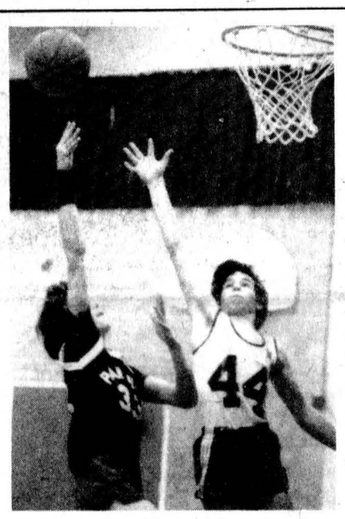
This week

Tinsel time

Christmas is still two weeks away, but the magic of the season came alive in Winchester last weekend. Twenty-four floats took part in the annual Santa Claus parade, and judges said the high number of quality entries gave them a run for their money.

B-1



Reach for the sky

North Dundas' Chris Williams (No. 44) and a St. Joseph's Panther stretch for the ball during the opening game of the 1985 SD&G Junior boys high school basketball season. The Panthers won the game 69-47, getting 39 points from J.P. Pilon. Derek Hyndman led the Devils with 16 points.

7

Baker elected

New Dundas Holstein Club president Allan Baker and other members of the club's executive were elected at the annual meeting in Winchester last Wednesday, and two Dundas milk producers were recognized for 40 years of membership.

B-3

Help the needy

The Williamsburg branch of the Bank of Montreal is appealing to the public to help out the needy this Christmas. The bank will be accepting donations of toys, clothing, money or imperishable food items for distribution in the area.

Hospital to expand funding appeal

WINCHESTER — The success of a program initiated last January by Winchester District Memorial Hospital to appeal directly to former patients for donations is prompting the hospital to expand the program on a trial basis in the new year.

Beginning Jan. 1, 1985, inpatients received a letter asking them for a donation two weeks after their discharge from the hospital. According to hospital administrator Bert Stel the system "has been reasonably successful," and will be expanded to include outpatients in January.

This year's appeal is expected to generate an estimated $18,000 by the end of the year. Of 1,300 letters sent to former patients during the year, about 200, or 15 per cent, came back with donations, Stel said. Donations ranged from about $10 up to $500, but the average amount was in the area of $70-$75, he added.

There are about 18,000 visits a year to the hospital outpatient department. The letter campaign will be extended to include outpatients on a trial basis in January and February.

"We are going to try to give it a whirl from January to February as a pilot project just to see what the financial return on it may be," Stel said.

If the return is poor, it may not be worthwhile to continue the project because of the workload involved, he added. If the campaign continues, the hospital may have to hire staff to administer it or computerize the mailing system.

The hospital board agreed to expand the letter campaign as a pilot project at its last meeting, and also accepted a recommendation from the public relations committee to start a separate fundraising project in the new year with a target of $500,000.

Stel said the new project is aimed at raising funds for equipment, including an ultrasound project with an equipment cost of up to $125,000.

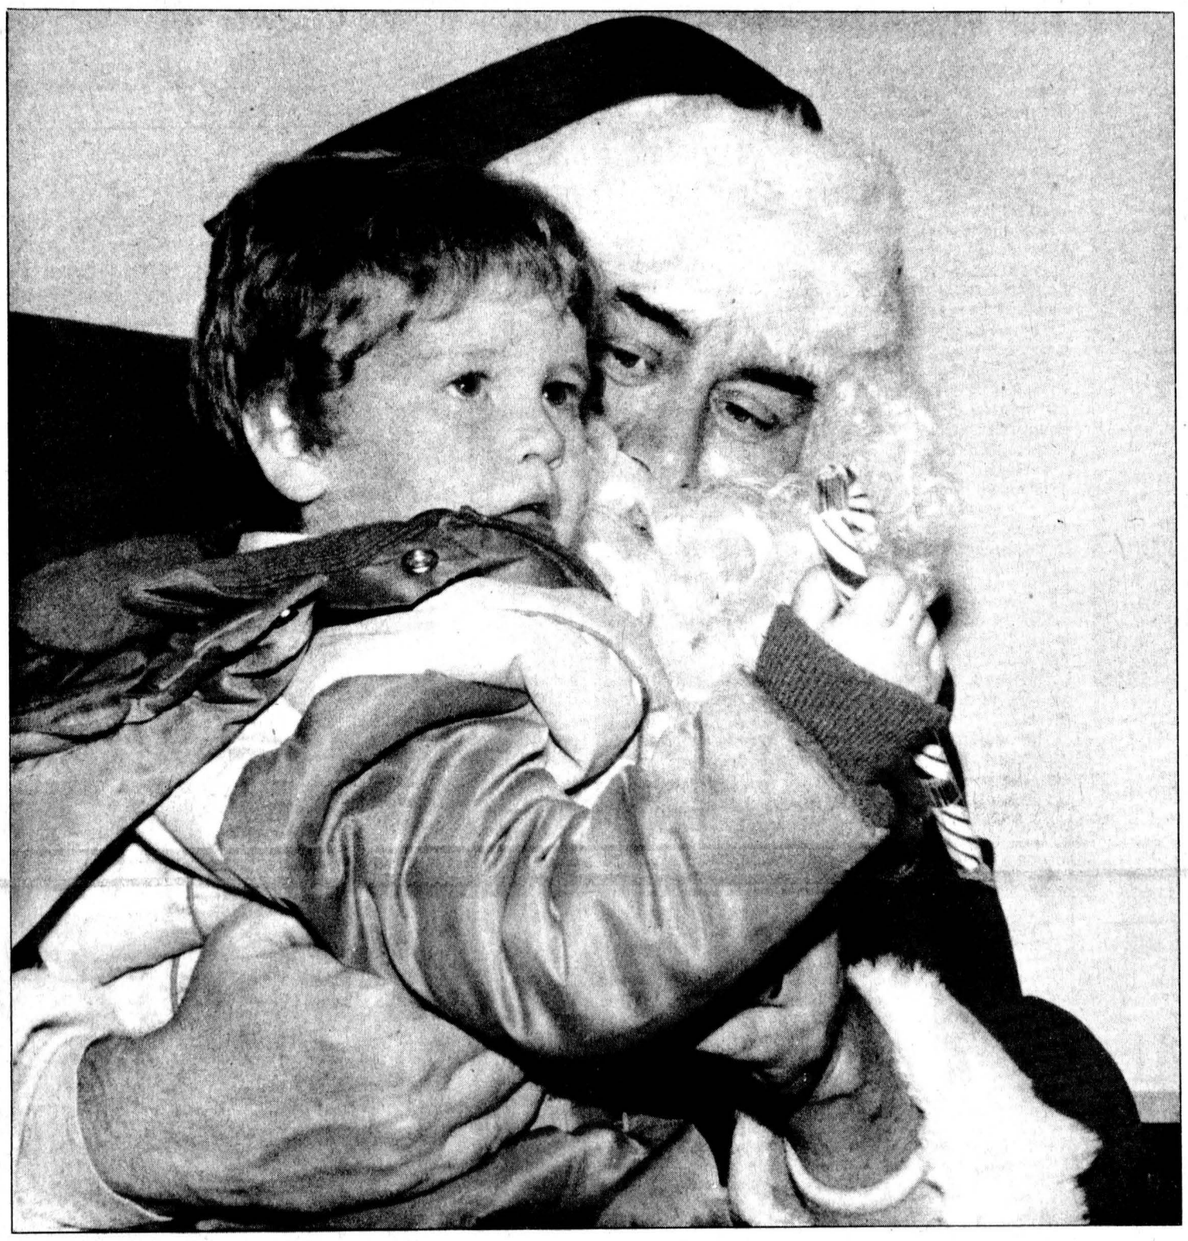
The hospital is in the process of preparing an appeal to the Ministry of Health for a larger budget. Although it has been one of the lowest-cost facilities in its size group, Stel said, "the hospital is slowly starting to erode its operational cash balance."

The hospital had an operational deficit of approximately $75,000 for the 1984-85 fiscal year. Prior to built-in building depreciation, this year's deficit to the end of October was about $85,000, and is expected to double by the time the fiscal year ends in March.

The hospital's budget appeal should be in the hands of the Ministry of Health by the end of this month, Stel said. "We have good hopes that the ministry will lend us an ear."

The funds received from the ministry in 1985-86 total $7,210,652, making the hospital's gross budget including funds from other sources close to $8 million.

"It is a lot of money, but this is a big operation," Stel said. The 118-bed facility employs close to 200 full-time and 30 to 40 part-time employees.



Some candy cane!

Santa has his work cut out for him Saturday as he took part in the annual Winchester Santa Claus parade, visited the hospital and Dundas Manor and listened to Christmas wishes at the Royal Bank. It took the offer of a candy cane to coax some timid youngsters to sit on the old gentleman's knee. Press Photo—Must

Fired workers weren't typical: Rosenburgh

MOREWOOD — Three more days of hearings are scheduled this week in the dispute between Morewood Industries and a group of employees alleging they were fired last summer for supporting a move to unionize workers at the plant.

Company lawyer Paul Kane and president Stephen Rosenburgh appeared before the Ontario Labor Relations Board last week in Morewood with Frank Manoni of the United Brotherhood of Carpenters and Joiners and two spokesmen, Mark Lefebvre and David Latimer, from the group of fired workers.

Manoni is arguing that the company interfered with the workers' fair opportunity to form a union by firing 14 employees last July and August. The carpenters' union had signed up less than half the workers at the housing plant, but hopes company interference will be proven and the union certified following the labor board hearings.

The parties have met twice in Ottawa in recent months and had the hearings relocated in Morewood to ease the strain on production when workers were called as witnesses. The latest meeting was at the Winchester Township Community Centre last Thursday.

Before the proceedings had even begun Kane and the three-member board expressed displeasure with the community centre as a site for the meeting and agreed to move to new quarters as soon as possible.

Rosenburgh sat as the first witness and explained through questioning from his lawyer his feelings on the firings and subsequent complaints. He said the company traditionally terminated workers at the plant because the demand for products is seasonal, leaving a lull in summer and winter.

Between June and December 1984, he said 71 workers were let go and he received "no complaints". Records for 1985 show that between January and September 32 employees were terminated, resulting in 14 complaints.

Rosenburgh said 25 workers were to be layed off last Friday and another 15 would be let go this week. By the end of December another 15 would be terminated, putting the total for 1985 at 87.

He said no specific records of terminations are available for years before 1984, but stated he had encountered "no difficulties" with terminated workers before. "The first complaints we had in 38 years were this year," said Rosenburgh.

Twelve of the 14 complaints stemmed from the firing of 19 workers between June 29 and July 27, 1985. Rosenburgh said he authorized the firings after viewing the company's slipping financial statements.

Two more complaints followed in August when two women were fired "for their employment records" and six workers were terminated without complaint in September.

Donna Williams, employed as a cleaner at the plant for more than three years, joined the list of complainants when she was fired. Manoni presented testimony from Williams that she was threatened with termination after refusing to clean a manager's car.

She stated that she was reassured of the company's satisfaction with her performance a week before the incident, and told by Rosenburgh that the manager had no authority to fire her. Then she was fired.

Rosenburgh told the board Williams was fired because he "had numerous complaints of her lack of ability to do her tasks. She cleaned poorly."

Rosenburgh went on to say that the 14 complainants were "not reflective" of the average employee at Morewood Industries who had "helped it grow for the past 35 years." He said the average age is 10 years older than that of the fired workers, who he said had been with the company between one and 22 months.

During his cross-examination of Rosenburgh, Manoni asked that employment records be produced along with statistics of any overtime work and double shifts that might have run during the period July 13 to Aug. 29.

Kane and Rosenburgh said they would gather any records they had during the lunch break.

After a break the parties agreed to continue the hearing in the office of Morewood Industries, but when a reporter from The Press arrived moments later he was denied entry.

The hearings had been ruled public following an objection at the first meeting in September where Kane argued details of the company's finances and productivity should not be made public.

The hearings continued Friday in Morewood, but have been shifted to the Swiss Inn on Highway 31 at Rideau Road to resume Wednesday, Thursday and Friday of this week.

Record crowd sees Santa

WINCHESTER — Temperatures were mild, but a light dusting of snow provided the appropriate seasonal touch for Saturday's Winchester Chamber of Commerce Santa Claus parade.

A record number of spectators lined Main Street to watch the parade of 24 floats, which started promptly at 1pm. According to organizer Phil Snyder the parade was "just a breeze this year.

"Things went really well."

Judges for the parade were Hal Lee of CKBY, Bob Rosborough of CJET Q101, and John Ross of CKOY.

"The quality of the floats was well up," said Lee.

The floats seemed to be larger and better than in past years, said Snyder. "That's not to say floats in other years weren't well done," he added.

The judges agreed they had tough decisions to make, but they awarded the first prize in the commercial class — and a trophy from Boyd's Chrysler — to Ault Foods for their entry depicting "Care Bear Heaven."

The Lannin Lumber trophy and first prize in the non-commercial class went to the First Winchester Brownies for their float based on the story of the old woman who lived in the shoe.

Second prize in the commercial class was awarded to the CountryBoy and CountryGirl stores for their float, "A Candy Cane Christmas." The Ormond Recreation Association picked up the second prize in the non-commercial class for a float decorated with a giant open book reading "Peace on Earth; Love to All."

An estimated 1,200 candy canes were distributed during the parade by members of the Winchester branch of the Royal Canadian Legion, and at the Royal Bank, where about 260 children lined up to see Santa.

Sterling fights for clean air

TORONTO — Carleton-Grenville MPP Norm Sterling introduced a private members' bill last week in hopes that Ontario residents will have cleaner air to breath in the future.

Sterling has proposed a bill, entitled the non-smokers' protection act, that would establish minimum standards of smoking restrictions for all public places and certain health facilities.

Although private members' bills are rarely passed by the legislature, Sterling feels the health significance of this bill will push it through.

Many municipalities in the province already have smoking restrictions, but the new bill would ensure a minimum standard for all residents, guaranteeing a healthy environment for school children and workers, said Sterling.

"The bill was supposed to be debated this week, but I think it might get pushed back to January or February," said Sterling.

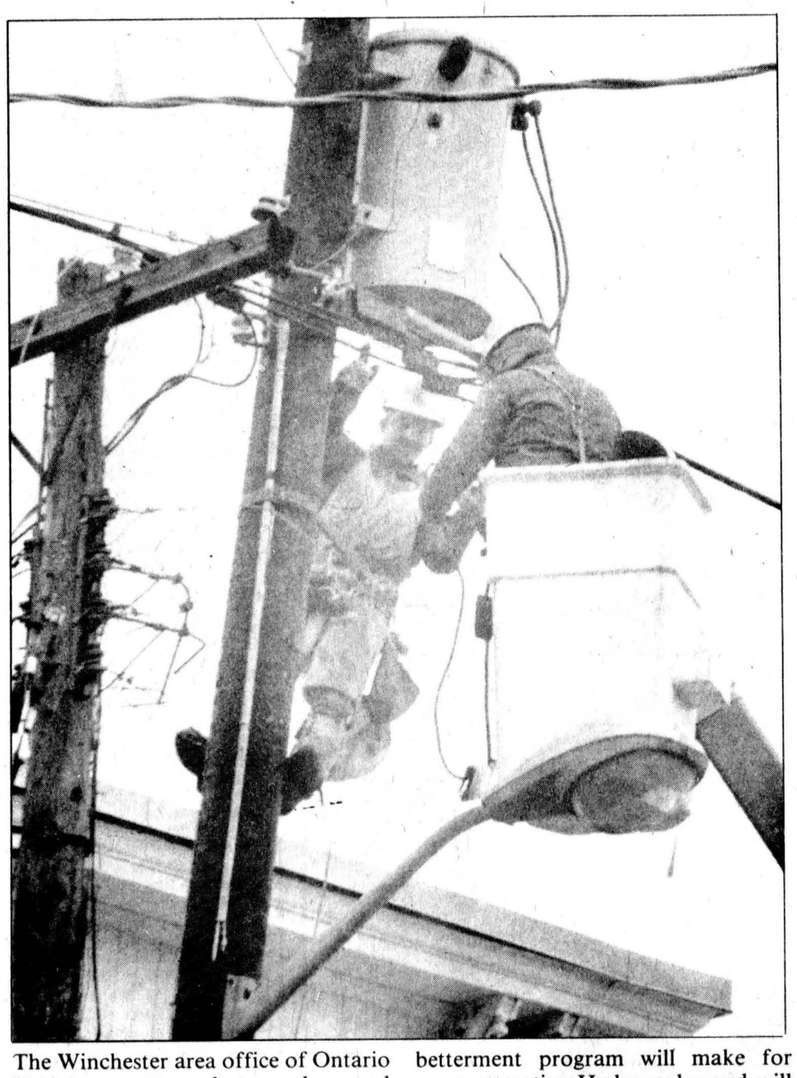
"And the sooner it becomes law the sooner more people in Ontario will become healthier."

While the example set for children and the effects of second-hand smoke on non-smokers are of major concern to Sterling, he also feels smokers will benefit from the changes. He said many people try to quit smoking, but find it difficult when smoking is allowed everywhere they go.

He said the idea for the bill was helped along by his wife, who works with cancer patients in Rideau, Osgoode and Russell townships, and relates details of the suffering to him.

Outright bans would be legislated for all public places and vehicles, while restaurants would be obliged to offer non-smoking sections.

"Smoking is more than an inconvenience for non-smokers," said Sterling. "It is a proven health hazard. Of primary concern is the message we're sending to Ontario's youth. By banning it in all levels of schools, from daycare to secondary school, we can offer our children a smoke-free environment in which to grow."



The Winchester area office of Ontario Hydro reports work to replace and upgrade poles on Main Street is completed for the year. The ongoing betterment program will make for more attractive Hydro poles and will minimize those unscheduled power outages. Press Photo—Must

Hydro pole upgrading to continue

WINCHESTER — The average Winchester resident may not know a "spun bus" from a school bus, but area Hydro office manager Vince Lynch says the difference spells an improved appearance for Hydro poles on Main Street.

A project to replace four Hydro poles on Main Street was completed this week, wrapping up Hydro's betterment program for this year. Lynch said both poles and conductors were replaced in the course of work which required two major power outages.

The new poles have an improved appearance, Lynch said, because of the change from three separate conductors to a "spun bus," in which the conductors are spun into a single cable.

Lynch said the four poles located between the Winchester Legion building and the Main corner were in the worst condition, and were selected for replacement first. New poles were installed during the first eight-hour power outage which took place Sun., Nov. 17, affecting most of the northern portion of the village.

The second outage two weeks later affected only the area served by the four poles, Lynch said. A single pole at Whitney Street was also replaced this year.

Lynch said the work was done relatively late in the year because the village utility had to wait and see how its financial situation for the year was shaping up. Upgrading of poles along Main Street will continue next year, he added. "We would anticipate probably doing five or six poles next year along Main Street," Lynch said.

The maintenance and new construction is part of an ongoing betterment program, and village residents can expect further power outages from time to time. "We're trying to prevent sudden outages by a planned outage," Lynch said.

Seaway applefest plans blossoming

CORNWALL — Anyone who likes apples, and the McIntosh in particular, will be pleased to learn that a festival celebrating the fruit is being planned for 1986, the 175th anniversary of John McIntosh's discovery of apples at his farm in Dundela.

A festival featuring apples was first proposed more than a year ago by Cathy Coyle, Cornwall's convention co-ordinator, who had in mind a weekend celebration in Cornwall combining apples and archery, a William Tell Jamboree. Though she had the support of the tourism and recreation ministry and several volunteers, the project waned and was shelved last year.

Now, with the 175th anniversary around the corner and more help apparent, Coyle is confident a festival of some description will be held next year.

The festival plans were discussed in detail at a meeting of the Seaway Valley Tourist Council (SVTC) last month where Coyle and Terry Johnston of the tourism ministry talked about "reviving and revising" the applefest.

"When we presented the proposal in September 1984, it was designed as a weekend in Cornwall," said Coyle. "But now we're thinking about running the festivities right through the apple season."

Coyle said the lack of manpower has been a major obstacle to making the festival a reality, "But I think we can get it together for next year". The next step in the process is an information meeting in February.

While the festivities for next year might be small in scale, Coyle said the potential is great that the region will some day be known as "apple festival country" in the same way Kitchener is associated with Oktoberfest and Maxville with the Highland Games. "I think it's time we were recognized as a region and not just for the Seaway," she said.

At the SVTC meeting it was proposed that the council take on the task of organizing the festival but most agreed that it is too large a project and will require assistance from all areas. Coyle doesn't see financing as a problem, with several government ministries and community groups helping out.

As the home of the famed McIntosh apple, Dundela would serve as the historical centre of the festival, said Coyle. The committee organizing the festival would be open to any suggestions for activities from all community groups, and it is hoped that the celebrations will be enjoyed at least as much by local residents as the tourists.

As a tourist attraction Johnston said an apple festival would act as an "anchor event" for Eastern Ontario and would have the support of his ministry.

"We're quite prepared to work with the people on this," said Johnston. "The McIntosh apple is really quite a success story and it's a story I think a lot of people might be interested in. There's a lot of historical meat there.

"And I think it's important for people who might want to help out that a lot of the investigative work has already been done. We're not really starting from scratch."

Johnston said there would be several government departments available to the committee for assistance, adding that the original McIntosh homestead has possibilities as a heritage site.

The SVTC will be meeting in January to elect a new executive and the apple festival meeting will be scheduled shortly thereafter.

Another time around

The municipal elections last month brought just one new face to Williamsburg Township council, but it didn't cost the voters any experience. Graham Hess had already served on council in years past and he was elected for the next three years. Tackling local politics for the township in the next term are, back row, left to right, road superintendent Hugh Garlough, councillors Lyle Van Allen, Graham Hess and Gord McNairn. Front row, deputy-reeve Glen Cunningham, reeve Johnny Whitteker and clerk Mike Waddell. Press Photo—Mitchell

Mountain men

Mountain Township council was back around the council table following a brief rest after the elections, and will be forging ahead for the next three years. Deputy-reeve Jim Alexander and reeve Keith Fawcett, front row, were acclaimed to their seats, while Keith Smith joins council in place of Earl Garlough. The three councillors are, back row, left to right, Smith, Don Levere and Ewart Simms.

Inquest set for Thursday

CHESTERVILLE — The inquest ordered last month to study circumstances surrounding the death of Morewood teenager David Krisjanis will be held Thursday afternoon in the auditorium at North Dundas District High School.

The inquest was ordered by Chesterville coroner Dr. Gabriel Slowey following the death of Krisjanis, 16, in a car crash near Chesterville in September.

The youth and several friends were returning from Morrisburg in dense fog Sept. 7 when the car Krisjanis was driving travelled through a T-intersection at County Roads 7 and 8 and crashed into a bulldozer.

A second carload of friends crashed as well and six youths were injured. A jury of five will study evidence at the inquest and make recommendations in an effort to prevent further tragedies.

Slowey said the inquest will include testimony from those in the crash, experts on traffic safety and representatives of groups against drinking and driving.

The inquest is scheduled to begin at 3:30pm, with a break after two hours.

Lights 'borrowed'

WINCHESTER — The light dusting of snow on the weekend plus the presence of many well-decorated homes and trees in Winchester have combined to give the village a festive look. The decorated trees and porches have also been enticing to a few groups of youngsters who have been stealing bulbs.

One resident brought a complaint to The Press on Tuesday noting that on Monday night a group of young boys stripped her decorated tree of lights.

She suggests the youngsters concerned return the lights and cords during the night just as quietly as they were "borrowed" so that they can enjoy a guilt-free Christmas.

Garbage, crime, seniors top list for new Osgoode council

METCALFE — The first meeting of Osgoode Township council's new term of office saw Mayor Albert Bouwers welcome one new face to the council table.

Blaine Ball joins veteran councillors Mary Cooper, Fred Alexander, and Albert McKeown for the three-year term.

Saying he did not have the privilege to put forth his platform during the election, due to his being acclaimed, Bouwers listed the areas of concern he felt council should address during the term.

As the population of the township moves over the 10,000 mark, he said, many new needs and demands are expected to arise.

According to Bouwers, council will have to "take a serious look" at a township-wide garbage collection system.

Another priority, he said, should be construction of a third senior citizens' apartment complex, possibly in Greely.

Other areas of concern identified by the mayor included improvements and expansion of the library system, better maintenance of township-owned properties, a review of the township's recreation needs, keeping taxes down, a review of the roads system, and expansion of the council committee system.

Council should carefully monitor the regional government's plans for a future landfill site, Bouwers added.

Other council members were also given the opportunity to deliver an inaugural address. Newcomer Blaine Ball identified rural land use, commercial and light industrial development, public transportation, public safety, streetlighting, rural roads and communication between council and the public as priorities for the term.

Ball suggested a committee be established to co-ordinate police and fire protection, Neighborhood Watch, Block Parents, ambulance services and bylaw enforcement. "The combination of increasing break-ins, the recent loss of our township bylaw enforcement officer and the interest shown in the Neighborhood Watch program indicates an urgent need for this type of program," Ball said.

Councillor Cooper said she was committed to the completion of the township's property numbering program and the opening of the Care Centre. "In the near future, I hope council will help forward the planning to eventual building of a new community hall for Greely," she added.

In his inaugural address, Albert McKeown said council should hold a special conference to discuss the general direction of the coming term. "I believe council should plan and act on issues, not just react," he said. He listed planning, roads, parklands, the environment and taxes as priorities.

Fred Alexander said he was looking forward to three more productive years on council. "If we pursue something with determination and a positive attitude," he said, "we can reap benefits from our actions."

Chiropractic and the Senior Citizen

Youth is a feeling, a state of mind and not an age. This attitude, expressed daily in the offices of Doctors of Chiropractic, helps to illustrate the high degree of attention focused on the Senior Citizen by the members of the chiropractic profession. Aging is a natural and normal process; in fact, aging begins with life itself, at the moment of birth.

The prime objective of chiropractic is to keep the nervous system free from interference. Chiropractic health care is aimed at co-ordinating and improving the function of the body's systems, thus allowing the body to perform at maximum efficiency.

Why is Chiropractic Care Beneficial for Senior Citizens?

Achieving proper and efficient functioning of the body's systems through chiropractic care is perhaps more important for Seniors than for any other age group. As we age, the structures which help to hold the spine in proper alignment, undergo a certain amount of change. The muscles which support and move the vertebrae of the spinal column begin to lose their tone. When this occurs, there is a greater tendency for spinal vertebrae to subluxate, that is, to "slip out of line", or to lose their normal mobility, and thus affect the nerves from the spinal cord which pass between the vertebrae. The discs of the spine and the ligaments of the body begin to lose much of their ability to stretch and move. Consequently, the older patient may show signs of ailments relating to the joints, such as arthritis and disc degeneration. These changes often cause pain and stiffness.

In addition to the physical changes accompanying the aging process, there are many other factors involving the health and lives of Senior Citizens. Proper diet is needed in order to nourish and rebuild body tissues. Regular exercise is required to help tone muscles, keep bones strong and to aid circulation, digestion and elimination. As well, outlook and attitude are important health determinants for the Senior Citizen. "As a man thinks, so he becomes." Focusing one's attention on symptoms only seems to intensify them. On the other hand, positive thinking is invaluable to health, as it hastens improvement.

Regular chiropractic care, when combined with a healthy lifestyle and proper diet, aids the body in retaining and maintaining its normal balance and mobility. Under chiropractic care, stiffness and pain may be greatly alleviated through natural means, without the need for drugs or surgery. Conditions of disturbed system function, such as constipation, circulatory problems and digestive disorders, frequently can be helped as well.

The chiropractic profession has always shown a high degree of concern for the Senior Citizen. Chiropractors recognize that the happiness of Seniors is highly dependent upon their state of health. Chiropractic continues to play a role in attempting to help them to live more comfortably and productively.

Indeed, for them, chiropractic may help to add more years to their lives... and more important, **life** to their years.

Some Healthful Hints for Seniors:

- Practice good postural habits at home, while you work and while you sleep.
- Eat a balanced diet. Include plenty of bone and muscle-building foods and fibre. Avoid junk foods, processed foods and sugar. Keep your weight down.
- Drink at least six glasses of pure water daily.
- Try to maintain regular bowel habits. Do not ignore the urge.
- Get adequate rest.
- Learn to relax. Practice relaxation daily.
- Maintain a positive outlook.
- Exercise regularly and properly, maintaining strength, endurance, and flexibility. Be careful to avoid overexertion.
- See your Doctor of Chiropractic for regular spinal health checkups.

Aults hug trophy

First place in the commercial class in Saturday's Winchester Santa Claus parade went to Ault Foods for their float, "Welcome to Care Bear Heaven". Donna Leach accepts a cheque from Hal Lee of CKBY and a trophy from Jeff Boyd.

Brownie points

First Winchester Brownies picked up first place in the non-commercial class at the Winchester Santa Claus Parade with their float depicting the story of the old woman who lived in the shoe. Lynda Lewis received the Lannin Lumber trophy from Gail Van Noy and a cheque from judge Bob Rosborough of CJET Q101.

Dundas heart program lacking early support

WINCHESTER — The organizers may be willing, but the support is weak.

The Dundas chapter of the Ontario Heart and Stroke Foundation will sponsor a "heart to heart" program for area heart attack victims, cardiac surgery patients and their spouses, but no one has yet expressed an interest in participating.

"I haven't had any calls from people who were interested in it," said Kathy Flucke at a meeting of the Dundas chapter at Winchester District Memorial Hospital last week.

The chapter found 29 area residents had undergone cardiac surgery in Ottawa last year and a further 28 had been treated at Winchester for heart-related problems.

However, doctors and public health officials couldn't divulge the names of those former patients because their identification would be a breach of doctor-patient confidentiality.

Flucke said the chapter was relying on stories in local newspapers about a month ago to inform people of the program. Although she said she'd received many favorable comments about it, she said none were from people who would be involved.

"We can't go any further unless there's the interest there," she said.

The eight-week course is already offered in Brockville, London and other Ontario communities. Speakers would be invited to discuss stress, the psychological impact of heart disease, cardiopulmonary resuscitation techniques, appropriate physical activity, operation and diseases of the heart, drugs commonly used to treat heart disease and nutrition.

"It's sort of a support system for people who have had heart attacks and their spouses," she added.

She said a seminar would probably be organized if eight people wanted to attend. Anyone interested should contact her at 774-2648, or Dr. Henry Prins, 652-4884 or 543-2963.

Flucke is confident the program will get off the ground here.

"I don't think it's a question of if it will go, it's a question of when. It may be two years down the road," she said.

Ormond RA runners-up

Editorial

Hospital seeks cure

Once again, Winchester District Memorial Hospital plans to appeal to the community for support in its unending battle to offer the highest possible standard of health care.

The hospital truly is a district facility, and residents of the area are fortunate indeed to have a 120-bed hospital so close at hand. Many of the thousands who go to the hospital every year as outpatients may take this excellent facility for granted — after all, this country has the finest health care system in the world, but many forget at what cost.

As the price of health care climbs each year — $500,000 does not go far when it comes to purchasing the latest in medical technology — the province's contribution to hospital budgets fails to keep pace. Unless hospitals can generate sums of money to supplement these budgets, they can hardly be expected to continue to offer the same high standard of care.

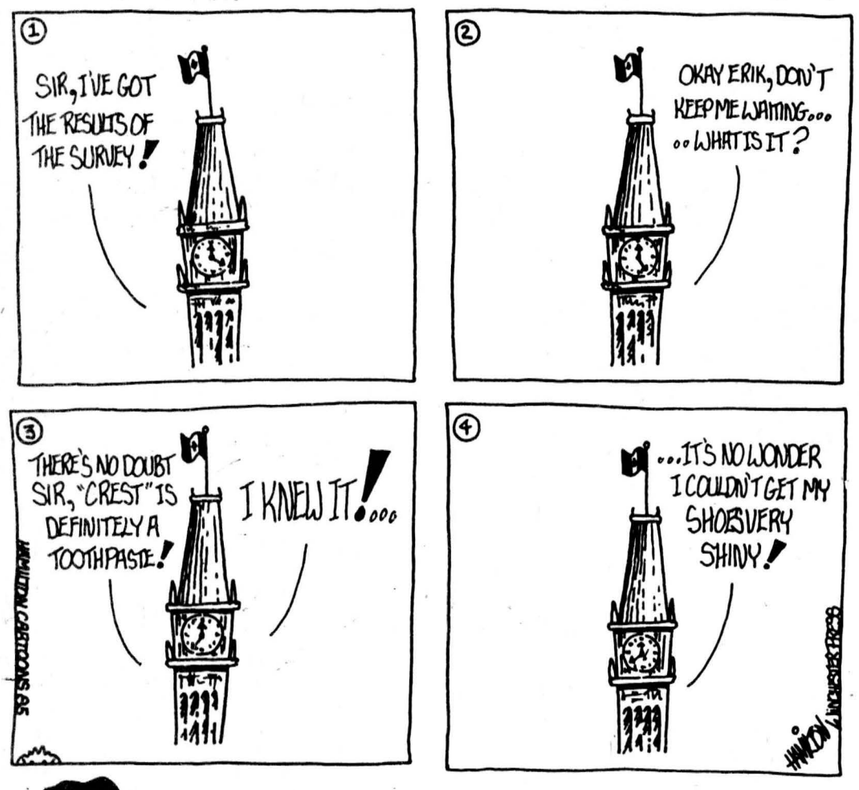
Beginning Jan. 1 of this year, the hospital embarked on an ongoing fundraising program in which it appealed to those members of the public who derive the greatest benefit from it, the in-patients. Two weeks after their discharge from hospital, the former patients received a letter requesting their financial support.

The hospital has about 3,200 in-patients each year. The cost of one day's stay in hospital last year came to over $200, with Ontario Health Insurance Plan (OHIP) payments covering only 25 per cent of the total bill. The remainder is heavily subsidized through general tax revenues.

Winchester hospital administrator Bert Stel reports that this year's letter campaign was a success, generating an estimated $18,000 over the course of the year, and will be expanded in 1986 to include out-patients as well. The appeal to out-patients will be attempted on a trial basis for the first two months of the year, and will be continued if it proves to be a success.

The district has responded warmly to appeals from the hospital in past years, as evidenced by the success of fundraising for the new laboratory wing unveiled this summer. Area residents realize the vital role of the hospital, and have done their part to help ensure it will always be there when we need it.

- C.M.



This week in

1935

The annual meeting of the Winchester Curling Club was held last week where it was decided that fees for the next year will be $5 for those members living in town and $3 for those in the country. The club will join the Ottawa Curling Association and compete in the Caledonia Cup competition. A new slate of officers was elected and includes: president Walter Mofatt, vice-president W.J. Stewart, secretary-treasurer A.H. Hawkins.

Town constable Gerald Coligan of Morrisburg will be off his beat for more than a week following an accident during a private duck shoot last week. Coligan failed to notice that his .22 calibre rifle was cocked after shooting at the target and he accidently shot himself in the foot, fortunately not hitting any bones.

1945

By mutual agreement Winchester and Inkerman have pooled their hockey players and will operate a junior and intermediate team this season. The decision came after a joint meeting of the clubs who realized that neither team had sufficient players to operate teams at both levels in each district. Under the new arrangement, Inkerman will take over the junior team and Winchester will enter an intermediate team in the St. Lawrence League. Lloyd LaPorte will head the junior club with Inkerman colors and it will be entered in the Central Ottawa Valley League. Walter MacDonald, president, and Herb Watson, secretary-treasurer, will head the Winchester club

1955

Orville Smail of Brinston has been elected the new president of the Dundas Holstein Breeders' Club. He succeeds Harry Holmes and was elected at the annual meeting held at the Orange Hall in Winchester Springs.

Motorists are warned not to be alarmed if they are asked to pull over by police for no apparent reason. The provincial force is beginning a new safety check program in an effort to improve the safety conditions of cars in the province.

1965

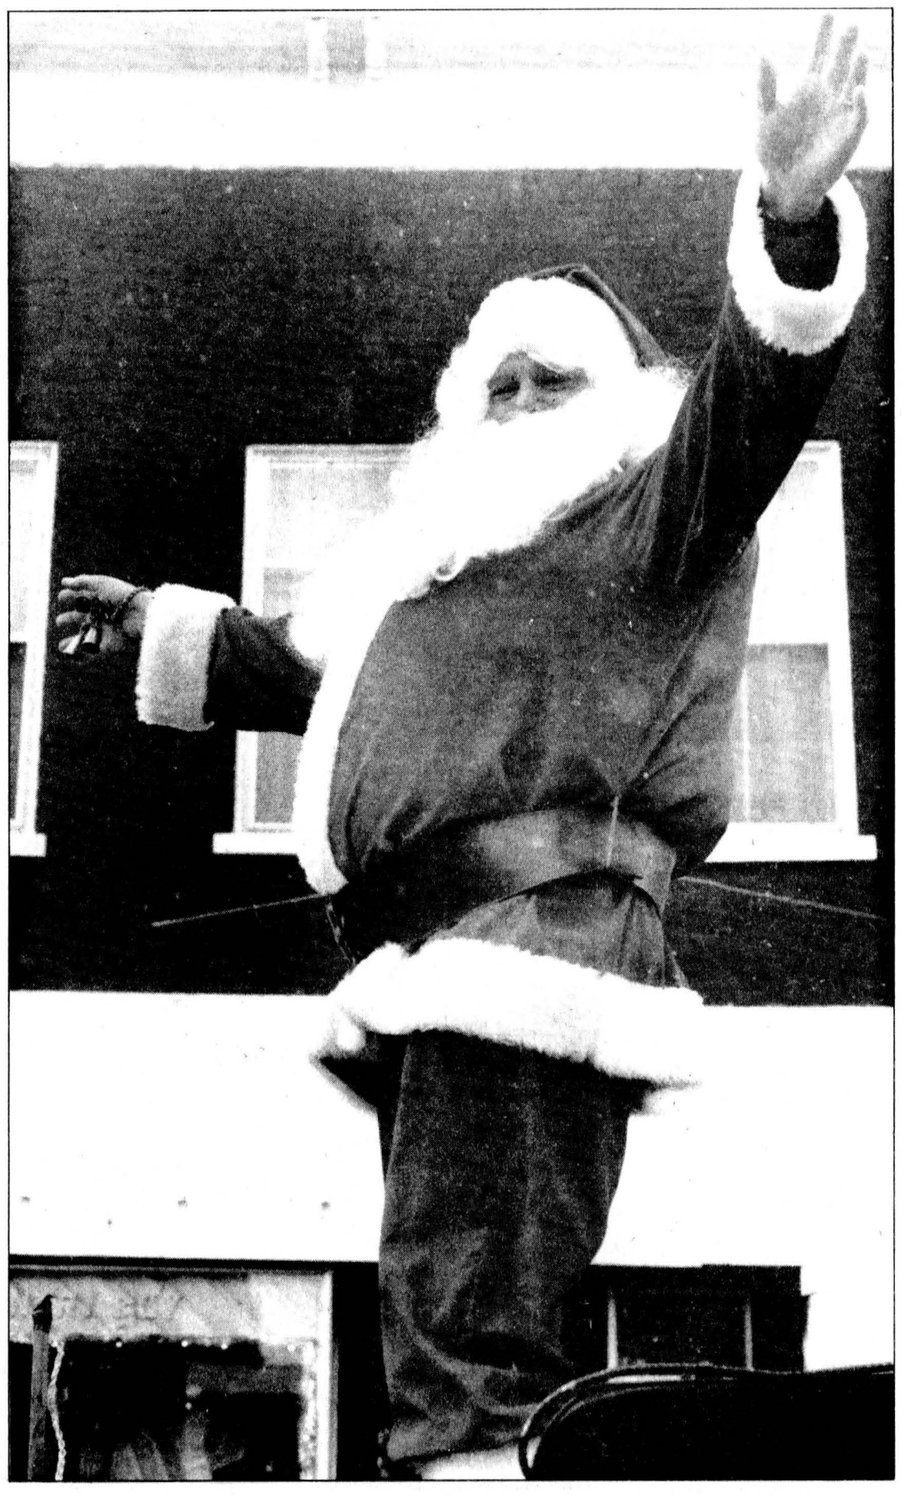
A new school for children with learning disabilities will open next September in Winchester Springs. The Education Authority of the Dundas Association for the Mentally Retarded has been presented with a two-room school in Winchester Springs beginning Jan. 1, 1966, but it is felt that necessary renovations will move the opening date to next September. In the meantime, a one-room school on the 6th Concession of Williamsburg Township has been made available.

George Holmes Challies, 81, Progressive Conservative MPP for Grenville-Dundas from 1929 to 1955, was honored in Toronto last week with a presentation of a portrait from Premier John Robarts. Challies served as provincial secretary, minister of game and fisheries, and minister without portfolio before resigning from cabinet in 1955 to become chairman of the St. Lawrence Parks Commission. Born in Winchester, he also served the province as vice-chairman of the Hydro Electric Power Commission.

1975

Williamsburg Township Reeve Johnny Whitteker has drafted a bylaw that would eliminate the office of deputy-reeve at the various municipal levels. Whitteker presented the draft as he chaired his last meeting as warden of the United Counties, and the issue will be decided at the first meeting of the new year. The move would reduce the size of counties' council from 35 to 20 members and would go into effect in 1977.

The employees of W.J.L. Boyd and Sons Ltd. created the best float at the Christmas parade this year. The float, called 'Home Sweet Home,' was awarded top prize of $100 and the employees quickly decided to invest the money in a large trophy that will become the focus of float competition in years to come.



The life of Riley

by Wayne Riley

G.I. Joe, what have they done to you?

There was a time, my friend, when you and your buddies spent hours with me in the foxholes at the edge of the garden protecting the tomatoes and zucchinis and keeping the lawn safe for democracy.

Oh, there were some hard times. That bitter Manitoba winter when your bread bag parachute wasn't enough to break your fall and your leg broke off on the frozen pavement. But I scooped you up and made you a crutch and you became heroic for your sacrifice.

I knew the years had changed both of us, but it was still a shock to see you tucked into the corner of a shelf between the plastic aliens and the dolls with the scrunched-in faces.

Joe, you once proudly stood a foot in height. Now you're no more than four toes high. And you can't even take your boots off anymore.

I guess the years have taken their toll on both of us.

You remember my brother William, the guy who always took your head off and hid it. He's 27 now. Tim, the one who tried to shave you with a razor blade and left you without any cheeks, is 25. Can you believe it?

Anyway, I'm back here in the toy section because I have a child myself now. Yes, a little girl. She'll probably like the wrapping paper more than her gifts, but who wants to tell their child years from now that Santa bought her two rolls of wrap for her first Christmas?

I've got to tell you Joe, it feels strange to be back here. It makes me feel old. Oh, there are still people older than me, people like my father who are old enough to call me son. But there has been a noticeable increase in the number of people younger than myself.

They are all around me here, boys and girls bubbling over with energy and excitedly examining bizarre little figures with skull heads and exploding chests.

Remember how we used to talk into cupped hands to sound like a radio transmission — "kkkrrr..Roger, Foxtrot I, we read you over... kkkrrr".? Now you can buy a microphone that distorts your voice for you.

And forget about the cardboard box fort with the cut out windows and door. They've got castles with secret towers and drawbridges.

I have nothing bad to say about any of this. We would have loved this stuff when we were kids. It's just a bit of a shock to find out that a lot of the toys you played with would now be considered antiques.

Those cars we used to play with, dragging them along the gravel in the driveways and simulating the sound of the engine until our lips went numb. They are voice-activated now.

And my sister's Barbie doll has grown up and bought a health spa and beauty shop.

And look at you, Joe. Gone are the days when we used to put on your snorkel and rubber flippers and let you sink to the bottom of the bathtub. Now you're a waterproof piece of solid plastic with expensive tanks and fighter planes.

No, Joe, we're not just looking at a toy section here. "We're looking at history in progress.

I look at all these new toys and it makes me think of my daughter in high school, "Dad, can you help me with my history project?" she will say. "We're studying the 20th century."

I will tell her about glass-bottled milk delivered by men in white jackets, watch faces with 12 numbers and toys pressed out of tin.

I will explain how people made calculations using a pencil and paper and describe television sets that not only lacked stereo, but color as well.

And, of course, I will tell her about foot-high G.I. Joes.

She in turn, will be awe-struck by my primitive past. "Dad did grandma really buy pudding and gelatin so that you could collect plastic coins with pictures of cars and planes on them? Was that considered, you know, entertainment or something?

It's unsettling to find out, after those rebellious years as a teenager, that I have more in common with my father than I do with my 11-year-old brother. I mean, I actually understand what my father is saying now.

Yes, it is different now being back in the toy section, when you can read the numbers on the price tags. And yet, even with all these new toys and a lot of years gone by, there is still a comfortable feeling of familiarity in the toy section.

The children still laugh and make extravagant Christmas wishes.

Parents still stand behind their kids, putting back on the shelf everything the little hands pull off.

And Santa Claus, although he looks like he lost a little weight, still shows up for an afternoon session of Christmas wishes.

And Joe, I met someone two aisles over who hasn't changed a bit. He was there with his family, looking as fresh as he did 20 years ago.

It all came back in a flash. All those great times we had in the basement and all those mutilated potatoes we were later forced to eat.

It's great to see you again Mr. Potato Head. Have you seen Joe lately?

Letters

The Editor:
A brief note to thank The Winchester Press and especially Al Van Bridger for the excellent press coverage given to our girls' basketball teams this season. (I'm sure the photos and articles will be kept in scrapbooks for years to come.)

Coverage such as yours for high school activities not only gives the participants a boost, but helps give a sense of community and spirit to the student body as a whole.

Many thanks, your work is greatly appreciated.
Ms. Nancy Wilson

The Editor:
The members of the Gay 90's Senior Citizen Club of Vernon would like to say a "big thank you", to one, and all who worked, and gave, to make our booth at the Craft Show in the Metcalfe Community Centre so successful on Nov. 23 and 24, and a thank you to all who gave food and money toward the booths at the Bazaar for our hospital on Nov. 23.

We had two draws at our Metcalfe booth. An afghan was donated by Mrs. Carson Hill, and the winner was Michael Miller. Mrs. Bert Velthius won a hooked wall hanging donated by Mrs. Mary Wyatt, for which we thank both ladies very much. Our intake was very rewarding and helpful for us to carry on in our club work.

Gay 90's Senior Citizen Club, Vernon

Seventh Column

by Joe Rowan

The last time Halley's Comet came within sight of our confused earth was 76 years ago - - - and Winchester's Honorary Mayor (Walter MacDonald) was four years old. That's why we did a double-take when a recent copy of the Oshawa Times crossed our desk. Naturally, we were a bit concerned that such an exciting experience might prove too much for the veteran entrepreneur on reading in the leading paragraph that "Walter MacDonald will go to the ends of the earth to view the comet and will be travelling to the Galapagos Islands for an unobstructed view when the awesome spectacle approaches us in April." It goes without saying it was a real relief to read on and find that Walter will, indeed, be right here in Winchester at that time. BUT - - - there will be a Walter MacDonald peering through his high-powered telescope on the island in April - - - and he's a junior version of our old friend. This Walter is a member of the Durham Region Astronomical Society and the Royal Astronomical Society. The 20-year-old University of Toronto astrophysics student has good reason to be proud of his efforts in the field of astronomy. And speaking of pride the lad can rest assured there are none bubbling over with more enthusiasm than "Grandpa Walter and Grandma Laura" right here in town."

Consider it a real honor to have been invited to several birthday celebrations in recent weeks. The fact all were either grandparents or great grandparents made the occasions even more significant. Being married to a grandmother ourselves, the visits brought to mind the beautiful way one little girl described all grandmothers: *"A grandmother is a lady who had no children of her own, so she likes other people's little girls. A grandfather is a man grandmother. He goes for walks with the boys and they talk about fishing and tractors and things like that. Grandmas don't have to do anything except be there. They're old, so they shouldn't play hard or run. It is enough if they drive us to the market where the pretend horse is and have lots of dimes ready. Or, if they take us for walks, they should slow down past things like pretty leaves or caterpillars. They should never, ever say, "Hurry up." Ususally they are fat, but not too fat to tie kids' shoes. They wear glasses and funny underwear. They take their teeth and gums off. It is better if they don't typewrite, or play cards, except with us. They don't have to be smart, only answer questions like why dogs hate cats and how come God isn't married. They don't talk baby talk like visitors do, because it is hard to understand. When they read to us, they don't skip or mind if it is the same story again. Everybody should try to have one, especially if you don't have television, because grandmas are the only grown-ups who have got time."*

With the "Roarin' Game" (for the benefit of the uninitiated, that's curling), reaching fever pitch in the Valley, we are constantly being asked to explain the functions of players. We checked with Winchester's "Mr. Curling", veteran skip Ran Wylie, and he handed us these descriptive lines (obviously from a skip's pedestal).

A LEAD is a lad with a very weak head,
Not much brains and about half dead.
He throws two stones to start the game.
They never count, but he throws just the same.

The SECOND is of a little higher state.
When they gave out the brains he was somewhat late.
He also throws two stones as well,
And the "Third" just loves to give him hell.

The THIRD is a guy whose feet are itchy,
He's most profane and very bitchy.
To watch his delivery is a treat.
He thinks he's performed some classy feat.

The SKIP is just what the name implies,
They're not made, they're born those guys.
And when they lose they let off steam,
Because they were stuck with a lousy team.

Perhaps you're wondering why all verses refer to MALE curlers. Now we ask you, can you imagine calling any lady curler "weak headed"; "half dead"; "brainless"; or "bitchy" - - - and living to tell about it?

Community groups searching for fundraising schemes might consider a project that once proved highly successful. Perhaps prices might be updated. Here's how it appeared in the "Coming Events" column of the era: *"Hug socials are now the rage. It costs 10¢ to hug anyone between 15 and 20; 50¢ from 20 to 30; $1 to hug another man's wife; old maids two for a nickel."*

Steele - Koekkoek marry

Ann Mary Koekkoek, daughter of Mr. and Mrs. William Koekkoek of South Mountain and Brian Michael Steele, son of Mr. and Mrs. Eric Steele of Winchester Springs were married Sat., Nov. 12.

The ceremony was conducted by Fr. Don Cummings, assisted by Fr. Walter Lynett at St. Daniles Catholic Church, South Mountain.

Alice Koekkoek, cousin of the bride, was organist for the occasion and accompanied guest soloist Karen Bjergso.

The bride was assisted by her sister, Eileen Hudson, as matron of honor and bridesmaids Bev Boucher, Karen Holmes and Christine Lecuyer. Flower girls were Lori Byvelds and Laura Koekkoek.

Attending the best man was Tom Holmes. Ushers were Jeff Derue, Brian Koekkoek and Rob Steele. Ringbearer was Brad Boucher.

The dinner and reception was held at the Mountain Township Agricultural Hall.

The couple honeymooned in California for 10 days, and are now residing in Winchester Springs.

'Pearl' May Shay

Funeral services were held Mon., Dec. 9 for "Pearl" May Shay of Ottawa, formerly of Chesterville. Mrs. Shay died Fri., Dec. 6 at the Elizabeth Bruyere Health Centre in Ottawa after a lengthy illness. She was 71.

Mrs. Shay was born March 28, 1914, a daughter of the late Samuel Billings and the late Rachel Bilow. She was predeceased by her husband, Cecil Leslie Shay, on July 6, 1966.

Mrs. Shay is survived by sons Francis of Ottawa, Larry of Brockville, Richard of RR1 Winchester and Lyle and Perry of Ottawa, daughters Goldie (Mrs. A. McMillan) of Chesterville, Shirley (Mrs. L. Loucks) of Chesterville, Patsy (Mrs. L. Booth) of Toronto, Jule (Mrs. H. Barkley) of Ottawa, Linda (Mrs. C. Hill) of Winchester, and Lila (Mrs. G. Gibeault) of Chesterville, seven brothers, two sisters, 39 grandchildren and 16 great grandchildren.

She was predeceased by son Stanley and daughter Gloria.

Funeral services were conducted by Rev. L.M. Ferguson at the Vice and Craig Funeral Home in Chesterville at 1pm Mon., Dec. 9.

Pallbearers were Richard McMillan, Alan McMillan, Claude Gibeault, Charles McMillan, Mark McMillan, Donald Hill, all grandsons.

Interment was at Maple Ridge Cemetery.

60th anniversary

Cameron and Violet MacLaurin

DECEMBER 10, 1985

Congratulations and best wishes to our loving Mom and Dad, Gramma and Grampa, Great Gramma and Grampa "Cam" on their very special day.

Love from all your children, grandchildren and great grandchildren.

Graduate RN

Wendy Christine McIntosh, daugher of Conrad and Lois McIntosh of Williamsburg, recently received her Registered Nurse's certificate.

She graduated from St. Lawrence College, Brockville on Aug. 24, receiving the Vera J. Preston Scholarship. Wendy is employed with Para Med Services, Orleans and the St. Lawrence Medical Clinic, Morrisburg. She is a graduate of Seaway District High School.

Boys' basketball returns to NDDHS

MAPLE RIDGE — SD&G boys basketball is once again being played here at North Dundas District High School.

Starting right from the ground floor the Blue Devils, under the guidance of Gerald Jean, are part of the 1985-86 SD&G junior boys basketball schedule and building toward the future.

Dundas hosted and lost their first game here last Thursday dropping a 69-47 decision to the St. Joseph's Panthers, but coach Jean expected that. He knew heading into the game that with a line-up composed of five grade nine players, four grade 10s and three grade 11s he won't win many games, but he was pleased with the effort and hustle his young squad put into the game.

"There hasn't been any boy's basketball here at North Dundas for several years, so we decided to start and build for the future. The boys who are playing have individual skill and natural talent, but no exposure to the sport, while the other schools (eg. Cornwall) play all of the time, so naturally they have a greater grasp on the game, team work and the opportunity to refine individual skills," he explained.

Inspite of the obvious disadvantage his squad faced going into their first league and game situation coach Jean said," It was a very respectable ball game."

"Our guys did very well considering they (St. Joe's) go with Grade 11s in their line-up. If we were more interested in winning and not building we wouldn't have the young guys on our team," he continued.

"But we are building for next year and I know we will have a good team in two years and I say we will win at least two games this season."

North Dundas trailed the Panthers 15-4 at quarter time and were down 19-36 at the half.

But when St. Joe's finally rested their main offencive weapon (J.P. Pilon, 39 points) in the third quarter the Devils outscored the opposition 15-12 and closed the gap to 48-34.

The Panthers took no chances and finally lifted Pilon and Mike Dare (14 points) when their lead was 47-19. The Devils hit for 15 points before Pilon got back into the game and dropped in a single to make it 48-34 at the three-quarter buzzer.

Pilon, who put on a one-man show all afternoon ran up the count in the final period hitting for seven of his team's last 10 buckets and finished with 39 of St. Joe's 69 points. Mike Dare hit for 14 and Brian Murphy eight, while four other shooters combined for six points.

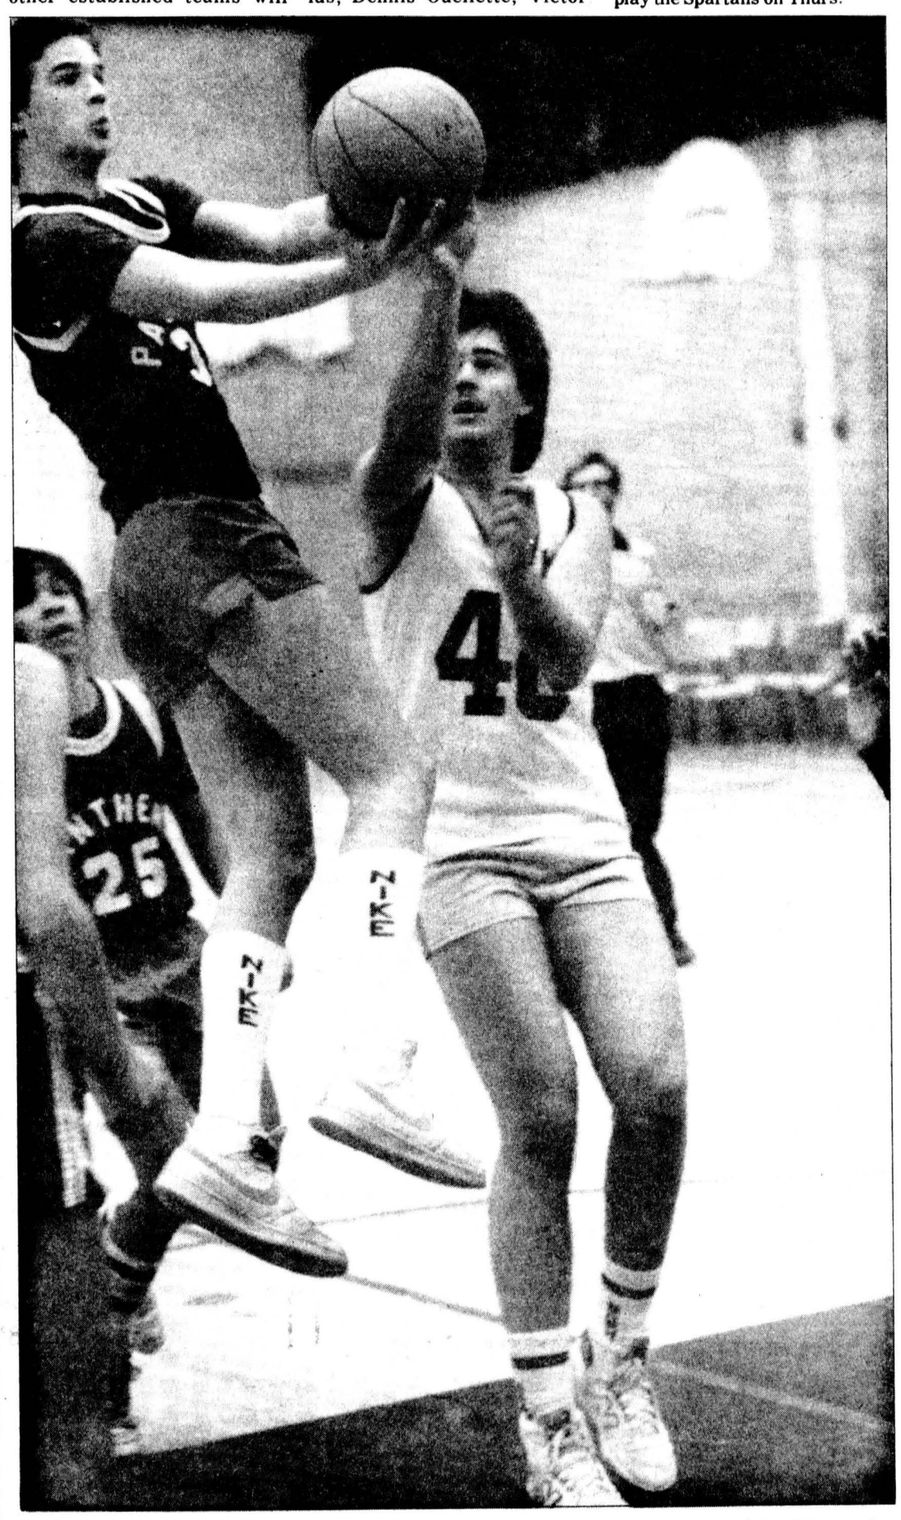
North Dundas' attack was sparked by Derek Hyndman's 16 points. Big Victor Dorey sunk 12. Mike Molloy hooped six, Donnie Marcellus hit for five while Chris Williams and Mike Gryspeerdt each dropped in four points.

The Devils managed just two field goals in the first quarter, but came through with 15 point efforts in the second and third periods and 13 in the final quarter.

Had they been able to stop Panther's Pilon and get more of their shots to roll through the ring instead of off the hoop the game would have been a lot closer. "The difference between experience and exposure to the game is whether you make shots or 'just' miss them and right now the other established teams will probably make more shots than we do, but I still say we will have a good club and we will win at least two games this year," concluded coach Gerald Jean.

Suiting up for the NDDHS Devils were: Chris Williams, Derek Hyndman, Donnie Marcellus, Dennis Ouellette, Victor Dorey, Andrew Gruick, Dave Van Noppen, Carol Luimes, Mike Gryspeerdt, Mike Molloy, Dwayne Nichol, Andrew Carkner.

North Dundas hosted St. Lawrence Saints here on Tues., Dec. 10 and travel to Seaway to play the Spartans on Thurs.



North Dundas' Victor Dorey (No. 40) tried to prevent St. Joseph's J.P. Pilon from hitting another bucket. The high flying Panther sunk 39 points in last Thursday's 69-47 victory. Derek Hyndman led North Dundas with 16 points, Dorey hooped a dozen and Mike Molloy swished through a half dozen. Devils host St. Lawrence Saints this week and travel to Seaway to meet the Spartans tomorrow (Thurs., Dec. 12) as they open their first season in a flurry of action. Press Photo—Van Bridger

Senators, Beavers clobber Hawks

WINCHESTER — People in Junior B Hockey circles here in Winchester didn't think things could get much worse, until last weekend. The Hawks had dropped six straight Alex Engligh Division games, what else could happen?

They were coming off a 10-1 trouncing in Navan and hosting the last place Vanier Senators here last Friday night. Fans as well as coaches Tom Kirkwood, Al McLean and the players themselves were looking to this game as the end of the string, a much needed victory.

But a two-goal lead vanished in the final 1:40 of the game and instead of an 8-6 victory or even an 8-8 tie the Hawks went down again losing 9-8 in overtime to the division's worst team.

And the man delivering loss number seven (in a row) was none other then the much travelled and former Hawk, Jeff Henry. Henry not only scored the tying goal with 40 seconds left in regulation time, but also slammed in the winner at 2:23 overtime and finished the game with three goals and one assist.

Sunday night in Clarence Creek the team the Hawks are trying desparately to catch, the Beavers, thumped their visitors 8-3 and extended Winchester's losing skid to eight games.

And relief may not be around the corner as the Hawks travel to Alexandria to meet the Glens this Friday night (Dec. 13). The much improved Glens defeated Clarence Creek 7-6 and nipped Vanier 5-4 over the past weekend to move to within a point of the tail spinning Hawks. A Glen's win on Friday the 13th will drop Winchester into six place.

Hawks' captain Kevin Henry said the 8-3 score Sunday in the Creek doesn't indicate a good effort, but he said the club had a lot of scoring chances and just couldn't convert while the Beavers made the best of their 27 shots.

The captain admitted spirit on the club is running low and it's extremely difficult for anyone to come up with an answer to the slump.

Coach Tom Kirkwood has said although the down turn that the team would have to work hard and bring themselves out of the slump. He also indicated earlier that he would make changes and he did just that for Sunday's match in Clarence Creek, starting former Metcalfe Jets' goalie Tom McKinstry and inserting former regulars Mike Harper and Vince Cousineau into the line up. Both are playing with the Chesterville Junior C Flyers now and both hit the scoreboard in Sunday's loss.

Harper scored a pair of third-period markers while Cousineau drew to assists.

Chris Lynch fired in the Hawks' other goal early in the second period, finishing off a powerplay set up by Kirk Barkley and Vince Cousineau. Lynch also assisted on Mike Harper's second goal at 4:57 of the final frame.

Beavers led 2-1 after a period and 4-1 after 40 minutes of play.

Marc Dumas, Marc Bellfoy and Jean Maisonneuve all had two goals and one assist for the Clarence Creek. Alain Bergeron had a goal and two helpers and Dan Danis potted a single goal.

Tom McKinstry suffered the loss stopping 15 of 23 shots. Hawks had Rene Bongard, Dolten Henry and Trevor McClatchie tossed out of the game for fighting. Three Beavers also got the gate.

OVERTIME LOSS

Jeff Henry and Luc Faureau each scored three times and picked up an assist in Vaniers' Friday come-from-behind 9-8 overtime victory here in Winchester.

Marc Levac, Tom Goddard and John Yablonski netted single Senator goals as they erased an 8-6 Hawks' lead and stole the game 9-8 in overtime.

It was tied at 2-2 after a period and 5-5 after 40 minutes.

Winchester took an 8-6 lead on a goal by Rene Bongard and two by Ben McIntosh, but gave up a marker to Faureau at 1:40 and Jeff Henry at 40 seconds as the game slipped into overtime.

Henry fired the winner in behind Jamie McGuire at 2:23 of the extra session to give Vanier their second win in 13 tries.

Ben McIntosh and Scott Dexter each had two goals and one assist for Winchester. Trevor McClatchie, Jeff Thompson and Rene Bongard all had a goal and one helper. Todd Byrnes netted a single goal.

Dolten Henry (3), Mark Smith (2), Chris Lynch, Kevin Henry and Gary Klein-Swormink picked up assists.

Hawks had 18 and Vanier 19 minor penalties called against them.

Midget Hawks move into UC league lead

WINCHESTER — Doug Newman scored three times and Dan Sarault knocked in another third-period goal as the Winchester Hawks rallied from a 3-1 third-period deficit to defeat the Smiths Falls Bears 5-3 here in a Monday night UCMHL Midget Level II contest.

Winchester's win improved their record to five wins, one loss and two ties and pushed them into first place in their Eastern Division standings.

Smiths Falls took the lead in Monday's game when Rob McLenaghan scored at 12:41 of period one. The Hawks drew even just before the frame was over as Paul Allen blinked the red light at the 10-second mark. Greg Coons and Doug Beckstead engineered the goal.

The Bears cashed in twice for the only goals of the second period. Walt Ferguson beat Mike Fawcett on both markers to make it 3-1, Smiths Falls.

Winchester finally got untracked in the final period scoring four unanswered goals to take the game by a 5-3 final count.

Doug Newman sliced the Bears' lead to 3-2 when he finished off a play started by linemates J.D. VanNoy and Dan Sarault at the 11:21 mark.

Newman tied it up at 3-3 a minute later tucking in another pass from VanNoy and Sarault.

Sarault then scored the winner on a play set up for him by Newman and VanNoy.

That line came through a fourth time with 4:15 left in the game. Doug Newman completed his hat trick on assists from VanNoy and Sarault.

Hawks took two minor penalties in the final minute, but held on for the 5-3 victory.

In exhibition play last Sunday the Hawks dropped a 4-0 decision to the North Gloucester Stars.

Jr. C Lions split weekend games

RUSSELL — Russell's Lions split a pair of Eastern Ontario Junior C Hockey League games last week knocking off the St. Isidore Eagles 5-2 here at home Friday night and losing 4-1 to Casselman in a Sunday road game.

Bob Goodman and Doug Warren each potted a pair of goals in last Friday's 5-2 win over the Eagles.

Goodman got things started scoring from Cory Reaney and Brian Johnston 56 seconds into the first period. St. Isidore's Andre Paquette tied it up at 9:03, but Doug Warren came through at 12:37 connecting from Brian Carscadden and Ron Oppertshauser to make it 2-1 Russell.

It was all Lions in the second period as they constructed a 4-1 lead on Ron Oppertshauser's unassisted goal at 7:36 and Doug Warren's second goal of the game at 12:55. Nolan Dalman set up the Warren marker.

St. Isidore closed the game to 4-2 on an Alain Lapensee goal 5:50 into period three, but Bob Goodman connected at 14:59 to make it a 5-2 final. Cory Reaney drew the assist on the final Russell tally.

Doug Meldrum picked up the victory in the Lions cage while Martin Renaud took the loss. Lions took nine minor penalties, three of those came at the 12:16 of the final period as Brian Carscadden, Nolan Dalman and Wallace Wade all got the gate along with a pair of St. Isidore skaters.

Bob Goodman scored the lone Lions goal in Sunday's 4-1 set back in Casselman. He cut the Casselman lead to 3-1 scoring from Ron Oppertshauser and Paul Cochrane at 6:47 of the final period, but Al Poirier's short-handed goal at 9:56 made it a 4-1 final for the home team.

Wayne Paquette suffered the loss in the Russell nets.

Russell will host Casselman here this Friday (Dec. 13) at the Dr. Kinnaird Arena at 8:15pm.

Novices win 5-0

METCALFE — Coach Tom Clapp took his Hardy Seeds sponsored Novice B Hawks to Metcalfe last Saturday and they recorded their first shutout of the season by blanking the Jets 5-0.

Winchester was paced by Robbie Raistrick who scored two goals. Single goal shooters Kevin McConnell, Allan Potvin and Greg Darling.

Goalies Seumas Gordon and Chris Scott shared the shutout.

Williams' goal gives Atoms last-minute tie

WINCHESTER — Winchester's Atom A Hawks came within 54 seconds of losing their first Upper Canada Minor Hockey League Atom Level I game here Monday night.

Kemptville Royals took an early 2-0 lead on the Hawks and were up 2-1 after that first period. They widened the gap to 3-1 with a late goal in the second stanza and held the Hawks off the board until captain Trevor Barkley blasted a long drive in over Donnie Robinson's head at the 2:19 to cut the lead to 3-2.

Winchester pulled out the 3-3 tie when Chris Williams scored from the slot with just 54 seconds showing on the clock. Troy McNaughton assisted on both Barkley's and Williams' goals helping the Hawks improve their record to seven wins, no losses and two ties.

Winchester's first goal came from Jason Ouellette who connected on a Darrell Bloom relay at 2:38 of the first period.

Danny Carstesen had two goals and one assist for the Royals while Mark Robinson added a goal and one helper.

Last Saturday in Prescott Winchester nipped the home town Ramparts 3-2 posting their seventh victory of the season.

Hawks skated into a 2-1 first-period lead and were tied at two after two period. Tim Freeland's winning goal with 2:45 left in the game made it a 3-2 decision for Winchester.

Hawks took a 1-0 lead at 13:36 of period one when defenceman Aaron Sherrer scored from Matt Gordon.

Prescott tied it up on Geoff Hares' marker at 11:55, but Winchester grabbed a 2-1 lead at the 2:09 mark when Jason Ouellette scored from Troy McNaughton.

Ramparts' Shawn Hughes evened the game up at 2-2 scoring at 11:51 of period two, but the Hawks took the lead for good when Tim Freeland slammed in a pass provided for him by Martin Pancirov and Kevin Williams with just 2:45 left to play.

Jets drop two but hang onto third

METCALFE — The Metcalfe Jets dropped both games of their weekend Junior B hockey schedule, losing 4-3 to the first-place Char-Lan Rebels here Friday night and 7-5 to the second-ranked Navan Grads Sunday in Navan.

"We lost to the top two teams in our division (Alex English), but both games were close and we didn't get blown out, so I'm not going to push the panic button," explained Jets' coach Pete DeRooy.

DeRooy felt his team could've won both games, "if we had stuck to our game plan I think we could've beaten Navan last night (Sunday), but we got what I think was a cheap penalty with 56 seconds left in the game (Poirier for elbowing) and two seconds later they (Navan) scored to make it 7-5."

The coach said they hit goal posts and had quality scoring chances in both games and could've tied Sunday's game up, but just missed making it 6-6 when Don Gamble was beaten on a breakaway by Grads' Farley Ceasar.

"Donnie got a breakaway when it was 6-5 and he usually doesn't miss, but he deked and didn't scored, so it could've been different."

Coach DeRooy says his team didn't lose much ground to the leaders and they would work at making up some of that territory right away.

Here Friday night the Jets took a 1-0 lead on Char-Lan when Gary Poirier scored from Don Gamble and Pete Holmes at 11:54 of the first period.

The Rebels evened things up on Gary Theoret's goal at 7:22.

DeRooy said his team was shocked by the Rebs' next two goals as the visitors ripped into a 3-1 lead, scoring twice in the final minute of the period.

Mike Lapensee snapped the 1-1 tie, scoring at 51 seconds and Shawn Blanchard made it 3-1, bouncing a shot in off a Jets' defenceman at 42 seconds.

Metcalfe fought their way back into the game (3-2) at 12:51 of period two when Pete Holmes scored on a play engineered by his linemates Don Gamble and Gary Poirier, but the Rebs stormed back and took a 4-2 lead at the 7:02 mark when Dwayne Spink cashed in on a play started by Frank Sinfield and Don Bissonnette.

The Jets closed the gap to a goal again when they converted a powerplay into their third goal. Craig Barton-Hill narrowed the gap to 4-3 when he finished off a play set up by Darcy Provost and Rick Downey.

Neither team could find the mark in the final stanza and the game remained 4-3 in Char-Lan's favor.

Coach DeRooy singled out the work of goalie Stu Patterson as a big factor in the one-goal result and reported defencemen Glen Stefureak missed both weekend games due to examinations and said the club really missed him back on the blueline.

Sunday Patterson was slated for another start in the Jets' net, but had to work and wasn't available so Sean St. John got the game in Navan. Metcalfe also lost Robin Hughes with an injury to his shoulder. Jets also added former Gloucester Jr. A Ranger forward Mike Thebarge to their roster on Sunday.

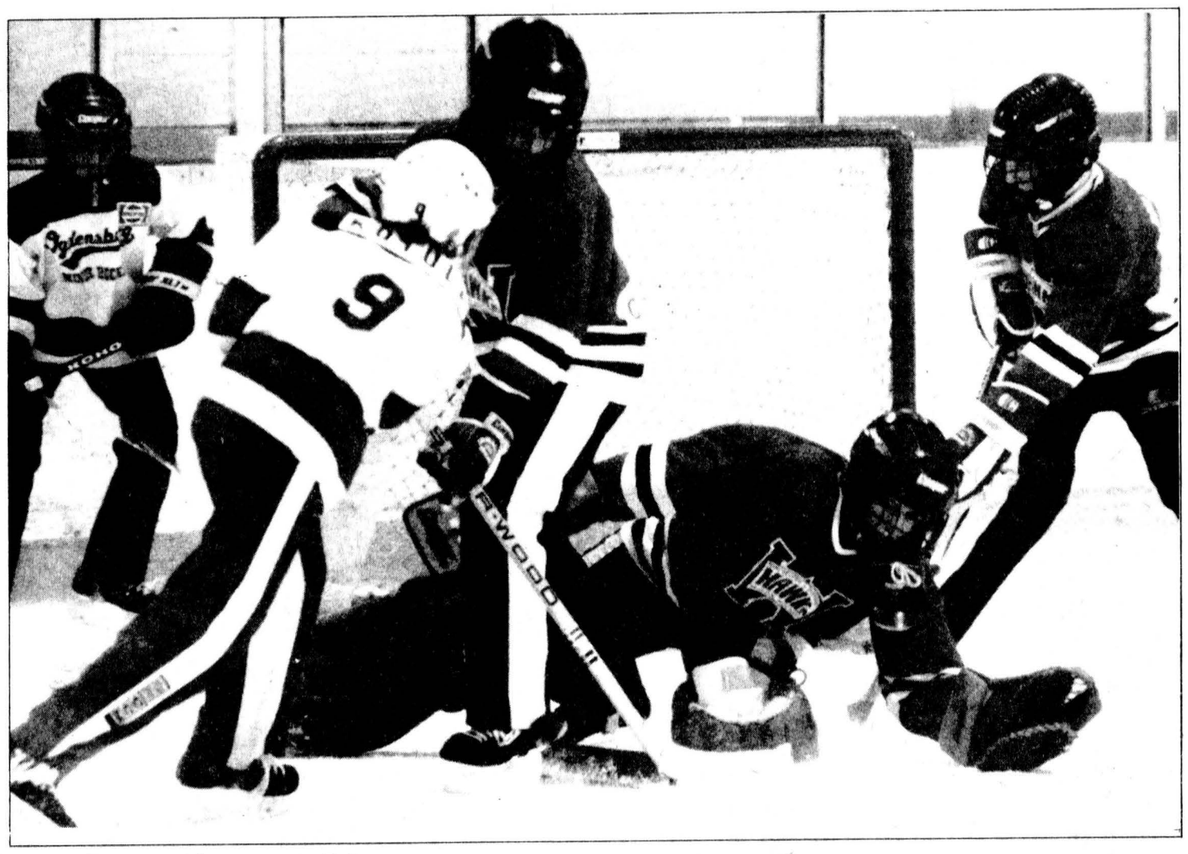
"Mike has to get into shape, but he certainly has the makings of a scorer. We haven't had any big scorers since Cowick (Dwayne) and Pasch (Lyndsay) and that's hurt us, so we are hoping the new guy can help us out," explained the coach.

Jets took a 2-0 first-period lead but gave up five goals in the middle period and were even at 5-5 after 40 minutes of play in Navan Sunday night. Grads scored the winner (6-5) at 16:00 of period three and added the seventh goal on a powerplay at 54 seconds.

Mark Barnett led the Grads with three goals. Dave Sabean added two while Rob Tatte and captain Dave Bergeron fired single goals. Bruce Hickson, Tom Wardle and Mario Brisson all had two assists while Mike Fouriner helped on three goals.

Pete Holmes potted a goal and picked up two helpers for the Jets while linemates Don Gamble and Gary Poirier each netted a goal and one assist. Mike Pratt and Barry Stefureak each popped in a single goal. Todd Wallace, Mike Thebarge and Dave Warren had one assist each.

Metcalfe outshot the Grads 33-19 and outmanned the home team in the penalty box taking 14 minor penalties.



Goal-mouth scramble

Goalie Craig Lyon came within 23 seconds of posting his second shutout in seven UCMHL Pee Wee Level I games here Monday night as he and the Pee Wee A Hawks dumped Ogdensburg, N.Y. 8-1. Defencemen Chris Van Bridger (front) and Jayme O'Reilly (right) helped out on the play. Chad Benoit and Jason Thompson led the Hawks to their sixth victory with two goals each. Press Photo—Van Bridger

Benoit, Thompson lead Pee Wees to win over 'Burg

WINCHESTER — Chad Benoit and Jason Thompson each scored a pair of goals here Monday night leading the Winchester Pee Wee A Hawks to an 8-1 Upper Canada Minor Hockey League Pee Wee Level I victory over Ogdensburg, N.Y.

The victory improved the Hawks' record to six wins and one loss and sets the stage for a game in Kemptville this Friday night against the defending league champion Royals.

Last Friday night the Hawks outshot the Pee Wee A Royals 22-11 in the Cornwall Civic Complex, but just outscored their hosts 2-1 in an exhibition game. Captain Doug Armstrong scored both Winchester goals on unassisted break aways. Hawks' net minder Craig Lyon lost his shutout with just 32 seconds left in the game.

Lyon lost another shutout in the final minute when Ogdensburg netted their only goal of Monday night's contest with just 22 seconds left in the game. Hawks were up 8-0 at the time and playing two men short when the New Yorkers shattered Lyon's goose egg.

Playing with out injured captain Doug Armstrong the Hawks jumped into a commanding 6-0 first-period lead and cruised to an 8-1 victory.

Shawn Backes got the ball rolling scoring from Jason Thompson at 12:25.

Chad Benoit scored his first goal of the season on a pass from Chris VanBridger at 8:05 to make it 2-0 for the Hawks.

Jason Thompson connected from Backes at 7:26 for a 3-0 lead. Bryan Helmer upped it to 4-0 scoring from Benoit and Dave Harper at 5:37.

Thompson and Benoit then hit for their second goals of the period to push the Hawks out in front 6-0. Todd Marcellus and Backes set up Thompson at 4:45 and Dave Harper assisted Benoit at 3:18.

Tim Holmes blasted in a slap shot from the blueline at 4:21 of period two for a 7-0 cushion.

Todd Marcellus then lifted in a Shawn Backes' rebound at 3:09 of the final frame to make it an 8-0 game.

Bill Skelly then scored Ogdensburg's lone goal on a powerplay with 23 seconds left in the game.

Hawks host the big, powerful Smiths Falls Bears here next Monday (Dec. 16) at 8pm.

Frankly speaking

by Frank Morgan

FESTIVE SEASON IN FULL SWING

Santa arrived last Saturday with the annual parade kicking off the Christmas season in our little town. As usual it was a good parade with exceptional quality floats, afterall most of our entries are not from large corporations or big department chains, however, many of the entries would put the big city stores to shame. Winner of the non-commercial float was Winchester Brownies with the "Old woman who lived in the shoe". Can you imagine the work that went into that entry? Second place went to Ormand RA who always come to town with an exceptional float, but this year's book would stand out in any of the parades held anywhere in the area, even the cities. Well that describes a couple of floats, but for the benefit of those who did not attend, all entries were just great and I can tell you the judges had to ponder over their individual decisions for quite some time to come up with the eventual winners. Congratulations to the organizers and the Chamber of Commerce for a well organized effort and a special congratulations to all entries, your displays reflected a superior effort. Once again we owe a big thanks to the Legion for their generous donation of candy. A combined effort by many, done with local pride, has proven a great success worthy of the work involved.

COMING UP AT THE ARENA

As usual the holiday season sees lots of parties at the arena and although the last few weeks have been busy we still have lots going on before we hang up our stockings on Christmas eve. This week we have our usual schedule of events with a couple of agricultural meetings thrown in, then this Thursday the members of our local 100 Club entertain their ladies at the annual ladies' night dinner. This Saturday the guys and gals from Hydro put on their party attire for their Christmas party. On Sunday afternoon the cildren from Aults have their annual skate and visit from Santa. Hawks are away this Friday, but next Friday night Navan comes in and there will be another Booster Night for the teens in the upstairs hall. Dec. 21 Ault Foods take over for their dinner and dance. We have a big Christmas party for everyone planned for Dec. 22 when Metcalfe will play the Hawks and Jim Wicks and Westburg Union will supply music following the game. We will have full details next week, but do reserve the date now.

YOU DON'T TRAMP ANYONE WHEN THEY'RE DOWN

The Hawks lost two more this weekend and I guess they have heard enough negatives without me adding to their misery. Tom and Al always played from the heart and it sure must make them wonder just where to start, but it is sure evident that a new start is really what is needed if we are even to make the playoffs this spring. Perhaps Santa will bring better results, but as most of us know when we look into our slim wallets even Christmas presents don't come without effort. Good luck guys, you have our sympathies.

Flyers, Blazers boast sixth win

WINCHESTER — Aqua Fun Flyers and CountryBoy Blazers each chalked up win number six here in last Tuesday's Winchester Town Hockey League double header.

Aqua Fun improved their record to six wins, a loss and a tie to remain one point ahead of the Blazers who improved their mark to six and two with a 3-1 win over third-ranked Fridgen Filion Raiders. The front-running Flyers thumped Country Kitchen Kings 6-3 in their encounter.

The gap between the second-place Blazers and third-ranked Fridgen-Filion was widened to five points in the CountryBoy's 3-1 win.

Raiders opened the scoring when their leading scorer Jamie Utman took a pass from Gerry Belanger and beat Steve "Bear" Johnston with a quick move to the back hand. Utman's shot at 13:40 of the first frame would be the only puck to elude the Bear as he stopped the Raiders cold throughout the remainder of the contest.

CountryBoy tied the game up at 1-1 when Andy Wattie banged a loose puck between Dan Hogaboams legs at 11:10.

Dale Hutt whipped in an unassisted goal at 10:02 to win it in the second period.

Pete Filion smashed in an insurance marker at the 17:04 of period three to make it a 3-1 final.

Each team took seven minor penalties in the low-scoring contest.

Aqua Fun remained one point up on CountryBoy doubling the count (6-3) on the fourth place Country Kitchen Kings.

Flyers buzzed into a 2-0 first-period lead when Phil Lyall scored unassisted at 14:28 and Richard Gilmer found net on a setup by Butch Oldford at the 7:57 mark.

Dick Christie's unassisted goal at 18:47 of the middle session enlarged the Flyer lead to 3-0.

Kings finally got a shot in behind Kevin Baldwin at the 12 minute mark of the same frame. Dave Kerr sliced the difference to 3-1 on an unassisted play.

Aqua Fun hit for a pair of quick goals in the latter stage of the second and held a 5-1 lead heading into the final stanza.

Gary Hoy finished off a play started by Christie and Lyall at 4:40 to make it 4-1 and Steve Crowder lifted in a loose puck 37 seconds after that for the 5-1 cushion.

Dick Christie scored from linemates Phil Lyall and Richard Gilmer at 14:02 opening up a commanding 6-1 lead before the Kings rallied for a pair of markers to make it a 6-3 final.

Rick Cowell scored from Dave Kerr and Randy Goodfellow at 11:07 and Kerr notched his second of the game at 3:04.

Kings took two of the games' three minor penalties.

Bantams on move

WINCHESTER — Left winger Rodney Casselman has dented twine five times in his last two Upper Canada Minor Hockey League Bantam Level II games and the Winchester Hawks have moved into sole possession of second place in the Eastern Division.

Casselman scored twice in Monday night's 5-1 win over Edwardsburg-Prescott and fired in three last Friday in an 8-2 decision over the Flyers in Chesterville.

He and the Hawks trail the undefeated Metcalfe Mustangs by four points and moved one point up on third-ranked Russell Warriors with Monday's win.

Winchester's record is now six wins, two losses and a tie for 13 points.

Rod Casselman gave the Hawks a 1-0 lead scoring on a pass from Ray Sherrer at 7:03 of the first period of Monday's game. Sherrer then made it 2-0 hitting on a play set up by Chris Williams and Cassleman at 9:00 of period two. Williams increased it to 3-0 at 3:25 and Shannon Frame upped it to a 4-0 lead at 1:07.

Casselman's powerplay goal at 4:53 of the third period improved his team's cushion to 5-0.

Edwardsburg-Prescott ruined Jason Broad's hopes for his first shutout, scoring from a sharp angle at 4:18 of period three.

Last Friday in Chesterville the Hawks led the Flyers 4-1 after a period and 6-2 after two. Another pair of third-period markers made it an 8-2 final.

Rod Casselman scored three times and set up another goal while Ray Sherrer also connected for three goals. Sherrer picked up two more points on a pair of assists.

Chris Williams scored a goal and set up four others for a five-point night. Shannon Frame fired in the other goal and single assists went to Scott Barkley and Daryl Robinson.

S. M. Electric shorts WI 4-2

SOUTH MOUNTAIN — S.M. Electric short circuited South Mountain W.I. 4-2 here at Nationview Monday night.

S.M. Electric took a 1-0 lead on W.I. netting the only goal of the first period. Derrick Patterson scored it on a pass from Todd Wood.

Marty Vandemheen and Jeff Cabana found the target in the second period scoring at 7:20 and 13:24 to make it a 3-0 Electric lead.

Mike Fisher at 11:40 of the third narrowing the gap to 3-1 only to have Derrick Patterson score his second of the game at 9:59 to open up a 4-1 S.M. lead.

W.I. made it a 4-2 final when Troy Mayhew scored from Kris McGlone with 2:20 left in the game.

Lions Club got back on track in a big way winning 10-3 over the last place Smokies.

Doug O'Connor led the Lions with a three goal effort. Greg Van Bridger, Shannon Van Bridger and Jamie Foley each scored twice. Brent Crowder fired in one goal while Lee Anne Tremblay (2) and Billy Berube drew the assists.

Bruce Parsons scored two of the Smokies' three goals and assisted on the other which came off of Robbie Smail's stick.

Volleyball returns to North Dundas

MAPLE RIDGE — After a four year absence volleyball has made its return to the sports scene here at North Dundas District High School.

With just one practice and one opportunity to select a dozen players from 75 hopefuls, the junior and senior Devils debut was a little less than refined here last Wednesday when the powerful girls' squads from La Citadelle paid a visit.

North Dundas' Junior Devils pushed the Patriotes to a tie breaker, but the seniors lost in three sets.

Both junior coach Dennis Sauve (a former basketball coach) and senior mentor John Wilson (curling coach) reported a somewhat unorganized beginning to their season, but with so many girls showing such a great interest by attending tryouts both felt the potential for developing volleyball here at NDDHS was a great one.

The Senior Devils lost in three sets by 15-2, 15-10 and 15-1 scores. "We didn't look very smooth, but with one practice to pick a team from so many girls, it was extremely difficult to assess talent and plan strategy, commented coach John Wilson.

He went on to say that, "the girls have the talent and ability and I think with so many wanting to play (75) the interest is definitely there, so it is important to just get the sport organized and started."

Junior coach Dennis Sauve, also getting involved for the first time, said he had to get help from the referees with rules and etiquette, things he just wasn't familiar with.

His team lost their first set 15-2, but surprized the Patriotes 15-11 in the second set. They won game two 15-6, but were forced into a rubber match when La Citadelle tied it up winning game four 15-11.

"We were down 5-1, but came back and tied the game at 12, and you could see that they (La Citadelle) were very worried. They didn't want to make a mistake and lose."

Sauve said La Citadelle came on and won the tie breaker 15-12.

Tues., Dec. 10 both NDDHS squads travel to CCVS is Cornwall and on Wed., Dec. 18 they will play host to General Vanier Vikings.

Tourney champs

Winchester's Atom B Hawks won three consecutive games over the past weekend to become 1985 Mott Minor Hockey Tournament champions. Hawks nipped the Canterbury Crusaders 2-1 in the final game to claim the championship trophy. Members of the squad are, front row, left to right, Cory Fluke, Erin Berry, Danny Adams, Jason Fawcett, Micheal Spear. Back, left to right, Jeff Hyndman, Jason Ibbetson, Denny Raistrick, coach Grey Allen, Cody Mayoh, Kreg Raistrick, Phillip Brisebois.

Atom Hawks win Mott tournament

OSGOODE — Winchester's Atom Level II Hawks moved up a notch to Level I competition over the weekend in the Don Mott Minor Hockey Tournament and won their divisional championship.

Winchester won all three games against stiff competition to become 1985 Atom Tournament champs.

The Hawks got a pair of second-period goals from centreman Danny Adams in the final game as they nipped Canterbury Crusaders of Ottawa 2-1. Adams fired in unassisted goals at 6:57 and 3:04 of the second period to lock up the championship for Winchester. Goalie Denny Raistrick lost his shutout when Canterbury scored at 1:36 of period two.

It took a shootout to decide the winner in the semi-final contest against Osgoode-Rideau. Defenceman Cody Mayoh was the Hawks' hero in this game scoring the winning goal.

Danny Adams forced the shootout when he tied the game up at 2-2 scoring twice in the third period. His first goal was set up by Jason Ibbettson and Cory Fluke and the second by Ibbettson. The Hawks' captain scored at 8:17 and 6:19 to send the game into the tie-breaking situation.

Winchester opened the event last Friday in Manotick posting a 4-3 decision over Pinecrest. Hawks netted three third-period markers to win the encounter. Adams clicked for goals with 1:23 and 23 seconds left in the game to decide the issue. He also drew an assist on Phillip Brisebois at 4:23. Jeff Hyndman notched the other goal scoring from Brisebois at 6:41 of period two.

LEAGUE ACTION

The Hawks continued their winning ways in Winchester Monday night posting an exciting 2-1 UCMHL Level II win over the Brockville Warriors.

Danny Adams scored both Hawks' goals netting the winner on a powerplay with just 13 seconds left in the game. Jason Fawcett drew an assist on the first goal at 9:47 of the second period. Brockville finally beat Denny Raistrick to tie the game up at a goal at 8:19 of period two.

On Dec. 3 Danny Adams and Phillip Brisebois each scored twice in a 6-4 win over the Flyers in Chesterville. Hawks needed three third-period goals to pull off that win. Cody Mayoh and Erin Berry notched single goals and Jason Ibbettson picked up an assist.

Colin Cotnam (2), Peter Decooman and Shawn Carkner replied for the Flyers.

On Dec. 2 the Hawks blanked the Russell Warriors 2-0 thanks to two goals by Dan Adams and a shutout by Denny Raistrick.

The three consecutive victories were the first of the season for Winchester and moved their record to three wins and six losses.

Stars continue to shine

CHESTERVILLE — Chesterville Nestle Stars continue to shine brightly atop the Winchester and District Industrial Hockey League standings after seven weeks of action.

The Stars improved the record to five, one and one posting a 4-1 decision over Winchester Cheese Packers last Wednesday night.

Chesterville took a 1-0 first-period lead on the Cheese when Dave Arnold scored from Wally Vandekemp and John Elgar at 7:05.

They made it 2-0 when Pat Imrie netted a goal on a pass sent his way by Gary Jarvis.

Blair Henderson's unassisted marker at 14:03 of the second stanza enlarged the Stars' lead to 3-0.

Jim Hume had his hopes for a shutout dashed at 14:39 of the third period when Mike 'Goose' Guy scored from Pete Nooyen and Dwayne Fawcett to make it 3-1.

Chesterville finished it off scoring their fourth and final goal when Pat Imrie teamed up with Lyle Servage and Pat Kelly to make it 4-1 at 12:14.

AULTS WIN 5-2

Ault Foods Flames cracked open a 2-2 tie, scoring three times in the final 1:31 of their game and went on to down the Hydro 5-2.

Dale Simms connected from Ed Gove and Don Simpson at 14:52 of the first period, but Hydro tied it up at the six minute mark when Dean McIntosh scored from Brian Moran and Bill Moran.

Ault got the lone goal of the second period when Don Simpson fired in an unassisted marker.

Hydro pulled into a 2-2 tie with just 2:23 left in the game. Pat Moran deadlocked the contest at a pair when he tucked in a pass sent to him by Keith McRoberts and Dean McIntosh.

But Ault caught Hydro flat-footed in the final minutes of play and rammed in three goals to take a 5-2 decision.

Russell Bantams take two of three

RUSSELL — Russell's Bantam Level II Warriors won two of three Upper Canada Minor Hockey League games last week slamming South Stormont 8-1 and blanking Edwardsburg-Prescott 4-0. Their lone loss was a 6-1 setback suffered at the hands of the first-place Mustangs last Thursday (Dec. 5) in Metcalfe.

Two of his team's three losses have come at the hands of the Mustangs and Russell coach Peter Kruys is still amazed at the lack of success his club has against Metcalfe who have eight wins and a tie in nine league games.

The Mustangs continued their domination of Russell last week winning 6-1.

Russell's Bill Bourguignon ruined Chris Racine's hopes for a shutout when he scored Russell's lone goal from Keith Cheshire and Eric Norris with just 1:36 left in the game.

Dwayne Crawford connected twice and set up another Metcalfe goal while Chris Eggens netted one goal and helped out on three others. Daryl Warren and Ken Skillen each had a goal and one assist. Mark Sheldrick accounted for the other Metcalfe goal.

Last Tuesday (Dec. 3) here at home Russell hammered South Stormont 8-1 as Bill Bourguignon and Jamie Paulhus each blinked the red light twice. James Morrow, Keith Cheshire, Farris Cornell and Chris Cousineau added single goals. Richard Hamelin (2), Cornell, Paulhus and Cheshire all picked up assists.

Jeff Gallinger's powerplay goal with 57 seconds to go shattered Tyler McKinnon's hopes for a shutout.

In Prescott on Saturday Alain Deschamps registered the shutout as the Warriors scalped Edwardsburg-Prescott 4-0.

Farris Cornell and Bill Bourguignon put Russell up 2-0 in the first period and Alain Gregoire finished it off with two goals in the late stages of the game. Bourguignon, Paulhus, Cornell, Ryan Heath, Richard Hamelin and Alain Deschamps all drew an assist for the winners.

Novices split exhibition games

WINCHESTER — Winchester's senior novice Hawks split a pair of games last week dumping Richmond 5-1 here at home Saturday and losing 7-2 to the Kinsmen Warriors in Brockville last Tuesday.

In junior novice action Winchester's little Hawks romped to a 19-0 win over Morrisburg. Sam Ault led the charge scoring nine of Winchester's 19 goals.

Here last Saturday Richmond grabbed a 1-0 lead on the senior Hawks netting the only goal of the first period, but the home team fired in three unanswered goals in the second period to take a 3-1 lead. They then pumped in two more in the final stanza for a 5-1 final.

Last Tuesday in Brockville the Warriors got a hat trick from Mike Daoust enroute to a 7-2 win over the senior Hawks.

Adrian Pancirov and Andrew Holmes scored for Winchester who got assists from Matthew Robinson and Tim Shrigley.

Ricky Mayoh and Clint Hedge split the work between the pipes.

Flying club taking off

EMBRUN — The inaugural meeting of the Embrun Flying Club was held at the Embrun-Russell airport on Nov. 21, 1985.

Homer Gordon was elected first president. Other officers include Fred Bruce as secretary, Jean-Rene Bergevin as treasurer, and Gilles Gratton as vice-president. Ten directors were also elected on the executive committee.

The first general meeting of the club is scheduled for Thurs., Dec. 12, 1985 at the Embrun-Russell airport. Anyone interested in flying fellowship is welcome to attend. The club is intended to meet the needs of private pilots and owners, home builders, parachutists, ultralight owners and to offer grassroots flying instruction in a near future.

For more information, call Tom Smith at 613-835-2792, Homer Gordon at 613-822-0386, or the Embrun-Russell Aiport at 613-443-3275.

Pee Wee Cs post victories

WINCHESTER — After tying three Upper Canada Minor Hockey League Pee Wee Level III contests Winchester's Pee Wee C Hawks have exploded for a pair of exciting 2-1 victories.

Last Monday (Dec. 2) in Morrisburg the Hawks nipped the home town Lions 2-1 and here at home last Thursday posted the same 2-1 result over the visiting Metcalfe and District Mustangs.

Cory Coons took a pass from Greg Bell and scored to give the Hawks a 1-0 lead on Morrisburg at 8:29 of the first period.

Richie Sarault raced up ice and made it 2-0 scoring what would prove to be the winning goal on an unassisted play.

Morrsiburg spoiled SheaLyn Summers' chance for a shutout scoring with 7:42 left in the game. Eddy Montroy got credit for the lone Lions' goal.

In last Thursday's home game J. Thomas put the Mustangs up 1-0 when he connected from Gervais and Brodribb at 11:21 of the first period, but that was the only shot Hawks' SheaLynn Summers was unable to stop in the remainder of the game.

Winchester tied it up at 1-1 at 7:54 of period two when Brett Richardson scored.

Chris Oldford won the game at 5:22 when he finished off a play set up for him by Stacey Berry.

Oldtimers win

WINCHESTER — Harvex Hustlers, Winchester Old Hawks and Winchester Capitals all posted victories in exhibition hockey encounters last week.

Harvex travelled to Cardinal last Friday night and played a double header taking on Rohm and Haas in an 8pm contest and Cardinal Bulldogs in a 8:30 encounter.

Thanks to strong goal tending by Kevin Baldwin (in both games) the Hustlers, with just eight skaters, won both games. They nipped Rohm and Haas 3-2 in the first game on a pair of goals by Pete McKay, who scored the winner with four minutes to go, and a single by Richard Gilmer.

Dick Christie led the Hustler attack in game two scoring three times in a 6-4 decision over the Bulldogs. Al Van Bridger, Phil Lyall and Richard Gilmer netted single goals.

Sunday morning the Hustlers nipped Morewood 6-4. Bob Peddle and Phil Lyall each scored twice while Gilmer and Pete McKay added single goals for Harvex.

OLD HAWKS

Last Friday in Kemptville Winchester's Old Hawks posted a 4-1 win over the home team. Clair Robinson led the Hawks with two goals. John Sloan and George Bloom pumped in singles.

In their Sunday morning home game the Hawks downed Berwick 6-4. Reg Hyndman and George Bloom paced Winchester's attack scoring two goals apiece. Bill Hogaboam and Carl Robinson fired in singles.

CAPITALS

In their last three outings the Winchester Capitals have posted three straight victories, the latest a 12-4 win over Bouck's Hill Boulders.

On Dec. 1 the Caps dumped Winchester 11-3 with Barry Casselman and Brian Moran showing the way with three goals apiece. Doug Duncan added a pair while John Klein-Swormink, Owen Shortt and Pierre Beausoleil added singles.

Last Wednesday in Cardinal the Caps edged Matilda 6-4. Pierre Beausoleil scored two goals while Glen Taylor, Pete Filion, Dan Lecours and Owen Shortt all ripped in a goal each.

90th birthday for Grandma Cowell

Practically everyone was at St. Paul's Anglican Church Hall, Osgoode, last Saturday afternoon to help "Grandma Cowell" celebrate her 90th birthday. The lifelong Osgoode resident was not only honored by a host of relatives and friends, but also the recipient of beautiful scrolls, plaques, and personal greetings from those serving the area at all levels of government. Osgoode's favorite pioneer is the mother of four children, two foster children and grandmother of 11 grandchildren, 19 great grandchildren and two great great grandchildren. The Press joins in extending warm and sincere good wishes.

Birthday "boys"

Partying continued at Stanley Apartments, Metcalfe, on into the late evening last Sunday. Following the afternoon anniversary celebration for Mr. and Mrs. MacLaurin, the residents were all back in the common room in the evening to help Ken and Lloyd mark significant birthdays. For Ken McCallum (right) it was a cake requiring 87 candles while for Lloyd Moore it was his 72nd. The Press joins in extending good wishes to both. Press Photo—Rowan

Pre-Christmas festivities occupy Wednesday Club

METCALFE — Members of Metcalfe 'Wednesday Club' (senior citizens) are enjoying a happy round of pre-Christmas parties including eating out at popular restaurants, shopping tours, and service club entertainments.

The new Coldspring Restaurant was the first stop last week when 58 members sat down to a delicious Christmas feast served by the management. Following dinner all participated in carol singing with special introductions by Marjorie Stearns, Lois Eadie, Greta McKeown, Don Waddell, Audrey Graham, Wilmott Stanley, and Grace Macadam who described the origin and composer of each carol.

Winners of exciting Christmas draws were Art Bourbonnais, Leonard Fisher, Joe Lamb and Adelard Bourbonnais.

Ray Wilson and Wilmott Stanley proved convincing Santas distributing gifts from the beautifully decorated tree.

A highlight of the day was presentation of a clock to Mr. and Mrs. Cam MacLaurin on the occasion of their 60th wedding anniversary. Don Waddell, on behalf of all, extended greetings and the gift was presented by Mrs. Rose Morris.

LIONS ENTERTAIN

Again this year Metcalfe and District Lions Club invited all senior citizens to a Christmas Wine and Cheese party and 'Wednesday Club' members joined friends from Greely and Vernon at the colorful party.

Featured on the program were the "Marvelvoices", a musical group that generously offered their time and talent to make the occasion a truly memorable one.

The group is directed by Sebe Stopples with Peter Wichers as master of ceremonies. Pianist is Helen Parsons with harmony provided by Mary Ellen Wichers, Kathy Wichers, Mary-Ann Wichers, Patricia Verhoeven and Lisa Verhoeven.

During breaks in the program Lions committee chairman Al Micus conducted draws for gifts, and the delightful evening concluded with coffee and delicious homemade Christmas cake.

Jean Boyd

On Dec. 1, 1985, Jean Boyd died at the Mississauga Hospital. Mrs. Boyd was born Feb. 19, 1890 at Ormond, a daughter of the late Hugh Stewart and Margaret McArthur.

She was predeceased by her husband, Malcolm Spurgeon Boyd, on Nov. 26, 1965. She and her husband, formerly of RR1, Winchester, moved to Islington, Ont., in March 1958. Mrs. Boyd was a graduate of Moulton College, Toronto.

Mrs. Boyd is survived by her daughters, Albra Duncan, Toronto and Leora Windrim and her husband John Stanley Windrim of Mississauga as well as a nephew Hugh Stewart, Beaconsfield, Que.

Her two sons, Nairn and Kendon were killed in action July 8 and 9, 1944 respectively. Her brothers Alex and Jack predeceased her.

Arrangements were made by Brown Bros. of Mississauga.

Interment will be in the spring at Springhill Cemetery.

Gladys Maria Kirkwood dies

Gladys Maria Kirkwood of Brinston died at her home Dec. 2, 1985. She was 73.

Mrs. Kirkwood was born Feb. 18, 1912 in Haddo, Ont., a daughter of Henry Flett and Annie Gertrude Stacey. She married Charles L. Kirkwood at Iroquois in 1948. Mr. Kirkwood died July 15, 1981.

Mrs. Kirkwood is survived by son Karl Kirkwood of Hainsville, Ont., step-daughter Doris Burnes of New Liskeard and grandchildren Roger, Darryl and Carole Kirkwood, and a sister Edna (Mrs. George Barton) of Dixons Corners.

Funeral services were conducted by Rev. Allen Tysick at the Fairbairn Funeral Home Limited at 11am Fri., Dec. 6.

Pallbearers were Clifford McCooeye, David Kirkwood, Lorne Link, Dennis Wright, Tommy Cougler and William Hunter.

Interment was at Maple Ridge Cemetery.

Winchester ho-ho-hosts Santa

Some had to hitch a ride on the shoulders of parents to get a look at the man they were waiting to see, but Santa's young fans were not disappointed Saturday. The annual Winchester Christmas parade drew the usual enthusiastic crowds, and the array of creative floats gave the judges a challenging task.

Farm update

Pelissero retains post

Harry Pelissero

TORONTO — Farmers must fight to regain control of their industry, Ontario Federation of Agriculture president Harry Pelissero told representatives of the province's largest farm lobby group at their 49th annual convention.

Pelissero, an egg producer from St. Ann's, Ont., was re-elected president of the organization for another term.

Pelissero called on farmers to resist the growing cynicism resulting from the turmoil and hard times in agriculture today, and to try to regain control. "The challenge is to use events and forces, instead of letting them use us," he said. "Unlike others who think irreversible outside forces will decide how we live and work in the future, I believe we can — and should — take an aggressive role in making sure the future is what we want it to be."

Pelissero said the best way for the OFA to ensure stability and prosperity for agriculture is through continuing aggressive political action.

"Some people may say the OFA has been too political," he said. "I say we're just beginning to use the system the way it's meant to be used.

"The answer to our problems isn't going to be found in plowed fields. It's going to be found in the political field."

Brigid Pyke of Wolfe Island was re-elected first vice-president of the OFA, while Jack Wilkinson of Camlachie won another term as second vice-president. Pyke and Wilkinson initially challenged Pelissero for the presidency, but he secured a majority vote on the first ballot.

"I welcome the competition," said the newly-elected president. "It's a sign of a healthy, dynamic organization. The three of us may differ in leadership style, but we have the same goal — a better deal for Ontario's farmers."

OFA convention tackles issues head on

TORONTO — Free trade, fair pricing, corporate mega-farms, GATT negotiations, mandatory check-off financing — there was a lot on the front burner at the Ontario Federation of Agriculture's 49th annual convention.

Held Nov. 25-27 at the Skyline Hotel in Toronto, the annual meeting of the province's largest farm lobby group headlined major speakers on major topics.

Donald S. Macdonald, chairman of the royal commission on Canada's economy, faced the ire of farmers as he defended his attacks on farm marketing boards.

"Daniel went into the lion's den; Donald went into the farmer's pen. We heard his side of the story, and we're not buying," said Harry Pelissero, OFA president. Marketing boards are considered vital stabilizing mechanisms in Canadian agriculture by many commodity groups.

FREE TRADE

Macdonald also received a barrage of questions from farmers on his stand on free trade for agriculture. The OFA has consistently lobbied against the inclusion of agriculture in free trade negotiations with the Americans.

Ontario's farmers fear the United States would demand the dismantling of vital Canadian farm support programs. Macdonald agreed that if the United States refuses to put their own farm support policies on the table for discussion, then Canada should not have to either.

Everett Biggs, former Ontario deputy minister for agriculture and food and chairman of the 1981 Emergency Task Force on Agriculture, was also a major speaker at the farmers' meeting.

"It is fair to expect farmers to compete with other farmers, but it is not fair to expect them to compete with foreign treasuries," Biggs said. He pointed out that the European Economic Community has persistently encouraged over-production of agricultural commodities, paying out over $24 billion in production subsidies in 1984 alone.

"Excessive levels of support in the EEC" combined with "many developing nations' use (of) cheap agricultural exports to generate foreign exchange" has led to dumping of products on world markets and resulted in extremely depressed prices to Canadian producers," Biggs reported.

Biggs noted the strengths and weaknesses of alternative solutions to the fair pricing problem. Provincial subsidy programs, he said, "are extremely dangerous and have resulted in competition between provinces and unrealistic growth in production in certain areas." Two-price systems "have worked successfully (but) the export loss can be extremely high." In the Canadian experience, "supply management works (and such) products have tended to have greater price stability than some other agricultural products."

AGRICULTURE'S FUTURE

A panel discussion moderated by OFA past-president Peter Hannam dealt with the future direction of Canadian agriculture.

Dr. Kenneth Farrell, policy director for the Brookings Institute in Washington D.C., emphasized that technology, the external economic environment, and public sector farm policies would be the chief forces affecting farm businesses.

Currently available technology, Farrell claimed, would lead to continued productivity improvements and to rapid change in the production capabilities of various countries. Commodity and food product trade would become increasingly international, and would diminish the ability of domestic industry to insulate itself from world trends. The spill-over effect of other countries' agricultural policies would continue to de-stabilize commodity markets and farm incomes through to the year 2000, Farrell concluded.

Dr. David Douglas, director for the School for Rural Planning and Development in Guelph, argued that while the family farm would continue to be the dominant form of farm ownership, it would be a very different family operation from the one currently known.

The family farm of the future, Douglas stated, will be more capital-intensive, more specialized in its production at a point in time, but more flexible as to production alternatives over time. Financial management, coupled with market-driven production planning, will become the key to success. Farmers, he said, will explore other sources of income apart from receipts from sale of farm produce. The role and perception of part-time farming will change greatly.

GATT AND AGRICULTURE

The history and implications of GATT (General Agreement on Tariffs and Trade) for agriculture were covered in a paper presented by Mike Gifford of Agriculture Canada.

From agriculture's perspective, GATT has a mixed track record. Some tariffs on agricultural products have been reduced through GATT. On the other hand, GATT has proved largely ineffective in dealing with non-tariff measures such as export subsidies. As well, GATT rules covering agriculture have become full of exceptions and deviations.

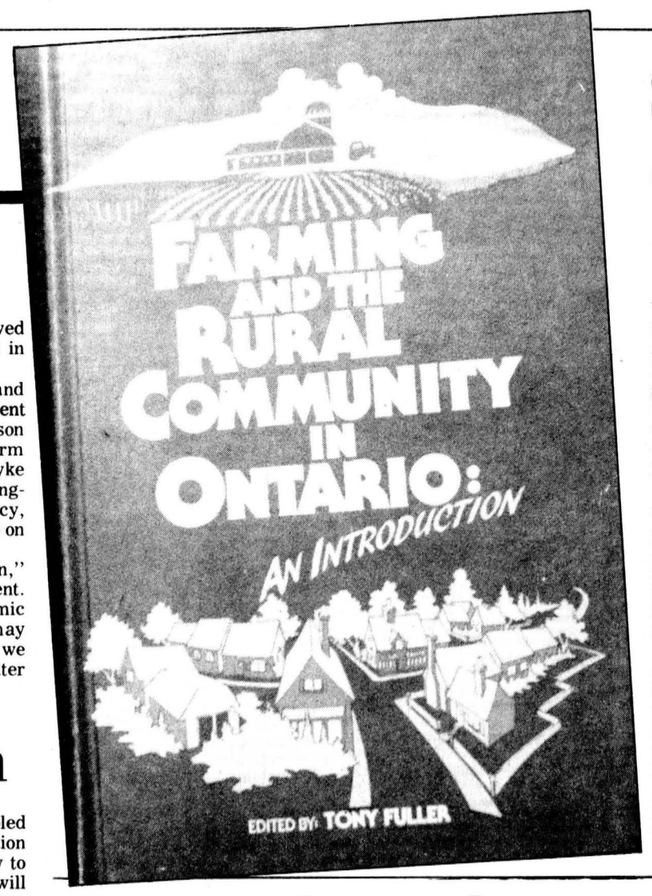
Canada's interest in GATT is obvious. Exports are close to 50 per cent of farm cash receipts. Our trade interests fall under three categories:

Improve and secure access to export markets.

Bring subsidies under more effective international discipline, and

Re-establish contractual balance of rights and obligations.

What we are prepared to pay will be a politically and economically sensitive issue. It is up to the agricultural industry to make its views known, Gifford stated.



Source book on rural issues touted by OFA

WINCHESTER — Farming and the Rural Community in Ontario, a book published this year by the Foundation for Rural Living, should prove a valuable addition to area school and libraries, says Gordon Garlough, Dundas County's director to the Ontario Federation of Agriculture.

Garlough said he hopes to distribute pamphlets on the book, and suggested members of the Dundas Federation could use it as a reference. "It's the only place you could get all this information in one place," he said.

The book, co-authored by 21 contibutors, is aimed at providing information on farm and rural issues to the public. In the introduction to the book, Foundation for Rural Living president Peter Hannam says the foundation hopes to expose a range of opinions and controversies centering on farm issues.

Chapters cover a broad spectrum of information, from the early development of agriculture in Ontario to the impact of urban growth on rural communities. One chapter outlines a rare research project comparing the fitness of a group of dairy farmers to the average male Ontarian, while another covers the emergence of farm women's organizations.

The Foundation for Rural Living is a charitable organization operated by directors from the Ontario Federation of Agriculture, the University of Guelph, the Ontario Ministry of Agriculture and Food, and the Ontario Institute of Agrologists. Anthony M. Fuller, editor of Farming and the Rural Community in Ontario, is associate professor of the University of Guelph's school of rural planning and development, and was director of the Guelph Rural Development Outreach Project until its conclusion in 1982.

40-year veterans receive pins

Election of officers, production awards highlight Holstein Club annual

WINCHESTER — Two Dundas milk producers were recognized for 40 years of membership in the county's Holstein Club here last week.

Merle Graham, a retired Hulbert dairyman now living in Williamsburg, and Harold Allen of Mountain joined the club in 1945 and were awarded 40-year membership pins as veteran breeders at the club's annual meeting last Wednesday.

"Without these gentlemen, who gave the work and the dedication over the years, the Holstein breed wouldn't be what it is today," said club president Charles Farlinger.

A new slate of officers and directors was also elected at the club's final meeting of 1985. Heading up the executive as president is Allan Baker of RR1 Inkerman; past president, Charles Farlinger, RR1 Morrisburg; first vice-president, Jim Adams, RR2 Brinston; second vice-president, Peter Leyenaar, RR1 Williamsburg; and secretary, Lois Keyes, RR1 South Mountain.

Prior to revisions of the club's constitution passed at the meeting, each of the four townships was represented by five directors. An amendment allows any 20 members to sit as directors, provided each township has at least one representative.

All townships are well represented on the new board of directors.

Richard Helmer, Wilmer Porteous, George Ennis, John Douma, Peter Guy and Tom Clapp will represent Winchester Township in 1986.

From Williamsburg Township, Peter Leyenaar, Richard Hess, Steven Byvelds and Gary Pemberton were elected.

Charles Farlinger, Bert Smail, Ralph Tibben, Reg Gilmer, Josie Groniger and Jim Adams will represent Matilda Township.

Mountain Township directors are Allan Baker, Dale Boyd, Danny Johnstone and Larry Allen.

The county's top herd owners on milk recording programs were also recognized.

Sunnylodge Farms, on the Record of Performance program, recorded the highest composite Breed Class Average (BCA) of 184, with a milk production BCA of 177 and fat BCA of 191.

J. Frank Casselman achieved the second highest composite BCA of 172.5, followed by Allan F. Baker, 166.5 and Richard Hess 161.5.

Longtime production certificates were also awarded to county breeders. Delbert Link was recognized for an animal that has produced 100,000 kilograms of milk.

Adamdale Holsteins, John A. Byvelds, Mellholm Holsteins and Terrdale Holsteins each received certificates for production of 90,000 kilograms.

H.J. Boyd and Sons, Brian J. Enright, Glenn Pemberton, Terrdale Holsteins and Sunnylodge Farms Inc., with two cows, were recognized for 80,000 kilogram production.

Seventeen breeders received certificates for animals producing more than 70,000 kilograms and 21 owned animals which had produced at least 60,000 kilograms.

Superior production awards were presented to Allan Baker, Delbert Link, J. Frank Casselman (for eight cows) and Sunnylodge Farms (for 10 head).

Merle Graham of the Dundas Holstein Club received a 40-year pin at the club's annual meeting in Winchester Wednesday from president Charles Farlinger (left).

Members of the Dundas County Holstein Club elected their new executive at the annual meeting last Wednesday. Back row from left are Lynn Boyd, Eastern Ontario representative for Holstein Canada, past president Charles Farlinger, first vice-president Jim Adams, second vice-president Peter Leyenaar. Front row, secretary-treasurer Lois Keyes and newly elected president Allan Baker.

CFF first aid course filled

WINCHESTER — A three-day first aid course to be held at Winchester District Memorial Hospital next month, is already filled, said organizer Alice Schuler.

The Dundas chapter of the Christian Farmers Federation of Ontario decided to sponsor the course following the successful safety workshop for farm women held at Eagle Farm Equipment last spring, said Schuler. The course will run from 10am to 3pm, Jan. 8, 14 and 21.

The 20 available spaces have been filled, but if sufficient interest is shown, the group may organize a follow-up course in cardio-pulmonary resuscitation (CPR).

Dundas Holstein Club promotes breed in 1985

WINCHESTER — Members of the Dundas County Holstein Club looked back on an active year at their annual meeting Thurs., Dec. 5

One of many highlights in 1985 was the County Holstein Show at South Mountain on Aug. 17, which saw 25 exhibitors display a total of 112 head. Sunnylodge Farms picked up the Premier Breeder, Premier Exhibitor, Junior Champion, Grand Champion, Best Udder and Breeders Herd awards. One of the largest ringside crowds at a county show was on hand for this year's event. Adamdale Holsteins again sponsored the novice class, with the Holstein Club presenting a rosette to each participant.

A busy program for the year got under way Jan. 26 with the open barn rally, a first-time attempt to allow county breeders and visitors the opportunity to visit area farms. Breeders taking part in the day were Wilmer Porteous, Ralph Fawcett, H.J. Boyd and Sons, Dale and Dean Keyes, Richard Helmer, Allan Baker and Tibben Farms.

Next on the 1985 agenda was Dairy Day, an event co-sponsored by the Dundas Milk Committee, the Ontario Ministry of Agriculture and Food and the Dundas Holstein Club. Matilda Township hosted the program, held at Ricrodreg Farms, Dwight Gilmer and Sons Ltd., and Adamdale Farms, Delmar and Jim Adams.

Kitchen meetings were held Feb. 27 at the Adams farm and Feb. 28 at the farm of Peter and Karen Leyenaar. Speakers were George Ennis and Lynn Boyd.

Club members also took part in a two-day bus trip to the Quebec area east of Victoriaville March 11-12. A one-day excursion was arranged to Carleton, Lanark and Renfrew counties.

Five county breeders supported a county calf sale, which saw 53 calves sold for a total of $62,650, averaging $1,186.41 per calf.

A twilight meeting and barbecue was held July 31 at the farm of Allan and Jean Baker.

Leather halters were presented again this year to all first-year 4-H club members showing a Holstein calf. The club gave $5 to each 4-H member exhibiting his or her calf at the County Holstein Show, and $5 to the Grand and Reserve Champions in each age group at the 4-H achievement day. The club assisted with a showmanship clinic held on Aug. 12 at the farm of Bert Smail, Brinston. Ron Stewart led a clipping demonstration after which the members were given an opportunity to clip a calf themselves.

The Dundas Holstein Club sponsored the ladies' breakfast at the Ontario Branch annual meeting held Feb. 6 at the Westin Hotel in Ottawa. Musical entertainment was provided by the Acres family of Metcalfe.

The club's annual banquet was held Nov. 2 at the Mountain Township Agricultural Hall in South Mountain.

Leadership - the rural way

NEPEAN — Garbage disposal sites, hydro corridors, elevated taxes — people living in rural areas are suffering losses and becoming anxious.

"There aren't answers to a lot of these issues, but answers can be developed by competent individuals who come from the communities affected and are trained leaders", says Ken Knox, former director of the Rural Organizations and Services Branch of the Ontario Ministry of Agriculture and Food.

Leadership training is part of the branch's services. A course for leaders and potential leaders of rural organizations will be presented on Jan. 20, 27 and 28 and Feb. 3 at the Richmond Curling Rink from 9:30am until 3:30pm. The four-day program aims to unite and stengthen the communications skills of rural people. Course co-ordinators are Colleen Brown of Richmond, Margaret Munro of Carp and Joanne Newman, Rural Organizations Specialist.

"People want to feel comfortable when they approach the media to express their concerns for good agricultural land" says Newman. To this effect, the first day of the course will highlight concerns for agriculture and will involve practice sessions with radio, television and press.

Motivation is the key to success in uniting people. Day two of the course will emphasize motivation within organizations, structural strength of effective meetings and roles of members in rural organizations. "We hope that participants will leave this day feeling more efficient and effective at overcoming poor attendance and apathy at public and closed meetings" says Newman.

Networking forms a vital part of successful organizations said Newman. Community leaders will learn this skill in day three of the leadership course. Emphasis on writing resolutions, debating, defending or defeating them will arm course participants with knowledge needed to present themselves at council meetings.

Ottawa-Carleton is unique with its four levels of government. Day four of the course will introduce Norman Sterling, MPP for Carleton-Grenville. He will talk on how rural people should approach government to obtain what they want. Image and persuasion will be emphasized in the presentations for the day. "Have You Got What It Takes" will train community leaders on how to present successful briefs on issues such as garbage disposal sites.

Interested individuals can register for the "Leadership Course for Rural People" before Dec. 20 at the Bell's Corners Ministry of Agriculture and Food office.

Safety task force files report

TORONTO — Accidental deaths and injuries on Ontario farms would be substantially reduced as a result of recommendations presented Mon., Dec. 2 by the task force on health and safety in agriculture.

Established by the ministries of labor and agriculture and food in 1983, the seven-man task force was chaired by Dr. N.R. Richards, formerly of the University of Guelph. Its 52 recommendations cover ways of improving farm safety in the areas of farm machinery, structures, chemicals and human factors.

The report calls for broader safety education programs, improved reporting of farm accidents, enhanced safety features on farm vehicles and improved on-farm handling of pesticides.

The task force urged that a central agency be established jointly by the two ministries to assume overall responsibility for agricultural health and safety programs.

The report points out that not only adults, but also children are victims of farm accidents each year.

"This is a valuable report that points the way for a significant reduction in farm fatalities and injuries, after all, farming is just as dangerous as many industrial jobs," Agriculture and Food Minister Jack Riddell said.

"While there are many differences, farmers and farm workers certainly deserve the same attention to health and safety as any other Ontario worker," said Labor Minister William Wrye.

Task force chairman, Richards said the main thrust of the report was to suggest ways government and the agricultural industry could help farmers decrease the health risks in food production. "Of course there will be a cost to implementing these recommendations," he said, "but I feel that all of us must bear some responsibility to ensure that those who produce our food do so in relative safety."

The task force conducted public hearings in 11 centres throughout Ontario and received 76 written and 20 oral briefs from agricultural organizations and individual farmers and farm workers.

In addition to Richards, the task force consisted of four farmers and two farm workers.

Garlough looks beyond farm gate

by Chris Must
Press Editor

WILLIAMSBURG — A decade of teaching high school may seem like an unusual preparation for a man who spent the last 10 years lobbying on behalf of Dundas County farmers. But for Gordon Garlough, the county's representative to the Ontario Federation of Agriculture, the experience was a valuable one.

"My reason for getting involved was just the fact that when I was teaching I had some experience with representing my staff," he says. "A large fraction of people don't feel comfortable getting up in front of a meeting and saying something, and while I wasn't good at it, I didn't mind doing it."

Garlough was raised on the farm of his father Wilbur just outside Williamsburg, but decided to pursue a career in teaching. After a stint as a high school science teacher from 1964 to 1974, however, disillusionment set in.

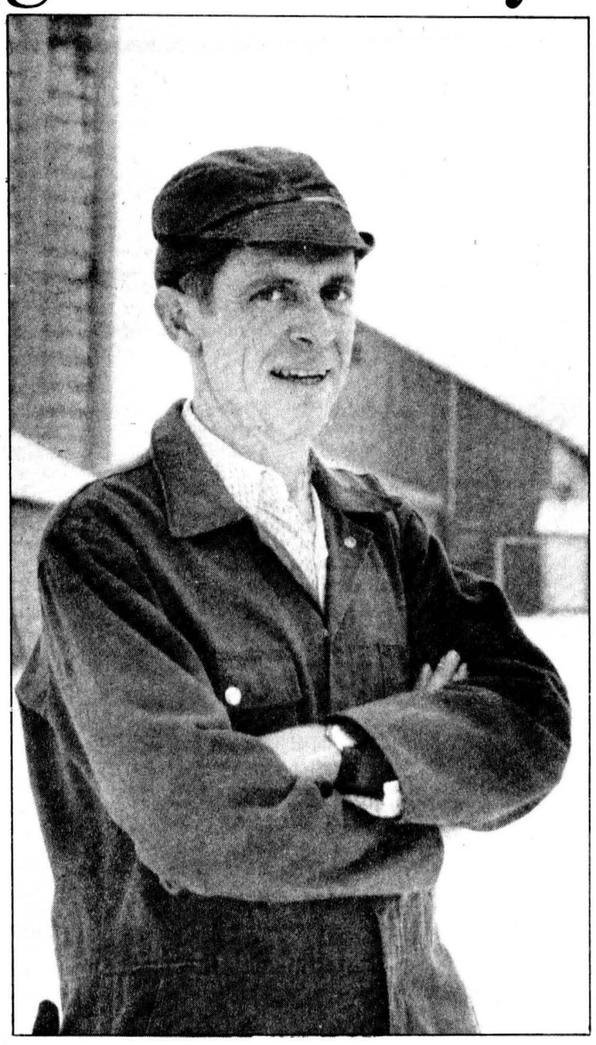
"My outlook on education didn't really agree with the outlook the ministry seemed to have," he remembers. "I was interested in the farm and it came to the point where I thought if I made enough to survive on I'd be more content doing that then making what I was making in the teaching business."

Today Garlough manages the 250-acre family farm with his father and brother Bruce, milking a herd of roughly 50 Ayrshires on a year-round basis. He says sharing the operation with his brother makes it possible for both to be active in different farm organizations.

Gordon Garlough's interest in representing the Dundas Federation of Agriculture at the provincial level began in about 1975 with a trip to Toronto to attend a special meeting on the subject of stabilization, sponsored by the Ontario federation.

"I just thought the meeting was interesting and well run," he says. "It didn't seem like too bad an organization to get involved in."

Garlough says the provincial directors job is to serve as a two-way communications link, carrying the ideas, concerns and opinions of the county association to the provincial level, and carrying the input of the board of directors back to the county level. The job requires a monthly trip to Toronto to attend the board of directors meetings. County association meetings are also monthly, and the provincial director is called on six or seven times each year to represent the county at regional meetings as well. Meetings involving several counties are not regularly scheduled, but are held whenever issues or concerns arise.



Dundas County's representative on the Ontario Federation of Agriculture board of directors, Gordon Garlough says farmers must look further than their own farm gates to understand the issues that affect them. Press Photo—Must

"About 25 to 30 days a year are taken up with one thing or another," Garlough says.

Apathy remains a problem in most farm organizations. Garlough says he is bothered whenever he attends a meeting and finds only a handful of people present, but he doesn't see any easy solution. "I find it disturbing, but I don't know what the answer is," he says. "Some farmers look at farming and what affects it only as far as their own farm gate."

During his years on the OFA's board of directors, Garlough has seen the focus of the organization's attention shift away from problems associated with the interaction between farmers and the rest of society and toward the financial crisis in agriculture.

The problem of the farmer's right to carry on his business without harrassment should not be completely overshadowed by financial concerns, Garlough says, pointing to recent cases which illustrate problems between farmers and their neighbors. Some farmers in other provinces have been forced to pay large sums to compensate neighbors for "mental anguish" suffered as a result of odors from the farm, he says. In another case a farmer was fined after shooting a dog which was harrassing his sheep. In these and other cases, Garlough says, "Laws get twisted to the point where they don't protect us."

Since the early 1980's, these concerns have been pushed to the bottom of the OFA's agenda. "In spite of the financial crunch, some of these other things are still encroaching on us," Garlough says. "We've got to look at both areas."

According to Garlough, belief in your cause is the key to effective lobbying. "Your case has to be something that you as an individual or a group really believe in."

That case has to reach the political level in three different ways to be effective, he adds. First, the message must come to the federal or provincial member of parliament through letters or calls from individual people. The county organization must also take a stand and let the politicians know its position. Thirdly, the same message must come from the provincial level of the organization, and it must go to both the politicians and the bureaucrats involved.

According to Garlough, the federation's major weakness in lobbying takes place at the personal level. "Our biggest failure is not getting enough individual farmers involved in issues and in taking these issues to their representatives."

But there have been successes as well. Over the years, a major triumph was the farm tax rebate system initiated in 1971 because of pressure from groups of farmers concerned about the escalation of their taxes. "It's been of widespread benefit," Garlough says. "You can thank the farmers who were determined enough to say 15 years ago, I'm going to put my name on the line."

Another victory for Eastern Ontario farmers was the South Nation River dredging project, partly brought about by support generated by some Dundas farmers from the provincial federation.

The formation of the Ontario Corn Producers' Association was a success of a different kind. The Ontario Federation of Agriculture provided office staff and some funds for the fledgling organization after government refused to help, Garlough says. Many people donated their time to help set up the organization.

The federation also co-operated with the Christian Farmers Federation of Ontario to set up the Farm Financial Advisory Service, which has reviewed about 250 financially-troubled cases since 1983. "It hasn't saved everybody it has dealt with by any means, but it has given them an outside independent opinion."

Garlough says he doesn't see any bright spots in the ongoing financial crisis affecting Ontario farmers, but his own commitment to the family farm remains unshaken.

"My own situation where I'm not under financial pressure at the present time is to stick it out and see what's going to happen."

Egg prices down again

OTTAWA — Christmas bakers got some good news Dec. 2 from the Canadian Egg Marketing Agency which announced another penny would be trimmed from the price of Grade A large eggs.

It's the third month in a row that prices paid to egg producers have gone down due to declining feed costs.

With the one-cent drop, egg prices are now at a 30-month low, reported the agency.

Egg prices are adjusted at the beginning of each month by the producer-run agency using a cost of production formula. The adjustments are reported in advance to the federal government's National Farm Products Marketing Council.

Egg prices paid by consumers are actually set by wholesalers and retailers, but generally reflect changes in the producer price.

Our best furnace parts plan.
Farm diesel, lubricants, gas.
It may seem strange to you to hear an oil company say that we do want to help you burn less oil and reduce your home heating costs. We believe by modernizing and updating your present system we can accomplish this for you. To show you that we mean what we say, we offer you a "FREE EFFICIENCY TEST" of your oil heating equipment. Our technicians are trained to perform the most up-to-date analysis of your system with our new electronic equipment. You have our personal promise that our representative will be open and honest with you.

Card of Thanks

CARD OF THANKS — We would like to take this opportunity to thank everyone for the cards, gifts and best wishes given to us on the occasion of our 40th wedding anniversary. Special thanks to our family and everyone who helped to get ready for the party given in our honor. Thanks again.
—Delbert and Reita Wyatt 35

CARD OF THANKS — We would like to thank all our friends, neighbors and relatives for the cards, gifts, flowers and visits we received while in the hospital and since returning home. A very special thank you to Dr. K. Darbyshire and maternity staff for their excellent care. Your thoughtfulness was deeply appreciated.
—Sincerely, Donnie, Mary and Christopher Thompson 35

CARD OF THANKS — I wish to thank Madeline and the nurses at the Winchester Hospital. Special thanks to Dr. Bob Rowan for his fast response the night of my accident and for his excellent care. Also thanks to Dr. Henderson and the General Hospital, for their kindness. Many thanks to my relatives, friends and neighbors, for their prayers, gifts, cards and telephone calls. Grace and I wish to thank Rev. Kay McKibbon for his visits and prayers at both hospitals.
—Bert MacAdam 35

CARD OF THANKS — Wanda and Garry and little Tonya-Lynn Sheldrick would like to thank all friends and relatives for the lovely gifts received and those who visited Wanda and Tonya-Lynn in the hospital. Thank you.

CARD OF THANKS — Thank you to all our friends and relatives, who helped make our 40th wedding anniversary a special occasion.
—Howard and Gladys Denison.
Metcalfe, Ont. 35

CARD OF THANKS — We the family of the late Charlie Pitts would like to take this opportunity to thank the Drs. and nurses on 1st floor and the ICU unit of Winchester Hospital for giving Charlie such splendid care before his passing. We thank everyone for floral tributes, donations to various charities and the Williamsburg United Church building fund. To all our neighbors who brought baking, etc. to our home and also those who sent to our daughter, Janet's home. Also to Janet for her many trips to the hospital with me as well as so many kind neighbors. A special thanks to Rev. Lowry for his kindness. To Fairbairn Funeral Home, also those who acted as pallbearers. Thanks again. These things will not soon be forgotten.
—Ever remembered Lou and Family 35

CARD OF THANKS — We would like to take this opportunity to thank our many friends, relatives and family for the gifts, flowers and cards and special thanks to our family for the wonderful party. Many thanks again.
—Don and Norma Cinnamon 35

CARD OF THANKS — The First Winchester Brownies would like to thank Allan Crump and Terry Palmer for their part in preparing the Brownie float for the Winchester Parade. Your hospitality was appreciated and you made many little girls happy. Merry Christmas boys.
—Linda Lewis, Brown Owl 35

In Memoriam

BAKER — In loving memory of a dear husband, father and grandfather Garfield Baker who passed away Dec. 9, 1977.
Although eight years have swiftly passed away,
Those we love don't go away,
They walk beside us everyday,
Unseen, unheard, but always near,
Still loved, still missed and very dear.
—Wife Nancy, Bonny, Bev and Shawn 35

In Memoriam

DeCLAIRE — In loving memory of a dear mother and grandmother Lydia DeClaire who passed away Dec. 13, 1984.
We think of her in silence
We often speak her name
All we have are memories
And her picture in a frame.
Our hearts still ache with sadness
And silent tears still flow,
For what it meant to lose her,
No one will ever know.
She shared our hopes, our love, our fears,
We thank her for those wonderful years.
—Sadly missed by James, Laura and Family, Hazel, Rene and Family, Nora, Charlie and Family 35

PRICE — In loving memory of Hazel Price, a dear wife and mother.
So many things have happened, Mom
Since you were called away,
Things that you would have enjoyed
Had you been left to stay.
So many things to share with you,
In just the usual way,
Things that could be so much nicer,
If you were here today.
We miss you, oh so much,
But realize that God knew best,
He let us have you so many years,
Then gently bade you rest.
—Remembered always by husband Graham and Family 35

Grain Marketing Course For Full-Time Farmers

The Eastern Ontario Soil and Crop Improvement Association in co-operation with the Canada Employment and Immigration Commission is sponsoring a six-day "Grain Marketing Course". The course will be of special interest to grain growers handling corn, soybeans or spring cereals. Topics will include: **How corn is dried, grain moisture measurement, continuous flow, batch-in-bin, portable dryers, system planning, dryeration and in-bin cooling systems, low temperature and natural air drying, grain handling equipment, grades and grading, managing stored grains, local marketing of small grain.**

Course participants will also spend two half days touring grain handling facilities.

The course will be held **January 14, 16, 21, 23, 28 and 30, 1986** at the community hall in **Mountain** starting at **10am and adjourning at 3pm.** (On the first day, registration will be from 9:30 to 10:00am.)

Participants should pre-register by sending a cheque in the amount of $40 payable to the Eastern Ontario Soil and Crop Improvement Association to:

Gilles Quesnel, or your Agricultural Representative
Box 2004
Provincial Building
Kemptville, Ontario, K0G 1J0

The $40 fee will cover the six lunches. Enrolment is limited and will be accepted on a first served basis. For further details contact Gilles Quesnel at (613) 258-3411, ext. 280 or Pat Plue at (613) 828-9167.

Corpuscle Cup winners

The twice yearly Corpuscle Cup blood donor competition between students of North Dundas and Seaway Valley high schools was held last Friday at NDDHS and the local student body reclaimed the trophy. Fifty-four students from North Dundas gave blood while the visitors offered 43. The recent donations put the number since competition began in 1981 at more than 1,000 with Darlene Pashak of Brinston, centre, being the 1,000th to help the Red Cross. NDDHS chairman for the clinic, Leslie Edwardson, left, accepts the trophy from Sharon Dillabough, head nurse at the St. Lawrence Medical Clinic in Morrisburg.

NDDHS notebook:

Band to hold benefit concert

MAPLE RIDGE — Two weeks and counting! The countdown to Christmas has begun and spirits are high as the students of North Dundas begin new activities; activities such as volleyball and basketball and float decorating.

With serves, spikes and digs the girls' volleyball teams began their season last Wednesday. North Dundas hosted La Citadelle but the girls couldn't quite cut it: the seniors lost three straight and the juniors lost the tie-breaker 15-12. Better luck next week!

Under the direction of Mr. Jean, the boys' basketball team played their first game Thursday. The boys played a good game (although they lost 69-47), and hopefully they gained some experience for future encounters.

Naturally, with Christmas right around the corner, many events have been popping up. Mr. St. Louis' annual Christmas concert is set for Wed., Dec. 11 with proceeds going to the Stuart Chambers Fund, so come one and come all. The Spirit Committee was also in the Christmas spirit last week as they prepared a float for the Winchester and Chesterville Santa Claus Parades. The theme is "A Modern-Day Christmas", so come on out and join them!

Two questions — how do I buy skis and how do I look after them? — have been plaguing the members of the Ski Club. Thursday, during activity period, a representative of Sports Unlimited will answer these questions and any others our future Todd Brookers may have.

The Corpuscle Cup is ours again! North Dundas ousted Seaway 54 pints to 43 with much thanks extended to all blood donors.

Last, but not least, there was a SADD (Students Against Drunk Driving) Assembly on Tues., Dec. 10. Mr. Whitney invited speakers Const. Al Lummis of the Winchester OPP, who talked about the legalities of drinking and driving, and Mr. Gerry Brown, South Grenville District High School, Prescott, who discussed this school's participation in the SADD program from Grades 11, 12 and 13.

From all the students at North Dundas, we wish you Merry Shopping, and we hope you will join us next week as the story continues ...

TALK, TALK, TALK.

INTRODUCING SELECTEL
FOR KEMPTVILLE AND WINCHESTER. SUBSCRIBE AND YOU COULD SAVE 1/3 ON ALL CUSTOMER DIALED CALLS TO OTTAWA-HULL.

SELECTEL is a new, long distance discount plan that could save you 1/3* on all your customer dialed calls to Ottawa-Hull.
Just $3.00 a month for residence phones or $7.30 a month for business gives you an automatic 1/3 discount. And that saving applies in addition to the usual evening and weekend long distance discounts!
*A minimum charge of $.34 applies on all calls.

CAN YOU SAVE WITH SELECTEL? Take a look at an average monthly phone bill and add up the cost of your calls to Ottawa-Hull. If one third of that total is more than the SELECTEL monthly fee, you can start saving money now.
And if you order SELECTEL by January 31, 1986, there will be no Administration Charge. That's an additional saving of $14.00 for residence and $25.75 for business!

TALK TO US FIRST! Just call the Bell office number on the front of your phone bill to subscribe to SELECTEL or for more details on this money saving, new service. Call today and save!

Bell

SAVE, SAVE, SAVE!

ORDER NOW AND PAY NO ADMINISTRATION FEE!
Save $14.00 for residence and $25.75 for business if you order SELECTEL by Jan. 31, 1986!

A job well done

There's nothing like a familiar face to a patient in a hospital, and those who have made stays at the Winchester facility more pleasant for patients for the past 25 years were honored at the hospital Christmas party last Saturday night. Preparing to work towards 50 years are, left to right, Bert Larocque, Corienne Wilson, Joan MacIntosh, Bert Stel and Gerry Rosenquist. Unable to attend the banquet, but also celebrating 25 years' services, are Audrey Harper, Dr. Howard Justus, Dr. Duane Justus and Ann Cross.

Press Photo—Mitchell

Carol festival held at Vernon

VERNON — The Osgoode Presbyterian Church in Vernon held its fifth annual Festival of Carols on Sunday evening, Dec. 1.

A thoroughly enjoyable evening was spent in congregational carol singing and listening to special Advent-Christmas music presented by six different choirs.

Guest choirs came from the Osgoode Baptist Church in Vernon, the Russell United Church, St. Catherine's Roman Catholic Church in Metcalfe, St. James United Church in Osgoode and Trinity Bible Church in Osgoode.

A special feature was the impromptu children's choir singing the "Rocking Carol" while grouped around a rocking chair in which Mrs. Lorna Doig was rocking her infant Stephanie.

The host choir under the direction of Mrs. Doreen Acres, organist, planned and prepared the celebration, assisted by members of the ladies' aid who provided refreshments following the service of song.

The meeting was conducted by the minister, Rev. Lloyd Smith. Appropriate scriptures on the theme "Jesus the Light of the World" were read by Rev. Jim Fast, Trinity Bible Church and Rev. Carmen Beckel, St. James United Church.

An offering of $332 was taken for the Osgoode Township Care Centre.

Hospital helpers

A full house attended the Winchester hospital Christmas party on the weekend where all took part in honoring those who have served the hospital over the years. From left to right, Ruth Smith, 18 years, Myrtle Dawley, 22 years, and Lorna Dixon, 12 years, have decided to retire and were given warm sendoffs from MCs Bill Stewart and Wayne Burns. Missing from the photo, but also retiring, is Mary Brown.

Don't wait until the last minute to bring in your Christmas cleaning.

PROTECT THOSE YOU LOVE

Death is unavoidable, but it is possible to protect the bereaved from *unnecessary* suffering.

Prearranging and prepaying for your funeral saves loved ones from decisions and financial deliberations when they are already under great stress. Arranging now means *you* make the choices. And if you prepay too, the money is put in trust so that what you select today is paid for tomorrow. It's certainly worth thinking about.

ONTARIO FUNERAL SERVICE ASSOCIATION
Your prearrangement investment is bonded.

Prearranging is simply more thoughtful.
