SEWER TENDERS CALLED

Tenders have been called for the extension and completion of the sanitary sewage system in the village of Winchester.

Closing date for acceptance of such tenders has been established as of Thursday January 14th, 1971. At 3:15 p.m. on that date, all tenders will be opened and read publicly.

Although the village has been partially served by a modern sewage system, extending the service to all residents, is a giant step forward for the fast growing community.

The present system serves the hospital, some village residents and a branch extends up Main Street to the Bank of Montreal building.

The contract presently being rendered for includes installation of approximately 30,500 lin. ft. of 8 inch and 10 inch diameter sanitary sewers, complete with manholes and approximately 20,000 lin. ft. of sewer service connections.

Also included in the contract will be construction of two sewage pumping stations complete with standby generators and 6 inch diameter force mains; modifications to the existing sewage pumping station, including the addition of a standby generator; and construction of an additional 9 acre sewage lagoon complete with appurtenances.

There is distinct possibility work on this huge contract could get under way during the winter months since some parts of the work could be advantageously undertaken during cold weather. Another advantage of an early start could be alleviation of traffic problems during the tourist season.

There is no estimate of completion date but some authorities predict the job may be finished by the fall of 1971.

Howard Leslie Hough Dies

Howard Leslie Hough, well-known and highly respected area resident, died Decmember 16th. He was in his 79th year.

Mr. Hough was keenly interested in politics and played an important role in the ranks of the Progressive Conservative party.

Besides his wife, the former Florence Ann Hummel, he is survived by one son, Douglas, of Williamsburg.

Funeral service was conducted at Vice and Craig Funeral Home, Chesterville, on Saturday, December 19th at 2:00 p.m.

Interment was in Maple Ridge cemetery.

This Week's Press Features 32-Page Christmas Tabloid

The Press is pleased to announce that once again this year the Christmas Greeting supplement will be a part of the last edition before Christmas.

"WHAT DOES CHIRSTMAS MEAN TO YOU" is the theme of this year's tabloid and we though readers would enjoy having the question answered by boys and girls from area elementary schools.

We would like to have had time and space to use material from each and every school in our reading area. This, of course, is not possible, but if the idea appeals to you, the reader, be assured we will give every school an opportunity at some time in the future.

We discussed the idea with principals at Winchester, South Mountain, Hallville, Russell, Williamsburg and Metcalfe. Without exception, not only principals, but entire school staffs offered complete cooperation and as a result we think you will enjoy our Special Christmas Feature this year

Beautiful Winter

Horses And Bells

AT WINTER HOLIDAY FARM NEAR SPENCERVILLE

For those who love the great outdoors, and long for the sound of sleigh-bells, and a genuine old-fashioned sleigh-ride, then Spencerville is a good place to consider.

Jim Irving, whose farm is located on the Shanley Road, three miles east of Spencerville, reports his winter farm wonderland is being operated on a wide scale this year and YOU are welcome.

Deep in the heart of historic Grenville County, this new recreational venture affords an opportunity to enjoy winter fun, and then adjourn to the spacious canteen for refreshments and much needed relaxation.

If your organization is searching for a fun project why not contact Mr. Irving and arrange for a sleigh ride. The quiet 'swish' of sleigh runners could be music to ears attuned to the roar of snowmobiles, and although the power generated is only '2-horse', it is certain today's youth will be amazed at the quiet determination and unquestioned obedience of well trained horses.

Decorations And Gifts At 100 Club Party

Henderson Hall was colourfully decorated last Thursday night when members of Winchester 100 Club staged their annual Christmas Party and gift exchange.

Twenty-six members, and three guests were present when Creed was recited by Basil Dawley.

Rev. MacDonald asked the blessing and Larry Durst thanked ladies for the lovely meal.

Letters of appreciation were read including one from Fred A. Flora, Marguerite Thompson and Phyllis M. Henderson.

A 'thank-you' letter was also read from the winner of the 4-H Tractor Club Award.

President Ray Van Noy reminded members that a local family had suffered a great fire loss and club members, after circulating a hat, contributed $56.00 to the Bilmer family.

It was also agreed by all that an effort be made to secure various other home necessities and have them delivered to the Royal Bank for transfer to the unfortunate family.

Howard Biccum, reporting for the Welfare Committee, told members ten Christmas Hampers will be delivered this year, and Eldon Fennell, Sick and Visiting Committee Chairman, reported several visits to hospital.

On a motion by Ron Workman and Howard Biccum a $100.00 donation to the Scout movement was approved.

Members enjoyed a sing-song led by Ron Workman with Mrs. Irwin Holmes at the piano and 'Mrs.' Santa Claus made her annual club visit.

SPECIAL FEATURE:

Centurians were greatly impressed by two Winchester Public School quartettes. Directed by principal Grant Edwards the boys sang a selection of carols and pop music and members expressed pleasure that Mr. Edwards is teaching the great value of music to area children.

Archie Rice thanked Mr. Edwards and his pupils for their fine contribution.

Dr. Byers Rink Wins Ontario Medical Bonspiel

Dr. W.M. 'Bill' Byers of Winchester skipped his rink of medics to the "All Ontario Medical Curling Championship" at Toronto last week.

The three-day bonspiel, an annual event, has gained such popularity that this year more than 500 doctors participated from all parts of the province.

Those who watched the thrilling final game must have come away convinced Eastern Ontario has the best curling doctors, since Dr. 'Bill's" final victory was at the expense of Dr. Doug McKercher. Although Dr. McKercher now calls Ottawa his home, he spent his younger days at nearby Vernon.

As for Dr. "Bill", most older curlers will agree he inherited his skill from his father, Dr. J. M. Byers, who was one of the founders of Metcalfe Curling Club Early district records will reveal that the 'Senior' Dr. Byers, who mastered the old 'Iron Game', won a major share of honours in the 1930's and 40's.

Other members of the rink, that will possibly now be christened 'The Curling Doctors', were Dr. Gerry Rosenquist, Dr. Graham Houze and Dr. Roger Demerit.

The beautiful trophy, symbolic of provincial championship, is now in Winchester and the Doctors hope to have an opportunity to defend it when the 1971 bonspiel is played, hopefully, in Ottawa.

Chesterville Highway By-Pass To Be Completed Next Year

Highway 43 by-pass around nearby village of Chesterville will be completed next year. That's the word from Chesterville village council who reported last week that in a telephone conversation with the Department of Highways in Ottawa it was indicated that the 43 by-pass will be completed in 1971.

Like the by-pass around Winchester the 43 alternate route in Chesterville has been in the planning stages for several years.

The construction of the by-pass includes repaving of the connecting link, Queen and Main, and the repairing of the retaining wall of the bridge over the Nation River in the centre of that village.

No definite word has been received concerning the by-pass of highways 43 and 31 around Winchester, although it is anticipated that work will also start on this section of highway in the late Spring of next year.

THE NEWS IN BRIEF

Busy Days For Postmen, Snow Crews

Christmas is almost here, and for those who reside in Eastern Ontario, it has to be considered a 'genuine old-fashioned Christmas'.

What may be a record fall of snow for the time of year already blankets the district and each day the 'banks' rise higher as hard-pressed snow-removal crews work frantically to keep roads open.

In Winchester the fight is almost a losing one but council deserves a word of credit for adoption of a very workable priority system.

Post office employees report the impact of mail about normal, but hazardous road conditions have made the task of rural contractors very difficult.

Business has been brisk at local stores and, as one businessman suggested, possibly stormy weather has done a great deal to encourage shoppers to buy in the home town.

O.T.H.S. Students Assist Family

Students at Osgoode Township High School staged their Annual Christmas Dance last Friday night and, in a true Christmas spirit, turned net proceeds of the project over to the family of Theodore Vriend, who lost his life in an automobile accident. Two of the 12 Vriend children are students at the school.

Music for the well-attended program was supplied by Claude Cousineau and his band.

The school gymnasium was beautifully decorated for the special Christmas dance and Fontaine's Restaurant, located near the school, very kindly turned over proceeds from the sale of drinks to help make Christmas just a little brighter for the bereaved family.

Investigator Speaks To Fire Association

Allan Renardson of the Arson Investigation Branch, representing the Ontario Fire Marshal's Office for Ottawa and surrounding district, was guest speaker at the regular meeting of Stormont, Dundas and Glengarry Mutal Fire Aid Association last week.

Mr. Renardson gave a very interesting lecture on arson and told area firemen what they should look for should arson be suspected. The speaker was introduced by Chief John Miller and thanked by Clifford Rombough.

The meeting was held in Roxmore Public School at Avonmore with president Vince O'Farrell officiating.

While reading the correspondence, secretary G. B. Rastrick drew special attention to an expression of thanks and good wishes to the association from Hon. F. M. Cass.

Various committee chairmen submitted complete reports and Merton Casey of Maxville, reporting for the Sports Committee, told members the Annual Curling Bonspiel will be staged at Maxville on February 20th.

Door prize winners were Bill Cummings of Lancaster and Gordon Robertson of Avonmore.

The next meeting, on Monday, February 15th, will be at Alexandria.

1566 Telephones In Winchester

The number of telephones served by Bell Canada has passed the 6,000,000 mark. The six millionth phone was installed last week according to a company announcement.

Bell Canada, which operates in Ontario, Quebec and parts of Labrador and the North West Territories, serves two-thirds of Canada's more than 9,000,000 telephones.

There are 1,566 telephones in service in Winchester and 5,790 phones which customers can reach without paying long distance charges.

Bell Canada added the last million telephones considerably faster than the first million. It took 65 years for the company to reach the 1,000,000 mark while the increase from 5,000,000 to 6,000,000 took only three years.

The company, 90 years old this year, added some 260,000 telephones during the past 12 months. It had 2,100 phones in operation at the end of its first year of service.

Individual students taking part included Larry Renwick, Colleen Shelp, Lisa Durst, Arlene Ennis, Helen Fawcett, Bonnie MacDonald and a group effort by the Kindergarten Class which presented, in a very pleasing manner, "Away In A Manger".

The Meditation, "Preparing Ourselves for Christmas", was given by Mrs. Allison Fawcett and the concert ending with the Hymn, 'It Came Upon The Midnight Clear' and Benediction.

Morrisburg Combines To Defend John F. Kennedy Memorial Trophy

Morrisburg Combines, having won the John F. Kennedy Memorial Trophy for the past two years, will have an opportuniy to defend it again this season.

The Combines were selected at the regular O.D.H.A. meeting at Cornwall last week and it is expect C.A.H.A. approval will follow a January meeting at Winnipeg.

Combines anticipate a large crowd for this Sunday night's game when they will host the Embrun 'Panthers'. In an effort to promote even greater interest in the team management has distributed free admission tickets to all Public School children. There is one stipulation, however, children must be accompanied by an adult.

There will be an even greater incentive to encourage patents to bring boys and girls to the rink since a draw will be made between periods and some lucky student will win a beautiful new CCM bicycle.

The bicycle is now on display at 'Charlies Sport Shop'.

The game is scheduled for 7:30 in the evening but one hour before game time Morrisburg Figure Skating Club will be featured in an exciting pre-game show and the skaters will also entertain between periods.

League statistician Lynn O'Brien suggests you come early. "The rink should be packed for this one", she says.

Winchester Hawks Within 2 Points Of First Place

Winchester 'Hawks', by virtue of two wins in three days, have moved within two points of first place in St. Lawrence Junior 'B' Hockey League.

Although playing shorthanded due to Christmas examinations at the school, the team travelled to Alexandria last Wednesday night and emerged with a narrow 6 to 5 win.

Back home (at Metcalfe arena), on Friday night the young team was at full strength and skated to a convincing 5 to 2 victory over Cornwall 'Royals'.

Doug Vasey and Bob McClintock led the way at Alexandria with two goals each while Joe Marriner and Lester Carkner each picked up one.

Against the rugged Cornwall team Jeff Johnstone scored twice. Bob McClintock, Joe Marriner and Fred Lobb each notched one.

The large crowd of local fans, on hand for Friday night's game, was treated to a fast, clean game.

The 'home' team was in command for the first two periods and held a comfortable 4 to 1 lead going into the final frame.

But for the stellar performance of Keven Baldwin in the Hawk's net, complacency might have been costly for Winchester. Seemingly convinced of victory the boys appeared to ease up in the last minutes and Baldwin faced a barrage of rbber but was beaten only once.

DOWN THE ALLEYS

John Bryant with a total of 720 was best bowler at South Mountain Lanes last week. Other scoring over 300 included:

Holiday Season Hockey

Hockey fans will have an opportunity to watch interesting matches during the holiday season.

Two days after Christmas, on Sunday December 27th, Metcalfe 'Jets' will host Morrisburg. Because of the interlocking schedule in effect this year, this will be the only appearance of Morrisburg prior to play-offs.

Winchester 'Hawks' enjoy a rather long rest and their next encounter will be on NEW YEAR'S DAY.

According to the scedule the local boys will play host to Metcalfe, and of course, since, for this season, Winchester calls Metcalfe the 'home ice', a sell-out crowd will most likely be on hand.

The season is already over half completed and the last game of the schedule will see Maxville at Metcalfe on Friday, February 19th.

Play-offs should get underway immediately following this game. Winchester, Metcalfe and Alexandria are engaged in a neck-and-neck struggle for first place and coaches urge fans to 'come to the rink and support "your team".

NORTH DUNDAS NEWS

On Thursday the students and teachers of N.D.D.H.S. had an unexpected holiday due to the heavy snow fall.

In order to raise money for their various activities the Ski Club sponsored a bake sale on Tuesday, of last week.

Friday was a busy day at N.D. D.H.S. Tests that had been postponed because school was closed Thursday, were re-scheduled for Friday. The Junior and Senior Girls' Volleyball teams played against Embrun at the school there. The Home Economics classes presented a Fashion Show during the last period to model the garments they made as part of their course. Pant suits, midis, maxis, minis, skirts, scooter skirts, jumpers in many assorted colours and patterns were displayed by approximately 60 students. Gisela Winter was commentator for the show and Eleanor Eadie provided piano music. Some interested friends and mothers attended as well as the students.

The Christmas Band Concert which was postponed from Thursday to Friday night was much enjoyed as usual. The Dance Band delighted the audience with several numbers and carol singing added variety to the program. Mr. N. St. Louis, conducted.

Last week N.D.D.H.S. Hawks downed the Alexandria Glens 6-5. Hawk scorers were Doug Vasey, Bob McClintock, Joe Marriner, and Lester Carkner.

Christmas holidays will be a welcome break to students and staff after a long Fall Term. Classes will resume on January 4th, 1971.

Christmas A Joy Once Work's Done

by Bill Smiley

Christmas seems to emphasize our basic natures. If we're slightly skeptical, we become deeply cynical the closer the day approaches. If we are inclined to be optimistic and cheery, we are apt to begin wallowing in sentimentality.

It seems to get me both ways. My natural skepticism hardens into a surly misanthropy as the annual parade of gifts and greed, cards and carols, begins creeping toward me. Not to mention the holy old jumpin' putting up of the tree, my annual struggle to avoid insanity from frustration, and hell from blasphemy.

But my natural optimism sneaks in, and once the dirty work has been done, I wax sentimental to the point of tears over the wassail bowl, the log in the fire, the smell of singed spruce needles, and the loved faces around me.

Neither attitude is right, of course. Both are base. Christmas is a celebration. It should be neither cynical nor sentimental, but joyous, in the real sense of the word.

It could, and should be the one day in the year when we can creep closest to the warmth of the basic teachings of the man-god: love and peace. It should be a day marked by solemnity and jollity, prayer and cheer.

It doesn't really have much to do with turkey and trimmings and tinsel, though these don't hurt anybody.

Nor does it have anything to do with the number of cards you receive, or the value of the presents you garner. Indeed, two or three cards mean more to some people than two or three hundred to others. And a homeknit scarf from someone can mean more than a mink coat from someone else. (Hope my family doesn't read this.)

Easy enough to say what Christmas is not. It's more difficult to say what it is, because it is intangible. You can't reach out and grasp the spirit of Christmas. You must feel it. If you don't, you're dead, spiritually.

Naturally, children get most out of it. Perhaps it's because they don't look for gimmicks.

There is a wonderful combination of the mystic and the materialistic that entrances them. Little realists that they are, they are fascinated by the thought of goodies. They love the hide-and-seek aspect of gifts. There's a great thrill in opening the stockings, and squeezing and rattling things under the tree.

But they are equally enchanted by the aura that surrounds these material jollies. The carols, the pageants, the never-stale story of the birth in the manger, the very smell of Christmas: all these increase their inner excitement to the bursting point.

It's also a day when they can get away with anything short of murder, and they know it.

This year, after the big family gatherings of other years, we'll have a slim crew, but three generations. Granny won't be there, but we'll be thinking about her. There'll be just Grandad and us and daughter Kim. (At time of writing. We might wind up with eighteen.)

There'll be early church. Then the opening of gifts, and thoughts of son Hugh 1,000 miles away, and the smell of turkey, and music, and perhaps friends dropping in for a drop. There's too much talk about drop-outs these days, and not enough about drop-ins.

We'll have a big fire and lie on the rug, groaning, after dinner. I hope it won't be as big a fire as last year, when my wife set fire to the evergreens on the mantel and nearly burned down the house.

This is all qualified by the word "hopefully". It could be a complete schmozzle, like the year I dropped the turkey on the kitchen floor as I took it out of the oven.

But I hope it's peaceful. And I hope with all my heart, whatever your situation, that your Christmas will be blessed by peace and love.

TO ASSEMBLE- READ THE DIRECTIONS

It happens every year. Christmas Eve is the night for the fathers of America to assemble. They do not get together, however, they put together.

He sees the bicycle, tricycle, doll house, coaster wagons or whatever all assembled in the toy store. However, he walks out of the toy store with a box of parts.

Then into the wee hours of Christmas morning, tries to put the toy or toys together. There are pictures and directions, but more often than not, these are ignored until finally they are looked at. What a timesaver and temper saver to read the directions and study the pictures offered before beginning the job of putting it together.

Something For Mom

Christmas is not the time to give Mother a needed appliance, no matter how practical she may be. She would much prefer to receive something frivolous — something she wouldn't ordinarily buy for herself. It need not be expensive, like mink or diamonds. Some utterly extravagant perfume or a frilly housecoat would be nice.

Christmas Everywhere

The spirit of Christmas is a universal spirit, which each nation has shaped into its own individual customs and traditions. In various observances we can see gratitude and we can hear the warm greeting which comes from every heart.

A Christmas Wish

(From Archbishop William L. Wright, Acting Primate of the Anglican Church of Canada)

The very heart of the Christmas Gospel is that God came to us Himself:

"The Word was made flesh and dwelt among us."

This is the glory and wonder of Christmas.

Our social festivities and family gatherings all have their rightful place at Christmas, but for all dedicated Christians, the soul and centre of Christmas must be at the altar, where Christ Himself comes to keep Christmas with us.

CHRISTMAS draw us nearer to Jesus and so nearer to each other and to all fellow men of whatever race or kind or colour.

CHRISTMAS brings courage and comfort to homes in which there is trouble or sorrow.

CHRISTMAS stirs our hearts to help those who are in need in our own land and those who are suffering in war-devastated countries.

CHRISTMAS exalts the mirth and innocence of little children, but challenges us to give little children a chance by our service and generosity.

CHRISTMAS tells us that God reigns and in spite of world-wide anxiety and fear, Christ has power to make this a world of Justice, Peace and Goodwill.

This is our Mission today.

May His blessing and His grace be in your hearts and homes this Christmas.

Special Christmas Message From TRAFFIC SAFETY OFFICER

Christmas is a magic time of year for the very young and the young at heart. Throughout the years Christmas has been embellished with many beautiful traditions making this the most festive of holiday seasons, while stressing the message of "Peace on Earth and Goodwill to all Men."

This is the time of year we experience the joy of giving. Two blessings which will make our gifts more meaningful are health and happiness. These two gifts cannot be bought.

While it is not in our power to give these gifts, we do have the power to take them away. The thoughtless driver that causes accidents can bring pain and sorrow to innocent victims and their families.

This is the reason that this Christmas we propose a different kind of tradition to keep the season bright. Extra care and caution while driving during the Christmas season and throughout the coming year is one of the best gifts we can give as a gesture of goodwill to all. This special kind of "Caring" is in true harmony with the spirit of Christmas and it is one which costs us nothing in the way of monetary value.

The Ontario Provincial Police in Dundas County wish to extend very best wishes for a happy and safe holiday season to all and hope that the coming New Year will bring you and your families much happiness.

R. W. O'BRIEN,
Provincial Constable,
Traffic Safety Officer.

GREETINGS

To the many readers and friends of the Winchester Press we wish to take this opportunity to extend our best wishes for the Holiday Season. May the story of Christmas bring to each of us once more its promise of unfailing love and peace. Though the world seems filled with strife and turmoil, God's love is still as true and tender as it was that first glad Christmas day. And though our lives are shadowed by sorrow or anxiety today, He still freely gives His gift of peace to every heart where Christ is welcomed as the Prince of Peace.

And so we wish for you that this may be the happiest and most blessed Christmas you have ever known — a Christmas filled with the love and peace and radiant joy promised by the angel messenger, "For unto you is born this day in the City of David a Saviour, which is Christ the Lord."
