Winchester Chamber Of Commerce On Last Legs?

If the number of merchants attending the Chamber of Commerce Meeting held at Country Kitchen last Thursday is any indication of the interest to be put into this year's Christmas shopping season, old St. Nick may be carrying an extremely light bag by the time he arrives over the Winchester area.

Only 10 members, of approximately thirty, showed up at the luncheon meeting to lay plans for this year's Santa Claus Parade and Christmas store hour schedule. This is the latest display of apathy on the part of Village merchants. Lack of interest has plagued the Chamber for the past while with uniform store hours being the big issue.

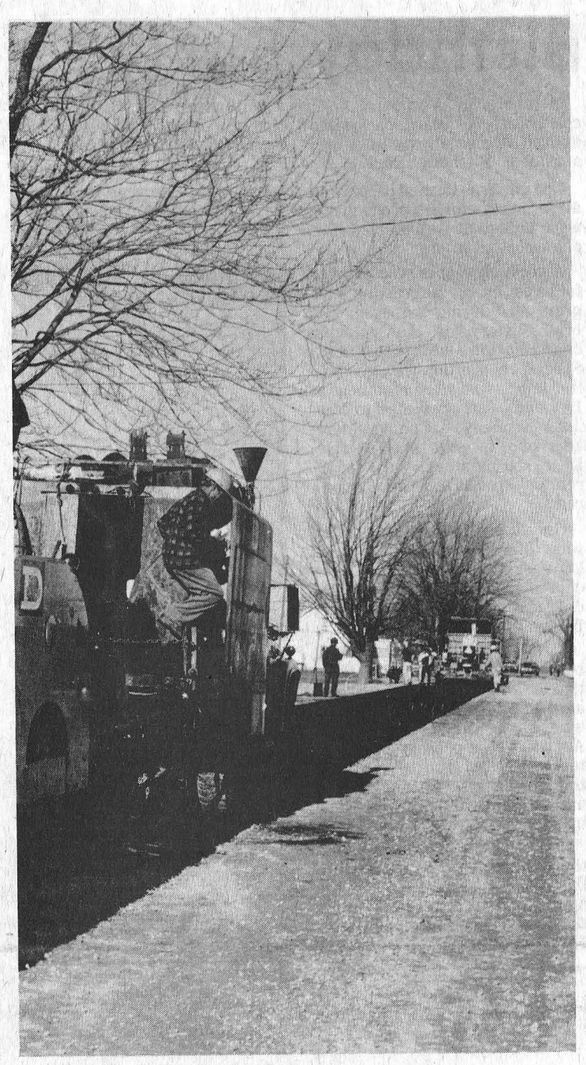
Suggestions by several of the attending merchants were offered concerning Christmas store hours and the synchronizing of regular store hours. As it stands now, area consumers do not know which merchants are following which hours and many merchants are receiving regular inquiries into this point. This is a situation which merchants hope to correct before the busy Christmas season gets any closer.

It was made official at last Thursday's gathering that Santa will definitely visit Winchester on Saturday, December 6th. Business concerning activities, floats, candy, public skating, and movies remained unconfirmed at present.

One of the highlights of Santa's visit has always been the exciting parade, one of the district's finest. The parade will take place and anyone interested in entering a float is urged to start preparation right away. Anyone needing more information concerning parade entires or floats can contact Neil LaChance. At Press time there were 13 entries confirmed, officials would like to have at least 25 take part.

Before the meeting had ended committees were organized to handle preparation of the parade, advertising promotion for the Christmas Shopper and Christmas store hours for the month of December.

All Winchester merchants are urged to come to the meeting on November 6th. More interest will most certainly verify a most successful Christmas program. The meeting will be held once again at the Country Kitchen starting at 12:20 p.m.



Smooth!

The extensive rebuilding program on Ottawa Street (Winchester) is nearing completion.

At press time Dibblee Construction Company equipment and employees were taking advantage of beautiful November sunshine to lay the asphalt top.

The new road, curbs and sidewalks will greatly improve that particular section of the town and both motorists and pedestrians welcome the transformation.

The paver is shown in action in accompanying photo.

Staff Photo - laurin

Fires Illuminate Darkness, Hallowe'en Needs Control

A variety of unnatural acts took place on Hallowe'en night in the Winchester area leading many residents to believe that these episodes were more than just mere coincidence. Morrisburg and Winchester Detachments of Ontario Provincial Police informed the Press that although there were several charges laid last Friday evening and obvious incidents of vandalism, that this year's Hallowe'en was reasonably quiet in comparison to other years.

WINCHESTER

In the Village of Winchester several cases of window breaking took place, mainly at Finlay Hall. The building is in the process of renovations and several of the windows were cracked prior to Hallowe'en night. Corporal Graves, Winchester O.P.P. Detachment, said there were a few people charged with Causing A Disturbance and several Liquor Charges laid. He added that numerous signs around town were pulled up.

The Winchester Fire Department answered five calls, the major one being at Basil Dawley's Wincrest Farms on the Hwy. 31 by-pass just west of Winchester. O.P.P. Constable, Vern Wilson, spotted the fire as he was cruising in the area and the Winchester Department answered the call at approximately 8:00 p.m. The fire was confined to the barns on the property and included in the loss were: 2,000 bales of hay, pipeline milking system, bulk milk tank, stable cleaner, hay conveyor, one barn 120' x 40' and two barns 60' x 40'. Mr. Dawley stated that his losses, although the barn was not in use at the time, were estimated at between $50,000 and $75,000.00.

At the Ninth Settlement a house was burned to the ground, cause undetermined, which was owned by Frank Elliot who was residing elsewhere at the time.

A tractor was set on fire at Mountain and was extinguished before the Winchester department arrived.

An abandoned home on a property on Gordon Street just north of Ault Foods was the scene of another Hallowe'en fire in which persons unknown threw a Molotov Cocktail through a window. The bomb failed to explode and firemen halted the blaze before it really started.

A car belonging to Bryan Rennick of St. Lawrence Street in Winchester was burned along the side of the road. Damage estimates were unavailable at press time.

BRINSTON

Usually a haven for Hallowe'en hoolaganism, Brinston was quiet and clean this year. Sgt. Boyd of Morrisburg O.P.P. Detachment told the Press that after the destruction of numerous properties in the past years in Brinston that his force was prepared to arrest the upswing of vandalism in its early stages. Patrolmen were stationed at known trouble spots and kept there all night. Their meals were delivered to them and the trick obviously worked. The Morrisburg detachment have received numerous congratulatory calls on their work.

WILLIAMSBURG

In Williamsburg there were a number of road signs removed and an abundance of soap and wax in use.

SOUTH MOUNTAIN

The South Mountain area remained relatively quiet as sign posts were broken off and removed. The fire department answered two calls, one being a barn at Oak Valley on the former Frank Kirkwood property and the second being a rail fence and straw near Hallville.

MORRISBURG

In the Village of Morrisburg several fire hydrants were opened and numerous eggs were thrown, many of which found their mark on the Provincial Police cars in the area. Small fires were set on the streets, burning piles of leaves, and some windows broken. A truck valued at $15,000. was stolen from Norm's Gulf Station, driven to his wrecking yard on the Flegg Road north of No. 2 Hwy. and burned. Sgt. Boyd said that his department had not confirmed whether or not this act had anything to do with Hallowe'en pranksters or not.

ORANGE HALL HIT TWICE AT RUSSELL

The Russell Orange Hall, located immediately North of the Village was apparently the target of those determined to make this year's Hallowe'en a destructive one.

Firemen were called to the scene on Friday night in time to extinguish a fire that had destroyed the contents of the building.

A blaze broke out again on Saturday night and firemen once again poured water on the frame structure.

The hall, headquarters for Russell and area Orangemen since 1916, is beyond repair and Lodge Master Sandy Moffatt reports only the four badly burned walls remain standing.

AT KENMORE

Fires on Kenmore's main street on Hallowe'en night brought fire-fighters from Metcalfe to the scene. Although they had little difficulty extinguishing the blaze, Chief Peter Griffin told the press his men were greeted by a shower of stones when they arrived and the tanker, as well as the Chief's car, were damaged.

AT METCALFE

Metcalfe experienced one of the quietest Hallowe'en nights on record. The little ones enjoyed making their usual rounds and, apart from a thorough soaping of a few windows, all was quiet throughout the night.

It had been anticipated that some would fail to understand the real meaning of Hallowe'en, and make it, rather than a night of fun, a time of destruction. True to form the few who apparently have no respect for the property of others, embarked on a trail of malicious damage.

Valuable windows were a prime target and huge plate glass panes were shattered in Finlay Hall, the office of lawyer David Barnhart, the old post office building and also the Crafts Shop. An example of the damage is shown in accompanying photo.

Press Photo - laurin

Osgoode Studies Quarry Project

Osgoode Township Planning Board has received plans of the proposed Campeau quarry west of Metcalfe and the information will be reviewed at the regular Board meeting on Tuesday November 11th. It is expected a representative of the Campeau firm will be in attendance. The plan is part of an application for a licence under the Pits and Quarries Act. The Board, meeting on October 14th, heard a proposal to establish a plant manufacturing plastic pipe for tile drains and some members questioned the feasibility of establishing such an enterprise in a prime agricultural area.

The proposed plant would be located South of Osgoode Village and the applicant explained that the process, converting plastic granules into pipe using electrical heat, would be carried on in a former hog barn and that the operation would be pollution free.

The site proposed would supply ample space for outside storage of the finished product in a location not visible from public roads and it was also explained the firm would eventually employ ten people. The Planning Board

Request OPP Enforce By-Laws

"DISGUST!"

Although the malicious actions of some people on Hallowe'en night were debated in even more pertinent terms the general feeling of municipal council at Monday night's meeting was one of outright "disgust."

Aware that the night is getting more and more out of hand and appreciating the fact that Hallowe'en should be a night of fun for at least the younger people Council pulled no punches in letting it be known that "something" has to be done to curtail the violent trend of damaging property and, indeed, endangering the lives of innocent people.

In reviewing the night's activities Council again felt that police protection in the village was not adequate understanding that under the existing regulations Ontario Provincial Police cannot enforce the by-laws of the municipality. With this in mind, and prompted by the frustrations of hooliganism on Hallowe'en, Council unanimously passed a resolution requesting more help from the Provincial Police through the Attorney General's department. The resolution calls for OPP to enforce village by-laws and states:

"Whereas there exists a problem of enforcing village and town by-laws and whereas the Ontario Provincial Police have refused to enforce these by-laws be it resolved that the Attorney General of Ontario be requested to clarify and change, if necessary, the terms of reference for Ontario Provincial Police requiring them to enforce by-laws of municipalities for which they are the police force on record."

Firm in its belief that something must be done before another Hallowe'en night arrives, Council is also mindful that more police action is necessary in the village throughout the year to maintain law and order. To back up its resolution council has also sent a letter to County Council asking administration to support the resolution concerning Ontario Provincial Police enforcement and that Counties Council circulate the letter and resolution to all regions and county councils in the province for support.

Although council would not say just what actions could be taken in future years it was evident from the meeting that the matter of Hallowe'en night violence had to be stopped. As one council member intimated Tuesday morning, "Hallowe'en night is not a license to break the law and action must be taken to protect people and property."

Just what happens to a segment of the population that runs wild with absolutely no respect for person or property is probably something that only the psychologists can answer. In the meantime council feels that the deterioration of Hallowe'en in this and other municipalities is of deep concern to the vast majority of people and that action must be taken against further unnecessary and irresponsible acts of violence which were evident last Friday night.

Melvin Dawley surveys the smouldering debris of the barn he built over 44 years ago. The structure was destroyed in a blaze which erupted early Hallowe'en night. There were no livestock housed in the barn at the time but some expensive equipment was destroyed. Melvin's son Basil, current owner of the property estimates damage to be around $75,000.Photo - laurin

Poppy Sale Saturday

The Cub Scout Legion Poppy Sale was cancelled last Saturday due to rain and will be held this Saturday instead. Boys are to meet at the home of Archie Rice at 1:45.

The Boys will be participating in the Remembrance day parade on Sunday and are to meet at the Legion Hall at 11:30.

Cubs as usual on Monday, November 10 but there will be no Scouts. There are still openings in the Cubs and Scouts for any boys who are interested.

Testimonial To Honour Dr. Byers

More than 250 friends and associates are expected to attend a special Testimonial Dinner in honour of Dr. W.M. "Bill" Byers at North Dundas District High School, Wednesday evening, November 19th.

The committee of friends in charge of the Testimonial said this week that there are still a very limited number of tickets available and urged everyone planning to attend the event to have tickets purchased and picked up not later than November 12th.

The evening will feature a full course meal and a growing number of ... in honour of the ... cian who has ... and district ...

Lions Receive $28,650 LIP Grant

Ed Lumley, M.P. for Stormont-Dundas announced this week that the Winchester Lions Club had been granted $28,650 in L.I.P. funds.

With this Grant the local service club, with the aid of the "Golden Years Society" senior citizen group, will now be able to complete renovations to their new headquarters building on Mill Street, former H.S. Lannin Ltd. showrooms and offices.

Lions officials feared that without the L.I.P. money it would have taken a number of years to complete repairs to the premises thereby making it useless to not only the senior citizens but also to many other community organizations looking for meeting facilities. Until the time Lions could have completed repairs the Golden Years Society would have had to use temporary quarters which were undesirable to them because of inconveniences such as a great number of stairs leading to meeting places. On completion of the project senior citizens will have a permanent meeting place with all essential facilities contained on a ground floor.

The grant will cover wage costs incurred by the project which will employ six to seven people for a period extending from November 10th, 1975 to June 4th, 1976. People employed by this project will be persons otherwise not working during the period mentioned.

Total cost of the project is estimated in the neighbourhood of $43,000 and will take 198 man-weeks to complete. With L.I.P. monies covering wages, other expenses will be covered by a $10,000 grant from the senior citizen group with the balance coming from Lions Club funds.

Renovations to the existing structure, to say the least, will be extensive.

New flooring will be installed throughout with 1 or 2 shuffle board courts inlayed in the new tile. The huge windows on the ground floor will be removed and smaller ones installed to prevent a great heat loss.

All existing lighting will also be improved. Fire regulations will be met with the installation of firewalls, railings, fire proofing in stairways, fire doors and a fire escape. A wheel chair ramp and hand railings will improve access

There also could be a woodworking shop set up in the basement, and a pool table, colour television installed in a lounge area so that senior citizens will get full use of the building seven days a week and not just on a once a month basis. Upon completion other groups could have use of the facilities for meetings or parties as well, giving the whole community access to the modern premises. The new hall could also be used for Library associated activities such as films and lectures as the new village library is contained in the new addition on the south end of the complex.

The dual purpose facility will be maintained totally by the Lions Club with money raised from their many projects. There could be support derived also from New Horizons Programme as well as yearly capital grants from the village.

HULBERT UNITED

Marks Centennial Plus One

During the last weekend in October the congregation of Hulbert United Church observed the 101st anniversary of the founding of a church in that community. This was also the 75th anniversary of the dedication of the church in Pleasant Valley and members from that congregation joined with the Hulbert congregation following the loss of the Pleasant Valley church by fire in 1972.

On Saturday evening, a capacity crowd was entertained to a fine musical evening, presented by the Brockville Police Chorus. This group, formed early in 1972, is directed by Michael Deasey, organist and choirmaster at St. Peter's Anglican Church, Brockville. They have presented their programme in many schools, churches, and other public gatherings in the United Counties of Leeds and Grenville, but were visiting Dundas County for the first time when they came to help celebrate the Hulbert Church anniversary.

Deputy Police Chief Wylie of the Brockville Police force acted as Master of Ceremonies for the programme, and Chief Leslie Sterritt who was also present, introduced the members of the chorus, and spoke briefly about the way in which the group has developed since early in 1972. Accompaniment was by Michael Deasey at the piano, and by Andy Boivaird of the Police Force at drums and percussion.

The Sunday morning service of worship was in charge of the minister, Rev. L. Joyce, with special music provided by the Youth Choir of the church, directed by Mrs. Dale Keyes, organist, and by the Gospel Brothers of Ottawa. Guest minister, Rev. Roland Glendinning of Brockville, spoke to the large congregation on the subject, "Happiness is . . . the church!"

On Monday evening the annual Anniversary Dinner was served by the ladies of the congregation to more than 450 persons.

The Hulbert congregation was most pleased to have so many friends and former members join with them in the celebration of their 101st anniversary, and was especially grateful to those who helped make this anniversary event a memorable one in the life of the church.

North Russell W.I. Organize Pot Luck

Twenty-five members of North Russell W.I. answered Roll Call by naming "one thing I can do to help Russell Fair or Russell Arena" at last week's regular meeting when members of the Village branch were special visitors.

Rev. E. Phipps, Administrator of the Rideau Regional Centre, Smiths Falls, was guest speaker for the occasion and spoke of his work. He told his interested audience that the Centre now accommodates 1500 residents and occupies approximately one thousand acres of land. Mr. Phipps explained the structure of the institution and spoke of the cooperation between those residing at the Centre and people of the community.

"Don't pity the residents", he said, "treat them as human beings." The administrator told of a choir he has organized and expressed appreciation for the many gifts received from various community groups. Mrs. Ernest Burton thanked the speaker and Mrs. C. Smith presented a gift.

Mrs. Robert McCallum, convenor of Resolutions was in charge of the program and presented a resolution: "Take Time for Ten Things".

A Hallowe'en contest was conducted by Mrs. Robert Boothe and won by Mrs. Norman Inglis. Mrs. Burton led a delightful sing-song, and before adjournment it was decided to hold the annual pot-luck supper on November 15th.

Mrs. Bert Vedder was presented with a tray in recognition of having worked with 4-H girls on a total of 18 Clubs. Following the meeting lunch was served by Mrs. Harold Harten, Mrs. Gordon Magladry and Mrs. Maynard Cherry.

Mrs. J. Achtereekte, president of the Russell branch, thanked North Russell ladies for their hospitality.

Gay Nineties Celebrate Hallowe'en

The Gay Nineties Senior Citizens Club of Vernon had a gala evening when they met in Club 31 on Tuesday evening, October 28, for their annual Hallowe'en party.

Many of the members of the club were in costume. The judges for the costumes were, Mr. and Mrs. Mel Tomkins of Greely. Costume prize winners were, Daisy Robinson, Katie Brunton, Harold Cowan, Henry and Pearl Robinson, Hazel and John Porteous. Jennie Dow was in charge of the programme for the evening.

Lunch was served by members of the lunch committee at the close of the evening activities.

Jansen - Guy

Carole Anita Guy and Paul Alphonse Jansen exchanged their marriage vows in a pretty setting at St. Daniels Church in South Mountain on September 20 at 3:00 p.m.

Carole, daughter of Mr. and Mrs. Ray K. Guy, of R.R. 2 Mountain was attended by her Maid of Honour Miss Leeann Holmes, and Paul, son of Mr. and Mrs. Herman Jansen was attended by his Best Man, John Jansen, brother of the groom. To the Processional Music played by Mrs. Martin Hall, Carole was accompanied to the sanctuary by her father. Officiating Clergymen for the happy occasion were Rev. Father L. Cummings and Rev. Father P. Leblanc, Altar boys were Geoffrey Guy and Bernie Jansen. As a special highlight during the Nuptial Mass, Colleen Guy and Ann Jansen read appropriate passages from the Bible and Soloists were Mrs. Koenjer and Mrs. Herman Jansen.

Guests were in attendance for the occasion from Peterborough, Trenton, Hamilton, Ottawa, Kemptville, Oxford Mills, Winchester and Smiths Falls. The guests were seated by Gerald Jansen and David Guy.

A reception followed the ceremony in the Church Hall and an evening dance in the I.O.O.F. Hall in South Mountain was enjoyed by all close friends and relatives in attendance.

Mr. and Mrs. Jansen will reside in Kingston.

Five UCW Women Honoured On 50th Birthday Party

Members of Vernon U.C.W. celebrated 50 years of United Church women's work at a well attended 'Birthday Party'

The unit was formed in 1925 and all former members of the group were invited as well as all ladies of the congregation.

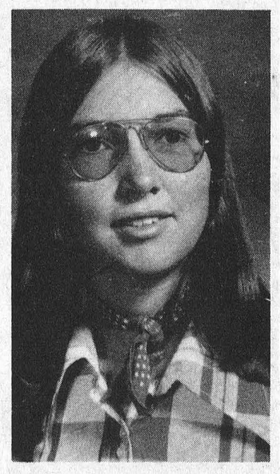
A pot-luck supper was enjoyed followed by an interesting program and during the evening a brief history of the valuable organization was presented. Special recognition was given to five ladies who were members in 1925 and a gift presented to Mrs. John Kennedy, a Charter Member who is still very active. Deceased members were fondly remembered as their names were read.

Guest speaker for the evening was Cheryl Jarvis, an Ottawa University student who was chosen as the Ottawa Presbytery delegate to the Anniversary International Youth Exchange.

Miss Jarvis, complimenting her interesting talk with slides, told of living conditions, customs and mission work in Zambia where she had travelled in August. Those present expressed much interest in the artifacts brought back from that country and especially the native musical instruments.

The program concluded with the singing of the hymn used at the inaugural service 50 years ago - The Church's One Foundation - and repeating in unison the New Creed.

Following the program a birthday cake was cut and a social hour enjoyed.



4-H Achievement Award Winner

Miss Nelly Van Berlo of Metcalfe was recently named winner of the W.I. "Outstanding Achievement" award symbolic of leadership and dedication during her years as a member.

The presentation was made at the Eastern Ontario W.I. Conference which was held in Ottawa.

Miss Van Berlo completed 16 different 4-H projects and is presently leading the Metcalfe Club project "Clothes for Leisure."

A daughter of Mr. and Mrs. George Van Berlo she is in her 3rd semester in the Home Economics course at Kemptville College of Agricultural Technology.

Presbyterian Youth Meet At Thanksgiving Conference

Members of Presbyterian Young People's Societies in Brockville and Glengarry Presbyteries joined with their colleagues from Ottawa, Montreal, Quebec, Lanark and Renfrew areas for their annual Thanksgiving Weekend Conference, which was held this year at St. Andrew's Church in Ottawa.

"Christ Our Life" was the theme of the Conference, with addresses by the Reverend Don. Campbell on "Christ Our Maker", "Christ Our Law-giver", "Christ Our Savior", and "Christ Our Lord". Bible studies were given on "Aetiology", and "Christ as Intercessor". Seminars were led by Mr. Campbell, and by the Reverends William Duffy of Ottawa, Malcolm Caldwell of Vernon and J.P. Schissler of Kemptville, on such subjects as "The Assurance of Life", "How to Do Personal Evangelism", "The Jews as God's Chosen People", and "Christianity and the Cults". Song-fests, discussions and dining were included in the weekend program, with the celebration of Holy Communion on Thanksgiving morning.

The annual business meeting was opened and closed with prayer offered by the Reverend E. Earle Eaton of Chesterville, director of youth work for Brockville Presbytery. The Brockville delegation was represented officially by Harry Spuy, president of the Youth Council, and by Anita Smith, in charge of promotion and transportation. The Glengarry leaders were Shirley Donnelly of Ingleside and Pamela Smith of Cornwall.

Dancers Offer To Entertain

A group of girls, best known as the Seaway Dancers, are eager to perform for audiences throughout the district and offer to entertain without charge.

Their teacher Miss Gail Robertson has classes at Winchester Public School; Morrisburg Public School; Iroquois; Cardinal and Riverside Heights.

The girls specialize in Highland dancing and are usually accompanied by a piper, or in some cases an entire pipe band. They are eager to perform publicly as many times as possible while preparing for competition and for that reason they are more than willing to present an interesting program without charge.

Organizations interested are invited to call 543-2242.

Halloween Spooks Visit Hospital

Being confined to hospital at Hallowe'en means missing all the interesting little visitors who make their annual rounds of their respective districts.

It has become a tradition at Winchester Public School, however to bring a touch of happiness to hospital patients earlier in the day and the scarey procession moved silently through the corridors on Friday afternoon.

The girls and boys, all kindergarten and grades 1, 2 and 3, were welcomed by the hospital staff and their visit thoroughly enjoyed by patients of all ages.

Staff Photo - laurin

MISS BERNADETTE LEGRIS

Painting Honours Nursing Director

Popular and capable director of nursing at Winchester District Memorial Hospital for the past 15 years Miss B. Legris retired recently due to ill health. To mark her long time service the hospital will purchase a painting with a suitable inscription in her honour. Once purchased the painting wil be displayed in a prominent place in one of the hospital's waiting rooms.

Meanwhile, the Board is looking for another person to replace Miss Legris and Administrator Stel said that a start has been made in placing advertising in various media for the position.

Board President George Elliott also noted that Mrs. Lancaster who has served the Board and the hospital, first as secretary and later as Executive Administrative secretary to the administrator, was resigning her position on October 31. In appreciation of her good work and contribution to the hospital Mr. Elliott presented her with a proof set of Olympic coins, engraved in accordance with the occasion. Also on behalf of the Hospital Staff Mr. Stel presented Mrs. Lancaster with a cheque from the Staff Recreational Association. Mrs. Lancaster expressed her appreciation stating that she had very much enjoyed her association with the hospital and wishing the Board every success in the future.

A request from the Medical Advisory committee recommending that Dr. A.C. Derby of R.R. 1 Iroquois be given courtesy staff privileges was granted by the Board.

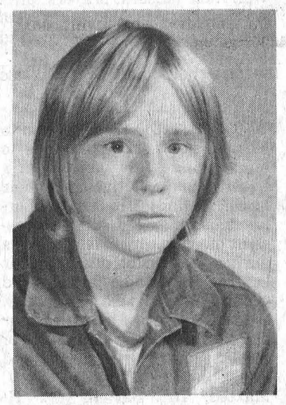
The Board was informed that securities totalling $35,000.00 will soon be transferred to the hospital from the Werely Estate and that the necessary documents in connection with the bequest to be received from the Ida Ann Campbell estate in the amount of $6,000 have been completed and forwarded to the Executor of this estate.

Briefly, in other hospital business the Board was notified that the village of Winchester is to install a number of new lights in the hospital area with the cost to be borne by the hospital, and that the hospital's maintenance staff will install a flood light for the purpose of providing more light at the main entrance.

The annual staff Christmas party will be held on Friday, December 12, at Winchester Community Centre; there will be no change in the date of the December Board meeting slated for December 23; the average length of stay at September 30th of this year stood at 8.4 days as compared with 8.5 days at December 31, 1974.

Finally, attention was drawn to the Testimonial Dinner being planned in the community on November 19 for Dr. W.M. Byers who for many years served as Chief of Staff at the hospital. It was decided that the Board would present a certificate of merit to Dr. Byers on this occasion. The presentation will be made by Board president George Elliott.

Accident Kills Greely Youth



Herman Oosterholt

Herman William Oosterholt, 15, of R.R. 2, Greely was instantly killed on October 23rd when the bicycle he was riding was struck by an automobile on Regional Road 8 near his home.

It is understood Herman, a son of Mr. and Mrs. Gerard Oosterholt, was returning home following a visit with neighbours, when the tragic accident occurred.

Besides his parents the youth is survived by one brother, Mark and two sisters, Cathy and Marguerite.

The funeral was from the Vice and Craig Ltd. Funeral Home, Metcalfe to Our Lady of the Visitation Church, South Gloucester where the service was conducted by Rev. Father Victor Chateauvert, assisted by Father Ackwood and Brother Danny Hawkins, at 10:00 a.m. on October 27th. Thirty altar boys, many classmates of the deceased, were in the sanctuary.

The large country church overflowed as friends, relatives and school mates paid their last respects to the popular youth who had only recently moved to the area from Russell.

Pall bearers were Eric Vandenberg, Brien Vandenberg, Jerry Oosterholt, Henry Oosterholt, Adrien Oosterholt and Jerry Oosterholt.

Interment was in the parish cemetery.

"OSGOODE"

From Page 1

agreed to recommend approval of the plan to Township Council.

Industrial Park

The Planning Board also gave preliminary consideration to an Official Plan amendment which would permit the establishment of a 100-acre industrial park, on a site owned by Willis McKeown and Ken Gordon, and located between Greely and Cedar Acres.

It was noted such a development does not conform to the existing Official Plan and any change proposal would have to be submitted to the public at an advertised meeting.

It is understood the application for such a development will also open for discussion at the November 11th meeting when council will be studying carefully what type of industry is being contemplated.

Cards of Thanks

CARD OF THANKS—The family of Herman Oosterholt wishes to thank everyone who was so kind with their masses, prayers, gifts and support during the recent loss of their beloved son and brother.
—Oosterholt family. 28c

CARD OF THANKS—We wish to express our heartfelt thanks to our wonderful neighbours, friends, and relatives for their kindness, floral tributes, memorial donations, and kind expressions of sympathy extended to us during the recent death of our beloved husband, father, and grandfather, Gerald H. Howes. We would also like to express our thanks for all the donations of food. Special thanks to Mr. and Mrs. Sheldon Robinson, Rev. Maxted, Dr. Barton, Dr. H. Justus, and Vice and Craig.
The Howes Family. 28p

THANK YOU—We wish to express our sincere thanks to relatives, friends and neighbours for their acts of kindness, floral tributes, masses and prayers following the tragic accident that claimed the life of our dear son and brother Herman. Special thanks to Father Chateauvert and the staff at Vice and Craig Funeral Home. Such thoughtfulness will always be remembered.
—Mr. and Mrs. Gerard Oosterholt, Marguerite, Cathy and Mark. 28c

CARD OF THANKS—We wish at this time to extend our sincere thanks to our wonderful neighbours both from here and also Cass Bridge, to kind friends and relatives for all their kindness extended to us in the loss of a dear mother and grandmother. We deeply appreciated the floral tributes, memorial donations and kind expressions of sympathy. We would also like to express our thanks for all the donations of food which was brought to our home and to those who helped serve it. All these kind acts will long be remembered.
—Arnold, Elsie, Danny, Bill and Brenda. 28p

CARD OF THANKS—Mere words cannot express my sincere appreciation to all who remembered me in prayer and with gifts, flowers, cards and visits while I was a patient for three weeks on second floor of the Winchester and District Memorial hospital. A special thank you is due to Dr. Flowers and nurses for their prompt action and the wonderful care which helped to speed my recovery. I also wish to thank the kitchen staff for their co-operation regarding my limited diet. To my family, the Clergy, especially Rev. and Mrs. Smith and relatives and friends, I owe a debt of gratitude for their Christian love and encouragement.
—Annie M. Graham. 28p

Cards of Thanks

CARD OF THANKS—We would like to express our sincere thanks and appreciation for the expressions of sympathy extended to us, during our recent bereaement, in the loss of our beloved wife and mother. Special thanks to Dr. Prins and nurses of 1st floor, Winchester Hospital for their wonderful care; and to Rev. C. Massie for his kind words and prayers. To those who brought food to our home, and helped us in so many ways - words cannot say what is in our hearts at this time. These many acts of kindness were very much appreciated and will forever be remembered. God Bless you all!
—Howard S. Duvall and Audrey and Don McPhee. 28p

CARD OF THANKS—We wish to express our sincere thanks to our wonderful neighbours, relatives and friends for the kindness extended to us during the recent death of a loving wife, beloved mother and grandmother, Mrs. Florence Scrivens. We deeply appreciated the memorial donations, floral tributes and expressions of sympathy. Special thanks to Rev. R. Cooper, Rev. R. Code and Dr. D. Merrett. We will always remember Mrs. K. Scrivens for the much needed help given by herself and the ladies who assisted at the house. My family joins me in saying thank-you and God Bless You All.
—Mrs. Albert Scrivens and Family. 28c

IN MEMORIAMS

RIDDELL—In loving memory of my dear son-in-law Victor Riddell who passed away in October, 1974.
Past his suffering,
Past his pain,
Cease to weep
For tears are vain.
He who suffered is at rest,
Gone to Heaven with the Blessed.
—Mrs. Mary Casselman and the Casselman family. 28p

WALLACE—In loving memory of a dear son and brother Herman Wallace who was accidently killed on November 3rd, 1970.
Nothing can ever take away
The love a heart holds dear
Fond memories linger every day
Remembrance keeps him dear.
—Mother Mrs. Gertrude Wallace, Mike, Evelyn and Wally. 28c

WARREN—In loving memory of a dear mother and grandmother Pearl Warren who passed away November 2nd, 1964.
With a heart of gold that stopped beating,
Hard working hands laid at rest,
God broke our hearts to prove to us,
He only takes the best.
Without farewell she fell asleep,
With only memories for us to keep,
If she could have spoken before she died,
This is what she would have replied,
I will see you all,
By and By.
—Always remembered, The Family. 28c

JAMES—In memory of a dear Grandfather John James, and also Uncle Stewart James.
Ever remembered.
—Helen Harper. 28p

A Very Sincere
"Thank You"
It is with a feeling of regret that due to circumstances beyond our control, we have been forced to write "finis" to two very successful years of serving the public.
We sincerely thank those who patronized our store and remind area residents that the new modern drug store will open at the centrally-located business centre on December 1st.

Unemployment Commission Evokes Mail Strike Emergency Measures

Because of the present situation existing in this country's Post Offices the Unemployment Insurance Commission has had to evoke special procedures for the distribution of benefit cheques.

This area's head office in Cornwall will be distributing benefit payments for Dundas County residents in Morrisburg at the Civic Centre Building on 5th Street every Wednesday afternoon from one p.m. to four p.m. All other days of the week Dundas residents can pick their benefits up at the Cornwall office on 40 Sydney St. at St. Paul's United Church from 11 a.m. to four p.m.

Residents of Grenville county can collect their benefit cheques at the Unemployment Commission's Office on 290 Center St. Prescott Monday through Friday from 9 a.m. to 12 noon and from one p.m. to four p.m.

All claimants must have the proper identification (driver's licence, Social Insurance Card) in order to receive their cheque.

People picking up cheques for sickness or maternity cases must have a signed authorization letter from the claimant including their Social Insurance number.

Claimants should always take their report cards to these locations making sure that they do not mail them.

Claimants wishing any further information can call these numbers:

CORNWALL 933-5220,
PRESCOTT 925-4321.

Ault's Gains Five Firms

The five dairy plants formerly owned by Cow and Gate Ltd. have been officially taken over by Ault Foods (1975) Ltd. reducing from three to two the number of major, industrial milk processors in Eastern Ontario. The other firm is the Kraft Company.

One of the dairy plants taken over is at Gananoque and employs approximately 80 workers.

Other plants include Brockville, Napanee, Eganville and Foxboro and collectively they employed more than 300.

The Ault firm is owned by John Labatt Company and officials have not indicated whether or not there will be lay offs.

They did indicate, however, that there is bound to be seasonal lay offs.

W. E. HORNER,
Clerk-Treasurer.

Re: Parent - Teacher Interviews

Wednesday, Nov. 12

7:00 p.m. — 9:00 p.m.

Dear Parent:

All North Dundas students will receive their November Progress Reports on Friday, November 7.

The purpose of these reports is to provide both the student and the parent with an indication of how well the student is doing in his various courses.

In order to give parents the opportunity of discussing the progress of their son or daughter with individual teachers, Parent - Teacher Interviews have been scheduled for Wednesday, November 12 from 7:00 p.m. to 9:00 p.m.

I sincerely hope that all parents will be able to attend as these interviews not only provide both parent and teacher with many insights which will enable them to help the student who is having difficulty but they also provide a great deal of positive reinforcement for the student who is doing well.

Yours truly,
D. W. McGahan,
Principal

Ministry of Housing
Ontario Housing Corporation
MODIFIED TENDERS
are invited for the
CONSTRUCTION OF 15
SENIOR CITIZEN UNITS
in the
TOWNSHIP OF RIDEAU,
NORTH GOWER, ONTARIO

These units are to be sited on land now owned by the Corporation.

PRELIMINARY DRAWINGS ARE SUPPLIED

Preliminary drawings, bid forms, specifications and information may be obtained from the Toronto Offices of the Corporation, 101 Bloor Street West, 12th Floor. Submissions for this project should be physically received at the Corporate Secretary's office on the 13th floor of Ontario Housing Corporation, 101 Bloor Street West, Toronto or the Ottawa Branch Office, 1 Nicholas Street, 11th floor, Ottawa, Ontario, not later than 3:00 P.M., E.S.T., Friday, November 21, 1975.

BIDS WILL BE PUBLICLY OPENED ON THE DATE SPECIFIED ABOVE.

The lowest priced or any bid not necessarily accepted.

Enquiries for additional information may be directed to the Development Manager (Eastern Region) at 965-9648. Documents will be available at 101 Bloor St. West (965-9658) and 1 Nicholas St., 11th Floor, Ottawa, (613-237-0612).

An Agency of the Province of Ontario

Nationview Notes

A meeting of the Parents' Committee was held Tuesday, November 4th. Many items were discussed. The secretary's notes will be circulated to all parents. If this does not include you and you would like a copy please phone (989-2127) the school office.

All parents are invited to these meetings. Along with the notice of meeting we read out an agenda as well, so that you can choose the items that prove of interest to you.

Each meeting will try and involve an explanatory session on some factor of school curriculum. At this last meeting Mr. Cooper talked about his exceptional children's class. Next meeting French programmes will be featured.

Soccer Tournament

We didn't win but our Seniors did win the consolations side of the tournament. Congratulations to winners and to the organizers of the tournament. This is a worthwhile day.

Activity Days

November 5th is our second activity day. There will be eight days up to the end of February. There are a number of parents who are helping us. These days provide a welcome chance to involve students in a wide variety of curriculum related activities.

Math Programme

Nationview along with several other schools has volunteered to participate in a pilot math programme. Adoption of the programme will very much strengthen the schools ability to assist students and report to parents.

Slave Day

Last weekend the Gr. seven and eight students worked for the community. They worked at raking leaves, washing cars, and doing general fall clean-up jobs. The money raised will be needed to finance Spring Festival costs.

Winter Parking

Winter parking by-laws are now in force and no parking is allowed on the streets of Winchester between the hours of 12 midnight and 6:00 in the morning.

The by-law will remain in force until April 30th and during that period of time all vehicles parked in such a manner as to hinder the removal of snow will be towed away at the owner's expense.

Village Administrator Raymond Annable says the by-law will be rigidly enforced.

Christmas Tea This Saturday

The annual Christmas Tea and Bazaar, sponsored by the Ladies Aid of St. Paul's Presbyterian Church, takes place this Saturday afternoon (November 8th) beginning at 2:00 p.m.

Always one of the highlights of the Christmas season this year's event will again feature candies, home cooking, knitting, sewing and craft booths. Everyone is invited.

Announce Quilt Draw Winner

Nation Heritage Center at South Mountain recently announced the winner of its Log Cabin Quilt Draw.

Marion Hart of Chesterville was the winner of the homemade quilt, which was made and donated by Inkerman U.C.W. Funds from the draw will be used to offset the cost of materials used to construct the Heritage Log Cabin which is located at Nationview Elementary School in South Mountain.

The building programme is currently underway and should be open to the general public late in the new year. The historical project is designed to give people an insight into who settled this country and their way of life.

Help Wanted

Members of Winchester District Memorial Hospital Auxiliary are concerned regarding the lack of volunteers.

"The need is urgent", comments one member, "especially from right here in Winchester."

The subject will be the major topic of discussion at next Wednesday's meeting in the Conference Room at the hospital. The meeting is called for 1:30 p.m.

Pleasant Valley News Notes

Mr. Mansel Wallace is a patient in the General Hospital, Brockville. Some of his friends called on him during the weekend.

Some from here attended the ham supper on Monday evening, October 27th at the United Church, Hulbert. A lovely supper and a good number were present.

Mrs. Delmar Adams and Mrs. Hilda McGowan of Brinston were callers on Wednesday afternoon at Mr. and Mrs. Lee Kennedy's.

Mr. Hilliard Gilmer was a supper visitor on Sunday with Mr. and Mrs. Sam Cowan and family of Prescott.

Callers recently on Mr. and Mrs. Earl Gilmer were Mrs. Delmar Adams and Mrs. Hilda McGowan of Brinston; Mr. and Mrs. Rae Merkley of Winchester; Mr. George Francis of Hyndman and Mr. Thomas Francis of Brockville; also a number of neighbours called. Mr. Gilmer just recently returned from the Civic hospital, Ottawa and Mrs. Gilmer is not feeling too well.

Mr. and Mrs. Rae Merkley of Winchester and Mr. and Mrs. David Gilmer were callers in Morrisburg on Thursday. Mr. and Mrs. Merkley were supper visitors at the Gilmers' home.

Some from here attended the Anniversary Service in the United Church, South Mountain on November 2nd. The guest speaker was Rev. Allan. Special music and a lunch were served after the service.

Delaney A Stand-Out

Hawks Pick Up First Win

(By Al Van Bridger)

Winchester's Junior "B" Hawks picked up their first win of the young season Friday night by defeating the Alexandria Glens 3-1, and were just 1:33 away from a second victory Sunday night when the visiting Prescott Saints roared back, scoring two goals in the last two minutes to gain a 4-3 win.

Friday night in Maxville the fast skating Glens jumped into a 1-0 first period lead when Al Blainely beat Hawks Goalie Dennis Delaney. From then on Delaney was spectacular in the Winchester nets as he shut-out his former teammates in the last two periods.

Delaney's outstanding goal tending, a fine game from his defense and solid checking from his wingers gave Coach Dave Armstrong the winning combination he had been looking for. Coach Armstrong singled out "Large" Lloyd Fawcett for a standout game on defence and felt also that his new tandem of Karl McRoberts and Mike Armstrong turned in a noteworthy effort.

Just three seconds into the second period Winchester hit the score board when Shayne Jordan scored from Jeff O'Neill and Karl McRoberts. That tied the score at one. The Hawks kept pressing and added two more before the period ended. Rookie Dave Richards collected his first goal of the season, which later proved to be the winning tally, on a pass from John Klein-Swormink. Len McLean notched the insurance marker 50 seconds later on a play set up by Tom Kirkwood and Dave Richards. McLeans goal ran the count to 3-1 in Winchester's favour at the end of the middle stanza. That proved to be all of the scoring in the game as both goal tenders turned in an outstanding third period.

Final Score - Hawks 3, Glens 1.

Sunday night at home in front of 250 fans the Hawks fell just short of collecting another two points as the Prescott Saints took advantage of defensive lapses by the Hawks to pick up their first win of the season.

Officiating in the contest was questionable from the outset as the referee handed out a total of 49 penalties, 31 going to the chippy Prescott team. 28 of their 31 penalties were for minor infractions while the Hawks picked up 14 minors, 2-five minute majors, a ten-minute misconduct and a game misconduct. Had the referee gained control of the game in the first ten minutes of play perhaps there would have been more hockey played.

At times in the second and third periods both teams played with three skaters each for at least 10 minutes at a time.

When the teams played hockey it was often fast skating, sharp passing variety which featured good goal tending by both the Hawks Delaney and Saint's Bill Wylie.

The teams were scoreless after one and tied at one after two periods of play. Hawks took the lead on Peter Nooyen's unassisted power play goal just 43 seconds into the second period. Randy Moore tied the count when he scored for Prescott half-way through the middle frame.

Tom Kirkwood blasted home a Len McLean pass to give the Hawks the lead once again at 19.07 of the third period. Dave Richards picked up the other assist on Tom's goal.

Prescott tied it at two on an effort by Tim Elliot. Two minutes later John Klein-Swormink scored the Hawks third power play goal to give Winchester a 3-2 lead. Len McLean and Randy Drew set up the go-ahead goal.

With just 1:33 showing on the clock John Biccum took advantage of a defensive mistake by the Hawks left side and tied the score at 3-3. Just 12 seconds later Al Dalley scored on a similar play to give Prescott their first victory of the season.

Final score Prescott 4, Hawks 3.

Blue Line Bits:

Winchester's next game is here at home Sunday, November 9, when the Alexandria Glens will be in town for a 7:30 p.m. start.

After three weeks of play in the St. Lawrence Division Morrisburg Lions are the only undefeated team. They have two wins and no losses. Winchester has 1 win and 2 losses. Alexandria have 1 win and 2 losses, Long Sault are 1 - 2, Cardinal 1 - 2, Metcalfe and Prescott both have 1 win and 1 loss.

Weekend Scores:

Friday: Cardinal 9 - Long Sault 2; Winchester 3 - Alexandria 1.

Saturday: Morrisburg 7 - Cardinal 6.

Sunday: Morrisburg 4 - Long Sault 1; Alexandria 9 - Metcalfe 4; Prescott 4 - Winchester 3.

Softball Stars

Five young Vernon softball players were honoured recently when coaches, managers, and parents joined the girls and boys at a wind-up banquet in the Lions' Den at Metcalfe.

A capacity crowd applauded the sportsmanship and ability of those who made the new ball park the centre of activity during summer months.

Players shown in accompanying photo were named outstanding players in their respective divisions and received lovely trophies from their coaches.

Back row, left to right: Jeff Crerar (Midgets); Steve Porteous (Bantams); Derrick Gillott (Pee Wees).

Seated, left to right: Danny McDiarmid (Squirts) and Kelly Duncan (Girls' Pee Wees).

Coaches who played an active role in making the season one of the most productive for many years were: Milton Robinson, William Moyes, Finn Nielson, Bryan Dalgleish and Bernie Crawford.

Staff Photo - Rowan

North Dundas Representative Eastern Ontario Soccer Finals

The North Dundas District High School Junior Soccer team finished their regular season play by defeating Glengarry District High School Juniors earning the right to represent Stormont, Dundas and Glengarry at the Eastern Ontario Soccer Finals.

In the opening game of the tourney North Dundas, pitted against the representatives from Frontenac County, edged their counterparts by a 1-0 score. Determined to bring home the championship the locals met the challenge from Lanark in the next contest and held a 2-0 margin in goals at the final gun.

The final game of the day saw North Dundas District High School opposite South Grenville Juniors for the Eastern Ontario Championship. After mounting an early offensive attack the Norht Dundas team defended their own end concluding the contest with the same 1-0 score.

Scoring throughout the tournament were Gary Lee, Kevin Mackler, Brent Thompson and Danny Clement. However, Neil Kittle and his defence and the half line led by Anjum Nppel contributed greatly to the success of the team. There were no outstanding players chosen because of the great team effort by the North Dundas Club.

South Mountain Releases Bowling Team Standings

Team Standings: Team 2 - 18 pts.; Team 8 - 11 pts.; Team 3 - 10 pts.; Team 5 - 10 pts.; Team 4 - 8 pts.; Team 6 - 8 pts.; Team 7 - 8 pts.; Team 1 - 7 pts.

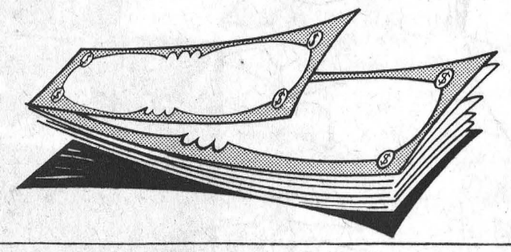
FUND RAISING

Campaign for North Dundas District High School

We would appreciate your support.

Buy a Bar — Thank you!



Riding a winner is the way to start any competition... and the way to finish it.

Sure, things like track conditions, snow consistency, temperature and the competition all play a part in any event. But the bottom line is simply you and your machine and a checkered flag somewhere out front. If you think you've got the winning riding technique, we've got the winning machine.

SRX340—440 for '76 — liquid cooled parallel twins that outdo even Yamaha's reputation for technological excellence. Prototypes of these machines were used by our own race team of Roy Wall and Larry Omans last season and they came out winning some pretty prestigious events like the Kawartha Cup and the North American International Event in Alberta

Roy and Larry punished the sleds over and over again and still they performed, providing optimal engine performance, power transmission and traction on a wide variety of track and snow conditions.

TIMES SET FOR WINTER

For farmers who were having a problem with public skating please note that the time for public skating has gone back to the old hours of two - four on Sunday afternoon and from seven to 9:30 on Saturday nights. Hope this meets with your approval and that you will turn out in great numbers. Adult hockey players started their schedule with the same four teams battling every Tuesday from 8:30 to 10:30. HARRY KEYES take note! According to my sources the MELVIN CUP will have a new name on it this spring. Happy to see BOTH TOWNSHIPS using the ice on Tuesdays and Thursdays again this year. Broomball has taken the last two hours on Monday when a 4 team league will square off for a season's fun. If you would like some ice time get in touch with me at the arena. With the HAWK games having to be juggled a bit to meet the league scheduling we will call you if we have an open hour from time to time.

Remember the arena is for your use for fun and recreation. If you have any suggestions or complaints for the betterment of all concerned, please talk it over and we will endeavor to do what we can for you.

PARTIES BOOKED FOR THE NOV.—DEC. SEASON

For your convenience we are listing the dances and dinners for the following two months. By doing this it is hoped you will not only be able to attend some of the parties, but you will be able to use the hall for your party if the date is open.

SAT., NOV. 8 - Winchester Chapter of the Electrical League DINNER AND DANCE
SAT., NOV. 15 - Anniversary Party in honour of MR. and MRS. MALCOLM MacGREGOR
SAT., NOV.22 - Adult Hockey Dance featuring the JIMMY THOMPSON BAND
SAT., NOV. 29 - 100 Club Ladies NIGHT featuring Glen Cochrane's Band
SAT., DEC. 6 - Mountain Recreation Dance (Good Music, Everybody Welcome)
WED., DEC 10 - WINCHESTER SQUARE DANCERS PARTY
FRI., DEC. 12 - Hospital Staff Christmas Party
SAT., DEC. 13 - Angus Motors Christmas Staff Party
SUN., DEC. 14 - AULTS FAMILY CHRISTMAS PARTY
SAT., DEC. 20 AULTS STAFF CHRISTMAS PARTY
WED., DEC. 31 - Lions New Years Eve Dance

IF YOU WISH TO BOOK THE HALL BETTER CALL TODAY AND RESERVE YOUR DATE.

PLEASE MOTHER GIVE ME A CALL

We have still not heard from any of the mothers who have tots that would like to skate with them at the arena during the morning or afternoon. I would like to have your comments as to the best day and time so that I can make arrangements that will best fill the skating needs of you and your child. PLEASE CALL.

HAWKS NEXT HOME GAME, SUNDAY, NOVEMBER 9 AT 7:30 AGAINST ALEXANDRIA.

Firemen Honour Pee Wees

Winchester's Volunteer Fire Department sponsors a Pee Wee ball team in the local Pee Wee town league. This past week the senior Firemen honoured their ball players at a party held in the Winchester Fire Hall.

The Pee Wees enjoyed a very successful season finishing first in the Town League, winning the Norman P. Armstrong Trophy in the play-offs and capturing Tournament honours at the annual Winchester Lions Pee Wee Tourney. This marked the second time in six years the Firemen have captured the Armstrong Trophy. They first took possession of the coveted silverware in 1970.

Individual trophies were presented to the team members by the Department while the league awarded each player a colourful crest.

Champion Firemen pictured are Back Row (L to R) Coaches Earl Graves and Cliff Warren.

Third Row (L to R): Daryl Last, Doug Shelp, Kevin Lunn, Bruce Graves, Laurie Porteous, Pat Henry.

Second Row (L to R): Darcy Last, Danny Docksteader, Pam Henry, Paul Porteous, Dean Hansma.

Front Row (L to R): Jimmy Fling, Chris Currah.

Glens Register First Win Against Jets

Alexander Glens registered their first win of the new season when they scored a convincing 9 to 4 victory over Metcalfe Jets last Sunday afternoon.

Before a comparitively small crowd Alexandria took an early lead with a goal by Claude Roy when the game was only one minute old. Metcalfe retaliated with markers by Carl Carson and Mike Rochon and the first period ended with the Jets enjoying a slim margin. The second twenty minutes was all Alexandria with the fast-skating Glens notching five unanswered goals. Marksmen were Paul Seguin with 2; Don Thompson, Allan Blainey and Ken Blair with one each.

Play was much closer in the final period with Glens adding three more and the Metcalfe boys storming back with two to make the final score 9 to 4.

Robert Boisvenue, Rod Shephard and Wayne Cameron scored for Alexandria while Carson picked up his second of the day for Metcalfe and Gord McNaughton added another in the dying minutes of the game.

Jets will be at Morrisburg on Friday night and will host the powerful Prescott Saints on Sunday Afternoon.

Winner of the 50-50 draw at last Sunday's game was Don MacLaurin of Metcalfe.

Quasar's got what you want

100% SOLID STATE

Backed by Quasar's eight years experience in building solid state color TV. No chassis tubes to burn out, solid state reliability provides a beautiful color picture.

"IN-LINE" MATRIX STRIPE PICTURE TUBE

This In-Line Matrix Stripe Picture Tube with an additional Pre-Focus Lens contains a jet black matrix background that surrounds each color phosphor stripe, vertically and horizontally, to help produce a bright picture with excellent contrast.

the way we see it

The Royal Canadian Legion

Thirty years have passed since the last World War ended and this possibly explains why many younger people fail to grasp the significance of buying a poppy, or for that matter understand the real purpose of The Royal Canadian Legion.

Although the Great War finished in 1918, its effects lingered long after — especially for veterans. In Canada, as elsewhere, economic difficulties presented problems for many returned men. Mutual distrust arose between officers and other ranks. The existing legislation and the administrative machinery could not solve the problems of those who had served. Many veterans' groups thus sprang up, but circumstances demanded a united organization.

Field Marshal Haig, Commander of the British Empire's forces on the Western Front, and Sir Richard Turner, a Canadian soldier, helped inspire the creation of such an organization. A unity convention met at Winnipeg in November 1925, and most existing groups merged to form the Canadian Legion which, in 1960, by royal assent, became The Royal Canadian Legion.

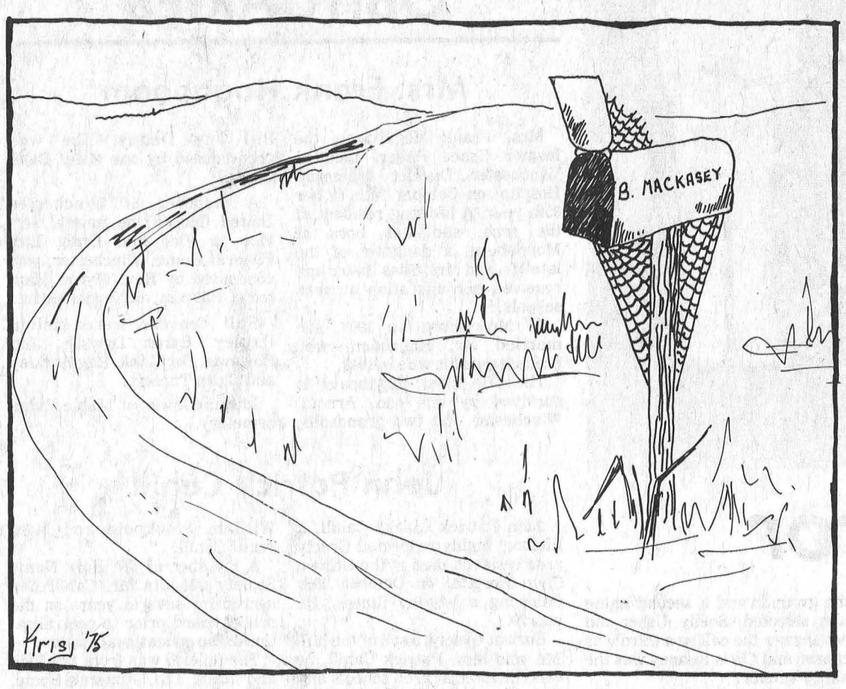
The founders decided to stand for peace with strength and for loyalty to Canada, the Empire and the Monarchy. The Legion was to safeguard veterans and their dependents, to protect the families of the fallen, and to make sure that wartime sacrifices would be remembered. Despite these intentions, certain individuals believed that because the group denied membership to anarchists and communists, a strong-armed, fascist movement was in the making. However, the rumours did not persist and, with Saskatchewan veterans in the vanguard, the membership of most former servicemen's groups flocked to the Legion.

The Legion's prime concern has always been veterans and their dependents. Money from poppy sales aids such people when they are in distress. The organization has helped thousands to press claims for government benefits and has lobbied for improved veterans' legislation. As early as April 1926, the group sought amendments to the Pensions Act, the Soldier Settlement Act, and the Civil Service Superannuation Act. Such efforts procured assistance, unheard of following the First World War, for people being discharged after the Second.

The Legion tried to make military life more pleasant. During World War II, Canadian Legion War Services provided members of the forces with recreation, personal guidance and opportunities for education. The educational programs produced better soldiers, sailors, and airmen, prepared military personnel for civilian life, and prevented "boredom in the long winter nights." Some credit this program with raising literacy rates in parts of Canada.

Beyond concern for the veteran, the Legion has a sense of public duty. In 1928 the organization offered child rearing advice. The Legion's first national convention wanted to develop a "spirit of Empire" to offset dangerous foreign activities. Before and during World War II, the organization fought complacency. More recently, the group has sought reform in various fields and has provided many community services; for instance, there are hundreds of places in Canada where the Legion Hall is the only social centre.

The value of what the poppy stands for cannot be measured in dollars and cents. Give generously and wear the flower proudly, and on Remembrance Day join the dwindling number of veterans who refuse to forget their fallen comrades.



Please Listen . . .

by Dr. Gordon C. Smyth

Next Tuesday we will pay our respects to the honoured dead. We will remember those who died that freedom might live. We will bow our heads in tribute to men and women who gave their all to make the world safe for democracy.

I write this column with a heavy heart. Our times are seriously out of joint. When the Prime Minister and his wife are jostled by militant unionists, we seem to be on the verge of a real class war. From overseas news comes daily of wars and rumours of war.

Why? I believe it is because we have never had enough courage to listen to those who gave their lives. We have never taken the time to listen to the voices of those whose earthly remains make some foreign field a precious bit of Canada.

As I sit at my desk, I am trying to hear what the Unknown Soldier is endeavoring to say. Amid the din and strife at home and abroad, I have to concentrate as never before. I think I can hear a voice. I am sure of it, now.

I know no cowardice withholds a name. From what I have long since read about comrades in arms, I am not surprised that he is making no reference to denomination and partisan background. And his accent does not tell me where he was from.

"My big regret", says the Unknown Soldier, "is that we, who have never returned, have had so little to say in the making and keeping of the peace. Why can't you people pull together like people did when we went overseas?"

"Sure, some of us enlisted to get a job or to see the world. But we had our times of idealism. We never thought you would let disrespect for law and order take over, desert churches into which you ran every time the Allies faced a crisis, or countenance the sale of nuclear products to military-controlled lands like Argentina and South Korea."

Remember us and the things we wanted to accomplish. Don't let us down. We belong to a great fellowship on the other side. We would like to rest in peace. Keep faith with us on this side."

What can I say? What can we do? The voice of the Unknown Soldier has trailed off into silence. In this silence, let us repeat a familiar prayer, and mean it, "Judge of the nations, spare us yet, lest we forget—lest we forget!"

Photo - bill laurin

7th column

We wouldn't want to create the impression that any Winchester business offices close before the appointed time, but one local merchant harbours some doubts. He placed a call last week at exactly 4:45 in the afternoon and the 'cute' little voice on the tape came through loud and clear with the message advising that unfortunately no one was in — because the office closed at 5:00. We're sure there must be a 'dilly' of an explanation.

Another week has rolled by and still our country is being held at ransom by a group of greedy postal employees. It would seem parents and schools are both failing dismally in their obligation to teach patriotism, and the real value of life in a free democratic country. Surely everything must not be measured in dollars and cents. Next Tuesday we will solemnly honour the memory of gallant Canadians who died to make possible the way of life we now enjoy. Maybe striking postal employees, and other unions that continue to pressure our economy, should be reminded that those who bought, and paid dearly for, our freedom did not strike when the odds seemed insurmountable. They had learned from their parents, and at their schools, that their country owed them nothing — but rather that they owed a debt to their birthplace.

Ten years ago Don Crawford's poem, "WHY WEAR A POPPY" appeared in this column. In answer to many requests we are pleased to once again print the timely verses on the eve of Remembrance Day.

"Please wear a poppy," the lady said
And held one forth, but I shook my head.
Then I stopped and watched as she offered them there,
And her face was old and lined with care;
But beneath the scars the years had made
There remained a smile that refused to fade.

A boy came whistling down the street,
Bouncing along on carefree feet.
His smile was full of joy and fun,
"Lady," said he, "may I have one?"
When she pinned it on he turned to say,
"Why do we wear a poppy today?"

The lady smiled in her wistful way
And answered, "This is Remembrance Day,
And the poppy there is the symbol for
The gallant men who died in war.
And because they did, you and I are free —
That's why we wear a poppy, you see.

"I had a boy about your size,
With golden hair and big blue eyes.
He loved to play and jump and shout,
Free as a bird he would race about.
As the years went by, he learned and grew
And became a man — as you will, too.

"He was fine and strong, with a boyish smile,
But he'd seemed with us such a little while
When war broke out and he went away.
I still remember his face that day
When he smiled at me and said, "Goodbye,
I'll be back soon, Mom, so please don't cry.'

"But the war went on and he had to stay,
And all I could do was wait and pray.
His letters told of the awful fight,
[I can see it still in my dreams at night],
With the tanks and guns and cruel barbed wire,
And the mine and bullets, the bombs and fire.

"Till at last, at last, the war was won —
And that's why we wear a poppy, son."
The small boy turned as if to go,
Then said, "Thanks, lady, I'm glad to know.
That sure did sound like an awful fight,
But your son — did he come back all right?"

A tear rolled down each faded cheek;
She shook her head but she didn't speak.
I sunk away in a sort of shame,
And if you were me you'd have done the same:
For our thanks, in giving, is oft delayed,
Though our freedom was bought — and thousands paid!

And so when we see a poppy worn,
Let us reflect on the burden borne
By those who gave their very all
When asked to answer their country's call
That we at home in peace might live.
Then wear a poppy! Remember — and Give!

Happy Error

The old adage about every dark cloud having a silver lining was proved to the satisfaction of three elementary school children at Metcalfe last week.

It has been the custom of Metcalfe and District Lions Club for several years to give a bicycle to some lucky youngster attending 'Children's Day' at Metcalfe Fair.

The draw is always made at 3:30 p.m. on Friday afternoon and the winner must be on the grounds to claim the prize.

This year, because the interesting program was running ahead of schedule, the lucky tickets were inadvertently drawn before the appointed time.

It appeared the first name drawn, Terrie Pelot, was not on the grounds and a second name was selected. Shelly Usher did not answer the call so a third was chosen and Chris Reaney was the happy winner.

It was learned later, however, that both Terrie and Shelly were enjoying the exciting midway while waiting for the 3:30 draw.

At an executive meeting a few days later the Lions Club agreed unanimously to give bicycles to all three and extended an invitation to the winners, along with their parents, to join Lion members at their regular dinner meeting.

The Metcalfe Agricultural Society, eager to shoulder some responsiblilty for the error, generously offered to purchase one bicycle.

The three winners are shown in accompanying photo accepting their gifts. Left to right, Ron Isaac, Chris Reaney, Terrie Pelot, Mel Tomkins, Shelley Usher and Harold Cowan. Mr. Isaac and Mr. Tomkins are members of the Lions Club Citizenship and Education Committee. Mr. Cowan, a past president of the Lions Club, was acting on behalf of the Agricultural Society.

Chris is a son of Mr. and Mrs. Cecil Reaney, Metcalfe; Terrie's parents are Mr. and Mrs. Bernie Pelot of Russell and Shelly is a daughter of Mr. and Mrs. Robert Usher, Metcalfe.

Lumley Defends Controls To Dundas County Agrologists

Ed Lumley, Stormont Dundas M.P., strongly defended the governments's wage and price control policies when he addressed Dundas County farmers last week.

Speaking at the Federation of Agriculture meeting at Henderson Hall, Winchester he told the large gathering that for the good of the country the inflation spiral must be broken.

He outlined his recent experience in connection with the energy problem and told those present of the problems encountered piping gas from the North where there are sufficient reserves to last thirty years.

Mr. Lumley congratulated the federation for having successfully set up a farm labour pool and he urged farmers to utilize it. The Member of Parliament answered questions from the floor concerning land use and emphasized that he doesn't agree completely with Mrs. Plumptre. He pointed out, however, that possibly her work is helping, more than any other means, to make consumers more aware of the role the farmer plays in the economy of the country.

"Mr. Whelan (Agricultural Minister)", he said, "works extremely hard for farmers despite the fact that they represent only 6 per cent of the country's population."

Mr. Lumley was introduced by Martin Schneckenburger and thanked by Don Harkin.

East and West regions of the county were well represented at the meeting chaired by president Ken Carkner who reviewed activities of the year including support for 4-H work; K.C.A.T. bursaries and the setting up of the farm labour pool and buying club.

Stan Baldwin, West Dundas director, also submitted an interesting report suggesting that the most important issues during the past year were the brucellosis outbreak and the efforts of the Ontario Federation of Agriculture in insisting that a blanket test was the only solution. The Federation, he noted, had also succeeded in obtaining a reduced holdback for dairy farmers.

Mrs. Diane Harkin spoke briefly of the women's group in the county saying their main objective is communication and "presenting the farmer's side of the coin".

Martin Schneckenburger told members he felt the club had been very successful during its first year, not only obtaining discounts for its members, but because of its existence, lowering prices to all farmers.

Ken Carkner was re-elected president for another term. Don Harkin is vice president and Mrs. Hugh Blaine secretary-treasurer. Delegates were elected to attend the annual convention in Hamilton November 24, 25, 26 and those representing Dundas East will be Martin Shneckenburger, Mrs. Marilyn Johnson, Mrs. Diane Harkin and Bruce Garlough. Representing Dundas West will be Stan Baldwin, Doug Coons, Ralph Spear and William Van Koppen.

OBITUARIES

Mrs. Frank Hogaboam

Mrs. Frank Hogaboam, the former Grace Baker, died at Winchester District Memorial Hospital on October 30th in her 85th year. A life-long resident of the area, she was born at Morrisburg, a daughter of the late Mr. and Mrs. Silas Baker and received her education at area schools.

At Morrisburg, in 1907, she married Mr. Hogaboam who predeceased his wife in 1948.

The late Mrs. Hogaboam is survived by one son, Arnold, Winchester and two grandsons, Bill and Danny. She was predeceased by one sister Belle Cooke.

A member of Winchester United Church the funeral service at Vice and Craig Ltd. Funeral Home, Winchester, was conducted by Rev. Myron Maxted at 3:30 p.m. on November 1st.

Pall bearers were Melvin Dawley, Byron Dawson, Jim Bowman, Bert Link, Ray Barkley and Eldon Turner.

Interment was at Maple Ridge cemetery.

John Patrick Cahill

John Patrick (Jack) Cahill, a lifelong, highly respected Greely area resident, died at the Ottawa Civic Hospital on October 29th following a lengthy illness. He was 79.

Born at Greely, a son of the late Mr. and Mrs. Patrick Cahill, he was educated at area schools and had been associated with the farming industry all his life.

At Corkery, in 1933, he married the former Mary E. Carter who survives. Two daughters and one son also survive: Mrs. Ross Stacey (Mary Esther), New Lowell, Ontario; Mrs. John Lawther (Ann Leona), Greely and Tom of R.R. 6, Ottawa. He was predeceased by one son, Patrick and two sisters, Mrs. William Stackpole and Miss Annie Cahill.

A member of the Holy Name Society the late Mr. Cahill had served for several years on the school board prior to centralization in the educational system.

The funeral was from the Vice and Craig Ltd. Funeral Home, Metcalfe, to Our Lady of the Visitation Church, South Gloucester, where the service was conducted by Rev. Father Victor Chateauvert at 10:00 a.m. on November 1st.

Pall bearers were Louis Ladouceur, Manford Wallace, Pat Ryan, Herb Johnson, George Nevins and Bob Randall.

Interment was in the parish cemetery.

Russell Harvey Swerdfeger

Russell Harvey Swerdfeger, a long-time, highly respected Morewood retired farmer, died at Winchester District Memorial Hospital on October 30th in his 82nd year.

Born in Russell County, a son of the late Mr. and Mrs. William Swerdfeger, he received his education at area schools. At Morewood, in 1926, he married the former Alice Victoria Coulthart who survives.

The late Mr. Swerdfeger is also survived by one son, Arnold, Ottawa and one granddaughter, Mary Ann. Five brothers and two sisters also survive: Allen, Milton, Rowat, Harold, Carman, Mrs. Nora Dyer and Mrs. James MacMillan. He was predeceased by one brother, Arthur.

A member of Morewood United Church the funeral was from the Vice and Craig Funeral Home, Chesterville, to the church where service was conducted by Rev. L.M. Ferguson at 2:00 p.m. on November 1st.

Pall bearers were Gerald Carruthers, J.R. Craik, Douglas Hunter, Malcolm MacGregor, Bill Dillabough and Hector Carruthers Jr. Interment was at Maple Ridge Cemetery.

Pepin Uninformed

Hill Attacks Anti-Inflation Board Head

One of the first groups to meet with Jean-Luc Pepin, chairman of the new Anti-Inflation Board is expected to be the Canadian Federation of Agriculture, Gordon Hill, president of the Ontario Federation of Agriculture, announced in Hamilton today.

Action by the CFA was prompted by telephone calls this morning from OFA members protesting Pepin's "hunch there's something wrong with marketing boards."

OFA representatives will accompany the CFA group who are anxious to visit the new chairman as quickly as possible to offer him basic information on how farmers' marketing boards operate.

"It's a shame Pepin has gotten off on the wrong foot," Hill commented at a luncheon with media representatives in Hamilton.

"His reference to government-established marketing boards makes clear he lacks knowledge of the historical development of farmers' marketing boards and their operations."

He appears to reflect an Ottawa myopia, aware only of the Canadian Egg Marketing Agency (in effect a national marketing board) and referring to milk (no national marketing board but a Dairy Commission with headquarters in Ottawa) and wheat.

The price of wheat is very much controlled by international trade and by the fact that there is a price ceiling on wheat for domestic use.

Farmers support the domestic ceiling on wheat, Hill pointed out.

"It is unfair and uninformed to suggest that a marketing board sets the price "which then becomes the only price at which the product is sold."

Since farmers receive only 12.25 per cent of the consumer price of bread, it seems to us that Pepin should look elsewhere for culprits suspected of causing inflation.

Of 20 marketing boards in Ontario covering 40 products only seven have the power to set prices: apples, chickens, eggs, fresh fruits, turkeys, fresh grapes and greenhouse vegetables.

Only two are allowed to set production quotas: eggs and flue-cured tobacco.

Three only set marketing quotas: burley tobacco, chicken and turkey marketing boards.

The remaining boards which handle the greater number of farm products have power only to negotiate prices, Hill pointed out.

"Even then prices are really determined by supply and demand. And in Canada, to a large extent, prices are determined by international trade and by going prices in the United States."

Winchester Springs Notes

Mrs. Warren Jackson and Bonnie Rennick and Mrs. Lester Barkley of Inkerman spent the weekend in Kingston visiting relatives.

Mr. and Mrs. K. Leyenaar and Clair spent Sunday with Mr. and Mrs. Stuart Leyenaar and baby in Perth.

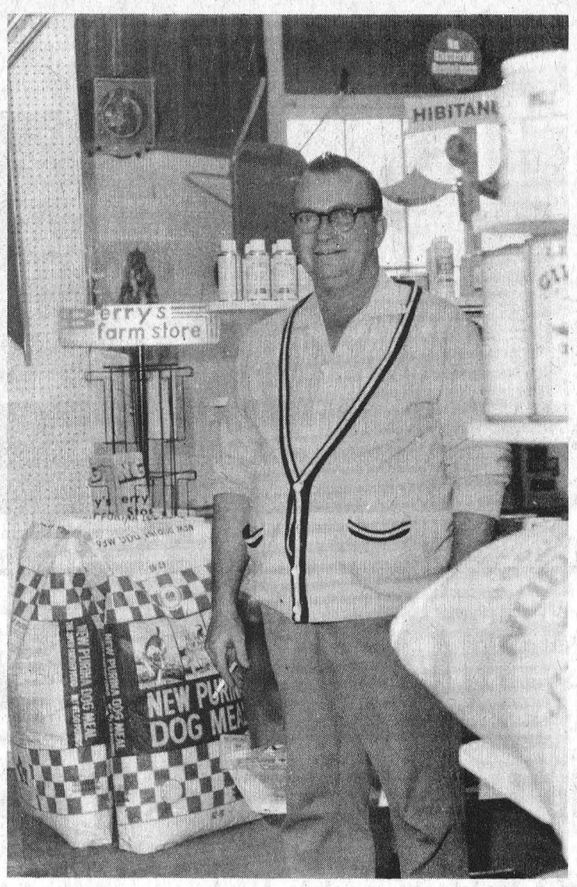
Mrs. Warren Jackson called on her grandson Shaun who is presently a patient in the Hospital.

Mr. and Mrs. R.S. Allison attended the 50th Wedding Anniversary of Mr. and Mrs. Sherwood Wilson in Ottawa on Saturday.

Mrs. Lorne Jackson, Mr. and Mrs. Stanley Rennick of Winchester and Mrs. Jack Cameron of Metcalfe spent Friday in Ottawa.

Miss Elaine Casselman of Ottawa called on Mrs. Aden Casselman and Mr. and Mrs. Graham Casselman Saturday evening.

Mrs. Russell Ault and Dennis of Dixon's Corners spent Sunday evening with the former's mother.



Aurele Prevost

Big "B" Now Serves Russell

The big 'B', denoting another branch of the expanding Berry enterprise, is now a part of the Russell area business picture.

Berry Farm Stores are commonplace throughout the Ottawa Valley and besides the original South Mountain depot branches are now located at Winchester, Manotick, Kemptville, Spencerville, Maynard, Kinburn, Pakenham, Arnprior, Athens, Carleton Place, Bourget and Avonmore.

One of the newest links in the ever-growing chain is on Mill Street in Russell, next door to the Bank of Nova Scotia and directly across from Russell Food Mart.

The feed store, operated for many years by R.M. Warner, has been completely renovated and now carries a complete line of farm supplies.

Rae Berry, president of the firm, suggests his stores carry more than a thousand items used extensively in the agricultural industry.

Russell manager is shown in accompanying photo. The Avonmore branch will be officially opened to-day (Thursday).

Management Tour

Young Farmer To Buy Or Rent

This is one of the many topics eighty-six young farmers will be considering on this year's Junior Farmer Livestock Management Tour from November 9 - 14. Gary Derks, R.R. 2, Chesterville; Peter Brugmans, R.R. 1 Chesterville; and Jack Hoogeveen, R.R. 2 Chesterville, are the delegates from Dundas.

The "farm visits" portion of the tour will be concentrated in the counties of Oxford, Wellington, and Waterloo. Here participants will have an opportunity to learn how beef, dairy, swine and sheep operators are managing their enterprises. Livestock husbandry, farm business agreements and stock selection will be the main topics covered during the week.

On Thursday, the delegates will take part in the Inter-County Livestock Evaluation Competition at several farm locations in Wellington County. Friday morning the group will visit livestock marketing facilities in the Toronto area, including Canada Packers and the Ontario Public Stock Yards. That evening the group will attend the opening night Horse Show as guests of the Royal Agricultural Winter Fair.

F. A. Barkley Celebrates 90th Year

Frank A. Barkley, a well-known Inkerman retired farmer, celebrated his 90th birthday on Monday, November 3rd.

Mr. Barkley's wife, the former Violet Curriston, predeceased him in 1960 but helping him celebrate the very special milestone were his six sons and one daughter.

Enjoying good health he thoroughly enjoyed the reunion with sons Lester, Inkerman; Keith, South Mountain; Murray, Winchester; Bruce, Inkerman; Luke, Inkerman; Ray, Brockville and his only daughter Mrs. Walter York (Evelyn) also of Brockville.

The Press joins in extending good wishes and a sincere wish that Mr. Barkley may enjoy many more happy birthdays.

School Bus Regulations Being Flagrantly Ignored

Constable R.W. O'Brien, Community Services Officer for Dundas County has expressed concern regarding the flagrant disregard for new school bus regulations.

At recent School Bus Seminars held at various High Schools in Stormont, Dundas and Glengarry, bus drivers continued to complain that vehicles were not stopping for school buses with flashing red lights.

Constable O'Brien reminds motorists of the legislation which came into effect on September 1st which states that where a school bus is stopped on a highway the driver of a vehicle, **(A) When** overtaking a school bus on which the words "Do Not Pass When Signals Flashing" are marked and two red signal lights are illuminated by intermittent flashes; and

(B) When meeting on such a highway, other than a highway with a median strip, a school bus on the front of which two red signal lights are illuminated with intermittent flashes, shall stop the vehicle before reaching the school bus and shall not proceed until the school bus resumes motion or the signal lights are no longer operating.

"A vehicle passing a stopped school bus with flashing lights", says the Constable, "could quite easily be involved in an accident with a child crossing the road in front of the school bus."

School Loading, Zoning Council Agenda Priorities

School loading zones and a new zoning by-law were given careful consideration by Winchester municipal Council last week.

In order to curtail loading and unloading of students on busy York street leading to the hospital, Council, after some frustrations and more study, gave final reading to a by-law Monday night that will see loading and unloading carried out on Clarence street, south side adjacent to the main public school campus, between Louise and St. Lawrence streets.

This new location came as the result of Department of Transportation and Communications regulations which make it necessary to use property on which the existing school building is located. May street, currently used and adjacent to part of the public school property, is not satisfactory because the actual school building is separated from the loading zone by a street (York).

Council also met with representatives of Haigis, MacNabb and DeLeuw Ltd. of Ottawa to discuss a preliminary presentation by that firm for a new Zoning by-law for the village. Council members discussed the details in brief and studied the accompanying map. After much debate it was decided that the presentation of the by-law and map should be further studied and that another meeting be set up with the engineering firm representatives to clarify problematical areas and to consider revisions. Following the next meeting, tentatively scheduled for November 17th, revised plans will be made available and public meetings will be held.

In other business Monday night Council received confirmation from Canadian Pacific Railways that the crossing on St. Lawrence street south will be paved next week; this as a result of an official complaint sent to CPR. Council also supported a motion unanimously to provide a plaque with suitable inscription to be presented to Dr. W.M. Byers at a Testimonial Dinner on November 19th.

To fill a vacancy on the Recreational and Community Centre Board, Council appointed Royal Bank manager George Callan.

NOTICE OF APPLICATION

to the Ontario Municipal Board by the Corporation of the Township of Osgoode

for approval of a by-law to regulate land use pursuant to Section 35 of THE PLANNING ACT, R.S.O. 1970, c.349.

TAKE NOTICE that the Council of the Corporation of the Township of Osgoode intends to apply to the Ontario Municipal Board pursuant to the provisions of Section 35 of **The Planning Act** for approval of its Restricted Area By-law No. 27-1975, passed provisionally on the 12th day of August, 1975 and finally on the 25th day of August, 1975 - the full text of which is furnished herewith. A note giving an explanation of the purpose and effect of the by-law, stating the lands affected thereby, is also furnished herewith.

ANY PERSON INTERESTED MAY, within fourteen (14) days after the date of this notice, send by registered mail or deliver to the Clerk of the Township of Osgoode notice of his objection to approval of the said by-law together with a statement of the grounds of such objection.

ANY PERSON wishing to support the application for approval of the by-law may within fourteen (14) days after the date of this notice send by registered mail or deliver to the Clerk of the Township of Osgoode notice of his support of approval of the said by-law together with a request for notice of any hearing that may be held giving also the name and address to which such notice should be given.

THE ONTARIO MUNICIPAL BOARD may approve of the said by-law but before doing so it may appoint a time and place when any objection to the by-law will be considered. Notice of any hearing that may be held will be given only to persons who have filed an objection or notice of support and who have left with or delivered to the Clerk undersigned, the address to which notice of hearing is to be sent.

THE LAST DATE FOR FILING OBJECTIONS will be NOVEMBER 20th, 1975.

DATED at the village of Metcalfe this 5th day of November, 1975.

Fred Wilson,
Clerk,
Township of Osgoode,
Municipal Offices,
Metcalfe, Ontario.

EXPLANATORY NOTE

The purpose of this zoning by-law amendment is to implement Amendment No. 1 to Official Plan of the Township of Osgoode.

Amendment No. 1 designates under the classification of "Extractive Industrial", lands for potential extraction of sand, gravel and limestone aggregate and establishes policies governing the zoning and utilization of these lands. The Official Plan Amendment also deals with types of industrial use other than pits and quarries under the classification of "General Industrial".

This amendment to By-law 16-1971 (the Township Zoning By-law) reflects these provisions of Official Plan Amendment No. 1 viz:

a) The name of the former "Industrial" zone is changed to "General Industrial" and pits and quarries are deleted from the list of permitted uses within the zone.

b) Special zones are created and regulations are established for extractive industries. Some lands are zoned "Extractive Industrial" thus permitting aggregate extraction, processing, aggregate storage and other compatible uses. Other lands are zoned "Extractive Industrial Holding". The latter category includes lands which are believed to have potential for aggregate production but which will only be re-zoned to the active "Extractive Industrial" category after the requirements of the Ministry of Natural Resources have been met and development plans and agreements have been prepared to the satisfaction of the Township. Interim uses such as agriculture, forestry and outdoor recreation which will not prejudice the ultimate use of these lands for extractive purposes are permitted in the holding category.

c) This particular amendment includes in the "Extractive Industrial" zone only certain pits already licenced by the province together with others for which application has been made over the past two years and for which covering agreements will be executed with the Township. The remaining land suitable for sand and gravel pits is left in the "holding" category. No potential quarry sites have been zoned "Extractive Industrial".

d) Schedule "A" (the zoning map) included in By-law 16-1971 is replaced by a schedule illustrating the location of the zones described above. A small extension to the industrial area on Highway 31 is included: - part of Lot 10, Concession 6 is included in lands zoned "General Industrial".

BY-LAW No. 27-1975

Of The Corporation Of The Township Of Osgoode

Being a By-law to amend By-law # 16-1971 [A Zoning By-law], as amended, regulating the use of land, buildings and structures in the Township of Osgoode

WHEREAS authority is granted under Section 35 of The Planning Act, R.S.O. 1970 subject to the approval of the Ontario Municipal Board, to the Council of the Township of Osgoode to exercise such powers;

NOW THEREFORE the Council of the Corporation of the Township of Osgoode enacts as follows:

BY-LAW 16-1971, as amended, is hereby further amended as follows:

(1) The words "general industrial" are substituted for the word "industrial" each time the latter word appears throughout the text and schedules of the By-law.

(2) The symbol "GM" is substituted for the symbol "M" each time the latter symbol appears throughout the text and schedules of the By-law.

(3) New subsections are added to SECTION 2 - DEFINITIONS as follows:

2.59a Pit: shall mean a place where unconsolidated gravel, stone, sand, earth, clay, fill, mineral or other material is being or has been removed by means of an open excavation to supply material for construction, industrial or manufacturing purposes, but does not include a wayside pit;

2.61a Quarry: shall mean a place where consolidated rock has been or is being removed by means of an open excavation to supply material for construction, industrial or manufacturing purposes, but does not include a wayside quarry or open pit metal mine;

2.71a Wayside Pit or Wayside Quarry: shall mean a temporary pit or quarry opened and used by a public road authority solely for the purpose of a particular project or contract of road construction and not located on the road right of way.

(4) Subsection 3.1 is amended by the addition of two other zones "Extractive Industrial . . . ME" and "Extractive Industrial - Holding . . .MEH".

(5) SECTION 4 - GENERAL PROVISIONS is amended by the addition of the following subsection 4.11a.

4.11a Notwithstanding anything else in this By-law, any public road authority or its agent may use the lands zoned "General Industrial", "Extractive Industrial" and "Rural" for wayside pits and wayside quarries subject to the provisions of the Pits and Quarries Control Act, 1971, as amended from time to time and all Regulations made thereunder, and provided further that the Township Council is consulted and approves such use in the locations specified, prior to the commencement of the extraction and processing operations.

(6) Subsection 8.7 is amended to delete "Sand and Gravel Pits" as permitted uses.

(7) A new section, SECTION 8A is added after SECTION 8 as follows:

Section 8A - Requirements for Extractive Industrial Zones

8A.1 No person shall use land or erect a building or structure in an Extractive Industrial (ME) Zone in the Township of Osgoode except in accordance with the following provisions:

8A.2 All pits and quarries and wayside pits and quarries shall satisfy the requirements of the Pits and Quarries Control Act, 1971 as amended from time to time and all Regulations made thereunder.

8A.3 No person shall use land or erect or use a building or structure in an Extractive Industrial (ME) Zone except for one or more of the following uses:

Pits
Quarries
Aggregate Storage
Stone Crushing Plants
Aggregate Washing and Screening Plants
Concrete Batching Plants
Asphalt Batching Plants

Those uses existing as of the date of passing of this By-law:

Agricultural and Forestry Uses
Animal Kennels
Parks and Outdoor Recreational Uses
Buildings, structures and uses which are accessory to the foregoing but excluding any additional residential dwellings associated with such uses.

8A.4 Notwithstanding the provisions of subsection 8A.3 to the contrary, within the special Extractive Industrial Zones designated ME-1 the permitted uses listed in 8A.3 shall apply except for asphalt batching plants and stone crushing plants which shall not be permitted uses in an ME-1 Zone.

8A.5 In an Extractive Industrial (ME) Zone no person shall erect or use a building or structure except in conformance with the following regulations:

1. Front Yard (Min.)	60 feet.
2. Side Yard (Min.)	30 feet.
3. Rear Yard (Min)	75 feet.

The above regulations shall not apply to buildings or structures accessory to pit and quarry operations or wayside pit and quarry operations.

8A.6 The provisions of Subsection 9.4 pertaining to obnoxious uses in rural zones shall also apply in the Extractive Industrial (ME) Zone.

(8) A new section, SECTION 8B, is added after SECTION 8A as follows:

SECTION 8B - REQUIREMENTS FOR EXTRACTIVE INDUSTRIAL HOLDING ZONES

8B.1 No person shall use land or erect or use a building or structure in an Extractive Industrial Holding (MEH) Zone except in accordance with the following provisions:

8B.2 No person shall use land or erect or use a building or structure in an Extractive Industrial Holding (MEH) Zone except for one or more of the following uses:

Those uses existing as of the date of passing of this By-law:

Agricultural and Forestry Uses
Animal Kennels
Parks and Outdoor Recreational Uses
Buildings, structures and uses which are accessory to the foregoing but excluding any additional residential dwellings associated with such use.

8B.3 In an Extractive Industrial Holding (MEH) Zone no person shall erect or use a building or structure except in conformance with the following regulations:

1. Front Yard (Min)	60 feet
2. Side Yard (Min)	30 feet
3. Rear Yard (Min)	75 feet

8B.4 The provisions of subsection 9.4 pertaining to obnoxious uses in rural zones shall also apply in the Extractive Industrial Holding (MEH) Zone.

(9) Schedule "A" to By-law No. 16-1971 is deleted and the attached Schedule "A" to this By-law is substituted therefore.

(10) No part of this By-law comes into force without the approval of the Ontario Municipal Board, but subject to such approval, this By-law takes effect from the date of passing thereof.

GIB RETIRES

Police Chief, Fire Chief, Security Chief

[By Anne Patenaude]

On October 31, 1975, Gilbert Raistrick, for the last time, put on the blue uniform of Chief Security Officer - the uniform which, for him, has become the symbol of a lifetime dedicated to the protection of public property and human life.

For 31 years Gilbert "Gib" Raistrick has served the public - first in his capacity as Chief Constable, Fire Chief and Supervisor of Public Works for the Village of Winchester, and later, as Chief Security Officer and Fire Chief for the St. Lawrence Parks Commission.

During that time he was responsible for the organization of the first School Safety Patrol in Winchester. Over the years he was instrumental in the growth of the Winchester Fire Department, from a 10-man unit with a '42 Ford Fire Truck in 1944, to one of the best equipped departments in the area. A strong supporter of the Stormont, Dundas and Glengarry Mutual Fire Aid Association, he has served as President of that association and filled various executive positions. He is also past president of the Eastern Ontario Fire Fighters Association and a member of the Ontario Fire Chiefs Association. In January of 1975, he was one of the recipients invested with the Long Service Medal from the Ontario Fire Marshal's office.

Now, at 65, Chief Raistrick will put away the blue uniform, and with it, the responsibilities its wearing entailed.

Those responsibilities have taken their toll - the Chief shows no reluctance at relinquishing his duties to his successor. He looks forward to retirement and "taking it easy for awhile."

"Maybe I'll do a little carpentry work," he says. "It's always been a hobby of mine."

The Chief's artistic flair is known to many in the area, and he is recognized as an excellent carpenter.

Smiling, he recalls the time before his first appointment - a time when carpentry was more than a hobby. "At 15, I was working in the furniture shop of the M.F. Beach Co. Ltd.," he remembers.

Gilbert Raistrick was 11 years old when he arrived in Canada with his parents from Bradford, Yorkshire, England. Four years later, in 1926, he began the first of the eighteen years he was to spend as an employee of the M.F. Beach Co.

His experiences as a truck driver hauling lumber over unpaved roads from Maniwaki were as hazardous as many which followed during his years as Police and Fire Chief.

In an off-hand manner, he recounts how, after crossing a newly completed cable bridge over a gorge near Wolf Lake, he discovered that the bridge was, in fact, far from complete. The timbers were simply resting, unfastened, upon the supporting cables. The slightest movement of any timber could have sent truck and driver plunging to the bottom of the gorge.

On another occasion he recalls hauling a load of lumber 12 feet high across a covered bridge with a clearance of only 10 feet. The load squeezed through but left behind a string of broken rafters.

In 1944, the Village of Winchester invited applications for the position of Chief Constable, Fire Chief and Supervisor of Public Works. Gilbert Raistrick applied and was accepted, embarking on a career which was to continue for 31 years.

Much of the time on 24-hour call, fulfilling his responsibilities to the Village in the areas of both law enforcement and fire protection, the Chief remembers those years of constant activity. Dressed part of the time in the uniform of police chief, and at other times as fire chief, there were days when, he says, ". . . I didn't know which hat to put on."

During Chief Raistrick's early years as Fire Chief, the village fire fighting equipment was limited to a '42 Ford Fire Truck with a capacity of 420 gallons per minute, and a '39 Chev chassis mounted with a 250 gallon tank.

Two plaques presented to the Chief by St. Lawrence Parks Commission employees.

"We had some good men then," the Chief remembers. Bill Scott, Gerald Helmer, Harold (Pa) Keyes, Harold (Cy) Helmer, Dick Lennox and Herb Helmer, the former police chief, who served on the fire department when he was in his 80's . . . the Chief and his men fought the fires which destroyed the top floor of Lannin's Garage, the Hotel Winchester, and the big one at Allison's Store in Inkerman, when the temperature was 35 below.

He recalls how the Village of Winchester sold their - waterous pumper to South Mountain for $100.00 - the beginning of the South Mountain Fire Department.

Surprisingly, his 15 years as Chief Constable for the Village were relatively routine. Only one incident comes to mind when he was forced to use his gun in apprehending thieves who were attempting a robbery at a village garage. In the course of his regular rounds, he surprised two men loading tires onto a half-ton truck from the rear entrance of the garage. Frightened, one man took aim and fired at the Chief, narrowly missing. The Chief returned the fire, wounding the thief in the ankle. Both men were apprehended and convicted.

In 1959, weary of the constant pressure made necessary by his dual role, Chief Raistrick accepted the position of Chief Security Officer and Fire Chief for the St. Lawrence Parks Commission. Here, although the area for which he was responsible was a large one, 180 miles ranging from Adolphustown to Lancaster, the pace was somewhat less hectic.

A fire truck was purchased in late 1959, shortly after the Chief's appointment. With a staff of four men, the Chief patrolled the area and, over the years, helped to prevent any major disasters. His responsibilities included supervision of the night watchmen during the construction of Upper Canada Village. He has seen the original staff of four grow to its present size of fifteen.

Several years ago, the Ontario Provincial Police were assigned the task of maintaining security in the outside park areas. Chief Raistrick was appointed Chief Security Officer in charge of Upper Canada Village and Crysler Park.

The past few years have been good ones for the Chief. A few small fires caused some slight damage to the Commission Staff House and the River Museum, but were quickly confined.

The growing popularity of Upper Canada Village as a tourist attraction has provided the Chief with the opportunity to meet several famous visitors, including former Prime Minister Diefenbaker and Premier Leslie Frost.

Laughing, he tells about the "Tom Sawyer" movie, which was filmed on location at the Village. The cold weather prompted him to inquire whether the star, Jane Wyatt, didn't find it a bit chilly working outdoors.

"She lifted up her long skirt and showed me what she was wearing underneath," he says. "A pair of long underwear and snowmobile boots."

And so, after 31 years, the blue uniform is sheathed in plastic and stored in a dark corner of the closet. The Chief has earned the tribute, the gold watches and the inscribed plaques presented to him by the administration and staff. But many from the area still remember the familiar figure, clad in the blue uniform, often with a child or two at each side, patrolling Winchester streets.

Gilbert Raistrick is married to the former Anne Anderson of Vernon and has three children: Mrs. Roy Fawcett (Shirley) of Winchester; Brian of South Mountain, who is a member of the Winchester Press staff; and Mrs. Joseph Barnhart (Sandra) of Morrisburg.

Photos - bill laurin

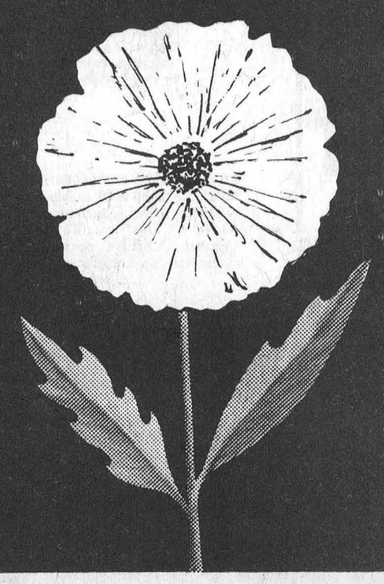
"Gib" enjoyed working with children.

"There were days I didn't know which hat to put on . . ."

Forced to use revolver once . . .

The St. Lawrence Parks Commission Fire Truck, purchased in 1959, is unusual in one respect — its bright Parks green makes it one of only two in Canada not painted the traditional "fire engine red". The other is reported to be in Vancouver.

THE FLOWER THAT WON THE PEACE...



Poppy Day In Winchester

Winchester Cubs and Scouts will conduct a Door to Door canvass on Saturday, November 8th, at 2 p.m. "Please be generous".

Wreaths for family, business and organizations are available through Archie Rice. Just call 774-2031 for more information.

Remembrance Service for Winchester and District will be held on Sunday, November 9, at 12 noon at the Cenotaph.

Cameron Highlanders of Ottawa and Members of the N.D.D.H.S. Band will be in attendance. All Veterans, Servicemen, Cub and Scouts are asked to meet at the Legion Hall not later than 11:30 a.m. Sunday, November 9th.

"They Served Till Death! Why Not We"

Clubs Active At Seaway District

This year at Seaway, many student interest clubs are active. Some of these groups are the school band, cross country team, science club, public relations club, various types of intramural sports, variety night club, Christian Fellowship, drivers education classes, a library club and a cheerleading team. The school makes an effort to have clubs to meet the interests of many. The students hope to begin organizing more clubs and groups in the very near future.

On Thursday evening, stuffed to the gills after a weiner roast, 22 Seawayites left the safety and smell of the Stevens' barnyard to try their skill at orienteering in the backwoods of swamp and bush. Thorns and mud were no deterrent, or were they . . . ? The team of Chris Barkley and Wayne Dickenson won first prize while Larry Beckstead and Brian Bennett placed second. We look forward to another night orienteering event in the future.

The theater arts class headed by Miss Gibb recently produced a play entitled "An Afternoon With . . ." The purpose of this play was to show the good side of poetry. Even though some said "it couldn't be done" it was a success. This fact is mostly due to the performance of Heather Hutchison, Debbi Bilmer, Donna Armstrong, Rosey Casselman, Barb Moran, Laurie Cruickshank, Jim Davies, Randy Gates, Roxanne McLean, Margie Phillips, Retha Beckstead, Carol Myers, Linda Van Allan, Judy Stephenson and Neil Cameron. We congratulate Miss Gibb and her theatre arts class for this fine performance.

Thursday afternoon, the Senior English students heard Mr. Gerald Lampert, Canadian writer and novelist, speak on Canadian Literature. After a reading of some of the novel he is presently working on, Mr. Lampert discussed with the students the problems of being a Canadian writer. This interesting presentation was enjoyed by one and all.

J. Milton McKibbon Dies In Winchester Hospital

J. Milton J. McKibbon, Winchester, a former freight agent at Winchester station, died at Winchester District Memorial Hospital on October 29th in his 87th year.

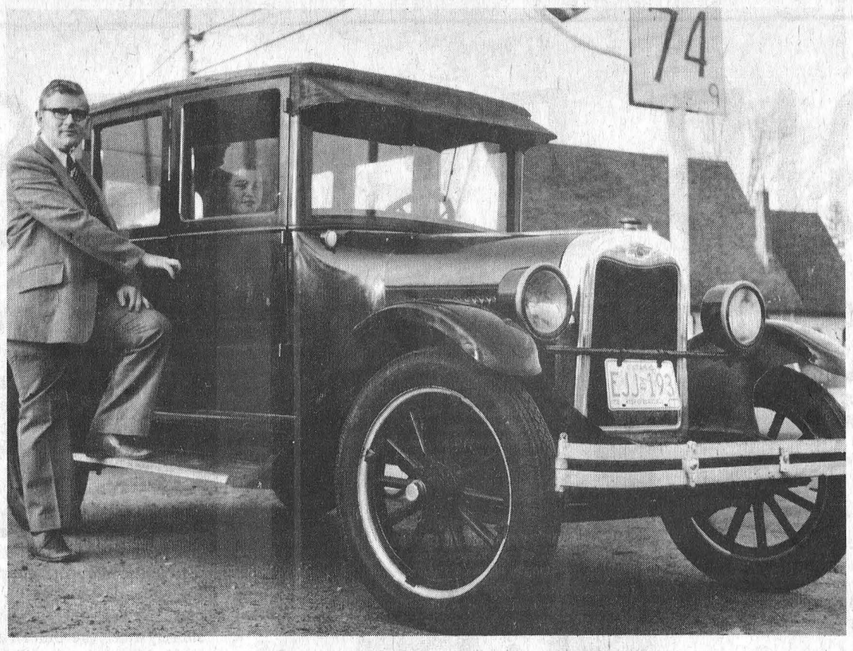
Born at Eganville, a son of the late Mr. and Mrs. Johnston McKibbon, he had spent his retirement years at Winchester.

Predeceased by his wife, the former Mary Louise Kitland he is survived by one sister, Mrs. J.F. Walsh (Helen) of Toronto. He was predeceased by one brother, Harrison and four sisters: Ethel, Jean, Hope and Mrs. C.G. Bassman (Blanche).

A member of Winchester Wesleyan Church the funeral was from the Vice and Craig Ltd. Funeral Home, Winchester, to the church where service was conducted by Rev. C. Jackson at 2:00 p.m. on October 31st.

Pall bearers were Laurie Summers, Edgar Turner, Murray Holmes, Ron Freeland, Allan Hutchison and Lorne Bell.

Interment was at Hillcrest Cemetery, Smiths Falls, Ontario.



A Superior Chevy

Design features immediately tell you that this automobile is definitely not a '76 model, but when it comes to the condition of the fifty year old Chevrolet, it makes one wonder.

Some of this classic's younger cousins certainly cannot hold a candle to it when it comes to sturdiness or durability.

This 1926 Chevrolet Superior Landau Sedan was built fifty years ago and sold for just over $900.00 which is not a bad price for a top of the line model. The Landau was used in the Royal Tour in 1926 which points out the exclusiveness of the auto.

Until recently it had been stored on blocks and saw little road use until present owner Mel Vice, rescued and put the Chevy back into service. Mel says it's not much better on fuel than present day counterparts, averaging somewhere close to 15 miles to the gallon. "But it is not much worse than most either, and runs on regular", stated Mr. Vice.

This deluxe model features a powerful four cylinder engine coupled to a smooth three speed manual transmission. All of this original equipment rides on tires measuring 4:40-4:50 x 21 inches, two of those tires are as old as the car itself and have travelled all of the 27,000 miles indicated on the odometer.

Mr. Vice, who is president of the Rideau Valley Antique Automobile Club owns a dozen classics, and estimates the Chevy to be worth around $6,000 in it's present state.

REACH FOR THE TOP

Vankleek Hill Defeats N.D.D.H.S.

(By Linda and Laura Holmes)

Once again it's time to see what is going on at North Dundas.

Our school is very sports-minded, but this doesn't mean our clubs and groups are not very busy. The Photography Club is raising money by selling school charms and key chains. Since coloured pictures and student cards have arrived the year-book members are extremely active. Our school sent a "Reach For The Top" team to represent North Dundas at Cornwall. The team, coached by Mr. Ward, consisting of Bernd Jakel, Jeff Hunter, Megan Justus, John Maxwell and Laura Holmes, lost to Vankleek Hill with a score of 285-245. It was very close and they deserve hearty congratulations.

T-shirts are being sold with the high school crest and specialized events on them, such as basketball or student council.

Our soccer teams travelled to Glengarry Wednesday. Although the Seniors lost, the Juniors had a 1-0 victory. This puts them in first place in their league. Their coach is Mr. Van de Kamp.

The girls basketball teams have definitely been busy. Tuesday saw them at Seaway where the Juniors lost 50-22 and the Seniors won 42-33. Thursday at North Dundas the Juniors gave C.C.V.S. a good fight but lost. Excitement was at a maximum peak all during the senior game. After many trials and tribulations, the North Dundas team came out on top. The score was 35-32.

As we close the doors on this week's news remember there's always next week to look forward to.

Visit Relatives

Mr. and Mrs. Gordon Boland and Mr. and Mrs. Bill Morrison, all of Metcalfe, recently returned after having spent three weeks visiting relatives in Regina, Calgary, Lethbridge, Banff, New Westminster, White Rock and Portland, Oregon.
