Kilger to open Chesterville office

Greg Kielec
Record Staff

CHESTERVILLE — Chesterville residents won't have far to go if they have a beef with their federal member of parliament.

Liberal MP Bob Kilger's office will be just a hop, skip and a jump away, for most residents, at the village town hall.

Chesterville Council approved Kilger's request for space for a second constituency office at a meeting here last Wednesday night.

Kilger during his fall election campaign promised residents in the western portion of the riding he would open a second constituency office in Dundas County.

"He is our MP. Why not have him here," said Chesterville Reeve Jim Cook Monday. "That way if we need to talk to him, he's very handy to us."

Cook said the space was available in the town hall, and "the price is right. It's a little bit of revenue."

People coming to Chesterville constituency office will also generate business for village merchants, he added.

Kilger said he will tentatively move into the office in mid-January. Problems getting his office in order in Ottawa will prevent him from getting the Chesterville office open sooner.

He said it is "very gratifying" to already fulfill one of his election promises. A constituency office located in Dundas County is something that was "long overdue," he said.

"I'm very pleased; not for myself, but for the people of Dundas."

Two offices are needed to cater to the specific rural and urban areas of the riding, he said. Having an office in Dundas will also make him "more accountable" to the county's residents.

He plans to have the office open during the morning five days a week from Monday to Friday.

Dreaming of Christmas

Santa was in town Saturday for the village's annual Santa Claus parade and the girl, pictured above, had a chance to talk to him first hand and give him at least part of her Christmas list. See more pictures inside on pages 11, 12 and 13.

Newsbriefs

Night carolling

MOREWOOD — An evening of carolling is being scheduled "to hit" the town of Morewood on Wed., Dec. 21. The event is being put on with the participation of a wide range of organizations and individuals to help get the village into the Christmas spirit. Interested carollers are to meet at the Morewood Community Centre at 7:30 p.m.

Ice warning

CHESTERVILLE — Chesterville Recreation Director Tom Lee is warning people to stay off the ice on the South Nation River. Although some portions of the ice are solid, there may be patches of ice that a person could fall through. "I'll say we have to have quite a few more cold days" before the ice is solid, he said. He is also urging people not to throw stones on the ice. If the weather turns warm and the sun melts the rocks into the ice, it could ruin skating on the river for the entire winter, he said.

Man charged

WINCHESTER — A 46-year-old Cornwall man has been charged by Winchester OPP with committing an indecent act and with attempted abduction in connection with recent incidents in Chesterville and Winchester. Halbert Fenton was charged after being spotted in Winchester by off-duty OPP officer John Ralko who then called other officers for help, police said. He was charged after being followed by police for a short time. Halbert was charged in connection with an attempted abduction of a young girl in Chesterville Oct. 1, and an indecent act involving two young children the same day. He is to appear in Morrisburg Provincial Court on Jan. 10, 1989.

X-mas giving

CHESTERVILLE — Chesterville Council was in the giving spirit, handing out donations to three non-profit or charity groups Wednesday night. Council donated $350 to the Dundas chapter of the Heart and Stroke Foundation of Ontario, $50 to the Salvation Army and it also made a donation to the Royal Ottawa Hospital's youth addiction program.

Collision

MOREWOOD — A car driven by Jermaine Belcher, 67, of Chesterville, received major damage when it was involved in a collision with a dump truck in Morewood last Tuesday. Belcher was at a stop sign in Morewood on County Road 7 when he pulled in front of a dump truck driven by Robert Fawcett, 49, of RR1 Fournier.

Last call

CHESTERVILLE — The last day to pick up toys for the Chesterville toy drive is Thursday. The toys will be given out with the Rotary food baskets on Saturday. Organizers say they've received a good amount of toys so far and are pleased with the response. Toys can be dropped off at the Toronto Dominion Bank or the Bank of Nova Scotia in Chesterville.

Bell rings in Christmas

OTTAWA — Bell Canada is planning to give its Chesterville subscribers a Christmas present as it provides free touch tone features to area customers starting Dec. 19.

The eight-week free service, which will include call forwarding, call waiting, speed dialing and three-way calling, is made possible by Bell's changeover to digital switching equipment in Chesterville, according to company spokesman Ray Jette.

The changeover from mechanical to digital switching was made Sun., Dec. 4.

Customers will be notified by mail of the free introductory service, Jette said, emphasizing that they should not call the Bell's business office to have the service explained.

"It will all be in the information packages we are sending to customers in Chesterville," he said.

The introduction of advanced digital switching equipment will improve the quality of transmissions for long-distance calls, reducing static and making connections more quickly.

The change also means that the full seven digits must now be dialed for calls within the Chesterville exchange. Simply dialing '8' and then the number will no longer put a call through.

Customers will also notice a change in dial tone, Jette said.

With the move to central switching, in a new building in the north end of the village, the number of Bell's repair service is now 611, he said.

Asked if the change to the new building means the old switching building on King St. will be put up for sale, Jette could only say that that is a decision for the company's real estate division.

Those with non-Bell telephone sets will have to start paying for the touch tone service by Jan. 15 or will find that their sets no longer work after that date, Jette added.

They will be notified by mail of this change in billing policy, he said.

House must go: council

Greg Kielec
Record Staff

MAPLE RIDGE — Winchester Township Council has given an Ottawa man 30 days to either remove a house he's building at Highway 31 south of Winchester Springs or have it destroyed.

Council made the decision at a meeting Monday night, saying that Andre Thereot has been given enough chances to complete the home and that no extensions of time are forthcoming.

Thereot has been working on the prefabricated home since last fall, but still hasn't completed the work necessary to make it liveable.

Council said it made three calls urging Thereot to complete the work but have received little results. His building, permit taken out Nov. 10 last year, has since expired.

"I believe in being compassionate, but I think it's time we move," Deputy Reeve Wyman Barton told council.

Councillor Dwayne Holmes agreed that it was time council take a stand. "We've given him all kinds of time," he said.

But Thereot said Tuesday he doesn't

Cold doesn't stop Santa

NORTH POLE — Santa brought more than the feeling of Christmas with him as he visited Chesterville, Finch, Berwick and Ingleside on the weekend. Tucked inside his big red bag were some polar temperatures that sent the mercury spiralling downward, forcing participants and spectators alike to bundle up against the sub-zero weather.

In Chesterville, the cold didn't have much of an effect as the village had one of its best parades in years.

Organizers estimate a total of 72 floats were entered in the annual parade; 12 commercial floats and 60 non-commercial floats.

The number is well above last year's total of 22 floats, as well as the number of floats in previous years' parades.

"We were quite happy with it," said John Edgerton, vice president of the local Lions Club, which organized this year's event.

"We really got the people out this year compared to the other years."

He said there was a good crowd along most of the parade route and a larger turnout of children than usual in the community hall after the parade.

"We can tell we had a good crowd. It was well represented, that's for certain."

The quality of the floats was also high, and although it would be nice to recognize all the floats, its impossible to give out that many awards, Edgerton said.

"There was a lot of hard work put into the floats," he said. "We were well pleased with the participation and the whole bit."

He said the majority of the credit for the parade's success should go to head organizer Earl Cross, "because he head manned it from the beginning."

Members of the village Rotary Club also deserve credit for their help, he said. The Rotary Club will be organizing the parade next year with the two groups alternating every year.

Edgerton said it doesn't matter who organizes the event, "as long as everyone participates and has fun and no one gets hurt."

The same was true in Finch where Santa, perched high atop a fire truck, followed the 16 floats entered in the village's parade.

Taking first place in the float category was the "Away in a Manger" scene entered by the Sanders and Carruthers families.

H.F. Smith's and Gary's Auto Body's entry, "Polka Dot Door", placed second while the Optimist Club's "Wake Up Your Dream" entry placed third. In fourth was Edith's Hairstyling's "Christmas Wishes." Winning for best costumes were Chad Brownlee and Randy Dingemans and Todd Brownlee.

Adding to the day in Finch was the RCAFA's "Ident-a-Kid" program, held in the arena prior to the parade.

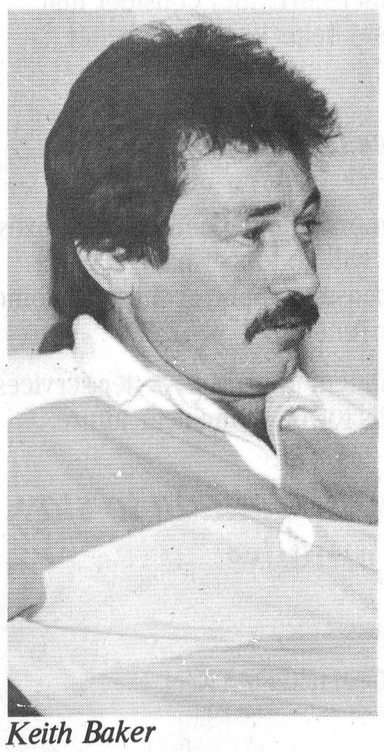
Drain bill protested by Winchester Twp. residents



Keith Baker
MTC should pay

Greg Kielec
Record Staff

MAPLE RIDGE — The issue of the Summers-Baker drain which has caused endless headaches for township resident Harry Mussell and Winchester Township Council may go to the Ontario Drain Tribunal one final time.

Residents assessed to pay $49,000 of an estimated $95,000 work to be done to the drain, said Monday night they shouldn't have to pay for the work and may take the assessment to the drainage tribunal.

The assessments of residents living near or benefiting the drain range as little as $44 to as high as $8,000 for one resident.

Residents made it clear Monday night they weren't happy with paying more than half the cost for a solution to a problem not created by them.

"I think I can represent these people and say this is bloody unfair," said Mussell, who has been plagued with flooding from the municipal drain for 17 years.

I don't mind going back to the (drainage) tribunal," he said. Because of what he calls "exceptional circumstances" surrounding the issue, it's not fair for his neighbors to pay for the drain work, he explained.

"I still think my problems were not caused by my neighbors nor myself," he said.

Although County Engineer Donald MacDonald convinced council the Ontario Ministry of Transportation and Communications should be paying the United Counties $20,000 assessment for the drain, council said it could do nothing to reduce the brunt of the project for residents.

The only option left for residents assessed in the drain is to appeal the costs to the drainage tribunal, council said.

A report prepared by A.J. Graham Engineering Consultants Ltd., Ottawa, has proposed a culvert at the south junction of Highway 43 and Highway 31 be lowered and a diversion ditch be dug to prevent water from backing up on Mussell's property.

The township was urged at a drainage tribunal hearing a year ago to have a preliminary report done to determine how to solve the flooding dilemma.

Mussell took his case to the tribunal after encountering dead-ends at the United Counties level, township council and the Ontario Ministry of Transportation and Communications.

Mussell has maintained his flooding problems were a result of a number of things, including an improperly placed culvert at the junction of Highway 43 and Highway 31.

Residents maintained at the Court of Revision hearing here that if it was an MTC error that has caused the flooding, the MTC should pay the majority of the bill, not them.

"We're ending up paying for someone else's mistake," said Keith Baker, who has been assessed $8,000 of the project cost.

"I'm not looking for a free ride, but I think we're paying for someone else."

He said the project is over-priced and he may even take his assessment to court to fight it.

"I can live with maybe even half the price," he said. But he added: "I'm sick of paying for MTC screw ups."

Township resident Gail Van Noy also expressed displeasure with her assessment for the project.

"Twenty-two (hectares) of land costs $6,000?" she asked Elizabeth Tippet of A.J. Graham Engineering, the firm which did the report.

"I don't understand. I just know that sounds ridiculous."

Tippet said residents are only paying for improvements to their portion of the drain, while the MTC is paying to change the culvert targeted as the cause of the flooding problems.

But McDonald said the MTC should also pay for a second culvert, which is to go across County Road 38. The cost of installing the culvert is estimated at $20,000.

Because the MTC has changed the original route of the drain so that it goes beneath a county road instead of underneath Highway 31 and Highway 43, the counties shouldn't be liable for the cost, he said.

Tippet said if the counties' assessment is transferred to the MTC, it won't be able to stop it, "but it won't let it go quietly."

Councillor Jack Durant suggested the residents' assessments should be paid by the MTC, but Reeve Claude Cousineau said it wasn't permissible under the province's drainage act.

The township can only increase or lower the assessments of each individual resident, he said. If one resident's assessment is lowered, another assessment will have to be raised to make up for the reduction in funds, he said.

afternoon but they seemingly came out of nowhere to swamp Santa in the Berwick Hall following the parade.

Judges' tastes ran much the same in Berwick as they had in Finch a day earlier as the Sanders' and Carruthers' entry again placed first followed by "Polka Dot Door" entered by Gary's Auto Body. Placing third was the entry by Carolyn's Hairstyling of Crysler.

If the sub-zero temperatures hurt anywhere, it was in Ingleside where participation was down again for the second straight year.

Prize winners were: first, Marlin Antoine's team of horses; second, United Church children's manger scene and third, the Ingleside chapter of Canadian Girls in Training.

Robert Carbino of Ingleside won $249 in the 50-50 draw. The other half of the ticket sales went to parade expenses.

Santa will continue his pre-Christmas visits to the area this weekend with a stop Saturday in Morewood and Sunday in Crysler.

Morewood

This community's parade will step off from the Community Centre parking lot at 1 p.m. and will begin marshalling at 12:15. There will be prizes awarded in five categories of floats. For more information call 448-3597.

Crysler

The Crysler Optimist Club's parade will start at 1 p.m., stepping off from the Home Centre on Charles St. and ending up at the Community Centre. Cash prizes for the top three floats are $75, $50 and $25. According to organizer Paul Sabourin, "Children young and old are invited to come and see the floats and clowns and to visit with Santa after the parade in the Community Centre." understand why council has suddenly pulled the plug on him and said he will fight any attempt to move the home.

"It's a bit harsh," he said of the council decision. "It's a harsh decision. A very hard decision." "I find it difficult to understand."

He said he has too much money invested in the home to tear it down. He has soaked $40,000 of his own money into the home since last August and the bank has invested $68,000 in the project.

"I think this is a nice area," he said. "That's why I was planning to move there."

He is tired of city living and wants to move into the country where he'll have "more space" to live.

"It's unfair because I'm ill and they're not giving me enough time to finish, he said.

"I don't understand because I have seen other things that are worse than that they haven't torn down."

He said he has plans from an architect that show the building can be repaired and the bank has also placed its confidence in the project.

If the township goes ahead with its threat, he will appeal to the provinceial and federal government and the media to help his cause, he said.

"I will make the whole fuss about it," he said. "A lot of people are going to know about that."

"It's a question of fairness, and democracy and the rights of people," he said. It also is a question of compassion, he added.

First patient donates $5,000 to WDMH fund

WINCHESTER — Dec. 8 was a profitable day for Winchester District Memorial Hospital.

Last Thursday the hospital celebrated its 40th anniversary and the hospital's first patient, Glendon Loucks, was on hand to present a cheque to the hospital for $5,000.

Loucks, now a resident of Ottawa, is an associated broker with RE/MAX Ltd. He was made a fellow of the Canadian Real Estate Institute in 1978 and was a diretor of the Real Estate Board of Ottawa-Carleton in 1985-86.

The cheque is to be applied to hospital maintenance at the discretion of the board of directors.

"Winchester hospital has been very good to me, my mother and my father," said Loucks.

The open-house ceremony was well attended by members of the hospital's board of directors and the general public.

"The hospital board today and in the past should be commended for all the work it has done," said current administrator Bert Stel.

The hospital was incorporated in 1944 under the name Winchester Hospital. However, Stel said many people objected to the name because it didn't reflect the true character of the district.

The name was changed to Winchester and District Memorial Hospital and later changed again to its current Winchester District Memorial Hospital.

"The hospital is really trying to serve the district," said Stel. "The growth of the hospital here is a good indication of the foresight people had to get a hospital. It has grown beyond their expectations."

Board of directors' president Joan Farlinger said residents in the area were fortunate to have a hospital of the calibre of WDMH.

"We don't perform all of the things they do in a city hospital but we are a stopover," she said. "I don't know how we would get along without our hospital. Patients are always saying what a caring hospital this is. The board also appreciates the work of the auxiliary. I know how difficult it is to get volunteers but I must congratulate the ladies on their fine work."

Public relations and fundraising chairman Dale McNaughton said his job to promote the hospital is made very easy.

"I commend the management and staff," he said. "I have no reservations about bringing people in to tour this hospital at any time."

SADD keeps RO students smiling

INGLESIDE — Students attending a dance at Rothwell-Osnabruck School Friday high school left with a warm feeling, but it can be guaranteed it wasn't from the drinks served there.

A variety of fruit punches and fruit drinks were served at the dance sponsored by the school's students Against Drunk Driving chapter, to raise money for the group.

The drink list included three types of "mocktails": Virgin Sling, Virgin Sunrise and Virgin Shirley Temple, all alcohol free imitations of real bar drinks.

Debbie Primeau-Morin, staff advisor for the SADD group, said the dance was held to show students they can have fun without actually consuming alcohol.

"The key reason why we did this was to tell the students you can have a party, you can have fun at a dance without drinking alcohol."

It is also something students can model alcohol-free parties of their own after, she said.

As well as raising the awareness of 115 students attending the dance, it also raised $190 for the school's SADD chapter.

The money will be used to send SADD member to conferences to learn ways to raise student awareness of the dangers of drinking and driving and will also be used to bring in guest speakers.

"The sale was quite successful," Primeau-Morin said. "It sort of picked up the dance, gave a special effect."

Forty dollars was also raised through a stuffed pink elephant raffle. Six pink elephants, each holding a tipped over wine glass and wearing a don't drink and drive pin were raffled at the dance.

SADD President Richard Crocker, a Grade 13 R-O student, said the idea of having the mocktail dance was thought of about a month ago during a SADD meeting.

The night went so well that plans are being made for one next year already. "We were really pleased," he said.

There was "a great turnout", they raised student awareness and a good sum of money, he said.

Primeau-Morin said the dance was a more positive way of getting the message of the dangers of drinking and driving across to students.

A lot of the time negative types of messages are used, but the mocktail dance was "a positive thing," she said.

SADD members wanted something that was "not quite a wine and cheese party," she said. They then decided to drop having cheese altogether and came up with the idea of "mocktails."

The SADD group has been "much stronger" this year and is "leading the way" in organizing events and planning its year, she said. The group is also focusing on elementary students and is planning a "Really me without drugs and alcohol" poster contest for the younger students.

Hyndman keeping tradition alive

HYNDMAN — This quiet hamlet experienced one of its busiest weekends in memory as the new owners of the local cheese plant held an open house Saturday and Sunday.

New owners Stephen Ault of Winchester and Keith Henry of Belleville, both well known in local dairy circles, held the promotion to re-acquaint area residents with an institution that has faithfully served Grenville County as long as anyone can remember and which takes pride in its local roots in a time when the local cheese factory has all but become a thing of the past.

Ault and Henry purchased Hyndman Foods about a month and a half ago, renaming it Hyndman Cheese Ltd. and officially opened their operation Saturday afternoon with SD&G MPP Noble Villeneuve and Edwardsburgh Township reeve David Sloan assisting in a brief ribbon cutting ceremony.

Ault said Tuesday that the aim of the new owners is to keep on with business as usual, while building up the number of customers in the plant's store. They also hope to introduce a more of their varieties into area stores to give shoppers a choice between local and national brands.

Their products are sold under the Hyndman Cheese brand name.

The plant produces about 700,000 pounds annually with about 60 per cent accounted for by cheddar and the rest by specialty cheeses.

"We want to be able to sell to stores in our own little bailliwick in Eastern Ontario. Right now in the old Eastern Ontario Milk Region, which stretches east from a line between Kingston and Pembroke, there are only three small cheese factories left: Forfar, Hyndman and St. Albert." There are only about a dozen left in all of Ontario, Ault said.

The key to the factory's continued operation is over-the-counter sales in the factory store, which will continue to remain open seven days a week.

A small plant cannot hope to stay in business by selling in bulk at the Belleville Cheese Exchange so it must carve its own niche.

Hyndman Cheese has been able to do this over the years, attracting a loyal customer base for the Sunday afternoon ritual of taking a drive in the country and picking up some fresh curd and extra old cheddar.

Ault and Henry want to build on this base and attract more customers to the factory store.

"I was surprised Saturday by the number of people who asked me if the cheese was made on the premises. It's an increasing rarity to buy anything where it's made these days and I guess it's a bit of an attraction in itself.

"People buying fresh curd are buying something that was actually in the cow just the day before. That kind of freshness is what has always fascinated me about the dairy business," Ault said.

Cheddar was and is the factory's staple product, whether it be curd "fresh from the cow to you", or extra-old cheddar aged upwards of 18 months, but specialty - or flavored - varieties continue to grab a larger share of the market.

Hyndman produces "more varieties than I've ever seen in a small plant" and these flavored brick cheeses continue to capture consumers' imaginations.

The plant produces such varieties as dill, onion, garlic, pepper and horseradish-flavored varieties, supplying many to other factories which don't want a tool up for limited runs.

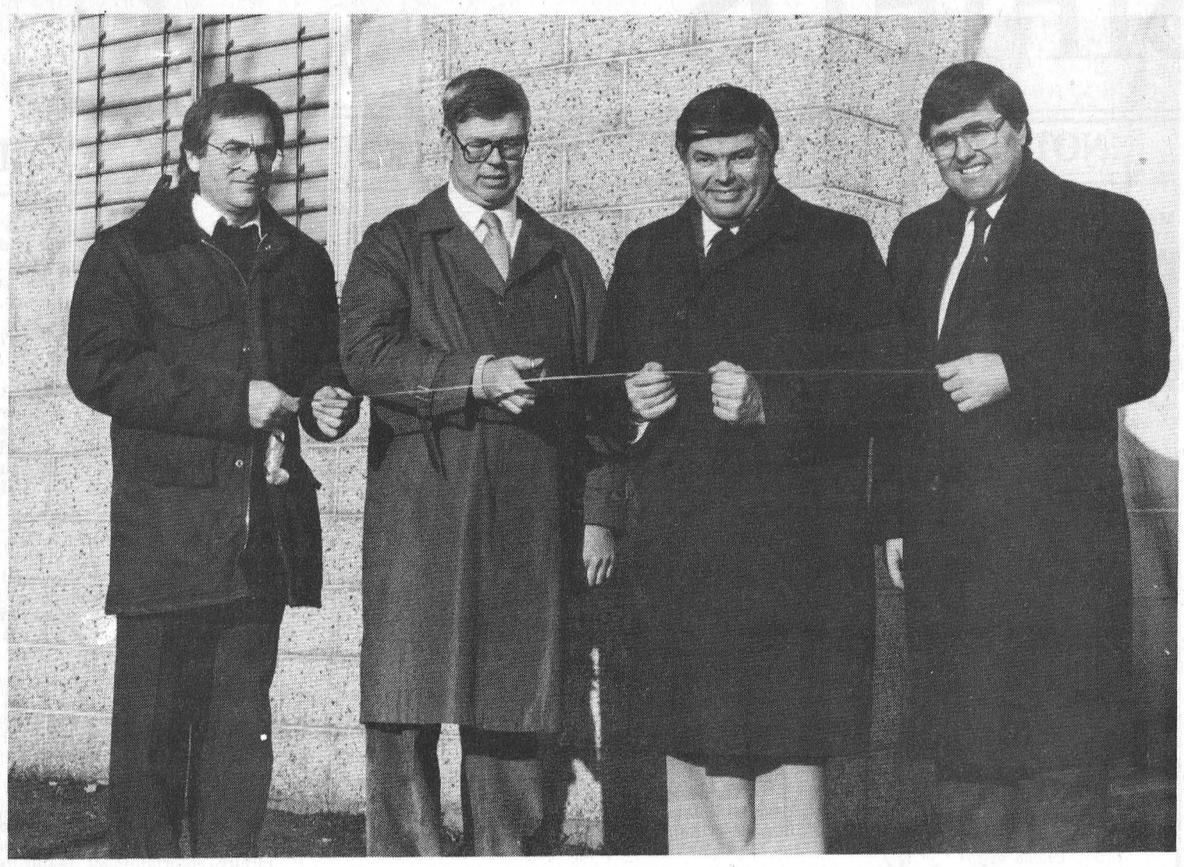
The specialty varieties proved popular with the increased number of customers drawn to the store by the weekend open house and Ault said he and his partner are planning more such promotions as they strive to make Hyndman Cheese household words in Grenville and Dundas Counties.

Their own names are household words in the dairy industry in the area.

Ault, a former vice-president with Ault Foods in Winchester, is the son of Sam Ault, who parlayed a small family-operated business into Ontario's largest cheese plant. Stephen now practices law with McInnis, MacEwen and Ault.

Keith Henry is a former Ault Foods plant manager, who, in addition to his holdings in Hyndman Cheese, owns two cheese factories in the Belleville area.

The new owners are not planning any "earth shattering changes", for the venerable Grenville County institution Ault said, but are hoping more area residents will visit the factory store, a plant feature they plan to market more aggressively.



Say "cheese"

Edwardsburgh Township reeve David Sloan, second from left, and SD&G MPP Noble Villeneuve officially opened Hyndman Cheese Ltd. Saturday afternoon with new owners Stephen Ault, far left, and Keith Henry, extreme right, assisting.

Friendly Circle celebrates season

FINCH — Members of the Finch Friendly Circle held their annual Christmas party Dec. 6 in the community centre with 59 members present.

Grace was said by fellow-member Father Michael O'Brien and a most delicious dinner was enjoyed by all present.

President Russell MacMillan thanked the ladies of the recreation association for the excellent meal and service. A short business meeting was held during which the nominating committee presented the following slate of officers for 1989: Past president, Russell MacMillan; President, Ethel Robson; Vice president, Morris Sanderson; Secretary, Martha Sanderson; Treasurer, Lillian Graham.

A delightful program was then presented by the members in the form of "An Old-Fashioned Christmas Concert". Santa arrived amid a jingle of bells and presented each member with a gift as a remembrance of yet another enjoyable 'Friendly Circle' afternoon together.

To all our customers and friends we would like to wish you all a "Merry Christmas and a Happy New Year".

We thank you for your support in the past year and we hope to be able to help you through the next year.

But those are stars that beam on high.

Mary Grady hosts CWL meeting

FINCH — The Christmas Catholic Women's League meeting of St. Bernard's, Finch, was held at the home of Mary Grady.

Father Michael O'Brien celebrated mass before the meeting.

The president, Olive Heasley, opened the meeting with the league prayer.

Ann Marie Sanders read about "The Purpose of Parables."

Kathleen MacNaughton, Education Convenor, talked about adult education and read an article on Bible study. The article encouraged people to make a Lenten Commitment to studying the Bible in a group. It stressed the Bible should be read with understanding. The Bible is absolutely true but it has to be interpreted correctly.

Bertha Sullivan, Christian Family Life Convenor, talked about sanctity and respect for life. She said the family is the most basic important unit of society.

Jennifer Buhr spoke on "Stewardship in the Church."

The CWL will donated the Christmas flowers for St. Bernard's.

Betty Moran said Meals On Wheels will gladly accept donations. Rikky TePlate made a motion to donate to Meals On Wheels.

Mrs. TePlate read a short Christmas story.

Jennifer Buhr decorated a box and placed it in the church to collect food or money which will be sent to the Agape Centre in Cornwall to be distributed to the needy.

Father O'Brien said plans are being made for St. Bernard's Parish 100th Anniversary next year.

CWL members brought treats and presents to the meeting and Christmas baskets were made up. Some of the members will take these baskets and visit the sixk and shut-ins.

The CWL presented Father O'Brien with a Christmas card and gift.

THE CHESTERVILLE Record Editorial / Opinion

Part of our heritage

They used to sit on every concession road, as common as the old school section buildings, but they've gone the way of "Swing and Sway with Sammy Kay" and marcelled hair.

Eastern Ontario's small cheese factories have given way to mega-factories, just as the individual's right to sell milk has been taken over by the Ontario Milk Marketing Board, but there is still a little factory tucked away in the northwestern corner of Grenville County that is bucking the trend.

Hyndman Cheese, recently purchased by Stephen Ault and Keith Henry (whose story is chronicled elsewhere in these pages), remains an anachronism, along with similar factories in Forfar and St-Albert, as it keeps alive this important part of Eastern Ontario's rural heritage.

Hyndman will never be a threat to the major players in Ontario's cheese industry, but as long as it stays in production it will serve its own niche in the marketplace as its factory store continues to dispense products made in the same building. To those in the know, there are few things more enjoyable than a slow Sunday drive in the country with a stop-off in Hyndman for some curd so fresh it squeaks when bitten into, or some cheddar aged so long it is older than the average pre-kindergarten student.

Ontario cheddar ranks with the world's great cheeses and deserves its place right up there with brie, camembert, cheshire, edam, feta, havarti, romano, roquefort, stilton, etc., and while Hyndman's may be no better than the other good cheddars produced in this part of the world, there is something particularly satisfying about buying a block of cheese over the counter in the same premises where it was made. It's the same feeling one gets from buying crisp McIntosh apples from such local growers as the Smyths and Robertsons, velvet smooth honey from the Termeers or maple syrup from the Sanders.

It helps define who we are, where we're from and where we've been.

The spirit of the season

There is something magical in the air at this time of the year. Something that makes us forget our normal everyday reserve. Something that brings out the best in us: our natural kindness, spontaneity, generosity and concern for the well-being of others.

Among the most obvious manifestations of the spirit are the Santa Claus parades that help heighten the awareness of the season.

Where else but in rural Canada would you see families and friends getting together to assemble floats and rent or make costumes so that they, too, can take part in the annual parades. Not for them, the slick corporate entries of Ottawa or Toronto; they may not be as professional and some of the edges may be a little rougher than, say, the Rose Bowl, but the thought is there. And at this time of the year, especially, it is the thought that counts.

So to organizers of parades and their participants in Chesterville, Winchester, Finch, Berwick, Ingleside, Russell and South Mountain, thanks once again. And to Morewood and Crysler, well, we'll see you this weekend.

Chesterville's Past

08 From the Record Thurs., Dec. 10, 1908

Half a dozen gold bricks from the Dr. Reddick Larder Lake gold mines, aggregating between sixty and seventy ounces, have been brought to Ottawa to the Ottawa branch of the Royal Mint, by Dr. Reddick and Lt.-Cpl. S.M. Rogers to be minted into sovereigns. The coins will be the first ones to be made in Canada.

Mr. Jacob Dixon is busy fitting up an open rink near the station and expects to have it ready for skating in a few days.

Rev. A. Thompson B.D., of Rothsay, Wellington Co., occupied the pulpit of the Presbyterian church, morning and evening last Sabbath. He will supply next Sabbath also.

Miss Bertha Summers, eldest daughter of Mr. John Summers, of Russell, was united in marriage to Mr. D. McGregor, the popular owner of the White Starr cheese factory, on Tues., Dec. 1st. They were married in Winchester, after which they drove to the home of the bride's parents, where a reception was held in the evening.

The Ladies' Aid of the Presbyterian Church are putting forth every effort to make their annual Sale and Social the best yet. The many useful and fancy articles will be marked at prices to suit every purse.

28 From the Record Thurs., Dec. 12, 1928

For the first time in some months, the village constable was asked Saturday evening to provide shelter for a couple of Wandering Willies who claimed to be without resources while on their way from Montreal to Kingston. They were escorted to the cells in the Town Hall and placed in the cells from which they had an obstructed view of the picture then being shown. They were taken care of until Monday morning and released. With free lodging and a picture show for weekend hobos, Chesterville should stand high with the wanderers.

The versatility and extent of Chesterville talent was demonstrated to a remarkable degree Monday evening when the Hockey Club Minstrels put on a show that carried the large audience in the Music Hall to high points of enthusiasm. While considerable was expected from an organization with Mr. O.L. King at its head, its safe to say that this time a mark has been set for local productions that will stand for some time, not only in the quality of the presentation, but in the manner in which every detail had been worked out. Everything went along with a smoothness and snap that was in decided contrast to most first performances. It has been suggested that the Hockey Club Minstrels be made an annual affair, just proceeding the opening of the hockey season, which would give ample time to produce a bang-up show every year that would be looked forward to with the greatest anticipation.

48 From the Record Thurs., Dec. 16, 1948

The regular meeting of the Chesterville Chamber of Commerce held last Thursday evening was addressed by Mr. D.N. Cooper of Montreal, industrial agent of the CPR. Mr. Cooper explained what an industry, looking for a place to locate, expected from a town and told of the benefits that come to a community if they make concessins that are instrumental in bringing an industry. He passed out booklets, prepared by towns inviting business inspections and said he was of the opinion that a similar booklet would be advantagous in helping secure an industry for Chesterville.

Rotarian Donald Hutton addressed the Chesterville Rotary Club last Monday evening at the regular meeting. The subject of his talk, "I'm in the telephone business" was in the nature of a vocational talk and was well received. In the business part of the meeting, it was decided to have the Annual Christmas Tree on the Post Office Square.

Blue Devils came through with one of their smashing victories Thursday night at Cornwall Arena over Kingcot All Stars from Cornwall. This 9 to 4 victory marks the third victory and one defeat against Courtauld's All Stars. Most people from this district will remember the great game that was staged against Cornwall Calumets last year. Blue Devils have added several young stars from junior teams from Cornwall and are at present trying to get two defence men from Cardinal.

68 From the Record Thurs., Dec. 13, 1968

The annual Nestle party was held this year at a hotel in Cornwall. It was well attended and everyone reported a good time. A number of long service awards were made. Six ten-year employees were honored. They were manager James Moonie, Jack Fraser, Bernard Kelly, who was unable to be present, Adrian Laflamme, Bert Van Kessel and Casey Van Gessel. Mrs. Doris Hitsman and Ovila Hurtibise received their 25-year watches from a quarter century with company.

This week, the Chesterville Public School board met for the last official meeting of its lifetime. Starting the new year, the system disappears and a regional board will take over. School board chairman Lorne Thompson will still be in the thick of things as he is the elected representative from this ward on the new board.

The colour question was one of the subjects discussed by the Holstein cattle breeders of Stormont at the annual meeting of the organization held in the Presbyterian Hall, Eamer's Corners. Although no official action has been taken, it appears probably the parent national idea of establishing a separate herd book of the registry of red and white or poorly color marked black and white purebred Holstein calves will be adopted. This is important to breeders, national association vice-president Marland Murray of Martintown remarked, because it will permit these animals to be marketed at prices befitting their bloodline inheritance, instead of practically forcing them into discard.

The Farmer's Wife

by Wyn Thompson

It's that time of year again when visions of sugarplums dance through every child's head.

Imaginations bring thoughts of space toys and exquisite dolls, teddy bears and Christmas chocolate gayer than life.

Join me in a trip down through Christmas.

Holiday surprises filled a parlor corner with magic for my sister and I on Christmas morning. A popcorn garlanded balsam stood in a sand-filled pail; with packages of treasures nearby.

Oranges, a special Christmas treat, apples, homemade fudge and peppermints filled our knitted stockings from the potato and coal laden foot to the ribbed top.

A doll for my sister and a bear for me, decked out in their holiday finest, join in the celebration on Christmas morning. We four could cuddle up in parlor rockers with a patchwork quilt and print cushions around us.

A present day Christmas may have grander presents, more exotic fruits and candies, but the magic is the same.

In the dining room candy canes and gingerbread people dance about a table centerpeice of pine boughs, red apples and velvet bows. A delicious "cinnamony" smell fills the house as hot mulled cider brews for a Christmas party.

A gay, red-clothed board welcome guests to a feast of unimaginable Christmas dinner treats. A Gingerbread House, a gift from Grandma, sits on a side table nearby while Christmas candy, a little toy drum and horn, nestle among the pine boughs on the mantel top.

Lady Mouse, the Beatrix Potter character, who assisted "The Tailor of Gloucester", gives special meaning to a little Christmas girl. A space creature and stuffed dinosaur wait at attention for holiday hugs.

These two treasures will bring loving memories of a special Christmas throughout the year, as did the dolls and bears of Christmas Past.

The magic of Christmas morning spreads throughout the day as everyone admires and enjoys new toys and gifts. The sharing of simple traditions, presents made with love and happy spirits, on that day still brighten this Christmas season as it did in the past.

December '88 is packed with as many treats as a fully stuffed Christmas stocking. The year draws to a close, and we are busy with the pleasures of hearth and home.

Homemade cedar wreaths have become a tradition at our house. We have them ready for gift-giving on December 1st so they may be enjoyed all the month of Christmas.

A big country cedar wreath, hung on our front door will do a proper job of signalling Santa and saying "Merry Christmass' to all who come by.

The twelfth month has a special aura when even a cold, rainy day provides pleasure. A good day for a quiet wrapping session.

My favorite place for performing this task is by the fireplace. With a pot of tea handy, it is fun to choose the paper and ribbon for each box. The paper must not be put on the floor, for if it is Lady will definitely think she can nap on the inviting heap.

I think of Scamp-cat, that old reprobate, who shared our lives for so many years. He loved to settle atop a freshly wrapped present, effectively flattening the velvet bow I had worked so hard making.

Decorating the Christmas tree and bringing in the evergreen boughs is one of the season's special treats. Every family has its own way of carrying out these traditional tasks.

Most often, we invite the grandkids for a tree-decorating party. Picking the perfect tree is the envied job of the older kids. Under Poppa's watchful eye, they look for one that is just-so-tall and with good branches.

Once the tree is in place and all the bulbs carefully checked, Poppa places each light meticulously on the tree, then retires. The "grands" and I take over, and the tree will soon be laden with ornaments collected through the years, each one with its own story to tell.

When we have finished decorating, the shining evergreen creates a magic that we are never too old to enjoy. Then we settle cross-legged on the floor beside our tree and sip Christmas tea and sample for the first time, the year's Christmas cookies.

The older ones talk of Christmas customs they have read about in other parts of the world. To each did you know that.....? , the younger ones giggling, gleefully reply, "We didn't know that."

So here goes.... Did you know that... the Christmas meal, as immortalized by Charles Dickens in A Christmas Carol, is the same for everyone in England.

The main meal starts with a chestnut-stuffed roast chicken or goose. Roast potatoes, brussels sprouts, peas and gravy accompany. The highlight of the meal is the brandy-soused steamed Christmas pudding.

Did you know.....that Christmas banishes the darkness in the Scandinavian countries. And as a reminder of Scandinavians' agricultural roots many decorations are made from straw.

Did you know.....in December, Hungarians who have emigrated to Canada remember going from house to house as children, dressed as Three Kings, carrying the Creche and acting out the story of Christmas.

Did you know....that Christmas is strictly a religious holiday in most Greek homes with the big festive celebration being reserved for New Year's.

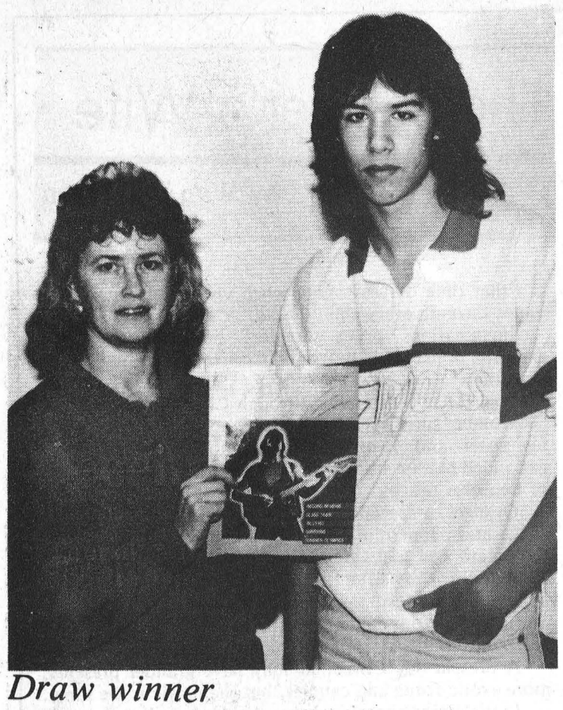
Christmas is an important family event as well as religious holiday for the Polish. They celebrate it with lavish feasts, songs and dances. The Christmas Eve meal is the beginning; there are twelve meatless dishes served in honor of the twelve apostles.

The German children, as do many Canadian, have a delightful custom, they anticipate Christmas by lighting the candles on the Advent wreath and by opening one flap each day on their Advent calendars to reveal a Christmas picture.

Yes, the Christmas season is a joyful, busy time. In our happy activities we should take time to observe the beauty surrounding us; the sound of church bells, wreaths hung on doorways and lamp posts, and the tree in the village square.

And take time to notice the ice forming on the streams and ponds, a gathering of snowbirds, or the tracks of animals crossing the laneways.

Then, if you're fortunate enough to pass by a snowman wearing a red toque and muffler, and a happy grin, take time to smile and say, "A Happy Christmas to you too, sir!"



Draw winner

Robert Vloet was one of 30 people across Canada to win $100 in the annual Scotiabank Getting There Daily Interest Savings Account draw. Vloet was presented with the money by Kathy McMahon, assistant manager of Operations at the Bank of Nova Scotia in Chesterville.

Kraft upgrades lagoon

INGLESIDE — Kraft Limited has applied to the Ontario Ministry of the Environment for a certificate of approval for a new waste management project at its plant here.

The certificate is for the first of two construction projects the company is undertaking "in its ongoing long-term community commitment," according to company spokesman Ray Lowery of Kraft's Montreal office.

Kraft applied for the certificate Dec. 6.

The first stage of the two-projects is an anaerobic pre-treatment facility designed to reduce the Ingleside plant's output of organic materials. It is scheduled for completion by the end of 1989.

"This alone will greatly reduce the odor problem that has been with us in the past," Ike Sawatsky, Ingleside plant manager, is quoted in a company press release.

According to the release, Kraft plans to continue its efforts to minimize odors coming from the present system until the new project is complete.

Frequent removal of sludge from the bottom of the lagoon, and ensuring that the lagoon's water is aerated, are some of the steps the company will continue to carry out.

The second phase of the waste management project is now in the concept design stage and is expected to follow on the heels of completion of the first phase.

Sawatsky is quoted as saying that upon completion it will give Kraft "one of the most technically advanced waste treatment systems in the world."

The project is estimated to cost several million dollars and will be the result of joint discussions among Kraft, several government agencies, community officials and consultants, according to Sawatsky.

How Bethlehem became 'bedlam'

Gordon C. Smyth

On of England's best known hospitals was founded during the 13th century. At the time, as for long thereafter, there were no hospitals except those established by the Christian Church. This particular one was called "St. Mary of Bethlehem."

Several centuries later "the Bethlehem Hospital", as it was now known, was turned into an institution for the emotionally and mentally ill. Mobs of inmates made it a place of noise and confusion that became a byword across the kingdom. In the way words change and enter the vocabulary, "Bedlam" replaced "Bethlehem." While the name was new the experience was old.

The first Advent Season was no exception, when Mary "gave birth to her first-born son and wrapped him in swaddling clothes, and laid him in a manger, because there was no place for them in the inn" (Luke 2:7).

Census-time in Judea, with crowds of people travelling to their tribal cities, must have been wearing on everybody. Fathers worried about accommodations, mothers fussed about their children's behavior on the way, the inn as packed with customers loudly debating what Caesar could be up to. Jostling and shouting filled the streets of the over crowded city of David. It certainly was not the best time for religion to capture the headlines. People had their minds on so many things.

It is not the use of seasonal customs that should bother us, but the abuse. It is not a matter of putting Christ back into Christmas, as a sentimental slogan put it a few years ago, but of redeeming customs whereby his birth is celebrated.

Instead of abolishing office parties, let us have more fraternal ones. Instead of endeavoring to impress others with the generosity of our gifts, let us indicate the true spirit of Advent by donating to the needy through the Salvation Army and some agency serving the desperate needs of the Third World.

In addition to dropping in one relatives and friends, let us welcome newcomers down the street and spend time with known folk who have recently experienced bereavement.

Dr. Arnold Edinborough, scholar, author and columnist, has written, "We are still too much perhaps in the hands of the pagan celebrators of Christmas. But if we try to fight it with increased Services in the churches, better methods of using presents than just heaping them on one another, and by making it a time for spiritual renewal as well as physical recreation, we are in a long and continuing tradition."

I think Dr. Edinborough has a most delightful conclusion, where he points out, "And before we blast our present cheapeners of Christmas, let us be charitable and remember this brief extract from King Henry VIII's account book for 1510: 'Paid to the preacher in reward -- six shillings. Paid to the minstrel - 12 shillings. Paid to the cook -- 15 shillings.' "

Maxville couple take Stormont honors

Greg Kielec
Record Staff

AVONMORE — Bert and Oris Beaudette of Maxville, have been named Farmers of the Year by the Stormont Soil and Crop Improvement Association.

The couple was given the award at the association's annual meeting held at the Avonmore Community Centre last Wednesday.

Although his wife knew about the award four days before meeting, the announcement was a complete surprise to Bert.

"I didn't expect that. Not at that point," said the 61-year-old cash cropper.

He began farming 31 years ago on about 100 acres of land at their farm near Maxville. His operation has ballooned since then to use 1,000 acres of land, 650 of their own and 350 rented acres.

Beaudette's inovations in farming is one of the main reasons for his success, says Dale Miller, Ontario Ministry of Agriculture representative for Stormont County.

Just keeping the farm alive over the past 25 years with sandy, minimum tillage soil to work with demonstrates Beaudette's farming ability, he said.

"I guess he's innovative. He had to use a different recipe book than most farmers around him."

His innovations have seen him expand his crops from just potatoes and garden crops when he first began farming to a wide variety of crops.

He now grows corn, barley, oats, buckwheat, and even sunflowers. The sunflower seeds are sold as bird food and are packaged right at his farm.

It took a lot of hard work and help from their six children when they first started farming, Beaudette said. But he added: "You've got to work at anything if you want to keep going, keep ahead of things."

"It takes time. It just doesn't all come at once."

His wife agrees that the hard work has payed off for them, but added a lot of the credit should go to their children.

The children played a large role on the farm, especially during the potato harvesting when the family was heavily into market gardening.

Farmers of the Year

Bert and Oris Beaudette were named Farmers of the Year at the Stormont Soil and Crop Improvement Association's annual meeting last Wednesday. The Maxville couple have been involved in farming for 31 years.
Record Photo - Kielec

The first year on the farm, they picked potatoes by hand and boarded six teenagers for the extra money, she said. At the time, they had a wood stove for heat and meals were cooked on a hot plate, she said.

Her work on the farm includes doing the bookwork, getting parts and supplies and driving workers from field to field during harvesting.

But her work doesn't end on the farm. She's also involved in the Maxville Horticultural Society, the Maxville Fair Board, the Maxville Manor ladies auxiliary and "other little things."

The Farmer of the Year award wasn't a surprise to her though last Wednesday. She found out the Saturday before the meeting that they would be receiving the award.

"My son-in-law sort of tipped me off," she said.

But she wanted it to be a surprise for her husband and kept the tip-off to herself.

The award came one day before his birthday. "It was a nice birthday present," she said.

Miller said that Beaudette is a good farmer, but his help to other farmers in soil and crop areas also played a key role in he and his wife being named farmers of the year.

He always has been willing to use his knowledge to help other farmers in the area and is respected in the community, Miller said. "He has a very quiet leadership style."

Jr 'C' Flyers to affiliate with Char-Lan

CHESTERVILLE — Chesterville Junior "C" Flyers, in an attempt to shore up their players personnel problems, will affiliate with the Char-Lan Rebels of the Eastern Ontario Junior "B" Hockey League later this week, says Flyers coach Kirk Anderson.

"We're very happy," said Anderson Monday. "We'll be getting some quality players."

Anderson says the deal, which he expects will be consumated by Thursday (Dec. 15) was made necessary because of Flyers manpower shortage in recent games. "We've had just eight skaters out the last couple of games. Some have quit, some have work commitments. Hopefully they (Char-Lan) will be able to supply us with enough quality players to fill out the roster," Anderson said.

He expects the affiliation to begin paying dividends this weekend, when the Flyers are in action Friday night at home against Casselman-Cambridge Stars (9 p.m.) and take to the road Sunday to play Clarence Township. "We're hopefully going to have two players from them by this weekend. We're concentrating on revamping our defence because most of our defencemen are converted forwards, so hopefully we can get some defencemen from Char-Lan."

Rebels, who play home games in Williamstown, have a 12-3-2 record. They occupy second place in the St. Lawrence division, one point behind Alexandria Glens.

"Next year we'll be working with each other from the beginning of the season," said Anderson. It's hard to compete in this league if you aren't affiliated with someone. Because teams are affiliated with junior "B" teams they had a chance to pick the best junior "B" cuts, whereas we didn't have that option from the beginning of the year. Next year we will.

"If they want to call us their farm team that's all right with me."

Anderson says with the combination of the affiliation and the pool of talent that will be graduating from the North Dundas midget sqaud, next year's edition of the Flyers should be a strong one." We should be able to put some wins in the win column and have an entertaining team that the people of Chesterville can come out and enjoy.

"But I'm not ruling out this year as a season that we can accomplish something. I said at the start we'd like to be in sixth place or better, and we're still not counting that possibility out. Russell is in the same situation we're in, and I think there are one or two teams in this league that are catchable, so we can still do something yet."

Flyers are tied with Russell Lions for last place with two points. In their only action game over the weekend, visiting St. Isidore Eagles skated to a 12-3 win, scoring five times in the second period breaking open a close 2-1 game after one. Eagles led 7-3 going to the third period.

Jerrold Boulanger led Flyers scoring once and assisting on their two other goals from Raymond Sherrer and Kevin Byers. Byers added an assist. Also picking up assists were Tony Briere, Kurt Stepien and David Harper.

Ken Harrigan led Eagles scoring three times.

Comeback goal

Demons' Will O'Connor (No. 5, white jersey) stirs things up in front of South Grenville Grenadiers as Tony Holmes' shot finds its way past Grenadiers goaltender Jody McCaffrey. Holmes' goal with ten minutes left in regulation cut Grenville's lead to 3-2. Demons went on to win the game and the "B" championship, 4-3 in double overtime.

'Kardiac kids' take 'B' title

Todd Hambleton
Record Staff

CHESTERVILLE — Bernie Harper wishes his North Dundas Nestle Canada Ltd. Demons could have found an easier way to win the "B" championship at their own midget "B" tournament here Sunday.

It's not that Harper wasn't thrilled with his club's dramatic come-from-behind 4-3 win over South Grenville Grenadiers in the final, but watching back-to-back double overtime victories to secure the trophy can be taxing on a veteran coach.

"I can't take much more of this kardiac kids stuff," said Harper shortly after Tony Holmes scored the game winner banging in a rebound from close range 33 seconds into a second overtime period lifting Demons to the title. "I'm getting too damn old for these overtime games."

North Dundas reached the final with a 4-3 double overtime shootout win over North Glen-Stor Braves in the "B" semi-final. Demons were bounced to the "B" pool after an early morning 3-1 loss to South Stormont Flyers.

In the final, Demons, who had beaten Grenadiers 10-0 and 14-2 in a pair of previous meetings this season, almost didn't get an opportunity to perform extra frame heroics. South Grenville built up leads of 2-0 and 3-1 before the locals came to life with two third period goals from Tony Holmes, his first, and Jason Kennedy, with 4:07 left in regulation to draw even.

"We thought all we had to do was show up," said Harper, who admitted complacency had set in after his troop's semi-final win." We had beaten them badly earlier this year and we didn't treat them with a lot of respect. You have to give them (Grenadiers) credit. They taught us a lesson in humility."

Over in the South Grenville dressing room coach Al Roberts didn't sound like he had just watched his club unravel in the third period. "It's a big thing for us just to get this far," said Roberts. "It makes me proud when we come out and play like that."

"But that was our second game in three hours, and we just wore down towards the end. They just kept coming at us."

Trailing 2-0 late in the second period Gerry Van Kessel got the locals on the board.

David Robbins, Steve LaBrash and John McCarroll scored Grenadier's goals.

With Demons on the brink of elimination against Braves, Todd Halpenny scored to tie the game at two with 23 seconds left in regulation. After the club's played through a pair of scoreless overtime sessions, Tony Holmes and David Harper notched shootout goals while goaltender Matt Giles robbed NG-S's third and final shooter for the win.

"That was the sweet win for us," said Harper. "We've had trouble beating them this year but somehow we pulled it out."

Mike Stewart had scored for Braves in the shootout. Jeff MacLean, in the first period, and Jason Flanagan, giving visitors a 2-1 lead with 3:28 left in the third, scored for Braves earlier goals.

Troy Helmer's marker late in the second period sent the game to the third tied at one.

Will O'Connor scored Demons' only goal in their 3-1 opening round loss to South Stormont. Craig Eldridge, Jim Kurzl and Jamie Witherspoon tallied for Flyers.

Alexandria Wins "A"

Alexandria's Joel Seguin decided the "A" division championship game. Seguin collected a loose puck at centre ice early in overtime, marched down the left side and blasted a slapshot high to the right corner that eluded the South Stormont keeper, giving Glens a 4-3 win.

Trailing 3-2 with 9 minutes left in the third South Stormont's Kevin McCormick sent the game into overtime on a brilliant individual effort fighting off two Glens' defenders from the blue line in and was able to beat the Alexandria goaltender with a wrist shot from the left faceoff dot.

Jamie Witherspoon and Trevor Wheeler scored for South Stormont in the first to carry a 2-1 lead to the second, but Alexandria, on goals from Scott Graham and Eric McSweyn, went ahead for the first time scoring twice in just over a minute late in the second.

Julien Boisvenue scored Alexandria's first period goal.

Alexandria reached the final downing Carleton Place Kings 4-1 in their semi-final encounter, and scored a 9-1 win over Almonte-Pakenham and their first round game.

South Stormont toppled Metcalfe 4-1 in their semi-final matchup, to follow up their first round win over Demons. In the other first round game Metcalfe doubled NG-S 4-2.

Demons Split

Midget Demons split a pair of Upper Canada Minor Hockey League regular season games last week. On Tuesday in Russell Demons received a pair of goals from Todd Halpenny and singles from Tony Holmes and Chad Benoit in a 4-3 win over Warriors.

Monday night in Winchester NG-S Braves skated past Demons by a similar 4-3 score. Stephan Boudrias, Jeff MacLean, Bobby Vanasse and Jason Flanagan scored for Braves.

Responding for Demons was Tony Holmes, with a pair, and Daryl Dion.

Team of the week

It took back-to-back double overtime wins but North Dundas Nestle Canada Ltd. Midget Demons claimed the "B" championship at the tournament they hosted Sunday in Chesterville. Triumphant team members are front, l to r, Bill Zrymiak, Brad Cotnam, Will O'Connor, Tim Holmes, Tony Holmes, Gerry vanKessel. Back, l to r, coach Bernie Harper, Andrew Henderson, Dave Harper, Jason Kennedy, Todd Halpenny, Dave MacDonald, Scott Francis, Chad Benoit, Troy Helmer, Chris Holmes, Daryl Dion, Jeff Miltimore, assistant Brian Halpenny.

Brundidge shutout propels novices

CHESTERVILLE — North Dundas No. 3 received shoutout goaltending from B. Brundige and two goals from J. Hillis and one by J. Dillabough in a 3-0 intermediate novice division win over Metcalfe here Friday.

S. Mattice and J. Smith recorded helpers for North Dundas, who led 1-0 after one and 3-0 going to the third.

In other intermediate novice league results this week, Hardy Seeds Demons No. 1 edged Metcalfe 2-1 Wednesday night. Wesley Ross scored locals two goals, including the winner on a pass from Shawn Sears midway through the second period. Chris Leyenar and Devon Cinnamon assisted Ross on his first period marker.

Hardy Seeds got past LaPrade Photos 4-1 in a game played at the Chesterville Arena December 3. Jeff West scored two goals in the third period to break a 1-1 tie that stood after two. Wesley Ross also scored for Seeds in the third, and notched his first goal in the opening period. Shawn Peddle, with two, Shawn Sears and Danny Stobo recorded assisted for the helpers.

David Trude, on a pass from Andrew Meeks, scored Photos' only goal, to tie the game at one in the second.

LaPrade Photos rebounded to dump Russell 3-1 on Saturday at the Arena. Trevor Walker, Justin Gravelle, and Morgan Dillabough all scored for the winners. D. Roberts, Matthew Carkner, Matthew Lewis, Andrew Meeks and Justin Gravelle picked up assists.

Visiting Morrisburg skated past Demons 4-1 in a atom "C" game Wednesday. Brian Heuff scored for locals with five minutes left in the opening period to tie the game at one, but Morrisburg scored twice more in the period and added an insurance goal in the third. Michael Francis assisted on Demons goal.

In peewee "A" play, visiting Smiths Falls shutout Ault Foods Demons 3-0 Thursday. Jason Powers picked up the shutout. His club scored once in the first and put the game away with a pair in the second.

Demons peewee "C's" fared better, doubling the count on Morrisburg 4-2, Thursday. With the game tied at two in the second, Randy McLeod notched the game winner on a pass from Clayton Bowman with five minutes left. Barry Bell scored his second goal of the game in the third. Kyle Marriner scored for Demons in the first, as the club took a 2-1 lead to the second. Notching assists were Scott Verhey, Barry Bell and Jason Sloan.

Morrisburg and North Dundas peewee "B" Co-Op Demons skated to a 3-3 tie Friday night. Matthew Robinson and Steven Cross were Demons scorers.

Bantam Demons took a pair of Upper Canada Minor Hockey League wins from Smiths Falls. Demons won 4-3 in the Falls Sunday, to follow up a home 6-4 win Dec. 6.

In Sunday's win, Peter Decooman's second period pair was the difference. Derek Holmes and Corey Van Delst also scored for North Dundas. Tallying assists were Kevin Williams, Aaron Sherrer, Craig Smith and Shawn Backes.

Holmes, S. Ouellette, Sherrer, Smith, J. Hyndman and M. Singh all scored for Demons in their 6-4 win. J. Kennedy and T. McNaughton added a pair of assists. Tallying single assists was Decooman, S. Backes, K. Williams and Van Delst.

Braves unbeatable at Massena tourney

MASSENA — North Glen-Stor Atom Braves were unbeatable in three games here Sunday (Dec. 11) capturing the Massena Squirt Tournament in convincing fashion.

Braves knocked off Massena 8-1 in the final in addition to wins over Saranac Laje 5-3, and Clayton, 5-1, in their earlier games.

Danny Bozormeny and Shawn Babcock led the charge against Massena, each scoring twice and adding a pair of assists. Matthew Poapst scored twice and added one helper, for Braves who, after a scoreless first, exploded for three goals in five minutes early in the second period and carried a 3-1 lead to the third.

Ryan Benton scored once for the winners and added an assist. Todd Beehler also scored. Shawn Lalonde and Ryan McElroy each potted one assist.

In Braves 5-3 win over Saranac Lake, Shawn Lalonde and Ryan Benton led the troops each with a goal and two assists. Danny Bozormeny connected for one goal and one helper. Todd Beehler and Shawn Filliol also scored. Matthew Poapst picked up an assist for Braves, who rallied from a 1-0 first period deficit with four goals in two minutes midway through the second period to take control.

In Braves first game were Matthew Poapst (two), Ron Montcalm, Danny Bozormeny and Ryan Benton. Benton, Bozormeny and Shawn Lalonde picked up assists.

Braves led 1-0 after one and two-nil heading to the third period. Leading 5-0 with nine seconds left, Blair Munro had his shutout bid spoiled by Clayton scorer Shawn Crump.

Ryan McElroy was winner of the Hussler Trophy for being selected MVP against Clayton. Todd Beehler was accorded similar honors in Braves matchup against Saranac Lake; Danny Bozormeny was Hussler Trophy recipient in Braves win over Massena.

Braves Tie South Stormont

In Lower St. Lawrence travelling league results from the past week, novice Braves battled visiting South Stormont to a 2-2 draw Thursday night (Dec. 8) in at the Maxville Complex. Trailing 1-0 after one Braves turned the game around in the second scoring twice. Jamie McKercher scored both goals, with 6:32 and 2:37 left, to give Braves the lead. D. Ferguson assisted on both efforts. T. Stelmach picked up a helper on McKerchers' second goal.

South Stormont tied the game on a Lee Charlebois goal with six minutes left in the third.

Peewee Braves suffered a 2-1 loss to Alexandria Glens at the Finch Community Arena Wednesday (Dec. 7) night. Pat Cadieux, with help from Chris Lefebvre, scored NG-S's only goal, in the second period to tie the score at one. Glens got the game winner with three minutes left in the third.

Char-Lan got revenge on bantam Braves winning 5-2 in Finch Sunday. Braves beat Char-Lan to capture the Char-Lan tourney three weeks ago. Trailing 2-0 Paul Jackson converted a Chris Leroux pass early in the second to narrow the gap, but visitors went on to score two of their own in the second to carry a 4-1 lead to the third. Kevin Lalonde scored an unassisted goal for Braves in the final period.

House League

A four goal second period outburst lifted Maxville to a 5-1 win over team No. 10 in atom house league play. Maxville led 1-0 on an Ian Henderson goal, assisted by Kevin McKillican, heading to the second, then received goals by Daryl Howes (two), MacKillican and Eric Mainville in the middle frame to take charge.

MacKillican added two assists for Maxville, Amy McEwen and Adam Crawford picked up assists for Braves.

D. Gordon scored team No. 10's only goal, with assists awarded to A. Brown and G. Hyatt.

In peewee house action, Braves No. 19 received a two goal performance from Scott Shaver in a 3-2 win over team No. 18. Shaver opened the scoring five minutes in converting a Shawn McElheran pass. Jeff Rutters scored two minutes later putting No. 19 up by a deuce. Chad Oosterman and Jamie McKercher assisted.

'Kid line' key to Warriors win

ALEXANDRIA -- Tagwi Warriors senior boys basketball coach Larry Poirier knew he had to make a move.

With his veteran lineup trailing Glengarry Gaels 12-1 in the first quarter of their SD&G Athletic Association senior boys basketball opener, Poirier went to the bench early, inserting his "kid line" of junior-aged players to try and shake things up.

Poirier's second stringers did just that, holding Gaels off the scoreboard for the remainder of the quarter while scoring six points of their own to close the early gap to 12-7. Warriors went on to a 48-34 win.

"The kid line got us back in the game," said Poirier. "My senior line came out flat, our defence was pathetic at the start. But I told them to keep hanging on and they came through."

Warriors 19-2 fourth quarter run was the difference was Tagwi overcame a 32-29 third quarter deficit to win going away. "We went to a mixed line of veterans and juniors in the fourth quarter and it paid off. It was a nice finish to game that we started so slowly in," said Poirier, who doubles as SD&G boys basketball convenor.

S. Hébert led Tagwi with ten points from the field and two from the line. Randy Canham scored eleven, Rodney MacKillican nine. R. Benoit chipped in with eight points, Chad Brownlee connected for four. Kevin Poirier, with two, R. MacKenzie and L. Cabran, one point apiece, rounded out seniors' scoring.

Joe Stelmach's junior Warriors couldn't complete the sweep, falling to Gaels 50-25. Gaels led 17-6, 25-16 and 33-23 at the intervals.

Top Tagwi point getter was R. Ratayczak, with eight. K. MacCormick netted six, P. Witteveen and G. Villeneuve each tallied four. K. Villeneuve, and J. Woods, with two each, and A. Munro with one, rounded out Warriors' scoring.

Lady Demons fail to score

CHESTERVILLE — North Dundas Lady Demons are having trouble scoring goals of late, failing to score in two ROMEKS Intermediate Girls Hockey League losses this past week.

K. Craig scored the game's only goal in South Grenville Generals 1-0 win here Friday (Dec. 9) night. Danielle Inivert assisted on the marker coming with 11:11 left in the third period. Lisa Cook picked up the shutout for the visitors.

Demons couldn't beat Morrisburg Charlie's Angels goaltender Linda Magee the previous evening, dropping a 9-0 decision on the road. Tanya Mabo and Kim McInnis scored three times each leading Angels to the win. Kathryn Houze added a pair, Camille McInnis scored once.

Fourth straight win

Sixers tame Russell Lions

Todd Hambleton
Record Staff

FINCH — There are no two ways about it, argues North Stormont Sixer's assistant Kevin Mackler. In the highly competitive upper echelence of the EOJCHL, contending teams can't afford losses to the league's lesser lights.

"If you're going to make a run for the top you just can't lost to the bad teams. You have to win your share against the good teams and it's vital that you don't lose any to the lower teams. If you do it can end up costing you a playoff spot at the end of the year," reasoned Mackler after last-place Russell Lions offered only token resistance in a 12-3 loss to Sixers Thursday night at the Community Arena.

The win, Sixers fourth in succession and fifth straight game without a loss vaulted the club into second place in the eight team loop, one point ahead of Embrun 72's. Sixers can now set their sights on league-leading Rockland Nats, who top the pack with 27 points (see scoreboard).

Three of the four North Stormont wins have come in those important games when teams floundering at the bottom of the division supply the opposition. Sixers topped Lions 9-3 and Chesterville Flyers 12-3 last weekend, clubs with a total of two wins between them in 28 outings.

"The schedule isn't tough right now, that's for sure," said Dale Murray, who led Sixers with three goals and three assists in Thursdays win. "But this is the time when it's important to pick up the points. We're starting to come around now after being inconsistent at the start of the year. We're starting to put a streak together, we just have to keep it rolling."

Murray opened the scoring five minutes into the first period, and added his second four minutes later capping Sixers four minute, four goal blitz.

Murray completed the hat trick twelve seconds into the second period, as North Stormont asserted themselves a 5-1 lead and ran it to 9-2 by the end of the period. Sixers outscored Russell 3-1 in the third.

Sixers leading scorer Todd Blaine also posted six points, two goals and four assists. Tim Ouderkirk contributed two goals. Scoring once each was Kevin Villeneuve (two assists), John Mackler (one assist), Troy Lalonde (one assist), Shawn Beckstead and Mike Van Delst.

Bob Van Delst and Pat Sullivan each chipped in two assists, Dave Leroux one.

Luc Groulx, Chris Popovick and Farris Lornell tallied for lowly Lions (1-13) who are tied with Chesterville for last place, ten points behind Clarence Creek and the sixth and final playoff spot.

But Lions coach Brian Robinson is nowhere near ready to concede that a playoff berth for the overmatched Lions is unattainable.

"We're only five wins out of a playoff spot so it's not out of reach. There are lots of games left for us," said Robinson, as the EOJCHL approaches the midway point of the 88-89 regular season schedule." The good thing about the league is that while there are strong teams at the top and weak ones at the bottom, the strong teams have been beating everyone else so the teams at the bottom still have a chance. If I start thinking there's no chance then there's no point in even continuing on with the season."

Despite the mounting losses, Robinson says team morale is still high. "I really have to give my guys credit. We've been beat to hell but all of them still come out to every game. One of our goalies (Jerome Sauve) comes from Rigaud, Quebec to every game. The guy can hardly speak a word of English and he's playing in a strange place but he's here, he's dedicated.

"The whole team is dedicated. They're in the dressing room now talking about tomorrow night's game. They're always psyched up to play and give me an honest effort. I can't say anything bad about them," continued Robinson.

"Our defence is starting to tighten up and Todd Blaine and the offence is heating up," said Sixers head coach Steve McRae, who has seen his club score 40 goals in the last four games, and yield just eleven. "That's what ups and downs so far but the season has gone reasonably well so far. As of tonight we're in second place. The way we were so inconsistent at the start of the year it's hard to complain about that."

86's won't suit up again until Thursday night when the fourth-place Casselman-Cambridge Stars come to town for an 8:30 p.m. matchup at the Arena. Sixers then hit the road for a Sunday (Dec. 18) 7:30 p.m. encounter with the Rockland Nats.

"Those are two big games coming up," said assistant coach Mackler. "We've done our job and handled the teams that are behind us now we have to show our power against Casselman. We have to prove it to ourselves that we can beat them."

Winchester and District Broomball League

Vikings challenge for first

WINCHESTER — Morewood Vikings are doing all they can to try to upstage Dunbar Panthers and take over first place of the Winchester and District Broomball League.

But while Vikings continue to win, their latest a 5-1 decision over Ormond Cloverdales Sunday, so do Panthers, edging past Russell Magnum Force 5-3 in overtime.

Both clubs sport ten wins, one loss regular season records, but Dunbar continues to hold onto top spot with 21 points, one better than Vikes.

Vikings put Ormond away early, scoring five times in the first 15 minutes and led 5-1 at the half. The second period was scoreless.

by Jennifer Gregoire, Reg. N.

It's THAT time of year again...the time of year that practically hands us all the excuses we need to give up our diets. You know, "I'll never be able to lose those 30 pounds by Christmas, anyway". (after all, there's only a week, right?). "It's Christmas..I'm going to eat what I damn well please". It seems like I've been dieting forever, and, it IS Christmas". "Yipes, I've got 12 parties next week". "If I eat one more carrot stick, I'm going to have orange hair". Etc.

Diets go in and out of fashion, but diet food is forever. No matter what the fad or where it's centred -- Scarsdale, Beverly Hills, or Chesterville -- a grapefruit in the morning gets us off to a great start. It's low in calories, high in nutrients, and readily available. Here are some great tips to help us over the next few weeks.

We'll start with meat, fish and fowl:

1. Chicken & turkey, white meat. The palatable, versatile, and popular protein. Breast is best. ½ breast is 160 calories.

2. Cornish hen. Underutilized, lowfat fowl. ½ whole is 230 calories.

3. Fish, fatty (salmon and swordfish). Considered healthier in spite of extra calories because they contain oils that lower cholesterol. One three ounce serving is 170-180 calories.

4. Fish, nonfat. King of the low-calorie proteins, but not as well liked by teens as chicken. One serving is 70-90 calories.

5. Fish, water-packed tuna. This deserves it's own listing, because no diet in this country could survive without it. One small can is 127 calories.

6. Hamburger, lean (less than 17 per cent fat). Surprise: Nutrient is 480 mg. of potassium. One serving is 140-160 calories.

7. Seafood (crabmeat, lobster, shrimp). Cholesterol content is less than half that of eggs but has received bad press over the last few years. Not common enough component of diet to worry about. Use as luxury food. One serving is 90-100 calories.

8. Tenderloin. The ideal restaurant treat food when you want to pamper yourself without too much damage. (and, a few places can ruin it!) One serving is 187 calories.

On to Dairy products:

1. Cottage cheese, low-fat, creamed. Easy to digest, unless you are lactose intolerant. Though it tends to behave more like a carbohydrate in the body, it is a good source of protein for the vegetarian or the person who hates to chew. One cup is 200 calories.

2. The egg. No doubt cholesterol content is a problem, but for most men and women without heart disease, it's an economical and readily available food. Consider using two pure protein whites for one yolk. One egg is 80 calories and is loaded with vitamin A.

3. Milk, skim. Good low-calorie snack that does not stimulate appetite. Particularly good before bedtime, since a high level of tryptophan stimulates sleep. One 8-ounce glass is 81 calories.

4. Yogurt, plain. Good high-protein, low-fat food that can be used as a meal, a dessert, or an appetizer. One cup is 122 calories and is rich in potassium, not to mention calcium. Add your own fresh fruit to plain yogurt.

Grains:

1. Bread, whole wheat. Whenever bread enters a diet, it should be whole wheat because of the fiber. As dieting progresses it can be substituted for a fruit, one slice being 60 calories.

2. Cereal, regular (boxed). This can be favorite cheat food, since a whole cup can be eaten and not destroy a diet. Of course there is a wide range in calories, but if you avoid the ones with added sugar, there should be no problems. One cup is anywhere from 50 to 110 calories.

3. Cereal, whole grain. This food is once again becoming popular, particularly oatmeal and oat bran (it may lower cholesterol). In addition, it generally has no caloric additives like the cold cereals. One cup cooked is 131 calories.

4. Pita bread. This fun bread gives us the illusion of getting more for our calories. One-half of a small one could be considered a diet portion. Makes a great receptacle for tuna. One small pita is 60 calories.

5. Rice, brown. You must cook this longer than white rice, but high fiber content makes it worth the trouble. One cup is 190 calories.

6. Rice, white. Not as good for us as brown rice but more available in some restaurants. One cup is 185 calories.
