthias' Anglican Church, during the pulpit vacancy, Mrs. K. H. Greer received the following communication, which is self-explanatory:

"Dear Mrs. Greer—Thank you for your letter of February 22nd. Rev. Linley Macmorine, Rural Dean of Stormont, who lives at Wales, is responsible for the services during the vacancy at Winchester. I have just been talking to the Clerical Secretary of the Diocese and he tells me that he had a conversation with Mr. Macmorine the other day and that services will be arranged. He understood that Mr. Roberts would continue to carry on until we could find a clergyman.

"I was very interested in the fact tht you took part in the World Day of Prayer. I am glad that there is a faithful body of people, though small in number in Winchester, to keep the work alive until a permanent clergyman is appointed.

"It was a disappointment when Mr. Adams left us for the United States. However, we are unable to help these things and certainly as a Church cannot compete with the American Church. With kind regards, yours sincerely, Rt. Rev. Robert Jefferson, Bishop of Ottawa."

Inkerman Rockets O.D.H.A. Champions For Fifth Season

The same old story! Lloyd LaPorte and his Inkerman Rockets won their fifth straight Ottawa and District Junior A Hockey Championship at the Auditorium on Saturday afternoon when they downed Eastview St. Charles 7-4 in the sixth game of a best-of-seven series. Rockets won the series four games to one, with the first contest ending in a 6-6 deadlock.

In the end it was staying power and reserve strength that won the series. The Rockets were skating as fast in the last game as they were in the first, and they were hitting harder. On the other hand, the city squad was naturally tired and being short-handed a couple of games didn't help their cause.

Simply, the best team won, and with the addition to the Rocket roster of Coco Limoges, Finnegan and Rheo Dagenais, the Inkerman crew should give the South Porcupine boys a lot to think about. That series should be interesting because the squad that eliminates the Rockets will have to skate—all the time.

Saturday, it was nip and tuck for a period and a half, and then the big red and white machine started to roll. The Eastviewers couldn't keep up the pace, and would have been skated out of the rink had there been another period.

Moe Savard was the lead man for the Rockets. He picked up a hat trick and was effective all afternoon in playing his best game of the series. Ron Trussell and Brian McFarlane turned in good games, along with Ron. Diguer with his usual performance in the nets.

Special mention should go to Diguer who was probably the best man on the ice during the entire series. His goal-tending was the most consistent seen in this district in many a year.

All players went well, and for St. Charles it was Coco Limoges who was a stand-out for the losers. Goalie Sarault of the St. Charles' club also turned in brilliant performances in all games.

Inkerman is now engaged in a best of five series with South Porcupine, the Northern Ontario Champs. The first two games of the series were played in Timmins, with the remaining games slated for the Auditorium. The third game of this Memorial Cup playdown should get under way tomorrow night in the Auditorium.

According to C.A.H.A. rules, the Rockets were allowed to take three players from the St. Charles' Club to strengthen their team. With the addition of this smooth-working trio the district crew will be putting up quite a fight to continue in the competition.

Inkerman—Goal, Diguer; defence, Duncan and Marlin; centre, Crowder; wings, Baldwin and Fader; alternates, Swords, Pelino, McFarlane, Savard, Bjorness, Trussell, Leblanc, Romhild.

LAST THURSDAY'S GAME

Inkerman Rockets took a stranglehold on the Ottawa and District Junior A Hockey Championship last Thursday night when they poured through Eastview St. Charles by a convincing 6-2 score.

The Rockets were never headed in this game after they collected the first goal at the 7.16 mark of the initial stanza.

Another crowd of over 6,000 fans was on hand to watch one of the best played games in the series. The two clubs stuck to hockey and except for a part of the second period the game was a cleanly played contest.

Ron. Trussell, hard-working pivot man, led the Rockets with two goals and an assist, with singletons coming from the sticks of Duncan, Crowder, Romhild and Savard.

Both Diguer in the Inkerman nets and Sarault between the pipes for St. Charles played their usual brilliant game.

LOCAL JUNIORS DEFEAT LEGIONNAIRES 5-3

In the feature attraction of a sports program, sponsored by the local branch of the Canadian Legion, at the Winchester Arena last Friday evening, the local Junior Hockey team outscored the Legionnaires 5-3. For the winners, the marksmen were: Red McIntosh, 2; Lloyd Bailey, Jack Anderson and Jack Dawson . Jim Lennox scored twice for the Legionnaires, with George Elliott getting a singleton.

The line-ups were:

Juniors—F. Holmes, S. McKercher, D. LaPorte, R.McIntosh, L. Bailey, J. Dawson, J. Anderson, C. Bowden, R. Barigar, D. Folkard and C. Coleman. Keith Carkner, Coach.

Legionnaires—N. Utman, C. Utman, D. Melvin, G. Elliott, S. Dawley, J. Lennox ,F. Dunlop, A. Reilly, G. Steinburg and Jas. VanBridger. Sam Ault, Coach.

While the game did not produce the best brand of hockey in the world, it did create plenty of excitement, and it was a treat to see some of the old-timers try to compete with the youngsters. The spirit was willing but the body just wouldn't co-operate and as a result, many of the Legionnaires were nursing some stiff joints the next day.

Following the hockey game, the local Legionnaires took on the Chesterville Legion in a game of Broom Ball, which resulted in a two-all tie.

Winners of the prizes in the draw for door prizes were: 1st, Alex Quesnel, a mantel radio; 2nd, Junior Summers, an auto rug. The lucky tickets were drawn by the Legion President, Mr. A. J. Casselman.

Convener of the committee in charge of the events was Mr. Gordon Steinburg.

Local Hospital Manager Gives Interesting Report

Following is the complete text of the report, presented at the annual meeting of the Winchester District Memorial Hospital last week, by the Business Manager, Mr. A. P. Alford:

Mr. Chairman, Members of the Board, Ladies and Gentlemen:—

Once again it is a pleasure to meet you on the occasion of another Annual Meeting. You have heard some very informative facts and figures given in the various reports and the oratory was of such high quality and so inspirational that it is very difficult for me to compete, however, I will endeavour to outline a few things that may be of interest to you.

The year 1950 has been a heavy one. In hospitals there is never an end, it is always a beginning. So pressing are the matters of the day, rising food costs, rising drug costs, anxiety over wage problems, difficulty of an inadequate staff, overtaxed accommodation, heavy repair and maintenance cost, that it is no wonder your Superintendent and Administrator are in a near state of frenzy and frustration. However, just about this time some patients make a few nice remarks about how well they were treated within our walls, or some news of a speedy recovery, and we are given a lift to carry on.

The number of patients treated in

Winchester Bantams Are St. Lawrence District Hockey Champions

It took the Winchester Bantams eight minutes in a sudden death overtime period last Friday night to edge a fighting squad of youngsters from Maxville 6-5. Sonny Paul, smooth working defenceman from Chesterville, was the big gun for the locals in copping five of the six goals. Jimmy Corry worked well and collected a singleton to make up the scoring sheet for Winchester.

The game, played in Maxville, was a sudden-death affair, the winner being proclaimed champions of the St. Lawrence district.

The locals started slow but gained much momentum as the periods rolled on.

Badly outplayed, the Maxville squad put up a good fight, and although bigger, were slower than the Winchester boys.

Previous to this game, Winchester had eliminated South Mountain and Cardinal. The Bantams now go into Eastern Ontario Championship playdowns, probably against the winners of the South Carleton district.

Winchester's team is composed of five players from Chesterville and eight from Winchester and district. The players from Chesterville are: Mel. Abel, Don. Abel, Carl Beckstead, Francis Beckstead and Sonny Paul.

The line-up for the Maxville game was: Goal, D. Wyatt; def., M. Abel and S. Paul; centre, E. Bilow; wings, B. Sherwood and J. Corry; alternates, B. Raistrick, C. Beckstead, F. Beckstead, D. Abel.

The 7th Column

Lloyd LaPorte and his Inkerman Rockets have done it again—for the fifth consecutive year they have captured the Ottawa District Hockey Association Championship, and will represent the O.D.H.A. in the Memorial Cup Playdowns. Their victory over St. Charles, the Ottawa City champs, turned out to be very decisive. After tieing the first game of the series 6-6, the Rockets won 4 out of the next five games by the following scores: 4-3, 12-2, 6-2 and 7-4. They dropped one game to their opponents by a 6-2 score. The aggregate scores in the six games were 37-23 in favour of Inkerman. As they continue on in the Memorial Cup playdowns we wish them every success.

An attack of influenza didn't stop the Iroquois Post's columnist "Kay Kay" (Ken. Kirkby) from getting maried recently. When illness prevented him from going to the church or the bride's residence for the ceremony, he just had the bride, the minister, attendants and friends all come to his bedside where the knot was tied. Commenting on the incident in last week's Post, Kay Kay says: "There undoubtedly were many good-natured laughs and snickers at that news but this columnist wants it to be known that "he never felt better in his life." Whether the doctor's medicine did the job or what we aren't sure." To Kay Kay and his bride the Seventh Column extends congratulations.

THE FORTY-FOUR FREEDOMS

Freedom is a stirring word. Poets and orators delight in using it because of its emotional power. But what, exactly, does it mean in any given set of circumstances?

Which do you prize more highly, political freedom or religious freedom? That question may start you thinking.

It was to gain religious freedom that the Pilgrim Fathers came to this continent in 1620. Political freedom was won by the American colonies in 1781. Freedom from slavery came to the negroes of the Southern States only in 1865.

President F. D. Roosevelt gave the world a new phrase and a better understanding of its problems when he enumerated his Four Freedoms—"Freedom of speech, freedom of worship, freedom from want and freedom from fear"—were those the four? We are tempted to remark here that what the East needs is freedom from want and what the West needs is freedom from fear—and we might not be so far from the truth, at that! But we must move along, for there are many other freedoms of great importance to the individual. (We shall not try to list them all!)

Wives go to Reno to obtain freedom from the bonds of matrimony; sufferers from toothache go to their dentist to secure freedom from pain; men toil for years to clear off the mortgage and gain freedom from debt. We have a Russian friend who left his homeland to escape the tyranny of Communism, and what first impressed him when he arrived in Canada was his complete freedom to move around. "I get on a train at Quebec. I get off where I like. Nobody asks to see my papers. I am not once questioned by the police."

In Canada we enjoy more kinds of freedom than we can count, and that is one of them. But when we speak of freeing other countries we usually have in mind political freedom. This kind of freedom may mean much or little. Britain's colonies do not have it. One of the worst mistakes that can be made by the West in its attempt to help the East is to assume that its hungry millions are crying for political freedom. Most of them want freedom to live in peace, freedom from oppression, freedom from debt, freedom from famine, freedom to wrest a bare living from the soil. That is why any smooth-tongued Communist can lead them. He need only promise them the ownership of a small plot of ground, and they will gladly help in the "liquidation" of their grasping landlords. What does a Chinese peasant care about political freedom so long as he is free to live and raise a family!

If we of the West want to save the East from Communism, we must convince these millions that we are able and willing to help them win the kinds of freedom they are most in need of. Killing them by the tens of thousands may be an unfortunate necessity, but we shall never free the people of China by an act of conquest.

A MATTER OF FORM

Otolaryngologists, experts on ailments of the throat, have developed an odd form of conversing for people who have been unfortunate enough to have had their larynxes removed. The method, it seems, is a highly refined form of burping.

Patients are taught to force air into the stomach, then push it through the throat in the form of a belch, while forming the words with their mouths. A highly intelligible form of speech, it is said, may thus be achieved.

Such a mode of speech, at least in Canada, is certain to have certain social drawbacks. For while a series of well-modulated burps may be conversationally appropriate when discussing price control at a soda fountain, it is apt to be looked upon as singularly inappropriate and even unparliamentary by Mr. Speaker in the House of Commons.

Burping is, nevertheless, a mode of conversation worthy of cultivation by those civil servants going to Southeast Asia under the Colombo Technical Assistance Plan for under-developed countries. Asiatics, it is said, regard a good loud burp as the most elegant tribute a guest can pay to the hospitality provided by his host. Official Ottawa will, no doubt, be quick to avail itself of the services of a couple of otolaryngologists.

EDITORIAL NOTES

The Winchester Press joins with the host of friends throughout Eastern Ontario in congratulating Mr. Lloyd LaPorte and his popular Inkerman Rockets on capturing the Ottawa and District Junior A hockey championship last week for the fifth consecutive year. The Rockets have now advanced into Memorial Cup playdowns and are presently engaged in a series with the Northern Ontario Champions.

The Ontario Government's budget for 1951, presented by Premier Frost last week, may well be called a "Sunshine Budget." Last year was another successful one for Ontario, with the books showing a $1,276,000 surplus after paying a new $1,500,000 grant to hospitals and an extra $14,500,000 into debt retirement funds. Highlight of the budget, which should meet with everyone's approval, was the important item of no tax increases. Grants to hospitals will be increased, and amusement tax has been cut. Premier Frost predicted there would be a $598,000 surplus in the next year in the face of a general increase in subsidies and grants to municipalities, and reductions of roughly 2½ per cent. in taxes on amusements and race track betting.

PERMANENT LICENSE PLATES

(Petrolia Advertiser-Topic)

A Main St. resident was rather out of sorts this week as he beat the deadline of February 28th in getting the 1951 license plates for his car. He said that in the process of removing the old plates and putting on the new, he had ruined a perfectly good screw driver, broken a hack saw blade, scratched his less than a year old car, scraped some tender skin off two fingers and got thoroughly chilled. But what really riled him was the fact that the job he was doing, when all this damage occurred, should have been completely unnecessary. Permanent or semi-permanent license plates, as has been adopted in several states and at least one province on this continent, would have eliminated this messy annual chore.

LOCAL HOSPITAL MANAGER GIVES INTERESTING REPORT

(Continued from Page 1)

1950 closely parallelled 1949 but revenue was greater due to the fact that the patients stayed longer. This was more than offset, however, by the fact that operating costs increased greatly and resulted in the loss mentioned by your treasurer. The major portion of this loss was caused by indigent patients. I might mention that an effort was made to have County Council increase the indigent rate but we were unsuccessful. We did, however, succeed in getting a number of donations which partially offset this indigent patient loss. They were as follows: Counties' Council, Cornwall, $1,000; Chesterville Village, $500; Williamsburg Township, $250; Finch Township, $100; Finch Village, $100; Mountain Township, $1000. There are other townships who have given us their assurance of assistance but which have not yet come through.

Blue Cross

Now for a few interesting things about Blue Cross. A hospital is at once a hotel, a home, and a place of business. It provides medical care, nursing, and board and room service to customers who are sick in mind and body and each of whom faces an emotional crisis. The possibility of death and the probability of a large hospital bill is evident and must be met by him or someone else if he's not fortunate enough to have Blue Cross to fall back on. I would like to stress the importance of having Blue Cross, or some other protective Plan. If you can't get on a group plan, take it on a self-pay basis. Some of you will say that Blue Cross rates are rising. They are in many of the outside groups, but so are hospital rates, and if you are stuck with a large hospital bill you will wish you had protection. A threeday stay in hospital of any member of your family will probably equal or exceed the cost of the protective agencies. During 1950 we received approximately $28,000 from the Blue Cross in payment of claims. This works out to about 30 per cent. of our total revenue. I was amazed to learn recently that only about 11.77 per cent. of the population of Dundas have Blue Cross coverage. There are, however, many people who have protection through co-operatives and insurance companies. The reason why the coverage is so small in this county is probably because it was only until recently that there was a hospital in this district, and because groups in this district were late in starting.

Instrument and Symbol

Being non-profit, hospitals are both an instrument and a symbol. They are the means by which the charitable and generous impulses of mankind are extended to the sick and injured of our community.

A hospital cannot give or donate its services, except as the agent of the community from which it derives its financial support.

To-day, hospital care is mounting higher and higher, and these costs must be met by someone. We have to lay these facts before the public, and your elected Councils who look after your interests. I would like to drive this point home. A contributor does not give money to a hospital, he gives it to another citizen to receive the full benefit of his generous act—a service which may restore his neighbour back to health and may even save his life. "The People own the hospital! The People use the hospital! The People must support the hospital!"

Division of Medical Care

The Winchester District Memorial Hospital is performing a great service. During each month almost $8,000 worth of medical services is given to patients and this service is spread over the surrounding districts as follows:

	%	Patients
Winchester Twp.	15.34	215
Mountain Twp.	16.48	231
Osgoode Twp.	16.62	233
Winchester Village	10.34	145
Outside Areas	12.27	172
Chesterville Village	7.85	110
Finch	5.21	84
Russell Twp.	4.50	63
Williamsburg Twp.	7.06	99
Matilda Twp.	3.57	50

When one looks over these figures it is readily discernible how valuable this hospital is to the people in the various villages and townships and why they should support this institution.

The Chairman of the Property Committee has outlined many of the improvements that have been effected throughout the year and the printed financial report shows a number of requirements for 1951. Improvements cost money but we can't stand still. We have to go ahead. To do this we need finances, and all governing bodies, individuals and Councils are asked to give their support to this worthy enterprise.

At this moment I would like to pay tribute to all those individuals who assist in keeping up the good work of this Hospital, to the doctors, nurses, your superintendent, ladies' auxiliaries, the Board of Trustees and our friends throughout the district. Many of these people do their work without pay or remuneration of any kind, and the only compensation they get is the satisfaction that comes from doing a good job conscientiously. To each one of them I would like to express my own personal appreciation.

OBITUARY

LATE ROBERT L. PURCELL

The funeral of one of the most respected residents of South Gower district was held on Friday afternoon, March 2nd, when friends and relatives of Robert L. Purcell paid their final respects to his memory at his home, when Rev. M. N. McDonald, of St. Paul's Presbyterian Church conducted the service, assisted by Rev. C. K. Mathewson, of Lyn, and Rev. Mr. Larson, of South Mountain, also Rev. Mr. Fitzsimmons, of Cardinal. The remains were placed in the vault for interment in the Spring in South Gower cemetery.

Deceased died at his home on February 27th after having been in poor health for the past six months. He was in his 90th year and was born in Kemptville, a son of the late James Purcell and his wife, Jane Bennett. He married Fanny Victoria Jackson, who survives him. He had been a farmer at Watertown, South Dakota, for 18 years, and lived for 11 years in Edmonton, Alta., after which he came to his present home. He and his wife would have celebrated their 55th wedding anniversary on March 4th.

Surviving besides his wife are a son, Gideon Purcell, of Kemptville, and two daughters, Mrs. Percy Cumming (Ada), of Mountain, and Miss Geneva Purcell, of Montreal; also a number of nieces and nephews; and six grandchildren, Roberta, Eva, Dwight, Bruce and Elma Cumming, and James Robert Purcell.

Many beautiful floral tributes were received by the family, showing the esteem of his many friends.

The pall-bearers were: Messrs. C. D. Beckett, Thomas Johnson, Harve Johnson, Samuel Hamilton, Eddie Hamilton and Herman Hamilton, cousins of the deceased.

LATE ARTHUR FROATS

The community was shocked to hear of the sudden death of Arthur Conley Froats, age 22 years, oldest son of Mr. and Mrs. Harvey Froats, of Hulbert, on Sunday, Feb. 25th.

Arthur, with three companions, was returning to London Ont., from a motor trip when the car in which he was a passenger, struck the soft shoulder, crashed and caught fire on U. S. Highway No. 25, about 30 miles north of Port Huron, Mich. Arthur was killed, while his companions received minor injuries and shock. The remains were taken to the Jewel Funeral Home, Carsonville Mich., and later transferred by train to the home of his parents.

A well-known resident of Mountain Township, Arthur had resided in London for the past two years where he was employed by McCormack Candy and Biscuit Co., and lately by Tilbest Foods Ltd.

He is survived by his parents and three brothers, Glen, of London, and Gordon and Donald, at home.

Tribute to his memory was paid by a host of relatives and friends at his funeral on Thursday, March 1st, in Hulbert United Church at two p.m. The service was conducted by Rev. J. Burden, pastor of the church, assisted by Rev. Eric Larsen, minister of South Mountain Presbyterian Church. The remains were placed in the vault at South Gower to await burial in the Spring. LATE JOHN G. CARKNER

The community lost a highly esteemed resident in the passing of Mr. John Givens Carkner, of Kenmore. The funeral was held on February 15th at 2 p.m. from Kenmore Baptist Church. The pastor, Rev. James Taylor, was assisted by Rev. Glynn Firth, of Kenmore United Church; Rev. Thos. McNaught, of Russell United Church, and Rev. W. J. MacDonald, of Toronto, who is Superintendent of the Baptist Home Mission Board for Ontario and Quebec. A large number of friends and relatives attended to pay tribute to one of our finest pioneers, whose passing will be deeply mourned.

Mr. Carkner was a son of the late Duncan Carkner and Matilda Johnston. He attended Kenmore Public School and Woodstock College. After his graduation he returned to Kenmore, entering the lumbering business founded by his father. He was married to Miss Frances Stringham, of Woodstock, in 1902, who predeceased him in 1931. Most of Mr. Carkner's 73 years have been spent in and around Kenmore.

He was a man of one interest and many activities; a Justice of the Peace in Osgoode Township; chairman of the Home Mission Board of the Ottawa Association of Baptist Churches; senior deacon and Bible Class teacher in his home church for the past 25 years, and president of the local branch of the Bible Society.

Has he any wool?

No. The mountain sheep is one member of the sheep family that has no wool.

The heavy fleece which identifies common sheep is not a feature of the mountain sheep. His hide closely resembles the pelt of a deer.

UNITED CHURCH W. M. S.

The March meeting of the Afternoon Auxiliary was presided over by Mrs. Geo. McIntosh, assisted by the secretary, Mrs. K. Helmer. Miss A. Walker was pianist for the meeting.

The devotional period, the theme of which was "The War for Love and Peace," was led by Mrs. W. A. Rowat.

The program topics were on Japan and took the form of a debate. Those taking part were: Miss E. N. Elliott, Mrs. W. VanAllen, Mrs. S. Christie and Mrs. T. Edgerton. "Is Japan likely to adopt Communism?" and "Is there a great future for the Christian Church in Japan," were under discussion.

The Literature secretary drew attention to the Book Shelf. Mrs. P. Durant gave a reading on "Citizenship," and Mrs. L. Walker one on "Stewardship." The Birthday Box was in evidence to remind the members with March birthdays.

A special thank-offering service is planned for April. The meeting was closed with prayer.

W. H. S. NEWS NOTES

(By Ronald McIntosh)

Oratorical Competition

Congratulations are extended to Miss Jessie Carkner, a Grade XIII student, who won this year's competition for the McMaster Trophy. This competition was staged at the Town Hall on Tuesday, March 6th, with twelve speakers displaying their talents before a sizeable audience. Miss Carkner spoke on "Farm Clubs," and "Winter Sports" was her impromptu speech. In second position, the judges placed Miss Isabel Latimer, who spoke on "Public Speaking." Holding down the third spot was Miss Doreen Cross, who chose as her topic, "Princess Margaret Rose." Excellent entertainment was provided by the Vernon Band, and community singing led by Miss E. Stewart. Judges for the evening were Mrs. F. M. Cass, Mrs. K. Graham and Mr. M. Clarke.

Examinations

With the sweet warble of our redbreasted friend, the robin, and the harsh "caw" of the crow, one can feel that examinations are on their way. True enough, these foretellers have truly borne out their reputation, because examinations commence today at W. H. S. That will mean a great deal of hard work to make a good showing. Go through this week of toil, however, with a cheery smile, for life is not all a burden—Easter holidays begin on the 23rd.

AN IMPORTANT MESSAGE FOR PARENTS

Teaching your children the "Economic Facts of Life" now will save them much suffering later on, claims noted author Evelyn Barkins. Too many parents neglect to teach children how to live on a budget. Read "Teaching Your Child How To Spend" in The American Weekly with this Sunday's (March 18) issue of The Detroit Sunday Times.

AWARDED EFFICIENCY CERTIFICATE FOR ACCURACY IN FEED MIXING

A special news despatch from St. Louis, Mo., says that Mr. Basil Dawley, local Purina dealer, has been issued a Certificate of Mixing Accuracy by the Ralston Purina Company, following an analysis of samples taken from custom-mixed feeds prepared specially for customers of the mill.

The proper mixing of ingredients, using grain grown locally by farmers in this area, has long been recognized as an important factor in the efficient and economical feeding of livestock and poultry.

Before Purina approved the mill as an authorized mixing station using Purina formulas and ingredients, laboratory tests were made to determine the accuracy and uniformity of the mixing service rendered.

The samples which passed the most recent laboratory tests, and qualified the mill for the Certificate, did not vary more than one-half of one per cent. in protein content.

A certificate is issued for each formula manufactured and approved.

UNITED CHURCH W. A.

The March meeting of the United Church Woman's Association was held in the Sunday School hall, opening with the theme song. The devotional was an Easter theme, "Christ Is Risen." Mrs. J. Moffat read a story on the origin of the hymn written by George Bernard, "The Old Rugged Cross."

Mrs. Faye Scott presided as secretary in the absence of Mrs. J. K. Ault, and read the minutes of the last meeting. The treasurer's report was given and others items of business discussed. Mrs. A. B. Allison was requested to take charge of arranging flowers for the Easter services. Arrangements were made for a Bazaar to be held May 5th.

The social hour and refreshments were in charge of Mrs. J. Moffat, Mrs. E. Steele and Mrs. E. Fennell, and Mrs. Fennell entertained with slides in Biblical color from "Last Supper Including the Resurrection," which was much enjoyed by all. Mrs. J. Ault expressed thanks. Mrs. F. Scott, Mrs. W. Rowat and Mrs. W. Angus volunteered to take charge of the social hour at the April meeting.

The president closed the meeting with a piece of poetry, "Not Growing Old," and the Mizpah Benediction.

Formula "1028"

Best of 1028 Tests

You've read and heard a great deal, no doubt, about the so-called "miraculous" growth ingredients—antibiotics, Vitamin B-12, etc. Purina has been investigating the possibilities in these materials, and its final findings are included in Chick Startena and Turkey Startena for 1951. Just to give you some idea of what Purina Research involves, the Chick Startena formula is the result of no less than 1028 careful feeding tests. When you feed Purina, you are not experimenting—the experimenting has been done already.
