SERVING YOU SINCE 1936

You see this regularly in our ads. Some would call it a 'slogan'. To us it is a statement of fact. To our customers it is a definition of the way we conduct business. That we HAVE been HERE since 1936 selling and servicing Chrysler vehicles attests to this.

Jeff and Trudy Boyd operate with the idea that the reasoning shouldn't change. That the same principles and guidelines that have resulted in our success continue today... and beyond!

STRAIGHT TALK • FAIR PRICING • QUALITY SERVICE

If you are one of our regular, loyal customers you know this and we thank you for your continued support by allowing us to exceed your expectations.

If you are NOT - don't you think you should trust your automotive needs to someone who has been around for 62 years?
