First Snow Brings Reports Of Accidents

The first snow arrived last weekend and Winchester detachment of the Ontario Provincial Police reported a total of eight accidents. The most serious mishap involved a dump truck and a van and occurred on Highway 31.

According to the Police report the accident happened at the entrance to Garlough's Gas Bar and the vehicles involved were a dump truck owned by Ted Moran, Finch and driven by Terrence Elliott of Chesterville, and a van driven by Bruce Millar of R.R. 4, Winchester.

The big truck was not damaged but damage to the van was estimated at $2000.00 and Mr. Millar was admitted at Winchester District Memorial Hospital suffering severe cuts and bruises.

Other accidents were of a minor variety - - 4 on Thursday; 1 on Friday; 1 on Saturday and 1 on Monday.

Christmas Cheer Broadcast December 14th

Metcalfe and District Lions Club president Ron Isaac reports plans being finalized for the annual Chirstmas Cheer Broadcast which will take place this year on Saturday December 14th.

This is an event, directed by West Ottawa Lions Club with several area clubs joining in the project. The continued success of the fund-raising drive is made possible by the kind cooperation offered each year by Radio Station CFRA, and money is used to assure a happy Christmas for those less fortunate.

Howie James of the Metcalfe and District Club will co-ordinate the project at the local level.

Fiftieth Anniversary

Mr. and Mrs. Ernest N. Holmes, who celebrated their 50th wedding anniversary on November 26, 1974, were honoured on Saturday evening by their family, friends, neighbours.

A delicious turkey supper was served to over 60 members of their immediate family. A toast to the happy couple was proposed by Dwayne Holmes of Ottawa. Stuart Holmes was master of ceremonies for a program of readings and a skit of remembrance of these fifty years directed by daughters, Winnie Patterson and Betty Faith. Several paid tribute to the couple and both replied fittingly.

They were recipients of several gifts including a family tree. Greetings were received from the Prime Minister, Premier Davis, Don Irvine, M.L.A. and many others.

Ernest Holmes and Hilda Jackson were married in Winchester on November 26, 1924 with Rev. Hamilton officiating. Gerald and Ruth Howes were their attendants. They have nine children, four daughters and five sons, 36 grandchildren and six great grandchildren, most of whom were present for this occasion. Press Staff Photo

All Candidates Meeting Exercise In Tranquility

The candidates were all present at last week's all-candidates meeting and approximately 200 interested ratepayers gathered at the Public School gymnasium possibly anticipating some of the old fire that used to be so much a part of nomination meetings.

But they were disappointed. The entire meeting was conducted with such an air of tranquility that one might have expected more fiery orations at a church meeting.

NO CONTROVERSIAL ISSUES

It seemed obvious from the beginning there were to be no genuine controversial issues with candidates taking firm but opposite stands and, although chairman George Elliott injected a much-needed touch of humour from time to time, most candidates read from prepared notes and all exerted extreme caution regarding campaign promises.

Reeve Walter Shadbolt, seeking another term in office, outlined the accomplishments of the retiring council. Mr. Shadbolt said he was well aware he must accept the blame for all the 'wrongs' but went on to outline the village improvements during his term as Reeve. He pointed to road and sidewalk repairs; street signs; new truck; new fire fighting equipment and renovated town offices.

"Winchester", he said, "now is among the best equipped fire departments in Eastern Ontario".

Mr. Shadbolt termed rumours concerning clerk-treasurer as "malicious gossip". He told the large crowd that Mr. Annable was well satisfied and had never registered complaints.

The Reeve, however, was not happy with the progress being made on Main and St. Lawrence Streets. He referred to the construction firm as being "third rate" but said he expected paving to be completed "by Monday".

Regarding the extension of sewers outside the village limits he emphasized that he would not approve such a move unless positively assured such a project would not increase the village tax rate.

Mr. Shadbolt promised, if re-elected, that such items as the day care centre, senior citizens housing and by-pass lights and signs would be high on his priority list.

LAWRENCE GRAY

Deputy Reeve Larry Gray who is opposing Mr. Shadbolt told his listeners that he felt he could make a valuable contribution to the village.

Noting that the population of the village has now reached the 1,700 figure he said the town was now in a position to assume leadership in all fields and he cited business, industry and possible regionalization in the near future.

Dr. Gray mentioned the recent approval of an L.I.P. grant for the village and said he hoped the money would not only help improve the Community Park but also assure park facilities at the East end of the village.

BASIL DAWLEY

Basil Dawley, the third candidate for the position of Reeve, expressed the opinion that much more money in the form of grants is available from both Federal and Provincial governments.

"But", he said, "they won't give us money unless we ask."

Mr. Dawley said he was very concerned that a greater effort was not being made to induce more industry into the area. "All too many of our young men and women", he said, " are leaving because there is nothing here to attract them". He went on to say that, in his opinion, what was good for Winchester was, in turn, good for Eastern Ontario and for that reason would be assured governmental support.

DEPUTY REEVE HOPEFULS

Councillor Keith Marquette, seeking his first term as Deputy Reeve briefly reviewed his activities as Councillor and told his audience that, if elected, he would propose legislation that would assure better street lighting and improved sidewalks. Like Reeve Shadbolt, he assured ratepayers he would not agree to having the sewer line extended into the township unless guaranteed no increase in village taxation. He too spoke of park facilities on the East side of town.

Melvin Vice, a newcomer, opposing Mr. Marquette for the position of Deputy Reeve, suggested the present council had been lax in not applying for an L.I.P. grant and hinted other money might be available if requests were submitted.

Mr. Vice outlined his qualifications stating he had served on most community organizations and was very familiar with the problems facing municipal councils. He said one of his priorities, if elected, would be the appointment of a by-law officer.

"By-Laws", he said, "are of no value if not enforced."

COUNCILLORS

Because all three seats on council were filled by acclamation the three councillors cut their remarks very short. Councillor Bob Carkner did mention that he hoped to work toward further beautifying the village and cited Henderson Creek as one area of concern. Newcomers George Armstrong and Joel Steele both promised to work diligently and justify the trust placed in them.

Chairman Elliott allotted time for questions from the floor but only a very limited number were aired and all were fielded expertly by those seeking office.

Continues Study Day Care Centre

Winchester Wesleyan Methodist church may be interested in conducting a Day Care Centre in Winchester. Council revealed this week that the church is presently negotiating with government social services to determine the feasibility of such a project. At the same time Council said that although the response to the questionnaire regarding a Day Care Centre in Winchester was not as good as had been anticipated the matter is being studied and will be carried to a successful conclusion "one way or another."

Council is still interested in having this facility for the village and will do everything possible to make it a reality either under direct village jurisdiction or by an individual group such as the church in mention.

At the most recent meeting of Council a request by the Chamber of Commerce for $600.00 in financial assistance was given careful consideration. Mindful that the village government had contributed $150.00 to the Chamber recently for the annual Christmas program Council agreed to contribute another $150.00 at this time, and to leave the matter open to further review.

Council revealed that insurance on the town garage, former curling club building on York Street, had been increased to $25,000.

Council is still pondering the possibility of purchasing the old Post Office building. No decision has been reached on the matter and it is understood that the federal government department in charge is anxious to have a decision reached as soon as possible. Although the purchase price has not been made known it is understood that the federal people are asking the town $35,000 for the building. Council has yet to come up with a definite use for the building and until that time arrives it cannot realistically make an offer.

35 Senior Citizen Housing Units For Winchester ?

It's still not definite but there is great anticipation that Winchester may get as many as 35 Senior Citizen housing units. Much of the detailed work is being carried out with the provincial department of housing and Council at its Monday night session was optimistic that the Senior Citizen housing picture looked good.

In addition to an initial 30 to 35 units it is also possible that there may be another 30 or so back-up units if needed. This is still in the preliminary stages and no member of council was ready to commit himself as to the eventual outcome. Official word on Senior Citizen housing for Winchester will come from Toronto when a final decision is reached. Council also explained that at this date no necessary lands had been made available for such a project although one or two blocks of property are being considered, it is understood. Council said that it would make all pertinent details known as soon as they become available.

It was also revealed at Monday night's meeting that a slight windfall would be coming in Winchester's direction as the result of an additional $2700.00 in equalization, stabilization and per capita grants from the provincial government. Accounts passed for payment included: $36,610.00 for the municipality, $20,273.00 for Hydro and $1,097 for water.

Further discussion was given the possibility of purchasing a new snow plow for Winchester sidewalks although no definite decision was reached. Council has also received a tentative price in the amount of $6,100 for lighting installations running from the by-pass to the existing standards at the south and west entrances to the village. Council is approaching the township and the Department of Transportation and Communications to determine how the costs could be shared.

Christmas lighting is proceeding on schedule and Council said that the new sub station at the north side of Centre Street would eventually phase out the use of the old sub station near the CPR tracks. The new station has three major feeder lines and its purpose is to assure better distribution of hydro electric power to Winchester consumers.

Consideration is being given the purchase of a new, clearer and more powerful siren to be installed in the village at a location other than the Town Hall.

In statistics presented from the Recreation and Community Centre Boards it was learned that the recreation complex is working within its current budget. The complex works on a planned budget of $23,000 this year plus the use of revenues.

A new by-law concerning the creation of a Volunteer Fire Department, especially new rules and regulations, was held over to a future meeting for more study.

Council endorsed the Ontario Hydro curling bonspiel which will be held later in the season this year at Winchester Curling Club.

Council also endorsed a motion by March township which would regulate the size of glass containers for recycling and reusable purposes.

Snow removal in the village this winter will again be looked after by the Redmond firm. Plowing will be done by Arden Holmes. Both facilities were used last year in the clearing of snow, and council said they were satisfied with the work of both firms.

Centurians Entertain Ladies

Members of Winchester 100 Club entertained their ladies at the Community Centre Hall last Saturday night when all enjoyed a delicious banquet, an interesting program, and ended the evening dancing to music provided by disc jockey Gordie Clark of Brockville.

Guests were welcomed by club president Bill McRoberts and Fred Cass served as Master of Ceremonies.

Walter C. McDonald, in his usual hilarious manner, proposed a toast to the ladies which was very capably replied to by Mrs. Cecil Simpson.

Emphasis during the entire evening was in keeping with a Scottish theme in honour of St. Andrew, and piper Bill Stewart along with his son Bill Jr. provided appropriate music much to the delight of all present.

Sheila St. Pierre, daughter of Mr. and Mrs. Lyle St. Pierre, also brought back pleasant memories to those who remembered the heather-covered hills of Scotland with her delightful highland dancing.

Chesterville Rotary Club was represented by Mr. and Mrs. Ian McIntosh and Mr. and Mrs. Jim Helmer brought greetings from Winchester Lions Club.

Catering for the special occasion was under the direction of Porteous Catering Service, Vernon.

Record 1300 Voters Could Cast Ballots

More than 1300 voters, an all time record high for Winchester, are eligible to go to the polls next Monday, December 2. Voters in Winchester will be asked to elect a Reeve and a Deputy Reeve.

All three positions on Council were filled by acclamation as was the district's representative on the Stormont, Dundas and Glengarry School Board. Members of the new Council are, incumbent Robert Carkner, George Armstrong and Joel Steele.

Seeking the office of Reeve are incumbent Walter Shadbolt, Larry Gray and Basil Dawley. Melvin Vice and Keith Marquette will square off in a straight two-way fight for the Deputy Reeve's chair.

Voters residing on the north side of Main Street will exercise their franchise at the residence of Mrs. Floyd Armstrong, 528 Main Street West while voters residing on the south side of Main Street will vote at the former Duncan Store premises, now vacant, at the corner of St. Lawrence and Caleb Streets.

Polls will open at 11 a.m. and close at 8 p.m. Turnout at the Advance Poll last Saturday was reported light by Returning Officer Raymond Annable.

Municipal elections are also being held in Winchester, Osgoode and Matilda Townships.

Safe Driving Week Begins December 1st

With "Safe Driving Week" (December 1st - 7th) now firmly established in the public mind - and it is Canada's longest running and best known safety campaign - there will be someone asking if these safety campaigns are really effective.

They are; and the Canada Safety Council has some figures that prove it!

Seventeen years ago Safe Driving Week was just a dream. The first week in December was selected partly because of its significance at the start of the winter and holiday season, but also because seventeen years ago, December had the worst for traffic accidents and fatalities in Canada.

As the mass media gave their willing support to the campaign, numerous community agencies became involved in safe driving week projects, and greater interest was taken at all levels of government, the driving public became gradually more aware of the hazards, with the annual barrage of reminders. The number of fatalities in the month of December began to drop. By 1972, seven months of the year had worse records for traffic fatalities, and six months have worse injury records.

On the other hand, December still leads the number of total property damage accidents by a wide margin, suggesting that more accidents happen at slower speeds and probably closer to home as drivers once again try to accustom themselves to wintry conditions. Each property damage accident is a potential for a personal injury or death.

For this reason the Canada Safety Council asks everyone to drive the way he'd like others to drive, and to place special emphasis on keeping one's living room in front of the vehicle.

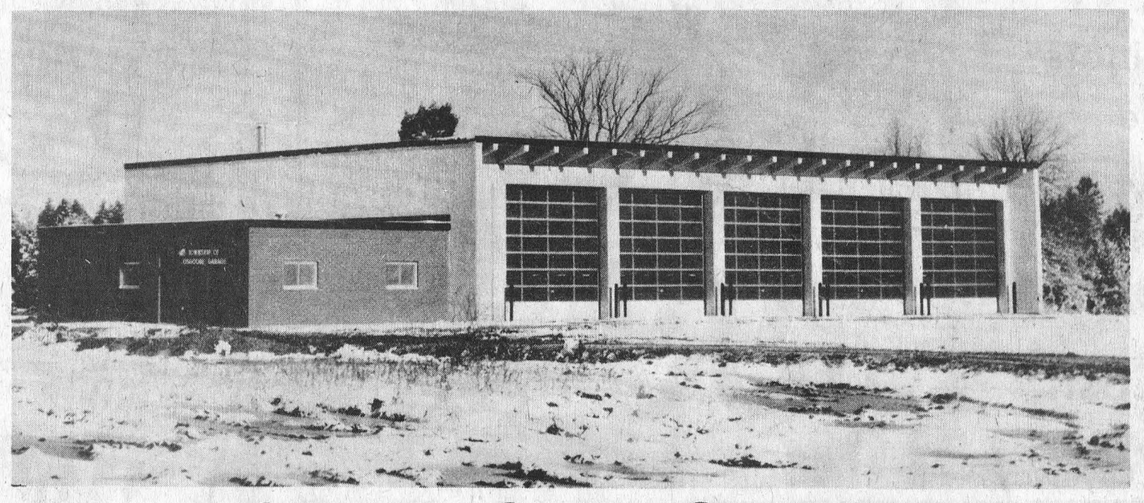
Safety campaigns DO work; unfortunately, they don't work for very long, and by the time the next "Safe Driving Week" comes along, many drivers will have forgotten the messages of this one. The Canada Safety Council is consequently grateful to the many thousands of Canadians who help to renew the message annually.

Cubs And Scouts Investure Night

Monday, December 2nd will be investure night for Winchester Cubs, Scouts and their Leaders. The special ceremony will be at the Public School gymnasium and all parents, as well as the general public, are cordially invited to attend.

Many more volunteer workers are required and those who feel they can be of assistance are urged to contact Mrs. Marion Carkner at 774-3516.

A fund has been set up to assist the five Scouts from the area who will be travelling to Norway and donations are now being accepted. Cheques should be made payable to St. Lawrence District Scouts (Norway Fund). The boys selected to represent the district are John Barnard, Spencerville; Christopher Doyle, Winchester; Bob Fowler, Iroquois, Mark Hopson, Kemptville; and Ron Sayant, Cardinal.



Officially Opens Saturday

Osgoode Township's new, ultra-modern garage complex will be officially opened this Saturday (November 30th) when ratepayers will have an opportunity to inspect the spacious facilities.

Located on Scrivens Drive, two miles West of Metcalfe, it is centrally located to better serve the entire township. Set well back off the road it provides plenty of parking space for heavy equipment, and when landscaping is completed next spring will be an attractive additon to community development.

Reeve Dr. W.A. Taylor expects many dignitaries will be present for the official opening ceremonies at 3:00 p.m. Both M.P. Walter Baker and newly-elected M.P.P. Paul Taylor will be on hand, as well as many dignitaries from the Ministry of Municipal Affairs and Ministry of Transportation and Communications.

The building will be open for inspection from 2:00 to 4:00.

Reeve Taylor reports that the structure at Metcalfe formerly used for a garage will now be made available to the Metcalfe Fire Department allowing ample space for all equipment.

Fire Chief Peter Griffin expressed satisfaction with this move since it will now be possible to house the new pumper, tanker and emergency unit at one location.

Press Staff Photo

Write Then Talk

Mr. and Mrs. Wilmer Hamilton of Russell visited the British Isles during the summer months and a highlight of the occasion was the first meeting of two people who had been corresponding, as 'Pen Pals', for 28 years.

Mr. and Mrs. Hamilton showed slides of their interesting trip at the regular meeting of North Russell W.I. last week.

Another highlight of the meeting was the presentation of a certificate and bar to former district president Mrs. Percy Graham. Mrs. Graham had received a Life Membership in April.

President Mrs. Richard Morrow presided and Wendy Lowe entertained with songs to her own guitar accompaniment.

Hub Of Senior Citizen Activity

Drop-In Centre

November skies may be overcast but there is always sunshine and happiness in our Centre. Betty Taylor and Irene Cunningham will be happy to greet you there this week, as they are hostesses.

We were fortunate to have a nurse visit us recently to help soothe our aching feet. A bus load of television enthusiasts enjoyed the taping of the show It's Up to You at C.K.O.Y. studio recently. Watch your television set to see many happy faces of your Osgoode friends.

Interest is shown in our crafts. A new quilt is ready for those interested in quilting. The men are making plans to begin their wood carving in their new room this week. The art students have completed their first project, and will begin work on a winter scene. Several leather purses have been completed and beautiful pictures created from yarn are ready for Christmas gifts.

Plans are being made to enjoy an afternoon of bowling. This should provide much fun as one lady has already requested that we allow her to use both hands to handle the ball. Results of the game will be announced later.

Several availed themselves of the opportunity to begin their Christmas shopping when the first shopping trip was made to Carlingwood. The next trip will be in the first week of December.

We were pleased to welcome friends from Manotick and Greely at our party on Friday. After enjoying our noon lunch some time was spent playing Euchre and other games. The lucky ticket winners were - Ann St. Jean, Irene Cunningham, and Harold Saunders. Thanks Martin and Eva for the new game you provided for the Centre.

Our faithful Music Makers entertained us. Some members displayed their skill in producing music with a wash board, spoons, a comb etc. The afternoon would not be complete without our singsong led by Ann St. Jean and later dancing was enjoyed by some of the group. It does one good to laugh and have fun while playing games we enjoyed a few years ago. That is just what we did that Friday afternoon.

Lunch was served and the singing of Auld Lang Syne ended a very happy day at our Centre. See you there next week!

BIRTHS

On Tuesday, November 19, 1974, Mr. and Mrs. Roy Sauve, Chesterville, Ontario, a son.

On Tuesday, November 19, 1974, Mr. and Mrs. William MacLean, R.R. 1, Finch, Ontario, a son.

On Friday, November 22, 1974, Mr. and Mrs. Robert Ball, Winchester, Ontario, a son.

On Friday, November 22, 1974, Mr. and Mrs. Harry Loucks, Brinston, Ontario, a daughter.

On Sunday, November 24, 1974, Mr. and Mrs. Robert Mattice, Morewood, Ontario, a son.

Of Interest to Women

Winchester Springs UCW

The November meeting of Winchester Springs U.C.W. was held at the home of Mrs. Mac Davidson. Mrs. Dalton Robinson presided and opened the meeting with a poem on "Time", followed by prayer and the Lords prayer in unison and twenty one members answered the roll call. Everyone was reminded to have their dime calendars in for December meeting.

Mrs. Dalton Robinson dedicated the offering. An interesting item on Stewardship. "Who Are You?" was given by Mrs. Jack Bolton. The nominating committee is to have the new slate of officers for next month.

The Devotional Service was in charge of Miss Evelyn Walker, ably assisted by Mrs. Joe Davidson and Mrs. Mac Davidson, Miss Walker opened the meeting with "Remembering the Message of the Cenotaphs" a story "The Boy Angelo and the Robbers" was ready by Mrs. Joe Davidson. Scriptures were read by Mrs. Mac Davidson. Everyone participated in responsive readings. Hymn 401 was sung. A poem was given by Miss Evelyn Walker.

The meeting closed with the Mizpah Benediction. A delicious lunch was served by the committee. A social hour followed.

St. Peter's U.C.W.

The November meeting of Williamsburg U.C.W. was held on Wednesday evening in the Church Hall, with 12 in attendance. The president, Mrs. C. McIntosh opened the meeting with the Roll Call, which was answered with a verse of scripture containing the word "world".

Mrs. Donald Hess gave the treasurers report, and the president reported that 18 "Klenli Kits and Six Activiti Kits" have been sent away.

Members were reminded that the December meeting will be held on the second Wednesday in December, in conjunction with the Church Council meeting.

It was decided that the money from the Thankofferings be sent to "Share".

Mrs. Emerson Harriman was in charge of "Fellowship of the Least Coin", with the reading Steadfast Obedience".

The program "Christian Women around the World" was presented by Mrs. Emerson Harriman, Mrs. Charles Whitteker and Mrs. Bernard Whitteker", under the headings, "The Story of Nami", "The Story of Prima", and "The Story of Marie".

The scripture was read by Miss Nina Casselman and four hymns were sung.

The meeting closed with the Missionary Benediction.

Overseas Missionary Speaks At Edwards

On Tuesday, Nov. 12, the Women's Missionary Council of the Edwards Pentecostal church were honoured to have Miss Ruth Stanley as guest speaker for the evening.

Mrs. Glenn Rodney; President, was in charge of the meeting; which was well attended, including many visitors from the Kenmore, Metcalfe, Greely and Edwards area.

Miss Stanley a former resident of the area, now home on furlough serves as an overseas missionary to the Congo.

Miss Stanley dressed in the native costume of the Congo showed slides and gave a very interesting talk on her work there. She told of some of their achievements as well as the difficulties and problems they face. Following her talk she answered several interesting questions from the floor.

The meeting was closed with the singing of the Doxology.

Light refreshments were served and a time of fellowship enjoyed by all.

A. Montroy Celebrates 75 Years

More than fifty relatives, friends and neighbours gathered at the home of Mr. and Mrs. Alex St. Pierre last Saturday to honour Alex Montroy who was celebrating his 75th birthday.

Visitors were present from Alberta, Brantford, Gatineau Point, Brockville, Kemptville, Mountain, Cornwall, Green Valley, Marionville, Inkerman and Winchester.

Mr. Montroy is the father of Mrs. Alex St. Pierre (Ann May), Winchester; Stella of Inkerman; Mervin, Gatineau Point; Robert, Brockville and Eugene of Inkerman. He has ten grandchildren and one great grandchild.

Mrs. Allen Beckstead

The death occurrred in Winchester Memorial Hospital on Saturday November 16, 1974 of Mrs. Mary Emmogene Louise Beckstead beloved wife of the late Allen Beckstead.

Mrs. Beckstead was born in Morewood, Ontario, in 1881 a daughter of the late Mr. and Mrs. Geo. Forrester.

Seventy three years ago she was united in marriage to the late Ralph Allen Beckstead. For many years they farmed at Glen Becker moving to Morrisburg following retirement. In later years she liked to keep busy and enjoyed visiting with the family, grandchildren, as well as her friends and neighbours. In faith she was a member of the United Church.

For the past five years Mrs. Beckstead had made her home with her daughter, Mrs. Harold McIntosh at Chesterville, R.R. 2. Although she dearly loved going to her own home, if only for a short while.

Surviving are three sons, Kenneth F. Beckstead of Morrisburg, Donald H. Beckstead, Merlin, Clinton M. Beckstead of Alliston, one daughter Jean, Mrs. Harold McIntosh of Chesterville, eight grandchildren, nine great grandchildren and one great great grandchild. Two brothers, William and Curtis Forrester, both of Morewood predeceased her.

Funeral services for the late Mrs. Beckstead were held at the Fairburn Funeral Home. Morrisburg with Rev. Charles Massey, minister of Morrisburg United Church officiating. Interment was at Mount Pleasant Cemetery.

Acting as pall bearers were Fred Cunningham, Gordon Mulholland, Hugh Jarvis, Arthur Edgerton, Reginald Barkley and Donald Kyle.

The many floral tributes and sympathy cards manifested the esteem in which Mrs. Beckstead was held.

Minister To Deaf Addresses Canadian Club Membership

"Count your days and make them count. You will be a better person if you do", said Rev. Robert Rumball at a recent meeting of the Morrisburg and District Canadian Club. Following his outstanding address he was given a standing ovation by members and guests.

Rev. Rumball, a former Canadian football star, has been minister to the Church of the Deaf in Toronto since 1956. At that time he was the only full-time minister to the deaf in Canada. He said that the deaf have been treated as a minority group for years and were discriminated against by service and government alike.

"To-day in the province of Ontario the deaf are better off than any place in the world," he stated. His church members own and operate their own camp and all board members are deaf.

Stating that he receives requests from the United Nations to assist with programs in other countries he related incidents from his wide experience. Commenting on the fact that only since this year, 1974, deaf people can become teachers in the schools for the deaf, he said that since 1904 people were working to this end. "There was no choice as the government was being forced."

"For years the Ontario Hospitals were dumping grounds for all problems. If the institutionalized don't get help they can be there for the rest of their lives", Rev. Rumble emphasized. "Only because someone has made their days count will the institutionalized be helped."

He said that the members from the Church of the Deaf are providing the responsible leadership and are not too proud to ask for help in the work of the deaf.

Rev. Rumble said that he is proud to be a Canadian, live in Ontario and to be associated with people who make their days count. Relating several of his experiences he commented that all symbols can be destroyed but all relationships go on and are not destroyed.

In his experience he said that he has met many people who give of themselves just for the challenge of the job and not the price tag put on it. In closing he said that we must have priorities and give a consistent standard. "Teach us to number our days so we can make it a good kind of world to live in. May you have many days in your life and life in your days."

Vice-president Bill MacDonald thanked the speaker and presented him with a cheque for the building program for the new Ontario Community Centre for the Deaf which will provide many services and facilities for the deaf who otherwise have none of these benefits.

Reeve Earl Baker of Morrisburg paid tribute to the retiring reeve of Matilda Township, Mahlon Zeron, who has served 27 years in municipal politics. Replying to Reeve Baker's remarks, Reeve Zeron said that there should be more interest shown in municipal elections and in municipal politics. He urged everyone to get out and vote on Monday, December 2 in their respective areas. Dr. Graham Houze presided for the meeting.

District Mourns Passing Of Howard Porteous

Vernon and the entire district paid final tribute last Saturday afternoon to a very highly respected businessman who had served the community faithfully and well for over sixty years.

Howard W. Porteous, who died at Winchester District Memorial Hospital on Thursday November 21st, at the age of 78 had spent a lifetime in the merchandising business, and four generations of shoppers were familiar with the friendly Vernon merchant.

But Howard Porteous was more than a merchant. He loved Vernon and the farming area surrounding the village, and was never too busy to offer his service to all church and community organizations.

The late Mr. Porteous was born and raised in close proximity to a country store and while still a teenager, along with his twin brother, the late Wilfred Porteous, he joined his father in business.

Despite the steady growth of the firm Howard endeavoured to maintain the country store atmosphere and customers were always greeted with a friendly smile.

Although ill health forced him into semi-retirement a few years ago he visited the store as often as possible to meet and chat with old friends and make new ones.

Late Howard Porteous

ACTIVE CHURCH WORKER

The late Howard Porteous was a devout member of Vernon United Church where he was an Elder, and in his younger days was keenly interested in sports. Photos of Vernon hockey teams taken many, many years ago show him proudly wearing the Vernon colours. When the first curling rink was erected at nearby Metcalfe both he and his late brother Wilfred watched the activity with enthusiasm and soon became active members. He fondly remembered participating in the old 'Central Canada Bonspiel', then the biggest in the entire district. "And once", he loved to reminisce, "our rink reached the Manuel Cup finals."

In later years he was unable to continue as an active curler followed the sport with extreme interest as his nephews kept the Porteous name in the forefront of the game.

POST MASTER

The familiar Porteous Store at Vernon has always served a dual purpose - general store and Post Office. And the late Mr. Porteous served as Post Master until his retirement only a few years ago, at which time his nephew Bill was appointed to fill the position.

Born at Marionville, a son of the late Wm. J. Porteous and his wife the former Catherine Elizabeth Hall, he was educated at district Public and High school and began his business career while still a teenager.

He is survived by his wife, the former Laura Duncan. His first wife, the former Beatrice Robinson predeceased him several years ago. One sister, Mrs. Lola McIlveen of Cardinal also survives. He was predeceased by brothers Wilfred and Murray.

The funeral service at Vice and Craig Ltd. Funeral Home, Metcalfe was conducted by Rev. F. Stone at 2:00 p.m. on Saturday November 23rd. Pall bearers were Bill Porteous, Roy Porteous, Bill Morrison, Victor Kennedy, Hugh McMaster and Len Porteous. Interment was at Springhill Cemetery.

Friends will remember the late Howard Porteous best in the setting shown in accompanying photo with well-filled shelves in the background and the ever-present welcoming smile.

Press Staff Photo

People Helping People

Press For Legislation

Children suffering hormone deficiencies will be helped by a resolution passed recently by the Ontario Hospital Association.

The O.H.A. intends to ask the Provincial Minister of Health to amend or pass legislation that will allow removal--without the consent of the next-of-kin--of the pituitary gland during a post mortem examination.

There is currently a severe shortage of the glands which are needed to treat the approximately 200 children in Canada who would otherwise not grow normally. Treatment is being curtailed at the moment, due to the shortage of the necessary glands which cannot be manufactured.

REGIONAL MUNICIPALITY OF OTTAWA-CARLETON

OFFICIAL PLAN

On October 9, Regional Council adopted the Official Plan for the Ottawa-Carleton planning area which encompasses the cities of Ottawa and Vanier, the Village of Rockcliffe Park, and the Townships of Cumberland, Gloucester, Goulbourn, March, Nepean, Osgoode, Rideau and West Carleton. The plan has been submitted to the Ontario Minister of Housing, the Honourable Donald Irvine, for approval.

The Official Plan sets out the policies which Regional Council will implement to accommodate the anticipated growth of the region. These policies are in effect while the Official Plan is before the Minister of Housing for approval.

Citizens wishing to study the plan may view a copy at any public library or municipal office within the region.

General inquiries concerning the plan should be made at the community office of the Planning Department, 222 Queen Street, 11th Floor, or by phoning 563-2646 or 563-2645.

Copies of the Official Plan will be available for sale to the public at $10 per copy as of December 4, 1974, at the Storefront Information Office, Regional Municipality of Ottawa-Carleton, 226 Queen Street (near Bank Street).

URGENT .... REQUIRED FOR DECEMBER 2nd
Never before has there been a time in the history of Winchester and Winchester Township when the urgent need for sound leadership in our municipalities has been more prevalent than it is to-day due to the inflationary trends effecting ALL business people, ALL Consumers and ALL of our taxes. What problem now facing the people in the business of farming will not in the end effect ALL of our lives whether we are buying or selling? Think ALL! Think wisely. We need your vote on December 2nd. Vote as you please . . . but please won't you vote? (This advertisement placed by Mr. and Mrs. C. Harrison, Ormond General Store). 31c

Cards of Thanks

CARD OF THANKS—We wish to express our sincere thanks to our neighbours and friends for the many acts of kindness, beautiful floral offerings, and expressions of sympathy, extended to us during our recent loss of a dear Father and Grandfather J. Irwin Fraser. Your kindness will always be remembered.
—Don and Elaine Hall. 31c

CARD OF THANKS—I wish to say, "Thank You", to our friends, neighbours and relatives who in so many ways assisted us during my stay in Winchester District Memorial Hospital. To Rev. Moore, Rev. Maxted, and Rev. Jackson for their calls. Special thanks to Dr. Barton and Dr. D. Justus, the nurses and staff of First Floor for their professional care. It is all very deeply appreciated.
—Mrs. Gordon Cleland. 31p

CARD OF THANKS—I wish to express my gratitude to Dr. Slowey for his attention and care during my recent stay in Winchester District Memorial Hospital. A tribute also to the friendly nurses and staff of the 2nd floor. Many thanks to the Osgoode Baptist and Vernon United Church for the beautiful plants. I also appreciated the flowers and gifts from relative and the many beautiful cards from friends and neighbours. I would like to mention especially the cards from Vernon and District Gay Nineties Club, the W.A. of our local church and members of the Vernon Womens Institute.
—Sincerely Ruby Sheldrick. 31c

CARD OF THANKS—Sincere thanks to all the friends, and neighbours for cards, letters, telephone calls, visits and treats after my accident. They are all very much appreciated and will always be remembered. Special thanks to Dr. Chande, Nurse Fisher and the nurses and attendants in Emergency at The Winchester Hospital.
—Mrs. G.L. Barclay. 31c

CARD OF THANKS—Beckstead Mary - We would like to thank everyone for their kindness, flowers, cards and donations. Dr. Houze, Dr. H. Justus, nurses and staff on the 2nd floor at Winchester Memorial Hospital for their kindness for looking after a dear mother, the pallbearers for their kind help. Consoling words of Rev. Massey and Rev. Duquette and Fairburn Funeral Residence. We sincerely thank you all for your kindness.
—Kenneth, Donald, Clinton an Mrs. Harold McIntosh (Jean). 31c

CARD OF THANKS—We wish to thank our family, relatives and friends who honoured us on our 50th Anniversary with gifts, flowers, cards and best wishes. Special thanks to the United Church for the beautiful gift and to Unit 5 of the U.C.W. who served such a delicious supper. These memories we will always cherish. 31c

CARD OF THANKS—I would like to thank friends and neighbours for cards and visits while I was a patient in Winchester District Memorial Hospital. Special thanks to Dr. Morrow and Dr. Prims and the nurses on second floor.
—Clifford Davidson. 31p

CARD OF THANKS—I wish to thank my friends and relatives who sent cards and visited me while I was a patient in Winchester District Memorial Hospital. Special thanks to Dr. Barton and nursing staff on first floor, and also to Rev. C. Jackson.
—Nelda Strader. 31p

CARD OF THANKS—We wish to express our sincere thanks to everyone who remembered us with kind words of sympathy, cards, plant and dish garden in the death of our dear Dad, George H. Capnerhurst.
—Ivy & Russell Arbuthnot. 31p

CARD OF THANKS—Many thanks to friends and relatives who remembered me with cards, gifts and visits while I was a patient in Winchester Hospital. Special thanks to Dr. D. Justus, Dr. Barton and first floor staff.
—Greg Chamberlain. 31p

CARD OF THANKS—We would like to say thank you to those who were so kind and thoughtful during the recent illness and death of a dear father and grandfather, William Prunner. Special thanks to Dr. H. Justus, staff of second floor Winchester District Memorial Hospital, Rev. W. Mack and Rev. J. Weaver. Also to those who sent cards and to those who contributed flowers or memoriams. These many kindnesses will never be forgotten.
—The Prunner Family. 31c

CARD OF THANKS—I wish to thank all my friends, neighbours and relatives for cards, visits and gifts. Special thanks to the nurse and doctors on the first floor for their wonderful care and Rev. Duquette, while I was a patient in the Winchester District Memorial Hospital.
—Lorne Hogaboam. 31c

Cards of Thanks

CARD OF THANKS—We wish to express our sincere thanks to neighbours, relatives, and friends for flowers, contributions to Heart Foundation, and other donations, for your cards of sympathy extended to us during our recent bereavement in the loss of a loving wife and dear sister-in-law. Special thanks to Rev. Boehmer and Vice and Craig Funeral Directors.
—Ivan, Edith and Grace. 31p

CARD OF THANKS—I would like to express my sincere thanks to all who remembered me with cards, flowers, treats and all who visited me while I was a patient in Winchester District Memorial Hospital. Special thanks to all the nurses and staff of First Floor and First Floor East and Rev. Joyce who made several calls to see me. These acts of kindness will long be remembered and appreciated.
—SIncerely, Mrs. Elizabeth Holliday. 31c

CARD OF THANKS—We would like to say thank you to our many friends and relatives who sent cards gifts and flowers also to all who called at our home on the occasion of our 45th Wedding Anniversary. Special thanks to our family who gave us a wonderful reception in the evening and to our nephew who so kindly gave of his time to take pictures. This is a time we will always remember.
—Pearl and Dawson Levere. 31p

CARD OF THANKS—We would like to express our sincere thanks to relatives, friends and neighbours for their acts of kindness during the recent bereavement of a dear husband, brother and uncle, Howard Porteous. Also many thanks for the floral tributes, donations to the Heart Foundation, Cancer Society, Canadian Bibly Society, Hospital Memorial Fund and to Rev. F. Stone, staff of Winchester Memorial Hospital, the staff of Vice and Craig Ltd., Funeral Homes. Also to Rev. George Tattrie for his calls. These kindnesses will long be remembered.
—Mrs. Howard Porteous. 31p

Cards of Thanks

CARD OF THANKS—I wish to express my sincere thanks to Dr. Morrow, Dr. Dwayne Justus and the surgical staff, also all the staff on the first floor of the Winchester Memorial Hospital for such great care. Also thanks to Rev. C.H. Dawes and all that paid visits and sent cards.
—Stewart Stanley
Edwards, Ontario. 31p

IN MEMORIAMS

BROWN—In fond and loving memory of my little son and brother, who passed so suddenly away November 30, 1950.
Take him in thine arms, dear Lord
And ever let him be
A messenger of love
Between our hearts and Thee.
—Always loved and remembered by Mother, Brenda and Beth. 31p

Built With Future In Mind

There seems little doubt that ratepayers building schools in what we now like to call 'the old days' built them with an eye to the future.

The stone school shown in accompanying photo was erected around the turn of the century and the solid stone structure, now transformed into a home, is still as sturdy as when stone masons viewed their handiwork with approval.

The photo, courtesy of H.C. Latimer of Winchester, was taken in 1911 when Mr. Latimer (8th from left in back row) was one of the pupils. Located two concessions north of Metcalfe Village, the one-room school was one of the many dotting the countryside at that time. "Time", says Mr. Latimer, "tends to dim the memory and there are a few faces I don't recognize and maybe some reader will."

Extreme back row: Miss Gwen McMurtry (teacher); Arthur Cooper and Howard Warren.

Back row, left to right: Elizabeth Morrison, Vereinia Varley, Rachel Cooper, Mary Morrison, Ruth Cooper, - - - - -, Hattie Wallace, Mr. Latimer, E. McDowell, Herman Wallace, Fred Wallace, G. Sandles, Ernest McDowell, Roy Waddell, George Wallace.

Front row, left to right: Sadie Whiteside, Emma Morrison, Edith Elliot, Lillian Waddell, L. Cooper, Ella Cooper, Millar McCooeye, David McCooeye, - - - - -, J. A. Waddell, Z. McCooeye, Alfred McCooeye, Alex Elliott, J.R. Whiteside.

The four boys between front and back rows are, left to right: - - - - - -, Sam McCooeye, Fred Whiteside, Irwin Wallace.

Mr. Latimer hopes someone will be able to fill in the blanks, or possibly correct him if he has erred in identifying his former school friends.

More Practical Training Required

Concern was expressed at the Ontario Hospital Association convention, held recently in Toronto, over the new 2 year programme of nursing training offered by the Community Colleges.

Some delegates felt that new graduates of the programme, because of their lack of clinical experience, need additional orientation and hospital experience before they are able to function competently at the level expected of a registered nurse.

Accordingly, a resolution was passed calling for increased emphasis on clinical training for nurses before they become qualified.

Western Games Pony, 9 year old gelding, known as "Russell Road Runner". Winner of 82 ribbons mostly firsts and seconds. Winner of 4 high point trophies, 1973-74 season. Winter's Warning

Winter served its first official warning in the dark hours of last Friday morning, and the district awoke to find a blanket of snow had transformed the bleak, late fall, landscape into a scene of sparkling beauty.

Roads were icy and driving conditions hazardous with the result that many minor accidents were reported.

But far from busy highways the picture was one of beauty with naked trees shrowded in white and ponds covered with a gauze-like sheen of ice.

It was a scene of beauty but also a warning that winter is coming and Christmas only a few short weeks away.

Press Staff Photo

Senior Citizens Enjoy St. Lawrence Parks

The Province of Ontario's policy to make available the free use of its recreational resources to Canadian Senior Citizens, by offering a variety of recreational opportunities, has won wide approval.

Introduced in 1973, this program, the only one of its kind in Canada, has made it economically possible for thousands of Senior Citizens to enjoy the many recreational options of Ontario including those of The St. Lawrence Parks Commission.

During 1974 Senior Citizens enjoyed 6,326 camper days in Commission campgrounds, as well as 8,000 visits to Parks day use facilities. Nearly 15,000 Senior Citizens visited Upper Canada Village and over 2,000 at Old Fort Henry.

The Commissions 2,500 campsites conveniently located in 14 major campgrounds along the St. Lawrence River, each with large fully serviced adjacent day use areas, complement Upper Canada Village and Old Fort Henry, in offering to Senior Citizens scope and variety for their recreational preferences and hopefully contributing to the quiet enjoyment of their leisure time.

The Parks Commission is pleased to play its part in the Province's program in making its rich recreational resources available without cost to Canadian Senior Citizen now and in the years ahead.

Hogaboam And Keyes Teams Tie For Lead In Town League Play

(By Al VanBridger)

On Sunday, November 24th the town league travelling team got back into action when they played the Chesterville Old Timers. The travelling team known as the "All Stars" had not played since the Morrisburg Old Timers drubbed them 13-4.

Sunday they avenged the loss by hammering Chesterville 10-5. Chesterville featuring such greats as Mike Fyke "Rip" Lannin "Dyno" Don Henderson Roy Meldrum and Bill Gilles, lead Winchester 3-2 going into the third period.

But in the third period the "All Stars" from Winchester put eight pucks into the Chesterville net to salt away the win.

Dale "Lickety Split" Hutt and Harry Castle each had three goal hat tricks for Winchester. While Dave VanBridger and Reg Hyndman each had two.

In Game Number 1 on November 26 Harry Keye's Team shut out Wayne Hutt by a 3 to 0 score. Bob Carkner picked up the shut out while Dennis Ouelette. Fred Harper and Harry Castle scored for the winners.

In Game No. 2 Al VanBridger's team took a 1-0 lead on a goal by Lyall Holmes. This lead fell quickly as John "Beetle" Bailey scored two goals back to back and on the same shift Dale Hutt fired in a third to make it 3-1 for the Hogaboam team.

This 3-1 score held up as Hogaboam's team went on for the win.

To The Electors of Matilda Township

Having spent eight years serving you on the township council, I again solicit your support for a seat on this council in the election on December 2nd.

Each term of office brings with it new problems to be solved and energetic representation is needed, along with experience in helping to bring satisfactory solutions.

The only promise I will make is to work diligently on behalf of all ratepayers in the township.

Extending to everyone the compliments of the coming season.

HARRY SMAIL
FOR COUNCIL

To The Electors of The Township of Matilda

For the first time I am soliciting your vote for Councillor on Monday, December 2nd.

My past experience in community and district organizations, chairman of the Matilda Recreational Committee from 1965 to 1972; at present chairman of the Dundas Milk Committee, has served to give me an insight into the problems of certain aspects of the community.

I would like to ask all residents living in Matilda to exercise their rights and privileges by voting on December 2nd and if I should be electedto Council, I shall work for your interest in a fair and just manner to the best of my ability.

ODHA Hands Out More Suspensions

The Ottawa and District Hockey Association, at a meeting held on November 13th, made it clear they intend to rigidly enforce game rules and protect their referees.

Reported infractions are being carefully studied by the Rules and Discipline Committee and those guilty of infractions are receiving suspensions. Public Relations Director N.N. Prager reports the latest list of such suspensions as follows:

FOR SPEARING:

Three-game suspension -- Mike Gilpin, Gananoque G-Men (Jr. B); Dan Coville, Athens Flyers (Jr. B); Mike Kelly, Cornwall Maverics (Jr. B); Allan Silsmer, Cornwall Mavericks, (Jr. B); and Alain Leger, Cornwall Maverics (Jr. B).

BUTT ENDING:

Three-game suspensions Dale Golledge, Brockville Tikis (Jr. B); Guy Gaumond, St. Isadore Eagles (Jr. B); Gaeton Bourbonnais, Embrun 72's, (Jr. B.); Simon Underhill, Nepean Raiders, (Jr. A.); Luc Prud'homme, Rockland Nationals (Jr. A.); Paul Morgan, Winchester Hawks (Jr. B.); John BIngley, Cornwall Mavericks (Jr. B.); Stewart Graham, Arnprior Packers, (Jr. B.); Denis Legare, Buckingham Beavers (Jr. B.).

FOR KICKING AN OPPONENT:

Three-game suspensions -- Tim Cassell, Morrisburg Lions (Jr. B.); Yvon Plouffe, Buckingham Beavers, (Jr. B.).

Other suspensions were: Bob Peterson, Gatineau Srs., three-game suspension for throwing a stick with intent to injure; Gord Dillabough, Morrisburg Lions (Jr. B.), twenty-game suspension for striking an official; Paul D'Aoust, Buckingham Beavers (Jr. B), for spitting at an official, suspended for balance of 1974-75 season including playoffs.

DIVISION LEADERS TOURNAMENT

It was also reported following the meeting that a single knock-out series will be held at Kemptville Arena on Sunday December 15th commencing at 1:00 p.m. with the four Division leaders (following the first 12 scheduled games) competing.

The winner of this series will be entered in the Canada Winter Games Jr. B. Provincial Playdowns to be held in Thunder Bay December 26th to 30th. The Provincial Playdowns will have winners of all four branches (ODHA, OHA, NOHA, and Thunder Bay) competing and the winner here will represent Ontario at the Canada Winter Games in Lethbridge, Alberta, February 10th to 23rd, 1975.

Competition Keen In South Carleton Broomball League

Competition is keen in the South Carleton Broomball League this season with eight teams competing. Latest statistics released show Drummonds holding a slim 2-point over Osgoode. Present standing is as follows:

	W	L	Pts
Drummond's Tavern	6	1	12
Osgoode, Kelly's Fina	5	2	10
Geo. Petric Auto.	4	3	8
Peterson's Sod	4	3	8
Pete's Gas Bar	4	3	8
Spirak Wreckers	4	3	8
Metcalfe Flyers	1	6	2
Russell Jr. Farmers	0	7	0

At The Royal

Three-year-old Robbie Benns watches her sister Leslie, 5, take the wheel inside of the cab of a tractor and possum-belly trailer combination at the Royal Winter Fair. The livestock transportation exhibit was sponsored by the Ontario Trucking Association to show the kind of trucks used to take livestock to market. Each year trucks move more than one million head of cattle to Ontario meat processing plants.

Survey To Forecast Labour Shortages

The labour supply for the construction industry in Ontario is in reasonable supply at the present time, although shortages in some large, highly skilled trades give cause for concern.

These conclusions are contained in a report prepared by the consulting firm of Peter Barnard Associates for the Construction Industry Review Panel and the Ontario Ministry of Labour based on a survey into all phases of the construction industry, both union and non-union, conducted in the Waterloo-Georgian Bay area.

The survey was designed as a pilot project to test a method of forecasting construction manpower requirements using information provided by clients of the industry, so that a preliminary forecast of supply and demand could be prepared for the whole of Ontario and, in this instance, for the Waterloo-Georgian Bay area in particular. There are eight other forecasting regions in which the survey will be continued.

Over 300 government, utility and commercial clients were surveyed concerning their construction plans to the end of 1976, along with a separate survey of residential activity.

In the province as a whole, shortages of masons, ironworkers and rodmen were indicated, coupled with a surplus in two small trades. The picture for the Waterloo-Georgian Bay area showed an overall shortage, especially in the finishing trades, and of electricians, masons and boilermakers. However, it was pointed out that data were not available at this time for the adjoining regions, which might alter these statistics.

The Construction Industry Review Panel was established in 1972 as an advisory committee to the Minister of Labour concerning the improvement of labour relations in the construction industry in Ontario. The Panel felt that reduction in a major problem the continuing cyclical unemployment, would benefit the industry through improved labour relations, lower construction costs and greater stability through planning by government and the private sector.

Toop Rink Wins Grey Cup Bonspiel

Skip Jim Toop along with wife Eleanor and Keith and Joyce Henry proved a winning combination in last Saturday's Grey Cup bonspiel at Winchester Curling Club.

Although the Toop rink won top honours their victory was by a very narrow margin. Skip Bill Lloyd, wife Jen, Ralph and Brend Lunn finished only half a point behind.

The day-long bonspiel created keen competition with a total of twleve rinks competing.

Although the big prizes went to winning rinks, it appeared there were awards for individual effort as well and the committee in charge made the award program a feature of the event.

After practically every curler had received some sort of recognition all enjoyed a delicious Chinese Food Dinner.

Members in charge of the event were Irwin and Amy Holmes, Murray and Marg Summers, Ed and Dora Smith.

Bottle Drive On Saturday

Members of Metcalfe Cub Pack will be conducting a bottle drive this Saturday afternoon.

Because many of the Cubs participate in the Lions-sponsored hockey program every Saturday morning the drive will be carried out between the hours of 2:00 and 4:00 in the afternoon.

The boys will be covering Metcalfe, Vernon and Kenmore and request homeowners to have their empty bottles placed in a convenient place.

Canadian Chamber Approves Budget

From an overall stance, the Canadian Chamber views the budget as a constructive response to the difficult and complex economic situation that confronts the nation.

The Minister's actions designed to sustain demand, stimulate private capital investment, encourage savings, respond to weak points in the economy, and provide continued assistance to those most vulnerable to inflation are welcomed by the Chamber.

In particular, the Chamber welcomes the re-introduction of measures in the housing field of those designed to encourage small business. On the corporate side, the Minister's announcement of the indefinite continuation of the fast two year write-off provision is viewed as particularly appropriate, since it will facilitate long-term capital investment decisions by industry.

While Finance Minister Turner's budget is obviously expansionary, the Chamber feels that the budget still offers little hope of reversing the move away from Canada of vital resource exploration efforts.

The Chamber believes that it is unfortunate that the provinces and the federal government were unable to adequately reconcile their positions on the question of the taxation of the extractive industries prior to the budget. However, as the Finance Minister has stated, the federal administration has pulled back from its original proposals. The Chamber hopes that consideration will similarily be given to modifying the positions of the provinces in order to safeguard the good health of this vital sector and the interests of all

In The St. Lawrence Parks

Old Times, Good Times, Winter Times

Winter Wonderland - Canadian Style! That's Crysler Farm Battlefield Park, a snow covered family recreational region with all the trimmings. And it's nearby! Well within short driving distance from your home, located only 7 miles east of Morrisburg, Ontario, adjacent to Upper Canada Village. Mileage from Ottawa via Hwy 31 is 50 miles, Montreal 95 miles via Hwy 401 exit 120, Massena, Cornwall and Brockville are only minutes away!

Here you will discover nature in a way in which it is meant to be appreciated. Four groomed, patrolled and marked cross country ski trails will take you through a peaceful snowy forest, which is also the location of the Crysler Park Maple Sugar Bush. It is not uncommon to see numerous animal tracks in this region for it is within the boundaries of the Wildlife Sanctuary. Skiers and snowshoers may also venture throughout 3,500 acres of unmarked picturesque parkland. For the snowmobile enthusiasts, miles of groomed and marked trails are available. Another option which will interest the more adventurous is the thrill and excitement of a toboggan run on the Memorial Mound.

Horse drawn sleigh rides through the streets of Upper Canada Village offer a most unique and charming experience. The sleigh rides will operate weekends only, from 10:00 a.m. to 3:00 p.m. every hour on the hour. This is the only activity in the program which has a nominal fee of 50 cents. All other activities are free! Your skiis, toboggans, snowshoes, etc. are all you requre.

After a full day of activities, a good hot meal awaits you at the Upper Canada Restaurant. Tickets for the sleigh rides are available at the Village Store, open daily after December 2, where a fine selection of souvenirs, handicrafts, and other gifts are displayed. Parking facilities are available at the entrance to the trails via Upper Canada Road (interchange 120 Hwy 401) and also adjacent to the restaurant and Village Store. A well balanced recreational program in an atmosphere of friendliness is "not so far away".

All winter activities are subject to favourable weather conditions. Addiitonal information is available by dialing The St. Lawrence Parks Commission at 1-613-543-2951. For road conditions call 1-613-745-7049 or 1-613-544-2220.

Photo

Outdoor families who enjoy winter activities but refuse to accept icy slopes, and long line-ups are coming to Upper Canada Cross-Country Skiing. Only 7 miles from Morrisburg, Ontario, the Crysler Park region offers 4 excellent trails and over 3,500 acres of Parkland available to skiers and snowshoers. Miles of trails and countryside are also designated to snowmobilers. Ice fishing, tobogganing and horse drawn sleigh rides through the streets of Upper Canada Village are also part of this inexpensive well-balanced family recreational program. A winter recreation brochure is available by writing to: The St. Lawrence Parks Commission, Box 740, Morrisburg, Ontario.

Six Companies Share $1.2 Million In EODC Loans

Eastern Ontario Development Corporation loans totalling $1,217,177 have been approved for six Eastern Ontario Companies according to Industry and Tourism Minister Claude Bennett.

An EODC business incentive loan of $447,840 has been approved for Karl Gutmann Inc., a new company formed to manufacture specialized office furniture for computer and business machines installations and furniture for school systems. Funds will be used towards the cost of building and equipping a 28,000 square foot plan in the Cornwall Industrial Park.

An EODC business incentive loan of $219,293 and a term loan of $181,384 have been approved for Cornwall Brass and Iron Foundries Limited of Cornwall. The company specializes in ductile iron, moulds and heat-resistant iron. The funds will be used to expand the existing plant and purchase machinery.

Ottawa Valley Grain Products Limited, a Renfrew Company that manufactures, processes and supplies alfalfa meal, feeds, seeds and soup peas will receive an EODC business incentive loan of $100,000 to finance the construction of a higher capacity plant and purchase new machinery.

Dominion Road Machinery Sales Limited headquartered in Goderich, will use an EODC business loan of $93,750 to establish a branch operation in eastern Ontario. Funds will be used towards the cost of building and equipping a 3,600 square foot plant in the Carleton Place Industrial Park to remanufacture and assemble parts for heavy road machinery.

An EODC business incentive loan of $54,450 has been approved for George A. Wright and Son Machine Works Limited. The company is engaged in general machine shop work and spray metallizing. Funds will be used toward the cost of building a 1,350 square foot addition to house new plasma flame spraying equipment.

A Carleton Place photographer and printers, A & B Graphics, will receive an EODC business incentive loan of $20,460 to purchase camera and printing equipment.

Projections by the six companies receiving the loans indicate that they will create a total of 90 new jobs within five years.

OPP Seeks Assistance

Ontario Provincial Police in Lindsay recently seized thirty-three head of cattle from a pasture farm in Mariposa Township.

These valuable cattle had been obtained by means of false pretences and rustling from livestock sales barns and farms throughout Ontario. A number have been returned to their owners, including one animal worth almost $10,000.

Eight herefords, eight Charolais and seven cross-bred charolais remain unidentified. Anyone who has lost cattle, fitting this description, under questionable circumstances should contact their nearest Ontario Provincial Police detachment or call Lindsay OPP detachment at (705) 324-6741.

Truckers Urge More Car-Only Highway Lanes

The Ontario trucking industry last week urged more communities to follow the lead of Metropolitan Toronto by banning commercial vehicles from using the passing lane on three-lane roads.

M.W. (Mel) Donnelly, president of the Ontario Trucking Association, said the Association fully supports Metropolitan Toronto's decision to prohibit commercial vehicles from the passing lane on the Don Valley Parkway and the Gardiner Expressway.

"In our view, this kind of municipal action is an effective way of providing motorists with a fast-moving lane and reducing urban traffic congestion, particularly during rush hours."

Mr. Donnelly continued: "We encourage other communities to take similar action where they have three-lane roadways under municipal jurisdiction. The trucking industry recognizes its responsibilities to share the road with other users."

He added the Ontario Trucking Association has, for some time, been encouraging its member companies to have their drivers keep out of the passing land on any three-lane road "but unfortunately we cannot control the activities of all truck drivers."

Metropolitan Toronto recently secured Ontario Government permission to pass a by-law effecting the commercial vehicle restriction. The action was proposed last year by the industrial cartage segment of the trucking industry.

This is the first time that a municipality has sought provincial permission to institute a lane ban on municipal roads. Commercial vehicles are prohibited from using the passing-lane on certain segments of provincial highways.

It's a matter of life and breath!

Brinston U.C.O. Branch Holds Annual Meeting

Forty-five members and guests attended the U.C.O. Brinston Branch annual dinner meeting Tuesday, November 19. The meal, at the Brinston Community Centre, was catered to by the Brinston Women's Institute.

First Vice-President Allan McIntosh announced that the Board of Directors declared a patronage refund of 3 and three-quarters per cent be paid. Thirty-five per cent is to be paid in cash and sixty-five per cent in common shares. Mr. McIntosh also reported that the U.C.O. Board has authorized the release of a new 10 per cent U.C.O. debenture.

Miss Joanne Zandbergen gave a report on the Co-op Youth Camp at Lake Couchiching. Miss Zandbergen thanked U.C.O. for the opportunity of meeting other young people from across Ontario and sharing many activities with them.

Guest speaker for the evening was Don Slinger, Manager of U.C.W. Livestock Department. Mr. Slinger gave an outline of happenings in the last two years which have brought about the position of the livestock marketing today, Mr. Slinger said the 73-74 fiscal year was the most chaotic of cattle marketing on record.

"Fluctuation prices are expected to continue into 1975", he said, but it is estimated that well-fed Grade A cattle will sell at the heavy runs of underfinished cattle will be heavily discounted."

Mr. Slinger also explained the advantages of marketing cattle through U.C.O. at the Toronto Stockyards. Gerry Belanger thanked Mr. Slinger for his enlightening talk.

Ward Mellon was the chairman of the meeting, and Dean Keyes was elected to the Brinston Council for a two year period. Bill Harbers was elected for a one year term.

Final Tribute Paid Irwin Cecil Empey

Irwin Cecil Empey, a life-long Williamsburg resident, died suddenly at his home on November 23rd. He was in his 75th year.

Born at Williamsburg, a son of the late Mr. and Mrs. Ralph Empey, he received his education at area schools. In 1924, at Williamsburg Lutheran parsonage, he married the former Eva May Whitteker who predeceased him in 1968.

The late Mr. Empey is survived by one son, Clair of Williamsburg and one daughter, Mrs. Lloyd Allison (Elsie), Winchester Springs. He is also survived by one half-sister, Mrs. John Whitteker and six grandchildren.

An active member of St. Peter's Lutheran Church he was also a Past Noble Grand of the I.O.O.F.

The funeral service at St. Peter's Lutheran church, Williamsburg, was conducted by Rev. John Boehmer at 2:00 p.m. on Novembr 26th. Pall bearers were Bert McIntosh, Walter Loucks, Lyall Kehoe, Lyall Strader, Graham Garlough and Garnet Barkley.

Interment was at New Union Cemetery, Williamsburg.

Trophy Winners

The team from the Kemptville College of Agricultural Technology won the Dominion Dairies Trophy, scoring 1857 out of a possible 2100 points in the Inter-Agricultural College Livestock Evaluation Competition. The trophy was presented recently at the Royal Agricultural Winter Fair by Jack McNicol (front row, left), corporate production manager of Dominion Dairies, tothe team of (front row, right) coach Dennis McKnight; (back row, left to right) Lorne McGee, R.R. 2, Hastings; Dave Fletcher, R.R. 2, Foresters Falls; Harold Tompkins, R.R. 2, Kemptville; and Ron MacMillan, Lombardy.

Save Farm Land

As long as industry dictates its own location in the province, too much fertile land will be taken out of food production, Gordon Hill, president, told the annual convention of the Ontario Federation of Agriculture in Hamilton on November 25.

Once a factory site has been chosen, supportive services, -- power transmission and pipelines, homes, service highways and recreational facilties -- must develop close by, Hill pointed out.

There is some choice of which farm land will be taken for these developments, but the choice is narrow, Hill said.

"If the people of Ontario allow a steel mill to be built on the north shore of Lake Erie, we know the general area where all other necessary services will be provided.

"Instead, we should be able to say to a steel mill: 'Locate in a less developed, less congested area where land and climate are less suitable for food production'. Then the choice on where to locate supportive services would be much wider.

"As long as industry dictates its own location, choices for farmers are limited and farms will suffer."

Hill said the OFA will continue its crusade for rational land use planning and urged the 500 farmer-delegates to get involved in local planning issues. However, he pointed out farmers must be compensated for land frozen into agriculture.

Hill told the meeting that starvation is an affront to farmers who know it need not be as widespread and prevalent as it is today. He urged the Canadian government to make available funds to help Canadian farmers share their talents with farmers in developing countries.

"Many ingenious Canadian farmers have the skill to make do, invent, fabricate and make work whatever is at hand.

"These are the people the Canadian government must help to share their talents with farmers in developing nations -- not woolly-headed ivory tower scientists -- but practical farmers who can make things work."

Hill warned politicans and other detractors not to try to dismantle farm marketing legislation.

"Fairness and equality in the market place do not just happen. They are the result of equal bargaining power," Hill pointed out. "Farmers know well the results of unequal bargaining power between a large number of small sellers versus a few large buyers. We have lived with the results for generations.

"Our answer has been to develop marketing boards -- producer-control-led marketing boards -- and, by-and-large, they have served well."

Hill said the boards have served consumers too, by providing at all times, adequate supplies of high-quality food at prices that were fair in relation to production costs. He added that orderly marketing by producers through boards must not be replaced by income transfers from the public purse.

High food prices for people on fixed incomes are of concern to farmers but are not a problem for the food system to solve, Hill told the meeting.

"HIgh prices are a problem for society, a problem that can be resolved by Parliament; not a problem that can be resolved by low food costs alone."

He urged the Canadian government not to back down, from maintaining reasonable quotas on imports on U.S. beef, in the face of unfair retaliatory action by the U.S.

Tax Reduction Saves One Per Cent

Lumbermen state tax reduction represents only 1 per cent on cost of home. Howard L. Perkins, President of the Lumber and Building Materials Association of Ontario said to-day that the actual saving to the consumer on the cost of a new home represents only about 1 per cent of the price of that home.

"Many people are mistakenly of the opinion that the reduction of 6 per cent announced by the Hon. John Turner in his budget speech on November 18 represents a reduction in the cost of a home of a full 6 per cent", stated Mr. Perkins. "The tax is paid by the manufacturer at the time of manufacture." On a house costing $45,000 approximately one-third or $15,000 represent the building materials, the remainder of $30,000 represent land and labour. Since the reduction of 6 per cent in the tax is on the building materials at manufacturer level, which is approximately 3 per cent at the retail level, this represents a saving to the consumer of 3 per cent of $15,000 or $450. Mr. Perkins points out that this, therefore, is a saving of approximately 1 per cent of $45,000.

Mr. Perkins further stated that since lumber and building materials retailers have already paid the 11 per cent tax on inventory currently on hand and since they are unable to claim a refund or rebate from the Federal Government on taxes already paid, the consumer should not look for any immediate reduction in the cost of building materials as a result of the reduction in the federal sales tax.

May Extend School Bus Stopping Law

Ontario drivers might soon have to obey school bus stop lights in cities and suburban areas.

John Rhodes, minister of transportation and communications, said Monday he hopes to introduce legislation later this week amending the Highway Traffic Act.

Under present law, school bus drivers may use the flashing stop lights on the rear of buses only in speed zones over 35 m.p.h.

The change, if approved, will mean "the school bus stopping law will be in effect no matter what the speed limit is," Mr. Rhodes said.

He said numerous school boards and parent-teacher groups have asked for the safety change.

It might mean slower traffic in some cities, he added, but he does not expect any major problems.

No Injuries In School Bus Accident

Icy road conditions were blamed for a mishap involving a school van on Highway 31 last week.

The small bus was transporting children from Clifford Bowery School for retarded children (Ottawa) when the accident occurred two miles South of Greely.

The vehicle was owned by A. Menard of Carlsbad Springs and the 15 youngsters were taken into Rock Haven Restaurant to await the arrival of another bus. Fortunately there were no injuries.

Rock Haven is under new management and will not be open for business till after the New Year, but the proprietor, Robert Hildenbrand, allowed the little ones to thoroughly enjoy themselves during their 1½-hour stay.

Later in the evening another driver, Gerry O'Malley of Greely transported the children to their homes.

Youth Temperance Has Charter Membership, Names New Executive

Members of the Youth Temperance Council of Winchester and vicinity met with their leader, the Reverend E. Earle Eaton, at the Wesleyan Church in Winchester Thursday afternoon.

A charter membership, comprising all young people from the area who had attended "Youtharama" conferences, and numbering a dozen, was made up. A new Executive was named, with Robin Docksteader as president; Ellen Johnson, vice president; Glenda Seim, secretary; and Vicki Leguie, treasurer. Mrs. T.H. Robinson, past president of Winchester W.C.T.U., the sponsoring institution, was named adult advisor.

Nine members, who attended this year's Youtharama at Guelph, gave reports at a public meeting held at the Winchester Baptist Church Friday evening. Y.T.C. members take the following pledge: "I promose, by the help of God, never to use alcoholic beverages, other narcotics or tobacco, and to encourage everyone else to do the same, fulfilling the command,' 'keep thyself pure'.

The motto of the order, also used as the motto for Youthara, is "A good time with a purpose".

Monthly meetings are planned, with programs, activities and features. A membership campaign is planned for the near future. Any 'teen-age young person or older who will take the pledge may join for membership.

Four members, Glenda and Lynn Seim, and Laura and Linda Holmes, were sent as delegates to Youtharama this year by the local W.C.T.U.; others attending Youtharama included Robin, Dawn and Ronald Docksteader, Vicki and Susan Legui. Robin and Vicki, along with Ellen Johnston and Beverly Durant, attended last year's conference.

Ray Nelson Johnston Dies Suddenly In 48th Year

Ray Nelson Johnston, a former Metcalfe resident, died suddenly on Saturday November 23rd. Mr. Johnston was a well known and very highly respected taxi driver who had been employed by Queensway taxi for the past twenty-five years. He was in his 48th year.

Born at Metcalfe the late Mr. Johnston was a son of Mrs. Carl Johnston and the late Mr. Johnston. He received his education at Metcalfe Public School and Metcalfe Continuation School.

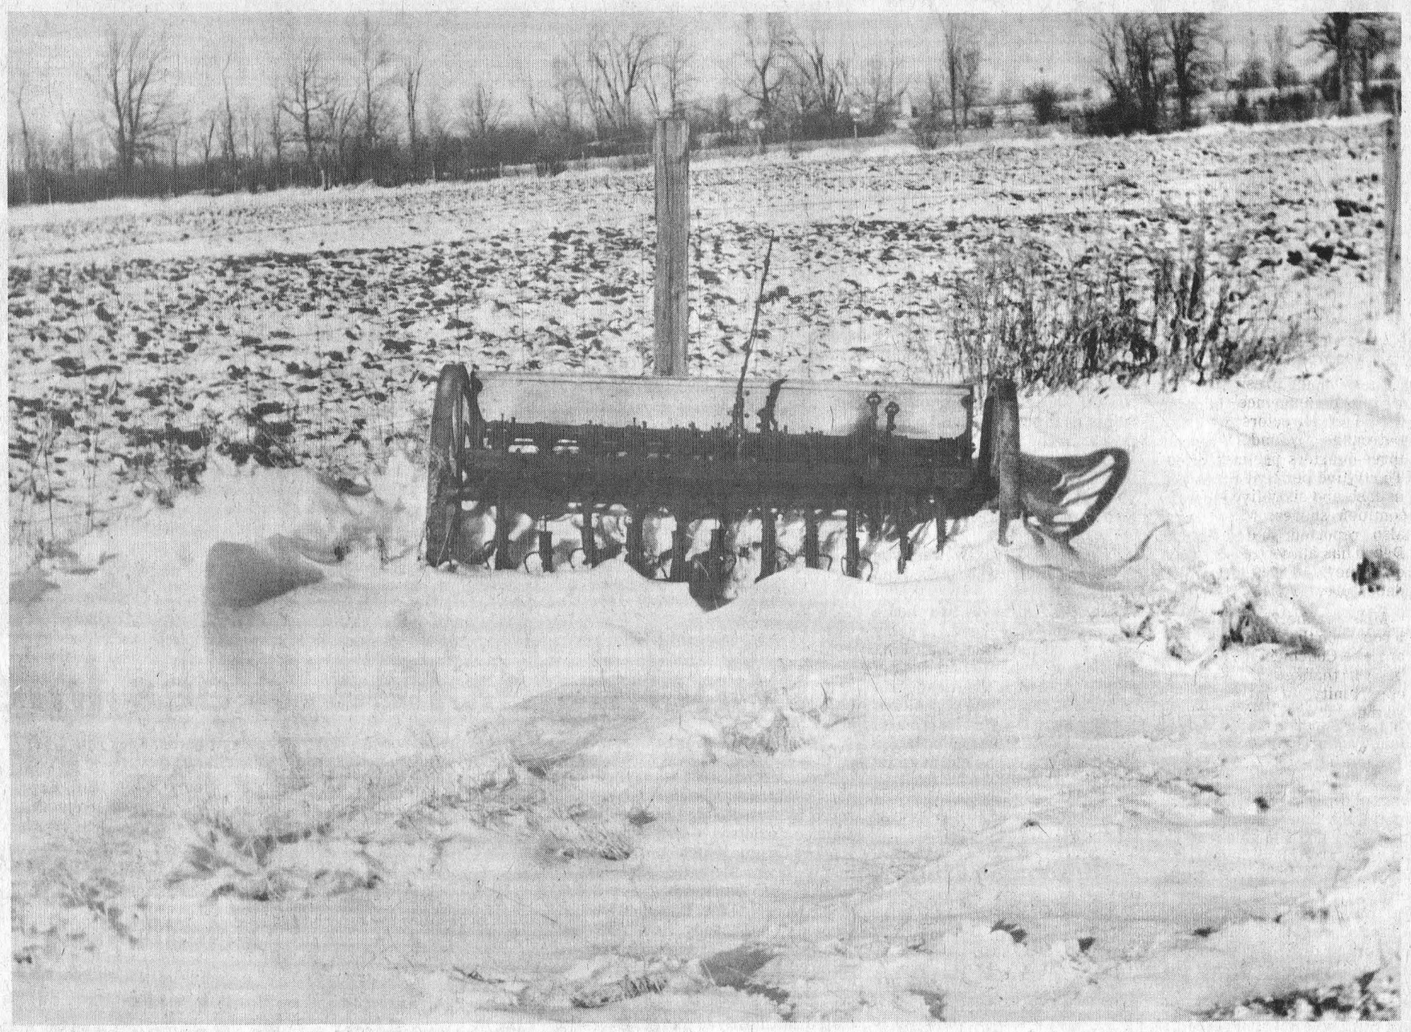
Besides his widow, the former Margaret Eastman, he is survived by two daughters: Mrs. Mike Primeau (Nancy) of Gatineau Point and Sandra at home. Also surviving are four brothers and one sister: Forest, Manotick; Ken, Stuart and Garnet, all of Metcalfe and Mrs. Harold Hume (Ruby), of Renfrew.

The funeral service at Hulse and Playfair Funeral Home, Ottawa, was conducted by Rev. Matthew Taylor at 11:00 a.m. on Tuesday November 26th. Pall bearers were fellow taxi drivers and interment was at Capital Memorial Gardens.

Pleasant Valley Personals

Sympathy is extended to Mr. and Mrs. Nelson Scharf of South Mountain in the passing of his brother the late Johnathan Scharf. He passed away in hospital November 19. Funeral at the funeral parlour Metcalfe on November 21. Burial at Metcalfe Union Cemetery.

Mr. and Mrs. David Gilmer were callers at the Memorial Hospital Winchester on Friday afternoon and called on a number of patients. Glad to report that Mr. Delbert Wyatt has been brought back to the Memorial Hospital Winchester on Friday after being a patient at the Ottawa Civic Hospital. All hope all the patients keep gaining.



Sew What?

There has to be a human interest story here some place. One thing is certain, farmers don't usually leave equipment exposed to the rigors of winter. On the other hand the plowed ground in the background indicates an intent to grow something and possibly this far-sighted agriculturalist is preparing for an early start in the spring.

But this poses yet another question. Why leave the seeder at a point where no gate exists?

A closer look, however, makes one wonder exactly how many years have passed into history since this ancient, horse-drawn, machine last served a useful purpose.

Following this line of thought it has been suggested Halloween pranksters may have set up this unique and mind-boggling photo.

Attempting to throw some light on the perlexing problem staff members were asked to take a closer look and maybe offer some enlightening tips.

The dark-room technician, very obviously not familiar with farming, took one fast look, handed back the picture, and asked - - "Sew What"?

Mr. and Mrs. Kenneth Hummel spent Saturday with Mrs. Ethel Droppo Finch.

Mr. Arthur Brownell Kingston spent a few days with Mr. and Mrs. William Brownell.

Mr. and Mrs. G. Maines Smith Falls spent Saturday with Mr. and Mrs. C. Countryman.

Mr. Gary Gallinger Montreal spent Sunday at his home here.

Miss Arla Warner Ottawa was overnight guest of Mr. and Mrs. Lloyd Gallinger on Wednesday.

PLEASANT VALLEY

Mr. and Mrs. Clinton Greer of Richmond, Ontario were recent visitors at Mr. and Mrs. Ken Hunter.

Mr. and Mrs. David Gilmer were callers on Tuesday at Mrs. Claire Johnson and Mrs. Hilda McGowan of Brinston.

Mrs. Hazel Shaver spent a few days with her sister Mrs. Roberts of Ottawa.

Mr. Roy Keck was a recent caller on Mr. Hilliard Gilmer.

Birthday greetings are extended to Mr. Alex Scott of Brinston. He will celebrate his birthday on November 30.

Winchester Needs

A Man With A Plan

A Man With A Plan

Mel Vice For Deputy Reeve

Winchester Needs

1 **A PLAN** - Winchester must have a plan; a plan not only for the future, but a plan for today, tomorrow, and the day after tomorrow. Our municipal government must cast off the old custom of ignoring situations until those situations become critical problems. Mel Vice will work for the establishment of clearly defined priorities. We must always know where we are going.

2 **GRANTS** - Every year there is an increase in the amount of Federal and Provincial Grants available to municipalities like Winchester. Mel Vice will work for Winchester to obtain every possible dollar of available "free money". Grant money added to Winchester's coffers will keep Winchester taxes down. Mel Vice - as a member of the Minister's Constituency Advisory Group - initiated, supported, and worked for the $15,000.00 L.I.P. Grant recently awarded to Winchester Village.

3 **REPRESENTATION** - As your Deputy Reeve, Mel Vice, would look after Winchester's best interests as one of Winchester's two representatives on Counties Council.

4 **INDUSTRIAL PARK** - As your Deputy Reeve, Mel Vice, would support the development of an Industrial Park for Winchester. Mel Vice does not favour polluting industries but will encourage the attraction of clean secondary manufacturing plants to our town.

5 **HOUSING LOTS** - At the present time there are more than enough available subdivision building lots in Winchester. Most of these lots are controlled by a handful of developers. Mel Vice is in favour of the establishment of a municipal subdivision in which lots would be made available to prospective homeowners on which the prospective homeowner could have the contractor of his choice build the home of his choice.

ON DECEMBER 2nd - VOTE

MEL VICE FOR DEPUTY REEVE X

[Look For Our Personal Message To The Voters In The Mail This Week]

Hawks Drop 6-5 Decision To Prescott

(By Al VanBridger)

Friday night here it was a case of one inconsistent team being just lucky enought to score one more goal than the other in order to win a hockey game.

Both Winchester and Prescott showed signs of brilliant offensive ability but then by times just simply went into desperate defensive lapses.

Prescott Saints scored first at 7:41 of the first period when Randy Moore scored on a weird rebound off of the back boards. The Hawks, Jeff O'Neill tied the score to end the first period one all. Randy Drew the games first star set up Jeff on the play.

The Hawks scored one minute into the second period. When Larry Jackson tucked away a rebound set up by linemates Jeff O'Neil and Randy Drew. After the score had stood at 2-1 in favour of the Hawks for just three minutes the Saints scored three consecutive goals to go ahead by a 4-2 score. Chambers, Wyatt and Shaver were the Prescott scorers.

In the third period Larry Jackson scored his second goal of the game to draw the Hawks to within one goal of the Saints. The games third star Jeff O'Neil picked up the assist on Larry's goal. But Steve Wyatt Prescott's man with the winged feet blazed through the Hawks team to score his second goal and give the Saints a two goal margin. As the Saints were applying pressure in the Hawks end Paul Timmins (games second star) stole the puck, passed it from behind the net and hit Keith McRoberts who was in full flight just outside the blue line. After Keith took the pass it was game over for any Prescott defender including the Saints goalie. Keith streaked in on Bosey and beat him on a beautiful deak. Keith's goal made it a close 5-4 in favour of the Saints.

One minute later the Saints scored again on a pile up of players which gave Hawks goalie Mike Stanton no chance what so ever. Once again the Hawks were down by two goals but they never gave up, they put on the pressure and finally scored with four minutes left in the third period. Lloyd Fawcett and Bill Spencer combined to set Tom Kirkwood up for his 3rd goal of the season. The score was now 6-5 in favour of Prescott. In the dying seconds the Hawks pulled their goalie and poured shot after shot on the Saints goal but were shut out by Bosey. So the game ended 6-5 in favour of Prescott and once again the Hawks came so close to winning or at least tying a game. Hawks out shot Prescott 40 to 33 in the contest.

Friday's 50-50 Draw was won by Bobby Kerr who picked up $77.00.

The Hawks have two home games this weekend. Friday night the rugged Long Sault Pats are here to do battle and Sunday night at 7:30 p.m. the Alexandria Glens will supply the opposition. Sunday night the Hawks are also supplying a Chinese Dinner for over 220 in the Arena hall at game time. So it should be an exciting weekend of hockey here in Winchester.

Broomball Club Announces Raffle Winners

The 'Spirak' Ladies Broomball Club last week released names of winners in a raffle conducted to raise funds for the purchase of new uniforms.

Winner of the 'First' award was Glen Smiley, Greely; 'Second', H. Biskemeyer, Ottawa; and 'Third', J.F. Campbell, Ottawa.

South Mountain Bowling Report

Top South Mountain Bowler last week was Kevin Boyd with 783.

Others were: Robert Berube 691; D. Wyatt 691; H. St. Pierre 683; M. Graham 673; R. Simzer 660; W. Ace 659; L. Christie 655; J. Scott 645; B. Williams 641.

G. Hess 635; H. Plante 634; J. Hess 626; L. Simzer 616; L. McEvoy 612; S. Belanger 590; S. Plante 590; G. St. Pierre 589; Richard Berube 567.

E. Baird 565; P. Bartholomew 553; B. Black 544; E. Charlebois 536; T. Puddy 524; G. Arcand 514; S. Crowder 513; T. Charlebois 506.

Winchester Pee Wees Impressive

(By Earl Graves)

The accompanying photo shows Winchester's entry, sponsored by Ault Foods Ltd., in the Dundas-Carleton Pee Wee Hockey League which consists of teams from Metcalfe, Greely, Osgoode and Winchester.

The local team travelled to Osgoode on Tuesday November 19th for the season's opener and suffered a convincing 9-0 defeat. The boys were certainly unorganized, confused and frustrated due mostly to inexperience as this was the first time they had played as a team, not having played any exhibition games prior to the league opener.

The following evening the same two clubs hooked up at the local arena for a return encounter which proved to be a much different game. At the half way mark of the first period Michael Guy served notice that this would be no repitition of the previous night as he scored Winchester's first goal of the season and the local boys never looked back as they skated off with a 5 to 3 win. Winchester's flashy Kenny Rose then took over and picked up a hat trick. Daryl Last scored the final goal with less than three minutes remaining in the third period. Daryl Shelp had two assists with single assists going to Kenny McRoberts, Todd Baker and Bruce Graves. Robbie Carkner was between the pipes for Winchester and turned in an outstanding performance.

On Sunday, November 24th the boys travelled to Metcalfe to do battle with Greely who play all their home games on Metcalfe ice. Both clubs failed to score in the first period however Greely came on strong in the second period scoring three goals and appeared to be much the superior team. With three minutes left in the second period Daryl Shelp put Winchester on the score board unassisted. This seemed to give th elocals new life as they held the oppositon scoreless for the remainder of the game. With less than four minutes left in the third period Kevin Gowdy scored unassisted to bring Winchester within one goal of tying the game. The boys fought desperately to get the equilizer but with less than two minutes to play Winchester picked up a penalty and this appeared to be game over however a determined Kenny Rose picked up a pass from Bill Kerr while playing a man short and made no mistake, tripping the red light and the game ended in a 3-3 tie.

Winchester play all their home games on Wednesday evening at 6:00 p.m., the next game being December 4th when Metcalfe are the visitors. Although getting off to a shaky start the boys appear to have a good team and would sure appreciate your support at the games to cheer them on.

Photo was taken prior to Sunday's game. Back row, left to right: Lloyd Guy (coach) Todd Baker, Daryl Shelp, Bill Kerr, Daryl Last, Robbie Saunders, Dwayne Fawcett, Bruce Graves, Kevin Loverin.

Front row, left to right: Michael Holmes, Kenny McRoberts, Peter Marriner, Jeff Williamson, Michael Guy, Kenny Rose, Darcy Last, Kevin Gowdy.

Kneeling, left to right, Kevin Lunn and Robbie Carkner.

Press Staff Photo

Schedule Midget Hockey Tourney

The Ottawa and District Minor Hockey Association reports that the Wrigley Midget Tournament, Ottawa Branch, finals will be held in the Ottawa Civic Centre on December 15th between the hours of 11:00 a.m. and 7:00 p.m.

Final details, reports an official, are being worked out by a special committee and details will be published early in December.

The ODMHA executive, at a recent meeting, also decided that a committee be set up to intensively study proposals that the ODMHA become more involved in the development of restructured hockey leagues and insure that hockey is available to a wide range of participants at all levels.

At the present time, says the report, approximately 40,000 boys are playing under Branch auspices and the planned study would include structure, size programming, refereeing and coaching.

Ask United Church Congregations To Pledge Support To World Needy

Canada's pledge of one million tons of grain a year for the next three years to aid the world's hungry, commendable as it is, is not enough said the Executive of The United Church of Canada's General Council when it held its regular quarterly meeting at Cedar Glen last week.

Members of the Council Executive were commenting on the promise made by External Affairs Minister Allan MacEachen at the World Food Conference in Rome earlier this month.

It would be more appropriate, the Church executive declared, if the Canadian Government were "to support proposals that involve the receiving nations in international food-sharing agreements which really meet the situation." Besides food, the lay and clergy leaders from across Canada who constitute the General Council Executive, urged the "provision of fertilizer and other materials needed to build up the agricultural economy of developing nations to assist in meeting their own needs."

MEMBERS ASKED TO HELP

In addition to asking the government to do more than the $850 million it pledged at the Rome meeting, the Church Council Executive recognized "the need to create greater awareness in our Church that (we) can participate in a meaningful way to alleviate the needs of a starving world." Members of congregations will be asked to "substitute some specific Christmas expenditure with a special gift for the relief of the starving in Bangladesh." The Moderator, Right Reverend Wilbur K. Howard, will be writing Church members to this effect.

Thousand of people are dying in Bangladesh every day. The National Council of Churches in Bangladesh will arrange for distribution of food from North America and it is hoped that United Church members will contribute a minimum of $250,000.

Church officials explain that this special project is over-and-above the half-million dollars given each year through its World Development and Relief Fund to various agencies of the World Council of Churches and for victims of disasters wherever and whenever they occur. Recent examples were $5,000 given to Honduras for those who suffered after hurricane Fifi; $55,000 to the Sahel area of West Africa and a promise of $25,000 per year for the next three years, and $20,000 to aid the flood victims in Bangladesh last summer.

From Energy Viewpoint

Christmas Decorations Given Green Light

Federal Energy Minister Donald Macdonald and Premier William Davis of Ontario have given the go-ahead for traditional Christmas Lighting this season.

In response to a brief from the Christmas Decoration Division of the Canadian Toy Manufacturers Association, Mr. Macdonald confirmed that: "There is no reason to single out Christmas lights as a special target for energy conservation during the coming heating season".

Mr. Macdonald said that the program of Christmas lighting on Parliament Hill will be undertaken this year.

Premier William Davis has indicated that the Ontario government recognizes Christmas lighting as being part of the good spirit of Christmas and that neither the government nor Ontario Hydro, wishes to darken that spirit.

The industry brief pointed out that Christmas lighting received unfair public attention last fall as a largely symbolic vehicle for introducing energy conservation awareness and that no other industry was singled out in such a way.

In recognition of the need for responsible use of all energy resources, the industry supports Mr. Macdonald's suggestion that Christmas lights be turned on after 6:00 p.m. and turned off upon retiring.

CANADA'S MOST FAMOUS FACES

Canada's most famous faces include the panel and moderator of CBC-TV's Front Page Challenge, the longest running entertainment series on Canadian TV. They are Pierre Berton, Fred Davis, Betty Kennedy and Gordon Sinclair. The quartet are also among Canada's best-known broadcast journalists and have been together on FPC for more than a decade. The program is seen on CBC-TV Tuesdays at 9:30 p.m.

Deer Hunters Should Volunteer Statistics To Wildlife Biologists

This is one of the busiest seasons for wildlife biologists who gather data concerning age, weight and antler measurements by examining deer brought into checking stations by successful hunters.

Organized deer camps, as well as many individual sportsmen, receive report forms to fill out and return to the nearest ministry of natural resources office. This information provides data which assists in the continuous evaluation of the province's deer herds, deer range and the effects of hunting.

For instance age determination, accomplished by examining the amount of tooth wear, tells the biologists a lot about a herd. They know that a normal deer population contains a certain percentage of fawns, a smaller percentage of yearlings, a still smaller percentage of 2½ year olds and so on through the oldest age class. Naturally fewer deer are found in the older age classes because successive hunting seasons and natural mortality limit their chance of survival. If in any given year the ministry's data collection shows a drastic change in the herd's age structure, something is wrong. The biologists can set about determining what it is and initiate the appropriate management technique to solve it. This is accomplished by increased or decreased seasons, range improvement and so forth. A close watch on the number of fawns and yearlings also gives them an idea of how severe the past winter was and how our deer herd survived it.

For this reason, an even greater voluntary response by hunters in having their deer checked would provide a more adequate representation of the condition of the herd, necessary for proper management. Failure to obtain data voluntarily has caused many States to legally adopt a mandatory kill registration system, a requirement not yet resorted to in Ontario.

Ministerial Association Elects New Executive

Dundas County Ministerial Association, at a recent meeting, elected the following slate of officers for the coming year.

President, Rev. L.D. Joyce, Ph. D., D. Ed., Th. D.; Vice President, Rev. Carson Duquette; Programme Chairman, Rev. C.M.A. Jackson; Secretary, Rev. W.A. Adam.

Williamsburg Social Notes

Mrs. John Erratt accompanied Mr. and Mrs. Gerald Erratt and Cheryl of Morrisburg to Hulbert on Sunday evening where they were dinner guests of Mr. and Mrs. James Fulton.

Mrs. Elburn McIntosh is spending some time with her son Gordon and family at Acton.

Sympathy is extended to Mr. and Mrs. Clair Empey and family in the sudden death of their father Mr. Irwin Empey on Saturday November 23.

Mr. Willard Kosonic of Mississauga, Ontario was a dinner guest of Mr. and Mrs. Bismark Barkley on Wednesday.

One Woman Candidate In School Trustee Race

Only woman candidate in Dundas County for school trustee representing Morrisburg and Williamsburg Township on the Stormont, Dundas and Glengarry Board of Education is Joan Findlay, B.Ed. of Morrisburg, opposing the incumbent, Dale Beckstead of Williamsburg Township.

Mrs. Findlay, consultant in early-childhood education has been active in the education field for the past twenty years as a teacher. For the past four years she was a teaching master at the St. Lawrence College, Cornwall in the Early-Childhood Education program. She is presently self-employed as an educational consultant in programs for young children.

She received her teaching certificate at Macdonald College and Bachelor of Education degree from McGill University, Montreal. Her specialist certificate in Early Childhood Education was obtained at Carleton University, Ottawa. During her career she has been a public and high school teacher as well as teaching at the younger age levels and supervisor of a Day Care Centre.

For the past five years Mrs. Findlay has been a resident of Morrisburg where she has been actively involved in many projects. She is an original founding member of the Morrisburg and District Home and School Association of which she is program chairman. She is president of the professional organization of the Cornwall and District Association for Pre-School Education and in 1971 she headed the committee to establish the Morrisburg and District Pre-School. Appointed in 1972 by the Council of the Village of Morrisburg she is the local representative on the Board of Trustees of the Winchester and District Memorial Hospital. Her hobbies are music, gardening and sewing.

Mother of five children, Mrs. Findlay is the wife of Dr. D.C. Findlay, geologist. They also operate a small apple orchard on Lakeshore Drive.

Joan Findlay

Minor Hockey Chairman Says "Thanks"

Tom Clapp, Chairman of Winchester and District Minor Hockey Association, was exceptionally well pleased with the enthusiastic participation in the recent Skate-A-Thon, and following is his letter of thanks:

"I wish to express a word of thanks on behalf of the Winchester and District Minor Hockey Association to all those who participated and sponsored the recent Skate-A-Thon. As our hockey budget is in the $6 to $7,000 area, all money collected through Oktoberfest, Skate-A-Thon is the only means where the hockey players themselves can aid minor hockey financially through the funds they raise.

"As all the money has not been turned it yet please bring it to Tom Clapp, at the Agricultural Office, Winchester.

"Remember the figure skating and minor hockey players who collect the most will both be presented with a $10 gold coin from the Bank of Montreal."

Arena Auxiliary Elects Officers

Members of the newly-formed Winchester and District Arena Auxiliary met last week to elect their first slate of officers.

It was noted the organization has been set up to help raise money for improvements in the Community Centre and all ladies, both young and old are invited to join.

Those elected to office were: president, Mrs. Carolyn Dawson; vice president, Mrs. Barbara Davidson; Secretary, Mrs. Jean Baldwin; treasurer, Mrs. Rhonda Steele.

The next meeting will be on January 8th in the Community Centre at 8:00 p.m.

Winchester WCTU Hears Report On Youtharama

Mrs. John Barrett was hostess to the W.C.T.U. on Thursday, November 21. Seventeen people faced the first real snow storm of the season to be present. The president, Mrs. Merkley, opened the meeting with a poem, "Will I Pray", followed by the hymn, "Sweet Hour of Prayer". She read a speech which had been given by Marc Lalonde, recently, In it he expressed his opinion of the use of alcohol, stressing the evil effects it is having on the country.

There was some discussion of kits for world vision. Mrs. Merkley read a poem, "The Quilt Course". Ten lovely quilts made by members for World Vision were exhibited.

The worship period was conducted by Mrs. Barrett, Mrs. I.P. McIntosh, and Miss Ellice Smith. It centered around the topic, "Five steps in following Christ".

On Friday evening the W.C.T.U. held a public meeting in the Baptist Church with Mrs. Prosser presiding. Nine young people from the area had attended Youtherama at Guelph recently. They were introduced by Mrs. Cecil McIntosh and expressed their enjoyment of the weekend spent there. The four girls who were sponsored by the W.C.T.U. this year gave a very interesting report. Mrs. Hutchinson, accompanied by her small daughter presented a thoughtful number. Miss Marilyn Pitt, assistant youth director for the province, was guest speaker. She explained the work of Youtherama, the motto of which is, "A good time with a Purpose". She illustrated her talk with puppets and sang "Because He Lives", as a solo. A group of girls from Winchester Springs sang two fine numbers. Mr. Eaton closed the meeting with prayer.

Each of these meetings was followed by a social hour and lunch.

Evelyn Macartney Presides At Auxiliary

Seven Units were represented at the November meeting of the Hospital Auxiliary, with the new President, Mrs. Evelyn Macartney presiding.

Committees selected at a previous executive meeting were accepted by the Auxiliary.

Mrs. F. Cass, a member of the Executive of District 9, spoke of plans in progress for the spring meeting to be held in Winchester.

The recent Blood Donor Clinic was a success. The Canadian Red Cross and the Medical Staff appreciated the assistance given at the Clinic by volunteers.

Mr. Stel commented on the Teen Age Volunteer dinner, expressing the importance of Teen Age Volunteers as a most satisfactory program, good for all concerned. He spoke of the capable enthusiastic director of Volunteers, Mrs. K. Helmer.

Mrs. R. Beamen gave an interesting detailed report of the convention held in Toronto. Mrs. Cass and the President, also attended and gave encouraging comments.

All departments of the hospital, are very busy, as reported by Miss Legris.

Mrs. H. Lannin, spoke of instructions to Tuck Cart Volunteers, considering rising prices and stamps.

Recommendations from the purchasing committee were presented by Mrs. Rose Campbell, and approved by the Auxiliary.

Decorations for the hospital and the Christmas Party were discussed, with the committee in charge of final arrangements.

The December meeting will be held December 12 at 2 p.m.

Centennial Choir To Sing At Chesterville

On Sunday December 1, at 8:00 p.m., the Cornwall Centennial Choir will perform at Trinity United Church in Chesterville.

The choir was formed in 1967 and consists of 45 members ranging in age from 16 to 65 years. In Cornwall they perform 2 annual concerts at Christmas and in May.

They performed in the Toronto Music Festival in 1969 and 1971 and placed first both years. At the Ottawa Music Festival where they have appeared 7 times, they have never lost. They appeared in the Star Concert at the National Arts Centre 1973. This year they have scheduled a concert in Montreal in February and plan to travel to the West Coast in the spring.

Their Chesterville program will be one hour in length and will include a total of 14 selections from sacred, secular and Christmas origins.

Those in charge hope everyone will attend this presentation which should appeal to all members of the family.

Leonard W.I. Gathers

Mrs. A. Nadon was a gracious hostess when she entertained one visitor and nine members of Leonard W.I. last week.

The Roll Call was answered by all "How has the Atomic Bomb Changed Our Lives".

Mrs. B. Heney chaired the meeting.

Plans are being finalized for the Agriculture Supper at Bear Brook on January 16th.

Members were reminded to attend the Achievement Day at Navan on November 30th.

The Christmas party will be held on December 17th.

Mrs. J. Liptack gave her report of the Area Convention which she had attended as delegate.

The Convenor of Family and Consumer Affairs Mrs. M. Larmour was in charge of the meeting.

Lunch was served by the Hostess assisted by Mrs. B. Heney.

Mrs. Wm. Dow Details Area Convention

The regular monthly meeting of the Metcalfe W.I. was held at the home of Mrs. Archie Waddell, Nov. 19th, with the President Mrs. Wm. Dow presiding.

The meeting was opened by a moment's silence followed by prayer in memory of the late Mrs. G. Wyman, a member who passed away since the last meeting.

Nine members and two visitors answered the roll call by giving their Wedding date, year, and place.

After the business portion of the meeting Mrs. Wm. Dow, delegate to the area convention held at the Talisman Motor Inn, on November 12th, gave a detailed report on the convention.

The meeting was then turned over to Mrs. Fred Moulton, Public Relations Officer for the district. She gave a entertaining and instructive talk on Public Relations as it relates to communications. "By use of simple words", she said "we can make ourselves more clearly understood". She closed by saying "I know you believe you understood what you think I said, but I am not sure you realize that what you heard is not what I meant".

Mrs. Moulton then conducted a contest on Public Relations - four ladies tied for first place. By a draw Mrs. Wm. Dow was declared winner.

Plans were made to cater for the opening of the new Township Garage, on November 30th.

Lunch was served by the hostess, assisted by Mrs. Wm. Dow.

Elections Belong To The Voters

Next Monday is municipal election day and, although some have acclaimed their representatives for the next two years, many municipalities will be given an opportunity to choose from among several very able candidates.

Unlike Federal and Provincial elections those seeking office do not spend vast sums of money on campaigns, instead they attempt to meet as many voters as possible, and usually participate in at least one meeting where all candidates are present, and ratepayers are invited to assess the various platforms and question those who have offered to be of service.

Again, unlike elected representatives at both Federal and Provincial levels, those who serve on municipal councils are paid very little for their work and, in fact, their contributions to society might almost be termed a labour of love.

These men (and women) are well aware that if their respective communities are to survive and prosper then they must be administered by capable and willing citizens. Citizens very conscious of to-day's problems and keenly interested in planning for the future.

Fortunately, in the area served by this newspaper, all those who have come forward offering themselves as candidates fit into this category. They are all fully aware of the problems facing rural and urban Ontario. They know it is a time for planning and zoning; an era of threatening recession; an age when the cost of education eats up most of the tax dollars; and they also know they will be expected to answer all requests without any increase in taxation.

Despite all this they have expressed a willingness to offer their time and talent to help make their respective communities better places in which to live.

But the decison is not theirs. Voters themselves hold all the 'aces'. Consequently it is the responsibility and the duty of every voter to carefully measure the merits of candidates, and then register a decison on election day.

Next Monday is 'Election Day', and we should be thankful that we live in a democratic country where everyone is free to seek public office and the final choice is made by the electorate.

When this is read candidates will be in the final stages of their campaigns, and their hopes and expectations, as well as their plans for better government, will rest in your hands. For after all elections belong to the voters.

Holiday Hazards

We're not rushing you into Christmas. We just feel that it's not too early to think about Christmas trees and lights. Better to prepare now for a safe and happy Christmas than to have the entire holiday season ruined because of short sightedness. Here are a few safety reminders.

THE TREE - Choose a fresh resilient-looking one and keep it outdoors until you are ready to set it up. A dry Christmas tree can burn in 27 seconds so the first thing to do is to try and retard the drying process.

Bring the tree into the house a few days before Christmas but first make a fresh angle cut at the base, one inch above the original cut. This provides a greater area of porous wood to absorb water.

Set up the tree in a location away from sources of heat, flammable items and avenues of escape such as windows, halls or doorways. Support the tree in a sturdy stand with the base of the tree in a container of water. Use plain water and check the level daily. When the needles start to fall it's time to take down the tree.

THE LIGHTS - Before putting the lights on the tree check the entire set or sets for frayed wires, loose connections and broken sockets; these are fire hazards.

When purchasing new lighting sets, look for the Canadian Standards Association label. All lighting must bear the CSA label to be legally accepted in Canada. This also applies to electrical toys you may be buying for presents for the children.

For outdoor wiring use only weather proof cords and sockets. Follow the directions supplied by the manufacturer; often improper use or installation destroys the built-in safety features.

Fires from defective electrical cords and lights result in numerous tragedies every holiday season. Be sure you don't short cut on safety and end up with a short circuit.

THE DECORATING - Use a sturdy stool or small ladder for the climbing jobs. Falls are painful and it's harder to carve the turkey with an arm in a plaster cast.

Be accident-free and injury-free. Have a Safe and Merry Christmas.

About That Word Honour

by Bill Smiley

Had to make a speech the other night to the honour students at our school. I say "had to", because, the vice-principal, who is six feet twelve, told me I was going to be the guest speaker. I am five feet eight and a half.

How can you be a "guest" speaker when you work in the joint?

However, I done my best, as we say in the English department. It wasn't much of a speech, but the remuneration was not exactly princely, either. Zero.

I abhor speakers at honour nights who get up there and praise the kids and tell them to stick in there and fight and be competitive, because that's what the world is all about.

I took rather a different line. I told them that being an honour student is chiefly a matter of birth. Either you are born with some intelligence, in which case you can walk through our school system, or you are born to a mother or father who makes you get off your lazy butt and do some work. In either case, it was an accident, not something to sit around and feel self-satisfied about.

Both my kids were honour students, in Grade 9. And the boy could almost tie his own shoelaces when he was 14, and the girl was still knocking over her glass of milk at table when she was 14. From Grade 9 they went straight down hill. But I'm not too worried about them. They both have a sense of honour, and that's a lot more important, to me, than honour standing in school.

Some of the rottenest people, physically, morally and emotionally, whom I have ever met, have been honour students. With no sense of honour.

I was an honour student too, once, in Grade 8. This was back about the time of the Boer War. I knew I was about the smartest kid in the school, and was confident of coming first in Grade 8, or the Entrance, as we called it. Entrance to what, I never did find out. Entrance to five more stultifying years of school, I guess.

Unfortunately, though I was the smartest kid in school, I was also the laziest. Eddie Kirkland, now a big corporation lawyer in Montreal, came first. I beat him up as soon as the results came out. This didn't solve my frustration. Muriel Robbins came second. I was going to beat he up too, but she was bigger than I, so I settled for third.

Third is a good place to be. You can't be accused of being a teacher's pet, as we called it, or a "brown", as today's youngsters so bluntly label it. On the other hand, you have proved that you are not a dummy. I've been running a comfortable third ever since.

I was the third member in our family of five. It was rather pleasant. I didn't have to compete with my older brother and sister, and I could bully my younger brother and sister.

When it came time to take our lumps in the war, I still ran a comfortable third. My older brother chose to have himself blown up, rather spectacularly. My young brother, in a desperate attempt to get some recognition, won a decoration for bravery, after being shot down in the English Channel. (I don't see what's so brave about that.) I went quietly off to a prison camp, and emerged with three thousand dollars in back pay. They were both broke.

There's nothing wrong with being a third-place runner. I don't mind getting a little mud in my face, as long as I finish in the money.

Now let's be serious for a moment. I'd like to take a closer look at the word "honour". It's one of those abstract words that you hear less and less these days, as though it were embarrassing to utter them. Words like compassion and virtue and chastity and loyalty and decency. People almost blush when they use one of them. It seems that we all have to be tough and callous.

From this "all", I would except our young people, who are not afraid to talk of love and compassion and tolerance and kindness and pity.

They see only too clearly through the "plastic" world they have been bequeathed: a world of false values, lip service to ideals, and violence.

No wonder there is a generation gap. We worship the golden calf, and are flabbergasted when our kids see it for what it is: a graven image.

We want to sweep everything under the rug, so the neighbours won't see it. We want our kids to be "nice", and "sensible", and "solid", while they see the joy and the pain that is real human life.

These are some of the thoughts I shared with the students. In closing, I suggested, "Don't just be an honour student. Be an honour person."

Do you agree?"

Speaking With Tongues

by Dr. G. C. Smyth

The charismatic movement is spreading into mainline denominations. It can no longer be dismissed as a "fad" of Pentecostal "sects."

The power to heal, to work miracles, to speak in unknown language(s) are characteristics that the "Spirit people" believe herald the rebirth of Christianity to welcome a returning Christ.

Glossolalia, the Greek word for tongue, is the issue that creates most of the tension. One minister, whose church is active in the charismatic movement, says that this is "a simple yielding of our tongues to the Lord, letting the Holy Spirit pray through us."

Another minister says that the glossolalia surge "is the unpaid bills of the Church come due." Church services are so sterile and the Church "so professional, that the people are turning in desperation to such manifestations as speaking in tongues."

The director of the Methodist Institute of Church Renewal (U.S.A.) has noted, "Where do you go? Who can say you didn't have a charismatic experience? What authority? It creates most controversy in an implied demand that other persons have the same kind of experience and make the same affirmations."

The Apostle Paul is a trustworthy guide. He was familiar with the practice. He felt it necessary to deal with it. Some of the Corinthian Christians were emphasizing it disproportionately. His method was to put the matter in the perspective shown in chapters 12 through 14 of First Corinthians.

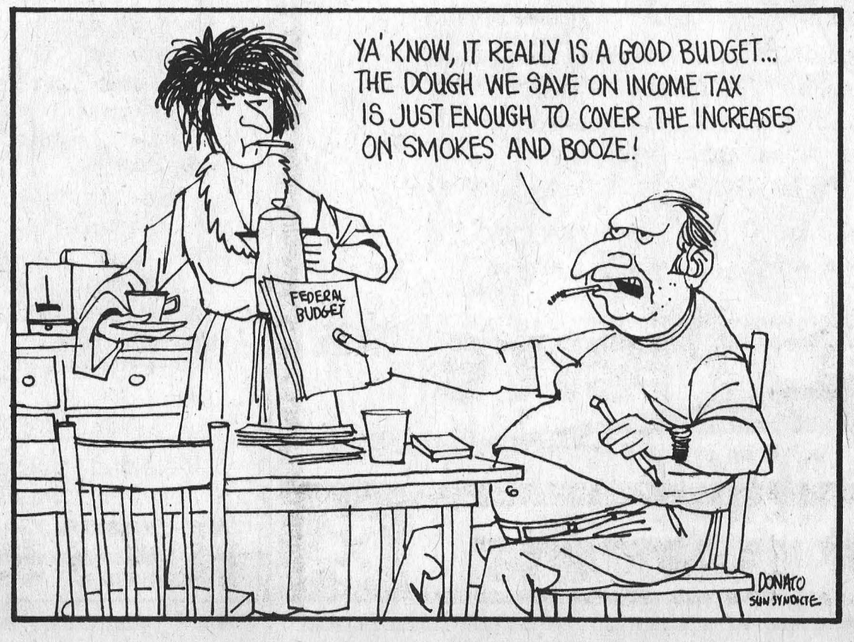
Paul wrote that, although he was endowed with ecstatic utterance, "in church I would rather speak five words with my mind, in order to instruct others, than ten thousand words in a tongue." It is no wonder that this superbly gifted man wrote more familiar lines that begin with these words, "If I speak in the tongues of men and of angels, but have not love, I am a noisy gong or a clanging cymbal."

I believe that the charismatic movement has much to teach its critics. Are services cold, members indifferent to prayer, and clergy hesitant to preach for the sort of changed lives that transform society?

I also believe that those engaged in the charismatic movement have much to learn. Are they developing a superiority complex, ignoring sound biblical scholarship, or going about taking their own spiritual pulse all the time?

I further believe that the charismatic movement has much to say to all. The Holy Spirit is active. Our global village is on the point of experiencing that power which sent the Apostles into the empire of the Caesars, with an impact such as mankind had never known before.

For "the fruit of the Spirit is love, joy, peace, patience, kindness, goodness, faithfulness, gentleness, self-control; against such there is no law." Thus Paul wrote. He might have added that nothing could stop it either!



The Seventh Column

E.S.P. we understand has something to do with being able to foretell what will happen in the future. Not sure we know exactly what the letters stand for, but judging by the way it works for us during the football season, we like to think of it as simply 'easy pickin'. Made the rounds again Monday collecting the 'green stuff', and after banking the 'loot', very carefully stored the old crystal ball away till next year. And here's something of interest to those who continually sacrifice hard-earned dollars backing losers. As we placed the gleaming sphere in its velvet-lined box we took one last look - - and sure enough, there clearly visible were the words, "Rough Riders in '75". You're welcome fellows.

We've been saying it all along, and now comes another striking example of how our present educational system is failing dismally. Only last week the Premier of our province, despite his rigorous schedule, took time out to accept an invitation to visit Carleton College and chat with the students. Here's how one Ottawa daily described his visit: "Premier Bill Davis dropped in on Carleton University students Tuesday - - and the students began leaving." Are such subjects as respect, common decency and good manners no longer taught in schools - - or homes either for that matter? Surely those in high office deserve better! But that wasn't all - - Mr. Davis no doubt came expecting the students to display a keen interest in affairs affecting society, and ready to share his wisdom and knowledge on such pertinent subjects as inflation, housing, pollution, welfare and the ever-present fear of an energy crisis. Were they interested? Absolutely not - - they wanted to know about beer!

And here's some advice for little boys who would like to have a dog but their mothers won't allow it. One youngster told us he tried it, and it worked. "You don't ask for a dog", he said, "you ask for a baby brother - - - and then you get the dog."

Mighty difficult to write with moist eyes and tears streaming down on typewriter keys, but each time we think of Norma Lennon's letter to the editor of the Ottawa Journal we get that old 'lump in the throat' and our heart literally bleeds for the poor, underpaid, overworked civil servant who can't afford feminine attire and must come to work wearing 'cords' and 'clogs'. The letter to the editor was obviously designed to slap down columnist Dave Brown. Dave, in one of his interesting daily messages had made mention of having spent several hours visiting Ottawa offices, including those where government employees 'slave'. He concluded, after completing his study, that girls working in civil service ranks [even receptionists] took the least time to look attractive. "Downright sloppy", was Dave's term, and the Lennon lass seems plenty perturbed. The poor kid took time to quote prices of clothing that would "meet dress standards imposed and demanded by men", and after reading her pathetic tale we've concluded she's been shopping at the wrong stores. Defending her own shoddy appearance she reminded Mr. Brown that office frocks sell at prices ranging from $50 to $85; shoes, $35 to $50; cosmetics, $30 to $40 and costume jewelry, $100. Maybe she should try shopping in Winchester and the district. The 'Old Girl' does, and we think she looks very 'feminine' and 'downright attractive' in her $15 dress; $12 shoes; 50 cents worth of cosmetics and $2 jewelry [her annual allowance].

When the new Osgoode Township Council takes office two familiar faces will be missing. Maynard McDiarmid and Lorne Harrison both moved to the sidelines assuring the election of at least two very new municipal officials. Mr. Harrison cited pressure of business as his reason for stepping down, while Mr. McDiarmid suggested maybe his age was a determining factor. We've always considered Maynard something of a philosopher and usually found chatting with him a sure cure for the blues. And that hasn't changed. Last week, discussing world affairs with our good friend we made a remark about growing old too fast. "Well you know", said the veteran cattleman with his usual sly grin," I feel downright good about growing old, for if I wasn't growing old I wouldn't be here at all."

Maybe you already heard the one about the new salesgirl who was trying desperately to make her first sale to an old-fashioned lady. "But madam", she insisted, "you just must try one of these new sachets." "And what", asked the little matron, "is a sachet?" Sensing a possible sale the salesgirl explained, "it's a little bag of perfumed powder to keep in your drawers to make them smell nice." The woman thought about that for a few seconds and then said, "well, I guess it's all right, but I should think it'd be awfully uncomfortable." No sale.

And something to ponder as you slide under the steering wheel: Fellows who drive with one hand are usually headed for a church aisle. Some will walk down it; others will be carried.

Named Member Agricultural Hall Of Fame

The portrait of George M Clemons, Brantford, Ontario, was unveiled in the Canadian Agricultural Hall of Fame at the Royal Agricultural Winter Fair on the occasion of the annual dinner November 17, 1974. Mr. Clemons was the Secretary-Manager of the Holstein-Friesian Association of Canada for 43 years --- years during which the Canadian Holstein was made popular around the world. He retired in 1973 after 48 years of service with the Association.

Mr. Clemons has been widely recognized for the development of the Holstein breed society during the major years of growth in Canada. During his tenure, membership in the Holstein Association grew from 4,000 in 1930 to 12,800 in 1973. Annual registrations also grew from 22,000 to over 100,000. However, it is likely that he will always be remembered for his outstanding promotion of Holsteins in foreign lands, thereby popularizing the breed and developing a large export market for Canadian breeders. Some 20,000 head of cattle are shipped yearly. Over 55 countries have already imported Canadian Holsteins, with more on the immediate horizon.

The Hall of Fame member was also instrumental in the organization and progression of the A.I. Industry in Canada, and in the formation of the Canadian Livestock Exporters Association, of which he is chairman.

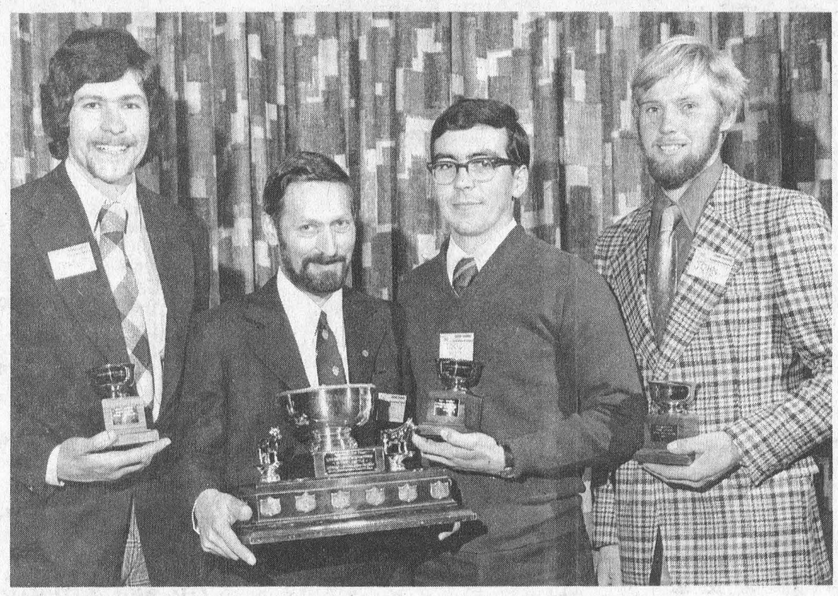
In his retirement, Mr. Clemons continues to be a roving ambassador for the Holstein breed.

Bookmobile

The SD&G United Counties bookmobile will visit the following locations during the week of December 2:

Friday, December 6

Williamsburg	11:00-11:30
Inkerman	1:00-3:00
Mountain	3:30-4:15



Dundas County Winners

The Ontario Veterinary Association Challenge Trophy was presented recently to the Dundas County team for the highest aggregate score in dairy cattle judging. Dr. Brian Sorrell, president of the Ontario Veterinary Association, (second from left) presented the award to (left to right) Frank Casselman, R.R. 3, Chesterville; Doug Blaine, R.R. 2, Mountain; and John Douma, R.R. 1, Chesterville. The team was competing in the Inter-County Livestock Competition at the 1974 Royal Agricultural Winter Fair.

Photo Courtesy Ontario Ministry of Agriculture and Food.

Kemptville College Takes Top Honours At Royal

For the second straight year the Kemptville College team has walked away with the college livestock evaluation competition at the Royal Winter Fair at Toronto.

Competing against four other colleges and universities, the Kemptville team scored 1,857 points out of a possible score of 2100. Each contestant evaluated three classes of dairy cattle, two of beef and swine, and one of sheep.

The top Kemptville team member, David Fletcher of Foresters Falls, won the C.D. Graham Memorial Trophy for the highest individual score. Fletcher tallied 638 points out of 700.

Commenting on the victory, Fletcher said: "I learned a lot more than ever before." He credited his success to the will to win.

"You ask more questions", he said, "stupid questions maybe. But you wanted to find out."

The ability to reason soundly was an important part of the contest. Competitors had to use both eyesight appraisal and production records. In many cases, judges awarded more points for reasons than for placement of the animals.

Runner-up on the College team, Lorne McGee of Hastings, says that in competition of the Royal calibre, "You have to be self-confident in your ability."

"Trust your judgments or you're in trouble. That's the only realistic and practical way you can judge."

Other members of the Kemptville College team included Ronald MacMillan of Lombardy and Harold Tompkins of Kemptville.

Kemptville College coach was Dennis McKnight, a lecturer in Livestock Production.

At D.H.I.A. Annual

Fete County Winners

Russell County Dairy Herd Association members held their annual meeting at Limoges Community Centre on Tuesday night when the following were the recipients of awards, trophies and plaques.

Highest B.C.A. (Breed Class Average) Supervised Plan - dairy year: 1973 - Russell North - Gaston Hupe, Clarence Creek; Russell South - Raymond Bourgeois, St-Albert.

Highest B.C.A. - Owner Sampling Plan - dairy year 1973: Russell North - Pierre Hurtubise, Bourget; Russell South - Gaston Cayer, St-Albert.

Most Improvement in a herd - dairy year 1973: Russell North - Lionel Duquette, St-Pascal Baylon; Russell South - Andre Cayer, St-Albert.

Best Producer - Lifetime Average: Russell North - Rodolphe Saumure with Princess - B.C.A. 180-171; Russell South - Leon Castonguay with Manon - B.C.A. 160-154.

Prior to the meeting the executive had agreed that no producer receive more than one plaque even if he qualified for more than that.

D.H.I. supervisors in Russell County are Alban Savage of Embrun and Gerard Vinette of Clarence Creek.

Besides the presentation of awards there will be a discussion led by Dr. Lucien Servant on reproduction problems, and by Auguste Beauchesne, Associate Agricultural Representative in Stormont, Glengarry who will speak on dairy cattle feeding.

Final Tribute Paid Memory Jonathan M. "Jott" Scharf

Jonathan M. (Jott) Scharf, a life long, highly respected Edwards resident, died at Winchester District Memorial Hospital on November 19th following a short illness. He was in his 75th year.

Born at Edwards, he was a son of the late Mr. and Mrs. Wm. Robert Scharf and received his education at area schools.

The late Mr. Scharf is survived by four sisters and four brothers: Mrs. Minnie Reece, Qu'Apelle, Saskatchewan; Mrs. Thos. Dowd (Theresa), Mrs. Nettie Scharf and Mrs. Homer Scharf (Ellen), all of Ottawa; Rockland, Metcalfe; Nelson, South Mountain; Eckland, Edwards and Edward of Metcalfe. Three brothers, Walter, Joss and Robert, and one sister, Amanda, predeceased him.

A member of Metcalfe Anglican Church the funeral service at Vice and Craig Ltd. Funeral Home, Metcalfe, was conducted by Rev. H. Lamble at 2:00 p.m. on November 21st.

Pall bearers were: Kenneth Scharf, David Scharf, Billy Scharf, Brian Scharf, George Scharf and Hugh Scharf.

Interment was at Metcalfe Union Cemetery.

Junior "B" Race

Cornwall Still On Top

Cornwall, by virtue of 8 wins and only 2 losses, remains in first place in St. Lawrence Division of the Ottawa District Junior 'B' Hockey League. Cardinal is all alone in second position with Metcalfe and Prescott tied for third.

St. Lawrence Divison statistician Lynne O'Brien released the following report on Monday morning.

WEEKEND GAMES

November 20th - Cornwall 5 - Metcalfe 2.

November 22nd - Cornwall 7 - Alexandria 4; Prescott 6 - Winchester 5; Morrisburg 11 - Long Sault 5.

November 23 - Cardinal 7 - Alexandria 5.

STANDING

North Dundas District News

The first snow fall of the season brought doom to North Dundas. The Junior girls basketball team travelled to Hawkesbury to participate in the E.O.S.S.A. championships on Thursday, November 21. They had no problem beating Perth and Lasalle but South Grenville proved to be obstinate. We lost by one point! The score was 23-22. Well, our Junior girls may be in second place but to us they will always be the champs!

Fund-Raising this year at N.D.D.H.S. proved to be successful with a net gain of $3,000 dollars. This is considerably since there was no significant amount of exuberance shown. However we think that Jen Spearman Adrian, Paul and Bobby Sharkey should be congratulated since they sold almost 300 chocolate bars. They travelled all over the place and they certainly deserve the top-seller prize! It is studnets like this who keep North Dundas financially stable and keep things happening.

Next Friday night (November 29th) there will be the third dance of the year featuring 'Brighton Rock'. The dance is from 8:30 p.m. to 11:30 p.m. and the prices are $1.50 and $2.50. We hope there is a great turnout because - the more the merrier! Also there will be no Christmas Dance this year so come out and enjoy 'Brighton Rock'.

School policy re evaluation was made public last week. Only Level 5 students will be required to write exams. Everyone else gets off scott-free. Their marks will be one hundred per cent term work.

The Hexagon theatre troup - a group of actors from the N.A.C, performed for level 3,4 ,and 5 students on Thursday November 21. They were greatly appreciated as they performed Michel de Ghelderade's play "Lord Haleeiryn", so much so that they received a standing ovation. The school hopes that they will return next year.

Well, that's all the news for this week. As things keep happening at North Dundas, we'll keep you informed.

Bye for now.

Lombardo To Return

This week's report from Metcalfe Recreational Association reminds music lovers that Guy Lombardo and his Royal Canadians will be back at Metcalfe on the evening of Tuesday, May 27th, and tickets are already on sale.

The R.A. also reports that plans are being finalized to have another big-name band at the Community Centre on Wednesday August 6th but details are not being released till the contract is officially signed.

WINTER CARNIVAL

The association is presently drawing up plans for the annual winter carnival and a special meeting has been scheduled for Wednesday, December 4th at which time representatives from all community groups will be invited to participate.

ALL HANDS BUSY

All R.A. committees are extremely busy with one group working out details for the Christmas Dance on Saturday December 14th and others involved in children's activities.

Mrs. Stachon reports figure skating classes have all been filled while Mrs. Hovestad is having similar success with dancing classes which began last week.

Association president Doug Stewart points with pride to a recently-installed bulletin board at the Community Centre. Cost of the attractive, glass-enclosed board, $466.00, was entirely financed by the Recreational group. Pylons for use in power skating have also been procured at a cost of $58.00.

As Season Approaches OPP Warns Snowmobilers

With the approach of winter and a new snowmobiling season, Commissioner H.H. Graham of the Ontario Provincial Police reminds snowmobilers of the dangers of travelling on thinly-frozen lakes and rivers, especially early in the season.

Every year, members of the O.P.P. are called upon to investigate incidences of persons going through the ice, many with tragic results.

Later in the season when the ice is thicker, a thorough knowledge of prevailing ice conditions is still necessary. Underwater currents can erode the strongest ice so that there is open water on the coldest days.

Commissioner Graham recently said that a new problem has arisen. Many cottagers are using "Ice-Away" machines to protect their docks and boathouses. Air pumped into the water creates a turbulence which prevents the formation of ice. These machines are very useful for protecting the lakeside property but present a potential hazard to any person travelling on the ice.

Anybody using the ice-away machine should remember that they have a definite legal responsibility to guard the opening in the ice. The law states that anyone who makes an opening in ice has a legal duty to guard it so as to prevent any person from falling into the water. Should someone fall through the opening and drown, the person who made the opening could be guilty of manslaughter and liable to life imprisonment.

Keith Acres Represents Valley

EOTA Elects New Slate

The first Annual Meeting of the Eastern Ontario Travel Association took place on November 20, 1974 in the President's Board Room of the St. Lawrence College in Kingston, Ontario. The Chairman, G.G. Seymour reviewed the accomplishments of the Association since its formation early in 1974 and outlined the plan of the Association for 1975.

An election of officers of the Association took place during this meeting and the following were elected to take office January 1, 1975.

Chairman - Mr. John Zylstra - representing the Madawaska Valley; Vice-Chairman - Mr. Keith Acres - representing the Seaway Valley; Vice-Chairman - Mr. Don Longchamps - representing Ottawa-Canada's Capital Region; Vice-Chairman - Mr. Charles St. Germain - representing the Lower Ottawa Valley; Secretary - Mrs. Mary O'Brien - representing the Upper Ottawa Valley; Treasurer - Mr. Don Anderson - representing the Rideau Lakes & 1000 Islands; Past Chairman - Mr. G.G. Seymour - representing the Rideau Lakes & 1000 Islands.

The Annual Dinner Meeting took place in the Cavalier Room of the La Salle Motel in Kingston attended by members of the Board of Directors of the EOTA and their guests as well as representatives from the Ministry of Industry and Tourism, Mr. & Mrs. George Webb representing the Mayor of Kingston and Mr. and Mrs. E. Hartnett representing the President of the Kingston Chamber of Commerce.

F.J. Boyer, Executive Director, Division of Tourism of the Ministry of Industry and Tourism was the guest speaker. His speech was entitled "Past is Prologue".

G.G. Seymour, the retiring Chairman presented an engraved gavel to Mr. John Zylstra the incoming Chairman.

A.C. Casselman presented to F.J. Boyer an engraved Cannon obtained from Old Fort Henry as a memento of the occasion of the Eastern Ontario Travel Association being the first of twelve organized in Ontario to hold an annual meeting.

F.J. Boyer presented to the Chairman, G.G. Seymour, an engraved plaque that will be displayed in the head office of the Eastern Ontario Travel Association, Lansdowne Travel Centre - a Chairman's Plaque indicating G.G. Seymour of Kingston as the first chairman of the EOTA. Mr. Boyer also presented to Mr. Seymour an engraved desk set in tribute to his untiring efforts to form and firmly establish the EOTA as a major factor in tourism throughout Ontario. Mr. Seymour received, at the same time, a letter from Mr. Claude Bennett, Minister of Industry and Tourism, thanking Mr. Seymour for his untiring efforts in promoting tourism as the major industry in Eastern Ontario.

Wanted -- Ringette Players

Winchester ladies between the ages of 13 and 50, are competing in an interesting Ringette league, but unless more players can be found the local team may have to fold.

"We need at least 15 more players", reports one official, "to assure our continuation in the interesting league competition."

Games are played on Friday nights at 6:30 and those interested are urged to contact either Mrs. Betty Skuce (774-3318), or Mrs. Sandra Merkley (774-3248), as soon as possible.

One player, nursing a painful bruise, suggests those planning to play wear helmets, shin guards and elbow pads.

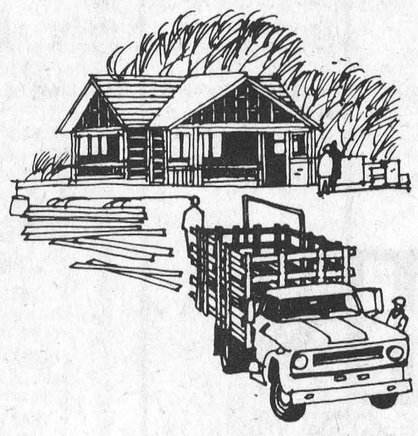
Lower cost housing is one of our greatest needs.

This is what Ontario is doing to help provide it.



Ontario today has more houses and more new housing programs than ever before. We are, unquestionably, among the best housed people in the world.

But the cost of housing, for both owners and renters, has increased sharply in recent years.

With this in mind the Ontario Government has developed many programs to ease cost pressures and help make more housing available. Four such programs are:

1. Ontario Home Renewal Program (OHRP) offers grants and loans for home improvement through local municipalities to low and moderate income homeowners. It is particularly directed to the rehabilitation of sub-standard dwellings, with emphasis on faulty structural and sanitary conditions, and the up-grading of plumbing, heating and electrical systems.

2. Community-Sponsored Housing Program supports the development of reasonably priced housing through non-profit housing corporations operated by groups or municipalities. Grants to these groups—which may include labour unions, churches, welfare agencies, educational and charitable institutions, and service clubs—cover up to 10% of the value of a housing project. In return, the group makes available up to 25% of the project units for Ontario Housing Corporation's rent supplement program.

3. OHC'S Assisted Rental Housing for Families and Senior Citizens provides accommodation for the elderly and for families, on the basis of rents-geared-to-income. Its purpose is to subsidize rental payments for people 60 years of age and older and for low-income families.

4. Home Ownership Made Easy (H.O.M.E.) Plan brings home ownership within the reach of many moderate-income earners. Houses are built on serviced lots which are then leased by Ontario Housing Corporation to new homeowners who have the option of buying the land after five years. This combination makes lower-than-normal down payments possible.

If you would like more information or free literature on these four housing programs, write:

Community Saddened By Death Of Donald Erle McInnis

Morrisburg community was shocked and saddened by the sudden passing of Donald Erle McInnis D.F.C. who had served in the R.C.A.F. for five years, as a pilot with Air Canada for almost thirty years, and was planning to retire in Morrisburg next year.

Son of Charles W. McInnis and Mrs. McInnis (the former Ethel McIntosh of Williamsburg), Erle was known by a host of friends. He had made over one thousand air-trips and delivered safely over one million passengers.

Erle attended the local schools in Matilda, Iroquois High School and Queens' University. He served on the School Board in Brampton where he made his home and was a member of St. Pauls United Church there, and of the Masonic Order.

In 1944 he married Elizabeth R. Johnston of Dixons who with two sons, Alan of Tottenham and Robert of Waterloo, and two daughters, Katherine Brett of London and Margie at home, have been bereaved of a very kind husband and father. Also grieved by his passing are his parents of Morrisburg, his brothers, Landon living on the family homestead, Carleton of Morrisburg, and two sisters, Ruth McConnell, Winchester, and Thelma Metcalfe of Baie d'Urfe.

The funeral service was held at Fairbairn's Funeral Home on Thursday, November 14, with Rev. C. Massey and Rev. Brian Gee officiating. The pall bearers were: Captain Tom Reid, Jack Fisher, James Beatty, Borden Hess, Mac Smyth, and Dwight Lannin. Interment was at Point Iroquois Cemetery.

The many floral tributes and sympathy cards manifested the esteem in which the McInnis family is held in the Brampton, Matilda, Iroquois, and Morrisburg communities.

Greely News

The November dinner meeting of The Greely "Friendship Club" was well attended with over thirty Senior Citizens attending.

Tribute was paid to the memory of one member, Mrs. Lena Wyman, who had passed away. Clergy visiting the meeting were Father Victor Chateowvert, the new Parish Priest at South Gloucester, and the Rev. Horace Lamble of Metcalfe. Music was provided by Mr. and Mrs. H. Dudley of Ottawa.

The December meeting will be the Christmas Party when each senior citizen will bring a gift for exchange with another member attending.

After having a disappointing number of bingo fans present on Halloween night, the Greely bingos are again attracting good crowds.

College Changes Names Instills Town Histories

In an effort to instill an awareness of this area's history, and to show its interest and involvement in the community, St. Lawrence College of Applied Arts and Technology recently decided to change the names of the three buildings on the Cornwall Campus.

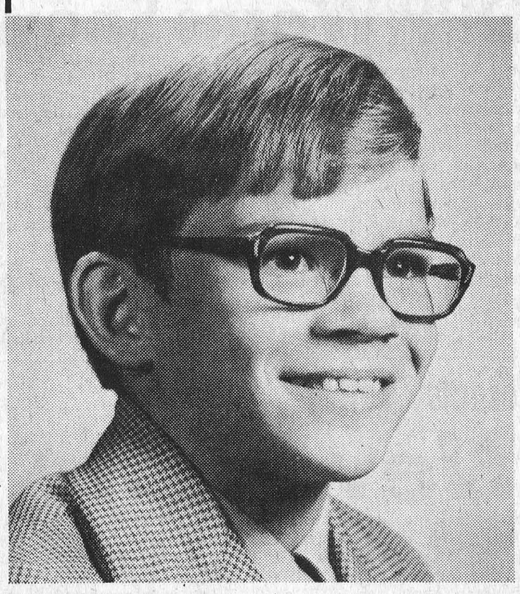
These buildings have been named after three villages that were flooded during the construction of the Seaway.

The main building at Windmill Point has been named Moulinette Hall, and the nursing Building on Fourth Street is now Mille Roches Hall. Both Moulinette and Mille Roches were mill villages that were settled in the early 1800's.

Wales Hall is the name that has been given to the Retraining building on Montreal Road. Wales was one of the most important trading centres of that time.

"Re-naming our three buildings is another means for St. Lawrence College to show its involvement and interest in the community, since it's a Community College" said Mr. Louis Tremblay, principal at St. Lawrence College, when he announced the changes.

To-Day's Child
Hopes For A Farm Home
by Helen Allen



Ken looks all dressed up to have his picture taken, but this 10-year-old is often seen that way. Ken is particular about his appearance. That appearance is pleasant, as the picture shows. Ken is a slim good looking healthy boy with dark eyes, brown hair and fair skin. He wears glasses for short-sightedness.

Ken recently moved to a farm foster home where he is discovering a whole new life that he hadn't known when living in the city. He loves the farm, the outdoor life, gardening, the animals (he is especially fond of dogs) and says he hopes his adoption home will be a farm.

Ken's foster parents find him co-operative and helpful. He is especially kind to small children.

Ken enjoys sports. He plays hockey and badminton and other games when there are enough people around to make up teams. He likes swimming and enjoys camping and is fond of music.

Ken is not a top student but is with his age group in Grade Five on a trial basis. If this proves too difficult, he may have to repeat some or all of Grade Four.

To inquire about adopting Ken, please write to Today's Child, Ministry of Community and Social Services, Box 888, Station K, Toronto M4P 2H2. For general adoption information, consult your local Children's Aid Society.

Walter Alfred Spong Dies In 76th Year

Walter Alfred Spong of Mountain and formerly of Hamilton died at Winchester District Memorial Hospital on November 19th in his 76th year.

Born in London, England, a son of the late Mr. and Mrs. Edwin Spong, he received his education there. A stationary Engineer by trade he is survived by his wife the former Evelyn Brown.

The late Mr. Spong is also survived by three sons and one daughter: Ronald of Mountain; Lorne, Hamilton; Mrs. Frank McDonald (Janice), Woodstock; and James of Mountain. Five grandchildren also survive: Bruce, Nancy and Paul Spong; Wendy and Randy MacDonald.

The funeral service at Vice and Craig Ltd. Funeral Home, Winchester, was conducted by Mervin Peters at 3:00 p.m. on November 21st.

Pall bearers were Lawson Smith, Arnold Simzer, William Gibson, Harry McNeil, Howard Madden and Ernie Patterson.

Interment was at South Gower cemetery.
