Lloyd Davis Back As Reeve Election For Council Six Seeking Seats

Municipal election interests mounted rapidly this week across the country and many area communities are preparing for an election battle. Here in Iroquois there will be an election for Council and in Matilda Township an election for Reeve and Council.

Former reeve Lloyd C. Davis was given an acclamation to the office of Reeve following the decision of present Reeve Ken Kirkby not to seek re-election. In a telephone conversation with Mr. Davis in Florida, The Post was asked to express best wishes to the community from Mr. and Mrs. Davis and Mr. Davis said they would be back in Iroquois Monday or Tuesday of next week.

Seeking the four council seats in Iroquois are present Councillors Jack Fetterly, Mrs. Helen Smith and Jim Styles, along with Leo DeBellefeuille, John Haldane and Frank Rooney. Jack Saver who is a present Councillor has decided not to seek re-election this term.

Election in Matilda

In Matilda Township, Reeve Mahlon Zeron will be opposed by Charles Farlinger, a present councillor. George Cooper, Deputy-Reeve, went back unopposed into that chair. Councillors Ford McCaslin, Harry Small and Dwight Gilmer will be opposed by Vernon Speer.

Matilda Township will hold a

public meeting on Monday, Nov. 20th and Iroquois Village will hold a similar meeting on Tuesday, November 21st, both at 8 p.m. to give candidates an opportunity to present themselves to voters in their respective communities.

To Speak At Knox Church

Mr. Charles McInnis, well-known resident of the Iroquois community, and Christian layman, will be guest speaker at the morning worship services of Knox Presbyterian Church, Iroquois, and St. Andrew's Church, South Mountain, this Sunday, November 19th, sharing the pulpit-ministry with the Rev. John Hibbs, pastor, and on invitation of the respective Kirk Sessions.

Mr. McInnis will speak to the subject, "Signs of renewal in the Church today", being a prominent layman within his own church affiliation, and within ecumenical circles.

The congregations welcome Mr. McInnis on this occasion of sharing with them his lay ministry.

Mrs. Janet Barkley Hosts UCW White Church

Mrs. Janet Barkley was hostess to the U.C.W. of White Church on Wed. evening Nov. 8th.

The Worship period was given by Mrs. Carol Thompson, opening with Hymn 399. The Scripture reading was taken from "Good News for Modern Man", Romans: 13-15 followed by Psalm 112, Happiness in a Good Person" from "Psalms for Modern Man". The worship closed with the Lord's prayer. Mrs. Ethel McInnis gave a very interesting account on "The Objective of God's Church in Canada". A reading from the United Church Observer on Church Attendance and in keeping the Sabbath day holy led to an open discussion.

The President Mrs. Betty Baker took charge of the business. The collection amounted to \$3.75. Plans were made for preparing Christmas baskets for Shut-ins at the December Meeting.

Rev. Brian Gee closed the meeting with prayer.

The hostess served a bountiful lunch and a social hour was enjoyed.

Girls Buy Jackets

The Iroquois Girls Softball Team not only had a good year on the playing field but by a bit of enterprise and hard work, along with the help of coach and manager, managed to raise enough money to buy very attractive jackets. Shown here wearing them are Leo McKee, Georgina Haldane, Debbie Deleгарde, Brenda Sloan and George Eddy.

Large Attendance Services

Remembrance Day services here in Iroquois and in Matilda Township were well attended and especially so in the village where the Civic Centre was almost filled to capacity.

Under sponsorship of the Royal Canadian Legion, the

public memorial service is a reminder of the sacrifices made by Canadians in world wars and a yearly reminder as well as to the many who are still suffering the effects of war.

From the forming of the parade at the Legion Hall,

to the indoor service at the Civic Centre and the laying of wreaths at the Cenotaph the day was well organized.

Louis Bailey was the parade marshal and Leonard Roberts in charge of wreath laying. President Ed. Hitch-

Treachery & Triumph Comes Home This Sunday

After eight presentations "on the road" these past months, "Treachery and Triumph" comes home this coming Sunday evening in the Iroquois United Church, for its final offering. The cast, plus stage and lighting crew, made up of 30 teenagers, with their director, Brian Gee, have been enthusiastically received wherever they have gone. It has been a rewarding and fun-filled adventure for all involved.

But, it has not been without some problems. The latest one is that one of our main actors, Danny Tucker, who played Annas in the spring, and who moved to the role of Pilate this fall, has had to drop out due to sickness. Kevin Keyes of Morrisburg learned the part within a few short days, and has been playing a convincing role.

What have people been saying about this play over the past few weeks? A business man claimed that he had learned more about the crucifixion within an hour by seeing the play, than he had been able to learn in the past thirty years. One older woman said, "It

really disturbed me." A teenager said, "It's so realistic!"

Richard Dennison of the National Arts Centre in Ottawa, himself a professional director, said that he has seen several passion plays presented by professionals, and that none was any better than this one. When asked for constructive criticism to strengthen the fall presentations, he replied, "you ask for criticism; I haven't any." TRIUMPH.

A clergyman wrote a letter of appreciation, in which he said, "I have seen a fair amount of religious drama, some of it good, some of it mediocre. Treachery and Triumph belongs in a class by itself: superb!"

This Sunday evening, Nov. 19th, in the Iroquois United Church, at 7:30 p.m., we will say "Good-bye" to a tried and true friend: "TREACHERY AND TRIUMPH."

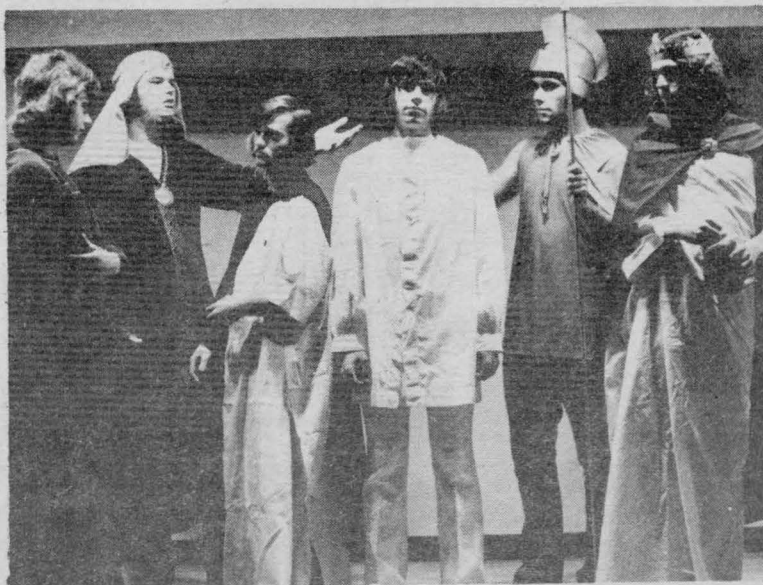

Receives B.A.

Mr. James Shaw, son of Mr. and Mrs. Ralph Shaw of Mountain, received his Bachelor of Arts degree from Carleton University at the recent Fall Convocation.

Jim is a graduate of Mountain District High School and Ottawa Teacher's College.

He is presently the Principal of Iroquois Public School.

MUNICIPAL ELECTIONS TO BE HELD IN IROQUOIS AND MATILDA TOWNSHIP

Hard on the heels of the federal election comes municipal elections this year and perhaps because of the interest in the national election, more people have taken an interest in politics and are seeking office.

In Iroquois and Matilda Township there is going to be an election on December 4th. Reeve Ken Kirkby did not seek reelection and former Reeve Lloyd C. Davis received the post by acclamation. Three of the present Council members, Jack Fetterly, Mrs. Helen Smith and Jim Styles are seeking reelection and also trying for seats on council are Leo DeBellefeuille, John Haldane and Frank Rooney.

Ken Kirkby and Jack Saver both dropped out due to the pressure of business.

In Matilda Township veteran Reeve Mahlon Zeron is being opposed by Councillor Charles Farlinger. Deputy Reeve George Cooper is back in with an acclamation, but present Councillors Dwight Gilmer, Ford McCaslin and Harry Smail

now find themselves in a battle with Vernon Speer for the three council seats.

Looking back over the past three years as Reeve, this writer can realize what time and efforts the job of a municipal representative takes and when a man or woman take the interest and time to seek such an office, the general public should take the time to support them at the polls.

As Lloyd Davis comes back into the reeve's chair the first of the year, he brings with him many years' experience to the job and we can again look forward to his initiative and drive the jobs demands in the months ahead.

We also express our appreciation to the four people who have served on the Council in the past few years for the task they have performed well on behalf of their community.

The same sentiment can also be applied in Matilda Township and having sat on Counties Council with Reeve Zeron and Deputy Cooper, we can say with authority that they have served their community in the highest ideals and with sincere pride in a job well done. Dealings between the two councils have produced excellent agreements for both in a spirit of community betterment for all residents.

In the couple of weeks ahead the people who seek office will be seeking support. Take a look at these people and choose for a strong future in municipal government. These are days of change and of challenge and strong voices are needed in every sphere of municipal activity.

inon presided at the Civic Centre, calling on Alex Bullock, Deputy District Commander. Taking part in the

When a man has a brother

A man's got to look after his brother. That's what Timmy said the other day, as he stood beside our baby. And I told him he was right. "You are so much stronger than this tiny, little creature," I said. "From now on, you've got a real responsibility!"

A man *does* have to look after his brother . . . especially when that brother is weak. But there are moments, too, when even the strongest man may need a brother. —especially on Worldwide Communion Sunday!

In the eyes of the Church, all men are brothers, just as all men are equally beloved. As long as there is a church near you, you are not alone. You have only to open the door and walk in and you will be at one with your fellow man . . . and at home with your brothers.

A CURIOUS MIXTURE OF BOOS AND CHEERS

by Bill Smiley

Now that we've all settled down after that abortion of an election, we can get back to the important things of life: what's for dinner; our bursitis; raking the last of the blasted leaves; dusting off the curling boots; and worrying about our kids.

Just before we bury the whole unpleasant mess, however, may I promise that I will make no more election predictions? Oh, I was right. I warned that the Canadian people are among the most volatile in the world when it comes to politics. They proved it.

And I prophesied that the Tories and NDP would gain, and that it would be the Liberals again with a minority government. But they didn't have to take me so seriously. I didn't mean that size of a minority. From now on, I shall desist from making forecasts, as it seems to put the hex on things.

However, I take back none of what I said. Mr. Trudeau never did have the common touch, the politician's instinct. Mr. Stanfield still sounds as though he'd got both feet into one leg of his long-johns. And Mr. Lewis was never more smarmy than when the returns were coming in.

Despite my disenchantment, at the last moment I decided to vote Liberal, chiefly because of fear that what did happen might happen. A ship of state with no

Bill Smiley

rudder, two wheelmen fighting for the wheel, and the winds of change blowing up into a typhoon.

Some riding results were of particular interest to me. I was glad to see that my old friend, Ross Whicher, with whom I shared a couple of campaigns when we were mere boys, was one of the Lucky Liberals to squeak in.

I was sorry to see another old friend, Perry Ryan, who represented Toronto Spadina for years, get the axe. He made the political mistake of standing by his principles, and quit the Liberals for the Tories when he couldn't agree with policy. A pity.

I was also sorry to see Paul Hellyer elected. He is a politician whose ego seems equalled only by his ambition. The record: Ran for Liberal leadership. Beaten. Liberal cabinet minister. Quit. Founded Action Canada — a flop. Joined the Conservatives. He may have great abilities, but I'll never forgive him for unifying the armed forces.

You see how little our vote depends on reason. I mentioned those three to suggest what a fickle creature the average Cana-

dian voter is. I'd have voted for Whicher, Liberal, for old times' sake. For Ryan, Conservative, because he's a good man. And against Hellyer, Conservative, because of his many-coloured coat.

There's an old-fashioned idea that Canadians are a reserved, conservative people, because we live in a stern and rigorous climate, and aren't given much to either dancing or rioting in the streets.

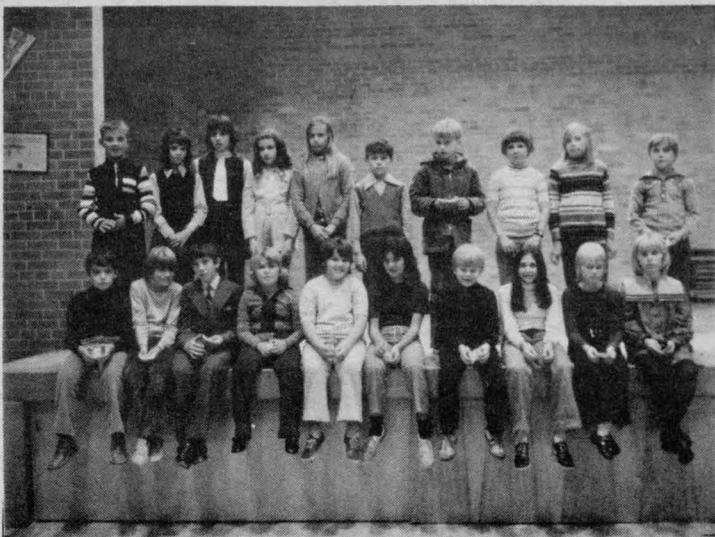

The idea is completely unfounded. True, we don't do much of anything in the streets for six months a year, except scuttle along, cursing, noses dripping.

But behind those steady, grey facades that others see live the real Canadians: pulsing, passionate; not grey but purple. In fact, sometimes that purple peeps through, usually in those same noses.

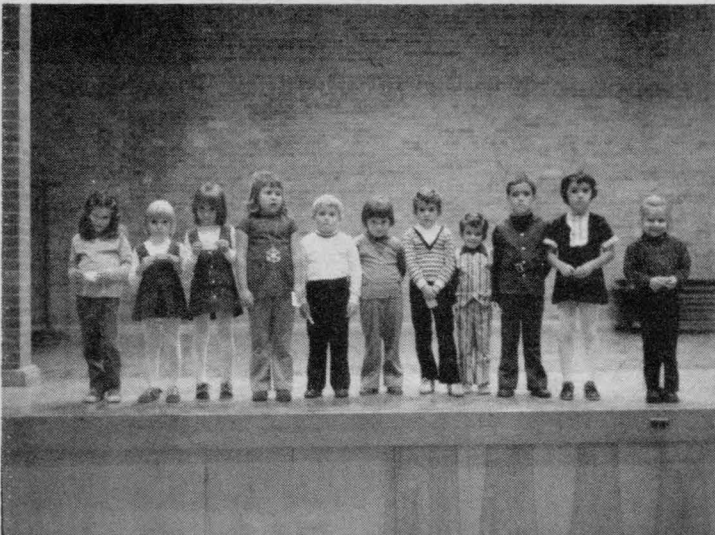

Perhaps the most obvious example to illustrate the wild, emotional, inner Canadian is the Canada-Russia hockey series of recent fame.

When our team was getting clobbered, most of us went around in a surly, cynical, almost vicious

The regular meeting of the Hanesville U. C. W. was held at the home of Mrs. R. W. Hanes on Tue. evening at the close of the meeting, Mrs. Maud Fader was presented with a gold watch and chain and a purse of money by Mrs. W. B. Reynolds. The following poem was read by her minister, Rev. Stewart:

The Size of Your Heart
It is not the size of your heart
so much
That matters so much at all.
Its the gentle hand, its loving
touch,
That maketh it great or small.
The friends who come, in the
hour they go
Who out of your house depart
Will judge it not by the style you
show;
Its all in the size of your heart.
It isn't the size of your head
so much,
It isn't the wealth you found
That will make you happy.
Its how you touch the lives that
are all around.

For making wealth is not so hard;
To live life well is an art.
How people love you, how people
regard
To all in the size of your heart.
Maud thanked all for the gift
and money.

PEDESTRIAN HIGHWAY SAFETY

See Page Five
For one reason or another, 46
persons were on foot alongside
Ontario Highways during the
first half of this year when they
were struck and killed by moving
vehicles. Last year 140 pedes-
trians were killed and another
800 were injured.

Persons who must walk along
a highway for any reason should
stay well away from the travelled
portion.

The Ontario Provincial Police
Force reminds all citizens that
large portions of controlled-
access highways are prohibited
to pedestrians and that persons
convicted of contravening provi-
sions of the Highway Traffic
Act regulations may be subject
to a fine of not less than \$20
and not more than \$100.

As winter approaches, bad
weather creating slippery
walking and driving conditions,
poor visibility caused by snow,
road slush and dirt on windshield,
will combine with the elements
and early darkness to make all
walking and driving more hazard-
ous. In addition to a general
increased alertness, pedestrians
should wear suitable clothing

Awards Night Near 200 Swimmers This Year

Last Tuesday night saw this year's swimmers receive the many awards they had won during the summer's swimming and lifesaving courses held at the Iroquois beach. The program was under the supervision of Iroquois Recreation Association, a branch of Council, and the instructors were Mrs. Bonnie Adair and assistants Jennifer Johnson and Stuart Valcour.

Reeve Ken Kirkby welcomed the parents and friends to the awards night and called on Mrs. Adair to make the presentations of awards. Mrs. Adair first showed a comedy film on water safety and introduced the guest speaker, Mrs. Jean Halliwell of Cornwall, the district supervisor for the Red Cross Society under whose guidelines the program is carried out each year.

Mrs. Halliwell also presided over the presentation of Royal Life Awards during the evening. A thank you was extended by Mrs. Helen Smith, chairman of recreation on Council, to all who participated in the program again this year and looked forward to a continuance of the good work that has been carried on in the swimming program for many years in Iroquois.

In appreciation of their efforts, Mrs. Adair was presented with a gift from the young swimmers by Lori DeBellefeuille, assisted by Jocelyn Chartrand and Pat

Legion Ladies Auxiliary Showing Good Progress

The regular meeting of the Ladies Auxiliary to Branch 370 was called to order Thurs. Nov. 9th at 8 p.m. by the President, Norma Deleгарde. Twelve members were in attendance.

Most of the money made by the ladies is by catering to weddings, anniversaries and Lion's Club dinners also euchres and the annual turkey bingo. All reports showed that 1972 has been a very busy year.

The President and Secretary attended the 35th Convention

of the Ladies Auxiliary, Provincial Command, at Windsor, with all expenses paid. A new electric stove plus installation amounting to \$435.50 was paid for in Oct. A wreath was purchased for Remembrance Day and several ladies volunteered to sell poppies.

During the general business, it was moved, seconded and carried that a cheque for \$300. be given to Branch 370, also that beginning Jan/73 that the membership fees be increased to \$2.50, due to the increase in per capita tax which is now \$2.00 per member.

The annual turkey bingo is being held Mon. Nov. 27th at the Legion Hall, the Christmas party Dec. 7th with an exchange of gifts after a 6:30 p.m. dinner.

The gifts for the adopted child at the Rideau Regional School and the veteran at Ottawa were to be taken care of. The usual donation to the T.B. Seal would be donated.

Doreen Bailey (Sports Officer) was to line up two teams for bowling in January at Smiths Falls. Lillian Roberts won the draw.

After the adjournment, lunch was served and a social hour was spent.

Will Speak At Chesterville United Church

Dr. Eva Moses, a medical missionary from India will speak in Chesterville United Church on Monday, November 27th, at 8:00 p.m.

Dr. Eva Moses' mother was a school teacher, and her father an ordained minister who spent most of his life serving the rural churches of India. She received a mission scholarship to go to Christian College, Ludhiana, to do medical studies, graduated in 1936, and has since worked only in Christian hospitals.

From 1936 to 1946, Dr. Moses served in the church hospital at Banswara. In 1943, she went to Madras (South India) to study Obstetrics and Gynaecology, in which she now specializes. She has been Secretary of the Medical Commission for many years and has been in charge of Indore Christian Hospital since 1968. Dr. Moses has taken an active part in church councils over the years, including chairman of various school boards in her church area.

Her husband, Dr. Reuben Moses, is the Principal of Indore Christian College. They have three daughters, two of whom are married. Their youngest daughter is now being sponsored by the Commission for medical studies at Ludhiana. Their eldest daughter and her husband are both medical doctors and are working in the church hospital at Dhar, about thirty-six miles from Indore.

This is a family event and is being sponsored by the Seaway Valley Presbytery, Outreach Division of the United Church of Canada.

The Teacher's Viewpoint

This column, to those of you who may be unfamiliar with it, began during the school year 1970-71. Since then it has been considered by teachers, members of the Ontario Secondary School Teacher's Federation, District 21, as an excellent opportunity to communicate to the reader questions and opinions they feel are important to today's educational scene. By means of your local paper, teachers employed by the S.D. & G. Board of Education, will throughout this school year write a variety of articles in which they will express professional concern over issues that too often do not reach the public.

It is the desire of the communications committee of the district branch of O. S. S. T. F. that the reader will be made more aware of what is happening in education, especially at the secondary level. The articles that appear in this column could therefore deal with topics such as student-teacher ratio; student field trips - their educational value; the educational philosophy of the Ministry of Education as expressed in its circular H. S. I. which a number of teachers feel is too relaxed; new trends in education such as the semester system for secondary schools; the Reville Report, a document that would not only affect teachers but more seriously quality teaching for which this Federation branch and many others have been fighting for years, in the interest of the students.

It should be noted however,

that the articles that you will read are the opinions of the individual teacher author and not the official position of O. S. S. T. F. District 21. Yet if a particular topic interests you as a parent and taxpayer, and you wish more information, simply write to the editor of this paper who will forward your letter to our committee. We will then do our best to answer the questions you may

ask. We feel that as professionals, it is our duty to offer you this service.

I can only hope that your readings will contribute to a better understanding of education in general and education at the secondary level in particular. Sincerely, G. E. Lacelle, Chairman Communications Committee O. S. S. T. F. District 21

Minor Hockeyists Hard At Practice

For the past two weeks, all teams of Iroquois Minor Hockey Association have been hard at practice and this past weekend, some leagues got under way.

On Saturday morning, the Atom "A" team played an exhibition game at Morrisburg. The Morrisburg team came out on top of a 6-4 count. However, Kent Smith with a hat trick was the bright spot on the Iroquois squad. The other Iroquois goal came from the stick of Kevin Palmer.

At 3 p.m., the Atom team took to the ice again in Cardinal for their first league game. The opposition was again Morrisburg and with 25 seconds left in the game, the home town crew notched the tying goal. The game ended in a 2-2 tie and Stephen Kirker in goal played a fine game.

Both Iroquois goals were scored by Scot Brennan.

On Sunday, the Iroquois Pee Wee's opened their season with Athens the visitors. The Iroquois boys had several good chances but just couldn't capitalize. Athens counted five times to Iroquois two. Both Iroquois goalies played well

Shur-Gain Dial Doser Saves Baby Pigs

When you consider what you have invested in the new-born litter at birth, and that nearly 25% of all baby pigs die during the first 7 days, doesn't it make a lot of sense to reduce losses caused by baby pig scours?

Prevention is made simple with SHUR-GAIN DIAL DOSER . . . for easy, accurate, no waste treatment. And very economical too . . . about 9¢ a dose.

Active ingredients in SHUR-GAIN DIAL DOSER are Bacitracin and Streptomycin . . . a combination of antibiotics proven to effectively fight scours. Be ready when those next litters are due. Pick up your supply from our SHUR-GAIN ANIMAL HEALTH SERVICE display.

4-H Homemaking An Active Group

The fifth and sixth meeting of the Matilda 4-H Homemaking Club was held at the home of Mrs. Bert Shaver on Oct. 26 and Nov. 7 at 7 p.m. We opened with the 4-H pledge. Twelve members answered the roll call at the fifth meeting. Karen McInnis read the minutes of the last meeting.

Our discussion was on spaghetti and macaroni sample. Mrs. Shaver demonstrated tomato meat sauce. Nancy Geurkink, Evonne Kolff and Mary McInnis demonstrated baked lasagna. Connie deJong and Anne-Marie Beltran made peanut crispies. These were sampled by all members.

The collection amounted to \$1.40. The meeting closed with the Lord's Prayer.

At the sixth meeting, the roll call was answered by all mem-

bers and the minutes of the last meeting were read by Evonne Kolff.

Our discussion was on the pros and cons of convenient foods (foods which are easy to prepare) and home storage of cereals.

Mrs. Shaver demonstrated ginger bread from mix while Nancy Geurkink and Joyce Stewart demonstrated hot water gingerbread. Darlene Stewart and Lynn Whitteker made brown

Man and Resources

Some may wonder, what is the Man and Resources programme, others may never have heard of it, but some 250 or more individuals, who gathered at the National Workshop October 29th to November 4th in Montebello, Quebec, it was a review of resource problems and an exchange of environmental information.

The people in attendance were of diverse backgrounds and interests; some were delegates from local study groups across Canada; some were resource people with special skills or knowledge and some represented special interests and were there as observers. They came from Victoria to Halifax, from Windsor on the south to our most northern settlements; they were of various ages, some were native people but they all came with the same theme, viz. to study integrated resource use with the best possible balance between social and economic demands and the wise use of natural resources.

The Canadian Council of Resource and Environment Ministers which sponsors the programme is made up of the appropriate minister from each province plus the federal minister concerned with Resource and Environment. The Secretary General is Christian de Laet and the direct organizer of last week's study is R. W. Hummell chairman of the Ontario Council.

Prior to the Montebello meeting local groups submitted lists of priority issues which they felt were important and, from these, twelve issues finally emerged as items for further study during the workshop and the coming year. The south eastern Ontario groups met at Kingston, September 30th and submitted three priorities which stated very briefly are:

1. Education, Communication and Information
 2. Need for a resource management policy for Canada, long range and comprehensive
 3. Present day growth oriented trends in economics, population and consumption which have long term effects in natural resource depletion and environmental degradation.
- This group, represented by: Don Colby, Brighton, G. Steve Hart, 18 Kolmory Cr., Ottawa; C. M. Crober, Morrisburg; Mrs. Judith Mackenzie, 31 Byron Ct., Kingston; Richard Fogg, Bancroft and Alex Webster, Shawville, Quebec, had the satisfaction of seeing their priorities incorporated in the National Policy. It is the hope of the Kingston delegates that, following a complete publication of the Montebello proceedings, public participation will increase so that policy guidelines presented to the Council of Ministers will be reinforced by public approval.

One of the more immediate and a shocking problem is the possibility of a loss of our water resources to foreign interests. Many were of the

spent last week with her sister and husband Mr. & Mrs. Keith Gilmer and family of North Bay. Melody and Maxine MacCargar, Carol Montgomery, Ellen and Paul Connors, enjoyed a trip to Montreal last Wednesday and attended the Toronto-Montreal hockey match. A'l had a good time.

SPORTS - SLANTS

Views & News By Leo Debellefeuille

I would like to open this week's column with a slightly different twist.

I can understand why a man would seek wilderness to escape the cars, telephone wires, telephones, fences, useless chatter, meetings, conflict, and rush. To see the green of vegetation undisturbed, the son of birds free, a visit from another, a walk uninterrupted, a time to think of God and fellowman, time to understand. The secret, not revealed to many, to find this solitude not in wilderness, but in the midst of man and all; that he as God's creation has wrought on this earth, both good and bad. SOLITUDE. If you can't remember, think!

LIZ HOLMES recently rolled a terrific triple of 869 in the Caldwell Bowling League. Who can top that for a solid effort?

Harry Sinden received \$20,000 for coaching Team Canada, along with being the author of a book on the eight game series and a promotion in the Boston Bruin organization. It proved to be a worthy pastime for Mr. Sinden.

It is with much regret to hear of Roger Merkley (Lee's son) breaking his forearm - wishing Roger a speedy return to action.

Oct. 15th proved to be a memorable day for the Iroquois Cub Troop, as their leaders took them to the Kemptville Agricultural Farm for an educational day of hiking, study, church service, games and food. The youngsters will long remember the day. So will my feet! However, it was worth every minute of the time spent. Perhaps next year it should be held in September. November, being the month of remembrance, let us all cast a moment of reflection to the memories of these famous athletes who recently passed on: Dick Sutterman, Jackie Robinson, Turk Broda and Bill Durnan. R.I.P.

Shortly, snowmobiles will be on their paths again for the 1972-73 season. Could someone inform me if there is a Snowmobile Club in Iroquois?

A reminder that the Iroquois Badminton Club is off and running for the '72-73 season. The year's activity opened on all fronts Oct. 23rd. Action takes place on Monday and Wednesday evenings from 7 to 10 at Seaway District High School. Interested parties should contact Jeff Beaupre at 652-4340 or 652-4985. The club is open to anyone. Give Jeff a call; its plenty of fun and a good body conditioner. Its a little late, but better

than never, to offer a hearty word of congratulations to the Junior and Senior Soccer teams from around the county for the marvelous tournament they held on Oct. 14th in Iroquois.

In particular, to Principal Jim Shaw and his competent staff for a job well done. Best wishes for next season. And to Bobbie Strader of Stampville who was selected the best Junior Forward of the tourney.

Ron Smith, technical director of the Ontario Hockey Association stated Oct. 28th the following: "Playing 70 games a season in minor hockey is too much for any youngster. Fatigue and boredom set in and teams would be better to limit themselves to a 40 game season, devoting as much time as possible to practice. He went on to say "We don't

have enough practice time, but there is still a lot that can be done off the ice to improve agility and co-ordination through special exercises and such games as soccer and lacrosse". One of his main priorities is education on the ice - not winning games. The Russians believe this and they are right. He does not endorse scrimmage hockey because that is when youngsters go at half pace. Its better to concentrate on the fundamentals of the game until the player's brains are thinking as fast as his feet can move. Another of Smith's thoughts "Kids don't need organized hockey until they are 9 or 10. They would do better going to a power skating school and learning the fundamentals from a good instructor.

For every Canadian boy that has made the N.H.L., there are 10 who could have been there if given the right coaching, physically and psychologically, when young. The younger a player, however, the greater his need to practice. Starting at 75 per cent practice time and 25 per cent game time.

To any local minor hockey Club or Association that may wish to kick off Minor Hockey Week, Saturday January 20th, 1973 with a one day blitz of your community, handling a product designed especially for Minor Hockey, for the purpose of raising funds to aid in financing ice time, referees, equipment or for that trip you may want to plan for your team this year. The product and program includes New National Annual Product. No cost or deposit required; returns on sold products only, sold on one day, Sat. Jan. 20/73, reasonably priced for public supporters, useful 365 days per year for home, office and business. Orders must be in post-marked no later than Sat. Nov. 30/72. Surprise him with a Smith-Corona in December and he may surprise you with better grades in June.

After the holidays, your teenager faces a mighty tough year. That's when a Smith-Corona can start looking like the greatest Christmas present ever.

With our electric portable, for instance, he can learn to type twice as fast as writing by hand.

His spelling can improve too. (A typed word that's misspelled just begs to be corrected.)

Thinking can get a jolt also, because a typewriter can accept ideas as fast as they come up.

And then a quiet little miracle called Organization can occur. When that happens, pride, confidence and self-esteem can gain a toehold.

So with a little application (plus ability, needless to say) your teenager's schoolwork could very well improve. Only June will tell.

But why a Smith-Corona?

Because all typewriters are not the same, that's why.

We invite you to compare a Smith-Corona against any other typewriters to prove it.

Compare durability, portability, features. Compare years of experience in actually "making" typewriters (especially electric portables).

No wonder more people in the world buy Smith-Corona Electric Portables than any other. And why you should too.

Our dealers are in the Yellow Pages.

Conseil D'Education Des Comtes De
STORMONT, DUNDAS & GLENGARRY

County Board of Education is seeking a

DIRECTOR OF EDUCATION to assume office July 1, 1973 The Board of Education for the three United Counties of Stormont, Dundas and Glengarry, located in eastern Ontario,

wishes to secure the professional services of a Chief Executive Officer who will provide strong leadership for a school system comprised of 17,000 pupils. This will require creative ability and enthusiasm for the continuing development and implementation of educational programs that will enable the Board to achieve its stated purposes and objectives. These include a desire to provide a truly integrated K-13 program that recognizes diverse cultural and language backgrounds. Particularly important would be an imaginative leadership approach to the educational needs of communities composed of the two major language groups of our nation. Such an approach would involve close contacts with these communities in an effort to identify the educational needs and to interpret the programs designed to satisfy them.

The Board offices are located in Cornwall, Ontario.

Qualified educators are invited to signify their intent to apply by November 30, 1972. Background information on the school system and the position, along with application guidelines, will be supplied. These statements of intent should be addressed to:

mood, snarling at wives and children, scoffing at our players, denigrating that vast, philanthropic institution, the NHL. You see, we were suffering. Our pride was hurt in the way that the pride of no mere Latin could be hurt.

But when our team began to win, we showed our true selves, exuberant, friendly, joyous, actually cheering out loud, throwing our arms around complete strangers.

Oh, it did the heart good, I can tell you, to see the Canadian character as it really is. None of this "good losers" nonsense of other northern races. Our hearts were in every cross-check, and every one of us was there, at least in spirit, as our boys, at the winning goal, kissed each other and hugged each other and slobbered over each other.

Show me another nation that can boo its "boys" in defeat and cheer them in victory, as we did, and I'll show you another nation with real heart.

And that's what we're like in elections. All heart. No brains. Give us a brilliant, colourful prime minister and we cheer him to the rafters. As long as he's winning. We're a funny lot.

THANKS

Through the Post, we would like to thank the Iroquois Recreation Association, the parents, and the young folks who co-operated in making the swimming, Life-Saving and Water Safety summer programmes of 1972 a success.

Thank you also for the gifts in appreciation of our efforts.

We are looking forward to another good season in 1973.

CARDS OF THANKS

I would like to express my sincere thanks to my relatives, friends and neighbours who remembered me with cards, treats, and their personal visits during my stay in Winchester Hospital and since my return home. Also thanks to Dr. Domanko, Dr. Chandè, Dr. Marston and the nurses on the first and second floor for their excellent care. These acts of kindness will always be remembered. 22-1-c
Jessie Geurkink

I would like to take the opportunity of thanking all my wonderful friends of the U.C.W. and neighbours for the lovely watch and chain and purse of money given to me on Tuesday evening at the U.C.W. meeting. It was surely a surprise to me and will long be remembered and while the Lord favors me with health to go, I will still be in my old church at Hanesville. Thanks again.
Maud Fader.
