Mrs. Robt. Rennick Died On Monday

Winchester lost one of its oldest and most highly respected citizens on Monday, in the passing of Mrs. Robert Rennick. Deceased had been in ill health for some time.

Born at South Mountain, Mrs. Rennick was the former Cynthia Christie, daughter of the late William Christie and his wife, Harriet Farrell, of Chesterville. She was in her 85th year.

On October 3rd, 1883, she was married to Mr. Robert Rennick, and took up residence on a farm east of Inkerman. In 1901, Mrs. Rennick and her husband moved to Winchester, where they have resided since.

On October 2nd, 1943, Mr. and Mrs. Rennick celebrated their Diamond Wedding Anniversary, on which occasion they were honoured by members of their family, numerous friends, and their church.

A member of the Wesleyan Methodist Church, the late Mrs. Rennick was a devout Christian, and, during her younger years, took an active part in all church work.

Besides her husband, she leaves three sons, Earle, of Vancouver, B. C.; Orla. of Flin Flon, Man., and William, of Noranda, Que., and four daughters, Mrs. E. Marshall (Ethel) of Cleveland, Ohio; Mrs. Hart Melvin (Hattie), and Miss Bessie Rennick, of town, and Mrs. G. D. Preston (Etta), of Merrickville.

The funeral was held from the family residence to the local Wesleyan Methodist Church, where service was held at 2 o'clock yesterday afternoon.

Interment was made at Maple Ridge Cemetery.

MONDAY NIGHT'S HOCKEY SCORES

On Monday evening, Winchester's Intermediate hockey team journeyed to Maxville, where they suffered an 8-1 defeat at the hands of the Millionaires. On the same evening, the Inkerman Rockets played at Morrisburg and administered a 16-0 trimming to the St. Lawrence team. The next game here is tomorrow (Friday) night, between Inkerman and South Mountain. For other hockey dates, see advt. on back page of this issue.

Hockey Date Settled

The date for the Inkerman-South Mountain hockey game has been definitely set for tomorrow (Friday) night. According to the schedules circulated by the Press, and as advertised in last week's Press, it was indicated that this game would be played on Friday, January 17th. Through some misunderstanding, the date was set back to Thursday, Jan. 16th, the date that the original schedule called for. Posters were circulated to this effect over the weekend.

The manager of the South Mountain team was not agreeable to switching the game back to the 16th, after he had consented to the Rockets' manager's request to have it changed to the 17th earlier in the season.

With both teams agreed, the date for this important game has been definitely set for Friday, January 17, and new posters have been circulated, advertising the change in date.

Both South Mountain and Inkerman teams are strong. Neither have suffered a defeat this season. In their first contest, they played to a 3-3 draw. Tomorrow night's game should be a thriller, so if you want to see these old rivals battle for supremacy in the Central Ottawa Valley-St. Lawrence League Junior Hockey race, attend the game tomorrow evening at the Winchester Arena.

Memorial Hospital Members Hold First Annual Meeting

The first annual meeting of the Winchester District Memorial Hospital was held in the local Town Hall on Tuesday evening, with a good attendance of representatives from Mountain, South Mountain, Hallville, Osgoode Township, Russell, Vernon, Matilda, Winchester Township and Winchester Village present. Mr. Eric Casselman was the sole representative from Chesterville, while Williambsurg was not represented.

On motion of Messrs. Wm. Carkner and Benson George, Mr. W. J. L. Boyd was appointed chairman of the meeting, while Mr. C. R. Robinson was selected as secretary on motion of Reeve Geo. Lewis, of Osgoode, and Mr. Howard Biccum.

After welcoming the members and outlining the purpose of the meeting, Mr. Boyd proceeded to give a report on the work done to date by the provisional directors of the Hospital. He pointed out that the idea of establishing a hospital in this area was introduced by the local Municipal Council back in August, 1944. Later, a charter was obtained and the Provisional Directors included Messrs. Albert Turner, John Fader, C. R. Robinson, F. E. Helmer, H. L. Flora, W. C. MacDonald, J. L. Dixon and W. J. L. Boyd. As time went on, the hospital area was enlarged to take in Winchester Township, Mountain Township, Matilda Township, Williamsburg Township, part of Osgoode Township, Russell and Chesterville, and directors from these districts were added to the Provisional Board of Directors. The task of getting the project organized and raising funds was a major one, said Mr. Boyd, and the men who were responsible for these initial steps are deserving of the highest praise. They devoted their time and energy and spent considerable of their own money to put this project across.

Continuing with the report of the Provisional Directors, the secretary, Mr. C. R. Robinson, gave a resume of the minutes of all meetings held to date. These records revealed that the first canvass had been made in 1945, that an experienced organizer had been engaged to direct the general canvass of the Hospital Area, later; how the Edgerton site was finally selected, and informed the meeting that Mr. Cecil Burgess, an Ottawa architect, was now drawing up plans for the building. The minutes also revealed that a Medical Association had been organized within the area, with Dr. Howard Justus, of Chesterville, as chairman.

Mr. O. V. Stevenson then presented the treasurer's report (a summary of which appears on Page 4 of this issue of The Press). He informed the meeting that there were over 1400 subscribers to the Hospital Fund, 425 of which had paid their pledges in full, and that over half of all subscriptions had been paid in full. Since the financial statement was prepared in December, over $3,000 had been paid on pledges, and over $1000 was paid at Tuesday's meeting, he said.

In reply to a question, asked by Mr. N. W. Beach, if any of the directors had received any remuneration for their services, the chairman stated that no member had received one cent.

Mr. F. M. Cass asked what fee was being paid to the architect for his services, to which Mr. Boyd pointed out that it would not exceed 6 per cent. of the building costs, which is a standard fee of all architects.

On motion of Messrs. Roy Annable and J. L. Steele, the reports of the Provisional Directors and Treasurer were adopted, and a vote of thanks extended to the members. The motion was put before the meeting by Mr. F. M. Cass, who also expressed appreciation and offered words of commendation to the Board for a job well-done.

The Hospital By-Laws, which had been recently drafted, were read to the members by Messrs. Cass and Boyd. No changes being asked for by the members, the By-Laws, 1, 2 and 3, were adopted as read on motion of Mr. N. W. Beach and Reeve Geo. S. Lewis, of Osgoode.

A By-Law, authorizing and ratifying all acts of the Provisional Board of Directors and relieving them of further responsibility, was read and adopted unanimously, on motion of Messrs. F. M. Cass and Eric Casselman.

According to the By-Laws, the Permanent Board of Directors is to be comprised of 21 members, viz., two appointed by Winchester Municipal Council, four from the Village of Winchester, one from the Medical Association and two from each of the outlying districts. Directors are to be appointed for one and two year terms.

Directors Elected

Following the completion of the Provisional Directors' reports, members of the hospital from the several districts presented nominations for their representatives on the Permanent Board, which resulted as follows:

Winchester Village: Reeve Albert Turner and Councillor C. R. Robinson, 1 year, appointed by Council; Messrs. N. W. Beach and Hart Melvin, 1 year; W. C. MacDonald and W. J. L. Boyd, 2 years.

Mountain Township: Messrs. Leroy Berry, 2 years, and Wm. R. McMenomy, 1 year.

On motion of Messrs. Norman J. McCormick and Howard Biccum, the Board for 1947 was declared elected as nominated.

He was taken to the office of Dr. H. S. Gross and later removed to his home, where he was confined to his bed for several days.

F. Erle Helmer Again Heads Public Library

Mr. F. Erle Helmer was re-elected President of the Winchester Public Library Board, at the annual meeting held in the town hall Monday evening.

In a review of the work of the board during the past year, the President told the meeting that many new books had been purchased and asked that readers take notice of the many volumes by old masters which were on the shelves of the library. He suggested that children of the high and public schools should be encouraged to come to the library where they would find many volumes which would be of great value to them in their pursuit of knowledge.

Miss Emma Gardner, secretary of the Board, reported a gift of money received during the year from Col. A. C. Casselman, M.P., and also of the donation to the library by the Hon. George H. Challies, of the History of Dundas, Stormont and Glengarry, by Crown Attorney John G. Harkness.

The treasurer's report, given by Miss Clara Anderson, showed that the year had ended with a satisfactory balance, after all accounts had been paid. It was decided that the year should commence on January 1st and end on December 31st, and that the fee of $1.00 should be paid by each member. A change was made in the hours during which the library will be open. Commencing at once, members may return and receive books each Tuesday and Saturday nights, from 7 until 9 p.m. and on Thursday afternoons from two until four p.m.

A membership committee of Misses Fennell and Clara Anderson, Mrs. W. G. Porteous and Mr. Arnold E. Dukelow, was appointed, and the President and Mr Dukelow were to interview the Winchester Village Council regarding the annual grant.

The following other officers were elected: Vice President, Mrs. J. W. Ault; Secretary, Miss Emma Gardner; Treasurer, Miss Clara Anderson; Librarian, Mr. Wm. Quart; Directors, Reeve Albert Turner, Mrs. W. G. Porteous, Miss Ida Gardner, Messrs. Walter C. MacDonald Walter Moffat and Arnold Dukelow.

WEDDINGS

HAMILTON—GIBBONS

The local United Church was the scene of a pretty wedding ceremony at 3 o'clock on Saturday afternoon, last, when Miss Hilda Mary Gibbons, younger daughter of Mr. and Mrs. Fred Gibbons, of Winchester, became the bride of Mr. Dwayne Thomas Hamilton, eldest son of Mr. and Mrs. J. T. Hamilton, of Chesterville. Rev. Norman J. Thomas officiated, with Mrs. Howard Fetterly presiding at the organ. The soloist was Miss June Rowat, who, during the ceremony, sang: "Through The Years," and "Always."

The church was decorated with evergreens and artificial sweet peas. The guest pews were designated by white satin bows and pink flowers.

Given in marriage by her father, the bride was charming in a floor-length gown of white satin, fashioned with a full-flowing skirt and sweetheart neckline, and long fitted sleeves falling in points over the hands. A finger-tip veil was held in place by a coronet of white satin ribbon. Her only ornament was three strands of pearls, and she carried a shower-bouquet of Sweetheart Roses, Pink Carnations and Baby Mums.

The bride's attendants were Misses Jean and Marjorie Hamilton, sisters of the groom, while Mr. Lloyd Fawcett performed the duties of best man.

Miss Jean Hamilton, as maid-of-honour, wore a pink floor-length taffeta gown, fashioned with full skirt, high neck-line and full puffed sleeves. Her gloves were elbow-length and she carried a nosegay of Sweetheart Roses, Mums and Carnations.

Miss Marjorie Hamilton, as bridesmaid, was attired in a floor-length gown of light blue net over taffeta. It had a sweetheart neckline and short puffed sleeves. She wore elbow-length gloves and carried a nosegay of Sweetheart Roses, Mums and Carnations.

Miss Marilyn Serviss acted as flower girl and looked winsome in a floor-length blue taffeta gown, and coronet of blue satin ribbon. Her nosegay was of Roses, Mums and Carnations.

The ushers were Mr. George Gibbons, brother of the bride, and Mr. Hubert McLean, of Chesterville.

Following the ceremony, a reception was held at the home of the bride's parents, when a buffet luncheon was served to about 50 guests. The house was beautifully decorated for the occasion with pink streamers, white wedding bells and cut flowers. The tea table was centred with a three-tier wedding cake, with tall pink tapers, at each corner. Serving was supervised by Mrs. Ralph MacPherson and Miss Mary Bowden, with the Misses Joan and Ruth Watson, Marjorie Crummy and Joyce MacPherson assisting.

The toast to the bride was proposed by Rev. Mr. Thomas and responded to by the groom.

The bride and groom were assisted in receiving the guests by their mothers.

Mrs. Gibbons, mother of the bride, chose a silk crepe dress in blue, trimmed with black sequins.

Mrs. Hamilton, mother of the groom, was wearing a lime green crepe dress with black accessories.

Their corsages were of roses and mums.

Later, Mr. and Mrs. Hamilton left on a brief honeymoon trip. For travelling, the bride wore a white wool dress trimmed with black sequins, and a muskrat coat, a gift of the groom. Her accessories were in black.

On their return, they will reside in Winchester.

Among the out-of-town guests were Mr. and Mrs. Thomas Hamilton, George Hamilton, Hubert McLean, Mr. and Mrs. Wm. Shay, Mr. and Mrs. Edward Shay, Mr. and Mrs. Stanley Shay, Mr. and Mrs. Carl Merkley, all of Chesterville; Morley Monroe, of Ottawa; Mr. and Mrs. Dwight Marcellus, Morewood; Mr. and Mrs. Grant Barkley, Dunbar.

Winchester Outscores Finch-Berwick 9-2

Outplaying their opponents in every departmnet, the Winchester Intermediates defeated the Finch-Berwick team 9-5 in a scheduled game of C. O. V. hockey, played at the local arena on Friday evening.

Duncan Levere and Ed. Boyd scored two goals apiece for Winchester, while Bert Locke, Bob Ramsbottom, John Kirkwood, Charlie Utman and Doug. Hitsman were the other snipers. Gallinger notched three, Nichols and Smith one apiece for the visitors.

During the contest, Gordie Crowder, one of the local forward players, was clipped over the right eye with a hockey stick, and had to retire for the balance of the game. He was taken to the office of Dr. W. M. Byers where two stitches were required to close the wound.

Later in the game, Clayton Ouderkirk was struck in the neck with a flying puck and was knocked unconscious for fully 15 minutes. No doctor was available, but Miss Phyllis Henderson, local registered nurse, was summoned and rendered what assistance she could.

The line-ups were as follows:

Winchester—Goal, N. Utman; def., B. Locke and D. Lannin; centre, G. Crowder; wings, J. Kirkwood and G. Workman; subs., D. Hitsman, E. Boyd, B. Ramsbottom, C. Utman, G. Helmer, J. Lennox, D. Levere.

Finch-Berwick—Goal, A. Symond; def., Nicholson and C. Ouderkirk; centre, McMonagle; wings, D. Ouderkirk and O. Ouderkirk; subs., M. Ouderkirk, G. Blair, C. Symond, Gallinger, Smith, Lajoie, Shaver, Brownlee, McRae, Lang, Raymond.

Referees—D. Ouderkirk and M. Scott.

Council Appoints 1947 Committees

At the adjourned session of the Inaugural meeting of the local Municipal Council, held in the Council Chambers on Monday evening, the folowing standing committees were appointed for the year 1947:

Roads and Bridges — Councillors Fader and Workman.

Finance—Councillors Robinson and Fader.

Property—Councillors Morgan and Workman.

Relief—All members of Council.

By virtue of his office, the Reeve is a member of all committees.

Mr. Robert Geggie was re-engaged as Assessor for the 1948 Tax Roll, at the same salary as last year. According to the new regulations, the assessor must have his roll completed by September 30th, and handed in to the Clerk by October 1st, 1947.

The question of using the Fire Pumper for filling cisterns in private houses, pumping out wells on private property, etc., was discussed. On motion of Councillors Fader and Morgan, it was decided that this practice should be discontinued and that the fire pumper be used for fire purposes only.

Three cases of relief were dealt with at Monday's meeting. One request from a woman, with two small children, for fuel was granted. Another request for fuel by a young woman without a family was turned down, the Council being of the opinion that there was nothing to hinder her from obtaining some form of employment. The third request, also for fuel, is to be investigated further.

The clerk was authorized to take out six subscriptions for the Municipal World for members of Council, also to write two former business men regarding adjustment of their 1947 Business Tax.

A report on the town's finances indicated that the 1947 Board would start the year with a balance on hand of $1466.92, about $800.00 less than was on hand at the same time last year.

The property committee was authorized to inspect the heating equipment in the Town Hall, and report their findings to the Council at the next regular meeting. This action was taken after Caretaker Gilbert Raistrick informed the Board that the furnace was in poor condition and was taking an excessive amount of fuel to heat the building.

The reeve, clerk, and Councillor Robinson were appointed a committee to interview Mr. W. J. Cass, Chairman of the High School Board, regarding the one mill subsidy, which is being held up for payment by the Government, until certain adjustments have been made by Council.

Dealing with Hydro matters, the clerk read a letter from the Ontario Hydro Commission, recommending that certain changes be made in the local system to provide additional power for commercial and industrial uses.

It was decided to leave the matter in the hands of Mr. T. O. VanBridger, the local Superintendent, to take whatever action he decided necessary.

The property committee was instructed to get quotations on a medium-sized typewriter for the Hydro-Secretary's Office, and report to Council before purchasing same.

The meeting was presided over by Reeve Albert Turner, with the following members present: Councillors John Fader, C. R. Robinson, Earl Morgan and W. F. Workman; the clerk, Mr. E. M. Shaver, and town foreman, Mr. Gilbert Raistrick.

PLEADS FOR GREATER HIGHWAY SAFETY

Making an urgent appeal to Ontario motorists and pedestrians for greater highway safety, the Hon. George H. Doucett, Minister of Highways, says: "For every 13 hours that passed in 1946, one Ontario citizen was killed in a motor accident."

A preliminary compilation of last year's accident statistics by the Ontario Highways Department discloses a total of 670 known deaths, more than in any year since the record high of 1941, when 801 people lost their lives.

"The tragic toll in 1946 was taken despite the fact that unexpectedly few new cars came on the market to swell the traffic," the Minister stated, "but now with an end to production limitations in sight, the provincial traffic outlook for 1947 calls for a maximum of safety-consciousness on the part of Ontario drivers and pedestrians if the accident rate is to be kept down.

Expressing his appreciation of the efforts made by the Province's schools, press, radio and community organizations to make the public more safety-minded, Dr. Doucett reminded that, despite such co-operation, a decrease in the traffic accident rate rested with the drivers and pedestrians themselves.

"All the improvements made in provincial highways, stricter law enforcement and newer cars on the road will not keep down traffic deaths and injuries unless motorists and pedestrians alike use more care, common sense and courtesy in their driving and walking," the Minister said. "Drivers must realize that driving is a privilege which can be forfeited for improper use. The average car weighs about 13 times as much as the average person, and with the added power of modern engines it can do tremendous damage before the driver can prevent it. For this reason, pedestrians must avoid acting in ways which motorists cannot anticipate."

INCOME TAX ON MARRIED WOMEN WORKERS

There has been considerable criticism directed at the government over the decision whereby a husband's income tax exemption will be $750 if his wife also has an income of more than $750, or if his exemption will be $1,500, then it will be reduced by the amount of her income in excess of $250. The complaint is that many women now filling important jobs will find the levy so heavy that they will leave their posts, it being unprofitable to work. The nursing profession is the one over which the greatest alarm is felt, there being already a serious shortage of trained nurses. If a majority of married nurses stop work, then the problem of caring for the sick will be greater than ever. It has been suggested that nurses of married status be shown preferential treatment, but such action would be unfair to women employed in other professions who are in occupations as equally important; many teachers fall within the same category.

From an impartial point of view, the new tax seems a bit harsh. We think that married women should be taxed on their earnings, as the majority of women themselves will agree. However, a better arrangement of taxation would be to lump the wife's earnings with that of her husband into a family income, allow the usual exemption for a married man, and compute the tax on the resultant figure. In this way, the wife's income would be subject to tax, but at a rate comparable to the levy on other workers. We think the government should reconsider its decision and adjust the tax on a more equitable basis, says The Lachute Watchman.

EDITORIAL NOTES

Various Western Ontario cities are turning away new industries because they lack space for them. Eastern Ontario might be able to accommodate some of the overflow quite handily, says the Brockville Recorder and Times. Yes, Winchester has room for a few industries, if any Company is looking for a location.

Some local householders are complaining about the snow not being removed from in front of their homes. The cost of removing snow from in front of every home in the village would be a costly undertaking, and that is one reason why the Council has not adopted such a policy. As a suggestion, we would advise a shovel and a little personal elbow grease to clear away the snow after each storm—and the exercise is good for the man who is developing that middle-age spread around his mid-section.

Other Editors' Opinions

OUR LOST TIMBER
(Ottawa Journal)

In Canada we have taken forests and lumbering so much for granted that the impression is widespread that our resources are inexhaustible. The truth is that most of Old Ontario is practically denuded of timber today and that the soil, our rivers and streams are suffering as a result.

HOW TRUE!
(St. Thomas Times-Journal)

Ration something and everybody wants it; toss it wide-open in the market and it is ignored. That happened in a local chain grocery. The people had been lining up for a certain kind of goods—one to a customer. Then the cans were piled high on the shelves and labelled "No restriction as to amount that can be purchased." Nobody wanted it.

COMMUNISTS' AIM
(Country Gentleman)

The people of this country are getting fed up with the trouble-making by communists whose hands are apparent in some of the prolonged strikes like the one at the Allis-Chalmers plant at Milwaukee, Wisconsin. The communists' aim is to wreck, to slow down and to hamper production, and so prevent the American people from enjoying any progress or prosperity. It is a poor argument for the system they would substitute for ours and also for the foreign power to which they give their allegiance.

ONE-STOREY SCHOOLS
(Owen Sound Sun-Times)

One of the factors justifying the one-storey school is that maximum use is made of ordinary daylight—made possible by the large increase in use of glass. But the chief factor is the matter of safety. Every classroom and corridor has a separate exit at the ground level. As there are no stairways and no fire escape the school can be emptied quickly. Pupils are easily segregated according to age with separate play areas for little ones—another help in avoiding play accidents. There is also the elimination of overhead noise.

IODINE AND GOITRE
(Brockville Recorder & Times)

A doctor, drawing attention to the fact that goitre is the one nutritional disease badly overlooked in this country, says that iodized salt was a "must" in all army and air force establishments in Canada during most of the war but "no one seems to care about civilians" and "so far as iodine and the prevention of goitre are concerned, civilians are left to their own resources."

Lack of iodine causes simple goitre and iodized salt is the most practicable method of supplying iodine, yet last year only half the salt consumed in Ontario, which has its "goitre belts," was iodized. It is well known that most Canadians cannot obtain sufficient iodine from their normal suplies of food and water and, under such circumstances, it would seem to be a simple matter to order that all table salt should be iodized.

If it was considered advisable and necessary to require that all table salt in army and air force establishments should be iodized, it would seem to be equally advisable and necessary to make a similar requirement apply to ordinary civilian consumption, especially since goitre, due to lack of iodine, is the one nutritional disease which occurs with any frequency amongst the adults of this favoured land.

Our Column

If all Canadians pull together, 1947 can be made a prosperous year.

It takes only a minute for an accident—but the period of regret lasts a long time.

Cheer up, kids! It's only six months until school closing and summer holidays.

Better be a doctor than a teacher in Alaska—where apples are selling at four for a dollar.

Surgeon removes small wrist watch from man's stomach. This is carrying nail biting too far.

Did you ever notice that a man blows his own horn when he does not want to play second fiddle.

If you want to make our town a more pleasant place in 1947, then plant lots of flowers about your home.

Canadians will pay higher prices for pork in the new year. But will farmers find their cheques any larger?

"The wrong side of the bed" for most of us is that side where we never kneel down and ask God's help at the beginning of day.

Ottawa's recipes for pies and pastry would be more acceptable if they told us where the necessary shortening could be found.

The merchant who advertises his commodities gives proof that he is proud of his goods. In buying advertised brands, you can be sure of quality.

The anonymous letter writers lack the courage to appear before the public as sponsors of an opinion or attitude. Anonymity is a shameful thing. It is weak and small minded.

FORMER RESIDENTS CELEBRATE GOLDEN WEDDING ANNIVERSARY

Mr. and Mrs. Herbert H. Annable, of 573 E 28th St., Brooklyn, N. Y., formerly of Winchester, celebrated their 50th Wedding Anniversary on January 5th. They were married in Dominion Methodist Church, Ottawa, in 1987. They have four children and six grandchildren. Mr. Annable was retired in 1942 from the Methodist Publishing House and is now connected with the Century Theatre Circuit, Inc., at Brooklyn, N. Y.

In a note to the Press, Mrs. L. Arnold, a daughter of Mr. and Mrs Annable, says:

"We all had such a grand party at my younger brother's home celebrating father and mother's Golden Wedding. After we had photographs taken of the whole group, we arrived at the house, and with the strains of "Here Comes The Bride," we marched around the table to find our places and also sang "Put On Your Old Gray Bonnet." The oldest son, Kenneth, made a toast to the bride and groom, and we all drank champagne to their good health and many happy years ahead. We presented mother and dad with gifts, cards and telegrams. Mother's gift was a rose gold tiny wrist watch, and dad's gift was a Sardony. ring (August birthstone), also a set of oil miniatures copied from their wedding picture. Everyone enjoyed the party and there was plenty of food and drinks, and the party ended up by everyone singing some old time songs."

This is the only national appeal to be made in Canada within the next twelve months for Chinese relief.

W. H. S. NEWS NOTES

By Gordon Helmer.

During the Christmas holidays, the Winchester High School Board re-furnished Grade 13 with three large tables and leather chronium plated chairs. The floor has also been covered with battleship linoleum. These improvements have been badly in need of and certainly have met the approval of all concerned.

Six new typewriters and tables were also purchased over the holiday season. This addition to the commercial department of the school will make possible the enlargement of the typing class.

A TEACHER OF CHRISTIAN SCIENCE

Miss Florence Middaugh, C.S.B., of Los Angeles, Calif., who is to lecture in the Chateau Laurier on Monday, January 27th, has recently been appointed a Teacher of Christian Science.

Miss Middaugh was born in Colorado and received her academic education there. After about six years' study of Music in New York City and Abroad, she became interested in Christian Science but continued in the musical profession, becoming a teacher of Voice, and a Concert and Oratorio Singer. During this time she served sixteen years as Soloist in Christian Science Churches—including six years in the Mother Church, The First Church of Christ, Scientist, in Boston, Mass. Shortly after, she decided to give up the musical profession and devote all her time to the practice of Christian Science. In 1935 she was appointed to serve as Second Reader in The Mother Church.

Miss Middaugh received Class Instruction in 1917, and she has served as a Lecturer since 1938.

The subject of her Lecture is: "Christian Science, The Promised Comforter."

UNITED CHURCH W. M. S.

The Afternoon Auxiliary of the Women's Missionary Society met in the S. S. Hall on Thursday, Jan. 9th, with a goodly number of members present. The worship service and installation of officers for 1947 was conducted by the pastor, Rev. N. J. Thomas.

The report of the past year's work was given by the secretaries of the various departments. These reports showed that twelve meetings were held, with an average attendance of twenty-five. Cards and letters had been written to sick and shut-in members, and flowers sent to those who were ill. Christian Stewardship, Christian Citizenship and Temperance had been stressed at almost every meeting. The requests for supply work had been met and the allocation reached. A number of ladies took part in the Reading Contest, in which 389 points were scored. Forty-two members subscribed to the Missionary Monthly Magazine. The contributors to the Birthday Box were sufficient to meet the expenses of the Society.

Plans for the work of this Auxiliary in the new year were submitted by the Secretary, and adopted by the meeting.

The business part of the meeting was conducted by the President, Mrs. Eldon Fennell, and Mrs. E. R. Steele presided at the piano.

The meeting closed with prayer.

WINCHESTER SPRINGS W. M. S.

On January 8th the first meeting of Knox W. M. S., Winchester Springs, for 1947 was held at the home of Mrs. John Coons. The president, Mrs. Preston McIntosh, opened the meeting with a hymn. The business period followed the reading of the minutes.

The worship service was based on "The Lord's Prayer." The Mission Study was taken by Mrs. Joe Davidson on "Infinite Possibilities," from the first chapter of the new study book, "Toward a Christian India." Several of the members assisted by reading interesting facts on India.

Rev. W. MacKinnon brought New Year Greetings and spoke briefly on how much the Christian Church means to India, especially during the present era of national unrest.

After a hymn, Mr. MacKinnon closed the meeting with the Benediction. A social hour followed, with refreshments served by the hostess.

Recent sleet and wind storms in Niagara and Western Ontario areas, brought down whole sections of both steel-tower and wooden-pole Hydro lines. This picture shows how ice-laden trees and limbs broke, fell across Hydro lines and forced them to the ground.

WINTER RAMPAGE!

When King Winter makes an all-out attack, man can do little but repair the damage as fast as possible. Recent power breaks in Niagara and Western Ontario areas were the direct result of unusual and severe storm conditions.

Because of the flexibility provided by its unified, province-wide organization, Hydro was able to rush emergency repair crews from other parts of Ontario to restore power. Every effort was directed to this end.

To all consumers who suffered in these storm areas, Hydro expresses its thanks and appreciation for their patience and understanding in a difficult and trying situation.

At all times Hydro safeguards service by endeavouring to locate lines free from trees and by tree trimming. Present storm damages illustrate the advisability of these methods.

During this winter period, storms and power shortage present great operating problems for Hydro. Your co-operation in the conserving of power will be of material assistance and much appreciated.

OWL CRASHES THROUGH WINDOW AT FIRE STATION

A few days ago, when Fire Chief Gilbert Raistrick and Woodrow Holmes entered the local Fire Station, they were surprised to see a large grey owl perched on one of the fire ladders. It had entered the building by flying through a large glass window.

Mr. Holmes, who was wearing a pair of leather gauntlets, attempted to grab the bird and throw it outside. The bird was defiant and his claws injured Mr. Holmes' hand. Chief Raistrick calmed it down, however, when he hit it over the head with a shovel.

Organist Resigns.

Mrs. Lionel Scobie, of Ottawa, formerly of Smiths Falls, has resigned her position as organist and choir director of St. John's United Church, Brockville, after more than four years' service. The choir entertained for her recently and presented her with a large crystal vase. Mrs. Scobie has been appointed organist at the Christian and Missionary Alliance church in Ottawa where a three-manual Casavant organ has been recently installed. The organ was dedicated on New Year's Eve, at which time Mrs. Scobie gave an organ recital. Mrs. Scobie was, for some time, organist in the local United Church.

FOR MISS HILDA GIBBONS

The Misses Joan and Ruth Watson and Marjorie Crummy were hostesses as a charmingly arranged miscellaneous shower, held at the home of Mr. and Mrs. Wm. Watson on Thursday evening last, in honour of Miss Hilda Gibbons, whose marriage took place on Saturday.

The address to the guest of honour was read from a dainty bridesbook by Miss Ruth Watson, while the presentation of a trilight lamp, several pieces of aluminum ware and other gifts was made by Misses Joan Watson and Marjorie Crummy.

Miss Gibbons replied to the address and thanked her friends for the beautiful gifts.

Over one hundred names were registered in the bride's book, which was designed by Miss Ann Carkner.

Home-made candy was served by the hosteses and Marilyn Serviss, while Joan Watson played softly on the piano.

MAXVILLE TEAM DEFEATS LOCALS 9-1

In a Central Ottawa Valley Intermediate Hockey Game, played at the local Arena last Wednesday evening, the Maxville Millionaires defeated Winchester 9-1. The lopsided score, however, was no indication of the play. The locals were just as fast and aggressive as the visitors, and had more shots on the nets than their opponents, but the breaks were all against them.

Maxville, by some of their plays, showed the effects of good coaching over a period of years, and their goal tender is a hard man to beat.

On the night's play the visitors, as a team, were the best, but we doubt if the players were, individually, as good as the Winchester pucksters.

The game attracted the largest crowd of fans to witness a hockey match at the local arena this season.

Winchester's lone counter was scored by Bert Locke, while E. Reesbick and Lefebvre netted two each for Maxville, with Ryan, W. Marshall, Pierce, Metcalfe and F. Guildon getting singles.

The line-ups were:

Winchester—Goal, N. Utman; def. D. Lannin and J. Lennox; centre, G. Crowder; wings, J. Kirkwood and G. Workman; subs., Hitsman, Boyd, C. Utman, Helmer, Locke, Levere.

Maxville—Goal, Christie; def. Lobb and Grant; centre, Reesbick; wings, C. Marshall and Metcalfe; subs., W. Marshall, L. Guidon, L. Guidon, Bissonette, Ryan, Courier, Raymond, Lefebvre, Pierce.

Officials—G. Cline, Maxville, and M. Scott, Winchester.
