Bezanson makes clubs to fit your game

By Derek Puddicombe

GREELY — Al Bezanson's philosophy about golf is "don't let your clubs handicap your game.

About six years ago Bezanson, a Greely resident who retired from the public service last May, didn't want to wait and decided what to do after he retired... he doesn't like to sit around and wonder. So he put a few ideas on paper, did some mental analysis and after a few weeks came up with the job he thought he would like and would make him a bit of money.

Having spent most of his working life with computers he wanted to do something different, hopefully something that involved his hands. Also at this stage in his life he didn't want to invest a lot of money to get his new idea up and running. He tossed around a computer repair business. No deal. A bicycle repair operation. No way. Maybe furniture refinishing. Uh Uh.

After a lot of thinking and research what eventually made the top of his list was making custom fitted golf clubs. Bezanson said fate solidified his decision. Two weeks after he thought he was 100 per cent comfortable with his decision he got that extra 10 per cent. When he received a flyer in his mail box advertising Doing Business in Golf Business, aimed at makers of golf clubs, he went to Toronto where he met 50 golf club makers.

"That's when I knew this is what I'm going to do," said Bezanson. That's what did it and he's looked straight down the fairway ever since.

He started his business in the basement of his home and after four years of watching his business double each year he finally built a shop, Al's Clubhouse, in his backyard, two summers ago.

When he started he knew nothing about making golf clubs. He'd regripped a few of his own and tried to make one or two but admits it wasn't a good job.

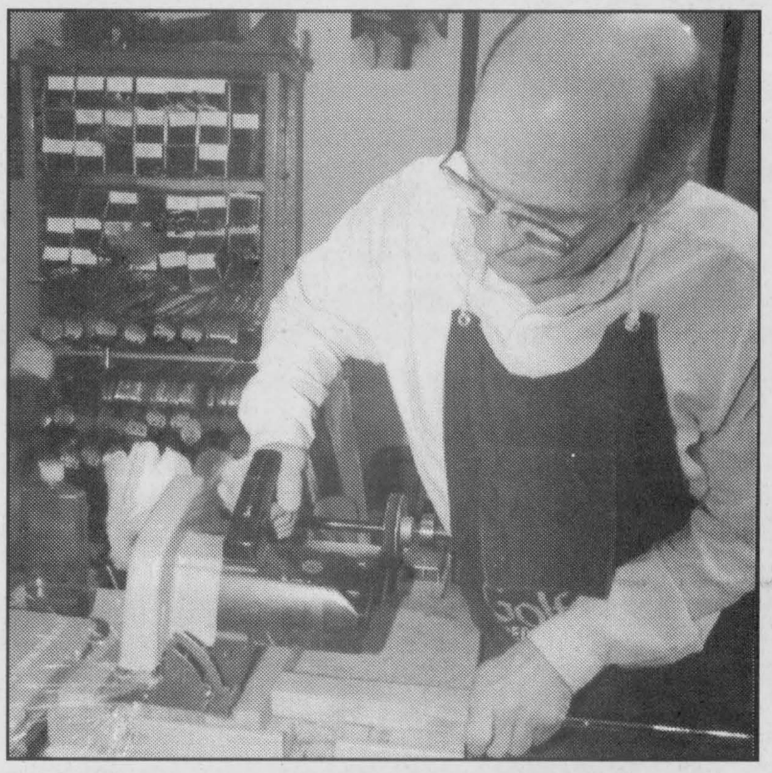
To make sure he understood what his customers wanted once they started walking through the door he went on a quest to become comfortable with every aspect of the science of making clubs. He also travelled to Austin, Texas attending a golf club making accredited program.

He golfs so he knows a little about the game. Although he admitted he's not a great golfer, he loves the game.

Before he custom fits any club, Bezanson's clients go through a fitting process. They fill out a form which describes to Bezanson the type of golf game his client plays. He analyzes his/her swing and measures club speed Making a custom fitted set of clubs from scratch takes, if materials are in stock, about two days. If anything has to be ordered it could take three to four days.

Bezanson will also adjust an existing club if his customer is not comfortable playing with a particular club. He does that by shortening or lengthening a club.

And he said he has no problems guaranteeing his work, but quickly added that he does not guarantee his customers' handicap.



Al Bezanson at work on a project in Al's Clubhouse in Greely.

Bezanson also enjoys refinishing clubs. While in his shop during the interview a customer from Almonte arrived with a club that belonged to his wife's father who had passed away. Adrian Foster told Bezanson the club had a lot of sentimental value to his wife and wanted it refinished. Foster has had Bezanson make clubs for him.

"The key is it's something that has been made for you and you end up with something comfortable," said Foster. "He makes it suit your needs."

What is most satisfying to Bezanson is when he hears from a client who is with a product he has made with his hands. And that it may have improved the golfer's game.

"There is nothing more enjoyable than having someone call and say that their clubs are working miracles," he said.

OPP for heart

A team of OPP officers and NDDHS staff combined to edge a senior co-ed team of Devils in an exhibition basketball match last Friday. The final score indicated a 48-44 win for the police squad. The game was part of a Heart and Stroke Foundation fundraising campaign which took place at NDDHS. Members of the winning squad included Jevon Groves, Chris Wicke, Dean Cahan, B.J. MacDonald, Joel Doiron, Al Lummiss and Brian Sammuels. Press Photo — Van Bridger

Area golf courses in swing of things

METCALFE — They've cleaned up some of the broken branches, area golf courses have emerged from last January's devastating ice storm in great condition, thanks to an early dry spring.

A survey of four area public and semi-private courses... Manderley, Metcalfe Golf and Country Club, Emerald Links and Poplar Grove, reveal that an early warm season has helped courses recover from the ice storm nicely.

"We had, like everyone else, a fair amount of tree damage but our crews have done a super job of cleaning up," said Ernie Fern, owner of the Manderley Golf and Country Club.

"As far as greens and tees areas, they came through quite well. We had just one temporary green."

In fact the only change to the course is its pro shop located in the parking lot area in the building at the front.

"Obviously it was really nice to get the early spring. This course dried up so quickly."

Between five and 10,000 trees have been damaged at the Metcalfe course, where crews have been working on the clean-up since mid-February, said manager Bob Howell.

Roughly 75 per cent of the broken branches and downed trees have been picked up, which still leaves quite a bit of work. Fortunately the course didn't lose any of its signature trees.

Howell reported a layer of snow was on the greens and tees so the ice didn't do that much damage, "so we were lucky in that sense."

Pat Winges at Poplar Grove Golf Club said the damage among the trees was "actually not too bad" considering poplars were most heavily hit. "There was some brush to clean up."

Winges also reported there was no damage to tees or greens.

Gib Patterson at Emerald Links took the ice storm damage in stride.

"We have no problem with Mother Nature. We've lost grass before and this year we didn't lose any grass. The only problem is we had a lot of branches to clean up."

Patterson said golfers have reported to him that the course is in better shape than it has been in years.

Emerald Links has adopted the "soft spike course" policy this season which means the greens won't get tired around the flag stick.

Razors, Chicos register first wins

WINCHESTER — The Razor's Edge and Chicos turned in winning performances here last week as the 1998 edition of the Winchester Men's Roller Hockey League opened.

Dennis Herbison starred for Chicos, scoring six time and drawing one assist in a 12-6 decision over Beehler's Buzzards.

Rob Casselman was the offensive spark in the evening's opening contest, scoring three times and drawing an assist in the Razor's Edge 8-1 verdict against Rene's Rams.

Jeff West was the only goal getter as the Rams went down by an 8-1 count to the Edge. His marker came with the game out of reach at 14:39 of the final frame.

The Edge led 2-0 after a period and 5-0 after two. Gene McInnis opened the season scoring the Edge's first goal on a play manufactured by "Razor" Rob Raistrick and Rob Casselman at 9:07 of period one. Raistrick then teamed up with Derek Howell and gave his team a 2-0 lead at the 6:58 mark.

A new Winchester Roller Hockey League campaign glided into action last Thursday. The Razor's Edge sliced off an 8-1 win over Rene's Rams in game one while Chicos doubled Beehler's Buzzards 12-6 in game two. Photo: Craig Halpenny (left) and Rick Hess of the Buzzards in action against Chicos. Press Photo — Van Bridger

A three-goal second period put the game into the books for the Edge. Rob Darling cashed in an Ed Byvelds feed at 11:52 for a 3-0 count. Byvelds then assisted Casselman who made it 4-0 at 6:50. An unassisted marker by Raistrick 0:23.2 before the buzzer inflated the difference to 5-0.

Jeff West scored the lone Rams goal at 14:39 of period three but 5-1 was as close as it would get.

Darling (assisted by McInnis) hit at 10:15. Casselman was able to slap in a pair of goals in the final two minutes (assisted by McInnis at 1:44 and by Howell at 0:02.6) to drive the final total up to 8-1.

CHICOS 12 - BUZZARDS 6

A slow start cost Beehler's Buzzards. Down 5-0 after 15 minutes, the Buzzards never quite recovered and wound up on the short end of a 12-6 score.

Dennis Herbison keyed the early attack, scoring three consecutive goals to put Chicos up 3-0 with 3:07 left in the opening stanza. Shawn Blanchard then jumped up into the play and pumped in a pair (2:15 and 0:48.3) to give Chicos a solid 5-0 first-period lead.

Herbison cashed in three more goals in the second stanza and his mates Jamie McIntosh and Blanchard snapped in singles to make it 10-3 after two.

The Buzzards outscored their opponents 3-2 in the final frame but lost by six, 12-6.

McIntosh with his second and Blanchard with his fourth of the game completed Chico's scoring. Scott MacKinnon (4), Brian Shaver (2), Kevin Dalrymple (2), Blanchard (2), and Herbison all picked up assists.

Rick Hess and Matt Humphries each scored twice for the Buzzards. Craig Halpenny and Russ Brown each found the net once. Scott Diegal (2), Mike Dawson, Brown, Halpenny, Hess and Dave Beehler set up the scoring plays.

First losses drop Devils from top

ALEXANDRIA — In one afternoon the NDDHS Senior Devils were knocked out of contention for first place in the SD&G "AA" high school soccer standings.

The Char-Lan Crusaders broke up a 1-1 tie and edged the Devils 2-1 in game one of the doubleheader, played here at Glengarry District High School last Friday (May 8). The host GDHS Gaels then ran to a 3-nil decision over the injury-riddled North Dundas side in game two.

"It's too bad one day can make such a difference in your record," offered senior co-coach Tylor Copeland. "We went from 3-0-2 to 3-2-2 in one afternoon."

Copeland and co-coach Evan Porteous figure their team must win today's (Wed., May 13) final two regular season (home) games against St. Lawrence and La Citadelle to finish either second or third.

"We really don't want to finish fourth. That would mean we would have to probably play Glengarry again and we really don't want that," he offered.

In spite of losing 2-1 to Char-Lan and 3-nil to the Gaels, Copeland reported the Devils played some pretty good soccer last Friday.

"I think the girls were a little in awe of both Char-Lan and Glengarry but both were close games. Jada McNaughton scored our goal against Char-Lan and then got hurt. It makes a difference when one of our best defenders isn't playing."

In fact, the coach noted the team had three of its defensive crew missing from the Glengarry match.

The Gaels stretched their overall record to 10-0 with their 3-nil win over North Dundas and a 4-nil win over CCVS.

Kamy Calvank blanked the Devils while Lauren MacPherson netted a pair and Abbey MacGillivary the single goal.

Shonna Atchison and Jessica Leroux scored for Char-Lan in the 2-1 win over North Dundas. Atchison then booted in all four goals as the Crusaders shutout CCVS 4-nil.

JUNIOR DEVILS

The North Dundas Junior Devils met the same fate, losing 5-nil to Char-Lan and 7-1 to Glengarry.

"We were down 2-1 to Glengarry at the half. But our starting keeper, Emma Guy, injured her leg and had to leave the game. Glengarry then came right after her replacement, Jessica Emon and won 7-1," offered junior mentor Kevin Bell.

Jen Catellier recorded the lone North Dundas goal of the afternoon.

The double losses dropped North Dundas's junior record to 2-4-0. Their victory improved Glengarry's record to 3-0-0 and left them on track to win the school's 20th consecutive SD&G "AA" championship.

The 1998 Chesterville/Winchester Ladies Ball Hockey League season opened last week with a match between the Raspberry Turnovers and Forest Green. Solid goaltending by Roxanne Backes (Raspberry) and Elaine Teplate (Green) left the two teams knotted in a scoreless tie. Lime Green posted a 5-3 win over the Pink Flamingos in game two. McInnis powers Lime to league opening win

CHESTERVILLE — Camille McInnis scored three times leading Lime Green to a 5-3 victory over the Pink Flamingos here last Thursday.

McInnis scored the first three Lime Green goals and teammate Linda Klein-Swormink potted the last pair in a 5-3 victory on opening night of the 1998 Chesterville/Winchester Ladies Ball Hockey League season.

The first game of the twin bill wound up scoreless as Raspberry Turnover goalie Roxanne Backes and her counterpart, Elaine Teplate in the Forest Green cage, played flawlessly.

The Flamingos opened scoring at 12:30 of period one when Kelly Durant tucked a feed from Sheena McBean into Angela Rochon's net but Camille McInnis tied it up at 8:30 scoring from Cindy Merkley.

McInnis then used a pass provided by Lori Dubois 1:40 before the end of the period to put her team up 2-1 after one.

Durant netted her second goal completing a play engineered by Monika Herfkens at 8:40 of period two to tie it up 2-2.

McInnis then completed her hat trick at the 6:30 mark finishing off a play started by Merkley and Dubois. The goal put Lime Green up 3-2.

The difference went to 4-2 1:50 before the end of period two when Linda Klein-Swormink scored unassisted.

Pink closed the gap to 4-3 when Kerry Kennedy connected on a play set up for her by McBean with 10:00 left in the game but a second unassisted marker by Klein-Swormink at 2:05 opened up a 5-3 lead for Lime Green and put the game out of reach.

Sonics seek soccer net keeper

WINCHESTER — The Sonics are looking for a keeper. Not necessarily a sponsor to foot the bills, although team spokesman Gary Streng wouldn't turn down such assistance.

What the Cornwall District Soccer League Division I club is looking for some help at the goaltending position.

Streng reported long-time keeper Dave VanBruinessen is back for another campaign but his knees are giving him problems and he and the Sonics would like to locate someone to share Winchester's netminding duties.

"Dave is coming back but he is hurting. He would like to have someone to share the goaltending. What we are looking for is a Division I calibre keeper. Or someone who has at least played in Division II," Streng explained.

Winchester will open the new campaign in Williamstown on May 24 when they will challenge the powerful Char-Lan I side. Streng said the final version of the new schedule hasn't been finalized so he isn't sure when the Sonics will host their first home game at North Dundas District High School.

Streng reports most of the Sonics will be back for the 1998 season with three exceptions. Long-time team members halfback Trent Antille and fullback Steve VanBruinessen have decided to hang up the cleats. Outside left forward Lee Schwerdfeger is the other man to retire.

"We have had some younger guys out to practices and are looking for some younger legs at the forward position... especially outside left. We are always looking for some help on offence," Streng added.

Winchester, according to Streng, can once again count on veteran scoring leader Doug Winters to supply some of the team's goals. A new face on the Sonics' forward line who can supply some speed at moving the ball is forward Doug O'Connor.

Anyone looking for information about the Winchester Sonics Soccer Club can contact Gary Streng at 448-3119.

Racing season begins Sunday

CORNWALL — The 1998 DIRT racing season at the Cornwall Motor Speedway is ready to begin with more thrills and excitement for racing fans.

Drivers have been gearing up since the last race of '97 and will be in all classes... rookie, duke stock, late model and modified, vying for over $25,000 in payouts. As usual, Cornwall provides plenty of racing entertainment putting on no less than five special shows including the Coca-Cola Sprint Car Spectacular, The Budweiser and Quaker State Super Dirt Series races, the J.R. Fuels/Bear's Den Holiday Classic, and the Jiffy Muffler 100 which will end the season in September.

A 358 modified field that includes the O'Briens, Pat and Danny, Dave Heaslip, Laurent Ladouceur, Marco Potvin and Luc Potvin has been complemented with the experience of Rick Wilson, Todd Burley and the father/son team of Ovide and Joel Doiron. It is the 40th year in racing for Ovide Doiron. Lending depth to that roster will be many quality upstate New York and Akwasasne drivers.

This Sunday, May 17, is Discount Car and Truck Rentals Night Opening Night - Twin 20's for modifieds plus a complete racing program. Rain date is May 24.

Admission is $8 with kids under 12 admitted free when accompanied by an adult. Racing begins at 7 pm. For more information call Cornwall Motor Speedway at 613-938-3945.

In Memoriam

CROWDER — In loving memory of a dear husband and father, Wilfred, who passed away May 17, 1985.
Fifteen years have come and gone
Time and life marches on.
Memories fade with time they say
If so, time has stood still
But, if tears could build a stairway
And memories build a pathway
We would walk down that ribbon
of highway to Heaven
To bring you back again.
If love could have saved you
You never would have died.
But all we have are memories
And pictures in a frame.
— Always remembered by wife Ruby and family Ray, Sandra and Connie-Gail.
7

KOEKKOEK — In loving memory of a wonderful mother and grandmother, Hendrika, who passed away on May 18, 1994.
Nothing can ever take away
The love a heart holds near,
Fond memories linger every day
Remembrance keeps her ever near.
— Always in our hearts, Bev, Karen, Eileen, Ann and families.

The Utility Operations of OCWA will be conducting scheduled maintenance of village fire hydrants. This program is designed to ensure that our hydrants will be ready if needed by the Fire Department.

The hydrants are inspected for proper operation and their flow capacities are checked. This maintenance procedure is routine but may result in some temporary minor inconveniences such as reduced water pressure or "red" water.

IF COLORED WATER IS DETECTED

1) Please open your COLD water taps to clear the system.
2) The colored water is not hazardous to health.
3) This situation is temporary and should last no longer than two hours.

Russell to kick up heels at jamboree

RUSSELL — The "Big One" is coming to the Russell Arena.

The 19th Annual Ottawa Valley "Country-Western" Jamboree will be hitting the village on Sat., June 13.

Beginning in 1980 as a party for "Fiddle Club" musicians, this gathering has blossomed into a full-fledged jamboree which has raised over $36,000 for some very worthy causes.

The Arthritis Society of Ottawa, CHEO, University of Ottawa Heart Institute, Canadian Guide Dogs for the Blind, Canadian Diabetes Association, Children's Aid Foundation, the Canadian Cancer Society, the Rotary Home for Handicapped Children and this year, the Hemodialysis Unit at the Ottawa General Hospital will have all benefited from country music lovers working toward a common goal — "Helping those in need."

It's a lot of hard work, with a jamboree committee of 14 representatives from four of the Valley's fiddle clubs, but everyone 'kicks up their heels' at the jamboree. Shifts of security personnel, ticket sellers and program organizers all get an opportunity to join in a few square dances or watch their children or grandchildren step dance between shifts. The ambiance in the Russell Community Centre is up and jumping with jigs and reels and excited children waiting for their turn to perform. Some of the musicians and vocalists are as nervous as the children — all wanting to do their best for the Hemodialysis Unit patients.

Every year, one fiddle club acts as lead host club and spearheads the marketing and promoting of the event. This year, the Vernon club put in an great effort with the help of their executive committee, club members, the jamboree committee and the unrelenting efforts of all the other clubs. RV parking is available all weekend and a fabulous new stage backdrop has been built.

Osgoode past-president Eugene Gorgichuk is actively involved in organizing country music events throughout the Ottawa Valley for charity and adds that "the participation of community businesses plays a major role in helping us reach our goal."

Ormes Furniture and Startop Furniture donated a La-Z-Boy chair valued at over $500 to be drawn from ticket holders purchasing their $6 tickets prior to June 13.

Greely Print and Copy and Paragon Graphics donated the ticket printing, Shaver's Business Supplies donated the paper for the posters, programes and menus.

While active club members were busy photocopying these posters, others were busy numbering and stapling ticket books.

The jamboree committee would like to invite all country music lovers, young and young-at-heart, to Russell for the main event.

The popular "Kings Creek" Country Band is scheduled to start things off at 2 pm, followed by "Sagebrush."

Dinner will be served from 5:30 to 6:30 pm, during which time fiddlers from across the Ottawa Valley will be on stage.

Then the evening program begins with the Vernon, Metcalfe, Osgoode and Russell music clubs fiddling, singing, step-dancing, square dancing and line-dancing until past midnight.

For more information, call 613-821-4043.

Golf fundraiser

WILLIAMSBURG — Once again, the Dundas County Chapter of the Heart and Stroke Foundation is holding a golf tournament.

The event is scheduled to take place on Sat., June 6 at the Cedar Glen Golf Course in Williamsburg.

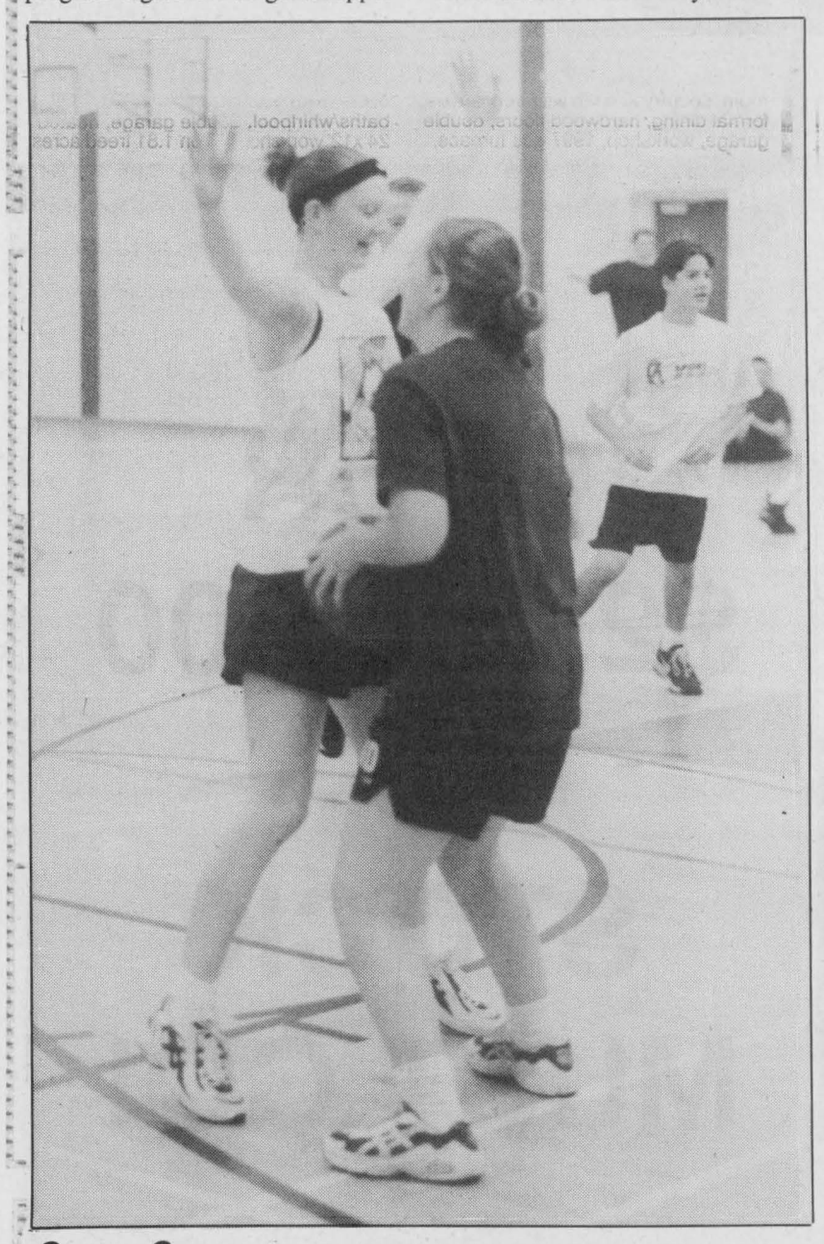
The support of participants has been appreciated in the past by the foundation and organizers are inviting golfers to 'Catch the Spirit' and join in the help to fight against Canada's number one killer, heart disease and stroke.

Registration forms and pledge sheets are available at local golf courses. There are two ways to enter the tournament: the first is to pay a $30 entry fee which includes the game and dinner, with a tax receipt for $13 of that amount.

The second way is to collect a minimum of $50 in pledges, receipts being given for all pledges of $10 or more.

Both ladies and men are eligible and several prizes will be awarded, including one for the highest pledge sheet.

Call Cedar Glen at 535-2323 for tee-off times. For more information about the tournament, call Brenda at 613-652-4243 or Marie at 613-543-3321.



3 on 3

Twenty-five teams helped raise $2,750 in a "Hoops for Heart", 3 on 3 tournament last Friday. A total of 150 students ran, walked, did aerobics, played basketball and roller bladed to raise money for the Heart and Stroke Foundation. Event organizer Chrissy Linton noted last year's total was $1,000. Dave Summers, Steve Mattice, Deanna Corbett-White and Jevon Groves formed the winning 3 on 3 tourney team. In the photo Jen Little and Leah Fawcett faced each other in tournament play.
