"DUNDAS COUNTY THE LAND OF MILK AND HONEY" . . . . . COVERS EASTERN ONTARIO'S GREATEST DAIRYING SECTION

The surprising size of the "Match" furrows many a brow.

Prime Minister J. G. Diefenbaker Welcome Guest Tuesday At International Plow Match

Prime Minister John G. Diefenbaker was one of the many notables present Tuesday at the official opening of this year's International Plowing Match. It is being held this week just south-east of Crysler on the Clouthier farm. Nearly 20,000 persons were present on opening day to get the mammoth affair off to a good start.

The tented city is a sight to see. Row after row of gleaming machines, appliances of all kinds, engines, demonstrations and gadgets keep the visitor busy. The whole shebang just about covers the 38 acres laid out as the central area of the match.

The plow fields are spotted around the central area, in some instances far enough away that the wagon trains with their free rides are a welcome sight for sore feet.

Car parks have ample room for any number of cars and they too are served by the busy tractor-trains. Police are thicker than flies on honey at every cross-road—there is little chance of getting on the wrong road.

An airport has been set up at the south side of the site and the air ride crews are doing a land-office business. There seems to be a plane or a helicopter taking off or landing all the time.

Plowmen pay little attention to all the fuss and feathers. The lay of the furrows, the "ins" and "outs" and the condition of the land is much too important to bother looking at anything else. They are in a world of their own when they are at work. Woe betide any unwary onlooker who steps on their plowed section, and while it is hard to believe, there are still some who tramp across the lands . If they only knew how close they come to getting a damp clod in the back of the neck, they would be more careful.

The official opening ceremonies featured Winchester High School band; they led the parade through the grounds and did the same for the parade with the Prime Minister. Dr C. D. Graham, deputy-minister of Agriculture for Ontario, introduced Dr G. Taggart, deputy-minister of Agriculture for Canada, who made the official opening address. His talk was preceded by words from many other platform officials including the local Chairman, Peter Manley, MLA for Stormont. The new MP for Grenville-Dundas, Mrs Jean Casselman, was also present with the other notables.

The Prime Minister of Canada, the Hon. John G. Diefenbaker, arrived by car at 4.30 p.m. He was greeted by Grant Campbell, MP for Stormont, and introduced to the various officials. Following a tour through the tented city on a wagon train, the Prime Minister addressed the large crowd from the dedication platform. He was introduced by Mr Campbell.

The match continues until Friday night.

The Hon. John G. Diefenbaker was on hand Tuesday to help with the opening of the International Plowing Match at Crysler. He arrived about 4.30 in the afternoon. He was greeted by a group of officials and introduced by Grant Campbell, MP for Stormont. In the photo he has just been introduced to Kenzie McGillivray, reeve of Finch township and mayor of the tented city. Mr Peter Manley, MLA for Stormont, and chairman of the local committee, is at the left of the Prime Minister.—Record Photo.

T. Oliver Keyes

T. Oliver Keyes, a former reeve of Winchester and prominent businessman of Winchester and district for more than half a century, died at his home, Winchester, on Wednesday morning, October 1, in his 90th year.

Born at Inkerman, he was son of the late John Keyes and Eliza Blain, descendants of pioneer settlers of Mountain Township.

Educated in district schools, he was an outstanding farmer in Mountain and Winchester Townships before establishing a grocery business in Winchester.

He later formed a partnership with his son, Harold, and set up a five-cents-to-a-dollar store.

He took an active part in municipal affairs, was a former clerk of Mountain Township and was reeve of Winchester Village for three terms from 1934-37.

He was a member of different committees of Counties Council at Cornwall.

A member of Winchester United Church, he was an elder at the time of his death. He belonged to Henderson Lodge, A.F. & A.M., 383; he was honoured by the lodge in 1957 when presented with his 50-year jewel.

He married Emily Merkley in 1897. She died some six years ago.

Surviving is one son, Harold, Winchester; four sisters, Mrs J. W. Ault, Mrs A. B. Allison, Winchester, and Mrs Hugh P. Allison, Smiths Falls, and Mrs Ralph Moad, Kilworthy.

Clerk H. C. Hummel To Retire Dec. 31

Chesterville village and hydro system will have a new face in the clerk's position after the first of the year. Clerk Harry C. Hummel tendered his resignation Monday night to take effect December 31, 1958. It was reluctantly accepted by council. An advertisement appears this week in the "Record" asking for applications for the position.

Council this month had a limited number of items on the agenda, which was as well. Illness kept two members away, the Merkley brothers; the reeve, councillors Sharkey and Butcher and clerk H. C. Hummel carried on.

Village hydro system members examined work in progress trimming trees and maintaining lines. They passed the minutes and bills and accepted with regret the resignation of the secretary-treasurer, H. C. Hummel, to become effective December 31. Mr Hummel has served the commission for the past 20 years. His retirement allowance will amount to $50 per month.

Council met the same problem of resignation from Mr Hummel and ordered an advertisement placed in the "Record" without delay, asking for applications for the position.

The councillors voted the same retirement pension as was offered by hydro, that of $50 per month to the retiring clerk. Mr Hummel pointed out in his letter of resignation that his eyesight was deteriorating rapidly and it was imperative he give up his position. He will remain with his successor until the work becomes familiar.

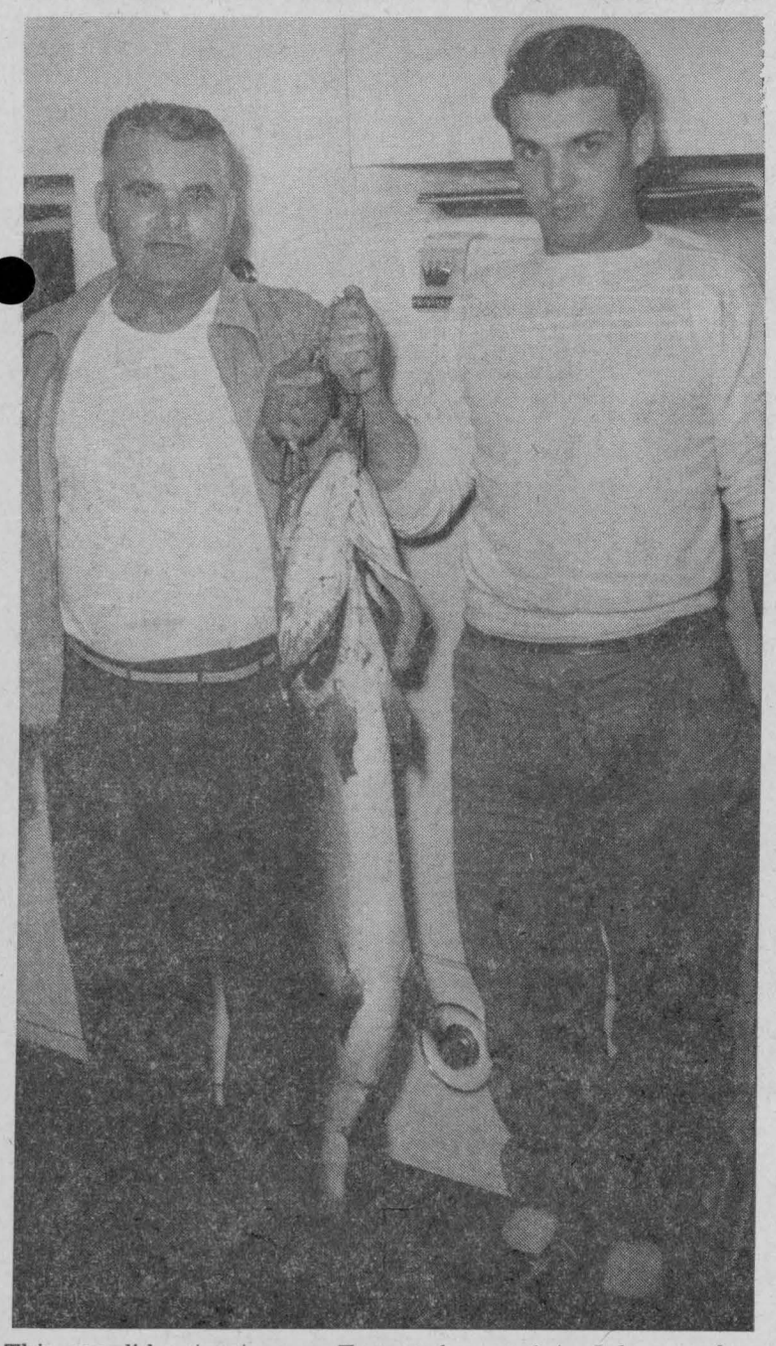
Councillor Butcher, council representative on the South Nation Conservation Authority, gave a resumé of the work on the river to date.

He told of the completion of the Casselman dam which will be officially in business October 16, opened by the Hon. Louis Cecile. Coming closer to home, the councillor outlined what had been done here. Engineering survey crews have found a different and more expensive problem than the Casselman dam. There the dam is bedded on surface rock. Here a dam would need to sit on 20-foot piles. Rough estimates of the cost come to $25,000-$30,000, half of which cost would be borne by the province if the project is carried out.

The Authority was waiting to extend the survey, and council gave the word to have it completed. With the survey costs coming to around $700 for the municipality, it looked like value for the money, even if the dam is not completed immediately. Council felt the imperative need for a permanent structure, but realized the cost would mean a referendum to village ratepayers to sanction it. That could not be done until the engineering survey was completed, with specifications available for the calling of tenders. The project also must be approved by the Authority and the proper Department.

The proposed dam dimensions will be about 150 feet by six.

The plowing mtach in Crysler occasioned a resolution to declare a holiday for the village schools and Thursday was suggested.



This one did not get away. Two weeks ago Art Julyan and son, Jack, dropped a line in the Rideau in front of Little Chesterville and bucked the wind all the way up to Beckitt's Landing. Turning, they slid over to the north shore, east of the big highway bridge, until they were just in front of the new Department park area. Jack was reeling in his Lane wobbler and had about six feet of line out when that small whale in the photo engulfed the bait in its hungry barndoor of a mouth. After half an hour of wrestling Jack and his father landed the lunge. It measured nearly 49 inches long and tipped the scales at just 27 pounds.—Record Photo.

Mr, Mrs G. Johnston Honoured by Friends

About 40 friends and neighbours surprised Mr and Mrs Graham Johnston and Sheryl on Friday evening prior to their departure to their new home.

An appropriate address was read by Mrs Mac Otto and the presentation of a lamp, step end-table and hassock was made by Mac Otto, Stewart Hart and Boyd Brownell on behalf of those present. Mr Johnston expressed his thanks and extended an invitation to visit them at their new home in Chesterville.

Lunch was served by several of the ladies.

Rev Frank Bush

Word was received recently of the death of Rev Frank Bush, LaGrange, Ill. He was born at Bush Glen in January, 1865, the son of the late Henry Bush and his wife, Rachael Wert.

He farmed at Bush Glen and later entered the ministry, preaching at Grand Avenue Congregational Church, Chicago, for 26 years and later at Trinity Church, Evanston, for 10 years.

He married Florence Bacon who predeceased him some years ago.

He was the only remaining member of his family. His sister, Annie Bush, went to India as a missionary and only lived a short time. A brother, Allan, and sister, Mrs H. Gallinger, passed away some years ago.

Mrs George Casselman, Morrisburg, Mrs Roy Cunningham, Archer, and Mrs Roy Rupert, of Finch, are nieces.

ENGAGEMENT

Mr and Mrs Lyle McMillan, Kingston, wish to announce the engagement of their daughter, Bonnie Ethelle, to Basil Bert, son of Mr and Mrs Geo. Johnston, Chesterville. Marriage to take place at the Presbyterian Manse, Finch, October 25, 1958, at 2 p.m.

Mr and Mrs Ranger

Ranger–Allen

The marriage of Helen Joan, daughter of Mr and Mrs Frank Allen, Dorion, Que., to Mr Jean Pierre Ranger, son of Mr and Mrs Eugene Ranger, Vaudreuil, Que., to place recently in Très-Sainte-Trinité Church, Dorion. Miss Addie Campderros was soloist.

Given in marriage by her father, the bride wore a floor-length Edwardian era gown of Chantilly lace with French tulle over taffeta, the bodice embroidered with seed pearls and iridescent sequins. Her finger-tip veil was held by a cap of matching lace, trimed with seed pearls. She carried a bouquet of white carnations and pink Sweetheart roses.

Miss Patricia Boyer, of Montreal, as bridesmaid, wore a gown of nylon eyelet over yellow taffeta, the sash forming a large butterfly bow. She carried a bouquet of white carnations and coral roses.

Yvon Leduc was best man and Frank Allen Jr., brother of the bride, was usher.

Mrs Allen, the bride's mother, wore a gown of Dior blue taffeta silk, black accessories and a corsage of red Sweetheart roses.

Mrs Ranger, mother of the bridegroom, wore a gown of royal blue silk cordé with dusty pink acessories and a corsage of pink carnations.

Following a reception in Pine Beach Hall, the young couple left on a motor trip, the bride wearing a mink-brown fur trimmed suit with brown and mint-green accessories and a corsage of yellow rose buds.

District Governor Guest Speaker Local Rotary Club

Local members of the Rotary Club were urged to take community leadership in the development of "the bright future" of Northern New York State and Canada.

Speaking before Chesterville Rotary, S. Herman Macy, 704th Rotary District Governor said that "The brightness of that future will depend on mutual understanding, unselfish co-operation, and vigorous local leadership."

Mr Macy, who is secretary of the world-famous Lake Placid club, site of Rotary International Assembly for the past 10 years, said that Northern New York and Canada are on the edge of a tremendous industrial and tourist boom. He predicted that the resort business and industrial expansion would double

OPINIONS . . .
OURS AND OTHERS

Liberals Show Good Example

Post-mortems and comments on the recent federal by-elections have pretty well run their course by this time, says the Daily Standard-Freeholder. The concensus is that the elections —in nearby Grenville-Dundas and in the Quebec riding of Montmagny-l'Islet—demonstrated that the Conservative party still is riding the crest of the popularity it achieved during the March 31 general election. And prospects for any diminishing of this general favour with the electorate aren't visible on the political horizon.

Certainly there was little in either of the two by-elections to give Liberals a chance to cheer. But the showing made by Mark T. Salmon, Liberal candidate in Grenville-Dundas, came in for plaudits from many newspapers. Although soundly defeated by Mrs Jean Casselman, Mr Salmon managed to poll a great many more votes than did previous Liberal candidates in this traditionally Conservative constituency. From the outset, both Mr Salmon and Liberal party chieftans realized they were facing great odds and that the chances of pulling an upset victory were indeed remote.

But to their credit, Mr Salmon and his party waged a gallant fight and succeeded in attracting some 1,375 more votes than the party's representative in the March 31 general vote. To manage this in a by-election, without the enthusiasm generated by a national election campaign, was exceptional.

Unlike their provincial counterparts who recently declined to contest two by-elections, federal Liberals were in the Grenville-Dundas battle right from the start and waged a strong, spirited campaign. Knowledge that their efforts were destined for failure didn't deter Mr Salmon and his supporters. And the energetic mayor of Prescott has let it be known that he stands ready to contest the seat again in the Liberal cause if the party wishes him to do so. This is the kind of spirit which eventually will pay dividends even though they take some time to accomplish. Shunning political battles because they are deemed to be lost causes does no good for any party or the country as a whole. The federal Liberals apparently realize this and will not be a party to the defeatist attitude which apparently prevails among Ontario Liberals and other political groups.

Bolstering Party Funds

Canadian political party leaders might take a look at the way U.S. Democrats and Republicans are bolstering party funds.

Both parties, driving for broader participation in their election campaigns, are soliciting small contributions, down to $1, from voters.

Worried by abuses in campaign financing and dependence on large contributors, many of whom give on a "quid pro quo" basis, both U.S. parties are seeking thousands of small contributions instead of a few large ones.

Two former presidents, Harry Truman and Herbert Hoover, have approved the campaigns, with the former saying that such participation should mean "financially supporting the party of one's choice" to insure "government beholden not to a few special interests but to all."

More than seven million Canadians voted in the last election and contributions of $1 to $5 from but a percentage of these voters would go a long way towards easing the growing cost of campaigning and assure stronger interest on the part of those contributing.

APRICOTS IN ALBERTA

An acre of apricot trees, planted at Strathmore, Alta., after import from Manchuria 20 years ago, produced five tons of the fruit this year.

P. D. McCalla, provincial horticulture supervisor, said it was the first time the trees produced since they were planted in the town of Strathmore, 30 miles east of Calgary.

The apricots were distributed to area residents with instructions to return the pits so more seedlings may be planted. Agriculture officials selected apricots from the 13 best trees for study.

Letter to the Editor

Toronto, Ont.

The Editor,
The Chesterville Record.

Sir:

I've chosen the Thanksgiving season to bring your attention to a matter for which so far we cannot give thanks; namely, the defeat of muscular dystrophy.

We estimate about 10,000 Canadians, mostly children, are suffering from this progressive and crippling disease of the muscles. Few of the child victims will live beyond adolescence. So far there is no known cure.

Our figure of 10,000 is merely an estimate because many parents aren't aware that their children have MD.

These people should know that an association exists in Canada whose function is to help them to find out if they have a victim of MD in the family, and to assist them in every way until a cure is found. This body, of whom I am honorary chairman, is the Muscular Dystrophy Association of Canada. They are spending thousands each year on research to find a cure.

By publishing this letter and encouraging your readers to let us know of cases in their families, their circle of friends, or their practices, you will be making a much needed contribution to the work already in progress aimed at defeating this disease.

Information will be gratefully received by The Muscular Dystrophy Association of Canada, 137 Wellington Street West, Toronto, and forwarded to local chapters and committees across the country.

Yours sincerely,
Gus Ryder,
Honorary Chairman.

PICKLED FROGS

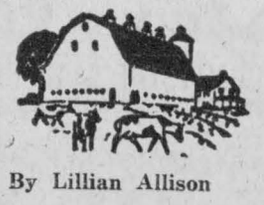
An express company truck pulled up to Santa Fe High School the other day with a crate loaded with 60 live, croaking, kicking frogs.

"No! no!" said principal Tom Walsh. "That wasn't what I ordered.

He sent the frogs right back to where they came from—North Carolina.

What he wanted was a shipment of pickled frogs for use in the school's biology classes.

FRENDLEE FARM CHATS



By Lillian Allison

"I'm going to do up my chores in the morning and go every day to the Plowing Match," a farm friend told us on Sunday. "I've got lots to do at home," he added, "but I figure this is a big event and we shouldn't miss a minute of it." Well, I won't be there every day of the big Match but I plan to see all I possibly can.

In fact I thought we were getting a head start on most people last Sunday. Just for curiosity's sake we took a drive down Crysler way Sunday afternoon to see what was going on. The idea seemed to be a good one. And it was, for everybody else had thought of it too.

North of Finch we noticed more than usual traffic on that winding road. The nearer we got to Crysler the more cars we saw. Suddenly we rounded a curve and there it was—the Tented City. Cars were heading towards it from every direction.

"There are going to be some people in for a big surprise," I said as we approached the centre of activity. "Folks from Western Ontario simply won't believe their eyes when they see this countryside." From three miles away we could see the tents, the waving flags and the coloured signs. Compared with some of the rolling land in Western Ontario this will look like the bald prairie. And the people from Kingston, Lanark and Renfrew are due for the shock of their lives.

I don't suppose there is a better site for a Match anywhere in Ontario. A pair of binoculars should enable one to see the whole show from any given point. Acres and acres stretch on and on as level as the kitchen floor.

Mother Nature has certainly done her part to make a real show too. That little, wandering Payne River that wiggles its way north from Finch is usually so dry it looks like a road ditch. But not this year. The water is deep and clear and makes calendar scenes along the way. The same rains that filled its banks have made luscious, green lawns, fresh pastures and even the unplowed stubble fields are green and lovely.

The leaves aren't their most brilliant yet but they're nothing to be ashamed of—and they are getting prettier every day. Mother Nature played a mean trick on us Sunday night, however, when that hard frost froze all the fall flowers which previously had looked so colourful.

I haven't a doubt that visitors to the Match will enjoy our Eastern Ontario secenery very much. Our varied topography, our green fields, our autumn leaves, our meandering streams make scenery that is hard to surpass.

And I hope they appreciate all the painting up and farmstead improvement that is so evident in this area. It is really amazing how much work has been done. There are freshly painted houses on every road—gaily coloured ones too not just the standard white and green ones. There are gleaming red barns and red barn doors. There are miles of board fences newly built and freshly painted. And something I, personally, appreciate is the fact that so many mailboxes have had their owner's name painted on them. We found out Sunday where many people live by watching for names on mailboxes. And I'm nosey enough to like to know.

As I write this on Monday evening it seems the stage is all set for the biggest show this area has ever seen. People are coming from far and near. So this is just a little reminder once more to you who are near. Do up your chores early and go to the Plowing Match for an entire day. You won't regret it.

By the way, I forgot to mention that three well-fed policemen were guarding the entrances to the Tented City on Sunday and all we could do was drive past.

Tokyo had a population of about 8,500,000 in 1957.

ROTARY GOVERNOR—
(Continued from Page 1)

in the next five years because of: (1) The St. Lawrence Seaway and Power Development; (2) The Northway Highway; (3) Closer co-operation between the U.S. and Canada.

"The St. Lawrence developments, he added, "have demonstrated that nations, provinces and states can work together harmoniously, effectively and with enduring friendship toward a common objective of international significance. Now we must apply this same spirit and energy within our own communities to take advantage of these opportunities for all of the North Country."

"As Rotarians," Mr Macy stressed, "you are leaders in your country. You can make this future come faster by putting into daily practice the spirit of co-operation, of unselfish service, and of individual and club dedication to the best interests of the area."

Mr Macy asked the local club to co-operate in a "Vocational Service" survey to determine employer-employee relations of smaller, privately-owned businesses which make up the greater part of the Rotary districts. "This data," he said, "will make it possible for local businessmen to compare their practices with the average of communities of the North Country."

The survey covers such items as weekly hours of work, holidays, pension plans, incentive and training programs, civic co-operation and retirement policies.

The District Governor also announced plans for a one-day Rotary District Institute to be held at the Lake Placid Club. Built around the theme of "Help Shape the Future," the conference will discuss steps which Rotarians can take to improve local conditions, build greater world-wide good will, strengthen the Rotary heritage and share the ideal of service with young people.

Members and their wives were urged to attend the district conference to be held in Montreal November 9, 10 and 11.

Dunbar Presbyterian Church Rededicated Sunday
Dr C. Ritchie Bell Guest Speaker at Services

At the 85th anniversary services of Dunbar Presbyterian Church, October 5, services of rededication were conducted by the minister, Rev Douglas O. Fry, with the guest minister for both morning and evening worship, the Very Rev Professor C. Ritchie Bell, D.D., of Presbyterian College, Montreal, bringing messages of challenge and inspiration.

The Sanctuary of Dunbar Church has been completely remodelled and redecorated. The church has been shortened some 16 feet with only slight loss in seating capacity. The pews have been re-arranged forming a central isle, the ceiling has been lowered and the new chancel-type front encloses the organ, choir and pulpit.

At the foot of the chancel step, and at the head of the centre isle, stands a new Communion table. The table was presented to the church by Mrs D. A. Dillabough and her sister, Mrs Cora Merkley, in memory of the Alexander Durant family.

Other equally beautiful new furnishings include the pulpit, presented by Miss Gladys Marcellus in honour of her parents, Dunbar Presbyterian Church stands now as one of the most up-to-date and beautiful of the rural churches in Eastern Ontario. Credit for this extensive work of renovation is due to every member and adherent of the congregation who gave so Mr and Mrs Myles Marcellus; the pulpit chair, presented by Miss Susan McMillan in memory of her parents, Mr and Mrs Howard McMillan; the elders' chairs, presented by Miss Nettie Thom in memory of her parents, Mr and Mrs Arthur Thom; the pulpit Bible, presented by Mr Chas. S. Beckstead in memory of his wife, and the Book of Praise, presented by the Ladies' Aid Society.

During the service of rededication these furnishing were presented by Dr Bell on behalf of the donors and were dedicated by the minister of the church.

The Communion table, pulpit and pulpit chairs are finished in golden oak and stand as things of beauty against the backwalls of pastel pink and turquoise. Further refurnishing of the church included new carpeting and the installation of a gas floor-furnace.
generously of time, talent and gifts.

Both morning and evening worship were attended by a capacity congregation, and all in attendance were inspired and uplifted by the beauty of the Sanctuary and by the powerful messages delivered by Dr Bell. One could not help but feel that "it was good to have been there."

The morning anthem was "Christ Our Cornerstone." Mrs Doug Fry sang "The Stranger of Galilee" at the morning service and in the evening Gordon Thom, of Morrisburg, sang the solo "The Beatitudes." The choir was under the direction of Mrs Arthur Thom, organist.

On the following evening, Monday, October 6, an anniversary supper was held in Legion Hall, Chesterville. Over 200 persons enjoyed a time of fellowship and a delicious chicken dinner served by the women of Dunbar congregation. The Kirk Session of Dunbar Presbyterian Church extended sincere thanks to all who made the time of anniversary such a happy and successful occasion.

IN MEMORIAM

OUDERKIRK—In loving memory of my dear mother, Ellen Jane Ouderkirk, who passed away seven years ago, October 16, 1951.
In a little country graveyard
Where the gentle breezes blow,
Lies the one we love so dearly
That we lost seven years ago.
Ever remembered by daughter Mabel and family.

Lawton–Lynch

The wedding of Miss Joan A. Lynch to Mr Robert G. Lawton took place recently in Holy Rosary Church, Ottawa.

The bride is the daughter of Mrs Margaret Lynch, of Berwick, Ont., and the late John Joseph Lynch, and Mr Lawton is the son of Mr and Mrs Clifford H. Lawton, of Ottawa. Rev W. F. Tierney officiated at the ceremony.

Given in marriage by her brother, John T. Lynch, the bride was attended by her sister, Mrs Richard Chambers.

James L. Butler was the best man and ushers were Francis H. Lynch, brother of the bride, and Mervin J. Richardson, brother-in-law of the bridegroom.

The bride wore a light beige wool chemise suit with a pink feathered hat, brown accessories and carried a colonial bouquet of white carnations and pink roses.

The matron of honour wore a French blue wool suit with a beige hat and carried a nosegay of pink and white carnations.

The reception was held at the Prescott Hotel and later the couple left on a wedding trip to the Northern United States. On their return they will reside in Ottawa.

For travelling the bride wore a light beige wool suit with a pink feathered hat, brown accessories and pink and white carnations en corsage.

CARD OF THANKS

I wish to express my sincere thanks to all who remembered me with cards, letters and treats while I was a patient in Winchester Memorial Hospital. Special thanks to Dr Barton and the nursing staff.

Mrs Harold N. G. Merkley.

CARD OF THANKS

I would like to express my sincere thanks to everyone who made my stay more pleasant by visits, treats, gifts, flowers and cards while I was a patient in the District Memorial Hospital. Special thanks to Drs Duane and Howard Justus, Rev Mr Fry, Rev Mr Edgeley, Rev Mr Sutherland and all the nursing staff.

Mrs Garnet R. McLean.

IN MEMORIAM

IRVING—In loving memory of our dear husband and father, Herbie Anderson Irving, who was accidentally killed October 6, 1945.

He little thought when leaving home
He would no more return,
That he in death so soon would sleep
And leave us here to mourn.
We do not know what pain he bore,
We did not see him die;
We only knew he passed away
And never said goodbye.
Friends may think we have forgotten,
When at times they see us smile,
But they little knew the heartache
Our smiles hide all the while.

Ever remembered by wife Mabel, daughters, and son Arnold.

CARD OF THANKS

I would like to express my sincere thanks to all those who remembered me with cards, treats and visits. Special thanks to Grantley W.A., Drs Howard and Duane Justus and the Rev Jas. Hamilton, Finch.

Mrs Ernest Beckstead.

IN MEMORIAM

IRVING—In loving memory of our dear daughter and sister, Gwendolyne Margaret Irving, who was accidentally killed October 6, 1945.

Deep in our heart lies a picture
Of a loved one gone to rest;
In memory's frame we shall keep it
Because she was one of the best.
Asleep in God's beautiful garden,
Away from all sorrow and pain,
Someday when life's journey is ended
We shall all be together again.

Ever remembered by Mother, Sisters and Brother.

The Egyptians grew grapes and made wine as long as 6,000 years ago.
