These are the days

Tri-county residents celebrated SD&G and Cornwall Community Days at Upper Canada Village last weekend. Clockwise from the top Pamela Phillips of Avonmore Berry Farm gives a treat to Angela Wheeler, 5, of St. Andrew's West while her sisters Tara Lynn, 10, and Morgan, 2, wait for their turns. A recycled alien by Sarah Hunt of Chesterville sits on display, square dancers from the Seaway Squares and Harbour Lites clubs put on a show, singer Jennifer Loucks of Cornwall entertains and Ron MacDonell of Cabers of Glengarry demonstrates hammer throwing.

MORRISBURG — There was a touch of country, a touch of Scotland and a couple of environmental concerns thrown in for good measure.

And they were only a few of the things to entertain or educate people attending the second annual SD&G and Cornwall Community Days last Friday, Saturday and Sunday just outside Upper Canada Village near Morrisburg.

The aim was to promote life in the tri-county area both to tourists and residents. Clubs and businesses like the Seaway Squares square dancers, the Cabers of Glengarry — a Scottish highlanders games team, and Avonmore Berry Farm entertained or set up exhibits during the weekend.

Despite the wet weather, attendance was good, according to Kim MacLennan, media and promotions representative for the Parks of St. Lawrence. Approximately 880 people attended the event which ran Friday and Saturday.

Last year the event ran for a week in mid-summer and attendance was low during the weekdays. This year organizers moved the festival back to June and made it a weekend event.

Events varied from dad-look-alike competitions and singers to lessons in environmental awareness. The SD&G Waste Management Master Plan committee sponsored its first "Something from Nothing" contest to encourage children to think about waste reduction.

About 50 students from elementary schools entered the contest where they had to create a useful household object, a decoration, a game or toy from common trash. Results were displayed at the SD&G and Cornwall Days.

"We were really intrigued with what they sent in," said Anne MacGillivray, study co-ordinator for the waste study committee. "There's a lot of ingenuity in all of them."

Kate Wright, a Grade 8 student from Williamstown Public School, took best of show with her "Horsing Around Triva Game". She made the game by recycling plastic horses, cardboard, blocks and cards from an old boardgame.

Winners of the most innovative entry were Krystle Smith and Sarah McDonald, both 11, of the Williamsburg Girl Guide troop, who made fire starters from lint, wax and egg cartons as well as a camping oven out of corrugated cardboard, wax, a cat food container and a tin can.

Also this year, the SD&G Days hosted for the first time the Euchre Tournament of Champions for seniors on Friday. First place winners were Bessie Locke of Mountain and Hilda Kirkby of South Mountain, followed by Muriel Gow and Kezia Wells of Williamsburg in second place. Third prize was won by of Elizabeth Briere and Cecile Cuerrier of Moose Creek.

David Beggs of North Gower was the winner of four awards at the Kemptville College of Agricultural Technology graduation ceremonies held last month in Kemptville. Beggs; pictured right, received an Ottawa-Carleton 1983 International Plowing Match Scholarship; the Eastern Ontario Chapter of the Drainage Superintendents of Ontario Award; the Shane Gillan Memorial Scholarship Award; and the Ed Wallace Memorial Award.

Thea Marion of RR1 Winchester was the recipient of an Ottawa Citizen Award presented to the FS&T student ranking highest in academic and practical subjects. Marion (right) is pictured receiving the award from Jim Travers. She also received the Mary Anne (Kinsella) Nooyen Memorial Award for ranking highest in academic proficiency during the senior year.

North Gower grad earns four awards

KEMPTVILLE — A number of area residents received awards at the Kemptville College of Agricultural Technology's graduation ceremonies held at the college, May 27.

Dairy Cattle Production and Management graduate David Beggs of North Gower received four awards.

Beggs was presented The Ed Wallace Memorial Award for outstanding achievement in crops science;an Ottawa-Carleton 1983 International Plowing Match scholarship for overall academic standing in first and second semesters; the Shane Gillian Memorial Scholarship Award for co-operation and dedication during his agricultural studies at the college; and the Eastern Ontario Chapter of the Drainage Superintendents of Ontario Award given to the agriculture student who demonstrated excellence in the field of soil conservation and water management.

Food Services graduate Thea Marion of Winchester received both the Ottawa Citizen Award for FST graduate who ranked highest in academic and practical subjects; and the Mary Anne (Kinsella) Nooyen Memorial Award to the food science student ranking highest in academic proficiency during the senior year.

Dairy Cattle Production student Graham Duke also of Winchester was the recipient of the Canadian Imperial Bank of Commerce (Kemptville) Award given to the agricultural student who attained the highest mark in the senior year "Analysis and Decision Making" course.

Lois Watt of Osgoode, enrolled in the Landscape Horticulture program, received the Fertilizer Institute of Ontario Award for ranking the highest in soil science.

As well, food science graduate Judith Eyndhoven of Chesterville received the Canadian Food Service Executives Association Gold Plate Award for outstanding commitment to the food service industry and to the community.

OTHER LOCAL GRADS

Other local graduates included: Lois Serviss, Williamsburg, food services management diploma; Glen Allingham, Iroquois, dairy cattle production diploma; Tracy Adams, Chesterville, equestrian certificate program; William Bennett, Iroquois, diesel equipment mechanic certificate; Danny Rainey, Avonmore, diesel equipment mechanic; Denzil Raistrick, Winchester, diesel equipment mechanic.

Approximately 55 graduated from one of the college's four diploma programs; while another 43 completed certificate courses.

The diploma courses include: Food Science Management, Field Crops and Livestock Production Management, Landscape Horticulture, and Dairy Cattle Production and Management.

Certificate programs are offered in equine, agricultural welder fitter, and diesel equipment mechanics.

Graham Duke of Winchester was this year's recipient of the Canadian Imperial Bank of Commerce (Kemptville Branch) Award for attaining the highest mark in senior year "Analysis and Decision Making". He is pictured receiving the award from Jim Fisher.

Lois Watt of Osgoode (right) is pictured receiving an Ottawa-Carleton 1983 International Plowing Match Scholarship from Preston Ralph. Watt also won the Fertilizer Institute of Ontario Award for ranking highest in soil science.

Berries now ripe

MOUNTAIN — After a few days delay, this year's strawberry crop should be ready this week.

Usually ripe for picking by the second week of June, this year's crop was delayed by a cold, wet spring.

"We're usually picking by now. The berries are a good week late... cold, cloudy weather has held things up, said a spokesperson for Mountain Orchards.

With a week of hot weather, earlier on in the spring, the strawberries came on quickly, then stopped, she explained.

However, the crop is expected to be a good one, and should run for the normal three weeks if the weather co-operates.

According to Carol Patterson of Patterson's Berry Farm near Edwards, their crop usually starts about June 20, but will be held off until the end of this week. She agreed that the delay is due to the cold weather.

However, Patterson says the plants weathered well over this past winter, and predicts a bumper crop this year. Some sun and warm temperatures over the next couple of days would help to bring the berries along, she added.

West Dundas club judges yearlings

by Steve Bossel

WINCHESTER — On Mon., May 31 at 7:30pm the West Dundas Dairy Club held its meeting. Neil Kittle hosted this meeting.

Kelly Fawcett opened the meeting and led us through the 4-H pledge. Amber Mooney then proceeded with the attendance and roll-call, "What type of milking system do you have? If you don't live on a dairy farm what kind of milking system have you seen?" The minutes were also read.

The meeting was then turned over to Betty Mooney and we judged four Holstein yearlings. After hearing reasons from some members the official placings were read.

We talked about the udder and mammary system of a cow. Neil gave each of us a card on which was written a part of the udder or its function. We were to match it to the drawing of the udder.

Cathy handed out crosswords to everyone. After a few minutes we took it up as a group, (surprising how people sometimes listen).

We continued our meeting by talking about the milking system, first about pipeline milking, then about pail milking, and finally about the milking parlor. Neil pointed out the different parts of the milking machine and the vacuum system.

We talked about pulsation cycle, pulsation rate, pulsation ratio, pulsation phase and what all of these big words mean. Neil took out the pail milker and attached it to the vacuum line. We were told to stick our finger in and see what would happen. Although some members thought they were getting sucked into the milking machine, others thought this procedure wasn't funny.

We finally proceeded to the refreshments and the meeting was adjourned at 9pm by Kelly. Ryan also thanked Mr. and Mrs. Kittle for hosting the meeting. Meeting four will be at Kevlyndale Farms, South Mountain on Mon., June 28 at 7:30pm.

Press saluted as 4-H sponsor

WINCHESTER — Hats off to the Winchester Press — our 4-H sponsor of the month.

The Press sponsors an annual award for outstanding 4-H Press Reporter.

The award not only encourages press reporters to develop skills in creative writing and reporting, it also encourages reporters to submit their articles to the paper which spreads the word about 4-H.

Thank you for your support and for the great weekly 4-H Update column in the Press.

Dundas Field Crops Club meets

by Stephen Hardy

WINCHESTER — The second meeting of the Dundas 4-H Field Crops Club was held May 26 at 7:30pm at the Ontario Ministry of Agriculture and Food office in Winchester.

President Stephen Hardy called the meeting to order and we opened with the 4-H pledge. Nine members answered the roll call — Name one way to control pests.

The minutes of the last meeting were not available. A discussion followed on how to control pests. A video was viewed on the safe use of pesticides.

Activities for the meeting included a *keying out* game and a crossword puzzle.

The next meeting was set for June 23 at 7:30pm at the Hardy's.

The meeting adjourned at 9:15pm.

Two computer clubs organize

WINCHESTER — Two 4-H Computer Clubs will be offered this summer, based on experience and not age.

Level one is for members who do not have a computer or have not used one before or who do not have very much experience using a computer.

Members will learn the basics of using an IBM compatible computer; some DOS commands will be taught and members will get some experience using a word processing program (WordPerfect) and a spreadsheet program (Lotus 1-2-3).

Meeting dates are Mondays and Wednesdays, June 28, 30, July 5, 7, 12, 14. Leaders are Ted Ceelen, Thom Mueller and Lynn Ouellette.

The level two computer club is for members who have computer experience at home or school or who have taken a previous 4-H computer club. Members should be familiar with the basic DOS commands.

Topics include: about 20 DOS commands including new commands in DOS 6.0; using DOSSHELL; using WINDOWS; using WordPerfect; and a look at Lotus 1-2-3.

Meeting dates are Tuesdays and Thursdays - June 29, July 6, 8, 13, 15, 20.

Club leaders are Howard Giles and Peter Leyenaar.

All meetings are 7:30-9:30pm at the T.R. Leger Alternative School, Winchester. For information call the OMAF office at 774-2313.

Upcoming events

WINCHESTER — Following are some upcoming events for members to take note of.

June 24: Dundas Judging Club, 7:30pm, OMAF Boardroom, Winchester.

June 28: West Dundas Dairy Club, 7:30pm, Kevlyndale Farms South Mountain.

July 5: South Dundas Dairy, 7:30pm, Francis Henderson, Brinston.

July 5: Dundas Vet Club, 7:30pm, Henry Velthuis, Mountain.

July 8-10: EBI Showcase, Kemptville.

July 10: Dundas Horse Club, 9am, Fred Guse, Iroquois.

July 12-13: Careermania, University of Guelph.

July 12-14: Members Conference, KCAT, Kemptville.

July 13: Dundas Farm Safety Club, 8pm, Williamsburg Fire Department.

Golden Triangle Co-op plans celebration

KEMPTVILLE — Having raised a good portion of its required equity, Golden Triangle Co-operative Inc. is holding a grand celebration for its canvassers, staff, other supporters and their families.

The new co-operative has the goal of raising $1,750,000 to ensure the continued presence of a local co-op to operate in and benefit the region.

"We're very proud of the people who have put much time and dedication into the cause," says Richard Graham, the co-op's general manager. "It is clear that there is solid support in the community because people continue to buy from their co-op and invest in it."

The celebration, a picnic, will be held on Sun., June 27 from 11:30am-3:30pm at the Kemptville Co- op Branch of Golden Triangle Co-op at 306 VanBuren Street.

Musical entertainment, beef on a bun, entertainment for children and tours of the co- operative's store, feed manufacturing and crop product facilities will be featured.

Graham says the picnic will give co-op supporters a time to reflect on their achievements, "but they will also be aware that they can't lose sight of the fact that a co-operative continually needs its members' support."

With $25 million to $30 million in sales per year, Golden Triangle Co-operative Inc. has become one of the largest co-operatives in Ontario. It operates co-operatives from Eganville, west of Ottawa, to the Quinte District. Competitive prices, employment opportunities, needed agricultural products and services and customer involvement are some of the benefits local co-ops provide to rural Ontario.

Safety first

Approximately 50 county Grade 6 students participated in this year's Dundas Farm Safety Association poster contest. The top five winners included, front (left to right): first, Katherine Adams, Dixons Corners; second, Cynthia Rutters, Elma; third, Tim DeJong (back right), Dixons; fourth, Janet Pemberton (back, centre), Elma and fifth, Colleen Ortwein, (back, left) Dixons. All participants in the contest received prizes.

Visitors to this year's Finch Steam Show Sunday look over some of the many antique tractors on display. Muddy conditions and constant rain dampened attendance for the event.

Steam show fires up crowd

Greg Hewitt
Special to the Press

There was a lot of mudslinging at the Finch Antique and Steam Show over the weekend.

But it was not in the form of insults, but real mud - kicked high into the air by trucks that entered the show's mud bogging contest.

The contest was a new addition to the ninth annual show. Because of a well-timed rainfall Friday, announcers before the contest started warning several hundred people in the audience that show organizers aren't responsible for dry-cleaning bills.

Colonel Montgomery, one of the show's directors, said adding new things to the slate of events is something that organizers feel is important. "If you had the same things every year, it would probably get boring and the crowds wouldn't come," he said.

And he said organizers are pleased with this year's edition, which he called a success.

"I would say on the whole, it was pretty good," Montgomery said. He estimated that about 700 people passed through the gates Saturday, and about 500 on a rain-soaked Sunday.

"We're all pleased this year, especially with Saturday."

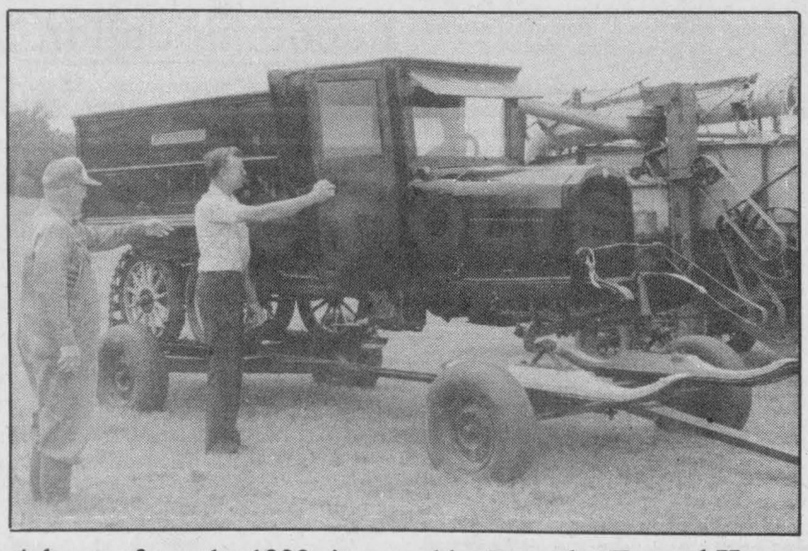
In the mud bogging contest, about 20 four-wheel- drive trucks took their best shot at ploughing through wet, muddy lanes in a grass field.

Some trucks in the smaller classes got about half- way through the track before becoming mired up to their door panels in muck. Some larger trucks, with perseverance, good driving and a little luck, made it through the course.

Also new to the event this year was a Western horse show, also held Saturday. The show saw 33 horse-rider combinations compete in 36 classes. Montgomery said the horse show was popular with visitors.

MUSIC

Country music entertainer Tex Montana, who performed at the Country Jamboree last year, returned to Finch to provide the sounds for Saturday night's barn dance.



A hearse from the 1930s is owned by Brownlee Funeral Home in Finch. Press Photos — Hewitt

Montgomery said the tractor pull Sunday was a tremendous success. He said farmers told him the field conditions for the event were the best they had ever seen. About 40 entered the event.

But as much a part of the weekend as the music, mud and horses were the antique tractors, cars and engines.

Montgomery said while there were not as many antique cars this year as there were last year, the field of old tractors on hand was solid.

A tour of the grounds was like walking back in time, with small engines and pumps, some more than 80 years old, sputtered and coughed occasionally but still ran.

A long lineup of antique tractors also stood on the grounds, as well as a hearse from the 1930s, fitted with snow tracks and runners.

RESULTS

Here are some of the results from the Western horse show (other results were unavailable at press time).

Costume class: Lisa Laub, Finch.

Hi-point pee-wee (12 & under): Rebecca McRae, Newington, riding Cerrena Corte.

Hi-point youth (13-18 yrs.): Tie, Brandy McDougall, Cornwall, riding Koko, and Tim Hodgens, Williamstown, riding Golddust.

Sr. hi-point (19 & over): Beverly Hurst, Vankleek Hill, riding Opie's Classy Lady.

Pasture supplements practical

by Dennis McKnight

Many dairy and beef producers still pasture their cattle during the summer. By mid-July these pastures may require additional supplementation.

Certainly the use of pasture rotation, fertilization, stubble fields, and avoiding early grazing will delay the need for supplementation. Farmers should keep a close eye on the quantity and quality of the pasture and adjust supplementation programs accordingly.

Every farmer faces the problem of what supplement to use, when to use and how much to feed. In gereral, three prerequisites should be met: 1. The supplement should provide the nutrients missing in the forage. 2. Each animal must get an equal share. 3. The supplement should be convenient and practical to feed.

Many different feeds may be used to supplement declining pastures. The most common supplements would be hay, haylage, corn silage, liquid protein supplements, grain supplements or self-feeding salt-feed mixtures. One should not overlook crop residues such as the aftermath from the harvest of grain and corn.

Hay provides a good pasture supplement, if available. Five pounds of dry hay daily helps prevent pasture scours and provides some insurance against bloat problems. Pastures are normally poor sources of phosphorus and when no grain supplement is fed, a high phosphorus mineral salt mixture should be offered free choice. In most practical situations, when no grain supplement is fed, a free-choice salt-mineral mixture supplying a 1:1 or 1:2 calcium to phosphorus ratio will be adequate. For pastures containing less than 50 per cent legumes, prepare a 1:1 mineral by mixing calcium phosphate and trace mineralized salt in a 2:1 ratio (67 kg calcium phosphate and 33 kg trace mineralized salt).

Protein blocks, weighing anywhere from 15 to 90 kg (30 and 200 pounds) each, may be placed in grazing areas. Most of these blocks contain non protein nitrogen (urea) and are self-limiting at approximately one half kg per head per day.

Liquid supplements in a 'lick' tank can be offered free-choice as long as cattle do not consume more than they need. Molasses and urea are the major components so care must be taken to ensure that cattle are accustomed to the urea over a day or two. High urea supplements have not been shown to be well utilized on pastures because of the lack of readily available energy. Although popular a few years ago, liquid protein supplements can be somewhat costly when compared to dry supplements.

The practice of using salt to limit grain consumption on pasture is an old practice. Salt content may vary anywhere from five to 40 percent (with 30 to 33-1/3 per cent most common) and actual intake of feed supplenent may be altered from .45 kg (one pound) to liberal feeding by decreasing salt from 40 to four per cent. The protein level of the grain ration should be from 12 to 16 per cent on most grass-legume pastures. Generally, the lower the level of legumes and the later the stage of maturity, the more protein is needed in the grain mixture.

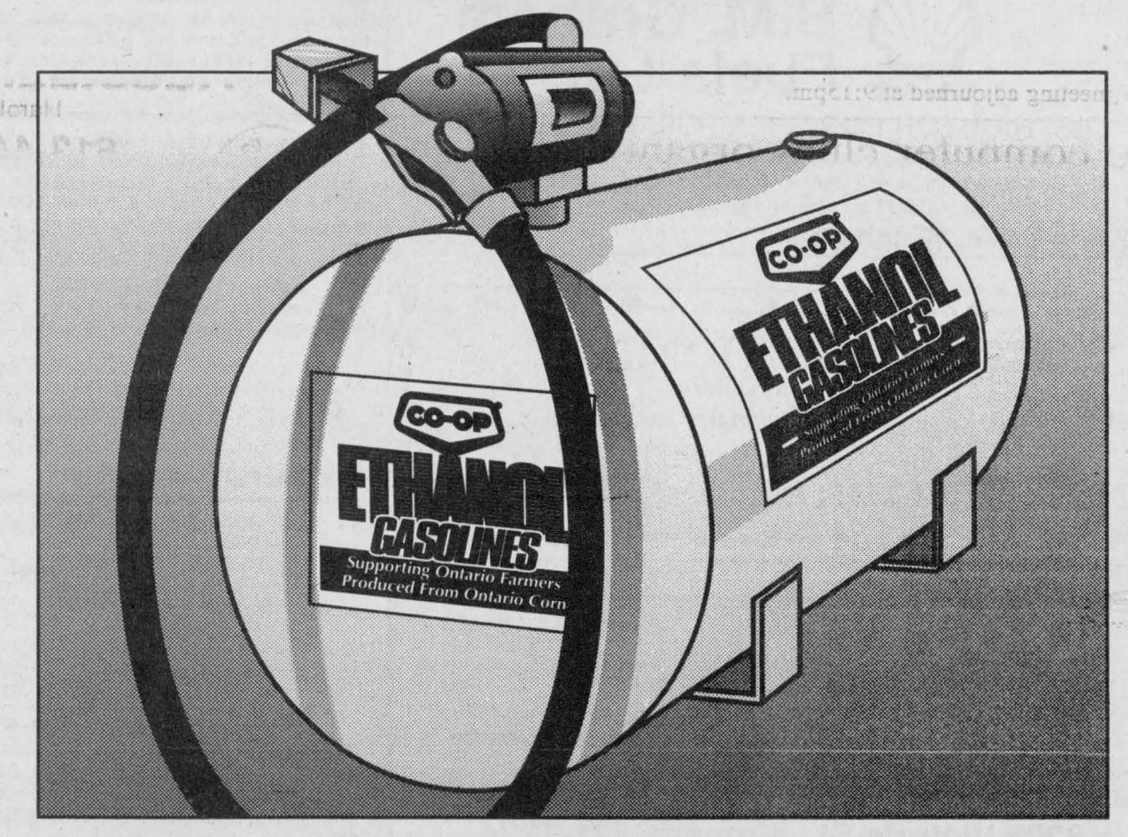
CO-OP®
ETHANOL GASOLINES



AVAILABLE FOR FARM DELIVERY FROM

EMBRUN CO-OP 443-2833 | KEMPTVILLE CO-OP 258-3401

UCO PETROLEUM INC. AND MEMBER CO-OPERATIVES HAVE USED 150,000 BUSHELS OF ONTARIO CORN TO THE END OF MARCH 1993. YOUR LOCAL CO-OPERATIVE WOULD LIKE TO RETURN SOME CORN TO LOCAL FARMS IN THE FORM OF CO-OP ETHANOL GASOLINE.

YOU CAN HELP CREATE A DEMAND FOR ONTARIO CORN

UCO Petroleum will sell 110 million litres of Co-op Ethanol Gasolines next year. These sales will use 6.6 million litres of ethanol which will take 660,000 bushels of Ontario corn to produce. Existing farm customers will take delivery of one quarter of this volume with the balance being purchased by our rural gas bar customers. If all gasoline used on Ontario farms contained ethanol we would use an additional 1,300,000 bushels of corn.

FARMER SUPPORT IS NEEDED

We need your support to make an Ontario ethanol industry a reality. We need to put out a signal to farm fuel suppliers that they **must** support Ontario agriculture by supplying ethanol gasolines if they want your business.

In addition, your commitment will assist us in providing efficient delivery of Co-op Ethanol Regular Gasoline which will result in a farm delivered price that's competitive to conventional gasolines.

We will be holding Ethanol Information Meetings in your area and calling to explain the Co-op ethanol initiative.

ETHANOL CAP WITH 1st DELIVERY

Co-op will deliver Ethanol Regular Gasoline to farm customers that are also taking delivery of Co-op Diesel fuel.
Your Co-op Petroleum Driver Salesman will quality check your storage equipment and provide you with a Co-op Ethanol Cap with the initial delivery.

Summer Sale Hours

In appreciation for the effort put forward by our sales staff over the past year, our sales office will again be **closed Saturdays** for the remainder of the summer, **commencing July 3. We will re-open on Saturday, September 11, 1993.**

Our sales office hours for the summer are:

Monday to Thursday, 8:30am-8:00pm
Friday, 8:30am-5:00pm

If you are at our dealership after hours and require further information, please leave your name and phone number in the **MESSAGE BOX** at the front door and one of our sales staff will contact you later.

SALES: ROBERT WOOD, RON FOLEY

From everyone at Boyd Chrysler, we wish you and your family a safe and pleasant summer.

Card of Thanks

CARD OF THANKS — The families of the late Elizabeth Koeniger wish to extend their heartfelt thanks to friends and neighbors for their many acts of kindness, floral tributes, donations to charities, cards, telephone calls, visits and food brought to our homes at the time of the death of a dearly loved mother and grandmother. A special thanks to Dr. Merrett, Nelda Jeacle, Sandi Crawford, friends at the Stanley Apratments, Duncan Funeral Home, Mrs. J. Twiname, and Rev. Bryan King.
— The Koeniger and Duplessis families
12

CARD OF THANKS — We would like to express our thanks to those who sent cards and donations or expressed condolences, during the loss of our dear mother, Cindy Burns, who passed away on June 2, 1993.
— Wayne, Huguette, Natalie and Philip Burns
12

CARD OF THANKS — We wish to thank our relatives, friends, and neighbors for their good wishes, flowers, cards, gifts and gifts of money on our 50th Anniversary. A special thank you to Doris Baker for the lovely cakes, and to the Wesleyan women that catered to our anniversary, the people that poured tea and coffee and Vivian and Warren Jackson for their help. Thanks also to Hon. Brian Mulroney, Mr. Noble Villeneuve, Premier Bob Rae for lovely plaques.
— Memories are ours for always. Mahlon and Edna McIntosh
12

CARD OF THANKS — I would like to thank friends, relatives, neighbors and United Church ministers for their visits, cards and flowers while I was a patient at WDMH. Special thanks to my roommate from Morrisburg and to doctors and nurses for their wonderful care.
— Viola McIntosh
12

CARD OF THANKS — We would like to express our thanks to those who sent cards and donations or expressed condolences during the loss of our dear one.
— The family of the late Dorothy Brown

In Memoriam

BOYD — In loving memory of a dear husband, father, grandfather and great-grandfather, Hilliard who passed away June 25, 1992.
There's a family who misses you dearly,
In a home where you used to be,
There's a family who wanted to keep you
But God willed it not to be.
You left a wealth of memories
And a sorrow too great to be told,
But to us who lost you
Your memory will never grow old.
— Lovingly remembered by your family
12

CINNAMON — In loving memory of a dear father and grandfather, Kenneth R. Cinnamon, who passed away June 20, 1992.
A year has passed since that sad day,
When the one we loved was called away,
God took him home - It was His will,
Within our hearts he liveth still.
— Sadly missed by son Dwayne, Kathy, Tina, Tommy and Joey.

NOTICE

Stormont, Dundas & Glengarry Public School Board

For the information of all citizens, the Stormont, Dundas & Glengarry Public School Board is pleased to provide its financial results for the year which ended December 31, 1992.

The results of the last year came from the Board making some very sound financial decisions which allowed us to record a surplus and lessen the effect in 1993 of recent government cutbacks on our programs and services.

We remain committed to providing excellent opportunities to meet the needs of all our citizens while continuing to protect everyone, as far as humanly possible, from large tax increases.

Our financial commitment to you, the taxpayer remains part of our MISSION STATEMENT.

AUDITORS' REPORT

TO THE SUPPORTERS OF

THE STORMONT, DUNDAS & GLENGARRY COUNTY BOARD OF EDUCATION

We have audited the Balance Sheet of The Stormont, Dundas & Glengarry County Board of Education as at December 31, 1992 and the Statements of Revenue Fund Operations and the Statement of Capital Fund Operations for the year then ended. These financial statements are the responsibility of the school board's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In our opinion, these financial statements present fairly, in all material respects, the financial position of the Board as at December 31, 1992 and the results of its operations for the year then ended in accordance with the accounting principles described in note 1 to the financial statements.

THE STORMONT, DUNDAS & GLENGARRY COUNTY BOARD OF EDUCATION

NOTES TO FINANCIAL STATEMENTS

YEAR ENDED DECEMBER 31, 1992

1. SIGNIFICANT ACCOUNTING POLICIES

The financial statements have been prepared by the Board using accounting principles that are prescribed by the Ministry of Education and are considered appropriate for Ontario School Boards. These principles are in accordance with generally accepted accounting principles except as follows:

(a) Accrual Accounting

Revenue and expenditure are accounted for on the accrual basis of accounting, with the following exceptions:

(i) No provision is made for interest on unmatured debenture debt from the date of payment to the year-end.

(ii) No provision is made to record the liability for retirement and sick leave benefits accruing over the working lives of employees except as provided in reserve funds set up for that purpose.

(b) Capital Assets

Capital assets are charged to current expenditure unless financed by long-term debt. Principal and interest charges on net long-term liabilities are included as expenditures in the period due. Capital assets including Capital Leases, described as Capital outlay to be recovered in future years, are included on the balance sheet only to the extent of the balances of the related net long-term liabilities outstanding and of the related temporary financing at the year-end.

(c) Reserve and Reserve Funds

Reserves and Reserve Funds represent funds appropriated for general and specific purposes and are charged or credited to Revenue Fund Operations in the year appropriated or drawn down. The amounts in Reserve and Reserve Funds are approved by the Board and are within the limits defined in the Education Act.

(d) Under/Over Requisitions of Taxes

The difference between the net expenditures of any year and the amounts received to finance these expenditures is carried forward to the subsequent year to either increase or reduce the net revenue requirement from ratepayers.

	$174,206	$ 16,520	$190,726

4. CONTINGENT LIABILITIES

Retirement Gratuities Plans

Under this plan unused sick leave can accumulate and employees may become entitled to a cash payment when they leave the Board's employment.

The accumulated days, to the extent that they may be used to determine the cash payment to an employee on termination, amount to approximately $16,391,476 (1991 - $16,191,000) at the end of the year. It is the Board's policy to include in expenditure of the year in which the amount becomes payable the retirement gratuities due to an eligible employee upon retirement. Provision has been made on account of the retirement gratuities plan only to the extent of reserve funds set up for that purpose (note 2). Payments under the various plans during 1992 amounted to $725,484 (1991 - $227,883) plus increase in reserves of $483,880 (1991 : $500,000).

5. PENSION PLAN COSTS

All non-teaching employees of the school board are eligible to be members of the Ontario Municipal Employees Retirement System which is a multi-employer final average pay contributory plan. Employer contributions made to the plan during the year by the Board amounted to $457,068 (1991 : $407,471). Those amounts have been included in employee benefits expense in the Schedule of Expenditure.

Not shown in the financial statements of the board are the employer's contributions to the Teachers' Superannuation Fund. The funding for such is provided directly by the Provincial Government.

6. ONTARIO SCHOOL BOARD INSURANCE EXCHANGE

The school board joined effective January 1, 1987 for a five-year period, the Ontario School Board Insurance Exchange (OSBIE), a reciprocal insurance company licenced under the Insurance Act. OSBIE insures general public liability, property damage and certain other risks.

Williamsburg WI watches film

by Isobel Williams

WILLIAMSBURG — The members of the Women's Institute of Williamsburg held their monthly meeting on June 8 at the Park Lane Seniors' Support Centre.

As the president, Bette Locke was out of town, Ruth Algire, secretary, opened the meeting with a cordial welcome to the guest speaker Glen Cunningham and the many invited guests.

Reports were read and approved and plans were finalized for the Women's Institute's participation in the SD&G Days held on June 18, 19 and 20 at Upper Canada Village.

Convenor Jean Casselman introduced the guest speaker Glen Cunningham.

Cunningham showed a most interesting video film of his recent trip to Indonesia. He said, "The countries are very beautiful and the people friendly and helpful.

"It was fascinating," he continued, "to observe the differences in their culture, religion and customs as compared to the western world." He was very impressed with the beauty and skill of their wood carvings, silver work, as well as their many other artistic crafts.

The meeting concluded with enjoyable refreshments provided by the executive.

CWL installs new executive

by Mary VanderLaan

CHESTERVILLE — St. Mary's Church CWL met for its last meeting of the 1992-93 season on Tues., June 1.

The installation of the new executive began at a 6:30pm mass followed by a pot luck supper.

Twenty-six members were present. The group has a total of 95 paid members, which is very close to its original goal of having 100 paid members.

Spiritual Director, Father Jim Esper, was the speaker for the night and his topic was television commercials and talk shows. He gave the clear message of recognizing the real moral value of life and separating real life from much of what is seen on television.

The CWL of St. Mary's Church in Chesterville will meet again on Sept. 7.

Seniors have musical interlude

by Jean Casselman

WILLIAMSBURG — On Tues., June 15 the Williamsburg Township Senior Citizens group held their monthly meeting in the municipal building, with 32 members and one visitor attending.

Following a delicious noon meal, and the president opening the meeting with O Canada, program convenor Evelyn Whitteker introduced her guests, Mrs. Hoftyzer, and four students from Timothy Christian School.

Mrs. Hoftyzer played the piano, accompaniment for the four girls who sang several selections and two of the girls played piano solos.

All was very much enjoyed by the group. Joyce Patterson gave a couple of humorous readings, "Heavenly Humor" and "Talk Happiness". Following this, Evelyn read "I'm Fine Thank You" and "Strawberry Time".

The business followed the program, and the remainder of the afternoon was spent playing cards.

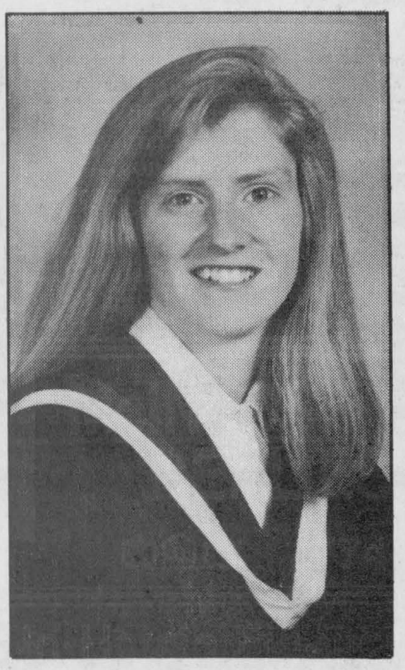
Michelle Helmer

Michelle, daughter of Bryan and JoAnn Helmer graduated from McGill University on May 25, 1993, receiving her B. Sc. Physical Therapy diploma.

Congratulations on all your achievements Michelle, including making the Dean's list in 1992. We are all very proud of you.

Love from your family.

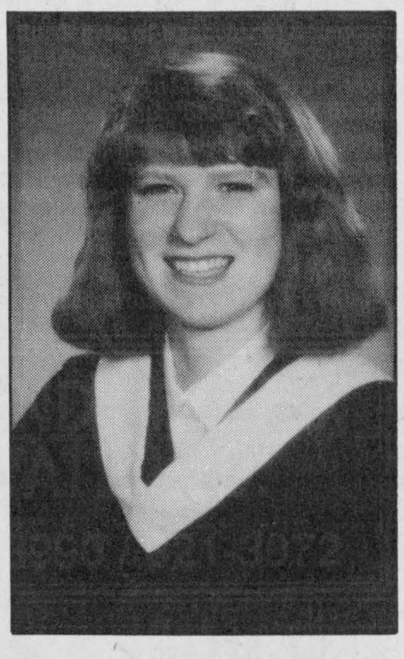


Eleanor McNaughton

Eleanor McNaughton, daughter of William and Norma McNaughton of Vernon has received her Bachelor of Science in Agriculture with honors from Guelph University.

She is presently working on her Masters in Animal Nutrition at the University of Guelph and will also be working as a teaching assistant there.

Congratulations Eleanor.



Karen McNaughton

Karen McNaughton, daughter of William and Norma McNaughton of Vernon has received her Bachelor of Arts in Child Studies with distinction from Brock University in St. Catharines, Ont.

In the fall, Karen will be doing post-graduate studies in Speech Language Pathology at Georgian College in Orillia.

Congratulations Karen.

Cheryl A. Cooper

Cheryl A. Cooper graduated from The University of Toronto, on June 10, 1993, receiving a Bachelor of Science in Physical Therapy.

Cheryl was the recipient of three individual awards — The Central Toronto District Ontario Physiotherapy Assoc. Award for outstanding clinical expertise throughout all clinical placements, the U of T Mountain Challenge Book prize for a graduating Physiotherapy student who is deemed by her colleagues most able to help others to climb their mountains, and the Rehab Meds. Athletic Excellence Award.

A graduate of Osgoode Township High School, Cheryl has accepted a position at Carleton University Sports Therapy Clinic.

Congratulations on all your achievements, best of luck for the future, with pride and love from your parents Gary and Doris and brother Cory.
