The St. Daniel's Knights of Columbus Council in South Mountain held its 13th Annual Mighty Knight Duck Race on the South Nation River on Sat., May 2. A total of 671 ducks were sold for the event, and about $2,300 was raised for local charities. Albert Koekkoek (left), Robert Orme, and Marlyn O'Connor had the responsibility of dumping the ducks into the river to start the race.

New digs for OPP

by Matthew Uhrig

LONG SAULT — Stormont, Dundas, and Glengarry Ontario Provincial Police (OPP) are expected to receive a new detachment building.

The 16,000 square-foot facility will be constructed in South Stormont, immediately south of the current detachment on Milles Roches Road.

Community Safety and Correctional Services Minister Rick Bartolucci, who attended the Fri., May 1 announcement, said the OPP will lease the space from the Township of South Stormont, which will also use the new building as its new municipal administration complex.

Bartolucci said about $3 million for the building will be made available in 2010.

The project is being developed through a partnership between the Ontario government and the Township of South Stormont.

"This is a perfect example of different levels of government working together to better serve the people we represent," SD&SG MPP Jim Brownell said.

The new facility will provide modern infrastructure and technology, along with ensuring a higher quality of policing services for the community.

"The township is very excited about strengthening our relationship with the OPP through this partnership project," said South Stormont Mayor Bryan McGillis. "We have outgrown our current facility and this new building will provide new opportunities for our municipality."

Brownell also said that this project would provide new economic development and employment opportunities for the local community.

"This new facility will allow for both the Township of South Stormont and the local OPP detachment to provide an improved quality of service to the people of this community," Brownell said.

This development sticks with a previous announcement of an OPP modernization project, which will see new facilities being built in 15 communities across Ontario over the next 18 months.

Dairyfest size unknown

WINCHESTER — The village's annual Dairyfest is scheduled to return this coming August, but the overall size of the event has yet to be determined.

At a community meeting held at the Lions Hall on Tues., April 28, about 15 community members turned up to show their support for the annual festival, according to Dairyfest committee chair Gina Welch.

"The meeting went well," she said.

Welch said that another meeting is scheduled after press time on Tues., May 5, where the core group of committee members plan to determine the overall size of the event.

"We know that something is going to happen," Welch said. "But we don't know how big it will be."

Budget deliberations to continue

by Amanda Smith-Millar

WINCHESTER — Township of North Dundas councillors decided not to approve the 2009 budget at its last regular meeting on Tues., April 28.

Instead, council postponed budget talks until the next meeting, scheduled for Tues., May 12.

On April 28, Mayor Alvin Runnalls indicated he was worried about not having sufficient reserves. Treasurer John Gareau is now preparing a new draft budget for May 12.

According to Gareau, the next budget will see a 2.78 percentage-point increase in the municipal tax levy, compared to the April 28 version of the budget, which projected a 2.35 percentage-point increase.

Township treasurer John Gareau told the Winchester Press that even with the 2.78 percentage-point increase, home owners would only pay a few more dollars in taxes when compared to the April 28 budget.

"It's going to be a very, very minor adjustment," Gareau said.

However, Gareau said that with Runnalls' requested adjustment, it wouldn't necessarily help the township much. North Dundas would collect about $18,000 more in taxes than the latest draft of the 2009 budget projected. The amount could be used up quickly.

Councillor Eric Duncan asked Gareau to return with some more details about the township's reserve history and typical reserve position at the end of the year.

Gareau said Duncan's idea was a good one and agreed to come back to the May 12 meeting with more information about reserves.

Suspicious fires a priority: OPP

by Amanda Smith-Millar
Press staff

WINCHESTER — Officials say they are still investigating the series of suspicious fires that have plagued Dundas County and the surrounding area in recent years.

Ontario Provincial Police (OPP) inspector Dave Springer was on hand during a regular North Dundas council meeting on Tues., April 28. During Springer's annual report to council, he said the OPP and the Office of the Ontario Fire Marshal are still looking into the fires. The blazes, said Springer, have hit the Township of North Dundas disproportionately.

Springer said two full-time detectives have taken on casework related to the fires. In addition, police officers from supplementary crime units continue to work on the cases when needed.

Springer said the fires have been costly.

"We want to get it stopped before there's any loss of human life," he said.

Springer added that if one or more individuals are responsible for setting the fires, they need to be caught and punished.

"We want to bring them before the courts to answer for their actions," he said.

Crime stats

Springer presented the 2009 OPP business plan to council, which included crime statistics from 2008.

Springer told council there's good news. Reported violent crime dropped from 582 incidents in 2007 to 538 incidents in 2008. Meanwhile, reported property crimes dropped from 1,586 in 2007 to 1,511 in 2008.

However, drug offenses were up from 193 reported incidents in 2007 to 228 in 2008. Traffic hazard complaints remained steady at 673. Liquor-related offenses were also up, from 221 to 239.

Motor-vehicle collisions saw a substantial jump, from 2,053 in 2007 to 2,197 in 2008. The business plan has targeted collision reduction as one of its 2009 priorities.

A category called "trouble with youth" reports has dropped from 224 incidents in 2007 to 202 in 2008.

Springer said the OPP are trying to take on a preventative strategy when dealing with young people. Officers are also taking on community initiatives and spending time with youth in non-intervention situations — for example, chatting with kids playing in the park.

Springer said he doesn't want kids to "assume when a police car pulls up that it's a negative experience."

Springer stressed the OPP relies heavily on reports in order to not only react to crimes, but also keep accurate statistics. He urged the public to contact police whenever suspicious incidents arise.

"We like to hear those phone calls," he said.

Auxiliary unit

Springer made a point of thanking the SD&G OPP Auxiliary Unit. These civilian volunteers make it possible to, for example, run large-scale events by helping with supervisory duties.

Springer praised the SD&G Auxiliary's efforts.

"This is the busiest auxiliary unit in the province," said Springer.

Cocaine, pot seized

CHESTERVILLE — As a result of what officials are calling a "domestic investigation", Project Sidewinder members — assisted by SD&G OPP officers — executed a drug bust on Tues., April 28 in Chesterville.

The occupants left the residence before police arrived. Officials seized what they suspect are 18 grams of cocaine and two grams of marijuana from the King Street residence.

The value of the drugs is about $1,850.

Charges are pending on one adult male.

Domestic assault

WINCHESTER — SD&G OPP officers responded to a report of a domestic incident on Clarence Street around 4:30 pm on Sun., May 3.

The investigation revealed that a 30-year-old woman and her 45-year-old boyfriend were involved in a verbal altercation that resulted in the male assaulting the female.

The man was arrested and faces charges of uttering threats to cause death or bodily harm and assault. The woman was also arrested and faces breach of probation.

Both people were held in custody pending an appearance in Cornwall court.

Man faces multiple charges

MORRISBURG — SD&G OPP officers responded to a reported domestic incident on Kyle Drive, Morrisburg on Thurs., April 30 around 11:30 pm.

Police say a woman and her 21-year-old boyfriend were involved in a verbal altercation, which resulted in the man assaulting the woman.

The man was arrested and faces charges of assault causing bodily harm, domestic mischief, threatening to cause death or bodily harm, and breaching his probation order.

He was held in custody pending an appearance in Cornwall court.

Mailbox smashed

BRINSTON — On Thurs., April 30, SD&G OPP officers learned a mailbox had been smashed, most likely overnight.

The mailbox's owners live on Gilmour Road in South Dundas Township.

The SD&G OPP would like to remind the public to report any suspicious activities or crimes as soon as possible.

EOHU on H1N1 alert

by Matthew Uhrig
Press staff

WINCHESTER — Ontario's acting chief medical officer of health, Dr. David Williams, has determined there are 17 new cases of the H1N1 (human swine influenza) virus in Ontario.

Meanwhile, the City of Ottawa's chief medical officer, Dr. Isra Levy, revealed Tues., May 5 that a city resident had tested positive for the H1N1 virus. This new finding brings the total number of outbreaks in Ontario to 32, and the total number of cases across the country to 141, with the most severe case coming out of Alberta, where a young girl is being kept in the intensive care unit of an Edmonton hospital.

Laboratory tests have confirmed the Ontario strains are the same as the ones in Mexico and the United States. The 17 cases announced by Williams are in the regions of Durham, Simcoe Muskoka, Toronto, York, Peel, Windsor-Essex, and Sudbury and District. Williams said that all the cases to date are considered mild, and the infected individuals are recovering at home.

To date, there have been no confirmed cases in the Eastern Ontario Health Unit's coverage area.

The EOHU recommends citizens take precaution and follow a simple routine. Wash your hands often or use alcohol-based hand sanitizer, cough or sneeze into your sleeve rather than your hands, stay home when you're sick, keep children home when they're sick, and contact your health-care provider if you've been experiencing flu-like symptoms and your condition worsens. Hospitals and long-term care facilities are reminding individuals who are not feeling well to avoid visiting patients and resident.

The family of Dr. Howard Justus gathered at the Winchester District Memorial Hospital (WDMH) on Thurs., April 30 for a plaque unveiling ceremony. WDMH has named its new acute-care wing after the late doctor, who was instrumental in getting the hospital constructed in the 1940s. WDMH names wing after Howard Justus

WINCHESTER — The Winchester District Memorial Hospital (WDMH) honoured its donors at a Thurs., April 30 ceremony, including one of its most important benefactors: Dr. Howard Justus.

Family and friends gathered in the new medical surgical wing, which WDMH named after Justus, as well as his family.

Justus was not only involved in the construction project in the 1940s, but also donated $1 million to the Renewing the Vision Campaign. His generosity boosted the total to $9.5 million at the time. The campaign went on to raise about $15 million — a substantial chunk of WDMH's $60-million expansion.

Family members of the late doctor attended the ceremony in the new wing.

"I wish my dad was here today," said his daughter, Ardeth Justus Hill, who recalled fundraising as a teenager to support the hospital construction. "I can remember being in high school, selling raffle tickets — three for a dollar, 50 cents a piece."

Former WDMH Foundation chair Dwayne Holmes said the $1-million donation was a crucial part of Renewing the Vision's success.

"When we did get the gift, it was so surprising," said Holmes.

He added that Dr. Justus was respected in the area.

"In this community, the Justus name was tied to the hospital," Holmes said.

Phil Marleau, WDMH's vice-president of capital developments, said the Justus Wing is the acute-care, in-patient section of the hospital, containing 42 of WDMH's 63 beds.

Hospital staff also unveiled a new donor wall on April 30. The glass structure contains the names of the community's most generous donors. It will remain in WDMH's new lobby.

WDMH Auxiliary donates $50,000

WINCHESTER — At the Winchester District Memorial Hospital's annual volunteer tea on Thurs., April 23, the WDMH Foundation moved closer to achieving its $5-million goal as part of its "Close to Home" campaign.

The WDMH Auxiliary presented a $50,000 cheque to foundation members during the luncheon, which is held every year to recognize the efforts of volunteers affiliated with WDMH, many of whom work to raise funds through the auxiliary.

"We're absolutely delighted by the donation," said WDMH Foundation Managing Director Dawn Cooper. "It's a great thing."

Cooper said that the auxiliary has been a continuing supporter of WDMH and its ongoing upgrades and expansions.

"They continually raise funds for the hospital and its equipment," she said.

During the WDMH volunteer tea appreciation on Thurs., April 23, the WDMH Auxiliary presented a cheque totalling $50,000 to the WDMH Foundation. From left: WDMH CEO Trudy Reid, WDMH Foundation Chair Terry Triskle, WDMH Chair Peter Sorby, foundation representative Marlene Quinton, foundation member Elinor Jordan, auxiliary vice-president Kim Link, auxiliary president Dawn Atwood-Oulette, auxiliary member Marion Carkner, auxiliary treasurer Dorothy Houze, and auxiliary member Karen Graham.

Lola's back in town...

by Amanda Smith-Millar

WINCHESTER — Larry Michaud has re-opened his gift shop, Lola's Emporium, in Winchester.

The business is back in its previous location, 493B Main Street.

Michaud said he moved the business to Merrickville about three-and-a-half years ago, partly because he felt local politicians didn't adequately support local businesses.

"It was just time to come back, that's all," he said. "I tried it somewhere else, and I just decided it was time to come back."

Michaud also said Winchester doesn't have enough tourism, but he'd like to see more visitors come from Ottawa and other areas.

"We've got to draw people from out of town," he said.

Personalized beauty

WINCHESTER — A new salon and spa has come to town.

Hairstylist Jenevive Makort and esthetician Amanda Tupper have teamed up to launch PersonalTouch in Winchester. The duo opened their new business, located at 449 Main Street, on Fri., May 1.

"It's a dream come true," said Makort.

Makort and Tupper met through their families only a few months ago. They hit it off immediately, especially when it came to their shared professional interests. Makort, a Chesterville resident and longtime hair dresser, always wanted to open her own business. Meanwhile, Tupper, a certified esthetician and Winchester resident, was fresh out of Versailles Academy in Ottawa and looking to launch her career in the industry.

The two women had only known each other for two days before deciding to take the plunge and open their own business together.

Two months later, PersonalTouch opened.

"I'm not a risk-taker, but it's the best risk I've ever taken," said Tupper.

Makort will also be working in a mentorship role with Tupper, as Tupper needs to complete 2,000 hours working under the supervision of a certified hairdresser. When those hours are finished, PersonalTouch will have two hairdressers on staff, although Tupper still plans to do the facials, manicures, pedicures, and relaxation massages while Makort will handle most of the haircuts.

Makort and Tupper say they owe a lot to their families, especially Tupper's mother, Kathie Nelson. She more or less declared war on 449 Main Street, painting and redoing the flooring all by herself.

Tupper said it's great to be back living in Winchester. She was born at Winchester District Memorial Hospital but moved to Whitehorse, Yukon when she was eight years old.

On Sat., May 23, PersonalTouch will be cutting children's and men's hair to support Happy Face Nursery School from 8 to 11 am. Watch future editions of the *Winchester Press* for more details.

Hairdresser Jenevive Makort (left) and esthetician Amanda Tupper (right) opened PersonalTouch on Fri., May 1. They had lots of help from their families, including Makort's mother, Joanne Rondeau, who dropped by to visit on opening day.

Local retail businesses relocate to Winchester

Kim Carruthers is the owner of Bridals by Al-Mor which has recently relocated from Chesterville to downtown Winchester, along with Jewels Esthetics and Marion's Flowers.

WINCHESTER — As of Fri., May 1, Winchester has a new store located in the downtown core.

Bridals by Al-Mor, Jewels Esthetics, and Marion's Flowers have moved out of their previous Chesterville location and set up shop at 494 Main Street.

"We were running out of space in Chesterville," Bridals by Al-Mor owner Kim Carruthers said. "This is a great location for us."

The new space boasts a 6,000-square-foot showroom, which will allow for more stock and a greater opportunity to expand in the future, Carruthers said.

Carruthers said the new location is more convenient for brides from Ottawa and its surrounding communities. "About 75 per cent of our brides come from Ottawa," she said.

Carruthers added that feedback from Winchester residents has been tremendous so far.

A grand opening of the store is being planned for some time in June.

New stand, old favourites

WINCHESTER — What started as mere conversation has blossomed into Winchester's newest chip wagon, Lucky's Wagg'n.

Lewis Burmaster and his son-in-law, Ralph Winterburn decided to team up for this business venture about a conversation one evening.

"It just happened," Burmaster said.

Burmaster, a former military cook based at CFB Petawawa, never thought he'd get back into the food services industry.

"I told my son-in-law that if I did, I would consider a chip wagon," Burmaster said.

From there, the plan evolved and eventually Winterburn rented a piece of land from Francis Fuels south of the village.

"The stand is brand new from the ground up," Burmaster said. "Everything is reinforced with stainless steel."

On Wed., April 1, Lucky's Wagg'n opened for business and since then the customer level has been growing steadily.

However, Burmaster cannot take all the credit for the chip wagon's operation. Dora Stewart, a former cafeteria employee at North Dundas District High School, works along side Burmaster to serve the various customers.

"We definitely have our regulars already," Stewart said.

From the standard french fries and hamburger, to more interesting creations, like the Italian poutine, which boasts spaghetti sauce instead of gravy, Lucky's Wagg'n is attracting the public.

"We're in a convenient location," Burmaster said.

Burmaster and Stewart have also started to notice a high demand for take-out orders.

"I guess we're kind of a restaurant and a chip wagon," Burmaster said.

Morrisburg Canadian Tire collects for Naomi's

Every year, the Morrisburg Canadian Tire Foundation for Families program raises money for Naomi's Family Resource Centre in Winchester. This year, they handed over $844.50 to the centre. The money was raised through the Santa's Hat program, in which cashiers asked customers to donate $2 on top of their purchase to Naomi's. Victoria Davidson (left), Foundation for Families store co-oridnator, and Mary Merkley (centre), head cashier, gave the cheque to Verna Leger, Naomi's executive director on Thurs., April 23 at the Canadian Tire Store.

Winchester's downtown core is turning around

One year ago, we wrote a page 2 article about Winchester's downtown core.

Things were not looking good. The CountryBoy/The CountryGirl was in the midst of closing, Aura Spa moved out of their Main Street store to set up shop in Morrisburg, and Muriel's Flowers closed down due to the owner's poor health.

At the time, North Dundas Chamber of Commerce president Owen Shortt called the situation "disappointing," saying, "it's hard to attract new businesses when there are so many vacancies at the same time."

However, fast-forward exactly 12 months, and it seems like Main Street East is rejuvenating and becoming a vibrant business district once more.

Larry Michaud, owner of Lola's Emporium, is back at his old haunt after a three-and-a-half year hiatus. Bridals by Al-Mor, Jewels Esthetics, and Marion's Flowers moved out of Chesterville in favour of a larger location where The CountryBoy/The CountryGirl used to call home, and opened Fri., May 1.

That same day, Jenevive Makort and Amanda Tupper took a big jump as entrepreneurs and opened PersonalTouch, their own hair salon and spa.

During the month of March, Rob Steele opened Steeleworks, a new fitness centre, and the beginning of April saw Lucky's Wagg'n, the villages newest chip wagon, open at the intersection of County Road 31 and St. Lawrence Street.

Bridal by Al-Mor's move is, admittedly, not good for Chesterville, but at least the business is remaining in the immediate area. One could say the same of Aura Spa, which only packed up and headed off to nearby Morrisburg.

As well, with Bridal's moving into a convenient location on Main Street, brides from Ottawa are much more likely to venture out this way to get the perfect dress for their big day. As Bridals by Al-Mor owner Kim Carruthers said, 75 per cent of the businesses' brides come from Ottawa.

That is a huge number for this area, and great for local business.

Winchester is extraordinarily lucky in the sense that it has a real business heart. Many of the business owners are valued members of the community who support a lot of the various fundraising initiatives and give up their time to help out in any way they can.

So, to the residents of Winchester, we ask that you use your money to shop locally, as consumers play the biggest role in keeping local businesses around.

The wind and rain couldn't stop Zayne Rutley and his puppy Zoe from taking part in the third annual North Dundas District High School Leos' Dog Walkathon on Fri., May 1. The event raised funds for the Lions Foundation of Canada and its school, which trains dogs for the blind.

Fire chief Gilbert Raistrick was authorized by council to have the necessary fittings attached to the tank to securely connect the fire hose.

1959

A public meeting was held this week at Winchester Town Hall to decide if a Highway 31 bypass would be built around the village. The bypass was intended to help heavier traffic flow through the area by eliminating the traffic tie-ups that often occur.

1969

The push to build a new community centre in Winchester got a boost this week, when Winchester council announced it would issue a series of debentures totalling $20,000 to help fund the new centre.

1979

The fate of the junior kindergarten program at Chesterville Public School was up in the air this week as school trustees debated its success after a year-long pilot project. Chesterville mothers Bea Van Gilst and Judy Buske were two people who wanted to see the program stay, as they felt it was never properly evaluated.

1989

The Village of Winchester was going forth with its $3.7-million sewer restorations and, in turn, causing serious traffic problems on the streets in the village. In the end, the headaches would be worthwhile, as the sewer pipes on St. Lawrence and Mill Streets were handling a higher amount of flow than they were designed to process.

1999

The Township of North Dundas councillors announced they intended to consult a heritage committee with the hopes of designating the former Winchester Town Hall as a heritage building.

Sisters-in-law walking to end breast cancer

We are Jane and Stephanie Patterson, and we are from Edwards, north of Winchester. This is our first year walking in the Weekend to End Breast Cancer. Our family has benefited from the great care at Winchester District Memorial Hospital (WDMH) on many occasions, so it was an easy decision for both of us to join the Winchester Hospital Heelers, the local group that will participate in the Weekend to End Breast Cancer in June.

We are long-time friends of Karen Velthuis, a wife, mother, daughter, sister, athlete, farmer, 4-H leader, and community supporter. She is the first person to arrive at the door with home-cooked meals and a shoulder to lean on for comfort when her family or friends are in trouble. In January, when we learned she was battling breast cancer, it caught us by surprise and hit close to home. Talking about it wasn't enough. The opportunity to be part of the Winchester Hospital Heelers and to put words into action was a no-brainer, so here we are! We have met most of the team members at team meetings, training walks, and fundraising events — and it is exciting to be part of such an enthusiastic and dynamic group. The entire team is so motivated, and the survivors on the team are truly inspirational; it is indeed a privilege to walk among them.

Jane (left) and Stephanie Patterson

Combined, the two of us have 39 years of working in agriculture and policing in Winchester and the neighbouring communities. We have made many friends and, unfortunately, Karen Velthuis is not the only one facing the challenges of cancer. Its impacts have affected many of our associates, friends, and families. If in some small way, walking in the Weekend to End Breast Cancer makes a difference, the 60 kilometres are worth every step.

WINCHESTER — The Nor-Dun Seniors' Support Centre thanked its volunteers during a dinner held at the South Mountain Agricultural Hall on Thurs., April 30.

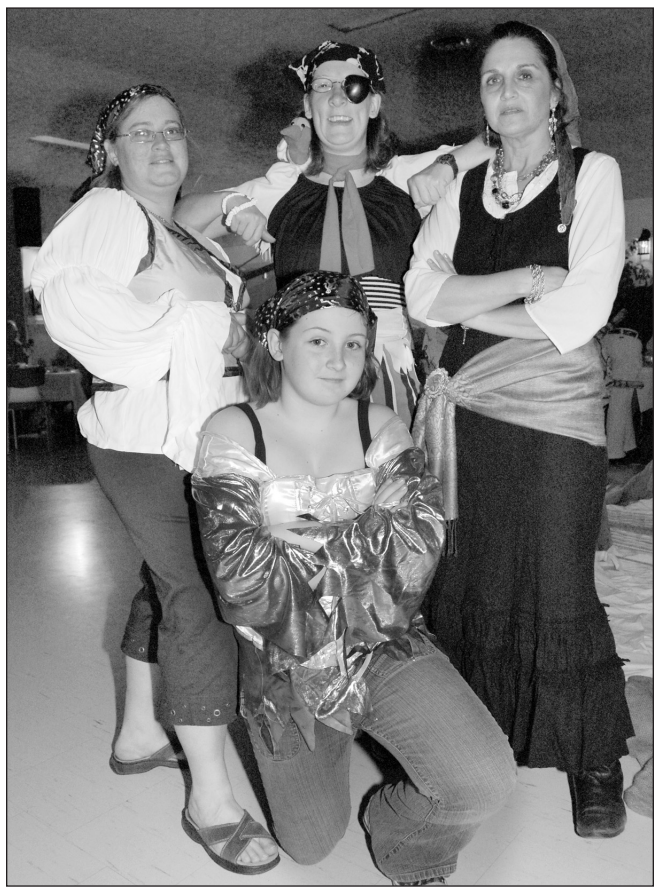
The event had a pirate theme, and guests were asked to don attire appropriate for the high seas. Staff also came decked out for the occasion. In fact, everything took on a pirate theme, including the giant decorative shipwreck in the centre of the hall floor.

Several volunteers received service awards recognizing their years of dedication to Nor-Dun. Daryl Minifie, Thea Chouinard, Edith Baker, and Gary Merkley took home five-year service pins.

Meanwhile, Evelyn Francis, Elke Brown, Thelma Corey, Bea Elliott, Tara Fawcett, Deb Dings, Carol Melchoir, Holly Forrester, and Bryan Helmer all received 10-year pins.

Nor-Dun also recognized Gerald Merkley, Jack Gibson, June Gibson, Joyce McIntosh, and Muriel Reoch for 15 years of service.

The Nor-Dun Seniors' Support Centre offers activities and services to physically disabled adults and seniors. Some of the agency's more well-known programs include Meals on Wheels (which provides hot food to clients at their doors) and a daycare program. Nor-Dun relies heavily on volunteers to ensure services keep going.



Natacha Brisson (left), Tara Fawcett, and Connie Coughler, as well as Josyanne Castonguay (kneeling), got all decked out in pirate attire.

Russ Vegas raises $25,000

by Amanda Smith-Millar
Press staff

RUSSELL — The Russell Agricultural Society's 6th Annual Ladies Night has raised $25,000 for charity.

Hundreds of women flocked to the Russell Arena on Fri., May 1, decked out in flashy costumes in honour of the Las Vegas (or "Russ Vegas") theme.

The event itself raised $20,000, while Scotiabank has pledged to donate another $5,000.

All proceeds from the evening went to the Look Good, Feel Better program, an initiative that helps cancer patients learn to deal with their changing appearance during treatment.

"We're really, really thrilled," said organizer Judy McFaul, adding that volunteers are tired but happy. "They're just very pleased with the outcome."

McFaul said women realize cancer could affect anybody at any time, including themselves or their loved ones. It might account for the huge proceeds on Friday evening for Look Good, Feel Better, she said.

"I think it's a cause close to the women's hearts," she added.

McFaul said the Russell Agricultural Society and other volunteers are preparing for the 7th Annual Ladies Night, scheduled for May 2010. The cause and theme have yet to be decided.

United Counties ideal region for bioheat industry

CORNWALL — According to a report by the energy crop consulting firm Resource Efficient Agriculture Production (REAP), Stormont, Dundas, and Glengarry is a top region for growing low ash feedstocks like switchgrass.

In the report prepared for the SD&G Community Futures Development Corporation (CFDC), REAP said a biomass densification facility within the United Counties could serve residential pellet markets as well as higher value local commercial pellet fuel markets such as greenhouses, schools, or municipal buildings, with potential exports to European regions.

"It is evident that the production base, employment creation potential, and environmental benefits of a warm season grass pellet fuel industry could have major socioeconomic and environmental benefits to Eastern Ontario," read the report, entitled *Establishing Bioheat in Eastern Ontario Utilizing Switchgrass and Agricultural Biomass for Solid Fuel.*

The report also said that there are no perceived technical threats to the development of a grass pellet industry in Eastern Ontario, and that overwintered switchgrass appears to have all the necessary attributes to be a clean combustion feedstock.

Switchgrass is a perennial warm-season grass native to North America that is now being considered for use in several bioenergy conversion processes.

"This is great news for farmers and industry in the region," said SD&SG MP Guy Lauzon. "Growing switchgrass for energy will help the region meet the energy needs of the future."

The report was part of an Eastern Ontario Development Program regional project to test the technical and logistical feasibility of growing and pelletizing switchgrass in SD&G.

Partners in the project include SD&G CFDC, Hendrick Seeds, Forman Farms, and DES Environmental.

SNC volunteers help to clean up Nation watershed

FINCH — South Nation Conservation E-colleagues, is a new volunteer committee looking to clean up the community.

They spent Earth Day (Wed., April 22) cleaning up the litter that has been polluting roadsides in South Stormont.

The event was put together by the E-colleagues, who have recently undertaken several environmental community projects.

The E-colleagues is a volunteer committee, which is headed by SNC biologist Andriana Hoogenboom.

"We've really been looking forward to working with our new neighbours in helping the local environment become as healthy and clean as it can be," Hoogenboom said.

The E-colleagues also hosted lunch-time seminars, and provided information sessions for the public.

They will also be creating the Giving Garden on SNC headquarters property in Finch.

The garden was inspired by community volunteer Terry McEvoy, who passed away last month.

First Branch 372 member to be district commander

RUSSELL — As a lifetime member of the Long-Twiname-Henderson Memorial, Royal Canadian Legion Russell Branch 372, Ron Goodwin has made history.

The Embrun resident has been voted in as the newest District Commander for District G, Ontario Provincial Command.

This makes Goodwin a rare breed, becoming the first member of the Russell branch to fill this role.

Goodwin has been extensively involved with the Russell Legion committee since 1985, having served as chairman for a number of committees, as well as serving as branch officer in major positions such as branch treasurer, secretary, poppy chairman, and the first vice-president, which lead to him becoming president.

He has also represented the Russell Legion branch in various executive positions at the zone level since 1993.

In 2001, Goodwin became zone G3 commander, a position he held until 2005, when he began a four-year tenure as the district deputy commander.

All that work led to his proclamation as the district commander, which brings with it a two-year term.

Troupe survives camp (and three shows)

The cast and crew of Just Kiddin' Theatre finished their latest production, *Surviving Camp*, on Sun., May 1. Carter Horton took on the role of camp counsellor.

METCALFE — The cast and crew of Just Kiddin' Theatre have wrapped up *Surviving Camp*, the youth company's latest production, which ran Fri., May 1 to Sun., May 3 at the Metcalfe Client Service Centre.

Written by Just Kiddin's director, Andrie Nel, *Surviving Camp* takes a look at the tough side of going to summer camp. In the play, two camps situated on Lake Wanabe vie to win the Camp Cup Challenge, and the competition brings everyone's personalities to the forefront.

"It went well — I actually think it's the best one yet," said Nel.

She added that the students have started really working together as a cohesive unit.

"When [the actors] had the screw-ups — and there always are — I was just so pleased about how they worked it out as a team," said Nel.

Surviving Camp is Just Kiddin's sixth stage production, and the fourth one Nel has written. Earlier this year, the group also tried out filmmaking.

Angela Brown (foreground) was one of the moodier students at Camp Wanabe. Pictured in the back are fellow campers Megan Mawby (left), Piper MacCormack, Coralie Martin, Treia Kirkpatrick, and Noah McEvoy.

"My daughter, Sydney Miller, and I penned a screenplay called *Apple a Day,* and my other daughter, Kennedy Miller, wrote a mini-stage play called *Worldly Power*, which we produced and filmed as well," said Nel. "The intent of the workshop was to discover the differences in acting for stage versus film."

Nel hasn't decided what Just Kiddin Theatre's next play will be. She advised families who want to get involved to register on the website, www.justkiddintheatre.com for updates and information about registration.

Fanciful florals

Lindsay Bortot had pansies and many other garden-friendly items at the Osgoode Trade and Home Show, which ran Fri., April 24 and Sat., April 25 at the Osgoode Community Centre.

Keeping Health In Mind

"Keeping Health in Mind" is a monthly newspaper column made possible with the help of the Lannin Business Centre, The Winchester Press and the clinical staff of Tri-County Mental Health Services, a community program of the Cornwall Community Hospital/Hôpital Communautaire de Cornwall.

Parkinson's Disease and Depression

Parkinson's disease is a movement disorder which affects various parts of the body, causing stiffness in the muscles, slowness, difficulty when starting movements and tremors in some people. Parkinson's disease affects parts of the brain called basal ganglia which play a vital role in the control of voluntary movements. Symptoms may appear gradually and in no particular order, and it may take years before early signs of tremors or movement difficulties become a nuisance. All these problems can usually be helped by medications and rehabilitation therapies. As research continues it should bring the symptoms of Parkinson's disease under greater control.

Anxiety and depression can be present in 40 per cent of patients diagnosed with Parkinson. The risk of depression for Parkinson patients doubles as compared to any other chronic condition. The risk factors for depression are: being female, early onset, diagnosis of Parkinson given in less than a year, history of depression in patient or family, decrease in mobility and postural problems, extensive vascular problems and hypothyroidism.

Diagnosis of depression should focus on mood. Is the mood poorer in the morning, is life view negative, early awakening, increase in anxiety and feelings of suicide but with no plan. The mask-like face which often is part of Parkinson's disease can make it more difficult to assess. Apathy can look like depression but can be related to the Parkinson's disease. Motor slowing can mimic depression. The causes for the increase in depression at times are unknown and it may be attributed to changes in brain transmitters. There may an increase in degeneration in part of the brain. There is also a psychological reaction to the disease.

Treatment options may be as follows: treat any contributing medical condition, e.g. Thyroid, optimize Parkinson medication therapy. Counseling such as cognitive behavior therapy, supportive counseling or group sessions are often helpful. Your family physician may treat with an antidepressant.

Anxiety is also seen in 40 per cent of patients diagnosed with Parkinson's disease. Risk is higher in a patient with Parkinson's than in the general population. Anxiety can appear before the patient has received the Parkinson diagnosis. With diagnosis of Parkinson there can be an inability to show emotions. Left-side motor difficulties and decreased mobility appear to increase the anxiety problem. Anxiety may increase more with dyskenesia (involuntary movement). Psychological fear may also contribute to the anxiety level. The level of anxiety may be a combination of biological and psychological factors. Treatment recommended is optimization of Parkinson medication, education, support and counseling. Relaxation therapy may be another mode of treatment. Again, anxiety can be treated with antidepressants. Psychosis is prevalent in 15 to 40 per cent of patients diagnosed with Parkinson disease. Five per cent usually develop cognitive dysfunction. Psychosis can be related to delirium, medications, anxiety and depression, sleep disruption, visual and hearing impairment. In these situations it is important to rule out the underlying cases. Treatment options could be to encourage sleep, be aware of sensitivities, medication review and treatment.

Practical solutions to everyday problems are to keep calm, stay positive, stay active, and take your medications as prescribed. You need to recognize your limitations. Try to keep your life as normal as possible. Access services in your community services, seek psychosocial support and educate yourself and your family.

Colton McMahon took an elbow in the throat as he made a tackle on a Holy Trinity Falcons ball carrier during an SD&G boys rugby match played at North Dundas District High School last week (Thurs., April 30). The host Devils defeated the Falcons 7-0 on a second-half try and a convert by Reid Greenough. The decision moved the Devils record to 1-0-1. They tied the CCVS Raiders 7-7 in their first league game at NDDHS the day before (April 29). Mark Hunt scored the try and Greenough added the convert.

Turf test

The North Dundas District High School Devils saw their first action of the 2009 SD&G girls rugby season on their own Maple Ridge turf last week (Thurs., April 29) when they faced the CCVS Golden Raiders. The Raiders pulled off a 5-0 win late in the game when an apparent knock on was allowed to stand as the game's only try. Haley Moher made the tackle on a Raider ball carrier while fellow Devils Whitnie Van Breugel (left), Laura Hutt, Jessica Matthies and Emily Cameron provided back up. Press Photos -- Van Bridger

NDDHS girls open soccer season with 3-nil victory

CORNWALL — A pair of goals by Kaitlyn Hay sparked a second-half rally by the North Dundas District High School Devils who rumbled on to a 3-nil victory over the CCVS Golden Raiders.

The North Dundas girls opened the new campaign in Cornwall on Thurs., April 30 and split their first matches losing 2-1 to the La Citadelle Patriotes and whitewashing the Raiders 3-zip.

Ian Wilson and the senior boys squad weren't as productive and absorbed a pair of 1-nil setbacks losing to La Citadelle and CCVS.

Both Devils sides return to action on Mon., May 11 when they make their only appearance of the season on home turf at NDDHS.

Rose Murton cracked in the lone Devils marker on a direct kick as North Dundas opened with the 2-1 loss to La Citadelle.

"It was a close game that could have gone either way," noted coach Kevin Bell.

The coach felt his squad dominated the entire game against CCVS but found themselves in a scoreless deadlock at the half.

"The girls scored three quick goals in the second half to put the game away," said Bell. "Kaitlyn Hay scored our first two goals and Tasha Vanderveen scored the last one on a beautiful run up the right side."

Rookie keeper Alyson Erwin posted the shutout.

The boys

After the North Dundas boys absorbed back-to-back, 1-nil losses in the Seaway City coach Wilson said his team needed to work on head balls and through balls.

"We will get better as the season goes on," offered the coach.

Wilson reported that La Citadelle booked their 1-0 decision on a questionable call.

"Mike VanGurp (keeper) had possession but the La Citadelle striker kicked the ball away and scored," said Wilson.

"We played well but could not find the back of their net," he added.

Wilson explained that play in the game against CCVS went back and forth until a North Dundas fullback levelled a CCVS striker in the 18-yard box in the final two minutes of the game and drew a penalty kick, which the Raiders converted into the game-winning goal.

Senior girls

The North Dundas Senior Devils have 11 veterans in this year's line up including: Teal Gove, Dara Bowie, Rose Murton, Kellie VanDelst, Taylor Shelp, Hannah McClenaghan, Natalie Gibson, Taylor Mattice, Karlyn Moore, Taylor Pride and Kaitlyn Hay.

Winchester Sox open NCBL season this weekend

WINCHESTER — Winchester's veteran catcher, Matt Ware, may miss the entire 2009 National Capital Baseball League season.

Sox manager Chris Hart reported this week that Ware, who won the Shane Alexander Trophy as NCBL's Tier 3 Batter of the Year for 2008, could miss the entire season due to a severe ankle injury suffered while playing basketball.

Ware played 18 of 24 games last summer and led Tier 3 in runs scored (34), hits (35), batting average (.603), on-base percentage (.688) and was second best at stealing bases finishing with 16 thefts to his credit.

Hart said if Ware is unable to suit up the Sox attack will certainly suffer.

"We do have 15 players who will be our starters and six more who may spare," explained Hart. "We are allowed 25 on the roster so I will fill it out."

Play ball

The Sox don't have much time to get their arms in shape and their timing down because the regular season opens in Ottawa on Sunday (May 10). Winchester will take on the Mavericks (Old Sox from Tier 2) at Heritage Park at 8 pm on opening day.

Next Thursday (May 14) the Chiefs come to Winchester for an 8 pm game at Morgan Field. The Sox are back in Ottawa at Southgate on Tues., May 19 for a game with the newly installed Fighting Irish (8:30 pm). Home game number two is slated for Morgan Field on Thurs., May 21 when the Expos come to town for an 8 pm game.

Sox roster

Winchester's roster of 15 has 13 veterans on it including pitcher Duane Rolls who was nominated for the Tier 3 Pitcher of the Year Award in 2008. Rolls put together a 4-2-0 record and a 3.80 ERA (fourth best in the division). He struck out 35 in 31 innings and also pitched a no-hitter.

Josh Kirkby (4-0-0 and 4.20 ERA), Justin Comeau, Bobby Paradis (two saves) and Vincent Viau (two saves) are all back to toe the rubber.

Hart (.477 BA), Paradis (31 hits and .508 BA), Dave Yarwood (5 HR and 24 RBI), Tyler Armstrong (3 HR and .481 BA), Denis Viau (31 hits and 24 RBI), Chris Embury (.500 BA) are returning and give the Sox batting order some pop.

Andy Upton and John Drew are also returning for another season while Matt Harbers and Brandon Buma are rookies. Michel Fitzpatrick, Andre Viau, Pierre Viau and Drew Hutt are also on the list.

The names of a pair of former Sox — Thorin Gault and Kent Young — have also been mentioned.

The Sox played their first Tier 3 season in 2008 and finished in second place with a 14-9-1 record and 29 points. They drew a first round bye, eliminated the Barrhaven Chiefs in two games and lost 3-0 to the Ottawa Raiders in last year's championship series.

Winchester entered the National Capital Baseball League as a Tier 2 team in 2002 and finished first with a 20-3-1 record in their inaugural campaign.

Best in the nation

The Seaway Valley Devils defeated the Eastern Ontario Thunder 1-0 in double overtime and claimed their fourth consecutive Canadian Juvenile Women's Broomball championship in Terrebonne, Que. on April 18. Prior to the opening games, Devils' Tanya Longtin was named one of the Female Junior Broomball Athletes of Eastern Ontario. Stephanie Legault, Longtin and "MJ" Vandelaar were named MVPs during the round-robin. The 2008-09 national champions are: front (left) - Ina Henry - coach, Crystal Fortney, Tanis McMahon, Tanya Longtin, Stephanie Legault, Sarah Achtereekte, Karstie McRae, Kaitlyn Legault, Paul Achtereekte - coach; back (left) - Shawna Lynch, Marie Josse "MJ" Vandelaar, Tracey MacGregor, Jenna James, Stephanie Lanthier, Selena Henry, Veronique Lussier, Emily Terry, Chanel Marion, Jacklynn Herdman, Leigh Ann Dearing, Annelie Lanthier, Amy Corvinelli. Missing: Natalie Legault - ass't coach.

Lucan defeats South Dundas for OWHA gold

BRAMPTON — The Lucan Irish cracked in three goals in the final 3:05 of the game and skated off with a 3-1 victory over the South Dundas Lions and in the process claimed the 2009 Ontario Women's Hockey Association's Midget "C" championship title and accompanying gold medal.

Lions clinch silver medal

South Dundas, whose lineup consists of girls from North and South Dundas townships, clinched the silver medal in the title match played in Brampton on Sun., April 19. The tournament attracted 16 teams which were divided into four pools. South Dundas was aligned in the "A" Pool with the Orangeville Tigers, St. Catharines Chaos and St. Clair Storm.

The St. Clair Storm blanked the Otonabee Keene Wolverines 2-0 in the bronze medal game.

South Dundas finished the regular season with a 12-2-6 record and captured their zone title by defeating North Frontenac (two wins and a tie) in a four-point qualifying series. At the provincial tournament the Lions played six games and compiled a record of four wins — including two shutouts by goalie Kristie Wade — and two losses. They outscored the opposition 15-9 in the process.

Silver medalists

The South Dundas Lions claimed the silver medal competing against 16 teams at the 2009 Ontario Women's Hockey Association's Midget "C" Championships in Brampton (April 17 to 19). The Ontario silver medalists are: front (left) - Amy Veltkamp, Kristin Lapierre, Kaila Beckstead, Kristie Wade, Andrea Maloney; back (left) - Gary Klein-Swormink - coach, Tracey Tippins - trainer, Lindsay Gilmer, Holly Klein-Swormink, Brittany Elliott, Cinnamon Boulanger, Kristina Swank, Barry Elliott - coach, Sarah Casselman, Taylar Tippins, Garry Beckstead - coach, Kellie Vandelst.

Title match

Kristen Lapierre rang up a shorthanded goal with 5:15 to play in the second period of the championship game against Lucan.

The Irish responded with the tying goal with 3:05 left in the final frame. They struck again with the winner at the 2:17 mark and pumped in an empty net shot to give them a 3-1 win and the championship banner.

Backed by Wade's flawless goaltending the Lions whitewashed the Otonabee Keene Wolverines 2-0 in semi-final action. Sarah Casselman used a feed from Kaila Beckstead and recorded the winning goal with 8:14 to play in period one. Taylar Tippins scored from Cinnamon Boulanger and Lindsay Gilmer to insure the win at 8:28 of period two.

South Dundas clinched second place in Pool "A" and tangled with the first-place team from Pool "D", the Seaforth Stars in a quarter-final match on April 18. Casselman potted a pair of first-period tallies to push the Lions into a 2-0 lead. Lapierre, Kellie Vandelst, Gilmer, and Beckstead drew assists on the scoring plays.

Seaforth tied it up with a pair of second period goals and set the stage for South Dundas to pull off a 3-2 win in the second period of overtime. Lapierre came through with the deciding goal completing a play started by Beckstead and Casselman with 9:03 on the clock.

Opening round

South Dundas trailed the St. Clair Storm 1-0 after a period and 2-0 after two sessions in game one on opening day (April 17). Beckstead (unassisted) scored with 4:51 left in the final frame to get the Lions on the board.

A second period power play goal was all the offence the Lions needed to post a 1-0 win over St. Catharines in game two. Beckstead was the shooter. Andrea Maloney and Lapierre provided the pass at 8:01 of period two.

Lapierre and Boulanger each pegged a pair of goals in the Lions 7-1 taming of the Orangeville Tigers in game three (April 18). Casselman, Tippins and Maloney put single shots into the Tigers cage. Brittany Elliott (2), Vandelst (2), captain Holly Klein-Swormink, Kristina Swank and Amy Veltkamp earned the assists.

WILLIAMSBURG — Kurtis Barkley's low gross 36 proved to be the winning score posted during Men's Night at Cedar Glen Golf Course. The defending club champion finished four strokes ahead of Robbie Waddell who fired a 40.

Jarvis, Cousineau lead Senior Lynx to opening victory

WINCHESTER — Matt Jarvis and Brandon Cousineau each pulled the trigger on a pair of goals as the Lynx powered their way to an 11-4 victory over the Wildcats in the opening game of the 2009 North Dundas Senior Co-ed Ball Hockey League season.

The inaugural triple bill was played at the Winchester Arena on Wed., April 29. Game two featured a 7-4 win for the Lions over the Panthers. In game three the Tigers edged the Cougars 2-1.

Cousineau's first goal opened the scoring for the Lynx at 34:54. The Wildcats replied at 33:34 with a goal by Derek Hutt. The two sides exchanged shots until Hutt bagged his third marker at 19:55 to keep his team close at 6-4. From that point on Lynx goaltender Jeremy Broeren closed the door and his mates kept scoring and drove the final difference to 11-4.

Jarvis (2-4-6), Cousineau (2-1-3), Jacob Luimes (1-2-3), Justin Tanner (1-1-2), William Larmour (1-1-2), Kristopher MacMillan (1-0-1), Travis Nurse (1-0-1), Mackenzie Thatcher (1-0-1) and Marc Thurler (0-1-1) supplied the Lynx offence.

Hutt cracked three and Tyler Wade snapped home the single goal for the Wildcats. Josh Boileau, Joshua Jaquemet and Colton Kelly each picked up an assist.

Lions 7 - Panthers 4

Brandon Ouderkirk and Kevin Vandekemp each potted a pair of goals and led the Lions to a 7-4 win over the Panthers in the 8:30 pm encounter.

Vandekemp netted his two markers helping the Lions establish a 4-1 lead. The Panthers clawed their way back to within two goals, but couldn't get any closer than 6-4.

Vandekemp (2-1-3), Ouderkirk (2-1-3), Malcolm Moulson (1-1-2), Brae McNamara (1-1-2), Travis Marshall (1-1-2), Frisco MacMillan (0-1-1), Alex Hendsbee (0-1-1) and Cody Hamelin (0-1-1) collected points for the Lions. Scott Jones was the winning 'tender.

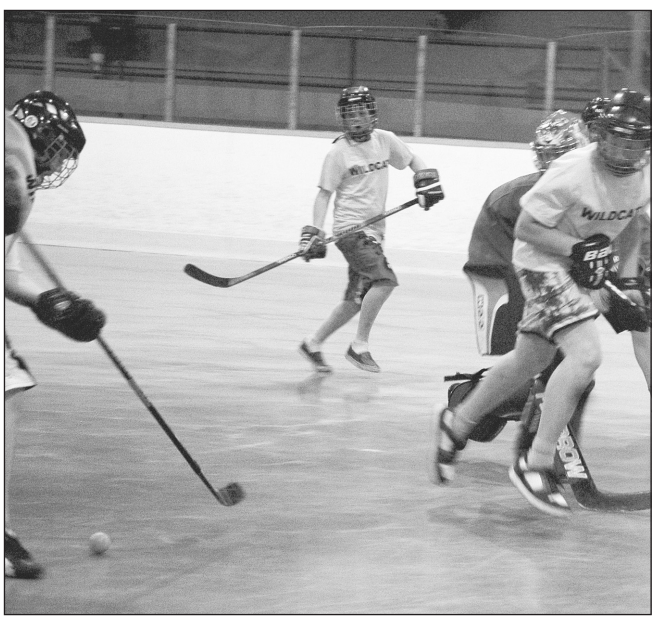
Mark McRae fired in two shots for the Panthers. Jordan Sharkey and Ian Loggie also counted goals. Assists went to Megan Chamberlain, Niko Deschamps and Kyle Shane.

Tigers 2 - Cougars 1

Ryan Switzer finished a play started by Bradley Belair and gave the Tigers a 1-0 lead on the Cougars at the 20:26 mark of the 9:15 pm match. Adrian Lee was next to strike string as he increased his team's lead to 2-0 after taking a feed from Casey McNairn at 15:07.

Kayne Williams held on to his shutout until Paul Erickson fooled him on a play created by Jason Buma and Kyle Greer 5:52 before the final buzzer.

Mitchel Matthiesen suffered the one-goal setback.



Lucky this time

Lynx goaltender Jeremy Broeren got caught out of his net on this play during the opening game of the 2009 North Dundas Senior Co-ed Ball Hockey League season on Wed., April 29. The wandering 'tender was lucky because Wildcat forward Colton Kelly and his mates weren't able to convert the play into a goal. The Lynx went on and posted an 11-4 victory.

Panthers, Tigers open season with wins

WINCHESTER — Matthew Laflamme was flaming hot on opening night of the 2009 North Dundas Junior Co-ed Ball Hockey League season.

Laflamme held the hot stick and fired in all four goals in the Panthers' 4-1 victory over the Cougars in the second half of Wednesday night's (April 29) twin bill at the Winchester Arena.

The double dip opened at 6 pm with the Tigers clawing out a 5-3 decision over the Lions. The Lynx drew the week one bye.

Three unanswered goals produced an early lead for the Tigers who held on for their 5-3 victory over the Lions.

Nolan Brown, Lindsay Cummins and Tyler Konink produced the scoring plays and opened up a 3-0 lead for the Tigers. Owen Bourgeois earned two and Konink the other assist orchestrating in the early barrage.

Joshua Poirier cut the Lions deficit to 3-1 when he scored from Nathan Whalley with 9:03 left on the clock. The Tigers answered quickly as Kara Bartholomew finished a play set up by Ethan Bourgeois and put her team up 4-1 at 8:20.

Poirier and Cory Ross rallied the Lions scoring with 3:21 and 2:11 (respectively) left in the game and closed the gap to 4-3. Ross, William Beaton and Poirier drew assists on the plays. Unfortunately for the Lions the opposition insured a 5-3 decision when Owen Bourgeois ripped a Cummins relay into the empty Lions cage 32 seconds before the final buzzer.

Goaltender Tristan MacGregor posted the win and Drew DeDekker suffered the setback.

Oh noooo!

Cougar defender Thomas Fingler sprawled trying to make a check and watched as a shot fired by Cougar Matthew Laflamme sailed in behind his goaltender, Brandon Walter. The goal gave the Panthers a 2-0 lead. They went on to win the North Dundas Junior Co-ed Ball Hockey League game on April 29 by a 4-1 count. *Press Photo — Van Bridger*

Panthers 4 - Cougars 1

Matthew Laflamme scored the first of his four goals after taking a pass from Joe Garwood at 33:32. He would finish the game with three more as the Panthers posted a 4-1 win over the Cougars.

Garwood drew an assist on the second Laflamme marker at 14:32. Thomas Gutknecht set up the final two plays which came at 5:22 and 4:23.

Zac Cronin ruined Nikolas Carruthers shutout netting the Cougar counter with 9:09 left in the game. Emma Pintal assisted on the goal.

To walk with us throughout our lives,
Until we meet again.
– Always remembered, Mary, Grant, Wanda, Darren and Justin
8

SAUNDERS – In loving memory of Doris, who passed away May 7, 2008.

KENNETH BECKSTEAD
May 27, 1924 - May 10, 2008
Our family lives changed suddenly
No time to say good-bye.
Your last piece of poetry finished
The pen has gone dry.
You left us with many good memories
And an empty place at our table.
No more worries of being left alone
Because God heard your prayer
And took you home.
Till we meet again you live
In each of our hearts.
– Lovingly remembered by wife Betty, children and grandchildren

IT'S A BOY!
STOQUA – Sheena and Scott are delighted to announce the birth of their first child, Nolan Alexander, born Sunday, February 15, 2009. Proud first-time grandparents are Donna & Earl McBean and Brian Stoqua and Hedy Stoqua. Thanks to Dr. Adamson, nurses and staff of WDMH for the excellent care.

IT'S A GIRL!
THORVALDSEN - Jennifer (nee Taylor) and Stian are thrilled to announce the birth of their daughter, Emma Mari Taylor Thorvaldsen on April 13, 2009 at 11:03 pm, weighing 3.5 kilos. Proud grandparents are Joyce and Jim Taylor of Metcalfe and Grete and Per Thorvaldsen of Askim, Norway. A big thank you to the Doctors and Nurses at the Civic Hospital.

In Appreciation

I would like to give a big thank you to everyone who helped out with the benefit dance for Jen Wylie. Thank you to everyone who donated money, silent auction items, bought tickets, attended the dance and donated your time. Thank you to Tara, both Dawns, Kim, Cheryl, Rhonda, Janice, Phil, Jamie S., and to everyone who helped me that night. I couldn't have done it without you guys! I am still amazed at what a great success it was. We raised $12,000 to help Jen and her family with any kind of assistance that will be needed to make each and every day easier for her. It was a true honour to do this for someone who I am so proud of and for someone who just never gives up. It's a true miracle that she is still with us and to inspire us each and every day. It sure means a lot living in such a great community. Thanks again to everyone for your support.

Dundas Manor Ltd.

Dundas Manor is currently seeking the following:
Volunteer Quilters

After many years of leading our quilting team, Marg Van Wylick and Susan Hanscomb have decided to step back from regular weekly quilting. We thank these ladies for their hours of dedication and kindness and we look forward to their continued assistance from behind the scenes.

Freda Armstrong, Ileen Robinson and Susan Calhoun continue to offer their time when they are able. For this we are grateful.

If you are a quilter and have some free time and are interested in coming to our home to assist us in making some beautiful quilts that we use for fundraising, we want to hear from you. The experience is much more than just quilting, it is helping us to provide our residents who stop in to the activity room with a chance to reminisce about their own quilting memories. It is also a chance to visit and laugh with many friends who live, work and visit our home.

Our quilting team meets each Thursday morning, and after a morning of quilting we offer them a hot home-cooked lunch before they go on their way for another week.

If you are interested or would like more information, we would be happy to hear from you.

Please contact **Louise MacQueen** Thursday mornings at **613-774-2294 ext. 4**.

Thank You

There are no words appropriate to express my heartfelt gratitude to the many friends, families and members of the community who came together to offer their support. The kindness offered in ways of helping hands, food delivery, generous gifts and words of encouragement have given me the strength to continue on. It is absolutely amazing how people who I have never met were there to assist my family during this difficult time. From the bottom of my heart, I truly appreciate every single act and will never forget for as long as I live. Although we do not know what tomorrow will bring, please accept my sincerest appreciation. It is due to all of you special people that I am still here to be with my family and have the strength to look forward to my tomorrow.

Dundas County Players wrap up *Ten Lost Years*

WINCHESTER — The Dundas County Players have wrapped up their latest production.

Ten Lost Years, a musical about the 1930s Great Depression, attracted sold-out crowds to the Old Town Hall during most of the shows in its two-weekend run. The production opened on Fri., April 24 and finished with a matinee performance on Sun., May 3.

"I was very pleased," said director Terry Green, who pushed the actors to take on a musical last year. The volunteer cast, crew, and musicians worked steadily towards the April 24 opening night.

"It just seemed to have all come together," said stage manager Gabriele Thomas, who hosted the production's wrap-up party in Chesterville last Sunday.

The cast of men and women played a variety of characters, ranging from farmers, to school children, to factory employees working in terrible conditions.

Thomas said audience members seemed to respond to the play and even discussed their own experiences from the 1930s during the intermissions.

"There were a lot of people telling their own stories," said Thomas, noting that the production must have struck a chord with local audiences.

Actor Jennifer Rose said the cast and crew feel elated but a little strange after pouring so much time and effort into the musical.

"I think it's probably always like that at the end of a long run," she said.
