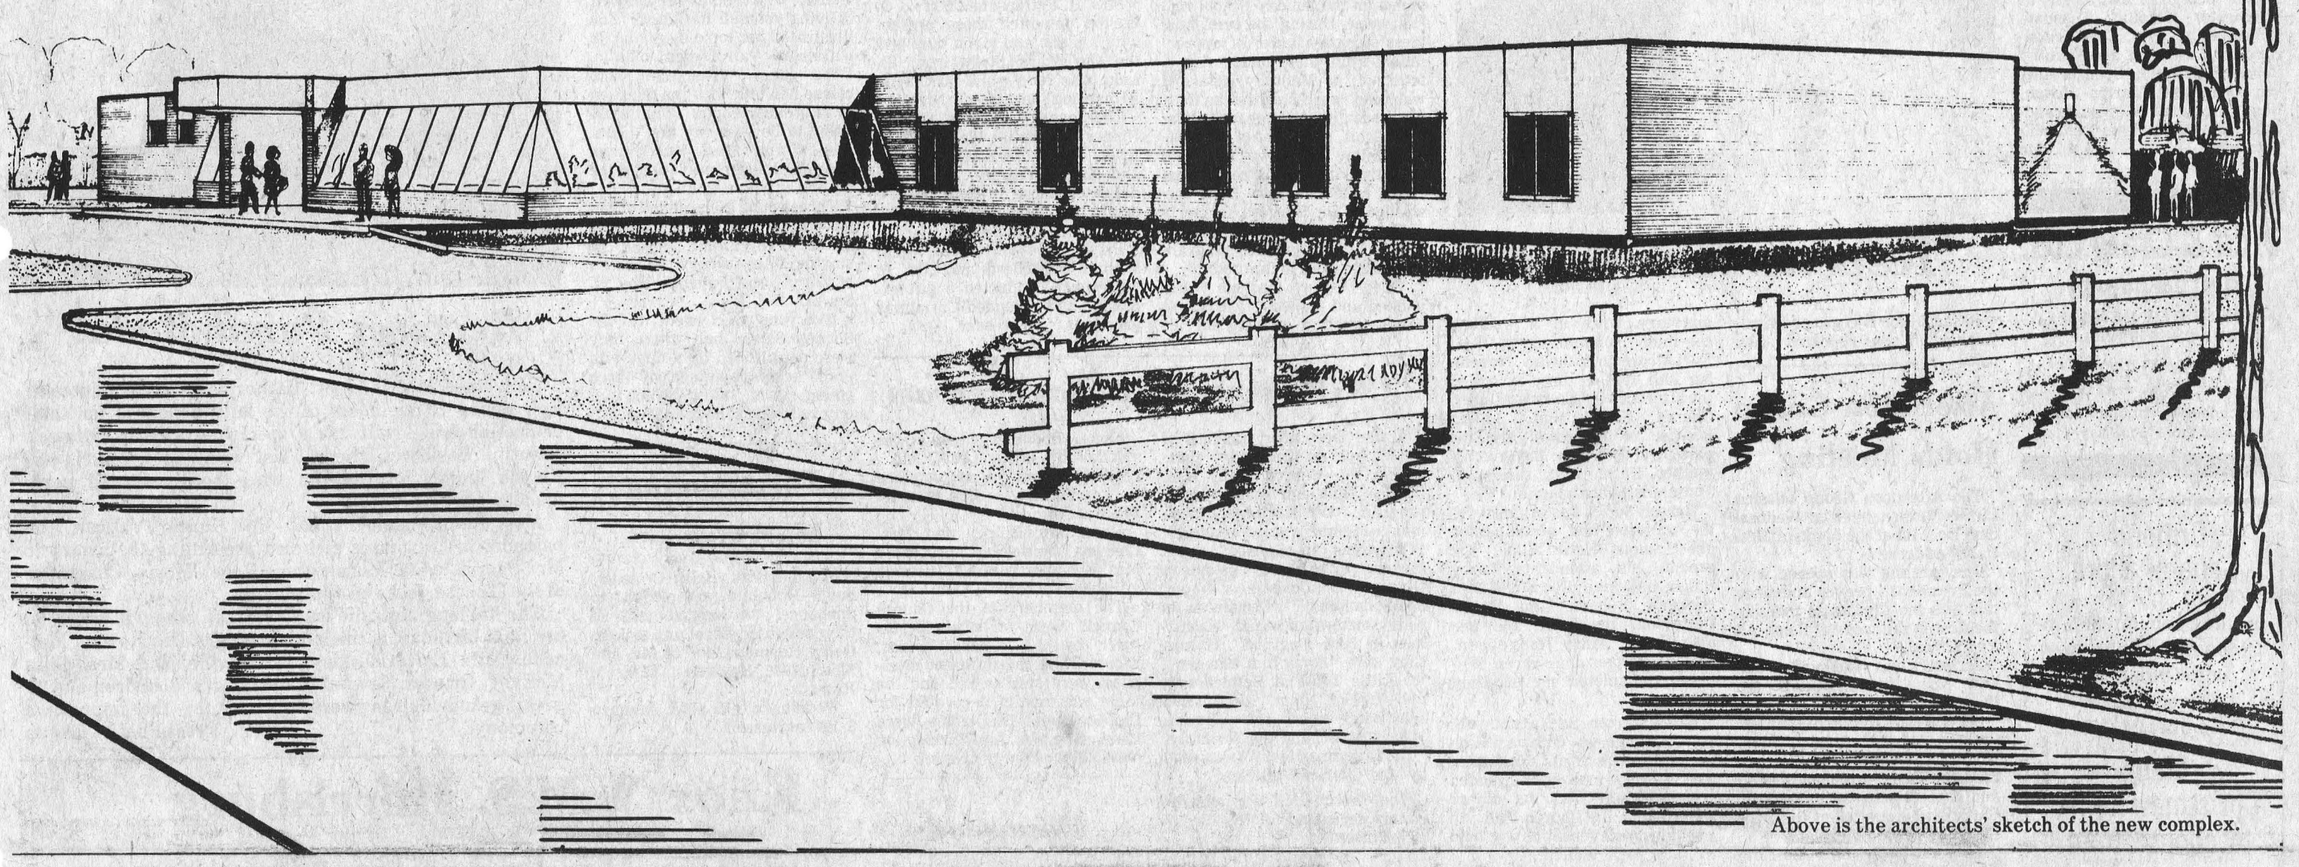
June Completion Dundas Manor

Construction is expected to start immediately on the modern 60-bed institution which will be known as Dundas Manor Ltd.

Located near Winchester District Memorial Hospital, the spacious complex will serve the entire County and owner-builder John A.D. Alguire of Ingleside hopes the building will be completed by mid-June, 1977.

Exact location of the 'Manor' will be on a parcel of land North of the hospital, West of the Nurses' Residence and facing an extension of Clarence Street. The ultra-modern building will be 22,000 square feet in size, will cost approximately $1,000,000 and have 60 beds in rooms of four, two and singles. Kitchen and laundry facilities, living room, reading room, activity room for crafts, etc. will also be included.

The over-all contractor is John Entwistle Construction Ltd., Cornwall and architects are Dominik, Thompson, Laframboise and Malletter, also of Cornwall.



Above is the architects' sketch of the new complex.

Early Edition

Next week's edition of The Winchester Press will be on the streets one day early, and advertisers are reminded that the representative from the advertising department will be making his usual calls this Friday rather than the following Monday. The deadline for accepting classified ads will also be advanced to Monday Noon (Dec. 20).

40-PAGE TABLOID

School children in the area have again assured a spectacular Christmas Tabloid by submitting beautiful art work, interesting Christmas stories and heart-warming poems. This 40-page tabloid will be included with next week's regular paper.

HOLIDAY SCHEDULE

The Press office will be closed on Monday, December 27th but the regular edition will be published as usual on December 29th.

The office will again be closed on Monday, January 3rd with the first edition of 1977 in the mails on January 5th.

Ministry Allots Winchester Township $165,000 Tile Drainage Budget

The Ministry of Agriculture and Food will allocate $165,000.00 to the Township of Winchester's tile drainage program next year.

In a letter received from the Ministry, council members were told at last Monday's meeting that budget reductions implemented last year in accordance with the government's restraint policy would continue. A total of $18 million, with an interest rate of six per cent will be allowed for the fiscal year beginning April 1st, 1977.

The amount allocated to the township was based on participation in the program over the last three years. Several suggestions for distribution were offered by the Ministry but in the past, funds have been distributed on a first come, first served basis.

Discussion on drainage and roads occupied the majority of council's time at the last regular meeting of the year. Lucien Marion, Winchester and councillor Roland Cayer both complained they had not received payment for fence replacement following the installation of a ditch along their property. Clerk Glenn MacGregor suggested the possibility both were entitled only to payment for land allowance and crop damage.

The fact that other farmers have been paid for replacement of fence in similar circumstances was pointed out by councillor James Sullivan.

Reeve MacNabb said township residents are being discriminated against in this matter, since county policy includes fence replacement at the county's expense.

"There's no one paying less for fence than we are," he said. "At $1.50 per rod, we're arguing over peanuts."

It was moved by council that both farmers receive payment for approximately 63 rods each.

The Cruickshank Construction Company came in for some criticism when drainage superintendent Percy Armstrong noted that work on several ditches begun by the company was left unfinished. The deadline for completion on the Mizner, Devanney and Curly Creek drains was originally set at November 30th. Two of the drains have not been completed despite the fact that contracts were let on May 6th, 1976.

A suggestion the Cruickshank company be penalized $25.00 per day was dismissed as councillors felt it was unfair to expect any progress now until spring and the resulting penalty would be excessive.

Mr. Armstrong said beaver dams are causing problems on the Bob Stewart ditch. Four hours of backhoe work were required to remove the obstruction caused by the animals. Council suggested Mr. Armstrong should attempt to get some trappers into the area.

A drain on the Robert Gray property received attention when Mr. Gray complained the water from the spring overflow remains on his land throughout the summer. Members agreed the matter should be rectified.

Council was informed that the interest on the $750,000 owing on municipal drains was now 9¾ per cent. Under municipal drainage regulations, two-thirds of the loan is recovered from the government, with the remaining one-third collected from the landowner. At present, the loan includes costs for more than forty different drains.

HIGHWAY RECONSTRUCTION CRITICIZED

According to Reeve MacNabb, the proposed reconstruction of Highway 31 is inadequate and council should refuse to accept it.

"I wouldn't accept the proposition as it stands," the reeve advised council. "They should regrade the highway and make a proper road."

The subject came before council when a proposal from the Winchester Springs trustees was heard, advocating the removal of Levere's Store, the building of curbs along Allison's Feed Store and the installation of a parking curb along the highway north of the county road. These changes were suggested as part of the highway reconstruction.

Council was also informed that Basil Dawley, Winchester, wished to convey a portion of road located on his land to the township. Members agreed with Reeve MacNabb that the munic-

Village Hydro Rates Jump 24 Per Cent

Winchester residents can expect a 24 percent hike in hydro rates next year.

The 1977 hydro budget, passed at a meeting of Winchester village council December 7th, was set at $25,200.00 for capital expenditures. This, plus the cost of power to Hydro will necessitate a hefty increase to consumers.

In other business, council agreed changes must be made to the village map before zoning by-law amendments can be passed. A meeting to discuss these changes will be held, following which copies of the amending by-laws will be distributed to anyone within 400 feet of any alteration. It is expected this will affect almost everyone in the village.

A letter from the Ministry of the Environment informed members the test drill program for water will not be carried out in 1977 due to lack of funds. Following some discussion, council decided against raising the necessary funds for test drilling through taxes and instead felt they should urge the Ministry to expedite their drilling program. The last drill was made in 1970.

Architect H. Clow reported the arena addition should be 38 per cent completed by December 10th. At that date, 41 per cent of the time allotted to the project would have been expended. Mr. Clow said the proximity of the figures indicated good progress on the addition.

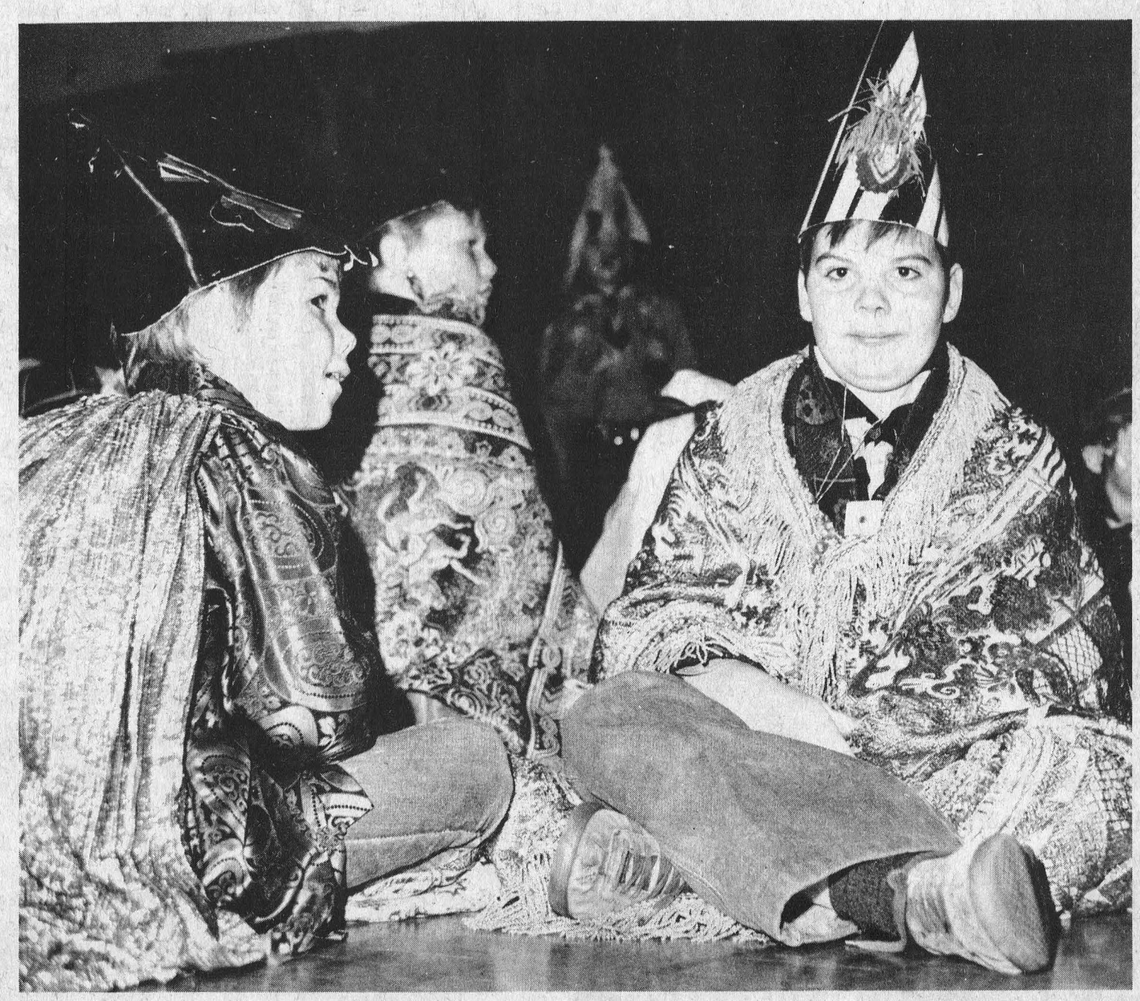
Four additional fire phones will be ordered to supplement the six presently in use. This decision was made following reports by fire department members the siren is sometimes inaudible in certain areas of the village.

Clerk Raymond Annable reported the collection of taxes in the village at 93 per cent. This figure puts Winchester in second place for tax collecting in Stormont, Dundas and Glengarry.

Drainage and road plans for the Winchester Heights subdivision were approved and land severances were granted to Biccum and McIntosh, Richard Alton and Greta Jean Loucks.

"Conservation of Power" will be the theme of 600 book covers ordered by council from Ontario Hydro for use by public school students.

January 3rd was tentatively set as the date for the next regular council meeting.



A Time For Sharing

Members of Winchester Scouts, Cubs, Guides and Brownies presented a special program for senior citizens last Tuesday at Winchester Public School. The evening included a nativity scene with Scott Casselman, left, Brent Carkner, centre and Bill Lennex in the role of the three wise men. Press Photo—Patenaude

Recent Marriage

Susan Diane Bjergso and Arnie Michael Wells repeated their marriage vows in a wedding ceremony solemnized by Rev. Earl Moore on Saturday, November 20th, 1976, at three o'clock in the afternoon in Inkerman United Church. Henrik and Lillian Bjergso of Inkerman are the parents of the bride; the groom's mother, Hazel Wells, resides at Tompkins, Saskatchewan.

Russell Suffel was organist for the occasion and accompanied guest soloist Katie Milne. The groom, his attendants Larry Baker, best man, Ron Wells, Jim Bjergso, ushers, and Roger Patterson; the bride and her attendants, Mary Hoogeveen, Karen Bjergso and Karen Wilkinson completed the wedding party.

Guests from Saskatchewan, Port Colbourne, Ottawa, Haggersville, Brantford, Morrisburg and the Inkerman area attended the ceremony and the dinner following in the Church Hall. An evening dance reception was held at Lions' Hall, Winchester.

Mr. and Mrs. Wells are residing at Williamsburg, Ontario.

Afternoon Group Holds Meeting

The Afternoon Group Mission Circle, Vernon, met on Wednesday, Dec. 1st at the home of Mrs. Harry Anderson.

The meeting was opened with the President's prayer and since this was the Christmas meeting the first hymn was "O Come All Ye Faithful."

Scripture was read by Mrs. Hill and Mrs. Linton gave the thoughts on Christmas.

Several took part in prayer and the much loved hymn "Silent Night" was sung. Mrs. Carkner read the latest missionary news and Mrs. Stone read a beautiful Christmas story taken from the Christian Herald.

As a closing hymn "The First Noel" was sung. All joined in repeating the Mizpah Benediction and lunch was served by the hostess.

Mrs. Doug Hunter Lectures W.C.T.U.

The Women's Christian Temperance Union held a public meeting in the Baptist Church on Thursday evening, December 9. The meeting was opened by the president, Mrs. Ernest Merkley, who welcomed all present and read a Christmas poem by Helen Steiner Rice. This was followed by the hymn, "O Come All Ye Faithful", and prayer led by Rev. E. Eaton.

The programme committee then took charge of the meeting with Mrs. Nina Woods presiding. Five girls from the Christian Reformed Church gave several delightful musical selections.

Fifteen young people from the area attended Youtharama at Guelph in November. The four who were sponsored by the W.C.T.U., (Geraldine Durant, Annette Dentz, Betty Harbers and Margaret Jansen) each gave a brief report and expressed thanks for the privilege of attending. Robyn Docksteader and Evelyn Seim also spoke briefly of their enjoyment of the meetings.

Mrs. Hutchinson introduced the guest speaker, Mrs. Douglas Hunter, who used as her subject, "Giving yourself to Christ". She illustrated her topic by giving an outline of Van Dykes' classic, "The Other Wise Man" and closed her talk with the question to the young people, "What am I going to do with my life". Mrs. Woods and Mrs. Hutchinson expressed the appreciation of the gathering with a small gift.

Three young girls played organ solos while the offering was being taken. Programme closed by singing, "Angels from the Realm of Glory", and prayer by Rev. H. Smith.

Everyone then went to the Sunday School hall where they were entertained by a duet with piano accompaniment, by three young girls, after which all enjoyed a social hour and lunch.

December Meeting, Pot Luck Supper

Members of Winchester U.C.W. combined their December meeting with a delicious pot-luck dinner in the Sunday School hall last week. During the brief business session a letter of appreciation from the Dundas Association of the Mentally Retarded was read expressing thanks for a generous gift. A letter from Mrs. Jean Scott, president of the Seaway Valley U.C.W. was also read reporting that the Presbyterial Rally collection had been forwarded to Dr. Burgess, formerly of Cornwall, and now of Angola, to help in his Outreach program of medical work in that country.

'Good Cheer' baskets were packed and a special Christmas candle lighting worship service was conducted by Mrs. Robert Holmes, Mrs. H. Francis, Mrs. V. Steele and Mrs. J.E. Davidson.

Mrs. H. Fetterly and Mrs. H.G. Barton delighted those present with a piano and violin duet and the Christmas Story from St. Luke was read while Mrs. John Armstrong sang 'O Holy Night'.

The Covenant Players, Gordon Ninnes, Australia; Wesley Kruz, Iowa; Lynne Forrest, Australia and Kathleen Kelly, New York delighted those present with a dramatic dialogue entitled "The Conspiracy of Soul 462".

Prior to adjournment, Mrs. William McRoberts and Mrs. A. Moorhouse conducted a gift exchange and extended Christmas greetings to all present.

LCW Presents Christmas Program

At the December meeting of L.C.W. held on Wednesday evening in the Church Hall, Mrs. Charles Whitteker presented the program, "Our Heritage, Christmas". Members gave readings, "Christmas in Spanish South Mexico", "Christmas Customs in Germany", "Christmas among Scandinavians", "Christmas in New Amsterdam", and "Christmas in New England". Hymns sung were "Away in a Manger", "O Little Town of Bethlehem", and "Silent Night". Mrs. Eva Whitteker read the poem, "Christmas", and the scripture, "The Christmas Story" was read by Mrs. Charles Whitteker.

The Church Hall was appropriately decorated for the Christmas Season.

It was decided that the money collected in a special fund is to be donated to L.A.M.P. and a donation of $300.00 will be made to Benevolence.

Mrs. J. Boehmer presented the "Fellowship of the Least Coin", reading "From the secret place of Communion to the Market Place of Service".

Mrs. Clair Empey and Mrs. Charles Whitteker presented Mrs. Boehmer with a Christmas gift on behalf of the L.C.W.

The members of the Church Council were entertained for lunch by the ladies. Cookies, representing the different countries, were also served and the table was tastily decorated for the occasion. The ladies were thanked by Mrs. Ann Barkley, on behalf of the Church Council.

Forthcoming Marriage

Mr. and Mrs. Keith Crowder, South Mountain, are pleased to announce the engagement of their daughter, Carol Ann to John Gerry Heymans, son of Mr. and Mrs. H.G. Heymans, R.R. 3, Russell.

Wedding to take place January 3, 1977 at Russell.

Receives Papal Medal

Mrs. Rose Morris of St. Catherine's Parish, Metcalfe, was among 22 members of the laity honoured for their dedication and loyalty at a special service in Ottawa's beautiful Basilica Cathedral last week. Mrs. Morris and Regina Mahew of Embrun were both awarded papal medals.

Most Rev. Angelo Palmas, Pro Nuncio (Vatican Ambassador to Canada) is pictured presenting the award to Mrs. Morris while Monseigneur Roger Morin, Chancellor of the Diocese, looks on approvingly.

The life-long Metcalfe area resident, who will be 80 on her next birthday, is the mother of Mrs. Joe Rowan, Metcalfe; Mrs. Earl Checkley, Kemptville, and Mrs. Giles McEvoy, Ottawa. Several of her 11 grandchildren and 17 great grandchildren were present for the impressive ceremony.

Knox W.M.S. Morrisburg Holds Prelude To Christmas

Initiation of Explorers was held in the Lecture Room of Knox Presbyterian Church on Monday evening, December 6th at 7:15. Mrs. Wilma Smith, Chief Counsellor was assisted by Counsellor Ruth Baker. Chief Explorer is Nancy Smith, with Eric DeGray as Keeper of the Log.

Mrs. Smith explained the procedure of the Explorer programme to all. All new members to Explorers received their card, pin and first red star.

Those receiving their second red star were: Shawna Yerxa, Brenda Cruickshank, Brenda Dikland, Christopher Eamon, Marilyn Bern, Robbie Simpson and Peter Mason.

Explorers receiving their first blue star were Eric DeGray, Brenda Cruickshank, Robbie Simpson, Peter Mason, Brenda Dikland, Shawna Yerxa and Christopher Eamon. Three explorers, Eric DeGray, Brenda Cruickshank and Shawna Yerxa received their second blue star. Nancy Smith received her second gold star.

The Explorers presented "Christmas Symbols" most effectively. Anne Marie Smith, leader of the C.G.I.T., entertained with a solo.

Members of the Congregation under the direction of Mrs. Wellwood Adam presented Biblical scenes in pantomine of the Christmas story, using effective lighting. Dr. W.L. MacLellan was reader for the scenes and Mrs. Marion DeGray provided the music.

Those taking part in the scenes were Wilma and Dalton Smith, Joan Farlinger, Harm Blok, Eric and John DeGray, Jack Dikland and Arthur Marcellus.

Residents from the Tupper and Gilmour Homes joined with the members of Knox Church for this evening of fellowship. They were given Christmas treats by the Explorers at the close of the evening, to conclude a meaningful prelude to the Christmas season.

South Mountain UCW Program Reflects Christmas

South Mountain U.C.W. held their Christmas meeting at the home of Ruth Keays, on Thursday evening, December ninth.

The president, Vera Cleland, opened the business part of the meeting with a reading, "Christmas Question."

Mrs. Arnold Gilroy was in charge of the worship service and took as her theme "the Magnificat".

Each member of the group contributed a number to the programme, including several readings, contests, a vocal duet and a piano solo.

Lunch was served and a social hour enjoyed.

Seniors Set Hectic Pace, Metcalfe Lions Follow Suit

Metcalfe Senior Citizens call themsleves "The Wednesday Night Club" but most residents agree the active members are busy every day of the week and during this Christmas season many teenagers would be hard pressed to match their hectic pace.

Last Saturday afternoon, for example, they climaxed many weeks of hard work when they staged a bazaar and tea in the United Church basement. This highly successful venture which netted approximately $600.00 was scarcely over when those peppy seniors began assembling at the Lions Den where they were being hosted by the Lions Club at a galla Christmas wine and cheese party.

One might suppose they would be showing signs of weariness by Monday -- not so. Monday night they themselves entertained invited guests at yet another pre-Christmas get-together. At Monday night's galla party seniors president Zina Niblock had with him at the head table several of his key workers including Rev. Mr. Lamble, Mrs. Archie Waddell, Mrs. Rhetta Morris, Mrs. Rose Morris and Mrs. Olin Stearns.

Mr. Niblock, in his brief remarks noted this was the fourth annual Christmas banquet since the club was formed on November 3rd, 1971 with 15 members.

"Eight of those members", he said, "are still extremely active and our roster now stands at 37".

The genial president, who claims birthdays don't count after the 70th one is passed, congratulated the ladies on the excellence of their work, and paid special tribute to the men who spend endless hours at the "Red Door".

The "Red Door" referred to is the old fire hall on Victoria Street which was vacated when the volunteer firefighters moved their equipment to the new station.

"At the 'Red Door' we do all types of work", he explained, "but think we specialize in working with wood and leather".

"Bring it to us", he smiled, "and we have the time to fix it".

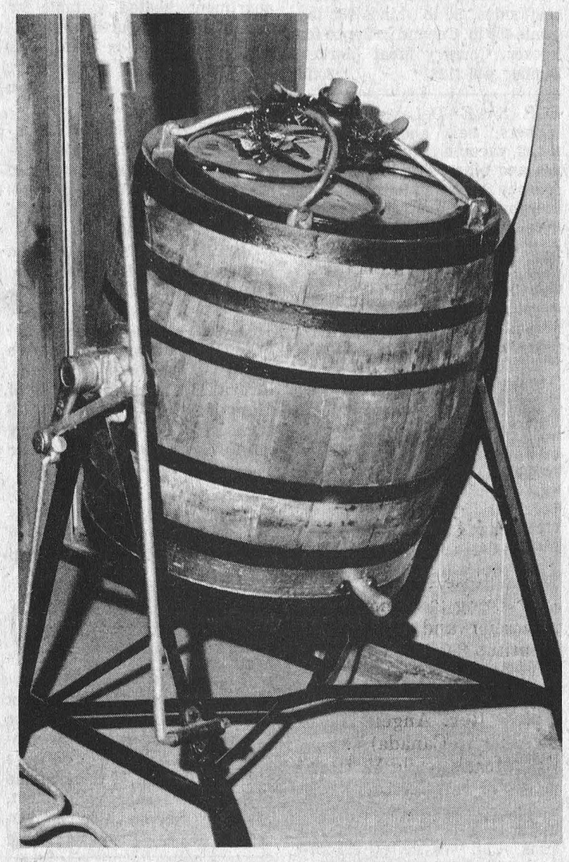
The man who has directed the club since its inception might have offered many examples but he chose to mention only one.

"A lady brought us an old broken-down churn", he boasted, "and we put it back in tip-top shape --- for a nominal sum of course".

APPRECIATION

Following a delightful sing-song directed by Rev. Lamble with Mrs. Boland at the piano, Christmas poems by Mrs. Roy McKeown and Mrs. Olin Stearns and piano solos by Mrs. Russell Blair, club members honoured both their president, Zina and their vice-president Mrs. Rose Morris with kind words of appreciation and gifts.

The Door Prize was won by Henry Bekkers and the balance of the evening was spent playing cards.



Two weeks ago this churn was rapidly deteriorating in an area shed. 'Red Door' technicians, many with fond memories of 'churning days' down on the farm, returned the renovated antique to its owner last Saturday where it is now proudly displayed in the living room.

When members of the Lions Club entertained their senior friends on Saturday night some of the older citizens were pleased to note that the new generation is keeping the old dances alive. In accompanying photo Lion Vince Vaillancourt waits for the right beat before literally burning up the floor with an Irish jig. Press Photo—Rowan

The bazaar and tea proved both entertaining and profitable, not only for Wednesday Night Club members but to their friends as well. The club profited financially and many found the articles ideal solutions to their shopping dilemmas. In accompanying photo Mrs. Warren, centre and Mrs. MacLaurin serve two interested customers.

Christmas Party At WDM Hospital

The Christmas party in 'One East' at Winchester District Memorial Hospital is being staged to-day (Thursday) and organizers note that area firms are helping assure the project's success. Corsages for patients have been donated by Durant's Flowers, Chesterville; Seaway Valley Pharmacy has sent along lovely gifts and help has also been received from Ault Foods and Roy Fawcett, who again has loaned an electric organ to the hospital for the Christmas season.

Those participating in the program are Rev. Myron Maxted, Father John Appleman, Mrs. Mary Hornsby, Patrick Hornsby, Ann Langabeer and Miss Addie Camperderos.

Mrs. Ruth McCullough, committee chairman, presented a list of equipment needed and it was agreed to purchase a freezer for blood plasma and also a set of electric care clippers for the operating room. President Mrs. Charles Wallace chaired the most recent meeting when hospital administrator H.P. Stel reported an increase in the use of X-ray, laboratory, physiotherapy and outpatient over the last year. Knitting convenor Mrs. Audrey Butcher reported she had enough yarn for ten afghans or lap robes and it was all given out at the meeting.

New Industry For Morrisburg

Morrisburg Council last week approved the sale of two parcels of land in the town's industrial zone for proposed new industries.

It is understood Bayne Filters Ltd., California will erect a factory on a one and a half acre site which will eventually employ approximately 15 people. An additional twenty-two acres was purchased by the Industrial Division of C.N.R. but no definite building plans for this site have been released.

CARD OF THANKS—I would like to take this opportunity to wish everyone the compliments of the season and to express my sincere appreciation to those who supported me at the polls on December 6, 1976.
—Elwood Coons. 34c

CARD OF THANKS—Never have I known so much loving concern as that shown by my family and friends while I have been ill these past few weeks and never have I needed their love more; words cannot ever say how grateful I am. Your gifts, flowers, treats, cards and visits while I was in Winchester and District Memorial Hospital and in Ottawa Civic Hospital, the kindnesses received from First Floor Nursing Staff (Winchester) and from Dr. Argue and Dr. D. Justus will always be remembered. A very special thanks to my Senior Citizens' neighbours and friends who have been so exceptionally good to me in countless ways since I have been home. Merry, Merry Christmas and Health and Happiness in the New Year is my sincere wish for you, each and every one!
—Madeline Steele. 34c

CARD OF THANKS—**To the Separte School Electors in Dundas and West Stormont Counties.** I sincerely wish to thank all those who supported me at the polls on December 6. I take this opportunity to wish all of you a very Merry Christmas and Happy New Year. I would be remiss if I did not pay tribute to the very commendable and fair manner in which the "Winchester Press" presented the views of all the candidates, and provided subsequent coverage on the elections (School Board and Municipal). Thanks again.
—Sarsfield O'Connor. 34p

CARD OF THANKS—The family of the late Elizabeth Eckford would like to thank all for messages of sympathy, floral tributes and donations to various societies. And for the special care given by the staff of the Winchester Hospital. We also extend our sincere thanks to the neighbours for their kind help during our mother's illness and after her death. Special thanks to Rev. W. Adam for his comforting message. 34p

IN MEMORIAMS

WEAVER—In loving memory of Mansell M. Weaver who passed away December 13th, 1974 and William Fredrick who passed away January 29th, 1975.
Sunshine fades and shadows fall,
But sweet remembrance outlasts all,
As time unfolds another year,
Treasured memories keep you near.
—Remembered by sisters and brothers. 34p

STRADER—In loving memory of a dear aunt, Phyllis Strader, who passed away so suddenly December 15, 1975.
A heart of gold stopped beating
One year ago to-day,
Hard working hands were laid to rest
She quickly passed away.
She didn't say good-bye to me
Perhaps it's just as well,
I never could have said good-bye
To one I loved so well.
—Sadly missed and lovingly remembered by your niece Audrey McGowan. 34p

DARLING—In loving memory of Mrs. Elizabeth Darling who passed away December 20, 1973.
Loving and kind in all her ways
Upright and just to the end of her days
Sincere and kind in heart and mind
What a beautiful memory she left behind.
—The Family. 34c

Ontario Dairy Commission Blocks Saputo Move

Ault Foods Ltd., received the backing of the Ontario Dairy Council in a protest against the establishment of a new milk processing plant at Hawkesbury.

The multi-million dollar Winchester firm owned by John Labatt, objected to the resolution made last June by the Ministry of Agriculture which would have allowed Saputo Cheese Ltd., Montreal, to move into the Ontario milk market.

In a decision released December 3rd, the ODC agreed with arguments presented by plant president Sam Ault that the storage of milk supplies in Ontario had severely restricted existing processors, and stated that "there are adequate processing facilities" in the region encompassing Hawkesbury.

The proposed Saputo plant would have used about 300,000 pounds of industrial milk per day in the production of mozzarella and other related cheeses. Emmanuele Saputo, general manager, said the plant would have employed 35 people to start.

In the opinion of the ODC, any benefit to producers from the specialty cheese market would be largely offset by the expense of inadequate plant supply quota. The Commission said it had not been demonstrated that the presence of the Saputo plant in Ontario would increase significantly the gross return to producers, especially if the market for specialty cheese were taken from existing processors.

Although the plant could create an increase in domestic and export cheese sales, the Commission said this gain would be offset to some degree by the fact that established plants have cut back sales of unsubsidized products both domestically and abroad because of a shortage of milk.

Ontario Milk Marketing Board chairman George McLaughlin's claim that the plant would provide some protection to producers in the event of strikes or breakdowns was not accepted by the ODC.

A report from the commission said the issuance of a permit to Saputo's was neither necessary nor desirable.

Drainage Budget

Continued From Page 1

ipality could not accept the property until the road was brought up to township standards. It was decided to arrange a meeting with the law firm of Gorrell and Grenkie before arriving at a final decision.

A building permit previously applied for by Mr. Dawley and refused, was granted at Monday night's meeting. The permit had been withheld pending approval of health inspectors regarding sanitary facilities on the site. Mr. Dawley informed council he had received that approval and was granted the permit.

Returning to the subject of roads, Reeve MacNabb voiced some apprehension regarding the sanding of the Nation River Road during the winter months. Council felt sanding was adequate in most cases, but agreed with Mr. MacNabb that extra precautions could be taken along the river.

"The road is travelled by school buses," Mr. MacNabb said, "and we should make sure there is no chance of an accident."

Council decided that in the future, grants to various recreation associations would be paid upon the submission of a bill for the amount paid.

Tenders for fuel and diesel oil will be called in January.

Councillor Sullivan noted that forms for the Ralph Steinburg subdivision in Morewood had not been signed by the township. He was assured by the reeve that legal finalization of the plans would be completed within the week.

The clerk announced a general voucher of $152,000.00, following payment of the balance of the school levy, the county levy and drainage costs. The road voucher in November was $16,670.00.

Twelve regular council meetings were held in 1976 and seventeen special meetings. Councillors Jim Sullivan and Gerald Holmes were present at all meetings and the remaining members were present at 28.

Notes From Vancamp

Sympathy is extended to the families of the late Mrs. David Lamoureaux of Dunbar who passed away suddenly during the week.

Organ, Piano Students Play To Full House

On December 8, to a capacity crowd at the Winchester Lions Hall for Senior Citizens, the organ and piano students of Julie Elford entertained with their Christmas selections.

The concert was scheduled to begin at 7:30 but by 7:15 the downstairs seats were filled and the audience had to be seated upstairs. The children were all whispering with excitement to "get the show on the road".

Followed by Julie's greeting to the "full house" she continued to open with, "Music has been classified as the universal language - we can all speak this language! It is my opinion that in every child, every human being there is a certain degree of musical talent waiting to be brought out. Even if this talent goes only as far as a child being able to beat a drum in time to a song...this still is musical ability."

She also remarked that, "These children here tonight are fortunate to be given the opportunity to better these hidden talents through structured keyboard lessons. Who knows, it may be your child that will become another Liberace! But you will admit as parents, that you have not given your children the opportunity of music lessons to create "performing professionals" but merely for the children to be able to entertain themselves and others and have fun doing it."

The 34 musicians ranged in age from 6 to 13 and have had as many as 4 years of study to as few as 6 lessons...Julie has 41 students now under her instruction, the remainder of students not appearing in the concert were her adult students.

Following the opening remarks, Jane Porteous, daughter of Alison and Bruce Porteous presented Julie with a beautiful corsage on behalf of the rest of the students.

The evening not only proved musically successful but also financially so. All proceeds (exceeding $120.00) were donated to the Winchester Lions Hall for Senior Citizens. Mrs. Elford admitted later it wouldn't have been possible without her dad at Fawcett's Organ Studio, who donated the Conn organ and Lesage piano, Wayne Dunbar of the Dunbar Piano Clinic who willingly donated his services to tune the piano "fresh" for the concert, to Alison Porteous who helped her locate enough Christmas songs for the children, to Darrell Tubman who decorated the hall and acted as middleman in communicating with the Lions Club, to the parents for driving the children to their lessons and rehearsal and most importantly to the children, they played the important role!

After Julie's "Thank You" she accompanied the children on the organ as they sang their greeting of "We wish you a Merry Christmas".

Julie plans to make the concert an annual affair especially, she says, when its for such a worthy cause.

Musicians in photo are: Back row, left to right, Kim Flucke, Janet Shirley, Jane Porteous, Mike Nelson, Cathy Clement, Janice Little, Kim Tubman, Darcy Last, Jeff Savage, Greg Siviter.

Second row, Eleanor Saunders, Kristine Savage, Robin Empey, Dave Nelson, John Koenjer, Dina Pavlounis.

Third row, Pauline Koenjer, Tina MacQueen, Claudia Thompson, Beth Alexander, Shelley Summers, Roberta Lefebvre, Julie Lamb, Angela Holmes.

Front row, Marnie Lamb, Dean Armstrong, Dean Pavlounis, Ian Porteous, Karen Tubman, Rhonda McIntosh, Cindy McAuley, Anne Porteous, Julie Holmes. Absent - Kelly Flucke.

Entertain Special Guests At Metcalfe Lions' Den

Metcalfe and District Lions Club, like most similar service organizations, sets aside at least two meetings each year to honour the ladies. One such meeting takes the form of a Christmas party while the other is in conjunction with installation of a new slate of officers in June.

The 'Den' was gayly decorated last Thursday night when members, their ladies and guests enjoyed a delicious meal prepared and served by A.C.W. members of Holy Trinity Church, and were graciously welcomed by club president Bert Bekkers.

Past President Joe Rowan acted as Master of Ceremonies for the evening and among those seated at the Head Table were District Governor Bob Rafter; Past District Governor Archie Sayant and Mrs. Sayant; club treasurer Lorne Finniss and Mrs. Finniss; secretary Graeme Hardy and Mrs. Hardy; Russell Lions Club President Dean Loucks and Mrs. Loucks; newly-elected Reeve Albert Bouwers and Mrs. Bouwers; Harold Cowan and Mrs. Cowan, and Mrs. Gordon Boland.

Introducing the head table Mr. Rowan noted that Mr. Loucks was representing the club that sponsored the Metcalfe group in 1960, and also drew attention to the fact that for the first time in the club's history one of the members has been elected to the top municipal post.

Other guests included Metcalfe Agricultural Society President Ormond Craig and Mrs. Craig; Metcalfe Recreational Association President Mrs. Ron Eastman and Mr. Eastman; and a visiting Lion member from the Morrisburg Club, Eric Shortt and Mrs. Shortt. Mr. Shortt is a past president of the Metcalfe and District Club.

A sing-song, with emphasis on Christmas carols, was ably directed by Harold Cowan with Mrs. Boland at the piano.

Finn Nielson proposed a fitting Toast to the Ladies and Mrs. Gordon Reaney responded on behalf of the honoured guests.

District Governor 'Bob', in his brief but very timely remarks, paid glowing tribute to the ladies.

"The ladies," he said, "are the backbone of every service club - without them we'd be dead."

Touching briefly on the tremendous effort required to properly serve such a big district as Governor he said, "without the willing co-operation of my wife I could not possibly fulfill my obligations."

INDUCT NEW MEMBERS

Governor 'Bob', assisted by Past Governor 'Archie' and Past President 'Joe', inducted the club's newest member, Hugh Ferguson, in a brief but impressive ceremony.

The M.C., speaking on behalf of the club, thanked three local firms for lovely Christmas gifts donated for the occasion. Winners of the gifts from Jo-Anne Shoppe, Winchester; Peter Mack Men's Wear, Morrisburg and Continental Mushroom Co., Metcalfe, were: Mrs. Eric Shortt, Mrs. Ormond Craig, Mrs. Hank Nansen, Mrs. Ron Isaac, Mrs. Gordon Reaney, Mrs. Albert Bouwers and Mrs. Ted Vanderydt.

The balance of the evening was spent dancing to the delightful music of Metcalfe's very own band - The Poor Boys. During the evening the young musicians offered two of their most recent records for spot-dance prizes and winners were Mrs. Bruce Patterson and Donald Palmer.

Induct New Member

Metcalfe and District Lions chose their annual Ladies' Night Christmas party as an ideal time to induct the newest member.

In accompanying photo Hugh Ferguson, centre, is shown being welcomed and congratulated by District Governor Bob Rafter, left, and a Past District Governor Archie Sayant. The club roster now stands at 60. Press Photo—Ro wan

Fire Destroys Minister's Home

Fire of unknown origin completely destroyed the home and garage of Rev. and Mrs. Mansell L. Atkinson of Inkerman on Monday.

Mr. and Mrs. Atkinson and their daughter, Brenda, had just finished supper when they heard a thump upstairs. Upon investigation the minister found fire in the ceiling of the bathroom, and while he attempted to quell the flames, his wife called Mountain Township Fire Department.

Answering the alarm with two tankers, the department soon realized more water would be needed; a call was made to Winchester for assistance. The latter fought the blaze while the other pumpers were refilled from the river in Inkerman.

As one Mountain truck returned, so did two bulk milk trucks from Ault Foods Ltd. in Winchester.

The fire was confined long enough to remove the living room furniture, a few clothes and a cabinet containing Mrs. Atkinson's best dishes.

Firemen and neighbours were able to salvage a boat and a tractor from an adjoining garage behind the home.

An estimate of damage could not be realized at press time but it is understood an amount of cash was also consumed.

At present the Atkinson family have taken up residence with Gerald Cassidy. Benefit fund plans are in the making and will be released as soon as time, date and place are confirmed.

Grenville - Carleton Benefits From Wintario Coffers

The Honourable Donald R. Irvine, whose riding includes the townships of Osgoode, Rideau and Goulbourn, has expressed pleasure that the area he represents will continue to benefit through Wintario grants.

"I am delighted", he said, "that more applications have been successful in gaining assistance and I congratulate those involved."

The applications to which Mr. Irvine referred are the Metcalfe Recreation Association which has received final approval for assistance of $3,160. to help with their plans for the Metcalfe Community Centre; the Township of Goulbourn is to receive $5,400. to assist with the cost of purchasing a Zamboni; the Township of Rideau has been given final approval for $162,386.64 to aid with the costs involved in the construction of an Arena and Hall; and the Town of Prescott has been advised by Wintario of final approval of an amount of $8,450.58 to help with the costs of the Vida Parcour Fairways Park project.

News In Brief

Santa To Visit Kenmore

Santa Claus, on his last jaunt through the district before his final Christmas gift-giving spree, will be at Kenmore this Saturday where he will be extended the usual welcome by area children.

The visit is being sponsored by W.I. members who will be on hand to greet the illustrious visitor at 2:00 p.m.

Centurians To Meet Tonight

Members of Winchester 100 Club will be holding their December "Christmas Meeting" at Henderson Hall tonight (December 16th). All members are urged to attend since several items of importance will be on the agenda.

Child Needs Big Brother

According to an area teacher there are school children who are in need of some special companionship; someone who is willing to spend leisure time with both young boys and girls.

One eight year old desperately needs the attention of a responsible person who can volunteer some spare time.

If you are interested in acting as a Big Brother please send a resume to Big Brother, Box 140, South Mountain, Ontario.

Drama Group Entertains Students

Press Photos—Patenaude

Students at Winchester Public School received some tips on drama last Thursday when the Eastern Canadian unit of Convenant Players was present to give professional advice to anyone aspiring to the stage.

The group, part of the Christian Repertory Theatre, based in Los Angelos, presented some basic techniques in the art of acting, inviting the students to participate in the demonstration.

Gordon Ninnas, Adelaide, Australia; Lynne Forrest, Sidney, Australia; Kathleen Kelly, Bemus Point, New York; and Wesley Kruse, Dubuque, Iowa, complete two tours of the country each year, appearing at schools, hospitals and churches.

Mr. Ninnas said each of the skits or shortplays is intended to provoke thought on moral values.

"We use this as a form for making people think about what they believe," he said.

The accompanying photos show the group in one of their presentations while their young audience watches attentively.

Walter Baker Reports

The Government Retreats

WALTER BAKER, M.P.
GRENVILLE-CARLETON

The Auditor General did a great service to Parliament and the people of Canada. This dour Scot, in the precise language of an accountant who weighed his words with all the care of a diplomat, told us clearly and without flourish that the public accounts and the systems for control in Government expenditures were in a mess and that Parliament and the Government had virtually lost control over the spending of your money and mine. Nobody could be sympathetic to such a system nor allow it to continue and yet the Government defended its action in refusing a few days ago to adopt his recommendations and appointed a Royal Commission, of all things, to investigate that which had been thoroughly investigated by the Auditor General!

Yesterday, on the floor of the House of Commons, I asked Mr. Andras whether the Government was moving away from that position and moving towards the position recommended by the Auditor General and he admitted that that is precisely what they are doing and so they should.

I have received literally hundreds of letters and telephone calls and engaged in countless conversations in which the subject has turned to the revelations in the Auditor General's Report. The difference with this report as compared with those in previous years was that this year the failures were not isolated as individual failures but demonstrated a break down in the system.

For the life of me, I cannot understand how any responsible and responsive Government could consider such a Royal Commission in the first place.

They have now gone the first mile with the Auditor General, they owe him the courtesy of going the second mile by appointing a Comptroller General of Canada as he asked them to do in the first place.

There is another issue as well and that is the whole style of Government. Public Servants have been in the forefront of the Government's defence because the President of the Treasury Board at the end of last week tended to blame everything on public servants and their attitude. I respectfully suggest to you that he is ignoring one important ingredient in the break down of the system. Large organizations like the Public Service tend to adopt and follow the attitudes and examples set by those in charge and it must be painfully obvious to most Canadians that the present Government and its attitude to the spending of money, the use of such facilities as aircraft, have demonstrated a lack of understanding at the highest levels of the value of a dollar and some of the criticism and indeed the bulk of it ought to be pointed in that direction.

CONSTITUENCY OFFICE

I have decided that the staff in the Constituency Office, who have worked so hard and diligently through the year, deserve a short holiday at Christmas and therefore, that office will be closed during Christmas week. To be precise, the office will close at noon on Friday, December 24th and will re-open again on Tuesday morning, January 4th, 1977.

I thought I should give you advance notice in this regard but the Office on Parliament Hill will be open during the normal business days and I can be reached there at 992-4394.

Gay Nineties Hold Christmas Party

Members of the Gay Nineties Club of Vernon brought a very active year to a close with a Christmas dinner and party held in the Presbyterian Church Hall in Vernon on December 10. The Hall was beautifully decorated for the occasion and after a delicious dinner, catered to by Porteous' catering service, a programme was presented.

The programme consisted of musical numbers by the Harmony Six, led by Ian Crerar. They also led in Christmas carols and community singing. A solo was rendered by Betty Crerar. A short play "The Christmas Burglar" was presented by the Club. Those taking part in the play were Verna Fader, Mary Sheldrick, Harold Cowan, and Lawrence and Katie Brunton. Readings were given by Anne MacMillan, Barbara Blair, Evelyn Cowan, Esbon Rice, Myrtle Fisher, Harold Cowan and Daisy Robinson.

Doreen Acres, who was accompanist for the evening and who has so kindly assisted the Club during the year was presented with a gift from the members of the Club. Instead of exchanging gifts as usual, the members brought gifts for the patients of the Ontario Hospital in Smiths Falls.

The M.C. for the evening was Daisy Robinson, president of the Club, who opened and closed the gathering with a worship service.

Cumberland Pioneers Christmas Party

Cumberland Pioneers (Senior Citizens) held their get-together on December 6th. The hall was tastefully decorated for Christmas and each senior citizen was presented with a corsage.

A Christmas dinner with all the trimmings was served to about sixty guests. Those celebrating birthdays and wedding anniversaries during December were honoured in the usual way.

A Christmas cake was auctioned and was bought by Mrs. H. Walsh, and a doll was raffled and was won by Mrs. H. Denison.

Two humorous recitations were given by Mrs. H. Denison before she auctioned articles from the sale table.

The programme consisted of musical selections by Mrs. L. Morris and Christmas carols by Mrs. J. Muggleton and Mrs. N. McGregor. Card playing was enjoyed throughout the after noon.

The next Senior Citizens' dinner will be held on February 1st.

Winchester Hosts Hockey Tourney

Executive of the Carleton Dundas Minor Hockey League report that they have received approval and a permit from the O.D.M.H.A. to hold a six division (Atom thru Juvenile) tournament during the week of December 26th to 31st inclusive, at the Winchester Arena.

Membership organizations in the C.D.M.H.L. will be given first refusal for entries into the tournament, up until November 26th. After that date, outside teams will be invited to participate on an invitational basis.

Included in this year's tournament will be four girls' teams, and if this tournament is a success, the C.D.M.H.L. plans to make it an annual event. Entry forms are available from tournament chairman Bob Ramsay, at 821-1594.

Art Contest Closes Saturday

This Saturday (Dec. 18th) is the deadline for accepting entries in the Christmas Art Contest sponsored by W.J.L. Boyd and Sons Ltd. and The Winchester Press.

Girls and boys are reminded that the competition is divided into three individual classes with cash prizes for each. Example $10.00 for the best entry in the 6 years and under class; $15.00 in the 7 to 10 years division and those in the 11 to 16 division will be competing for $25.00.

Families of employees at either of the sponsoring firms are not eligible and those submitting entries are reminded to print name, address, age and telephone number on the back.

The Christmas Scenes may be done either in black and white or colour, and judges' decision will be final.

Thank You

A sincere thanks to the residents of Mountain Township for your support on Dec. 6th.

Christmas Tradition Fading

Suppose by now everyone has purchased a Christmas tree from a favourite charitable organization, or possibly from some business firm capitalizing on the urgent need. Yes, we know as well as you there is no other way to get a tree -- unless of course you care to risk arrest by snipping off that blue spruce growing on the neighbour's front lawn.

But it was not always like this, and if you happen to be in the age group that remembers the familiar jungle of sleigh bells and the pungent smell of hard maple burning in a huge cook stove, then you'll also remember the excitement of that wonderful frosty morning when Dad arose from the breakfast table and announced this was the day. By 'The Day', of course, he meant an excursion out into the forest to select a Christmas Tree. Weather meant absolutely nothing then since there was no radio on the mantle issuing those constant reminders of diving temperatures and wind-chill factors.

Who could possibly forget the sleigh ride with bright morning sunshine sparkling on new-fallen snow, steam belching from nostrils of spirited horses, and the excitement and anticipation that was always so much a part of Christmas. Remember too the frisky horses pawing at the snow in search of tasty morsels buried beneath as Dad surveyed the wide array of pine, balsam and spruce. And we vividly recall his stern warning as he stood knee-deep in snow with axe in hand. "Choose carefully", he would always say, "and cut only one, for it takes many years to grow another." Alas those warnings, by a generation that knew, were not heeded, and to-day barren wasteland is all that remains, and growing Christmas Trees has become a thriving industry.

Sure, just like you, we backed up to a stack of trees piled in front of a general store this week, and threw a 'bound-up' spruce in the trunk. It will be carefully erected, artistically decorated and covered with the customary lights, and children and grandchildren will admire their handiwork. But each time the lights blink 'on' and 'off' amid the splendor of tinsel and bulbs and sparkling streamers we'll envision an entirely different setting ... the fresh, clean smell of newly-cut pine, sparsely decorated with popcorn strings and blobs of cotton to represent snow. And very painstakingly arranged directly beneath the tree a tiny manger, complete with mother, child and lowly shepherds.

Where were the gifts piled you ask? Friend, gifts were not 'piled' in those days. Instead gifts were the expressions of joy and good will passed on from one to another, and the re-uniting of families at churches of their choice. Oh, yes, sometime during the long, cold night 'Santa' did arrive and at break of day the very little ones found presents (usually something they could wear) and older brothers and sisters winked knowingly at one another.

Time has marched a long way since those happy days, but there are times when one ponders the change. Sometimes it appears the real meaning of the great Feast Day is lost in the mad whirl of partying and shopping. But did you ever notice the most sought-after Christmas cards are those that depict a farm home, snuggled among great mounds of snow -- and somewhere in the background the towering steeple of a country church?

Guess deep down in our hearts we all long to spend a Christmas much like those so cherished by our pioneers.

Joy To The World

By Dr. Gordon C. Smyth

In the fiercest weeks of the Nazi "blitz" attempt to break the spirit of Britain, a Presbyterian church in Glasgow was preparing a social evening, the proceeds of which were to be sent by the Church of Scotland to mission fields overseas.

Three nights before the gathering, bombs completely destroyed the church. The event was cancelled, but not the goal. The undaunted minister quickly sent a mimeographed letter to all his families.

He pointed out that every bomb aimed at the supremacy of what a church represented, in spiritual truths and moral values, actually revealed that the one sure hope of a just and durable peace lay in the world-wide rule of the Mind which was in Jesus Christ.

The church building was in ruins. The social evening could not be held. But - the minister asked - would each church member please send to him the equivalent of what he or she would have contributed including - note the Scottish touch - round-trip carfare.

The Mission Board in Edinburgh was surprised to receive from the people of that bombed church twice as much money as the event had been expected to raise.

This true story dramatizes the history of the missionary movement and its perennial challenge. Of course, anthropologists have criticized missionaries for creating a cultural vacuum among native peoples. No record is perfect. On the whole, the record of Missions from St. Paul to David Livingstone and Mother Teresa of Calcutta is one that requires gratitude rather than apology.

The young Churches of Asia and Africa are growing. But, like Churches in Latin America, engaged in struggle for liberty and justice, they count on us for prayer and sustenance such as a "White Gift" offering would supply at this Season. Will we fail them?

We would also be thoughtless were we to ignore the vision, courage and work of the missionary forefathers of Canada. They would rejoice in the ecumenical movement and development of a universal Christian community nowadays!

In 1534, Jacques Cartier planted a large wooden cross at Gaspe. Isaac Joques, apostle to the Iroquois in Ontario, was so mutilated that friends did not recognize him when he returned to France.

Bishop Bompas of the Church of England only once in forty years emerged from his Arctic fastness of the Mackenzie River. In 1840, Methodist James Evans, at Norway House, invented Cree syllabic and "taught birch bark to talk".

As a missionary of the Presbyterian Church, James Nisbet went west in 1866. He founded Prince Albert, opened the first school in Saskatchewan, and pioneered agriculture on the central prairies.

One loving heart sets another on fire. Politicians at Queen's Park have succeeded in removing the name of the Prince of Peace from daily prayers in the Legislative Assembly.

But, once again, a number of Civil Servants will likely gather to sing Christmas carols. I suspect that as they sing "Joy To The World!", at least a few Members of the provincial House will sing with them.

By Joe Rowan

Staff members were a dejected lot following the Santa Claus parade when their efforts to construct a prize-winning float were not looked on favourably by judges. We pitied the 'kids' to such an extent we took time to offer a few prayers that future judges might be more lenient. Guess we must be living right, since our prayers were answered. Answered to such an extent that all three judges at the Chesterville parade last Saturday were "Heaven-sent" (clergymen to you), and all nodded approvingly at the little log cabin. Thanks Reverend Sirs, this week the steady drone of printing machines is obscured by merry laughter. You've literally 'made' their Christmas and we feel sure your 'judgement' will be handsomely rewarded when collection baskets are circulated at Christmas.

Sometimes it is very difficult to define that magic line dividing middle age and senior citizen. Matter of fact it was absolutely impossible last Saturday night when 'our' Lions Club entertained those who have quietly stepped aside to let the world race madly by. While fiddlers ripped off jigs and reels we noted among those tripping the 'light fantastic' such familiar faces as former Osgoode Township Deputy Reeve Tom Stanley, Larry Robinson's proud grandfather Henry, Mrs. Lloyd Moore and Roy MacAndrew, a 'youngster' who used to pick up his mail on a Winchester rural route. The delightful Christmas get-together demonstrated once again that where rural people are concerned there are no age barriers.

Watched Denzil Crowder curl last Saturday evening. Remember Denzil -- the whiz kid with those old Inkerman Rockets? Hockey fans of that era best remember him as the cool, confident puck-chaser whose reckless defiance usually stunned the opposition. Well, by heck he hasn't changed a bit. He applies the same skill, determination and leadership to the game of curling. With the outcome of the final game in an important bonspiel hinging on his last shot, he again displayed that uncanny lack of nerves, and made the shot -- with two centimeters to spare. And don't believe those plate-glass skips who said he was tense. No sir, the reason he tripped over the blue line was because he didn't see it -- and the reason his knees were knocking and his teeth chattering was because of the 'wind chill factor' .....

After reading that Joe Davidson [who doesn't deliver the mail] had listed some 523 'grievances' to be aired or posties will again walk out on strike, we suddenly had an inspiration. Why not air our own grievances? Having listed them we courageously marched into the boss's inner sanctum. Unfortunately his office has two doors. The one we bravely entered -- and the one we were unceremoniously kicked out through. Thought just occurred that the country might be much better off if the Post Office Department gave Joe Davidson the same treatment.

Maybe if you haven't already cut down on the smoking you should read the following letter received by the 'Christmas Seal People' from a concerned child. "Dear Lung Association: My mommy smokes all the time, the smoke gets in my eyes and nose and smells bad. In school we learned smoking can cause terrible lung diseases. I worry about what can happen. Mommy coughs a lot. Please send me your stop smoking booklets so I can wrap them up before Christmas and put them under the tree. Maybe they can help my mommy. Do you think so?" ... We hope so!

Twenty years ago a tragic plane crash claimed the life of a dear brother and his entire family. He had planned to be home for Christmas, but the Master called much sooner than expected. This could be the reason why each Christmas we feel the following lines bear repeating: They were written by our favourite poet Edgar Guest and their message never dims:

Are you going home for Christmas? Have you written you'll be there?
Going home to kiss the mother and to show her that you care?
Going home to greet the father in a way to make him glad?
If you're not I hope there'll never come a time you'll wish you had.
Just sit down and write a letter -- it will make their heart strings hum
With a tune of perfect gladness -- if you'll tell them that you'll come.

This week we salute the efficiency of Osgoode Township's by-law enforcement officer. A man so dedicated that he does his best work while the township sleeps. And we do know whereof we speak -- only last week we paid a $10.00 fine for obstructing the sidewalk between the hours of 1:30 a.m. and 6:30 a.m. Having noticed the abundance of by-laws not being enforced one has to conclude that the courageous law hawk may indeed be an owl -- sleeping by day and roving by night.

Present Dundas Awards At Soil And Crop Meeting

Doug Coons, Winchester, received the Farmer of the Year award last Thursday at the annual meeting of the Dundas Soil and Crop Improvement Association.

The award of merit presented by the Eastern Ontario Association, went to Mahlon Zeron, Iroquois.

Officers were returned for the coming year and one director for each of four townships was elected. Returned to executive positions were: past president, Baden Renwick, Mountain; President, Aurie Cayer, Winchester; Vice President, Bruce Garlough, Williamsburg; and Secretary-treasurer, Tom Clapp, Winchester.

Directors for Matilda Township: Arnold Barkley, Iroquois; Henry Geurkink, Brinston; Don Bielby, Williamsburg; Bill Zan Bergen, Iroquois.

Williamsburg Township: Bernard Brunt, Williamsburg; Denzil Robinson, Williamsburg; Roger McMillan, Chesterville; Glenn Pemberton, Williamsburg.

Mountain Township: Albert Koekkoek, Mountain; Mac Graham, South Mountain; Don Allen, Mountain; Doug Coons, Winchester.

Winchester Township: Carl Smith, Chesterville; Raymond Porteous, Winchester; Stacey Chambers, Chesterville; Jack Durant, Chesterville.

The main objective of the Association is to demonstrate recommended soil and crop practices and to provide information and assistance in developing new practices.

Thursday's meeting, held in the Lions Hall for Senior Citizens, Winchester, included a panel discussion on haylage management with chairman Malcolm MacGregor and panel members Peter Scheepers, Winchester; Martin Verburg, Iroquois; Henry Geurkink, Brinston; and Martin Schneckenburger, Morrisburg.

Following the period allotted for resolutions, Hugh Blaine, Mountain, noted that members should familiarize themselves with the details of the new provincial tax proposals being prepared for presentation to parliament.

Mr. Blaine, who attended the Ontario Federation of Agriculture Convention in Hamilton recently, said the proposals have become controversial in regard to their effect on agricultural land.

"Everyone should have a basic knowledge of the tax reforms," he said, "and individuals should decide for themselves whether they are in favour of them."

Mr. Blaine noted that no definite reaction had been arrived at by farmers and unless some concrete suggestions were soon put forward, the bill would be passed regardless of farmers' opinions.

He suggested all farmers should also become familiar with government proposals on land use planning and income protection.

Farm Machinery Industry Predicts Decrease In National Sales

The farm machinery industry is projecting a decrease in total national sales in 1977 according to John Kessler, secretary-manager of the Farm Machinery Board of Ontario.

Although a slight decline is predicted nationally, the dollar value of sales in Ontario is expected to increase by 2¼ per cent in 1977.

"The overall decrease in sales is not expected to be a dramatic one, but rather a matter of 1 or 2 per cent," said Mr. Kessler.

"But the results of the decline will mean equipment will be more plentiful and machinery sales will once again become a "buyers' market". This will mean more competitive selling and better services for buyers," he said.

Mr. Kessler said one reason for the decline in sales is the trend away from buying new equipment each year. He said many farmers are buying equipment only when it becomes necessary to replace old equipment.

The present uncertainty in the economy is also a factor, he said.

Prices of machinery are expected to remain stable in 1977 but industry spokesmen are predicting a continuation of the trend away from smaller pieces of equipment in favor of larger machines.

The industry is forecasting a 7½ per cent decline in sales of tractors under 80 horsepower and 1976 sales reports show a 7 per cent increase in sales of tractors with more than 80 horsepower. Further increase of 1½ per cent are forecast for larger tractors in 1977.

Because of the trend to larger tractors, pull-type combines, swathers and windrowers are expected to increase in popularity again in 1977.

Russell Youth Stresses Importance Of National 4-H Conference

Jerry Smit of Russell was one of the 4-H members present at the National Conference at Toronto recently.

'Jerry', as he is best known to most 4-H members in this area, reports attending the conference was an invaluable experience.

"I had the good fortune", he writes, "to be one of eight delegates from Ontario and it was an experience never to be forgotten."

The Russell youth stresses the educational value of the meetings and the importance of comparing notes with 4-H members from across Canada and the United States.

Jerry's advice to other club members is simply this: "If you ever have an opportunity to participate in a 4-H program, be it regional, provincial, or national, do so - you won't regret it!"

The Conference was at the Royal York Hotel, Toronto in mid-November.

The formal portion of the program consisted of a series of debates and discussions on food. "Protein of the Future" was a topic debated by Dr. N. Stoskopf, Crop Scientist and Dr. J.B. Stone, Animal Scientist on our future food sources. Both men were from University of Guelph. The following day, Gordon Hill of the Ontario Federation of Agriculture and Charles Gracey of the Canadian Cattlemen's Association discussed with the 4-H delegates whether Canada's Agricultural Markets should be free or controlled. The third area of interest was presented by a group of professors and students from the University of Guelph on "Canada's Role and Responsibilities in Feeding the Third World."

Other activities enjoyed by the 4-H delegates included an evening at a Toronto theatre, the Opening Ceremonies and Horse Show at the Royal Agricultural Winter Fair and a trip to Niagara Falls.

A highlight of the conference was a banquet on Saturday, November 13th which saw over one hundred sponsors and friends of National 4-H activities join the delegates for an evening dinner and program.

On Monday, November 15th the delegates returned to their homes in Canada and the United States.

A good farmer has to be a good businessman.

Today it takes a lot of business sense to turn a farm into a successful operation. So, like any businessman you should have the financial advice and planning services available for making those important decisions.

As your ManuLife representative, I can show you new ways to reduce your tax load, free up more capital for your farm investments, protect your farm from the tax collector through proper estate planning and even help you make provisions for your retirement.

Give me a call and we'll talk it over.

Machinery Storage

Improper storage of farm machinery over the winter can result in costly deterioration of parts, says John Kessler, secretary-manager of the Farm Machinery Board of Ontario.

"Proper storage of machinery is important, especially when the cost of equipment is high," he said.

Leaving a tractor, combine or any machinery in storage over the winter months, without proper preparation, can cause deterioration to chains, bearings, drive belts, batteries, shafts and rings.

Leaves, husks, chaff and dust left inside the equipment over the winter hold moisture and promote rusting of shafts, bearings and sheet metal. Therefore, make sure to clean all equipment and machinery. During the cleaning process, it is advisable to check the machine for worn parts. Mr. Kessler suggests preparing a list of replacement parts needed, so they can be ordered before the next season.

Recognize Highest Producers At D.H.I.A. Awards Night

Saturday evening, December 11th saw members of the Dundas Dairy Herd Improvement Association honoured for their efforts during 1976. Held in the Oddfellows' Hall, South Mountain, the ladies of St. Daniel's parish catered to a smorgasboard turkey supper.

Martin Verburg captured the trophy for the cow with the highest B.C.A. for milk in all Dundas County. Shown above is Dundas Dairy Princess Helen Fawcett presenting the Royal Bank trophy to Mr. Verburg.

Donald Johnston acted as Master of Ceremonies and asked Tom Clapp, Agricultural Representative to introduce those seated at the head table. Among those introduced was Dundas Dairy Princess Helen Fawcett who spoke on the importance of testing cattle for milk and butterfat. Jerry Brugmans outlined what producers should expect in the line of milk quota for the ensuing year, following the mix up in 1976. Mr. Brugmans is the Chairman of the Dundas Milk Committee. Reg Strader (Past Chief Supervisor of the D.H.I.A.) thanked the Association for their invitation to he and his wife to attend the evening.

Following a thank you to the caterers by Ken Carkner, Mac Moffat and Harold Boyce were introduced. Both are fieldmen in the county.

Members above the Provincial Average for BCA were presented with trophies by Jerry Brugmans. Recipients included: Wm. and Kornelius DeJong, John VanDelst, Charles Farlinger, Archie Byers and Coons Brothers. Shields were awarded to Francis Lynch, Ken Carkner, David Jorgenson, Martin Verburg, Wilmer and Hugh Porteous, Henry VanDenBroek, Malcolm Graham and Ranger DeVries.

The Royal Bank trophy, Winchester, to the Most Improved Herd in Dundas East went to Archie Byers; Bank of Nova Scotia, Chesterville, to the Best Record Keeping in Dundas East was awarded Gordon Johnson; Bank of Nova Scotia, South Mountain to Charles Farlinger for Most Improved Herd in Dundas West; Bank of Montreal, Williamsburg to Garry Hoy for the Best Record Keeping in Dundas West; Bank of Montreal, Winchester for the Highest B.C.A. for fat and the Royal Bank, Iroquois for the Highest B.C.A. in milk went to Martin Verburg. These two awards are for competition in all Dundas County.

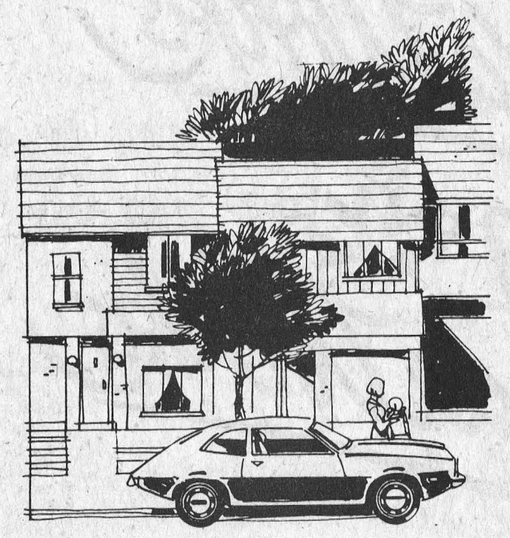
Tom Clapp made presentations of Certificates from the Ministry of Agriculture and Food: In Dundas East for Highest B.C.A. to Wilmer and Hugh Porteous; for the Most Improved Herd to Archie Byers; and Breeding Efficiency to Ken Carkner. In Dundas West Martin Verburg was Highest B.C.A.; Clair Hollister was Most Improved Herd and Breeding Efficiency certificate went to Ted Van Der Sweep.

To make the evening possible, the trophies were sponsored by Dundas Milk Committee; Clement Feed Supplies; Lorne Acres Farm Equipment; Stuart Byers Farm Equipment; Chesterville UCO; Brinston UCO; C and L Feeds; Rooney Feeds; Tibben Equipment; R.S. Allison and Sons; Carl-Don Equipment; Gary Murphy DeLaval; D.L. Berry and Sons; Peter Babcock Surge; Smith Farm Equipment; Edsel Byers Farm Equipment; Derks Equipment; Weagant Farm Supplies; Herve Plant Universal; Summers Insurance Incorporated; Martin Van Sleuven Pickseed; H.E. Saunders and Sons, and Biccum and McIntosh Insurance.

Door prizes were donated by Eastern Breeders Inc., Joy Loucks (Avon), Diversey from Chesterville Co-Op and Bouck's Hill Feeds and winners included Mrs. Hugh Montgomery, Mr. Gordie Black, Mrs. Archie Byers, Mr. D. Hunter, Mrs. Cora VanDenBroek, Mrs. Bill DeJong and Mr. John VanDongen.

Following nominations conducted by Tom Clapp, those elected to the Board of Directors for 1977 were Leonard Streng, Keith Smith, Wilmer Porteous, Elwood Coons, John VanDelst, Ralph Tibben, Donald Johnston and Lorne Byers.

To conclude the eventful evening, the capacity crowd danced to the music of Mrs. Frances Merkley at the console.



Everyone wants to reduce new home costs.

Here's a new report that suggests how it can be done.

Ontario's present urban development standards are among the highest in the world. However, the standards set by our municipalities vary considerably, a fact which in some instances adds greatly to the cost of new housing.

Your Ontario Government believes that realistic development standards throughout the province would lead to continued high quality new housing, but at a lower cost. This case is strongly presented in a new report, "Urban Development Standards: A Demonstration of the Potential for Reducing Costs," issued by the Ontario Ministry of Housing. The report points out how more realistic standards could significantly reduce home mortgage payments, and indicates that adoption of such standards would in some areas lead to more economical use of land, energy savings, reduced pressure on agricultural land, and greater feasibility for public transit.

If you would like a leaflet summarizing the main features of the suggested new standards; write to:

J. Albert Belanger Relates Ontario's Economic Strategy

Recently Ontario's Treasurer Darcy McKeough announced the Government of Ontario's economic strategy for 1977.

This statement outlines three main objectives will be dealt with in the spring when the Government's Budget for 1977-78 will be announced. They are:

1. the increase in total spending should be well below the expansion in the economy as a whole;

2 commitments to local governments must be honoured;

3. operating costs and overhead expenditures should be minimized.

Briefly here's what these objectives will mean in planning Ontario's economic policy for the coming year.

First, Government spending increases will be limited to 9.6 percent. The budget will not be altered to accommodate any new necessities that might arise, rather it will be adjusted so that there will be no additional expenditure.

Secondly, municipalities will receive $330 million, or an increase of 10.7 percent from last year in local transfers.

Thirdly, operating costs and overhead have been kept down to 6.2 percent for the coming year.

For the 1977 fiscal year, the Government of Ontario is allotting $884 million for new programs within the various Ministries.

The Ministry of Health will receive $360 million, which is an 11.6 percent increase from last year. This includes an extra $64 million for home care, extended care and mental health and other special health programs.

Colleges and Universities will receive a 9.3 percent increase from last year, which totals $89 million. Provincial social assistance is allotted $69 million, agriculture programs will receive $14 million. Civil service salaries and interest on the public debt will receive $85 million and $150 million respectively. Programs such as provincial roads and transit, provincial loans and general government support will receive the remaining $117 million.

Also included in the Government's fiscal planning policy is a long term cost reducing incentive.

Thus, effective January 1, 1977, the present temporary exemption from tax on all production machinery and equipment will become permanent. Although this tax measure will cost $160 million a year -- it is hoped that the move will improve the investment climate in Ontario so it can become more competitive with the markets in the United States.

Last, but not least, I think you'll be happy to know that there will be no immediate increases in your personal income taxes.

Planning a budget is not an easy task, especially in these inflationary times. But, to quote Mr. McKeough, the Province of Ontario has "proven consistently tht with the right combination of public policies our inherently strong economy performs dynamically and generates for our citizens a standard of living second to none". It is within this line of thinking that the Ontario Government will "continue to provide the right combination of policies for the people of Ontario".

St. Nicholas Confirms Date

(NORTH POLE) "In response to your request for Santa to make a pre-Christmas visit to your villages, I wish to inform your organization that he can be there at the times stated" — Mrs. Claus.

During the month of December, the old man in the big red suit is very much in demand but enjoys nothing better than chatting with children and handing out bags of goodies.

Such will be the case in Mountain and South Mountain this Saturday. The IOOF Lodge No. 428 has arranged for the annual visit and parade.

According to a spokesman for the committee the parade will form at 1 p.m. sharp at the west limit of Mountain and proceed through the village stopping long enough for Santa to hear the many requests and hand out candy.

The procession will travel to South Mountain where the schedule reads 3 p.m. at the IOOF Hall.

Anyone wishing to enter a float in the parade is asked to contact either Bill Williams or Clifford Ace. To date approximately twelve have shown intentions of entering.

New Community Centre Slate

Greely Community Centre board members held their annual meeting last week when Dick Wells was elected chairman; Harry Beckstead, vice chairman; Anona Lawther, Bruce Straby, Robert D. Randall and two members of the Township Council (yet to be named), Directors.

During the interesting meeting reports were submitted by the following committee chairmen: Entertainment, Gordon Kelly; Recreation, Lester Bradley; Catering, June Quinn; Bingo, Spencer Waddell; Friendship Club, Mel Tomkins; Euchre, Anona Lawther; Decorating, Janet Waddell; Newsletter, Lois Waddell; Youth, Dennis Morand; Constitution, Philip Potter.

Several members volunteered to work on various committees and Mel Tomkins was reinstated as press reporter.

Old Age Pensions Rise Next Month

Increases in the Old Age Security pension, Guaranteed Income Supplement and Spouse's Allowance, effective in January, 1977, were announced last week by Health and Welfare Minister Marc Lalonde.

Increases in Old Age Security pension and Guaranteed Income Supplement payments represent the thirteenth quarterly escalation based on the cost of living, as provided for in the Old Age Security Act.

The new monthly total at the single rate for persons receiving both the basic Old Age Security pension and maximum Guaranteed Income Supplement will be $240.47.

For a married couple, both pensioners, the combination of the basic pension and maximum supplement will provide a payment of $458.74 for the couple monthly.

The basic Old Age Security pension will rise in January to $141.34 from the present $139.39.

The Guaranteed Income Supplement is paid to pensioners whose income, apart from the Old Age Security pension, is limited. The amount of the supplement varies in relation to the amount of income.

The maximum Guaranteed Income Supplement for a single person, or a married person whose spouse is not a pensioner and is not receiving a Spouse's Allowance, will go up in January to $99.13 from its current $97.76. The maximum supplement for a married couple, both pensioners, will increase to $88.03 each from $86.81. Added to the basic pension, this will give each married pensioner $229.37 monthly, or a total of $458.74 for the couple.

The Spouse's Allowance is paid to persons between 60 and 65 years of age who are married to Old Age Security pensioners and meet residence requirements. Entitlement to a Spouse's Allowance, and amount paid, is based on yearly income.

The maximum Spouse's Allowance will increase to $229.37 from $226.20. The maximum Spouse's Allowance is made up of an amount equivalent to the basic Old Age Security pension and the maximum Guaranteed Income Supplement at the married rate.

NEW JOBS FROM COMMUNITY PROJECTS. THINK ABOUT IT.

Canada Works

Young Canada Works

Canada Works is a new job creation program that will be launched in January.

This new year-round program is designed to get needed work done by people not employed in the private sector.

Canada Works will accept applications from groups and organizations including private businesses who wish to develop, sponsor and administer worthwhile community projects. Funds will mainly be allocated to areas of high unemployment and projects will be tailored to special employment needs of your local community.

Canada Works will generate employment for more than 60,000 Canadians who are presently unemployed. Applications will be considered twice a year - in Winter and Summer.

Think about your projects now! Early in the new year, your local Canada Manpower Centre will have application forms and a Canada Works "Guide to Applicants," with full details on the program. Canada Works for your community. Make your worthwhile projects work next year!

A second program is for students. Young Canada Works will create jobs for more than 20,000 students next summer. The emphasis will be on projects of solid community value. It has many of the same features as the year-round program, except projects will be limited to 14 weeks during the summer months.

At the same time, Young Canada Works will enable students to gain valuable work experience and test their career aspirations.

Like Canada Works, your Canada Manpower Centre will have application forms and a Young Canada Works "Guide to Applicants" early in the new year.

So, think about what your organization would like to do for students. Young Canada Works for students in your community.

DON'T LET AN ACCIDENT SCRATCH You Out

there's no future in RECKLESS DRIVING

You Have a Lot of Living Left to Do...

Yes friend, your family loves you. But they do more than that -- they place all their hopes and dreams in your hands when those hands grasp the steering wheel of your car. Oh, yes, driving conditions and winter weather get the blame for most accidents, but we all know the real culprit is the driver who fails to adjust to cold weather problems.

"Too fast for conditions" is all too frequently listed as an accident factor, so it follows you must lower your speed when the road surface is hazardous. Limited visibility is a major problem. A driver who scrapes only a little peephole in his ice-covered windshield is asking for trouble -- be very sure that defroster is in working order.

Also keep in mind that tire inflation should be checked more frequently during winter months since cold weather reduces tire pressure approximately one pound every 5 degrees celsius drop in temperature.

But remember, too, your family is depending on you when they are all at home and you are at the wheel alone.

Weariness is a known killer; alcohol and gasoline just won't mix. Should you have any doubts concerning your ability to drive, call a friend, or a taxi.

Assure a happy Christmas at your house -- BY BEING THERE. And bring continued happiness to your home in the New Year by being a safe, sane, sensible driver -- at all times.

The Fault With Wives

By Bill Smiley

MY WIFE and I had a terrific fight the other night. She's always reading articles and watching television panels. One week it's how you can guarantee that your baby will be a boy (or a girl). The next time it's how to avoid dying in your sleep by positive dreaming.

As you can imagine, some of these topics don't really send me, and she gets quite annoyed when I don't wax sufficiently enthusiastic.

I try to participate in the monologue by reading her one of my favorite articles, something like, "Is The Real John Turner Just a Shy, Humble Little Boy Underneath It All?"

She just retorts, "Who cares?" and goes relentlessly back to her own article, which this week was about battered wives. The article was entitled "Couples That Batter Each Other Matter to Each Other," or something equally ridiculous. Its gist was that married people who fight, even physically, are far happier than those who hold in their resentments and become psychologically warped as a result.

For once I made a stand. I told her, in words to that effect, that that was a lot of women's magazine, soap opera crap. I went on to cite some of our friends who used to batter each other regularly, and are now happily divorced from each other and remarried to non-batterers.

For some reason this irked her. I don't know whether it was the male chauvinistic crack or the fact that some of her friends are happier with a new mate, but she started a fight.

Her article hadn't said anything about battered husbands. I'll draw a veil over the next few minutes, for those with tender sensibilities who have never been hit by a sneak punch from a woman when they weren't looking.

Anyway, when I had picked myself off the floor, wiped the blood from my nose, and locked myself safely in the bathroom, I issued an ultimatum. "If you ever lay a finger on me again, I'm leaving. I'm going home to your father."

Her reply: "Go ahead, you crumb! If you walk out of this house, you'll never get back in. It's in my name. So's the car. I'll clean out our joint account, garnishee your salary, hire a lawyer, and put you on Skid Row, where you belong."

I needn't tell you here that she had recently read some shyster's article about how to go about doing just that to your husband.

I was so mad that I was adamant for quite a while. If there'd been a phone in that bathroom, I'd have called the police for an escort and walked right out of there. But there wasn't.

I ignored her further taunts, all of them on a similarly low, despicable level, and maintained a dignified silence. She calls it sulking. Fortunately, there was a good paperback novel on the back of the toilet, and I was soon absorbed.

She can't stand this. Bitter invective, coarse comments, even bad language rolls off her shoulders. But she nearly goes out of her skull when there's nobody listening to her.

Finally, "Do you want a cup of tea, you cowardly bum?"

I didn't make a sound for a full minute, then grunted, "Maybe. What else?" I meant a full apology and an abject admission of her guilt in instigating the donnybrook.

"And a piece of apple pie," she snapped. "With cheddar cheese." I gave up. How can you reason with someone like that?

"Well, O.K. But no more battering, baby, or I call the cops."

After a while, we had cooled out a fair bit, and she got me an ice pack for my nose. I was willing to forget it, but underneath I was still simmering, and I entertained thoughts of cashing my two $100 bonds the next day, skipping off to the Canary Islands, and leaving her high and dry.

But, like every woman I've ever met, she wanted to "talk things out." That's one of the most disgusting phrases in the English language. Right, chaps?

It was finally decided that we'd each make a list of our worst faults, let the other have a look at the list, then try to do something about it.

I worked away assiduously for what seemed hours, my tongue stuck out of one corner of my mouth. My list went something like this:

(a) too ready to forgive wife; should be firmer

(b) too generous with my children; must be tighter

(c) too fond of grandchildren; must be sterner

(d) complain too much about arthritis; should complain more about hemmorhoids

(e) too ready to see good side of others; must be more realistic.

Well, my list went on and on and on. I didn't realize what a truly rotten guy I was until I started to put it down. My wife finished fairly quickly, and resumed her overt affair with her sewing machine (one of the things that are driving us apart).

Handed over my list. She started to read it with a benign smile. The smile began to curl down on the corners. Her face got red.

"Why, you lousy little cockroach!" she exploded. I didn't point out that she was being redundant.

I'd like to tell you this little marital drama had a happy ending, that it wound up in a clinch.

Well, it did wind up in a clinch. I had her arms so tied up that Muhammad Ali couldn't have thrown a punch in the same situation. So she kneed me you know where.

When I had stopped grunting, and got to my knees, I picked up her list of faults, which she'd thrown in my face as I lay prostrate.

I half expected that she'd write something like, "My only fault is that I don't appreciate what a wonderful husband I have."

It was a little shorter than that. It just said, "None."

Herbert Stevens Pye Dies In 81st Year

Herbert Stevens Pye, 1014 King Street W., Sherbrooke, Quebec, a former C.P. Operator at Winchester Station, died on Saturday, December 4th following a lengthy illness. He was in his 81st year.

His widow, the former Helen Wells was born in Winchester and lived here until her marriage in 1921.

A veteran of World War 1, the late Mr. Pye was Past Worthy Patron, Queen Mary Chapter, O.E.S. No. 5 and a 32nd degree Mason, and in addition to his widow he is survived by daughter Grace and son Norman. He was predeceased by one son, Harold. Also surviving are a brother and sister-in-law: Lewis of Melbourne, Quebec and Mrs. Kathleen Parker, 449 Somerset Street West, Ottawa.

The funeral service was conducted at the R.L. Bishop and Sons Funeral Home on December 7th at 2:00 p.m.

Interment was at Elmwood Cemetery, Sherbrooke, Quebec.

New OFA President To Unify Farmers

"This is the biggest challenge I have ever faced", said Peter Hannam, on his election as President of the Ontario Federation of Agriculture at the OFA Annual Convention in Hamilton, held Nov. 29, 30 and Dec. 1.

"I want to build OFA into an effective lobby. We must pick out a few priority issues - issues that will unify farmers - and concentrate on achieving them. Two such issues might be tariffs and the position of agriculture in the general economy," Peter explained.

Peter will be working full time on OFA - spending five days a week either in the Toronto office or out in the country - except during seeding and harvesting, when he will cut down to two or three days a week. His cash grain farm near Guelph will continue to operate with the support and help of a neighbour. Peter has been farming since he graduated from the Ontario Agricultural College at Guelph in 1962 with a degree in crop science.

"My interest in farm organization and involvement began when I attended a rural leadership forum in 1964" Peter said. Since then, Peter has been president of the Rural Learning Association (1967), president of the Guelph Branch of the Ontario Institute of Professional Agrologists (1968), president of the Wellington County Federation of Agriculture (1973-74), OFA director (1974-75, 1975-76) and 1st Vice-President of OFA (1975-76).

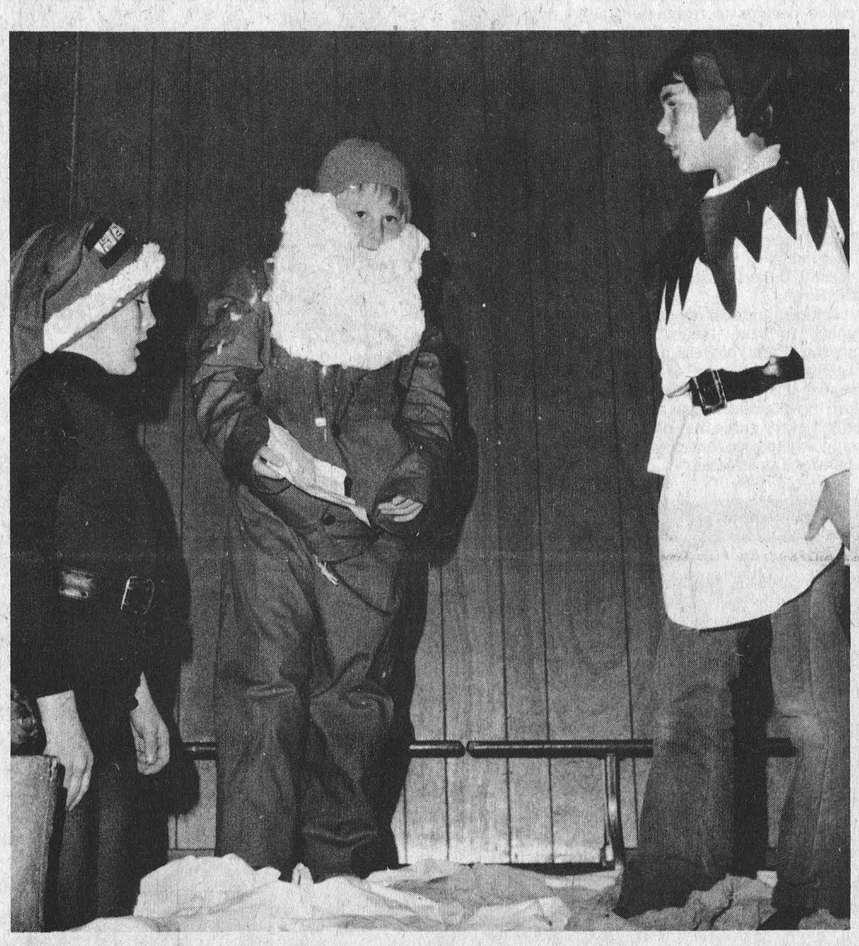
A Christmas Gift For Senior Citizens



Winchester Groups Present Concert For Special Guests

Winchester Cubs, Scouts, Guides and Brownies participated in a joint effort last Tuesday to make Christmas for senior citizens a little brighter.

Each group performed in a Christmas program at Winchester Public School with the senior citizens as their special guests. A nativity scene by the Cubs and Brownies, a play entitled "Candy Canes" by five Cubs, the Tenderpads and Tweenies "Our wishes to you for Christmas", highland dancing, group carol singing, a reading by Scouts and Guides of the Bible nativity story, and the Brownies' presentation of "Light My Candle" all helped to put the audience in a seasonal frame of mind.

The auditorium was decorated with Christmas wreaths during the program as part of a special gift from the Brownies. The girls, their leader Mrs. Tina Savage, Winchester, and assistants also donated a tree with handmade decorations for the Senior Citizens Hall.

The Scouts' gift to the group, organized by leader Ray Van Noy, was the dismantling of the tree, removal of decorations following the program and the return of both to the hall, with the tree completely redecorated.

The Guides, their leaders Mrs. Cathy Fryer, Chesterville, and assistants, presented the senior citizens with a large hamper containing enough food for a Christmas dinner for eight.

Mrs. Jenny Doyle, Vernon, and her Cub group provided the hot chocolate and lunch served at the close of the program.

All costumes used by the young players during the presentation of the various plays were made by Mrs. Jenny Blaxell of Vernon.

Co-ordinated by Mrs. Doyle, the program was reminiscent of an old-fashioned Christmas concert and was thoroughly enjoyed by participants, parents and senior citizens alike.

GREAT HOCKEY CHRISTMAS WEEK

BOB RAMSAY of the CDMHL has just informed me that at last everything is set for a real dandy tournament at the Winchester and District Community Centre starting December 27 and running till December 31. All divisions of the CDMHL will be represented and the teams playing will be from the area, competing in the CDMHL with additional teams from Maxville, Embrun, Pinecrest and McKeller Park. Following is a condensed version of the week's timetable and we trust that you will take a few minutes out of your Christmas schedule and join the crowd at the arena for the best tournament ever presented. The kids appreciate a crowd and the fans will be impressed with the close hockey being currently played in all divisions.

MONDAY, Dec. 27th: Bantam and Juvenile, 7 a.m. to 8 p.m.
TUESDAY, Dec. 28th: Pee Wee, 7 a.m. to 4:30 p.m.
WEDNESDAY, Dec. 29th: Midget, Girls and Girls Championships, 7 a.m. to 8 p.m.
THURSDAY, Dec. 30th: Atom and Atom Championships, 7:30 a.m. to 6:30 p.m.
FRIDAY, Dec. 31st: Championships, 7:30 a.m. to 6:00 p.m.

ARENA CLOSED CHRISTMAS AND NEW YEAR'S DAY

During Christmas Week there will be some changes in the regular scheduling at the arena. There will be no HAWKS game on Friday, December 24 so the arena will be closing early on Christmas Eve and remain closed on Christmas Day. December 26 will feature PUBLIC SKATING from 1:30 p.m. till 4:30 p.m. in the afternoon and it is understood that broomball will continue from 8 till 11 on Sunday evening. All regular minor hockey scheduling will be discontinued Christmas week due to the tournament and WEDNESDAY, DEC. 29 will see a rare mid-week Juniors game when the HAWKS host PRESCOTT. The arena will close following the championships of the tournament at 6 p.m., New Year's Eve and will remain closed until regular scheduling starts on Sunday, January 2nd. If this leaves you thoroughly confused, check the special schedule posted at the arena.

LETTER FOUND IN ARENA LOBBY

Owner can redeem same by contacting office in time for Christmas mail. "Dear Santa: I am a little boy who once played hockey but due to a broken ankle I have had to take up coaching in the Winchester Adult Hockey League. I have tried to be a good boy this year but I find that my popularity with my playmates is disintegrating and I thought that if you could miss me this year and instead bring my little friends some gifts it would make for a Merry Christmas for all. For my friends Donny and Billy please bring two new referee's whistles, faster skates, a bottle of Geritol and anything else you have to help them in these trying times. My little friend Allen would like a new team to replace the one he lost last year, a magic set, a REG and DON doll and a ticket to Australia for his little friend Bobby Carkner. For my mates at the coffee shop new horiscope charts, reams of note paper, pocket computers and a book on coaching analysis. Love Harry."

"**P.S.** I would like a permanent key to number 4 dressing room, a year's supply of rabbits' feet and the Melvin Cup."

Should You Quit A Sinking Ship?

Hawks Lose Games Fan Support Down

(By Al Van Bridger)

Winchester Hawks, who have enjoyed box office success over the past years, are falling apart. Or at least that seems to be what everybody is expecting. Over the past week of play they dropped three straight, Tuesday a 9-4 decision to the powerful Morrisburg Lions, Friday a 4-0 shut-out to Long Sault, and Sunday a 4-1 game in Athens.

So it now appears that fans are ready to sell their team down the drain. Talk on the street is calling for a coaching change. That idle gossip has Coach Dave Armstrong on the brink of resignation. Half of the players, a hand full of management and executive are also rumoured to be ready to abandon ship if the coach goes. If loyalty to coach Armstrong is so strong why don't his charges prove it by playing the way he has so ably instructed them? And at the executive level, why aren't the leaders looking for new methods of attracting the fans who aren't attending the games so faithfully anymore? Everyone seems ready to hit the panic button without taking a look at some of the problems.

Hawks have lost more games than they have won, but, in their last three outings the coach and manager Harry McRoberts have had to ice a team without as many as five veterans and with as many as eight first-year men. Sunday, in Athens, Hawks had to go with 12 skaters, three of those were defencemen. They played without veterans Mike Armstrong (out on suspension), Dave Richards (back injury); Larry Moore (shoulder injury); Len McLean (working) and Dave Cassell. And when things were going bad, newcomer Chris Bradford asked to be released for personal reasons. Injuries also claimed their number one hustler, Jeff O'Neill, in more than one game this season. Jeff didn't dress for Friday's game and could manage only two periods Sunday before the pain in his knee forced him to the sidelines. Now Jeff is likely to be out of action again for some time.

Hawk organizers knew at the first of the season that they would be rebuilding, that their line-up would be made up mainly of inexperienced rookies. Next year will be no better because they will lose at least five more veterans through over age. So why the impatience? Players agree that their coach has probably been one of the best they have ever played for but it all takes time. Can coach, players, executives and fans really expect to be a number one team under those circumstances?

All the Hawks critics have to do is take a look at some of the other teams around the area. In Metcalfe, team co-owner Barry Lee hasn't sold his stock in the Metcalfe Jets even though they sport the worst record in their division. Mr. Lee says that he doesn't really mind as long as it is still fun for the players and they aren't being annihilated by every other team in the league.

Right here in our own division, teams like Prescott, Long Sault and Cardinal are no better off than the Hawks. Prescott is in second place on the strength of one more win and one more point (ten), Long Sault is currently tied with Winchester for third place (each has won four games and tied one for nine points) while Cardinal, always a league contender in the past, is in fifth and last place with eight points. So despite four straight losses, Winchester still has a share of third spot. It is now obvious that the only real power in this Southeast division is Morrisburg. Our brother league to the West is where the power lies. Having to play teams like Kemptville and Gananoque who have each only lost twice in 15 and 14 games, respectively, will always have a demoralizing effect on a team with less scoring punch. To round out the standing in the West division, only Spencerville Bruins are coming close to the leaders, they have eight wins and five losses for 16 points. The other two teams in the division are on the same level as Winchester. Brockville has one more win than Hawks while Athens has won as many but have one less point.

So in the interlocking divisions power is concentrated in four centres, Morrisburg, Kemptville, Gananoque and Spencerville. While the remaining six clubs, including Winchester are going to have to ride out their games with the leaders as best they can and try to pick up points when they play each other.

What's in store? Well, if everyone from coach to executive resigns, things are definitely going to be worse. We've seen that here in other years. If the coach decides to resign for the betterment of the team, that's his perrogative and decision. But why should everyone else throw in the towel? Isn't there anyone man enough to face a coaching change? Coach Armstrong has done a commendable job with the juniors but coaching is a thankless task, particularly when the team isn't winning. Is there anyone else willing to face the same type of criticism when their "behind the bench strategy" doesn't make an instant winner of the Hawks.

Injuries and stiff opposition are going to take their toll this season. Fans, players and management are going to have to realize this. Players in particular will have to realize that an all out effort every game they play is the only way to keep fans coming and save face as athletes.

Additional L.I.P. Revenue For Stormont-Dundas

Stormont-Dundas M.P. Ed Lumley this week announced that the riding will receive an additional $531,000.00 in this year's Local Incentives Program (L.I.P.). This brings the total for the 1976-77 job-creation program to about $1,000,000.00 ($987,000. to be exact), creating almost 6000 man-weeks of work.

Although unemployment in Stormont-Dundas is less than last year this recent addition by the Federal Government in funding to the L.I.P. program substantially increases the total moneys allocated in comparison to 1975-76. This step taken to improve the employment prospects of Canadians in areas of above average unemployment has been made by the Government's program to harmonize the operation of the U.I.C. and Canada Manpower and by earlier legislature changes.

"The doubling of the L.I.P. budget", said Mr. Lumley, "demonstrates once again the government's determination to respond positively to the problem of unemployment in specific areas and to provide a strong stimulus to increased employment this coming winter."

"The L.I.P. program", he continued, "as well as being job-creating, enables public bodies, special interest groups, etc. to initiate projects which they are unable to finance through normal funding."

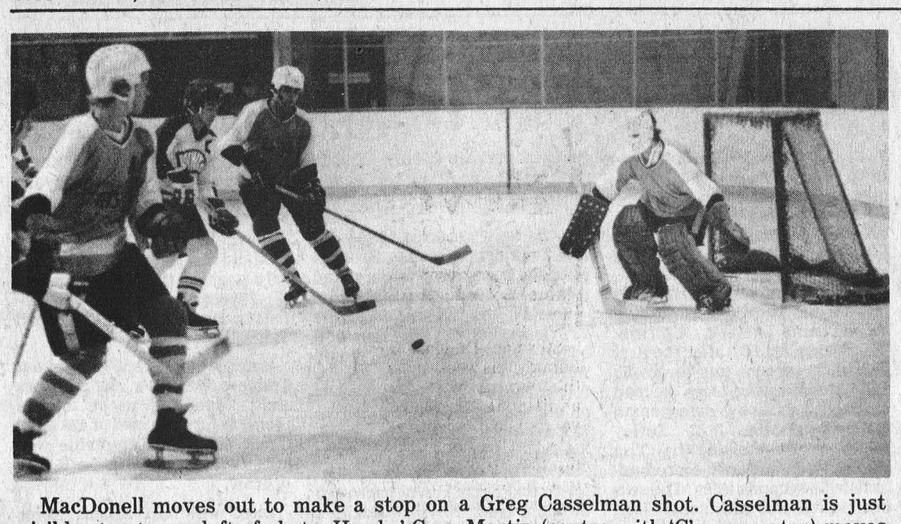
MacDonell Posts Shut-Out Long Sault Blanks Winchester



MacDonell moves out to make a stop on a Greg Casselman shot. Casselman is just visible at extreme left of photo. Hawks' Greg Martin (centre with 'C' on sweater) moves between Pats' Mike Piche (behind Martin) and Geoff McGillis to try for the deflection.

Winchester Hawks have lost four of their last five games and still have a share of third place. Over the past weekend they were shut-out 4-0 by Long Sault Pats and beaten 4-1 by Athens.

Morrisburg has opened up an 11 point difference between themselves and second place Prescott. Morrisburg is on top with 21 while Prescott has ten. Winchester, Long Sault and Cardinal follow with nine, nine and eight points respectively.

In both games Hawks were minus a number of their regular players. Friday night they started against the Pats minus four starters and before it was over they lost another. Sunday in Athens they had to play minus six starters and once again lost another before the game had been completed.

Friday night defencemen Dave Richards and Dave Cassell couldn't dress. It was the same story for forwards Jeff O'Neill and Larry Moore. Halfway through the first period right-winger Mike Armstrong was nabbed for spearing. He got the rest of the game and possibly four more.

Sunday Hawks started there 7:30 game in Athens at a quarter to nine. Referees were a little behind schedule. When the line-ups were finalized, Winchester didn't have six starters in their line-up. Chris Bradford, Dave Richards, Dave Cassell, Larry Moore, Len McLean and Mike Armstrong were all out of action. And after two periods of play captain Jeff O'Neill was out of action, again, with a nagging knee injury.

Friday night's game was an unspectacular affair. Long Sault held just enough of an edge around the net to take a 4-0 decision. Pats led 1-0 after one, 3-0 after two and four zip at the final buzzer.

Winchester was the aggressor in the final twenty minutes holding a territorial edge throughout the period. No matter what they tried they either couldn't get the bounces or Steve MacDonell was there to make the stop.

Forwards Barry Hutt and Phil Meek were up from the minors for the contest. Meek, who is usually a defenceman, had some good scoring opportunities playing the wing position.

Trent Gadbois put Long Sault in a 1-0 lead at 1:44. Rick Currier and Clarke MacDonell got the assists. Rick Ayotte, Pats flashy centerman, blasted two long slap shots past Dan McMartin in the middle frame and Jim Losey scored on a goal mouth deflection in the final stanza to put the game on ice.

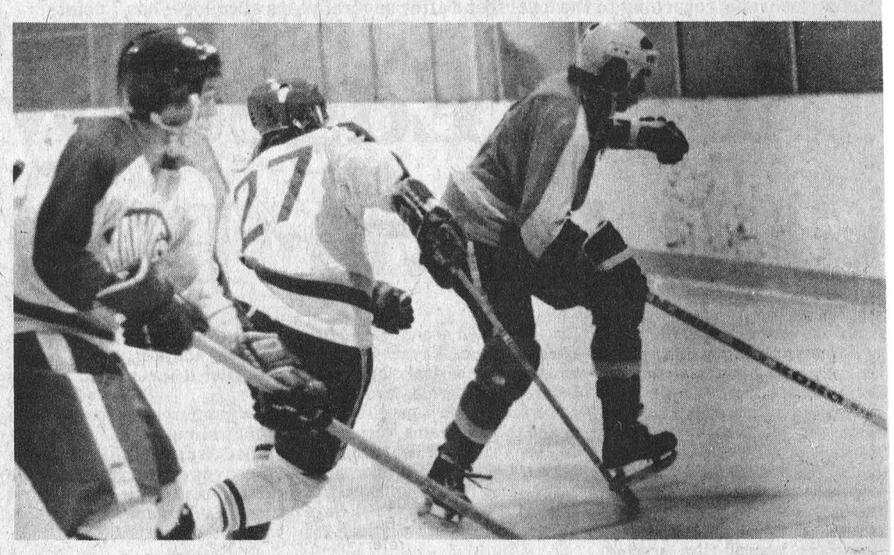
Manager Harry McRoberts had words of praise for his patched-up team in Sunday's 4-1 loss to Athens Aeros. "Once again the boys just couldn't buy a goal", he said. "Greg Martin hit the post at least twice and Al McLean just missed on a real hard shot, but it just wouldn't go in", he continued.

He was pleased with the goal-tending of Marvin Declare who went the entire game. Winchester's only three regular defence men left in the line-up turned in an exceptionally good game. Shane Jordan, Keith and Kar McRoberts were getting some blueline help from Jeff O'Neil until he had to leave the game. After Jeff left rookie Phil Meek took a regular shift on defence.

Aeros led 2-0 after two periods then added another pair before A McLean notched Hawks lone marker. Tim Beach drew an assist on that play. Tom Lynn, Dick Michel, Greg Cassidy and Neil Fitzpatrick were the Aero marksmen.

The cleanly played contest featured only five minor penalties, two to Athens and three to Winchester.

Hawks will have their hands full this weekend when they meet the power of the Southwest Division. Friday night here at home Winchester meets the rugged Spencerville Bruins. Sunday, they travel to Kemptville to battle the first-place 73's.



Hawks' Shane Jordan (number 27) and Tim Beach (foreground) race Long Sault's Paul Meldrum for control of the puck. Pats won the game 4-0 with the help of shut-out goal tending by Steve MacDonell. Long Sault's high flying centreman, Rick Ayotte led the offence with two goals. Clark MacDonell had two assists for the winners.

Despite the loss, Winchester retained a share of third place. Both Hawks and Pats have four wins and a tie for nine points. Press Photos -Van Bridger

Four Early Goals Lead Lions To Win

Morrisburg continued their domination of the O.D.H.A.'s Southeast Division over the past week of play winning three of their four games. Last Tuesday they started their week-long barrage by out-scoring Winchester Hawks 9-4 in a re-scheduled game from October 24th.

Lions are currently eleven points ahead of second place Prescott and 12 ahead of third place Winchester and Long Sault.

Kevin Mackler lead his mates past the Hawks collecting four goals and an assist. Half of Mackler's production was part of a four goal, first period outburst which came in a span of one minute and 20 seconds. With a four goal hole in their game plan, Winchester lapsed into a shell which they could not crack until the third period when they hit for four goals to make the score at least half respectable.

Marvin Declare started for the Hawks, he was their only goal tender when the game started, but got little respect from the Lions who blitzed the Hawks defence for those lightning fast goals. Centerman Bob McNairn started the outburst at 9:19 of the opening frame, when he scored from his right winger Ernie Duvall and goal-tender mark Duvall. Eight seconds after that goal Mackler made it two zip on a play set up by Pete MacIntosh. In another burst into Hawk territory, 20 seconds later, Mackler made it three zip this time from Bill Morrow. Then at 7:59 defenceman Brian Rutley put one past Declaire to all but lock up another two points. Pete MacIntosh drew the assist on that fourth goal.

Declare bounced back with a little more support from his mates to stave off the potent Morrisburg attack until 13:52 of the second period when Bill Morrow combined with Pete MacIntosh and Tim Cassell to put Lions into a very comfortable 5-0 lead.

Behind by five Hawks played to a draw in the final period as each club hit for four goals. Hawks captain Jeff O'Neill fired two past Mark Duvall to pace Winchester's third period offence. Greg Martin set-up both O'Neill markers and fired his 13 goal of the season to boot.

O'Neill ruined Duvall's shut-out 34 seconds into the final stanza when he found the mark after being set-up by Jeff Crerar and Greg Martin. Hawks had their comeback spoiled when Morrisburg hit for two more quick goals to run the count to 7-1.

Mackler was again the marksman when he copied his second period outburst. This time he blinked the red light twice in 34 seconds to put the contest well out of reach. Pete MacIntosh and Kevin Duvall were credited with assists on both plays.

O'Neill gave Winchester their second goal at 10:36 after converting a pass sent his way by Greg Casselman and Greg Martin. Rookie Tim Beach made it 7-3 when his shot eluded Duvall at 6:42. Jeff Crerar and Al McLean made the play on Beach's marker.

Morrisburg came right back with their eighth of the game when Kevin Duvall scored from Doug McNairn.

Greg Martin clicked for what was to be Winchester's last goal at the 3:34 mark when he ripped a Dave Cassell pass into the net. Pete MacIntosh was the second Lion to beat Dan McMartin, who had replaced Declare at 16:21. That goal came from Bill Morrow and Kevin Mackler with 2:09 left to play. That left the score at 9-4 in favour of Morrisburg.

Hawks were without three veterans when they met the Lions in Morrisburg. Keith McRoberts, Larry Moore and Dave Richards didn't make the trip south.

Lions Take Commanding Lead

(By Lynn O'Brien)

So far the month of December has proven busy for the Morrisburg Lions, 6 games in the first 12 days of the month, 5 wins and a loss, that by one goal. The Lions are assured of being in the League Tournament on December 27th to be held in Morrisburg, starting at 9 a.m. Lions will meet St. Isidore at 10:30 a.m.

Lions defeated Winchester Hawks on the 7th in a make-up game from October. Kevin Mackler scored 4 goals and assisted on 1 more; singles went to Bob McNairn, Bryan Rutley, Billy Morrow, and Kevin Duvall. Pete McIntosh chipped in a goal and set up five others.

On Wednesday, December 8th Lions visited the Bruins in Spencerville. They lead 3-1 after the first period and 5-2 after the second. Bill Lawrence gave the Bruins a 1-0 lead early in the period, with Bryan Rutley tying the score at 10:55 on a powerplay assisted by Ernie Duval and Bob McNairn. David Tait with assists by Ernie Duval and Kevin Duvall made it 2-1 at 15:38. Defenceman Tim Cassell assisted by McIntosh gave Lions a 3-1 lead at 19:51. Kevin Duvall and Tait set up Bob McNairn's powerplay goal at 1:36 of the second period. Doug Kennedy gave Lions a 5-1 lead at 2:48 assisted by Jeff and Tim Cassell. Steve Summers scored Bruins 2nd goal, a powerplay at 9:21.

Gary Dukelow narrowed the Lions' lead at 3:02 of the third period. Ernie Duval, assisted by Kevin Duvall gave Lions a 6-3 lead at 7:14. Bruins kept chipping away, with Summers scoring at 16:05 and Dukelow on a powerplay at 19:39. Lions held on for a 6-5 win. Bruins received 13 minors and a spearing and match penalty to Ron Breau. Lions were assessed 10 minors.

Saturday, December 11th Lions travelled to Bronco territory and came home with a 4-2 win. Morrisburg lead 3-0 after the first period. 33 seconds into the game Billy Morrow gave Lions the lead with an assist by defenceman Randy Veinotte. 16.41 Rutley made it 2-0 assisted by Tim Cassell. Bob McNairn scored unassisted 6 seconds later. The second period was scoreless. Doug McNairn assisted by Kevin Duvall and Mike Moran gave Lions a 4-0 lead at 3:24 of the third. Doug Byers scored at 5:30 and a powerplay goal at 18:53 to get the Broncos on the scoresheet.

Lions were assessed 12 minors and 2 majors, while the Broncos received 9 minors, 2 majors, and a game misconduct to Bill Mullin.

Sunday the 12th, Kemptville 73's visited the Lions Den and edged Lions 5-4 in a close game. After a scoreless first period, Kevin Empey and Doug Barnett on a powerplay at 6:31 gave the 73's a 2-0 lead in the 2nd period. Kevin Duvall on a powerplay at 7:44 with assists by Doug McNairn and Ernie Duval narrowed the 73's lead. Kevin Mackler's goal at 10:27 tied the game, with assists by McIntosh and Morrow. Charlie Legault at 11:32 put the 73's in the lead once again. At 12:48 Doug McNairn and Kevin Duvall set up Ernie Duval's powerplay goal to tie the game at 3-3. Charlie Legault gave 73's the lead again, at 15:17, and Peter Ashfield made it 5-3 at 17:19. The only goal in the third came at 19:42 from Ernie Duval, with assists by Doug McNairn and David Tait.

Referee Don Grant handed out 6 minors to the 73's, and 3 minors and a spearing major to the Lions, before a crowd of 426 fans. Gerry Cater of Kemptville won $53.00 with No. 7161 in the ½ and ½ draw.

Lions will host Athens Aeros Friday, Dec. 17th and Cardinal Broncos on Sunday, Dec. 26th, and then play in the tournament Dec. 27th.

Raiders Scoring Power

Three former Metcalfe 'Jets' provide awesome scoring power as Russell 'Raiders' head into the final phase of regular league play.

To date Wayne Reid, left, has picked up a total of 11 points; Don Honey, centre, 12; and Geoff Cochrane, returning to the local scene after several years at college, has 7 points.

Russell Edged By CFB Power Play

Russell 'Raiders' proved rather conclusively last Friday night that shots-on-goal don't necessarily win hockey games. Although out-shooting C.F.B. (Ottawa) 42 to 31 in their best showing of the season, the first place 'Falcons' scored the game-clinching marker with only five minutes left in the game to strengthen their hold on top spot.

Raiders opened the scoring early in the first period on a goal by Bob Woods, but C.F.B. knotted the score before the period ended.

Again in the second frame Russell moved into the lead after only 56 seconds of play when Charlie Linegar fired home a pass from Woods. Minutes later Falcons evened the score but once more Russell moved ahead when Mike Barnhart and Wayne Warnock teamed up to dent the twine. Before the period ended the powerful Ottawa squad stormed in and the two teams were again on even footing to begin the last period.

The final twenty minutes was only 46 seconds old when Gaye Ford gave Raiders the lead for the fourth time with help from Linegar, and less than two minutes later it was all tied up once more.

An interference penalty in the dying minutes of the game spelled disaster for Raiders and a Falcon power play resulted in the winning marker. It was the first time in the game the visitors were in the lead.

Fina, Jo-Anne Yet To Win

Raiders Undefeated In Town League

Harry's Raiders scored four goals in just over three minutes to hand Vice Furniture a 5-4 loss in last week's Town League action. In the second game Jo-Anne Shoppe tied Armstrong Fina four all.

Both contests were wide-open free-wheeling affairs. Playing to a one all draw after the first twenty minutes Raiders capitalized on some sloppy play on the part of the Vice Squad and leaped into a 5-1 lead just ten minutes into the second period. Raiders sent their opposition reeling smashing home four goals in three minutes and seven seconds of the middle frame. That outburst turned out to be the difference as the Vice team managed to regain their composure getting back into the game and narrowly missing a win. With their victory, Raiders remained alone in first place undefeated in five starts. Vice stalled in second place after suffering their second loss of the season.

Jo-Anne Shoppe and Fina each gained their second points of the campaign when they duelled to a four all draw. Neither team has been able to hit the win column yet managing only to tie each other in both of their confrontations. Their game Tuesday turned into a battle of the number 11's with Dick Christie for Fina and Dave Van Bridger for Jo-Anne matching points. Christie has three goals while Van Bridger notched two, including the tying one, and set up a third.

Poor puck handling gave Raiders their fifth straight win in the opening game of Tuesday's doubleheader. After an evenly played first period Vice coughed up the puck four times to allow their opposition excellent scoring opportunities, which they used to the full advantage.

Doug Vasey opened scoring at 12:42 of period one when he cashed in on a break-away. Vasey picked up a Carl Robinson pass at centre ice and beat a Raider defenceman into the net where he fired a high shot over Al Campbell's gloved hand. Raiders tied it at one on Dave Arnott's first goal of the evening. Arnott took a pass from centerman Denis Ouelette and rifled a high shot over Kirkwood's right shoulder.

A parade of costly errors then proceeded to put Vice well behind the eight ball. At 13:44 of period two Denis Ouelette broke the tie when he scored from Tom MacDonald on a goal-mouth scramble. Raiders' Bill Sherwood then fired a hard shot past Kirkwood to make it 3-1. That play came on another break-away just a minute, ten seconds after Ouelette's marker. Sherwood made the play forcing a Vice defender to give up the puck in the center-ice area. A minute and a half later Dave Arnott made it four to one when he cobbled up another errant Vice pass and broke in alone on Kirkwood. A beautiful three way passing play at the 10:47 mark gave Raiders an overwhelming 5-1 lead. This time it was Tom MacDonald putting the puck in the net after being set up by linemates Ouelette and Arnott.

That set the stage for Vice's valiant but unsuccessful comeback attempt. Vice shooters found the mark twice before the second period ended to get back into the game at 5-3. After MacDonald's goal Vice settled down and mounted a strong offensive, controlling the greatest part of the play. Dale Hutt snapped in a shot from just off the crease at 6:56 to make it 5-2. Don Marcellus and Don Swerdfeger drew assists on the goal-mouth scramble. Steve Ault put a rebound behind Campbell before the middle frame ended. Ault shot from almost behind the net for his first goal of the season. His shot hit the back of Campbell's pad and bounced into the net. Brian Swerdfeger and Dale Hutt picked up assists on the play. Vice continued their aggressive play throughout the third period and drew to within one goal of tying it. Lyall Holmes fired a loose puck past a sprawling Campbell after Carl Robinson and Don Wallace had taken turns firing at the goal.

Vice's Glen Taylor came close to tying it up at five with time running out. Taylor made a rush into Raider territory, circled the net, and appeared to have stuffed it behind the goal-tender. Campbell managed to make the save and kept Vice from gaining at least a split.

JO-ANNE SHOPPE 4, FINA 4

Jo-Anne Shoppe and Fina took turns taking the lead in Tuesday's nightcap. Jo-Anne blew into an impressive 3-0 lead after twenty minutes only to fall behind 4-3 with just 8:21 left to play. That set the stage for Dave Van Bridger's very important tying goal, which came with just 1:44 showing on the clock.

Jo-Anne were the clear cut winners of period one beating Bear Johnston for three clean goals. Tom Beck put the first goal on the board at 6:02 when he fired a goal from the slot. Ken Williams and Richard Gilmer made the play to set up Beck's goal. Dave Van Bridger then beat Johnston on a shot from the left side to make it 2-0. Harry Castle and Dave Barnhart drew assists on that play. With a minute to play in period one Garry Howse made the difference three scoring from Barnhart and Van Bridger.

Start of the second period saw Fina's offence take command. Dick Christie and Lee Taillefer went to work for the blue team combining to score all four goals giving their team a 4-3 lead. Christie hit for his first goal on a powerplay at 13:29 while Gilmer was sitting out a minor for slashing. Taillefer engineered that play. Christie hit on another shot from the slot at 6:03. Bill Hutton and Taillefer helped make the score 3-2 before the second period ended. Taillefer then beat Dan Hogaboam with a good shot after taking a pass from Bill Hutton. That goal tied it at three. Two minutes and twenty-six seconds later Christie grabbed off another Taillefer pass and scored to make it 4-3.

Jo-Anne then fought desperately to stave off defeat. Van Bridger came close to tying it while each team was playing a man short. He took a pass from Richard Gilmer at centre ice and beat the lone Fina defender, Dick Christie, only to have Johnston make the save. Than at 1:44 he once again took the puck at center ice and streaked in on a solitary defenceman; this time it was Bill Hutton. Van Bridger made the deek to get around Hutton and face Johnston all alone. He made no mistake this time lifting a shot over the goalie's left shoulder. That ended the contest in a four all deadlock.

Hylands Rink Captures Men's 50th Anniversary Bonspiel

Lorne Friesen, Hylands Curling Club, skipped his rink to victory in Winchester's week-long 50th Anniversary bonspiel last Saturday.

A total of 32 rinks entered the competition and throughout the spiel many games went into extra ends before winners were declared. The spiel was excellently coordinated by Wally Jennings and Jim Toop and ladies served full-course meals to all players on both Saturdays and also a delicious lunch on the Sunday.

All three Division championship games were played early Saturday evening with Friesen scoring a 7 to 3 victory over Metcalfe's Ken Murdock in "A" Division; Winchester's Denzil Crowder edging Maurice Bourbonnais of Buckingham 4 to 3 for "B" honours; and Len Fisher, D.A.R.A. earning a 7 to 6 win over Ken Stubbs of Carleton Heights in the "C" Class. Friesen had Tom Charlton throwing third; Mike McNulty, second and Bob Park at lead. Gord Quaile, Adrian Ross and Daryl Ross completed the Murdock four.

Denzil Crowder, who kept spectators on the edge of their seats when he blanked two ends to assure himself last shot in the last end, had Bill Casselman at third spot; George Bloom playing second and Keith Henry leading.

Len Fisher who captured the "C" award, was backed up by Bill Forest, third; Tim Sample, second and Vic Hultquist, lead.

Following the final games all enjoyed lunch in the club room before prizes were awarded and were reminded that yet another 50th Anniversary Bonspiel will be played in January (8th to 15th). This one will be of the mixed variety and several entries are already in.

Driver Training For Snowmobilers

A very interesting course of instruction for snowmobilers, twelve years of age and over, who want to qualify for a Snow Vehicle Operator Licence, is available in most localities in Ontario. Those who are over sixteen and who do not have a Driver's Licence, may take the informative training program provided by the Ontario Federation of Snowmobile Clubs.

The Snowmobile Operator Safety Training Program, as it has become known, was announced by the Honourable James Snow, Minister of Transportation and Communications, in late September.

Instructors, who have been recommended by their snowmobile clubs, have taken special training for the program and each instructor is registered with the Ministry.

The courses of instruction cover many important subjects that become exciting under the direction of the program's knowlegeable instructors. Students will learn about the components of a snowmobile, how the power train moves the machine and proper maintenance procedures to keep the sled operational. They will be shown the types of clothing seasoned operators wear ... from the inside out. They will be taught the riding positions used for every type of terrain and situation. They will find out how to control a snowmobile under all kinds of conditions and they will be schooled in the courtesy common to responsible snowmobilers.

Instruction courses take about six hours of classroom study. Depending on local conditions, instructors may run a complete course on Saturdays throughout the snowmobile season or they may decide that it is more convenient for their students to attend three evening classes of about two hours each.

The Ontario Safety League recommends the course highly and suggests that those who are interested contact a snowmobile club for additional information.

Metcalfe Ties Glens

Metcalfe 'Jets' and Alexandria 'Glens', once the most feared teams in the now defunct St. Lawrence Junior 'B' Hockey loop, met on Metcalfe ice on Sunday afternoon and skated to a 7-all tie.

Both clubs are in re-building stages and at this point in regular schedule play have been no match for such power-laden clubs as Ottawa-Vanier and St. Isidore.

Metcalfe led 2 to 1 when the first period ended; 6 to 5 after two periods of play and were enjoying a 7 to 5 lead with only five minutes left in the game.

Francois St. Pierre, Glen's speedy centre, was the outstanding star of the game - six of the seven goals including the two third-period markers that earned a tie for his teammates. The other Glen goal was scored by Yvan Desautelles.

Peter Nooyen set the pace for Metcalfe with three goals and two assists while brother Paul picked up one goal and one assist.

Other Metcalfe marksmen were Bruce Carson, Gary Isnor and Carl Carson.

HOME GAME THIS SUNDAY

Although the schedule does not indicate a game this Sunday team manager Barry Lee reports that a schedule change will bring Embrun 72's to Metcalfe this Sunday for an afternoon game.

Aurele Lajoie of Alexandria picked up the 50-50 money last Sunday.

Challengers In Lead

In Challenger League bowling action this week at Ingleside Lanes saw the Imperials increase their lead over the rest of the pack by defeating the Strikers 7 to 0.

In the other contest, the Colts beat out the Chargers 5 to 2.

Male high single of the night went to John De Jong with a 224 score. John De Jong also took high triple honors with a 568.

Female high single was taken by Gail Vanderveen with a 213 while Dian De Jong took high triple with a 479 score.

Standings: Imperials, 47 points; Colts, 39; Strikers, 30; Chargers, 24.

Pete McLeod makes a pad save during last week's 3-0 win over Russell. The Mustang goal tender has chalked up three shut-outs in his team's last five games. Twice he has blanked Russell Midgets, 3-0 and 2-0. The other zero came against Greely, it a 2-0 decision.

McLeod's play has helped his team to climb into third place in the CDMHL Midget standings. Winchester now has 10 points while Chesterville leads with 16. Kemptville has eleven for second spot and Greely is two points behind Winchester with eight. Morrisburg, Metcalfe and Russell follow in the standings.

Hard-Hitting Mustangs On Winning Streak

Winchester midget Mustangs won their third straight game Sunday night in Kemptville when they edged the home-towners 3-2 on Glen Simms' two goal performance. Sunday's victory was the team's fourth in their last five starts and it now looks as if the Mustangs will be tough to dethrone as the Carleton-Dundas regular season champs.

After shutting-out Russell 2-0 then losing by the same score to Greely two weeks ago, Mustangs have since blanked Russell a second time 3-0 and stopped Greely 2-0 besides dumping Kemptville 3-2. In their last four games the midgets have allowed only four goals, those came in just two contests. That statistic says something for Pete McLeod's goaltending as well as the fine blueline work of the defensive corps. McLeod now has three shut-outs in five games.

Last Tuesday in Russell Mustangs blanked their opposition for the second consecutive game. McLeod had the shut-out as three of his mates shared in the scoring. Dave Coleman started his team enroute to their 3-0 win when he completed a play started by Glen Simms. Simms continued to hold his hot hand when he fired home a Dean Williams pass. Wade Levere made it three - zip when he blinked the red light. Defenceman Terry Cross engineered that final scoring drive.

Mustangs continued to play shut-out hockey the following night, Wednesday, when the rugged Greely crew came to town.

Winchester played a very aggressive, hard hitting brand of hockey in order to get by Greely. In previous meetings between these two clubs, Greely out-hit Winchester and gained the advantage with their rugged play. Wednesday night, coaches Doug Vasey and Larry Berry had their boys tuned into Greely's style. Mustangs were successful in out-hitting and out-hustling their visitors and it paid off in an important 2-0 win. Referee Clint Coleman was called upon to assess 11 minor penalties in the hard hitting affair. Greely was called on six infractions while Mustangs were short-handed on five occasions.

Mustangs' "Big" John Cooke put his team into a 1-0 lead at 9:45 of the first period when he blasted a hard shot from his blue line position past Greely's Glenn Bush. Forward Randy Docksteader had fed Cooke a perfect drop pass to set up the goal. Mustangs got the insurance marker from Dave Coleman's stick at 9:55 of the final period. Coleman finished a play started by right winger Dean Williams and defenceman Paul Gibson. That left the final at 2-0 in favour of Mustangs.

Win number three was a 3-2 decision over the talented Kemptville midgets. Kemptville had taken the first game with Winchester by a similar one goal margin; so the tight play between the midget division entries continues. To this date no one team is dominating the standings as each team is capable of winning on any given night.

Mustangs held leads of 1-0 and 2-1 during each of the first two periods but in each case Kemptville tied it up before the frame finished. Glen "Rocket" Simms paced Winchester's attack with two goals, one was the winner at the one minute, 35 second mark. Doug Duncan had the single.

Simms opened the game's scoring when he streaked in on the left side and ripped a hard shot past Kemptville's Chris McIntyre at 3:24. Simms goal was unassisted. Kemptville tied it at one on Kevin Byrd's goal. Art Evans drew an assist on the play.

Winchester took the lead at 2-1 in the middle frame when Doug Duncan knocked down a clearing pass in the opposition's end and fired a whistling slap shot into the net. That goal came with Kemptville's Ted Rintoul sitting out a minor.

Rick Milne put his team back into it two minutes later when he beat Pete McLeod on a pass from Ted Rintoul.

That set the stage for Glen Simms to score the winning goal with 1:35 showing on the clock. Simms got the goal when he lifted a Dave Coleman rebound into the Kemptville net.

Seaway Begins Holiday Activity

On December 22 the Grade 13 homeroom is putting on its annual Christmas Assembly. From secret sources it has been heard that there are going to be a few skits and our literary people are writing original Seaway Christmas carols. Each grade level is also going to be given an area in the school to decorate for the holiday season. A turkey dinner will be served at Seaway on Monday, December 20. The price is $1.75. On Wednesday, December 22, Sweet Water will be performing at the Christmas Dance. The cost is $2.00 per person or $4.00 per couple if tickets are purchased before December 17, or $2.50 and $4.50 after.

Student Teachers

Twice a year, for two-week periods, some students from Queen's University Faculty of Education come to Seaway to practice teaching. At present Mr. George Hines is practicing with Mr. Hardy's English classes and Mr. Robert Lavoie is practicing with Mr. Labelle's Technical classes. Three things happen as a result of this practice-teaching: the student teachers develop skill and confidence; Seaway receives certain new ideas; and the student teachers carry the image of Seaway with them, back to Queen's, and elsewhere.

We would like to congratulate Mr. McAllister, the Head of our French Department, on his recent election as councillor in the Village of Iroquois. Mr. Hardy has joined the School Committee.

"Happy Days" 1909

It's highly unlikely, in to-day's complex educational system with sprawling halls of learning and a myriad of school buses, that students could envisage a day when one teacher taught all subjects in all three grades (or forms as they were called in those days).

Such, however, was the situation when the accompanying photo was taken in 1909 at Metcalfe.

The photo was very graciously loaned to the Press by Mrs. William Cowan, the former Ida Comrie, and that's her at the extreme right in the centre row.

Some of the young students pictured are still in the Press reading area, and of course several have passed away. Most of them, however, have descendants who should find the picture a delightful conversation piece during the Christmas season when families are united and recall tales of days gone by.

The 'High School' at that time was a one-room brick structure adjoining the two-room Public School. The entire building was demolished several years ago to make room for the present Public School.

Centre row, left to right: Josie Sully, Mamie Kennedy, Anna Gillissie, Violet Sully, Eva Rolston, Ida Comrie.

Front row, left to right: Annie Mullins, Mabel McVey, Fannie Wallace, John R. Pickering (teacher), Minnie Wallace, Gertrude Bouck, Ena Waddell, Ella Rolston.

Mr. and Mrs. Delbert Casselman and Mrs. James Herriman called on Mrs. T.J. Keyes at Winchester on Monday.

Mr. and Mrs. Percy Froats of Kingston visited Mr. and Mrs. Ray Casselman recently.

Miss Grace Myers of Ottawa called on friends here on Sunday.

Miss Loretta McIntosh spent the weekend with Miss Lori Whittaker at Morrisburg.

Track Team, Curlers Win On Weekend

Saturday, December 4 was an important day for the people involved in sports at North Dundas; for example, the North Dundas Schoolboy Curling Team, composed of Shaun Gates, lead; Phil Meek, 2nd; Stuart Simpson, Vice; and Doug Crowder, skip; won both of their games at the Smiths Falls Bonspiel. They beat Kingston 10-6, and a tough Brockville Collegiate team 6-4. Also, a track meet was held at Ottawa on Saturday. Rose Hauch, Julie Holmes, Kathy Workman, Larry Erwin, Martin Little, and Dave McIntosh all gave fine performances.

We are happy to say that our Senior Girls' Basketball Team left for Sarnia on Wednesday, December 8. There they will compete with other basketball teams from all across our province. This is a great honour for our school, and our hopes are with them for a good result. Results from this tournament were not known at press time.

Our Midget Girls' Basketball Team was also in action this past week. They played at a tournament on Thursday, December 9 at Cornwall, and gave a good showing, but unfortunately they lost out in the semi-finals against Tagwi.

On Thursday evening, a circus came to North Dundas, sponsored by the A.A. There were magicians, jugglers, and other interesting acts which made a fine evening of entertainment for young and old alike.

Seaway Intramural Sports Run On House System

Seaway's intramural sports are run on a house system. Since many people do not understand this system, we will attempt to explain it. Students in grades 10 to 13 belong to one of the following houses: red, green, gold or blue. Intramural sports are organized and house members represent their respective houses for trophies and prizes. School activity points are awarded to championship teams, and these points go toward a school letter. The grade 9 students are not participating in the system this year. In an attempt to get the younger students more involved, a separate program was set up for grade 9's under the able direction of Mr. Don Fairweather. At the end of the semester there will be a grade 9 draft. Each house will draft members from the grade 9 class in order to strengthen itself.

It is the goal of the Athletic Associations to make the programs succeed. In turn, the participants meet new friends, learn how to play sports and develop good sportsmanship.

BASKETBALL

Seaway Jr. Spartans defeated St. Lawrence Saints in the first league game of the season 39-34.

Seniors were defeated 64-34 by St. Lawrence.

Nationview Uses Bursary Fund

In 1970 the Student Council of Nationview Public School decided to build up a self perpetrating fund which would be able to pay bursaries to graduates of Nationview Public School.

This is the first year that graduates of this school have gone on to post-secondary education.

There were a number of applicants because there are no limiting factors to the fund. It would be open to any form of post-secondary education - from an apprenticeship to a university programme.

The Bursary Fund's first two recipients are Miss Cornelia Ann DeVries, R.R. 1, Williamsburg who is registered at St. Lawrence College, Cornwall Campus, in Early Childhood Education, and Jack Hoogenboom, R.R. 3, Mountain, who is registered at Niagara College of Applied Art and Technology at Welland, Ont. Jack is studying Horticultural Technology.
