WINCHESTER THEATRE NEWS

Playing this week-end is "The Highway Man," in colour, and starring Wanda Hendrix and Philip Friend. In pre-revolutionary England, the highway man rode the trails of adventure, robbing the rich to give to the poor. Here is a tense, exciting, historical drama for everyone to like.

Also, we present an hilarious short feature, "Another Fine Mess," starring Laurel and Hardy.

Coming on Monday next is "The Golden Girl" in Technicolor starring the lovely new star, Mitzi Gaynor, and Dennis Day, singing their way into your heart. Here is the year's top musical film that you and all your family must see.

Playing next week-end is "Anne of the Indies," in Technicolor. starring Jean Peters, Louise Jordan and Debra Paget. Here is the exciting story of adventure on the high seas. The story of pirates plundering in the West Indies.

Also interesting short subjects, with latest news and serial.

$50.00 Stolen From Post Office At Williamsburg In Mid-Day Robbery

A brazen thief broke into Williamsburg Post Office last Thursday morning and escaped with approximately $50.00 in cash.

The robbery occurred between 11.30 a.m. and noon while the staff was away to lunch. Apparently the culprit entered the lobby of the post office, placed a table against the row of boxes, skirted over the top (a narrow space between the ceiling and the top row of boxes), broke into the cash drawer and lifted all the bills. He escaped unnoticed.

The robbery was first detected by Mrs. Edna Garlough, post office employee, on her return to work at 12.30. She immediately informed the postmaster, Mr. Ed. Deeks, who inturn notified Provincial Police.

No arrests have, as yet, been made, but the break-in is believed to have been committeed by some one who was well informed about Post Office procedure in Williamsburg.

C. of C. Executive Council Held Initial Meeting on Tuesday

Plans for a wider and more varied program of activity were laid at the first meeting of the Winchester and District Chamber of Commerce Executive, held Tuesday evening in the Council Chamber of the Town Hall. It was announced that special significance would be given to a program of better understanding between local people and district farmers.

President Robert W. Vice presided, assisted by Vice President Robt. Woods and Secretary-Treasurer W. R. Workman. Directors attending the meeting were Messrs. Dave Melvin, Howard Biccum, Gordon LaRose, Jay Quart, John Fader, Ralph Walker, Walter MacDonald and Sam Ault.

The main item of business was the composition of the 1952 committees. In an effort to effect a more active group of committees, it was decided to amalgamate some and expand others to produce better results. The old membership committee has now been grouped with Public Relations, while Municipal Affairs has been changed to Civic Affairs, which will include Town Betterment. Because of the vital importance of the forthcoming Water and Sewerage Survey, a special committee was formed to look after this matter. It is expected that a special committee will be appointed to look after Agricultural interests of the Chamber.

Following are the 1952 committees:

Legislation—Robt. Vice, Hart Melvin, Kenneth Ault, W. F. Workman and Arnold Dukelow.

Membership and Public Relations —Howard Biccum, chairman; Mel. Scott, Jay Quart, Basil Dawley, Len. Jakes, and Robt. Woods ex-officio.

Civic Affairs—R. Walker, chairman; G. H. LaRose, Arnold Duncan, Roy Fawcett, Robt. Geggie, and R. Vice ex-officio.

Water & Sewerage—Walter MacDonald, chairman; John Fader, Sam Ault, Eldon Fennell, and Robt. Woods ex-officio.

Industrial Development — Dave Melvin, chairman; Robt. Ledgerwood, Harry Flora, Eldon Davidson, Leroy Boyd, and Robt. Vice ex-officio.

The Civic Affairs committee was instructed to look after the erection of the Town Approach Signs as soon as practcial in the Spring. It was decided to try and get another year of service from the present street signs. In the meantime, Council suggested that all street signs be repaired as soon as possible. The same applies to the refuse disposal cans.

The secretary was instructed to write a letter of appreciation to Dr. James A. Gibson, and also to Dr. Berry, Ontario Health Officer, to ask for a list of reliable consultant engineering firms. Council decided that two or three firms should be contacted before any decision was made.

An open letter, outlining what the Chamber of Commerce stands for, and what it hopes to accomplish this year, will be published in the Press next week, in an effort to encourage membership.

Mr. Gordon LaRose was asked to bring a complete report to the next meeting on the recently proposed Health Insurance Scheme for the Chamber.

Because of the unusual amount of business at hand, mapping the year's agenda, etc., it was decided to adjourn for a week to enable committees to bring in new ideas that will be of some benefit to the Chamber's 1952 program.

100 Club Installs Officers For 1952

Centurian Earl Freeland was installed as president of the Winchester 100 Club at last Friday's Luncheon-Meeting. held in the local Town Hall and catered to by members of the Ladies' Curling Club. The installation ceremony was conducted by Centurian Chester Timmins, who also presented Centurian Chester Robinson, the retiring president, with a Past President's Certificate.

The other officers, viz.: 1st Vice President, Ralph Walker; 2nd Vice President, Arnold Dukelow; Secretary-Treasurer, Gordon LaRose, and Directors Harvey MacIntosh, Max Boyd, Dr. Stirling Dawley and Eldon Davidson, were installed by Centurian Leroy Boyd.

In vacating the chair, Centurian Robinson expressed his thanks to the Club for the co-operation he had received during his term as president. Special thanks was extended to The Press and the several standing committees for the efficient service they had rendered to the Club. He also praised the retiring secretary, Centurian Albert Turner, for the fine manner in which he had carried out the duties of that office during the several terms he served. To the ladies of the Curling Club who had come to the assistance of the Club, as caterers, when the regular catering service was no longer available, the president also extended thanks on behalf of the club.

During the evening the auditor's report was given by Centurian Bob Ledgerwood. This revealed that the total receipts for the year were $2805.55, while the expenses were $3526.85. The balance at the beginning of the year was $1524.75. This had been reduced to $803.45 at the end of the year, indicating that the Club had operated at a loss of about $721.00 during 1951. As explained by the president, this was due largely to the fact that the Annual Race Meet had been rained out, and the usual proceeds realized from this event were not forthcoming last year.

The secretary read a letter of appreciation from Dr. W. A. Sherwood, and also an offer from the Ladies' Aid Society of St. Paul's Church, offering to share part of the catering responsibilities for the club.

Centurian David Melvin reported that all arrangements had been completed for the Big Minto Follies Ice Show, to be held at the local Arena on Saturday evening, February 23rd. Centurians who volunteered to help at the rink on this occasion were: Ushers, Centurians Fred Cass, Lloyd Dixon, Sam Ault, Melvin Scott, Ed. Boyd and Percy Roberts; Wicket, Centurians Les. Dixon and W. F. Workman; Ticket Collectors, Centurians Nelson Dixon and Claire Morgan; Ice Committee: Centurians Howard Willard, Leroy Boyd and Chester Timmins.

Due to the heavy business agenda there was no guest speaker at this meeting, but the Centurians were given a real treat when Centurian Will. Rowat recited "The Grave On The Yukon Trail," a poem dedicated to the late Mike Mahoney.

New members, who were introduced to the club by Centurian Robert Woods, were: Centurians Harry Potter and Percy Roberts, while two guests, Messrs. Archie Rice and Jas. Daniels, were welcomed by the president.

Winners of the prize boost, conducted by Centurian Nelson Dixon on behalf of Centurians Dr. C. H. Meredith, Robt. Ledgerwood and Hart and Dave Melvin, were Mr. Daniels and "Lucky" Bob Woods.

In taking over the president's chair, following the installation of officers, Centurian Earl Freeland asked for the continued co-operation of the officers and club members and said he would do all in his power to give the club aggressive and energetic leadership.

Following the singing of Grace at the start of the Luncheon, one minute's silence was observed in memory of His Late Majesty, King George VI, after which "God Save The Queen" was sung.

During the evening a spirited singsong was led by Centurian Chester Timmins, with Centurian Clare Morgan as pianist.

The meeting closed with the singing of "O Canada."

MOUNTAIN FARM FORUM

Mountain Farm Forum met for the first time this week at the home of Mr. and Mrs. Harold Clark, and had as a guest, Mr. David Brissenden, who helped to organize the Forum. Mr. E. Clark was appointed chairman and Mrs. C. Tracey as secretary for the balance of the year. Euchre was enjoyed, and lunch was served.

WEDDINGS

ALBANESE—REVELER

The marriage of Miss Phyllis Helen Reveler, daughter of Mr. and Mrs. Thos. Reveler, of Morewood, and Mr. George M. Albanese, was solemnized at eleven o'clock on Thursday, Feb. 14th, in the rectory of St. Mary's Church, Welland, Ont.

The bride was given in marriage by her father and was attended by Miss Jessie Herbert as bridesmaid. Mr. M. Albanese was best man for his brother.

For her wedding, the bride chose a powder blue sleeveless lace dress over net and taffeta, with lace jacket, designed with Peter Pan collar and long sleeves. She wore a small, white, flowered hat, and carried a cascade bouquet of white baby mums, hyacinth bells and red roses.

The bridesmaid wore a gown of yellow lace over taffeta and a small hat to match. She carried yellow mums and roses.

Following the reception, held at the County Gardens, Mr. and Mrs. Albanese left for Florida on their wedding trip. Travelling, the bride wore a navy taffeta dress, white hat and a brown muskrat coat. A corsage of roses completed her costume.

On their return the couple will reside in Welland, Ont.

Among the out-of-town guests attending the wedding were, Mr. and Mrs. Thos. M. Reveler, of Morewood, and Dr. and Mrs. J. M. Reveler and Dr. A. Albanese, of Toronto.

LOCAL GIRL WILL TAKE PART IN QUEEN'S "OPEN HOUSE"

Miss Christine Stewart, of Winchester, a student at Queen's University, will be among the students taking part in Open House activities at the University on Saturday.

Queen's will be open to the public from 2.30 until 9 p.m. on Saturday. Hundreds of exhibits and demonstrations in a score of buildings will show the progress being made in medicine and surgery, in the Arts, and in engineering. Two hundred students will act as guides, while 400 will man the exhibits. Hundreds of parents and friends of the students from Eastern Ontario points are expected to attend.

Prize-Winning Essays, Health Week Contest

The following are the two prize winning essays for the National Health Week Contest, conducted among Winchester High School students under the auspices of the Winchester Chamber of Commerce.

Ninety students participated, with the first prize cheque of $5.00 going to Mac Steinburg, Grade XII student, and a son of Mr. and Mrs. Burness Steinburg, Winchester. Second prize of $3.00 was won by Mary MacPherson, Grade XIII, daughter of Mr. and Mrs. Ralph MacPherson, Winchester. The topic of the essay was "The First Wealth Is Health," the slogan of National Health Week. At the request of the Chamber, essays were to be a maximum of 300 words in length.

"The First Wealth Is Health"

(By Mac Steinburg)

How many times have you watched people neglect their health in search of a less important material gain?

How many times have people, who might have become leaders and desirable citizens, found themselves tied down by failing health, the great barrier to success?

On many occasions we have watched, unknowingly perhaps, while men, women and children have tried, desperately, to regain the lost treasure; but the way back to health is long and painful, and often times these pepole are unable to regain it.

It is the duty of every person to understand what good health is, and how it may be practised.

First, what is the meaning of health? The explanation most commonly accepted is that good health is the smooth, efficient operation of every part of the body.

Secondly, how may this efficient operation be kept at the desired perfection? Simply by following the fundamental rules of health. These rules call for a balanced diet, plenty of fresh air, rest and exercise. They also demand precautionary acts against the development of disease, such as vaccination and sanitation. Such measures as those mentioned are mere "drops in the bucket" when compared to the quantity and quality of happiness, satisfaction and success they give in return.

Surely, after careful thought and

District Commander Visits Local Legion

In a stirring address before the members of Branch 108 of the Canadian Legion, B.E.S.L., District Commander John Steers, of Cornwall, urged the Legionnaires to engage in and support all worthwhile community endeavours. He stated that "Democracy in Canada was the sum and total of the democracy of the individual communities." The Legion, being a non-political, non-sectarian, and non-racial body, had exhibited, through the sacrfice of its members, that it could be entrusted with the task of safeguarding our Canadian institutions. Commander Steers exhorted the veterans to increase their membership and build a mighty organization which would protect Canada from the various "isms" which had proved so costly to the world in the past.

The meeting of the Legion, held February 14th, was presided over by president-elect Comrade J. W. VanBridger, with Comrade Alva Alexander as secretary. In respect to the King, the colours were draped and two minutes' silence observed.

During the business session Comrade Wilfred Lannin reported on the condition of the Legion Blood Bank, which makes blood available to Legion members and patients of the local physicians at a very much reduced rate. It was decided to make one blood donation before Spring.

The treasurer's report showed that the local Poppy Fund had a balance of over seven hundred dollars. It was decided that every effort should be made to increase this fund in order to provide for any increased relief necessary, as the veterans become older. The Poppy Fund is used for relief of suffering among unemployed or unfortunate veterans.

Com. Disrtict Commander Steers announced that Comrade W. A. Servage, who had served on the local Poppy Committee for the past five years, had been honoured by an appointment to the Ontario Provincial Committee, which administers Poppy Sales in the province.

Comrades District Commander Steers, Zone Commander E. R. Summers and Ross McConnell initiated two new members, Bert Larocque and Kenneth Beamish, into the comradeship of the Legion.

The meeting was closed at ten o'clock with the repeating of the Legion Prayer of Remembrance, after which a substantial lunch was served by the committee, composed of Comrades A. Crawford and Geo. McConnell.

Local Citizens Honour Memory Of Late Monarch

St. Paul's Presbyterian Church was filled to capacity last Friday morning when hundreds of local and district citizens joined with all other loyal subjects throughout the British Empire in paying their tributes of respect to the memory of a beloved Monarch, King George VI, at a Community Memorial Service, held at 11 a.m. on that day.

The pastor of the church, Rev. Wm. Reid, presided throughout the service, assisted by the ministers of all the other local churches.

The pulpit and choir loft were draped in black, and the funeral gong was sounded prior to the service.

Following an Organ Prelude of soft music, played by Miss Clara Irving, the service was opened by Rev. Mr. Reid, who recited Scripture sentences in tribute to the passing of a King.

Immediately after the singing of the hymn, "The King Of Love My Shepherd Is," two minutes' silence was observed, followed by a Memorial Prayer, given by Rev. T. N. Mitchell, pastor of the United Church. The responsive reading, Psalm 90, was led by Rev. H. Kielty, of the Wesleyan Methodist Church, who also read the Scripture Lesson from the Book of I Corinthians.

Following the singing of the hymn, "The Lord Is My Shepherd," the main address was given by Canon Gordon Carryer, Rector of the local Anglican Church. During his remarks Canon Carryer eulogized the life of King George VI, paying him a deserving tribute for the fine example he had set as a King, a Father, a Man, and a true follower of the Christian faith.

After the singing of the hymn, "Abide With Me," Pastor Ben Richardson, of the Baptist Church, offered a prayer for the Blessing and Guidance of Queen Elizabeth II.

The singing of "God Save The Queen," and the pronouncing of the Benediction by Rev. Mr. Reid, brought the very impressive memorial service to a close.

Attending the service in a body were members of Winchester Legion, Post 108.

FEED NEWS

DAIRY FEEDS

X-L-O 16% Dairy Ration

Ready to feed—made with Western Oats and Western Barley, Bran, Linseed Oilmeal, Gluten Feed, Soybean Oilmeal, Calcium, Phosphate, Ferrous Sulphate, Copper Sulphate, Cobalt, Potassium Iodide, Manganese Sulphate, Salt and Molasses.

Protein over 16%, Fat 4%.

X-L-O Dairy Ration has everything needed for heavy production—and at a cost that you can make a dollar. Order a ton or two for delivery—the truck goes your way every week.

X-L-O 24% DAIRY SUPPLEMENT

X-L-O Dairy Supplement has Proteins, Minerals, Molasses, etc., ready to mix with ground or rolled grain.

Either Western or local grain may be used. Mix at the rate of 100 lbs. X-L-O 24% Supplement with 200 lbs. of Oats and Barley for a 16% meal ration, or equal parts 24% Supplement and grain for an 18% ration.

"FUL-O-PEP 24% DAIRY SUPPLEMENT

The last word in scientifically balanced feed for milk production.

When "Ful-O-Pep" 24% Dairy Supplement is fed you can be sure of all the proteins, vitamins, trace minerals, etc., that the high producing dairy cow can use.

Added to Western grain, "Ful-O-Pep" 24% will get the results you're looking for.

Your Choice of 3 Ways of Making Dairy Ration

1. Bring in your own grain and have it ground or rolled and mixed with Dairy Supplement.

2. Bring in grain and have Millfeeds, Protein feeds and Minerals added according to your own formula.

3. Buy local or Western grain (we can supply either) and have a Dairy Ration made up with 24% Supplement or with separate ingredients.

GLUTEN FEED

We have a fair stock of Gluten Feed. It has 23% Protein and 2% Fat, a protein ingredient in most dairy mixtures.

GLUTEN MEAL

Not as well known as Gluten Feed but an excellent protein ingredient. Gluten Meal has 41% Protein and 1% Fat. Add a bag or two of this high protein feed to your next dairy mix —it has more protein than Oilcake.

"SOL-MIN"

A. C. I. L. mineral supplement for dairy catlte.

"Sol-Min" supplies all the regular and trace minerals they need.

Mix at the rate of 4 lbs. "Sol-Min" in 100 lbs. meal mixture.

A well balanced Mineral Supplement will probably give more returns for the cost than any other part of the ration.

As Merve Dickey in the Prescott Journal says: "Inasmuch as the National Anthem is now slightly different, we suggest that our citizenry might as well get started on the right words from the start this time. To wit:

God save our gracious Queen,
Long live our noble Queen,
God save THE Queen.
Send her victorious,
Happy and glorious,
Long to reign over us,
God save THE Queen.

(Note): We have deliberately capitalized "the" in the third and seventh lines because that is where most people insist on substituting "our."

One of the main sources of revenue at a skating arena comes from the attendance at hockey matches. That being the case, the local arena is doomed. The attendance at local games is the worst this year than anytime since the arena was erected. This poor patronage of both hockey and skating cannot go on indefinitely and those interested should remember that old saying: "You never miss the water till the well runs dry." No arena can operate at a loss too long and, as far as the local arena is concerned, there is plenty of room for imrpovement as far as attendance is concerned!

What we saw written on the walls with lipstick, etc., made us shudder with shame to think that the younger generation could even think of such filthy things as were written there. After seeing this obscene writing on the girls' dressing room, we decided to take a look at the boys' room. Believe it or not, there was no display of such filthy writing, with the exception of two or three mild phrases in the toilet. We understand that the

SUGGESTIONS ARE INEXPENSIVE

In an era of high cost of living, which we are experiencing to-day, suggestions should be numerous because they have no price tag. Too many of us who are critical of government administration, price costs, strikes and other common forms of life, fail to use the power of suggestion. If the price of a commodity is increased, all of us are ready to criticize the cost. Few of us, however, take the time to suggest a method, a sensible idea that is, whereby our livelihood could be elevated and the cost of living reduced. The high cost of living is only one of many examples occurring every day where we could offer suggestions.

Most of us have ideas about one thing or the other; some of these ideas are good. For the most part we keep these thoughts to ourselves, or voice them to parties where they will be of no earthly use.

For instance, in the case of the government, provincial and federal, there are several new acts and laws passed each year. Often times, something is not done about the highways in a certain section of the province, or perhaps some other department is not carrying out its duties as well as we believe it should. Instead of going out in a fit of anger and expressing ourselves unintelligently and boisterously to our friends, why not sit down, think the matter out, and then drop our government representative a letter with our ideas? We elect these men to represent us, and they are only too willing to receive the ideas of the people. In the majority of cases, it is the popular wishes that are followed, provided they are practical.

The same solution not only applies to the provincial and federal government, but probably more so to the smaller municipal administration where we are more directly affected by wise or unwise decisions. Undoubtedly there are many problems arising each day on which our elected Council would appreciate some new ideas.

Freedom of expression is only one of the many freedoms in a democracy. We should use it, not abuse it. By suggestions we can help, not only governments, but industries, schools, and even the neighbours next door; for suggestion is really advice, whether it be given in a friendly manner to John Jones, or in a more formal state to some authoritative party. Often, the well-being of many has been the valuable result attained from an inexpensive suggestion.

TACT IN SOCIAL SECURITY

These days the word "security" is on every lip and is popular with headline writers—it has come to mean protection against misfortune, insurance against old age.

Its evolution is interesting. In earlier days it had something to do with piggy banks and pennies put away for a rainy day. In time it meant sticking to one job because a rolling stone gathers no moss.

Then 10 years ago all the world heard about "social security" when Sir William Beveridge proposed his revolutionary plan for public welfare in Britain.

Today it is the favorite word of insurance companies. They claim the more insurance you buy, the more security for yourself—and for your family if your need for earthly security should come to an abrupt end.

Each individual looks on it from a different point of view.

The rich man sees security as a picture of himself clipping coupons and taking trips to Florida.

The working man thinks about it as the day when he makes the last payment on the mortgage and retires on pension to his flower-garden.

Such security is fine—as long as it remains a comfortable thing and doesn't become an endless quest for more material possessions.

But the man who, in the name of security, piles up dollar upon dollar for money's sake alone, is forgetting to live today. Before long he will discover that he has more faith in his money than in himself. That is when too much "security" results in a feeling of insecurity.

He may be a man who sticks forever to a dull job although adventure beckons in a distant land. But he dare not take a chance because he will forfeit what he regards as security.

He is the man with money who is afraid to invest in his country's development because he has lost the courage of his pioneer forefathers.

He is the farmer who won't grow a new kind of wheat because it might fail him.

Perhaps for real security the middle road is best. Naturally, it's wise to prepare for the rainy day. But why be so busy anticipating a rainy tomorrow that we fail to see opportunity when it shines upon us?

WASTED MONEY

The Ontario Hydro-Electric Commission will doubtless be receiving a large bill for advertising this month for which they will receive practically no benefit. In a recent issue of the Ontario Gazette, a government publictaion, there appears 137 pages of advertising concerning the Power Commission Act, which we take it, was compulsory so that it would achieve certain legal status. There is a very restricted circulation to this publication and the latter is a form of goveranment graft we could well do without.

Some time ago the city of Oshawa advertised in this exclusive journal, sales of land for tax arrears and out of lands representing roughly $65,000 in taxes and costs, the city actually sold less than $300 worth of lands at the sale. Yet the adverising of these sales cost the city $505.15, or $202.15 more than was actually received as a result of the sales. All but a few dollars went to the Ontario Gazette. For the government to penalize municipalities in this way is nothing less than a public scandal.

It is not stated how many times the publication of this Power Act is called for, but as we interpret the rates on the back page of the Gazette, one insertion would cost over $7,100.00. That, presumably, will be charged to the Hydro account which indirectly means the municipalities of the province. How long they will continue to tolerate such a state of affairs is a matter for conjecture, comments the Petrolia Advertiser-Topic.

MORE PEOPLE NEEDED

That Canada needs more people, is a fact understood by most of us. We have vast empty spaces even vaster spaces sparsely settled, great natural resources as yet undeveloped, a way of life that is second to none. We have so much and there are so many millions of people in the world who have so little.

Last year the largest number of immigrants in years reached our shores. Contrary to dire predictions, we have absorbed these new Canadians. There has been no alarming increase in unemployment as a result of their coming. Native-born Canadians have not lost jobs to them except in isolated instances. Instead, this flow of new people to Canada has helped to develop new jobs benefitting native and new Canadians alike.

More new Canadians mean a larger domestic market for our goods. More people with more skills and ideas will help us to develop our resources and to carry the burden of overhead necessary to run the country. We have roads and railways and government ample for a much larger popluation than the fourteen million Canadians who live in this great land.

We must bring more and more people, suitable people, to Canada and share with them all the benefits of our nation. We must, too, do what we can to make the newcomers good, loyal Canadians in the shortest possible time.

If Canada is to fulfill her destiny, more people are needed. We must open our gates a little wider to make it possible for them to come to dwell with us.

EDITORIAL NOTES

The old maxim, "A rolling stone gathers no moss," isn't so logical. We can't think of anyone who wants to get "mossed" up.

For groceries, Canadians spent three times as much in 1951 as in 1941—$1,608 million, compared to $567 million; independent merchants did 62.8 per cent. of the total business, chain operators the remainder.

An extravaganza in ice shows is coming to the Winchester Arena this Saturday evening. Fifty Minto skaters from Ottawa will present their famous Minto Follies on this night, featuring brilliant and colourful costumes and skillful skating. It's a date well worth reserving, for entertainment and enjoyment.

The local Chamber of Commerce is already on the job and expects to make a renewed drive to increase its membership. An attractive program has been outlined for 1952 which should see more than a usual amount accomplished. The Chamber is an organization worth joining, especially if you are in business in Winchester or in the Winchester vicinity.

By the end of 1952 about 700,000 Canadians will be receiving federal old-age pensions. This number, combined with children in receipt of Family Allowances, will bring the number of Canadians receiving monthly Ottawa cheques to about five million. In Winchester alone, there are 172 persons over the seventy-year age limit who are entitled to old-age pensions. That number represents 10.4 per cent. of the town population.

The Rocket Fever hasn't settled in yet—but give it time—say another two weeks! Inkerman Rockets, according to playdown schedules, are slated to tangle with the Junior City Champs on February 29th. That means that local and district fans only have a little better than a week to prepare for the annual journeys to Ottawa. With th Ottawa Senators in a bad slump, T. P. Gorman is probably sitting behind his desk, just waiting for the big gates derived from all Inkerman games. If LaPorte takes his team elsewhere this year, the picture will not be so colourful for T. P.

Gospel Gleanings....

"By grace are ye saved"—(Eph. 2:8.).

Salvation by grace is the most glorious truth in the New Testament. The Law of the Old Testament condemned the best. The Grace of the New Testament can save the worst: because salvation comes, not from trusting in our own imperfect righteousness, but in the perfect righteousness of Christ who died as our substitute.

Grace is the free, unmerited love, favor and mercy of God. By grace are ye saved, means that salvation is not a reward to be earned; but a gift to be received. By Grace are ye saved, means that the best person who ever entered the gates of heaven can never say: "I am here because I deserve to be here." By grace are ye saved, means that redemption is obtained, not through our own religious service or sacrifice: but through the sacrifice of Christ at Calvary.

By grace are ye saved, means that the banquet of the glorious gospel of the grace of God has been prepared, and His invitation to everyone is: "Come: for all things are now ready."—(Luke 14:17). Tickets may be had, "Without money and without price"—(Isa. 55:1); but there is one, and only one, condition—the tickets must be signed, not by any earthly priest or potentate, but by the Lord Jesus Christ. For, "neither is there salvation in any other: for there is none other name under heaven given among men, whereby we must be saved"—(Acts 4:12). "No man cometh unto the Father, but by Me"—(John 14:6). "For ye know the grace of our Lord Jesus Christ, that, though He was rich, yet for your sakes he became poor, that ye through His poverty might be rich"—(II Cor. 8:9).

VITAMIN D

Vitamin D is a very necessary addition to the daily diet of all children from birth to the age of sixteen. This vitamin helps the body to make use of calcium and phosphorus in food, preventing rickets and aiding the growth of strong teeth and bones. Vitamin D may be given in liquid, tablet or capsule form, according to the preference of the individual child.

The Descent of Man

Three monkeys sat in a cocoanut tree,
Discussing things as they're said to be:
Said one of the others—"Now listen, you two,
There's a certain rumor that can't be true—
That man descended from our noble race—
The very idea! It's a blamed disgrace!
No monkey ever deserted his wife,
Stole another, and ruined her life;
Nor sat upholstered, a war to launch,
His legs too spindly to bear his paunch.
And you never heard of a monkey mother
Leave her child to the care of another.
And here's another thing you'll never see,
A monkey build a fence round a cocoanut tree,
And let the cocoanut fall and go to rot,
Unless by gold and silver bought.
Why, if I built a fence around a tree,
Starvation would force you to steal from me.
And here's another thing a monkey won't do—
Go out at night and get on a stew,
Or take a gun, a club or knife,
To take another monkey's life.
Yes, man descended, the ornery cuss!
But, brothers, he didn't descend from us!"

Here's a tip to motorists. When you visit town, please do not park your car in front of a private driveway. It's just possible that the owner of a particular driveway may want to take his car out, and if your car is blocking his driveway, he is at a decided handicap. Of course, he can notify the police and you would be fined for your thoughtlessness. Before you park, look to see if you are clear of a "No Parking" area or a private driveway!

A KING AT REST

O, rest you—sweetly rest, dear King,
In still, untroubled sleep,
While wide dominions gravely mourn,
While men and women weep—
And all your nearest, dearest ones
Their silent sorrow keep.

New cares can never crease your brow,
Old pains leave scar or sting,
Another, to the solemn task,
Her wise, young heart will bring:
Her proud young head will wear the Crown—
Then rest, O gently rest, dear King!

ON THE DEATH OF OUR KING

He has not died, just crossed yon' bar
And winged his way to the Evening Star;
Although to us he may seem dead,
And hearts are heavy and tears are shed,
Still forever on history's golden page
His life will be read from age to age.
From sea to sea, from palm to pine,
He ruled, with a strong hand, divine;
He loved his Empire, vast and wide,
And fought with his pepole, side by side;
He really was a noble King,
So good and kind and everything.
He won the hearts of rich and poor,
From mountains bare to heathered moor;
Surely now he shall be blest
And he'll find quiet, Heavenly rest;
We'll miss our King, so loyal, so true,
But we've still our flag of red, white and blue.

KING GEORGE VI

An Empire mourns
The passing of her fairest son,
His life blood scattered in his country's cause
Surely as though his body lay
Beneath a crude white cross
On foreign soil.
An Empire mourns;
And he, in that brave company
Of all our other sons who gave their lives,
Now gladly gives the burden o'er
To younger hands and stouter frames,
And sinks to rest.

An Empire mourns;
And yet beneath her grief for him
Flows pride that she can breed such sons to live
In serving humbly day by day,
With Godly fear and faith,
Their fellow man.

And we who grieve
In kindred realms shall also mourn;
Then harder strive to make the dream he loved
Come true; a kindlier world of Brotherhood and love, of peace
So dearly bought.

THE MIXING BOWL

BY Anne Allan
HYDRO HOME ECONOMIST

Hello Homemakers! Delicious, tempting, fresh-from-the-oven bread and rolls are fun to make. Even if you are an amateur at this culinary art, you can get good results by following these simple directions.

1. Use fresh yeast.

2. Remember bread flour gives best results.

3. Scald the milk. Then cool to lukewarm before adding the softened yeast.

3. Scald the milk. Then cool to

4. Allow about one hour to rise. Put the dough on a cookie sheet and place on a chopping board in the warming compartment of the electric range.

5. Proper technique is necessary. Use as little flour on the hands and board as possible; shape dough into an oval, then pull up one side to meet the other; with both hands press down on the dough and roll back and forth in a rocking motion; turn dough around one quarter of the way and repeat this kneading action (fold, push and turn) about 20 times for a 2-loaf recipe. Dough is properly kneaded when small blisters appear underneath the surface and a smooth, satiny texture is noticeable.

Bread (Quick Method)

Dissolve in small bowl 3 packages granular yeast, 3-4 cup warm water. Scald, then let cool to lukewarm, 3¼ cups milk. Measure into large mixing bowl 1-2 cup sugar, 5 tsps. salt. Melt, then let cool to lukewarm, 5 tbsps. shortening. Have ready 12 cups sifted bread flour.

1. Add scalded and cooled milk to sugar and salt in mixing bowl. Stir yeast solution thoroughly and add to milk mixture. Add half the flour; mix thoroughly. Stir in melted and cooled shortening. Add remainder of flour and mix well.

2. Place dough on lightly floured board and knead. Shape into smooth ball and place in greased bowl. Brush top of loaves lightly with shortening. Cover and let rise in warm place until light (about 50 mins.)

4. Bake in electric oven (400 degs. F.) for 50 minutes. Remove from pans and cool on racks.

Swedish Tea Ring

1 package yeast granules, 1-4 cup lukewarm water, 1 cup scalded milk, 3-4 tsp. salt, 1-4 cup sugar, 6 tbsps. shortening, 3 1-2 cups sifted flour, 1 egg, beaten; melted butter; 1-2 cup finely chopped nuts.

Soften yeast in lukewarm water. Pour scalded milk over the salt, sugar and shortening and allow to cool until mixture is lukewarm. Add yeast and half the flour (1 3-4 cups) and beat well. Set aside 40 minutes to rise until light, then add egg and rest of flour. Mix well. Let rise 1 hour until double in bulk. Roll dough into rectangular sheet on a lightly floured board. Brush with melted butter then sprinkle raisins or nuts over the entire surface. Roll dough up like a jelly roll and form into a ring. Place on a greased baking sheet. With scissors cut ring around edge at 2-inch intervals, being sure not to cut through the inner edge. Turn each slice so that it lies flat in the pan. Allow to rise until double in bulk. Bake in electric oven at 400 degrees for 20 minutes.

Short-Cut Rolls

2 packages dry yeast, 1 1-2 cups lukewarm water, 1 tbsp. salt, 1 tbsp. light corn syrup, 1-4 cup melted shortening, 1 egg, 4 1-2 cups flour.

Soften yeast in lukewarm water. Add the melted but slightly cooled shortening. Mix in the salt, corn syrup and egg. Add the flour gradually stirring until dough is well blended and soft. For Lemon Rolls, set aside one-third of the dough. Chill the remaining dough for a Cinnamon Loaf.

Lemon Rolls

Fill greased muffin tins half full with the unchilled dough. Sprinkle top of dough with the following mixture: 1-4 cup sugar, 2 tbsps. of lemon juice, 2 tbsps. lemond rind (grated).

Place one half of a maraschino cherry in the centre of each roll. Allow rolls to rise for about 45 minutes in a warm place. Bake in electric oven at 375 degrees for 20-25 minutes.

TAKE A TIP

1. To reduce the rising time of bread dough about one hour: add 1 extra yeast cake.

2. Extra yeast does not give a yeasty taste. It is the result of placing dough in a place that is too warm during rising.

3. For more glaze and less crust use an egg white wash (1 egg white, slightly beaten with 1 tablespoon water).

4. To help breads rise within the usual time place a bowl of dough in the warming oven of the electric range with a pan of hot water beside it or place bowl of dough on cake rack over hot water.

5. To prevent overbrowning: Cover with brown wrapping paper during the last 25 minutes of baking.

6. To serve muffins piping hot from the oven mix and fill muffin cups ahead of time. Let stand in the electric refrigerator until a half hour before serving time. Bake in preheated oven of 425 degs. for 20 minutes.

7. You can bake a drop biscuit batted in a waffle iron.

Replica of Famous Clock On Display

A model of the old Town Hall clock tower of Preston, England, was a unique Canadian Pacific Express shipment aboard the Empress of France when she docked at Saint John, N. B., last week. The model, which moved in the custody of Chief Bedroom Steward William C. Hartley (far right), a native of Preston, is now travelling throughout Canada and the United States, and is being displayed in the city halls of many of the major cities. With it is an illuminated scroll on which all ex-Prestonians are asked to sign their names. The clock tower, carved from the original timbers of the old structure which was destroyed by fire in 1947, is a symbol of the Preston Guild celebrations which, with the exception of the war years, have been held every 20 years for the last 400 years. They will be held in Preston on Sept. 1st this year and the model of the tower carried an invitation to all old Prestonians to attend. In this picture taken the day the tour started in Liverpool aboard the Empress are (left to right) Councillor J. W. Taylor, mayor of Preston; Preston's town clerk, W. E. Lockley; D. B. Watson, general agent for the C. P. R. at Liverpool, and Mr. Hartley.

DISTRICT BOWLERS' TOURNAMENT PLANNED

The Lower Ottawa Valley Bowling Association held a meeting at Stittsville recently to elect an executive for the coming year and consider the entries of teams for the Empire Life Assurance Company Trophy Tournament. The new executive consisted of Mr. J. D. Graham, of Stittsville, as president; Mr. G. Y. Forget, Ottawa, vice president, and Mr. W. P. Schaler, Ottawa, as secretary-treasurer.

Entries for teams in the Tournament were received from the Carling Bowling Alley, Quesnels' Bowling Alley, the Experimental Farm at Ottawa, Osgoode Community Centre, Winchester Community Centre, North Gower, Kemptville and Stittsville.

TheTournament is expected to start about the middle of April and will run through to the end of May.

INKERMAN UNITED W. M. S.

The February meeting of the Inkerman United W. M. S. was held at the home of Mrs. Wallace Crowder, with eleven members present.

Mrs. Earl Bailey, convener, opened the meeting with a worship service based on "Love." The profound hunger of our times is not for brotherly words, but for brotherly deeds.

Mrs. Bailey, assisted by Mrs. Wallace Crowder and Mrs. Harold Baldwin, had charge of the Study Book, "From Lakes to Northern Lights." This told of the work of the W. M. S. among folk coming to Canada in the last 50 years from many countries of Europe. These represent seventy or more distinct nationalities who speak over 100 languages or dialects. The United Church has 52 institutions in this connection, of which 36 are churches. The W. M. S. co-operates in meeting boats and welcoming newcomers, forwarding their names to places where they are locating and just acting "the good neighbour policy." The United Church, in its ministry, is persistently and steadfastly fostering a spirit of good-will, understanding and tolerance, thus strengthening the foundation of national unity in a country peopled by citizens whose forebears came from practically all the nations of the earth.

Mrs. Russell Crowder spoke on the value and need of true prayer and announced that Miss Isobel Leith, A.T.C.M., of Japan, was the prayer partner for 1952. Mrs. C. R. Sutherland, president, presided for the business period and heard reports from secretaries present.

A favorite hymn of the late King was sung, namely: "The Lord's My Shepherd," after which "God Save The Queen" brought the meeting to a close.

The hostess served delicious homemade candy before the members left.

WINCHESTER JUNIORS RAP RICHMOND IN FIRST SEMI-FINAL GAME

Richmond Juniors were given a lesson in the ABC's of hockey by Winchester's power-packed B.C.D. (Bailey, Coleman, Dawson) three-some Monday night in the first Carleton League semi-final, played here. The locals skated and checked their way to a decisive 8-3 victory over the visiting Richmond sextet, and went one up in the series. Paced by Bailey, Coleman and Dawson, who collected seven of the local crew's eight goals, Winchester opened the scoring at the 10-second mark of the initial frame. From there in they scored at leisure, with all lines going well.

Lloyd Bailey scored 4 goals and collected 2 assists; Jack Dawson picked up a pair and added four assists, and Clint. Coleman counted a singleton and assisted on five others, to give each player six points. Mac Saunders scored Winchester's other goal.

Richmond marksmen were Spearman, and Brown who counted twice.

Eleven penalties were handed out, five of them going to Winchester.

The line-ups were:

Winchester—Goal, M. Steinburg; def., S. McKercher, W. LaPorte, R. Meldrum, A. Carkner; forwards, B. Steinburg, L. Bailey, C. Coleman, M. Cassidy, M. Saunders, J. Anderson, J. Dawson, H. Balkwill, G. Hutchinson.

Richmond—A. Nelson J. Tubman, W. Spearman, G. Brownlee, I. Gilmour, T. Brown, J. Roy, S. Bradley, B. Garland, A. McRae, K. Brownlee.

Referees: M. Scott, Winchester, and Frank Boyd, Osgoode.

LAPORTEMEN SMOTHER CARDINAL 14-4.

This may be some sort of a record! On Wednesday night in the local arena Lloyd LaPorte's unpredictable Inkerman Rockets walked over Cardinal Redbirds 14-4, and in so doing picked up no less than an amazing four hat tricks to account for 12 of the goals.

The Rockets struck for six goals in the initial frame and at the same time held the Redbirds off the score sheet. In the middle stanza Cardinal came in for two quick ones, with the Rockets counting three over the twenty minutes. The Junior A squad outscored their opponents 5-2 in the final canto.

The hat trick boys for Inkerman were Gerry Moore, Bruce Ferguson, Eugene Tierney and Ed. Bjorness. Keith MacDonald and Glen Fader got singletons. Cardinal tallies were counted by R. Patterson, J. Collison, J. Hoy and M. Morris.

The game was of the fast and clean variety, with seven penalties, four of them to Inkerman, being distributed over the three sessions.

The line-ups were:

Inkerman—Goal, Dion; def., Mantle, C. Swords, W. Swords, B. Hunter; forwards, Moore, Ferguson, Bjorness, K. MacDonald, Turney, Fader, McKenney.

Cardinal—Goal, Murray; def., E. Clifford, A. Cameron, E. Cameron, M. O'Brien; forwards, P. Barker, B. Fraser, R. Patterson, J. Hoy, Ed. St. Louis, L. VanAllen, A. Amell, W. Morris, J. Collison.

WINCHESTER BANTAMS DROP OPENING PLAY-OFF GAME

Lady Luck was against Winchester Bantams in their opening St. Lawrence District Playdowns, when they dropped a 4-1 decision to Morrisburg, played here Monday night.

Morrisburg took advantage of all the opportunities to score three goals before Winchester retaliated. The locals had a decided advantage in territorial play but failed to click around the net. Earl Bilow was the lone marksman for Winchester. Moore scored all four goals for Morrisburg.

The Winchester line-up was: Doug. Stewart, Sel. Crowder, Bob Clark, Bob Mitchell, Carl McMillan, Bill Sherwood, Earl Bilow, Jim Corry, Francis Beckstead, Carl Beckstead, Dwayne Hall, Don Abel, W. Carson, Harry Palmer,, W. Fitzsimmons.

Referees: Mac. Steinburg and Ron. Workman.

LADIES' CURLING BONSPIEL

The local Ladies' Curling Club enjoyed a Friendly Bonspiel on Wednesday last when five rinks played for prizes donated by Mr. and Mrs. Arnold Duncan, of the Duncan Book Store.

Games were played morning and afternoon, and lunch was served in the club rooms during the day. Mrs. Jake Empey's rink won first prize over Mrs. Howard Fetterly's rink, by one point, having to play an extra end. Mrs. C. R. Robinson's rink defeated Mrs. G. Carryer's rink for the consolation.

The prizes were presented by the president, Mrs. D. MacLean. on behalf of Mr. Arnold Duncan.

The Club appreciates the interest shown by Mr. Arnold Duncan in giving the beautiful prizes, and all joined in giving three cheers for him.

The personnel of the rinks for the day were as follows:

Mrs. Reg. Freeland, Mrs. H. Willard, Mrs. Clare Morgan, Mrs. Jake Empey, skip.

Mrs. Harvey MacIntosh, Mrs. Cecil Champion, Miss Madge Coons, Mrs. Howard Fetterly, skip.

Mrs. Stirling Dawley, Mrs. Gordon Coons, Mrs. Arnold Duncan, Mrs. C. R. Robinson ,skip.

Mrs. Fred Cass, Mrs. T. Mitchell, Mrs. Earl Freeland, Mrs. G. Carryer, skip.

Mrs. W. Lannin, Mrs. Bower Potter, Mrs. Melvin Scott, Mrs. Harold Lannin, skip.

Stacking The Brooms

Of interest to Curlers and a' by Sco'y (spelled wi' two t's)

Has everybody realized that this season marks our club's twenty-fifth anniversary? This fact was brought up during the lunch period following the "friendlies" that were played on Saturday night; and was shortly followed by a most appropriate suggestion: "Let's have a mixed bonspiel as soon as the men have finished their playdowns for the cups and saucers." If the ice will remain for the rest of this month, we feel that this event should climax the most successful season in the history of our organization. The executives of the men's and ladies' clubs, including the games committees of each, met on Monday night to discuss the proposal and draw up teams and schedule.

* * * *

Here is the standing of the teams, with one week's play remaining in the round-robin for the Pat Lid Trophy cups and saucers:

* * * *

Skip	Won	Lost	Tied	Pts
Dr. MacLean	4	1	0	8
H. Fetterly	3	1	1	7
W. J. Cass	3	1	0	6
H. Balkwill	2	1	0	4
C. Gilroy	2	2	0	4
F. Christie	1	2	1	3
W. Moffat	1	2	0	2
R. Ledgerwood	1	4	0	2
C. Cross	0	3	0	0

The Caledonian Trophy district playdowns start at Morrisburg on Monday, Feb. 25th. This is for single rink competitions, with granites, straight knock-out elimination, and may the hardiest survive! Let's repeat the Jubilee performance, boys!

* * * *

The Cornwall Club rates very high as hosts, according to the local team who went down there for a friendly match on Feb. 13th. Their games' committee rate a feather in their bonnets for the neat schedule drawn up for their Fifth Annual Bonspiel, which takes place March 3rd to 8th. It gives fellows who can get away only on Saturdays and in the evenings a chance to enter. The schedule is posted on the notice-board, so look over the draw and get the entries in right away to be sure of getting the most suitable time.

* * * *

Saturday is the big day in Montreal, when curlers from the far ends of the earth (well, nearly) meet in the Edinburgh Trophy competition. All teams will play only one game with scores counting. All teams from clubs outside of Montreal are grouped in units of two teams each—and the unit which has the highest average plus score over their opponents, win a complete set of matched granites. Our hopes are resting on teams skipped by Mr. Balkwill and Dr. MacLean. Teams members are Bob Woods, Chester Robinson and Bob Ledgerwood with Mr. Balkwill, and Clark Curtis, Hugh Wilson and Ran. Wylie with Dr. MacLean. Good luck, fellows! We can sure use those stones.

VALENTINE TEA

Mrs. K. Carlyle convened a very successful Valentine Tea, on Saturday afternoon from three to five o'clock in the United Church S. S. Rooms, under the auspices of the Evening Auxiliary.

The guests were welcomed by the president of the Auxiliary, Mrs. B. Dawson, and Mrs. T. N. Mitchell. Mrs .Howard Fetterly presided over the money table, and Mrs. R. Woods played soft music throughout the afternoon.

Mrs. S. Ault, Mrs. E. Davidson and Mrs. R. Wylie had charge of the dining room, which was very artistically decorated with red and white streamers, cupids and valentines. The tea tables were very decorative with white cloths, red and white centre doily and air ferns.

Mrs. C. Rice, Mrs. H. Willard, Mrs. D. MacLean and Mrs. P. Roberts acted as a very efficient kitchen staff.

BIRTHDAY PARTY

Mrs. Arthur McLean and Mrs. Donald McLean entertained the immediate neighbours of Mrs. John McVey at a delightfully arranged birthday party on Monday evening, at Ormond. Mrs. Austin Carkner poured tea, assisted by Mrs. T. G. McLean and Mrs. John Reoch.

As Mrs. McVey will be leaving the community soon, her friends presented her with a token of their affection and expressed their sorrow of her departure.

"The First Wealth Is Health"
(By Mary MacPherson)

An ancient Chinese Buddhist custom was to express a wish by striking a gong, once for health, twice for wealth, or three times for a happy marriage. This means that their first thought was for the welfare of their bodies, for without that, material wealth is unimportant.

Money may help to ensure good health, but it cannot cure the loss of eyesight, hearing, or a limb. How often we have read of millionaires expressing a wish that they could forfeit their wealth for a new, healthy lease on life.

Good health is the aim of everyone, rich or poor, and can only be obtained by the observation of the rules of good health: To succeed in building and maintaining it, many factors play a prominent part.

Quite often, illnesses are due to malnutrition, therefore food, and a balanced diet, are important. The building of bones and muscles are mainly dependant on the nutrition which the body receives.

Sufficient sleep and relaxation ensure better health, and in breathing pure,fresh air, we improve our bodies. By exercise and recreation, be it hop-scotch or hockey, our bodies benefit. Proper bodily posture improves health.

The mental influence plays a large part in its promotion. By banishing worry and fear, and exercising the mind with good literature and inspirational music, we are improving mental and bodily health.

Physical and dental check-ups twice a year are also necessary for the maintenance of a healthy life.

The health of an individual makes up the health of a country; thus, to make Canada strong we must each do our part to keep happy and healthy.

Bell Telephone Co. Releases Financial Statement For 1951

While total revenues of The Bell Telephone Company of Canada were substantially higher during 1951, so were taxes, wages and other expenses, according to the company's 72nd annual report, issued February 14.

Revenues totalled $160,781,058, of which nearly half—$78,066,254—was paid out in wages. The total taxes levied on the company amounted to $22,693,000, equivalent to $2.91 per share of stock, or $12.69 per telephone.

The company expended $72,600,000 in 1951 for new construction to improve and extend its facilities throughout Ontario and Quebec, which increased its total investment in plant to $582,048,747. In all, 113,424 telephones were added during the year, bringing the total number in service to 1, 839,750, but leaving 76,000 unfilled orders at the year-end due to lack of facilities.

Commenting on this aspect of the report, D. H. Smith, Bell manager for this region, said that 12 telephones were added in Winchester during 1951, bringing the total to 736.

Other highlights of the report: net income for the year amounted to $2.08 per share, compared with $1.53 in 1950; earnings were sufficient to pay the usual $2 dividend, but failed by a wide margin to provide an appropriate addition to surplus; the daily average of local calls increased by 5.8 per cent.; the volume of long distance calls was up 8 per cent.; the number of employees at the year-end was 30,292, of whom 19,368 were women; shareholders increased to a record total of 83,551, of whom 97.8 per cent. holding 87.3 per cent. of the stock reside in Canada.

MRS. J. NESBITT SUFFERS CRACKED HIP

In a fall at her home last Wednesday, Mrs. Jay Nesbitt, 88-year-old resident of Winchester, suffered a severely injured hip. She was taken to the District Memorial Hospital on Sunday, where an X-ray examination revealed that she had a cracked hip bone. She will be confined to the hospital for some time under the care of Dr. Wm. Byers. Mrs. Nesbitt sustained the injury when she tripped over a mat and fell heavily, landing on her hip.

MOUNTAIN BROTHER AND SISTER AMONG TOP WINNERS IN COMPETITION

Thirteen-year-old Mary Milne and her 18-year-old brother, Franklin, of Mountain, members of the Mountain Calf Club, were amongst the top scorers in the All-Canadian Junior Judging Competition, sponsored by the Holstein-Friesian Association of Canada in connection with the selection of all-Canadian show cattle. Although both had scores of 142 out of a 150, their ballots were not identical, their placings in the fifteen classes varying somewhat. Their mother is Mrs. Frank Milne. Mary is in her first year in Calf Club work, while Franklin had three times previously won prizes in the Junior Judging Competition. Last year he combined with Gordon McVey to win the Inter-Club Dairy Cattle Judging for the Province of Ontario in the contest held at the O.A.C., Guelph. In the Dominion-wide Competition, held at the Royal, this pair, representing Ontario, stood second.

Close behind with a score of 138 points was Clarence Bell, Winchester, of the Chesterville Calf Club, while two other members of the Mountain Club, Rose Suffel, Inkerman, and Allan Milne, Mountain, had scores respectively of 136 and 135 points. Gordon Fawcett, of Winchester, scored 134 points.

Twelve-year-old Alex McKinney, of Brampton, was the winner of the contest with a perfect score of 150 points.

FISH AND GAME PRIZES AWARDED AT CHESTERVILLE

Sportsmen eligible for awards from the Chesterville Fish and Game Association received their prizes last Wednesday night, following the euchre held in the community hall, Chesterville.

In the 'lunge class the winning entry was caught by W. A. Nash and Lloyd Smith, and measured 45¾ in length, with a girth of 20¼ inches and tipped the scales at 28½ pounds.

Winners in the pike class were William Barker, E. R. Summers, and Harvey Ouderkirk; 'lunge: W. A. Nash, Lloyd Smith, Cyrus Lang, William Nash; pickerel, H. W. Maxwell, Earl Cross; large mouth bass, Harold Munro, Bernice Wood; small mouth bass, Jack Hill, Harold Munro, J. H. Keyes; Perch, first and second prizes, A. Tabram, Cornwall; third, William Lannin; salmon trout, Graham Froats, Williamsburg; Buck: Marshall Page, John Maxwell, Bill nash; does: Ralph Kirkwood, Frank Merkley, Harold Armstrong.

WINCHESTER W. I. MEETING

Over forty members and friends attended the February meeting of the Winchester Women's Institute, which took the form of a sumptuous pot-luck supper.

The president, Mrs. F. G. Armstrong, brought the meeting to order by asking members to repeat the new Institute Grace, and to sing the membership Ode. Following the Mary Stewart Collect, two minutes' silence was observed in tribute to the late King. This was immediately followed by the singing of "God Save The Queen."

The roll call was answered by each member giving her favourite recipe. The treasurer's report, given by Miss I. Knowland, showed a bank balance of $46.48. It was decided that the Government Grant for Education would be put into the purchasing of the "Royal Visit" book, to be placed in the Public School.

Following the business, an entertaining social hour took place, with all members participating. A contest, conducted by Mrs. Fred Deeks, was won by Miss Ida Knowland.

The committee in charge of the supper was Mrs. W. Lannin, Mrs. S. Gibson, Miss Jean Wyatt, Mrs. B. Potter, Mrs. S. Christie and Mrs. Fred Deeks.

A hearty vote of thanks was extended the committee and the Institute by Mesdames Wm. Reid, T. N. Mitchell, G. Carryer and G. McIntosh.

Old Copy of The Mountain Herald Contained Many Interesting Stories

The Press is indebted to Dr. Clarence Stirtan, of South Mountain, for an old copy of the "Mountain Herald," dated August 2nd, 1906. The paper was discovered between the partitions of a room, which Dr. Stirtan was having remodelled in his home. The paper, although yellowed with age, was well-preserved. It is a seven-column, four-page edition, with two pages being printed out-of-town and two at the local office in South Mountain. We cannot publish the name of the editor of the paper at that time as it does not appear any where in this paper. The printing on the sheet is clear and distinct and the paper is quite newsy.

Names of advertisers appearing in the paper include: Drs. Porter and Ferrier; A. W. Beach, V.S; Irwin Hilliard; M. J. Cleland; Andrew Redmond; R. W. Boyd; S. D. Thorpe; T. B. Stewart; The Sterling Branch (Mountain Branch); M. Kavanaugh; Sweet's Cash Store, Mountain.

The minutes of a meeting of Mountain Township Council are published in the issue signed by H. Martin, Township Clerk, while the name of J. J. Payne, clerk, is the signature appearing at the bottom of an account of a meeting of Matilda Township Council.

The following "Toronto Farmers' Market" report will give you an idea of the price of farm produce back in 1906. Here is the quotation:

"General produce in fair supply. Butter is firmer at 19c to 23c per lb, and eggs at 22c to 24c doz. Chickens 12c to 14c lb., and turkeys, 14 to 16c lb. Dressed hogs are scarce and firm, with light quoted at $10.85 to $11, and heavy at $10.65 to $10.75.

"Hay in good supply, with sales at $9 to $10 a ton for new and at $14 to $16 for old. Straw is nominal at $11 a ton."

Other items, local news and otherwise, gleaned from this ancient copy of "The Mountain Herald," follow:

"We wish to make special mention of Freda Sweet. daughter of Mr. and Mrs. W. B. Sweet, of Mountain, who made such a record at the recent entrance examinations. Although only eleven years old, she came out 45 marks ahead and 34 marks above the highest pupil in Grenville County. Mr. and Mrs. Sweet are to be congratulated on having such a smart daughter at such an early age.

"The results of the Revival Meetings now being held in the Methodist Church are very apparent. During the evening services last week, the gospel was earnestly and prayerfully presented, but few were induced to give up their evil ways and turn to God. This week the tide has turned and many have been aroused and made aware of their danger. At the meeting Tuesday evening, the spirit strove mightily and very many were brought to see their need of a saviour.

Readiness

"We are to be ready for the last moment by being ready at every moment. It is not in perpetually rushing to the door and peeking out to see if the master is near, that a servant's readiness consists; but in so attending to every duty that let him come when he may, he finds the house in order, awaiting his return." —H. Bonar.

UNITED CHURCH W. M. S.

At the meeting of the Afternoon Auxiliary, held recently, Mrs. T. N. Mitchell, first vice president, presided, and opened with a fitting tribute to His Late Majesty, King George VI, which was followed by a two-minute's silence observed by members and guests, and the singing of "God Save The Queen."

Mrs. K. Helmer read the minutes of the annual meeting, which were approved. The increased allocation set forth by the Presbyterial Executive, was explained, discussed, and finally accepted by the Society. The departmental reports were received, showing an earnest start in the year's work. The supply secretary stated that a hospital gown was to be our quota to the Missionary box. Members reported 73 calls made. The birthday box was in evidence as a silent reminder. Miss Florence Gruchy, B.A., R.N., of Central India, was named as the prayer partner to be remembered during the coming year. Attention was directed to the Women's World Day of Prayer, to convene in St. Matthias' Church on February 29th.

The worship service and the Missionary study were led by Mrs. S. Christie, assisted by Mrs. W. Angus, Mr. W. VanAllen and Mrs. P. Durant. Mrs. E. R. Steele presided at the piano.

"Our Fellow-Canadians from Europe" was the theme for the meeting. Based on the book, "From Lakes to Northern Lights," it revealed how the trained workers of our United Church of Canada meet these new Canadians, with a spirit of understanding and friendliness and assist them in many ways to get settled. "Brotherly love and brotherly deeds help to overcome the barriers of creed, race or nationality, which separate many of these newcomers from us; and eventually they become useful fellow Canadians."

A special Missionary prayer and the Mizpah Benediction were used in closing.

HULBERT W. M. S.

The monthly meeting of the Hulbert W. M. S. was held at the home of Mrs. Percy Ellis on February 6th, at two o'clock, with Mrs. Annie Graham, vice president, in charge.

The meeting opened with the call to worship, and the Scritpure lesson and a reading were given by Mrs. Graham. Prayer was offered by Mrs. Jas. Burden. Following the business session, a chapter in the Study Book was given by Mrs. Ira Ellis, Miss Florence Roode, Mrs. Nelson Scharf, Mrs. D. Sullivan and Mrs. A. Graham. Readings were given by Mrs. Maud Keyes, Mrs. Ira Ellis, Mrs. D. Sullivan and Mrs. Jas. Burden. The meeting closed with the Mizpah Benediction, and lunch was served, followed by a social hour.

ST. PAUL'S W. M. S.

The regular meeting of St. Paul's W. M. S. was held on Tuesday evening at the home of Misses Ida and Emma Gardner. The president, Mrs. R. D. Ledgerwood, opened the meeting with prayer and conducted the business. Plans were made to hold a Money Shower and Tea in the S. S. Hall on Wednesday, March 5th.

The president urged everyone to attend the World's Day of Prayer on February 29th in the Anglican Church. One minute's silence was observed in memory of our beloved King, after which prayer was offered and God Save The Queen was sung. Mrs. R. J. Empey prepared and read part of a chapter from the Study Book, "Meet The South Americans," and then asked questions on the paper. Mrs. Empey has kindly offered to do this throughout the year.

Devotions were taken by Mrs. I. McCourtie and Mrs. Wm. Reid. Miss Emma Gardner gave very interesting up-to-the-minute news. The meeting closed with the Mizpah Benediction. Mrs. R. Ledgerwood thanked the hostesses for the use of their home.

HOSPITAL REPORT FOR MONTH OF JANUARY

The following is, in part, the January report of the Winchester District Memorial Hospital, as presented by the superintendent, Miss H. C. Wilson, at the monthly Board meeting, held recently.

Admissions: Adults 74, Children 7, Births 26, total 107. Discharges: Adults and Children, 79; Infants 22, Deaths 5, Stillborn 2; total, 108. Average, 33.2; for December, 30.9; for January, 1951, 32.

Consulations, 11; Meals served, 4759; Laboratory Tests, 527; Basal Metabolism Readings, 3.

Surgery: Major, 17; Minor, 39; Ear, Nose and Throat, 1; total 57.

X-Ray Films, 302; Micro Films, 76.

VERNON W. M. S. AND LADIES' AID

The W. M. S. and Ladies' Aid of Vernon Presbyterian Church met at the home of Mrs. Les. Folkard on Thursday last, with twelve ladies attending. With the president in the chair, the W. M. S. meeting opened with a hymn, and Scripture reading by Miss Alma Hanes. Prayer was offered by Mrs. Alex Campbell. The minutes were read by the secretary. An interesting and complete report of the Presbyterial meeting, held in Ottawa recently, was given by Mrs. L. Folkard and Mrs. S. Fisher. Mrs. D. Shaw read from the Glad Tidings "What the Christian Outreach means to Women." The meeting closed with a hymn and prayer.

Mrs. W. McRostie presided for the Ladies' Aid meeting, and welcomed Rev. Mr. Black, attending for the first time. The minutes were read by the secretary, and plans were discussed for the Bazaar which is to be held in the Fall. A quilt top was donated by one of the members, and the Society agreed to purchase the rest of the material for this quilt. Material for another quilt is being donated.

Mrs. Black kindly invited the ladies to hold the March meeting in the Manse.

Several "thank you" notes were read from sick and shut-ins for Christmas parcels received.

The meeting closed with the Lord's Prayer. Lunch was served by Mrs. Les. Folkard and Mrs. E. Anderson. A vote of thanks was moved by Mrs. W. McRostie.

SHUR-GAIN FEED SERVICE
What Does Balanced Feeding Cost?
Balanced Feeding Does Not Cost It Saves You Money!
The grain and time saved by balanced feeding more than pays for the Concentrates used. Compare the value of 1100 lbs. of grain to the value of 700 lbs. of SHUR-GAIN HOG FEEDS, which is approximately the amount required to feed one hog to market weight.
At prevailing prices, 1100 lbs. of grain costs approximately $34.50, while 700 lbs. of SHUR-GAIN HOG FEEDS costs approximately $29.00. The $5.50 difference represents ADDED PROFIT per Hog.

MOUNTAIN PRESBYTERIAN W. M. S. ENTERTAINED

Mrs. Eric Larsen entertained the Mountain Presbyterian W. M. S. Auxiliary members to a delightfully arranged tea, at the close of their monthly meeting, which was held at the Manse, South Mountain, on the afternoon of February 4th.

The president, Mrs. Allan Kerr, presided, assisted by Mrs. H. Graham as secretary, in the place of Mrs. E. Lapp, who is convalescing in the Civic Hospital after a serious operation. Mrs. Wm. Clark had charge of devotions, in which Mrs. J. Kerford and Mrs. H. Richardson took part. Mrs. Larsen, with the aid of a map, gave the first chapter of the study, "The Land of South America." Each one present answered the roll call with a verse of Scripture containing the word, "World." Plans were made for the World's Day of Prayer, the Easter Thank-Offering meeting, and a sewing bee in connection with the missionary bale.

A special remembrance service, in memory of the late King George VI, was held, and God Save The Queen sung. Rev. Mr. Larsen closed the meeting with prayer and Benediction.

World Scholars and Unesco Officials Plan a History of Mankind

A six-volume history of mankind, from prehistoric times to 1957, the year of publication, is to be written by a team of 1000 leading world scholars. The sponsor of the program is the United Nations Educational, Scientific and Cultural Organization (Unesco), which is advancing $400,000 for the work, which is estimated to cost $600,000. The project will take five years to complete and will assemble knowledge of all races, cultures and peoples, past and present. Here are Unesco officials and members of the International Commission for a Scientific and Cultural History of Mankind, which is in charge of the work: Left to right, seated: Dr. Constantine K. Zurayk, Syria; Dr. Julian S. Huxley, the United Kingdom; Dr. Paulo B. Carneiro, Brazil, President of the Commission; Dr. Jaime Torres Bodet, Mexico, Director-General of Unesco; Dr. Ralph E. Turner, the United States, chairman of the editorial committee, and Dr. Carl J. Burckhardt, Switzerland. Standing: Dr. Pedro Bosch-Gimpera, Mexico; Dr. Jean Thomas, France; Dr. Silvio Zavala, Mexico; Dr. Charles Moraze, France; Dr. Armando Cortesao, Portugal, Commission secretary-general, and Dr. Mario Praz, Italy.

CANADA'S *health*

JUNIOR'S GRADUATION

When baby graduates from liquid to solid foods, fruit often helps the transition. Applesauce is usually liked by infants and it may be given first as a puree and then gradually thickened.

LOST TREASURE

Much of the food value is lost during the preparation and cooking of vegetables. The dark outer leaves, which are usually thrown away, are richer in minerals and vitamins than the pale inside leaves. The liquid in which vegetables are cooked and canned is also valuable and should be used to add nutrients and flavor to soups, gravies and vegetable juices.

THE ART OF RELAXING

An ability to relax is an art that should be cultivated. To avert fatigue, at least fifteen minutes—if that is all that can be spared during the day—should be given up to complete relaxation of mind, muscles and faculties. If at home, the radio should be turned off and the body, whether lying down or sitting, should be allowed to go completely limp. Cotton pads, wrung out of cold water and placed over the eyelids, will often help to take the tiredness from overworked eyes.

ACCIDENTS ARE EXPENSIVE

Canada's accidents cost millions of dollars annually, judging by the $150 million a year paid out by insurance companies. This sum doesn't include the amount spent on smaller unreported cases, on medical services and materials used, not to mention loss of wages. The accidents range from injuries incurred in the home to highway disasters. In most cases, if proper care and precautions were taken, accidents might be prevented. Accidents around the home may sometimes be averted by a periodic survey of stairs, floors, furniture and electrical appliances. Care with broken glass and crockery will prevent serious accidents to those who handle household refuse. All such broken pieces should be carefully packed into a container and wrapped before being put into garbage containers.

SNACK TROUBLE

Those in-between-meal snacks that consist of candy, pastries, cake and soft drinks are the cause of increased tooth decay. Eating such sweets only with the regular meal will help to decrease dental caries, if the teeth are brushed immediately after eating. Sometimes it is not convenient to brush the teeth after such a snack but, in that case, rinsing the mouth with water will help to remove the acids that destroy the teeth.

HINTS FOR THE HOME

The New Clothesline

Boil the new clothesline before using. It will make it last longer and prevent it from stretching.

Lemons

To keep lemons for a great length of time, place them in a Mason jar, cover with cold water, and then seal.

Hard-Boiled Eggs

The shell of a hard-boiled egg will come off instantly if it is placed in a basin of cold water for a few minutes.

Stains on Silk

For stains on silk, try a mixture of one part turpentine to two parts of essence of lemon. Use a soft cloth and rub gently.

Washing Hair

A teaspoon of borax in warm water when washing the hair removes grease and improves the appearance of the hair.

Sandwiches

To keep sandwiches fresh for hours, place them in an earthen receptacle of any kind, cover and then place in a vessel of cold water.

Cream Shade

A very pretty cream shade can be given a garment by soaking in cold tea, then ironing before it is dry. It will not streak the goods if properly done.

Trouser Creases

Put a teaspoonful of sugar in a cup of water and sponge the creases in the trousers with this solution, when pressing, and the creases will last much longer.

Stains

If cold borax water is put on coffee and chocolate stains it will remove them. Mildew can be removed from a garment by soaking the article in buttermilk.

Odor of Cleaning

To remove the odor of cleaning fluid from clothing, hang the garment outdoors for several hours, then bring it into the house and hang where the air is warm.

Quick Drying

In order to dry stockings quickly wring them out as dry as possible and roll tightly in a Turkish towel for five minutes. Then hang in an airy place and they will dry very quickly.

Soiled Collars

When the back of a man's collar begins to acquire that greasy, soiled appearance, dissolve a little salt in some alcohol and rub the collar with this solution on a clean cloth. The discoloration will be entirely removed.

New Pen Point

A new pen point can be broken in by first dipping it into ink, holding in the flame of a lighted candle for a second, and then wiping dry with a cloth. It will hold ink as well as a point which has been in use for some time.

Shoe Repair

If the insole from the bedroom slipper has been lost, it may be replaced by cutting one from a discarded felt hat. This kind of insole is also very comfortable when put inside the house shoes one wears when working.

UNITED CHURCH, HALLVILLE, ANNUAL MEETING

St. Andrew's United Church, Hallville, held its annual meeting on Thursday, January 10th. At twelve o'clock noon a turkey dinner was served to approximately sixty members and adherents.

Rev. Mr. Baugh conducted a short devotional period consisting of a hymn, Scripture reading and prayer. He then presided for the business part of the meeting. The minutes of the last meeting were read and adopted. The reports of the various organizations were then given, and every working group in the church reported an encouraging balance. St. Andrew's allocation to the Missionary and Maintenance Fund for 1951 was $1000, and this was reached and exceeded. Mrs. T. Coleman reported that $118.75 had been collected for the Bible Society and it was also reported that $39.70 had been Federation.
sent to the Ontario Temperance

Words of appreciation were voiced by different members of the congregation: to Mr. Baugh for his fine spiritual work among his people; to Mr. Wm. Coleman for his excellent work as caretaker; and to Mrs. Andrew Logan and the choir for their faithful help on Sundays.

All in all, St. Andrew's United Church has completed a most successful year financially, and spiritually, too, as many new members have been added to the church during the year 1951.

HOPE TO SUPPLY 5,000 PHEASANTS TO RIDEAU DISTRICT

(By W. E. Steele, Dist. Forester)

Sportsmen and Fish and Game organizations are reminded that the applications for pheasants should be filled out and sent to the local Conservation Officers before March 1st. Each local officer has a supply of the forms which are handled in the same way as applications for fish, that is, the person who is interested in raising them, fills out an application and gives it to the Conservation Officer for approval. It is then passed to the District Office, and a suitable number of pheasants is allocated to each application.

Apparently the pheasants released last year were very satisfactory as a good proportion of the birds are still surviving. It is hoped that approximately 5,000 pheasants will be available to supply persons in the Rideau District during 1952. If this quota is taken up the present population should be sufficiently bolstered to give a fair test of the adaptability of these birds to local conditions. It is very probable that an open season for cock birds will be declared during the fall, but this should not reduce the number of breeding stock.

Salvador Dali Visits U.N. Headquarters

Among the distinguished visitors to United Nations Headquarters in New York last month was the Spanish-born artist, Salvador Dali, shown here being interviewed by Jeff Sparks of the United Nations Radio. The interview was broadcast by U.N. Radio in its English-language shows "The United Nations Today" and "Spotlight." Mr. Dali, who has lived in Paris for 20 years, also took part in U.N.'s French and Spanish language broadcasts.

He wants to get married—

—she does too!

YOU HAVE PLANS that are important, too. The things you want most, the worthwhile things, have to be planned for, saved for.

That's not easy, these days. But here are two suggestions that may help you to realize your own particular dream:

FIRST, decide what you want most, how much it will cost, and open a special savings account at The Royal Bank of Canada for that one particular purpose . . . then save for it.

SECOND, use the Royal Bank Budget Book to keep yourself on your course, and to avoid careless spending. The budget book does not suggest *how* you should spend your money. It does provide you with a simple pattern to help you PLAN YOUR BUDGET TO SUIT YOURSELF. You can get a copy at any branch. Ask for one.

LOCAL AND GENERAL

Birthday Greetings.

Birthday Greetings are extended to Mr. Sterling Coons, who will be 80 years young tomorrow (Friday), February 22nd; also to Mrs. Coons, who observed her 78th birthday on Monday, February 11th.

Patient In Hospital.

Mrs. W. G. Porteous, of town, who recently suffered a broken arm when she fell on the icy sidewalk, was admitted to the District Memorial Hospital last week as a pneumonia patient. Her many friends will wish her a speedy and complete recovery.

Has Fractured Hip.

Mr. Thos. Faulkner, one of Morewoods most prominent citizens, is a patient in the District Memorial Hospital, where he is receiving treatment for a fractured hip. The Press joins with his many friends in wishing him a speedy and complete recovery.

Patient In Kingston Hospital.

The many friends of Mr. Bishop Coons will be sorry to learn that he is a patient in Kingston General Hospital, where he underwent a major operation recently. All will wish him a speedy and complete recovery.

Making Progress.

We are pleased to report that Mr. George Wilson, who has been a patient in the local District Memorial Hospital for the past several weeks, is much improved in health. Although his progress is slow, it is gradual, and his many friends will wish him a complete recovery.

Engagement Announced.

Mr. and Mrs. Thos. Duncan, of Ormond, announce the engagement of their only daughter, Elizabeth Grace (Betty) to Mr. William Morton Douglas, elder son of Mr. W. S. Feeley and the late Mrs. Feeley, of Morewood. Marriage to take place quietly at Ormond on Saturday, March 8th, 1952.

Observed 91st Birthday.

The Press joins with her many friends in extending congratulations to Mrs. Wesley Reveler, of the Cannamore district, who observed her 91st birthday on Tuesday of this week. Mrs. Reveler, who resides with her son, Mr. Thos. Reveler and family, is in good health and spends most of her time knitting, sewing and reading, and in the summer likes to work in the garden. She is the mother of Mr. Thos. Reveler, of Cannamore; Mr. Max Reveler, of Toronto; Mrs. Geo. McGregor, of Morewood, and Mrs. Kippen, of Maxville.

BARN DESTROYED BY FIRE AT IROQUOIS

Loss estimated at approximately $6,000 resulted when fire completely destroyed a barn on the farm of William Barnhardt, three miles north of Iroquois, on the 2nd Concession of Matilda, early last Thursday morning.

The fire was caused by flames from a blow torch which Mr. Barnhardt was using to thaw out some frozen pipes, which ignited a part of the building.

Four horses and five head of cattle, a quantity of grain, and about 40 tons of hay were destroyed, as well as some machinery which was stored in the barn. A granary near the barn, in which a large amount of grain was stored, was saved.

The loss was partly covered by insurance.

MR. AND MRS. LEE BALDWIN HONOURED ON 40th WEDDING ANNIVERSARY

Congratulations and best wishes are extended to Mr. and Mrs. Lee Baldwin, of Mountain Township, who on Thursday, February 14th, (Valentine's Day) celebrated their Fortieth Wedding Anniversary. To mark the occasion the family were entertained at a sumptuous Oyster Supper. Centering the dinner table was a three-tier Anniversary Cake, while, in addition to the oysters, sandwiches, cake, ice cream and coffee were served. Following the supper, members of the family presented the celebrants with an Ostrett Electric Mixer, Windsor Walnut Table and Chrome Smoker, while a lovely Lace Table Cloth was presented to Mr. and Mrs. Baldwin by their grandchildren. Games were enjoyed and a very pleasant evening was spent by all.
