The iceman cometh: Fall season kicks off

WINCHESTER — As far as sports fan are concerned the fall is probably the most blissful time of the year.

Major league baseball pennant races are heating up. The NFL is into its first month, the Canadian Open has just been played. The CFL is in full swing. Junior hockey camps are open and the NHL players are about to gather for their training sessions.

Turn on the TV, grab the remote and channel surf through a sea of sporting activities. Or pick up the clubs and play another round of golf. The possibilities are endless.

It's September and the local sporting scene is also in transition.

The on-ice activities at the Winchester and District Arena kicked into gear last night (Sept. 8) with minor hockey players being the first to hit the milky-white ice.

Winchester's recreation facility manager Matt Krisjanis and his crew have been preparing for the new season since early last week. The ice is down and ready for the first blades to blemish its perfect surface.

But the shiny, cold surface, complete with North Dundas Minor Hockey Association and Pepsi logos, isn't the only new addition to the arena.

There have been plenty of improvements made.

BETTER ICE

Winchester recreation has purchased a new ice resurfacing machine to maintain the ice. A second dehumidifier has been installed in the west end of the arena, which has made making the ice much easier and more efficient, according to Krisjanis. The temperature of the ice surface is now under "exact" control now that a floor stat has been installed. The brine headers have been replaced and a brine expansion tank added. Hot water generated by the compressors is now being recycled and used in the new resurfacing machine to flood the ice... "a cost efficient and money saving move," notes Krisjanis.

Inside the lobby new dressing room and exit doors have been hung, and everything, including the upstairs hall, has received a new fresh coat of paint.

"We have done a lot of work over the summer. When I started here two years ago I had a five-year plan for improvements. I'm well into the third and fourth years," Krisjanis explained.

With the facility rounding into shape, Krisjanis says his next major plans, barring any drastic changes incurred by amalgamation, include major renovations to washrooms, dressing rooms, enlarging the Zamboni room, and the addition of more general storage.

"Those are the projects I would like to make, hopefully with the cooperation of the Winchester Community Center - Community Heart Project. But all projects will have to cease until amalgamation is complete. Why, I might not even be employed here after it (amalgamation)."

WELL USED

Krisjanis reports the ball diamond rentals and use of the pool were stable this summer.

"The minor ball association made repairs to the backstop on Morgan Field and warning tracks were built into both diamonds. Rentals were the same as last year," he noted.

"The pool ran smoothly and was well attended. We had roller hockey in the facility three nights a week and it went well."

Krisjanis says he is always looking for ideas to improve programming and added that suggestions are always welcome.

"Generally I would say I have seen more interest in the facilities and more new faces. People are making better use of it... after all it is your facility."

"We try and stay in budget and use every dollar and cent and stay in budget, make improvements and without increasing taxes. The hall (upstairs) rentals are down but that is common everywhere. Right now I'm looking for someone to put together a line dancing clinic. But all ideas are welcome."

ICE RENTALS

Krisjanis says the ice time here in Winchester has been booked for some time now.

Most of the regular users are back including the North Dundas Minor Hockey Association, Winchester Figure Skating Club, the Winchester Town Hockey League, Winchester and District Broomball League, Winchester and District Ladies Hockey League along with four old timer hockey teams (Centennials, Harvex Huslers, Old Hawks and Boucks Hill Boulders).

Some of the new customers include girls "AA" hockey, a new ladies broomball league (Saturdays 6 - 8 pm) and the Kemptville and District Minor Hockey Association which has booked ice time on Saturdays (3:30 pm - 6 pm).

Public skating is being offered (beginning in early October) on Mondays (4 - 5 pm), Wednesdays (4 -5 pm) and Saturdays (8 - 9 pm).

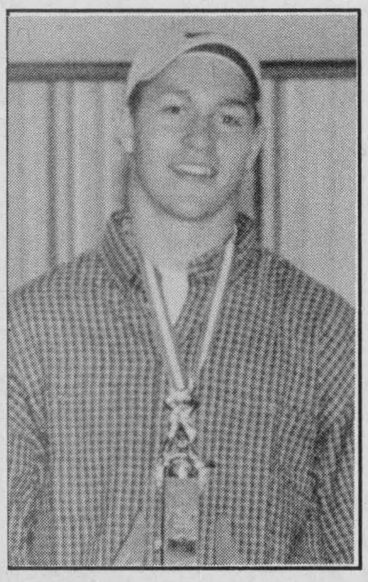
Preseason ice (Sept. 8 - Sept. 29) is also at a premium.

"There are a few spots still available but not many. I'm very satisfied with this year's booking (inquires can be made by calling the arena at 774-2006)," Krisjanis said.

Carkner signs on with Peterborough

PETERBOROUGH — They made it official here over the past weekend. The Peterborough Petes signed Morewood's Matt Carkner to an OHL player's card.

"It sure has been exciting. Everyone on this team has been really nice to me and the coach (Brian Drum) is a real nice guy," Carkner said in an early morning interview on Tuesday.



Matt Carkner

Carkner, a 6' 5", 212-pound defenceman and one of the Petes top two draft choices signed on Saturday (Sept. 6) and promptly faced another former member of the Winchester Junior "B" Hawks... winger Warren Holmes in a pair of exhibition games.

In both matches Carkner and the Petes came out on top of Holmes and the Generals by 5-3 and 6-3 counts.

"It was really weird playing against Warren. Our teams are big rivals and we weren't allowed to talk to them (Generals)," said Carkner.

Matt's father, Dennis Carkner, attended both games and reported both local boys played well but said Holmes played very well. Especially in Sunday's contest.

"Warren had a goal and two assists and they (Oshawa) only had three goals. He is playing good hockey," the elder Carkner reported.

For the record Matt Carkner also scored for the winning side in Sunday's game.

Carkner says everything about the OHL is different. Last year he played with the Winchester Jr. "B" Hawks before finishing off the year with the Brockville Jr. "A" Braves, where he excelled and drew plenty of attention from the Ontario Hockey League scouts.

"This (OHL) is better, for sure. Everything happens faster and the players are bigger. The coach told me to play a physical game and use my size, strength and shot. I have to earn my ice time but in exhibition I have played the powerplay and killed plenty of penalties."

Matt's father says he has been impressed with the way the Petes have treated his son. "They (Petes) are real good people... a good organization. They really look after their players."

"Matt is getting an opportunity not many kids do. He wanted to go to Peterborough and that's where he went so it has worked out."

Carkner is enrolled in Thomas A. Stewart Secondary School where he is taking three courses each semester.

The 16-year-old defenceman (turns 17 in Nov.) is wearing jersey No. 7 and will be with the Petes this Friday night (Sept. 12) as they play an exhibition game in Ottawa against the 67s.

12 skaters return for Hawks tryouts

METCALFE — A dozen of the 40 prospects who skated in the opening session of the Winchester Jr. "B" Hawks training camp here at the Larry Robinson Arena Sunday evening were on the team's roster last winter.

Hawks' general manager Bill Wammes reported Monday morning that the club has sent out 70 invitations and had 40 players turn out... including 20 locals.

"It was a pretty good turn-out. We had about 20 local guys and 10 goalies," he said.

Wammes noted that the Hawks have 12 skaters coming back and several more possibilities. "There aren't many (roster) spots left open."

Among the forwards suiting up for another campaign with Winchester are leading scorer Ryan Nichol (43-22-65), Eric Savard (overage) who netted 21 goals, "Razor" Rob Raistrick (14-20-34), Chad Barnhart (6-24-30), Chris Bailey (10-17-27), Serge Bellavance (4-17-24), Shane Stroughair (9-15-24), Jason "Pitt" Desormeaux (9-13-22) and Jeff Leonard (3-9-12).

Returning defenders include Derek Nadeau (2-2-4), Dave Bruyere (5-5-10) and Jamie Mitchell (0-6-6).

Missing from Winchester's blueline are "Rookie of the Year" defenceman Matt Carkner who signed on with the OHL's Peterborough Petes over the past weekend; towering rookie Ryan Simpson who is still in the Cumberland Jr. "A" Grads camp; Ryan McElroy who has left the area to attend school, Matt Kozzatz who was traded to the Metcalfe Jets over the weekend; Mike Hutt who has graduated and Ferando Multari who was just cut by the Ottawa 67s but didn't attend Sunday's opening session.

Of the Hawks goaltending situation, Wammes says of the final pair the team had on its roster last spring, Pat Neville and Anthony Calhoun, he is expecting Calhoun to return.

The local players skating on Sunday included Craig Holmes (Midget Demons), Sean Williams (Midget Demons), Jason McDonald (North Stormont Jr. "C" Express), Tyler Veley (Midget Demons), Josh McRoberts (Bantam "A" Demons), David Summers (Bantam "A" Demons), Darcy Roberts (Midget Demons), Joey Hillis (Bantam "A" Demons), Jeff West (Midget Demons), Will McLean (Bantam "B" Demons), Rob Desormeaux (Midget Demons), Justin Heuff (Midget Demons), Grant Norris (Bantam "A" Demons), Mathew Cormier (Bantam "A" Demons), Richard Pope (Bantam "B" Demons), Gregg Griffith (goalie - Rideau St. Lawrence "AA" Bantam Kings); Barrett Brundige (goalie - Bantam "A" Demons), Darrell Burns (goalie - Midget Morrisburg Lions) and Tyler Shortt (goalie - Bantam "A" Demons).

Last night (Tues., Sept. 9) the Hawks staged their Blue - White intersquad game in Metcalfe.

Winchester's 1997-98 exhibition schedule opens tomorrow night (Thurs., Sept. 11) with a trip to the Canterbury Arena to take on the South Ottawa Canadians (7:30 pm).

The Hawks will then play host to the Ottawa West Golden Knights in Metcalfe on Friday (Sept. 12) at 9 pm.

MTHL opening day shutout gives Preston devil of a start

METCALFE — Mike Preston turned in the first win of the 1997-98 Metcalfe Town Hockey League season.

The Hicks Insurance Devils goaltender also became the first puck blocker to register a shutout. The Devils, with Preston guarding the twine, were able to blank the McVey Insurance Leafs 2-0 in Sunday morning's (Sept. 1) opening slate.

The other two matches wound up ties with the Continental Mushroom Stars and 31 Esso Ducks knotting it at seven and Tom's Air Cooled Flyers and Pronto Food Rangers sawing their game off at three goals each.

The Devils' Carson McVey turned a play engineered by Butch Rocqueborne and Don Gamble into what would prove to be the winning goal 0:15 before the half-time intermission. Pete Holmes then iced the 2-0 win firing a pass provided by Jeff Bracken into the empty net with 0:23 left on the clock.

Jim Bezanson ripped in three goals and drew two assists leading Continental Mushroom to their 7-7 tie with the 31 Esso Ducks. Bezanson's third goal knotted the final count at seven and was set up by Cory Reaney with 0:57 left on the clock.

The Ducks led 4-2 at the half.

In addition to the three goals provided by Bezanson the Stars got a pair from Rudy Grisel and singles from Jeff Stanley and Chris Reaney. Derek Burleigh (2), Bezanson (2), Phil Welbergen, Chris Reaney, Cory Reaney and Steve Quinn drew the assists. Mitch Lavergne tended nets.

Rick Bloom (2), Dale Carson (2), Moe Robinson, Vince Seguin and Shane Patterson netted the Duck goals. Robinson, Jeff Raven, Carson and Ron Flanagan set up the scoring plays. Roger Kargus guarded the twine.

The third game on the card also wound up in a tie as the Flyers and Rangers finished deadlocked at 3-3.

It was a 3-3 tie at the half and neither Mike Preston of the Flyers or Pronto Food's Wayne Widenmaier would give up another goal in the second half.

Dave Warren's unassisted goal at the 17:35 mark gave the Flyers a 1-0 lead and Steve Shipman (assisted by Randy Prot) tied it up quickly at 16:04.

The Rangers pulled ahead by one when Steve Corlyon (unassisted) scored at 11:39. Just 25 seconds later the Flyers evened it up at 2-2 when Keith Ritchie (unassisted) dented twine.

Ritchie (assisted by Jim Kerfoot) snapped in the go-ahead goal (3-2) for the Flyers at the 9:29 mark and once again it didn't take long for the score to become tied. Steve Shipman's second goal of the half (assisted by Bob Dumelie and Rick Corlyon) came at 6:29 and made the final total 3-3.

Metcalfe skaters lace up for season

METCALFE — Registration for the Metcalfe Figure Skating Club's 1997-98 season will be held here at the Larry Robinson Arena this Saturday (Sept. 13) from 9 am until noon.

A second registration will be held Monday (Sept. 15) from 7 - 9 pm in the evening. A skate and accessories sale will be held in conjunction with the Saturday (Sept. 13) registration. For more information contact Sue Bruner at 821-4885 or Janet Steele at 821-3855. For further information on the exchange and sale call Sheila Crosbie at 821-2181.

The Metcalfe Figure Skating Club is offering the regular programs such as KidSkate, CanSkate, CanFigureskate, Test Program and Ice Breakers. A Precision Team will also be offered as a separate program. Last year's team members enjoyed the experience and captured a trophy in Massena New York.

Several members of the Metcalfe Figure Skating Club spent the spring and summer on the ice in Kanata and Gloucester following a long winter in Metcalfe. Their achievements included: Brandi Fowler attained her Silver Artistic Test and Viennese Waltz and Argentine Tango Test (gold level dances). Amy Duguay received passing results on her Senior Bronze Freeskate Elements Test. Amanda Duguay received her Novice Long Program test and Tenfox Variation and Quickstep tests (gold level dances). In competition Stacy Duguay placed third in Preliminary Ladies Freeskate

at the Gloucester Spring Competition.

Club president Janet Steele also reports club members raised money during the summer with a garage sale and a car wash.

The club executive also offers apologies to Jennifer Roqueburne who was mistakenly left out of the awards ceremonies this spring. She should have been awarded a trophy in the CanSkate division.

Super Sonics

The Winchester Sonics Soccer Club presented its annual team awards following their 1997 Cornwall District Soccer League - Division I season. Doug Winters (left) led the club in scoring and earned another Top Scorer trophy. Rookie defender Trevor Doornwaard was named the team's Most Improved Player. Halfback/forward Clint Hedge received the Most Valuable Player award and fullback Don Vreman was deemed the Hardest Worker on the team.

Dalmeny douses Heat

KENMORE — Dalmeny has taken a one-game lead in the 1997 Kenmore Fastball League championship series.

Dalmeny knocked off the defending champion Kenmore Heat 6-2 here Monday night (Sept. 8) to open the best of three set.

Game two is slated for tomorrow night (Thurs., Sept. 11) and the final match for next Monday (Sept. 15). The first pitch will be thrown out at 7:30 pm.

The league's round robin forced the Winchester Hawks to the sidelines and gave the Heat a bye as three clubs - the Kenmore Knights, Springhill and Dalmeny - played a second round robin to determine who would face the heat in the championship showdown.

Springhill and Dalmeny each won and tied games but Dalmeny advanced to the title round with a better runs for and against record. Springhill trimmed the Knights 7-3 and tied Dalmeny 2-2. Dalmeny's 11-3 decision over the Knights proved to be the difference.

New coach sits on Jets bench

METCALFE — This spring Paul Sheard was on the other bench as his team, the Kemptville 73s battled the home town Metcalfe Jets in the EOJBHL championship series.

Just six months later Sheard is calling the Larry Robinson Arena his home rink. Sheard has left the Kemptville Junior "B" team he guided to the EOJBHL championship to join the Metro-Valley champion Metcalfe jets.

Sheard joins general manager Roger Thibault, who is returning for his second season, and new assistant coaches Darrell Warren and Sean Audet. Audet is former member of the 73s and Warren a former Metcalfe Jets forward.

Derek Rintoul is slated to take over as the new Kemptville bench boss.

General manager Roger Thibault says he contacted plenty of local players noting that several prospects are still in CJHL camps and there will be seven or eight returnees, including just two defencemen, Cory Peel and Yves Charette.

Among the forwards eligilible to return are Kevin Collins, Dan Chretien, Chad Guy, Garnet Walker and Stephane Boulerice.

The Jets will have to get along with such defensive notables as captain Bruce Buckland (graduated) and defensive partner Jason Leduc (graduated) as well as goalies Jeff Gole (graduated) and Kris Rous (Kingston - OHL).

Thibault says he has had calls from players from Russell, Metcalfe, Embrun and Osgoode which should enable the club to have a large contingent of local talent.

The manager also noted that Metcalfe and the Metro Division will interlock with both the Valley and St. Lawrence Divisions this winter which means and increase in the number of games (38 from 36) and in travel expenses. But he is pleased that the new schedule presents a variety of opposition as opposed to last season when the Jets played their Metro Division opponents as many as 11 times.

The Jets camp opened here on Monday night (Sept. 8) and will face the Winchester Hawks in a home-and-home exhibition series for the Joe Rowan Memorial Cup this Saturday (Sept. 13) and Sunday (Sept. 14). The second and final game will be played here at the Larry Robinson Arena Sunday afternoon at 2 pm.

Six teams take to ice

WINCHESTER — Their season begins on September 21, that's when members of the Winchester and District Ladies Hockey League will open their mini-conditioning camp here at the Winchester and District Arena.

All six teams will hit the ice in pairs with the Annable's Jewellery Blues and Stewarts Classics working out at 8:00 am. The Double Beauty Stylists and Andy's Food Town Maroons skating at 9 am and the Sports Unlimited Reds and Country-Girl Stingers practicing their skills at 10 am.

The following Sunday (Sept. 28) the same pairings and times apply for a slate of exhibition games.

The 1997-98 campaign is set to begin on Sunday Oct. 5. This year's schedules will be distributed on Sept. 21.

22 scuba grads handed cards

WINCHESTER — Tom Alberelli, know by as students as "Scuba Tom" announced a list of the first 22 graduates from his diving school.

Held in the Winchester Centennial Pool, the course boasted the graduation of 22 certified divers.

"I would like to congratulate all the participants. I couldn't have asked for a better bunch of people," the instructor said. "It was the first time that I had taught an outdoor scuba course. I was initially concerned about being rained out, because I know how much people hate getting wet."

The 22 certified divers are: Sherry Beckstead, Jenn Borlee, Jonas Dawson, Matt Dean, Jodi DeJong, Bonnie Dingwall, Bob Fetterly, Garth Hansma, Melanie Hansma, Jill Hess, Jennifer Holmes, Moira Klein-Swormink, Ken McLaren, Keith McRoberts, Sue McRoberts, Sue Merkley, Adam Millard, Andre Ouellette, Doug Palmer, Bill Pope and James Quaille.

"Scuba" Tom Alberelli thanked all of the people who made the first Winchester scuba course a success: Carie Schnablegger, Instructor; Matt Krisjanis, Winchester Recreation Director; Bob Geggie of Geggie's Home Hardware; The Winchester Press; everyone who stored and lugged gear; Sharky's Scuba Supply in Ottawa; Sea N' Sky Scuba in Prescott and the chip wagon (Randy's) parked at the arena which supplied the great eats.

Rec rambles

by Winchester Recreational Facilities Manager Matt Krisjanis

Hi sports fans. I hope everybody had a good weekend and that your week is pleasant.

Minor hockey will be on the ice this week with their conditioning camp, as will the Winchester Figure Skating Club. The Winchester Junior 'B' Hawks have a very busy schedule this week and you will be able to see them in action on Sat., Sept. 13 when they have an exhibition game against Metcalfe at 8 pm. The following day they host Ottawa South at 8 pm. Come out and support your Hawks at the Winchester Community Centre.

Last weekend was the wrap-up tournament for the Men's Three-Pitch League to decide who would be the top team of the year. Once again the Habs came out on top. Sorry Tom, maybe next year.

The Winchester Figure Skating Club will be holding registrations this week at the Community Centre. Registrations will be held on September 11 from 7 pm to 9 pm and again on September 13 from 10 am to noon. There will be an adult program this year.

The ladies' three-pitch league will be holding their wrap-up tournament this Saturday (September 13) at the Community Centre ball diamond.

The Winchester Karate Club will hold a registration during the whole month of September every Monday and Wednesday night from 7 pm to 8 pm for all age levels. Check it out — self defence and exercise at the same time.

Public skating will start on September 29 from 4 pm to 5 pm. Further dates and times are to come later.

Well, here's my thought for the week: "The older you get, the tougher it is to lose weight because your body and your fat have become friends."

Guy takes helm of town circuit

WINCHESTER — Mark Guy is the new president of the Winchester Town Hockey League and is pleased to announce the circuit will ice four teams again this season.

Guy, who took over the position from John Ralko, reported 40 of last year's 48 players have returned and there was enough interest to create a waiting list.

"There wasn't any problem filling the teams. We might have even been able to have six teams, but there just isn't any ice time available in Winchester," he said.

Guy also wanted to, on behalf of the WTHL, thank John Ralko for his many years of dedicated service to the league.

The new president was also quick to thank Boyd Chrysler Plymouth Jeep Eagle for their generous sponsorship with a new set of sweaters for the Boyd Chrysler Rams entry, which sport the new Boston Bruin home colors.

The first league game is set for Thurs., Sept. 25 with the Country Kitchen Stars taking on the Country-Boy Kings at 9 pm and the Funtastic Pools Flyers taking on the Boyd Chrysler Rams at 10 pm.

The schedule will return to its traditional Tuesday evening slot on Sept. 30.

In Memoriam

RAISTRICK — In loving memory of our dear dad, George, who passed away September 14, 1993.
The hardest thing in life to bear,
Is to want you dad and you're not there.
With a broken heart we whisper low,
"God bless you, dad, we love you so".
As long as we live we will always be glad,
That we were your children and you were our dad.
— Always remembered, Elzeon, Judi, Darlene, Susan and families.
24

RAISTRICK — In memory of my dear husband, George, who passed away September 14, 1993.
He walks with us down quiet paths,
And speaks in wind and rain.
For the magic power of memory,
Gives him back to me again.
— Sadly missed, Pat.

CARD OF THANKS — We would like to express our sincere thanks to all who have shown their support to us since our barn fire on July 8th. It has meant more to us than words can ever express. We also want to thank everyone for their support in coming to our benefit dance. It was good to see so many friends, neighbors and family and we apologize to all the people that we didn't get a chance to talk to and thank personally. Also a big thank you to Paul and Margie for organizing the dance and Bobby for organizing the auction, to the business community for their donations to the auction and to the auctioneer who made it so much fun. We would also like to thank the Chesterville Fair Board for manning the bar and all their support. To Power Pak for the music and to all the people who donated food for the lunch. What started out as a tragic loss has now turned into an outpouring of love and support from community, friends, family and total strangers. For that, we again want to say thank you all very much.
— Gord and Bonnie Milne and girls.
