Winchester Goes "Over The Top" In Victory Loan

Winchester and district has exceeded its objective of $200,000 in the Ninth Victory Loan, by over $50,000, and the local committee is now aiming for the $300,000 mark. Up till Tuesday night total Bond Sales for this district amounted to $252,000.00. The minimum objective was reached last Wednesday night. Leading all othed districts in the three United Counties for the most of the campaign, Winchester was nosed out of that position on Tuesday by our neighbouring village of Chesterville, where the canvassers are also doing a swell job. Up in Mountain there is every indication that the district will go over the top before the end of the week. In the counties as a whole, the campaign is progressing favourably with all but one district either over or nearing its objective.

HALLOWEEN PASSED OFF QUIETLY HERE

Outside of a few instances, where outbuildings were toppled over and where some youngsters gouged holes in a freshly-laid concrete floor at Mr. W. C. MacDonald's new business centre, now in the process of erection on Main Street West, Halloween passed off without incident here last week. A few decorations were placed at the intersection of Main and St. Lawrence Streets, but these were quickly removed by the Works Dept. next morning.

We heard of one incident, which has its amusing side. Mr. Alex Davidson, who had considerable building material on his premises where he is building an addition to his Jewellery Store, made it known to a few boys previous to Halloween that if they did not play any tricks around his premises, he would treat them the next morning. The boys quickly circulated Mr. Davidson's offer. No trciks were played, but next morning nearly 100 youngsters called at the store to get their treat. Candy, apples, etc., being scarce, Mr. Davidson had decided to give each boy 10 cents in cash. Over $7.00 in dimes was handed out, as Alex stuck to his bargain.

FAMILY RE-UNION HELD AT CLOVERDALE

About 40 relatives and friends attended a family re-union at the home of Mr. and Mrs. Roy Docksteader, Cloverdale, one evening last week, in honour of Mrs. J. P. Whitham and Mrs. F. W. Busse, of Gull Lake, Sask. The evening was spent in social intercourse, reminiscing and the serving of a dainty lunch.

WEDDINGS

SUMMERS—GUY

The home of Mr. and Mrs. Kenneth Guy, Vancamp, was the scene of a pretty wedding ceremony at 2 o'clock on Thursday afternoon, November 1st, when their daughter, Olive Margaret, was united in marriage with Mr. Howard Ernest Summers, son of Mr. and Mrs. E. R. Summers, Winchester. Rev. G. S. Gervan officiated, and Mrs. Arthur Guy played the wedding music.

The bride, who was given in marriage by her father, was charming in a street-length dress of pale blue sheer over taffeta, with gold embroidered yoke and bodice and full sleeves gathered at the wrists. Her shoulder-length veil of blue net was caught on a band of Orange Blossoms. She wore a corsage of American Beauty Roses and Maiden Hair Fern, and carried a small white Bible. Her only ornament was a string of pearls, the gift of the bridegroom.

Mrs. Harold Harper, sister of the bridegroom, was bridesmaid, and wore a dress of shell pink over taffeta, with lace yolk and shirred bodice, and full sleeves gathered at the wrists. From a coronet of pink flowers hung a shoulder-length veil of pink net. Her corsage was of Johanna Hill Roses and Fern.

Mr. Howard Guy, brother of the bride, was best man.

Mrs. Guy, mother of the bride, wore a dark green gown with gold trimmings, while Mrs. Summers, mother of the bridegroom, chose a deep mauve ensemble.

Following the ceremony, a buffet luncheon was served to about 35 guests. Those who assisted in serving were: Misses Norma Guy, Marion Guy, Christine McFayden, Helen Baker and Doreen Hanes.

Later, the happy couple left on a motor trip to Peterborough and other Western points. For travelling, the bride wore a brown tweed coat with moss green accessories. They will take up residence in Winchester, where Mr. Summers is a member of the H. S. Lannin Ltd. staff.

Local Legion Will Conduct Poppy Sale

As is the usual custom, prior to Remembrance Day, November 11th, the local branch of the Canadian Legion will conduct a Poppy Sale throughout this district. This year Remembrance Day will commemorate the sacrifices made by Canadian Soldiers in both World War I and World War II. Wear a poppy in memory of those brave lads. All money derived from the poppies, which are manufactured in Vetcraft shops throughout Canada, goes towards helping unfortunate and needy war veterans and their families. Your assistance in this worthy cause will be appreciated.

The poppy is the flower of Remembrance. Wear one in memory of those who paid the supreme sacrifice on the battlefield.

In Flanders Fields.

In Flanders Fields the poppies blow
Between the crosses, row on row,
That mark our place, and in the sky
The larks, still bravely singing, fly
Scarce heard amid the guns below
We are the dead, short days ago
We lived, felt dawn, saw sunset glow,
Loved and were loved, and now we lie
In Flanders Fields.
Take up the quarrel with the foe
To you from failing hands we throw
The torch, be yours to hold it high
If ye break faith with us who die,
We shall not sleep, though poppies grow
In Flanders Fields.

—Lieut.-Col. John McCrae.

Memorial Service To Be Held On Sunday

A Memorial Service, in memory of Sgt. Gordon Wilson, son of Mr. and Mrs. George Wilson, who paid the supreme sacrifice, while serving with the R.C.A.F. during the war, will be held in St. Paul's Presbyterian Church on Sunday afternoon, November 11th, at 2.30 o'clock. Members of Winchester Post of the Canadian Legion will assist with the service. Veterans are asked to meet at the Legion Club Rooms at 2 o'clock on Sunday afternoon, medals and decorations to be worn. The Legion also extends an invitation to all discharged personnel and members of the services to join with them on this occasion—please wear uniforms. It is expected the Boy Scouts and members of the local platoon of S., D. & G. Highlanders will also parade with the veterans.

The service will be conducted by the pastor, Rev. Wallace MacKinnon, who will be assisted by other local clergymen.

W. M. S. Sectional Held At Morewood

The Eastern Sectional Rally of the Dundas-Grenville Presbyterial, United Church, convened in Morewood United Church on October 30th. The theme of the two sessions was "Enlarging Our Horizons."

The morning devotions were in charge of the President, Mrs. H. Reddick, of Morrisburg, who was assisted by Mrs. W. S. L. Merrill. After the minutes were read by Mrs. Eldon Fennell, the secretary, the business and appointing of committees was dealt with by the President.

The President of Winchester and the President of Williamsburg Auxiliaries will be on the Nominating Committee for 1946. The list of retiring officers are as follows: The President, 1st and 2nd vice presidents, cor. secretary, treasurer, C. G. I. T., baby band, supply, assistant supply and Intercessory Prayer secretaries, and candidate advisor. The President explained clearly that any Auxiliary member could nominate a W. M. S. member for any one of these vacant offices if she secures the consent of the nominee.

Very warm words of welcome were voiced by Mrs. Martineau and replied to by Mrs. D. Larmour.

Mrs. Thomas, of Winchester, gave a very interesting and instructive address on "Enlarging Our Spiritual Horizons."

The Presbyterial Literature Secretary, Mrs. L. M. Sommerville, spoke of the many interesting missionary books which she had displayed at the back of the church.

Mrs. Ingram Cross, of Chesterville, who was a delegate to the School for Leaders at Edgehill in September, brought an excellent report. There were 72 registered for full time, and every day there were visitors and guest speakers.

Miss Olive Sparling, travelling secretary for younger groups, spoke on Constructive Education. Boys and girls are responsive to good teaching; they have no racial prejudices, but acquire them from older ones.

Rev. Mr. Wright, of Chesterville, presented the "Crusade for Christ," basing his remarks on Luke 10.

Lunch was served in the church hall by the Morewood ladies.

In the afternoon the devotions were led by Mrs. C. Thompson and Mrs. Aden Casselman, of Winchester Springs. Continuing the theme, Mrs. Cecil McIntosh spoke on Educational Horizons, emphasizing the fact that education always follows the gospel message. A message of sympathy was sent to the Presbyterial President, Mrs. Cecil Wilson, of Easton's Corners, whose husband is very ill.

Mrs. Colin MacGregor brought greetings from the Presbyterian W. M. S. A solo by Mrs. Newman was much enjoyed.

Mrs. Peterson dealt very ably with Temperance and Christian Citizenship, which led to a strong resolution (protesting the proposed hotel and beer parlour on Highway 31) being sent to Brockville Board.

Miss Sparling, called on again, spoke of the urgency of our work in our W. M. S. and our church. Mrs. Craig, of Morrisburg, brought the report of the courtesy committee, and Mrs. Chas. McGinnis extended an invitation to the White Church for the Sectional in 1946.

Mrs. O. Wallace brought a very fine Sectional to a close with some thoughts on a verse in Isaiah: "Lengthen thy cords, and strengthen thy stakes, O Israel."

W. M. S. SECTIONAL MEETING AT BRINSTON

The Centre Section of the Dundas-Grenville Presbyterial met on Thursday, Nov. 1st, in Brinston United Church, with Mrs. Cummings, the president, in the chair, and Mrs. G. Mulholland as secretary.

The theme for the day was "Faith." The morning session opened with the Doxology, prayer by Mrs. Cummings and the National Anthem. Mrs. Taylor, of Brinston, extended a very cordial welcome to all present. Devotions were conducted by Hainsville Auxiliary. The business was dealt with, and the secretary's roll given. Mrs. Sommerville, of Spencerville, introduced the literature and books she had with her. Mrs. Simms reported on Supply work; Mrs. Moorhouse on Mission Bands, who urged all to remember the Mission Band Rally to be held in Kemptville on Nov. 10th. Mrs. R. S. Peterson then introduced the guest speaker, Miss Sparling, of Toronto. She gave a very inspiring address, urging us to try and interest the young people of our church. She said World Friendship must be taught through our churcn.

Mrs. Roy Graham, of South Mountain, favoured those present with a piano solo. Rev. Mr. Wright, of Chesterville, gave an address on "The Crusade for Christ," basing his remarks on the parable of the Good Samaritan. The morning session closed with prayer by Mrs. Herb McQuaig, of Hulbert.

The afternoon session opened with South Mountain Auxiliary taking charge of devotions. Mrs. R. S. Peterson then brought greetings from the Branch, and also gave a short talk on Temperance. It was decided to send a resolution to Brockville against the opening of a beer parlor at Winchester Station.

Miss Sparling then gave another address on Africa. She said the people of Africa that walked in darkness have seen a great light, and we must continue to let it shine.

Iroquois invited the Sectional meeting to be held there next year.

Mrs. Hanson, of Brinston, gave a splendid report on the Fourth School for Leaders, held at Edgehill in September. Mrs. Strader and Mrs. Collison, of Brinston, sang a lovely duet, "Win The World For Christ." Rev. Mr. Taylor then addressed the meeting, basing his remarks on the theme for the day: "Faith." A duet was given by two of the Brinston Mission Band members: "The World Children for Jesus." Closing thoughts were given by Mrs. Russell Crowder, of Inkerman. Rev. Mr. Sommerville closed with the Benediction.

Firemen's Banquet Greatly Enjoyed

About 50 persons were present at the local Firemen's Banquet, held in Hotel Winchester on Friday evening last. Besides the members of the Fire Brigade and their wives or lady friends, the guests included members of the Municipal Council and Civic officials, representatives of the 100 Club, the Press and a few citizens who had rendered favours and services to the Firemen.

The Master of Ceremonies was Fireman Harold (Cy) Helmer, who performed his duties in a very creditable manner.

Music for the evening was provided by Messrs. John Burke, Chas. Rattray and Keith Summers, while Fireman Howard Fetterly and Mr. Sheldon Robinson led in community singing.

Prior to the luncheon, the roll was called by Fireman Vernon McCoy, after which Fireman J. T. Elnaugh asked the blessing.

Prior to the program, the chairman introduced three out-of-town guests, who were Mrs. Earl Gordon, of Vars; Miss Doris McMillan, of Chesterville, and Provincial Constable R. H. Wannell, of Morrisburg.

After welcoming the guests, the Master of Ceremonies called on the following for brief addresses: Reeve Albert Turner, Councillors Walter MacDonald, Erle Helmer and Chester Robinson, and Mr. W. J. L. Boyd, president of the 100 Club. All congratulated the Fire Brigade on its achievements during the year and lauded the co-operation that existed between the firemen and their efficient chief, Gilbert Raistrick.

Several vocal solos by Sheldon Robinson and a step-dance by Fireman Cy. Helmer added to the enjoyment of the program.

A vote of thanks to the musicians and others who had assisted in the program was given by Fireman Howard Fetterly, while a special vote of thanks was extended to the Hotel Staff for the excellent meal served. The banquet took the form of a chicken supper with all the trimmings, and the abundance of delicious chicken and other appetizing vitals was all that one could desire.

DEATH-DEALING SOUVENIRS

Tragedies that are doubly distressing because they are avoidable, are following in the wake of war as veterans of the fighting in Europe bring weapons to their Canadian homes as souvenirs. Several persons have lost their lives and more will die or be maimed unless people can be taught that pistols, even the "unloaded" ones, are death-dealing.

The danger was emphasized dramatically in the case of an army officer who returned home bringing an automatic pistol, a trophy of the fighting on the Continent. A careful father, he showed his 12-year-old son the automatic, pointed to a loaded cartridge clip in a drawer and explained it must never be touched.

Next day the boy stepped to a window to answer a chum's call and show him the automatic. A moment later his playmate was dead with a bullet through his head. Somehow a cartridge had reached the firing chamber.

There is another danger—that souvenirs will fall into the hands of criminals. A police officer died in Ottawa last week, fatally wounded by a weapon stolen from the war museum.

Federal officials are considering tightening controls, but tragedies will continue as long as firearms are left within reach of any except those most experienced in handling them. Boys who have been playing with toy guns for years will automatically point a real one. Inexperienced adults are never really certain there isn't a cartridge in an automatic pistol.

The law provides that revolvers and pistols must be registered each five years. This regulation does nothing to offset the dangers inherent in indiscriminate possession of firearms, but police find it valuable in tracing stolen guns. Even this regulation is not being kept. Of the 233,217 pistols and revolvers previously registered, only a third have been re-registered this year as the law requires.

The prudent person with a new souvenir or any sort of small-arm can insure himself against tragedy only by following the advice of the Royal Canadian Mounted Police and turning it in to the police for destruction.

THE MAN WHO WINS

The man who wins is the man who goes
Ahead with his work each day;
Who's never struck by his adverse luck,
But makes of his labours, play;
From early dawn he will still toil on
And know that the world's all right,
And he sings a song as he goes along,
For it sharpens his appetite.

The man who wins is the man who smiles
And sees the sky is blue,
He always is there with a great big share
Of smiles and of sunshine too.
He never growls and he never howls
That the world is out of gear.
But he meets the shocks and the jealous knocks
With a great, broad smile of cheer.

EDITORIAL NOTES

The danger of those supporting strike votes is that some time the "yes" voters will find themselves actually out on a strike that they really didn't want.

The unfortunate part about so many of the quite preventable fires which start in flimsy houses is that helpless, innocent children are usually the victims.

French women had their first chance to go to the polls in national elections in the voting which took place recently. But surely the women voters weren't alone responsible for the French communist victory.

A return of fatal level crossing accidents to this area makes it again necessary to remind motorists that it is always common sense, if not the law, to come to a full stop before crossing the tracks where danger constantly lurks.

Winchester and District scores again. Right after donating over four tons of clothing to the Used Clothing Campaign, citizens of this district turned their attention to the local $200,000 Ninth Victory Loan objective, and have already gone "over the top" by about $50,000. All in all, Winchester and district have done a fine job in every patriotic appeal since the war started—keep the good work up for the cause of peace.

Our Column

You can deny the truth but you never can defeat it.

If you fight for someone, you won't fight with them.

Trouble never comes to a head when apology is afoot.

Peace demands a generalship as great, if not greater, than war.

Nations that take it easy today will be easy meat for aggressors tomorrow.

Think more of waging peace than of wages and we'll be repaid with a new world.

If you want to know for sure when inflation begins, wait until they start paying $84 for the answer to the $64 question.

After getting back a shirt minus one cuff, we can understand why they call those laundry machines mangles.

Whether you run them or just patronize them, black markets leave a black mark on anybody's character.

Under the meat restriction we take it that veal must not be used to make chicken sandwiches for the duration of the peace?

The greatest danger to liberty is man's willingness to accept a master if he calls himself a friend of the poor and of freedom.

Half the time many people are so busy wanting what they have not that they do not see what they have. Think that over, readers!

The first thing that should be taught the young minister at his ordination is that no soul was ever caught with a steeltrap smile.

Sign of the times: In the classified ads of a Montreal daily this week, a prominent space advertised the needs of a departmental store for a man—plump, jovial, pleasing personality—to play Santa Claus.

Other Editors' Opinions

LOOKING FORWARD

(Victoria Colonist)

This may be peace, but many are waiting for the days when they can live in the home they own, buy what they desire without asking anyone's leave, pocket the salary they earn without punitive tax "deductions at source," and fire public servants who would be public masters.

THE K. A. S.

(Brockville Recorder & Times)

The number of graduates of the Kemptville Agricultural School forging ahead as district agricultural representatives proves that the preliminary instruction in scientific agriculture furnished there is of decided value. We may yet find this useful school raised to the status of a college.

WAR STILL GOING ON

(Smiths Falls Record-News)

The war with Japan is over, but there is still a war going on in the East. Reports state that over one million fighting men are engaged in a civil war in China with Communists and Central Government troops waging battle for supremacy in Manchuria. At this distance it would seem that Stalin is after Manchuria as a prize for Russia's brief war against Japan, after the U. S. had the Nips licked.

IT'S A FACT

(Salmon Arm Observer)

Since the beginning of the war, publishers of weekly newspapers have faced the greatest demand in history upon their space and service; and with the manpower and equipment shortages, they have literally worked night and day to meet these extraordinary demands. Few, if any, business or professional men have been asked to contribute more of their time, products and personal efforts to the winning of the war on the home front.

IT'S DIFFERENT NOW

(Pembroke Standard-Observer)

After all, capital gets mighty little sympathy these days, not even from some of the M.P.'s, who are thinking of votes. Likely it has committed a lot of sins for which it has been obliged to make atonement. There are memories of the sweat shop, the beggarly poor wages, and the dole that was necessary to keep body and soul together. But we are living in a much different age. Stories of what men are earning in the bush, as high as $10 or $12 per day, or more, of the sumptuous meals, the radios, of the motion picture shows for their entertainment, and what's true in the bush is more or less true of this day's relations everywhere between capital and labor.

THE FORESTER'S COLUMN

Why Farm Forestry Is Necessary

In pioneer days, the forest was an enemy to be driven back as far as possible, and held there by axe and enemy to be driven back as far as possible, and held there by axe and fire. There is no longer a pioneer country and our forests in Eastern Ontario are reduced to bushlots among the cultivated lands. In the northern parts and unsettled regions the forests have been mapped and estimates of the existing timber prepared. Even in British Columbia an end is seen to the supply of virgin timber, and strong measures are being taken to control the annual cut, the ravages of fire and the depredations of insects. The great companies producing lumber, pulp, and paper, are spending freely to ensure a supply of wood for future generations. If they can afford to spend money for forestry purposes in the lands distant from markets, is it not much more reasonable for one who holds land near the markets to spend time and money on managing his woodlot?

We, in Eastern Ontario, are approaching the settled stage of Western Europe. In that region the forest land is managed as carefully as any other land, and those who have been overseas will agree that the owners take great pains to keep every square foot of forest producing wood. Many municipalities own forests and, by careful management, obtain enough revenue to cover all municipal expenses such as upkeep of schools and roads. What possibilities there are in our countries, to make the waste lands which are now common, become revenue producers. The way now lies open to make this possible, and will be explained in later articles.

Wrecked dreams and ruin come to the upper crust as they do to humble folks. Linda Lane begins, in The American Weekly with this Sunday's (Nov. 11) issue of The Detroit Sunday Times, a series of articles on famous tragedies that stunned the 400. Get The Detroit Sunday Times.

It's been a long time . . .

A long time since he said goodbye to his wife and infant son . . . a long time since he tramped the woods . . . caught the car at the corner . . . was called "Mister".

Canada's youth is coming home.

It will be months—or years—before some are back to normal health. Many will need to take up their studies where they left off. Others are planning to go into business, or learn a trade, or buy a farm, or a home with a garden.

Canada's whole future is bound up with their successful return to civil life. We can help them to carry out their plans. We can help them to make up lost years. We can buy Victory Bonds.

This is our continuing responsibility—our privilege—our debt of honour.

BIBLE QUESTIONS ANSWERED BY THE VOICE of PROPHECY

INTERNATIONAL BIBLE BROADCASTER

Question—Christ was the perfect man, but—

Answer—But that is not enough. He was and is the divine Son of God. (John 3:16.) In Hebrews 1:8-10 the Father calls His Son "God." That our Lord and Saviour is more than a perfect man, is shown in Ephesians 3:9: "God, who created all things by Jesus Christ."

Q.—Wasn't Abraham a Jew?

A.—He is not so called in the Bible. Abraham's son was Isaac, and his son was Jacob. Jacob had twelve sons whose descendants were called the Children of Israel. (Jacob was also called "Israel." Genesis 32:28.) From Judah, one of Jacob's sons, came the name Jew, applied to anyone belonging to the tribe or kingdom of Judah. (2 Kings 16:6; 25:25.) Later the term was extended to include anyone of the Hebrew race who returned from the Captivity. Finally it comprehended all persons of that race throughout the world. (Esther 2:5; Matthew 2:2.)

Q.—Astronomy has proved that some of the stars are planets or worlds like ours. What are you going to do with the old Bible idea that this world is the only one?

A.—The Bible speaks of more than one world. Hebrews 1:1,2 says: "God, . . . hath in these last days spoken unto us by His Son, whom He hath appointed heir of all things, by whom also He made the worlds." And, Hebrews 11:3: "Through faith we understand that the worlds were framed by the word of God, so that things which are seen were not made of things which do appear."

Q.—Christians say that we must be born again to become God's children, but Malachi 2:10 says: "Have we not ALL one father? hath not one God created us?"

A.—It is true that by creation all men are brothers. (Acts 17:15-26.) But spiritually, only those who are born again are the children of God. "But as many as received Him, to them gave He power to become the sons of God, even to them that believe on His name: which were born, not of blood, nor of the will of the flesh, nor of the will of man, but of God." John 1:12,13.

Ed. Note: Address your questions to the BIBLE QUESTION COLUMN, The Voice of Prophecy, Box 55, Los Angeles 53, Calif. Bible questions of general interest will be answered in this column as space permits.

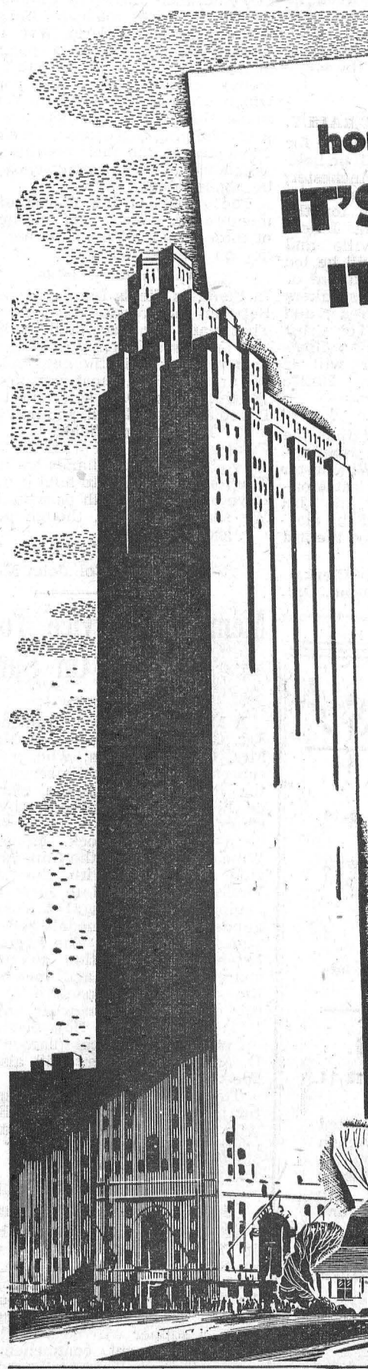
IT'S AS OLD AS ITS ARTERIES!



● The life-carrying arteries of a building are its electric wires. The size and number of wires determine the amount of electric power that may be used at any one time. As electrical devices multiply, and new uses call for increasing quantities of electricity, any building, regardless of when it was built, is only as young as the ability of its arteries to carry the load.

A home that is wired only for lights and small appliances must be rewired before it can provide such comforts as an electric range and water-heater. If not wired for all requirements, it is "old" until it is rewired to carry modern loads, with plenty of outlets and switches. The economical time to wire properly is when a place is being built or remodeled.

A proper standard of wiring in an office or factory will advantageously affect production and profit. Employees do better work with less fatigue when lighting levels are of approved standards. Adequate wiring also provides for modern electrical equipment.

Your Hydro is planning to provide you with the electricity you will need for peacetime prosperity and comfort. Be sure that you plan also to enjoy these benefits in full, through adequate wiring. Your Hydro will be glad to give you information about wiring.

EMERGENCIES

arise in any family

Banks are continually making small loans to meet these emergencies which can upset the best-planned budgets.

Three out of every five bank loans are for less than $500. Many of these are used to take care of such expenses as doctor or hospital bills, temporary embarrassment at tax-time, a sudden journey, the winter's coal bill.

Again, educational needs of the family often are financed by small bank loans.

These small loans enable individuals to consolidate debts, and to pay back from income.

Small loans furnish just one more example of the service available to you at your bank.

Mr. Farmer
Have you ordered your Machines for Next Season?

Yes, the War is over, but the steel war has just begun. As near as we can find out, Machines are going to be very short this coming season, owing to the large demand for steel.

Mr. Farmer, you are aware of the condition of your soil at the present time—and unless a miracle happens, it is going to leave a desperate rush for the Spring. Don't be caught short of a machine—Order Now.

As we are very busy erecting our new Machine Premises and our time very poor, it makes it impossible for us to canvass you. Why not drop in and leave your order now—or phone and we will endeavour to see you.

OBITUARY

LATE MRS. EZRA McMILLAN

There passed away at her residence in Williamsburg, on Wednesday, October 24th, Mrs. May L. McMillan, wife of Ezra McMillan, in her 72nd year.

Mrs. McMillan was born in Parishville, N. Y., the oldest daughter of the late Mr. and Mrs. Sherman T. Brown. In May, 1895, she married Erza McMillan, of Elma, where they resided until they moved to Williamsburg some years ago. Of a quiet, unassuming disposition, she was loved by all who knew her, and her loss will be keenly felt

She is survived by her husband, one daughter, (Hattie) Mrs. Elmer Dillabough, of Elma, and one son, James, of Williamsburg. Two other children, (Bessie) Mrs. E. Robinson, and Sherman, predeceased her. A sister, Miss Augusta Brown, of Willaimsburg, also survives.

The funeral service was held on Friday, October 26th, at 2 p.m. at the residence of her son, James McMillan. Rev. Wm. Nolting, pastor of St. Peter's Lutheran Church, officiated. The pall bearers were Messrs. Fred Coons, Lorne Hogaboam, Esly Pitt, Walter Loucks, Wilfred Henophy and Paul Robert. Burial took place in Williamsburg Cemetery.

Beautiful floral tributes were received, showing the love and esteem in which the deecased was held.

Mrs. Wm. Johnson and Mrs. Emma Hyde, of Malone, N. Y., were among the relatives from a distance attending the funeral.

NEWLYWEDS HONOURED

A delightful event was held recently at the home of Mr. and Mrs. Stanley Rennick, when about 150 of their friends and neighbours assembled to offer congratulations and best wishes to Mr. and Mrs. Warren Jackson (nee Vivian Rennick), who were recently married.

The evening was spent in playing crokinole and social intercourse, and about 10.30 the young couple were called to the floor and presented with a beautiful china cabinet, table lamp, magazine rack and other useful articles. Mrs. Geo. Suffel read the address, while the gifts were presented by Miss Jean Barclay, Messrs. Ray Brown, Howard Biccum and Lewis McGuff.

The address, enclosed in a pretty bride's book, was as follows:

Dear Vivian and Warren:—On this occasion, we, your friends and neighbours, are gathered here to-night to express to you our hearty congratulations and best wishes for your wedded happiness. As you sail along over the sea of matrimony may you find nothing but blue skies and smooth sailing.

We, who have watched you grow up, Vivian, will not forget your cheery disposition and your sunny smile. Someone has said: "There is no magic in the art of making friends along life's trail; a happy smile and a kindly heart have never yet been known to fail." So we will not soon forget your happy smile and your ever ready helping hand.

Although your recent marriage has taken you from us, we are glad that your new home is near enough that the ties of comradeship need not be broken.

We have not had the privilege of knowing you so well, Warren, but we compliment you on the choice of your helpmate and trust that life together may be long and happy.

As a small token of our good will and esteem, we ask you to accept these gifts, and may they bring to you pleasant memories of your friends at Inkerman.

Signed—Mrs. G. Suffel, Mrs. H. McMenomy, Jean Barkley, Evelyn Casselman, Mrs. R. Brown, Louis McGuff.

The bride expressed her thanks to all those who had honoured her on this occasion, and invited all to visit them in their new home.

The hostesses then served refreshments, and an enjoyable evening was brought to a close.

BIRTHDAY PARTY

Mr. and Mrs. Clifford Casselman, Toyes Hill, entertained over 60 guests at their home recently, in honour of the former's grandmother, who was observing her 85th birthday. Six of her seven children were present, as well as 30 grandchildren and 12 great grandchildren. Her only remaining sister and her husband, both over 80 years of age, were also present. Mrs. Aden Casselman spoke a few words in appreciation of her long life, cheerfulnenss and good health. Mr. Henry Strader, in a brief address, said we had much to be thankful for, and expressed the pleasure there was in being able to honour Mrs. Casselman on this occasion. On behalf of the family, Mrs. Walter McGowan presented the guest of honour with a Bible.

At the close of the evening the hostess served lunch, assisted by Mrs. John Morrow, Mrs. Victor Riddell, Miss Doris McGowan, Mrs. Walter McGowan and Mrs. Aden Casselman.

HINTS FOR THE HOME

Laundry Hint

It is well to remember that a soap combined with bluing will cause rust spots.

Old Umbrellas

To renovate a shabby black old umbrella, sponge it with a cold solution of strong tea.

Citron

To cut citron, steam it for a few minutes and it will make an easy task out of a difficult one.

Woollens.

If woollens are hung on the line dripping wet they are not so likely to shrink as those wrung out before drying.

In the Sick Room.

If the ticking of a watch irritates a very nervous invalid try turning a tumbler over it. Then it can be seen but not heard.

Standing Dishes

Use thumb tacks as braces for platters or any standing dishes, and there will be no anxiety about their slipping down and breaking.

Use Two Mops.

Try using two mops when scrubbing the kitchen or porch, one for the wet, soapy water, the other to remove the water and suds.

Mending Overshoes.

When the children's rubber overshoes are worn thin on the bottom, or have scuffed toes, stick adhesive tape on the inside of the shoes.

Meat Grinder.

After using the meat grinder for anything inclined to stick, run a few slices of dry bread through it and it will make it much easier to wash.

Yellow Stockings

If the white stockings have turned yellow, boil them for a few minutes in strong tea, rinse in cold water, and a pretty tan shade will be the result.

Meat Loaf.

Try using crumbled crackers when preparing meat loaf instead of stopping to make the usual crumbs. The result will be a meat loaf that is light and fluffy.

Scrubbing Brushes.

To make scrubbing brushes last longer, wash them occasionally in strong salt water. Allow them to dry in the open air and they will be nice and sweet.

Chicken Salad

To make chicken salad sandwiches put the chicken through the meat chopper, add chopped celery and mayonnaise. Spread between slices of buttered bread.

Coal

Coal will not burn so quickly if a solution of one-half pound of washing soda to a gallon of water is sprinkled over the coal a few days before burning. It will also give more heat.

Fruit Stains

The table linen should always be looked over before sending it to the laundry. If spirits of camphor is poured over the fruit stains before laundering, the stains will disappear with ordinary washing.

Cleaner Garments

Several times a year wash the clothes line and the clothes pins in the wash boiler. Rinse in clean hot water and dry in the sun. Then there will be no ugly stains on clothing from neglected lines and pins.

Removing Fat From Soup

All fat should be removed from the top of soup, as it is indigestible. If unable to do this with a spoon, wet a clean cloth with cold water, wipe over the top of the soup and the hot fat will adhere to the cloth.

Hot Food

If the bowl of food has a tendency to cool too quickly, fill the bowl first with hot water, let it stand for a minute, pour out the water and dry it, then fill with the food. It will stay hot for a much longer period.

The Dishcloth

The majority of women are very particular about clean towels but sometimes forget the dishcloth, which really needs more attention than the towels. Wash the dishcloth after each meal and dry thoroughly before using again.

LATE ARTHUR GRAHAM

The funeral of the late Arthur Graham was held on Monday, October 22nd, in Hulbert United Church. Mr. Graham had been in ill health for the past few years, and after a short illness in the Kingston General Hospital, he passed away Saturday morning on his sixty-fifth birthday.

Rev. F. W. Taylor conducted the service and gave as his text: "He giveth His beloved sleep." The choir, under the direction of Mrs. Clifford McQuaig, sang "Glorious City."

Mr. Graham came to Hulbert at the age of eleven and spent the remainder of his life there. He was the son of the late George Graham and Lucy Locke, and in 1905 he married Annie Sullivan. While Mr. Graham was enjoying good health, he was a regular attendant of the United Church. Besides his wife, he leaves to mourn, one brother, Charles, of Chesterville, and several nieces and nephews.

The beautiful floral tributes, and many friends who called, showed the high esteem in which Mr. Graham was held. Interment took place in Brinston Cemetery.

The pall bearers were Wilbur Morrison, Lloyd Montgomery, Ralph Adams, Howard Montgomery, Jerry Mellan and Wesley Flegg.

1885 SIXTY YEARS OF PROGRESS 1945

A Dream Come True

When, on November 7, 1885, the last spike was driven linking the rails of the Canadian Pacific Railway, developments only dreamed of that day were to follow.

Soon ships flying the red and white Canadian Pacific house flag were plying the Pacific . . . then the Atlantic. There followed a chain of hotels . . . resorts and lodges . . . coastal and inland steamships . . . express and telegraph services—the whole forming an all-Canadian system stretching more than half way round the world.

In 1939, this vast system was dedicated to the winning of the war. Since then the Company's rail lines alone have handled more than 128 billion ton miles of freight—and 11 billion passenger miles. All ocean steamships have been on active service—many have gone down fighting.

Now the Canadian Pacific faces the future. Plans have been completed for the construction of new, improved locomotives and coaches . . . sleeping cars . . . parlour cars . . . diners; for the renovation of stations and hotels; and for the building of a new fleet of ocean vessels.

In a world at peace the Canadian Pacific will do its part in providing modern, efficient transportation by land and sea.

Consumed with the shed, near the house, were a horse, a cow, a dog and a quantity of hay and some tools. Later the same evening, or early Sunday morning, the camp located in the bush, and used as a tool shed and shelter for the bushmen, was also destroyed by flames, with its contents.

The origin of the blaze in either instance is not known, and Provincial Police are investigating to ascertain if the fires were started from incendiary acts.

NEWLYWEDS HONOURED

On Thursday evening of last week, about 125 friends assembled at the home of Mr. and Mrs. Donald Strader to honour Mr. and Mrs. Cecil Strader, who were recently married. The evening was spent in games and social intercourse, with dainty refreshments being served. The address was read by Mrs. Gerald Howes. This was accompanied by the presentation of two occasional chairs, a living room table and a table lamp, by Mr. and Mrs. Orvil Guy, Gerald Howes, Marion Guy and Joyce Howes. They were also the recipients of other individual gifts and a bride's book. In a few well-chosen words Cecil thanked the people for the beautiful gifts. Following is the address:

Dear Nelda and Cecil:—We, your neighbours and friends, are taking this opportunity to express our good wishes to you as you embark on a new life. You are not strangers in this community. We have watched with pride your individual lives and hope this union will bring not only blessings to each of you, but look into your future and hopefully predict for you a full and useful life in this neighborhood.

The founding of a home carries with it many responsibilities, but we feel that you have the courage to carry it through successfully. We can assure you that we, your neighbours, are ever ready to lend a helping hand.

That you may always remember your friends who honour you this night, we present these gifts as a future token of our affection and esteem. We wish you health, wealth and happiness, and hope that your troubles will be little ones.

Signed on behalf of your neighbours—Mr. and Mrs. Orvil Guy, Gerald Howes.
